IMPORTANT INFORMATION

In the event of a discrepancy between any information contained in our Orientation Booklet or in the online Employee Handbook and Board Policies, Board Policy will govern.

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful career with FWISD. Not all District policies and procedures are included, those that are have been summarized. Suggestions for additions and improvements to this handbook are welcomed and may be sent to the Assistant Superintendent of Human Resources, FWISD – Human Resources Department, 100 N. University Drive, Fort Worth, TX 76107.

This handbook is neither a contract nor a substitute for the official District policies; rather it is a guide to, and brief explanation of, these policies. The handbook is not intended to alter the at-will status of employees in any way. The rights and responsibilities of FWISD employees may be found in Section D, “Personnel Policies – Employee's Rights and Privileges”. The rights and responsibilities of FWISD students may be found in Section F, “Students”. District policies and procedures can change at any time. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate District office. It is the employee’s responsibility to be knowledgeable of and adhere to District Policies and Procedures.

Note #1: The Employee Handbook and District Policies are available on the district's internet web site: www.fortworthisd.org. Administrative Regulations are found in the First Class Email System.

Note #2: Legal and local board policies that relate to a particular topic are referenced in this Employee Handbook. Information on a subject may be found in local and/or legal policies. Additionally, each reference to a board policy has been linked so that employees can quickly go to the website for detailed information. The links take you to local policy first and to legal only if there is no local policy.

Any applicant or employee who knowingly gives false information on an application for employment shall be subject to disciplinary action, up to and including dismissal.

Any applicant or employee who knowingly falsifies, misrepresents, changes, alters, or revises any certification, transcript, diploma, any school district official document, or other instrument shall be subject to disciplinary action, up to and including termination of employment. It’s very hard for an organization or an institution to achieve more than the leader can imagine. If you determine to run a five-minute mile, you’ll never run a four-minute mile. The leader sets the conditions as to what it is we aspire to. It’s not clear to me that you can create a process that will impact whatever the leader brings with him, in terms of his instinct of imagining what could be.

VISION

The Fort Worth Independent School District envisions a high performing learning organization in which all students achieve proficiency in rigorous standards of intellectual thought and knowledge.

MISSION

The mission of the Fort Worth Independent School District is to provide and support rigorous learning opportunities which result in successful completion of a quality high school experience for all students.

STRATEGIC GOALS

1. All students will learn at high levels of academic expectations resulting in the elimination of the achievement gap.

2. All operations in the district will be efficient and effective.

3. Family involvement and community partnerships will be an integral part of the education of all children.
Dear FWISD Employee:

Welcome to the Fort Worth Independent School District website and thank you for visiting the Employee Handbook online. This Employee Handbook has been prepared for your use and future reference and is intended to give you a brief summary or overview of some of the District’s most important policies, procedures, and guidelines. It will not cover all policies, and for in-depth detail on anything referred to in the handbook, we refer you to the actual policies which are also online.

As a reminder, FWISD’s motto is: “Priority One: Academic Achievement for All Children.” It is the focus of every FWISD employee. This requires us to insure that our students succeed academically today and that they are prepared for life long learning. We are responsible for preparing students to assume economic, social, civic, and cultural responsibilities in a complex and changing society. To help us all in this endeavor, the Employee Handbook is updated frequently to keep up with policy changes made by the Board of Education.

If you have questions or concerns as the year progresses, please don’t hesitate to ask for clarification on any FWISD policy or procedure contained in this handbook. You may contact your supervisor or other appropriate department/administrator listed in this handbook under the title of “Helpful Contacts”; you may call the Office of Policy Development at (817) 871-2580; or you may call Human Resources at (817) 871-2000 and we will try to help you or point you in the right direction.

Best wishes for a good year.

Sincerely,

Carla Kaufman
Assistant Superintendent, Human Resources
Description of the District

The Fort Worth ISD is a multi-ethnic, urban school district with 80,000 + students and 10,000 + employees. The district has 145 campuses that serve all levels from pre-kindergarten through 12th grade, including special populations.

Board of Education - Legal and/or Local Policies - BA, BAA, BBA, BBBA, BBC, BBD, BBE, BBF, BBFA, BBG, BDAA, BDAE, BDAF, BDB, BDD, BDE, BE, BEC, BED, BEF, BF

Texas law grants the Board of Education the power to govern and oversee the management of the District’s schools. The Board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, annual budget, employment of the Superintendent and other professional staff, facilities, and expansions. The Board has complete and final control over school matters within limits established by law and State Board of Education rules. Board members are elected by the citizens of the District to ensure a strong educational program for the District’s children. Board members are elected from eight single-member districts and one at-large position and serve 4-year terms. Board members serve without compensation, must be registered voters, and must reside in the District from which they are elected.

