## Be Part of Your Child's Education

Community involvement is the key to success in the Fulton County School System. Volunteers are welcome at the local school and system levels. For volunteer information, contact your principal, PTA president, Local School Advisory Council representatives or call 404-763-6772.

Another way to be involved is to stay informed of actions and activities of the Fulton County Board of Education. The Board usually meets on the third Thursday of each month, with a work session held on Tuesday of the proceeding week. Meeting times, locations, agenda, minutes and directions are available online at www.fultonschools.org.

Board members also hold monthly community meetings. Locations and dates are publicized in local newspapers and at www.fultonschools.org.

## Weather Related School Closings

Local radio and television stations will report school closings due to weather. The decision to close schools is usually made by 6 a.m. and is based on factors such as transportation, the condition of the schools, weather forecasts and street conditions.

## Standardized Testing

Throughout the year, students participate in standardized testing as part of the statewide testing program. The results help assess students' strengths and weaknesses and guide schools in planning for improvement.

It is important that parents make sure their student is present at school during all testing dates. Doctor's appointments, vacations or any other activity that would keep a student out of school should not be scheduled during testing weeks. For your convenience, testing dates are printed on the back of this calendar. Dates are subject to change and available under Calendars at www.fultonschools.org.
