AGREEMENT made and entered into by and between the

HARTFORD BOARD OF EDUCATION
(hereinafter referred to as the “Board”) and the

HARTFORD FEDERATION OF TEACHERS, LOCAL NO. 1018,
AMERICAN FEDERATION OF TEACHERS, AFL-CIO
(hereinafter referred to as the “Union”).

WHEREAS, Connecticut General Statutes, Sections 10-153a through 10-153j, recognize the procedure of collective bargaining as a peaceful, fair and orderly way of conducting relations between boards of education and teacher organizations; and

WHEREAS, in a special referendum conducted among the certified personnel of the Hartford Public Schools a majority of those voting selected as their sole representative the Hartford Federation of Teachers, and it thereby became the exclusive collective bargaining representative for all teachers in the unit; and

WHEREAS, the Board and its designated representatives have met with representatives of the Union including meetings appropriately related to the budget-making processes, and fully considered and discussed with them, as representatives of the teachers in the bargaining unit: salary schedules, working conditions, personnel policies and other conditions relative to employment, effective from July 1, 2005 to June 30, 2008, it is agreed as follows:

ARTICLE I - UNION RECOGNITION

A. The Board recognizes the Hartford Federation of Teachers, Local 1018, AFT-CT, American Federation of Teachers, AFL-CIO, as the exclusive bargaining representative of all those employees in the teachers’ bargaining unit as defined by Connecticut law for the purpose of collective bargaining.

B. Nothing contained herein shall be construed to prevent any individual employee from (1) informally discussing a complaint with an immediate supervisor or (2) processing a grievance in his/her own behalf as an individual in accordance with the grievance procedure contained herein.
C. DSAP Holders

In accordance with the provisions of Public Act 03-174, employees working in a teaching position solely on the basis of a Durational Shortage Area Permit (DSAP) shall be included in the bargaining unit. Such individuals shall be covered by all terms and conditions of the collective bargaining agreement, except as follows:

1. A DSAP holder shall not accrue seniority or length of service for any purpose of this Agreement. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained continuously by the Board as an employee after receiving such certification, with no break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of employment by the Board.

2. The Board shall have the right, in its sole discretion, not to renew and/or terminate the employment of a DSAP holder, and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.

3. DSAP holders shall have no bumping rights or recall rights under this Agreement. Reduction in force and recall provisions shall not apply to such DSAP holders.

4. A DSAP holder shall have no rights related to assignments, transfers and opportunities. DSAP holders may be assigned as needed in the district in the Board’s sole discretion. A DSAP holder shall have no right to file and/or pursue a grievance with respect to such issues.

ARTICLE II - BOARD PREROGATIVES

It is recognized that the Board has and will continue to retain whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the public schools in the City of Hartford in all its aspects, including but not limited to the following: to take all actions necessary to implement the provisions of the Strategic Plan and the 48 Recommendations of the Connecticut Commissioner of Education; to maintain public elementary and secondary schools and such other educational activities as in its judgment will best serve the interests of the City of Hartford; to give the children of Hartford as nearly equal advantages as may be practicable; to decide the need for school facilities; to determine the care, maintenance and operation of buildings, lands, apparatus and other property used for school purposes; to determine the number, age and qualifications of the pupils to be admitted into each school; to employ, assign and transfer teachers, to suspend or dismiss the teachers of the schools in the manner provided by statute; to designate the schools which shall be attended by the various children within the City; to make such provisions as will enable each child of school age residing in the City to attend school for the period required by law and provide for
the transportation of children whenever it is reasonable and desirable; to prescribe rules for the management, studies, classification and discipline for the public schools; to decide the textbooks to be used; to make rules for the arrangement, use and safekeeping of the school libraries and to approve the books selected therefor and to approve plans for school buildings; to prepare and submit budgets to the City Council and, in its sole discretion, expend money appropriated by the City for maintenance of the schools, and to make such transfers of funds within the appropriated budget as it shall deem desirable. These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with or in violation of any of the specific terms and provisions of this Agreement. No action taken by the Board with respect to such rights, responsibilities and prerogatives, other than as there are specified provisions herein elsewhere contained, shall be subject to the grievance provisions of this Agreement.

ARTICLE III - GRIEVANCE PROCEDURE

A. Definitions

1. Grievance: A complaint by an employee, a group of employees similarly situated or affected, or by the Union that there has been a misinterpretation, misapplication or violation of the specific provisions of this Agreement.

2. “Work days,” for purposes of this Article, shall mean any day that the district (Central Office) is open.

Grievances filed by the Union shall be brought in the name of the Union signed by the President of the Union (or her/his designee). Such grievances shall be processed at all steps using testimony of affected individual(s) whether or not they are named grievants.

B. Procedure

Grievances shall be processed in the following manner:

Step 1: A bargaining unit member must submit his/her grievance in writing and such grievance must be received by the immediate supervisor within twenty (20) work days of the date when the events giving rise to the grievance occurred. Such submission shall be made to the immediate supervisor for a satisfactory adjustment. The written grievance must indicate the specific nature of the grievance and the specific contract provision(s) alleged to be violated. Such immediate supervisor may request a meeting with the bargaining unit member prior to making his/her decision, but in any event must render his/her decision within five (5) work days of the submission. The bargaining unit member may be accompanied by a Union representative if he/she so desires at any such meeting.
Nothing in this provision shall prohibit a bargaining unit member from informally discussing his/her problem with the involved supervisor, prior to filing a grievance. However, the time limits for filing the initial grievance may only be waived or extended by written agreement between the Labor Relations Manager/Director of Human Resources (or specified designee) and the Union President (or designee).

**Step 2:** If no satisfactory settlement is reached after presentation of the grievance at Step 1, the grievance may be pursued by the bargaining unit member to the Superintendent (or his/her designee) by providing the Superintendent (or his/her designee) with a copy of such grievance and requesting a meeting in writing, within ten (10) work days of the decision of the Supervisor at Step 1. The Superintendent or his/her designee will schedule a meeting with the Grievant to attempt to resolve the issues related to the grievance within twenty (20) work days following the bargaining unit member’s filing the grievance with the Superintendent (or his/her designee). The Superintendent (or his/her designee) shall have ten (10) work days after holding the meeting to issue a written decision. A copy of the decision shall be provided to both the Grievant, if a Grievant was present at the meeting, and the Union.

**Step 3:** In the event that the grievance is not settled at Step 1 or Step 2, then the Union may seek arbitration of the grievance. No bargaining unit member may file for arbitration as an individual, but only the Union may file an appeal to arbitration hereunder. The Union’s request for arbitration shall be in writing and must be filed with the applicable arbitration agency with a copy to the Superintendent within ten (10) work days after the receipt of the Superintendent’s (or his/her designee’s) decision at Step 2 or not later than ten (10) work days following the expiration of the time limits for making such a decision, whichever shall occur first. All grievances filed for arbitration shall be submitted to the American Arbitration Association.

In lieu of submitting grievances to the American Arbitration Association for arbitration the parties may by mutual agreement submit grievances to a single arbitrator mutually selected by them.

The decision of the arbitrator shall be final and binding upon both parties, except as otherwise provided by law. The arbitrator shall have no power to add to, delete from, or modify in any way the provisions of this Agreement.
C. General Provisions:

1. The specific provision(s) of the Agreement which have been alleged to have been violated in the matter must again be identified in the submission.

2. The parties shall share equally in the general cost of the arbitration, including the arbitrator's fee, but shall be responsible for bearing their own respective costs associated with the arbitration process. If a postponement is necessary for one party, that party must pay the postponement fee. If the parties mutually agree to a postponement, they shall share equally the costs of any such fee.

3. Any grievance, as defined above, not presented for disposition through the grievance procedure described under “Procedure” above within twenty (20) work days of the time when either the Grievant knew or reasonably should have known of the conditions giving rise thereto, shall not thereafter be considered a grievance under this Agreement.

4. Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the aggrieved to proceed immediately to the next step. Failure at any step to appeal within the specified time limits shall be considered a withdrawal of the grievance. Failure at any step to appeal if no decision was rendered shall also be considered a withdrawal of the grievance. The time limits specified at any step after Step 1 may be extended in any particular instance by written agreement signed by both the Labor Relations Manager and an officer of the Union.

5. Grievances arising from the action of an official other than the immediate supervisor shall be filed with the involved administrator.

6. Meetings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity to attend for all persons proper to be present. Such meetings shall be scheduled to avoid interference with instruction of students. When such meetings are held during school hours, all persons who participate shall be excused without loss of pay for that purpose. The grievant or grievants shall be excused one (1) hour prior to commencement of the proceeding, and witnesses shall be excused thirty (30) minutes prior to commencement of the hearing. Persons proper to be present for the purposes of this section are defined as an aggrieved teacher or teachers, their appropriate Union representatives, and qualified witnesses.

7. The Union will be notified, in advance, of the time and location of grievance meetings held by the Labor Relations Manager.
8. The Union shall have the right to initiate a grievance or appeal from the disposition of a grievance of any bargaining unit member or group of members at any step of this procedure.

9. a. A Union representative shall be permitted to investigate and process grievances when otherwise free from teaching or duty assignments. In no case shall the Union Representative interfere with normal classroom procedures of others.

   b. In schools where there is no Union representative, a teacher shall be appointed by the Union as building representative. The President of the Union shall notify the principal and teachers of the building of the name of the appointee.

10. a. The Board shall permit the President of the Union or the President’s designated representative, with the permission of the principal or, in his/her absence, the person in charge of the school, to visit the schools for any purpose relating to terms and conditions of this Agreement.

   b. Permission to visit schools shall not be unduly withheld. If conferences with teachers or other bargaining unit members are necessary, they shall be scheduled so as not to interfere with the duties and responsibilities of the teacher.

D. **No Work Stoppage**

The Union and the Board agree that any difference between the parties on matters relating to the Agreement shall be settled by the means herein provided. The Union in accordance with Connecticut law, will not, during the term of this Agreement, engage in or condone any strike, work stoppage or other concerted refusal to perform any assignment on the part of any employee represented hereunder.

**ARTICLE IV - POLICY AND ADMINISTRATIVE MANUAL**

The Board shall provide to the Union a copy of its policy manual, regulation handbook for principals and central administrators and all amendments thereto.

**ARTICLE V - SALARIES**

A. Teachers shall be paid in accordance with the salary schedule set forth in Appendix A annexed hereto and made a part hereof.
B. Teachers shall be paid bi-weekly (every other Friday), in equal installments. Teachers may select to be paid on a 22 pay plan or a 26 pay plan. Any teacher wishing to change his/her payment plan must notify the Payroll Office on or before July 1st of each school year. Teachers paid under Appendix D of this Agreement for Summer School, Extra Pay for Extra Duty, will either receive in writing clear notification of hours worked from the Payroll Department for specific duties (e.g. Power Hour, class coverage, loss of preparation time, etc.) or have such notification clearly delineated in their pay stubs.