All meetings are open to the public. In certain cases, Texas law permits the board to go into a closed session. Closed sessions may occur for such things as discussing prospective gifts or donations, real-property acquisitions, personnel issues including conferences with employees and employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

The Fort Worth ISD does not discriminate against any employee or applicant for employment due to race, military status, national origin, sex, age, disability, religion, or any other basis prohibited by law. Employment decisions are based on job qualifications, skills, knowledge, abilities, and experience.

Employees with questions or concerns about discrimination on the basis of race, religion, sex, national origin, or age should contact the Department of Equity and Advocacy at 817-871-2472; employees with questions or concerns about discrimination on the basis of a disability should contact the Section 504 Coordinator at 817-871-2803.

Contract and Non-Contract Employment - Legal and/or Local Policies – DC, DCA, DCB, DCC, DCD, DCE

State law requires the District to employ full-time professional and administrative employees in positions requiring educator certification as well as nurses under a probationary, term, or continuing contract. Employees in all other positions are employed at-will or by a contract not subject to the procedures under Texas Education Code, Chapter 21. The paragraphs that follow provide a general description of the employment arrangements used by the District.

Probationary Contracts:

- Full-time teachers are hired on Probationary Contracts. The probationary period for teachers who have been employed in public schools at least five of the eight years prior to employment with the District is one year; for those with less experience, the probationary period will be three years, with an optional fourth year if the District has doubts about whether a Term Contract should be given.
- Professional employees covered by Chapter 21 are hired on a one-year Probationary Contract.

Term Contracts:

- Full-time teachers, hired after July 1, 2005, who have successfully completed the probationary period will be issued a Term Contract.
- A certified teacher returning to full-time employment after retirement will be employed under a one-year term contract.
- Professional employees covered by Chapter 21 are issued a Term Contract after successful completion of the one-year Probationary Contract.

Note: Professional and administrative non-Chapter 21 employees who are currently on Term Contracts will serve out the remainder of their contract and then revert to an at-will status.

Continuing Contracts: Full-time teachers, hired prior to July 1, 2005, who have successfully completed the probationary period will be issued a Continuing Contract. Full-time teachers hired July 1, 2005 and after will receive Term Contracts after successfully completing their probationary period.

At-Will Employment: Full-time auxiliary, non-Chapter 21 professional, and paraprofessional employees will be employed on an at-will basis. These positions include some professional and
administrative positions, secretaries/clerks, teacher assistants, custodians, campus monitors, maintenance/central service employees, and some food service workers. At-will employment is not for any specified term and may be terminated at any time by either the employee or the District.

**Employee Involvement - Legal and/or Local Policies – BQA, BOB**

FWISD offers opportunities for involvement in matters that affect employees at the campus and district levels. As part of the planning and decision-making process, employees may be asked or elected to serve on district or campus level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office.

**Employment Practice Regarding Criminal History Background**

*Legal and/or Local Policy – DC*

FWISD reserves the right to not employ any applicant whose criminal history record indicates an arrest or conviction for a felony, crimes against persons, drug-related crimes, job-related crimes, repeated arrests, offenses that pose a risk to children, or any other criminal activity judged to be improper for a school employee. FWISD reserves the right to obtain criminal record information on any District employee at any time. In accordance with procedures set forth in Policy DC Local and Exhibits A and B, criminal record checks are be done annually on all current employees.

**Job Vacancy Announcements - Local and/or Legal Policy – DC**

Job vacancies are posted by location and position. They are distributed to all schools and departments and posted on a regular basis on: FWISD’s web site www.fortworthisd.org; the job hotline at 817/871-2213; on cable channel 30; and the Human Resources Department lobby at the FWISD administration building – 100 N. University Drive.

**Performance Evaluations - Legal and/or Local Policies – DN, DNA, DNB**

Evaluation of administrators, non-teaching professional personnel, non-certified and auxiliary personnel job performance is a continual process that focuses on improvement and is based on assigned job-related criteria and duties. Employees will be informed of the criteria upon which the appraisal shall be based and evaluators will be appropriately trained in the use of the appraisal instrument used. Except for teachers (see next paragraph for process), all employees will participate in an annual evaluation process, completed on District-approved forms, with their supervisor. Memoranda, correspondence, and reports can be used to document employee performance. An employee, other than a teacher, who receives below “Meets Expectations” on an annual performance evaluation will have his/her salary frozen at its current rate for one year and shall be ineligible for an increase in salary for the upcoming year.

