Section B - Procedures

1. A representative of the Union shall have the right to be present and present his/her views at any formal meeting held pursuant to this Article. If the Union is not the grievant, it shall be notified of the time and place of such formal meeting concurrently with the transmission of notice to the teacher. In the processing of grievances, the teacher shall have the right at his/her option to represent himself/herself at his/her own expense, or at his/her own expense to be represented by some other person of his/her choosing at any formal meeting held pursuant to this Article.

2. When a grievance meeting requires the attendance of a particular individual teacher, the time, date, and place for such meeting shall be set by the appropriate administrator provided that if such meeting is held before or after the affected teachers’ workday, the times shall be by mutual agreement between the parties.

3. If the grievant(s) fail to meet the specified time restrictions provided herein, the grievance shall be deemed to be withdrawn.

Step I (Informal) - The teacher and, if the teacher desires, a Union representative, shall first informally discuss the grievance with his/her principal. A written agenda is not required before a Step I meeting is scheduled. The Union, when requesting a meeting to discuss an alleged grievance, will identify that the meeting is to discuss an alleged grievance and will identify the specific article, section, paragraph and subparagraph, if applicable, of the collective bargaining agreement that allegedly has been violated.
Step II (Formal) - If not satisfied with the resolution of the grievance at Step I, the teacher may submit the completed grievance form to his/her principal. The filing of the Grievance at Step II must be within eighteen (18) workdays of the event-giving rise to the grievance. Within five (5) days of receipt of the Step II filing, the principal and the teacher shall meet in an effort to resolve the dispute. The teacher and the principal may mutually agree to waive the necessity to conduct the Step II meeting and allow the grievance to proceed forward to Step III. The principal shall submit his/her written decision to the teacher, with a copy to the Union, within seven (7) days of the Step II meeting, or if no Step II meeting is held, within five (5) days of the execution of the waiver described herein.

Step III (Formal) - Within seven (7) days of the receipt of the Step II decision, the teacher, if not satisfied with the resolution of the grievance at Step II, may submit the completed grievance form to the superintendent. Within seven (7) days of receipt of the Step III filing, the superintendent and the teacher shall meet in an effort to resolve the grievance. The superintendent shall submit his/her written decision to the teacher, with a copy to the union, within seven (7) days of the Step III meeting.

Step IV (Formal)

a. Within sixteen (16) calendar days of the receipt of the Step III response, the union, if not satisfied with the resolution at Step III, may submit a written demand for arbitration to the American Arbitration Association. The superintendent shall be concurrently notified of such demand. The parties agree that the postmark date shall be used to determine the date submitted. In the event the superintendent’s notification is provided in a manner other than U.S. Mail, such notification shall be received in the Office of Labor Relations as per the sixteen (16) calendar day timeline provided herein. The American Arbitration Association shall furnish one or more panels of arbitrators pursuant to its procedures. The parties agree to subscribe to the then prevailing practices of the American Arbitration Association.

b. The arbitrator shall schedule a hearing as promptly as possible. He/She shall seek agreement of the parties as to the date of hearing, but such shall be scheduled within thirty (30) calendar days except as otherwise provided herein. The arbitrator shall issue his/her decision not later than thirty (30) calendar days from the date the hearing is concluded. Such decision shall be in writing and shall set forth the arbitrator’s opinion and conclusions on the issues submitted. The decision shall be final and binding on the parties.
c. The arbitrator shall be without power or authority to make any
decision contrary to or inconsistent with, or modify or vary in any
way the terms of this Agreement. He/She shall have no power to
add to, delete from, or modify in any way any of the provisions of
this Agreement. The arbitrator’s award may include such remedy
as shall be authorized by law.

d. Fees and expenses of the arbitrator shall be shared equally by the
Board and the Union.

Section C - General Provisions

1. The right to proceed to the arbitration step of this procedure shall be
limited to the Union. Except for mutual written agreement to the
contrary, the Union’s demand for arbitration shall be submitted so as to
limit the scope of each such demand to only one (1) grievance. The
parties agree that only subject to all of the conditions listed below, one
(1) or more grievance(s) may be concurrently considered in dispute at
the arbitration level only of the grievance procedure:

   a. All such grievances shall have the same grievant;
   b. All such grievances shall have the same date of event
giving rise to the grievance;
   c. All such grievances must have been processed through
      Step III as provided herein.

2. If the decision to be given by a teacher’s principal or the
superintendent is not given within the respective times by said
provisions specified, the teacher shall have the right to proceed with
his/her appeal to the next step by giving notice of appeal or request for
arbitration within the same time to the same parties and in the same
manner as he/she would be required if a decision adverse to him/her
had been rendered on the outside date prescribed above for rendering
decisions.

3. Time limits may be extended beyond those specified only upon actual
written agreement between the parties. Whenever illness or other
incapacity prohibits either party from attending a grievance meeting,
the time limits shall be extended until the affected party(ies) can be
present.
4. Any written notice to be given under Section B by the teacher to his/her principal or to the superintendent may be given by hand by the teacher or his/her representative or by mailing it by certified mail, return receipt requested, addressed to the principal or the superintendent at their respective offices. Any notice or decision to be given to the teacher may be given to the teacher by hand by the principal or superintendent or their representative or by mailing by certified mail, return receipt requested, addressed to the teacher at his/her home address as shown in the Board’s records. Any notice or decision to be given to the Union may be given to the President of the Union, or by mailing it by certified mail, return receipt requested, addressed to the Union at its offices. Any notice or decision given by hand will be verified by written receipt if requested.

If a notice or decision under this Article is provided to either party by certified mail, the time limit required for response to such notice or decision shall be extended to the receiving party by two (2) days.

5. When hearings are held during school hours, persons necessary to be present shall be excused without loss of pay or accumulated leave, provided that the Step IV hearing arrangements shall also be made to permit the appearance of witnesses without loss of pay or accumulated leave whom the arbitrator shall deem necessary.

6. If a grievance arises as a result of a condition which the immediate supervisor is without the jurisdiction to resolve, the teacher may file the grievance at Step III (superintendent level) and proceed through the grievance procedure from Step III forward.

7. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration.

8. No reprisals of any kind shall be taken against any participant in the grievance procedure by reason of such participation.

9. Grievance files shall be filed separately from other files of the teacher.

10. Necessary forms for the filing of grievances shall be mutually agreed to by the Union and the Board. Costs incurred in the printing, supply, and required distribution of such forms shall be shared equally by the Union and the Board.
11. Any claim or grievance arising under the Agreement while said Agreement is in force shall be processed through the grievance procedure until its resolution.

ARTICLE V - UNION RIGHTS

2. No more than two (2) teachers shall be absent from any single worksite at the same time.
3. Substitute cost incurred as a result of seven (7) such days shall be borne by the Board.
4. Except for paragraph 3 above, the cost of substitute(s) incurred as a result of such leave shall be at the expense of the Union.
5. No more than four (4) days notice shall be required for such leave application.
6. No more than eleven (11) days of such leave shall be taken by any one teacher during any given school year. No more than five (5) of such days may be taken consecutively.

Leave of absence without pay shall be granted by the Board for the purpose of serving as an officer of the Brevard Federation of Teachers [limited to four (4)] and the Florida Education Association. Request for leave shall be made upon written application of such teacher to the Superintendent at least twenty-five (25) calendar days prior to the onset of the semester in which the leave is to begin. Such leave shall not be for less than one (1) school year. Such leave shall not be renewable for any longer than the duration of this Agreement.

Union officers described above, other Union officers who are also active teachers with the district who are not on leave, and teachers whose leave days are charged to the twenty-seven leave days (27) as provided in this section, shall be allowed to participate in Board approved benefit plans, Florida Retirement, and Social Security plans which are available to other district teachers. Such participation shall be at no additional cost to the Board other than the cost the Board already incurs for its employees. Written procedures shall be developed which are mutually acceptable to the Board and the Union. Mutual agreement or
the lack of same shall not be subject to the grievance procedure of this Agreement.

