This Agreement is made and entered into by and between the Board of Education of Jefferson County, Kentucky, hereinafter called the "Employer," and the Jefferson County Teachers Association hereinafter called the "Association"; the Employer and the Association when jointly referred to are hereinafter called the "Parties."

Therefore, the Parties mutually and in good faith agree to the following

11. **Seniority** shall be computed from the first compensable day of employment as a regular employee in the Jefferson County Public Schools following last break in service; ties in seniority dates will be broken by the largest sum of the final four digits of the employee's Social Security numbers.

12. **ARC** means the Admissions/Release Committee.

14. **Vacancy** means a position in the bargaining unit approved by the Board but not having a teacher of record.

ARTICLE 4 - ASSOCIATION RIGHTS

Section A. The Parties agree that the Association as representative of employees shall have the right to use the school system's courier service (to the extent permitted by statute, regulation, or court order) and employee distribution boxes for the purpose of distributing Association communiques to employees. Such communiques shall be considered personal and shall not be opened by any person other than the addressee. The Association shall have the privilege of posting notices of the activities and matters of Association concern on employee bulletin boards, at least one of which shall be provided in each school. The Employer shall provide PONY pick-up service every Tuesday at the Association office between the hours of 3:30 p.m. and 4:00 p.m. Any items picked up on Tuesday will be delivered to members on Wednesday of the same week. No overtime will be authorized for distribution of JCTA materials through the PONY.

Material endorsing or opposing a candidate for public office, material which encourages employees to violate any law or this Agreement, or material which has as its effect the interfering with employees' rights guaranteed by law or this Agreement shall not be distributed through the courier service or employee distribution boxes nor distributed in any manner which would interfere with or interrupt normal school operations or posted in any schools by the Parties or any of their agents.

The Association shall provide in advance to the office of the Superintendent or designee four (4) copies and to the office of the principal or school head one (1) copy of any material to be distributed or posted.

The Employer agrees to permit the Association access to the e-mail system. The same rules, as stipulated in the labor agreement that govern use of the school system’s courier service by the Association, as well as the JCPS Net Employee Acceptable Use Policy, shall apply.

The Association shall save the Employer harmless against any claims, legal or otherwise, arising out of use of the Employer Courier Service or e-mail system.

Section B. The Association shall have the right to use schools for meetings at reasonable times before or after the employees' normal workday, scheduling such use in advance with the principal or school head. Should special custodial services be required or should there be any damage in excess of the normal wear the Employer shall make a reasonable charge for such services or damage. The Association shall save the Employer harmless against any claims, legal or otherwise, arising out of such use provided the Association is given the opportunity to provide all necessary legal services to defend such claims.

Section C. Full-time staff employed by the Association, the Association President or identified designee and Association building representatives exclusively shall have the right to transact official legal Association business on school property at such reasonable times as will not interfere with or interrupt normal school operations. The Association shall provide the Superintendent or designee and each principal or school head with a list of persons serving in these capacities and maintain its currency. The list provided to each principal or school head need not contain the names of building representatives from other schools.

Section D. The Association building representative shall upon request be given time prior to or after each faculty meeting for brief announcements. The school communication system shall be made available according to procedures of the school for use by an Association building representative to make brief announcements concerning meetings. The building representative shall be provided a school roster showing the names, addresses, and assignments of all employees.

administration of the terms of this Agreement.

Section F The Employer agrees to deduct from the salaries of employees an amount equal to the membership dues of the Association as said employees individually and voluntarily authorize in writing the Employer to deduct and to transmit the monies to the Association or its designated representative. The Association shall certify to the Employer in writing the current and proper amount of its membership dues at least thirty (30) days prior to the requested initial deduction. The deductions shall be made in twenty (20) equal installments September through May. The Employer will authorize, as part of the dues structure, .00085 of Step 0, Rank I, per member, per payroll deduction for the prepayment of Association Retired Lifetime Membership. Dues will be deducted based on two (2) rates only.

