

Duval County Public Schools

2017-2018

District Calendar

^If the district must close schools for a day or more due to hazardous weather, the school district will utilize the next available weather day/s to provide for any lost instructional days. Given the placement of weather days on June 4th, 5th, and 6th, there is a possibility that the school year could extend past June 1st. Should there be no need to use the Weather Days on June 4th, 5th, and 6th, teacher post-planning days would be moved up to begin on the first available non-instructional day available during that week.