Section B - Negotiations on School Time
If negotiations are conducted during the regular teacher workday, leave of absence without loss of pay or accumulated leave shall be granted to up to twelve (12) members of the Union bargaining team. If substitute teachers are needed to provide for the above leave, the actual cost of the substitutes during such leave shall be borne by the Union.

If other activities directly related to this Agreement and mandated by law or this Agreement are conducted during the regular teacher workday, leave of absence sufficient to conduct such necessary activities shall be granted to the affected teachers without loss of pay or accumulated leave.

Section C - Bulletin Boards
1. The Board shall make available for exclusive use by the Union one (1) bulletin board located in the main faculty lounge at each school for posting of official Union material properly identified as such. If no bulletin board was in use as of March 19, 1979 in the main faculty lounge for the posting of such notices, a bulletin board shall be made available for such notices in an area to which teachers have ready access.

2. Concurrently, a courtesy copy of such material shall be provided to the principal and sent via Union courier, fax, or U.S. Mail to the Director of Labor Relations or designee.

3. Campaign literature of a candidate for public office shall not be distributed through the Board’s courier service, posted on a Union bulletin board, or placed in a teacher’s mailbox.

4. The Union shall provide the principal with the name in writing of the bargaining unit member who is designated by the Union as having the responsibility to post such material. A district-wide master list of teachers so designated shall be delivered to the Director of Labor Relations upon request in writing two (2) times per year. Such list shall contain the name and work location of each person designated.

Section D - Union Meetings
The Union shall have the right to use school buildings for meetings with members of the bargaining unit, provided notice of such meetings shall be submitted to the principal no less than two (2) workdays prior to the date of the requested meeting. The use of such building shall be without charge except for additional costs, which may be incurred in connection therewith. Such additional
costs shall be stated on the approved building use permit. This paragraph shall not be applicable to any use by the Union for fund raising or any meeting or activity involving more than twenty (20) persons where less than ninety percent (90%) of those in attendance are employees of the Board. The Union shall be responsible for any damage, which may be incurred in connection with such usage. The use of such facilities hereunder shall also be contingent upon such causing no interference with the instructional matters of the school district.

A meeting hereunder which has been scheduled shall not be cancelled by the principal unless no other course of action is reasonably available to effectuate the needs of the school. Provided one such meeting per month may be held during the teacher workday, but outside the normal student day. Such meetings held during the teacher workday shall be scheduled by the principal and BFT building representative at a mutually agreed upon time. Under no circumstances shall this language be interpreted that the Union shall not have the right to such meetings.

Section E - Distribution of Literature
1. The Union shall have the right to place material dealing with Union business in the teachers’ mailboxes provided that the following conditions for using such mailboxes are met:
   
a. Union materials shall be designated as Union matter and dated where possible to show date of publication.
   
b. Union material in bulk shall only be placed in or near the mailboxes.
   
c. Concurrently, a courtesy copy of such material shall be provided to the principal and sent via courier or U.S. Mail to the Director of Labor Relations or designee.

Section F - Superintendent - Union Conferences
The superintendent shall meet at a mutually agreeable time in his/her office with the president of the Union or designee and either a Union vice president or a representative of the Florida Education Association or the American Federation of Teachers for a limit of two (2) Union representatives in any one meeting to discuss matters relating to the implementation of this Agreement, provided (except by mutual consent) such meetings shall not occur more often than once each calendar month, and provided further that at least seven (7) calendar days written notice shall be given for the request of such meeting and the request shall include the suggested agenda for such meeting.
Section G - School Visitation by Union Representatives

Authorized Union representatives shall be allowed to visit schools where teachers are assigned to conduct Union business under the following conditions:

1. The Union shall provide the Director of Labor Relations the names in writing of the persons who are authorized by the Union to participate in such visits provided that the Union shall only alter the list three (3) times each school year.

2. Immediately upon arrival at the school site, the Union representative shall report to the reception area of the administrative offices and shall indicate to the principal the purpose for such visit.

3. Such visitation shall in no way disrupt or interfere with educational procedures or programs.

4. No more than three (3) Union representatives, not to include the Union building representative, shall be present in any single work location at any one time.

5. Such visitations shall not be used for tax sheltered annuity presentations or partisan political activity.

6. The parties agree to make financial information available to teachers which will aid in their personal financial planning. The intent of such information is to provide financial planning information to employees rather than promote any company or individual's business opportunity.

Section H - Union Representation at Board Meetings

1. The Union shall have the right to request to be placed on the Board agenda at all regular Board meetings. The Board shall provide the Union at no cost with one (1) copy of the materials relating to all public Board meetings which are generally distributed to the press at a time after said materials are made available to the Board, but no later than when materials are distributed to the press for any regular meeting of the Board. One (1) copy of the printed minutes of the Board shall be supplied to the Union at no cost when said materials are made available to the Board.

2. The Board shall provide each school with a copy of the summary agenda of regular Board meetings to be posted in a conspicuous location.
Section I - Union Representation on Board Committees
If the Board shall determine to appoint a district-wide committee, which shall include more than five (5) teachers thereon who shall not be entitled to additional financial compensation excluding mileage for such committee participation and which shall be charged to review and/or report on curricular matter(s) directly affecting the working conditions of teachers, the Union President shall be invited to submit to the superintendent the name of at least one (1) teacher who shall be named to the committee. In the instance of a committee to deal with curriculum matters as described above, the names of the anticipated appointees shall be submitted in writing to the Union president or his/her designee who may select one teacher from such list as a Union representative. Such selection by the Union President shall be within seven (7) calendar days of his/her receipt of such list. If the Union President wishes to select a teacher who is not on the anticipated committee list, he/she may do so and that teacher will be added to the committee as the Union representative. Such Union selected teacher shall meet the district requirements for committee participation prior to such appointment as the Union representative.

Section J - Teacher Directory
Upon the written request of the Union President or designee, the Board shall provide four (4) times each year, without cost a listing of teachers by school which shall include their full names, full home mailing addresses, and their major grade or subject assignment.

Section K - Union Dues Deduction
The Board agrees to deduct Union dues from the paychecks of teachers provided that each of the following conditions and/or requirements are met:

1. The teacher submits a written dues deduction authorization, which is received in the Board finance office no later than the first day of the month in which deductions are to begin.

2. Such authorization is submitted on a form that is mutually acceptable to the Board and the Union and supplied by the Union at no cost to the Board.

3. The Union shall certify in writing to the Board the amount to be deducted from each check for each payroll period provided that such dues shall not be changed more than one (1) time during the fiscal year. Notice of such change shall be received in the Board finance office no later than forty-five (45) calendar days prior to the payroll date on which such change is to become effective.
4. The authorization for deduction shall remain in effect until a written revocation from the teacher is received by the Board and the Union at least thirty (30) calendar days in advance of the payroll date on which the deductions are to cease. Termination of employment shall constitute a revocation.

5. All dues collected in this matter shall be remitted to a designated Union official or designee within ten (10) workdays following such deduction. Costs incurred by the Board in making such deductions shall be borne by the Board. The Union agrees to indemnify and hold harmless the School Board and its members, all of its agents and employees against any and all loss arising from any claims, suits, demands, or other actions arising from any action taken hereunder.