Decisions about the approval of a course of study shall be final and irreversible, and shall not be subject to the grievance procedure. Administrator certification may qualify an individual teacher for an upgrade provided the course of study, or individual course, is previously approved by the Superintendent or his or her designee, in his or her sole discretion.

the beginning of the school year only. Teachers must notify the administrator in charge of upgrading certified employees by June 15th of the preceding school year. In order to obtain the degree change, such teachers must provide the administrator with an official transcript verifying the degree status before August 1st. Degree status change will not occur without the submission of such verification and the late submission of such verification will cause degree change to take place at the next year.

F. Workers' Compensation

Workers' compensation benefits shall be paid in accordance with the law. Any teacher on workers' compensation leave on July 1, 2005 shall continue for the duration of that leave in whatever pay status he or she is in on that date. HFT agrees that any portion of the health, dental or prescription drug plan may be self-insured or insured at the sole discretion of the Board. If the plan is self-insured, the plan shall still conform to the state benefit mandates promulgated by the Connecticut legislature. If there is a claim dispute, if the State Department of Insurance agrees to accept jurisdiction, the parties agree to allow such jurisdiction to resolve the claim. If the State Department of Insurance refuses to accept jurisdiction, the parties may reach mutual agreement about another body, entity or forum where the dispute may be heard.
B. Alternative Health Insurance Plans

The Board reserves the right to study alternative health insurance plans with different administrators. The Board reserves the right to change health insurance provided the following steps occur:

1. The plan suggested as an alternate must contain substantially equal coverage, benefits, portability and administration as the present plan(s) at no additional cost to the employee.

2. The Union shall have an opportunity to study the proposed plan for a period of sixty (60) working days.

3. If at the end of the aforementioned sixty (60) working days there is disagreement between the parties on whether or not the plan offers substantially equal coverage, benefits, portability and administration, then the issue will be sent to a mutually selected arbitrator. If the parties are unable to agree on an arbitrator, the American Arbitration Association shall be requested to appoint an arbitrator with expertise in the health insurance field in accordance with its rules and regulations. The decision of the arbitrator as to whether the proposed plan is substantially equal to the then current plan shall be binding on the parties.

4. The Board may propose an alternate health insurance plan only one (1) time during the life of the contract.

C. Life Insurance

The Board further agrees to extend without cost life insurance (the amount thereof to be one and one-half times the individual’s annual salary) to include unit members who are assigned on or before December 1 in any year for a teaching position. After retirement, the amount of said life insurance coverage may be converted at a level not less than 50% of its face value at the time of retirement, at the retiree’s own expense.

The City will make available to unit members a Supplemental Universal Life Insurance Program. Such program will be voluntary, provide discounted rates, and will be paid by each unit member through payroll deductions. The program will offer portability and guaranteed rates at the time of separation from the Board of Education.

D. Sick Leave

The regular yearly sick leave allotment shall be twenty (20) days (not including personal days); the accumulative unused sick leave days shall not exceed 175.
Deductions from sick leave for teachers who have accumulated the maximum allotment of 175 shall be first from the annual allotment of twenty (20) days, and from the accumulated days only after the twenty (20) days have been exhausted.

A teacher who leaves school due to illness before completing one half of the workday shall be docked one-half sick day.

A medical certificate is required of a bargaining unit member who is absent for more than five consecutive days. A medical certificate may be required of a bargaining unit member whose attendance record exhibits excessive use or a pattern of abuse (e.g. extending a holiday, a weekend, and/or vacation; missing the first/last day of school; etc.). An administrator may require a medical certificate for future absences once excessive use or a pattern of abuse has been noted. The provisions of this paragraph shall not be subject to arbitration.

Teachers shall not utilize sick leave time for wellness appointments and/or routine preventative appointments.

E. Sick Leave Bank

1. All members of the bargaining unit shall become participants in the sick leave bank by contributing three (3) days from his/her accumulated sick leave. If at any time the total number of days in the bank drops below three thousand (3,000), the employees will again deposit into the bank three (3) days by each teacher.

2. Upon exhaustion of accumulated sick leave any teacher covered by this Agreement may apply to the Sick Leave Bank Committee, as hereinafter provided, for a withdrawal of days. Application should be made as soon as the teacher suspects that time will be requested. Sick Bank time is not awarded retroactively after the teacher has returned to work.

3. A Sick Leave Bank Committee consisting of two (2) members appointed by the Superintendent and two (2) members appointed by the President of the Union will be established. The Sick Leave Bank Committee will review all applicants desiring to withdraw days from the bank. The decision of the committee shall be final.

4. Applications to the Committee shall be made by letter and accompanied by a physician’s statement describing the illness and prognosis for a date of return to work. Applications shall be transmitted, with supporting documents, to the Co-Chairpersons of the Committee. It is the applicant’s responsibility to provide,
with the letter of application, the following information to both Co-Chairpersons:

a. A description of the condition requiring additional sick leave days.

b. A complete history of the use of accumulated sick leave time. Include dates absent and the reasons where possible. Date of expiration of full days or accumulated sick time is also required.

c. A statement of the history of the condition and other relevant conditions.

d. A statement from the attending physician or medical professional offering a diagnosis and a prognosis and, where possible, an estimated date when the applicant may return to work.

e. A request for a specific number of days from the Sick Leave Bank.

f. Incomplete applications will not be acted upon by the Sick Leave Bank Committee.

5. An employee who exhausts all full pay accumulated sick leave may be granted up to thirty (30) school days by the committee in response to the written application. Payment for such days shall begin only after all full pay accumulation has been used. Additional sick time will not be granted to persons who have abused existing sick days. The Teachers’ Sick Bank is a valuable benefit for all teachers. It is an insurance policy against catastrophic illness or disability which assures that teachers’ salaries are continued during times of stress and sickness.

6. If, after the original withdrawal authorized by the committee, the employee is unable to return to duty, he/she may submit to the committee an application for an additional withdrawal of up to twenty (20) school days. The second withdrawal will begin following expiration of the first withdrawal.

7. The first and second application must be accompanied by a physician’s statement describing the illness and prognosis for a date of return to work. Thereafter, any part-pay accumulation as described above to which the employee is entitled shall be implemented. The Sick Leave Bank Committee shall have the authority to require a second opinion by a physician designated by the committee, the cost of such opinion to be borne by the employee.

8. The Sick Leave Bank Committee shall have the discretion, but be under no obligation, to authorize additional days from the bank to employees in cases of
extended disability. The Committee’s decisions shall not be subject to the grievance process.

F. Longevity

Teachers employed prior to the 1999-2000 school year who meet the service requirements, in active service (on payroll) or on paid sick leave shall accrue a longevity payment, one-half in January and one-half in July payable only in July according to the number of service years an employee will have served by June 30 of the school year in question. After completing ten (10) years of service in the Hartford Public Schools, teachers shall receive $100 per year for each year of service.

Longevity payments will continue for unit members hired prior to July 1, 1999, except that the annual payment will only be issued to unit members receiving a satisfactory or better evaluation based on a definition of satisfactory to be agreed on after the pilot period of the evaluation instrument is completed.

Temporary teacher or long-term substitute experience in Hartford and military service to a maximum of four years incurred after appointment in Hartford are recognized. Fractions of a school year (less than 180 days) are not counted and may not be accumulated.

G. Severance Pay

Employees hired before July 1, 1995 shall be eligible for the following:

1. Upon the death of an employee or upon retirement, under the State pension plan, an employee or the employee’s beneficiary shall be entitled to severance pay at the rate of one day’s pay for each “full” day of accumulated sick leave credited to the employee at the time of termination in excess of 45 “full” days up to a maximum of 30 days’ severance pay. If an employee is absent due to any extended illness during his/her final school year of service, the 45-day
minimum accumulation requirement shall be reduced by one day for each day of such extended illness until the reserve of accumulated sick leave has been exhausted. An extended illness for the purpose of this clause shall be defined as one requiring absence of 15 or more consecutive days. Teachers in the system who were hired before July 1, 1995 may, in the alternative, elect to be paid under the formula set forth in Subsection 2.

2. Upon the death of an employee or upon retirement under the State pension plan, an employee, or his/her beneficiary, shall be entitled to severance pay at the rate of one day’s pay at the employee’s current daily rate times the product of the total unused accumulated sick days multiplied by a factor of 30%. The daily rate would be determined by dividing the teacher’s annual salary by 180.

3. In order to receive severance pay on the date of retirement or the first payroll date thereafter, employees who plan to retire from April 1 through June 30 of any year must give at least 180 calendar days’ prior notice of their definite intention to retire. Employees who plan to retire at any other time of the year must give at least ninety (90) calendar days’ notice. These notice requirements shall not be applicable to employees who die or become physically disabled in such a way as to force their retirement. In the event that an employee, subject to these notice requirements, fails to comply with said notice requirements, severance pay shall be paid within 180 days after the day of notice of retirement.

4. An eligible teacher who terminates or whose employment is terminated for any reason other than death or retirement shall have no right to compensation for unused sick leave.

H. **Part-time Teachers’ Benefits**

1. **Insurance.**

   Part-time teachers under regular contract shall be entitled to share in all insurance programs, excepting life insurance, on a prorated basis dependent on the portion of the school week that they are employed. The individual teacher will be required to pay the portion of the cost not covered by the Board.

2. **Course Payments.**

   Part-time teachers who are employed under regular contract for a minimum of one-half of the school week, shall be allowed to take one 3-credit course compensated by the Board, under the provisions of Article XII, Section H provided that the course:
a. Leads to certification, if the teacher is not fully certified.

b. Leads to increased proficiency in the subject matter area in which he/she is teaching.

c. That the course is approved in advance by the administration.

I. Insurance Coverage While On Leave

Any employee on an authorized leave of absence without pay, shall be entitled to continue as an enrolled member of any insurance policy where authorized by the insurance contract set forth in this Article, provided such teacher has made arrangements satisfactory to the Superintendent for payment in full of the cost of such insurance program during his/her absence. If the insurance carrier allows payments to be made on a basis other than noted above, this will be approved by the Superintendent.

ARTICLE VII - FAIR PRACTICES

A. The Board agrees not to unlawfully discriminate in the application of the terms of this contract against any teacher on the basis of race, religious creed, color, national origin, ancestry, age, sex, sexual orientation, present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to, blindness, or marital status.

B. The Union agrees not to unlawfully discriminate in the application of the terms of this contract against any teacher on the basis of race, religious creed, color, national origin, ancestry, age, sex, sexual orientation, present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to, blindness, or marital status.

C. The Board and the Union agree that they shall not discriminate, engage in reprisals or punitive action against any grievant or member of the bargaining unit for his/her participation in or nonparticipation in any protected activity as set forth in Connecticut General Statutes, Sections 10-153a through 10-153r.

D. The provisions of paragraphs A, B and C above reflect the parties’ understanding of their legal obligations. Any alleged violation of this paragraph shall be subject to resolution procedures established by law and shall not be subject to the grievance procedure.
E. **Discipline**

1. No member shall receive a written reprimand copied to the personnel file, or be suspended without pay except for just cause.

