Section B - Procedures

1. A representative of the Union shall have the right to be present and present his/her views at any formal meeting held pursuant to this Article. If the Union is not the grievant, it shall be notified of the time and place of such formal meeting concurrently with the transmission of notice to the teacher. In the processing of grievances, the teacher shall have the right at his/her option to represent himself/herself at his/her own expense, or at his/her own expense to be represented by some other person of his/her choosing at any formal meeting held pursuant to this Article.

2. When a grievance meeting requires the attendance of a particular individual teacher, the time, date, and place for such meeting shall be set by the appropriate administrator provided that if such meeting is held before or after the affected teachers’ workday, the times shall be by mutual agreement between the parties.

3. If the grievant(s) fail to meet the specified time restrictions provided herein, the grievance shall be deemed to be withdrawn.

Step I (Informal) - The teacher and, if the teacher desires, a Union representative, shall first informally discuss the grievance with his/her principal. A written agenda is not required before a Step I meeting is scheduled. The Union, when requesting a meeting to discuss an alleged grievance, will identify that the meeting is to discuss an alleged grievance and will identify the specific article, section, paragraph, and subparagraph, if applicable, of the collective bargaining agreement that allegedly has been violated. Every effort shall be made so that the principal/designee can respond to the Step I grievance meeting within five days after the grievance meeting.

Step II (Formal) - If not satisfied with the resolution of the grievance at Step I, the teacher may submit the completed grievance form to his/her principal.
The filing of the Grievance at Step II must be within eighteen (18) workdays of the event-giving rise to the grievance. Within five (5) days of receipt of the Step II filing, the principal and the teacher shall meet in an effort to resolve the dispute. The teacher and the principal may mutually agree to waive the necessity to conduct the Step II meeting and allow the grievance to proceed forward to Step III. The principal shall submit his/her written decision to the teacher, with a copy to the Union, within seven (7) days of the Step II meeting, or if no Step II meeting is held, within five (5) days of the execution of the waiver described herein.

**Step III (Formal)** - Within seven (7) days of the receipt of the Step II decision, the teacher, if not satisfied with the resolution of the grievance at Step II, may submit the completed grievance form to the superintendent. Within seven (7) days of receipt of the Step III filing, the superintendent and the teacher shall meet in an effort to resolve the grievance. The superintendent shall submit his/her written decision to the teacher, with a copy to the union, within seven (7) days of the Step III meeting.

**Step IV (Formal)**

a. Within sixteen (16) calendar days of the receipt of the Step III response, the union, if not satisfied with the resolution at Step III, may submit a written demand for arbitration to the American Arbitration Association. The superintendent shall be concurrently notified of such demand. The parties agree that the postmark date shall be used to determine the date submitted. In the event the superintendent’s notification is provided in a manner other than U.S. Mail, such notification shall be received in the Office of Labor Relations as per the sixteen (16) calendar day timeline provided herein. The American Arbitration Association shall furnish one or more panels of arbitrators pursuant to its procedures. The parties agree to subscribe to the then prevailing practices of the American Arbitration Association.

b. The arbitrator shall schedule a hearing as promptly as possible. He/She shall seek agreement of the parties as to the date of hearing, but such shall be scheduled within thirty (30) calendar days except as otherwise provided herein. The arbitrator shall issue his/her decision not later than thirty (30) calendar days from the date the hearing is concluded. Such decision shall be in writing and shall set forth the arbitrator’s opinion and conclusions on the issues submitted. The decision shall be final and binding on the parties.
c. The arbitrator shall be without power or authority to make any
decision contrary to or inconsistent with, or modify or vary in any
way the terms of this Agreement. He/She shall have no power to
add to, delete from, or modify in any way any of the provisions of
this Agreement. The arbitrator's award may include such remedy
as shall be authorized by law.

d. Fees and expenses of the arbitrator shall be shared equally by the
Board and the Union.

Section C - General Provisions

1. The right to proceed to the arbitration step of this procedure shall be
limited to the Union. Except for mutual written agreement to the
contrary, the Union's demand for arbitration shall be submitted so as to
limit the scope of each such demand to only one (1) grievance. The
parties agree that only subject to all of the conditions listed below, one
(1) or more grievance(s) may be concurrently considered in dispute at
the arbitration level only of the grievance procedure:

a. All such grievances shall have the same grievant;
b. All such grievances shall have the same date of event
giving rise to the grievance;
c. All such grievances must have been processed through
   Step III as provided herein.

2. If the decision to be given by a teacher's principal or the superintendent
is not given within the respective times by said provisions specified, the
teacher shall have the right to proceed with his/her appeal to the next
step by giving notice of appeal or request for arbitration within the
same time to the same parties and in the same manner as he/she
would be required if a decision adverse to him/her had been rendered
on the outside date prescribed above for rendering decisions.

3. Time limits may be extended beyond those specified only upon actual
written agreement between the parties. Whenever illness or other
incapacity prohibits either party from attending a grievance meeting,
the time limits shall be extended until the affected party(ies) can be
present.

4. Any written notice to be given under Section B by the teacher to his/her
principal or to the superintendent may be given by hand by the teacher
or his/her representative or by mailing it by certified mail, return receipt
requested, addressed to the principal or the superintendent at their
respective offices. Any notice or decision to be given to the teacher
may be given to the teacher by hand by the principal or superintendent
or their representative or by mailing by certified mail, return receipt requested, addressed to the teacher at his/her home address as shown in the Board’s records. Any notice or decision to be given to the Union may be given to the President of the Union, or by mailing it by certified mail, return receipt requested, addressed to the Union at its offices. Any notice or decision given by hand will be verified by written receipt if requested.

If a notice or decision under this Article is provided to either party by certified mail, the time limit required for response to such notice or decision shall be extended to the receiving party by two (2) days.

5. When hearings are held during school hours, persons necessary to be present shall be excused without loss of pay or accumulated leave, provided that the Step IV hearing arrangements shall also be made to permit the appearance of witnesses without loss of pay or accumulated leave whom the arbitrator shall deem necessary.

6. If a grievance arises as a result of a condition which the immediate supervisor is without the jurisdiction to resolve, the teacher may file the grievance at Step III (superintendent level) and proceed through the grievance procedure from Step III forward.

7. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration.

8. No reprisals of any kind shall be taken against any participant in the grievance procedure by reason of such participation.

9. Grievance files shall be filed separately from other files of the teacher.

10. Necessary forms for the filing of grievances shall be mutually agreed to by the Union and the Board. Costs incurred in the printing, supply, and required distribution of such forms shall be shared equally by the Union and the Board.

11. Any claim or grievance arising under the Agreement while said Agreement is in force shall be processed through the grievance procedure until its resolution.

responsible for any damage, which may be incurred in connection with such
usage. The use of such facilities hereunder shall also be contingent upon such causing no interference with the instructional matters of the school district.

