New Teacher Induction

K-12 (attendance mandatory at one session)
August 9, 10, 13 or 14

All schools must maintain a minimum of 175 days of teachers working directly with students. From the 179 scheduled teacher/student contact days in this calendar, individual schools will schedule additional non-student contact days to be used for parent/teacher conferences and staff development. These days will be scheduled 'in common' by articulation areas whenever possible.