2. All suspensions must be in writing to the employee with the reason for the disciplinary action stated. Notification shall be given to the Union.

3. The remedies set forth in Conn. Gen. Stat. Sec. 10-151 shall be the exclusive remedy for the termination or non-renewal of the contract of any teacher. Any request for a hearing concerning non-renewal or termination of contract must be requested within twenty days of receipt of notification, or otherwise as set forth in any amendment of Connecticut General Statutes Section 10-151.

**ARTICLE VIII - OPPORTUNITIES AND ASSIGNMENTS**

A. **Definitions**

1. An “assignment” is the placement of a member of the bargaining unit within the same school or, for teachers whose assignment is program based, within the same program.

2. A “transfer” is a change in school building placement or, for teachers whose assignment is program based, in a program on either a voluntary or involuntary basis.

B. **Assignment**

1. The assignment of a bargaining unit member is the responsibility of the Superintendent or his/her designee, e.g. school or program administrator.

2. a. Teachers shall be given an opportunity to fill out preference sheets indicating three preferences in order of priority grade level by March 15, with the understanding that such preference requests shall be taken into consideration in making assignments for the ensuing year.

   b. All teachers will be given their teaching assignments, but not necessarily the actual period-by-period breakdown, no later than June 15 except, however, that such assignments may be changed hereafter because of conditions or contingencies beyond the control of the Board.

3. A copy of teaching schedules, including non-teaching assignments, shall be available at each school. All non-teaching duties and emergency assignments
within a school are to be shared among the bargaining unit members on an equitable basis, subject to the requirements of the situation.

4. Positions filled by assignment of an individual from the same school shall not be subject to the posting requirement. The position within the building ultimately left vacant will be subject to the normal posting procedure.

C. Transfers, Voluntary

1. All known or anticipated vacancies for the subsequent school year shall be posted by April 15 of each year. Additional vacancies shall be posted as they become known. The posting shall include the qualifications or special training relevant to, or required for, the position. On or before April 25, tenured bargaining unit members shall complete an application for transfer to any posted position or to a particular school whether or not a specific opening exists at that school at the time of the posting.

2. The application for transfer shall include up to two openings or desired locations for which the bargaining unit member wishes to be considered.

3. In filling vacancies, the administrator shall select the most qualified applicant. In determining qualifications, the Superintendent or his/her designee, shall consider the following:

   a. Certification required for the position

   b. Experience: Demonstrated experience in relevant elementary positions or subject area experience for secondary positions.

   c. Educational Background: Graduate courses and advanced degrees in the grade level or subject area directly related to the posted position.

   d. Specialized training relevant to the position.

   Upon the request of the Union, decisions as to qualifications for a position shall be subject to review by the Superintendent or his/her designee, which decision shall not be arbitrary or capricious.

4. Appointments shall be effective at the beginning of the subsequent school year, unless otherwise determined by the Superintendent.
5. Bargaining unit members may request information as to the reason they were not selected for a posted position. Such information shall provide substantive reasons for the denial of the transfer.

6. If the employee’s transfer request is granted, the employee may be denied a subsequent transfer for a period of two years, on that basis alone.

D. Transfers, Involuntary

1. Before an involuntary transfer is made from a school because of a loss of position at the school, consideration shall be given to the following:

   a. Volunteers who may wish to transfer to another school or work site;

   b. The least senior employee in the affected certification areas (elementary) or department (secondary).

   The Superintendent or his or her designee may deviate from seniority for reasonable cause.

   Employees transferred involuntarily because of a loss of position at the school, shall have the right to return to the same school or department in the reverse order in which they were transferred (unless there is reasonable cause not to make the transfer), if a vacancy for which the teacher is certified occurs within two years of the involuntary transfer. The teacher shall complete a form provided by the Human Resources Department within one month of the transfer to exercise this option.

2. A teacher may be involuntarily transferred from a school because of performance concerns if the teacher has received a rating of needs improvement, unsatisfactory, or is on intervention during a particular school year. In such cases, teachers may be granted, at the Superintendent’s discretion, an administrative transfer to another location. Employees transferred involuntarily because of performance concerns shall have the right to apply for vacancies that may arise in the school from which they were transferred under the provisions of Article VIII C above, provided that the employee is tenured. The decisions of the Superintendent under this section are shall be final and not subject to the grievance procedure.

3. Involuntary transfers shall not be made without prior consultation between the teacher and the Superintendent or the designee of the Superintendent, at which time the teacher shall be notified of the reasons for the transfer. To the extent possible, teachers shall receive written notice of transfers to be effective at the
beginning of the next school year prior to June 15. During the summer, teachers shall be notified in writing by regular and certified mail at the address on file with the Board of any involuntary transfers and the reasons therefor. The teacher may request consultation with the decision maker within two (2) days of receipt of the notice and the reasons for the transfer.

4. Notwithstanding the foregoing, the transfer of teachers to and from a school identified in accordance with any applicable state or federal law (where such law, or the implementation of the law, permits and/or contemplates changes in staff and/or reconstitution), shall be determined by the Superintendent or his or her designee, and shall not be subject to the grievance procedure. Involuntary transfers into or out of a school identified in accordance with any applicable state or federal law (where such law, or the implementation of the law, permits and/or contemplates changes in staff and/or reconstitution), shall not be made without prior consultation between the teacher and the Superintendent or the designee of the Superintendent, at which time the teacher shall be notified that the involuntary transfer is being implemented in connection with an applicable state or federal law.

a. The Superintendent shall select teachers to be transferred out of a school identified in accordance with any applicable state or federal law (where such law, or the implementation of the law, permits and/or contemplates changes in staff and/or reconstitution). The sole criterion shall be whether the transfer is in the best interest of the Hartford Public Schools.

b. Prior to involuntarily transferring any teacher into a school identified in accordance with any applicable state or federal law (where such law, or the implementation of the law, permits and/or contemplates changes in staff and/or reconstitution), the Superintendent may choose either of the following options:

i) Select one or more of the fifty (50) Master Teachers within the bargaining unit that were previously designated by the Board. Bargaining unit members and new hires who apply and are accepted for these Master Teacher positions will have no specific assignment at any school site and will accept temporary assignments throughout the district at the direction of the superintendent or his or her designee. Postings for these positions shall clearly state their itinerant nature, that those selected shall act as troubleshooters for the system, that they will likely be asked to work in priority schools and other challenging and critical situations, that the elite nature of these positions requires proven success as an educator and finally that those
selected for these positions will be making a three year commitment during which they are waiving their rights under the voluntary transfer provisions of this agreement. The Board and the Union recognize that the skills, flexibility and expertise demanded of these positions may require additional compensation. The Board, at its discretion, may choose either the leadership stipend, the extended day stipend, the extended year stipend or any combination thereof depending on the Board’s need to attract applicants to these positions.

OR

ii) Seek volunteers from across the school district, and interview qualified volunteers.

The final decision regarding which of the above options to use and/or which teachers shall be involuntarily transferred into a school identified in accordance with any applicable state or federal law (where such law, or the implementation of the law, permits and/or contemplates changes in staff and/or reconstitution), shall rest with the Superintendent or his or her designee.

E. Layoff and Recall

1. In the event of a reduction in force necessitating the elimination of bargaining unit positions, teachers will be laid off in the reverse order of their seniority in the system within certification area(s). The Board may deviate from seniority for reasonable cause. No permanent teacher shall be laid off as long as there are non-tenured teachers holding positions for which the permanent teacher is qualified.

2. Any employee who is laid off shall have recall rights as follows:

   a. Teachers who have been laid off shall have their names placed on a preferential hiring list.
   b. Seniority shall be the determining factor in recall provided that the teacher is certified and qualified for the position. The Board may deviate from seniority for reasonable cause.
   c. i. A teacher’s name shall remain on the list for a period of thirty (30) months from the date of layoff or until the teacher refuses a position for which the teacher is qualified.
      ii. A teacher who formerly worked 40% or more shall remain on the recall list unless the teacher refuses a position which is 40% or more of a full-time position.
d. No new employee shall be hired to fill a position for which there remains a certified and qualified laid off teacher.

e. Teachers on the recall list shall be notified of openings by regular and certified mail sent to their last known address and must respond to the Administrator for the Department of Human Resources within ten (10) days of the delivery date of the notification of the opening. To insure coverage under this subsection, teachers must keep the Board informed of all address changes.

F. **Board-Created Opportunities**

1. It is recognized that during the course of a year there are many opportunities for teachers which arise in the system. Board-Created Opportunities shall be defined as programs which extend beyond the normal workday or work year that do not require a teacher to leave a current teaching position, for example: Summer School, Adult School, Curriculum Teams. Such opportunities shall be posted system-wide, setting forth the requirements, schedules and rates of pay and the procedure for application. Members of the bargaining unit shall have preference for all such opportunities provided the member is qualified. If the position is not filled by a bargaining unit member, the Board may then offer such position to a non-unit member.

2. All postings for such positions will be made as soon as they are known. Teachers will have ten days to apply for openings except where it may be necessary to post for less than this period of time. The Union will be notified in writing within ten days of the names of the teachers chosen for the respective positions. The time for filing a grievance will be within ten calendar days from the time the notification is sent to the Union.

**ARTICLE IX - NOTICES AND ANNOUNCEMENTS**

A. **Circulars**

All official circulars from the Superintendent’s office and from the Board which are intended for the information of the employees shall be posted on school bulletin boards so as to be available to them as soon as possible upon receipt in the schools. Copies of these circulars, after a reasonable posting time, shall be filed in each school so that they continue to be available to the employees as needed for their effective period.

B. **School Organizational Chart**

An organizational chart, showing lines of authority of all administrative personnel, shall be posted on the bulletin board of each school.
C. Notices to Union

A copy shall be sent to the Union office of any notice, directive or bulletin relating to teachers generally or to any substantial group of teachers.

ARTICLE X - CLASS SIZE LIMITATIONS

The Board agrees to maintain the class size limitations listed below.

1. a. No regular academic elementary class in grades pre-kindergarten through 2 shall exceed 23 students, excepting experimental teaching situations or classes specifically established for larger group instruction.

   b. No regular academic class in grades 3 through 6 shall exceed 27 students, excepting experimental teaching situations or classes specifically established for larger group instruction.

   c. No regular academic class in grades 7 through 12 shall exceed 28 students, excepting experimental teaching situations or classes specifically established for larger group instruction.

   d. Recognizing the value to special education students, it will be expected that special education classes will not normally be doubled up in art, music, physical education or other areas of special instruction.

   e. The class size limitations listed above shall be increased by 5 students for regular academic classes that are co-taught. Co-taught shall be defined for the purposes of this Article as a class comprised of both special education and regular education students and taught by both a special education teacher and a regular education teacher.