A meeting hereunder which has been scheduled shall not be cancelled by the principal unless no other course of action is reasonably available to effectuate the needs of the school. Provided one such meeting per month may be held during the teacher workday, but outside the normal student day. The Board shall provide the Union at no cost with one (1) copy of the materials relating to all public Board meetings which are generally distributed to the press at a time after said materials are made available to the Board, but no later than when materials are distributed to the press for any regular meeting of the Board. Such selection by the Union President shall be within seven (7)

**Section N - Use of School Supplies and Equipment**

Authorized building representatives of the Union shall have the right to use designated duplicating, audiovisual, and typewriting equipment located in the school to which the building representative is regularly assigned. Such use shall be subject to the following conditions:

1. The Union shall reimburse the Board the cost of all materials used and any per-copy cost incurred by the Board.
2. The Union shall assume full responsibility for any damage to such equipment.

3. The use of such equipment or materials shall not interfere with the instructional nor administrative needs of the school.

4. The amount of such use of materials and supplies shall be promptly reported to the principal in writing.

5. Equipment may not be removed from the site without the prior approval of the principal.

2. Upon receipt of the notice described in the preceding subsection, or upon being advised that the superintendent intends to make such recommendation for dismissal or non-renewal, the teacher shall, upon written request filed with the superintendent no later than five (5) calendar days following receipt of such recommendation or advice of intention to recommend, have the right to a meeting with the superintendent at which the teacher may advance reasons why such dismissal or non-renewal should not be recommended to the School Board.
3. If any teacher shall be disciplined, i.e. demoted, suspended other than pursuant to dismissal, or suffer loss of pay, such discipline shall be for just cause and may be challenged pursuant to the provisions of Article IV of this Agreement.

As used herein, “demoted” shall not be construed to include a determination of the Board to change any differentiated pay position assignment or extracurricular duty assignment.

4. If it shall be ascertained that the disciplinary action taken against a teacher resulted in loss of salary or other benefits without justification, the teacher shall be restored such salary or other benefits to the extent feasible. Such restoration shall include placement on the salary schedule so that the teacher’s salary shall be no less than the amount that he/she was scheduled to receive prior to disciplinary action.

5. Teachers who no longer are employed by the Board shall retain the right to grieve alleged violations of this Agreement, which occurred during their employment or concurrent to their involuntary termination, subject only to the provisions of Article IV.

The early release program shall be implemented in a manner that ensures compliance with Florida Statutes in regard to instructional time. Instructional staff is required to complete the regular school day on early release days and may not shorten their day except when the administrator has provided approved leave for a specific purpose. This is a pilot program for the 2010-2011 school year.

5. It is the intent that the three (3) shortened student days at the end of each semester be utilized for those activities required to complete the student evaluation process. The teacher workday between semesters shall be for the purpose of uninterrupted teacher planning and preparation.

6. Except for reporting at the end of the first semester and the end of the last semester, provided that grades are not due before the end of the workday, teachers shall have no less than two (2) workdays after the end of the grading period to prepare grades before turning in such grades to the administration and/or school office. If Ed-Line is unavailable due to the district server being down, for three (3) or more hours at the end of a grading period, the deadline for grades being due may be extended the amount of time that Ed-Line was unavailable to teachers.

7. Elementary schools may develop through the School Advisory Committee, for submission through the district waiver process, a plan for an amount of time during the teacher workweek where teachers and parents may confer and teachers may plan together or individually. The waiver process and form will be made available to the chairperson of the School Advisory Committee and the Union office.

8. A principal shall inform teachers of their end of the school year checkout obligations no later than two weeks prior to the last scheduled student day.

Section C - School Day

1. A teacher shall be entitled to a daily duty-free lunch period of no less than thirty (30) minutes inclusive of the time to escort students to the cafeteria, provided teachers assigned to self-contained exceptional
education classes shall be entitled to such duty-free lunch when feasible. The forty (40) hour workweek shall be inclusive of the daily lunch period. It is not the intent of the Board herein to preclude reasonable duty-free lunch time not provided herein, where such may be reasonably provided nor to preclude a principal from implementing an alternative method of providing such duty-free lunch to a teacher for whom duty-free lunch is not provided herein. All schedules for teachers’ lunch shall reflect the thirty (30) minutes provided for duty-free lunch and may include the statement that the thirty (30) minutes will include time to escort students to the cafeteria.

a. The principal is encouraged to consider the availability of all nonbargaining unit personnel when assigning supervisory lunch room duties.

b. Teachers of resource exceptional education classes shall not be required to serve lunchroom supervision longer than a time equal to the length of time allotted for individual students’ lunch periods.

c. If a principal decides to close the school library in order for the Media Specialist to serve lunchroom supervision, the principal is encouraged to seek alternative procedures which will allow the media center to remain open during such lunch serving time.

2. Except as provided herein, teachers who are assigned to teach in elementary schools, middle schools, junior high schools, or high schools shall be scheduled for a period of uninterrupted preparation time.

a. The use of such preparation time shall normally be for the purpose of teacher preparation, student staffing, individual parent conferences, department meetings, evaluation conferences, and the like. It is not the intent of the parties for planning time to be used for those purposes, which could be better accomplished by utilizing a school-wide faculty meeting.

b. In the event a principal assigns a teacher to the class or classes of an absent teacher and/or the teacher loses his/her preparation time as a result of an assignment, compensatory time equal to the amount of lost preparation time shall be made available to the affected teacher for such preparation time.

c. The length of preparation time for teachers in middle schools, junior high schools, and high schools shall normally be equal to the length of the students’ class period on the day preparation time is
granted. Except for schools with block scheduling, preparation time for part-time teachers shall be scheduled pro rata.

d. Teachers in elementary schools shall be scheduled for no less than two hundred sixty (260) minutes of preparation time during each full five (5) day workweek. Sixty (60) of the two hundred sixty (260) minutes may be outside the normal student day. If the workweek is less than five (5) days, such preparation time shall be reduced pro-rata fifty-two (52) minutes per day for each day students are not scheduled to attend full time. It is the intent of the parties that the allowance to schedule sixty (60) minutes of planning time as provided herein, should not be used to lower the amount of planning that has normally been scheduled during the student day.

e. Except as otherwise provided herein, preparation time as provided herein shall be scheduled within the six and one-half (6 1/2) hour period of time immediately following the beginning of the normal student day.

f. Classroom teachers assigned to teach in elementary schools shall have two (2) of their five (5) forty (40) minute weekly preparation times as “No meeting zones” for uninterrupted preparation time. Each school will determine which days each week will be so designated. Except in an emergency, the principal shall not adjust the schedule.

g. Vocational Teachers with multi-period blocks of classes and/or other teachers not normally assigned to class groups shall not be entitled to preparation time as described herein. This latter group includes, but is not limited to, counselors, occupational specialists, alternative education teachers, area counselors, resource teachers and media specialists not assigned a full class load. Multi-period blocks of classes as used herein shall mean only those instances in which a teacher’s classes are scheduled in multi-period blocks for the entire student day, e.g. three (3) classes of two (2) period blocks in a six (6) period day. Provided that in the event of an emergency, planning time as provided herein for an exceptional education teacher may not be provided.

h. It is not the intent of the Board herein to preclude reasonable preparation time for teachers not covered herein, where such preparation time may reasonably be provided.
i. A teacher who is not assigned to the extended day program as provided herein and is scheduled for more than one (1) daily non-teaching period may be assigned to perform other duties as required during no more than two (2) of such additional daily non-teaching periods per teacher workweek.

j. A teacher assigned to teach in the four-period block schedule may be assigned by the principal for up to ninety (90) minutes per week in increments of no greater than forty-five (45) minutes a day to perform other duties to maintain the orderly function of the school.

k. Every reasonable effort shall be made to provide teachers required to attend a staffing with no less than ten (10) workings days notice.