The annual evaluation of District teachers shall be in accordance with the Professional Development and Appraisal System (PDAS), see Policy DNA Local for more details. Appeals regarding teacher appraisals shall be in accordance with the established grievance procedure. Teacher evaluation processes are as follows: Annual appraisals will be conducted for teachers who:

- Are on a Probationary Contract,
- Are on a one-year Retire/Rehire Contract,
- Are new to a building, except if moved as a result of administrative leveling of classes,
- Are new to a department when someone other than a principal, or asst. principal is the supervisor,
• Are on a campus designated as “low performing” based on academics,
• Have scored “Below Expectations” in one or more domains, And,
• All teachers will be evaluated annually on Domain VII. Issues including but not limited to, attendance, student failure, and drop-out rates, shall be addressed.

Except for Domain VII, teachers who meet the criteria listed below shall be eligible for a less-than-annual appraisal as permitted by law.

• **Two-Year Evaluations**: A teacher must agree in writing and must score at least “Proficient” in all domains to qualify for an evaluation once every two years.

• **Three-Year Evaluations**: A teacher must agree in writing and must have the following in order to qualify for an evaluation every three years: 1.) A rating of “Exceed Expectations” in Domains I, II, II, and IV, with all criteria at “Proficient” or above; **and**, 2.) A rating of “Proficient” or above in all criteria in Domains V, VI, VII, and VIII.

Employees will receive a copy of the written evaluation, have a conference with their supervisor, and have the opportunity to respond to the evaluation. Copies of summative appraisals will be placed in the employee’s personnel file.

**Exceptions**: If documentation and notification concerning Domains I, II, II, or IV occur during the first semester, teachers may be appraised during the school year even though he/she met criteria on a previous appraisal for a two/three year evaluation. If documentation and notification occur during the second semester, the teacher who previously met the criteria for a two/three year evaluation may be appraised the following school year.

**Staff Development/Training - Local and/or Legal Policy – DMA**

Staff development/training activities are organized to meet the needs of employees and the District. Staff development/training is predominantly campus-based, related to achieving campus and/or job performance objectives, and developed and approved by District and campus-level advisory committees.

**Work Schedules and Workload - Legal and/or Local Policies – DH, DK, DL**

• **Professional Employees**: Professional and administrative employees are exempt from overtime pay and are employed on a 10,11, or 12 month-basis, according to the District work schedules. A school calendar is adopted each year designating all school holidays and the work schedule for all teachers, professional and administrative staff. The calendar is distributed each school year and is also available on the District’s web site: [www.fortworthisd.org](http://www.fortworthisd.org).

• **Paraprofessional and Auxiliary Employees**: Support employees will be notified of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from working overtime. Duty hours for all employees are established through District administrative procedures, as approved by the Superintendent or designee.

• **Full-Time Employment Schedule**: Employees shall be available full-time during their regular scheduled working hours. Any need for emergency variations from this regulation shall be discussed by the employee with the appropriate assistant superintendent.

**Note**: For campus based personnel, working hours are set forth in the Bulletin One district publication.
Employee Relations and Communications

District Communications

Throughout the year, the Communications Department publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

The District’s main method of communication with the employee base, besides the phone system, is through the First Class Email System. In order to use the email system, an employee must have access to a computer and be issued an email account and user id. Through this system the District distributes information to employees regarding important issues, concerns, administrative regulations, changes in policies and procedures, and other relevant news. **Important**: When an employee is set up with an email address, it is important that they create a resume indicating what department they work in, their title, etc. The District is very large and sometimes there are employees with identical names. In order to send email to the correct person, an up-to-date resume on the email system is important.

The District distributes information to the media via the Communications Department. All information must be processed through and approved by the Communications Department before being released to the media.

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at Board meetings, in District newsletters, and through special events and activities.
Compensation and Benefits

**Automatic Payroll Deposit**

The District offers two methods for employees to receive their pay.

- **Automatic Payroll Deposit:** Employees can have their earnings electronically deposited into an account at any banking institution. A notification period of one month is necessary to activate this service. Money is immediately available on the pay date.

- **PayChek-Card:** This method is for employees who do not qualify for a direct deposit account at a bank of their choice or at the school district’s bank.

Contact the Payroll Department at 817-871-2144 for complete details on either method.