The Employer will deduct from the salaries of all employees new to the school system an amount of money equal to the dues of the Association unless the employee indicates on the employment application within ten (10) calendar days of accepting employment that such dues are not to be deducted.

When said employee declines membership or accepts membership, a copy of that form complete with hire date and date of membership drop or acceptance will be provided to the Association.

When amounts have been correctly deducted and remitted by the Employer the Association shall save the Employer harmless against any claims, legal or otherwise, for deduction of dues based on information furnished by the Association if the Association is given the opportunity to provide all necessary legal services to defend such claims.

The Employer will deduct specified dues except from those individuals that have notified the Employer in writing within ten (10) calendar days after eligibility for representation, or have notified the Association during the first ten (10) calendar days following the effective date of this Agreement, that such dues are not to be deducted.

Failure of any employee to revoke dues deductions or decline membership by the agreed upon method and/or within the agreed upon timelines specified in the Article will result in membership in the Association.

Section G The principal or head of each school and the Association building representative(s) shall meet upon request at least bimonthly to discuss implementation of the provisions of this Agreement and other items of mutual concern.

Section H The Superintendent and/or designee and the Association president and/or designee shall meet at least bimonthly to discuss implementation of the provisions of this Agreement and other items of mutual concern.

present in any conference which may lead to disciplinary action.

Section K  The Employer shall make available upon written request by the Association copies of each

Section L  Any and all district-wide committees shall have Association representation.  All such
Association representation shall be appointed by the President of the Association.  Nothing contained
herein shall preclude the Employer from appointing additional employees to committees that are not
appointed by the Association.  Should either party object to an employee appointed by the other party,
the parties shall meet and confer prior to final appointment.

ARTICLE 5 - EMPLOYEE RIGHTS

Section A  The Employer agrees there shall not be any discrimination against any employee by reason of

administration of this Agreement or with regard to terms and conditions of membership because of age,

The Employer shall notify each employee, where applicable, of the existence of any permanent student discipline records, as defined by the law, that pertain to the students to whom the employee provides educational or related services. The employer shall share the contents of those student discipline files with each employee within seven (7) days that the student is placed in their classroom.

Such a decision shall not be implemented in any school year without at least two-thirds (2/3) concurrence of the employees. It is expressly understood that any and all contract deviations sunset at the end of each school year. Should the employees wish to maintain a sun-setting deviation, a new deviation of the agreement must occur. A contract deviation vote that fails to obtain the needed two thirds (2/3) concurrence may not be re-voted on for twelve (12) months from the original vote unless both parties agree.

Upon the observation of significant deficiencies in work performance, the provisions of Section B or C, whichever is applicable, shall be followed in addition to those in Section A. Any evaluation used as a basis for adverse action shall be conducted according to Section B or C in addition to Section A.

Section A  General Evaluation Procedure

5. Employees shall be evaluated only by appropriate administrators with rating authority in compliance with state law and regulation.

6. The evaluator shall take into consideration and note in writing any circumstances that may adversely affect an employee’s performance.

7. Student test scores may be used to evaluate achievement and progress of students and the district’s instructional program; however, these scores shall not be used in any way to evaluate the work performance of employees unless they agree voluntarily.

8. A conference shall be held between the evaluator and the employee after the written evaluation is received by the employee.

9. The employee shall be notified in advance of the time and date of one (1) observation for evaluative purposes.

10. Evaluations must be completed by no later than April 15 and submitted to the employees by no later than May 1 except for those employees who have been identified as having significant deficiencies in which case the provisions in Section B of this article will apply.

11. The performance of all itinerant/traveling employees shall be evaluated by each principal.

12. An Advisory Committee, including employees nominated by the Association shall be established annually for the purpose of reviewing and recommending modifications, if any, to the evaluation plan.

