§100 Contract

1. **Term of Contract**

This contract is made and entered into by and between the Cincinnati Board of Education ("Board") and the Cincinnati Federation of Teachers Local 1520 AFT, OFT, AFL-CIO ("Federation") and shall be binding and effective from July 1, 2021 through June 30, 2024. The Parties shall agree to start negotiations December 1, 2023 and conclude negotiations by March 31, 2024 unless the parties mutually agree to conclude negotiations by April 30, 2024.

2. **Contract Implementation**

The Board and Federation shall jointly plan and implement training in regard to contract implementation.

Training shall cover the entire contract. Participants shall include, at a minimum, Federation Building Representatives, Executive Council, and staff; principals, appropriate central office and field administrators, and all members of the bargaining unit as soon as such information can be reasonably shared.

The parties shall also conduct a briefing for community leaders about all provisions of the contract.

3. **Implementation Plan**

The Board and Federation enter into this collective Bargaining Agreement committed to its implementation. Together, no later than thirty days after Ratification and Passage of the Collective Bargaining Agreement, the Designees of the Superintendent and Treasurer and Federation President will meet and develop a CBA Implementation Plan, Timeline and Calendar (CBAIPTC). The group will include representatives from the respective negotiations teams. Within ninety (90) days or less the CBAIPTC will be reviewed with the original working group and any adjustments can be made and presented to the Board. Throughout the life of the CBA, issues regarding the CBAIPTC may be brought and resolved through the Educational Initiatives Panel (EIP).

§110 Recognition

1. **Sole and Exclusive Bargaining Agent**

The Board recognizes the Federation as the sole and exclusive bargaining agent for the purpose of bargaining wages, hours, benefits and all other terms and conditions of employment for all teachers in the bargaining unit, including classroom teachers, certificated night-school teachers and summer school teachers who are also day-school classroom teachers on an annual rate, librarians/media specialists, school social workers, coordinating teachers, nurses, counselors, psychologists, occupational therapists, physical therapists, audiologists, speech and language pathologists, and pre-school teachers, and daily-rate substitutes; but excluding, other daily and hourly-rate teachers, lunchroom managers, administrative assistants, directors, associate directors, associates, assistant principals, principals, personnel director, assistant superintendents, deputy superintendents, and superintendents. Henceforth, regardless of legal licensure, state certification and/or absence of licensure or certification, all members of the bargaining unit may be referred to as teachers.

2. **Rules Governing Recognition Election**

Any effort by any other employee organization or members of the bargaining unit to replace or remove the Cincinnati Federation of Teachers as the sole and exclusive bargaining agent for the bargaining unit described above in Paragraph 1 shall be governed solely by the provisions of O.R.C. §4117 and the rules concerning recognition elections adopted by the State Employment Relations Board (SERB). In any election conducted by SERB, the election ground rules are available separately.

3. **No Recognition of Rival Organizations**

The Board shall not recognize any other organization which seeks the right to represent the employees in the bargaining unit represented by the Federation during the term of this contract, nor shall the Board contribute to the growth or creation of rival organizations.
§110 Recognition

4. Information Available about Conditions of Employment

Information, statistics, and records relating to wages, hours, benefits, and all other terms and conditions of employment reasonably necessary for the proper enforcement of the terms of this contract shall be made available to the Federation upon request and upon payment by the Federation of any costs related thereto.

5. Receipt of Information Given to the Public

On the Friday before the Board of Education meeting, or as soon thereafter as possible, the information which is to be available to the public at the Board of Education meeting shall be sent electronically to the Federation.

6. Availability of Public Information to the Federation

Public information referred to in the minutes but not distributed shall be made available to the Federation upon request at cost.

§120 FAIR PRACTICES

1. By Board

The Board agrees that no person(s), group(s), department(s) or division(s) responsible to the Board shall discriminate against any employee on the basis of race, creed, color, national origin, sex, age, disability, sexual orientation and gender identity and expression or membership in, lawful participation or association with the lawful activities of the Federation.

The Board agrees that no employee shall be subject to harassment as defined in Board policy 2260.02, because of protected characteristics such as race, creed, color, national origin, sex, age, disability, sexual orientation or gender identity or expression by any student, parent, visitor, contractor, or person(s) responsible to the Board.

The Board agrees that no employee shall be subject to threatening behavior, as described in Board Policy Section 4362.01, consisting of any words or deeds of any parent, visitor, contractor, or any other person responsible to the Board that intimidate an employee or causes anxiety concerning his/her physical wellbeing.

No employee shall be subject to retaliation because he/she made a complaint, filed a grievance, or provided evidence in support of a complaint or grievance, alleging discrimination, harassment, or threatening behavior in violation of Board policy or this agreement.

2. By Federation

The Federation agrees to represent all persons in the bargaining unit equally and fairly.

§130 FEDERATION RIGHTS

1. Exclusive Organizational

a. Orientation

The Federation shall have the exclusive right to participate in the New Teacher Orientation, or similar summer inservice program, which may replace the New Teacher Orientation and shall have the opportunity to meet separately with new teachers. The Board shall consult with the Federation in planning the summer orientation program for new teachers.

b. Federation Meetings

The facilities requested by the Federation under §130 Paragraph (2a) shall not be denied, except where there is a previously announced and conflicting school activity.

Upon notification of a chapter meeting, the principal shall not subsequently schedule any meeting or event to conflict with a Federation Chapter meeting.
c. Bulletin Board

The Federation shall have the exclusive right to use one bulletin board. If the mail room is not in the main office, the bulletin board shall be in the mail room. Otherwise, the bulletin board shall be in the teacher workroom nearest the mail room.

d. Dues Deductions

The Board shall deduct the uniform and periodic Federation dues from the paychecks of any teacher who voluntarily authorizes in writing that such deductions be made. Dues shall be deducted at one of two rates, representing either the full annual Federation dues or partial annual dues divided by the number of paychecks. The Board shall transmit dues deducted from the paychecks of employees to the Federation promptly following the delivery of paychecks to employees. The Board shall make every effort to transmit dues within five (5) days of paycheck delivery.

Dues for substitutes shall be deducted at a daily rate. When a substitute changes from a daily rate to long-term substitute or long-term substitute to daily rate substitute, the appropriate adjustment shall be made by the Board in the rate of dues deduction.

Teachers who desire to cancel Federation dues deduction shall obtain from the Federation a “cancellation of dues deduction” form, complete it and return it to the Federation. A “cancellation of dues deduction” form may be submitted by a teacher only during a thirty (30) day period ending February 15 of each year, to enable the Federation to adjust its annual budget based on anticipated dues revenue. Any cancellation of dues deduction by a teacher shall become effective as of the following September 1 of the year when cancellation is requested. The Federation shall transmit the original “cancellation of dues deduction” form promptly to the Board. Under no circumstances shall the Federation deny the right of any teacher to revoke an authorization of payroll deduction of union dues when revocation is properly requested as allowed by this paragraph.

The Board shall not be liable to the Federation for the remittance of payment of any sum other than that constituting actual deductions made from the wages of teachers. The Federation shall indemnify and hold the Board harmless against any and all claims, demands, suits or other forms of liability including, by way of example and not limitation, the cost of any judgment against the Board and the reasonable value of any attorney fees incurred, that may arise out of or by reason of action taken by the Board or not taken by the Board for the purpose of complying with any provision of this Section.

The Board shall provide the Federation, at no cost, promptly following the end of each payroll period, an alphabetical list of all employees who have authorized the Federation dues deduction for the pay period and an alphabetical list of all employees from whose paychecks the Board has deducted fair share fees pursuant to Paragraph (e) below. Following the end of each payroll period, the Board shall provide the Federation promptly a list of teachers added to or deleted from dues deduction or fair share fee during that pay period. The Board shall make every effort to transmit this information within five working days following the end of each payroll period.

c. Fair Share Fee

In the event the Federation’s ability to collect fair share fees from non-federation members without written authorization, is restored by judicial or legislative action, the provision from §130.e (“Fair Share Fee”) as previously contained in the Collective Bargaining Agreement effective July 1, 2017 shall be reinstated.

f. Other Voluntary Deductions

CFT COPE and other voluntary deductions listed in §700.3.n which have been voluntarily authorized in writing by a teacher, shall be made upon receipt of the written authorization. The Board shall not establish for teachers, deductions for other political funds or insurance coverage not currently in effect without the written agreement of the Federation. This provision does not restrict the Board’s right to change insurance carriers.

Regarding COPE deductions, the Board shall deduct from the amount transmitted to the Federation, $.04 per deduction and $10.00 per transmittal.

Employees who desire to cancel CFT COPE deductions shall notify the Federation in writing. The Federation shall transmit any such cancellations promptly to the Board. Under no circumstances shall the Federation deny the right of employees to revoke the authorization of payroll deduction of CFT COPE contributions.

The Board shall not be liable to the Federation for the remittance of payment of any sum other than that constituting actual deductions made from the wages of teachers. The Federation shall indemnify and hold the Board harmless.
§130 Federation Rights

against any and all claims, demands, suits or other forms of liability including, by way of example and not limitation, the cost of any judgment against the Board and the reasonable value of any attorney fees incurred, that may arise out of or by reason of action taken by the Board or not taken by the Board for the purpose of complying with any provision.

g. Federation Leave

Upon written request of the Federation, the Federation President and up to three (3) others shall be assigned to the Federation to conduct Federation business. Any employee so assigned shall be paid the full salary to which the employee is entitled according to Appendix A, Schedule C, and shall include any extended time or supplemental pay requested by the Federation, up to limits established by STRS and enjoy all increments, benefits and leaves as other bargaining unit members, and shall continue to accrue seniority. The Federation shall reimburse the Board for salary, medical, dental and term life benefits provided to such employees, retirement contributions paid on their behalf, and any other expenses related to salary and fringe benefit costs. In addition, upon written request by the Federation, this shall also be granted to any CFT member elected or hired for a full-time position with the Federation’s state or national affiliates, and to part-time CFT employees who are compensated for work beyond the school day. Such employees shall be paid the full salary to which the employee is entitled according to Appendix A, Schedule C, shall enjoy all increments, benefits and leaves as other bargaining unit members, and shall continue to accrue seniority. The Federation shall reimburse the Board for salary, medical, dental and term life benefits provided to such employees, retirement contributions paid on their behalf, and any other expenses related to salary and fringe benefit costs. For an elected position, the request shall be honored indefinitely, if the Federation so desires. For a member hired for a position, the request shall be honored for up to four years, if the Federation so desires.

If the Human Resources Office (Human Resources and Talent Development Department may be used interchangeably, but refer to the same department) is notified by April 1 of a given school year that an employee assigned to the Federation wishes to return to regular service the ensuing school year, such employees shall return to regular service on the same basis as a teacher returning from a leave of absence longer than one school year.

h. Printing of Contract

Upon ratification of this contract, the Federation’s and the Board’s designee shall meet to jointly approve the wording of the final agreement and thereafter shall jointly submit the contract for printing. The Federation shall have up to 4,000 copies of this contract printed, 750 of which shall be delivered to the Board. In addition, the Board may, at its own cost, produce additional digital copies of the contract for distribution. The Board and the Federation shall agree on the format. The Board shall pay one-half (1/2) the cost of having the contract printed in a union shop within the school district submitting the lowest of three bids obtained by the Federation. The Federation shall distribute one (1) copy to each member of the bargaining unit. The Board shall provide new employees with a copy upon employment.

The District shall distribute electronically the Tentative Agreement to CFT members.

i. Federation Pony Delivery

The building in which the Federation office is located shall be included as a regular stop on the school mail delivery route.

2. Non-Exclusive Organizational Rights

a. Federation Chapter

The Federation chapter in each building shall have the right to transact Federation business on school property before and after the teachers' regular school day.

b. Board Meetings

The Federation President or designee shall have a seat and the right to speak at all public meetings of the Board of Education and its subcommittees.

c. Employee Relations/Federation Meetings
The Superintendent or his/her designee for labor relations and the Federation President, or his/her designee, shall meet at least monthly during the year to discuss current school problems and procedures of this contract. Additional meetings shall be held upon request of either party.

d. School Visitation

The Federation President, or his/her employee designee, shall have the right to visit the schools to investigate working conditions, teacher complaints or problems, or for a purpose relating to the terms and conditions of employment, provided there is no interruption of the school program and that the Federation representative announces his/her arrival and departure to the principal or to the person in charge if the principal is not immediately available. If possible, visits should be announced by telephone before the visit. Representatives of rival organizations visiting a school or work location shall be afforded only such privileges as are granted to any member of the public.

e. Building Representation and Privileges

Every school or unit in the system shall have a Federation Building Representative from that building/unit who shall be elected by the Federation. Federation Building Representatives and Federation elected officials, if surplussed or returning from leave, must be placed in a school or their regular assignment during the transfer process.

f. Distribution of Materials

The Federation shall have the right to distribute bulletins and other pertinent materials through the inter-school mail delivery system. The Board shall not accept for distribution through the inter-school mail system bulk mailings, which are clearly identified as produced by a rival organization.

g. Posting Notices

Federation representatives shall have the responsibility for posting and removing Federation notices and no other person shall do so.

h. Use of Mailboxes

The Federation shall have the right to distribute bulletins and other pertinent materials by placing them in the mailboxes of teachers and other professional employees.

i. Use of Faculty Bulletin Boards

The Federation shall have the right to use a portion of existing faculty bulletin boards including those in any teacher workroom.

j. Directory Information

Board will annually, within 20 days of the first paycheck delivered to teachers in September, provide to CFT a list of bargaining unit members, including their work location, position classification, and home address. Teachers assigned to more than one school shall be listed at their “home school” (paycheck site).

In addition, the Board shall provide the following information for each bargaining unit member as soon as such information is entered in Board computers: phone numbers (unless employee objects), seniority date, areas of certification, grade(s) and/or subject(s) taught, whether the teacher holds a supplemental contract under Appendix A, Schedule E. Any part of such information that has been entered in Board computers will be provided even if all of the information listed above is not available.

k. New Employee Information

The Board shall promptly provide electronically the Federation with the names and addresses of new employees.

l. Electronic Network

The Federation shall be treated as a school site regarding technology networking. The Board shall provide the network connections to the Federation’s network server. In addition, data which is public information or required as part of this agreement, if available electronically, shall be made available to the Federation electronically. Board
§130 Federation Rights

expenditures to provide such information shall be limited to the cost of maintaining the network connection to the CFT office using the same standards as for school offices.

§140 PERSONNEL FILES

1. Access to Personnel Files

The official personnel file of each teacher shall be maintained by the Human Resources Office. The Board and Federation recognize that certain Ohio laws govern access to records maintained by or on behalf of the Board. However, insofar as they are acting in their capacity as employees or representatives of the Board, only the following may have access to teacher personnel files: members of the Board of Education; attorneys of the Board needing access to personnel files; the Superintendent and his/her designees who serve in an administrative or supervisory capacity in relation to the teacher, and other Board employees conducting an evaluation or assessment of the teacher or considering the teacher for a position, with the approval of the Director of Human Resources, or his/her designee; the teacher; and such other persons as the teacher may authorize in writing.

2. Examining One's Own Personnel File

A teacher may examine his/her personnel file upon request. With respect to the official personnel file, the teacher shall schedule an appointment at least one (1) working day in advance with a representative of the Human Resources Office in whose presence the file shall be examined. Copies of any material in the personnel file shall be made available upon request and upon payment of the cost of copying. After seven (7) years, upon teacher request, all disciplinary infractions that have not re-occurred and do not create a legal exposure or liability for the Board shall be expunged by mutual agreement.

3. Notice of Material Placed in a File

Upon receipt of any written communication (including a notation) involving accusations or derogatory statements against a teacher, the Human Resources Office shall, before placing such material in the official personnel file, notify the teacher of his/her right to dispute the accuracy, relevance, timeliness, or completeness of the communication (or notation). Notification shall not be required when documents are addressed or copied to the teacher. The teacher’s written response must remain attached to the derogatory statements as long as the item is on file.

4. Maintenance of Other Personnel Files

No other official personnel file concerning a teacher shall be maintained. However, letters, memoranda, copies of documents which are in the official personnel file and other material concerning a teacher may be maintained in a personnel file by the building/unit administrator.

5. Notice of Material in Other Files

When a principal or other administrator finds it necessary to insert any written communication (including a notation) in a teacher’s personnel file maintained at the building/unit level which reflects adversely upon the teacher’s conduct, service, character, or personality, he/she shall afford the teacher an opportunity to read such communication. The teacher shall also have the right to answer such communication and his/her answer shall be attached to the file copy.

6. Use of Material in Personnel Files

Any written material withheld from the official personnel file and the personnel file maintained at the building/unit level, and not otherwise known to the teacher, shall not be used as evidence in any action against the teacher. Should a teacher dispute the contents of a written communication or notation in either personnel file referred to above, the Board shall delete any information that it cannot verify or that it finds to be inaccurate.

7. Notice of Citizen Examination of a Personnel File

Upon receipt of a citizen request for access to a teacher's personnel file under O.R.C. §149.43, the Human Resources Office shall notify the teacher in writing, including the date of the request and the name of the person making the request.

§145 PROFESSIONAL LEARNING COMMUNITIES

The Board and Federation are both committed to improving student achievement by establishing Professional Learning Communities (PLC) in which all stakeholders take collective responsibility to ensure student learning and to promote a
collaborative educational culture focused on continuously improving results. The dominant models for PLCs are teaching teams and learning teams. Unless specifically requiring district governance, schools may organize their teams according to the structure that best suits the needs of the students in that school's programs. Limits on the number of teams per school will be determined by the ILT and reviewed by the LSDMC based on the financial constraints established by the district budget requirements.

1. Professional Learning Communities: Teams and Elected Team Leaders

   Elected Team Leaders will facilitate meetings and professional discourse that focus on the analysis of current school data. The teams will determine professional development activities based on the data analysis. If requested and approved by the principal, the Team Leader will be trained in professional discourse at extended pay rate for one day.

   a. LSDMC Composition

      The District shall ensure that every school has an LSDMC constituted according to Board policy.

   b. School Team Structures

      The prevailing organization for schools in the district shall be through teams as described below:

      However, if a school community wishes to be organized differently, they may request an exemption by the Superintendent. A request for exemption shall require a two-thirds (2/3) affirmative vote of the ILT, two-thirds (2/3) affirmative vote of the faculty, concurrence by the LSDMC, and informing the EIP. The exemption shall require renewal every three (3) years and shall be made by March 1 for the following school year.

2. Description of Teams

   a. Teams

      A team shall consist of three (3) or more teachers sharing a common group of students.

      Teams may utilize teacher leader positions differently and some schools may create more teams than other schools, but team configuration or number of teams does not necessarily mean greater funds from the district.

   (1) Teams for Grades K-6 and K-8

      All schools shall be organized with either vertical or horizontal teams sharing the same students for at least two (2) years unless they have received an exemption from the Superintendent pursuant to §1451b.

      - Each team shall select a Team Leader from among the team to serve two years according to the process outlined in 2b. Two or more leaders may alternate leadership within the year, but not share it simultaneously.

   (2) Teams for Middle Grades 6-8 or 7-8

      All elementary schools with grades 7-8 shall adopt the following structural and organizational features, unless they are Montessori or have received an exemption from the Superintendent according to §145 1b above.

      - If the school has fewer than eight (8) academic teachers (math, science, social studies, English), then there shall be one middle school team.

      - Include at least one (1) Intervention Specialist, but sufficient to serve all students with IEPs, according to their needs. An Intervention Specialist may service more than one (1) team depending upon caseload.

      - Each team shall select a Team Leader from among the team to serve two (2) years according to the process outlined in 2b. Two (2) or more leaders may alternate leadership within the year, but not share it simultaneously.

   (3) Middle Teams

      For grades 7-8, a team must include teachers with middle grades or secondary certification in math and science or twenty (20) semester hours in those disciplines that would count towards secondary certification. Teams of four (4) or more shall also include teachers with middle grades or secondary certification in social
§145 Professional Learning Communities

1. studies and English or twenty (20) semester hours in those disciplines that would count towards secondary certification.

3. \(4\) Grades 9-10

The team must include teachers certified in the core academic areas, i.e. math, science, English and social studies and may include foreign language.

6. \(5\) Grades 11-12

Teachers will generally not be assigned to teams.

b. Team Leaders within a school building will be selected as follows:

Principal notifies team of Team Leader vacancy for the succeeding school year.
Interested parties notify Principal of interest in Team Leader position in writing within five (5) working days from the time the vacancy is announced.
Team convenes interviews for interested teacher(s).
Team will select a Team Leader to serve for two (2) years.
Principal must concur with the team selection of Team Leader. If the Principal does not concur, the Principal must submit to the Team in writing the concerns or objections about the proposed candidate. The Team will reconvene and resolve the objections. The ILT and principal shall determine the final team assignments by the end of the school year. Substitute teachers shall not participate in the selection of Team Leaders or High School Department Chairs or be eligible to serve as Team Leaders or High School Department Chairs.

c. Team Leader Role

Any teacher, including specialist teachers, shall be eligible to be a Team Leader with Team Leader compensation—as long as this provision does not inadvertently produce more teams and provided that the teacher meets job qualifications. The Team Leader’s duties include, but are not limited to, the following: serves as instructional leader of the team; represents the team on the ILT; conducts team meetings; mentors and coaches team members; submits team meeting minutes and quarterly reports to the principal; coordinates the analysis of student achievement data; facilitates the implementation of the learning teams and teaching teams process; and facilitates team communication with parents.

d. School-wide Lead Teachers and District Level Lead Teachers Selection Process

School-wide Lead Teachers and District Level Lead Teachers are selected through the process outlined in the Career in Teaching Agreement, Appendix D.

e. Secondary Schools

Secondary Schools shall be organized in the following ways; however, if a school community wishes to be organized differently, they may request an exemption by the Superintendent:

- There shall be horizontal teams at grades 9 and 10. These teams shall include math, English, social studies, science, language arts, and special education teachers who serve the students in that horizontal team.
- There shall be department chairs in the following subjects: mathematics, English, social studies, science, special education, fine arts, foreign language. (At schools with specialties, there may be additional department chairs if the department numbers at least five (5).) Department chairs will serve as the department leaders. Their role is to carry out the Board adopted curricular standards and evaluate student performance within their department’s discipline. Within each core discipline department, math, science, social studies and English, the department chair will also serve as the content innovation specialist.
- High School Department Chairs (also referred to in Appendix D as “Subject Area Leaders”) shall be selected by the process outlined in Appendix D (“Career in Teaching Program Agreement”) – Selection of Lead Teachers for School-Wide Positions.

3. Team Composition and Plans

Once the school has received its annual budget, the staff will develop team structures according to §145 or to other organizational structures approved by the Superintendent, above, and submit team plans by January 15. The ILT will either approve or reject the staff’s overall and individual team plans. The principal must also concur. If either has concerns or
§145 Professional Learning Communities

objections, the team or teams will reconvene and resolve the objections by January 25. The ILT and principal shall
determine team assignments by February 1.

After existing staff has been assigned to teams, the transfer and staff selection procedures in §250 will be used to fill
remaining team vacancies and to fill vacancies in positions that serve the school as a whole.