2. Class sizes and excesses shall be determined on the basis of class roster(s), except in cases where it is reasonable to adjust the number of students on the roster downward. Examples of appropriate reasons to adjust the number of students on the roster downward include, but are not limited to, the following: a student who is rostered in more than one classroom or school; a student who is known to have moved from the school; a student who is on a long-term absence due to illness, incarceration, or for any other reason; or a student who has been removed from the class and is awaiting placement elsewhere.
3. On or before October 14th, but no earlier than September 20th, each teacher who believes his or her class(es) are in excess of the limitations set forth above, or as contained in the Special Education Class Size Guidelines contained in Appendix C, must initiate the formal process and submit his or her claim of an excess in writing to the Director of Human Resources. Such written claim must include the following information: (1) the name of the teacher; (2) the name of the school; (3) the grade level or classes (including whether or not the class is co-taught); (4) the number of students enrolled in the affected class; (5) the date that number was enrolled; and, (6) a copy of the attendance sheet for that date. The Director must receive all written claims of excesses by October 14th. Any claim of an excess arising prior to October 14th and not submitted in writing to the Director of Human Resources by October 14th shall be deemed waived by the teacher and shall not be subject to the grievance procedure. Nothing in this paragraph shall prohibit a teacher from communicating with his/her principal regarding class size issues prior to September 20th.

If a teacher believes his or her class(es) are in excess of the limitations set forth above, or as contained in the Special Education Class Size Guidelines contained in Appendix C, for the first time after October 14th in any school year, he or she must submit his or her claim of an excess in writing as described above to the Director of Human Resources within fifteen (15) days of the first day of the excess. Any claim of an excess arising for the first time after October 14th and not submitted in writing to the Director of Human Resources within fifteen (15) days of the first day of the excess shall be deemed waived and shall not be subject to the grievance procedure.

4. The determination of appropriate class size shall be on or before October 21, at all school levels. The parties shall also continue ongoing review of class size issues throughout the school year.

5. On or before October 15, in each school year, the Board shall present a proposal to resolve all claimed class size issues to the Union. Such recommendations shall be consistent with the following:

a. Classes shall be leveled first within the various sections within the grade level in the school to the extent possible.

b. It is understood that combination classes or classes in excess of the allowable limits are viewed by the parties as temporary solutions. When such solutions are necessary, the Board will add the services of resource teachers and/or aides to the combination or oversized classes while the Board implements permanent solutions such as redistricting and addition of extra classroom space, etc. Permanent solutions to overcrowded classroom situations shall be implemented as soon as possible. In unusual circumstances, such as the critical shortage of qualified teachers in a particular certification or subject area, it may be
necessary to temporarily exceed the class size limits of this Article. No resource teacher shall be assigned to more than three classes under this provision.

c. The Board agrees that the special education class size guidelines in effect as of the effective date of this Agreement, shall be not increased during the life of this Agreement without prior negotiations with the Union and are subject to the grievance procedures of this Agreement up to the Superintendent level.

d. The parties agree that these guidelines are intended to insure an orderly procedure for a return to compliance from temporary excesses in class size limitations.

6. If the Board does not provide any support by October 22\textsuperscript{nd}, in the case of an excess claim filed in writing to the Director of Human Resources on or before October 14\textsuperscript{th}, or within twenty school days of the filing of written notice with the Director of Human Resources, in the case of an excess claim filed after October 14\textsuperscript{th}, the Board shall provide the affected teacher with a resolution. If no resolution is provided or if such resolution is not deemed satisfactory by the member/Union, the member/Union may pursue the matter in writing, addressing the specific claim and requested remedy for each impacted teacher. Such written claim must be received by the Superintendent or his/her designee within five school days of October 22\textsuperscript{nd} or within five days of the Board’s deadline to respond, if such claim is made for the first time after October 14\textsuperscript{th}.

7. The Superintendent shall render his/her decision within ten (10) days of receipt of such claim.

8. If the matter is not settled satisfactorily by the Superintendent or his/her designee, the Union may within ten (10) days of receipt of the Superintendent’s decision, submit the matter to the American Arbitration Association for final and binding arbitration utilizing the AAA expedited arbitration rules, practices and procedures.

In August of each year, the parties shall begin the arbitration selection process. The selected arbitrator shall make available five (5) days for hearings during the last two weeks of November. The hearings shall be held according to the rules and regulations of expedited arbitration.

The resulting remedy, if any, shall address the problems encountered as a result of combination and/or oversized classes. The arbitrator shall have full authority to fashion an appropriate remedy.
9. “Days,” for purposes of this Article, shall mean any day that the district (Central Office) is open.

ARTICLE XI - EXTRACURRICULAR ACTIVITIES

A. Assignments to paid extracurricular activities shall be voluntary. In the event that no volunteers are forthcoming for a given extracurricular activity for which there is a provision for payment in Appendix B annexed to this Agreement, a teacher may be appointed by his/her immediate supervisor, provided that no teacher may be required to accept such appointment in two (2) successive years.

B. Vacancies in such assignments for which compensation is provided shall be posted for a period of ten days as they become available. The posting shall include the qualifications required and the qualifications preferred for the position. Where the posted extracurricular activity is limited to one school, then the activity may be posted with preference to unit members within the school.

C. Members of the bargaining unit shall have preference for all such positions, provided that they are qualified. Appointments to extracurricular positions (with the exception of mandatory assignments made in accordance with Section A above) shall be for a two year term, during which the teacher may be removed only for just cause. At the end of the term, the position shall be reposted and shall be open to all candidates, including the incumbent.

D. Any teacher involved in athletic coaching shall not be scheduled for detention time which will conflict with that activity. However, excused time for this activity will be made up after the activity is completed.

E. It is understood that if an employee is expected to conduct activities within the school building after the normal school hours, a custodian shall be required to be in the building until the activity is concluded and such employee has left the premises.

ARTICLE XII - MISCELLANEOUS

A. Representation

1. Any employee who is summoned to the Board of Education building by an administrator shall be informed of the matter in regard to which his/her presence is required. If the employee reasonably believes that the meeting will result in disciplinary action he/she may be accompanied by a representative of the Union if he/she desires.
2. If a school administrator summons a teacher to the school office, the teacher shall be informed of the matter in regard to which his/her presence is required. If the employee reasonably believes that the meeting will result in disciplinary action he/she may be accompanied by a representative of the Union if he/she desires.

B. Substitutes

1. Whenever a teacher, K-8, who is otherwise free from teaching or duty assignment is required to cover more than one-half of a class period for another teacher, he/she shall be paid at the emergency coverage compensation rate listed in Appendix D of this Agreement for each class period. A regular K-8 teacher shall be considered free from a teaching assignment or duty assignment whenever a special, art, music or physical education teacher is instructing the class and an agreement has been reached with the special teacher or with the principal that does not require the presence of the regular teacher.

Whenever a shortage of qualified substitutes occurs and the Board is unable to hire a substitute for an absent teacher according to its normal procedure and coverage is required, then coverage will be provided as follows:

A period by period roster listing the names of all teachers in alphabetical order who are available (that is, have a scheduled preparation period) each period will be available at the desk of the principal’s secretary and teachers will be used on a rotating basis.

a. At no time will head teachers or media coordinators be used for coverage except for emergency or short-term assignments as for a homeroom period.

b. Counselors and other special service personnel (social workers, psychological examiners, special education resource teachers, TESOL teachers, librarians) may also be used in emergency situations for class coverage.

c. The exempt teachers noted above shall be used only after each staff member in a particular period has gone through four rotations and no volunteers are available. The exempt teachers, if utilized, shall be utilized on an equitable basis.

2. Whenever a high school class requires coverage, the class will be covered by a teacher who has no specific teaching assignment for that period. A roster listing the names of all teachers available each period shall be maintained at the desk of
the principal’s secretary and available for review at anytime. Teachers will be assigned to class coverage on a rotating basis. If there is an emergency need for coverage and a teacher is required to provide class coverage during his/her preparation period more than once in any semester, he/she shall receive the emergency coverage compensation rate listed in Appendix D of this Agreement for each such class period covered commencing with the second such period in a given semester.

3. A per diem substitute is one who is employed on a day-to-day basis because there is no regularly appointed teacher for such duties, and as such is not a member of the bargaining unit. A per diem substitute shall become a temporary teacher subject to the applicable provisions of this Agreement when such person works in the same position for forty (40) consecutive school days.

4. **Temporary Teacher**

   a. A certified employee or an employee serving under a Durational Shortage Area Permit (“DSAP”) who is replacing a teacher for more than forty (40) consecutive school days on an approved or authorized leave of absence.

   b. A certified employee or an employee serving under a Durational Shortage Area Permit (“DSAP”) who is filling a position for more than forty (40) consecutive school days for which a permanent teacher has not been appointed.

   c. A certified employee or an employee serving under a Durational Shortage Area Permit (“DSAP”) who is filling a position for more than forty (40) consecutive school days due to the resignation, retirement or termination of a regularly appointed teacher prior to the end of the academic year to which he/she was appointed.

All temporary teachers shall be placed on the BA Step 1 of the salary schedule or on a higher placement as determined by the Superintendent and receive all the benefits granted to regularly appointed teachers. Such salary placement shall be made after the temporary teacher has worked in the same position for forty (40) consecutive school days or at such earlier time as determined by the Department of Human Resources.

All other teachers shall be regularly appointed teachers.

Teachers on the layoff list or teachers who have received notice of layoff shall have preference by seniority for temporary teacher positions for
which they are qualified. They shall be placed on the appropriate step of the salary schedule and retain all their rights and privileges.

Notwithstanding any of the above, a regularly appointed teacher who, prior to layoff or prior to receipt of notice of layoff, transfers into a temporary teacher opening shall retain his/her regular status.

A teacher who is on layoff who is recalled to a temporary teacher opening shall be considered regularly appointed and shall retain whatever rights to be placed in a permanent full-time position as he/she had while on layoff and shall attain no greater rights as to recall because of appointment to the temporary position.

C. Preparation Periods for Teachers

1. While the student schedule in effect at the high schools for the 2001-02 school year remains in effect, all high school teachers will normally teach five class periods per day and be scheduled for two periods per day for educational purposes, one which shall be for assigned duties, and one of which shall be for preparation. Whenever a class requires coverage, the class will be covered by a teacher who has no specific teaching assignment for that period. A roster listing the names of all teachers available each period shall be maintained at the desk of the principal’s secretary and available for review at any time. Teachers will be assigned to class coverage on a rotating basis. If there is an emergency need for coverage and a teacher is required to provide class coverage during his/her preparation period more than once in a semester, he/she shall be paid at the emergency coverage compensation rate listed in Appendix D of this Agreement for each class period after the first such occurrence in each semester. If classes do not meet for the full five-day week; the guaranteed average shall decline proportionally. If school opens late or is dismissed early, and a teacher’s release time is scheduled for the before or after school time period, the teacher shall not have a preparation period that day.