13. Tenured employees will be evaluated at least every three years. Non-tenured employees will be evaluated yearly. Employees on deficiency may be evaluated within the year of the deficiency.

Section B When significant deficiencies in work performance have been observed:

1. They shall be noted in writing and discussed with the employee in a conference.

2. The evaluator shall observe the employee’s work performance a minimum of four (4) 30-minute periods within a twelve-week period (60 worked days) beginning with notification. For the employee not assigned to a classroom, the evaluator must observe the work performance of the employee for four (4) 30-minute periods when the employee is fulfilling the employee’s job responsibilities.

3. Each observation shall be followed by an evaluator/evaluatee conference within the first five (5) days the employee is at work following the observation.

5. The evaluator shall summarize the observations and conferences in writing and provide a copy to the employee.

Section C Exception

When a significant deficiency in work performance is recurring but does not lend itself to 30-minute observations, the evaluator shall note the deficiency in writing and hold a conference with the employee to discuss the deficiency, identify professional staff services and/or materials and to establish a specific timeline of no more than forty-five (45) worked days for correcting the deficiency. Periodic conferences
shall take place within the specified time to assess progress towards correcting the deficiency. At the end of the specified timeline, the evaluator shall write a summary of the conferences and provide a copy to the employee.

Section D KTIP interns will be provided release time to observe other employees if recommended by their KTIP committee.

ARTICLE 9 - EMPLOYEE DISCIPLINE

Section A No employee (including tenured, non-tenured) covered under the terms of this Agreement shall be disciplined, reduced in compensation, suspended for disciplinary reasons, terminated, or adversely evaluated without just cause. To have just cause the Employer or its agents must comply with the following:

1. The employee has had opportunity to have foreknowledge of the possible or probable disciplinary consequences of the conduct or performance.

2. The rule or order is reasonably related to the efficient and safe operation of the district.

3. Before administering discipline, the employer did make an effort to discover whether the employee did, in fact, violate a rule, regulation or order of management.

4. The employer's investigation was conducted fairly and objectively.

5. The investigation produced substantial evidence or proof that the employee was guilty as charged.

6. The district applied its rules, orders, and penalties without discrimination.

7. The degree of discipline administered in the particular case reasonably related to (a) the seriousness of the employee's proven offense, and (b) the employee's record of district service.

All information forming the basis for disciplinary action will be made available to the employee.

Section B Any employee who is to be reprimanded in writing or formally disciplined by the Employer or its agents shall have the right to a meeting with the Superintendent/designee. A representative of the Association may be present when requested by the employee. Any employee who is to be reprimanded in writing shall have the right to a meeting with the person issuing the written reprimand.

Section C Any complaint made against an employee which may be used in any manner to adversely affect the employee shall be first promptly called to the attention of the employee. The employee must be afforded an opportunity to answer the complaint and meet with the complainant within two weeks of receipt of the complaint in order to clarify the situation.

In order for the complaint to be made a matter of record, the principal or appropriate administrator must then discuss the matter in a conference with the employee absent the complainant at which time the employee may have a representative of the Association present. A written summary of the conference shall be made with a copy provided to the employee who will have the opportunity to make a written response for inclusion in the record. The written summary may then be used to support a reprimand, if appropriate, or as a part of the next formal written evaluation.

Section D When a tenured employee is being terminated the Association will meet with the employee and notify the Employer of which alternative remedy of appeal will be pursued. The employee may select either the tribunal process provided for by statute or the arbitration process provided for in this Agreement. If the employee selects the tribunal process the employee will notify the state of intent to
appeal and thus waive the contractual rights to arbitration under this Agreement. If the employee and
the Association opt to use the grievance-arbitration procedure, the employee waives the right to a
tribunal. If the employee opts to pursue a complaint using another agency, the parties agree to hold the
grievance in abeyance until the agency complaint is resolved.

