AGREEMENT

between

THE TOLEDO BOARD
OF EDUCATION

and

THE TOLEDO FEDERATION
OF TEACHERS
Dear Colleagues:

The vision of Toledo Public Schools is to become an “A” Rated school district whose graduates are college and career ready. Through a strong commitment to our students and their academic success, our vision is becoming a reality.

It is an exciting time to be part of TPS. We have made progress on several key fronts including the implementation of the district’s multi-year strategic plan, expanded Career Technology offerings, the introduction of new academic programs and the expansion of our partnerships and community outreach efforts in effective new ways.

The ratification of this new three-year contract is something to celebrate. In the fall of 2016, the administration and leaders from the Toledo Federation of Teachers adopted an interest-based bargaining approach to this round of contract negotiations. The process required a commitment from both sides to identify common issues and to work collaboratively to reach a mutual agreement. In the end, their efforts were successful. To demonstrate our commitment to collaborative work, both sides have agreed to the establishment of a Labor Management Committee which will review and examine a number of academic and classroom-based matters. This contract should also be looked upon as another tool that allows Toledo Public Schools to retain and recruit the best possible teachers in our area.

While we have made progress, we need to continue building upon the positive momentum we are seeing across the district to overcome our challenges. I look forward to writing the next chapter of the district’s history and reinforcing the positive impact of public education on our students and our community as a whole.

Thank you all for being TPS Proud!

Sincerely,

Dr. Romules Durant
CEO/Superintendent
This current contract is a direct result of the professionalism and dedication that TFT has demonstrated over the past several years. TFT has taken those attributes and strengthened our role as instructional leaders in our profession. Not only have we increased our voices, TFT has entered a new era of collaboration and ability to recruit and retain a diverse workforce. This was accomplished by protecting language that supported high quality instruction and also by creating a competitive compensation plan. It has and always will be TFT’s goal to advance its membership by creating professional standards and advocating for student learning conditions. Lastly, I would like to thank the American Federation of Teachers for all of their support.

Respectfully,

Kevin Dalton
President
Toledo Federation of Teachers

5. The Terms of this contract shall be amended by mutual agreement if they are found to be inconsistent with constitutional, statutory, or other legal provisions. If any provision of this contract is found to be contrary to law by the Supreme Court of the
15

United States, or by any court of competent jurisdiction from whose judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be modified forthwith by the parties hereto to the extent necessary to conform thereto. In such case, all other provisions of this contract shall remain in effect.

6. A specific provision of these policies may be temporarily suspended or altered only upon written consent of both parties.

7. Toledo Public Schools ("the District) and the Toledo Federation of Teachers ("the Federation) recognize that they are unable to predict changes. The Parties understand the importance of the District’s need for flexibility to adhere to the aforementioned changes. 2. The Federation agrees to represent all teachers equally. However, the Federation reserves the right to decline to process a grievance to arbitration.

II. GRIEVANCE PROCEDURE
A. Definition
A grievance is any complaint brought by any member of the bargaining unit (tenure and/or non-tenure probationary teacher) or the Toledo Federation of Teachers where it is alleged that (1) there is a violation, misinterpretation, or misapplication of the provisions of these policies or established policy or practice, or that (2) his health or safety is jeopardized by conditions which can be reasonably corrected by
the employer. As used in this Article, the term teacher shall mean either an individual, a group of teachers having the same grievance, or the Toledo Federation of Teachers.

B. Procedure

Grievances shall be presented and adjusted in accordance with the following procedures:

**Informal Procedure** – If conditions for a grievance occur, teachers and administrators are encouraged to maintain communications; however, should a grievance arise at a school, either the teacher with a grievance, or the Federation Building Representative, or both, shall first discuss the matter with the principal or administrator concerned with the objective or resolving the matter informally.

**Formal Procedure**

**Level 1.** In the event the matter is not resolved informally, the grievance, if authorized by the Federation, shall be submitted in writing on forms provided by the Federation to the principal of the school, or administrator who is being grieved against, within thirty-five (35) school days following the act or condition which is the basis of the grievance if it is known to the grievant.

a. A grievance can be submitted and thereafter discussed with the appropriate administrator who is grieved against:
   1. by a teacher accompanied by the Federation Building Representative if authorized by the Federation.
   2. by a teacher accompanied by another Federation member at the school if authorized by the Federation.
   3. by an official designated by the Federation.

b. Within five (5) school days after receiving the grievance, the appropriate administrator shall state his/her decision in writing together with supporting reasons, and shall furnish one copy to the teacher who lodged the grievance, and two copies to the Federation representative.

c. Failure to respond within the five (5) school days shall result in the grievance automatically advancing to the next level.

d. When the grievance is filed against an administrator who is stationed outside a school building work site, it shall be considered a Level 2 grievance. If the Federation files a grievance in its name, it shall be considered a Level 2
grievance. However, the Superintendent, or his
designee, may direct the grievance filed in the
Federation’s name back to Level 1 if
appropriate for resolution at that level.

Level 2. Within seven (7) days after receiving the
decision at Level 1, the aggrieved teacher through the
Federation representative, or the Federation in its
own name, may appeal from the decision at Level 1
to the Superintendent or his designee. The appeal
shall be in writing and shall be accompanied by a
copy of the decision and all written statements used
in Level 1, if applicable.

a. Within seven (7) school days after delivery of
the appeal, the Superintendent or his designee
shall investigate the grievance, including giving
all persons who participated in Level 1, and
representatives from the Federation office a
reasonable opportunity to be heard. Upon request
of the superintendent or his designee or the
Federation, all parties will meet at the same time.

b. Within seven (7) school days after the hearing
referred to in (a) above, the Superintendent or his
designee shall communicate his decision in
writing, together with the supporting reasons, to
the aggrieved teacher, to representative
designated by the Federation who participated in
this level, and to the Federation, principal or
administrator involved.

Level 3. Within seven (7) school days after receiving the
decision of the Superintendent or his designee, the
Federation may appeal the decision in writing to the
Board of Education which shall give the Federation
opportunity to be heard. The Board of Education shall
communicate this decision in writing together with
supporting reasons to the Federation within fifteen (15)
school days after delivery of the appeal.

C. Arbitration

1. In the event a dispute or difference as set forth in (A)
above, has not been settled under the procedure in
(B) above, only at the election of the Federation may
the dispute be submitted to binding arbitration.
Should the Federation choose not to arbitrate, the
decision at Level 3 shall be final and binding upon
the parties and all other personnel affected.

2. A request for a panel of nine (9) arbitrators shall be
sent within twelve (12) school days to the Federal
Mediation and Conciliation Service (F.M.C.S.) with a
copy to the Human Resources Office.
3. The parties shall mutually select one person to act as arbitrator by alternately striking names from the list of nine (9) received from the F.M.C.S. The party to strike first shall be decided by lot. The time of such an arbitration hearing shall be within sixty (60) days from the date of notification of the intention to arbitrate unless the selected arbitrator requests an extension of this time due to scheduling problems.

4. The arbitrator shall hear only one grievance in each case provided however that all concerns arising from or out of a single occurrence or series of related occurrences shall be consolidated as a single grievance. He shall be bound by, and must comply with, all of the terms of these policies, unless the same is in direct conflict with an existing statute. He shall have no power to add to, delete from, or modify in any way any of the provisions of these policies. The decisions of the arbitrator shall be final and binding upon the parties and all other personnel affected. It is expressly understood and agreed that no controversy between the Board and the Federation with respect to contract renegotiation shall be subject to the provisions of this Article without specific written authorization of both parties. However, the arbitrator shall have the authority to award back-pay or make wage adjustments provided such adjustments are warranted as a result of the grievance testimony and findings.

In the event a teacher receives a back-pay settlement or award for any calendar month for which no dues were deducted, a deduction for each such month shall be made from the settlement or award.

5. The Board agrees that it will apply to all similar situations the decisions of an arbitrator sustaining a grievance, and the Federation agrees that it will not bring or continue to bring grievances that are similar to a grievance denied by the decision of an arbitrator.

6. The cost and all expenses of the arbitrator shall be shared equally. All other costs shall be borne by the party incurring the cost. The Board shall provide the federation at no cost a copy of the transcript. (Per Article I, A-5 p. 2).

D. General Provisions

1. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to present to attend. When such hearings are held during schools hours, all employees
who are directly involved at the hearing will be excused for that purpose with pay.

2. The grievance representative authorized by the Federation shall be granted released time with pay for all formal grievance hearings under section B and C. Similar arrangements under the informal procedure of section B must be agreed to by the Federation and the Human Resources Office.

3. The fact that a grievance is raised by an employee, regardless of its ultimate disposition, shall not be recorded in the employee's file or in any file or record; nor shall an employee be placed in jeopardy or be subject to reprisal for having followed this grievance procedure.

4. Principals shall make arrangements to allow reasonable time without loss of salary for each Federation Building Representative to investigate grievances within his/her building. In the event clarification is necessary as to what constitutes reasonable time, the President of the Federation and the Chief of Staff shall, after consultation, make the final determination.

5. No grievant at any stage of the grievance procedure will be required to meet with administrator without authorized Federation representation concerning the grievance.

6. If a grievance arises from the action of authority other than the principal of a school, the grievant, or the Federation, may present such grievance directly to the authority involved. If the grievance is not satisfactorily resolved at this meeting, the grievant or the Federation may proceed to the next level.

7. If a grievance is of such nature as to require immediate action such as may be required in transfer cases, the person acting for the Federation may appeal immediately to the office or person empowered to act, and said office or person will attempt to resolve the matter jointly with the Federation representative. If the matter is not resolved, it may be appealed through the grievance procedure beginning with the next level.

8. Failure to communicate a decision on a grievance at levels two or three of this procedure within the specified time limits shall permit lodging an appeal at the next level of this procedure within the time allotted had the decision been given. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision. When the
alleged cause for a grievance occurs, the first level of the grievance process must be taken within thirty-five (35) school days of its occurrence or of the grievant’s or the Federation’s awareness of its occurrence. The Board and Federation will make every effort to process its grievances at the earliest possible date after its awareness.

9. The time limits specified in this procedure may be altered in any specific instance by mutual agreement in writing.

10. The grievance procedures provided in these policies shall be supplementary to or cumulative with, rather than exclusive of, any procedures or remedies afforded to any teacher by law except as excluded herein.

11. Federation grievances chairpersons should be given their planning period the last period in the day and they will be permitted to leave their buildings to carry on union business when it is necessary.

12. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

III. SENIORITY
Definitions
As used in this agreement, seniority is defined as follows:

1. **SYSTEM SENIORITY**: Total amount of time a teacher has been continuously employed by the Board in the bargaining unit. (See Article XVIII, D, for provisions relating to long-term substitute service).

2. **SYSTEM CLASSIFICATION SENIORITY**: Total amount of time teaching as: a) in grades (K-5), (K-6), (K-7), (K-8), while teaching in an elementary school; b) 6-12 department members while teaching in a secondary school; or c) system-wide department members regardless of grade level.

3. **SYSTEM-WIDE DEPARTMENT SENIORITY**: Total amount of time teaching in a system-wide department unrelated to an individual school. (See D below for a list of these departments.)

4. **BUILDING SENIORITY**: Total amount of time teaching in a particular school.

5. **DEPARTMENT SENIORITY**: Total amount of time teaching in a particular 6-12 department counting only those years the teacher has taught at least three (3) classes/units in a department regardless of the school.
A. System seniority, or departmental seniority, or system classification seniority, or system-wide departmental seniority, whichever is applicable, are used in this agreement in all cases except to determine a reduced enrollment transfer. The following factors will govern the use of system seniority, system classification seniority, departmental seniority and system-wide departmental seniority:

1. Seniority shall begin to accrue the day the teacher first reports to work on or after the first day of school.
2. Seniority will be maintained continuously while the teacher holds a valid contractual relationship with the Board, even if the teacher should be on leave. Acceptance by the Board of a recommendation for a teaching position is considered a valid contractual relationship.
3. If a teacher resigns and returns as an employee of the Board, previous seniority will be lost.
4. See Article XII for layoff and recall rules governing administrators.

B. Since teachers are assigned to serve as elementary or senior high teachers, system classification seniority shall be interpreted as the total amount of time spent in the following classifications:
   a. elementary
   b. senior high departments
   c. system-wide department

Department Seniority

C. Departmental seniority shall begin at the time the teacher first teaches at least three (3) classes/units in a department, within a departmental school, and shall be accumulated thereafter. Full-time teachers scheduled in more than one school who do not teach at least three (3) classes in either location, and thereby fail to qualify for departmental seniority, shall not be issued preference sheets. (See Article IV, A-1, c and d).

If such assignments includes at least three (3) total classes/units among the schools, departmental seniority shall be credited for such service at the time the teacher does qualify for departmental seniority at a school under the three class/units rule.

1. If two or more classes are taught at the same hour, credit will be given for each class/unit. Classes using different adopted texts or materials shall be considered different preparations.
2. Teachers who teach in the same department in both middle and senior high school may count all such
service toward total departmental seniority. Teachers who teach in grades 6-8 in an elementary school may count all such service for elementary classification seniority. If they teach three classes per day in a single subject, they may count such service for department seniority as well.

3. Seniority in one department shall not be abrogated if interrupted by service in another department, but dual seniority may not accrue unless there is actual three class/unit compliance in both departments at the same time.

4. Middle school teachers in non-departmentalized schools shall be credited with departmental seniority upon assignment to a departmentalized middle or senior high school. Such credit shall be assigned by mutual agreement of the Board and the Federation. Conflicts between the Board and Federation shall be resolved through the grievance procedures.

System-Wide Seniority

D. Some classes of teachers are considered to have system-wide departmental seniority unrelated to an individual school. Hence, music, reading, specialists, driver education, home economics teachers, speech and language therapists, librarians, nurses, physical education specialists, visiting teachers, teachers of the gifted, career education teachers, art teachers, ESL teachers, and special education teachers because of special certification and unique job descriptions will have first opportunity to fill vacancies within their departments.

1. Transfers in system-wide departments shall be available first to members of the department. When it is necessary to fill a vacancy in a department from outside the department, transfers will follow the involuntary and voluntary transfer rules in the Article VIII.

2. Vacancies in a K-12 classification are not available to system-wide department members except through the normal transfer process.

3. When a member of a system-wide department transfers to another classification outside the system-wide department, building seniority shall be credited at that time to include the system-wide departmental seniority accrued provided the vacancy filled is in the same school where the system-wide assignment took place.

Building Seniority

E. Building seniority shall accrue at each building to which a teacher is assigned. Full yearly credit shall be accrued
except in those instances when an assignment at a school is for less than a school year. Partial years shall be credited based on months served. Half-day employment teachers are governed by F-3, below. Such seniority shall be used only to determine a reduced enrollment transfer. Teachers on leave shall continue to accrue building seniority unless otherwise noted in this agreement. (See Article XXX General, A 1-4).

1. Building seniority shall not accrue during the time a reduced enrollment transeree is out of his/her home school. However, actual service at any school will be entered and credited in the teacher’s personnel file for the school in which service was performed. Service need not be continuous in order to accrue. In a departmentalized school, all buildings seniority accrued within a school, regardless of the department in which service was rendered, shall be counted for the purpose of determining a reduced enrollment transfer from the department affected by the enrollment decrease.

2. In elementary schools all service at the school shall be credited in determining a reduced enrollment transfer.

3. When a school is closed, or entire classes, Grades, or departments, closed or moved, teachers affected shall carry their building seniority to their new work location.

4. When grade levels, departments, classes/units or other classifications are moved, the teacher(s) affected shall have the first opportunity to move. If the teacher declines, the teacher with the least building seniority shall move. An entire classroom/unit of students must be moved to actuate this transfer process, or the move must result in the reduction of a position. (See Article X for further details.)

5. Reduced enrollment transfers that result in placements after the opening of school through October 20th shall be credited with building seniority to the opening of school.

6. For further information about reduced enrollment transfers, refer to Article VIII, B.

F. General

1. In cases of tied building seniority, the person with the greater system seniority shall be considered to have the greater seniority.

2. If there is a tied system, system-wide departmental or system clarification seniority, the tie shall be broken
by using the last four (4) digits of the Social Security number with the exception of permanent numbers drawn for those hired on August 29, 2000, August 29, 2001, and August 26, 2002.

3. Half day employment is credited as full system seniority but other seniority is credited at one-half effective August 1, 1998.

4. Seniority lists will be maintained by the personnel office for summer school programs, adult education programs, and all hourly teachers. Copies shall be provided to the Federation upon request.

5. Seniority is discussed in other sections of this agreement. Consult applicable Articles.

6. On February 1 of each year the Board shall issue lists for each seniority category for unit members. A copy shall be provided to the Federation.

IV. TEACHING ASSIGNMENTS

A. Preference Forms (High School)

1. Teachers shall be provided with standardized teaching assignment preference forms at the same time class estimates are distributed. These forms shall include a place for homeroom preference, optional duties, grade level assignment, plus a separate section for supplementary positions normally recommended for appointment from within the school.

   a. Study halls count as a choice in the preference course selection in the preference course selection process. Teachers will be precluded from the selection of study halls if such selection would result in the need of additional staff.

   b. Study halls will not be assigned to a teacher in the science, math, social studies or English departments if such assignment causes a significant increase in the teacher-student ratio of the other department members; or if the assignment results in three (3) non-course assignment class periods.

   c. Participation in the preference process shall be limited to those who have taught at least three (3) classes in a department within a single school, or will be teaching three classes/units in a department.

   d. Teachers who do not comply with the three (3) class/unit rule will be assigned departmental courses still available after regular department members have their full assignments. This
provision shall apply to study halls and optional duties.

e. All teachers regardless of their current assignment, who have been notified of a transfer to a different school will have the privilege of filing a preference form for teaching assignments at that school if the preference process has not been completed. Otherwise, teaching preference provisions may not be applicable until the following school year.

f. Preference forms shall be completed in both the receiving and sending schools if the transferee to the sending school is unknown.

2. Teaching assignments for the ensuing school year shall be based on preference forms submitted to each teacher by April 15, and assignments shall conform to the procedures below.

a. Principal shall submit the number of courses and/or courses and/or sections for each department to each department chairperson along with the preference forms.

b. The department chairpersons shall then meet with their department for the purpose of distributing teaching assignment preference forms and estimates to the department members.

c. Within fifteen (15) days after April 15, each department chairperson shall meet with each department for the purpose of constructing tentative class assignments. Teachers who fail to file a preference form prior to this departmental meeting shall be excluded from the assignment process. These meetings must be announced at least three (3) calendar days in advance, however.