**Compensatory Time - Legal and/or Local Policy – DEA**

The District pays overtime for non-exempt employees in accordance with federal wage and hour laws. All employees are classified as either exempt or non-exempt for purposes of overtime compensation. Professional and administrative employees are ineligible for overtime compensation. Only non-exempt employees (hourly employees and some paraprofessional employees) are entitled to overtime compensation. All overtime work, except in emergency situations, must be approved in advance by the immediate supervisor or appropriate designee. Unauthorized overtime work is grounds for disciplinary action.

A non-exempt employee is paid at a rate of one and one-half times his or her regular rate of pay for each overtime hour worked. Compensatory time, in lieu of monetary overtime compensation, may be granted at a rate of one and one-half hours of compensatory time for each hour of overtime worked. The supervisor and non-exempt employee should agree to the method of overtime compensation prior to the non-exempt employee performing the overtime work.

Compensatory time earned must be used at a time that is mutually agreeable to the non-exempt employee and supervisor. Weekly time cards will be maintained on all non-exempt employees for the purpose of wage and salary administration. Overtime is considered to be time worked above 40 hours in a week. Holidays, vacation, or any paid non-work time is not considered in the formula for calculation of overtime pay. You have to literally, physically work 40 hours in a week before overtime is paid.

*The District’s workweek is defined as: 12:00 a.m. Saturday to 11:59 p.m. Friday.*

**Health Insurance - Legal and/or Local Policy – CRD**

Group health insurance coverage is available through TRS ActiveCare to most full-time employees and certain part-time employees, in accordance with TRS ActiveCare provisions. Employees can access the TRS website at www.trs.state.tx.us/trs-activecare. The District’s contribution to employee insurance premiums is determined annually by the Board of Trustees. Detailed descriptions of insurance coverage, premiums, and eligibility requirements are available from the Employee Benefits Department.
The insurance plan year is September thru August. New employees may complete enrollment forms at employee orientation; current employees can make changes to their coverage during the annual open enrollment periods. **Moral Turpitude - Legal and/or Local Policy - DH**

Moral turpitude includes, but is not limited to, dishonesty; fraud; deceit; theft; misrepresentation; deliberate violence; base, vile or depraved acts that are intended to arouse or gratify the sexual desire of the actor; drug or alcohol related offenses as described in 19 TAC 249.16(b); or acts constituting abuse under Family Code 261.001.

**Nepotism - Legal and/or Local Policy - DBE**

The District shall not employ any person who is related by blood within the third degree, or by marriage within the second degree, to a member of the Board, or the Superintendent. This rule does not apply to an employee who has been continuously employed for a period of one year prior to the election or appointment of the officials named.

A person shall not be employed or promoted if such employment/promotion would place the person in a position of supervising/being supervised by a member of his/her immediate family; or where a member of the person’s immediate family occupies a position in which the family member could use that position to affect the employment, promotion, salary administration, or other related management or personnel transaction of the person being employed or promoted.

No department director, assistant director, or supervisor shall appoint or employ any person within his or her immediate family, nor use his or her position to influence another District employee to hire a member of his or her immediate family.

Members of the immediate family may teach and/or work in the same school, building, or worksite. In all cases, one member of the immediate family shall not directly supervise and/or evaluate another immediate family member or be in the line of supervision to influence or affect the employment, promotion, salary administration, or other management or personnel transaction regarding the family member. Please see Board Policy DBE Local for description of immediate family members.

Prohibiting outside employment is related to the legitimate interest of the Board that public school employees devote their professional energies and efforts to the education of children. While “approval” for outside employment is not required, employees who wish to accept outside employment or engage in activities for profit must be dedicated primarily to the school system. Outside employment activities will be the responsibility of the employee.

An employee of the District shall not accept outside employment or compensation that could reasonably impair the employee’s independence of judgment in the performance of their duties. Also, no full-time employee of the District shall engage in any occupation during their work year that is incompatible or presents a conflict of interest with his/her employment with the District. However, if a conflict of interest or incompatibility exists, or if it is determined that such employment interferes with the duties and proper performance of an employee’s regular assignment, said activity will be denied. In this case, continuation of outside/secondary employment shall result in disciplinary action up to and including termination of employment with
the District. An employee shall not perform any personal work during regular business hours, except while on approved personal leave. The use of any District facilities or property, equipment or resources for personal business or gain is strictly prohibited.

**Outside Professional Services - Local Policy – DBF**

Professional personnel such as teachers, counselors, coaches, etc. shall not privately tutor students or provide other services to students at the campus to which the employee is assigned for pay, except during the summer months and except for District sponsored initiatives such as mentoring, tutoring programs, or athletic clinics as approved by UIL when school is not in regular session. Appropriate administrative approval must be obtained.