ARTICLE 11 -TEACHING LOAD AND DUTY HOURS

Section A  The normal weekly teaching load in the senior high schools, middle schools, and special schools (except exceptional child education schools) will be no more than twenty-five (25) teaching periods or equivalent time, and five (5) preparation periods. If a school is structured so that it has more or less than six periods in a school day, the teachers will be provided no less than fifty (50) consecutive minutes for planning. A supervised study or lunch period or similar duty of equivalent time shall be considered a teaching period for which volunteers will be given priority.

Section B  Because of pupil arrival/departure times and programmatic requirements there must be provisions for flexibility from school to school and within schools in establishing employees' duty hours. Principals shall first seek volunteers for early and late duty. If there are not enough volunteers the principal shall assign employees on a rotation basis to early or late duty. Itinerants in elementary schools shall only be required to do the ten (10) minutes rotation at their home school.

The normal duty hours of employees, except for elementary teachers, social workers, resource teachers, special instructional assistants and other such employees shall not exceed seven (7) consecutive hours in length including a duty-free lunch period.

The normal duty hours of elementary teachers shall not exceed six (6) hours and fifty (50) minutes including duty-free lunch periods. These employees may be scheduled for an additional length of time up to ten (10) minutes on a rotation basis immediately preceding or following normal duty hours as needed for the supervision of pupils.

The normal duty hours of social workers, resource teachers, special instructional assistants in schools, and other such employees shall not exceed seven and one-half (7 1/2) consecutive hours in length including a duty-free lunch period.

Upon notification to the school office and approval by the principal or school head, an employee may leave the premises during duty hours.

Section C  Routine matters should be handled in such a way (written communications, announcements, etc.) as to permit optimum use of faculty meeting time for discussion, planning, and evaluation of the school's program. A written agenda, with specificity, shall be distributed by noon of the day before regularly scheduled faculty meetings. Absent a timely agenda, a faculty meeting will not occur. Faculty meetings shall begin no later than fifteen (15) minutes after the student day and shall last no longer than sixty (60) minutes. Attendance at faculty meetings and all other meetings beyond the employee's normal duty hours shall not exceed one (1) hour per week.

Section D  Every reasonable effort will be made to schedule Open House as far in advance as possible. There will be no mandatory faculty meetings during the week that an Open House is held. Attendance at all other meetings and all other duties beyond the employee's normal duty hours shall be voluntary
except for parent conferences which shall be scheduled when possible to take place within normal duty
hours. Mandatory attendance at meetings, including ARCs, beyond the one (1) hour per week will be
paid at the hourly rate of pay except for Open House and parent conferences.

The Employer agrees to provide reasonable advance notice of conferences and/or meetings beyond the
regularly scheduled work day.

Section E Employees in the senior high schools and middle schools shall not be required to have more
than three (3) teaching preparations concurrently during any one major grading period.

Principals or heads of schools shall make every reasonable effort to keep to a minimum the number of
different courses taught per employee.

Section F Elementary teachers (primary program through grade 5) shall normally be provided two
hundred (200) minutes of preparation time per week for the school year.

To the extent possible, planning time will be provided each day and will be balanced throughout the
week.

Section G All employees shall have a duty-free lunch period of at least twenty (20) minutes.

Section H The Parties recognize that a teacher’s primary responsibility is to teach. The school day shall
be organized toward ensuring that the energies of the teacher are used primarily to this end. Every
reasonable effort will be made to contain and reduce non-instructional duties through the use of all
available school resources.

Section I Employees shall not be required to give medication to students unless they have been
provided with specific written instructions and training where appropriate and with signed notarized
requests by parents or guardians.

Section J The Employer shall maintain a program to provide substitutes for teachers when they are
absent. This provision shall not apply to providing substitutes for social workers, reading and math
resource teachers, special instructional assistants, speech and hearing impaired teachers, middle school
and high school and special school librarians, elementary exceptional child education resource teachers,
federal program/grant award teachers, and other such employees.