Preference forms must be available for inspection at the departmental meeting and copies must be provided to the principal who will keep all preferences in a place available to any teacher at the school.

d. Every effort shall be made to construct a department schedule that equitably distributes course, grade, honors, and grouping assignments. When preference forms present choices not in conflict, the principle of equitability will be considered to have been fulfilled. Algebra I when taught in the 8th grade shall be taught by a 7-12 licensed math teacher.
e. Prior to May 15, each principal shall meet with each department to assist in the scheduling process if such assistance is needed or requested by either party. Principals shall announce tentative schedules by May 15 to each department member.

f. If circumstances regarding teacher schedule assignments are relatively equal, or if conflicts exist after the above meetings have been held, departmental seniority shall be the determining factor. (See Article III.) As an example, in a mathematics department all least desirable courses should be distributed equitably among all department members beginning with the teacher with the least departmental seniority. Desirable courses would be assigned beginning with the teacher with the greatest departmental seniority.

g. Teaching assignments for the ensuing school year shall be posted no later than four (4) days prior to the last day of school for students. Departmental schedules will remain posted until the close of the school year. If changes are necessary after the posting deadline, teachers will be notified in writing immediately. (See i below).

h. Advanced Placement classes shall be assigned solely to teachers who possess an M.A. degree in the subject area of the course when such teachers are available and apply to teach the course. The courses will be rotated if two or more such teachers apply. If no such teacher is available, an M.A degree outside the field and a license in the subject is mandatory, and the courses will be rotated among those who apply to teach AP courses via the preference form. Courses will not be offered to teachers outside of the department. This provision shall not preclude present AP teachers from participating in the program. A Federation-Board joint committee will be established to review the district’s Advanced Placement program. The committee will be established by February 1, 1998.

i. If there should be a drastic change in the school population in any area which would affect the number of classes in a department or program, readjustments shall be made within fifteen (15) days after the beginning of the fall semester.
When such adjustments are made, the administrator shall immediately submit in writing reasons for such changes to the teacher involved and to the Federation if requested.

j. No high school teacher will be assigned to more than three (3) subject matter preparations in a semester unless they consent to do so in writing. A preparation is defined as a class having a separate course number. Non-vocational business teachers are limited to three (3) preparations in any one semester. For purpose of this section, Typing I, II and Personal Typing are considered one (1) preparation. Speech I and II shall be considered as single preparations. Drama I and II shall be considered a single preparation. No teacher of a foreign language will be assigned to teach a class of combined second and third year language or a combined first and second year language unless they consent to do so.

k. If a vacancy occurs before the start of school, the department shall meet prior to the arrival of students to rebid their schedules. In rebidding, each department member, in order of departmental seniority, shall be allowed to select one (1) class only from the vacated schedule. Each class that becomes available, as a result of the bid, shall also be added to the classes available. The final class selection must conform to the three preparation rule. Certification requirements could prevent a department member from course selection under this process. The master schedule shall remain fixed.

l. Failure to post schedules shall result in a hearing within five (5) school days before the Transformational Leader or his/her designee upon written request of the Federation. The Transformational Leader or his/her designee is empowered to draft schedules in conformance with this Article and he shall announce those schedules within ten (10) days of posting deadline in (g) above. These assignments shall include optional duties and study halls, exclusive of supplementary contract assignments. Such action will not preclude recourse to the grievance procedure.

B. Preference Forms – Elementary

1. Sixty (60) days prior to the end of the school year teachers shall be given the opportunity to fill out
preference forms indicating their preferences in order of grade level priority with the understanding that such preferences will be honored according to the guidelines in B-3, below. Teachers shall be given the opportunity to discuss their assignment requests with their principals prior to May 1. A standardized preference form shall be used with separate choices provided for grade levels, split classes, home room preferences and supplementary duties normally recommended at the school level. Teachers also shall be given the opportunity to update their preference forms as vacancies occur as a result of the following circumstances:

a. A change in the number of classes at a particular grade level.
b. When an opening occurs, as a result of teacher retirement, death, resignation, or transfer.
c. The preference forms shall be used to determine which teacher at the school will fill a permanent vacancy (b, above) or teach a particular grade level (a, above).
d. When a displaced teacher is returned to a school on or before October 20, the displaced teacher will fill the original position held as a result of the May preference scheduling. If it is necessary to fill more than this position, preference forms will be recirculated for the other assignment(s). After October 20, the procedures in B-1, above, will be followed, and the displaced teacher will return to the remaining position.
e. System classification seniority shall apply to all teaching assignment preferences except homeroom preferences.
f. When a vacancy occurs after the close of school and before the start of school, elementary teachers will indicate on their preference form that they want to be called in order of elementary seniority to fill the vacancy(ies). When these summer changes involve a change in the number of classes at a particular grade level, or when a split grade is needed after the close of school, such changes shall take place through preferencing after the opening of school.
g. When the number of teachers at a particular grade level is reduced, the teacher at the grade level to be reduced with the least classification seniority shall be reassigned, if necessary, in
accordance with the posting and preferencing procedures. (There is no grade level seniority). For purpose of this section, pre-first teachers shall be considered at the grade level to which they were assigned immediately prior to their acceptance of the pre-first vacancy.

2. In reference to requests for special assignments, teachers with the greater system classification seniority will be given preference, if qualifications are relatively equal.

3. System classification seniority shall apply to all teaching assignment vacancies as they occur. Otherwise, bumping will not be permitted (See Article XIX, F-6).

4. Split grade classes shall be prohibited in grades one and two. Rotation of split-grade classes shall be mandatory when two (2) or more teachers indicate this preference, or when no teacher indicates such preference. After this decision has been made, teachers newly assigned to a school must honor the decision for the ensuing school year. When a teacher has been assigned a split grade class who has not volunteered, that teacher shall be reassigned to his/her original grade level the following year provided the classification seniority is sufficient among the teachers, or teacher, at the original grade level. Those who indicate a preference for split grade classes (volunteer) shall not be considered eligible for a return to original grade level unless all the teachers at the two (2) levels affected agree in advance of the assignment. (See Article XI, L, M.)

5. Tentative teaching assignments shall be posted on the official school bulletin board, or other readily accessible place, not later than ten (10) school days before the end of the school year.

6. All teachers, regardless of their current assignment, who have been notified of a transfer to a different school will have the privilege of filing a preference form for teaching assignments at that school if the preference process has not been completed. Otherwise, teaching preference provisions may not be applicable until the following school year.

7. Failure to post schedules shall result in a hearing within five (5) school days before the Transformational Leader or his/her designee upon written request of the Federation. The Transformational Leader or his/her designee is
empowered to draft schedules in conformance with this Article and he shall announce those schedules within ten (10) days of posting deadline in A.2.(g) above. These assignments shall include optional duties and study halls, exclusive of supplementary contract assignments. Such action will not preclude recourse to the grievance procedure.

8. For art, music and physical education schedules, also see Article V, O. A-B schedules for art consult also G-17, below.

C. Preferencing For Middle School Reading/ Language Arts

1. Middle school language arts teachers will use the course selection procedure below until such time as reading is no longer required for all students by the Ohio Department of Education.

2. All department members will first indicate a 7th or 8th grade preference.

3. Those with the greatest system-wide departmental seniority who indicate 8th grade will proceed to bid on the available 8th grade course assignments with the most senior teacher from among those designating 8th grade selecting their entire schedule first etc., until all the 8th grade blocks (courses) are taken.

Teachers who indicate 8th grade but who lack adequate seniority to obtain a full 8th grade schedule, or any 8th grade classes, may choose to withdraw from the 8th grade assignment process. Remaining 8th grade blocks will then be opened to the 7th grade assignment process and bidders.

4. 7th grade courses will be bid by the rest of the department members based on their system-wide department seniority. Included in the bidding will be those teachers who designated 8th grade, but who could not complete their schedule because of their seniority, as per 3, above. Those in this latter category would be assigned in the bidding order (in relation to other 7th grade bidders) based on their system-wide departmental seniority.

5. 7th grade must have reading classes that require certification. These classes may be taught and scheduled independent of the language art classes; or the reading may be taught as part of the languages arts block. 7th grade scheduling that uses the block approach will be permitted unless such scheduling results in too many teachers being forced to return to school to obtain reading certification, or in too many
transfers. A Federation Board committee will retain final authority in this matter. (Note that the 7th grade schedule may have to be drafted more than once).

6. Bidding in the 7th grade will follow the same process as used in the 8th grade i.e., each bidder will choose an entire schedule in order of greatest system-wide departmental seniority. (Note that a teacher could choose to teach all reading provided this is satisfactory to other 7th grade bidders. Disputes will be resolved by the joint committee).

7. A joint Federation-Board committee will monitor, review, and approve each school’s scheduling. This committee will reserve the right to require elimination of the 7th grade language arts block if doing so would reduce the number of teachers who would have return to school to obtain reading certification.

8. No schedule will be considered final until the joint committee approves.

9. A school may choose to schedule language arts classes outside the provisions of this agreement provided such schedule meets the approval of all department members.

10. Language Arts reading classes will not be considered a separate department.

11. Each year’s scheduling process will conform to the above procedures as long as the Ohio Department of Education requirement exists.

D. Class Lists

1. In elementary schools, the teachers on each grade level shall prepare the lists of students for the ensuing school year. This provision is not intended to exclude principals from a consultation in the preparation of class lists.

2. After the completion of class lists by the teachers, no changes shall be permitted without consultation with the teachers concerned. A two (2) school day prior notice is required during which time teachers may register any objections. The two (2) school days may be waived by mutual agreement of the teachers involved and the principal.

3. Class lists shall be constituted by the blind draw method.

4. The class list process shall begin no later than May 1 and be completed and in the hands of the teacher at least five (5) days prior to Teacher Work Day at the close of school. It is recognized that the legitimate concerns of students and parents need to be addressed
in the class list assignment process. It is also recognized that changes must take into consideration the professional judgment of the teacher(s) involved. Accordingly, prior to changing a class list after the close of school, the teacher(s) involved shall, no earlier than August 1, be given notice and an opportunity to discuss the change prior to making the change. The August 1 requirement may be waived by mutual agreement between the principal and the teacher(s) involved. When a conflict arises as a result of this section, it will be subject to review by the grievance representative and the Transformational Leader or his/her designee.

5. When a student is placed in another class, the receiving teacher shall be responsible for grades and compulsory reports.

E. Career Centers
1. Teachers in career centers shall be considered to be members of appropriate existing high school departments, and all sections of A, above, shall apply, except that a teacher placed in a Center will not be scheduled other department courses unless insufficient classes exist in the Center. (See also Article VIII, B-10).
2. Where appropriate related departments do not exist at the school, a new department shall be created if it meets the criteria for departments contained in Article XXIX.

F. Special Education
1. Teachers of special education in the same field within the same school shall also receive preference forms, and system-wide departmental seniority shall determine class assignments in accordance with the provisions of B-1 above. Bumping through preferencing, however, will not be permitted if the new assignment would cause another-wide department number to leave the school. Cross Categorical Special Education Transitional (CCSE-T), Cognitively Disabled/Emotionally Disturbed (CD/ED), Multidisabled/Emotionally Disturbed (MD/ED) may be rotated or bid by seniority. Rotation will be determined by a majority vote of the teachers in that discipline at that school prior to March 15 of each school year.
2. The Federation and the Human Resources Office shall be informed of class changes involving new building location by May 1. Grade level class changes, adding or closing classes, and proposed
changes in status or disability composition shall also be announced by May 1. Thereafter, changes shall be limited to extraordinary circumstances and shall be made only after consultation with the Federation. Final teaching assignments shall be announced four (4) days prior to Teacher Work Day. Cross-categorical classes refer to Article XLVIII.

G. General Provisions
(All Classifications)

1. All completed preference forms shall be kept in an accessible place within the school available to the teaching staff upon request. Copies of all preference forms shall be provided to the Federation by the Office of Employee Services at least five (5) days prior to Teacher Work Day at the close of school.

2. When the teacher’s schedule request cannot be met, said teacher shall receive a written explanation upon written request, and a copy shall be furnished to the Federation.

3. All involuntary and especially difficult assignments shall be rotated on an equitable basis after consultation with the Federation.

4. No teacher shall be scheduled in a teaching area unless he/she holds at least a two year provisional license in that field of education. Every effort will be made to assign teachers in their major fields of certification. Temporary certification shall be requested where shortages exist. No teacher on a temporary license currently employed will be dismissed under this section provided he or she meets the yearly requirements established by the Ohio Department of Education as minimum requirements for obtaining the four-year provisional license.

5. A class or work assignment which is regarded by a teacher as arbitrary or capricious, discriminatory, or outside the range of activities consistent with professional responsibilities shall be a proper subject for consideration by the building committee and principal within three (3) days after the complaint is made. A prompt resolution of the problem is desirable. Performance of an assigned duty is not to be withheld, however, while the assignment is being considered. This section does not preclude recourse to the grievance procedure.

6. No teacher shall be required to accept students from classes where the regular teacher is absent.
7. Each elementary teacher, including special education, shall be scheduled one hundred eighty (180) minutes of planning time per week. **Planning time for elementary teachers shall not be scheduled in blocks of less than thirty (30) minutes. Alternative arrangements shall be agreement between the principal and the Federation Building Committee. Travel time between buildings shall be scheduled outside the one hundred eighty (180) minutes of planning time.**

The additional thirty (30) minutes shall be phased in over two years starting the 1998-99 school year and shall be provided by math specialists. The initial half of buildings for the 1998-99 school year shall be identified by proficiency scores. The parties will discuss the methods/scheduling to be utilized for implementation. Planning time for classroom teachers should be taken during the time scheduled for music, physical education, art and math taught by specialists in these fields. These specialists shall also be scheduled planning time as described herein.

When teachers are scheduled three (3) planning periods in one day, they may appeal through the Federation to the appropriate Assistant Superintendent for a review of the schedule. The Assistant Superintendent is empowered to draft planning time schedules that will reduce the planning periods to no more than two (2) per day.

8. Acceptance of teacher aides shall be voluntary.

9. All supplemental employment assignments providing compensation in addition to the regular teaching salary shall be granted a written contract specifying assignment, compensation and all other conditions of employment. Such contracts shall be granted only to members of the bargaining unit and shall be issued prior to the time of supplemental employment.

10. Qualifications shall be defined as objective and provable factors. For instance, an M.A degree in the teaching field shall be considered superior to an M. A. degree out of the immediate field. An M. A. degree is considered superior to a B.A. degree. A.B.A degree is considered superior to a non-degree. Methodology is considered less important than provable past teaching success. Probable future success in the assignment shall be given at least consideration. Qualifications shall also include actual teaching experience in the area or subject matter field to be taught or any written formal evaluation. For
Career Technology teacher qualifications refer to Article XXXVI., C.

11. Planning time for high schools shall follow past practices.

12. The standardized preference form shall provide for homeroom preference; however, homeroom assignment shall be determined by the principal. Room preferences not resolved at the school will be subject to review by the appropriate Assistant Superintendent.

13. All members of the bargaining unit shall be scheduled under provisions of this Article. In the event of a dispute as to whether a teacher is to be scheduled according to system-wide departmental seniority, elementary or secondary seniority, determination of appropriate classification scheduling shall be mutually agreed by the Board and the Federation.

14. **For language governing conflicts in scheduling with art, music, physical education and math specialists, see Article V, O.**

15. In departmentalized schools, specialized rooms designated for specific instruction will be assigned to the most senior teacher scheduled to teach the course(s) for which the room was designated unless such assignment would interfere with overall program needs. Disputes not resolved at the school will be subject to review by the appropriate Assistant Superintendent.

16. Planning periods missed because of weather days, scheduled vacation days, field trips, and personal absences or in-service of a teacher who is to receive planning periods will not be rescheduled.

17. Art A-B schedules shall be reviewed with the Federation Building Committee on or before October 25. Adjustments will be made, if necessary, so that teachers receive an equitable distribution of planning periods throughout the year. (See Article V, O).

18. Isolated changes resulting from trading class periods must be by prior agreement of the teachers involved, the affected specialist and the principal.

19. Specialists shall accompany their assigned students to school assemblies and shall relieve their homeroom teacher(s) if an assembly is in progress.

20. In all departmentalized schools, classes taught in lieu of planning time, or classes taught before or after school, or classes taught in high schools in excess of six (6) including study halls or duty periods, **shall be**
reimbursed at one-sixth (1/6) of the beginning intern BA salary.
Courses taught before or after the regular school day, if mutually agreed by the Board and Federation, shall be reimbursed at one-sixth (1/6) of the beginning B.A. salary.
Teaching such classes shall be voluntary. Classes added after spring preferencing will be posted and assigned by seniority.

H. Posting
1. Any position which opens shall first be published at the school by the principal on the official school bulletin board for at least three (3) school days. The administrator shall make every reasonable effort to inform all teachers. A copy of such posting will be forwarded immediately to the Human Resources Office and the Federation. At the time of posting, all teachers shall be given the opportunity to update their preference forms if they so desire. Contract teachers at the school will be given first opportunity to fill the position if licensed. (Posting and vacancy regulations for system-wide departments are found in Articles III and VIII).

When all staff changes have been completed following this procedure, the remaining vacancy will be reported to the Personnel Office for placement from the transfer list. In elementary schools, the three (3) day time period may be shortened by agreement of the principal and the building committee provided each teacher has been contacted personally and no one has applied for the position.

a. High school teachers who have been displaced and who have a valid (annual) written request to return to the school from which they were reduced shall have priority in filling a vacancy over teachers at the school. (Preference forms in section A of this Article are used to reschedule all departmental courses).

b. Elementary teachers see B-1, above. Displaced teachers must file an annual request to return to the school from which they have been reduced.

2. All positions requiring supplemental contracts shall be published within the building as vacancies occur. No position shall be filled until at least ten (10) days after publication. When a supplementary position is not filled from within the school, notice of its existence shall be published by the Human Resources Office in the Staff Bulletin during the
regular school year. Outside the regular school year, such positions shall be posted in the Human Resources Office and in each high school with a copy of the Federation. (See Article XXXIV for non-renewal of supplementary contracts).

When a holder of a supplemental position is outside the bargaining unit, that position shall be reposted by April 15, of each year to members of the bargaining unit. (For coaching positions see Article XXXVII).

3. June 30 is the deadline for “request to return” applications.

V. ELEMENTARY SCHOOLS

A. Each classroom shall have one text per child when the subject is being taught. Future textbook adoptions will include appropriate supplementary materials when those materials are recommended by the adoption committee. Any consumables or supplementary materials adopted shall be distributed according to the committee’s recommendation prior to implementing the adoption. When adopted, consumables, such as workbooks, will be distributed to each child before required usage of the materials. The joint Curriculum Committee shall be consulted prior to the discontinuance of such materials. (See Article XXVI). Newly employed teachers and all teachers who transfer to a new teaching assignment will be provided appropriate desk top supplies and Board adopted curriculum materials. If a teacher is transferring into a newly created classroom, appropriate furniture will be provided. The parties have agreed to an inventory (reference Appendix Z) of supplies, materials, and furniture. A teacher who is not provided the core inventory by September 1 or within thirty (30) days of assignment shall be entitled to appeal directly through the Federation to the appropriate Transformational Leader or his/her designee.

B. Each child found to be without adequate health care, where immediate medical attention is needed, shall be referred by the Board to the appropriate social agency upon notification by the teacher. The teacher shall receive written confirmation of the referral within ten (10) school days.

C. No teacher shall be required to supervise or be present in the dining area during a local, state or federal breakfast or lunch program. Such instructional time used for said programs shall be considered planning time for the teacher, at a place of his/her choice, within the building.
The Board and the Federation shall work cooperatively to establish a voluntary universal breakfast program on a building by building basis. A committee with equal representation of the District and the Federation will be formed to review best practices and implement the breakfast program. 3. One week shall be designated for primary and the other for intermediate grades in the Art A-B schedule. The schedule shall be reversed each year. (See Article IV, G-17).

4. If a room is available to be utilized for music or art, the principal will take into consideration teacher system seniority, as well as, the amount of time the teacher spends in the building, appropriateness of the room and overall program needs when deciding who will be assigned the classroom.

Complaints regarding schedules should first be resolved by the principal and the building committee. If the complaint is not resolved at the building level complaint will be forwarded to the appropriate Assistant Superintendent whose decision will be final.

Problems arising from end of day dismissal of students shall be referred to the principal and building committee. Procedures applicable to all teachers shall be developed. Approval will be needed from the central administration. Teachers may leave school during the extended lunch period after notifying the office.

T. Any current school that volunteered for the recess experiment may discontinue participation provided the administration, principal and the teachers agree to do so. The decision to discontinue must be based on sound evidence that conditions are unsafe or that class time is being lost because of recess having an adverse effect on academic programs.