4. Role of Teams

a. Team Rights and Responsibilities

A team shall be responsible for teaching its students to help them meet or exceed state standards. The team shall
determine instructional methods, consistent with the school's adopted program focus, if any, and shall determine how
to group and schedule students for instruction in the subjects covered by the team. The team shall determine
disciplinary procedures consistent with the district’s Code of Conduct and the Positive School Culture Plan.
Continuity in student-teacher relationships shall be a primary consideration.

b. Assigning Students to Teams

Students with disabilities shall be assigned to teams as determined by the Least Restrictive Environment outlined in
their IEPs. For students who are not in specialized units (Autism, Multiple Disabilities, Strides) managed by the DSS,
the case coordinator, principal, and intervention specialists shall assign students with disabilities to teams to ensure
equity of assignments across teams. The assignment of students to teams shall be in alignment with the school's
continuum of service delivery. The student services manager, principal, case coordinator, general education teacher(s),
and intervention specialist(s) shall meet at the beginning of the school year to resolve concerns specifically related to
students with disabilities, continuum of services and assignment of students to teams taking into account the student's
IEPs and ETR data.

c. Assigning Teachers and Staff

Along with the school administrative team, the ILT will determine the most efficient use of teachers and staff based
on servicing students.

5. Budget Allocations for Schools and Teams

School budget allocations shall be made according to the Board’s adopted budgeting process. The ILT, with the approval
of the LSDMC, shall use the school’s funds to support the school’s academic mission. The ILT, with the approval of the
LSDMC, will allocate a percentage of the school’s budget for teams’ use in the instruction of their students.

With the approval of the principal, teams may agree to combine resources in order to requisition goods or services or dollars
for personnel. Teachers shall be entitled to choose among vendors selected by the Board for transportation for field trips
or related curricular, co-curricular or extracurricular or recognition events.

If a team agrees to provide coverage for a teacher’s absence for personal/family illness, personal leave, or for approved
absences for training or professional meetings where grant money or the Professional Development Funds would pay for
the substitute, the funds that the substitute would have cost the District shall be transferred to that team’s budget.

CPS BOE and CFT Collective Bargaining Agreement - 2021 9
§145 Professional Learning Communities

§150 COLLABORATIVE DECISION MAKING

1. Instructional Leadership Teams (ILT)

An Instructional Leadership Team shall be formed at each school.

c. Operation of ILT

(1) ILT Voting Procedures

The ILT will determine how it will make decisions. Decisions of the ILT shall be made when a quorum of ILT members are present. A quorum shall be fifty-one (51) percent of the members of the ILT and shall include the principal. All meetings of the ILT shall be open and shall be held outside of the student day, except under urgent or emergency circumstances.

(2) Faculty Approval of ILT Decisions

Teachers shall elect faculty liaisons to parent organizations and teacher representatives to the LSDMC.

(3) ILT Subcommittees

The ILT may appoint subcommittees to assist in carrying out its responsibilities, including developing policies and procedures listed above. However, the ILT shall act on the reports and/or recommendations of any subcommittees. Such subcommittees may include non-ILT members.

(4) ILT Agendas and Minutes

The Principal and a teacher co-chair, selected by the teacher members of the ILT, shall jointly prepare an agenda for ILT meetings. The agenda shall be distributed to all teachers, staff, and parent ILT members twenty-four (24) hours prior to each regular ILT meeting; and minutes shall be taken and distributed to all ILT members, LSDMC members, and staff within three (3) days. The minutes shall include all decisions made by the ILT.

If a school has an externally funded Ohio Department of Education coach, the coach will report periodically to the ILT on progress in improving student achievement.

d. ILT Training

The Board and Federation encourage ILT training through Launch ED for schools requesting training. All first-year administrators, building representatives, and ILT co-chairs shall have ILT training.

Further, the parties shall provide assistance and mediation if the members of an ILT so request or if the parties agree that an ILT is having difficulty working together or making decisions.

e. Policies and Practices

Policies and practices, which are implemented at the building level, shall not be inconsistent with the terms of this contract. However, if an issue specifically related to instruction can be mitigated by a short-term request for suspension of specific provisions for less than twenty (20) school days, the following process may be used to permit the deviation from strict adherence to the contract.

The faculty member(s) shall consult simultaneously with the principal and building representative to place the issue before the ILT. The ILT will discuss the requested change. A two-thirds (2/3) vote is required for approval. Upon approval, the change will be submitted to the Superintendent and Federation for approval. The timeline for approval shall be ten (10) calendar days.

After the time requested for the suspension has passed, all terms of the contract affected shall be reinstated. A request for suspension may be renewed once following the same process.
§150 Collaborative Decision Making

After one (1) year from the ratification of this agreement, this provision may be ended by a forty-five (45)-day notice of either party.

f. Parallel Structures

No other structure shall be established by the administration or the teachers to supersede or parallel the ILT.

g. Role of LSDMC

Nothing in this section shall detract from the role or the authority currently granted to the LSDMC by Board Policy.

If a school has an externally funded Ohio Department of Education coach, the coach will report periodically to the LSDMC on progress in improving student achievement.

§155 FLEXIBLE ACCOUNTABILITY SYSTEM

1. Purpose

Individual schools in the district perform at different levels. As a result, the level of support and degree of flexibility, as well as oversight, may be unique. The Cincinnati Federation of Teachers and the Board of Education agree that the district shall provide resources, tools and services to schools to produce rigorous learning environments and improved academic achievement for all students. This section establishes the parameters the district shall use to determine the various levels or tiers into which schools will be placed and the unique assistance that may be offered to schools based on that identification. However, services to schools in the same category may differ.

2. Cohesive Leadership Characteristics

The Board is committed to a central office focused on support rather than management, aligned policies through all levels in the district, wide and meaningful engagement of stakeholders, and aligned improvement initiatives that determine and deliver resources specific to sites.

The parties support school use of timely and relevant data, job embedded professional development and greater focus on instruction.

3. Partnership for Excellence

The parties agree to establish the Partnership for Excellence to be operated by the Board and Federation under guidelines mutually developed. The Partnership will be comprised of CPS corporate and civic partners. Its role will be to focus on raising funds and enlisting expertise in order to enhance recruitment, retention and reward of excellent classroom teachers.

4. Adoption of a New School Wide Program Focus

When the Board or administration selects a new school wide program focus, the announcement shall be made to the staff by January 1st of the previous school year, prior to the transfer rounds.

5. Support to Schools

As a result of a complete audit, the parties shall develop plans that push the boundaries of how schools typically function, rethink how schools operate, reduce barriers to innovation, and develop a plan that will sustain change. Provided funding is available and approval of the LSDMC, all schools may apply through EIP to be a site to introduce:

- New or specialized curriculum
- Concentrated professional development
- Innovative pedagogy
- Models of positive building culture
- Increased attention on one or more subgroups of students
- Joint training for the schools Admin Team and the Building Rep Leadership
- ILT Training

6. Resource Stability

CPS BOE and CFT Collective Bargaining Agreement - 2021
The district shall provide needed resources in personnel, training, and program adoption. The Board is committed to equitably distributing resources among schools.

7. **Staffing**

   **a. Redesign Schools**

   In a school that is a candidate for redesign, a full school audit shall be performed the year prior. The results of the audit will be reviewed by the EIP and used to assist the Superintendent in formulating a recommendation to the Board of Education.

   All teachers in redesigned schools will be surplusced with an opportunity to reapply to that school.

   When a school falls in the Redesign category and is closed, all teachers serving at the school shall be displaced and treated as surplusced. All teaching positions at any new school, which replaces the closed school, shall be considered vacancies. Teachers shall be selected based on their training, experience, and individual qualifications for the program to be offered at the redesigned school and for specific teaching positions. Teachers displaced by school redesign shall have the opportunity to apply for vacancies at the newly designed school or other open positions, if they possess the appropriate certificate or license, and shall have the rights afforded to surplus teachers under §250.3.a (3) above. However, §250.3.c shall not apply.

   **b. Visiting Instructor Program (VIP)**

   In association with universities (not exclusive of Xavier University, University of Cincinnati, College of Mount St. Joseph, Northern Kentucky University, and Miami University), Human Resources will develop a Visiting Instructor Program (VIP). VIPS will then be able to have an initial entrance path to CPS employment upon completion of their licensure.

8. **School Workday and Calendar for High Needs Schools**

   a. Schools may have additional professional development at the beginning of the year, throughout the school year, and as invited at the end of the school year.

   b. The SPT will make recommendations regarding specific high needs schools’ work day, work week, work year, compensation, and program to the Superintendent and Federation President, as co-chairs of EIP.

---

**§160**

**GENERAL**

1. **Long Range Planning**

   The Board and the Federation agree that long-range planning shall be essential for an efficient and effective education program in the Cincinnati Public Schools. Any committee established by the Board for such purpose shall include representation from the Federation, appointed by the Federation. The Federation recognizes the Board’s right to appoint additional representatives of the community, stakeholders, and parents.

2. **Academic Freedom**

   Academic Freedom shall be guaranteed to teachers, and no arbitrary limitations shall be placed on study, investigation, presentation and interpretation of facts and ideas concerning man, human society, the physical and biological world, and other branches of learning. However, such freedom must be exercised within the accepted standards of professional responsibility and to the Board’s responsibility to govern the public schools.

3. **Personal Life**

   A teacher’s personal life shall not adversely affect his/her employment status except as it may directly prevent the teacher from properly performing his or her assigned duties during work hours. Within the framework of this section, teachers shall not be intimidated in their work by non-staff groups or individuals.

4. **Residency**
§170 Professional Development

Teachers shall live where they choose. The Board and Federation encourage teachers to live in the school district and enroll their children in district schools.

5. Temporary Contract Alteration

A specific provision of this contract may be temporarily suspended or altered only upon the written consent of both parties.

§170

PROFESSIONAL DEVELOPMENT

1. Teacher Leadership Pathway Program

The Federation and the Board are both committed to improving the profession of teaching. A profession offers opportunities for professional growth, involvement in decision-making, communication and collaboration, and increased responsibilities and accountability. Teachers have the opportunity to take on greater responsibilities which bring with it greater status, additional compensation, opportunities to collaborate, as well as leadership roles to improve instruction and raise student achievement. The parties also view a career ladder as a way to give incentives to attract and retain quality teachers in the profession. To this end, the parties have established and are mutually committed to revising the Teacher Leadership Pathway Program that will inform the redesign of the current Teacher Evaluation System and be consistent with state and federal mandated reforms.

a. Levels and Advancement

(1) The Teacher Leadership Pathway Program creates career pathways and a lead teacher credentialing process. A teacher applying for lead teacher will undergo a credentialing evaluation within two (2) years preceding the first credentialed year. That evaluation will be in lieu of the district's annual evaluation but will include a student growth measure in order to equate a final summative rating to be reported to the state.

Resident Educator

A Resident Educator is a teacher at the beginning of his or her career who has met initial licensure requirements and is working to develop the skills required for a career in teaching. Resident Educators work to meet or exceed an overall “Developing” level of performance. They receive ongoing, regular support from an Ohio Resident Educator (ORE) mentor to complete the ORE program and earn their professional license. Resident Educators are not eligible to apply for lead teacher credentials.

Professional Teacher

A Professional Teacher has met the requirements to obtain a professional license and has demonstrated the skills needed to have a career in teaching. A Professional Teacher is working toward an overall score of Skilled or Accomplished. He or she has an approved Individual Professional Development Plan. The Professional Teacher may elect to undergo a credentialing evaluation in order to obtain lead teacher credentials and/or a continuing contract.

Lead Teacher

“Lead Teacher” is a model for instructional excellence. A Lead Teacher has met the requirements to obtain a Professional, Senior, or Lead License and is continuing to master the art of teaching, demonstrating at least an overall Skilled level of teaching. A Lead Teacher has demonstrated an overall score of Skilled or Accomplished. The Lead Teacher has an approved Individual Professional Development Plan. The Lead Teacher has successfully completed the process to obtain CPS lead teacher credentials. Advancement to the level of Lead Teacher shall not be automatic.

(2) Lead teachers are selected from teachers with a professional license who are undergoing a credentialing evaluation and have met or are pursuing additional criteria established by the Teacher Leadership Pathway Program Agreement. The program includes opportunities for Lead teachers to accept assignments, including teaching assignments, meeting the district’s instructional needs. Advancement to the level of Lead Teacher shall not be automatic. The number of Lead Teacher positions available shall be determined annually by the needs of the district, but shall be at least ten (10) percent of the bargaining unit, subject, however, to agreement of the parties on the availability of funds, on the program budget, and on the distribution of lead teacher positions for each year. Lead teachers’ duties may include the following: consulting teachers, curriculum specialists, staff development specialists, demonstration teachers, subject leaders, team leaders, and program facilitators.
Lead teachers in district level released positions shall have the right to return to the same schools and to the same or similar assignments without loss of seniority provided they exercise the right no later than the expiration of their first term. If this occurs in subsequent terms away from the sending school, no specific assignment is guaranteed.

If a school-based lead teacher position is eliminated during the lead teacher’s first term in an assignment, the teacher has no rights to a position in the receiving school and the teacher may elect to return to the original sending school. If this occurs in subsequent terms away from the sending school, no specific assignment is guaranteed. Lead teachers shall receive stipends above the salary to which they would otherwise be entitled. Such pay, in recognition of the additional time worked and additional responsibilities, shall be negotiated by the parties, pursuant to the Teacher Leadership Pathway Program Agreement.

(3) The Teacher Leadership Pathway Program shall include all position classifications such as counselors, psychologists, school social workers, librarian/media specialist and teacher librarian/media specialist.

(4) The Teacher Leadership Pathway Program is committed to having the credentialed lead teachers reflect the diversity in the district’s teaching staff. Efforts shall continue to recruit all eligible candidates to apply for credentialing.

b. Teacher Leadership Pathway Panel

The parties shall establish a six member Teacher Leadership Pathway Panel. The term of each member shall be no longer than three (3) years. The Federation shall appoint three lead teachers; the Superintendent shall appoint three administrators. There shall be co-conveners, one (1) appointed by the Federation and one (1) appointed by the Superintendent. The Panel will develop and implement the process for credentialing lead teachers and recommend additional roles and responsibilities for lead teachers but will not assign lead teachers to positions. The panel has the authority to make procedural decisions necessary to implement the Teacher Leadership Pathway plan; to interpret and apply provisions of the plan; and to amend the plan. Amending the plan requires unanimous agreement of the Panel and approval by the Superintendent and Federation President.

c. Funding

The Board will allocate $1.1 million each school year or an amount annually agreed to by the parties pursuant to the Teacher Leadership Pathway Program Agreement exclusive of career teacher increments. Both parties may, by February 1, mutually agree to adjust the budget. Any adjustment must be the product of mutual agreement. If not requested, it shall remain the same as the previous year. The Federation and Board agree to mutually seek funding to supplement the planning and implementation of the plan including the funding of additional Lead Teacher positions.

2. Federation Conventions

Teachers shall be given up to one hundred twenty (120) days of release time without loss of pay or benefits to attend Federation conventions and related conferences. Costs shall be charged against the Cincinnati Teachers’ Professional Development Fund (CTPDF). The Federation will be assessed one-half the cost of the substitute for the leave of teachers whose attendance rate is less than ninety-five (95) percent. Otherwise, additional costs shall be charged against the CTPDF.

The Committee is not required to release more than three (3) teachers from any particular school on a given day for Federation conventions or conferences. Adequate notice shall be provided to all schools so that arrangements for instruction may be made.

Conference leave shall not be granted during the first week of the school year unless the Federation’s national convention is scheduled that week.

3. Educational Initiatives Panel

The Board and Federation recognize their responsibility to promote positive change and reform in the Cincinnati Public Schools in order to improve educational results. The parties agree that collaboration between teachers and administration is vital to the development and implementation of sound educational policies and programs. Therefore, the Educational Initiatives Panel (EIP) shall serve as a strategic planning team responsible for educational reform in the district. The Panel will be composed of an equal number of administrators appointed by the Superintendent and teachers appointed by the Federation. The Superintendent and the Federation President shall Co-Chair the Panel.
§170 Professional Development

The EIP will monitor the progress of current initiatives, plan new programs, support and encourage local school improvement and restructuring efforts. Board of Education approval may be required for some programs or initiatives.

The Superintendent and the Federation President shall annually evaluate the previous year’s work and then establish priorities for the work of the EIP. These priorities shall be on the agenda for the first meeting of the school year, no later than October 1. The Panel shall establish any necessary internal operating guidelines. The EIP shall be responsible to communicate regularly with its constituents.

a. Joint Committees

Committees which relate to instructional policies and practices, or those, whose work will impact on terms and conditions of employment, shall be established as joint committees by the EIP. Each joint committee shall have Co-Chairs, one designated by the administration and one designated by the Federation. Committees shall have at least as many teachers as administrators. Teacher representatives shall be appointed by the Federation. The parties recognize the importance of parent and community participation in developing programs and the EIP will seek representatives from parents, community, and other employee groups, as appropriate.

The EIP shall review annually the existence of joint committees.

The EIP will monitor joint committees which currently exist and take action on their reports, with the following exceptions: Peer Review Panel, Career in Teaching Panel and Appeals Panel, Teacher Allocation Committee, Employee Benefits Committee, Cincinnati Teachers Professional Development Panel, and the Health & Safety Committee.

When a committee has been charged with making recommendations to the Superintendent, the Superintendent shall respond to the committee stating his/her intentions regarding the report.

The Board and the Federation are committed to having membership on joint committees reflect the diversity in the community, staff, and student population as well as representation by teaching fields, grade levels and/or professional roles.

b. State and Federal Funds

The EIP shall review programs supported by state and federal grants and approve plans regarding the best educational use of these funds. Funds shall include Title I and Title VI programs, Impact Aid, and Educational Mobility Funds, as well as other state and federal grants which may become available to the district. The EIP may establish committees in regard to specific programs referred to above. These committees shall be established in conformity with the state and/or federal requirements for stakeholder participation in program design.

c. School Performance Committee

On behalf of the district, a joint committee of the EIP, will address and review the district’s schools' performance with special emphasis on high needs schools.

It shall be a joint committee of the EIP with ten (10) members, five (5) appointed by the Superintendent and five (5) appointed by the Federation President. Members shall serve terms no longer than four (4) consecutive years. The co-chairs of the committee shall also be members of the EIP. Recommendations of the Team go to the EIP.

Both parties will share responsibility for bringing innovative ideas as soon as possible to the committee for review by the EIP. The Superintendent and Federation President shall mutually establish timelines for review of these innovative concepts.

In the context of analyzing schools’ needs, pursuant to §155.6, the committee shall report to the EIP regarding new program initiatives, innovative program designs and alternate structures or organizations.

The Superintendent will, upon direction of the Board, review new models and determine school structures in order to develop a more expansive range of options for students, parents and teachers.

d. Testing Review Committee (MOU Language)

The Cincinnati Federation of Teachers (CFT) and the Board of Education shall establish a Testing Review Committee, a sub committee of EIP, to evaluate all District Non-State mandated testing. EIP will review ODE
recommendations, make necessary changes to be in alignment with the state, and shall collaboratively review all of the District Non-State mandated tests each year by August 1.

The following are guiding questions:

- What is the purpose of each district test?
- How reliable and valid are the tests?
- Do the tests have any diagnostic purpose?
- Are the tests culturally biased?
- Are there students with disabilities for whom the tests are appropriate/harmful?
- How has the frequency and quantity of testing increased?
- How much time in school is devoted to testing?
- How does student “test fatigue” affect testing results?
- How much instructional time is lost because of testing?
- How much money does testing cost, including the cost of test preparation, bandwidth, software?
- Are there English Language Learners for whom the tests are appropriate/harmful?
- Are there gifted students for whom the tests are appropriate/harmful?

4. Curriculum Councils

Curriculum Councils are elected bodies established by the Federation to represent teachers in the various subject areas as well as support service professionals. Curriculum Councils will work cooperatively with the Superintendent’s Designee and other appropriate administrative units to develop and maintain high quality curriculum, assessment instruments and practices, and select and/or create high quality teaching materials. Curriculum Councils will provide teachers for textbook selection committees and for development or revision of curriculum and assessment instruments.

Councils also provide a vehicle for teachers to communicate among themselves about effective teaching practices, research and other new developments in their disciplines, communicate with professional organizations in their disciplines and with external agencies which impact on teachers or can assist teachers in their work. Councils are encouraged to plan professional development activities for their constituents.

Each Curriculum Council shall have a chairperson, which shall be a lead teacher position. The Chairperson shall be selected by the Council’s Steering Committee and approved by the Superintendent’s Designee.

In addition, each Council shall have the opportunity to send one (1) elementary delegate and one (1) secondary delegate, one of whom shall be the Chairperson or designee, to the national convention of the professional organization for that discipline, funded by the Professional Development Fund. The Fund’s expense and reporting guidelines shall apply.

The Curriculum Council Chairpersons shall together constitute the Interdisciplinary Council; the Superintendent’s Designee shall meet at least quarterly with the Interdisciplinary Council to discuss the district’s instructional programs and act, as needed, to improve quality. Further, the district shall designate a liaison to each of the Curriculum Council for on-going communication. Resolutions of Curriculum Councils may be presented to the EIP after having been reviewed by the Interdisciplinary Curriculum Council. The EIP shall respond to the resolution within forty-five (45) days.

(MOU Language) The Board shall provide routine clerical services and supplies through a percentage of an FTE assigned to the Central Office to support the work of the Councils. Curriculum Council Chairs will receive four (4) release days, if needed, per quarter in order to complete their duties. All Curriculum Council Chairs will receive a stipend determined by the Teacher Leadership Pathway Agreement.
§170 Professional Development

5. Individual Professional Development

Professional Development hours scheduled during the teacher workday may be applied toward Individual Professional Development Plans (IPDPs).

6. Cincinnati Teachers Professional Development Fund (MOU Language)

The Board and Federation will seek to encourage ongoing professional development through continued participation in professional organizations, conferences, continuing education, and other professional growth activities. Therefore, the parties have created the Cincinnati Teachers’ Professional Development Fund ("CTPDF").

a. Joint Committee

The Cincinnati Teachers’ Professional Development Fund shall be governed by a joint committee comprised of an equal number of teachers appointed by the Federation and administrators appointed by the Superintendent.

The CTPDF Committee will determine guidelines, criteria and application procedures for professional development activities referred to in paragraph (b) below. These recommendations shall be submitted to the Superintendent and Federation President for approval.

The Committee shall also be responsible for rating, evaluating, and awarding the proposals. In the event of a tie vote, the applicant may be asked to submit additional information prior to an additional vote. In the event of another tie vote, the applicant shall be granted the funding for the activity.

b. Conference/Convention Fund

The Board shall establish a joint professional conference/convention fund.

The Board shall budget annually $325,000.

The Board shall budget an additional $250,000 for new hires and teachers with less than 5 years’ experience.

Up to 40% of the allocated funds shall be set aside for conventions and conferences for which similar opportunities are unavailable outside the academic year. These funds may be used for travel, lodging, registration, fees, substitute coverage and food.

Any unused funds shall provide professional development opportunities outside the academic year. Guidelines and application procedures shall be established by the Cincinnati Teachers’ Professional Development Fund Committee.

The applicant shall be required to submit a written summary for the Committee detailing how the experience will benefit instruction. The Cincinnati Teachers’ Professional Development Fund Committee will require recipients to provide a report of service to the district as a result of their participation. At the end of each quarter, the committee shall report, using district records, the recipients, the activities funded, and the cost of each activity to the Superintendent and Federation. The funds awarded from the Cincinnati Teachers’ Professional Development Fund are to be used only for the applicant.