3. A teacher may leave the school site during his/her workday after signing out (manually or electronically) and notifying the principal or designee.

4. The normal teacher workweek shall not exceed forty (40) hours inclusive of a daily thirty (30) minute lunch period except in an emergency and/or compensatory time.

a. If the teacher workweek shall be less than five (5) days as a consequence of an official school recess or holiday, the normal workweek shall be reduced pro-rata from paragraph 4 above.

b. Adjustments to the workweek shall be allowed only when the length of the work assignment(s) does not cumulatively exceed thirty (30) minutes in a normal workweek.

c. Assignments beyond the thirty (30) minutes in such workweek are subject to the compensatory time provisions of this Agreement.

5. In the event a teacher is assigned to work beyond the normal forty (40) hour workweek, then compensatory time shall be accrued by the teacher. The rules for accrual of compensatory time shall be as follows:

a. In the event a teacher meets with a parent of his/her students and such meeting causes the teacher to extend his/her forty (40) hour workweek, time spent at the parent conference shall be subject to compensatory time provided that the principal and teacher have prior mutual agreement that such parent conference time will qualify for compensatory time. Parent conferences as used herein
are those parent conferences in addition to those found on the
school calendar as adopted by the Board. The requirement of
“prior mutual agreement” may be met by the principal establishing
a building policy.

b. In the event a principal assigns a teacher to perform duties which
require him/her to return to school for evening functions (e.g. open
houses, individual parent conferences, other such functions), time
spent at such assignments shall be accruable to compensatory
time. This does not preclude a teacher from applying for
compensatory time accrual for other duties beyond the forty (40)
hour workweek.

c. Requests to accrue compensatory time shall be submitted within
seven (7) workdays of the event and the principal shall act on the
request within four (4) workdays of submission by returning the
signed form. In the event the principal does not act on any
request for accrual of compensatory time within the specified time
frame the request shall be considered approved.

d. On any day that teachers are required or have mutually agreed
with the principal to return to school for evening activities, teachers
shall be released as soon as the student day has ended and
student supervisory duties have been completed.

e. In the event a teacher transfers during the school year from one
school to another, any unused compensatory time shall transfer
with the teacher subject to the following condition: Written
verification of accrued compensatory time shall be provided from
the sending principal to the receiving principal at the time of the
transfer.

f. Compensatory time shall only be accrued during the school year in
which it is earned.

6. The rules governing the utilization of compensatory time shall be as
follows:

a. Except as otherwise provided herein, compensatory time shall only
be utilized during the school year in which it is earned. Teachers
shall be given the opportunity to utilize their compensatory time, as
provided herein, and compensatory time shall not be carried forward
from one school year to another except as provided.
b. Teachers shall submit a written request to the principal for utilization. The written request must be received by the principal no earlier than forty (40) calendar days prior to and no later than two (2) school days prior to the date compensatory time, if approved, is to be utilized.

c. The principal shall act on requests for the utilization of compensatory time within one (1) school day, if submitted two (2) school days prior to the utilization. Other requests shall be acted upon within two (2) school days of the request. In the event the principal does not act on any request for the utilization of compensatory time within the specified time frames, the request shall be considered approved. In circumstances where the requesting teacher is not assigned to the same worksite as his/her principal, such responses shall be extended to three (3) school days. When a teacher applies for compensatory time two (2) or more school days prior to the day compensatory time is requested to be utilized, the teacher cannot be required to supply his/her own substitute as a condition of approval for such compensatory time request.

d. Time limits may be waived by the principal without precedent and at his/her discretion.

e. Failure of a teacher to utilize approved compensatory time may result, at the principal’s discretion, in the reduction of such time from the teacher’s accrued compensatory time balance.

f. Up to fifteen (15) sixteen (16) hours of unused compensatory time shall be carried forward to the next school year.

g. Up to sixteen (16) hours of accrued compensatory time shall be made available to that teacher for utilization during the normal student day. Nothing contained herein shall preclude a principal from approving utilization of compensatory time during the student day beyond the minimum guaranteed amount of sixteen (16) hours.

h. Nothing contained herein shall be construed as precluding a principal from allowing the utilization of compensatory time on a nonstudent attendance day as reflected on the school calendar as adopted by the Board.

i. In the event a principal denies the utilization of accumulated
compensatory time on an inservice day or on a post-planning day as scheduled on the school calendar as adopted by the Board, such denial shall give the affected teacher(s) the right to use, at his/her option, compensatory time in lieu of and for the same purpose(s) as sick leave. The amount of any such compensatory time utilized as sick leave shall be no more than an amount equal to the time designated by the Board for the affected inservice day or post-planning day. Provided that any sick leave taken on an inservice day or post-planning day shall be deducted from the accrued sick leave balance of the teacher.

sick leave taken on an inservice day or post-planning day shall be deducted from the accrued sick leave balance of the teacher.

In the event a teacher chooses to utilize compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

7. As used herein, the normal teacher workweek shall not include time devoted to performance of duties for which compensation is received pursuant to The Schedule of Differentiated Pay for Extracurricular and Differentiated Pay Compensation. If such assignment is not included in the Schedule of Differentiated Pay, the amount paid for such assignment shall be as determined by the Board.

8. Reimbursement of mileage for teachers required to travel to another school(s) during the normal workday is as follows: After reporting for duty at a school, if the teacher is required during the normal workday to travel to another school(s), the teacher shall be reimbursed for mileage between the first school and the other school(s), and between the last school and return to the original school or to the teacher’s home, whichever shall be the lesser.

a. Employees who regularly travel among the various schools and other location in the county to perform their official duties, will be eligible for reimbursement beginning with the first stop of the work day unless the first stop is farther from their home than their established work site.

b. If the first stop of the day is farther from the employee’s home than the established work site, the employee will be eligible for
mileage reimbursement for the difference between the work site and the first stop of the day.

c. From the first stop of the day, the employee will be eligible for reimbursement for mileage to other sites for official business during the day.

d. The employee shall be reimbursed for mileage between the last stop of the day and return to the established work site or to the employee’s home, whichever shall be the lesser, which could result in the employee being reimbursed for returning home from work.

e. Since reimbursement for returning home is made for personal, not business, miles traveled, it will result in taxable income to the employee and will be reported on the employee’s W-2.

f. The reimbursement rate shall be no less than the rate allowed by law.

g. In the event that a teacher is required by the Board to travel within the district but beyond the administrative area (North, Central, South) in which he/she is normally assigned, the teacher shall be entitled to mileage either to and from his/her normal worksite to the out-of-area worksite, or to and from his/her home to the out-of-area worksite, whichever shall be the lesser. This out-of-area provision is intended to entitle a teacher to reimbursement for travel to and from an assignment for which he/she received specific direction by the Board to attend and which also requires a teacher to travel from one administrative area to another.