A. General Provisions
1. Transfer requests shall be made annually and in writing to the Human Resources Office on or before March 30, in order to be considered for vacancies thereafter.    a. choose up to three (3) secondary schools
   b. choose up to six (6) elementary schools
   c. choose one (1) system-wide department.
Such requests shall comprise the voluntary transfer list. A copy showing all pertinent data will be forwarded to the Federation with updates as they occur. Vacancies shall be reported in writing to the Federation as they occur.
   a. Vacancies are reported to the Human Resources Office after posting has first taken place at the school as per Article IV, I-1, unless otherwise specified in this agreement.
   b. All vacancies to be filled shall be reported to the human Resources Office by July 1.
   c. When the transfer list is exhausted, new teachers may be placed in permanent vacancies.
   d. Newly created positions shall be posted five (5) days to the appropriate classification or to the bargaining unit. Members of the bargaining unit shall fill these positions before new teachers are hired for the position. They may apply after the March 30 deadline.

2. Posting of position referred to in A-1, d, above, shall be in the Staff Information Bulletin. Vacancies that occur after publication of the Bulletin in June shall be posted in the Human Resources Office with copies forwarded to the Federation.

3. Vacancies remaining after request from the transfer list of posting have been depleted will be filled by the Human Resources Office as provided in Articles IX, X11, and XIX.

4. All vacancies may be filled as June 1. System-wide department vacancies shall be advertised to department members no later than the last day of school for students. System-wide department vacancies that occur after June 1 but before the start of school shall be posted on the Human Resources Office bulletin board and electronically for five (5) days. A copy shall be sent to the Federation. The Federation shall be notified by the Human Resources Office of all vacancies within five (5) days of their
occurrence. System-wide department vacancies shall comply with C, below. Notification of vacancies will be sent electronically to those system-wide department members who, prior to May 1, notify the Human Resources Office of their desire to receive the vacancy list.

5. Whenever a teaching vacancy occurs: (i) in the case of high school teachers, after the first day of the second semester; or (ii) in the case of elementary school teachers, after the end of the first week following the October ADM count date (collectively, the “Transfer Period”), these vacancies will be filled on a temporary basis for the rest of the school year through the assignment of a substitute teacher. Vacancies that occur after the opening of the school but before the end of the applicable Transfer Period shall be filled through that year’s transfer list. Vacancies that occur after the applicable Transfer Period shall be filled from the next year’s transfer list. (See Article IX, B for priorities in filling vacancies).

a. Teachers on the voluntary transfer lists who qualify by the terms of this agreement to fill a vacancy, exclusive of system-wide department vacancies, shall be transferred at the opening of school, at the end of the first quarter, or until the end of the applicable Transfer Period whichever occurs first after the vacancy is created.

b. When there are names on the layoff re-call list, that person highest on the list who possesses proper certification will be recalled to a temporary vacancy at his/her proper pay and benefits and will then be reassigned when the voluntary transferee is placed.

6. A teacher may withdraw his/her name from the transfer list at any time prior to written notification of transfer from the Human Resources Office. This withdrawal must be in writing.

7. When a vacancy exists, the Human Resources Office must contact the teacher who has applied for the vacancy. A teacher shall be contacted and offered all known vacancies not more than three (3) times. The teacher shall be advised of all the vacancies that are available for which he/she is eligible to transfer each time the teacher is contacted. After the third refusal, the teacher will be notified in writing by the Human Resources Office that he/she will be ineligible to transfer for the rest of the school year and must
complete a new transfer form if he/she wants to be on the transfer list for the succeeding school year. Refusal to return to original school and assignment by a reduced enrollment transferee will result in the abrogation of the right to return. However, when the assignment offered is outside the department, or primary or intermediate grade levels, the right to return will be maintained subject to annual renewal. (See B-4 below and Appendix AA).

8. All notices of transfer shall be in writing from the Human Resources Office.

9. Transfers in any one year may be limited to ten (10%) per cent of the faculty from a high school, and twenty-five (25%) of the faculty from an elementary school.

10. Classification, departmental, or system wide departmental seniority, whichever is applicable, shall be the sole determining factor.

11. Classification, departmental, or system wide departmental seniority, whichever is applicable, shall be the sole determining factor in granting transfers if qualifications are relatively equal. Qualifications shall be defined the same as in Article IV, G-10. A transfer request from within a school has priority over a transfer from without, except in the case of a system-wide departmental vacancy, as described in Article III-D, or if returning reduced enrollment transferee is involved (See Article IV, H-1-a.)

12. Teachers applying to transfer (or those on the reduced enrollment transfer list) to any team teaching vacancy shall be given a written description of the requirements for such a position. The names of the other team members will be provided upon request. After receiving such notification, the teacher may withdraw from the application without penalty. Should the opening be accepted, the teacher must teach in the team for the entire school year.
   a. At the conclusion of the year, the teacher may withdraw from the team should another position become available at the school and sufficient classification seniority is accrued to be reassigned as per Article IV, H-1-b.

13. When a teacher in a team indicates to the Human Resources Office prior to April 1, a desire to transfer to a self-contained assignment, he/she will be placed on the reduced enrollment transfer list.

14. The above provisions for team teaching shall apply only to existing team vacancies. No new teams shall
be created without the consent of existing staff members as per Article VII, D.

15. **Requirements for Juvenile Justice Center and BIC teachers will be included in the posting for these positions. Assignment will be by mutual agreement of the Board and the Federation.**

14. The Federation and Board shall jointly develop a transfer form. The Board and Federation commit to work cooperatively to process transfers in a timely manner. The Board will upgrade technology to support this process.

**B. Reduced Enrollment Transfers K-12**

This section is used for reduced enrollment transfers in all classifications **except system-wide departments.** For **system-wide department reductions or moves see section D, below.**

1. Transfers made because of reduced pupil enrollment shall be based on building seniority as follows: The teacher with least building seniority within the classification being reduced (elementary) or other applicable classification, shall be the first transferred, and so on, provided that daily and long term substitutes filling a vacancy within the same classification have been first removed. (See Article III, E-2 for further clarification.) Teachers in positions which are two (2) full days or less in one building will not be considered in building reductions.

2. Teachers transferred because of reduced pupil enrollment shall have the right to return to their original school or departmental assignment in the reverse order to that in which they were transferred out, provided a request in writing for such transfer is made. **Such requests must be renewed in writing annually.** These transfers are to be made at the beginning of the following school semester. (See Section E-5 below and Appendix AA).

3. All teachers on the reduced enrollment transfer list (involuntary list) shall be placed in vacancies in their teaching field before any voluntary applicant is placed in that field, or before any new employee is assigned.
   a. Teachers will be called from the involuntary list in the order of their system seniority to positions for which they are licensed at the time the vacancy occurs.

4. Teachers who are reduced enrollment transferees and are then called to return to their original schools may
choose to remain in their temporary assignment with the right to return at the next available opening if the assignment is out of their original department, classification or school. This intent must be sent in writing to the Human Resources Office and then be renewed annually. (See Appendix AA). A list of reduced enrollment transfers will be sent to the Federation and updated monthly.

5. In a departmental school, reduced enrollment transferees who have filed a right to return letter shall have priority in filling a vacancy over teachers at the school. In an elementary school, teachers at the school fill vacancies before returning reduced enrollment transferees return.

6. When insufficient enrollment at a particular school exists to meet at least a minimum school ratio of 27-1, the Board shall have the right to proceed with reduced enrollment transfers.

7. Teachers affected by this section should consult Article III for further information.

8. Examples:
   a. In departmentalized schools reductions will be made by departments, but teachers may count all their years at the school in calculating their departmental seniority at the school subject to Article III, E-1 and 2.
   b. If the teacher to be reduced is licensed and a vacancy exists, he/she can move into another department or classification within the school unless that vacancy is to be taken by a returning reduced enrollment transferee.
   c. In elementary schools, reductions are made by classification. (In other words, if a third grade is short of enrollment, the teacher transferred will be the one with the least building seniority among elementary teachers).
   d. Any teacher on leave of absence who returns to his/her original school upon completion of the leave is considered to have been in continuous service at the school, hence to have uninterrupted building seniority.

9. The elected Federation Representative in a school shall be considered to have the greatest building seniority if the representative has served at least one (1) year as representative immediately prior to the year when the reduction is to take place and the representative holds proper licensure. Super seniority does not apply to teaching assignments or layoffs.
After leaving the position of building representative, regular seniority will apply.
Career Technology

10. When it is necessary to reduce the number of teachers in a specialized career center subject area or a specialized career technology area (e.g., cosmetology, aviation, refrigeration, etc.) due to decreased student enrollment, the teacher with the least system seniority shall be based on the premise that all teachers in that area within the school system shall be affected. (See Article XII)
   a. If the reduced teacher is certified/licensed in another area, he/she shall be regarded as a reduced enrollment transfer for vacancies in the other areas.

C. System-Wide Department Voluntary Transfers

1. When two (2) or more members of a system-wide department are located at the same school, a vacancy (or vacancies) will first be filled by department members from within the school and the remaining position will then be referred to the Human Resources Office.
   The teacher must possess proper certification/license at the time the vacancy occurs and must be teaching three periods in a secondary school or fifty (50) percent in an elementary school or bidding will be precluded. System-wide department seniority within the discipline vacated shall apply.

2. The Human Resources Office will publish system-wide department vacancies in the Staff Information Bulletin, or as they occur by general distribution to all work locations and to all members of the system-wide department. (See A-4, above). Department members will have the opportunity to apply for that vacancy, or any subsequent vacancy which results from the posting, by indicating interest in writing for the posted vacancy, or any resulting vacancy. The teacher must possess proper certification at the time the vacancy occurs. System-wide vacancies will be filled from the transfer list in the following order.
   1. Voluntary application of a department member.
   2. Reduced enrollment transfer list of system-wide department members.
   3. Reduced enrollment transfer list of system-wide department members.
   4. Priorities listed in Article IX, B.
   5. New teachers.

3. The system-wide posting shall be for five (5) school days. A posted position will be filled after the five days unless there are applicants as a result of C-2,
above. The five (5) day period will not apply to the summer dates in A-4.

D. System-wide Department Reductions
1. A reduced enrollment transfer shall affect only the class or discipline designated for reduction or transfer within the department.
2. When two (2) or more teachers are assigned to the same school regardless of the type of class or discipline, if there is a volunteer to move it will be permissible using system-wide department seniority in cases of two (2) or more volunteers. If there is not volunteer, the teacher(s) with least system-wide department seniority shall be removed in order of least such seniority. Teachers must hold proper certification.
3. Teachers in 2 above, may bump within their system-wide department at a school only if they hold proper certification at the time reassignment is available. Those who are bumped shall be treated as reduced enrollment transfers, i.e. they shall have the right to first bump the least senior member of the department for which they hold certification. Teachers bumped from a system-wide department shall be treated as reduced enrollment transfers. (See Article IV, F1 and 2).
4. System-wide department members who are transferred because a class is moved shall have the right to return to vacancies in the discipline from which they were moved before voluntary transfers provided the position is at the same school from which the teacher was transferred. (See Appendix A).

E. All Classifications
1. The Human Resources Office shall be the sole representative of the Board in enforcing the provisions of this transfer policy.
2. No teacher against his/her will shall be required to meet with a receiving principal prior to a transfer.
3. The Human Resources Office will provide a list of those teachers who have applied for transfer prior to March 30, each year, to the Federation by April 15.
4. The Human Resources Office will provide a list of those teachers who have applied for transfer prior to March 30, each year, to the Federation by April 30.

5. In both departmentalized schools and in elementary schools, a teacher who has been notified of a transfer to a different school will have the privilege of filing a preference form for teaching assignments at that school if the preferences process has not been completed. Otherwise, teaching preference provisions may not be applicable until the following school year.

6. When a position is created that is new to the bargaining unit, applicants will be accepted regardless of the March 30 transfer list. No new programs which require the transfer of a teacher shall commence after the start of the school year unless mutually agreed upon by the Board and Federation.

7. Teachers may agree to trade positions for a semester or for an entire year subject to the approval of the Board and the Federation. Requests must be made in writing no later than two (2) weeks before the beginning of a semester.

8. Within a school year, teachers shall not return via the voluntary transfer procedure to the same position from which they transferred.

9. Teachers may accept not more than one voluntary transfer per year. Displacements due to reduced enrollment, program or school closings, etc., shall not be considered a voluntary transfer, and will not preclude a teacher from bidding upon another assignment.

10. Changes in school staffing allocations for any course or grade level, including postings and teacher transfers, shall be completed no later than the twentieth day after the start of the school year.

11. Teachers in all classifications who accept a voluntary transfer may elect to remain in their current position and transfer to a new school, grade, department, or program after the conclusion of the current school year. Teachers who choose this option shall earn building, department, classification, or system-wide department seniority effective upon their appointment to the new assignment at either the end of the first quarter of the current school year or January 31. If this option is chosen, teachers will not be eligible to accept another voluntary transfer until they serve one year in the new position. Teachers who elect this option must do so in writing on a form developed
jointly and agreed to by the Human Resources Office and the TFT. Once signed, the form shall be distributed to the receiving school building representative, principal or program director and, if appropriate, department chairperson. The teacher shall submit a preference form to the receiving school for spring preferencing and shall be afforded all preferencing rights permitted under Article IV of the negotiated agreement.

12. A placeholder substitute teacher will be assigned to substitute in vacancies that will last more than one school year, but not more than three years. Examples are vacancies for intern consulting teachers or other teachers on special assignment. The same substitute shall remain in place for the entire duration of the vacancy. This substitute teacher shall not transfer from this position or participate in preferencing at the school. Should the placeholder substitute become eligible for a regular teacher contract, the contract shall be issued and the placeholder substitute shall remain in this assignment until the teacher the substitute is replacing returns. The placeholder substitute is a contract member of the teacher bargaining unit and shall receive regular contract salary and fringe benefits from the beginning of the assignment.

Teachers who assume a position such as described in the preceding paragraph may bid upon any vacancy in the last year of the special assignment, pursuant to previous paragraph 11, above. The exception shall be intern consulting teachers who may elect to exercise transfer rights once in any school year as outlined in paragraph 11.

13. Teachers who express interest in a vacancy shall be provided with a description of the vacancy, why the vacancy occurred, and if the position is for one year. Teachers who are appointed to a vacancy, and any subsequent vacancies that may occur, shall move to their new assignments on the same day.

IX. HOURLY TEACHERS – SUBSTITUTE EMPLOYMENT RIGHTS
Definitions
Hourly teachers are those employed on an hourly basis as teachers in hourly rated vocational programs, adult education, family life, day care centers or similar programs. Hourly teachers shall not be used to perform work which is normally performed by regular salaried day
school teachers, nor shall they be used in adult programs where high school course credit is given. Teachers in ABE/GED see section H of this article.

Teachers in adult education programs where high school course credit is given and who possess a degree and full certification (not temporary) and who work full-time during the day are considered to be regular contract employees. Such teachers shall be extended regular contracts and shall not be eligible to transfer to a regular day school vacancy for two (2) full school years. These teachers shall have all other rights and benefits extended to other members of the bargaining unit. Other teachers in adult education programs shall be paid in the hourly rate specified herein. (See K, below).

A. Hourly employees are full-time if they work twenty (20) hours per week or more; part-time if they work fewer than twenty (20) hours per week.

B. Full-time hourly teachers, substitutes, and paraprofessionals shall be extended contract employment over new teacher applicants in the following order:

1. Full-time hourly teachers if they have worked 120 days or more; long-term and continuous building substitutes if they have worked 120 days or more.

2. Paraprofessionals who have teacher certification and who have worked for the Board as a para at least five (5) years, not including substitute service, have a valid teaching license and have requested placement in a teaching position.

3. Full-time hourly teachers and long-term and continuous building substitutes who have worked 90 days to 119 days.

4. In those certification areas where there are no teachers as described in B-1, 2, 3, above, it is understood the Board may employ new teacher applicants.

5. Part-time hourly teachers and home instructors shall receive equal consideration with new teacher applicants.

6. Secondary positions (7-12) shall first be offered to 7-12 licensed persons on the list. Teachers phoned for a position in an area other than one in which they have served for the Board may refuse that position without losing their place on the hiring list.

7. Daily substitutes who work 120 days or more in a school year in a single Ohio district shall be granted a full year’s salary credit upon receiving a contract.

8. Full-time hourly teachers shall indicate to the Human Resources Office in writing no later than August 1,
their desire to achieve regular contract status. When this date is met the individual’s name will be placed on the previous school year’s hiring list. This notification to the Human Resources Office shall be required only one (1) time.

9. The Board and the Federation mutually agree, for the duration of this Agreement, to participate as members of the Toledo Public Schools Personnel Enhancement Committee. X. STAFFING NEW BUILDINGS AND ADDITIONS -- SCHOOL CLOSINGS

A. Where transfers are required because a classification, grade level, class, department, or an entire school is
moved, the teacher(s) with greater classification seniority shall have first priority to move. Teachers transferred or bumped may choose to become a reduced enrollment transfer and then be placed from the pool as per Article VIII, B. (System-wide department members consult article VIII, D.)

B. Second priority shall be given to those teachers who voluntarily apply for assignment to a new addition or school using the transfer procedures or Article VIII, A, and C.
   1. A separate form shall be provided to all teachers for the purpose of applying for transfer to all new additions and schools.
   2. Teachers already teaching in the areas available in the new additions and schools, elementary, senior high departments or specialized areas will be given priority over those applying to transfer from one area to another.
   3. When a new addition is opened, teachers at the school shall have preference over applicants from other schools provided transfers have first been made under section A, of this Article.

C. Third priority shall be given to those teachers who have applied to the Human Resources Office and who have been transferred during the school year preceding the opening of the new addition or school because of reduced pupil enrollment, Article VIII, B.

D. When a school is closed, teachers affected will be transferred on the basis of system seniority in the appropriate classification. Building and departmental seniority will be carried to the new school.

E. When a departmentalized school is reduced through the elimination of a grade level and it is not possible for a teacher to follow his/her students, those who volunteer to leave the school shall constitute the first priority based on system classification seniority among the departments to be reduced. If there are insufficient volunteers, the person with the least building department seniority will be moved. They shall have the first priority to fill newly created positions in their department elsewhere as a result of the grade elimination. Building and departmental seniority will be carried to the new location.

F. Because relocating all or part of a school staff involves numerous contractual details, specific details as addenda to these procedures will be mutually agreed by the Board and the Federation and published to the teachers affected.

XI. CLASS SIZE
Both the Board and the Federation recognize the considerable difficulties involved in arriving at an equitable class size formula or limit. In consideration of pupil enrollment variables, the following provisions represent an effort to achieve fair class sizes through a revised system of ratios and limits. These provisions are to be in full force and effect during the life of this agreement unless otherwise altered by mutual consent.

A. The system-wide ratio in grades elementary shall not exceed 25.0 students to one (1) teacher, or the state requirement, whichever is lower. In secondary schools, the system-wide ration shall not exceed 28.0 students to one (1) teacher, or the state requirement, whichever is lower.

B. In each individual school, the student-teacher ratio shall not exceed 28.0, or the State requirement whichever is lower.

C. In computing the student-teacher ratio in A and B, above, only those teachers in the bargaining unit permanently assigned to an individual school the entire day each day of the week in a regular classroom instructional capacity exclusive of technology education, family and consumer science, special education and federally funded supplementary teachers, shall be included as a teacher for computation purposes.

D. In high schools the system-wide and individual school ratio shall not exceed 28.0 (students to one (1) teacher). In each individual school, the student-teacher ratio shall not exceed 28.0, or the State requirement whichever is lower. When classes are constituted, or reconstituted at the semester, each school shall attempt to balance the class sizes in their departments. The issue of class size balance may be appealed to the appropriate Assistant Superintendent who shall consult with a representative of the Federation prior to issuing a decision.