Section L - Other Deductions
The Board agrees to deduct a uniform deduction and/or assessment for Union insurance programs from the paycheck, provided such deduction shall be authorized in writing by the teacher and the amount authorized shall remain uniform for the entire school year. All of the other provisions of Section K of this Article shall also be applicable to this deduction, except that the amount deducted for an individual insurance program shall not vary during the fiscal year. The amount deducted shall be transmitted to the Union along with the Union dues. The Union shall be responsible for the disbursement of such funds. The amount of such deduction shall be added to the amount of dues deducted pursuant to Section K and the total reflected on the payroll stub, under the category of Union dues. The Board shall report such deduction(s) pursuant to this Section separately as soon as procedures necessary for such change can be accomplished.

Section M - Time on Agenda of Faculty Meetings
A Union building representative shall be allowed to announce at faculty meetings the time and place of Union meetings provided that the following conditions are met:

1. The place in the meeting at which such announcements shall be given shall be scheduled by the principal.

2. Sufficient time shall be allowed for announcements limited to official Union business.

3. The principal shall provide a teacher with the opportunity to complete Union bargaining and/or calendar surveys and/or to view presentations on Educational Research and Dissemination (ER&D) programs and other
programs, which are endorsed by the district. Such programs must have a direct application to the role of the teacher and the presenter will be a person who is trained in such programs. Teacher attendance at such presentations shall be voluntary unless such programs are a required part of the regular faculty meeting.

Section N - Use of School Supplies and Equipment
Authorized building representatives of the Union shall have the right to use designated duplicating, audiovisual, and typewriting equipment located in the school to which the building representative is regularly assigned. Such use shall be subject to the following conditions:

1. The Union shall reimburse the Board the cost of all materials used and any per-copy cost incurred by the Board.
2. The Union shall assume full responsibility for any damage to such equipment.
3. The use of such equipment or materials shall not interfere with the instructional nor administrative needs of the school.
4. The amount of such use of materials and supplies shall be promptly reported to the principal in writing.
5. Equipment may not be removed from the site without the prior approval of the principal.

Section O - Orientation Meeting for Incoming Teachers
If the Board shall conduct area-wide or district-wide meetings, gatherings, and/or receptions for newly employed teachers for the purpose of providing general employment information, the Union President shall be advised of such meeting(s) and given the opportunity thereat to briefly welcome the teachers to the district. The School Board is cordially invited to attend the Union’s area-wide or district-wide meetings, gatherings and receptions for newly employed teachers for the purpose of providing general employment information.

Section P - Exclusivity Rights
Except as otherwise provided by law, rights granted to the Brevard Federation of Teachers in Article V of this Agreement shall not be granted to any other union or employee organization which is organized for the purpose of representing teachers in collective bargaining.
ARTICLE VI
GENERAL CONDITIONS OF EMPLOYMENT

Section A - Fair Employment Practices

1. If the superintendent shall recommend the dismissal or non-renewal of any teacher, the teacher shall be given written notice thereof with reason(s) prior to final School Board action on such recommendation.

2. Upon receipt of the notice described in the preceding subsection, or upon being advised that the superintendent intends to make such recommendation for dismissal or non-renewal, the teacher shall, upon written request filed with the superintendent no later than five (5) calendar days following receipt of such recommendation or advice of intention to recommend, have the right to a meeting with the superintendent at which the teacher may advance reasons why such dismissal or non-renewal should not be recommended to the School Board.

3. If any teacher shall be disciplined, i.e. demoted, suspended other than pursuant to dismissal, or suffer loss of pay, such discipline shall be for just cause and may be challenged pursuant to the provisions of Article IV of this Agreement.

As used herein, “demoted” shall not be construed to include a determination of the Board to change any differentiated pay position assignment or extracurricular duty assignment.

4. If it shall be ascertained that the disciplinary action taken against a teacher resulted in loss of salary or other benefits without justification, the teacher shall be restored such salary or other benefits to the extent feasible. Such restoration shall include placement on the salary schedule so that the teacher’s salary shall be no less than the amount that he/she was scheduled to receive prior to disciplinary action.

5. Teachers who no longer are employed by the Board shall retain the right to grieve alleged violations of this Agreement, which occurred during their employment or concurrent to their involuntary termination, subject only to the provisions of Article IV.

Section B - Calendar

1. The regular school year of all Type “E” employees covered by this Agreement shall consist of no more than one hundred eighty (180) student days and one hundred ninety-six (196) teacher days inclusive of paid holidays.
2. Time spent at parent-teacher conferences which are scheduled on the school calendar as adopted by the Board is not subject to additional financial compensation. Such time spent at parent-teacher conferences shall be accruable subject to the compensatory time provisions of this Agreement.

3. The following days shall be designated as paid teacher holidays during the Fiscal Year 2007-2008:

   a. September 3, 2007
   b. November 22, 2007
   c. November 23, 2007
   d. January 1, 2008
   e. January 21, 2008
   f. March 21, 2008

4. It is the intent that the three (3) shortened student days at the end of each semester be utilized for those activities required to complete the student evaluation process. The teacher workday between semesters shall be for the purpose of uninterrupted teacher planning and preparation.

5. Except for reporting at the end of the first semester and the end of the last semester, provided that grades are not due before the end of the workday, teachers who submit grades to Educational Technology Services shall have no less than two (2) workdays after the end of the grading period to prepare grades before turning in such grades to the administration and/or school office.

6. During the 2007-2008 School Year, the Board and Union will form a committee of equal representation that will study the impact of electronic grading and posting on teacher working conditions. The results will be disseminated to the Board and Union.

7. Elementary schools may develop through the School Advisory Committee, for submission through the district waiver process, a plan for an amount of time during the teacher workweek where teachers and parents may confer and teachers may plan together or individually. The waiver process and form will be made available to the chairperson of the School Advisory Committee and the Union office.
Section C - School Day

1. A teacher shall be entitled to a daily duty-free lunch period of no less than thirty (30) minutes inclusive of the time to escort students to the cafeteria, provided teachers assigned to self-contained exceptional education classes shall be entitled to such duty-free lunch when feasible. The forty (40) hour workweek shall be inclusive of the daily lunch period. It is not the intent of the Board herein to preclude reasonable duty-free lunch time not provided herein, where such may be reasonably provided nor to preclude a principal from implementing an alternative method of providing such duty-free lunch to a teacher for whom duty-free lunch is not provided herein. All schedules for teachers’ lunch shall reflect the thirty (30) minutes provided for duty-free lunch and may include the statement that the thirty (30) minutes will include time to escort students to the cafeteria.

   a. The principal is encouraged to consider the availability of all nonbargaining unit personnel when assigning supervisory lunch room duties.

   b. Teachers of resource exceptional education classes shall not be required to serve lunchroom supervision longer than a time equal to the length of time allotted for individual students’ lunch periods.

   c. If a principal decides to close the school library in order for the Media Specialist to serve lunchroom supervision, the principal is encouraged to seek alternative procedures which will allow the media center to remain open during such lunch serving time.