9. Attendance of teachers at PTA or PTO meetings shall be voluntary.

10. The length of the normal teacher workweek shall be forty (40) hours. During the ten (10) days totaling eighty (80) hours reflected on the Board-adopted school calendar as student non-attendance days, the Superintendent and/or Principal shall schedule forty (40) hours of teacher work assignments providing a forty (40) hour balance which shall be designated as teacher planning/preparation time, used at the teacher’s discretion. The Principal shall give to teachers on the first day of pre-planning a written schedule of the year’s non-student days, specifying which hours are to be administratively designated and which hours are to be used at teacher discretion as teacher planning/preparation time. Except in an emergency, the Principal shall not adjust the schedule. In such case, the adjusted schedule shall be provided in writing with details of the emergency. Unless the teacher is planning at a school board facility or approved site, such four (4) hours of planning is not subject to Worker’s Compensation injury claims unless otherwise specified under State Statute. (Impasse Decision 5.7.12)
11. The additional two and one half (2-1/2) hours will be earmarked for teacher planning/preparation on campus, and shall be a mutually agreed upon schedule between the teacher and the principal. It is not the intent of this language that all teachers shall have the same schedule for the additional two and one half (2-1/2) hours.

11. The regular workweek is forty (40) hours. The principal will establish the thirty-seven and a half (37-1/2) hour workweek. The teachers will be able to use the other two and one half (2-1/2) hours as agreed upon with the principal. Such agreements will be performed on campus.

Section D - Teaching Assignments and Duties

1. a. Pursuant to state law, the Board may hire degreed, non-certificated personnel for positions designated "critical shortage". The Union will be notified seven (7) calendar days prior to the publication of the Board agenda item concerning the Board designating such "critical shortage" teaching areas. The Union may provide input for the Board's consideration. All other teachers must qualify for a valid Florida teaching certificate.

   b. The Board and the Union agree to review the classroom management training of the beginning teacher in order to determine what changes, if any, should be made in order to better equip beginning teachers to handle student discipline. On a voluntary basis, Educational Research and Dissemination programs on classroom management for the beginning teachers shall be made available to teachers during the afternoon of the preplanning period. The voluntary nature of such ER&D programs shall not prohibit the principal from providing compensatory time for such attendance, provided that up to four (4) ER&D instructors shall be granted compensatory time for time spent in instructing the ER&D Program described above.

2. Teachers shall be assigned to a grade level and/or subject for which they are qualified. If teachers are assigned to a grade level and/or subject beyond the scope of their certificate they shall be reassigned as promptly as circumstances permit within the scope of their certificate. The foregoing shall not preclude agreement of teachers to continue to teach outside the scope of their certificate while working for the acquisition of proper certification.

3. Every effort shall be made not to move a teacher from a primary to an intermediate assignment or from an intermediate assignment to a primary assignment or more than two grade levels from his or her
current assignment without the consent of the teacher. Every effort shall be made not to move a secondary teacher more than two grade levels, or out of or into specialized programs without the consent of the teacher. Every effort shall be made to not give a secondary teacher a third preparation. Language from 2010-2011 which was improperly placed. Moved from Section C, 4.

3. 4. No later than one week before the voluntary transfer period begins, the principal shall make available, upon request of the teacher, his/her anticipated teaching and room assignment for the following school year. Further, after December 1, the principal shall make available upon request of the teacher, his/her anticipated teaching assignment for the forthcoming school semester.

4.5. Schedules for all classroom teachers in secondary schools shall be posted in each school no later than September 28 of each school year. Room assignments, planning times, and grade assignments shall be similarly posted in each elementary school. Both the teacher’s certification(s) and recent teaching experience shall be considered when determining the teacher’s assignment.

5.6. No teacher shall be required to formally evaluate any other teacher, except for the purpose of assessing individual collaborative mutual accountability within school teams as required in the District’s Instructional Personnel Performance Appraisal System (IPPAS). There shall be no requirement that peer observations be reported to administration.

6.7. If teachers are required to teach at more than one school, one school shall be designated as his/her home base. Except as otherwise provided herein, teachers who are assigned to teach in more than one school and such assignment results in his/her traveling between such schools during the student day, such teacher shall suffer no loss of the rights conferred by this Agreement, including loss of planning time and/or duty-free lunch as contained herein.

7.8. The use of time clocks for checking in and out shall be prohibited.

8.9. Teacher participation in school activities beyond the normal teacher workweek shall be voluntary wherever possible. If a situation arises where such assignment must be made where no volunteers are available, priority consideration will be given to the teacher’s prior personal commitments. All assignments beyond the teacher workweek will be compensated pursuant to Article XVIII of this Agreement, or if
such assignment is not included within Article XVIII, such amount as
may be determined to be appropriate by the Board.

9.10. Based on the instructional needs of the school as determined by
the principal, teachers are eligible for an Optional Class Differential. This
assignment is on a voluntary regular daily basis and is limited to the
circumstances listed below:
   a. A teacher may volunteer to teach a class during his/her planning
      period on a regular daily basis.
   b. A teacher assigned to teach five periods may volunteer to teach an
      optional seventh period.
   c. Each principal shall notify all teachers from his/her faculty of the
      availability of scheduled optional classes.
   d. Teachers desiring to work an optional class period must notify the
      principal in writing of his/her desire to participate in such
      assignment.
   e. All applicants who express a desire to teach an optional class
      period shall be notified of the principal's decision as soon as
      possible.
   f. Among the factors to be considered in the selection of teachers for
      such optional class assignments shall be the following:
      1) area(s) of certification
      2) current and prior teaching experience
      3) differentiated pay position(s) held
   g. Such teachers shall be compensated pursuant to Article XVIII,
      Section H, Schedule of Differentiated Pay.