When a teacher is not provided a substitute due to lack of availability, following approval of the Substitute
Teacher Center, volunteers will be sought to provide coverage of classes. Employees will provide
coverage only during planning time and will complete their planning time at the end of the same school
day at the work site. Employees shall be paid their hourly rate for the extra assigned duties.

Section K Employees are to attend the faculty meeting at the school where they end their day.

Section L Every reasonable effort will be made to reduce paperwork.

Section M Elementary itinerant employees shall collaborate in the development of their teaching
schedule with the building teaching staff and the building principal. The itinerant teaching schedule shall
not be altered without involving the same collaborative process.

Section N Itinerant elementary art, music, physical education and computer teachers shall have no more
than one (1) hall bulletin board assigned to them for preparation per building assigned.

teachers to work with regular teachers when preparing other programs.
**Section P** Itinerant/traveling teachers are to report absence to the principal of the first school to which they are assigned on the days of the absence, and are to request a substitute through the substitute center. All principals are responsible for reporting itinerant/traveling teachers’ absences daily to the home location for payroll records.

Section D  The Parties agree that further reductions in pupil class size are desirable and every reasonable effort will be made to make such reductions.

Section E  Every reasonable effort will be made to keep the number and range of elementary pupil instructional achievement levels to a minimum.

Section F  Optimum consideration shall be given to the number of exceptional child education pupils mainstreamed into regular classes in determining class size and balancing workload.

Section G  The Parties agree that Section B will be automatically reopened for negotiations within twelve (12) days following action to change by law or regulations any class size maximum limits as of the effective date of this Agreement when such changes are different from the limitations specified therein and that such negotiations will be limited to the affected changes within that section.

Section H  If it becomes necessary to exceed maximum class size, the involved teacher will have the following alternatives:

1. Compensation – Teachers will receive 1/12 (one-twelfth) of 10% of the daily rate for Step 0, Rank III per day above their regular daily compensation for each thirty (30) minutes or major fraction thereof (16 minutes) for each student that exceeds their maximum class size after the 20th pupil day from the start of the school year;

   or

2. Instructional Assistance – Teachers will receive a full time instructional assistant for the period of time following the 20th pupil day that their class size exceeds the maximum. If the class exceeds the maximum by three (3) students or more, the teacher will receive two full time instructional assistants for the period of time following the 20th pupil day that their class size exceeds the maximum.

During Southern Association evaluations employees will carry out assigned responsibilities as they pertain to accreditation procedures. The employees' responsibilities shall be assigned as nearly equally among them as practicable.

Section C The Employer will pay salary or stipend, and expenses to employees participating on an optional basis in courses, workshops, seminars, conferences, in-service training and other such programs which employees are requested to take by the Employer to the extent provided under federal and other externally and internally funded programs.

Section F

The purpose of this section is to define an agreement between JCPS and JCTA pertaining to the total amount of General Fund revenue projections for local property taxes and occupational taxes plus the State SEEK program as adopted in the General Fund Final Working Budget for 2005-06 through 2007-08. The State Annual Financial Form Report will be utilized in comparing the budgetary forecasts vs. actual receipts for 2005-06 through 2007-08.

For FY 2005-06 through 2007-08 any amount which exceeds the total of the above revenue projections by more than 1 1/2% will be distributed on a 50-50 basis subject to agreement by both parties. The JCPS and JCTA will negotiate the distribution of the 50% to the bargaining unit. Any funds resulting from one-time revenue may only be used for one-time expenses.

If the Kentucky General Assembly adopts a budget or enacts new legislation that becomes effective by July 1, 2006 or July 1, 2007, or the Governor of the Commonwealth implements an executive branch spending plan by July 1, 2006 or July 1, 2007, and the new budget legislation, or spending plan, directs school districts to increase the compensation of certificated personnel by more than four percent (4%) for that given year and allocates the additional funds to be used by school districts to increase the compensation of certificated personnel, then all indexed employee compensation listed in Article 27 of the Agreement shall be increased by the higher percentage that is directed in the new budget, legislation, or spending plan, with that increase being retroactive to July 1 of that year.

