The fair share fee amount shall be certified to the Treasurer of the BOARD by the ASSOCIATION. Nothing herein shall be construed as requiring any Professional Staff Member to become a member of the ASSOCIATION as a condition for serving or retaining employment or any benefits under this CONTRACT.

1.05.2 The amount to be deducted from the pay of all fee payers shall not exceed the total dues as paid by members of the ASSOCIATION, and such deductions shall continue through the remaining number of payroll periods over which ASSOCIATION membership dues are deducted.

1.05.3 ASSOCIATION also agrees to notify the BOARD if a Professional Staff Member files a court action or Unfair Labor Practice. The ASSOCIATION will
provide the BOARD with a copy of all decisions issued by impartial decision makers with respect to objections made by non-members.

Under Ohio law, employees who choose not to join the ASSOCIATION may elect to not pay the portion of their fair share fees based upon ASSOCIATION expenditures in support of partisan politics or ideological causes not germane to the work of the ASSOCIATION in the realm of collective bargaining. To elect not to pay that portion, the non-member must file a written objection according to a procedure adopted by the ASSOCIATION. Not later than December 15th of each year, or not later than thirty (30) days prior to the commencement of the check-off of the fair share fee, whichever is applicable, the ASSOCIATION will send each non-member an explanation of the procedure and an explanation of the basis for the fair share fee to enable the non-member to gauge the propriety of the fee.

Payroll deduction of such annual fair share fees shall commence on the first pay date which occurs on or after January 15th annually. In the case of unit employees newly hired after the beginning of the school year, the payroll deduction shall commence on the first pay date on or after the latter of:

A. Sixty (60) days of employment in a bargaining unit position; or
B. January 15th

1.05.4 The Treasurer of the BOARD shall, upon notification from the ASSOCIATION that a member has terminated membership, commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall not be greater than the annual membership dues less the amount previously paid. The deduction of said amount shall commence on the pay date occurring on or after forty-five (45) days from termination of membership.

1.05.5 The BOARD agrees to promptly transmit all payroll deducted fair share fees to the ASSOCIATION. The BOARD further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such deductions were made, the period covered, and the amounts deducted for each.

1.05.6 The ASSOCIATION agrees to indemnify the BOARD for any cost or liability incurred as a result of the good faith implementation and enforcement of this provision, provided that:

A. The BOARD shall give a ten (10) day written notice of any claim made or action filed against the BOARD by a non-member for which indemnification may be claimed.

B. The ASSOCIATION shall reserve the right to designate counsel to represent and defend the BOARD, unless the BOARD elects to select
its own counsel, in which event the BOARD shall be responsible for paying its own attorney’s fees.

1.05.7 The BOARD shall give a ten (10) day written notice of any claim made or action filed against the BOARD by a non-member for which indemnification may be claimed.

1.05.8 The ASSOCIATION shall reserve the right to designate counsel to represent and defend the BOARD, unless the BOARD elects to select its own counsel, in which event the BOARD shall be responsible for paying its own attorney’s fees.

ARTICLE TWO
NEGOTIATIONS PROCEDURE

2.01 Initiation of Negotiations

The BOARD or the ASSOCIATION will serve written notice on the other of its intention to either terminate, amend or modify this CONTRACT, not more than one hundred and twenty (120) and not less than sixty (60) days prior to the expiration date.

The BOARD shall meet with the recognized bargaining representatives for the purpose of negotiating in good faith all items which may affect the wages, salaries, hours and other terms and conditions of employment of the employees and the continuation, modification or deletion of an existing provision of this CONTRACT.

2.03 Meetings

Meetings between the negotiating team of the ASSOCIATION and the BOARD shall be scheduled for a mutually satisfactory time within fifteen (15) days after the request for a meeting, unless a mutually satisfactory later date is agreed upon. Negotiations shall be completed within sixty (60) days from the date of the first negotiation meeting, unless there is a mutually agreed upon extension.

2.04 Negotiations Representatives

Neither party shall have any control over the selection of the negotiation representatives of the other party. The negotiation representatives of each party shall be clothed with all power and authority necessary to make proposals, consider proposals, make concessions and reach tentative agreements subject only to ratification by both parties.