10.11. Lesson Plans are required. The format for plans shall be decided
by the teacher for the purpose of working with his/her students and
shall include sufficient information for substitutes and evaluators.
Teachers leaving the district or transferring to another school shall turn
in their lesson planbooks and/or gradebooks to the principal as part of
the checkout procedure. Routine submission of lesson plans shall not be
required except in the following instance: when the performance of the
teacher has been less than satisfactory. In this event, format and
content may be part of an assistance plan. Lesson plan restrictions shall
be waived for all "D" and "F" schools until they have regained at least
"C" status.
11.12. The parties agree that the provision for student supervision is primarily the responsibility of the professional employees in order to ensure a safe school environment. Supervisory duty assignments and supervisory duties for teacher restroom breaks shall be reviewed by the principal and a faculty committee to ensure adequate supervision and equitable distribution of assignments. Faculty volunteers to the committee will be sought.

12.13. The requirements and procedures for teacher attendance at Board-adopted district inservice days as reflected on the Board-adopted district calendar shall be as follows: Teachers shall attend inservice programs held on inservice days except as provided below.

a. When district records show that a teacher has had, within the three (3) previous years, a specific inservice experience, which is being required, the teacher may attend at his/her option.

b. Upon a review of the inservice programs offered on a specific inservice day, the teacher and his/her principal mutually agree that the programs offered on that day do not contain activities which would beneficially apply to the responsibilities of the teacher or the teacher has renewed his/her certificate for that school year, the teacher shall be allowed to remain at his/her school or at another school board cost center, as assigned by the principal or request compensatory time.

c. A teacher is granted an approved leave of absence for that day(s).

13.14. When a teacher receives a significant reassignment after the start of the school year, the principal shall provide non-student time for planning and preparation.

14.15. Teachers serving in differentiated pay positions at other than their home school may, at the discretion of the principals involved, with reasons given when denied, leave at the end of the school's student day to fulfill those differential responsibilities.

15.16. The Ed-Line portal and electronic gradebook (GradeQuick) shall be used in lieu of paper grade books. The teacher of record will input and upload to the Ed-Line portal grades or content weekly for parents to review. Grades reported in the areas of Art, Music, Physical Education or specialized programs may vary. On-going training shall be made available to teachers.
16.17. The parties agree that with growing use of technology, there is a reduced need for paperwork. Every effort shall be made to eliminate the need for multiple entry of data.

17.18. No teacher shall be required to apply for an award, or retaliated against for not applying for an award, for his/her school(s) or department(s), for which they are ineligible.

18.19. If a teacher removes a certification for which they were employed, re-employed or reappointed to teach, the District has no further obligation to continue his/her employment.

Section E - Vacancies and Promotional Vacancies

1. A notice of all promotional vacancies shall be posted in each school at least five (5) workdays prior to the closing of the application period. A copy of such notice shall be sent to the Union president at the time it is sent to schools.

2. The assistant superintendent for Human Resources Services or designee shall post, on the district website a listing of all current teacher and promotional vacancies.

3. The Board agrees to notify applicants and Union of the Board’s decision regarding the filling of such vacancy(ies) provided that the applicant and Union have submitted a stamped self-addressed envelope with his/her application.

4. No promotional vacancy, except vacancies which exist at the level of superintendent’s staff, shall be permanently filled until all teachers who have properly submitted applications and who meet the qualifications as reflected on the posted notice have been given the opportunity to be interviewed.

5. For the Purpose of Promotion
a. A notice of promotional vacancy shall set forth the qualifications, primary requirements, duties, and other pertinent information and the date by which the applicant must file the application. Such notice shall also include information indicating the salary range for the position and procedures for application.
b. Promotional vacancies shall be positions on the Administrative and Support Salary Schedule as adopted by the Board.

c. A notice of promotional vacancy shall reflect the anticipated location of the vacancy if known.

6. A notice of instructional task forces and workshops to be appointed shall be posted in each school at least fifteen (15) calendar days prior to the closing of the application period for appointment thereto. Such notice shall include the criteria pertinent to the appointment. In filling such positions consideration shall be given to the prior opportunity of teachers to serve on such similar task forces and workshops so that they may be shared equitably among qualified teachers seeking such appointments.

7. Upon written request, teachers shall be granted interviews for all posted vacancies for which they qualify before such vacancies are filled.

8. Training for ESOL/META endorsement shall be the District’s responsibility. Upon ratification of this agreement, for each person who qualifies for the ESOL endorsement through the 300-hour district ESOL Add-On Certification Program, the District will fund the $56.00 $75.00 application cost to the Department of Education. This payment is not retroactive.

Section F - Assignments and Transfers

1. Voluntary Transfer from School to School

a. A teacher who desires a change from his/her assigned school to another school in the district may request such reassignment by properly submitting in writing the request to the area superintendent with a copy of the request to his/her principal.

b. In the event that a teacher desires a transfer at the end of the regular school year, the teacher shall submit a written request that will be filed with the area superintendent, with a copy to the principal, for active consideration throughout the period that school is not in regular session. The teacher shall be responsible for notifying the principal of an address and telephone number at which the applicant can be reached during the above period.

c. Two teachers may voluntarily change positions or schools with the approval of the area superintendent.
d. When approving or disapproving a request for voluntary transfer, the Board agrees to include among the factors to be considered the following:
   1) Whether the teacher has been involuntarily transferred within the two (2) year period of time immediately preceding the year in which the voluntary transfer, if approved, would take place.
   2) The length of time the teacher requesting voluntary transfer has been assigned to his/her current teaching responsibilities or his/her current school site.

e. In the event a teacher requests a voluntary transfer as provided herein and such request is denied, the teacher shall be provided an opportunity to confer with the Superintendent regarding the denial. The superintendent shall give reasons for denial and upon request by the teacher a Union representative shall be present.

f. In April of each year, schools will compile a list of anticipated vacancies for the next school year. The lists will be assembled at the District and then placed on Share Point. This will allow Continuing Contract (CC) teachers and Professional Service Contract (PSC) teachers a two-week opportunity to interview for possible transfer.

2. Reassignments Within a School
   a. A teacher shall have the right to request reassignment within the same school to which he/she is assigned.
   b. Teachers may voluntarily change positions with other teachers within a school with approval of the principal.
   c.

3. Involuntary Transfer

TEACHER PROTECTION

A. The Board acknowledges the desirability of giving reasonable support and assistance to teachers with respect to proper maintenance of control and discipline in the classroom. Individual school procedures and policies for handling student discipline shall be reviewed by each school's School Advisory Council and revised or developed as needed so as to ensure that the referring teacher has the opportunity to input his/her feelings regarding the disposition of the referral. Discipline procedures shall stress the importance of uniform application. When the offense is serious enough to warrant suspension of the student in accordance with the School Board policy and/or the School Discipline Plan, such referred student will not be returned to the teacher's class the same period (or 30 minutes in elementary school) from which the student was referred unless he/she is escorted by an administrator or a written explanation from same stating his/her reasons for the student's return accompanies the student.

Except as otherwise provided herein, when a student(s) is referred to the administrator for disciplinary reasons, the teacher shall be informed of the conditions, if any, which have been imposed on the student before he/she reenters the class. Whenever the circumstances do not permit the administrator to address a particular student referral, the administrator may return the student to the referring teacher's class and recall the student at a later time. The referring teacher shall be notified of the necessity of such return and recall. If a serious situation exists, the teacher may return the student to the principal.

