Responsibilities

- The Anchorage School District (ASD) expects all substitutes to be professional in their attitude and appearance. This is defined as clean and well groomed, with appropriate attire.
- It is the expectation of the district that the substitute will work a minimum of one day a month.
- Please be aware there may be an adjustment to your assignment once you arrive based on building need determined by the principal.
- The substitute teacher is required to be familiar with the following Anchorage School Board policies:
  - Appendix A  Statement of Rights and Responsibilities
  - 114  Nondiscrimination & Harassment
  - 114.1  Service Animals
  - 114.2  Inappropriate Behavior
  - 114.3  Sexual Harassment
  - 920  Adult/Student Boundaries
- NEVER touch a student, especially in anger, not even to grab an arm, coat or collar. If words don’t solve the problem, get assistance immediately.
- In extraordinary circumstances, a substitute teacher may be required to use reasonable and necessary physical restraint to protect the teacher, student(s) or others from physical injury. If this occurs contact the office immediately.
- Substitute teachers upon arrival, report to the office and clock in using EmpCenter, after completion of assignment you will need to clock out.
- SAFETY is your most important responsibility. Locate emergency information and equipment in the classroom. Read and familiarize yourself with emergency procedures for lock down, stay put, earthquake/fire drills and other disaster and crisis response as well as the classroom monitoring plan (i.e. student use of restroom, pass system, pull-outs, etc.) If you have questions about safety issues contact the front office.
- If the substitute teacher can’t report to an accepted job, they must call the school and take themselves out of the job on SubFinder. If it is past the deadline to cancel out (1 hour before start time), you must contact Sub Dispatch at 742-4133 or 742-4128 AND the school. If not, you will be considered a NO SHOW in the SubFinder system.
- **If you cancel a job more than 1 hour before start time you will no longer be able to accept another sub job for that day.** Schools count on you after you accept their job and plan accordingly.
- Upon accepting an ASAP dispatch, the substitute is expected to report to the classroom within one hour from the time the assignment is accepted, regardless if the assignment has already begun. *Example:* If a substitute gets a call from the SubFinder system at 10:00 a.m. for a job that began at 9:00 a.m. the substitute must report to the job no later than 11:00 a.m.
- When a substitute signs in at noon for a job that started at 10:30 a.m. the sub will be paid for a half day only. We recommend substitutes keep a log/journal of all assignments.
A substitute teacher who has accepted a job may only be released from the job to:
- Extend a current sub assignment
- Accept a long-term assignment
- Due to personal emergency/illness

- Substitute teachers perform the duties assigned to the teacher the substitute is replacing.
  - Unless an emergency occurs and the substitute is called upon or requested to accept additional duties which a teacher would commonly accept.
  - Sub teachers should not be assigned office duties, etc. unless they voluntarily agree to accept those duties.

- The substitute should check in with the principal/designee before leaving the school for a possible return assignment.

- The substitute teacher should direct any questions or problems regarding a particular school or assignment to the principal/supervisor.

- The substitute teacher is to correct written work completed during the assignment and leave the results for the regular teacher.

- The substitute teacher is to follow the lesson plans left by the regular classroom teacher.

- The substitute teacher is responsible for making sure they receive a job number, even if they are pre-arranged jobs.

- The substitute teacher is to notify Human Resources Department of any change in name, address, or phone number on the Address or Name Change Request form (HR #511).

Reasons for Removal

1. A substitute may choose to terminate employment
   - A substitute may initiate removal from the SubFinder System and complete a Notice of Resignation form #516. The form may be picked up from the Human Resources Department or on the district’s website (Forms & Publications).

2. A substitute who performs unsatisfactorily or is non-compliant with Human Resource procedures may be removed from service:
   a. A supervisor advises the substitute of poor/unsatisfactory performance and recommends action within 48 hours of the occurrence or supervisor’s first knowledge of the occurrence.
   b. The substitute is removed from the availability list for the reporting school, unit, or program immediately upon notification of complaint. The substitute is notified in writing of the reason(s) for the removal. The substitute is provided an opportunity to discuss the performance issue with the administrator initiating the action.
   c. A principal/supervisor submits a written “Substitute Teacher Exclusion Form” to the Sub Dispatch Supervisor for action within seven (7) working days of the occurrence or the principal/supervisor’s first knowledge of the occurrence, detailing the substitute’s unsatisfactory performance, including:
      i. Date of occurrence.
      ii. Type of assignment (grade level, classroom etc.).
      iii. Nature of unsatisfactory performance (major or minor instance) of poor or inappropriate performance.
      iv. Summary of conference with substitute.
      v. If desired, a request to exclude the substitute from being dispatched to a particular school/unit for the remainder of the current school year, or in some cases permanently.
   d. To be reinstated a substitute must provide evidence that remedial action has been taken to correct any performance issues.

3. A substitute may be removed from SubFinder System and employment with the Anchorage School District after three (3) occurrences of reported poor/inappropriate performance, or a single major incident of poor/inappropriate performance.

4. A substitute may be removed from SubFinder System and employment with the ASD when failing to show up three (3) times for an assignment for which they have accepted, or if leaving before being released by the building administrator i.e. If the substitute leaves before being released, NO PAY will be received and the substitute will be removed from the SubFinder System.
Frequently Asked Questions

Q: What is considered a half day assignment?
A: For substitute teachers a half day assignment is a job that is four hours or less.  
   Example: Noon – 4:00 pm or 10:30 am to 2:30 pm

Q: What is the difference between pre-arranged and requested?
A: A pre-arranged substitute knows about the job before it is put into the SubFinder System. A requested substitute is put into the system and SubFinder calls the substitute to notify them that they are being requested for an assignment.

Q: If I am asked to fill in another classroom during my conference period do I need to go?  Do I get paid more?
A: You are required to fill in another classroom during the conference period if asked.  
   You will only be asked to do this if there is an emergency and there is a need. You will not get paid more when you fill in for another classroom during the conference period.

Q: What should I do if I’m going to be late?
A: If you are going to be late to your job, you must call the school the job is at so that they do not think you are a “No Show” and give your job to someone else. You may also leave a message with Sub Dispatch.

Q: Should I leave a note to the employee for whom I subbed?
A: As the substitute employee, you should always leave a note. If you leave a note, the employee will most likely call you back to substitute for them in the future.

Q: Do I get paid if school is cancelled?
A: No, information about school cancellations or a late schedule will be posted on the ASD website by 6:00 a.m. the day of the disruption/cancellation.

Q: How do I request an accommodation?
A: The District provides accommodations to qualified individuals as required by law and policy. This includes ADA/ADAAA and/or other accommodations to remove barriers at work. Since substitute teachers are not assigned to any one location, persons needing accommodation should contact EEO Office to begin the ADA interactive process @ 742-4132.

Q: Do I get paid for mileage?
A: No, substitutes are not reimbursed for mileage.
