The 2015-2018 CBA (updated February 2018) does not contain updated salary information - Appendix C, the new hire salary schedule, is an MOU that addresses state law. Given that this version of the CBA covers the same time frame as the version updated January 2017, NCTQ made the assumption that the salaries from the January 2017 version remained in place for the 2017-2018 school year. Per the 2015-2018 CBA (updated January 2017), p. 74 (pdf), App. D, the following are the advanced
