Grants

Council for Exceptional Children Mini Grant Awarded 1994
Idaho State Department Experiments in Creative and/or 1996
Innovative Programs, project title: *Promoting Inclusion Through Literature*

J.A. and Kathryn Albertson Foundation Grant 1998-2001
Through the Lee Pesky Learning Center: A three year grant (1.3 million) to teach *Every Child Can Read: Research Based Instruction* via long distance learning to 1200 classroom teachers. This grant also funded *TEAM, Teachers Educate As Mentors*, a teacher mentor program, which I developed and administered. The program trained teachers to be reading mentors to other teachers in their schools and school districts.

Parochial Schools Project 1999 - 2002
Designed and led a series of teacher training sessions during which parochial schools adapted, adopted, and mapped their language arts standards. Oversaw ongoing mentor program with grades K through 3 teachers as they implemented best teaching practices.

Cotton Family, Whittenberger, Idaho Community Foundation, Dumke Foundation
Grants from these sources have been awarded to support programs under my direction at Lee Pesky Learning Center:

Collaboration for Reading Improvement - Taft and Whittier Elementary Schools

Every Child Ready to Read – Early childhood literacy for care providers and preschool teachers.
