BENEFIT ENROLLMENT TIME FRAME

You have a 30-day window from your event date to enroll in Benefits. The event date is your hire date or employment status change.

What happens if I miss the 30-day enrollment period?

If you miss the 30-day enrollment period, you will not be able to enroll in or make changes to your benefit elections until the next annual Open Enrollment period, unless you experience an IRS-defined change in status. Enrollment changes must be consistent with your change in status.
QUALIFYING LIFE EVENT

You have an opportunity to change benefit elections annually during our Open Enrollment period or during other times of the year if you have a qualifying life event. You have 30 days to make changes due to a qualifying event. Change requests submitted after 30 days cannot be accepted.

An IRS-approved “change in status,” may include:
- The addition of a dependent through birth, adoption, or marriage.
- The loss of a dependent through divorce or death, or if your child reaches the maximum age (26) limit for coverage.
- A change in your or your dependent’s employment status from full-time to part-time, or vice versa, or loss/gain of employment, resulting in the loss or addition of coverage.
- An unpaid leave of absence taken by you or your spouse.
- A change in your dependent’s employer-provided coverage (i.e., annual enrollment).
- A change in your or your dependents’ Medicaid, Medicare, and/or CHIP eligibility.
- Enrollment in the public Marketplace during the Marketplace annual enrollment period.
- A change in hours to less than full-time status, even though medical benefits are still available to the employee.

The change in coverage must be consistent with the gain or loss of coverage. For example: If you and your family were covered only under your spouse’s medical plan and that coverage has ended, you can only enroll in the coverage that was lost.

Please contact our HR Solutions Team for assistance by phone 720-433-0140 or email benefits@dcsdk12.org.

Termination of Coverage

Your benefit coverage will terminate on the last day of the month of your termination date. Upon termination of coverage, you and your dependents may be eligible to continue your coverage through the provisions of COBRA.

PAYING FOR YOUR BENEFITS:

Pre-tax Versus Post-Tax Elections
You may elect to have your medical, dental and vision premiums deducted from your paycheck on either a pre-tax or post-tax basis. Upon retirement your monthly PERA Pension Benefit is determined by your Highest Average Salary (HAS). If your current compensation will be included in PERA’s Highest Average Salary (HAS) you may wish to have your health insurance premiums taken out on a post-tax basis to ensure this does not reduce your reportable salary for pension purposes. PERA’s definition of pensionable (PERA-includable) salary is based on compensation for services rendered.

Please contact your tax advisor for help in determining whether to have your premiums deducted on a pre- or post-tax basis.

Premium Deductions
Premiums withheld are based on the effective date of benefits. If for any reason full premiums are not withheld, any uncollected premiums will be invoiced or withheld on your next paycheck.

FLEXIBLE SPENDING ACCOUNTS (FSA)

DCSD offers three FSA options: the Healthcare FSA, the Limited Purpose FSA and the Dependent Care FSA. These plans are administered by Pay Flex Systems. They can be accessed via [www.payflex.com](http://www.payflex.com) or Customer Service: **800-284-4885**. If you enroll in the High Deductible Health Plan (HDHP), you can **ONLY** enroll in the Limited Purpose FSA and/or Dependent Care FSA.

| Healthcare FSA | Allows you to set aside money via a payroll deduction on a pre-tax basis to pay for eligible out-of-pocket expenses- deductibles, copays and other health expenses. | Annual Maximum Contribution $2,650 |
| Limited Purpose FSA | May only be used to reimburse dental and vision expenses. | Annual Maximum Contribution $2,650 |
| Dependent Care | Money can be set aside via a payroll deduction on a pre-tax basis for **day care expenses**. Eligible dependents are children under 13 years of age or spouse, or elderly parent who is physically or mentally unable to care for him/herself. | Annual Maximum Contribution $5,000 |

How does an FSA Work?

- You will receive a debit card from Pay Flex; this can be used to pay for eligible healthcare expenses.
- You have a 2 ½-month grace period after June 30 to incur and submit eligible expenses. You have until September 15 to incur expenses and until September 28 to submit expenses.
- In compliance with IRS Regulations if you do not use your flexible spending funds, you will forfeit those funds.
- IRS Guidance indicates during a plan year (07/01 – 06/30) you are limited to either contribute to a Healthcare Flexible Spending Plan or Limited Flexible Spending Plan. It is not permissible to have both within the same plan year.