2.05 Reporting Negotiation Progress

Interim reports of progress may be made to the ASSOCIATION by its representatives and to the BOARD by the Superintendent or his/her designated representative; however, each party shall be restricted to reporting to its own organization.
2.06 Media Releases

While negotiations are in progress, any release prepared for the news media shall be approved by both groups. In the event that either party declares impasse, this provision shall no longer be binding.

2.07 Written Proposals and Counter-Proposals

The parties shall make a good faith effort to present proposals and counterproposals in written form.

2.08 Disagreement

The BOARD and the ASSOCIATION agree to utilize an alternate settlement dispute procedure through the Federal Mediation and Conciliation Service, as opposed to the fact-finding process contained in O.R.C. Section 4117.14(C) and under Ohio Administrative Code Rule 4117-9-05(B), (C).

2.09 Contract

2.09.1 When the parties reach agreement on a CONTRACT, it shall be reduced to writing and presented to the BOARD by the Superintendent and to the membership of the ASSOCIATION by its President or his/her designee.

2.09.2 Adoption of the aforesaid CONTRACT shall be accomplished upon ratification by the membership of the ASSOCIATION and ratification by the BOARD. Signature of the completed CONTRACT shall occur within ten (10) days after ratification by both parties.

Upon reaching final tentative agreement on the contract, both parties will meet within fourteen (14) days to go over all changes in the contract and verify the accuracy of the successor agreement. The contract and all appendices, table of contents and index shall be posted on the District web-site within thirty (30) days of the signing of the agreement.

2.10 No Reprisals

No reprisals of any kind shall be taken by either party or by any member of the ADMINISTRATION against any party involved in negotiations.

2.11 Reopening of Negotiations

Negotiations on the existing CONTRACT may be reopened on any item(s) at any time prior to the expiration of the CONTRACT, provided that both parties mutually agree to reopen negotiations on said item(s).
2.12 **Bargaining History**

If proposed language does not appear in the final settlement, such proposed language shall be treated as never having been proposed. In other words, the parties desire that “bargaining history” not be a factor in the interpretation of this CONTRACT.

**ARTICLE THREE**

**GRIEVANCE PROCEDURE**

3.01 **Grievance Definition**

A “grievance” is defined as any question or controversy between any Professional Staff Member or the ASSOCIATION with the BOARD and/or the ADMINISTRATION concerning the interpretation, application of, compliance with or noncompliance with the provisions of this CONTRACT.

3.02 **Concern Procedure**

3.02.1 A “concern” is defined as any questions or issue between any Professional Staff Member or the ASSOCIATION with the BOARD and/or the ADMINISTRATION concerning any complaint, dispute, problem or other condition which is not a grievance as defined in Section 3.01.

3.02.2 The procedures set forth in Section 3.07 shall be applicable to the processing of any concern. The provisions of Level Four–Arbitration shall not be applicable to any concern, and the decision of the Superintendent shall be final with respect to any concern.

3.03 **Days Defined**

The limits in days under each section shall be counted as calendar days; however, the calendar days during the winter break, and spring break shall not be counted in computing the time limits. The number of days indicated at each level shall be considered as maximum. The time limits may, however, be extended by mutual consent of the parties concerned, expressed in writing. Requests to extend the time limits will not be unreasonably denied.

3.04 **Filing Timeline**

If any grievance is not initiated at Level One within thirty (30) days after the Professional Staff Member knew of the event or condition upon which it is based or with reasonable diligence should have known of such event or condition, the grievance shall be considered waived, shall no longer be deemed a grievance, and may not be processed as such. This thirty (30) day timeline includes the informal level. However, if a condition is recurring, the thirty (30) day time limit will be applied to the most recent occurrence.
3.05 Notification of Adjustment to ASSOCIATION

Nothing required by this formal grievance or concern procedure shall be construed as limiting the privilege of any Professional Staff Member having a complaint or problem to discuss the matter informally with any appropriate representative of the ADMINISTRATION and having such matter adjusted without intervention and/or consultation of the ASSOCIATION, provided the adjustment is not inconsistent with the terms of this CONTRACT. The ASSOCIATION shall be advised by the Professional Staff Member of such adjustment at the time it is given.