The committee shall seek to provide equitable opportunities for use of the funds to teachers in various teaching fields and levels. In its guidelines, the committee may reserve funds annually for program priorities.

§180 SCHOOL BUDGETS

1. Commitment of Parties to a Balanced Budget

The Board and Federation acknowledge their commitments to educate the children of the District within a balanced budget and to work cooperatively to achieve these goals.

The parties further acknowledge their commitment to focus additional funds, as the resources are available, to reducing K-12 class size, providing student services in the area of social work to students in grades K-8, and for counseling students in grades 9-12.

CPS BOE and CFT Collective Bargaining Agreement - 2021
2. District Funding of Schools

School budgets, including staffing sheets, shall be charged the average salary and benefits per FTE for each job classification in its budget and shall be made available to BRs and ILT co-chairs by December 20 to inform the transfer process. Annual contact information for BRs and ILT co-chairs shall be made available to the Treasurer’s office.

The school district shall make available the annual budget packet and monthly budget reports to the LSDMC members and ILT co-chairs.

3. Money for Instructional Supplies

Funds allocated by the Board for consumable classroom materials and supplies shall be spent for that purpose. The amount allocated to each school for this purpose shall be reported to the principal and to the Federation building representative annually. The dollar apportionment for supplies made available to the school or unit shall be made on an equitable basis system-wide.

4. Adequacy of Supplies

Supplies, equipment and instructional material necessary for the implementation of all programs and course work shall be provided to teachers for each school year. The Board shall ensure that teachers have reasonable access to copy machines at each school for the reproduction of teaching materials. The ILT may allocate funds from their instructional supply money for consumable supplies for the copy machine. ILTs shall be responsible for ensuring the adequacy of supplies to each teacher.

§200 TEACHER CERTIFICATES AND CONTRACTS

Believing that higher standards are needed for schools, teachers and administrators in order to provide an outstanding education for all students, the Board and Federation affirm their commitment to the legal guidelines for licensure in Ohio.

1. New Teachers

New teachers shall hold a Provisional License, successfully complete the Entry-Year Program and performance assessment within two (2) years, and obtain a five (5) year Professional License.

2. Teaching Outside Area of Certification

No teacher shall be required as a condition of employment to teach outside his/her area of certification/licensure.

3. Renewal of Certificate/License

Teachers who have a certificate or license on file in the Human Resources Office, which needs to be renewed, shall be informed by the administration of the necessity to renew in January of the year of renewal.

4. Re-Employment of Limited Contract Teachers

Limited contract teachers who are re-employed shall be offered contracts before the close of the school term.

5. Contract Renewal

A contract shall be considered automatically renewed unless notification is given by June 1, except that supplementary contracts shall terminate upon completion of the assigned duties and payment therefore and are not subject to notification to the employee of non-renewal. The Board shall use reasonable efforts to provide earlier notification to limited contract teachers whose contracts will be non-renewed.

6. Continuing Contracts

The Cincinnati Teacher Evaluation System (CTES) and Career in Teaching Agreement (CITA) outlines the criteria and procedures for attaining a continuing contract. A teacher who has previously held a continuing contract in Ohio shall become eligible for a continuing contract after serving a two (2)-year period in the Cincinnati Public Schools, provided the
§200 Teacher Certificates and Contracts

teacher's Credentialing Evaluation has affirmed that he/she meets the criteria for continuing contract and the teacher holds
a valid or appropriate Ohio Teaching Certificate or professional license.

Any teacher hired after January 2011 will remain on a limited contract until they qualify for a continuing contract in
accordance with criteria in CTES and CITA. At that time, the district will determine if the teacher meets the prerequisites
for a continuing contract.

A teacher may waive his/her right to be considered for a continuing contract by stating in writing to the Human Resources
Director that he/she does not wish to be considered for a continuing contract. Such a declaration shall preclude a teacher
being considered for a continuing contract. To be considered for a continuing contract for a subsequent school year the
teacher must submit another declaration to the Human Resources Director requesting a review of his/her eligibility by
November 1.

Full-time personnel with multiple job contracts shall be permitted to apply for a continuing contract in the field of choice,
provided they work at least one-half (1/2) time in that field.

A teacher's continuing contract shall not be withheld due to delay in receiving transcripts from a college or university
provided the teacher supplies official documentation that the necessary courses have been successfully completed and is in
good standing with the college or university.

7. Year of Service

A year of service for regular, full-time contract teachers shall be a minimum of one hundred twenty (120) days of full-time
employment within a given school year. A day of service for regular, full-time contract teachers shall be a minimum of
seven (7) hours.

8. Continuing Contracts for Non-Classroom Teachers

Employees serving in the position classifications of school counselor, librarian/media specialist, psychologist, teacher-
librarian/media specialist, school nurse, and school social worker, upon meeting the above criteria as they apply to the
aforementioned positions, shall be offered a continuing contract, upon re-employment in their current positions.

If an employee previously held a continuing contract as a classroom teacher during the current period of employment in the
Cincinnati Public Schools and is reduced-in-force from a second position classification for which s/he holds a current
continuing contract, the employee shall have the option of waiving the current continuing contract and reverting to the
former continuing contract status as a classroom teacher. In the event the employee is reinstated to the position classification
from which s/he was reduced-in-force, the employee shall have the option of selecting which continuing contract is to be
in effect.

9. Notice of Separation

Consistent with state statutes, teachers should notify the Board of their separation from service, for any reason, no later than
June 15.

10. Rehiring Educational Retirees

Educational retirees may be considered for re-employment without public hearings, notwithstanding ORC 3309.345.

Educational retirees re-employed as a full-time teacher by the district after the ratification of this agreement shall receive a
limited contract. They shall be placed on level ten (10) of the salary schedule, and may move no higher than level thirteen
(13). All current rehired educational retirees shall be placed on level ten (10) of the salary schedule. The educational retiree
loses previous lead teacher credentials, training or career increments, and eligibility for any subsequent severance
incentives.

Seniority

An educational retiree re-employed as a full-time teacher shall not accrue seniority vis-à-vis non-rehired retirees. However,
they shall have seniority vis-à-vis other re-employed educational retirees.

In times of economic constraints, re-employed educational retirees shall be the first to be released as a result of a Reduction
in Force (RIF).
Part-time teachers, limited contract teachers, and those with continuing contracts shall be considered to have greater seniority than re-employed educational retirees. Those returning from RIF shall be considered only during the transfer rounds in which new hires with no experience are considered. Those selected for positions shall be re-employed.

§210 TEACHER EVALUATION

A teacher shall undergo a Cincinnati Teacher Evaluation System (CTES) Annual Evaluation, that the parties will jointly develop to align with the state approved framework, as defined below. Every teacher will be given a Final Holistic Rating. The Final Holistic Rating of those who spend at least fifty (50) percent of their time employed providing student instruction will be based on the OTES 2.0 Framework. The Final Holistic Rating will be based entirely on Teacher Performance. Teachers being evaluated are expected to cooperate with the process.

A teacher shall undergo the Annual Evaluation every year s/he is not participating in a Credentialing Evaluation. If they are on a streamlined evaluation cycle based on the state model of teachers with an Accomplished rating being evaluated every three years and Skilled rating being evaluated every two years, their rating will carry forward. In addition, teachers who are participating in the Resident Educator Summative Assessment for the first time and are not new to Cincinnati Public Schools, will be exempt from evaluation that year. Annual Evaluation, as defined by Board Policy 3220, shall include at least two (2) classroom observations and two (2) classroom walkthroughs sufficient in length to justify the conclusions reached.

The following issues shall be considered in the CTES Annual Evaluation System:

- How to provide for and integrate professional development with the standards in the evaluation system;
- How to reduce the time required from the teachers being evaluated;
- How to develop and maintain exemplars to illustrate to teachers what behaviors and activities are expected;
- Whether the number of standards can be reduced; and
- How to include more formative activity, including coaching, mentoring and other support and assistance for teachers being evaluated.

1. Evaluation

   a. Orientation

      To initiate the evaluation process, teachers must attend an orientation about the evaluation standards and procedures. The evaluators, prior to conducting an initial observation shall introduce themselves at the school site and explain their role and duties to the teacher.

   b. Ratings

      Ratings are aligned with the Ohio Teacher Evaluation Framework.

   c. Performance Evaluation Form

      There shall be one (1) standard Final Holistic Rating of Teacher Effectiveness Report used for evaluation of classroom teachers, which shall be provided to teachers in the orientation.

      Each position classification in the bargaining unit shall have a standard form for Credentialing Evaluations and Annual Evaluations that captures their duties and responsibilities.

   d. Who Administers the Evaluation

      The principal or assistant principal or teacher evaluator, District-wide Mentor or contracted evaluator shall be responsible for administering the evaluation process and must be an OTES Board approved credentialed evaluator. Any teacher who performs or assists in the evaluation of another teacher shall be certified by the district. Administrators completing evaluations must be licensed. All evaluators must participate in local training to ensure inter-rater reliability. Teachers assigned to non-public schools and teachers assigned to three (3) or more schools may be evaluated by an administrator designated by the Superintendent, or, in the case of a Credentialing Evaluation, by a District-wide Mentor teacher. Teachers with ratings of Accomplished may choose their credentialed evaluator for the evaluation cycle. Teacher with ratings of Skilled may have input on the selection of their credentialed evaluator for the evaluation cycle. The Annual Evaluation is a holistic process; the administrator who begins the evaluation process should complete it. In extenuating circumstances where this is not possible, the newly assigned
§210 Teacher Evaluation

administrator should meet with the teacher prior to resuming the evaluation in order to clarify the teacher’s goals and the evaluation process to date.

c. Observation Reports

The evaluator shall, as a part of the evaluation process, list the date, time, place, arrival and departure times, and subject of observations made with the classroom teacher, which are used, as the basis of the evaluation. It is recognized that the observation reports for non-classroom teachers may not be specific as to date, time, and place because the report may include observations of activities occurring over a period of time. However, such reports shall specify the type of activity observed. The report must include a narrative that documents specific evidence related to the teaching and learning that occurred during the observation.

f. Evaluator’s Responsibilities

All teachers will be given a rating for Teacher Performance.

A Final Holistic Rating shall be given to all teachers who have been evaluated by a Board-approved OTES credentialed evaluator. Final Holistic Ratings shall be reported as a district-wide aggregate report to the state.

There are two (2) ways that a teacher can receive a performance rating through the CTES Annual Evaluation or the CTES Credentialing Evaluation.

Before a teacher may be given a rating in a CTES Annual, the evaluator(s) must follow the CTES Procedure Manual including:

1. have made at least two (2) observations and two (2) classroom walk throughs of the teacher’s performance, sufficient in length to justify the conclusions. A formal observation should be a class period and minimum of 30 minutes in length. Classroom Walkthroughs are 10-15 minutes in length. These observations will account for the Teacher’s Final Holistic Rating;

2. conduct a pre-conference prior to the first formal observation of the year;

3. conduct a post-observation conference held within twenty (20) days of the first formal observation of the year and also provides the teacher with the opportunity to share their Professional Growth Plan and Focus Area for the annual evaluation;

4. have provided the teacher with written suggestions for improvement;

5. provide written reasons for such rating after a final consultation with the teacher; and

6. work collaboratively to develop an Improvement Plan with teachers who demonstrate deficiencies.

Before a teacher may be given a rating in a CTES Credentialing Evaluation, the evaluator(s) must further:

1. have made at least four (4) observations (either individually or cumulatively) of the teacher’s performance, sufficient in length to justify the conclusions. The Cumulative Performance Rating will account for the Teacher’s Final Holistic Rating;

2. have consulted with the teacher being evaluated;

3. provide written reasons for such rating after a final consultation with the teacher; and

4. provide feedback after the CTES Credentialing Evaluation.

The TE shall provide the teacher with feedback about the evaluation that includes specific written recommendations based on the strengths and deficiencies witnessed by the TE. The feedback shall include professional development opportunities and possibly specific workshops, courses, seminars provided by the District, or other providers.

The teacher is expected to use the product of this conference to design their Individual Professional Development Plan (IPDP) and to develop goals and measurement parameters for annual evaluations.
g. When Teachers May Be Evaluated using the CTES Credentialing Evaluation Process

Teachers will be scheduled for a CTES Credentialing Evaluation:

1. when a teacher requests continuing contract status; and
2. when the teacher is applying for lead teacher credentials.

Active National Board Certification satisfies the credentialing evaluation requirement for lead teacher credentialing and continuing contract.

*Any teacher at any time who is identified by the evaluating administrator or evaluator as having Ineffective practices can be recommended for an improvement plan. If serious deficiencies are demonstrated they may be recommended for the Comprehensive Assistance Review. Serious deficiencies are defined as having ineffective practices and being overall Ineffective for Resident Educators or overall Developing for Career teachers.

i. CTES Annual Evaluation New Hires/First-Year Teachers

New Hires/First Year Teachers will receive assistance based on the above chart when entering the district, which will include practicum sessions, informal observations, Ohio Resident Educator (ORE) Mentoring, and one-to-one support as needed. Any new hire/first-year teacher that is identified in their Annual Evaluation to have Ineffective practices may be placed on an Improvement Plan. In the event improvement is not evident, a recommendation for Comprehensive Assistance and Review may be made to the Peer Review Panel.

Teachers New to Cincinnati Public Schools

Teachers new to Cincinnati Public Schools will receive support from his/her ORE mentor (if applicable), peer support from his/her team leader, and administrative support from his/her principal or principal designee as a part of the Peer Assistance and Review Program (PARP).
§210 Teacher Evaluation

j. Identified Deficiencies

Any teacher at any year of experience who is identified by their evaluator as having Ineffective practices could be given an Improvement Plan. Anyone identified with overall Ineffective practice could be recommended for the Comprehensive Assistance and Review.

- When the teacher's principal has concerns about the teacher's performance, the principal shall inform the teacher in writing of his/her concerns regarding the evaluation.

- The principal and teacher shall develop an Improvement Plan in response to evidence of Ineffective practice. A plan of improvement may be initiated any time during the evaluation cycle by the evaluator based on deficiencies in performance as documented by evidence collected by the evaluator.

- If a teacher receives a holistic Ineffective rating, an Improvement Plan will be initiated the following year.

k. Teachers in Danger of Termination and/or Non-Renewal

A teacher's CTES Annual Evaluation shall be considered for retention and promotion and separation decisions.

Teachers in danger of termination due to inadequate progress or completion of the Improvement Plan will be placed on Comprehensive Assistance Review.

(1) Comprehensive Assistance Review will include one (1) follow-up interview with the teacher conducted by the principal, who will explain why they are being referred to Comprehensive Assistance Review.

(2) After the follow-up interview, a meeting of the principal and the District-Wide Mentor with the referred teacher will be held in order to intervene and develop a plan of assistance and its duration required in order to improve teacher performance. The plan may include additional two (2) observations by OTES credentialed evaluator who, with the principal, will make a recommendation to the Peer Review Panel, which will act upon that recommendation by providing targeted Comprehensive Assistance Review.

(3) Teachers on CTES Comprehensive Assistance Review shall not move on the salary schedule until they have been released from Comprehensive Assistance Review. At that time, they will be placed on the appropriate level based on the criteria in §700.

(4) All evidence gathered in Comprehensive Assistance Review, as well as evidence gathered prior to placement on CAR, shall be reviewed holistically by the panel to complete a review that will be forwarded to the Superintendent. The Superintendent then makes the determination as to whether the teacher should be released from CAR, terminated/non-renewed or provided continued support for improvement through the CAR process.

* Based on serious deficiencies, the principal may refer the teacher to the PRP, which is the governing body of the Peer Assistance and Review Program (PARP), in order to expedite CAR services. This can be done in lieu of being placed on or completing an Improvement Plan.

l. Teacher Request for a CTES Credentialing Evaluation

Teachers, who ask to be considered for a continuing contract and teachers applying for initial lead teacher credentials, if capacity to serve them exists, must submit a written request for a CTES Credentialing Evaluation to the Talent Office starting April 15, but no later than September 15. The Talent office will screen applicants to ensure they have the requisite skilled or accomplished rating needed for a credentialing evaluation.

m. Use of Evaluation

The observation and evaluation process shall be carried out with the full knowledge of the teacher and shall not be used in a manner inconsistent with the purpose of evaluation.
n. Special Assistance for Newly Assigned Teachers

Special assistance shall be given to newly assigned teachers using such resources as can be provided by the principal, the District-Wide Mentor, and other personnel.

o. Teacher's Copies of Observation Reports

A copy of all report forms and supportive documents shall be made available via OhioES or email, within fifteen (15) days of each observation. Assessments, including classroom observation summaries, must remain confidential and must be delivered electronically.

p. Deadlines for Final Written Evaluations

The CTES Annual and CTES Credentialing Final Holistic Evaluation Report shall be completed and submitted to the Talent Office no later than the 2nd Friday in March if the rating could result in the teacher being non-renewed, terminated, placed in Comprehensive Assistance Review, or denied an increment. In the case of a recommendation of non-renewal arising out of the evaluation process only, the evaluator's recommendation of non-renewal of a limited contract shall be given to the teacher not later than the 2nd Friday in March. All other evaluation reports shall be completed and submitted by May 1. Failure to meet these deadlines may be a basis for appeal. Copies of all evaluation materials shall be furnished to the teacher evaluated prior to placement in the teacher's personnel file. The teacher shall have the right to attach a written comment to the report. In the event the teacher is to be terminated, the Board shall advise the teacher in compliance with the Ohio Revised Code.

(See exception regarding mid-year dismissal, §210.2.g)

q. Appeal Process

The Superintendent and Federation President shall each appoint five (5) members to a CTES Peer Review Panel. The Panel shall review CTES appeals of teachers and determinations by evaluators. Teachers may appeal their scores by sending a written Request for Review to the Talent Office within ten (10) working days of receiving the final scores on the CTES Annual or CTES Credentialing evaluations. The CTES Peer Review Panel shall review the documentation and determine if the evidence supports the scores given by the evaluators. If not, the CTES Peer Review Panel will review the evidence and provide the summary of their review to the Superintendent.

r. Appeal with Respect to Non-Renewal

Teachers who receive notice of a recommendation for non-renewal as a result of an evaluation through Comprehensive Assistance Review shall have the appeal rights specified in the Peer Assistance and Review Program Guidelines of 2014-2015.

In addition, any teacher who receives a written notice of the intention to terminate or not re-employ the teacher shall have the rights specified in §300.3.d, e, or f and ORC.

s. Joint Committee Decision-Making

Annually, the EIP shall be responsible for analyzing data and monitoring the progress of the CTES Annual and the CTES Credentialing Evaluation System for equity, reliability and fairness.

2. Peer Assistance and Review Program

The Board and the Federation have established a Peer Assistance and Review Program to improve the quality of teaching in the Cincinnati Public Schools. Peer Assistance and Review Program has two (2) components: (a) Entry designed to assist and develop teachers during their first year of service in the district; and (b) CTES Comprehensive Assistance Review, intended to assist teachers who exhibit serious deficiencies.

a. Peer Review Panel

The Peer Review Panel (PRP) shall serve as the governing body of the program, and shall recommend to the Superintendent guidelines consistent with terms of the Collective Bargaining Agreement and Board policy. The PRP shall be responsible for administering the budget of the CTES Peer Assistance and Review Program. It shall consist of an equal number of teachers appointed by the Federation and administrators appointed by the Superintendent.
§210 Teacher Evaluation

b. Scope of Program

The Peer Assistance and Review Program shall be available in all teaching fields and ESP categories. Up to twenty (20) District-Wide (FTE’s) shall be assigned by the Peer Review Panel depending on caseloads arising each school year. Additional Teacher Evaluators, if needed, may be funded through the Career in Teaching Program budget. Part-time Teacher Evaluators shall be utilized to serve certain teaching fields where there is not a sufficient caseload for a full-time position. District-Wide Mentors and/or Teacher Evaluators (extended time) will also be assigned to conduct classroom observations of teachers participating in Credentialing Evaluations as defined in CTES.

c. Caseload for District-Wide Mentors and Teacher Evaluators

Caseloads of the full-time District-Wide Mentors shall be limited to twenty (20). Teacher evaluators may be used to conduct CTES Credentialing Evaluations and may be used to further assist in principal/assistant principal caseloads. Contracted evaluators will be determined by agreement. Caseload assignment will be determined annually by the Superintendent or Superintendent's designee.

d. Term for District-Wide Mentors/Teacher Evaluators

District-Wide Mentors/Teacher Evaluators shall serve in the position for a term of three (3) years.

e. Applicants for District-Wide Mentor/Teacher Evaluator

Lead teachers will refrain from serving in administrative roles including shadowing and internship in a building in which they are serving as a teacher leader or teacher evaluator, to avoid any conflicts of interest.

f. Stipend

Full-time District-Wide Mentors/Teacher Evaluators are lead teachers. The Peer Assistance and Review Program shall consider any lead teacher applicant(s) who is properly certificated for an available District-Wide Mentor/Teacher Evaluator position. However, if no lead teacher applies, the Peer Assistance and Review Program may select an otherwise qualified applicant who is not a lead teacher but has received a skilled or accomplished rating on their last Evaluation.

District-Wide Mentors/Teacher Evaluators shall receive lead teacher stipends consistent with the TLPP agreement.

g. Mid-Year Dismissal

If a teacher cannot complete the CAR process provided in the PARP Guidelines, and if in a December interim report the subsequent school year, the teacher is rated “ineffective”, s/he may be dismissed. In the PARP, such recommendations for dismissal prior to the end of the school year must be approved by the PRP. If PRP approves the recommendation for dismissal, the teacher shall have the rights afforded to a limited contract teacher facing non-renewal for performance reasons under the Collective Bargaining Agreement.

Dismissal under this provision shall not afford the teacher the due process rights under O.R.C. §3319.16. During the subsequent school year, they agree to undergo at least two (2) observations prior to December 1. If, after those two (2) observations, the teacher’s evaluation would still justify non-renewal or termination, the teacher may be released any time prior to the end of the school year. Failure to release the teacher prior to the end of the school year shall constitute a waiver of the right to do so, and CAR shall be considered complete. To participate in this option, the teacher is required to sign an agreement permitting early release from employment.

h. Teacher Responsibilities

Teachers being evaluated under the Comprehensive Assistance and Review are expected to cooperate with the process.
§215 DISCIPLINE AND DISMISSAL

1. Right to a Conference

Before a teacher has a written reprimand placed in his/her official personnel file or personnel file maintained at the building level or before a teacher receives an administrative transfer, suspension without pay for a period not to exceed three (3) days, or a written notice of dismiss, the teacher, upon request, shall have a conference during which the circumstances shall be explored. In cases of an administrative transfer, suspension without pay for a period not to exceed three (3) days, or notice of dismissal, the administrator shall notify the teacher of his/her right to have such a conference. The teacher shall be entitled to be accompanied by a Federation representative or another employee of the teacher’s choice. If the conference results in discipline, the reasons for the discipline shall be reduced to writing and given to the teacher following the conference.

2. Notice and Site of the Conference

Disciplinary conferences may be held either at the Education Center or at the school. The teacher shall receive at least three (3) days’ notice in writing of the conference and said conference will be arranged at a mutually convenient time for all parties.

3. Conference Timing

The conference shall precede the discipline as stated in paragraph above except in extreme circumstances where removal from duties may need to precede such conference.

