Purpose and Use of Workdays

Two workdays for elementary schools and two workdays for secondary schools are designated by the Charlotte-Mecklenburg Board of Education as required. At least seven days must be optional workdays. Principals may designate up to six days of the remaining days as required. Working with the school improvement team, principals must determine the purpose for each day. Days may be scheduled and planned for different purposes for different personnel. There is no requirement to schedule the same dates for all personnel.

Severe Weather Procedures Overview

CMS now has the option of operating with a two-hour delay. The two-hour delay is a transportation option that affects bus drivers and students. Schools will open two hours late; the ending bell schedules do not change. All employees except bus drivers will report to work at the usual time. Each principal will develop a modified bell schedule that begins two hours later than normal and ends at the regularly scheduled time.

In the event that schools do not open during severe weather, make-up days for students and staff are built into the school calendar. The days are listed as either optional teacher workdays, holidays or required annual leave days. Media announcements [television and radio stations, and CMS website (www.cms.k12.nc.us) and Intranet] will also indicate the type of day. All announcements will be made by 5:30 a.m.

The following codes will be used:

CODE A: Optional Teacher Workday

- All 11- and 12-month employees will report to work, use annual leave, use personal leave (teachers) or take the day without pay. Eleven and 12-month employees do not have a make-up option.
- 10-month employees (i.e., teachers, teacher assistants, 10-month secretaries, etc.) choose one of the following five options:
- Report to work.
- ✓ Use annual leave.
- Use personal leave (teachers).
- Take the day without pay.
- Make up the time on specified make-up days only. (The specified make-up days are scheduled annually and usually occur within the first five days following the end of the teacher calendar. Employees should not select the make-up option unless they can commit to work on the specified make-up days. Employees who select the make-up option and do not work will be charged for a day without pay and will not be able to use sick leave or annual leave.)
- Nine-month employees with available annual leave may take an annual leave day. All other nine-month employees will take the day without pay.

CODE B: Required Annual Leave Day

- All 11- and 12-month employees will report to work, use annual leave or take the day without pay.
- Nine-month employees will use available annual leave or take the day without pay.
- 10-month employees not subject to required annual leave days (i.e. secretaries) follow the option of 11- and 12-month employees.
- 10-month employees subject to required annual leave days (i.e. teachers, teacher assistants) are required to use annual leave. Employees who are required to take leave do not have a make-up option for the required day.

CODE C: Essential Personnel Only

Code C indicates extremely hazardous weather and is reserved for rare instances designated as emergency circumstances by the superintendent. **Only essential personnel designated by the superintendent** or his designee are to report to work, provided they are able to travel safely.