Before the student is returned to class, serious consideration should be given to the effect such return would have on the learning environment for the other students in the class. If the consequence of a discipline referral is
a conference with administration, the teacher shall be allowed to attend that
conference if he or she requests.

B. The teacher shall have the right and responsibility to impose classroom
discipline where necessary and may use reasonable force to protect
himself/herself from attack, or to prevent injury to a student where
intervention is a prudent course of action.

C. A teacher shall have the right to temporarily exclude a student from class
when the misbehavior or disruptive effect of the behavior makes the
continued presence of the student in the classroom intolerable. In such
cases, the teacher shall furnish the principal or designated representative as
promptly as teacher obligations will allow, with full particulars on the
problem or incident in writing. The Board shall be responsible for notifying
the teacher of the disposition of the case as promptly as administrative
obligations will allow.

D. School authorities will endeavor to achieve correction of student misbehavior
through counseling, interviews, and conferences.

E. Any case of assault upon a teacher while in the performance of his/her
assigned duties shall be promptly reported to the appropriate representative
of the Board. The Board shall render reasonable assistance to the teacher in
connection with handling of the incident by law enforcement authorities.

F. Time lost by a teacher in connection with any assault on a teacher or as a
consequence of the negligence of the Board shall be handled as follows,
provided the teacher was at all times acting within the scope of his/her
employment and pursuant to Board policy and applicable law:

      shall result in no loss of salary or reduction in accumulated leave.

      reduction in accumulated leave until Worker’s Compensation payments
      begin. Thereafter the Board shall pay to the teacher the difference

      able to return to employment or is eligible for retirement, but in no

      this section.

      judgment entered against him/her in a civil case as related to the
incident, the Board has no further responsibility for pay or loss of accumulated leave.

Formal disciplinary action resulting from such complaint shall be limited to those matters which have been reported to the teacher in writing.

H. If any teacher is sued in a civil action as a result of any action taken by the teacher in the proper exercise of his/her responsibilities, the Board will provide for the defense thereof.

I. No reprimand or discipline shall be discussed by the administrator(s) or the teacher or representative involved in the presence of students, parents, or employees not involved in the events giving rise to such reprimand or discipline, provided this shall not preclude such discussion as is necessary to establish the facts or to process such reprimand or discipline to the School Board, and provided such shall not preclude the teacher and/or representative discussing the same with appropriate Union officials.

J. A teacher shall be entitled to have present a representative when being reprimanded or disciplined. Reassignments out of the teacher's classroom following an alleged incident upon investigation shall be grounds for the presence of a representative of the teacher's choice. In an emergency, such meeting shall be held within one work week of the reassignment. When a request for such representation has been made, no action shall be taken with respect to the teacher until such representative shall have a reasonable opportunity to be present.

K. Teacher's desks and lockers shall not be entered or searched except in an emergency or when it shall be necessary to locate a teacher's plan book or other materials to assist the instructional process. If such entrance or search shall occur, the teacher shall be made aware of such action and the reason therefore upon his/her return to work.

L. The Board shall continue to provide liability insurance coverage for all teachers no less comprehensive than that in effect on the effective date of this Agreement.

M. A written statement by the Board governing use of corporal punishment of students shall be made available on the district website. The Board agrees to indemnify teachers against any civil damages and provide for the defense of any act authorized by such written statement of the Board.

O. School Volunteers
   1. Prior to the principal assigning a volunteer to work with a classroom teacher, the teacher shall be given a reasonable amount of time during which he/she may interview the volunteer and/or let his/her views be known regarding the volunteer’s assignment to the classroom. The parties agree that the best interests of all parties are served when volunteer assignments are made in an atmosphere of mutual consideration.

   2. If a conflict arises after placement of a volunteer in a teacher’s classroom, the teacher shall request, in writing, a change of volunteers. If such request is denied, the principal’s reasons for such a refusal shall be stated in writing by the principal with copies to the teacher, the volunteer, the Union president, and the area superintendent.

P. When the principal determines to change a student's placement, the affected teacher(s) shall have been given notice of the change.

Q. The Board agrees that whenever a parent complaint comes to administration, the parent should first be referred to the teacher to address the matter. The administration should notify the teacher of the parent contact.

R. A copy of anything a teacher is requested to sign shall be provided to the teacher by the end of the next business day.

ARTICLE XIV
LEAVES OF ABSENCE

Section A - Rules Governing
1. While on approved paid leave of absence, a teacher shall continue to receive the benefits of group fringe benefit plans, which are provided by
the Board for teachers who are not on leave of absence. A teacher on unpaid leave of absence may, with the consent of the insurance carrier, continue benefits under an insurance policy by paying all of the required premiums on a timely basis as prescribed by the Board provided all the conditions of such leave are met by the teacher.

2. Upon the expiration of any approved leave of absence, and if all the conditions of such leave have been met by the teacher, the Board shall continue to employ such teacher under the same circumstances and subject to such conditions as though such teacher had not been on leave. Except as otherwise provided herein, all unpaid leaves of absence shall not be counted as experience, which warrants any advancement on the salary schedule.

3. Except as otherwise provided herein, all leave applications other than in emergency situations, shall be submitted at least ten (10) workdays in advance of the date the leave, if approved, would begin. Such ten (10) days advance submission requirement shall be waived in instances of sick leave, which preclude such notice. In emergency and other unforeseeable circumstances, leave of absence request will be submitted with appropriate documentation within ten (10) workdays after the date of such event.

Section B - Paid Leaves

1. Sick Leave
   a. Accrual
      1) Each full-time teacher shall be credited with four (4) days of sick leave as of the first day of employment of each contract year. Thereafter, each full-time teacher shall be credited with one (1) day of sick leave for each month of employment to be credited by the end of each month, provided that such leave shall not be used prior to the time it is earned and credited. Full-time teachers shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment.

      2) Unused sick leave shall accumulate from year to year without limit.

      3) Sick leave may be transferred into the school district from other public school systems in Florida without limit as to the number of days of sick leave accrued except that at least one-half (1/2) of this accumulated leave must be earned within this school district at any given time.
4) For purposes of this section only, “full-time teacher” shall apply to any teacher who is regularly employed more than one-half (1/2) time.

b. Usage
1) Sick leave shall be used only for personal illness (including the illness or disablement related to or disablement due to pregnancy or the birth of a child, provided the matters described within these parentheses shall not be applicable to any teacher on maternity leave) of the teacher or for the illness or death of a spouse, son, daughter, mother, father, brother, sister, grandparent, father-in-law, mother-in-law, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, grandchild, son-in-law, daughter-in-law, step-parents, step-children, or a person residing in the same household as the teacher.

c. Sick Leave Bank
The Board agrees to establish a Sick Leave Bank for employees. A committee of six (6) employees shall be appointed by the superintendent for the purpose of developing recommendations to the superintendent regarding guidelines, procedures, and rules for such bank.       b) To attend Union (including any other employee organization which has represented or sought to represent public employees in collective bargaining) associated business.