2. Except as provided herein, teachers who are assigned to teach in elementary schools, middle schools, junior high schools, or high schools shall be scheduled for a period of uninterrupted preparation time.

   a. The use of such preparation time shall normally be for the purpose of teacher preparation, student staffing, individual parent conferences, department meetings, evaluation conferences, and the like. It is not the intent of the parties for planning time to be used for those purposes, which could be better accomplished by utilizing a school-wide faculty meeting.

   b. In the event a principal assigns a teacher to the class or classes of an absent teacher and/or the teacher loses his/her preparation time as a result of an assignment, compensatory time equal to the amount of lost preparation time shall be made available to the affected teacher for such preparation time.
c. The length of preparation time for teachers in middle schools, junior high schools, and high schools shall normally be equal to the length of the students' class period on the day preparation time is granted. Except for schools with block scheduling, preparation time for part-time teachers shall be scheduled pro rata.

d. Teachers in elementary schools shall be scheduled for no less than two hundred sixty (260) minutes of preparation time during each full five (5) day workweek. Sixty (60) of the two hundred sixty (260) minutes may be outside the normal student day. If the workweek is less than five (5) days, such preparation time shall be reduced pro-rata fifty-two (52) minutes per day for each day students are not scheduled to attend full time. It is the intent of the parties that the allowance to schedule sixty (60) minutes of planning time as provided herein, should not be used to lower the amount of planning that has normally been scheduled during the student day.

e. Except as otherwise provided herein, preparation time as provided herein shall be scheduled within the six and one-half (6 1/2) hour period of time immediately following the beginning of the normal student day.

f. Vocational Teachers with multi-period blocks of classes and/or other teachers not normally assigned to class groups shall not be entitled to preparation time as described herein. This latter group includes, but is not limited to, counselors, occupational specialists, alternative education teachers, area counselors, resource teachers and media specialists not assigned a full class load. Multi-period blocks of classes as used herein shall mean only those instances in which a teacher's classes are scheduled in multi-period blocks for the entire student day, e.g. three (3) classes of two (2) period blocks in a six (6) period day. Provided that in the event of an emergency, planning time as provided herein for an exceptional education teacher may not be provided.

g. It is not the intent of the Board herein to preclude reasonable preparation time for teachers not covered herein, where such preparation time may reasonably be provided.

h. A teacher who is not assigned to the extended day program as provided herein and is scheduled for more than one (1) daily non-teaching period may be assigned to perform other duties as required during no more than two (2) of such additional daily non-teaching periods per teacher workweek.
i. A teacher assigned to teach in the four-period block schedule may be assigned by the principal for up to ninety (90) minutes per week in increments of no greater than forty-five (45) minutes a day to perform other duties to maintain the orderly function of the school.

3. A teacher may request to leave the school site during his/her workday.

4. The normal teacher workweek shall not exceed forty (40) hours inclusive of a daily thirty (30) minute lunch period except in an emergency and/or to allow for compensatory time.
   
a. If the teacher workweek shall be less than five (5) days as a consequence of an official school recess or holiday, the normal workweek shall be reduced pro-rata from paragraph 4 above.

b. In the event a teacher is assigned to work beyond the normal forty (40) hour workweek, then compensatory time shall be granted to the teacher. Additionally, workweek adjustments shall be allowed only when the length of the work assignment(s) does not cumulatively exceed thirty (30) minutes in a normal workweek. Assignments beyond the thirty (30) minutes in such workweek are subject to the compensatory time provisions of this Agreement. The rules governing compensatory time shall apply as stated in Article VI, Section C, Paragraph 5.

In the event a teacher meets with a parent of his/her students and such meeting causes the teacher to extend his/her forty (40) hour workweek, time spent at the parent conference shall be subject to compensatory time provided that the principal and teacher have prior mutual agreement that such parent conference time will qualify for compensatory time. Parent conferences as used herein are those parent conferences in addition to those found on the school calendar as adopted by the Board. The requirement of “prior mutual agreement” may be met by the principal establishing a building policy on such requirement.

c. In the event a principal assigns a teacher to perform duties which require a teacher to return to school for evening functions (e.g. open houses, individual parent conferences, other such functions), time spent at such assignments shall be accruable to compensatory time. On the two board-adopted calendar parent conference nights, teachers shall be released as soon as the student day has ended and student supervisory duties have been completed.
d. Compensatory time accrued by a teacher shall be made available to a teacher during the normal student day up to sixteen (16) hours. Nothing contained herein shall preclude a principal from approving compensatory time during the student day beyond the minimum guaranteed amount of sixteen (16) hours.

e. The Board and the Union agree that the thirty (30) minute lunch shall be a paid lunch and the additional one hundred fifty (150) minutes to the workweek shall accommodate the needs of the school, provided any day a teacher does not have an uninterrupted planning time he/she shall receive compensatory time equal to the length of the interruption as referenced in Article VI, Section C.2)b.

f. In the event a teacher chooses to use compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

g. In the event a teacher transfers from one school to another, any unused compensatory time shall transfer with the teacher subject to the following condition: Written verification of compensatory time earned shall be provided from the sending principal to the receiving principal at the time of the transfer.

5. The rules governing compensatory time shall be as follows:

a. The amount of compensatory time shall be equivalent to the amount of time a teacher was required to work as provided herein.

b. Prior to being allowed to take compensatory time, the following conditions shall be met:

1) The teacher shall properly submit a written request to the principal for such use. If a teacher is assigned duties by an administrator for which compensatory time is earned, the administrator shall furnish to the teacher(s) a receipt for the time. This does not preclude a teacher(s) from applying for compensatory time accrual.

2) Such written request must be received by the principal no earlier than forty (40) calendar days prior to and no later than two (2) school days prior to the date compensatory time, if approved, is to be utilized.
3) The principal shall act on requests for compensatory time submitted two (2) days prior to the utilization within one (1) day of the request. Other requests will be acted upon within two (2) days of the request. In the event the principal does not act on any request for compensatory time within the specified time frames, the request shall be considered approved. Provided that in circumstances where the requesting teacher is not assigned to the same worksite as his/her principal, such responses shall be extended by three (3) days. When a teacher applies for compensatory time two (2) or more school days prior to the day compensatory time is requested to be used, the applicant cannot be required to supply his/her own substitute as a condition of approval for such compensatory time request.

4) Time limits as prescribed herein may be waived by the principal without precedent and at his/her discretion.

5) Failure of a teacher to utilize approved compensatory time may result, at the principal’s discretion, in the reduction of such time from the teacher’s accrued compensatory time balance.

6) In the event a teacher qualifies for compensatory time as provided herein and the teacher makes proper application which is subsequently denied, up to twelve (12) hours of such denied compensatory time shall be carried forward to the next school year. Such twelve (12) hours may be used at the teacher’s option as either sick leave for the same purposes as other sick leave may be used or as personal leave charged to sick leave as provided in Article XIV.

c. Except as otherwise provided herein, compensatory time shall only be accrued and utilized during the school year in which it is earned. Teachers shall be given the opportunity to utilize their compensatory time as provided herein and shall not be carried forward from one school year to another except as provided above.

d. Nothing contained herein shall be construed as precluding a principal from allowing compensatory time on a non-student attendance day as reflected on the school calendar as adopted by the Board.

e. In the event a principal denies the use of accumulated compensatory time on an inservice day or on a post planning day as scheduled on the school calendar as adopted by the Board, such
denial shall give the affected teacher(s) the right to use, at his/her option, compensatory time in lieu of and for the same purpose(s) as sick leave. The amount of any such compensatory time used as sick leave shall be no more than an amount equal to the time designated by the Board for the affected inservice day or post-planning day. Provided that any sick leave taken on an inservice day or post-planning day shall be deducted from the accrued sick leave balance of the teacher.

f. In the event a teacher chooses to use compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

6. As used herein, the normal teacher workweek shall not include time devoted to performance of duties for which compensation is received pursuant to The Schedule of Differentiated Pay For Extracurricular and Differentiated Pay Compensation. If such assignment is not included in the Schedule of Differentiated Pay, the amount paid for such assignment shall be as determined by the Board.