2. While the student schedule in effect at the middle schools for the 2001-02 school year remains in effect, teachers at the Middle School level and seventh and eighth grade teachers in K-8 schools shall teach five periods and shall have a minimum of one preparation period per day, and where additional special subject areas are offered, one duty period per day. If there is an emergency need for coverage and a teacher is required to provide class coverage during his/her preparation period, he/she shall be paid at the emergency coverage compensation rate listed in Appendix D of this Agreement for each class period. If classes do not meet for the full five-day week; the guaranteed average shall decline proportionally. If school opens late or is dismissed early, and a
teacher’s release time is scheduled for the before or after school time period, the teacher shall not have a preparation period that day.

3. Volunteers from the bargaining unit shall be sought to perform detention duty. If there are no volunteers, teachers may be assigned this duty by the principal on a rotating basis, provided that no teacher will be assigned such duty more than five (5) days per year, and provided further that at least two weeks’ advance notice of the assignment will be given.

4. All teachers in the elementary schools shall have a minimum of 180 minutes per week for preparation time on a monthly average. If classes do not meet for a full five-day week during each week; the guaranteed average shall decline proportionally. If school opens late or is dismissed early, and a teacher’s release time is scheduled for the before or after school time period, the teacher shall not have a preparation period that day.

5. If the Board exercises its unilateral right to alter the scheduling of the student day at the middle school or the high schools, the parties shall bargain the impact of such change in this section, including the number of preparation periods per day and per week, and the length of those periods.

D. Leadership Positions

1. **Head Teachers in High Schools.** Subject to the Board’s right to restructure positions set out in Section 2 below, if Head Teacher positions continue in the configuration that obtained in the 1998-1999 school year, the following shall apply:

   a. A Head Teacher position recognized in administrative policy shall be filled by the principal on an annual basis in consultation with the appropriate supervisor. The preferences of the members of the department shall be taken into consideration.

   b. A Head Teacher shall carry a normal teaching load and one additional unassigned preparation period to carry out the responsibilities of the position.

2. **Department, Team, Cluster or Academy Leadership Positions.** If the Board establishes positions at the Middle or High School level to facilitate coordination and communication among members of a department, team, cluster, or academy, such positions shall be filled by the principal in consultation with the members affected. There shall be rotation in these positions from time-to-time among volunteers for staff development purposes.
a. The teacher holding such a position shall be compensated by a stipend of $1,000 per year;

b. The precise responsibilities and the modification, if any of the position shall be determined by the School Improvement Team in view of the unique needs at the school site. Such modification shall be subject to the approval of the Board and the Union, which shall not be unreasonably withheld.

3. No teachers including head teachers, or persons in department, team, cluster or academy leadership positions shall be required to hire, fire, evaluate or discipline any members of the bargaining unit, or to make effective recommendations regarding any of the above.

E. Duty Free Lunch

All teachers shall have a minimum of a thirty (30) minute duty-free lunch.

F. Reimbursement for Losses

The Board will allocate $5,000 for the purpose of reimbursing teachers for loss, excluding cash, or damage to personal property (other than cars) incurred while in the performance of duty. Such payments shall not duplicate those covered by the teacher’s insurance. The Board will also allocate $10,000 for the purpose of reimbursing teachers for damage to their cars while on school duty, whether or not the car is covered by insurance. All reimbursements for the foregoing will be held until the end of the fiscal year at which time reimbursement will be made in full if the amount allocated is sufficient for such purpose. Otherwise, prorated reimbursement will be made according to the demands made on the respective funds.

G. Parking Facilities

The Board and the Union will work in cooperation with the Police Department to establish parking facilities for teachers wherever necessary and possible.
H. Professional Improvement/Tuition Reimbursement

The Board desires to encourage the professional improvement of its employees in areas directly related to their employment. Teachers who have completed one year of satisfactory service in the Hartford Public Schools and have successfully completed the semester course shall be eligible for tuition reimbursement of up to $300 per credit, up to a maximum of six (6) credits per year. Courses shall be eligible for reimbursement only during the school year in which the teacher took the course(s). Teachers must submit any course for reimbursement within three months of receipt of the final grade, or the claim for reimbursement shall be waived. For purposes of this article, successful completion means, at a minimum, receipt of a B or a Pass for the completed course work.

I. Familiarizing Teachers Concerning Pupils with Special Problems

Teachers shall have called to their attention promptly any unusual problems of any pupil assigned to them of which the administration is aware in order that they may more fully familiarize themselves with such pupil’s record.

J. Collections from Students

The only programs for which teachers will be required to collect monies are those sponsored or approved by the Board. Such collections shall not exceed three per school year and shall continue for no longer than one week per collection.

K. Professional Study Days

The Board shall pay the reasonable expenses (including fees, meals, lodging and transportation) incurred by teachers who attend workshops, seminars, conferences, conventions or other professional improvement sessions (such as visiting days) at the request and/or with the advance approval of the principal or coordinator and Assistant Superintendent of Schools and/or his/her designee for particular purposes of special benefit to the school system.

Advance notice of at least 10 school days must be provided by any teacher requesting a professional study day, except in cases of a teacher substituting for another in connection with a previously approved request. Approval of teacher requests is at the discretion of the Superintendent and is not subject to the grievance process beyond the Superintendent level. A written report may be required of any teacher attending such sessions.
L. **Student Teachers**

Any teacher requested to accept a trainee will have one week’s advance notice.

Teachers shall have the right to accept or reject a student teacher.

No student teacher shall be assigned to a teacher who does not have three years of teaching experience, one year of which shall be in the Hartford Public Schools.

M. **Teachers’ Lounge**

Every school shall have at least one teachers’ lounge which is kept clean and provided with suitable furniture.

N. **Buildings with No Cafeteria**

Every effort shall be made to provide refrigerators and cooking facilities in all teacher lounges in buildings without cafeterias.

O. **Instructional Staff Work Year/Workday**

1. **Teacher Workday**

   a. The teacher workday shall be the student day plus ten minutes prior to the opening of the student day and ten minutes after the close of the student day, or six hours and forty-five minutes, whichever is greater. In grades 9-12 teachers are required to remain through the eighth period (45 minutes after the school day ends) on one day per week, other than Tuesday. In addition to the time set forth above, teachers in all schools shall be required to attend up to two additional forty-five minute meetings per month, scheduled by the principal on a given day of the week for the year, for the purpose of group, team, and/or grade level meetings and/or any other committees on which teachers serve. The type of meeting shall be determined by the Administration.

   b. The work day for professional personnel assigned to the Psychological, Speech and Hearing and Social Work Departments shall be from 8:30 a.m. to 4:00 p.m. each day, or the work day of teachers in the buildings to which they are assigned.
2. **Teacher Work Year**
   a. The work year for teachers as of the effective date of this Agreement is 187 days, of which 182 are designated for student instruction.
   b. Prior to the extension of the work day or the work year, the Board will discuss the need with the Union. If the Board decides to proceed with an increase (except as provided below), the Board agrees to negotiate the impact of such change, pursuant to Connecticut General Statute 10-153f(e).

3. **Teacher Conferences and Open Houses.**
   a. Teachers at all levels shall be required to attend 1 mandatory evening Open House activity each year. In addition, teachers shall be required to attend 3 evening parent-teacher conferences that will convene from 5 p.m. to 7 p.m. at the high school level and from 6 p.m. to 8 p.m. at all other levels.
   b. The Board may schedule parent-teacher conferences at all levels. There shall be 3 early release days scheduled each year on the day immediately following the evening parent-teacher conferences referenced above. The schedule on such days shall be two (2) hours early release and an additional two (2) hours after the normal dismissal time, and teachers are required to remain on site during all such scheduled conferences.
   c. The Board may change the arrangements set out in this Section, provided that the Board and the Union shall negotiate over the impact of any such change.

4. Notwithstanding any other language contained herein in this section, the Board shall retain the right to schedule early release days for students. The Board may schedule in-service training for teachers on such days. On such early release days, the workday for teachers shall be extended by the same number of minutes (not to exceed two hours) as students are dismissed early.

5. During the last scheduled professional development half day of each school year, the elementary school teachers shall be released from attending professional development activities and shall instead perform administrative duties in the school, including completing their cumulative files, updating their record keeping, finalizing their class lists/placements, and the like.
P. Assembly Coverage by Special Teacher

Any special teacher scheduled for a class that is at an assembly period will relieve the regular teacher for that portion of the assembly period that said special teacher would be instructing that particular class, but not if the special teacher is involved in the assembly program.

Q. Save Harmless Policy

The Board shall protect and save harmless any teacher from financial loss and expense, including legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of alleged negligence or other act resulting in bodily injury to or death to any person or damage to or destruction of property within or without the school building, provided such teacher at the time of the occurrence resulting in such injury, damage or destruction was acting in the discharge of duties within the scope of employment or under the direction of the Board. (Connecticut General Statutes, Section 10-235). These obligations are set out in statute and are not subject to the grievance procedure.

R. Faculty Meetings

1. Notice of faculty meetings shall be posted by noon on the school day before the day of the meeting except in emergencies. No teacher shall be required to attend more than two full faculty meetings per month unless the person calling the same shall file, prior thereto, a written statement with the Superintendent (and a copy with the Union School Committee) setting forth the need for such additional meetings.

2. In no event shall faculty meetings extend more than sixty (60) minutes beyond the normal time for teachers to leave school.

S. Discipline

Nothing in this section shall be construed to require the Board or the Administration to violate the provisions of the Family Educational Rights and Privacy Act (“FERPA”).

1. It is understood and agreed by the Board and Union that the discipline of students is the joint responsibility of both the teachers and the administrators.

2. The Board and the Union agree at the opening of each school year to establish a joint School Discipline Committee to provide a continuing study of discipline and the School Discipline Handbook within the school and to make recommendations for their improvement.
a. Copies of the School Discipline Handbook shall be made available to the teachers. Said School Discipline Handbook shall contain the Board’s then current complete discipline policy.

b. Upon request, the committee shall be entitled to receive on a quarterly basis a report that includes the following:

i. To the extent such statistics and/or records are kept, the number of students referred to school administration for discipline;

ii. To the extent such statistics and/or records are kept, types of offenses for which students are referred;

iii. Number of cases in which the student is either suspended or expelled;

iv. Type and length of sanction.

3. The School Discipline Committee shall include the principal (or designee) and at least three teachers selected by the Union School Committee.

4. The teacher is entitled to know the outcome of the disciplinary action taken by the principal (or designee) in any case where such teacher has filed a written statement of the offense and full information on disposition of the case will be made available to the referring teacher on request.

5. Teachers receiving students from long-term suspension, full-time placement outside of the system, or incarceration shall be given notification of the student’s return and necessary information, within any applicable legal limitations, regarding the student’s situation and subsequent interventions in order to allow the teacher to appropriately service the student.

6. So as to avoid potential FERPA violations, Sections 4 and 5 are not subject to the grievance procedure.
T. Teacher Evaluations

Evaluations shall be conducted in accordance with the provisions of Section 10-151b of the Connecticut General Statutes, as amended from time to time. This reference to statutory rights is provided for informational purposes and is not subject to the grievance procedure, provided however that claims concerning the procedural provisions of the evaluation plan may be submitted to the grievance process up to the Superintendent level.

