EARLY RELEASE DAYS

On Early Release Days, students will be released approximately three hours earlier than the regular dismissal time. The remaining portion of the day is used for professional development, which allows school staff to participate in schoolwide training. Parents should check with their child's school for after-school programs or arrange for alternate childcare.

WEATHER-RELATED SCHOOL CLOSINGS

Local radio and television stations will report school closings due to weather. The decision to close schools is usually made by 6 a.m. and is based on factors such as transportation, the condition of the schools, weather forecasts and street conditions.