Section G

1. $4.00 per portfolio graded, or
2. The District will assume responsibility for scoring portfolios for teachers who choose not to do so.
3. Only one employee will be paid per portfolio.

ARTICLE 28 - MISCELLANEOUS

Section A The Employer's procedure for placement of student teachers shall contain a provision which provides teacher employees with an opportunity to request that student teachers be placed with them. The Association will be involved with the development of this provision in the procedure.

Section B The Employer's procedure for selection of employees to curriculum writing and textbook selection committees shall contain a provision which provides employees with an opportunity to request an assignment to such committees. The Association will be involved in the development of this provision in the procedure.

Section C The Parties recognize that employee training institutions accredited by such organizations as the National Council for Accreditation of Teacher Education (NCATE), the Southern Association of Colleges and Schools (SACS), and other regional accrediting associations promote adherence to worthy standards. The Employer will make an effort to employ new teachers who are graduates of these accredited institutions.

Section D The Employer will explore and consider establishing a child daycare program(s) for employees at low performing schools.

Section E JCTA will work in cooperation with JCBE to provide limited student loan payments and/or assistance in obtaining Rank II for selected teachers that choose to teach at low performing schools.

Section F The Employer will provide a mentoring program for new teachers on emergency certificates or
enrolled in District alternative certification programs. Services will be provided by mentors who have
participated in professional development related to effective mentoring strategies/practices as well as
current programs implemented in schools.

Section G Mileage Reimbursement

Teachers who travel will receive mileage reimbursement consistent with the Commonwealth of Kentucky
approved rate and procedures. The employer will provide adequate time to travel between schools.

ARTICLE 29 - GRIEVANCE PROCEDURE

Section A Definitions

1. **Grievance** means an allegation or complaint that there has been a violation, misinterpretation or improper application of one or more specific provisions of this Agreement or any complaint alleging improper, arbitrary, or discriminatory conduct.

2. **Grievant** means the person(s) or Association making the allegation or complaint.

3. **Party-in-interest** means the person(s) or Association making the allegation or complaint or any party who might be required to take action or against whom action might be taken in order to resolve the grievance.

4. **Immediate Supervisor** means -

   (a) The principal or school head;

   (b) The principal or school head with whom the grievance has been filed when the employee is assigned to more than one location; or

   (c) The administrator by whom the employee is evaluated when the employee is not assigned to an individual school location.

Section B Purpose

1. The purpose of this Grievance Procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise affecting the welfare or working conditions of employees. The Parties agree that these proceedings will be kept as informal as may be appropriate at any level of the procedure.

2. Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association after Level I A has been given an opportunity to be present at such adjustment and to state its views.

Section C Representation

A grievant may be represented by the Association at all stages of the Grievance Procedure after Level I A.
Section D  Procedure

Since it is important that grievances be processed as rapidly as possible, the timetable specified at each
level should be considered as a maximum and every effort should be made to expedite the process. The
time limits specified may, however, be extended by mutual agreement.

In the event a grievance is filed at such a time that it cannot be processed through all the steps in this
Grievance Procedure by the end of the school year, the time limits set forth herein will be reduced so that
the procedure may be exhausted prior to the end of the school year or as soon thereafter as is
practicable.

Level I  A  An employee with a grievance shall first inform the immediate supervisor or the
appropriate administrator within fifteen (15) days of awareness of the incident or condition which
is the basis of the grievance with the objective of resolving it informally.

Level I  B  If the grievant is not satisfied with the disposition of the grievance a meeting with the
school head shall be held with the objective of resolving the grievance informally.

Level I  C  If the grievance is not resolved informally the grievant may file the grievance in writing
with the immediate supervisor or appropriate administrator. The immediate supervisor or
appropriate administrator shall respond in writing within three (3) days.