3.06 Grievance Representative

The ASSOCIATION shall designate one Professional Staff Member as its representative for processing grievances or concerns in each school building. Any Professional Staff Member may consult this representative for assistance; provided, however, any activity of this type shall be conducted at times which will not interfere with the normal classroom teaching duties of the Professional Staff Members involved.

3.07 Processing of Grievances

All grievances shall be processed as follows:

3.07.1 Informal Procedure

A Professional Staff Member with a potentially grievable incident shall discuss it with the Principal of the school to which the Professional Staff Member is regularly assigned or, in the case of traveling Professional Staff Members, in the event the subject matter involved events which occurred in a different school, the Principal of the school in which such event occurred, either individually or together with the Professional Staff Member’s official ASSOCIATION representative. Dispositions at this level shall be without precedent to either the ADMINISTRATION or the ASSOCIATION for any purpose whatsoever.

3.07.2 Levels

A. Level One – Principal/Executive Director

In the event the Professional Staff Member does not desire to utilize the Informal Procedure or in the event the Professional Staff Member is not satisfied with the disposition of the grievance at the Informal Procedure level, or if no decision has been rendered by the Principal within seven (7) days after the discussion of the grievance referred to in the Informal Procedure, the Professional Staff Member may file the grievance in writing with the Principal using the prescribed form. The ASSOCIATION representative may and should assist in writing the grievance, whether the Informal Procedure has or has not been followed, such filing in writing must take place no later than thirty (30) days after the Professional Staff Member knew of the event or condition upon
which it is based or with reasonable diligence should have known of such event or conditions and shall state the specific basis for the grievance and the specific section of this CONTRACT at issue.

1. Within seven (7) days after receipt of the grievance, the Principal shall conduct a meeting to investigate the grievance.

2. The meeting will include a supervisor or Principal, the aggrieved person, the ASSOCIATION representative, and any other employee of the BOARD. Within seven (7) days following the day of the meeting, the Principal shall render his/her written answer to the grievance.

B. **Level Two – Superintendent**

1. In the event that either the Professional Staff Member or the ASSOCIATION is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within seven (7) days from the date of the receipt of the grievance or the holding of the Level One meeting, whichever is applicable, either the Professional Staff Member or the ASSOCIATION may appeal the grievance in writing, stating the specific basis for the appeal to the Superintendent. A grievance may be filed at Level Two when the administrator involved at Level One does not have the authority pursuant to BOARD policy to resolve the grievance.

2. The Superintendent or his/her designee shall, within seven (7) days of receipt of the Level Two appeal, conduct a meeting concerning the grievance. The meeting will include the Professional Staff Member who filed the grievance, ASSOCIATION representatives, the supervisor involved, the Principal, and the Superintendent or the Superintendent’s representative. Within seven (7) days after this meeting, the Superintendent or his/her designee will issue the decision along with the reasons, in writing, as to the final disposition of the grievance. A copy will be furnished to the aggrieved person, the ASSOCIATION, the supervisor and the Principal involved.

C. **Level Three – Grievance/Mediation (Optional)**

1. A grievance may be taken to mediation by mutual consent of the parties. The parties must agree to the mediation process within seven (7) days of the Level Two decision.

2. The grievant shall have the right to be present at the mediation conference.

3. Each party shall have one (1) principal spokesperson at the mediation conference.
4. Any written material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference. The mediator may, however, retain one copy of the written grievance, to be used solely for the purposes of statistical analysis.

5. Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at earlier steps of the grievance proceedings, the rules of evidence will not apply and no record of the mediation conference shall be made.

6. The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.

7. If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory decision, unless both parties agree that no decision shall be provided.

8. The mediator shall state the grounds of his advisory decision.

9. The advisory decision of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.

10. If no settlement is reached at mediation, the arbitration provisions of this agreement shall apply.

11. An appeal to arbitration must be made within thirty (30) days after the mediation conference.

12. In the event that grievance which has been mediated subsequently goes to arbitration, no person serving as a mediator between these parties may serve as an arbitrator.

