

DCPS EMPLOYEE BENEFITS OVERVIEW

For the 2013 Plan Year, Duval County Public Schools will provide the following free benefits to all benefit eligible employees:

- DCPS Board paid medical depending on which medical plan you choose – (See Medical Insurance Section)
- \$10,000 Group Term Basic Life Insurance
- \$250 Flex Basic Dollars to defray the cost of voluntary pre-tax benefits, excluding life insurance. (\$12.50 per pay day for 20-deduct employees and \$10.42 per pay for 24-deduct employees).
- DCPS contributions to the Medical Flexible Spending Account (MFSA) for employees who elect the DCPS Contributory Medical Plan: \$450.00 – Employee Only Coverage and an additional \$300 – Dependent/Family Coverage. This contribution is designed to be used towards the annual deductible and any other medically necessary, out-of-pocket expenses not covered by your insurance

Advantage of Pretax versus Post-tax deductions

Electing your benefit deductions as pretax gives you a break in your taxes paid. Pretax means your benefits are deducted before taxes are calculated in your check. Post-tax means your benefit deductions are included in the amount your check is taxed which means you are paying taxes on your benefit deductions. If you want to take advantage of the pretax benefit and pay less taxes, make sure you select your benefits pretax during your enrollment.

PARTICIPATION IN THE DISTRICT BENEFIT PROGRAM

Be aware that when you participate in the District benefit program, you are automatically making the following affirmations:

1. You authorize the District to deduct premiums for the benefits rolled over or elected for the plan year.
2. You certify that the information you supplied on the online enrollment website is true and complete to the best of your knowledge.
3. You understand that health, dental, vision, and Flexible Spending Account(s) contributions will be pre-taxed to the extent possible and that your income subject to federal income tax and Social Security withholding (FICA) will be reduced, and that this may slightly affect your Social Security benefits in the future.
4. You acknowledge that you cannot stop or change benefits paid for on a pre-tax basis during the plan year unless you experience a relevant qualifying event.
5. All benefits are subject to change. All benefits are subject to the provisions and exclusions of the master contract.

6. You understand that a Section 125 Flexible Spending Account (Medical Expense and Dependent Care) can be used only to reimburse payment of eligible expenses incurred during the plan year while participating in the plan and that any amount remaining in either spending account, that is not used during the plan year, will be forfeited. Funds in one spending account cannot be used to reimburse expenses covered by another account. Expenses for which you are reimbursed cannot be claimed.
7. You understand and agree that the District and the Third Party Administrator (TPA) will not incur any liability resulting from failure to read all rules pertaining to benefit enrollment; to enroll online accurately or to submit elections; or in the administration of your flexible spending accounts. You also understand that elections for benefits on a pre-tax basis are irrevocable and cannot be changed after the established deadline date. Subsequent changes can only be made upon experiencing a relevant qualifying event.
8. You agree for yourself and covered members of your family and others covered under District insurance plans to be bound by the benefits, deductibles, co-payments, exclusions, limitations, eligibility requirements and other terms of the plan contracts, agreements and plan documents for the plans in which you enroll.
9. Chapter 207-251 Laws of Florida requires agencies to notify individuals of the purpose(s) that required the collection of Social Security numbers. Duval County Public Schools collects Social Security numbers (SSNs) of employee and dependents for enrollment in health insurance, life insurance, and other miscellaneous insurances. The Social Security numbers of all current and former employees are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.
10. Your contributions to the Flexible Benefits Plan do not reduce your future Florida Retirement System (FRS) benefits or current contributions to FRS. Any salary directed to your Flexible Benefit Plan is included in the compensation reported to the FRS.
11. Social Security consists of two components: FICA and Medicare. A separate maximum wage to which the tax is assessed applies to both tax components. The maximum taxable annual wage for FICA varies from year to year. There is no maximum taxable annual wage for Medicare. If your annual salary after salary reduction is below the maximum wage cap for FICA, you are reducing the amount of taxes you pay and your Social Security benefits may be reduced at retirement time.

Important Reminder: It is YOUR responsibility to verify that the benefit selections made during Open Enrollment are correct. You can verify this information during a scheduled enrollment session or by logging onto www.myFBMC.com to view your benefits prior to the close of enrollment.

ELIGIBILITY & COVERAGE REQUIREMENTS

For new hires eligible to participate in the District's group insurance plans, coverage will be effective the first of the month following the first scheduled payroll deduction. If you separate employment with the District, your health insurance will continue through the end of the month in which the separation occurred unless you have completed your contract year; then your benefits continue through August 31st. Contact Employee Benefits at 904-390-2351 if further clarification regarding group insurance eligibility is required.

Eligible Employees

- All full-time salaried employees of Duval County Public Schools
- Retiring employees – Employee Benefits must be contacted prior to retirement to discuss benefit options.

Flex to Spouse Employees

If both you and your spouse are employed by DCPS and have benefit-eligible dependents, you are defined by DCPS as "Flex to Spouse" and enrollment for your insurance benefits is different from the standard procedure. During Open Enrollment, all "Flex to Spouse" employees are encouraged to meet with an Enrollment Counselor or enroll online at the same time. Please contact Employee Benefits at 904-390-2351 for more information.

If both you and your spouse are employees of DCPS but are NOT insuring dependent children, you are not considered as "Flex to Spouse" employees. Each of you must enroll separately and select your own plan(s). If

your “Flex to Spouse” status changes at any time during the year, you must notify Employee Benefits immediately.

Terminating Employees

Provided you’ve made the necessary contributions, your group health plans and flexible benefits will continue until the last day of the month in which termination occurs, unless you separate on the last working day of the month, then your benefits will continue to the end of the following month. If you have completed your contract year, your benefits will continue through August 31st.

WageWorks will send you a COBRA notice to allow you the opportunity to continue your group health, life and eligible flexible benefits after the end of the month of your termination. FBMC will contact you regarding the continuation of eligible flexible benefits (See COBRA section for more information).