4. Rights under State Law

If the conference results in an administrative recommendation of dismissal, the affected teacher shall have the rights afforded him/her under state law, except where the parties have established specific rights and procedures which are provided in lieu of statutory proceedings.

5. Discipline

As a form of disciplinary action, the Superintendent may recommend to the Board that a teacher be disciplined. Such discipline may include: administrative leave with pay from one (1) to ten (10) days and up to a three (3)-day suspension without pay. However, a teacher may file a grievance challenging the suspension.

§220 TEACHING ASSIGNMENTS

1. Change in Assignments Defined

A change in assignments shall be defined as a change within a building, a teacher’s team assignment or, for teachers not assigned to teams, as a change in a teacher’s level and/or subject area within a building or unit.

2. Certification/Licensure

A teacher shall be assigned classes according to his/her certification/licensure.

3. Vacancies in Buildings

Vacancies are subject to assignment within the building using the procedure below before any vacancies are posted district-wide. After teaching assignments within the building are determined, remaining vacancies, if any, shall be posted district-wide.

4. Assignment to Teams

A teacher who wishes to change teams must submit his request to the team leader and principal. All other requests for changes in assignment must be submitted to the principal to the extent possible by January 10.

Once the school has received its annual budget, the staff will develop team structures according to §145 or to other organizations approved by the Superintendent, and submit team plans to the extent possible by January 15 to the ILT. The ILT will either approve or reject the staff’s overall and individual team plans. The principal must also concur. If either has
§220 Teaching Assignments

1. Concerns or objections, the team or teams will reconvene and resolve the objections to the extent possible by January 25. The ILT and principal shall determine team assignments to the extent possible by February 1. The LSDMC shall review the overall team plans.

Vacancies, which occur after initial assignment to teams, shall be subject to assignment procedures above.

5. Principals' Role

Principals are expected to confer with departments regarding assignments for the following school year, including when assignment changes become necessary or vacancies occur.

Principals shall direct each department in secondary schools and primary, intermediate, and special education departments in elementary schools to separately meet for the purpose of recommending teaching assignments for the following school year. A teacher who desires to change departments must submit his/her request, in writing, to the lead teacher or department chair to the extent possible by January 10. Departments shall submit their recommendations to the principal prior to January 15, taking into account special qualifications, which may be necessary for magnet program positions. Secondary departments shall also take into account experience and qualifications that may be needed for particular courses. Department members shall strive for consensus in making recommendations to the principal. However, any teacher may indicate, in writing to the principal, his/her disagreement with the recommendations. Where a magnet program exists or is created within a neighborhood school, the teachers in that program shall meet to recommend assignments following the procedures outlined above.

The principal shall either:

a. Approve the recommendations of the department, or

b. Decline to approve the recommendations in whole or in part and inform the department members of his/her objections or concerns. The department shall then reconvene, consider the principal's objections and/or concerns and report their final recommendations to the principal to the extent possible by January 15.

The principal shall then determine the schedule and notify teachers of their tentative assignment before the last day of school.

However, the principal may decide after considering department recommendations (and disagreement of individual teachers, if any), to post a vacancy on a district-wide basis. In this event, the principal shall communicate to the teacher, in writing, why he/she believes the teacher does not possess training, experience, or individual qualifications appropriate for the assignment.

Seniority is not considered unless training experience and individual qualifications are substantially equal. In that situation, seniority shall control the choice.

The principal or designee shall determine the teaching assignments in consultation with the ILT.

6. Assignment Changes

a. Elementary Schools

Changes in assignments after the initial notification may be necessary due to changes in enrollment (school wide or grade level) or program offerings. When such changes become necessary prior to the beginning of the school year, the principal shall notify teachers in writing of the change at the teacher's summer address, including the reasons therefore.

b. Secondary Schools

Assignment changes after the initial notification may be necessary due to changes in enrollment, student optioning, program offerings or problems, which arise in creating the master schedule. In such cases, the principal or assistant principal shall consult with the department chairperson before making assignment changes. Principal or assistant principal shall notify the affected teachers at their summer addresses of the change and the reasons therefore.
c. **Timing for Changes in Assignment**

Assignment changes after the beginning of the school year shall occur only for reasons of change in pupil enrollment or program offerings. After the first quarter, changes shall take place at the beginning of the quarter and the affected teachers shall have at least four (4) weeks prior notification.

7. **Teacher Day**

a. **Length of Workday**

The teacher workday shall be no more than four hundred twenty (420) consecutive minutes per day, including a duty-free lunch period of thirty (30) minutes.

b. **School Organization Structure**

K-6, K-8, K-12, and 7-12 schools will follow schedules of predominating school organization (i.e. same opening, closing time, lunch, minutes for instruction and planning bells).

c. **Preparation Time - Elementary Teachers**

Elementary K-8 teachers shall be assigned preparation and/or conference time of two hundred fifty-five (255) minutes per week.

The Federation and Board agree that all elementary students should have regular instruction by art, music, and physical education specialists. While such instruction is scheduled, the regular classroom teacher shall have a preparation and/or conference period. Every elementary school shall have certificated P.E., art, and music specialists who are non-load bearing. The Board shall assign sufficient specialists so that each K-6 student shall receive instruction from each specialist. While such instruction is scheduled, the regular classroom teacher shall have at least three (3) preparation and/or conference periods. In addition, each elementary teacher shall be assigned at least one additional thirty (30) minutes preparation/conference period weekly during the students’ school day.

d. **Elementary Library Session**

If an elementary class is taken to the library for the presentation of a regularly scheduled lesson by the teacher-librarian/media specialist, the class teacher shall be authorized to use the time for a preparation and/or conference. However, if the teacher has otherwise been scheduled for the required minutes of preparation time, the principal may assign the teacher to participate with the class in the library.

e. **Paraprofessional Schedule**

Paraprofessionals who work directly with a team of teachers will be scheduled by the team. Paraprofessionals who serve the school as a whole, if any, shall be scheduled by the ILT and approved by the principal. Any overload paraprofessionals may be scheduled for up to sixty (60) minutes of duty and lunch. Paraprofessionals shall not be diverted from their approved schedule except in emergencies.

It is the intent of the district that non-teaching supervisory duties should be assigned to non-teaching personnel and every effort shall be made to do so. Such duties shall include monitoring bus arrivals or departure or student boarding, monitoring the cafeteria, playground, hallways or student restrooms. The ILT shall recommend a schedule of duties for paraprofessionals to the principal. To the extent possible, the principal shall assign duties as recommended. If an insufficient number of non-teaching personnel hinders the assignment of supervisory duties to non-teaching personnel, the school may request additional paraprofessional time from the Teacher Allocation Committee.

Teachers will cooperate in the evaluation of Paraprofessionals who assist in their classroom.

Teachers shall be responsible for providing direction to Paraprofessionals assigned to their classrooms.

These provisions do not relieve teachers of the responsibility to assist in the enforcement of school rules and in the maintenance of decorum and discipline required for instruction.

f. **Daily Schedule - High School Teachers**

For high school, the daily schedule shall consist of not more than a homeroom and two hundred eighty (280) minutes of classroom instruction.

After presentation of the proposed schedule, approval by the LSDMC and final approval by the Superintendent is required.

(5) All teachers in grades 9-12 shall be assigned no less than two hundred twenty-five (225) minutes per week of preparation and/or conference time or one class period daily, whichever is greater. j. Number of Preparations - Secondary Teachers

Teachers (7-12) shall not be assigned more than three (3) preparations in each marking period, including one-quarter course. A preparation is defined as a grade level designation or a specific course within a subject area, requiring a separate textbook and/or specific "curriculum bulletin."

k. Assignment of Specialists/Librarians

Elementary Teacher-Librarians/Media Specialists:

Each elementary school shall be staffed with a full-time Teacher-Librarian or licensed Media Specialist. 1. **Pupil Breakfast Programs**

Teachers shall not be required to participate in any pupil breakfast program unless it is within the four hundred twenty (420) minutes.

m. **Traveling Teachers**

(1) Parent and student conferences to report and evaluate pupil progress. The parties agree that involving parents in the school and with their children’s education, including regular communication with parents, is very important to student success. Teachers are encouraged to develop and implement a plan for maintaining contact with parents regarding student progress. Parents are encouraged to contact teachers if they have concerns about student progress. However, neither parents nor other visitors shall be permitted to interrupt class or come to a teacher’s room during class time unless they have made an appointment with the teacher. Parents and other visitors shall be required to check in at the school office.

9. School Calendar

If the calendar committee recommends a school calendar and the Superintendent recommends a different calendar both will be presented to the Board of Education for consideration and a decision.

For this purpose, only absence due to sick leave or leave without pay shall be included in calculating the teacher’s attendance rate.

2. Sick Leave Advance

Any teacher whose sick leave is exhausted shall receive an advance of five (5) days in the pay period in which loss of pay would otherwise occur. Said advance shall be charged against the sick leave he/she subsequently accumulates. Only one (1) such advance shall be granted until all sick leave advances have been repaid. Any balance of advanced sick leave remaining to an employee’s credit at separation shall be deducted from the employee’s final paycheck. In addition to the advance of five (5) days referred to above, a teacher is eligible for an advance up to an additional fifteen (15) days of sick leave in the pay period(s) in which loss of pay would otherwise occur subject to the following conditions:

The teacher may choose to present evidence that his/her use of sick leave is legitimate to the EAP or similar service. In that event, the EAP shall verify to the Board if the teacher's use of sick leave is legitimate but shall not reveal the specific conditions or reasons, without the employee’s consent, unless otherwise required by law.

If the principal is not satisfied with the evidence presented, s/he may refer the matter to the Director of Human Resources. If the Director has reasonable suspicion that the teacher is abusing sick leave, the teacher may be required to visit the EAP or be examined by a Board designated physician.

Abuse of sick leave may result in suspension of pay for up to three (3) days as provided in §215.5 or in suspension or discharge pursuant to ORC §3319.141.

8. Return from Absence

If a teacher expects to be absent for an extended period, the teacher shall provide to the principal an estimated date of return. After ten (10) consecutive days of absence, a teacher shall provide the principal with an estimated date of return, unless the teacher is incapacitated.

Personal leave shall be granted if the request complies with the site’s personal leave plan and sufficient notice has been provided to the principal. Five (5) days prior to leave on Tuesday through Thursday and ten (10) days prior to leave on Monday or Friday, the day preceding or following a recess or holiday, or any day in May or June is considered sufficient notice. In cases of emergency, these time limits shall be waived.

If the teacher's military pay during such a period of absence is less than his/her regular pay would have been for such period, s/he shall be paid by the Board the difference between his/her regular pay and his/her military pay for such period. In determining the teacher's military pay for the purpose of this section, allowances for travel, food, housing or uniforms shall not be considered, but any other pay or allowance of whatever nature, including longevity pay, shall be considered.

13. **Extended Military Service**

A teacher who leaves his/her position to serve in the armed forces of the United States, as defined by law (Ohio Revised Code 3319.14) shall be considered to be on special leave of absence; and s/he shall be entitled to return to the service of the Cincinnati Public Schools under the terms of pertinent statutes, except that said teacher must return to service with the schools before one (1) year has elapsed from date of discharge. c. **Travel and Special Consideration Leaves**

A teacher who has completed five (5) or more continuous years of contract status service as a member of the professional staff of the Cincinnati Public Schools, and who has attained continuing contract status, may upon recommendation of the Superintendent be granted a leave of absence without pay for travel or special purposes upon completion of additional periods of professional service of five (5) or more years.

d. **Maternity/Parental/Adoptive Leave**

1. A teacher anticipating the birth or adoption of a child to the family may request a maternity/parental or adoptive leave of absence.

2. A teacher desiring such leave shall send, as soon as possible, to the Human Resources Office a request for such leave, which shall indicate the date desired to begin such leave. The request shall be accompanied by a statement from the physician indicating the anticipated birth of the child. In the case of a request for adoptive leave, a statement from the adoption agency may be substituted for the physician statement.

3. The teacher shall, except in unusual circumstances, plan such leave to begin at a natural break in the instructional program, such as the end of a unit of study, the end of a marking period, the beginning of a vacation period, so that effectiveness of instruction may be maintained. If the conditions set forth in subparagraphs (1) and (2) above are met, the request for leave shall be granted.

4. The date of return from such leave shall be determined by the teacher after consultation with his/her physician, where applicable, and shall be planned to coincide with a natural break in the instructional program.

5. The Human Resources Office may require a statement from the teacher's physician stating that the teacher's health will not be jeopardized by her remaining at work prior to leave or her returning to work following leave.

6. A maternity/parental/adoptive leave shall be for a definite period, usually the current contract year (unless the leave commences in the second, third, or fourth term of the contract year in which case it may extend, at the
§230 Teacher Absence

teacher’s discretion, through the next ensuing contract year) subject to renewal for medical reasons
substantiated by a physician’s statement.

c. Public Service Leave

A teacher has the right to become a candidate for public office and to serve in such elective office unless there is a
specific legal prohibition. Upon application, leave of absence without pay in order to run for or serve in public office
shall be granted. Upon return from public service leave, the teacher shall be restored to his/her former contract status.

f. Duration of and Return from Leave of Absence

A leave of absence shall be for a definite period, usually the current contract year, subject to renewal at the discretion
of the Superintendent, as provided elsewhere in this contract.

Return from leave of absence prior to the stipulated expiration date shall be permitted. Assignment shall be made to
the first available vacancy for which the teacher is qualified.

A teacher returning from a leave of absence shall be placed along with surplus teachers and teachers requesting
voluntary transfers, with the following exception. A teacher requesting a leave of absence shall return to the same
school if the teacher so requests, and meets the following conditions:

(1) The leave is effective at the beginning of the school year and the teacher agrees to return at the beginning of
the ensuing school year.

(2) The teacher requests the leave by August 1.

In such cases, the teacher shall be treated as a member of the staff of that school in making assignments and surplussing
decisions, if any, for the ensuing school year.

g. Return from Disability Retirement

A teacher’s return from disability retirement shall be governed by applicable statutes and will normally occur at the
beginning of the school year following a determination by STRS that the teacher is able to return to work. However,
the teacher may request to return to work during the school year. In that event, the teacher shall be placed in the next
available vacancy for which s/he has the necessary qualifications, experience, and training, and, provided STRS has
notified the Board that the teacher is no longer disabled. In addition, a teacher who returns to CPS service from
disability retirement within 5 (five) years retains his/her seniority as of the effective date of the disability retirement.
If the returning teacher has been on disability retirement for more than three (3) years, s/he may be placed on
evaluation, provided the teacher is notified no later than October 31.

15. Civil Disturbance

In case of a civil disturbance, which occurs before the teacher leaves his/her residence for his/her assignment, the teacher
should make every effort to contact the proper school authorities who will determine whether the teacher will be required
to report to work. Teacher compensation shall not be affected nor shall the teacher lose any sick days or personal leave
days by school closing due to civil disturbances. If the teacher is re-assigned, s/he shall report to another school where no
such disturbance exists.

16. Appearance in Court

a. Compensation During Jury Duty

Employees summoned for Jury Duty shall incur no loss in pay, benefits or accrued leave. In case of absence in response
to a subpoena in (1) a court proceeding, or (2) an administrative hearing, in which neither the teacher nor a labor
organization recognized by the Board is a party, the Board shall deduct from the employee’s salary only the amount of
any witness fee or other compensation in excess of $35 per day.

b. For Personal Matters

A teacher required to testify or to attend court proceedings as a party in a criminal or civil matter, not of their own
making, may use jury duty for the absence. Otherwise, personal leave shall be used.
c. **Compensation When Teacher or Federation is a Party**

In case of absence from duty for (1) a court proceeding or (2) an administrative hearing, in which the teacher or the Federation is a party, no salary shall be paid to the teacher for the period of absence, except as allowed under the appropriate section of Board policies, unless in the judgment of the Superintendent the teacher should receive pay because the court proceeding or administrative hearing arises from a justifiable line of duty action on the part of the teacher.

d. **Subpoenas**

If a teacher is subpoenaed for a non-contract day, and the administration cannot provide a court substitute or arrange a continuance, the employee shall be paid at his/her daily rate, on a pro rata basis.

17. **Assault Leave**

a. **Procedure**

Pursuant to Section 3319.143 of the Ohio Revised Code, the Board shall provide teachers with assault leave by which a teacher who is absent due to physical disability resulting from an assault, which occurs in the course of employment, shall be maintained on full pay status during the period of such absence. A teacher suffering such an assault may request assault leave by furnishing a signed statement on a form prescribed by the Board.

Assault leave shall be granted upon approval of the request by the Superintendent. Approval by the Superintendent shall not be unreasonably withheld. The Superintendent may from time to time review the status of a teacher on assault leave so as to determine whether such leave shall continue. A teacher returning from assault leave shall be treated in the same manner as a teacher returning from sick leave. A teacher who has been on assault leave more than 45 (forty-five) days shall apply for disability retirement benefits from the State Teachers Retirement System or the teacher’s assault leave will cease.

For daily rate substitutes, salary paid during an assault leave shall be paid based upon the average number of days worked per pay period during all previous pay periods, not to exceed five (5) pay periods. The amount of assault leave paid under this provision shall not exceed 180 (one hundred eighty) days.

b. **Payment for Medical Treatment**

If medical attention is required, a certificate from a licensed physician stating the nature of the disability and its duration shall be required before assault leave can be approved for payment. Falsification of either a signed statement or a physician’s certificate is grounds for suspension or termination of employment under Section 3319.16 of the Ohio Revised Code.

c. **Exclusive of Sick Leave**

Assault leave granted under this section shall not be charged against sick leave earned or earnable under Section 3319.141 of the Ohio Revised Code. All earnings paid under this section are in lieu of workers’ compensation benefits.

§240 **TEACHING CONDITIONS**

1. **Contributions/Donations**

Solicitation of teachers for contributions and/or donations shall be limited to announcement of opportunities for such contributions. The Federation and the Board recognize the special importance of the United Way, Community Shares, Fine Arts Fund, and United Negro College Fund and encourage every reasonable effort toward participation.

2. **Faculty Facilities**

a. The Board will continue its efforts to keep the schools reasonably and properly equipped and maintained for the benefit of teaching and learning.

A facility shall be available to teachers during the school day where liquid refreshments may be purchased. ILT shall determine the use of the proceeds pursuant to Board Policy.

4. Intercom/PA Systems

All classrooms are to be equipped with a means of direct communication with the school office.

The administration shall be responsible for the efficient operation of the public address system. An audible signal shall be given to indicate the intercom is “on.” Announcements during instructional time shall be minimized.

5. Personal Use of Technology

Each individual teacher receiving an emergency telephone call in the main office will be notified of the call. Teachers’ use of personal cell phones and technology shall not interfere with their duties during the work day. Misuse or overuse of these devices either for telecommunications or texting is subject to discipline. Any misuse of the district’s computers, equipment, or internet access by teachers is also subject to discipline.

6. Library Funds

Fines collected for lost or late library books shall be returned to the school library for use in expanding the collection, and shall be in addition to their regular budget allocation.

The administration shall provide to each school a list showing the amount of library fines collected by each school and returned to each school. The principal shall furnish this information to the librarian or teacher librarian, if any.

7. Health and Safety

a. Cooperation of Board and Federation

The Board and the Federation will cooperate in making reasonable provisions for the safety and health of its teachers.

b. Grieving Hazardous Conditions

A teacher or group of teachers who believes that a teacher is being required to work under conditions which are unsafe or unhealthy beyond the normal hazard inherent in the assignment in question shall have the right to file a grievance at Level Two.

c. Safety Committee

The Board and the Federation agree to name a Safety Committee consisting of two (2) members designated by the Federation, and two (2) members designated by the Board. The Safety Committee will advise the Superintendent in writing in promoting safety and industrial hygiene. The Board shall determine the specific means by which an alleged safety or industrial hygiene condition is corrected or eliminated, including taking equipment out of service. The committee will hold regular monthly meetings and may decide to conduct inspections, where necessary.

d. Utility Failures

The Federation shall be informed promptly when utility failures occur and of the actions the administration plans to remedy the problem.

e. Snow Removal

The Administration shall implement procedures for prompt removal of snow and ice for pedestrian safety.

h. Safety Procedures for Dangerous Materials

The Board shall establish and distribute to teachers, safety procedures for the storage, handling, and disposal of chemicals and dangerous materials, incorporating OSHA standards. Further, the Board shall identify teachers to receive training regarding these standards. The science/health curriculum council shall participate in the planning of such training.
§240 Teaching Conditions

   Teachers will be compensated through mover’s insurance for lost property during transitions provided the teacher has submitted an inventory of personal property to the principal prior to the move; district will supervise actual movement of property.

8. Nursing Employees

   Each administrator shall provide reasonable daily break time to employees who need to express breast milk. The break time shall, if possible, run concurrently with any break time already provided to employees. Each administrator shall provide nursing employees with a private space (other than a restroom) in close proximity to their work area where they may express milk in privacy. This location shall include a chair, flat surface, “private” sign, a working lock, and an electrical outlet.

§250 TEACHER TRANSFER PROCEDURES

1. Early Retirement Notification

   In order to anticipate staffing needs for the following school year, there will be two (2) Early Retirement Incentive options:

   Option I: Teachers will declare their intent to retire at the end of the school year by September 30. If a teacher chooses this option, they will sign a contract to this effect and be exempt from evaluation. Teachers will receive an incentive of five (5) additional days of sick leave conversion (1 for 1).

   Option II: Teachers will declare their intent to retire at the end of the school year by December 31. If a teacher chooses this option, they will undergo evaluation. Teachers will receive an incentive of five (5) additional days of sick leave conversion (1 for 1).

2. Vacancy Announcement

   a. Honoring Transfer Requests

      Teacher requests for transfer will be honored if positions are available and the teacher is qualified for a particular vacancy. However, a teacher who is in the intervention program may not apply for transfer unless approved by the Peer Review Panel.

      Teachers shall be considered for vacancies by school interview panels according to procedures described in e. below. At the time a teacher is offered a position, s/he shall either accept or refuse the position. If a teacher accepts a position, s/he may be required to report to that assignment. However, a teacher who was surplusied from a building may return to that site until the first day of the new school year. However, a surplus teacher who has accepted a transfer may elect to waive his/her right to return to his/her original school and to serve instead at the newly assigned school for the coming school year.

      A teacher may refuse a voluntary transfer after accepting a position only for extenuating circumstances and if it is feasible to reassign the replacement.

   b. Vacancy Announcements, Applications and Timeline

      The Board shall announce throughout the district vacancies known for the following school year. Teachers who submit a request for transfer shall be considered for the announced vacancies. The district shall at the same time post Lead Teacher vacancies, indicating if there are vacancies at those schools for which Lead Teachers may apply.

      Transfer Round

      One continuous seven (7)-week transfer round will take place as close to the beginning of February as possible. If the individual school budgets are completed earlier, the transfer round timeline may be adjusted. Weekly updates shall be made through addendums. For any position posted in the first period of the Transfer Round for which there are no properly licensed internal applicants, the school may interview and hire external candidates for positions after the close of the initial posting.