7. Reimbursement of mileage for teachers required to travel to another school(s) during the normal workday is as follows: After reporting for duty at a school, if the teacher is required during the normal workday to travel to another school(s), the teacher shall be reimbursed for mileage between the first school and the other school(s), and between the last school and return to the original school or to the teacher’s home, whichever shall be the lesser.

a. Employees who regularly travel among the various schools and other location in the county to perform their official duties, will be eligible for reimbursement beginning with the first stop of the work day unless the first stop is farther from their home than their established work site.

b. If the first stop of the day is farther from the employee’s home than the established work site, the employee will be eligible for mileage reimbursement for the difference between the work site and the first stop of the day.

c. From the first stop of the day, the employee will be eligible for reimbursement for mileage to other sites for official business during the day.
d. The employee shall be reimbursed for mileage between the last stop of the day and return to the established work site or to the employee’s home, whichever shall be the lesser, which could result in the employee being reimbursed for returning home from work.

e. Since reimbursement for returning home is made for personal, not business, miles traveled, it will result in taxable income to the employee and will be reported on the employee’s W-2.

f. The reimbursement rate shall be no less than the rate allowed by law.

g. In the event that a teacher is required by the Board to travel within the district but beyond the administrative area (North, Central, South) in which he/she is normally assigned, the teacher shall be entitled to mileage either to and from his/her normal worksite to the out-of-area worksite, or to and from his/her home to the out-of-area worksite, whichever shall be the lesser. This out-of-area provision is intended to entitle a teacher to reimbursement for travel to and from an assignment for which he/she received specific direction by the Board to attend and which also requires a teacher to travel from one administrative area to another.

8. Attendance of teachers at PTA or PTO meetings shall be voluntary.

9. The length of the normal teacher workweek shall be forty (40) hours. During the ten (10) days (totaling eighty (80) hours) reflected on the Board-adopted school calendar as student non-attendance days, the Superintendent and/or principal shall schedule forty-four (44) hours of teacher work assignments providing a thirty-six (36) hour balance which shall be designated as planning time used at the teacher's discretion. The principal shall give to teachers on the first day of pre-planning a written schedule of the year’s non-student days, specifying which hours are to be administratively designated and which hours are to be used at teacher discretion. Except in an emergency, the principal shall not adjust the schedule. In such case, the adjusted schedule shall be provided in writing with details of the emergency. Unless the teacher is planning at a school board facility or approved site, such thirty-six (36) hours are not subject to Workers' Compensation injury claims unless otherwise specified under State Statute.
10. During the 2007-2008 School Year, the Board and Union will complete a study of how all elementary non-student time is assigned, i.e., the 40 minutes during the student day and the 90 minutes before and after the student day. The results will be disseminated to the Board and Union.

Section D - Teaching Assignments and Duties

1. a. Pursuant to state law, the Board may hire degreed, non-certificated personnel for positions designated "critical shortage". The Union will be notified seven (7) calendar days prior to the publication of the Board agenda item concerning the Board designating such "critical shortage" teaching areas. The Union may provide input for the Board’s consideration. All other teachers must qualify for a valid Florida teaching certificate.

b. The Board and the Union agree to review the classroom management training of the beginning teacher in order to determine what changes, if any, should be made in order to better equip beginning teachers to handle student discipline. On a voluntary basis, Educational Research and Dissemination programs on classroom management for the beginning teachers shall be made available to teachers during the afternoon of the preplanning period. The voluntary nature of such ER&D programs shall not prohibit the principal from providing compensatory time for such attendance, provided that up to four (4) ER&D instructors shall be granted compensatory time for time spent in instructing the ER&D Program described above.

2. Teachers shall be assigned to a grade level and/or subject for which they are qualified. If teachers are assigned to a grade level and/or subject beyond the scope of their certificate they shall be reassigned as promptly as circumstances permit within the scope of their certificate. The foregoing shall not preclude agreement of teachers to continue to teach outside the scope of their certificate while working for the acquisition of proper certification.

3. After May 1, the principal shall make available, upon request of the teacher, his/her anticipated teaching and room assignment for the following school year. Further, after December 1, the principal shall make available upon request of the teacher, his/her anticipated teaching assignment for the forthcoming school semester.

4. Schedules for all classroom teachers in secondary schools shall be posted in each school no later than September 28 of each school year. Room assignments, planning times, and grade assignments shall be similarly posted in each elementary school. Both the teacher’s
certification(s) and recent teaching experience shall be considered when
determining the teacher’s assignment.

5. No teacher shall be required to formally evaluate any other teacher.

6. If teachers are required to teach at more than one school, one school
shall be designated as his/her home base. Except as otherwise
provided herein, teachers who are assigned to teach in more than one
school and such assignment results in his/her traveling between such
schools during the student day, such teacher shall suffer no loss of the
rights conferred by this Agreement, including loss of planning time
and/or duty-free lunch as contained herein.

7. The use of time clocks for checking in and out shall be prohibited.

8. Teacher participation in school activities beyond the normal teacher
workweek shall be voluntary wherever possible. If a situation arises
where such assignment must be made where no volunteers are
available, priority consideration will be given to the teacher’s prior
personal commitments. All assignments beyond the teacher workweek
will be compensated pursuant to Article XVIII of this Agreement, or if
such assignment is not included within Article XVIII, such amount as
may be determined to be appropriate by the Board.

9. Based on the instructional needs of the school as determined by the
principal, teachers are eligible for an Optional Class Differential. This
assignment is on a voluntary regular daily basis and is limited to the
circumstances listed below:
   a. A teacher may volunteer to teach a class during his/her planning
      period on a regular daily basis.
   b. A teacher assigned to teach five periods may volunteer to teach an
      optional seventh period.
   c. Each principal shall notify all teachers from his/her faculty of the
      availability of scheduled optional classes.
   d. Teachers desiring to work an optional class period must notify the
      principal in writing of his/her desire to participate in such
      assignment.
   e. All applicants who express a desire to teach an optional class
      period shall be notified of the principal's decision as soon as
      possible.
f. Among the factors to be considered in the selection of teachers for such optional class assignments shall be the following:

1) area(s) of certification
2) current and prior teaching experience
3) differentiated pay position(s) held

g. Such teachers shall be compensated pursuant to Article XVIII, Section H, Schedule of Differentiated Pay.

10. Lesson Plans are required. The format for plans shall be decided by the teacher for the purpose of working with his/her students and shall include sufficient information for substitutes and evaluators. Teachers leaving the district or transferring to another school shall turn in their lesson planbooks and/or gradebooks to the principal as part of the checkout procedure. Routine submission of lesson plans shall not be required except in the following instance: when the performance of the teacher has been less than satisfactory. In this event, format and content may be part of an assistance plan. Lesson plan restrictions shall be waived for all "D" and "F" schools until they have regained at least "C" status.

11. The parties agree that the provision for student supervision is primarily the responsibility of the professional employees in order to ensure a safe school environment. Supervisory duty assignments shall be reviewed by the principal and a faculty committee to ensure adequate supervision and equitable distribution of assignments. Faculty volunteers to the committee will be sought and all volunteers will be able to serve on the committee.

12. The requirements and procedures for teacher attendance at Board-adopted district inservice days as reflected on the Board-adopted district calendar shall be as follows: Teachers shall attend inservice programs held on inservice days except as provided below.

   a. When district records show that a teacher has had, within the three (3) previous years, a specific inservice experience, which is being required, the teacher may attend at his/her option.

   b. Upon a review of the inservice programs offered on a specific inservice day, the teacher and his/her principal mutually agree that the programs offered on that day do not contain activities which would beneficially apply to the responsibilities of the teacher or the teacher has renewed his/her certificate for that school year, the teacher shall be allowed to remain at his/her school or at another
school board cost center, as assigned by the principal or request compensatory time.

c. A teacher is granted an approved leave of absence for that day(s).

13. When a teacher receives a significant reassignment after the start of the school year, the principal shall provide non-student time for planning and preparation.

14. Teachers serving in differentiated pay positions at other than their home school may, at the discretion of the principals involved, with reasons given when denied, leave at the end of the school's student day to fulfill those differential responsibilities.

Section E - Vacancies and Promotional Vacancies

1. A notice of all promotional vacancies shall be posted in each school at least five (5) workdays prior to the closing of the application period. A copy of such notice shall be sent to the Union president at the time it is sent to schools.