   5) Such leave shall not be granted for purposes for which any other type of paid leave is available.

   a. A teacher shall be entitled to illness-in-the-line-of-duty leave up to ten (10) workdays per school year when he/she has to be absent from duty because of personal injury received in the discharge of duty or because of illness from any contagious or infectious disease or school building environmentally induced sickness contracted in school work.
   b. Such leave or the balance thereof may accumulate from a school year to the next school year in the event of a continuation or
recurrence of a specific injury sustained during the previous school year only.

The term “event” as used herein shall mean an unforeseen, unexpected, or sudden happening, the nature of which is such that the injury sustained can logically be expected to result.

   3) A teacher must have been employed by the Board as a teacher for at least one (1) school year and must be returning to the district as a teacher before such leave may be granted.
   4) A teacher shall be either enrolled in a master’s or higher level degree program at an accredited, approved institution and/or be attending school or institute in order to add subject area(s) to his/her certificate and/or to improve the instructional program of the school.

One (1) day shall be the teacher's personal leave day, matched by one (1) professional leave day granted by the district.    1. Military leave shall be granted without pay to teachers on continuing contract or professional services contract who volunteer to serve in the armed forces of the United States or this state in fulfillment of obligations incurred under selective service laws or because of membership in reserves of the armed forces or National Guard. Teachers granted such leave for military service shall, upon completion of the tour of duty, be returned to employment without prejudice, provided application for reemployment is filed within six (6) months following the date of discharge or release from active duty; and provided further that the Board shall have a reasonable time, not to exceed six (6) months, to reassign the employee to duty in the school system. Military leave shall not be counted as years of service toward the continuing contract or professional services contract.
   2. Military leave for voluntary reserve and National Guard duty shall not be granted except under the following conditions:
      a. If the teacher must attend summer school to correct certification deficiencies;
      b. If the military certifies that special training is needed to maintain status and is not available during summer vacations.

b. A teacher who has adopted a child may apply for adoption leave for a period not to exceed the balance of the school year in which such adoption shall occur, and upon proper reapplication, the next succeeding year. Written application for such leave shall be submitted to the principal within two (2) calendar weeks after approval for adoption by the recognized agency or source.

Such leave shall commence only at the start of the school year.

c. Such leave may be renewed for no less than one (1) school year per renewal and shall not be so renewed more than twice. Such renewal shall be limited to the year(s) immediately following the first year in which such leave originally began.

Provided that the Board may waive the ten (10) day requirement when conditions surrounding the illness do not permit the application for said leave. Such leave shall be for no longer than the balance of the School year in which the teacher’s accumulated sick leave was exhausted.

ARTICLE XV
REDUCTION IN FORCE

A. If, in the exclusive judgment of the Board, it is determined to reduce the number of teachers on continuing contract or professional services contract, the Board shall attempt to accomplish such reduction by attrition. Prior to reducing the number of continuing contract/professional services contract teachers as provided herein, the Union shall be given the opportunity to express its views regarding such reduction. If such reduction of teachers on continuing contract cannot be accomplished by attrition, the following procedures shall be utilized in the following order:

1. The Board shall identify the instructional assignment(s) [grade(s)/subject(s)/special area(s)], to be reduced. All annual contract teachers in such assignments shall be non-renewed prior to any
reduction of continuing contract or professional services contract

No continuing contract or professional services contract teacher who is
subject to reduction pursuant to this Article shall be reduced while an
annual contract teacher is employed in a position for which the
continuing contract or professional services contract teacher is certified,
as provided by law.

2. Any additional reduction shall be in order of the least consecutive years
of creditable experience in the district of all teachers in such
instructional assignment. As used herein, “creditable teaching
experience” shall mean service rendered while under contract with the
Board, provided such service qualifies for years of experience for salary
purposes, and provided such service has been continuous.
“Continuous” service shall not be affected by any authorized leave of
absence, but service shall not be deemed continuous if the teacher has
previously resigned or been terminated for any reason except reduction
in force.

3. The preceding section shall not be applicable to any continuing contract
or professional services contract teacher identified by the Board as
fulfilling educational requirements of the district. As used herein
“educational requirements” shall be construed to mean activities within
the district, which relate to particular area(s) of curricular or
extracurricular activities, or differentiated pay positions, with or without
additional financial compensation, and the particular ability of individual
teachers to effectively complete these assignments.

B. In the event it is determined a reduction in teachers shall occur, the Union
President shall be given the opportunity to discuss the reduction with the
Superintendent.

C. If the Board shall determine to employ teacher(s) at any time during the
seventeen (17) calendar months next following such reduction in staff, such
positions shall be offered in writing to the last continuing contract or
professional services contract teacher in such instructional assignment
terminated in the inverse order of lay-off, provided such teacher holds the
required certification and is deemed by the Board to be qualified to fulfill the
educational requirements of the district. Such offer, delivered in person or
by certified mail, shall be to the most current address of the teacher as
reflected in the records of the Board.
D. Nothing herein shall prohibit teachers who have been reduced pursuant to
this Article from seeking and/or accepting gainful employment elsewhere.

E. Nothing in this Article shall be construed as to prevent the Board from
providing staff balances to comply with mandated programs or to preclude
or overcome any form of illegal discrimination.

E. The Board shall provide terminal pay to any teacher upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death. However, such terminal pay shall not exceed the amount shown as follows:

1. During the first three (3) years of district service, the daily rate of pay multiplied by thirty-five percent (35%) times the number of days of accumulated sick leave.

2. During the next three (3) years of district service, the daily rate of pay multiplied by forty percent (40%) times the number of days of accumulated sick leave.

3. During the next three (3) years of district service, the daily rate of pay multiplied by forty-five percent (45%) times the number of days of accumulated sick leave.

4. During the next three (3) years of district service, the daily rate of pay multiplied by fifty percent (50%) times the number of days of accumulated sick leave.

5. During and after the thirteenth (13th) year of district service, the daily rate of pay multiplied by one hundred percent (100%) times the number of days of accumulated sick leave.

6. The four (4) days of sick leave credited to each teacher shall be treated as four (4) days of entitlement upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death.

7. Payment for terminal pay as described above will be paid sixty (60) days after the date of normal retirement.

F. To calculate a teacher's daily rate of pay, the base salary shall be divided by one hundred ninety-six (196). To calculate an eleven (11) or twelve (12) month teaching contract salary, the ten (10) month base salary shall be divided by one hundred ninety-six (196) days and multiplied by the actual number of contract days.
G. Salaries shall be paid twice a month in twenty-four (24) pays.

H. A teacher whose employment is terminated for any reason shall receive his/her terminal pay, if any, and all salary earned prior to the date of said termination less any deductions sixty (60) days after the termination date, provided all obligations to the Board have been completed.