For hard to fill positions, as determined by the District and with agreement from CFT, the school may consider qualified external candidates in Round One and Round Two.

c. Teachers Returning From Leave of Absence

Such teachers shall have the opportunity to apply for vacancies and shall be considered along with teachers requesting transfer. Teachers scheduled to return from leave of absence who are not placed by July 1 shall have priority for placement along with surplus teachers.

d. Modification of Dates

The Federation President and the Superintendent will meet annually to set staffing time line dates. They may agree to modify specific dates used in these transfer procedures to accommodate the school calendar. Modifications must be announced before the annual process begins. The dates for budget and staffing activities will be established and announced annually.

*Job share deadline: Prior to the beginning of the transfer round.

*CPS Job Fairs will be open to both internal and external candidates.

e. Selection Process

The Board and Federation agree that teachers and principals should have a greater role in selecting teachers to fill vacancies. Therefore, the parties agree that such decisions shall be discussed jointly by the principal and teachers in that department, team, or level at the school. These provisions apply only to positions, which serve at a single school and report to the principal.

When vacancies occur, teachers in the department, team, primary or intermediate unit shall elect no more than four (4) teachers in the unit, one (1) of whom shall be the lead teacher in the unit, if any, to serve with the principal or designee as an interview panel. In schools, the team and the principal or designee shall constitute the interview panel, with the addition of a teacher in the same subject area as the vacancy who shall be appointed by the ILT.

When vacancies occur in school wide positions, including elementary and middle school art, music and physical education specialists, educational support personnel, librarians and teacher-librarians, the ILT shall select four (4) teachers to serve with the principal or designee as an interview panel. If three (3) or fewer teachers remain in a team, department or unit, the ILT shall select additional teachers to serve on the interview panel to reach a complement of four (4). The panel shall review any relevant written information provided by the applicant or by the principal, and interview preferred applicants. Following such review and the interviews, the panel shall select a teacher for the vacancy. In making its decision, the panel shall apply criteria stipulated in f. and g. below.
§250 Teacher Transfer Procedures

1. Interview Panels: Each Team and/or Department shall submit to Human Resources the names of teachers serving on the Interview Panels by January 10. This will be shared with the CFT.

2. Applicant Pool: The Interview Panel shall review the complete list of applicants for the posted position. Once the Interview Panel reviews the entire list, recommendation for scheduling interviews shall be made.

3. The interview panel shall select a properly licensed teacher for the vacancy. Selection of a candidate requires the agreement between the principal and a majority of the teachers of the selection panel and is final unless f. and/or g. are not followed.

4. A team of teachers or the majority of the team with appropriate certification for the posted positions may apply for vacant positions at any school, which has a sufficient number of vacancies.

5. For vacancies occurring during summer recess, the principal shall be responsible to make good faith efforts to contact all screening panel members. At least two (2) members of the screening panel must participate in the summer selection process.

6. f. Interview Panel Protocols

7. The interview panel shall create a list of interview questions. Scoring rubrics shall be created for each question. Panel members shall score each question individually. Score sheets shall be scored, dated, and signed by each panel member. The interview panel shall tally the score sheets together. After the decision is finalized, the Principal shall hold score sheets and tallies until September 1 of the following school year, provided there are no grievances against a position. If a grievance has been filed regarding a position, the Principal shall retain the score sheets and tallies until the grievance(s) have been resolved.

8. Other information that may be considered by the panel includes:
   - Resume
   - Evaluation Results
   - References
   - Observations

9. g. Determining Factors in Granting Transfer Requests

10. If more than one (1) teacher who is properly licensed or certified requests a transfer, seniority will not be considered unless training, experience, and individual qualifications are substantially equal. In that case, seniority shall control the choice.

11. h. Withdrawal of Transfer Request

12. A teacher may withdraw his/her name from the transfer list at any time prior to written notification of transfer from the Human Resources Office.

13. i. Vacancy Announcements to Non-Public School Sites

14. Vacancy announcements shall be distributed through email and website postings, where available.

15. j. Newly Created Vacancies

16. The Board shall include newly created vacancies in district-wide vacancy announcements. Such positions include full time teaching assignments and non-classroom student service positions not previously available at a school.

17. If such a vacancy is created after the transfer round, a notice shall be posted to the school and district website and emailed to all teachers assigned to the school where the position will be created and who possess appropriate certification or licensure. The Board will allow one (1) calendar week from the date of the notice for teachers to apply before filling the position. If no teacher in the building agrees to fill the vacancy, the vacancy shall be posted on the district wide district website and emailed to all current District teachers. The interview committee shall select a properly licensed teacher for the vacancy. Such vacancies are subject to the provisions in §220 Assignment and §250 Transfer.
§250 Teacher Transfer Procedures

k. Notice of Transfer Granted
   All notices of transfer shall be in writing from the Human Resources Office.

l. Monitoring Personnel Actions
   At the end of each transfer round period, Human Resources will provide CFT with a list of confirmed transfers. By the day after Labor Day, Human Resources shall provide a cumulative list of the teachers selected and/or assigned vacant positions since the beginning of the Transfer Round process.

3. Administrative Transfers
   A teacher receiving an administrative transfer shall be informed in writing with the reasons delineated by the Superintendent or designee.
   In addition to other grounds for administrative transfer, a teacher may be administratively transferred for refusing to take training necessary to implement the school’s program focus.

4. Surplussing
   a. Reasons for Surplussing
      Teachers may be surplussed due to decreased enrollment or a change in program offerings or school organization. Surplussing shall be treated by the following procedures in the order of priority:
      1) Before a teacher is involuntarily “surplussed,” the Principal shall grant the surplus request of another teacher in the building with equivalent certification who is willing to be surplussed.
      2) Before a surplus teacher is transferred from his/her school, that teacher who is properly certificated or licensed may displace a junior teacher within the building, provided training, experience, and individual qualifications are substantially equal.
      3) When a surplus teacher is to be transferred from his/her building, that teacher shall have the opportunity to express preference for existing vacancies and be placed along with those teachers requesting a transfer, teachers returning from leave of absence and unassigned teachers. If a choice needs to be made between two (2) or more teachers who are properly certificated or licensed and their training, experience, and individual qualifications are substantially equal seniority shall control the choice.

   b. Relocating/Restructuring/Merger/Consolidation/Surplussing in All Schools
      Relocating
      1) When an entire school is relocated to a new site, all teachers assigned to such school who desire to remain with the school by transferring to the new school site may do so provided that positions are available.

      Restructuring
      1) When an entire school is restructured, all teachers assigned to such school who desire to remain with the school by transferring to the restructured site may do so provided the teacher’s licensure/certification is appropriate for the position available.

      Merger
      1) If an entire program or school is merged with an existing program or school of the same type, all teachers in both sites shall be considered as one (1) staff and any necessary reductions in staff shall be done in accordance with this section.
      2) When new positions are added in a program within a building or school, such positions shall be treated as vacancies.
      3) Any teacher who is declared surplus shall be entitled to exercise the right to displace a junior teacher-within the building in accordance with provisions of Section §220 and Paragraph 3.a above.
§250 Teacher Transfer Procedures

Consolidation

(1) When two (2) or more existing schools are consolidated, all teachers from the sites shall be considered as one (1) staff and any reductions in staff shall be done in accordance with this section. Prior to staffing reductions, teachers from all affected sites shall be given the opportunity to indicate whether or not they want to be considered for a position in the consolidated school. Teachers indicating they do not wish to be considered shall be surplussed without rights.

(2) Teachers indicating they wish to be considered but are surplussed shall have return rights under §250.3e. Additionally, any teacher indicating a preference to remain that is surplussed, shall have rights set forth in §250(3)(a)(2).

(3) When two (2) or more existing schools are consolidated, the administration must consult with the Federation prior to making a determination regarding the strategy for delivering instruction. However, the administration retains the right to make the final determination.

(4) Training shall be made available to all teachers not trained in the strategy for delivering instruction after the consolidation in accordance with the district’s overall professional development process.

(5) Surplusing and staffing for consolidated schools will occur in conformity with district-wide transfer schedule and be accomplished by the principal or the administration's designee in the absence of a principal.

c. Returning to Original School

Surplus teachers shall have the right to return to their original school in the reverse order of their transfer out, provided a request for such transfer is made and the return can be accomplished within one (1) year of the original transfer, the teacher’s last performance evaluation was satisfactory or better. However, if a surplus teacher joins a team at another school, his/her right to return shall be postponed until the teacher fulfills or is released from his/her team commitment, pursuant to §250.1.m and shall apply only for the ensuing school year.

d. Notification of Surplusing

Any teacher who is surplussed shall be sent written notification. If verbal notice is given, written notice must be sent within ten (10) days.

e. School Intervention and Redesign

When a school falls in the Redesign category, based on the criteria set forth in the §155, and is closed, all teachers serving at the school shall be displaced and treated as surplus. All teaching positions at any new school, which replaces the closed school, shall be considered vacancies. Teachers shall be selected based on their training, experience, and individual qualifications for the program to be offered at the redesigned school and for specific teaching positions. Teachers displaced by school redesign shall have the opportunity to apply for vacancies at the newly designed school or other open positions, if they possess the appropriate certificate or license, and shall have the rights afforded to surplus teachers under §250.3.a (3) above. However, §250.3.c shall not apply.

5. Job Sharing

Two (2) properly certificated teachers may, upon written joint request to the Director of Human Resources prior to Round One, share one (1) position at a single school for the ensuing school year with each teacher assigned and paid fifty (50) percent, upon approval by the principal. Both teachers shall comply with the provisions of the contract and may designate certain responsibilities and working conditions such as lunch and preparation time subject to the approval of the principal. The Board shall pay the cost of all benefits.

Both teachers shall return to full-time status if previously employed full-time effective the ensuing school year, unless another written joint request for the ensuing school year is approved by the principal. Teachers returning to full-time status from job sharing shall be considered for vacancies within the building and district along with surplus teachers, teachers returning from leave and teachers requesting transfers.

If either of the teachers who are sharing a position cannot or will not perform his/her share of the duties of the shared position, the remaining teacher shall remain in the position, full time.

Teachers sharing a position shall receive credit for a full year of service for purposes of certificate or license renewal or upgrade and one-half (1/2) year of service credit for placement on Salary Schedule C.
§250 Teacher Transfer Procedures

6. Selection of Educational Support Personnel

The following provisions shall govern selection of teachers for vacancies in educational support personnel positions, including counselor, school social worker, psychologist, librarian/media specialist, teacher librarian/media specialist, homeschool teacher or home-school coordinator. Teachers who are properly certificated or licensed for one (1) or more of the above positions, or who expect to be certificated or licensed by August 1, may apply by April 15 for assignment to a position for the following school year. Each year the Board shall announce this opportunity to teachers by March 15. The announcement shall include the certification or licensure and any other qualifications required for each position.

One (1) screening panel shall be established for all such positions, convened by the Human Resources Director or his/her designee. Alternately, the Human Resources Director or his/her designee may convene separate panels for one (1) or more ESP categories. Each panel shall consist of an equal number of administrators and of practitioners currently serving in such positions who shall be appointed by the Federation. The Human Resources Director or his/her designee will provide the names of members of the screening panel and any separate screening panels by January 15.

The purpose of the screening panel(s) shall be to recommend candidates for placement on eligibility lists for ESP vacancies. The panel(s) shall consider all applicants who meet minimum qualifications, including candidates who are not current CPS employees, and shall review references, personnel files, and other data necessary in arriving at its recommendations. All deliberations shall be confidential. The panel shall submit to the Human Resources Office and CFT a list of candidates recommended for ESP positions in each of the above categories by March 15. This list shall constitute the eligibility list for ESP vacancies for the following school year, unless the position is filled.

Applicants may remain on the eligibility list for no more than two (2) years without applying again to be considered by the screening panel.

However, the Human Resources Director or his/her designee may reconvene the screening panel(s) during the summer or during the school year if less than three (3) applicants remain on the eligibility list for an ESP category or if there are more vacancies in an ESP category than applicants on the eligibility list.

If it is necessary to convene the panel to screen candidates for the eligibility lists during the summer months, the Human Resources Director shall notify the members of the panel at least forty-eight (48) hours in advance of the meeting at their summer addresses. The inability of a panel member to meet during the summer recess shall not prevent the remaining members from making recommendations regarding placement of candidates on the eligibility lists.

When a vacancy occurs and the training, experience, and individual qualifications of the applicants are substantially equal, seniority shall control the choice.

7. Unassigned Teachers Notice of Vacancies

Contract teachers who are unassigned shall be notified of any vacancy via email and web posting, where possible, for which they are properly certified or licensed which occurs during the school year and must be considered for the position.

§260

---

§270 **REDUCTION-IN-FORCE PROCEDURES**

1. **Introduction**

   These procedures shall apply to reductions-in-force only when implemented under the provisions of Section 3319.17 of the Ohio Revised Code.

   When conditions such as declining student enrollment, limited financial resources, reduction in or discontinuance of selected services occur, it may be necessary to implement a “Reduction-in-Force” (RIF) procedure. For the purpose of this RIF procedure, the following definitions are used:

   a. **Reduction-in-Force**: to discontinue the services of employees serving in a given classification because of a reduction in the number of positions available.

   b. **Position Classification**: a position title, which is listed on the employee salary schedules by the Board.

   c. **Displacement**: the exercising of the right of an employee with greater entitlement to a position causing another employee with lesser entitlement to be removed from a position within the position classification.

   d. **Rights**: rights of employees determined by the application of the specified criteria listed in Paragraph (2), below.

2. **RIF Criteria**

   The following criteria are to be applied in order of priority as listed:

   a. **Certification and Licensure**: Appropriate certification and licensure for the grade level, subject matter to be taught and/or for the position classification.

   b. **Retired Educational Retirees**: In times of economic constraints re-employed educational retirees shall be the first to be released as a result of a Reduction in Force (RIF).

   c. **Part-Time Employment**: Part-time employees serving under limited contracts shall be considered for reduction-in-force before consideration of full-time employees.

   d. **Contractual Status**: For the purpose of reductions in a position classification, teachers with limited contracts shall be considered before those with continuing contracts.

   e. **Training, Experience and Individual Qualifications**: Experience shall not be a substitute for seniority.

   f. **OTES Evaluation Scores**: The District will consider teachers' OTES evaluation scores starting with the 2013-2014 school year.

   g. **Seniority**:

   (1) Total number of continuous contractual years of service in the Cincinnati Public Schools, including any period renewed or suspended due to reduction-in-force who is subsequently rehired as a contract teacher during the term of his/her re-call right under Section 5 below shall be considered as having continual contractual service.

   (2) Total number of years employed as a certificated teacher in a state-approved institution(s).
§270 Reduction-in-Force Procedures

3. Applying Criteria

The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

4. Reduction in Non-Teaching Positions

The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

When the number of employees in any of the following classifications is reduced, such employees shall be identified for change of status on a system-wide basis. Such classifications are counselors, teacher-librarians, librarians, psychologists, school social workers, and school nurses.

An employee who suffers a reduction-in-force who is serving in a position classification other than teacher, and who served as a teacher in the Cincinnati Public Schools prior to assignment in the current position classification, shall have the right to exercise entitlement to a teaching position.

Before a surplus employee, who has been changed in status from a non-teaching-position classification to a classroom teacher, is transferred from his/her school, that employee shall have the right to return to their previous classification.

5. Re-Employment

The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

An employee whose position classification has been changed as a result of these RIF procedures shall be offered re-employment to that position classification before such vacancy is filled by an employee who has not served in the position classification previously or a candidate not currently employed by the Cincinnati Board of Education. However, an exception to this is the district may hire teachers who have completed proper Montessori training to teach in a Montessori school, assigned to positions for which they are certificated/licensed.

If the Board and Federation mutually agree that a need exists for specially trained teachers to be hired during a time when RIF re-employment terms apply, the Board and Federation will negotiate a Memorandum of Understanding.

Employees shall be re-employed based upon the criteria specified in Paragraph (2) above, except for Montessori and Paideia trained teachers. Entitlement re-employment shall remain in effect for twenty-four (24) months. When a satisfactory part-time employee is non-renewed under this article, s/he shall be offered full-time employment, if available, before new employees, but after full-time employees have been re-called.

A teacher reinstated within 24 months (of the start of the first school year following the RIF notification) shall be considered as having continuous contractual service. For evaluation purposes and credit on Salary Schedule C, such teacher shall be credited with the years of service s/he had when laid off.

6. Re-Training

For those teachers laid off due to reduction-in-force who have at least five years continuous experience with the district and received a comprehensive evaluation of 3s or better, the Board agrees to reimburse such teachers for tuition expenses up to a maximum of 12 semester or 18 quarter hours, provided the teacher completes the required coursework for a temporary teaching certificate in comprehensive science, secondary math, or other areas of certification which may be designated by the Director of Human Resources or his/her designee. If these re-training certification requirements are completed within 36 months, the Board shall re-employ the teacher effective at the opening of the new school year.

The following provisions shall apply to such re-training opportunities:

a. Must be Willing to Accept Full-Time Position

Part-time teachers who are employed 50 percent of the time or more shall be eligible only if they are willing to accept, if offered, a full-time position.
b. No Interruption of Benefits

Teachers who are re-employed for the following school year shall suffer no interruption of health or term life coverage provided they complete the re-training within the deadline.

c. Re-Training Agreement

A re-training agreement shall be signed by the teacher and the Human Resources Director or his/her designee.

d. Notice

The Board shall make every effort to notify teachers who will be subject to RIF procedures as soon as possible during the school year.

7. Priority as Long-term Substitutes

Teachers who have been RIFFED shall be given priority for long-term substitute positions for which they are qualified.

§300 GRIEVANCE PROCEDURE

1. Definitions

a. Grievance

A “grievance” shall mean a complaint in writing that there has been an alleged violation, misinterpretation or misapplication of any provision(s) of this contract, which arose during the term of this contract or the predecessor contract if any grievances are pending. Such grievance shall be submitted on the prescribed form, which shall be available in the school office and from the Federation.

b. Grievant

The “grievant” shall mean the teacher, teachers, or the Federation filing the grievance.

c. Days

The term “days,” when used in this section, shall mean contract working days unless otherwise indicated. Thus, weekends, holidays, and vacation/recess days are excluded. Summer break is excluded except as indicated in Paragraph (2.h.), below.

2. General Provisions

a. Purpose

Good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions to problems in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure equitable solutions to problems at the lowest possible administrative level. The grievance proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

b. Conference

Prior to the formalizing of any grievance into writing, the employee may request a conference with the supervisor for the purpose of presenting a complaint, as well as the possible resolution of the complaint. It shall be the employee’s prerogative to have a Federation representative present at such conference or at any other step in the grievance procedure. The parties recommend that attempts to resolve any outstanding issues, as a professional courtesy, be discussed with the principal before a grievance is filed.

c. Federation Right

The Federation shall have the right to appear at any level of the grievance procedure and shall receive copies of all written decisions and records pertaining to the grievance.
§300 Grievance Procedure

. Rights of Grievant/Representative

Every teacher shall be represented by the Federation in the grievance procedure. The teacher shall have the right to be present at any grievance discussion. When the presence of a teacher at a grievance hearing is requested by either party, illness or other incapacity of the teacher shall be grounds for any necessary extension of grievance procedure time limits.

The failure of the grievant to act on any grievance within the prescribed time limits will act as a bar to any further appeal and any administrator's failure to give a decision within the time limits permits the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

e. Protection of Grievant

An employee who participates or expresses the intent to participate in any grievance as defined herein shall not be subjected to discipline, reprimand, warning or reprisal because of such participation. All documents, communications, and records dealing with the processing of the grievance shall be filed separately from the personnel files of the participant.

f. Hearings, Conference, and Processing

Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after regular school hours or during non-teaching time of personnel involved. When such hearings and conferences are held at the option of the administration during school hours, all employees whose presence is required shall be excused, without loss of pay or benefits, for that purpose.

It is agreed that any investigation or other handling or processing of any grievance by the grievant or administration shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of school personnel.

g. Expediting Grievance

Grievances shall be expedited. Every effort shall be made to resolve grievances prior to the end of the school year in which the grievance was filed. The time limits specified may be extended by mutual agreement.

h. Reducing Time Limits

(1) If a grievance is filed which might not be finally resolved under the time limits set forth herein prior to the end of the school year, and which if left unresolved until the beginning of the following school year, could result in irreparable harm to those involved in the grievance, the time limit set forth herein shall be reduced so that the grievance procedure may be concluded prior to the end of the school year.

(2) If a grievance is filed prior to the end of the school year and cannot be resolved by the closing of that school year, the grievance procedure shall continue with all time limits enforced unless it is mutually agreed to carry the grievance into the next school year with time limits strictly enforced.

(3) There shall be no arbitration during the summer unless both the Federation and the Board agree.

(4) Any complaint arising over the summer break which is not resolved before the beginning of the school year, may be filed as a grievance two weeks before the first day of school. All time limits shall be enforced at that time.

i. Labor Relations Administrator/Federation Field Representative Meetings

The Superintendent’s designee for Labor Relations and the Federation Field Representatives shall meet bi-weekly to discuss outstanding grievances and/or other contractual issues.

3. Procedure

a. Level One

A grievance must be filed in writing with the principal or the appropriate administrator within fifteen (15) days after said event, upon which it is based, or within fifteen (15) days after said event could reasonably be assumed to have
been known by either a teacher or the Federation. The grievance conference shall occur within five (5) days after the grievance is filed. The grievant shall be accompanied by the Federation Building Representative or any other Federation representative of the grievant’s choosing. The principal or appropriate administrator shall render a written decision within five (5) days of the grievance conference.

b. **Level Two**

In the event a grievance has not been satisfactorily resolved at Level One, the Federation shall file, within ten days of the principal’s or the appropriate administrator's written decision at Level One, a completed copy of the grievance with the Superintendent or his/her designee. Within seven (7) days after such written grievance is filed, the grievant, the Federation, and the Superintendent or his/her designee should meet to resolve the grievance. The Superintendent or his/her designee shall file his/her decision within five (5) days of the Level Two meeting and communicate it to the grievant and the Federation.

At the request of either the Board or the Federation, grievance mediation shall occur prior to the Level Two grievance conference. The Board and Federation shall agree on an agency, individual, or panel to provide such mediation services. The parties shall develop specific procedures for grievance mediation, with the assistance of the mediator. If grievance mediation is requested, time limits are suspended until the mediation occurs. A formal Level Two conference shall be conducted within 5 days of the final mediation session, unless the grievance is resolved through mediation.

c. **Level Three**

If the grievance has not been satisfactorily resolved at Level Two, the Federation may demand arbitration within 60 days of receiving the Level Two decision. The arbitrator's decision shall be final and binding.

(1) The Board and the Federation shall agree on a panel of five (5) arbitrators to hear and decide cases for one (1) year on a rotating basis.

(2) The arbitrator selected to consider a particular grievance shall be that arbitrator next in order of rotation who can schedule the hearing with the parties within thirty (30) days.

(3) The parties shall accept a date(s) offered within the 30 days or as soon thereafter as dates are available, unless the time limit is extended by mutual agreement. Unavailability of the parties’ representatives shall not be a valid reason for refusing all such dates offered by arbitrators on the panel.

(4) If more than one arbitration hearing is pending at any time, the date of the initial filing of the grievance shall determine the order of rotation of the arbitrators.