**Possession of Firearms and Weapons - Legal and/or Local Policy – GKA**

Employees, visitors, and students are prohibited from bringing firearms, illegal knives, or other weapons onto school premises or any grounds or buildings where a school-sponsored activity takes place. To ensure the safety of all, employees who observe or suspect a violation of the District’s weapons policy should immediately report it to their supervisor or call the Student Affairs Department at 817-871-2884.

**Reporting Hazing - Legal and/or Local Policy – FNCC**

Students must have prior approval from the principal or designee for any type of “initiation rites” of a school club or organization. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing, must report that fact or suspicion to the designated campus discipline person.

**Reporting Suspected Child Abuse - Legal and/or Local Policy – FFG, GRA**

Employees are required by state law to promptly report any suspected child abuse or neglect to Child Protective Services. Teachers and other professional staff are required to make a report to a law enforcement agency or Child Protective Services within 48 hours of the event that led to the suspicion. By state law, any person reporting/assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. For more information, contact the Student Affairs Department at 817-871-2884.

**Searches and Alcohol/Drug Testing Legal and Local Policy – DHE**

The District reserves the right to conduct searches if the District has reasonable cause to believe that a search will uncover evidence of work-related misconduct. The District may search the employee, the employee’s personal items, work areas, lockers and private vehicles parked on District premises or used in District business.

FWISD has established an alcohol/controlled substances testing program to help prevent accidents and injuries resulting from the misuse of alcohol/controlled substances by drivers of commercial motor vehicles as required by federal/state law. The primary purpose of the testing program is to deter misuse of alcohol/controlled substances and to prevent impaired employees from performing safety-sensitive functions. Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted as follows:
At random for safety sensitive positions;
- When reasonable suspicion of misuse or abuse exists;
- When an employee returns to duty after engaging in prohibited conduct;
- As a follow-up measure;
- Immediately following accidents;
- Return-to-duty and follow-up testing will be conducted when an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol/drugs returns to duty;
- For Pre-employment; and when a bus driver has been absent 30 days or longer they must be retested.

Failure to follow this policy can result in disciplinary action, up to and including termination.

Employees subject to alcohol and drug testing will receive a copy of the District’s policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Human Resources Department at 817-871-2226/2227.

**Sexual Harassment - Legal and Local Policies – DIA, FFH, FFG**

Sexual harassment of employees or students is not acceptable and shall not be tolerated. Sexual harassment of employees may be discrimination on the basis of sex under Title VII. Sexual harassment of students may be discrimination on the basis of sex under Title IX.

- **Employee-to-Employee.** Sexual harassment of a co-worker is a form of discrimination and prohibited by law. Sexual harassment is defined as requests for sexual favors, unwelcome sexual advances, and other verbal or physical conduct under the following conditions:
  - Submission to such conduct is explicitly or implicitly a term or condition of employment.
  - Submission to or rejection of such conduct is used as the basis for employment decisions.
  - The conduct unreasonably interferes with an individual’s work performance or creates an intimidating, hostile, or otherwise offensive work environment.

Employees who believe they have been subjected to sexual harassment are encouraged to come forward with complaints and inform their principal, supervisor, or the Title IX Coordinator at 817-871-2578. Employees must follow the procedures outlined in District Policy and this handbook for filing a complaint except when it would require presenting a complaint to the alleged harasser. The recipient of the complaint will contact the Office of Professional Standards in regard to the matter. The District will promptly investigate all allegations of sexual harassment and take appropriate disciplinary action.

- **Employee-to-Student.** Sexual harassment or abuse of students by employees is a form of discrimination and is prohibited by law. Sexual harassment of students includes any welcomed or unwelcomed sexual advances, requests for sexual favors, and other oral, written, physical, or visual conduct of a sexual nature. Romantic relationships between District employees and students are strictly prohibited. Other prohibited conduct includes the following:
  - Engaging in sexually oriented conversations for the purpose of personal sexual gratification.
  - Telephoning students at home or elsewhere and engaging in inappropriate social relationships.
Engaging in physical contact that would reasonably be construed as sexual in nature.

Enticing or threatening students to get them to engage in sexual behavior in exchange for grades or other school-related benefits.

In most instances, sexual abuse of a student by an employee violates the student’s constitutional right to bodily integrity. Sexual abuse may include, but is not limited to, fondling, sexual assault, or sexual intercourse.