13. The parties shall designate the mediator, and if the parties cannot agree, a mediator shall be designated through FMCS.

14. The parties shall share equally the cost of the mediator.

D. **Level Four – Arbitration**

1. Only the ASSOCIATION shall have the right to appeal any grievance, as defined in Section 3.01 to arbitration. In the event it is claimed by the ADMINISTRATION that any matter filed as a grievance is not a grievance as defined in Section 3.01, such issue, as such, may be appealed to arbitration, with the arbitrator having the authority to rule on the arbitrability issue in addition to hearing any evidence or issuing any ruling on the merits of the dispute.
2. Notification of the intent of the ASSOCIATION to appeal a grievance to arbitration must be submitted in writing to the Superintendent thirty (30) days after the Mediation Conference under Level Three or within seven (7) work days after the written answer was given by the Superintendent under Level Two of the grievance procedure, otherwise the matter shall not be subject to arbitration. The ASSOCIATION will request the American Arbitration Association to provide the parties with a panel of arbitrators from which the parties can select an arbitrator in accordance with the rules of the American Arbitration Association. In the event the parties are unable to select an arbitrator from any list provided by the American Arbitration Association, the ASSOCIATION shall not have the authority to independently designate an arbitrator but shall furnish the parties additional lists until an arbitrator can be selected from a list furnished by the American Arbitration Association.

3. Neither party will be permitted to assert in any arbitration proceeding any ground or to rely on any evidence not previously fully disclosed to the other party.

4. The BOARD and the ASSOCIATION shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceeding. Each, however, shall be responsible for the fees and expenses of its representative.

5. Unless contrary to law, the decision of the arbitrator shall be final and binding upon the BOARD, the ASSOCIATION, and any Professional Staff Member involved in the matter.

6. The arbitrator shall not have the power to add to, subtract from, or modify this CONTRACT and shall only have the authority to interpret the provisions of this CONTRACT in light of applicable law as the same relate to the specific grievance appealed to arbitration.

3.08 **Right to Representation**

During the term of this CONTRACT, no Professional Staff Member will be represented by any Professional Staff Member organization other than the ASSOCIATION in any grievance or concern initiated pursuant to the provisions of this CONTRACT.

3.09 **Right to File a Grievance**

The ASSOCIATION shall have the right to file a grievance with respect to rights or privileges granted to the ASSOCIATION, its officers, or its representatives if the subject matter involves an alleged violation of this CONTRACT.
3.10 Miscellaneous

3.10.1 A grievance or concern may be withdrawn at any level without prejudice or record.

3.10.2 Copies of all written answers to grievances and concerns shall be sent to the Professional Staff Member involved, the ASSOCIATION President, and the ASSOCIATION representative.

3.10.3 Nothing in this CONTRACT shall require the ASSOCIATION to pursue any grievance or concern at any level or prohibit the ASSOCIATION from exercising discretion in determining whether or not to pursue an alleged grievance or concern.

Forms for filing and appealing grievances and concerns will be jointly developed by the President of the ASSOCIATION and the Superintendent’s designee, and incorporated herein by reference.

If the Professional Staff Member who initiates a grievance is not assigned to a particular school or if the grievance or concern does not involve the ADMINISTRATION of a particular school, whenever the term “Principal” appears in this Article, such term shall refer to the immediate supervisor of the Professional Staff Member who initiated the grievance.

3.10.4 All documents, communications and records dealing with the processing of grievance(s) shall be filed separately from the personnel files of the participant(s), and shall be confidential.

Of particular importance is for a Professional Staff Member’s job performance not to be impaired by the use or abuse of any drug, medication, or alcohol, as defined below. When the BOARD and/or the ADMINISTRATION feels that a Professional Staff Member is unfit for duty, they may request a mental/physical examination using the procedures in Section 47.02.

47.02 Physical/Mental Examinations Procedure

Such physician shall provide the Superintendent with a report setting forth sufficient information so that the Superintendent can determine an administrative course of action.