(5) After any arbitrator on the panel has rendered an award, either party, within fourteen (14) days, may remove such arbitrator from the panel. In addition, if either party so requests by August 1 of any school year, one or more arbitrators shall be removed from the panel. In either event, the parties shall attempt to agree on additional arbitrator(s) to complete the panel. If the parties are unable to agree on additional arbitrator(s) within fourteen (14) days of the removal of an arbitrator from the panel, the parties shall request a list or lists, as the case may be, of seven (7) arbitrators each from the Federal Mediation and Conciliation Service. The parties shall then alternately strike names from the list(s) until the number of arbitrators remaining equals the number needed to complete the panel of five (5) arbitrators.

(6) The arbitrator shall not have the authority to alter, modify, add to or subtract from any of the terms of this contract.

(7) The costs for the services of the arbitrator shall be shared equally by both parties.

(8) The schedule for post-hearing briefs, if necessary, will be determined by the parties with the arbitrator at the conclusion of the hearing. The arbitrator shall render a decision in writing within thirty (30) days after post-hearing briefs have been submitted or within thirty (30) days after the hearing, if no briefs are to be filed.

(9) The Arbitrator’s decision shall be final and binding upon the Board, Federation, and grievant(s). Within 30 days after receiving an arbitrator’s written opinion, the Board of Education shall ratify and initiate implementation of the decision of the arbitrator.

d. **Teacher Termination**

Binding arbitration is provided at Level Two upon waiver of statutory proceedings by the affected teacher on all teacher dismissal cases.
§300 Grievance Procedure

c. Teacher Non-Renewal (5 years of satisfactory service)

A non-tenured teacher who has completed five consecutive years of satisfactory or better service has the right to file a grievance challenging the Board's decision not to renew his/her contract and to pursue that grievance to final and binding arbitration.

f. Teacher Non-Renewal (less than five (5) years of service)

In lieu of statutory proceedings, a non-tenured teacher with less than five (5) consecutive years of satisfactory or better service shall have the right to a hearing before a Board appointed referee, selected by agreement between the Board and the Federation to hear such appeals, provided the teacher submits a written request to the Superintendent for such a hearing within ten (10) days of receiving written notice of the Superintendent's recommendation not to re-employ the teacher. The appointed referee may serve no longer than one year, unless the parties agree to extend his/her appointment.

Such hearings shall be held before the Board acts on the Superintendent's recommendation not to re-employ the teacher. However, the teacher's request for a hearing shall automatically extend the deadline for notification of non-renewal through July 31, or the date the Board considers the recommendation of the referee, whichever is later.

At the hearing, the Superintendent, or his/her designee, shall summarize the teacher's evaluation and the reasons for the non-renewal recommendation and shall present any supporting documentation or witnesses within two (2) hours and the teacher shall have the opportunity to present his/her appeal along with any supporting documentation or witnesses within a two (2)-hour period. The teacher shall have the right to representation by the Federation.

The decision of the referee shall be in the form of a recommendation to the Board of Education.

g. Alternate Procedure

Certain grievances filed by teachers regarding personnel decisions shall be assigned to an alternate internal dispute resolution procedure for a prompt, final, and binding decision if the grievance is not resolved at Level 1. Such grievances are those that involve applying contract language to a specific incident or administrative decision and in which the meaning or intent of contract provisions is not in dispute. Grievances eligible for this procedure shall include those which contest an assignment, surplusling, or placement decision, Reduction in Force or recall decision, selection of a teacher for ESP positions or for eligibility lists, provided the above stipulations apply. This procedure shall not apply to cases, which involve discipline, dismissal or nonrenewal.

Grievances assigned to this procedure shall be considered by the Alternate Grievance Panel, consisting of two (2) teachers appointed by the Federation and two (2) administrators appointed by the Superintendent. In the event of a tie vote of the panel, the grievant shall have immediate access to Level Three of the grievance procedure.

On the Thursday and Friday two weeks before the end of each quarter, the Alternate Grievance Panel shall meet to resolve outstanding grievances. In addition, the Thursday and Friday two (2) weeks before the opening of school, the Alternate Grievance Panel shall meet to resolve outstanding grievances filed during the summer. Other dates may be agreed to by the Federation and the Board. The grievant, the Federation, and the administration shall be responsible for providing pertinent information and documents to the panel members at least five (5) days prior to the hearing.

The panel shall consider the documentary evidence, hear testimony from any witnesses offered by the parties, and render a final and binding decision, including an appropriate remedy, consistent with the terms of this contract, at the close of the hearing. Neither party shall be represented by attorneys, except by mutual consent, but the grievant shall be entitled to representation by the Federation and the administration shall be appropriately represented. If any panel member has a conflict of interest in any grievance, they shall be temporarily replaced by the appropriate party.

The panel shall determine any other procedures it may require, subject to approval of the parties. Either party may terminate the entire alternate procedure described above by giving thirty (30) days' notice to the other party of its intention to terminate the procedure. In the event the procedure is terminated, all pending cases shall be assigned to Level Two of the grievance procedure.

In the event of a successful grievance, the remedy shall be to place the grievant in the vacancy requested at the beginning of the next reporting period or quarter in the instructional program. The person who has been displaced as a result of a successful grievance shall be given preference in assignment to a similar vacancy elsewhere when available.
4. Mediation for Lawsuits

In the event of a lawsuit between the parties, mediation shall occur at the request of either party using the same service and procedure as in grievance mediation or using another dispute resolution procedure agreed to by the parties.

5. Common Grievance/Arbitration Record

The parties shall compile a common record of grievance activity. The record shall include all grievances filed, dates, a general statement of the issue, dates of grievance conferences, and dates of decisions at each step, and a statement of the final outcome. The data shall be reported annually to the Superintendent, Federation President, and Board of Education. The parties shall each designate a representative to be responsible for monitoring the compilation and reporting of this data. Decisions of the Alternate Grievance Panel and arbitration decisions shall be jointly reported by the Federation and the Board.

§400 POSITIVE SCHOOL CULTURE

1. Positive School Culture

The Board’s Health and Safety Committee will establish a positive school culture subcommittee. The members of this subcommittee shall be appointed by the Superintendent and Federation President and will include members of the Administration, teachers, parents, students and community members. This culture subcommittee will complete the annual edits for the District’s Code of Conduct.

District level

a. Cincinnati Public Schools Crisis Intervention Team

Cincinnati Public Schools Crisis Intervention Teams shall coordinate the services to schools necessary when students are in an emotional crisis. These may include support personnel from CPS or outside agencies such as community health partners trained in crisis management.

b. Discipline Liaison

The District shall designate a member of Senior Management as the District’s discipline liaison. The Discipline Liaison shall be charged with district and school compliance relating to school culture, climate, and discipline. The Discipline Liaison will be assigned by the Superintendent to the Board’s Health and Safety Committee.

This includes: conducting school discipline audits; adoption of school discipline plans; collection of data relating to discipline; implementation of a Positive Behavior Interventions and Support (PBIS) Plan at every school; development and use of a student Code of Conduct handbook, which will be posted on the school’s website; requiring signed student contracts and encouragement of signed family contracts, enforcement of and compliance with all state laws governing discipline and degrees of removal from the classroom, building and district.

c. School Culture Audit

A school culture audit will be performed as needed and will be based on data and organized by the Positive School Culture Department. The results of the audit will be shared with the principal and staff.

d. The Promise Center

Schools may assign students to the Promise Center program based on a Category 2 or Category 3 violation of the District’s Code of Conduct found within the Student Support Guide.

While assigned to the Promise Center program, students are expected to attend 100% of the time. Attendance will be recorded. Students are expected to complete all assignments. Social and emotional supports will be provided by the Promise Center staff.

Students who are assigned to the Promise Center program should return to their home school with a transition plan. The transition plan should include strategies for success and conflict resolution. The plan may also include a recommendation to the school to create a behavior plan.
2. School Level

   a. Compliance with District Code of Conduct and State Law

      The suspension, expulsion, or removal of students shall be made in strict compliance with ORC 3313.661 and 3313.66 and Board Policies. The principal shall immediately notify the police when a criminal offense is committed which endangers the safety of students, staff, or others.

   b. Administrative Support of Teacher

      The Board and Federation agree that consistent enforcement of clear and specific rules are vital to maintaining a safe and orderly learning environment. Teachers, acting in accordance with Board Policy, shall have the full support of the Administration in maintaining classroom discipline through the implementation of the District’s Code of Conduct and the School’s Positive School Culture Plan. Professional support services shall be provided to ensure that every student’s due process rights are protected and that sufficient interventions are provided.

   c. Self-Defense

      A teacher may use such force as shall be reasonable and necessary to protect himself/herself from attack, to prevent school property from damage and/or destruction, and/or to prevent possible injury to another person.

   d. Positive Behavior Interventions and Supports (PBIS)

      The Superintendent shall require that each school adopt and follow a local school discipline policy in accordance with Board policies. It shall include rules for student conduct published in the Positive School Culture Handbook, consequences of violating such rules, responsibilities of parents, teachers, administrators, and other staff. It will encourage prompt communication with parents.

      The PBIS Plan shall be developed by the PBIS Committee, a subcommittee of the ILT and aligned with the current district code of conduct. The plan shall be reviewed and approved annually, with or without revisions, by the ILT. Teachers shall annually approve the plan before the last day of school. If the plan is not approved by the teachers, the last PBIS approved shall remain in effect. All stakeholders, including teachers and administrators, take collective responsibility to ensure collaborative review and implementation of the PBIS Plan in order to promote a positive school culture.

      The PBIS Committee shall be comprised of the following: a building administrator, teacher representatives elected by each team and/or department, a representative of the office staff, an Education Support Personnel representative (school psychologist, school social worker, school counselor), the ALC facilitator, an intervention specialist elected by the interventionists, a parent and student representative when appropriate.

      The plan shall be completed by the last day of the school year for the following school year. It shall be published electronically and/or in writing for the school and distributed to faculty on the first teacher workday of the school year and to students and parents by the first day of the second week of the school year. All students are required and parents/guardians encouraged to sign acknowledgement of receiving the PBIS Plan.

      Within the third quarter of the school year, schools shall participate in a climate audit to develop a site-based positive school culture plan. The result of the plan shall be based upon the results of the climate audit, which will be in place for behavioral needs of the first day of school and incorporate Tiers of Intervention.

      Each school shall have an Alternative Learning Center staffed on a daily basis by a trained facilitator. Twice a year the district shall monitor each school’s ALC to be sure they have clear operational rules and procedures.

   e. Removal of Disruptive Students

      A teacher shall have the right to remove from class pupils exhibiting disruptive behavior with reasons submitted in writing as soon as possible. Disruptive behavior includes the use of violence, force, coercion, threat, harassment, serious insubordination, or repeated acts of misbehavior, any of which cause disruption or obstruction to the educational process. The right to remove students for cause extends to all curricular and extracurricular activities affecting teachers while acting in the course of their employment.
Once removed, a student will be returned to class once disciplinary action consistent with the school’s PBIS Plan has been determined and provided in writing for the teacher and student. If appropriate, the building administrator may also initiate a student assessment to determine if additional social or medical services are required and should be arranged.

f. Chronically Disruptive Students

The Promise Center psychologist shall develop a transition plan for any students assigned sixteen (16) or more days per year to The Promise Center to identify appropriate strategies for students who have exhibited persistent and disruptive behaviors up to and including continuing social and psychological services and mandatory parental/guardian conferences.

The Board and Federation agree to work collaboratively to strengthen professional development and to examine school-based services options and discipline programming options for chronically disruptive students.

g. Discipline Records

Teachers should document minor, classroom-managed Category 1 offenses as Log Entries in the District’s student information system.

For chronic Category 1, Category 2, and Category 3 offenses, teachers should document the offense code and narrative in a Discipline Log Entry in the district’s student information system or by using a paper form depending on the procedure approved in the PBIS Plan. If an incident involves another student(s), the teacher should refer to the student(s) without using a name.

Administrators or certificated designees will review the Discipline Log Entries submitted by teachers in a timely manner. The administrator or designee will conduct an investigation and determine the appropriate level of consequences.

If, after investigation and consultation with the assigning teacher, the administrator determines that the initial offense code is not appropriate, the administrator may change the offense code. In such case, the administrator shall notify the teacher in writing why changes were necessary.

Administrators shall not delete Discipline Log Entries, but may add additional information after an investigation has been conducted and written notification provided to the teacher in the student management system.

h. Student Discipline Reports

Building administrators will provide the monthly discipline school team report in order for the team and the PBIS Committee to develop appropriate action plans.

i. Assistance for Classroom Management

Individual staff members who are experiencing serious difficulty in classroom management, impacting upon student discipline and learning, shall receive assistance from both the local school and district resources, including teachers at the school. Visitations may be arranged in order for the teacher to observe well-managed classes. Such assistance may be mandated by the principal or voluntarily requested by the teacher. In either case the assistance should be provided within five (5) working days.

3. Teacher Assault By Student

a. Recommendation, Report and Hearing

For purposes of this section, the word “assault”, has the same meaning as used in ORC Section 2903.13, and constitutes knowingly causing or attempting to cause physical harm to another or another’s unborn, and recklessly causing serious physical harm to another or another’s unborn.

When a teacher while performing in the line of duty, including co-curricular and extra-curricular activities, is subject to such an assault by a student, the teacher shall submit a written statement describing the alleged assault to the work place administrator and the CFT building representative. The student shall be removed from the classroom pending
an investigation by the workplace administrator, which shall be commenced promptly. If warranted by the
investigation, the student shall immediately, in accordance with state law, be suspended or removed to The Promise
Center, or elsewhere. All information gathered in the investigation will, to the extent allowed by law, be distributed
to the Superintendent, teacher and CFT.

The workplace administrator shall immediately report any substantiated assault by a student on a teacher, the results
of the investigation, and the disciplinary action taken or recommended to the Superintendent’s designated hearing
officer, and, as necessary, to the SRO. If deemed necessary, the designated hearing officer shall submit the results of
the investigation to appropriate public authorities.

In the case of an assault by a student on a teacher, the Superintendent’s designated hearing officer shall conduct any
expulsion hearing and shall make a recommendation to the Superintendent. Upon request, the teacher shall be
notified of the date, time and place of the hearing, and shall be given the opportunity to present testimony or other
evidence at the hearing or to the hearing officer, with CFT representation. To the extent permitted by law, a student
who the principal has recommended for expulsion may not return to the school prior to the hearing. The hearing
shall be conducted within ten (10) days of the student’s suspension, and will result in a recommendation to the
Superintendent on whether the student should be expelled. To the extent allowed by law, the teacher and CFT shall
be informed promptly of the recommendations of the hearing officer to the Superintendent.

If a student appeals a decision of the Superintendent to expel a student who assaulted a teacher, the teacher and CFT
shall be notified of the date, time and place of the appeal hearing. If evidence is presented at such hearing, the
teacher shall be given the opportunity to present testimony and evidence, with CFT representation.

b. Assistance in Student Assault Cases

The Administration shall:

(1) Obtain information from the building/unit administrator and investigating police officer concerning the case and
designate a liaison between the teacher and all parties operating in the case.

(2) Immediately notify the teacher of his/her right to file charges against the student, and to inform him/her of the
procedure to be followed. If the teacher files charges against the student, a representative of the administration,
upon request, shall be present for any court hearing or proceeding arising from the charge.

(3) Provide the teacher with released time for court appearances stemming from his/her professional activities.

(4) Ensure that the teacher does not lose compensation or accumulated leave.

(5) Assist a teacher who is required to appear in court for an action taken in the exercise of duty to the extent of legal
limits. In civil matters, the Board’s insurance carrier shall represent the teacher through legal counsel and shall
coordinate legal representation with attorneys appointed by the Federation or its insurance carrier. The teacher
shall receive compensation for absence from duty for a court proceeding or administrative hearing when such an
absence arises from a justifiable line of duty action on the part of a teacher.

4. Pupil Adjustment

a. Intervention Based Services and Supports

Each school should have a fully functioning intervention assistance team (IAT) that includes a general educator,
intervention specialist, parent of the child in question, building administrator, and the appropriate related service
provider, as needed. All activities related to the functioning of this team must be in compliance with the Ohio
Operating Standards. All referrals for multi-factored evaluations will be consistent with the Ohio Model Procedures
and the Operating Standards for Ohio’s Schools Serving Children with Disabilities.

b. Multifactored Evaluation Referral

When a teacher submits a referral for multifactored evaluation and the Intervention Assistance Team deems it
appropriate for a multifactored evaluation, a request for parent approval shall be sought immediately. If parental
approval is obtained, the principal shall ensure that the forms are forwarded to the Department of Student Services.
c. **Make-Up Work**

The opportunity to make up class work as a result of an unexcused absence is at the discretion of the teacher and the principal. However, the Positive School Culture plan may require teachers to provide assignments to students assigned to in-school suspension, under procedures included in the Positive School Culture plan. Further, teachers are expected to provide assignments for students who are suspended or expelled for more than three (3) but less than sixteen (16) days, if requested by the parent, guardian, or the parent or guardian’s designee, or an adult student. Teachers will also provide make-up work to students suspended for one (1) to three (3) days, upon their return, if requested by the student, a parent or guardian.

Suspensions and expulsions may be scheduled so that students are permitted to attend school for the purpose of taking exams or demonstrating proficiency required for promotion, provided the student does not pose a physical threat to other students, teachers, or staff.

d. **Informing Teacher of Student Needs**

All staff members who have a legitimate educational interest should be provided with information regarding a student’s unique educational and behavioral needs. All staff members will respect the confidentiality rights of all students.

e. **Informing Teacher of Problem**

Within the conditions established by the law, a teacher who is assigned a pupil identified to have a physical, social or emotional problem shall be informed by the administrator or counselor of the nature of the problem. The teacher shall also take reasonable steps to understand the nature of the problem and work with the student in a professional manner and maintain the pupil’s privacy rights.

f. **Administrator Present in Building**

For the protection of both pupils and teachers, there shall be an administrator or his/her designee present when the building is open. If the building administrator is absent longer than five (5) days and if his/her designee is a teacher, that teacher shall be relieved of teaching responsibility.

g. **Student Absence**

In accordance with state law, individual students’ progress reports shall include a mark or symbol to indicate that a student was denied credit or is in danger of being denied credit or has failed or is in danger of failing due to excessive absence.

h. **Grading and Promotion**

Teachers and district administration shall communicate to students and their parents the performance standards students must meet, the meaning of district assessment scores and how grades and rubric scores are determined. Teachers are expected to have documentation for grades and rubric scores assigned.

The teacher's promotion/retention decision (K-8) or report card grade (7-12) may not be changed by the principal. The teacher and principal shall attempt to resolve challenges regarding the report card grade through a collaborative effort between the parties involved. However, if the dispute is not resolved and the principal believes that the teacher's grade or decision is in violation of district policy or is not justified, the principal may request a district audit team composed of teachers and administrators. The team shall examine the teacher's documentation and may, if additional evidence is needed, evaluate the student's proficiency using student work the teacher may have. The audit team may uphold or modify the grade or promotion/retention decision. Decisions of the audit team are final.

i. **Reporting of Academic Progress**

Quarter and semester grades shall not be due before noon on the fourth teacher workday of each quarter, except that fourth quarter grades and reports may be due at the end of fourth quarter.

Junior high and high school (grades 7-12) teachers of record in the District sponsored grading system for core and elective courses shall provide to students electronically, in the district learning management system and a hard copy, a course syllabus or equivalent. The course syllabus shall include scope of the course, core assignments, and
assessment practices (i.e. weighting of assignments). In an effort to provide ongoing timely and accurate communication to families, technology is available for teachers to fulfill this professional responsibility and for all students and parents to be informed about class assignments and academic progress (i.e., labeled grades, marks, comments, rubric scores, progress toward standards, etc.). Teachers are expected to update class assignments and academic progress in the district wide grading program or the district learning management system regularly, every week as a district standard. The District will assist in this effort by providing professional development on the District sponsored grading program and the district learning management system. The Parties will research electronic resources that facilitate regular weekly electronic entry of class assignments and academic progress. Parents may expect up to a week’s delay in reporting the most current class assignments and academic progress. If an assignment is long-term or requires lengthy review, the teacher shall report the weekly status of the assignment until a grade is available (i.e. “collected,” “missing assignment,” “late,” etc.).

Teachers who have a large total student enrollment over one hundred sixty (160) shall be given special consideration for the reporting of grades. Specialists with total enrollment in excess of two hundred twenty-five (225) will be required to report mid-quarter and final quarter grades.

j. **Pupils in Building**

Teachers who hold after school activities are expected to remain with students until they have secured a way home or until their next activity. All pupils who are not under the direction of a staff member or Board designee shall be taken to the building administrator or Board designee. The procedures to address this section of the contract shall be included in the positive school culture plan by each school.

k. **Student Cumulative Records**

Student cumulative records for students changing from one Cincinnati Public School to another shall be available in the receiving school not later than ten (10) working days after the student has been enrolled. Upon receipt of the cumulative record for the student, the teachers of the student shall be notified.
§500  CLASS SIZE

1. Teacher/Pupil Ratio

The Board will establish a system-wide teacher/pupil ratio of 51 or 51.5 teachers, subject to final review and agreement by the parties, including educational support personnel, per 1,000 regular program pupils based on an average daily membership (full-time kindergarten membership and membership in grades 1 through 12 in regular programs, all as defined in Section 3317.02, et seq. of the Ohio Revised Code) as of the first full school week in October of each school year.

2. Staffing Goals

The Cincinnati Public Schools respect the research that suggests that small classes in early grades have lasting benefits on student achievement. It is also recognized that intermediate grade classes benefit from limited numbers of students per class, additional resources will be provided for content delivery and remediation for students identified as at risk.

Schools and teams may exercise discretion internally to attain the smallest possible class sizes, fewest preparations, and maximize human resources within the instructional site guidelines.

The Teacher Allocation Committee (TAC) shall continue to monitor class size at all district schools to advise the schools on steps they can take to staff within class size limits. The TAC may recommend to the Superintendent to re-assign teachers throughout the end of quarter one. In exceptional cases where a school is unable to organize classes within the limits, the TAC shall recommend additional funds for new teaching positions up to a district wide limit of $950,000. When, due to the building schedule, student load and or staff size, those limits cannot be accommodated, the general education teacher shall notify the principal who shall notify the student services manager and a meeting shall be scheduled within two (2) weeks to determine how best to service the students that contribute to the total IEP load of over six (6) students with disabilities and/or the total number of students with emotional disturbance over three (3).

The possible solutions may include staff arrangements, required co-teaching, rescheduling of current building paraprofessional support or student reassignment, weighing the severity or nature of the disabilities and assessing the requirements of each student’s IEP in order to determine the services needed and possible arrangements that would assist student learning.

The meeting among the principal, general education teacher(s), intervention specialist(s), PAM specialist(s), case coordinator and student services manager will take place within the first ten (10) school days. Resulting in-house arrangements will be in place prior to the TAC week and if the in-house solution requires district support for the students, the building principal and student services manager will co-sign a preliminary TAC request specifically related to students with special needs.

i. Professional Development

The District shall provide opportunities for training for Special Education documentation.

All Intervention Specialists will be provided with training opportunities to assist in providing academic supports to Students with Disabilities.

1. Definition

a. Class A - Daily Substitute

Refers to a substitute teacher who works daily assignments as posted in AESOP or offered from building administration. If a Class A substitute teacher is a no-show for a selected assignment more than one time in any quarter, they may be asked to meet with HR to clarify their role with the District and may be considered for disciplinary action up to and including removal from the substitute list for CPS.