E. In each individual elementary school class the maximum shall not exceed 28. In each individual high school class the maximum shall not exceed 31, except that in core subject individual classes of math, science, social studies, English and foreign language, the maximum class size shall not exceed twenty-six (26) students per section. In the event circumstances deem it necessary to exceed the maximum limit, written reasons will be given to the teacher with a copy furnished to the Federation and following provisions shall apply:

1. At a class size of 29 in elementary schools, a teacher overload payment of $125 (effective 8/1/09) per student, per instructional hour, per year shall be paid
the teacher at the conclusion of the school year. At a class size of 32 in grades 9-12, a teacher overload payment of $125 (effective 8/1/09) per student, per instructional hour, per year shall be paid at the conclusion of the year, except for the following:

At a class size of 27 in grades 9-12 math, science, social studies, English and foreign language, a teacher overload payment of $125 (effective 8/1/09) per student, per instructional hour, per year shall be paid at the conclusion of the year. See paragraphs J and O for exceptions.

2. At a class size of 34 or 35, the teacher shall be entitled to the services of an aide for one-half day if he/she so chooses.

3. At a class size of 36 or more, the teacher shall be entitled to the services of an aide for the full day if he/she so chooses.

4. Initiation or requests for aides shall be by the teacher in writing. Appropriate forms shall be provided in each school.

5. For a teacher to qualify for the overload payment, the class sizes specified in number one (1) above shall have been met for any forty-five (45) days in a school year. The requisite days shall be based on aggregate student numbers without regard for continuity.

6. A teacher may choose to accept an overload payment in lieu of an aide in 2 and 3, above.

7. The overload payment of $125 (effective 8/1/09) in elementary schools, including music, art, and physical education teachers, is calculated for each student beginning with twenty-nine (29). A full-time overload student would entitle the teacher to $625.00 (31 ¼ hours per week). If the teacher has the student less than six and one quarter (6 ¼) hours per day, the $781.25 (effective 8/1/09) rate per student is prorated.

8. An annual overload payment of $225 (effective 8/1/09) per class, per specialist, in elementary schools for music, physical education and art teachers shall be paid provided the combination of regular and Developmentally Disabled, Learning Disabled, and Hearing Disabled mainstreamed students exceeds thirty-nine (39) as per the computation in Article XL VIII, C-5.

9. The $125 (effective 8-1-09) overload payment senior high schools, including grades 9-12 special education, is established for each student, seen one
(1) period per day, all year long. Students seen fewer than five (5) periods per week will be prorated as a fraction per week and/or the full year, whichever is applicable. This payment begins at thirty-two (32) students for physical education, general music and keyboarding teachers. Physical education, general music and keyboarding teachers in grades 7-12 will not have the option of an aide.

10. General art classes will be limited to 28 in High schools. (See Article XLVII, C.)

11. Non-compensatory reading classes in grades 9-12 shall not exceed fifteen (15) students.

12. See article XLIV for other music class sizes.

F. The October enrollment count shall be used to established final teacher class sizes, and school ratios, except for the provisions in Article VIII, E-10.

In elementary schools these staff adjustments shall be completed no later than the twentieth (20th) day after the start of the school year. Earlier staff adjustment shall take place where enrollment figures indicate that later adjustments will be necessary, ideally within the first ten (10) school days after the opening of school. (For senior high schools---See Article IV, A, 2-i.)

G. A school by school and class by class list will be supplied to the Federation no later than November 1, indicating individual teacher class sizes.

H. All state standards shall apply to special educational and career technology programs as maximum class size limits unless otherwise specified herein.

I. The administration of each school shall post on the official school bulletin board in each building a list of teachers and the number of pupils per class session that each teacher has been assigned. This list shall be posted on or before November 1, of each year.

1. In elementary grades the above list also shall include the individual teacher’s assignment.

2. In senior high and career technology schools, the above list also shall include the subject titles and the hours that are being taught per individual teachers.

J. In science and language labs, class size shall not exceed twenty-four (24) or the number of stations, whichever is lesser. Other science classes in high schools shall have a class limit of twenty-eight (28) or number of stations, whichever is lesser.

In high schools, career technology education classes shall have a class size limit of twenty-five (25) or the number of stations, whichever is lesser. State guidelines with lower class size limits shall supersede the twenty-five (25)
maximum in this section. This provision does not apply to Career based intervention classes.
The number of stations shall not exceed the existing code or other applicable regulations.

K. When insufficient enrollment at a particular school exists to meet at least a minimum school ration of 27-1, the Board shall have the right to proceed under the reduced enrollment transfer section of this agreement, VIII, B-6.

L. Split grade classes shall be constituted by using students of higher achievement levels. These classes shall be prohibited when first grade students are involved.

M. **When a split grade class is considered, teachers shall have the option of teaching larger classes to avoid the split if the entire staff agrees.** When this option is exercised, the election of an aide shall not apply unless a class size exceeds thirty-five (35) students. A secret ballot will be conducted under the supervision of the principal and the Federation. Schools with fewer than six (6) teachers in grades 1-6 shall exempt from this provision.

N. Level one or first year foreign language classes shall be limited to twenty-five (25) students.

O. Senior English compositions classes shall be limited to twenty-two (22) students when half of the course is devoted to composition.

P. All out-of-district student transfers shall be granted contingent upon the class size of the receiving school. If a new out-of-district transfer to a receiving school will result in a class size of twenty-five (25) or more in grade kindergarten or in a class size of twenty-eight (28) or more in grades 1-6 or in a class size of thirty-one (31) or more in grades 7-12, the Board will consult with the Federation prior to making the transfer.

Q. If the district is unable to place a special education student because no vacant space exists, teachers may volunteer to accept one additional student over the contractual caseload limit for their special education caseload. (See Article XLVIII-G.) The teacher shall receive an overload payment as follows:

<table>

<tr>

</tr>
<tr>
<td>46-90</td>

<td>$728.75*</td>
</tr>
</tbody>
</table>

The overload payment shall be paid in a lump sum separate check at the end of the school year.

*or the most recently negotiated rate.
R. Every effort shall be made to balance classes by gender or race. A student who failed either a grade or a class shall not subsequently be reassigned to the same teacher if there is another teacher to whom the student can be assigned.

XII. RULES GOVERNING RECALL FROM LAY-OFF STATUS
A. Layoff
   1. The Board and the Federation agree that layoffs will be avoided when reasonable alternatives are available. Among the alternatives considered will be any early retirement option of the State Teachers Retirement System. (See L, below.) Declining enrollment shall be considered a reason to lay off if the decline is evident on a district-wide basis. Layoff for financial reasons shall be based on the financial condition of the Board’s general fund. Such layoffs shall occur only after consultation with the Federation.
   2. A teacher in a state funded program may be laid off using the rules following in this Article if enrollment in that program is insufficient to obtain state funding and reasonable efforts at enrolling students as per Article XXXVI, I, have failed.
   3. Layoffs that result directly from circumstances other than declining enrollment or financial reasons shall occur only after discussions with the Federation. If implementation of the layoff violates a specific term of this agreement, the matter may be submitted to the grievance procedure at the arbitration level.
   4. Layoffs in accordance with A-1, 2 and 3, above, shall be made as follows:
      a. The guiding principle shall be to lay off the teacher with the least system seniority regardless of the type of contract held.
      b. The least senior teacher in an affected department, system-wide department, classification, or area of certification shall be bumped and so on until bumping is completed. A teacher bumped from his/her assignment who has other certification(s) may then bump the least senior teacher who has an assignment for which the teacher bumped has certification and more
seniority. After these rounds of bumping are completed, the teacher(s) without assignments or places to bump may be laid off. (See Section B, below, for recall and temporary placement rights.)
c. When not specifically provided otherwise in this agreement, any dispute regarding seniority or appropriate bumping shall be resolved by mutual agreement between the Federation and the Board.
d. The Board and the Federation agree that assignments based on the bumping procedure will result in the fewest number of layoffs possible.

5. Teachers laid off due to reduced enrollment or financial reasons shall receive notification of layoff at least forty-five (45) calendar days prior to the effective date of the layoff.

For purposes of the unemployment compensation laws, if a teacher has received reasonable assurance of employment for a school year and is not then reemployed due to layoff, the Board agrees not to oppose unemployment benefits to such teacher on the grounds that a reasonable assurance of employment had been given. (See also Appendix J.)

6. The board shall provide group health care coverage and life insurance to each member of the bargaining unit laid off for the rest of the month in which the layoff occurred, plus four (4) additional months provided that the person has accrued one (1) school year’s seniority prior to the layoff. Members of the unit who have accrued less than one school year’s seniority shall be provided these benefits for two (2) additional months beyond the month in which the layoff occurred.

7. Until such time as he/she becomes eligible for coverage under another group health insurance plan, a teacher shall be permitted to purchase all group health and life insurance as a group member for the period of time he/she is laid off beyond the period covered by A-6.

8. Regular contract teachers who are laid off, and long-term substitutes when included as part of a general layoff plan, will be offered substitute work according to guidelines implemented on November 24, 1980. (See Appendix J.)

B. Recall
1. The Human Resources Office will prepare and submit to the Federation a list by seniority of teachers laid off in the following categories: regular contract teachers, long term substitutes in that order, (See C-1, below.) The office of Human Resources shall prepare a draft list of the names of all teachers who will receive layoff notices. This list shall be given to the Federation prior to layoff letters being mailed to unit members. This list shall include the full name of the employee, mailing address, school from which the teacher is being laid off, and the teacher’s license. This list shall be arranged by seniority with the most senior teacher listed first.

2. Teachers will be called from the list according to their appropriate system seniority if they hold proper licensure. (This means full licensure.) See B-3, below, for temporary licensure.

3. Positions for which there are no licensed personnel, working or laid off, will be offered on a seniority basis to teachers on the recall list provided they agree to seek, and can obtain, temporary licensure. (See B-6 and E, below.)

4. When recalled to a regular vacancy, full contract salaries and benefits will be paid. This does not preclude the use of daily substitutes where otherwise appropriate. A teacher who is laid off and holds a valid licensure may accept work as a substitute teacher. All licensure requirements are the responsibility of the laid off teacher.

5. Teachers on the recall list who obtain additional full certification or hold dual certification and are then recalled to a position outside their original department will not qualify for displacement rights (RET) back to their original department until all teachers on the layoff list with greater system seniority and full certification have been first placed in the department. (Annual letters of notice as required in Article VIII, B-2, must be on file.)

6. Working teachers (other than those with temporary licenses who have been recalled from layoff) with a reduced enrollment transfer return right will take precedence in filling vacancies over teachers on the recall list, unless the return to original assignment of the reduced teacher would prevent the return of someone on the recall list.
   a. Teachers laid off and recalled to vacancies requiring temporary certification (B-3) will have the right to return to their original department
provided there is no one displaced, or on the recall list, with greater system seniority. (Annual letters of notice as required in Article VIII-B-2, must be on file.)

7. Teachers bumped from their system-wide or regular departments but not laid off will have first opportunity to return to their respective departments (but not to a particular school) before anyone else from that department.

8. Working teachers who have applied for voluntary transfer will be considered after displacements and regular teachers on the recall list.

As further explanation, this means that if the certification of the person would not result in the layoff of a teacher bargaining unit member, placement can be made.

B. Every pupil has the right to learn and develop to his maximum potential. The maintenance of discipline and educational environment that is conducive to this growth and learning shall be the responsibility of the teacher and administrator.

C. Those pupils who cannot adjust in such an educational environment and who habitually disrupt the learning opportunities of other children shall be referred to the proper program and / or agency in order that they may be given suitable assistance which will aid in their return to the classroom.

D. A counselor and a principal will release general information to individual teachers concerning specific emotional or physical problems that could impair a student’s learning, behavior, and safety in a timely manner. Except as otherwise restricted by law, a teacher will be advised of juvenile and criminal court dispositions, as well as probationary and parole status of students placed in his/her class. Except as otherwise restricted by law, a teacher, upon request, will be advised regarding a student’s school disciplinary record.

E. A teacher may refer to the principal or the principal’s representative for appropriate action a pupil who seriously interferes with the learning opportunities of other children in the classroom. The teacher shall communicate in writing, or in cases of extreme emergency in person, the nature of the problem to the principal or his representative. If such communication is done in person, a written report must be filed with the principal or his representative before the close of the school day. A standard checklist referral form developed by the Federation Building Committee and the principal shall be used within each school for such referrals. If the administrator determines that the student will be suspended or expelled under the rules of the discipline policy adopted by the Board, the teacher will submit an “Eyewitness Report” prior to the student being dismissed from the building when such report is requested.

The initial referral of a seriously disruptive student by a teacher shall be made to the proper disciplinary officer of the school rather than to the counselor. The teacher may recommend in his referral that the pupil be detained in the office for a minimum of the remainder of the class period. No student shall be returned to class within the same period without mutual agreement between the teacher involved and the administrator. In elementary schools, a class period shall be defined as one (1) hour.

When a student appears to be physically and/or emotionally out of control, the student shall be escorted to the office by a member of the administrative or security staff upon notification by the teacher, or by a teacher. Students out of control should not be sent to the office unescorted. The administration and building committee at each school will develop, facilitate, implement and annually update a quick response plan for fights and disturbances in the classroom, hallway, and other building areas, regardless of the time of day. The assistant Superintendent will be responsible for overseeing development, updating and implementation.

G. The principal or his/her representative shall investigate the referred case and take such action as is necessary, and the principal or his/her representative shall report in writing to the teacher the disposition of the referral. Dissatisfaction with the decision will be a proper matter for building committee decision with the principal. See Appendix S regarding Pupil Personnel Center discipline case reporting/disposition.

H. In the event all teachers who work with a child recommend suspension but the principal disagrees, a teacher may proceed as follows:

1. File with the principal a written recommendation with reasons stating why such action is recommended.
2. The principal shall submit a written reply to the teachers involved concerning their recommendation within three (3) school days.
3. A meeting with the principal and the teachers involved may be arranged by the principal. If the teacher, or teachers, request such a meeting, a meeting shall be arranged by the principal as soon as possible.
4. If agreement is not reached, the teachers may present a written appeal to the executive director of either elementary or secondary schools. A conference shall be arranged among the teachers, a representative of
the Federation, the principal, and the executive
director.
5. If agreement is not reached, the teacher may then
present a written appeal to the Department of Pupil
Personnel Services. A conference then shall be
arranged among the teachers, a representative of the
Federation, a supervisor of the appropriate handicap

elementary or secondary schools, and the Department

disciplinary hearings. Teachers may be accompanied by
an authorized Federation Representative.

B. A teacher on an annual salary shall accumulate a maximum of fifteen (15) days sick leave during any employment year, the same to be computed at the rate of one and one-quarter (1 ¼) days for each completed month of service.

C. Sick leave shall be cumulative to a maximum of 370 days. This maximum shall remain at 370 days hereafter.

D. Sick leave shall be used for personal illness only and all other leaves herein shall be separate from, and in addition to, sick leave unless otherwise specified in this Article.

E. Teacher absences of not more than ten (10) days resulting from injury while the teacher is engaged in the performance of duties shall be charged to emergency leave on an annual basis. The 11th through 60th days of teacher absence resulting from injury compensable under the workers’ compensation laws of the State of Ohio shall be initially charged to sick leave. Upon presentations of
workers’ compensation benefits attributable to said days, sick leave charged will be restored.

F. Ten (10) days sick leave of their fifteen (15) day yearly accrual shall be credited to each first year teacher upon employment. If illness occurs, the teacher shall receive his regular pay per day until the sick leave credit is used. In cases where the illness extends beyond the ten (10) day credit the teacher will forfeit his regular pay. For all other teachers, in the event their accumulated total is exhausted, they also shall be advanced ten (10) days sick leave against which they may borrow. Long-term substitutes and continuous building substitutes shall be advanced five (5) days after the sixtieth (60th) day of assignment in one position. No advancement will be made after March 31st. Return to work must be approved in writing by a doctor, and any request to return by either the teacher or the Board must be in writing. A teacher returning from this leave or from a STRS disability shall be placed as a reduced enrollment teacher. (See also general, below)

I. Previously accumulated sick leave of a person who has been separated from the public service in Ohio shall be placed to his/her credit upon his/her reemployment in the public service, provided that such reemployment takes place within ten (10) years of the date of the last termination from public service. The same shall apply to those transferred into the bargaining unit.

J. Sick leave shall not be charged on holidays or calamity days.

K. Teachers may use up to five (5) sick leave days each year to attend to illness of their children if the child is under age 18 or up to age 23 if the child is handicapped. Such sick leave days shall be deducted from the teacher’s accumulated total.

The panel also shall be empowered to recommend a prescribed plan for improvement. Referrals can be identified by the panel itself or through internal union procedures.

The joint panel will meet with the identified employee within one (1) week, when possible, or within such time as agreed to by the panel. Each case will be evaluated and if action is warranted as determined by the facts, a prescribed plan for improvement may be developed. Such prescriptive plan for improvement will include specific timelines and goals. Concurrence by the panel will be necessary to invoke any prescriptive action recommended. If the panel fails to concur, the Administration may follow normal disciplinary procedures.

The panel shall report to the Human Resources Office its findings as “abuse not present” or “apparent abuse exists.” When apparent abuse exists, the Board may exercise the option to require a statement from a physician to justify an absence due to illness.

Subsequent identification of the same employee for abuse of sick leave may lead to further disciplinary action up to and including termination.

The employee may appeal at any time during this process by utilizing the grievance procedure.

PROFESSIONAL LEAVE
A. The Board may grant teachers visiting days and time for professional meetings without loss of pay as follows:
   1. During a school year, teachers may be allowed two (2) days for visiting other schools.

In extraordinary circumstances the Human Resources Office may approve an extension of emergency leave.

Federation of Teachers. Military leave without pay will also be granted.

D. PAYMENT

1. Summer school teachers shall be paid the applicable hourly rate as established in this Agreement.
2. All teachers employed in summer school registration shall be compensated for five (5) hours per day at the regular hourly rate.
3. Summer school teachers shall be paid for the July 4 holiday; however, if July 4 falls on the weekend, school will be dismissed on Monday or Friday, and the teacher will be paid for that day rather than July 4.

XXXII. NIGHT SCHOOL

Night school has been discontinued. Should night school be reinstated, contract language in this article in the TFT-TPS 2001-2004 Agreement shall also be reinstated or subject to modification by mutual agreement of the Board and Federation.

XXXIII. PERSONNEL FILES

Official teacher files shall be maintained only at the Human Resources Office under the following circumstances:

A. After a teacher is employed, no material concerning a teacher’s conduct, service, character or personality shall be placed in the file unless the teacher is permitted to read the material. The teacher shall acknowledge that he/she has read such materials by affixing his/her signature and date on the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filled and does not necessarily indicate agreement with its contents. If the teacher refuses to sign, a dated note to that effect will be attached to the material. However, an incident which has not been reduced to writing within thirty (30) school days of the administration’s knowledge of its occurrence may not be added to the file later. This limit shall not apply when a subsequent criminal conviction results in revocation of licensure.

B. The teacher shall have the right to answer any material filed, and his/her answer shall be attached to the file copy.

C. Upon request by the teacher (telephone the Human Resources Office for appointment) he/she shall be permitted to examine his/her file in the presence of a member of the personnel staff. An authorized
representative of the Federation may inspect the file upon written consent of the teacher.

D. The teacher shall be entitled to a copy of any material in his/her file except for material originally supplied to the Board as confidential recommendations for an administrative position. Cost of reproducing the material will be paid by the teacher. If the Federation is asked to file a grievance in behalf of the teacher, the Federation shall also be entitled to a copy of any material in his/her file upon written request from the teacher involved to the Human Resources Office.