47.02.3 If the Professional Staff Member elects to be examined by his/her personal physician, he/she submits the physician’s report to the Board. The Professional
Staff Member must notify the ADMINISTRATION of this election at least two (2) days prior to the date scheduled by the BOARD.

In the event there is disagreement between the report submitted by the physician selected by the Professional Staff Member and the physician designated by the ADMINISTRATION, the matter shall be submitted to a third physician who shall be selected by the other two physicians. The findings and conclusions of the third will decide the matter. The Professional Staff Member and the BOARD shall share equally the fees and expenses of the third physician.

The per diem compensation of each Professional Staff Member working under the compensation set forth in Columns C through G shall be one two-hundredth (1/200th) of such Professional Staff Member’s annual compensation, as set forth in such Schedule.

Column C - Professional Staff Members with Bachelor’s degree.

Column D - Professional Staff Members with Bachelor’s degree plus 18 graduate semester hours or 27 quarter hours credit. Column E - Professional Staff Members with Master’s degree

Column F - Professional Staff Members with Master’s degree plus 30 graduate semesters or 45 quarter hours beyond Master’s degree, or an Educational Specialist degree. Graduate credits shall be those earned following conferral of the Master’s degree under the following provisions: (1) University confirmation of all courses completed in a graduate program leading to a Doctoral degree; (2) completion of the requirements for the Educational Specialist degree, a second Master’s degree, or completion of the requirements for a new certificate/license beyond those already held.

Column G - Professional Staff Members with an earned Doctorate in an accepted educational or teaching field.

50.02 Longevity Pay

Professional Staff Members who have completed fifteen (15) or more years of service as recognized by the Superintendent’s office shall receive an additional seven hundred fifty dollars ($750) in longevity pay in two (2) equal installments of three hundred and seventy-five dollars ($375) each payable on the tenth (10th) and twentieth (20th) pay period payroll distribution, in service years 16, 17, 18, and 19.

Professional Staff Members who have completed nineteen (19) or more years of service as recognized by the Superintendent’s office shall receive an additional one thousand two hundred and fifty dollars ($1250) in longevity pay in two (2) equal installments of six hundred and twenty-five dollars ($625) each payable on the tenth (10th) and twentieth (20th) pay period payroll distribution, beginning in service year 20 and continuing annually.

50.02.1 Professional Staff Members may advance on the schedule from one-degree level to another upon the completion of schedule requirements. In order to so advance, a Professional Staff Member must present satisfactory evidence from the training institution not later than the fifth (5th) day after the commencement of each nine-week grading period, that the necessary degree has already been granted or that all the work required for the degree or Post Master’s Certification has been satisfactorily completed.
A. Each step through Service Step 15 represents one (1) year of service as a full-time Professional Staff Member, or the equivalent thereof, as recognized by the Superintendent’s Office. Service Step 20 represents completion of nineteen (19) or more years of service and is payable with the commencement of the twentieth (20th) year of service as a full-time Professional Staff Member as recognized by the Superintendent’s Office. Professional Staff Members may advance a step on the schedule only at the beginning of a school year. In order to so advance, a Professional Staff Member must have been employed in the Dayton Schools at the preceding step on the schedule for at least six (6) consecutive months (twenty-four (24) weeks or one hundred twenty (120) days) within a single school year.

B. These six (6) months shall be interpreted to include the sixty (60) consecutive school days spent in the same position by a reserve teacher before his/her placement on the salary schedule at a regular two (2) weeks rate. A Professional Staff Member is considered “employed” on all days for which (s)he is paid, but not on any days when (s)he is absent without pay. Except for the sixty (60) consecutive school days preceding the placement of a reserve teacher on the regular salary schedule, reserve teaching on an hourly basis shall not be considered in placing a Professional Staff Member on the schedule.

In placing a Professional Staff Member on the schedule, one year of service credit shall be given for each year of full-time kindergarten teaching (including both morning and afternoon sessions).