U. School Calendar

Prior to adoption by the Board of the school calendar for the school year, the proposed calendar shall be submitted to the President of the Union for comments and suggestions.

V. Art Carts

A cart will be provided on every floor to carry art supplies if an art room is not available to the teacher.

W. Building Security

The Board shall continue its efforts to provide adequate building security against trespassers.

X. Teacher Rotation

Teachers shall not be assigned regular elementary and/or middle school classroom combination classes for more than one year without prior consultation and agreement of the teacher. Should such classes exist for more than one year at a specific grade level, such assignments shall be rotated among the potentially affected teachers (e.g. teachers assigned to fifth and sixth grades in the case of a 5/6 combination class) notwithstanding any other provision of this Agreement.

Y. Job Sharing

The Board may permit job sharing opportunities annually. Job sharing grants may be made annually subject to the following terms and conditions:

1. Teachers shall be appointed to job sharing positions on a voluntary basis only. Job sharing arrangements shall be subject to mutual agreement of the teachers involved. Any job sharing arrangement must be approved by the Superintendent or his or her designee. Salary, fringe benefits and the Board’s contribution for
health benefits shall be prorated in accordance with the allocation of responsibility under the job sharing plan.

2. The parties shall create a Job Sharing Committee, consisting of one member appointed by the Superintendent and one member appointed by the President of the Union.

3. Applications for job sharing positions must be submitted to the Job Sharing Committee by February 1 prior to the year requested. The application shall identify the teachers involved, the position sought, and the plan for allocating responsibility for all areas of teacher responsibility, including teaching, grading, parent communication, administrative responsibilities and all other professional responsibilities of the position. The application shall also include a written statement from the principal concerning his/her position regarding the application for a job sharing position. The Job Sharing Committee shall forward the application along with its written recommendation to the Superintendent or his/her designee before March 1 prior to the school year requested.

4. The Superintendent or his/her designee shall consider and grant or deny each request on its individual merit on the basis of whether the plan is educationally sound, with priority consideration of the impact, if any, on the education of the children. Such decisions shall be made on an annual basis on or before May 1. Teachers who wish to job share in future years shall follow the procedures set out in paragraph 2.

5. Job sharers shall substitute for each other whenever possible. Schedules may be adjusted to allow partners the opportunity to pay back the other by covering (i.e., cover the appropriate number of days that one partner substitutes for the other).

6. If for any reason a member of a job sharing team is unable to continue in the position, the partner will be given the option to cover the entire position for the remainder of the year until another job sharer can be identified. The substitution of a new job sharer shall occur only upon approval of the Superintendent after consideration of the impact on the position to be vacated.

7. At the end of a job-sharing arrangement, a teacher who is job sharing will be guaranteed his/her return to a full-time position at the beginning of the school year if the teacher would otherwise be entitled to a position under this Agreement. The teacher must notify the Department of Human Resources by February 1 prior to the school year requested of his/her intent to return to a full-time position.
Z. **Areas of Shortage or Extreme Need**

The Board may determine areas of shortage or extreme need in filling vacant positions. When necessary, to attract the highest quality applicants, the Board may offer “Signing Bonuses” to prospective applicants. Such payments shall be in an amount not to exceed $5,000.

AA. **Innovations**

Notwithstanding the provisions of Article XX, the parties agree that innovations in educational programs are necessary to the Hartford Public Schools. The Board reserves the right, by providing written notification to the Union, to request negotiations over provisions in this Agreement that may be affected by such innovations (e.g. changes in educational delivery models such as online courses and the use of distance learning technology), such as (but not limited to) length of school day, transfers, assignments, and preparation periods. Such a request to negotiate will be necessary only where such changes impact wages, hours or conditions of employment over which the parties are obligated to bargain. Such negotiations shall be governed by the provisions of Connecticut General Statutes Section 10-153f(e).

BB. **Teaching Schedules**

A copy of teaching schedules, including non-teaching assignments, shall be available at each school. All non-teaching duties and emergency assignments within a school are to be shared among the bargaining unit members on an equitable basis, subject to the requirements of the situation.

**ARTICLE XIII - PROFESSIONAL STATUS**

A. **Suggestions and Contributions**

It is recognized that the bargaining unit members are members of a profession and have the interest of professionals in their work. It is further recognized that they may make constructive suggestions and contributions toward the administration of the school system.

A bargaining unit member who believes he/she has not been treated as a professional, in conducting his/her work, may file a grievance against the involved administrator. Such grievance shall be processed through the Superintendent-level and shall not be subject to arbitration.
B. Union School - Principal Meeting

The principal of a school shall meet at least once a month with and at the request of a Union School Committee not exceeding five in number selected by the Union from among its members in that school in order to discuss school operations and questions relating to the implementation of this Agreement. Proposed changes in existing policies and procedures for that school shall be proper subjects for discussion at such meetings. Specific information concerning pending grievances at Steps 1 through 3 of the grievance process shall not be proper subjects for discussion at such meetings. Policies which may be adopted or maintained for that school as a result of such meetings shall not be inconsistent with the terms of this Agreement nor shall they be contrary to Board policies except upon mutual written agreement between the Board and the Union. The principal shall have a preliminary agenda furnished by the Union School Committee two days in advance of the meeting. The school principal, if he/she so desires, may place items on the agenda of the monthly meeting. The Union shall be given a copy of the principal’s preliminary agenda items at least two (2) days in advance of the meeting. Vice principals may sit in with the principal at such meetings. Agenda items shall be addressed in alternating order, and there shall be a ninety-minute time limit on such meetings which may be extended by mutual agreement. Either or both parties may bring resource persons to the meeting.

C. Union - Superintendent Meeting

The Superintendent of Schools and representatives of the Union shall meet at the request of either party on a monthly basis to discuss matters of educational policy and professional concern as well as matters relating to the implementation of this Agreement for a period not to exceed two hours except as it may be extended by mutual agreement. Policies adopted or maintained as a result of such meetings shall not be inconsistent with the terms of this Agreement nor shall they be contrary to Board policies except upon mutual written agreement between the Board and the Union.

1. The Union Committee for this purpose shall consist of three to five members.

2. The Superintendent may meet in person or through his/her designated representative and may include at the meeting such members of his/her administrative staff as he/she may desire.

3. The Union and the Superintendent will submit, at least one week in advance of such meeting, items which they wish to be placed on the agenda for discussion.
D. **Ad Hoc Committee**

Nothing in this Article shall be deemed to curb the absolute right of the Superintendent and/or the Board to appoint and meet with ad hoc committees made up of individual teachers for the purpose of discussing such administrative matters as the Superintendent and/or the Board may desire. It is understood, however, that such committees as are set up under this Section shall not discuss matters which by statute are reserved to the Union as the representative of teachers for collective bargaining.

E. **Exchange of Views Concerning Construction**

The Board or its representatives and representatives of the Union shall exchange views concerning major alterations in existing school buildings and proposed new construction, as part of the regularly scheduled Union School–Principal and Union-Superintendent Meetings.

F. **Job Descriptions**

While the establishment of job descriptions is a prerogative of the Board, the Union has a right and the Board an obligation to negotiate the salary, terms and conditions of employment for unit members working under such descriptions.

G. **Health and Safety**

The principal of a school or his/her designee shall meet no more than once every other month, at the request of a Union Health and Safety Committee, not exceeding five in number selected by the Union from among its members in that school, in order to discuss issues relating to health and safety at the school. There shall be no prohibition on the Administration including participants from other Unions or from the Administration, in its sole discretion.

**ARTICLE XIV - UNION RIGHTS**

A. **Dues Check-off**

The Board agrees to deduct via payroll dues for all members of the bargaining unit, unless an individual member gives notice to the Director of Human Resources, in writing, that he or she wishes to have deducted the service fee only. Effective with the employee’s date of hire, the proper deduction will be made each month from the employee’s salary and forwarded to the Union monthly. Upon the payment thereof to the Union, the Board shall be held free and harmless from any liability in handling such Union dues and may require a release from the Union.
B. **Agency Fee**

Effective October 1, 1979, all employees shall, as a condition of continued employment, join the exclusive bargaining representative organization or pay to the exclusive bargaining representative an annual service fee not greater than the amount of dues uniformly required of members of the exclusive bargaining representative organization, set by the Union in accordance with law.

The Board shall deduct the amount certified by the Union as the annual dues or annual service fee from the pay of each employee in equal biweekly installments. All such deductions shall be remitted to the Union by the fifteenth (15th) day of the month for which the deduction is made. Employees on leaves of absence must make suitable arrangements in advance of such leave to pay the annual service fee or Union dues directly to the Union.

Payments for new employees shall commence within thirty (30) days following the effective date of employment.

The Union shall hold the Board and City harmless against any and all claims, demands, liabilities, lawsuits, counsel fees or other costs which may arise out of, or be by reason of, actions taken against the Board as a result of administration of the provisions of this section.

C. **Union Leave**

Union members will be granted leave without loss of pay to attend special leadership training opportunities and for special Union business upon request of the President of the Union with the approval of the Superintendent which shall not be unreasonably denied.

D. **Exclusive Bulletin Board**

At least one bulletin board shall be reserved at an accessible place in each school for the exclusive use of the Union for the posting of Union notices and/or announcements.

E. **Union Meetings in Schools**

The Union may call meetings in each school before or after school or during the lunch hour upon request to and permission from the principal. Individuals having assignments at the time the meeting is scheduled must request and receive individual permission to attend. Permission in either instance shall not be unreasonably withheld.
F. **Copy of Agreement**

The Board agrees to furnish a copy of this Agreement to every employee covered herein within forty-five (45) days following the ratification of the Agreement by the parties. In accordance with the above understanding, new hires shall be provided a copy of this Agreement at the time of employment. Upon mutual agreement of the format to be used, the Union agrees to share the cost of printing the Agreement equally.

G. **Union Rights to Information**

There shall be made available to the Union, upon its request, any and all information, statistics and records that are relevant or necessary for the proper enforcement, implementation or negotiations of the terms of this Agreement, to the extent to which such material is readily available or is reasonably obtainable. Records of teachers other than those involved shall not be available without the approval of the individual teachers. The furnishing of such data, records, etc., shall be in conformity with both State and Federal regulations.

H. **No Pay Loss for Meetings**

Whenever members of the bargaining unit are scheduled by the parties to participate during school hours in conferences or meetings, they shall suffer no loss in pay. Meetings shall be scheduled to minimize interference with instructional time.

Notwithstanding the above provision of XIV(H), teachers who attend grievance hearings during the school day shall be excused one (1) hour prior to the commencement of the proceeding, and witnesses for the same hearing shall be excused thirty (30) minutes prior to the commencement of the hearing.