E. A committee composed of the president of the Federation, the grievance chairpersons of the Federation and a representative of the Human Resources Office shall inspect materials and hear complaints from teachers under this section. Material will be removed from the file when a teacher’s claim that it is inaccurate or unfair is sustained.

F. Derogatory materials from parents or others outside the educational field shall not be placed in a teacher’s personnel file unless such material is used in a hearing for the record in Article XXXIV. The teacher shall have the opportunity to review and reply in writing. Such reply shall be attached to the file copy. Under no circumstances shall unsigned material be put in the file or used as evidence in the hearing. This is not intended to preclude use of materials that directly bear on the reason for the hearing for the record.

When such a hearing is held and it is determined, either as a result of the hearing for the record, or at a subsequent hearing, that a violation of a properly established school rule or district policy has not taken place, records of such hearing(s) shall not be placed in the teacher’s personnel file.

Sexual Harassment File

When representation is requested, the Federation shall have access, prior to a hearing, to any material of a confidential nature in the affirmative action file on which the Board intends to rely in any disciplinary proceeding based on allegations of sexual harassment.

XXXIV. SUMMONS, DISCHARGE, REVIEW, DISCIPLINE

A. A hearing for the record which may lead to disciplinary action, discharge, warning, suspension, or review of a teacher’s professional status shall be held only in the Human Resources Office. The teacher shall be entitled to be accompanied by an authorized representative of the
Federation, and the teacher shall be informed in writing of this right, and the date of, and reason for, the hearing, at least three (3) days prior to the meeting, except in cases where criminal action is possible. A hearing for the record may be held whether or not a previous meeting with an administrator or principal has been held, but a request for a hearing will not necessarily be granted. A copy of this written notification shall be sent to the Federation office.
The Federation Representative shall be provided with all investigative information gathered that is the basis of the charge upon written request to counsel and Human Resources Office.

B. A hearing which is not held in accordance with the above provision shall not be considered a part of the teacher’s personnel file or record, and neither the fact of the hearing nor any statements made at the hearing may be used in any subsequent Board or arbitration proceeding involving the teacher.

Informal Conference
C. An informal conference may be held at a school or work site by an administrator when there are reasonable grounds to suspect that a teacher’s conduct has violated a properly established school rule or district policy. The teacher shall have the right to request Federation representation. The issue of such representation shall not result in changing the proposed conference to a formal meeting as described in this section, below. This conference shall be an oral conference and the only record maintained shall be the date and the subject of the conference.

Classroom instructional performance problems shall be addressed through the provisions of the Intervention Programs, the Toledo Plan evaluation procedures, or through A, above. Also see Appendix Q.

Formal Meeting
A formal meeting with a record of the meeting may be requested by a principal or other administrator when a teacher’s conduct involves possible violation of properly established school rule or district policy. Reprimands or formal warnings may not be issued, but clarifications may be declared, after the teacher has been advised, by a Request For Formal Meeting form, that he/she may have an authorized Federation Representative at such meeting.
Notice shall be given at least twenty-four (24) hours prior to the meeting. If such notice form is not given to the employee, no agreement or statement made by the meetings shall be used against, or in respect to, the
teacher for any purpose. Rules and policies must be in accord with the terms of this agreement.

As a result of the formal meeting, above, only the completed form shall be forwarded to the Human Resources Office for inclusion in the personnel file. The materials specified herein are subject to review as per Article XXXIII, E.

D. When such a formal meeting is held and it is determined, either as a result of the meeting or at a subsequent hearing, that a violation of properly established school rule or district policy has not taken place, records of such meeting(s)/hearing(s) shall not be placed in the teacher’s personnel file.

Suspension Without Pay

E. In those instances where it has been determined through a hearing for the record in A, above, that an infraction has occurred involving a properly established school rule or district policy warranting a suspension without pay, such suspension up to five (5) school days may be issued by the Executive Assistant to the Superintendent for Human Resources.

F. In those instances where a violation of district policy or contractual provisions between the Board and the Federation might warrant suspension without pay of six (6) school days or more, not to exceed twenty (20) school days, a suspension without pay may be issued by the Executive Assistant to the Superintendent for Human Resources after due consideration of the findings in the hearing for the record in A, above, subject to the Federation’s right to be heard prior to his/her decision. It is understood that his option will be used only for serious offenses or where termination would not be judged appropriate.

G. The Federation may appeal directly to arbitration any suspension without pay. If the Federation appeal is sustained, back pay will be awarded to the extent determined appropriate by the arbitrator.

H. Conduct concerning professional competence or district standards shall not be subject to suspension without pay in sections E or F, herein.

I. If criminal charges are brought where the offense, if proven, would result in the revocation of the teaching certification or where the offense, beyond a reasonable doubt, would impair his/her ability to perform teaching duties in accordance with district standards, or a contract termination is undertaken for any reason, the teacher may be suspended without pay subject to appeal by the Federation to a permanent arbitrator jointly selected by
the Board and the Federation who shall hear and decide the issue of suspension with or without pay only. The arbitrator’s decision shall be given to the parties within ten (10) days, and may or may not, at the arbitrator’s choosing, include reasons for the decision. This decision shall be final and binding. The teacher may be suspended without pay pending termination if the interim Board of Review recommends termination without appeal to the permanent arbitrator above. There shall be no time limits on pay suspensions resulting from criminal charges if the arbitrator permits suspension without pay. If the arbitrator permits or denies suspension without pay, such decision shall not be considered prejudicial to subsequent proceedings, or to an arbitrator’s award for back pay. Termination proceedings shall be instituted only after disposition by the court, in the case of criminal proceedings.

J. The employee shall be presumed to be innocent and the burden shall be upon the Board to show fault by the evidence presented at the hearing. The employee shall further have the right to confront and question the accuser, the right to confront and question the accuser, the right to examine all witnesses and evidence; the right to refuse or testify against him/herself; the right to have all pertinent records of the employee made available; and the right to file a written answer to the charges. The rights herein shall apply to all hearings for the record.

Terminations

K. If after the hearing for the record pursuant to Section A, above, the Human Resources Office recommends termination of the teacher’s contract, the findings and recommendation shall be sent to the teacher in writing, with a copy to the Federation, and the teacher in writing, with a copy to the Federation, and the teacher shall have the right to an election to do one of the following things:

1. To accept the recommendation of the Human Resources Office; or

2. To request the Federation to arbitrate the proposed recommendation pursuant to Article II, C, and section L, below, of this agreement; or

3. To follow the procedure as described in section 3319.16 of the Ohio Revised Code. This election must be in writing, signed by the teacher and be delivered to the Human Resources Office, with a copy to the Federation within fifteen (15) calendar days after the receipt by the teacher of the recommendation of the Human Resources Office. This election is final and binding on all parties and
may not be changed except by mutual agreement of
the Human Resources Office, the Federation, and the
teacher. Failure to deliver such election by the
teacher within such fifteen (15) calendar day period
shall constitute an election of 1, above, constitutes
waiver of all rights to challenge the termination under
3319.16 of the Ohio Revised Code. Election of 3,
above, waives all rights to challenge the termination
under the grievance or arbitration procedure of this
contract. The decision of the arbitrator shall be final
and binding on the Board, the teacher and the
Federation. Said arbitrator shall have complete
authority to enforce any penalty or remedy he/she
deems appropriate unless the option under 1, above,
is exercised.

General

L. When a hearing for the record pursuant to Section A,
above, is held, and the recommendation of the Human
Resources Office is for warning to be included in the
teacher’s official file, the findings and recommendation
shall be sent to the teacher in writing with a copy to the
Federation. In these cases, the Federation shall have the
right to file a grievance pursuant to Article II-B, at level
2, within seven (7) school days after receipt of the
recommendation if it disagrees with the recommendation.

M. The Federation reserves the sole right to accept a decision
of a hearing for the record or any stage of the grievance
procedure as factual and appropriate, and in that case
further appeals by the teacher to arbitration or to the
courts are permitted. This right applies to warnings and
suspensions as well as terminations and non-renewals.

N. A teacher may choose not to be represented by the
Federation in a hearing for the record but he/she must
comply with and be bound by L, above. The Federation
may have a representative present, and any finding will be
forwarded to the Federation office. No findings shall be
inconsistent or contrary to the provisions of this
agreement. When a teacher chooses not to be represented by
the Federation, Federation representation shall cease and
all responsibility for defense shall rest with the bargaining
unit member. The Board may deal directly with the
bargaining unit member on all aspects of the case, subject
to this section and L, above, except it may not transfer the
defendant without agreement of the Federation.

O. When a non-renewal of a supplementary contract for
services listed in Article XXXVIII is recommended,
notification must be given prior to April 30, or the
contract shall be automatically renewed. Such contracts
shall be considered to have the same standing as the regular teaching contract after issuance of two (2) initial supplementary contracts. Thereafter, when a supplementary contract is recommended for non-renewal, an appeal may be made to review committee of six (6) with three (3) appointed by the Federation and three (3) appointed by the superintendent which may, by majority vote, confirm or reject the recommendation. If there is a tie vote, the matter shall be resolved by adding a seventh voting member the individual designated to resolve disputes concerning placement into intervention. There shall be no record or appeal from this decision.

P. Interns will not be represented by the Federation in cases where the Intern Board of Review acts to recommend termination or non-renewal of an intern's employment and/or contract. The Board of Review will meet to hear an intern’s appeal of its recommendation if requested to do so. In the event an intern is reemployed the Federation may elect to represent the teacher.

Q. Employees shall not report to work under the influence of alcohol or controlled substances. Testing for such substances may be undertaken only upon reasonable suspicion. The Federation shall be notified immediately. No random testing of employees shall be permitted.

3. Any dispute involving salaries shall be resolved by a representative of the Athletic Commissioner’s office and a representative of the Federation.
C. General Provisions and Regulations

5. Head coach sued in this Article is the coach primarily responsible for that sport. Head coaches designated as such in section B, above, during the season of their activity shall have the last period of the teaching day as planning period. Other athletic department personnel shall have the last period as a planning period whenever possible. Beginning with the 2001-02 school year, in high schools that offered fourteen
or more viable club or varsity sports the previous school year, the athletic director shall have one duty period, assigned by the school principal, and at the option of the high school principal, shall be released from all teaching assignments or be assigned one teaching period. The Toledo Public Schools Athletic Commissioner shall determine the number of eligible participants a sport must have to be considered viable. In schools with fewer than fourteen (14) viable sports, the high school athletic director shall be assigned one duty period, assigned by the school principal, and one teaching period. The remainder of an athletic director’s schedule will be open for the general administration of the school’s athletic program. High school athletic directors will serve as an academic coach for all athletes and will develop an academic plan for athletes who are academically ineligible or at risk of becoming academically ineligible. Assistant athletic directors in high schools shall have the last period for planning unless such assignment precludes the department from offering courses during the last period.

6. Any coach or athletic personnel (except those who served as teachers at that school for five (5) years or more) who voluntarily resigns his/her coaching position, thereby creating a coaching vacancy for which there is no teaching vacancy, may be transferred to other school. This section does not apply to a coach whose contract is terminated or non-renewed.

7. The coaching contract for spring coaching duties shall be paid in a lump sum at the end of the individual coaching assignment with the exception that those coaches with three (3) or more years in the sport shall be paid in equal amounts over the school year.

8. The city League Athletic Board of Control shall include (1) coach who is a member of the Federation and elected by the coaches.

9. The Board shall pay mileage for use of coaches’ and cheerleader advisors’ automobiles to and from athletic contests and for scouting out of town. Coaches shall also receive mileage to travel to the required rules interpretation meetings closest to their school. No coach shall be required to transport athletes. Mileage for other coaching related activities may be reimbursed only if approved in advance by
the Toledo Public Schools Director of Athletics and Extra-Curricular Activities.

10. All high school athletic facilities will be open every Saturday during the fall and winter sports seasons, in addition to the Friday after Thanksgiving for training and practices, not to exceed four (4) hours. Heat or ventilation will be provided when athletic facilities are used by students and school athletic personnel.

11. No person shall be employed in the dual capacity of trainer and equipment manager. Nor shall coaches serve in the dual capacity of trainer and coach. All persons employed on or prior to January 1, 1993 under the above provisions shall be grandfathered, excepting voluntary resignations.

12. No coach shall be required to line athletic facilities for games or events. When other facilities are in need of preparation, a work order shall be directed to the Commissioner of Athletics.

13. The board will enlist qualified persons (i.e. doctors, trainers, etc.) to teach the required CPR and sports medicine courses. A copy of the current CPR and sports medicine license must be on file in the school athletic office and the district athletic office before a coach will be allowed to coach and have his/her name submitted to the Board for salary payment. Board approval will occur at the July Board meeting.

14. The School Athletic Committee shall monitor and approve the performance of coaches and team participation, including practice schedules, appearances at contests, and compliance with the Ohio High School Athletic Association’s minimum standards for team membership. The Athletic Director shall present to the School Athletic Committee proof of current CPR and sports medicine certification for all Athletic Department personnel. When the committees determines it is necessary to drop a team(s) programs having assistant(s), one assistant is eliminated for a period coinciding with the season or part of a season for which a team is eliminated. The school athletic committee will consult with the appropriate head coach and decide which assistant is to be eliminated. In cases where the School Athletic Committee fails to decide on which assistant is to be eliminated, the Commissioner of Athletics will make the decision. In cases of one-coach sports, the coaching position is eliminated for that reason or part of the season for which the team is dropped. When an assistant coach applies for a head
coach’s position in the same sport at the same school, the application shall be considered a resignation from the assistant position. If not successful in obtaining the head coach’s position, the individual may reapply when the assistant’s position is posted. When a coaching vacancy occurs during the season, the athletic committee may make a temporary appointment lasting the remainder of the season or until the vacancy is filled through normal posting procedures. The daily rate of pay for part of a season is computed by dividing the season salary by the number of days in the season according to OHSAA. The rate is multiplied by the number of days coached since the starting date of the season as established by OHSAA.

15. The application of these provisions shall be in accordance with Title IX.

16. A maximum of one intramural instructor will be appointed in any elementary and high school. At a senior high school, the athletic committee may submit one proposal for an intramural sport or activity. At an elementary school, the building representative and principal may jointly submit one proposal for an intramural sport or activity. The proposal shall state the nature of the activity or sport, the total number of hours, no less than twenty-five (25), the dates, and hours per day. Only those proposals agreed upon at the building level will be eligible for funding. Intramural programming must be recreational rather than competitive. Intramural participants are limited to students from the sponsoring school. Playing with or against individuals not enrolled in the sponsoring school or participation in leagues is prohibited.

The position of intramural instructor may only be held by employees of the Toledo Public Schools who are located in the school building requesting the intramural program. At the elementary level, selection of the intramural instructor shall be made jointly by the principal and the building representative. At the secondary level, appointments shall be made following the process described in Article XXXVII-F. Intramural instructors shall be paid $900 effective 8-1-09 stipend at the successful conclusion of the approved activity.

17. If a high school Athletic Director leaves the position during the school year, the high school Athletic Committee shall appoint an interim replacement. This
interim replacement shall receive two hours daily, at the hourly negotiated rate, for lost planning time while he/she is in the interim position.

18. Each high school shall have a summer stadium supervisor. The head football coach shall be appointed to this position. The summer stadium supervisor shall work five hours per day, five days per week, for a maximum of nine (9) weeks during the months of June through August. If the head football coach declines this position, the principal will appoint another member of the bargaining unit.

19. The Board will annually provide CPR and sports medicine certification training at no cost to athletic personnel.

D. Athletic Personnel Salary Schedule Placement

1. The following rules apply when placing athletic personnel on the salary schedule:
   a. The commissioner of Athletics will grant a maximum of six (6) years outside coaching experience to coaches hired to coach the same sport in which they have the outside experience. The commissioner will verify the experience and forward his findings to the Human Resources Office for proper placement on the salary schedule.
   b. All Toledo coaching experience in a sport (if under Article XXXVII) will be granted when appointed to coach the same sport as the Toledo Experience.
   c. A maximum of six (6) years of Toledo coaching experience will be granted to a newly hired athletic director upon employment. All experience as an athletic director, whether in high school or middle school, will be granted.
   d. Neither Toledo experience nor outside experience will be granted to a coach in a sport different from the one currently being coached. Intramural experience will not be granted.

E. School Athletic Committee

1. The School Athletic Committee shall be composed of equal numbers from the teacher and administrative bargaining units, but shall not exceed eight (8) members, including the principal. The Federation Building Representative and the athletic director, if a member of the bargaining unit, shall automatically serve for the Federation. At least two (2) of the Federation members must be non-athletic supplementary contract holders.
2. The School Athletic Committee shall be reelected within ninety (90) days after the effective date of this agreement. The entire faculty shall vote on teacher bargaining unit members, exclusive of the Federation Building Representative and the athletic director. The election will be conducted by the Building Representative. The school Athletic Committee will serve during the life of this agreement.

3. When necessary to replace a teacher member of the committee temporarily, the Building Representative and the Athletic Director shall mutually appoint a member to fill the position until the elected member returns or a replacement election is completed.

4. Athletic budgets, expenditures and revenues shall be made available to the School Athletic Committee members on a quarterly basis beginning with the month of August. Refer to Article I, E-9, for athletic expense disclosures.

5. Sections e, above, and F, below, apply to senior high schools.

6. A member of a school’s athletic committee shall not be a voting member in situations of interviewing, hiring, contract renewals, or terminations of a coach or coaching positions while holding a coaching position in the same sport in another school. An assistant coach may not be a voting member of a school athletic committee when the termination of a head coach, in the same sport, is considered. The assistant coach must be temporarily replaced per Article XXXVII, E-3. Any member of the committee must be excused from discussion and voting for any relative who is a candidate for any athletic position. Replacement shall comply with E-3, above.

7. Additional responsibilities of School Athletic Committees are found in the separate handbook entitled “A Reference Guide for School Athletic Committees.”

F. Application, Posting and Appointment

1. All athletic vacancies shall be posted system-wide for ten (10) days prior to the meeting of the athletic committee. Non-probationary teachers who are performing supplementary contract service as coaches at a school, but are stationed at another school, shall be considered eligible to apply for teaching vacancies posted at the school where the coaching service is performed. Coaches who will a teaching position under this provision but who resign or are terminated from their coaching position within
five (5) years shall relinquish their teaching assignment. **Vacancies not known until summer recess shall be posted in the Human Resources Office and all schools and departments with a copy sent to each high school. Such vacancies shall not be filled for ten (10) days after posting.** No coaching vacancy shall be filled by a long term substitute when a qualified contract applicant is available.

2. Applications for all athletic vacancies should **must be submitted via TPS online application site.** All candidates in a category must be offered an interview before considering the next category.

Copies of applicants are to be presented to members of the School Athletic Committee for consideration to an appointment in the following order:

1. licensed teachers from this bargaining unit;
2. licensed substitutes and licensed applicants from outside the bargaining unit, **other TPS employees**, plus applicants from category “a” above who have received three (3) or more votes;
3. non-licensed applicants and applicants from “b” who received three (3) or more votes.

When a holder of a fall coaching position is outside the bargaining unit, that position shall be reposted **by December 8, of the calendar year in which the contract expires**, to members of the bargaining unit. When a holder of a winter coaching position is outside the bargaining unit, that position shall be reposted **by June 8, of the calendar year in which the contract expires**, to members of the bargaining unit. When a holder of a spring coaching position or sport is outside the bargaining unit, that position shall be reposted **by June 8, of the calendar year in which the contract expires**. The appointment to such position shall follow the procedures as stated in this Article under Section F-2. In the event a 7-12 school is closed, the Board and the Federation will establish transfer and priority reemployment rules.