C. A Professional Staff Member entering the Dayton Schools for the first time or re-entering the Dayton Schools after January 1, 1956, shall not be placed above Step 10 on the salary schedule. For purposes of placement on the salary schedule, a Professional Staff Member hired during or after the 1987-88 school year will be deemed to have entered or re-entered the Dayton City Schools when (s)he becomes a member of the bargaining unit as a long-term reserve.

50.02.2 For Professional Staff Members entering the Dayton schools or re-entering the Dayton Schools following a break in seniority, one hundred twenty (120) days of reserve teaching experience in the Dayton Schools in a given year shall count as a year of experience for placement on the salary schedule.

STRS PICK-UP UTILIZING THE SALARY METHOD

51.01 STRS Pick-Up

The BOARD shall designate each employee’s mandatory contributions to the State Teachers Retirement System of Ohio as “picked up” by the BOARD as contemplated by Internal Revenue Service Revenue Rulings 77-464 and 81-38. They shall continue to be designated as employee contributions as permitted by Attorney General opinion 82-097, in order that the amount of the employee’s income reported by the BOARD as subject to
federal and Ohio income tax shall be the employee’s total gross income reduced by the then-current percentage amount of the employee’s mandatory State Teachers Retirement System contribution which has been designated as “picked up” by the BOARD. The amount designated as “picked up” by the BOARD shall be included in computing final average salary, provided that no employee’s total salary is increased by such “pick up,” nor is the BOARD’s total contribution to the State Teachers Retirement System increased thereby.

51.01.1 The pick-up percentage shall apply uniformly to all members of the bargaining unit as a condition of employment. The pickup shall apply to all compensation including supplemental earnings thereafter.

51.01.2 The parties agree that should the rules and regulations of the IRS, or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee! employer contributions.

51.01.3 Payment for sick leave, personal leave, severance and supplementals, including unemployment and worker’s compensation, shall be based on the employee’s daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days in the Professional Staff Member’s contract).

51.01.4 The Board shall continue the salary reduction “pick up” of the annual 1% increase for the employee’s mandatory contribution to the State Teachers Retirement System for fiscal years 2014, 2015, 2016 and 2017.

51.02 Requirements of STRS Pick-Up

Such salary reduction shall not result in a salary which is less than the salary available under the State minimum salary schedule. Should the reduction calculation result in a salary that is less than the State minimum, salary schedule pro rata reduction shall result with the employee contributing that portion which falls below such State minimum level.

CONTINUATION OF PAY/TRANSITIONAL DUTY

64.01 Preamble

An employee who suffers a compensable workers’ compensation injury, including being assaulted by a student, and who is temporarily and totally disabled as a result of the injury may be eligible to receive compensation from the Bureau of Workers’ Compensation (BWC).

This Continuation of Pay is designed to cover injured employees who would otherwise receive BWC temporary total payments where it is fiscally responsible for the District by causing the BWC to set a lower claim reserve and hence a lower premium regarding each case.

This section does not affect or replace the employees’ need to file claims with the BWC for medical treatment.
The goal of this section is to return the employee to employment with the District safely and at the earliest possible time following a work injury while positively impacting the BWC premium for workers’ compensation coverage.

64.02 **Continuation of Pay (COP)**

COP is recommended to expedite payment, eliminate hardship to injured employees, and effectively manage lost time claim costs.

Definition: COP is the continuation of full hourly wages and benefits.

64.02.1 Continuation of Pay is not payable unless the employee makes a workers’ compensation claim. It is certified by the District and the employee has provided all necessary documentation to Include any and all District Injury Report Forms, the BWC First Report of Injury (FROI), medical releases, MCO forms, Third-Party Administrator forms and any other related records required by the Risk Manager or Supervisor. COP shall only be approved if it is fiscally responsible for the District by positively impacting the District BWC premiums.

64.02.2 Continuation of Pay payments are computed on the basis of the employees’ base rate of pay and normally scheduled hours, not to exceed forty (40) hours per week. Part-time employees will have payment pro-rated.

Time authorized under Continuation of Pay is considered time worked for employees still in their probationary period, if any.

To allow for tracking of wages paid as a COP, the Continuation of Pay must be recorded using the appropriate payroll codes which the Treasurer shall provide for salaried and hourly employees. Payroll clerks shall properly code COP when paid.