I. Upon written authorization of the teacher, the Board shall forward for deposit into the teacher's bank account, all or a specified amount of the teacher's net salary.

J. Teachers employed by the Board shall receive appropriate substitute pay until such time as the Board officially ratifies their employment. Upon official School Board ratification, the teacher shall receive the balance of monies which insures full salary as a teacher retroactive to the date of the appointment by the School Board in his/her next scheduled paycheck.

K. Any teacher required by the Board to provide his/her personal transportation shall be reimbursed by the Board at no less than the rate allowed by law. Such requirement shall not include routine travel to and from the teacher's home and the school to which assigned.

L. Effective the beginning of the 1987-88 school year, the Board shall provide a teacher with the option of an annual payment for sick leave days accumulated during the school year provided such payment is subject to the teacher's exemplary attendance for the school year as reflected in the district payroll records. A teacher who is absent for more than four (4) workdays during the school year shall not be eligible for annual payment as provided herein. Provided that absences on approved professional leave and/or line-of-duty leave, two (2) days of personal leave charged to sick leave used for the purpose of religious observance, personal leave used for NBPTS, paid military leave, and jury-duty leave shall not adversely affect such record of exemplary attendance. Any other absences from duty, including illness or injury in-line-of-duty shall act as a bar to the benefit provided in this paragraph. Payment for such exemplary attendance shall be calculated at eighty percent (80%) of the affected teacher's daily rate times ten (10) days. Days for which such payment is received shall be deducted from the accumulated sick leave balance. Payment as provided herein shall be made as soon as payroll procedures may reasonably permit, but no later than July 1, of the year in which the application is made.

M. Compensation for adult education teaching and/or summer school teaching shall be as determined by the Board except as provided in Article XXVI, paragraph A.
N. Effective July 1, with the 2002-03 school year, the following language shall be implemented. The salary of a teacher as reflected in Section A of this Article shall remain the same dollar amount under the following conditions:

1. The teacher receives an overall "needs to improve" on his/her annual evaluation for two (2) consecutive years. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance. At such time, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen.

2. The teacher receives an overall "unsatisfactory" on his/her annual evaluation. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance on two (2) annual evaluations. At such time, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen.

O. Effective July 1 with the 2004-2005 school year the following language shall be implemented. The salary of a teacher as reflected in Section A of this Article shall remain the same dollar amount under the following conditions:

A teacher who is involved in an egregious incident, as determined by the superintendent, shall have his/her salary frozen for the subsequent school year. Upon completion of the subsequent school year with the demonstration of “effective” performance on his/her annual evaluation, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen. The teacher shall have the right to appeal to the superintendent within fifteen (15) days of the date of the notification of the decision.

ANNUAL ASSESSMENT OF LEARNING GAINS (Teachers may apply individually or as a group)

Option I: Annual Learning Gains as demonstrated on the Florida Comprehensive Assessment Test (FCAT) - Reading or Math. Teachers in grades 4 through 10 who provide direct instruction in reading or math (through any subject) may select this achievement standard. A minimum of 90% of the students must demonstrate annual learning gain as defined by the Florida Department of Education. A minimum of 70% of the students who took the alternative assessment must demonstrate annual learning gains on the approved instrument.

Option II: Annual Learning Gains as demonstrated on a standardized criterion referenced assessment in a specific subject area. Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this achievement standard. The assessment instrument must be published or district developed for use in a test-retest model. A minimum of 90% of the
students must demonstrate annual learning gains equal to one year's growth on the instrument. A minimum of 70% of the students who took the alternative assessment must demonstrate annual learning gains on the approved instrument.

**Option III:** Specific progress on other objective measurements. Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. The measurement must be a demonstration of student achievement at the highest level attainable contributing to district recognition as "First in Florida". Example: team competition that results in 1st in the district or state; or 5 or more individual competitions that result in 1st in the district or state.

**Option IV:** School Improvement Plan Objective - Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. The teacher selects one objective identified in the School Improvement Plan. The teacher must demonstrate successful implementation of at least three (3) strategies identified for the objective. The objective may be from any of the seven goals for education established by the Florida Department of Education. Examples: graduation rate, attendance, discipline, dropout rate, lowest 25% of students on FCAT, parent involvement, readiness for school.

**Option V:** School-wide performance demonstrating gains on one of the FCAT measures. Teachers who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. Teachers may select from the following:

1. Exceed the district average by more than 15 scale score points - FCAT Science.
2. Exceed the district average by more than 0.4 points - FCAT Writes!
3. Increase the number of students scoring Level 3 or above by 5% from previous year in reading.
4. Increase the number of students scoring Level 3 or above by 5% from previous year in math.
   
   70 points = Eligible Candidate Total Points

The principal shall establish minimum qualifications for differentiated pay positions within a school and shall review all applicants who meet the minimum qualifications and make his/her determination as to who should fill the position. When other factors are judged to be equal, it is the intent of the district that teacher applicant(s) from the school with the vacant position shall be chosen.

B. Paid extracurricular duty and differentiated pay positions shall be those set forth in this Article.

C. No compensation for any differentiated pay positions shall be paid from cost center internal accounts unless expressly provided herein.

D. E. Nothing shall be construed as to require the filling of any position listed herein, nor to preclude payment of any amount to a teacher for the performance of duties not prescribed herein which occurs outside the normal teacher workweek.

F. Payments for differentials which are not paid on a monthly basis shall be included in the teacher's regular paycheck upon completion of the sponsored activity.

G. In the event an elementary teacher plans to engage in an activity which he/she views as qualifying for a special Elementary Program differential, the teacher may submit a written request for such differential to his/her principal. Such request shall contain the anticipated number of hours beyond the normal teacher forty (40) hour workweek. This Agreement may be altered or modified only upon the voluntary mutual consent of the parties in writing and fully executed as an amendment to this Agreement. For the life of this Agreement, each party voluntarily waives the right to negotiate over any matter during the term of this Agreement except as otherwise specifically required by the preceding section of this Article.

H. The Union acknowledges those provisions of the Florida Statutes prohibiting work stoppages and providing penalties therefore, and agrees to adhere thereto.

A. Any previously adopted rule or regulation of the Board which is in conflict with a provision of this Agreement shall be superseded by the applicable provisions of this Agreement.

B. The Board agrees that if, during the period of this Agreement, it shall consider the adoption or amendment of any Board policy which shall substantially affect the working conditions of teachers, the Union shall have the right to submit its views in writing on such proposed policy change prior to the Board meeting at which the policy is to be considered, or orally at said meeting.

Notification of intention to consider such policies and the Union response thereto shall be completed within the requirements of the Administrative Procedure Act. Notwithstanding the foregoing, the Board may take emergency action as permitted by the Administrative Procedure Act, and provided further, that this section shall not be construed to limit or affect the provisions of Article XXII, Section H. of this Agreement.