3. When an assistant coach applies for a head coach’s position in the same school, the application shall be considered a resignation from the assistant position. If not successful in obtaining the head coach’s position, the individual may reapply when the assistant’s position is posted. When a vacancy occurs during the season the School Athletic Committee may make a temporary appointment lasting the
remainder of the season, or until the vacancy is filled through normal posting procedures specified above. Re-posting will occur only when there are no acceptable applicants. Before the interview process begins, the principal will send to the commissioner a list of all applicants by categories “a”, “b”, and “c”.

4. After an athletic vacancy is posted for ten (10) days and the School Athletic Committee interviews candidates according to the procedure in F-2, the name of an applicant who receives at least six (6) votes will be submitted to the Athletic Commissioner for appointment. If no candidate receives at least six (6) votes from the School Athletic Committee, the vacancy will be re-posted for five (5) days and the entire F-2 process is repeated. If the committee is still unable to make a selection, the majority of the committee may submit a written position statement to the Commissioner of Athletics within three (3) days of the submission back to the commissioner. The Commissioner of Athletics will appoint a person.

5. **Any appointment not made in conformance with the above procedure shall be null and void. The school Athletic Committee shall then meet again as per F-1, and the entire process must be repeated.**

6. The school Athletic Committee must review the applicants of all applicants who comply with F-2, above. Unsuccessful applicants shall be notified of their rejection at the same time the successful candidate is notified.

7. **An employee on leave of absence, with the exception of disability leave, shall have the right to return to his/her athletic position beginning with the next coaching assignment for which they were contracted following the return from leave.**

8. Employment and scheduling of officials will be with the approval of the Commissioner of Athletics and the coaches’ representative to the Athletic Board of Control.

9. A Tournament / Championship Manager –Scheduler - Selection Committee is to be formed and shall have the following members:
   a. **Transformational Leader of K – 12 Education**
   b. Director of Athletics
   c. **TFT Appointed TPS representative of athletic directors**
   d. **TFT Appointed TPS representative of coaches**
e. This committee will be responsible for developing a job description for each position under the Manager-Scheduler section, posting of vacancies, screening of applications, and selection of new managers or schedulers from applicants, as well as termination and non-renewals. When a holder of a Manager-Scheduler position is outside the bargaining unit, that position shall be reposted on June 8 of the calendar year in which the contract expires.

10. Split contracts and second coaching contracts for concurrent duties shall not be issued unless approved in writing by the Commissioner of Athletics. When one holder of a split supplemental athletic contract discontinues or resigns the position or is non-renewed, the entire position will be posted. The remaining person(s) who shared the contract will be terminated from this position and must reapply for the vacancy.

All persons employed on or prior to January 1, 1993 under the above provisions shall be grandfathered, excepting voluntary resignations.

G. Non-Renewals and Terminations

1. Contracts of personnel listed in this section are for one (1) year. The school Athletic Committee will review the performance of each person contracted under this section between November 15 and December 15 for fall sports, March 15 and April 15 for winter sports, and between June 1 and June 30 for spring sports. Board of Education action will occur prior to January 1 for fall sports, May 1 for winter sports and August 30 for spring sports. In any case where a review indicates concerns that may result in a vote to terminate or non-renew, the committee shall give notice, in writing, at least five (5) working days prior to the meeting, informing the person of the date of the meeting, list of concerns discussed in the review, his/her right to appear before the committee, and the right to union representation. Only by a vote of at least six (6) members of the committee can a recommendation to terminate or non-renew a contract be forwarded to the Commissioner for his/her consideration. Committee members may not participate in the discussion of their own contracts.

2. The Commissioner may accept or reject the committee recommendations. When the recommendation to terminate or non-renew is
accepted by the Commissioner, the position shall be declared vacant, and the position and appointment procedure above shall be initiated. However, when the Federation contests a decision to terminate or non-renewal, the posting shall indicate this and any new appointment is temporary until there is a final decision on the appeal.

3. **Athletic personnel whose contracts are terminated or non-renewed shall not have preferential employment rights in reapplication procedures for the same sport as would otherwise be the case as per F-3, above.**

4. The person whose contract(s) is terminated or non-renewed shall have the right to a hearing with Federation representation before the Commissioner of Athletics to assure that the Committee and/or Commissioner decision to terminate was just cause or, if non-renewed, for reasonable cause. The Federation may grieve if it feels that these standards were not followed.

5. Teachers who hold athletic contracts and who leave the bargaining unit may continue the position until the end of the season at which time the position will be posted as a vacancy.

### H. Athletic Directors

1. The Athletic Director shall be precluded from holding other athletic contracts excepting tournament championship manager/scheduler positions unless agreed to by the Federation and the Board. (This provision does not apply to Assistant Athletic Directors.) Eleven month supplemental contracts shall be sued high school athletic directors. All persons employed on or prior to January 1, 1993 under the above provisions shall be grandfathered, excepting voluntary resignations.

2. High school athletic directors shall maintain and accrue department seniority and shall have the right to return to the department of their current or most recent assignment, effective at the beginning of the next school year. High school athletic directors shall be granted super seniority within their teaching departments concurrent with their athletic director position. Super seniority as used in this contract means only that Federation building representatives and athletic directors are exempt from staff reductions.

3. **A Mileage stipend of $2100.00 shall be paid from the Board’s general fund, for each athletic director and a**
stipend of $550.00 for each assistant athletic director. To be paid by Oct 1.

4. The job description agreed to by the Board and the Federation on January 15, 1985, shall govern the duties of athletic directors.

I. Continuous Building Substitutes

A teacher may in the capacity of a building substitute voluntarily move from one building to another or a fully certified substitute may be hired as a continuous building substitute (with the approval of the Toledo Federation of Teachers and the Toledo Board of Education) for the purpose of serving as head coach of girls’ or boys’ volleyball or basketball or boys’ football. Said contract teacher will not accrue building, department, or system-wide department seniority. The contract teacher, though, will earn system seniority and will be considered a member of the department vacated for bidding purposes. The substitute would earn system seniority upon being hired as a contract teacher. While serving in the role of a continuous building substitute and as a head coach, he/she may be added to the staff of the school in his/her licensed area(s) provided the lists of all involuntary and voluntary transfer applicants and displaced teachers have been exhausted. (Article XXXVII, F-1 will have no standing with this Memorandum of Agreement.)

If still serving as continuous building substitute when as head coach he/she resigns or is removed from the coaching position, he/she will be released from the building and become part of the bidding process for open positions based upon previous departmental seniority. Substitutes will become eligible for other continuous building or long-term assignments.

The position vacated at the school will be considered an open continuous building substitute position to be filled following the provisions of the TFT/TBE Substitute Agreement by the Human Resources Office unless another teacher or certified substitute is approved to serve as continuous building substitute/head coach.

The cost of physical examinations shall be excluded from the cost accounting of the Board’s insurance fund in Article LX.

XL. PAYROLL CHANGES

The deceased employee’s earned pay, if in excess of $2,500, shall be paid forthwith to the deceased employee’s personal representative upon presentation to the Treasurer of letters testamentary or letters of administration, or an order relieving the estate from administration, by means of a check payable to the employee’s estate.

G. For the purpose of voluntary transfers to 7-12 openings within the system-wide music department, each current music teacher and each newly employed music teacher will be asked to designate either instrumental or vocal as an assignment preference. The assignment to openings shall be based on music department seniority from among the applicable designated preferences. Should a secondary music teacher choose to vacate a portion of his/her schedule and it is subsequently possible to realign this position with another vacant assignment, both positions will then be posted and preferred in their entirety. Preferences may be altered during the month of November each year. For the purpose of filling the five (5) positions specified herein, an audition and interview process will be
conducted. Applicants from the bargaining unit for the positions of band director, choir director, orchestra director, Toledo Youth Jazz Ensemble Director, and Toledo Youth Orchestra Director in senior high schools shall be selected by a joint committee consisting of the Federation music representative two (2) individuals designated by the Federation, the principal of the building affected, and the administrator in charge of musician audition and interview irrespective of departmental seniority. Individuals selected, however, must have indicated a preference in compliance with the above procedure.

This selection process shall also apply to applicants for assistant director in high schools. However, only an interview will be conducted by the joint committee. The director at the location where the assistant director vacancy exists shall be one of the designated Federation representatives on the joint committee.

When a reduction occurs within the music department, teachers will bump the least senior teacher in their area of assignment (vocal or instrumental) first. Then the last person displaced may bump the least senior person system-wide, regardless of their area of assignment.

Reduced enrollment transferees shall be placed from the pool in openings before voluntary applicants, using the seniority preference process described herein. Separate rules may be written by the Board and the Federation when schools are closed.

B. Non-public teachers shall have delivery of school mail to their homes on a timely basis.

E. Toledo Public Schools teachers assigned to non-public schools. Including Auxiliary Services Program (ASP) and Title 1 teachers, who will be absent from work will use AESOP to report their absence. This will be done only for sick leave. Leaves that require approval will be done as per past practice. Teachers will no longer be required to
report their intent to return the day following their absence.

XLVI. READING DEPARTMENT TEACHERS
In grades 1-8 teachers of reading in compensatory programs shall accrue seniority in the reading department. In grades 9-12 the teachers of reading who teach a full schedule of reading accrue seniority in the reading department. When 9-12 reading teachers divide classes between reading and another department, the teacher shall have the option of accruing seniority in the reading department provided there is compliance with the three (3) class rule in Article III, C, or remain in the other department notwithstanding Article III, C. Dual department seniority shall not be accrued.

A. All department members shall be scheduled planning time at least equivalent to Article IV, G-7.

B. Effective with this agreement all future teachers placed in the system-wide reading department shall possess a graduate degree in reading, a reading specialist certificate, or a remedial certificate. All teachers who are placed without meeting this requirement must acquire the specific degree/certification within a five (5) year period.

C. Reading aides shall be administered a qualifying test before employment pursuant to the paraprofessional contract.

D. Student loads shall conform to the following: Grades 1-8- Not to exceed ten (10) students per class period or the equivalent on a reduced instructional period basis. Grades 7-12, 9-12—Not to exceed fifteen (15) general fund students per class period or the equivalent on a reduced instructional period basis. Grades 7-12, 9-12— reading materials for reading Improvement II students will be requisitioned by the department chairperson each year on or before June 1 and given to the Assistant Superintendent for Curriculum and instruction for ordering within budgetary limits. The above will be in compliance with the guide-lines of the state or federal program involved.

XLVIII. SPECIAL EDUCATION

A. Assistance, Assessment, And Identification

1. If a teacher is requesting assistance for a child in his/her class she/he submits Request for Assistance/Evaluation-PR-04 to the IRT. When the IRT suspect the child has a disability, the IRT chair completes the Suspected Disability section on the PR-04 and the child’s information will be entered on the Child Information Management System (CIMS). In schools where there is no IRT, the teacher submits the completed Request for Assistance/Evaluation-PR-04 directly to the principal. No limit will be placed on the number of forms a teacher(s) may submit during any given school year and the forms will be available from the school office without restriction to all teachers.
An IRT decision not to proceed to an Evaluation Team Report (ETR) is subject to appeal in E, below. If there is determination by the IRT to proceed to assessment, parental permission will be sought immediately and the referring teacher notified.

2. A referral for an ETR consists of the following completed forms: Request for Assistance/Evaluation PR-04, and the Parental Consent for Evaluation (PR-05). Copies of each of these forms will be placed in the student’s cumulative and IRT file, as each form is completed, where it is available to authorized school personnel. A student suspected of disability shall have a complete ETR within sixty (60) calendar days of receiving parent consent. If the student is eligible for special education services, an IEP meeting must be convened within 90 calendar days after parental consent for ETR has been received or within 120 calendar days after the student referral date, whichever comes first.

A joint procedure, subject to revision yearly, will be agreed to between the Federation and the Board which will govern Emotionally Disturbed referrals (See Appendix B). TFT Building Representatives, IRT chairpersons and principals will implement the procedure and will prioritize when the evaluation team report will be given. They will have authority to utilize Behavior Specialists in the referral process.

3. The Federation Building Committee and the principal shall review the assessment priorities used at the school upon the request of either party. If concerns regarding the processing of referrals cannot be resolved at the school level, the appeal process in E, below, may be invoked.

4. The establishment of the Intervention Response Team will be by agreement among the Building Committee, principal and school psychologist. Guidelines for Intervention Response Teams are issued jointly by the Board and Federation. See Appendix V. composition of the IRT will be determined at the building level and shall comply with membership regulations outlined in the Guidelines for Intervention Response Teams. The teacher representatives on the IRT will be selected by the building committee, per Guidelines. Teachers will be provided release time or compensated at the negotiated hourly rate, at the option of the Board, to participate in IRT meetings and assessment of students. Supplemental contracts shall be issued to
IRT members at start of school. Payment shall commence no later than the first paycheck in October. A minimum of three in-service sessions each school year will be provided through released time or compensated at the negotiated hourly rate for each IRT teacher member. The system-wide IRT Committee, established in the Guidelines, will convene a system-wide meeting of IRT chairpersons, building reps, building principals, school psychologists and special education supervisors at the beginning of each semester, with payment at the negotiated hourly rate. The system-wide IRT Committee shall consist of an equal number of teachers and administrators. Additional Intervention Response Teams will be assigned to schools, upon submission of their request as outlined above, after review by the designated representative from the Board, TAAP, and Federation.

5. Teacher referrals will be reviewed by the IRT and a determination made whether to proceed with interventions or in accordance with due process proceed directly to an Evaluation Team Report. Teachers shall participate in the development and monitoring of intervention plans for students in their classrooms. The IRT will review interventions which were implemented by a teacher prior to referral of a student for assessment and will accept those interventions as qualifying for mandated interventions whenever possible. The entire IRT including support personnel (i.e. behavior specialists, speech-language, physical, and occupational therapists, etc.), will determine the appropriateness, success, or failure of interventions. Teachers will be provided with released time or compensated at the negotiated hourly rate to attend meetings to develop classroom-based interventions. Teachers must agree to the feasibility of the interventions. Teachers must agree to the feasibility of the interventions to be implemented within their classrooms. Specific time lines will be established by the teacher and IRT for intervention implementation and review, including those specified in Appendix B. Behavior specialists may be involved per request of the student's teacher and/or IRT chair, or building principal in buildings without an IRT, to conduct observations, develop and monitor interventions, address 504 issues, and provide in-service. Behavior specialists, therapists, and other support personnel are considered to be
regular and continuing members of a student’s team through the ETR, if the team decides to go forward. If agreement cannot be reached at this level the matter will go to case review.

6. At the conclusion of the psychologist’s portion of the ETR of a pupil, a verbal report will be given to the referring teacher and/or IRT chair within ten (10) school days. The ETR team written report will be made available to the schools and the referring teacher, upon completion. In the event the student is determined not to be eligible for special education services, a written report will be available to the referring teacher within ninety (90) school days after parental consent for assessment has been received. If eligibility is established for special education programs or services, the special education teacher will receive the ETR and IEP at least two (2) days before the student arrives. The ETR report on each student assessed shall be placed in the student’s cumulative file where it is available to the teacher. Access to student files shall be according to Board policy as required by federal law. A student’s teacher will participate in the ETR meeting determining the student’s eligibility for special education services. Release time will be provided during the school day for this purpose, or the teacher will be paid at the negotiated hourly rate for attendance outside school hours.

R. The district will make every effort to hire licensed school nurses. If there are not eligible candidates, the district may hire nurses with bachelor’s degrees who agree to obtain the State of Ohio as evidenced by acceptance into an accredited School Nurse licensing program. At the end of three (3) years, if the nurse has not secured a State of Ohio School Nurses license the Board and Federation will mutually review and agree to any necessary actions up to including changing employment status to substitute nurse.

S. Up to two nursing assignments may be filled each year with two nurses willing to share the position. This job sharing will be such that each nurse works a portion
(50%) of the assignment in full day segments. The individuals that are sharing a job will be offered compensation based upon one-half (½) of their individual salary. These individuals will also fall under the mentoring of the Toledo Plan. These identified assignments will be for one year in duration and would be posted for the following year. Nurses sharing duties will receive priority hiring status for full time vacancies.

H. It is recognized that gyms/auditoriums occasionally will need for school uses other than physical education classes. When this occurs, physical education teachers will be given five (5) days’ notice when possible. In implementing this section, activities will be scheduled so that physical education specialists will not have to give up their classrooms unnecessarily for purposes unrelated to their classrooms unnecessarily for purposes unrelated to their instructional program. When a program or event is impossible to schedule in advance, the five (5) day notice
may be waived upon consent of the K-12 Education Office.
It is the intent of this section to require assemblies in the
gym to be scheduled around the physical education schedule when no classroom is available to the physical education teacher.

I. Teacher schedule problems are also addressed in Article V, O and R.

J. Beginning with the 2001-2002 school year, physical education specialists will be paid at the negotiated performance rate for participation in school and community performances/events. The Board and Federation will mutually agree on approved performances and events. The physical education specialist may apply for the performance rate once per semester.

K. Beginning with the 2009-10 school year, secondary physical education teachers shall be allocated an annual supply and equipment allocation for each school in the amount of $1.00 per student, based on the previous official October student enrollment.

APPENDIX A

STATEMENT OF GOALS AND PROCEDURES IN THE CREATION AND IMPLEMENTATION OF A PLAN TO INTEGRATE THE TOLEDO BOARD OF EDUCATION FACULTIES

The Toledo Board of Education (hereinafter “Board”) and the Toledo Federation of Teachers (hereinafter “TFT”) hereby adopt the following goals and procedures.

I. Goals

1. To insure continued compliance with Title VI of the Civil Rights Act of 1964 concerning minimum and maximum standards for racial integration of the faculty at each school building in the Toledo Public School System by September, 1978.

2. To insure continued compliance with Title VI of the Civil Rights Act of 1964 concerning an acceptable ratio between teachers with extensive teaching experience and teachers with lesser amounts of teaching experience at each school building in the Toledo Public School System not later than September, 1979.

II. Procedures

The TFT and the Board agree to the following procedures:

1. The TFT shall assist the Board in the negotiating process with the Department of Education (hereinafter DOE) regarding any changes required by
DOE under Title VI of the Civil Rights Act of 1964 dealing with the assignment of faculties. A unified position shall be the goal of the parties.

2. The racial balance of faculties should take into consideration (1) the faculty composition of other school districts in the United States subject to DOE agreements adopted to integrate faculties and (2) the current status of faculty integration in the Toledo Public Schools.

3. No teacher shall be involuntarily reassigned until all reduced enrollment transfers, retirements and separations are first reviewed and acted upon in accordance with the procedures set out in the collective bargaining agreement. Thereafter, involuntary reassignments, may be made to achieve the goal established by this document.

4. “Seniority rights” are set forth in the existing contract shall be fully honored subject, however, to the provisions of this document.

5. Reduced enrollment transfer rights shall not be abridged at any time.

6. Teachers transferred will retain appeal rights in accordance with the grievance procedure as set forth in the existing contract subject, however, to the provisions of this document.

7. Under the provisions of this agreement will take with them their “building seniority” as defined in the existing contract between the parties, and such seniority shall be recognized in the building into which the teacher is transferred, notwithstanding any provision in the existing contract to the contrary.

8. Teachers 55 years of age or over are exempt from involuntary transfer pursuant to this document unless there is no other alternative to achieve compliance with any DOE agreement. Regarding transfers, exempted persons under this section shall have preference over non-exempted persons without regard to seniority rights. If compliance can only be achieved by utilization of persons in the exempted status, then, in that event, seniority rights shall apply.