An employee continues to accrue sick leave while on Continuation of Pay if they would have otherwise accrued such leaves.

64.02.3 Increments of COP must be approved by the Risk Manager when it is fiscally responsible for the District by having a positive impact on BWC reserves and premiums, and no one increment may exceed four (4) weeks. COP cannot exceed twelve (12) calendar weeks for any one claim over the lifetime of that claim. If the employee has not returned to work within the twelve (12) calendar week period and has not reached maximum medical improvement, he/she may then receive benefits from the BWC or use any available sick leave, but the employer will not be required to buy back any sick leave used.

64.02.4 Payments are made only for periods the employee would have been eligible for temporary total workers’ compensation benefits for injuries and will be terminated upon return to work; when the Bureau of Workers’ Compensation or the Industrial Commission has determined the employee has reached
maximum medical improvement, when an offer of transitional duty has been made by the District and declined by the employee, or, when twelve (12) calendar weeks of Continuation of Pay have been paid, whichever occurs first.

A return to work does not eliminate eligibility for the balance of Continuation of Pay in the future if a medically documented flair up occurs as determined by the Bureau of Workers’ Compensation or the Industrial Commission for this claim.

64.02.5 An injured employee receiving Continuation of Pay cannot concurrently receive, for the same period of time, any other District compensation (e.g. sick leave, supplemental contract pay, etc.) or temporary total compensation payments from the State of Ohio Bureau of Workers’ Compensation.

Continuation of Pay may be paid for medical appointments documented under an approved transitional duty program and approved by the Risk Manager. (See Transitional Duty). This policy supersedes any prior practice of sick leave buyback, except as noted below, and COP shall not be charged to sick leave.

Time authorized under Continuation of Pay is an FMLA qualifying event.

64.03 Eligibility for COP

64.03.1 An employee must be employed by and/or be on contract with the District and be receiving wages from the District to remain eligible for COP, the employee must remain eligible to receive wages and/or be on contract. For example, no contract employee or other employee not required to work, such as during Summer and Intercession breaks, shall receive COP during the time that they are not ordinarily required to work.

64.03.2 An employee must sign a Continuation of Pay reimbursement agreement.

64.03.3 The date of injury must occur in a year in which the District’s merit rating or retrospective premiums will be impacted. Currently, the date of injury must occur during the most recent four, full calendar years or during the current calendar year, and, until 1/1/01, in 1992, and, until 1/1/02, in 1993. If a worker’s date of injury makes him/her ineligible for COP, then in that case, the employee may use accumulated sick leave, as provided in other provisions. and if the employee assigns their BWC check for the payment of temporary total disability to the District, then the Treasurer will recredit sick leave in the amount of the BWC check.

64.03.4 The employee must be totally disabled from all employment and must miss more than seven (7) calendar days; or, qualify for Continuation of Pay under Transitional Duty policy with reimbursement for documented medical appointments or gradual return to work program.
64.03.5 An employee is not paid Continuation of Pay for the first seven (7) days until after fourteen (14) consecutive days of total disability as determined by the Bureau of Workers’ Compensation, except as when Transitional Duty policy may apply.

64.03.6 The claim must be certified by the District. If a claim is rejected by the District, but allowed by the BWC or the Industrial Commission, Continuation of Pay is paid retroactively, provided it is advantageous to the Districts BWC premium and provided the provisions of this policy are fulfilled. An employee may use sick, vacation, or personal time pending a decision on allowance. This time is reimbursed hour for hour upon allowance by the BWC or the Industrial Commission.

The employee must cooperate at all times in meeting with and in responding to information requests of the MCO, BWC, the Risk Manager, and health providers.

64.04 **Transitional Duty**

Transitional Duty is designed to allow an employee to safely return to work with temporary physical limitations and restrictions which may prevent the employee from performing all of his or her assigned duties.

Transitional Duty applies only to work-related workers’ compensation injuries or illnesses and is not to be considered as an official position or job. Transitional Duty is not a job classification, permanent or otherwise. An employee performing transitional duties retains his/her existing job classification and seniority.