2. The assistant superintendent for Human Resources Services or designee shall post, in his/her office where the same shall be readily accessible to visitors, a listing of all current teacher vacancies. A copy of such list shall be promptly forwarded to each area office where it shall be likewise posted, and a copy of such current list shall also be provided to the Union. A copy of such list shall also be posted in all schools.

3. The Board agrees to notify applicants and Union of the Board’s decision regarding the filling of such vacancy(ies) provided that the applicant and Union have submitted a stamped self-addressed envelope with his/her application.

4. No promotional vacancy, except vacancies which exist at the level of superintendent’s staff, shall be permanently filled until all teachers who have properly submitted applications and who meet the qualifications as reflected on the posted notice have been given the opportunity to be interviewed.

5. For the Purpose of Promotion

a. A notice of promotional vacancy shall set forth the qualifications, primary requirements, duties, and other pertinent information and the date by which the applicant must file the application. Such notice shall also include information indicating the salary range for the position and procedures for application.
b. Promotional vacancies shall be positions on the Administrative and Support Salary Schedule as adopted by the Board.

c. A notice of promotional vacancy shall reflect the anticipated location of the vacancy if known.

6. A notice of instructional task forces and workshops to be appointed shall be posted in each school at least fifteen (15) calendar days prior to the closing of the application period for appointment thereto. Such notice shall include the criteria pertinent to the appointment. In filling such positions consideration shall be given to the prior opportunity of teachers to serve on such similar task forces and workshops so that they may be shared equitably among qualified teachers seeking such appointments.

7. Upon written request, teachers shall be granted interviews for all posted vacancies for which they qualify before such vacancies are filled.

8. Training for ESOL/META endorsement shall be the District’s responsibility. Upon ratification of this agreement, for each person who qualifies for the ESOL endorsement through the 300-hour district ESOL Add-On Certification Program, the District will fund the $56.00 application cost to the Department of Education. This payment is not retroactive.

Section F - Assignments and Transfers

1. Voluntary Transfer from School to School

a. A teacher who desires a change from his/her assigned school to another school in the district may request such reassignment by properly submitting in writing the request to the area superintendent with a copy of the request to his/her principal.

b. In the event that a teacher desires a transfer at the end of the regular school year, the teacher shall submit a written request that will be filed with the area superintendent, with a copy to the principal, for active consideration throughout the period that school is not in regular session. The teacher shall be responsible for notifying the principal of an address and telephone number at which the applicant can be reached during the above period.

c. Two teachers may voluntarily change positions or schools with the approval of the area superintendent.
d. When approving or disapproving a request for voluntary transfer, the Board agrees to include among the factors to be considered the following:

1) Whether the teacher has been involuntarily transferred within the two (2) year period of time immediately preceding the year in which the voluntary transfer, if approved, would take place.

2) The length of time the teacher requesting voluntary transfer has been assigned to his/her current teaching responsibilities or his/her current school site.

e. In the event a teacher requests a voluntary transfer as provided herein and such request is denied, the teacher shall be provided an opportunity to confer with the Superintendent regarding the denial. The superintendent shall give reasons for denial and upon request by the teacher a Union representative shall be present.

f. In April of each year, schools will compile a list of anticipated vacancies for the next school year. The lists will be assembled at the District and then sent to all schools for posting. This will allow Continuing Contract (CC) teachers and Professional Service Contract (PSC) teachers the opportunity to interview for possible transfer. This process will be repeated in May after all teacher reappointments have gone to the Board.

2. Reassignments Within a School

a. A teacher shall have the right to request reassignment within the same school to which he/she is assigned.

b. Teachers may voluntarily change positions with other teachers within a school with approval of the principal.

3. Involuntary Transfer

In the event a decline in student enrollment necessitates the Board reducing continuing contract and professional services contract teachers within a school, the following procedures shall be followed:

a. The principal shall inform the faculty of the necessity to reduce continuing contract and professional services contract teachers
and provide the faculty with the opportunity to request transfer to fill a vacancy at another school.

b. Prior to the reappointment of any annual contract teachers, all continuing contract and professional services contract teachers shall be assigned to a position. Provided that in the event there is no continuing contract teacher or professional services contract teacher certified in a field in which there is a vacant position, an annual contract teacher may be appointed to fill such position.

c. A listing of teacher vacancies shall be posted at each school, which is reducing continuing contract or professional services contract teachers.

d. If a teacher who volunteers to transfer to a vacancy meets the certification requirements for such vacancy, such teacher shall be given the opportunity to interview for the vacant position. Provided a request for such interview is made to the appropriate principal within a five (5) workday period immediately following the faculty notification as provided in paragraph 1 herein. The teacher must concurrently notify his/her current principal of such interview requests.

e. The teacher shall receive notification of the interviewing principal’s decision regarding such transfer request.

f. In the event such transfer request is denied, the teacher shall have the right to meet with the superintendent and advance reasons why such voluntary transfer should be granted. A request for such meeting shall be in writing and shall be filed no later than five (5) workdays after notification of the denial of the transfer request is provided to the teacher.

g. If the Board effectuates a reduction of continuing contract and professional services contract teachers by involuntary transfer, the following procedures shall be followed:

1) If within five (5) workdays after faculty notification as provided in paragraph 1 herein, there remains the necessity to reduce continuing contract or professional services contract teachers, the Board shall give written notification to the selected teacher of the Board’s intent to involuntarily transfer him/her. Within five (5) workdays of such notification, a teacher so selected shall be granted an
interview in the same manner and within the same
guidelines as provided to teachers who have volunteered
for transfer as provided herein.

2) A teacher so selected shall have the right to meet with the
superintendent and advance reasons why such involuntary
transfer should not occur. A request for such meeting
shall be filed no later than five (5) workdays after
notification of such involuntary transfer.

3) A teacher whose involuntary transfer becomes effective at
the beginning of the next school year shall have the
option to return to the school from which he/she was
involuntarily transferred provided the position from which
he/she was transferred becomes vacant prior to the
beginning of such next school year or the beginning of the
second semester of the next school year. The term
“position” as used herein shall mean the same or
substantially the same teaching assignment from which
the teacher was involuntarily transferred.

h. In the event the Board determines to transfer a teacher for
reasons other than declining enrollment, the following
procedures shall apply:

1) Upon notification, the teacher will be given the
opportunity to voluntarily transfer fifteen (15) days prior
to the date of the transfer provided the teacher receives a
complete list of available positions at the beginning of the
fifteen (15) day window.

2) The teacher who volunteers will be given priority over new
hires in the affected teacher’s field of certification in those
schools at which the teacher has sought an interview.

i. In the event the teacher does not choose to volunteer, the
following procedures will apply:

1) The teacher shall receive written notification as soon as
the final decision to effectuate such transfer is made.

2) The reason(s) for such transfer shall be contained in
such notification.

3) The teacher shall be given the opportunity to meet with
the Superintendent for the purpose of advancing his/her
reasons why such transfer should not take place.
Section G - Teacher Evaluations

1. A teacher shall be apprised of the Board’s formal evaluation procedures. Such appraisal shall be scheduled during preplanning provided that a teacher who is employed after the preplanning period shall be similarly apprised prior to the implementation of such procedures relative to the evaluation of such teacher. Appraisal as required in this paragraph shall include the teacher appraisal system, as well as any checklist type of form that an individual principal may determine to use in a particular school.

2. Observations of a teacher’s performance for the purpose of formal evaluation shall be conducted either singularly or in combination by a school administrator(s), district level administrator(s), or other qualified persons, except other bargaining unit personnel, who may be specifically requested by the Board to assist in such observation(s). If an evaluator is used who is not regularly assigned to work in the same school as the teacher being evaluated, such evaluator shall be identified to the teacher prior to such evaluation.