Personal illness and other absences outside the employee’s control will not be considered a refusal or no-show, but will be deducted from the substitute teacher’s accumulated sick leave and no compensation will be paid provided the substitute teacher has leave. If no leave is available, such absence will be considered a no-show.

b. Class B - Building Substitute

A building substitute is based at a particular school for the year and works daily assignments within that building. The number and location of building substitutes will be jointly determined each May by the Talent Department and CFT using the data from AESOP concerning sub fill rate. Building substitutes are allocated for highest need schools in terms of ability to fill sub vacancies. Building substitutes are expected to work a regular daily schedule. Building substitutes will be paid for days worked.

c. Class C - Leave Substitute

Substitutes assigned to serve in the classrooms of teachers anticipated to be on leave for a minimum of 21 days. Leave status ends upon the return of the teacher or removal of the sub from that assignment. If possible, leave substitute positions should not be filled by building substitutes.

d. Class D - Vacancy Substitute

Substitutes assigned to serve for a vacancy where a licensed teacher was not able to be found for the position. If a licensed teacher is able to be found, the vacancy substitute teacher may be removed from this role anytime during the school year.
§620 Substitutes

2. Daily Schedule

   a. A substitute teacher day shall consist of four hundred twenty (420) minutes, which includes a thirty (30)-minute duty-free lunch and no more than three hundred forty-five (345) minutes subject to assignment in school.

   However, in grades 7-12, a leave or vacancy substitute shall not be assigned to teach more than six (6) class periods per day and shall have a preparation period of forty-five (45) uninterrupted minutes or a class period daily, whichever is greater.

   This provision will not apply in cases where a substitute teacher arrives late and the regular teacher’s preparation time has passed nor will it apply to a substitute teacher who is only assigned for a half day.

   Class C and D substitute teachers shall follow the normal daily schedule for that assignment.

   b. Call-in Pay for Daily Substitutes

      If a daily rate substitute teacher is assigned and subsequently not needed, an attempt will be made to reassign the substitute teacher. If a reassignment is not available, the substitute teacher will be compensated for one-half (1/2) day. The principal may provide one-half (1/2) day of appropriate work for the substitute teacher to perform with pay.

3. Appointment/Discipline/Dismissal

   a. All substitute teacher appointments shall be for a school year or a portion thereof remaining after the date of appointment with no expectation of continuing employment. Discipline and dismissal of substitute teachers during the course of a school year shall be in accordance with §215 Par (1, 2, 3, 5). Adherence to the procedures described in this section is subject to the Grievance procedure. However, a substitute teacher may not file a grievance challenging the Board’s decision to dismiss said teacher.

   b. Principals shall provide documentation to support any request that a particular substitute not return to their school to be a substitute teacher.

4. Sick Leave

   a. (Class B), Leave (Class C), and Vacancy (Class D) substitutes shall be eligible for sick leave on the same basis as regular teachers.

   b. Sick Leave Conversion

      Substitute teachers will have sick leave conversion upon retirement, pursuant to §700.4.s at the substitute’s final daily rate of pay, but may not convert accumulated sick leave transferred from another employer.

5. Appearance in Court

   Class B, C, and D substitute teachers are eligible for leave for Appearance in Court pursuant to §230.16.

6. Fringe Benefits

   a. Class B, C, and D substitutes are eligible for the same health benefits and term life insurance as other full-time teachers, by making the same contribution. Leave subs are only eligible for the time they are serving as a leave substitute.

   b. There shall be a separate property damage fund for daily rate substitutes of $1,000.00 per year. This fund shall be administered pursuant to §700.4.s. If a surplus remains in the regular teacher fund, substitute teachers may apply for such surplus.

   c. If a leave substitute (Class C) has been in an assignment for at least thirty (30) days of the last quarter, worked at least eighty-five (85) days during the school year, and has served to within five (5) days of the end of the school year, s/he will not lose benefits during the summer recess.
7. **Daily Substitute Teacher List**

Department of Human Resources shall maintain a list of substitute teachers by areas of certification noting grades, subjects and/or areas of greatest experience and shall make that list available to each school, updating it on a quarterly basis.

8. **General Provisions**

In addition to paragraphs 1 through 7 of this section above, the following provisions of this contract apply to daily rate substitutes: §100 Term of Contract; §110 Recognition; §120 Fair Practices; §130 Federation Rights; §140 Personnel Files; §150 School Leadership; §155 Flexibility; §160 General Provisions; §180 School Budgets; §220 Teaching Assignments, Par 6, 8, and 11; §230 Teacher Absence, Par 18; §240 Teaching Conditions; §300 Grievance Procedure; §400 Pupils; §700 Salaries/Fringe Benefits, Par 2, p and r, §800 Board Authority; §810 Amendment; §820 Legality; §900 Term of Contract; and other provisions which are expressly applicable to daily rate substitutes or a particular class of daily rate substitute. No other provisions apply.

9. **Substitutes**

   a. **Definition**

   Leave Substitutes are defined as substitutes for teachers on leave and who serve on a temporary basis. The effective date of appointment shall be the 1st day of service in a given position. The substitute shall be paid as a leave substitute beginning with the effective date of the appointment. Consecutive workdays shall not be interrupted by the use of sick leave, assault leave, Federation leave, or any other approved absence.

   b. **Conditions for Employment**

   Vacancy substitute teachers may be appointed only when one (1) or more of the following conditions occur:

   (1) temporary positions created by absence of regular employees occur for periods of more than thirty (30) consecutive working days;

   (2) the vacancy substitute teacher does not meet minimum employment standards by training, references or interview performance or did not qualify for a standard Ohio license;

   (3) the vacancy substitute is a retired Ohio teacher;

   (4) the vacancy substitute teacher does not wish to make a commitment for the completion of the current school year.

   c. **Dismissal**

   Vacancy substitute teachers serve temporarily and are subject to dismissal:

   (1) when the performance is less than satisfactory in the judgment of the principal and supervisor;

   (2) upon return of the regular employee;

   (3) when a vacancy substitute teacher was employed under Paragraph 10 b (2), above, and a fully qualified candidate is available;

   (4) at the conclusion of the school year if employed at that time.

   d. **Qualifications for Seniority Credit**

   Vacancy substitute teachers who serve one hundred twenty (120) or more days during a given school year and who are employed for a regular vacancy for the ensuing school year for which they are fully licensed shall be offered the opportunity to interview. Vacancy substitute teachers who are employed as of the end of the school year and who served one hundred twenty (120) consecutive working days during the school year as a vacancy substitute teacher and
§620 Substitutes

who are employed under contract at the beginning of the ensuing school year shall receive seniority credit effective
the date of last appointment as a vacancy substitute teacher.

c. Evaluation

Vacancy or Leave substitute teachers shall be evaluated using an evaluation process.

f. Salaries and Fringe Benefits

Vacancy substitute teachers’ salaries and fringe benefits governed by the provisions of the Collective Bargaining
Contract applicable to contract teachers.

10. Availability of Substitutes

The parties recognize that maintaining an adequate pool of qualified substitute teachers requires continuous effort. The
Board shall actively recruit substitute teachers, including advertising on multiple outlets and holding periodic job fairs.

§700

1. Salary Increases

All new hires will begin at level 1 of the new salary schedule.

July 1, 2021: 5%, including all salary schedules (Appendix A: Schedules A, C, E and G), except Testing Coordinators and
Tech Coordinators.

July 1, 2022: 3%, including all salary schedules (Appendix A: Schedules A, C, E and G).

The parties agree to begin a salary study that will explore ways to make stipends and salary schedules more competitive by
January 2022. The Parties also agree Benefits Committee shall review the healthcare tiers and opt out numbers and make
recommendations to Administration by November 1st 2021.

a. Career Teacher Increment

The annual salaries of teachers who qualified for the career teacher increment under the Career in Teaching Program
Agreement between the parties, as amended by the parties’ June 14, 1999 Budget Reduction Agreement, shall be
increased by $1,000, in addition to any lead teacher increment. However, no additional teachers may qualify for the
increment after September 1, 2000.

b. Teacher Pay for NTBC/Professional Certification

Any teacher attaining National Teacher Board Certification shall have $1,000 added to his/her base salary, in addition
to any salary supplement provided by the state during the next full school year the certification is in effect.

The following are eligible for a $1,000 stipend:

• Speech-language pathologists with national certification from the American Speech, Language, and Hearing
  Association;

• Occupational Therapists with certification from American Occupational Therapy Association, Inc.;

• Physical Therapists with certification from American Board of Physical Therapy Specialists;

• School Psychologists with certification from National Association of School Psychologists; and

• School Nurses with certification by the National Board for Certification of School Nurses.
c. **Training Increments**

The annual salaries of teachers who complete one hundred (100) hours of required or inservice instruction shall be increased by $750. The annual salaries of teachers shall be increased by an additional $250 for each one hundred (100) completed additional hours of such instruction. The increments shall be effective at the beginning of the school year following completion of the coursework. However, no additional teachers may qualify for the increment after September 1, 2000.

**Recruitment and Retention**

The Superintendent may declare content areas of shortage or a district/building need for increased student achievement for each building. Upon declaration, incentives to hire and retain teachers or related services staff in identified areas may be implemented by the Department of Human Resources. These may include:

- The teachers whose certificates or licenses are in a shortage content area, when these teachers agree to be employed in the shortage content area or agree to serve in an Incentive, Intervention or Redesign Campus, or on campuses where a specific weakness in instruction exists for at least three (3) years in the district.
- Placement of new hires on the salary schedule for their level of experience up to seventeen (17) years of service when there is a three (3)-year agreement to be employed in the district.
- The Department of Human Resources may recruit and place any ESP recruits and/or current staff at his/her level or for increased compensation to carry a caseload in high needs schools.

The Department of HR may in their recruitment determine how and when to spend up to $3,000 per recruit for new hires in the areas of identified teacher shortages, content weaknesses, or achievement weaknesses. Current employees who completed re-certification and/or licensure in the areas of identified teacher shortages or have proven growth and achievement results or are willing to teach in high needs schools may receive incentives as well. New hires returning to CPS after a hiatus of one (1) or more years would be eligible to receive the incentive.

2. **Performance Schedule**

a. **Initial Position on Performance Schedule**

The initial salary of a teacher shall be the minimum on the schedule for which the teacher is qualified, plus any allowance due the teacher for prior teaching experience and/or military service. Allowance for prior teaching experience shall be made on the basis of:

1. One (1) year of credit for each year of teaching experience up to a maximum of ten (10) years of which no more than two (2) years of successful substitute teaching in Cincinnati Public Schools may be counted.
2. Allowance for military service and/or career experience related to teaching field shall be made on the basis of one (1) year of credit for each year of military service up to a maximum of six (6) years.
3. School nurses shall receive credit for each year of school nursing. That experience is credited the same as prior teaching experience as defined in (2) above. Nurses without school nursing licenses applying for employment who have nursing experience will be granted experience as other career applicants hired.
4. Allowance for a combination of prior teaching and military service shall be made on the basis of one (1) year of credit for each year of military service and career as well up to a maximum of six (6) years, and prior teaching experience up to a maximum of ten (10) years.
5. School nurses shall receive credit for each year of school nursing experience up to a maximum of ten (10) years.
6. In determining the initial salary of a teacher of trade and industrial career technical subjects or academic subjects within a trade and industrial career technical program, a year of work experience, either at the apprenticeship level or beyond, shall be accepted as a substitute for a year of college or university work, and a total of four (4) years of such work experience, or of four (4) years of college or university training and work experience combined, shall be accepted in lieu of college graduation. Any year of work experience above the apprenticeship level, which is not used for satisfying the college graduation requirement, shall be accepted in lieu of teaching experience provided such work experience shall have been directly related to the specific career technical field in which the person is assigned.
§700 Salaries and Fringe Benefits

(7) Part-time experience shall be credited for initial placement on the salary schedule and for annual service increments as follows:

(a) One (1) full year of credit for regular full-time service of one hundred twenty (120) days within a given school year;

(b) One-half year credit for regular full-time service between sixty (60) and one hundred nineteen (119) days within a given school year;

(c) No credit shall be given for less than sixty (60) regular full-time days of service;

(d) Annual service increments shall be given only at the beginning of a school year;

(e) Credit for one-half (1/2) year of service shall carry forward until a full year of credit is earned and given on the schedule;

(f) Part-time teachers (those appointed for a fraction of the workday) shall receive experience credit on a pro rata basis.

b. Increments

Salary increments become effective at the beginning of each contract year. Future increments are based upon the completion of the appropriate number of days of prior service. Those teachers placed on Comprehensive Assistance and Review will remain at their current level until they have successfully placed out of Comprehensive Assistance and Review.

A teacher who has been employed full time and has received pay for at least one hundred twenty (120) days is eligible for an annual increment at the beginning of the next school year unless they have been placed on Comprehensive Assistance and Review.

No teacher shall be denied a salary increment due to the administration’s failure to conduct a scheduled evaluation.

c. Initial Position on New Salary Schedule

The initial salary of a teacher shall be the minimum on the schedule for which the teacher is qualified, plus any allowance due the teacher for prior teaching experience and/or military service.

(1) All teachers in their first year of employment with the District and their first year of teaching will participate in the Teacher Evaluation System. All teachers in the first year of their teaching career will be placed at the appropriate level.

(2) Teachers new to the district will be placed on the performance schedule based on their years of successful experience. Any Teacher who has a Master’s degree with semester hours above thirty four (34), any additional hours above thirty four (34) shall be added towards their Master’s Plus 30.

(3) Part-time experience shall be credited for initial placement on the salary schedule and for annual service on a pro rata basis using one hundred twenty (120) days as the equivalent of a full year.

(a) One (1) full year of credit for regular full-time service of one hundred twenty (120) days within a given school year;

(b) One-half (1/2) year credit for regular full-time service between sixty (60) and one hundred nineteen (119) days within a given school year;

(c) No credit shall be given for less than sixty (60) regular full-time days of service;

(d) Annual service increments shall be given only at the beginning of a school year;

(e) Credit for one-half (1/2) year of service shall carry forward until a full year of credit is earned and given on the schedule;

(f) Part-time teachers (those appointed for a fraction of the workday) shall receive experience credit on a pro rata basis.

3. Provisions Applying to the Salary Schedules

a. Appendix A

The salaries of teachers covered by this contract are set forth in Appendix A, which is attached hereto and made a part of this contract. Teachers shall be placed at the appropriate level.
Personnel on year-long Schedule E contracts will be paid quarterly. All others will be paid when contracts are completed.

b. Term of Service

All personnel included under this salary schedule have an annual term of service as per the teacher's individual contract.

c. Pay Plans

All teachers will receive all salary compensation through direct deposit. Twenty-six (26) checks delivered every other Friday year-round. In those years when twenty-seven (27) pays would be in order, the parties agree to subdivide the amount in that year to twenty-seven (27) pays.

Deductions from paychecks shall be made, whenever possible, in uniform amounts.

The above pay plans shall not be construed so as to limit or restrict the board’s authority to establish and amend the school calendar or to open and close schools in accordance with state law.

d. Effect of State Mandates on Salary

Any state mandated salary increase shall be part of, and shall not be in addition to, any salary increase resulting from the application of this Article.

e. Emergency School Closings

In explanation of Board policy, where the Superintendent has authorized the closing of school due to an emergency condition, an employee shall receive pay for such day where the employee would otherwise have been in pay status, whether or not the employee has been reassigned to another location. Such pay shall not be charged to any accrued leave. All bargaining unit members shall be treated the same on declared snow days.

f. Montessori Teacher Training

As an exception to our present practice, teachers who have completed a Montessori training program at an institution accredited by one (1) or more of the recognized Montessori associations shall receive credit on the salary schedule as if they had earned college credit for the training provided that the Board has accepted or would accept such training as meeting the Board's training requirements for teaching in a Montessori magnet school.

4. Medical, Prescription and Dental Coverage

a. Medical and Prescription Plans

Employees electing medical coverage shall choose the Health Maintenance Organization (HMO) or the Point of Service (POS) 300 medical plan.

b. Board Contributions

Upon application by the employee, the Board will purchase or provide single, employee plus one, or family coverage for any employee appointed for six tenths (.6) time or more, less the dollar amount shown on the monthly employee contribution schedule below, which shall be deducted from the employee's paychecks.

c. Right to Opt-Out

An employee may decline medical coverage through the Board’s Plan. The Board may request proof of alternative coverage. The Board shall pay an employee declining coverage under the Board’s Plan $100 /month if eligible for two-person coverage and $200 /month if eligible for family coverage.

d. Dental Plans

Employees shall also be eligible for dental coverage on the same basis as described above.
e. **Vision Care**

A vision care discount will be offered by the district. In addition, vision examinations are covered under the medical plan.

f. **Employee Contributions**

Employees electing medical coverage shall choose the HMO, PPO medical plan, or HDHP.

The monthly employee contribution for coverage under Board group medical and dental plans shall be as set forth on the attached schedule. The Board established an IRS §125 Plan that treats employee contributions as pre-tax payments. As of July 1, 2007, a Working Spouse Provision is also being continued. Spouses of employees who (1) are employed and (2) are eligible for any other employer sponsored health coverage costing less than $150.00 per month (least expensive option from that employer) cannot be enrolled as a dependent under the CPS health plan unless he/she also selects his/her employer’s health care plan. The parties agree for the purposes of defining eligibility under CPS’s healthcare benefits plans, the term “spouse” shall include both opposite-sex and same-sex spouses as determined under applicable state law at the time and location that the marriage was entered into. The CPS health plan will include coordination of benefits (COB) equal to the current COB provision in place. In such cases, however, employees may continue to cover their spouses under the Board’s Family or Employee + 1 plans, subject to COB. CPS will conduct another dependent eligibility audit. If a spouse is not subject to the Working Spouse Provisions due to items (1) and/or (2) above not being met, the Spousal Premiums shown in the Spousal Premium section below will continue to apply, as set forth on the schedule.

The parties agree that effective January 1, 2018, CPS will offer a High Deductible Health Care Plan (HDHP) to employees, in addition to the existing PPO and HMO plans. The District shall make annual contributions to an employee Health Savings Account (HSA) for employees who elect the HDHP in the amount of $500 (employee only) or $1,000 (employee plus one or more). HSA contributions shall be made 50% on the first paycheck in January and 50% on the first paycheck in September. Employee contributions for the HDHP shall be calculated with the employee receiving the benefit of the full “Buy Down” projected savings to the District (in the same manner in which employee contributions are calculated for employees who elect the HMO "Buy Up" option).

In presenting this additional HDHP option to employees, the District represents that it has no present intention of eliminating the PPO or HMO options currently available to employees. The PPO and HMO plans may not be eliminated outside of collective bargaining.

(Dental Plan)

The dental plan will remain the same and benefit levels will continue. CFT and CFOP will pay 20 percent (20%) of the dental COBRA rate.

Subject to the provisions of Section 124.39 of the Ohio Revised Code, a retiring employee hired before May 27, 2004, shall be eligible to be paid for one-half (1/2) of his/her accrued but unused sick leave at the daily rate of pay which is the teacher's salary divided by the number of days in the work year minus one (1) day.

A retiring employee hired after May 26, 2004 shall be paid for one-quarter (1/4) of his/her accrued but unused sick leave at the daily rate of pay which is the teacher's salary divided by the number of days in the work year minus one (1) day. The payment shall eliminate all sick leave accrued by the employee.

The daily rate of pay will be calculated by factoring in the teacher's contract salary and any applicable career level stipend, training increment, and lead teacher stipend and dividing by one hundred ninety one (191).

Federation and the Board recognize the obligation of sick leave payout to comply with applicable provisions of the Internal Revenue Code and Regulations.

Payments of accrued sick leave to retiring employees shall be made to an employer sponsored 403(b) and 401(a) plan, the terms of which shall be submitted to Federation for approval.

Accrued sick leave payments shall be made with respect to retiring employees, as follows:

First Payment: The maximum amount payable under the Internal Revenue Code and Regulations in the first year of distribution of such benefits shall be paid in the first of the month following the cashing/receipt of the first retirement payment by the employee, providing the Board is notified by the 20th of the month of the cashing/receipt of such payment.

Subsequent Payments: The second payment, which shall be in an amount equal to the maximum amount allowed under the Internal Revenue Code and Regulations, shall be made on the first Friday of January in the year following the first payment. If any subsequent payments remain due, such payments shall be made the first Friday of the following January.

The parties understand that the Internal Revenue Code and Regulations allow a maximum payment of no more than $82,000 of accrued sick leave in year one (1) and no more than $41,000 in year two (2) or subsequent years. To the extent that applicable Internal Revenue Code and Regulations change, then the Board shall make payments to retiring employees consistent with such changes, distributing the maximum allowed by the Internal Revenue Code and Regulations in the year of retirement and in subsequent years in accordance with the schedule for payments in this section.

An employee who notifies the Board officially by the early retirement date notification published annually that he/she plans to retire effective at the end of the school year shall receive an additional five (5) days' pay at the daily rate added to sick leave conversion in addition to their normal entitlement. However, participants in the 1/1/2011 retirement incentive will not receive this benefit if they meet the criteria for the 1/1/2011 retirement incentive.

Sick leave conversion shall be paid to survivors upon the death of an employee who has ten (10) years of service with the Board on the basis of one (1) day's pay for each two (2) days accumulated, unused sick leave. For those hired after May 22, 2004, sick leave conversion shall be paid to survivors upon the death of an employee who has ten (10) years of service with the Board on the basis of one (1) day’s pay for each four (4) days accumulated, unused sick leave.

If teachers do not qualify as part of the eligible or defined group in the Accumulated Leave Plan, the following provision applies:

The Board shall make these payments to retiring staff as follows: One-half (1/2) of the sick leave conversion the first of the month following the cashing/receipt of the first retirement payment, providing the Board is notified by the 20th of the month of the cashing/receipt. If the first half is paid between January 1 and June 30, then the second half shall be paid the first Friday of the following January. If the first half is paid between July 1 and December 31, then the second half shall be paid the first Friday of the following July.

t. Mileage Reimbursement

Eligible teachers shall receive reimbursement at the rate permitted by the Internal Revenue Service for employee business expenses when their automobiles are used for Board business.
Teachers eligible to receive mileage reimbursement shall be those who report to more than one (1) location on any school day to perform assigned duties. Reimbursement shall be made by the Treasurer's Office after receiving the Mileage Report Form signed by the teacher and approved by the school administrator to whom the teacher reports.

u. Damage to Personal Property

The Board shall provide reimbursement for damage to a teacher's personal property excluding cash resulting from an assault, which occurred in the course of employment or, from vandalism or theft on the school site or at another location while on school business. The Board shall establish an annual fund of $10,000 to pay claims under this provision. The fund will provide reimbursement to teachers only to the extent that the teacher does not have insurance coverage protecting against such damage. When the fund is exhausted, the Board shall have no further obligation to pay such claims. The Board and CFT will agree on guidelines concerning the payment of expenses from this fund. The plan shall have a $100 deductible after private insurance coverage has been exhausted. The employee pays the first hundred dollars ($100) of loss, except in cases of loss due to an assault by a student.

v. Holidays and Holiday Pay

In explanation of Board policy, any employee absent without pay on either his/her next scheduled workday preceding a holiday or his/her next scheduled workday following a holiday shall be allowed no pay for the holiday; however, if an employee was sick and had exhausted earned sick leave, and had worked up to five (5) working days of a holiday, and reported to work within five (5) days after the holiday, the employee, upon approval by the Board, shall be allowed pay for the holiday.

w. Retirement "Pick-up"

The Board shall designate each employee's mandatory contribution to the STRS of Ohio as "picked-up" by the Board as contemplated by IRS Revenue Rulings 77-462 and 81-36 (although they shall continue to be designated as employee contribution as permitted by OAG Opinion 82-097) in order that the amount of the employee's income reported by the Board as subject to Federal and Ohio income taxes shall be the employee's total gross income reduced by the then current percentage amount of the employee's mandatory STRS contribution which has been designated as "picked-up" by the Board. The amount designated as "picked-up" by the Board shall be included in computing the final average salary for retirement purposes, provided that no employee's total gross income is increased by such "pick-up" nor is the Board's total contribution to the STRS of Ohio increased thereby. The amount designated as "picked-up" by the Board shall be included in computing the employee's daily rate for the purpose of sick leave conversion upon retirement.

x. Tuition Waivers for CPS

For teachers who live outside the school district who wish to enroll their child, step-child, or minor dependent in CPS, tuition waivers shall be granted, provided the current Ohio State Statutes permit State aid to be received for the student. The same enrollment and application procedures, including deadlines, as those applied to other non-resident pupils shall be in effect. Children of CPS full-time employees who reside in Ohio will be prioritized for admission over other open enrollment students and not before resident students.
3. Exclusion of Board Policies and Practices from Contract

Policies and practices of the Board and the administration are not a part of this contract, except as stated herein, and may be adopted, revised, amended, suspended or rescinded at the discretion of the Board or the administration.