9. The Board and the TFT shall mutually agree in writing on all involuntary transfers. If the Board and the TFT cannot agree, the Superintendent of the Toledo Public Schools shall make the final determination subject to the existing contract between the parties and the provisions of this agreement. Appeals from the decision of the
superintendent shall be subject to arbitration procedures in the collective bargaining agreement.

10. If at any time after the adoption of an agreement with DOE the Board and/or DOE desires to modify any portion of said agreement, the Board shall promptly notify the TFT in writing setting forth the facts and circumstances thought to justify modification and the substance of the proposed modification. In the event that written agreement to the proposed modification is refused or such written agreement is unreasonably withheld, the parties reserve all existing rights to obtain appropriate administrative, judicial, and other legal relief.

GUIDELINES FOR BEHAVIOR INTERVENTION CLASSES (BIC)

A. Policy and Procedures:
Success of this intervention program is dependent upon meeting the unique needs of the individual schools involved. To facilitate this individualization, policies and procedures of each school should be reviewed, adjusted and implemented as a joint effort of the school’s administration and building committee.

1. Suspension from school should be reserved for seriously disruptive student behavior.

2. Behavior Intervention Classes shall give priority to less serious inappropriate student behavior such as: smoking, failure to follow directions and other minor offenses not specified in the discipline code. Behavior Intervention Classes shall not be used in lieu of suspension for other offenses or categories listed in the Toledo Public Schools Discipline Code.

3. This program is structured to supplement, not replace, the existing city-wide discipline code.

4. While assigned to a BIC, students will not be marked absent from school. Teacher records should reflect the absence from individual classes with an appropriate symbol which simultaneously reflects their presence in the BIC. (Example: A/B Absent/Behavior Intervention Class)

5. The teacher shall either provide students who are assigned to BIC, alternative placement, suspended or absent the opportunity to make up their work for credit or hold the student harmless.

6. Semester exams will be administered by the teachers of record in the regular classroom setting. Time spent taking final exams will be made up in the BIC.

7. The Behavior Intervention Class in each school should meet the following facility requirements:
   a. A maximum enrollment shall be twenty-five (25) students for existing senior high school Behavior Intervention Centers and fifteen (15) students for elementary Behavior Intervention Centers. The classroom shall be a well-lighted, ventilated room which can reasonably accommodate this number of students.
   b. Be situated near the dean’s offices where possible.
   c. Have tables, chairs, study carrels, and appropriate resource materials.
d. Have access to a telephone for direct, urgent, and essential communication with teachers, deans, administrators, counselors, and parents.

8. Following the first week of school, BIC will be open every period. BIC teachers have the right to a daily planning period and lunch just as a general education teacher. In the event, loss of planning time will result in compensation at $\frac{1}{6}$ the starting B, A. salary (Paid Planning). However, the teacher will not be obligated to surrender his/her planning.

9. Students may be assigned to the BIC for a period of time designated, for a single period, or for the entire school day.

10. Pre-placement and exit conferences, and follow-up should be an integral part of each BIC program.

11. Student contracts should be an integral part of each BIC program.

12. A core academic curriculum shall be developed for implementation in each Behavior Intervention Center to provide instruction and remediation in state subject areas. Additionally, a social skills curriculum shall be developed for implementation in each Behavior Intervention Center. BIC teachers will be provided information regarding the school’s data report. All BIC teachers will be required to implement the curriculum and shall receive initial professional development and periodic in-service regarding this curriculum.

B. Rules for the BIC:

1. Students are to report to the BIC with textbooks and material appropriate for the term of their assignment.

2. Talking or sleeping will not be permitted.

3. Designated times for restroom privileges will be established by the center specialist and will not be given during the change of classes.

4. Students will eat lunch in the cafeteria during the time no other students are eating.

5. Students are expected to work on class assignments. Remedial work may be assigned by the specialist if the student has shown difficulty in reading or math.

6. No candy or food of any kind will be allowed in the center.

7. Days of absence from school do not count toward completion of days assigned to the center.

8. Students assigned to the BIC for more than one period a day will not participate in any school activities such as assemblies, plays, athletics, or any extra-curricular activities during and after school.
The only exception is on the last day of the BIC assignment. When the BIC assignment concludes, students may participate in all school events including athletics beginning the same day; providing the student has met his/her obligations as a result of assignment to BIC.

9. Failure to comply with these rules will result in one or more of the following actions:
   a. Parent/Student/Dean/Teacher conference, or;
   b. Additional days in the BIC, or;
   c. Out-of-School suspension.

C. Application and Selection Process
   1. The skills and competencies of the BIC resource specialist will largely determine the success of the BIC program as a positive alternative to suspension. Thus, extreme care in the selection of BIC personnel must be exercised.
   2. All applicants meeting minimum qualifications will be scheduled for an interview.
   3. Although a BIC specialist may be assigned responsibilities for extra-curricular activities, the primary criterion for employment should be placed upon the potential effectiveness of the applicant as a BIC resource specialist.
   4. Planning time for BIC specialists and substitutes during periods of absence of the specialists will be provided by certified personnel and will be arranged in a manner most amenable to the schedule of the individual schools involved.

D. Staff Development during the year will focus upon:
   1. Providing a forum for school and BIC personnel to share experiences and resolve mutual problems.
   2. Structuring a realistic and meaningful evaluation program.
   3. Reconciling significant differences with a goal of creating a more uniform and effective program.
   4. Needs identified by the BIC specialists.

E.  
   1. The Federation and Board shall mutually select:
      a. Instruction/remediation/tutoring curriculum package.
      b. Social skills training program package/instructional videos
   2. Packed student materials shall be provided for each student assigned to BIC and teacher guides/manual shall be provided to each BIC teacher.
3. Each BIC teacher shall be provided an additional $200 annually for purchase of remedial/tutorial materials and supplies.

4. All current BIC teachers shall be provided a minimum of two (2) work days of professional development in service days. The in-service days are for the purpose of selecting curriculum packages and receiving implementation training. The first in-service day will be held within the first full week of school and the 2nd in-service day will be in January. The Board will make every effort to schedule the 2nd in-service day during the week of high school exams. Scheduling of planning and in-service shall be mutually agreed to by the Federation and Board. The development and scheduling of in-service days shall be mutually developed by the Federation and Board.

5. Any modifications to the BIC program, including curriculum selection and implementation, shall be mutually agreed to by the Federation and Board.

6. Curriculum packages shall not be implemented until all materials are provided for teacher and students and all initial in-service is provided.

APPENDIX I

TO: All Division Heads, Executive Directors and State and Federal Program Directors
FROM: R. A. Working, Asst. Supt., Planning and Evaluation
Date: June 24, 1980
RE: Negotiated Agreement---Item 7 - Page 11 “The Federation shall be consulted before any new educational programs are initiated or adopted. Such initiations or changes shall be developed cooperatively”.

Although the above agreement has been in effect since April 28, 1978, clear-cut procedural steps to implement this agreement have not been developed or promulgated. It is, therefore, the purpose of this memorandum to outline procedural steps which will carry out the referenced provision of the TFT agreement.

The following steps will constitute acceptable implementation procedures.

1. Any individual division, department, or office which plans to develop and submit a new proposal under the auspices of the Toledo Public Schools will contact the division head for Planning and Evaluation to secure approval for the proposal planning efforts.

2. Having secured the approval of the Assistant Superintendent, Planning and Evaluation to proceed in the planning of a grant application, the TFT and the TAAP organizations will be contacted to secure organizational input into the planning activities associated with the preparation of the grant application.

3. In the event that an existing state and/or federal project is being considered for programmatic changes which alter the thrust of the program or changes the procedures by which the programs and services are provided, TFT and TAAP must be involved in the review session to consider the impact of the proposal changes.

4. Upon the preparation of the prospectus or draft copy of the proposal the TFT and TAAP must be provided a copy whichever documents comes first. The division of Planning and Evaluation will assume full responsibility with regard to the distribution of the prospectus and proposals to TFT and TAAP.

5. In preparation of the final application - if the final application differs from the initial draft - the TFT and TAAP will be consulted about the change(s) before final submission takes place.

6. If the application is amended by the funding sources in such manner as to significantly alter the thrust of the proposal and/or the level of delivery of services, TFT and TAAP will be consulted with regard to the proposed changes. Subsequently, corrected copies of the negotiated grant will be prepared and will be made available to TFT and TAAP by the Division of Planning and Evaluation.

7. If the application is amended in minor ways, not affecting either the program thrust or the level of service, appropriate adjustments will be made in the document for the funding
source. Copies of the corrected document will be sent to TFT and TAAP. A memorandum of change, identifying the minor changes, will accompany the corrected copies.

- Whose school is closed while a new school is constructed

The parties agree to an additional two days for unpacking, assembly, set-up, and organization of all classroom materials and equipment in preparation for a district-scheduled dedication ceremony for the opening of a new school. These additional days are conditional on a teacher or paraprofessional* using this third and fourth day, and the two referenced in the third bullet, above, prior to the date of the dedication ceremony. This provision shall not be intended to remove the Board’s obligation to pay for benefits otherwise agreed to in this contract. SELECTION OF POTENTIALLY CONTROVERSIAL MATERIALS

In selecting materials on potentially controversial topics, the following criteria are given consideration:

1. The materials on controversial issues should be representative of various points of view and a sincere effort shall be made to select equally representative materials covering contrasting points of view.

2. The material does not unfairly, inaccurately or viciously disparage a particular race or religion. A writer’s expression of a certain viewpoint is not to be considered a disparagement when it represents the historical or contemporary views held by some persons or groups.

3. The materials on religion are chosen to explain rather than convince and are selected to represent the field as widely as necessary for the school purposes.

4. The selection of materials on political theories and ideologies, or on public issues is directed toward maintaining a balanced collection representing various views.

5. Materials on physiology, physical maturation or personal hygiene should be accurate and in good taste.

6. Materials should be selected for their strengths rather than rejected for their weaknesses.

CITIZENS CHALLENGE OF MATERIALS

Occasionally objection to textbooks, supplementary materials, and library books will be made by individuals despite the care taken to select valuable and appropriate materials. In order to provide for an orderly challenge process, the following procedure is to be followed: The staff member receiving the complaint should be courteous, but make no commitments concerning the materials, and invite the complaint to file his objections in writing. Such complaints are to be submitted on the challenge form through the building principal to the Executive Director for Curriculum, upon receipt of the challenge form, will assign the challenge of the Director of School Media Services or curriculum director who will convene and chair an ad hoc Materials Review Committee. Membership on this committee may consist of but not be limited to the:

1. Principal or Assistant Principal for Instruction of the school where the complaint originated.

2. Four teacher representatives of the subject or grade level in which the materials are used.

3. A school librarian.
4. Parent representative appointed by P.T.A.
5. Members of the textbook selection committee.

Each committee member evaluates the challenged instructional material and submits his evaluation in writing to the chairman within 15 days.

Upon receiving the evaluations, the chairman prepares a summary of the evaluations and schedules a meeting with the committee to review the summary. The individual or group who challenged the material will be invited to attend the review.

Subsequent to the meeting the committee forwards its recommendations to the Executive Director for Curriculum. If the challenger is not satisfied with the recommendations of the committee, he may appeal to the Executive Director for Curriculum.

If the complainant objects to his son or daughter reading or discussing the material in the classroom, the student may be provided an alternate choice.

Material that has been challenged and reviewed may not be rechallenged until one calendar year after the recommendation of the ad hoc committee is forwarded to the Executive Director for Curriculum.

APPENDIX S
MEMORANDUM OF UNDERSTANDING
STUDENT DISCIPLINE AND THE
ENHANCEMENT OF INSTRUCTION

The Board and the Federation agree that the district’s student discipline practices and procedures must be improved and must support student instruction. Uniform enforcement of the discipline code will be a priority. To that end, the following actions will be taken:

1. The deputy superintendent, or his/her designee, will conduct a workshop involving all hearing officers, principals, deans and Federation building committees on the topic of the discipline issues contained in this memorandum, and the existing student discipline code, within the first quarter of the school year.

2. The Board will adopt a Pupil Personnel Center discipline case reporting/disposition form for all disciplinary incidents referred to the center. The form will provide the following information for the referring school:
   a. brief summary of the teacher’s description concerning the incident
   b. specify the charges(s) of the building administrator at the hearing
   c. disposition of the case by the hearing officer
   d. indicate if the disposition was consistent with the code; if not, why?

   This case/disposition may be appealed by the Federation to a joint committee of Board and Federation appointees not to exceed six (6) in number, with equal representation of administrators and teachers, who shall have the authority to issue an advisory directive about future cases that are similar based on the principles of consistency, compliance and performance as is the stated purpose of this memorandum.

3. The Board will establish for implementation at the opening of the 1998-99 school year the following guideline expectations for each school:
   a. the number of tardiness interruptions permitted before disciplinary measures are required.
   b. a list of authorized school events which may interrupt instruction

4. Each school will then develop and annually review an action plan as it relates to student discipline. The plan will be developed by the principal, Federation building committee and up to two (2) parents. One parent shall be designated by the Federation building committee. These parents shall have a student enrolled at the school. Each plan shall specify the following:
   a. the number of tardiness interruptions permitted before disciplinary measures are required as specified in 3-1 above.
   b. a list of authorized events which may interrupt instruction if greater or lesser than 3-b, above
   c. the school’s policy regarding demerits and detentions.

   These school plans will be reviewed by the committee of Board-Federation appointees described in 2, above. Changes may be recommended by this committee.
The implementation date will be opening of school. Should a principal or a building committee believe that the building is not adequately implementing its action plan, the principal or building representative may request review of the situation first by the Superintendent or designee. After such review, if either believes progress is not being made, they may request review of the situation by the committee identified in paragraph 2, above.

5. Effective September, 1998, the Board will establish as a pilot project one (1) pupil personnel center which shall have the following personnel attached to it:
   a. one visiting teacher and/or social worker
   b. one magistrate for attendance cases who will be employed by the Board (or cost shared with the court) and who will work closely with the juvenile court.

The Federation and Board will evaluate this pilot annually and, at the conclusion of the 2000-2001 school year, will determine its continuation, expansion or closure.

6. Students who are expelled for bringing a gun onto school property or to any school function, and students who are expelled for assaulting any teacher, shall receive the maximum expulsion permitted under the Toledo Board of Education City-Wide Discipline Code. Once the expulsion is issued and, after all student due process appeals have been exhausted, the Board will not alter the length of the expulsion. Any teacher who disagrees with the Pupil Personnel findings regarding a student accused of bringing a gun onto school property or to any school function or assaulting any teacher may request that the circumstances be reviewed by the committee of Board/Federation appointees described in 2, above.

7. The Toledo Federation of Teachers will participate, together with the administration of Toledo Public Schools, in the discussions that are now (2013) ongoing with federal agencies concerning student discipline policies and practices. The federal agencies are focused on reducing out-of-school suspensions, especially those that evidence a pattern of disparate impact for racial and ethnic minorities, and reducing the incidents of referrals to the juvenile justice system. Several provisions of the TFT contract address student discipline issues. In the event proposed federal remedies impact language in the TFT collective bargaining agreement, the parties will engage in negotiations concerning those issues in an effort to arrive at a solution agreeable to all concerned. By agreeing to engage in those negotiations, TFT does not commit to making any specific changes in the TFT contract. The discussions will include TFT’s request that the District establish an alternative school.
APPENDIX T
MEMORANDUM OF UNDERSTANDING

1. BIC programs are those intervention programs developed within a single school under Appendix H of the Parties Collective Bargaining Agreement.

2. As of February, 1998, BIC programs developed under Appendix H have been established in all senior high schools.

3. The alternative programming is to be implemented no later than September, 1999. Existing BIC programs identified in paragraph 2, above, or new BIC programs developed under Appendix H of the collective Bargaining Agreement are not considered alternative programming for purposes of this provision. The programming will be mutually agreed to by the School Improvement Leader; a TFT representative; a TAAP representative; and principals and the TFT building representatives from the feeder pattern. The Board and TFT may each appoint a parent of a student from the feeder pattern to this committee. The Federation and the Board will evaluate the program annually and determine its continuation, modification or closure.

4. Wages, hours, terms and other conditions of employment in alternative programming affecting teachers and/or paraprofessionals shall be negotiated between the Federation and the Board, only.

5. The Board of Education remains committed to review strategies in addition to those described herein to improve student discipline and attendance. Any strategies developed which affect wages, hours, terms, and other conditions of employment of teachers, and/or paraprofessionals shall be negotiated between the Federation and the Board, only.
APPENDIX U
MEMORANDUM OF UNDERSTANDING
AND REIMBURSEMENT FOR TEACHERS
REASSIGNED UNDER ARTICLE 1 F 2

The Board and Federation agree the Federation will reimburse the Board for the costs identified herein for any teacher reassigned for the purposes identified in Article 1 F 2 who continues to be compensated through the Board’s payroll system. The Federation will be responsible to reimburse the Board for the cost of the reassigned teacher’s:

1. Salary
2. Worker’s compensation
3. Unemployment compensation
4. Health and life insurance1
5. Severance pay2
6. Medicare, if applicable.

The Board will remain responsible for the Employer’s share of the STRS contribution. The Federation will also reimburse any future payroll expenses imposed by law or agreed to by the parties under the collective bargaining agreement. This memorandum will be attached to the parties’ collective bargaining agreement and will be in effect for the term of that agreement.

1The cost of insurance coverages to be reimbursed will be based upon the actual premium cost charged to the Board by the carrier or, if self-insured, will be based upon the rate established by the Insurance Committee for funding of the coverage.

2Reimbursement for severance pay will be determined as follows:

Commencing with the effective date of this Agreement, a teacher reassigned under Article 1 F 2 will not be subject to reimbursement. Only sick leave accrued after the teacher has been reassigned will be subject to reimbursement. For purposes of this memorandum, a teacher on reassignment, no reimbursement would occur.

If the reassigned teacher had accrued 250 days of sick leave prior to reassignment, and subsequently accrues 50 sick days after reassignment, for a total of 300 sick days, TFT would reimburse the cost of the 50 sick days paid as severance, only.

All sick leave days accumulated prior to the reassignment and paid as severance to a retiring teacher are not subject to reimbursement. All sick leave days earned after reassignment and paid as part of a severance retirement package shall be reimbursed by the TFT to the Board at that time of payment. The parties agree to use the first in, last out (FILO) method for determining the method of reimbursement to the Board in making said calculation.

Nothing in this Agreement will be binding on the parties as it relates to any prior arrangements regarding the subject matter of this Agreement.
APPENDIX V
GUIDELINES FOR INTERVIEW RESPONSE TEAMS (IRT)

PURPOSE
IRTs are school-based problem-solving groups whose purpose is to assist teachers with strategies for dealing with the learning needs and interests of pupils. IRTs are a resource for linking teachers and students with available resources. A IRT addresses acknowledged instructional and behavioral problems and enhances existing methods of operation within the school organization.

IRTs will:
1. Provide academic and/or behavioral interventions for students who are experiencing learning problems. All referrals (completed teacher and/or parent Request for Assistance/Evaluation PR-04 will be submitted to the IRT for disposition. IRT will assist with reviewing existing and appropriate data, the intervention process, and to determine whether or not a disability is suspected in accordance with due process.
2. Help teachers who request their assistance develop and implement interventions for students with learning and/or behavioral problems and at-risk students. The IRT will determine the appropriateness and adequacy of interventions. The IRT will review interventions which were implemented by a teacher prior to referral of a student for assessment and will accept those interventions as qualifying for mandated interventions whenever possible.
3. Serve as an effective means of school community relations by providing an opportunity to involve parents in the development and implementation of intervention strategies for addressing their child’s specific needs.
4. Provide documented efforts to meet individual learner needs.
5. The IRT chair and school psychologist should mutually establish a communication system to accommodate sharing information regarding student status.
6. Access the assistance of teacher Behavior Specialists as needed and desired.