Level II  If the grievant is not satisfied with the disposition of the grievance at Level I C, or if no
decision has been rendered within three (3) days after receipt of the grievance, the grievant may
within ten (10) days submit the written grievance to the Superintendent/designee with copies to
the administrator, and the Association.

The Superintendent/designee shall have a hearing within five (5) days after receipt of the written
appeal. The Superintendent/designee shall have a written decision within seven (7) days.

Level III  If the grievant is not satisfied with the disposition of the grievance at Level II, or if no
written decision has been rendered within twelve (12) days after the grievance has been
submitted at Level II the Association may submit the grievance to arbitration. The Association
shall notify the Superintendent/designee within twenty-five (25) days. If a question as to the
arbitrability of an issue is raised by either party, such question shall be determined in the first
instance by the arbitrator.

The parties have jointly established a six (6) member panel of arbitrators that will be utilized on a
rotating basis for arbitration cases.

The arbitrator shall have authority to hold hearings and make procedural rules consistent with this
Agreement. Such hearings shall be held as promptly as practicable after the request for
arbitration and the arbitrator shall issue the decision within a reasonable time but no later than
sixty (60) days after the date of the close of the final hearing. If the Parties mutually agree,
hearings may be waived and the arbitrator's decision made on the basis of final statements and
evidence submitted to the arbitrator. The Employer and the Association agree to select hearing
dates from those presented by the arbitrator and not cancel hearings once scheduled, except in
extraordinary circumstances, such as the unavailability of witnesses or emergencies.

The arbitrator shall be without power or authority to alter, amend or modify any of the terms of this
Agreement or to make any decision which requires the commission of an act prohibited by law or
which is violative of the terms of this Agreement. The decision of the arbitrator will be submitted
in writing and shall set forth findings of fact and conclusions to the Parties and will be final and
binding on the Parties, unless rejected by a four-fifths (4/5) vote of the Employer voting at a public
meeting to be held within fifteen (15) days. Prior to the Board voting the Association shall have
the right to have a representative appear and present the Association's position. The costs for
the services of the arbitrator, including per diem expenses if any, travel and subsistence
expenses and the cost of any hearing room will be borne equally by the Parties. All other costs
will be borne by the party incurring them.

Section E  Grievances Filed at Level Above Immediate Supervisor

If grievances arise from action or inaction on the part of an administrator at a level above the immediate
supervisor the grievant may file such grievance in writing at Level II after first attempting to resolve it
informally. If the grievance is not resolved it shall be processed through the applicable steps of Section
D. The Association may process such a grievance through all levels of the procedure.

Section F  Grievance Meetings and Hearings

All meetings and hearings provided for by this Grievance Procedure shall be held in private and shall
include only such parties in interest, their representative(s), and witnesses as necessary.

Section G  Grievance Records

All official records of processing a grievance shall be filed separately from the personnel file of the
grievant.

Section H  Grievance Forms

Grievance forms and other necessary documents will be prepared jointly by the Superintendent/designee
and the Association. The Association shall have the responsibility for appropriate distribution of the
forms for filing grievances. The costs of grievance forms will be borne by the Employer.

Section I  Miscellaneous

1. The Employer and the Association shall make available upon written specific request to the
other such information as is necessary to effectively process grievances.

2. Neither the Employer nor the Association shall assert or submit any ground or evidence
before a grievance arbitrator which has not been previously disclosed to the other party.

3. The Association and the aggrieved party will be required to exhaust this Grievance
Procedure including arbitration before seeking alternative remedies, provided that by doing
so they will not be deemed to have waived or otherwise prejudiced any constitutional,
statutory, or other legal rights that they may have.