3. All formal observations shall be conducted with the knowledge of the teacher.

4. Any observation which is to be utilized as part of a formal evaluation shall be of no less than twenty (20) consecutive minutes in length and no longer than the period of time that the particular class or activity is in session, and shall be reduced to writing. Any other observations of a teacher’s performance which are to be utilized in the evaluation of such teacher’s performance shall be in writing.

5. Formal observations shall be discussed with the teacher within ten (10) workdays following the observations. The purpose for such discussion shall be for the evaluator and teacher to examine the teacher’s strengths and weaknesses and possible assistance to be given and means for improvement of those strengths and weaknesses. Such evaluation shall not be discussed with nor displayed in front of students or parents, provided this paragraph shall not be applicable to any Board meeting.

6. Teachers shall be provided with a copy of all written observation records and shall be given the opportunity to submit written comments regarding such records for attachment thereto, provided such comments are submitted within fifteen (15) workdays of the receipt by the teacher of the observation record.
7. No later than April 1 of each contract year, the final recommendation as to whether a teacher eligible therefore should be advanced to professional services contract will be furnished to the teacher along with a copy of the final written evaluation report. In the event a principal shall not recommend an annual contract teacher for reappointment, the teacher shall be notified of such recommendation no later than May 1. Provided, that the May 1 date may be extended upon written notice to the teacher of such extension with reasons provided therein. All teachers shall be furnished with a copy of their annual written evaluation by April 25. At the time of the conference for the formal evaluation, teachers shall receive a copy of the written evaluation. The evaluator and teacher shall initial every page of the evaluation. A. The Board acknowledges the desirability of giving reasonable support and
assistance to teachers with respect to proper maintenance of control and
discipline in the classroom. Individual school procedures and policies for
handling student discipline shall be reviewed by each school’s School
Advisory Council and revised or developed as needed so as to ensure that
the referring teacher has the opportunity to input his/her feelings regarding
the disposition of the referral. Discipline procedures shall stress the
importance of uniform application. When the offense is serious enough to warrant suspension of the student in accordance with the School Board policy and/or the School Discipline Plan, such referred student will not be returned to the teacher’s class the same period (or 30 minutes in elementary school) from which the student was referred unless he/she is escorted by an administrator or a written explanation from same stating his/her reasons for the student’s return accompanies the student.

Except as otherwise provided herein, when a student(s) is referred to the administrator for disciplinary reasons, the teacher shall be informed of the conditions, if any, which have been imposed on the student before he/she reenters the class. Whenever the circumstances do not permit the administrator to address a particular student referral, the administrator may return the student to the referring teacher’s class and recall the student at a later time. The referring teacher shall be notified of the necessity of such return and recall. If a serious situation exists, the teacher may return the student to the principal.

Before the student is returned to class, serious consideration should be given to the effect such return would have on the learning environment for the other students in the class.

B. The teacher shall have the right and responsibility to impose classroom discipline where necessary and may use reasonable force to protect himself/herself from attack, or to prevent injury to a student where intervention is a prudent course of action.

C. A teacher shall have the right to temporarily exclude a student from class when the misbehavior or disruptive effect of the behavior makes the continued presence of the student in the classroom intolerable. In such cases, the teacher shall furnish the principal or designated representative as promptly as teacher obligations will allow, with full particulars on the problem or incident in writing. The Board shall be responsible for notifying the teacher of the disposition of the case as promptly as administrative obligations will allow.

D. School authorities will endeavor to achieve correction of student misbehavior through counseling, interviews, and conferences.

The Board shall render reasonable assistance to the teacher in connection with handling of the incident by law enforcement authorities.

1. Time for required appearances before a judicial body or legal authority shall result in no loss of salary or reduction in accumulated leave.

2. In case of disability the teacher’s wages shall continue in full without reduction in accumulated leave until Worker’s Compensation payments begin. Thereafter the Board shall pay to the teacher the difference between the compensation payment and the contractual salary of the employee without reduction of accumulated leave until the teacher is able to return to employment or is eligible for retirement, but in no event more than one hundred ninety-six (196) teacher employment days after the occurrence of the event giving rise to the application of this section.

3. Where a teacher is finally adjudged guilty of a criminal charge or has judgment entered against him/her in a civil case as related to the incident, the Board has no further responsibility for pay or loss of accumulated leave.

G. Any disciplinary action taken against a teacher based on a complaint by a parent or student shall be limited to informal action unless the matter is first reported to the teacher in writing. Formal disciplinary action resulting from such complaint shall be limited to those matters which have been reported to the teacher in writing.

H. If any teacher is sued in a civil action as a result of any action taken by the teacher in the proper exercise of his/her responsibilities, the Board will provide for the defense thereof.

I. No reprimand or discipline shall be discussed by the administrator(s) or the teacher or representative involved in the presence of students, parents, or employees not involved in the events giving rise to such reprimand or discipline, provided this shall not preclude such discussion as is necessary to establish the facts or to process such reprimand or discipline to the School Board, and provided such shall not preclude the teacher and/or representative discussing the same with appropriate Union officials.

J. A teacher shall be entitled to have present a representative when being reprimanded or disciplined. Reassignments out of the teacher’s classroom following an alleged incident upon investigation shall be grounds for the presence of a representative of the teacher’s choice. In an emergency, such
meeting shall be held within one work week of the reassignment. When a
request for such representation has been made, no action shall be taken
with respect to the teacher until such representative shall have a reasonable
opportunity to be present.

K. Teacher’s desks and lockers shall not be entered or searched except in an
emergency or when it shall be necessary to locate a teacher’s plan book or
other materials to assist the instructional process. If such entrance or
search shall occur, the teacher shall be made aware of such action and the
reason therefor upon his/her return to work.

L. The Board shall continue to provide liability insurance coverage for all
teachers no less comprehensive than that in effect on the effective date of
this Agreement.

students shall be made available to teachers. The Board agrees to indemnify
teachers against any civil damages and provide for the defense of any act
authorized by such written statement of the Board.

of the Board that scheduled routine medical procedures be construed as
emergencies.

1. The Board agrees to include on the application for volunteers a question
as to any felony convictions and/or child abuse convictions.

2. Prior to the principal assigning a volunteer to work with a classroom
teacher, the teacher shall be given a reasonable amount of time during
which he/she may interview the volunteer and/or let his/her views be
known regarding the volunteer’s assignment to the classroom. The
parties agree that the best interests of all parties are served when
volunteer assignments are made in an atmosphere of mutual
consideration.

3. If a conflict arises after placement of a volunteer in a teacher’s
classroom, the teacher shall request, in writing, a change of volunteers.
If such request is denied, the principal’s reasons for such a refusal shall
be stated in writing by the principal with copies to the teacher, the
volunteer, the Union president, and the area superintendent.

P. When the principal determines to change a student’s placement, the
affected teacher(s) shall have been given notice of the change.

Type "G" employees shall receive rank differentials as provided in Article XVII, effective 1986-87 school year. REDUCTION IN FORCE

A. If, in the exclusive judgment of the Board, it is determined to reduce the number of teachers on continuing contract or professional services contract, the Board shall attempt to accomplish such reduction by attrition. Prior to reducing the number of continuing contract/professional services contract teachers as provided herein, the Union shall be given the opportunity to express its views regarding such reduction. If such reduction of teachers on
continuing contract cannot be accomplished by attrition, the following
procedures shall be utilized in the following order:

1. The Board shall identify the instructional assignment(s)
   [grade(s)/subject(s)/special area(s)], to be reduced. All annual contract
teachers in such assignments shall be non-renewed prior to any
reduction of continuing contract or professional services contract

subject to reduction pursuant to this Article shall be reduced while an
annual contract teacher is employed in a position for which the
continuing contract or professional services contract teacher is certified,

experience” shall mean service rendered while under contract with the
Board, provided such service qualifies for years of experience for salary
purposes, and provided such service has been continuous.

fulfilling educational requirements of the district. As used herein
“educational requirements” shall be construed to mean activities within
the district, which relate to particular area(s) of curricular or
extracurricular activities, or differentiated pay positions, with or without
additional financial compensation, and the particular ability of individual
teachers to effectively complete these assignments.