§810 AMENDMENT

1. Necessity to Renegotiate

This contract may be amended by mutual written agreement of the Board and the Federation. Nevertheless, the parties acknowledge that during the negotiations, which resulted in this contract, each had the unlimited right and opportunity to make demands and proposals, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this contract.

Therefore, for the life of this contract, each party agrees that the other shall not be obligated to negotiate with respect to any subject matter not specifically referred to or covered in this contract.

If any provision of this contract or any application of this contract to any teacher or group of teachers is contrary to law, then such provision or application shall not be deemed valid except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
This contract shall expire on June 30, 2024

APPENDIX A: TEACHER PERFORMANCE SCHEDULE

SCHEDULE E

A. The following criteria are applicable where an employee is to receive additional compensation for activities authorized in this schedule: (a) the teacher must be assigned to extra duty and be under a supplemental contract for the position, and (b) the assignment must be performed either before or after the regular school day. This schedule does not restrict the use of an unassigned period(s) for an activity, which requires time during the regular school day.

In order to be eligible to receive a coach, a school must have a team with a published schedule.

B. Positions on Schedule E may be job shared on a 50%/50% basis, if approved in writing by both teachers and the principal.

C. If a principal declares a vacancy in any position, the principal shall post the vacancy in the building for five (5) working days during which time a teacher may indicate his/her preference for such position. If a vacancy is not filled by a teacher in the building, the principal may declare a vacancy system wide and, if so, shall distribute a notice of vacancy to each school and consider any applications received within ten (10) working days of the date of distribution. The principal shall consider all teachers who have indicated their preference for a position and shall appoint a district teacher unless no current teacher applies who is qualified for the position. If two (2) or more district teachers apply for the position, the principal shall consider their training, experience, and individual qualifications and the number of other extra-curricular activities to which the teachers are assigned. If those factors are substantially equal, seniority shall control the choice. However, if a position must be filled before the above procedure can be completed, the principal may temporarily assign a teacher to fill the position on a temporary basis until the procedure has been completed. The principal shall announce the names of those teachers awarded supplemental contracts within five (5) days of selection.

In addition, the Board shall provide the Federation a list of the positions filled and submitted to the Board for approval. The list shall include the name, supplemental position, school, regular positions and school, and supplemental salary.

D. Supplemental contracts specifying the amount of compensation shall be issued to all teachers who are assigned to positions under Schedule E upon approval of the application for the extracurricular activity by and prior to the time of supplemental employment or as soon thereafter as possible. Where a supplemental contract has not been issued to a teacher assigned to an extracurricular position prior to the time of supplemental employment, the principal shall provide the teacher with written confirmation of his/her assignment and of the compensation that he/she is to receive. A teacher who is replaced as a coach or extra-curricular activity sponsor shall be notified that his/her supplemental contract will not be renewed at least sixty (60) days prior to the date that the supplemental employment begins. Payment shall be made during the pay period following completion of the supplemental employment or as soon thereafter as possible.

E. The listing of an amount by any position does not require the Board to staff such position with one (1) or more employees.

F. Ten percent (10%) of the base amount shall be paid as an experience increment for five (5) or more years of experience in the same sport (e.g., football, basketball) or activity (e.g., student council, band) regardless of grade level in the Cincinnati School District.
   a. Staff members should notify their supervisor that they are eligible for longevity when completing their contract.
   b. When it is confirmed by HR that a staff member has completed 5 years of a supplemental position, they will receive the 10% longevity (5 year experience) bonus for their 6th year receiving the contract.
   c. These do not have to be the same exact positions, for example a staff member could be the Jr. High basketball coach for 3 years and the Freshman basketball coach for 2 years, then on the 6th year as the varsity assistant basketball coach, they would receive longevity. This would apply to the same sport or the same non-athletic activity.
   d. The 5 years of experience does not have to be consecutive years.

G. Principals may require anyone serving in a Schedule E position to submit goals annually for the program or activity. The Extracurricular Authorization Form and Participation Report must submitted electronically each quarter to the district Student Activities Manager then shared with each school’s administrator and ILT.

H. The ILT shall develop an extracurricular (Schedule E) plan by May 15 annually, taking into consideration gender equity. Any unused money (from athletic or non-athletic activities) shall be returned to form a pool of money from which any school may apply to provide additional athletic or non-athletic programs at their schools. The EIP shall develop the guidelines and approve any additional allocations to schools.
I. The number and type of coaches funded by Schedule E, for each sport, shall be limited to those as defined in Schedule E.

This program provides opportunities for teacher leadership in all District schools and specifically addresses enhanced supports needed for our high-need schools to attract and retain great teachers and improve student achievement.

**Key Components**

- **Selectivity**: Rigorous application and evaluation processes to ensure high quality teacher leaders are having an impact beyond the walls of their own classroom.

- **Support & Compensation**: Improve and encourage teachers’ professional growth opportunities and expand opportunities for collaboration among professional educators. Provide incentives to attract and retain quality teachers in the profession and in our high-need schools.

- **Roles & Accountability**: Give teachers broader roles and responsibilities which will foster student growth and/or achievement and provide better schools for children and teachers.

**Selectivity**
The Teacher Leadership Pathway Program creates a career pathway and a lead teacher credentialing process. A teacher applying for lead teacher status will undergo a credentialing evaluation within two (2) years preceding the first credentialed year. That evaluation will be in lieu of the district's annual evaluation and a final summative rating will be reported to the state. The building administrator will be informed of the ongoing observation process and be invited to participate in the final evaluation conference.
Teacher Leadership Pathways:

**Resident Educator:**

A Resident Educator is a teacher at the beginning of his or her career who has met initial licensure requirements and is working to develop the skills required for a Teacher Leadership Pathway Program Career in teaching. Resident Educators work to meet or exceed an overall “Developing” level of performance. They receive ongoing, regular support from an Ohio Resident Educator (ORE) mentor to complete the ORE program and earn their professional license. Resident Educators are not eligible to apply for lead teacher credentials.

**Professional Teacher:**

A Professional Teacher has met the requirements to obtain a professional license and has demonstrated the skills needed to have a career in teaching. A Professional Teacher is working toward an overall score of Skilled or Accomplished. He or she has an approved Individual Professional Development Plan. The Professional Teacher may elect to undergo a credentialing evaluation to obtain lead teacher credentials and/or a continuing contract.

**Lead Teacher:**

A “Lead Teacher” is a model for instructional excellence. A Lead Teacher has met the requirements to obtain a Professional, Senior, or Lead License and is continuing to master the art of teaching. A Lead Teacher has demonstrated an overall score of Skilled or Accomplished. The Lead Teacher has an approved Individual Professional Development Plan. The Lead Teacher has successfully completed the process to obtain CPS lead teacher credentials. Advancement to the level of Lead Teacher shall not be automatic.

**The Application and Credentialing Process**¹

Teachers who would like to pursue a lead teacher credential must submit a request for review of eligibility to the Talent Department.

The Talent Department will assess eligibility based on possessing a professional or permanent license, skilled or accomplished performance for the past five years and the results of a principal questionnaire jointly developed by CFT and CPS.

The Teacher Leadership Pathway Panel – a collaborative panel comprised of three teachers selected by the CFT President and three administrators selected by the Superintendent – shall then review and evaluate eligible the teacher’s qualification for lead teacher status.

Application period(s) shall be determined by the Teacher Leadership Pathway Panel.

Beginning in the 2021-22 school year, if a team or department selects a non-credentialed team member to serve as their leader, that leader must successfully complete the CPS Lead Teacher Credentialing Process prior to applying for another term in a teacher leader role.

The Teacher Leadership Pathway Panel shall review and evaluate the teacher’s qualifications for lead teacher status.

¹ ORE Mentor and Content Innovation Specialist role qualifications do not require CPS lead teacher credentials.
Application period(s) shall be determined by the Teacher Leadership Pathway Panel, allowing all eligible teachers who desire consideration the opportunity to complete an application. To submit an application, a teacher must be at the career professional level. Teachers who have not had a credentialing evaluation shall have the opportunity to apply to the Teacher Leadership Pathway Panel for lead teacher status provided they have had five (5) years of consistently skilled or equivalent or above teaching of which the last three (3) have been, at the minimum, half-time employment in CPS, and who are currently employed 0.6 and above. If the application is accepted prior to October 15, the teacher shall be scheduled a credentialing evaluation that year.

The Teacher Leadership Pathway Program is committed to having lead teachers reflect the diversity in the CPS teaching staff assessed annually.

The Application

The application is designed to identify those unique skills that enable a teacher to assume leadership roles among colleagues. The application shall include information about teaching experience, professional growth activities, educational background, and career plans. It may require statements clarifying the teacher’s instructional philosophy, personal goals while serving as a leader, and experience in collaborative relationships. The application will be reviewed and assessed by the Panel based on the following criteria:

Among the characteristics a lead teacher may demonstrate through their application:
  - uses student data to inform instruction that supports student learning and closing achievement gaps
  - leadership in their profession.
  - effective written and verbal communication skills.
  - involvement of parents and the school community in their education program.
  - teaching techniques and curriculum development that are culturally responsive.
  - a consistent pattern of professional growth.
  - articulation of convictions about teaching.
  - history of cooperation and collaboration with others.
  - commitment to teaching as a career.
  - how technology or innovative practices contribute to their instruction.

Credentialing Evaluation Process

The credentialing evaluation should be completed within two years of completing the application for Lead Teacher. A Credentialing Evaluation takes the place of two observations and two walkthroughs that are completed by a building level administrator/evaluator. It consists of four unannounced observations by a Teacher Evaluator and includes post-observation reflections completed by the teacher. The holistic rating from these observations must be Skilled or Accomplished to be considered for Lead Teacher Credentialing. Active National Board Certification (NBC) satisfies the Credentialing Evaluation requirement for Lead Teacher Credentialing and Continuing Contract. Teachers with active NBC should send a copy to the facilitator of CIT in place of requesting a Credentialing Evaluation.

The credentialing process shall include a review of the applicant’s personnel file.

Finally, the credentialing process may include a personal interview with the applicant and with peers and
others as determined by the Teacher Leadership Pathway Panel to verify that candidate’s ability to work well with other teachers and the school community.

All applicants will be notified of their status in writing by the close of the school year. The lead teacher assessment and selection procedure will assure that teachers assessed and credentialed the second semester of any school year have full opportunities to apply for lead teacher positions for the following school year. Those who successfully complete the credentialing process by meeting the basic criteria will be credentialed. Any teacher not meeting these criteria will be sent a summary sheet identifying the unmet criteria and may not reapply during the next application period. All applicants have the opportunity to appeal the Panel’s decision according to the appeal procedures outlined in this document.

The Teacher Leadership Pathway Panel shall identify a pool of eight (8) specially trained teachers who may conduct the interviews of applicants.

Lead teachers will refrain from serving in administrative roles including shadowing and internship in a building in which they are serving as a teacher leader or teacher evaluator, to avoid any conflicts of interest.

**Teacher Leadership Pathway Panel**

The parties shall establish a six (6) member Teacher Leadership Pathway Panel. The term of each member shall be no longer than three (3) years. The Federation shall appoint three (3) lead teachers; the Superintendent shall appoint three administrators. There shall be co-conveners, one appointed by the Federation and one appointed by the Superintendent. The Panel will develop and implement the process for credentialing lead teachers and recommend additional roles and responsibilities for lead teachers but will not assign lead teachers to positions. The panel has the authority to make procedural decisions necessary to implement the plan; to interpret and apply provisions of the plan; and to amend the plan. Amending the plan requires unanimous agreement of the Panel and approval by the Superintendent and Federation President.

**Teacher Programs Facilitator**

The Federation President and Superintendent shall select a credentialed lead teacher to serve as The Teacher Programs Facilitator. The Facilitator shall lead three (3) programs: Teacher Leadership Pathway Program, Peer Assistance and Review Program and the Ohio Resident Educator Program. The Facilitator shall serve a four (4)-year term and be released full time. The Teacher Programs Facilitator position may be extended beyond the (5) five-year lead teacher term limit by approval of the Superintendent and CFT President.

Specifically regarding the Teacher Leadership Pathway Program, the Facilitator shall implement the lead teacher credentialing process, assist in the process to fill lead teacher position vacancies, monitor and assist the selection of team leaders, monitor the Teacher Leadership Pathway Budget Agreement, and track the number and placement of credentialed lead teachers and teachers filling positions called for in this agreement. The Facilitator shall also assist to implement any plan the parties develop to distribute the best teachers equitably across the district, with a special emphasis on high-needs schools.

**Selection of Lead Teachers for Positions**

Teachers will be able to apply for lead teacher positions within the district as they are developed. Available lead teacher positions will be posted and filled annually. Lead teachers must reapply for any position at the end of their term.
Selection of Team Leaders within a School Building:

Team Leaders shall be selected as outlined in Section 145.2.b.

Selection of Department Chairs within a School Building:

- Principal notifies Department of Department Chair vacancy for the succeeding school year.
- Interested parties notify the Principal of interest in the Department Chair position in writing within five (5) working days from the time the vacancy is announced.
- The Department convenes interviews for interested teacher(s).
- Department members will select a Department Chair to serve for two (2) years.
- Principals must concur with the Department’s selection of Department Chair. If the Principal does not concur, the Principal must submit to the Department in writing the concerns or objections about the proposed candidate. The Department will reconvene and resolve the objections. Substitute teachers shall not participate in the selection of Department Chairs or be eligible to serve as Department Chairs.

Selection of Lead Teachers for School-Wide and District Level Positions

Selection of lead teachers for school-wide positions, including program facilitators functioning at the school level, shall be governed by the following provisions. The principal or designee shall convene a screening panel composed of the principal/designee and no more than four (4) teachers from the candidate’s department (or other teachers who will be served by the lead teacher). The screening panel shall be selected by the members of the constituency to be served. The teachers for said screening panel will review the credentials of, and interview, candidates. If representatives of various departments are required, teachers will be selected by their respective departments. Following the interviews, the screening panel will consider all the candidates based on the needs of the school. The panel will recommend up to three (3) acceptable candidates. However, if there are fewer than five (5) candidates, the panel will recommend up to two (2) acceptable candidates. The principal shall either (a) select one of the acceptable candidates or (b) reopen the selection process using the same process as outlined above.

Lead teacher candidates from within the building where the vacancy occurs must be interviewed by the screening panel and any other lead teacher(s) who has been identified by the screening panel to be interviewed.

All vacancies will be announced. Teachers may apply and shall be considered despite their credential status, however the compensation is reduced for non-credentialed lead teachers. For district level positions, teachers who hold CPS Lead Teacher Credentials receive priority consideration. All deliberations regarding the assessment of candidates shall be done in a discreet and confidential manner. Substitute teachers shall not participate in the selection of lead teachers or be eligible to serve as a lead teacher.

Selection of District Level Lead Teachers

Selection of non-building level lead teachers will be made by the administration based on training, experience and individual qualifications of the applicants.

If a district level lead teacher position serves a district wide constituency, the selection process shall be the same as above. However, the selection panel shall be selected by members of the constituency to be served. The Federation shall facilitate the selection of the screening panel. The administrator in the selection process shall be the administrator to whom the lead teacher will report. If a district level lead
teacher position has no constituency, then the Federation shall select the members of the selection panel.

**Selection of Non-Lead Teachers for District Level Lead Teacher Positions**

If no lead teacher qualified for a position applies or is selected, then the position can be offered to a non-lead teacher. Non-credentialed teachers may apply and the selection process above shall be followed. In selecting, the choice should be made based on training, experience and individual qualifications of the applicants. The teacher’s professional tier shall be a significant factor. The following provisions apply:

A. The non-lead teacher is required to apply for lead teacher credentials during the next application period, if eligible. If not eligible, the lead teacher position will be reposted the following year, unless funding restrictions do not allow a change in personnel.

B. The non-lead teacher shall continue in the position as long as he/she is pursuing lead teacher credentials in a timely manner.

C. The non-lead teacher serving in a lead teacher position shall receive half of a lead teacher stipend as reflected in Table B.

**Report to Panel/Credentialing**

The Teacher Leadership Pathway Panel shall review the teacher application and any other related forms and documentation prior to making a final determination for lead teacher credentialing. At least two-thirds (2/3) of the members of the full panel are required to credential a lead teacher. If the panel is tied, the decision is sent to the four (4)-member Appeals Panel. The Appeals Panel must confirm the decision by at least a three-fourths majority of the full panel. If the Appeal Panel is tied, the teacher may apply the following year.

Those individuals who are unsuccessful in the credentialing process shall be informed by the Panel and provided a summary sheet and other documentation developed by the Teacher Leadership Pathway Program aimed at assisting the teacher in developing a program of professional improvement. Unsuccessful applicants may not reapply during the next application period. All applicants have the opportunity to appeal the Panel’s decision according to the appeal procedures outlined in this document.

**Lead Teacher – Right to Return**

If a school based lead teacher position is eliminated during the lead teacher’s first term in an assignment, the teacher has no rights to a position in the receiving school and the teacher may elect to return to the original sending school. If this occurs in subsequent terms away from the sending school, no specific assignment is guaranteed.

Lead teachers in district level positions shall have the right to return to the sending schools and to the same or similar assignments without loss of seniority provided they exercise the right no later than the expiration of their first term.

**Lead Teacher Appeal Process**

Teachers who apply for lead teacher credentials and are denied by the Teacher Leadership Pathway Panel are entitled to a review by the Teacher Leadership Pathway Appeals Panel on the credentialing process exclusive of the credentialing evaluations. The review conducted by the Teacher Leadership Pathway Appeals Panel will be limited to verifying that the proper procedures were followed and determining
whether the action to deny that status was supported by the evidence. A teacher desiring to appeal shall provide written notification of his/her intent to the Panel along with the reasons for appealing within ten (10) working days of being notified of the decision of the Teacher Leadership Pathway Panel.

The Teacher Leadership Pathway Appeals Panel will consist of two (2) lead teachers appointed by the CFT and two administrators appointed by the Superintendent. This Panel shall meet to review the procedures and evidence for all appeals after each application period. Only evidence collected during the credentialing process will be admissible. After reviewing the procedures and evidence, the Teacher Leadership Pathway Appeals Panel shall have the right to call on the teacher, or the Teacher Leadership Pathway Panel, to appear before the Teacher Leadership Pathway Appeals Panel for clarification.

Following their review, the Teacher Leadership Pathway Appeals Panel will make a determination as to whether proper procedures were followed and whether the Teacher Leadership Pathway Panel’s action was supported by the evidence. Within thirty (30) calendar days of the review, the Teacher Leadership Pathway Appeals Panel will submit their decision in writing to the teacher and Teacher Leadership Pathway Panel. The decision shall either uphold the Teacher Leadership Pathway Panel’s action or direct an appropriate remedy. If the Teacher Leadership Pathway Appeals Panel overrides the appeal, it shall provide the specific rationale, in writing, to the teacher.

**Support & Compensation**

**Lead Teachers – Professional Development & Leadership**

Beginning in the 2021-22 school year, teachers serving in lead teacher positions will annually participate in eighteen hours of professional learning coordinated by Talent and the Teacher Leadership Pathway Panel. This professional learning will be offered at various times throughout the year to make them accessible to all teacher leaders. For credentialed teachers, this will serve as three of the five extended time days included in the role. The remaining 12 hours will be used within the scope of the lead teacher responsibilities at the local school or site. Non-credentialed teacher leaders serving in a lead teacher position will receive up to eighteen hours of extended time pay for the in-service training until they earn their credential.

**A Focused Approach for Select School Buildings**

Both parties recognize the need to sometimes recruit teacher leaders from across the district to work in our high needs schools and have an interest in piloting and implementing a teacher coaching model that would involve a lead teacher who has responsibility for their own students and coaching responsibilities for other classrooms in the same school building. The pilot model outlined below will attract and incentivize lead teachers to support the cultural transformation that is needed to foster student achievement and/or growth by leading highly effective teams of teachers. The parties recognize that such a model would supplement some of the leadership structure and stipends in the above Career in Teaching Agreement.

**Hiring and Compensation**

Vacant teacher leader positions within the building will be centrally posted to attract the best talent throughout the district. Selected candidates will receive an additional five-thousand-dollar stipend for each year of the initial three-year term.

**Conditions**

Schools would develop scheduling plans with the support of Talent to allow for flexibility, support, and common planning time. Plans could include, for example, a specialized super-substitute teacher assigned
to work specifically with a team to allow for the lead teacher’s release. The lead teacher will have the flexibility to go into classrooms throughout their team and provide needed support. In addition, common planning time, outside of the individual teacher’s planning, will be built into the master schedule that is common to all team members. This will allow for reflection and planning based on the analysis of students’ data.

Over the three years, the impact of the program will be evaluated by examining the following data: student achievement and/or growth, teacher retention within the building, and from culture surveys completed by staff, students, and their families. The lead teacher can re-apply and be selected to assume a regular two-year term in that position when the initial term ends.

Annual Negotiations

Pursuant to §170.1.c, the number of lead teacher positions shall be determined annually by the needs of the district but shall be at least ten per cent of the bargaining unit subject, however, to agreement of the parties on the availability of funds, on the program budget and on distribution of lead teacher positions for each year.

The Teacher Leadership Pathway Program Budget Agreement including specific number and types of lead teacher positions shall be determined during annual negotiations that may be called for by either party, prior to February 1. If no notice is given, the resources set aside for the previous year shall be continued for the next school year. Such opener, however, shall not provide the Federation with the right to strike, nor the Board with the right to unilaterally implement, and shall not subject the parties to impasse resolution procedures set forth in O.R.C. §4117.14.

The Board or a school may create additional jobs within roles and position titles contained within the plan. If the Board or a school desires to create a new position that does not fall within the roles and position titles contained within the plan, the parties will seek agreement to amend the plan or negotiate regarding terms and conditions of employment for the position outside the plan. If the parties are unable to agree, the Administration may create and fill the job.