4. If in the judgment of the Association a grievance affects a group or class of employees, the
Association may initiate and submit such a grievance in writing. When such a grievance
arises outside of a building the Association will attempt to resolve it informally before
processing it through the applicable steps of Section D, starting at Level II. The Association
may process such a grievance through all levels of the procedure.

5. When it is necessary for the aggrieved party, a Grievance Representative and/or other
representative designated by the Association to participate in a mutually scheduled
grievance meeting or hearing during the school day, the party will, upon notice to the
principal or appropriate administrator by the Association be released without loss of pay as
necessary in order to permit participation in the meeting. Any employee whose appearance
is necessary in such meetings or hearings as a witness will be accorded the same right.

6. Decisions rendered at Levels I C and II of the Grievance Procedure will be in writing, setting
forth the decision and the reason therefore and will be transmitted promptly to all
parties-in-interest and to the Association. Decisions rendered at Level III will be in accordance with the procedure set forth in Section D, Level III.

ARTICLE 30 - CERTIFIED PRE-SCHOOL TEACHERS/EARLY CHILDHOOD MENTORING/RESOURCE TEACHERS

Section A. The provisions included in this article will take precedence over any other provisions found in the JCBE/JCTA Agreement addressing the same or similar issues.

Section B

ARTICLE 31 NEGOTIATION OF A SUCCESSOR AGREEMENT

The Parties agree that negotiation on a successor Agreement will begin no later than June 1 of the calendar year in which this Agreement expires.

The parties to this agreement jointly agree to the following terms and conditions as a process for settling any bargaining dispute between the respective governing bodies. It is expressly understood by the parties that this memorandum supersedes any other agreement, contract, or otherwise, that pertains to resolutions of a bargaining impasse.

The parties mutually agree to enter into bargaining in June. The parties further agree to negotiate at a mutually determined site. The parties agree that bargaining will take place from 9:00 a.m. until 4:00 p.m. daily, but that any session may be terminated at any time by either party.

Should the negotiations between the parties fail to produce an agreement, the parties mutually agree to enter into mediation. The parties mutually agree to begin mediation no later than the third week in June. The parties further agree to use a mutually agreed upon mediator. The mediation sessions shall take place at the mutually agreed to site. The length of the mediation sessions shall be determined by the parties.

Should mediation fail to produce an agreement between the parties a fact finding hearing will be conducted. The fact finder shall be mutually agreed upon and the hearing shall be held the last week in June. The fact finder shall make a recommendation(s) on all unresolved bargaining issues, issue by issue, no later than June 30th. The parties shall have until July 10th to accept or reject the fact finder recommendation(s).

Should mediation and fact finding fail to produce an agreement between the parties, the outstanding issues that are still unresolved, as identified in the advisory fact finding opinion, shall be submitted to issue by issue last best offer binding arbitration. Both parties shall submit their issue by issue last best offer to each other and to the arbitrator in a sealed envelope at the beginning of the arbitration hearing. The arbitration hearing shall be conducted no later than mid-July at a mutually agreed to site. The arbitrator shall be without power or authority to alter, amend, or modify the final issue by issue offers of the respective parties. The arbitrator shall render a binding decision on each issue submitted. No decision will be binding on either party, issue by issue, that is not the “last best offer” of one of the parties as submitted to the arbitrator prior to the arbitration hearing. The parties will mutually agree on an arbitrator or use the FMCS process for arbitration selection.

The decision of the arbitrator shall be submitted in writing to the parties within five (5) calendar days of the hearing and will be final and binding on the parties unless rejected by a four-fifths (4/5) vote of either constituency within fifteen (15) calendar days of the issuing of the arbitrator’s award. The parties’ bargaining teams agree to recommend the arbitrator’s decision to the respective constituencies.
Timelines contained herein may be amended by mutual agreement of the parties.

The cost of the process shall be borne equally by the parties.

This memorandum of agreement is in full force and effect for the next negotiations between parties. Any and all future negotiation impasses shall be controlled by the terms of the existing agreement between the parties.