Membership
Core team membership shall include up to five teacher members, the building principal or his/her matrix designee, and the school psychologist. It is understood additional staff are included on an individual case basis (referring teacher, therapist, etc.), however, they are not considered core team members. It is strongly recommended that elementary IRTs include as core teacher members at least one teacher from the primary (1-3) grade level and one from intermediate (4-6) level, as well as a special education teacher when available. It is recommended that senior high level core team teacher members of IRTs should include teachers from various subject areas as well as a special education teacher when available.
Elementary school buildings with an enrollment over 600 students may apply for additional teacher members to serve on their IRT: one additional teacher member for every 100 students over 600. A request
from the Building Representative and Principal to the IRT Standing Committee prior to April 30th of the preceding school year would be required.

Member selections will occur in May for the succeeding school year. The Building Representative will notify all teachers of the availability of positions and solicit applications. The teacher members of the IRT are selected by the TFT Building Committee. IRT teacher members may serve a maximum of five consecutive years, at which time one teacher will be rotated off of team membership. In the event that more than one teacher member has served five (5) consecutive years, at which time one teacher will be rotated off of team membership, a tie breaker will be used (as determined by lot or another method determined by a school’s Federation building committee). A former IRT teacher member may reapply two years after rotating out. Teacher members may be replaced at the discretion of the building committee, following consultation with the IRT and TFT members serving on the IRT Standing Committee.

A IRT chairperson will be elected in May for the succeeding school year by a consensus of IRT members (teachers appointed for succeeding school year, the Building Principal, the psychologist). The Building Rep will conduct this election. Self-nominations must be submitted to the Building Rep at least 3 days prior to the announced election date. Teacher members will have the first option of serving as chairperson. Only one chairperson shall be designated. Co-chairs will not be recognized, nor can the chair stipend be shared.

Service Delivery Models
The method of IRT service delivery should be determined at the building level by the consensus of the team. However, the service must include 1-6 above. The team may meet either during the school day or before or after school or a combination of both as agreed to by a consensus of the team and approved by the IRT coordinator. Teachers will be provided with release time or compensated at the hourly negotiated rate. The IRT Chair should equitably distribute compensated hours among all teacher members. Teacher members are not required to use their planning time for IRT activities.

Professional Development
One day per month may be used for IRT activities where subs are needed. Time spent before or after contract time is at the discretion of the team. IRT members will be provided release time in-service opportunities consisting of ½ to 1 day per year. Topics and presenters will be determined based upon feedback from IRTs and feeder pattern in-services jointly developed by the standing IRT committee comprised of representatives from Administration, TAAP, and TFT. District wide in-services and initial IRT training will be jointly developed by the standing IRT committee. All IRT members will be encouraged to attend these in-service sessions. IRT professional development may be submitted for contract hours to the LPDC.

Application
Any school may apply for a IRT by completing an application signed by the TFT building representative, the building principal, and school
psychologist. Participating schools will be jointly selected by the Administration, TAAP and TFT.
APPENDIX W
SCHOOL IMPROVEMENT PLANS

1. SCHOOL DISTRICT GOALS
The Toledo Board of Education will annually adopt goals for the school district. A Goals Committee will be established for the purpose of collaboratively developing goals which will be presented to the Board of Education for adoption. The Committee will include a member of the Board of Education, representatives of the Toledo Federation of Teachers, school management, parents, and community. Federation and management representation will be equal. Parent representation will be mutually agreed to by the Federation and Board or each will appoint an equal number of parents. Community representation will include equal representation from labor and other sectors.

The Goals Committee will conduct a public hearing to receive testimony.

The Board of Education will allocate funds to support implementation of district goals at the building level.

2. INDIVIDUAL SCHOOL BUILDING GOALS
It will be the responsibility of each school to develop a School Improvement Plan to address the goals established by the Board of Education and needs identified at the buildings. The plan will be developed by the principal, Federation building committee and up to two parents --- one parent designated by the principal, and one parent designated by the Federation building committee. The plan will be reviewed and updated annually.

The plan will be submitted to the area Assistant Superintendent and to the Federation.

Two administrators and two Federation designees will review the plan for implementation. Through a needs assessment, which includes parental input, each school should identify areas, items, or projects that need improvement or development if academic achievement is to increase. Based on this assessment, School Improvement Plans should contain strategies and suggested resources to carry out the plan. Recommended staff development activities that address the identified needs will be included in the plan. Teachers will also complete an individual needs assessment to identify training and resources which are needed to meet building goals.

The principal and building committee will review each teacher’s completed needs assessment and may direct the teacher to submit a modified or amended document to better address building goals. A budget will be allocated to each site fund plan activities.

3. TEACHER PROFESSIONAL DEVELOPMENT PLANS
Teachers will present a professional development plan to the Toledo Public Schools Local Professional Development Committee as required by Ohio Department of Education Teacher Education and Licensure Standards. The plan will include activities which are based on the needs of the teacher and students. Plans will be at least partially based on identified goals of the school and school district.
The Board and Federation recognize the need for improved communication and better understanding of each other’s concerns. We have never been faced with more important challenges than we are today. In order to meet these challenges, we must adjust to the fundamental changes that have occurred in education and our society, and their impact on our employees, students and their families, the union, the management, and our community. Our timeline success depends on improving student achievement. This joint statement of commitment represents the parties’ pledge to work together to create an atmosphere which will provide for mutual growth in our relationship. Together we will be prepared to meet the challenges of the future and improve the educational opportunities for our students.

In addition, the parties recognize the need for resolving mutual problems and concerns as they arise. Both parties agree in principle that an ongoing problem solving process is necessary and each is committed to achieving mutually established goals and objectives to that end.

To formalize the implementation of this memorandum, the wages, hours, terms, and conditions of employment as set forth in this collective bargaining Agreement shall continue to remain in effect and will be changed or modified on an ongoing basis with the mutual consent of the parties.

The parties recognize that creativity, flexibility, and cooperation are required to make needed improvement in the Toledo Public Schools. To this end, the parties agree to establish a Labor-Management Committee which will include up to two representatives each from labor and management from the private sector to assist the parties to attain their mutual goals.
1. Cross-Categorical Special Education classes will be only one part of the TPS continuum of special education services. Self-contained, resources, and in-class support will continue to be an integral part of the continuum. These cross-categorical classes will be CCSE self-contained or CCSE resource.

2. CCSE classes may be developed to provide cross-categorical resource services and encourage collaboration between regular and special educators. Cross-categorical classes will be implemented to provide services to identified special education students with mild/moderate academic disabilities as determined by the individual education plan.

3. Teachers certified in any of the identified disabilities being served or holding the required license in a cross-categorical class may bid on that class.

4. Students whose behavior is a primary consideration in their disability should not be considered for placement in cross-categorical classes not specifically designed to meet their needs.

5. CCSE resource teachers must have common planning time scheduled with general education teachers serving the same students not to exceed planning times as outlined in Article IV, G-7 and G-11.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE TOLEDO BOARD OF EDUCATION
AND
THE TOLEDO FEDERATION OF TEACHERS
(TFT)

RE: Right to Return

This memorandum establishes the date by when a right-to-return letter must be filed; how this right applies to laid off teachers; and provides for the settlement of several pending grievances.

The following is agreed by and between the undersigned:

1. The Collective Bargaining Agreement (hereinafter “CBA”) uses the phrase “right-to-return” (hereinafter “RTR”). The CBA allows teachers who were displaced to return to their previous school if they annually file a RTR letter with the Human Resources Department.

2. If a teacher must have a school because of reduced enrollment transfer (hereinafter “RET”), that teacher can file a RTR letter with the Human Resources Department by June 30. RET teachers who are notified after June 30 of their displacement shall have ten working days to submit a RTR letter to the Human Resources Department. Displacement letters sent after June 30 shall notify teachers of the RTR and the ten working days in which to exercise it.

3. The RTR option for teachers shall not change the way that laid-off teachers are recalled to employment. Teachers shall not be called out of order from the recall list because there are vacancies at the school from which they were laid-off. (See Article XII for further information.)

4. A recalled teacher may file a RTR letter before June 30 for the subsequent year only after first being recalled to employment.

5. Teachers who received a lay-off letter and who later returned to employment on the first day of school, and who did not miss any days of employment due to a lay-off, shall be allowed to file a RTR letter within ten working days of their return to employment. The teacher shall return to the requested school upon the next vacancy pursuant to the terms of the collective bargaining agreement.
6. Examples: A.) A teacher was reduced from the Cherry School in the spring of 2005 and placed at Fulton School in the fall of 2005 and taught at Fulton the entire 2005-06 school year. If that teacher wanted to return to Cherry School in 2006-07, she would have to file a RTR letter before June 30, 2006 in order to invoke her right to return to Cherry School before displaced or voluntary transfer teachers were assigned to Cherry. B.) Ms. Jones was laid off while teaching at Riverside School. She may not be recalled to Riverside School ahead of other teachers on the recall list just because she filed a RTR letter to Riverside. C.) If Ms. Smith was laid off while teaching at Chase School, she may file a RTR letter only after she has been recalled to employment. After she is recalled, she can file before June 30 for placement the following school year before displaced teachers. D.) A teacher who is reduced from Woodward after June 30, 2006 must file a RTR letter with the Human Resources Department within ten working days of the receipt of that letter in order to return to Woodward before the start of the school year in August of 2006.

7. Teachers who were denied RTR at the end of the 2004-05 school year due to the April 30 deadline and who return to their original schools as of the start of the 2006-07 school year will be granted one year of building seniority for the 2005-06 school year at their original schools.

8. All other terms of the CBA shall remain in full force except those cited specifically in this memorandum.

9. Laid off teachers may refuse a recall to teaching positions outside of their classifications (see Article III-2) and their names shall remain on the recall list. These teachers will not have to be called again for work outside their classification.

APPENDIX BB
MEMORANDUM OF UNDERSTANDING
between
TOLEDO BOARD OF EDUCATION
and
TOLEDO FEDERATION OF TEACHERS

School-Wide Programs

The Toledo Federation of Teachers building committee will serve as the exclusive representative of teachers in making school-level decisions regarding school-wide programs. Decisions regarding the planning and implementation of Title I school-wide programs will be made by the School-Wide Committee which is composed of the building committee and building administrators. Throughout the planning and implementation process the School-Wide Committee will seek input from other teachers and parents. Decisions made regarding a Title I school-wide program will be communicated to the building staff through a memorandum signed by the principal and the TFT building representative. Subcommittees may be established for the specific task of implementing decisions made by the School-Wide Committee. The TFT building representative will appoint teachers and the principal will appoint teachers and the principal will appoint administrators to any established subcommittees. Subcommittees will be co-chaired by a teacher and an administrator. All subcommittees will report on a regular basis to the School-Wide Committee. Daily operation of a Title I school-wide program will be guided by the policies established by the School-Wide Committee. Those Title I teachers who are members of the elementary system-wide reading department, and who assume positions in a school-wide program which are not in this system-wide department, will convert from system-wide department seniority to system classification seniority (total amount of time teaching in grades K-5, K-6, and K-8) while teaching in an elementary school. Building seniority shall be credited to include the system-wide department seniority accrued providing the teacher remains at the school where the system-wide assignment took place. Any Title I teacher who was a member of the system-wide elementary reading department vacancies through the full school year during which the conversion occurs through the first day of the following school year.

The Board and the Toledo Federation of Teachers will jointly agree to job descriptions which pertain to the TFT bargaining units. The following guidelines and work rules will govern Title I program and staff changes which are required to comply with federal and state Title I guidelines issues under the authorization of the Elementary and Secondary Education Act (ESEA) and No Child Left Behind (NCLB).

ELIGIBILITY
Targeted Assistance Title Services
Grades K-2 All public school students falling at or below the 39th percentile and all non-public school students falling below the 49th percentile in reading or math components of the Standard or
Woodcock-Johnson, for non-TPS students, and one other criteria such as additional tests or written teacher recommendations. Service begins with the lowest student in the ranking, moving upward to program capacity.

Grade 3-8: All public school students falling at or below the 39th percentile and all non-public school students falling below the 49th percentile in the reading or math components of the Ohio Achievement Assessment or state mandated assessments and one other criteria such as additional tests or written teacher recommendations. Service begins with the lowest student in the ranking, moving upward to program capacity.

ADDING TITLE I PROGRAMS AND STAFF

Posting for K-8 Title I Vacancies

Any Title I K-8 position (K-5, K-6, or K-8 system classification) which opens shall first be published at the school by the principal on the official school bulletin board for at least five (5) school days. At the time of posting, all teachers shall be given the opportunity to update their preference forms if they so desire. Contract teachers at the school will be given first opportunity to fill the position if licensed. The five (5) day time period may be shortened by agreement of the principal and the building committee provided each teacher has been contacted personally and no one has applied for the position.

When all staff changes have been completed at the building following this procedure, the remaining vacancy will be reported to the Human Resource Office for placement with: 1) displaced teachers; 2) teachers from the voluntary transfer list; 3) teachers from the priority hiring list; 4) new hires. System-Wide Department Vacancies Some classes of teachers in Title I are considered to have system-wide departmental seniority unrelated to an individual school. Reading teachers will have first opportunity to fill vacancies within their departments.

Transfers in system-wide departments shall be available first to members of the department. When it is necessary to fill a vacancy in the department from outside the department, transfers will follow the involuntary and voluntary transfer rules in Article VIII.

Vacancies in K-5, K-6, or K-8 or 6-12 or 7-12 or 9-12 classification are not available to system-wide department members except through the normal transfer process. When a member of a system-wide department transfers to another classification outside the system-wide department, building seniority shall be credited at the time to include the system-wide department seniority accrued provided the vacancy filled is in the same school where the system-wide assignment took place.

One Title I teacher will work cooperatively with two general fund grade level teachers for the purpose of providing supplemental reading and math instruction. The kindergarten In-Class Team Teaching teacher will work with one general fund kindergarten teacher inasmuch at two distinct classes exist. Teachers must volunteer to participate, and continued participation in subsequent school years will be voluntary. Common planning time will be provided, during non-school hours, for two hours per week for Title I
and general fund teachers. This common planning time will be paid at
the negotiated hourly rate and it is in addition to teacher planning
time per contractual requirements. Teachers will affirm a desire to
continue participation for the subsequent school year by April 15
each year. Should the program end, the Title I teacher shall be
displaced.

DECREASING TITLE I STAFF
If a Title I school budget registers with a negative balance of $10,000
or less, the Federation and Board will discuss balancing the budget
without reducing programs.
The Board and Federation recognize the value of applying
technology in instruction and of serving Title I eligible and non-
eligible students. Therefore, one Title I computer laboratory will
remain at all current locations.
The Board and Federation also recognize the value of Peer Math and
Literacy Coaches. Therefore, Title One schools will retain their Peer
Coach(s) for a minimum of 3 years pending available funding to the
district.
In response to the Board’s identified priority that program reductions
preserve early intervention services and that programs operate in
adequate facilities and space, schools which must reduce Title I
programs due to reduction in funding will eliminate programs and
positions in the following order:

1. Intermediate In-Class Team Teaching Model
2. Primary In-Class Team Teaching Model
3. Intermediate Reading Pull-Out or Math Pull-Out
4. Primary Reading and/or Math Pull-Out

Any member of a system-wide departmental school who leaves that
department and enters the K-5, K-6, or K-8 staff of the same school
shall be granted full building seniority for all teaching service at that
school. Any teacher so affected shall receive a letter from the Office
of Human Resources confirming this seniority change and a copy
shall be placed in the teacher’s personnel file. A copy shall be
furnished to the Federation.

Reading and Math
If there is more than one pull-out reading or math teacher at a school,
and only one is to be reduced, the teacher/program reduced will be
according to system seniority. Thereafter, the current seniority
provisions shall apply. A reading pull-out teacher is a member of a
system-wide department. A math pull-out teacher is a member of the
school K-6 staff.

COMPUTER LAB
The computer lab teacher at a school will be considered a member of
the K-5, K-6, 6-8, or K-8 school staff and not a member of a system-
wide department.
The following guidelines will be in place for all Title One Computer
Lab Managers.
Lab Managers will:
1. Enroll all students at a school in CCC.
2. Enroll new students who enter after the first day of school.
3. Determine placement of students in CCC, monitor, and adjust when necessary.
4. Provide assistance to students as they use the computers.
5. Print reports of each class at the close of each session.
6. Print and interpret reports with teachers, students, building administrators, and parents on a regular basis when requested.
7. Attend the mandatory monthly computer meetings held during the school day.
8. The lab schedule will accommodate all grades 4, 5, and 6th grade students. If there is any remaining time in the schedule, all grade 3 students will be serviced. Special education students will be scheduled by agreement between the lab manager, principal, and building representative.

Ten (10) classes per day should be scheduled. This schedule will be posted in the lab and submitted to the Title I office.

Only one class may be scheduled during any one instructional period with the exception of a regular education class which is mainstreamed with a special education class per agreement between the lab manager, principal, and building representative. Classroom teachers will be present when their entire class attends and shall provide computer-assisted instruction.

The Title I computer lab will be closed during the absence of the Title I computer lab teacher if no substitute is assigned.

One hundred eighty (180) minutes of contractually provided planning time for Title I computer lab resource teachers at elementary schools will be designated on the weekly class schedule for each lab. Computer lab resource teachers and regular classroom teachers by grade level will be provided one hour of common planning time every two weeks, during non-duty hours, for the purpose of planning and individualizing curriculum and instruction. This planning time shall be in addition to teacher planning time and shall be paid at the negotiated hourly rate.

GENERAL
1. All materials and equipment purchased from a school’s Title I program (with the exception of the computer lab) have been purchased from that school’s allocation and will remain at the school.

If a teacher changes position during the school year, the teacher, and para if applicable, shall be paid two days at their per diem rate or provided two days of released time to move personal materials using boxes and tape supplied by the Board.

2. Copies of these rules shall be distributed by the Board to all Title I teachers and paras.
3. If the teachers’ Agreement requires that the teaching position be posted, the para’s position will also be posted.
4. The usual para contractual rules shall apply.
5. In this agreement, K-8 positions are: Math Pull-Out, computer Lab Manager, and In-Class Team Teaching. These teachers are not members of a system-wide department. Pull-Out Reading teachers are members of either the Elementary or Secondary Reading Department.
5. Title I will continue to operate under Appendix I of the current agreement and the Memorandum of Understanding with regard to School-Wide programs. Title I programs that exist district-wide programs. Title I programs that exist district-wide will conform to uniform staffing patterns in school-wide and non-school-wide buildings. School-wide programs will not result in a reduction of staffing levels.

7. Title I building budget reports, including fiscal year allocations, carryover revenue from previous fiscal year(s), year-to-date expenditures, year-to-date encumbrances and balance remaining for all line items and programs shall be provided to TFT building representatives at Title I schools and to the the Federation at the end of each Title I financial quarter a copy of the treasurer’s report.

8. The principal and TFT building representative will collaborate regarding the allocation of the school’s Title I funding. All Title I teachers shall be provided annually the catalog of recommended program materials, desk-top supplies, and new program start-up costs. Each Title I teacher will be allocated a minimum of $250 for desk-top supplies.

9. Additional Title I services may not displace a music, art, or special education classroom.

10. A district priority is maintenance of existing Title I staff during the school day.

11. Current negotiated contractual provisions and policies shall apply except as identified by this agreement.

This Memorandum of Understanding shall remain in effect until the expiration date of the teacher and paraprofessional contracts negotiated subsequently to the current agreements.