I. **Union Right to Board Agenda**

A copy of the public agenda of the regular Board meetings shall be available to the official Union representative to the Board twenty-four hours prior to the meetings. The agenda of special meetings shall be available to the official Union representative to the Board twenty-four hours prior to the meeting except in the case of emergency meetings in accordance with statute.

J. **Access to School Budget**

The supply budget allocation for each school shall be made available to the Union’s building representative at his/her request.
K. **Building Representative Release**

All official building representatives shall be released from morning homeroom assignments and yard duty and shall continue to be released from afternoon high school homeroom assignments. Official building representatives may be used in an emergency at the discretion of the principal and vice principal. The Union shall have one official building representative per fifty (50) teachers or major fraction thereof with a minimum of one such representative per school.

One individual shall be assigned to provide release time per year for homeroom coverage. Assignments for such coverage will be rotated on an equitable basis from year to year. Where possible, paraprofessionals will be assigned to provide coverage.

L. **COPE Deductions**

The Board agrees that, upon submission of the HFT-COPE payroll authorization card, the proper deduction will be made each month from the employee’s salary and forwarded to the Union monthly.

The Union shall hold the Board and City harmless against any and all claims, demands, liabilities, lawsuits, counsel fees or other costs which may arise out of, or be by reason of, actions taken against the Board as a result of administration of the provisions of this Agreement.

M. **Access to School Mailboxes**

School mailboxes shall be available for the distribution of communications by the authorized officials of any teachers’ organization. A courtesy copy shall be placed in the principal’s mailbox and a courtesy copy shall be sent simultaneously to the Superintendent. The Board and the Union shall designate a school by mutual agreement at which inter-school mailbox for the Union shall be located.

**ARTICLE XV - ELEMENTARY SCHOOLS**

A. **Elementary Head Teachers**

1. When it is necessary for the principal of a school to be absent for more than one-half day, and there is no vice principal on duty a head teacher shall be appointed to be in charge of the school. Such appointment shall be made, after posting by the principal within the school from among the senior qualified applicants.
a. The head teacher is responsible to the principal.

b. The head teacher position is operative only when the principal or the assistant principal is not available to provide coverage on routine activities that are essential for proper operation of the school or which require immediate action.

2. In an elementary school that has a non-attached building housing five (5) or more teachers with no administrator, a head teacher position may be created. Such head teacher will be paid a stipend of $500.

3. The position of the head teacher does not in any way or means relate to evaluation of teachers or supervision of instruction and is not considered an administrative position.

B. Rotating Yard Duty

Volunteers shall be sought to perform elementary yard duty before any elementary school teachers are assigned such duty. If a sufficient number of volunteers is not available, then elementary school teachers (other than building representatives) may be required by the principal to perform yard duty not earlier than 15 minutes before the school session begins and such duty will be assigned on a rotating basis by the principal.

ARTICLE XVI - SENIORITY

A. Definition of Teacher

For the purposes of this Article, the term “teacher” shall include each employee of the Board below the rank of Superintendent who holds a certificate issued by the State Board of Education and who is employed in a position for which a certificate is required by the State Board.

B. Employment Date

Seniority for all teachers shall be counted from the first day of work in the school system in a position for which the State Board of Education requires a certificate.
C. **Modification**

Seniority shall be modified by the following considerations:

1. Teachers who quit and are reemployed shall accrue seniority as of their reemployment date.

2. Teachers who are laid off and rehired shall retain all their accrued seniority but shall not accrue additional seniority during the period of layoff.

3. Teachers on authorized leave shall continue to accrue seniority.

4. Teachers on unauthorized leave shall not accrue seniority for the unauthorized days of the leave.

D. **Seniority Lists**

Seniority lists, including social security numbers and/or employee identification numbers, shall be provided to the Union upon request not more than once per year, except in the case of pending layoffs. Errors which occur inadvertently shall not invalidate the list; however, any employee laid off due to the error shall be made whole.

E. **Tie Breaker**

In case of a tie, seniority shall be determined by the last four digits of the teacher’s social security number. The higher number shall have more seniority. If an employee has no social security number, then the last four digits of the employee’s identification number will be used.

F. **Seniority for Union Officers**

Teachers shall continue to accrue seniority as long as they occupy a position within the bargaining unit.

**ARTICLE XVII - LEAVES OF ABSENCE**

A. **Sabbatical Leave**

Provided the requirements hereinafter set forth are satisfied, sabbatical leave may be granted to at least three (3) teachers for each school year.
1. **Purpose.** Sabbatical leaves for teachers are granted for professional improvement only, and these leaves are only for purposes designed to benefit the school system. These leaves are not a right, but rather a privilege or a reward for superior service.

2. **Duration of Leave.** Sabbatical leave in the Hartford Public Schools is granted for a full year or for a full semester. It is not granted for a portion of a semester.

3. **Eligibility.** No teacher can be granted a sabbatical leave unless he/she has completed seven (7) years of service as a teacher and has achieved tenure in the Hartford Public Schools.

4. **Process of Selection.** All candidates for sabbatical leave for the school year or for either semester should apply, in writing, to the Department of Human Resources on or before the third Monday in April. Each applicant is required to present, in writing, a carefully elaborated plan of study or a project, the successful completion of which will promise real benefit both to the teacher and to the Hartford Public Schools.

   Candidates are selected by a committee of three appointed by the Superintendent. In granting leaves, the Committee gives preference to a teacher who gives promise of a considerable number of years of service in the Hartford Public Schools.

5. **Requirements To Be Met.** Teachers who are granted leaves are required at the conclusion of their leaves to return to their teaching duties in the Hartford Public Schools and continue in Hartford service for not less than two years. They must submit a written agreement to the effect that if they do not return to Hartford service upon termination of leaves, they will refund all sums of money paid them by the Board during their sabbatical leaves. Unusual cases are presented to the Board for review.

   Upon completion of sabbatical leaves, teachers are required to submit to the Superintendent a written report on the work completed while on leave. These reports are included in their personnel folders.

6. **Financial Arrangements.** Teachers on sabbatical leave receive the difference between their regular salary and the salary paid teachers on the first step of the Bachelor’s schedule. In cases of teachers with legal dependents (spouse and children only, said spouse not being gainfully employed during the year of leave), there is provided an additional (family) allowance per dependent, equivalent to the current income tax exemption for dependents.
Whenever teachers are awarded fellowships by universities or foundations, consideration is given to the size of grant given these teachers by the universities or foundations involved and the Superintendent will determine the appropriate amount to be paid them while on sabbatical leave, not to exceed, in combination with the foregoing, their regular salary. To qualify for sabbatical leave with pay, fellowship holders are obliged to satisfy all the requirements outlined with this exception: they are recommended by the administrative staff rather than by the committee of three (see Subsection 4. above) since their records and qualifications have been previously examined by the committee appointed for this purpose and by the university or foundation making the grant.

Teachers who are granted sabbatical leave must agree not to accept gainful employment while on leave. Exceptions may be made by the Superintendent if the teacher on leave is granted a college or university fellowship involving a minor teaching assignment. Note – Step 1 of the 2004-2005 salary schedule was eliminated, new steps 11 and 12 were created, and the steps were re-numbered accordingly. Therefore, even though teachers on steps 1-11 move step effective July 1, 2005, the step number in 2005-2006 will be the same as it was in 2004-2005 because of the re-numbering. For example, a member on Step 2 (MA) in 2004-2005 would move to Step 2 on July 1, 2005 of the 2005-2006 schedule and would receive an increase ($40,419 to $42,235).

APPENDIX C - SPECIAL EDUCATION CLASS SIZE LIMITATIONS

THE PARTIES AGREE TO REFER APPENDIX C TO A SUBCOMMITTEE FOR DISCUSSION.

The parties agree that until and unless the subcommittee agrees to new language, the language below shall be in effect. However, the parties also understand and agree that if the Board creates new special education classes, that fall outside of the class size categories contained herein, the creation of such classes shall be made part of the subcommittee’s discussion, and shall not be subject to arbitration. Further, nothing contained in Appendix C shall require the Board to create or maintain categories, classes or programs as they are described herein. The creation of classes shall be done in conformity with applicable law and based on the individual educational needs of each student.

Final class sizes for special education students shall be determined in accordance with the requirements of state and federal law. A special education class may vary somewhat in degrees of handicapping conditions. The number and nature of the children in a special class will be assigned to attempt to ensure adequate and effective instruction of all the children in the class.

The following list reflects the classes, programs and categories presently operated by the Hartford Public Schools and the guidelines for class size limitations for the life of this Agreement.

Notes:
1. A mandated student is a student who has a valid IEP.
2. A mandated student is counted as being assigned to a given teacher if the teacher is providing special education or related services to the student.
3. Special education class size will be subject to annual leveling no later that October 14th of each school year.
4. “Additional students” may be assigned to a particular class, program or category after consultation with the receiving teacher, and after taking into the account the factors listed in Section 10-76d(5) of the Regulations of Connecticut State Agencies.
5. If the Board exercises its unilateral right to alter the scheduling of the student day, the parties shall bargain the impact of such change in this section, including the minimum number of periods per day and per week.
APPENDIX D - SALARY FOR CERTAIN EXTRA PAY POSITIONS

The extra pay rate applies to the following positions: Adult School, Home Instruction, Extra Pay, Extra Duty, Emergency Classroom Coverage, Unassigned Period

Summer School Rate: $31.51

Extra Pay Rate: $28.36
1. **Differentials**

   Teachers working an eleven-month year will be paid a 16% differential for 8:00 a.m. to 4:00 p.m., 15% for 8:00 a.m. to 2:30 p.m., during the extended work period. Teachers working an extended day (8:00 a.m. to 4:00 p.m.) will be paid an 8% differential. Teachers working both an extended year and an extended day will receive a 24% differential (8:00 a.m. to 4:00 p.m. during extended year). Under a seven-period day high school teachers asked to teach an additional period will receive one-seventh of their per diem rate. Under a six-period day, the rate would be one-sixth of their per diem rate. Teachers who work the eleven-month extended work year shall work an additional twenty-five (25) work days.

2. **Mileage**

   The mileage reimbursement rate for teachers shall be the same as that provided non-bargaining unit employees.

3. **The Hartford Federation of Teachers** will be notified in the event a termination letter is sent to a teacher.

4. Teachers wishing to receive a stamped copy of any document brought to the Department of Human Resources for their personnel file should provide a duplicate copy which the Department of Human Resources will stamp and return to them.

5. New teachers will not be placed on a step higher than present Hartford teachers. (Subject to the provisions of Article V.)

6. **Hartford Adult School Teachers**

   Hartford Adult School teachers who teach classes for which certification is required and are certified are recognized by the parties as being included in the teachers’ bargaining unit. If there exists a conflict between this provision and Article I, Union Recognition, Article I and applicable law shall supercede this provision.