Transitional Duty is applicable only when it is deemed medically reasonable that a full recovery is expected to occur within twelve (12) weeks. Transitional Duty, therefore, shall last no more than twelve (12) weeks with a full return to work by the end of twelve (12) weeks. Transitional Duty is not available if the employee has reached maximum medical improvement as determined by the Bureau of Workers’ Compensation.

64.04.1 To be eligible for Transitional Duty, an employee must complete all related injury investigation forms, First Report of Injury (FROI) form, medical releases, and any other documents required by the physician, the Managed Care Organization (MCO), the employer, and the Third-Party Administrator.

64.04.2 Transitional Duty is implemented upon the availability of Transitional Duty by the employer. Full regular wages are paid during Transitional Duty.

The Treasurer shall use a payroll code for salaried and another code for hourly employees working in Transitional Duty to allow for proper tracking of Transitional Duty.

64.04.3 Transitional Duty can be less than full time with Continuation of Pay paid, if eligible, for hours not worked to supplement a full, regular wage. Hours not
worked must be documented and supported by appropriate medical documentations. For example, an employee normally scheduled for eight (8) hours per day is released to return to work four (4) hours and attends physical therapy the remaining four (4) hours. In this situation, he will work four (4) hours and receive his regular wages and then receive four (4) hours of Continuation of Pay upon submission of supporting medical documentation of the time spent in therapy.

64.05 **Coordination of Transitional Duty**

Transitional Duty is applicable to compensable injuries as determined by the Bureau of Workers’ Compensation whether lost time or medical only. Once an employee returns to work under the Transitional Duty program, Continuation of Pay is payable in medical-only claim. For example, if an employee is off four days and returns to work under an approved Transitional Duty program, the four days will not be considered Continuation of Pay. If, however, the employee returns to work under Transitional Duty and must then be excused for physical therapy or doctor visits in order to continue Transitional Duty and recover from a work-related injury, Continuation of Pay is payable while the employee is off the work site. The employee shall provide to his or her supervisor appropriate medical documentation supporting attendance. Appropriate medical documentation should include the date, time in and time out, and the medical provider’s signature.

64.06 **Use of Continuation of Pay**

Continuation of Pay is not payable for medical appointments once the employee is released to full duty, has exhausted all available Continuation of Pay.

An employee on Transitional Duty who has exhausted all available Continuation of Pay, may elect to use available paid leave or leave without pay if they are still unable to return to work.

64.07 **Transitional Duty and Outside Job**

An employee cannot work a second job within or outside of the District and work Transitional Duty unless approved by the Risk Manager.

The goal of Transitional Duty is to return the employee to his regular job and department, but other work within the department would be appropriate if the employee is unable to do any part of his regular job. Work outside of his immediate department can be considered if work is not available within his department.

64.08 **Refusal of Transitional Duty**

64.08.1 If an employee is offered Transitional Duty and refuses a Transitional Duty offer within his or her medical limitations, the employee is not eligible for Continuation of Pay. The employee will not be eligible for temporary total benefits from the Ohio Bureau of Workers’ Compensation when a valid Transitional Duty offer has been made and declined. The District will notify the
Ohio Bureau of Workers’ Compensation of any refusal to accept a Transitional Duty offer that is within the medical limitations.

64.08.2 An employee may elect to use sick leave, if the employee refuses Transitional Duty, but no buy-back of the leave taken shall occur. All leave taken for a work-related injury should be reviewed for FMLA qualification.

A Transitional Duty offer made to an employee refusing to return to work must be reduced to writing and sent by certified mail or hand delivered to the employee. If hand delivering the offer, be sure to obtain the injured workers signature and date received on the employees copy.

Time spent in Transitional Duty is considered time worked for employees still in their probationary period.

64.09 Maintaining Transitional Duty

To remain eligible for this COP/Transitional Pay, the Employee must cooperate with, meet when reasonably requested, and respond to information requests from the Managed Care Organization (MCO), Third-Party Administrator (TPA), Risk Manager, health providers, and his/her supervisor.