B. In the event it is determined a reduction in teachers shall occur, the Union
President shall be given the opportunity to discuss the reduction with the
Superintendent.

C. If the Board shall determine to employ teacher(s) at any time during the
seventeen (17) calendar months next following such reduction in staff, such
positions shall be offered in writing to the last continuing contract or
professional services contract teacher in such instructional assignment
terminated in the inverse order of lay-off, provided such teacher holds the
required certification and is deemed by the Board to be qualified to fulfill the
educational requirements of the district. Such offer, delivered in person or by certified mail, shall be to the most current address of the teacher as reflected in the records of the Board.

D. Nothing herein shall prohibit teachers who have been reduced pursuant to this Article from seeking and/or accepting gainful employment elsewhere.

E. Nothing in this Article shall be construed as to prevent the Board from providing staff balances to comply with mandated programs or to preclude or overcome any form of illegal discrimination.

Committee recommendations to be made to the parties for the purpose of negotiations prior to the start of bargaining for a successor Agreement. The Union and the Superintendent shall each appoint one-half (1/2) of the committee members.

B. Two (2) years of credit for purposes of placement and vertical movement on the salary schedule shall be given for military service completed since January 1, 1940. A year of experience shall be granted for twelve (12) months of active duty service. A partial year shall be counted if the active military service is within thirty (30) days of being a full year. Additional credit shall not be allowed for teaching assignments while in military service.

C. Ninety-nine (99) or more days of full-time teaching, to include paid leave, in any single year shall be considered as one (1) full year of experience. If a full-time teacher works no less than one (1) full year and such full semester has fewer than ninety-nine (99) days, one year of experience will be granted for pay purposes.

D. Adjustments to higher salary levels shall be made upon submission by the teacher of appropriate academic credentials. These adjustments shall be included in the first paycheck practicable following submission of the appropriate credentials and shall be paid retroactive to the date earned within the current fiscal year.

E. The Board shall provide terminal pay to any teacher upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death. However, such terminal pay shall not exceed the amount shown as follows:
1. During the first three (3) years of district service, the daily rate of pay multiplied by thirty-five percent (35%) times the number of days of accumulated sick leave.

2. During the next three (3) years of district service, the daily rate of pay multiplied by forty percent (40%) times the number of days of accumulated sick leave.

3. During the next three (3) years of district service, the daily rate of pay multiplied by forty-five percent (45%) times the number of days of accumulated sick leave.

4. During the next three (3) years of district service, the daily rate of pay multiplied by fifty percent (50%) times the number of days of accumulated sick leave.

5. During and after the thirteenth (13th) year of district service, the daily rate of pay multiplied by one hundred percent (100%) times the number of days of accumulated sick leave.

6. The four (4) days of sick leave credited to each teacher shall be treated as four (4) days of entitlement upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death.

7. Payment for terminal pay as described above will be paid sixty (60) days after the date of normal retirement.

F. To calculate a teacher's daily rate of pay, the base salary shall be divided by one hundred ninety-six (196). To calculate an eleven (11) or twelve (12) month teaching contract salary, the ten (10) month base salary shall be divided by one hundred ninety-six (196) days and multiplied by the actual number of contract days.

G. Effective January 1, 1999, salaries for teachers shall be paid by direct deposit. Effective July 1, 1999, salaries for teachers shall be paid by direct deposit on a bi-weekly schedule over the term of their school year, or twelve months at the teacher's discretion. For teachers on a traditional calendar, the choice will be twenty-one (21) or twenty-six (26) paydays in equal payments. Teachers hired after the first day of the normal contract year (late hires) shall be paid the number of paychecks remaining in the 26-pay cycle for the balance of that contract year. For subsequent years of continuous employment such late hire teachers shall have the option of twenty-one (21) or twenty-six (26)-paydays in equal payments as described above.
Exact pay dates will be mutually agreed to by the Union and the Board prior to implementation and will be included on the school calendar as adopted by the Board.

L. Effective the beginning of the 1987-88 school year, the Board shall provide a teacher with the option of an annual payment for sick leave days accumulated during the school year provided such payment is subject to the teacher's exemplary attendance for the school year as reflected in the district payroll records. A teacher who is absent for more than four (4) workdays during the school year shall not be eligible for annual payment as provided herein. Provided that absences on approved professional leave and/or line-of-dut leave, two (2) days of personal leave charged to sick leave used for the purpose of religious observance, personal leave used for NBPTS, paid military leave, and jury-duty leave shall not adversely affect such record of exemplary attendance. Any other absences from duty, including illness or injury in-line-of-duty shall act as a bar to the benefit provided in this paragraph. Payment for such exemplary attendance shall be calculated at eighty percent (80%) of the affected teacher's daily rate times ten (10) days. Days for which such payment is received shall be deducted from the accumulated sick leave balance. Payment as provided herein shall be made as soon as payroll procedures may reasonably permit, but no later than July 1, of the year in which the application is made.

ARTICLE XVIII - DIFFERENTIATED PAY PLAN

A. The Board shall make an effort to find teacher volunteers for all positions
pursuant to this Article. Part of such effort shall include placing written
notice of such vacancy on a bulletin board(s) in the teachers' lounge(s) or
other area where teachers' mailboxes exist. The principal shall establish
minimum qualifications for differentiated pay positions within a school and
shall review all applicants who meet the minimum qualifications and make
his/her determination as to who should fill the position. When other
factors are judged to be equal, it is the intent of the district that teacher
applicant(s) from the school with the vacant position shall be chosen.

B. Paid extracurricular duty and differentiated pay positions shall be those
set forth in this Article.

C. No compensation for any differentiated pay positions shall be paid from
cost center internal accounts unless expressly provided herein.

D. Teachers participating in supervisory duties of events unrelated to the
necessary operation of the schools outside the normal teacher workweek
and which generate funds, including but not limited to athletic events,
dances, and other social functions, shall be compensated at ten dollars
and zero cents ($10.00) per hour.

E. Nothing shall be construed as to require the filling of any position listed
herein, nor to preclude payment of any amount to a teacher for the
performance of duties not prescribed herein which occurs outside the
normal teacher workweek.

F. Payments for differentials which are not paid on a monthly basis shall be
included in the teacher's regular paycheck upon completion of the
sponsored activity.

G. In the event an elementary teacher plans to engage in an activity which
he/she views as qualifying for a special Elementary Program differential,
the teacher may submit a written request for such differential to his/her principal. Such request shall contain the anticipated number of hours beyond the normal teacher forty (40) hour workweek. Upon review of the material, the principal shall submit the request in a timely fashion along with his/her recommendation for final determination, including his/her reasons for such recommendation.

Continuation of Benefits

In the event a teacher's contract is not renewed at the end of the regular school year such teacher may elect to continue medical, dental, and vision benefits under the COBRA provisions and life insurance, should such teacher subsequently be re-employed at the beginning of the following school year, the Board will reimburse the teacher for the amount the Board would have paid for medical and vision insurance benefits and life insurance had the teacher's contract been renewed. In the event a teacher's employment is terminated with the Board, the District shall calculate the coverage such teacher is due based on his/her premium contributions and appropriate insurance coverage shall be provided by the Board.

Should there be a discrepancy between this Appendix and the Summary Plan Description (SPD), the provisions of the SPD prevail.