   It is understood that Adult School teachers who are scheduled to teach classes for which certification is required for at least 12.5 hours or more per week will be considered rostered and shall be paid according to the teachers’ salary schedule. If a member is clearly hired to teach 12.5 hours or more per week of classes, for which certification is required, and does teach such hours, then he/she be treated as rostered at the start of the assignment.
Adult School teachers who are scheduled to teach classes for which certification is required for less than 12.5 hours per week will be considered to be in non-rostered Board-Created Opportunities and shall be paid according to Appendix D of the Agreement. Where possible, these positions shall be combined to meet the standard of hours per week to make them rostered. All positions in special Adult School programs that are scheduled for ten (10) weeks or less shall be considered Board-Created Opportunities and shall be paid according to Appendix D of the Agreement. It is understood that Adult School teachers employed less than 12.5 hours will not be entitled to any greater rights and privileges and benefits than previously enjoyed. At the conclusion of the school year, where an Adult School teacher is not initially rostered, but teaches at least 12.5 hours per week of classes for which certification is required, he/she shall be treated as rostered for purposes of seniority and shall receive step movement, where appropriate. Further, he or she, for all purposes, shall be treated as rostered from that point forward, if he/she maintains the 12.5 hour minimum weekly. To determine whether an Adult School teacher meets the 12.5 hour requirement, the weekly hours shall be determined on a weekly average over the course of an entire school year.

Adult School positions with a scheduled starting time of 3:00 p.m. shall be considered annual positions and shall be posted annually in June or individually during the school year according to Article VIII, Section C.1. of the Agreement.

Adult School positions with a scheduled starting time prior to 3:00 p.m. shall be considered rostered if they meet the standard and shall be posted according to Article VIII, Section A.1. of the Agreement when they are created or become vacant.

It is further understood that Adult School teachers will be given the appropriate differentials for extended school day and/or year when assigned.

7. Faculty Senate

A Faculty Senate consisting of 50 teachers selected by the President of the Union will meet with the Superintendent and Cabinet once in the Fall and again in the Spring of the 2005-06 school year to provide feedback on curricular and related issues. The President shall select the members of the Senate on the basis of their professional accomplishments, such as teachers of the year, master teachers, BEST mentors and other mentor teachers, teachers who possess National Teacher Certification, and other similar qualifications. There shall be no discussion of labor-management issues at these meetings. The Superintendent shall receive an agenda furnished by the members of the Faculty Senate at least 10 days prior to the date of the meetings. These meetings shall be held outside the workday for teachers for a minimum of three hours. The provisions of this paragraph shall be subject to a reopener on July 1, 2006.
8. **Distance Learning**

No existing bargaining unit member shall be permanently replaced as a result of a distance learning program.

LOCAL NO. 1018, AFT, AFL-CIO

The Hartford Federation of Teachers and the Hartford Board of Education agree and understand that currently on unscheduled early release days, teachers are generally released from school within ten minutes after the time students are released. However, if students remain in the building, teachers generally, among themselves, determine who will stay with the remaining students so they are safely looked after. Where the number of students remaining makes it feasible, available Administrators may take remaining students from teachers who have stayed in school beyond ten minutes after the release time for students. In no circumstance, however, may teachers leave the building without first ensuring that their students are under the proper supervision of certified staff.

The HFT and the Board agree to the following:

1. The HFT agrees to withdraw the Process for Course Approval and Upgrading grievances named above, with prejudice. The HFT agrees that they will not file and/or pursue any other grievance or any claims arising out of and/or in any way related to the above referenced grievances. This Settlement is meant to encompass all issues related to upgrading, course approval, and reimbursement through the date of its execution.

2. The Board and the HFT agree to the following in the matter of Salary Upgrading (Article V C of the 2002-2005 collective bargaining agreement):

   a. Effective 4/10/03, all requests for salary upgrading must be on the current “Request for Teacher Salary Upgrading” form. (This form was revised 1/16/03.)
The Board reserves the right to modify or update the form in the future. The Board shall provide a copy to the HFT of any such modification. Any request for salary upgrading must be in writing and received by Human Resources by June 15th, and if subsequently approved, the upgrade will be effective the beginning of the next school year. All official transcripts supporting the upgrade request must be received by Human Resources by August 1st. Only official transcripts received by August 1st will be considered. If the institution is unable to provide an official transcript by August 1st, Human Resources will accept, in the interim, also by August 1st, an official letter containing the university’s seal, indicating that the member has satisfactorily completed the course and the member will be credited with the specific number of credits. If the member provides the interim letter, he/she shall have until August 15th for Human Resources to receive the official transcript. A failure to have such documentation received by Human Resources as described above will mean the member shall not be eligible for upgrading based on the course(s) that were completed for that year. The burden to show the material was received by Human Resources is on the HFT member. Human Resources will provide a receipt upon request. The Parties agree that if a member misses such deadline, he/she may reapply for upgrading for the following school year.

b. Any courses that were not properly approved through the processes explained herein will not be considered for salary upgrading purposes, except as specifically noted otherwise in this Settlement.

c. Masters Degree & Credits Beyond a Masters Degree

Effective for members hired on or after the date of execution (by both Parties) of this Memorandum, members must actually have a Masters Degree from an accredited educational institution conferred in order to proceed to or beyond the Masters salary lane through the salary upgrading process. Only graduate credits earned after the date the Masters degree was conferred may be considered for salary upgrading purposes.

d. Upgrades for Members hired prior to the date of execution of this agreement

A member who is already at the MA level or beyond on the salary schedule but does not actually have a Masters degree, or a member who is already at the MA level or beyond on the salary schedule who has earned graduate credit prior to attaining a Masters degree, may continue to receive an upgrade based on newly attained graduate credits if he/she properly applies and is approved for the upgrade.

e. BA+15 and BA+30 No Longer In Effect

Effective 7/01/03, upgrading to the BA+15 and BA+30 salary lane will not be allowed for new or present employees, but will continue to be in effect for those who were on that salary lane prior to July 1, 2003. All members must actually have a Masters in order to upgrade to the MA salary lane.
f. On a one-time basis, persons hired prior to the date of execution and who were placed on the BA level instead of the BA+30 (where they had 30 graduate credits beyond the Bachelors) shall be upgraded to the BA+30 level. The HFT has provided the list of members, who were hired with 30 graduate credits in addition to the Bachelors and received only the BA level instead of the BA+30. The name provided was Stephen Harbanuk. Such upgrade shall become effective within 30 days of the date of execution. As Harbanuk was the only name listed, any future claims by other teachers are forever waived. There shall be no back pay for Harbanuk.

g. If a HFT member applied for an upgrade and was rejected for the 2002-2003 and/or 2003-2004 school year due to failure to have a Masters or because graduate credits did not occur after the Masters conferral and if the member would have otherwise been approved for an upgrade, he/she shall be upgraded pursuant to this Memorandum and the Collective Bargaining Agreement. Any such upgrade shall be effective within 30 days of the date the Union provides a final and complete list to the Board, as attached as Appendix B. If the names of the teachers are not included in this list (Appendix B) from the HFT, the teacher’s rights are forever waived. No member shall be eligible for back pay.

3. The Board and the HFT agree to the following in the matter of Course Reimbursement (see Article XII I):

   a. All requests for course reimbursement must be on the current “Request for Professional Course Reimbursement” form. (This form was revised 3/11/03. The Board reserves the right to modify or update the form in the future. The Board shall provide a copy to the HFT of any such modification).

   b. Only teachers who have completed one year of satisfactory service in the Hartford Public Schools and have successfully completed the semester course shall be eligible for such course reimbursement. Successful completion means, at a minimum, receipt of a B or a PASS for the completed course work.

   c. In order to be reimbursed when the course is completed, one must submit a “Request for Professional Course Reimbursement” form along with an official transcript or grade report and proof of payment, to the Human Resource Department.

   d. The Collective Bargaining Agreement between the parties, July 1, 2005 – June 30, 2008 states, in Article XII, “The Board desires to encourage the professional improvement of its employees in areas directly related to their employment. Teachers who have completed one year of satisfactory service in the Hartford Public Schools and have successfully completed the semester course shall be eligible for tuition reimbursement of up to $300 per credit, up to a maximum of
six (6) credits per year. Courses shall be eligible for reimbursement only during the school year in which the teacher took the course(s). Teachers must submit any course for reimbursement within three months of receipt of the final grade, or the claim for reimbursement shall be waived. For purposes of this article, successful completion means, at a minimum, receipt of a B or a Pass for the completed course work.”

e. The HFT and the Board agree and understand that the six credits per year is based on a summer through spring semester. The season (summer, fall or spring) is determined by the university’s transcript.

f. The HFT and the Board agree and understand that the cap on course reimbursement, referenced in d. above, will be in effect for the summer 2005 courses, as determined by the university’s transcript. The HFT and the Board further agree that members shall not be required to submit Blue Cards, for pre-approval, by May 1, 2005, for summer 2005 courses.

4. The Board and the HFT agree to the following in the matter of Extended Masters Programs:

a. An HFT member who has Masters Degree related to his her position as determined by the Administration, which requires an excess of 45 earned credits, will receive the equivalent of a Masters plus the number of credits earned beyond thirty in that degree program. (Ex. a 57-credit Masters program will provide the holder with the equivalent of a Masters plus 27 credits or MA+15. A 36-credit Masters program will remain as a Masters with no additional credits.) If a bargaining unit member attains a Masters degree that requires more than 30 credits but less than 45 credits, the credits beyond 30 will not be considered, at anytime, as graduate credits beyond a Masters Degree, but will simply be viewed as a Masters Degree. The Masters will be viewed as related to the position as determined by the Administration; however the general guideline will be that it is related if the degree is required for the certification area. For members who apply for upgrading, if certified at the time of application in the area for which the extended masters degree is required, the degree shall be considered related to his/her position. If the member is not certified in such area, the member shall only receive upgrading credit for the actual degree. (e.g. if a 2nd grade teacher attains a 60 credit masters in Social Work but applies without certification as a School Social Worker, she would receive upgrade credit for a masters degree only, if she met relevant requirements; if that same teacher waited until she was certified as a School Social Worker in addition to her other certification, she would receive credit for both the Masters and the additional credits as described above).
b. All HFT members who applied for upgrading effective the beginning of the 2002-2003 or 2003-2004 school year or were hired for/during the 2002-2003 or 2003-2004 school year, who received a 45 credit or higher Masters degree related to his/her position as determined by the Administration and were given credit only for a Masters degree, shall be eligible as described above. The HFT has provided a list of affected teachers (see Appendix C) and will provide official transcripts substantiating the number of credits included in the Masters for each listed person. Within 30 days of receipt of the materials, the teacher shall be upgraded pursuant to the above language. No teacher shall receive back pay. If not included on the list, the teacher’s rights are forever waived.

6. The Parties originally signed this agreement under the July 1, 2002 – June 30, 2005 collective bargaining agreement. Subsequent to the negotiations for a successor agreement, the Parties revised the agreement and it is reissued here. The Parties agree that the agreements regarding language interpretation shall continue in force as long as the referenced language contained in the 2005-2008 collective bargaining agreement remains materially unchanged.