Employees who suspect a student is being sexually harassed or abused by another employee are obligated to report their concerns to the campus principal.

All allegations of sexual harassment or abuse of a student will be promptly investigated by the Office of Professional Standards and reported to the student’s parents. Conduct that may be characterized as known or suspected child abuse also will be reported to the appropriate authorities, as required by law. Employees with questions or concerns relating to the alleged sexual harassment of a student should contact the Title IX Coordinator at 817-871-2474.

FWISD offers employees, other than substitute or temporary, paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who have personal needs that will require a leave of absence of more than 10 days should call 817-871-2227 or visit the Employee Relations Department for counseling about leave options, continuation of benefits, and communicating with the District. Employees anticipating a leave of absence of more than 10 days are required to appear in person at the Employee Relations Department to fill out a Form 100 and additionally, must “clear” through the Health Services Department before returning to work from an illness related leave. Employees must have a physician’s release noting the diagnosis, restrictions, and date the employee may return to work.

Health care benefits for employees on paid or Family Medical Leave will be paid by the District. The District does not make benefit contributions for employees who are not on active payroll status. Employees who take an unpaid leave of absence that is not covered by FMLA may continue their insurance benefits at their own expense. Employees on Family Medical Leave, in a no pay status, will be notified by Employee Benefits of the need to continue insurance premiums in order to retain coverage.

Any employee who is absent more than two days due to a personal or family illness must submit a written statement or release from a qualified health care provider confirming the specific dates and fitness to return to work.

Personal and local sick leave is earned on an annual basis for most employees. Hourly employees who are entitled to personal leave accrue sick leave as it is earned. Leave is available for the employee’s use on the first day of employment for most employees and as it is accrued for hourly employees. If an employee leaves the District before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee’s final paycheck.

Assault Leave

Assault leave provides income and benefits protection to anyone injured as a result of a physical assault suffered during the performance of his or her job. Employees must submit a written request for the assault leave to the Employee Relations Division, who will investigate the assault claim. Employees granted assault leave may take the leave time medically necessary (up to two years) to recover from the physical injuries sustained. Leave days granted under the assault leave provision will not be deducted from accrued personal leave or counted against the employee’s family and medical leave entitlement and must be coordinated with workers’ compensation benefits.

Note: Upon investigation of the claim, the District may change the assault leave status and charge the leave against the employee’s accrued sick leave or against the employee’s pay if insufficient accrued sick leave is available.

Bereavement Leave

All District employees (except substitute or temporary) are eligible for bereavement leave. Employees may use up to five (5) workdays per occurrence, subject to the approval of the
District. However only one (1) day shall be permitted at no loss of state or local leave. This paid leave shall be limited to five (5) occurrences in two (2) year cycles. If the leave exceeds one (1) day, then it shall be charged to the employee’s accumulated available leave. Use of state leave and/or District sick leave shall be in accordance with District policies.

For employees who have no available leave at the time of death in the immediate family, the District shall subsidize the employee’s pay, less the cost of appropriate substitute pay, up to three days per year.

For Bereavement Leave purposes, immediate family is defined as the employee’s:

- Spouse;
- Son or daughter, including biological, adopted, or foster child; a current son or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis;
- Parent, stepparent, current parent-in-law, or other individual who stands in loco parentis to the employee;
- Sibling, stepsibling, current brother or sister in-law;
- Grandparent, grandchild, spouse’s grandparent.

The absence shall not extend beyond seven (7) consecutive calendar days; inclusive of holidays and fall, winter, spring and summer breaks. Bereavement leave may begin on the day of the death, or any day prior to and including the day of the funeral, at the employee’s discretion. The employee shall report the absence to the automated absence reporting system. The principal or immediate supervisor or appropriate designee shall also be notified. A written statement shall be submitted indicating the number of days absent and the relationship of the deceased. The statement will be kept on file by the principal, supervisor or appropriate designee and a copy sent to the payroll office. Proper documentation must be provided for all bereavement leave.

**Court Appearances/Subpoenaed Witness Leave**

This leave will allow employees to comply with an official petit jury summons or to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding that is not pursuant to the employee’s personal business or personal reasons. The leave shall extend as long as the employee is officially serving on a petit jury or for the duration of the subpoena.

Employees will receive leave with pay at no loss of accumulated leave for the duration of the service. Employees must report back to duty upon release if four or more hours are left in the workday. Absences for court appearances related to an employee’s personal business must be taken as personal leave or leave without pay if no personal leave is available. Employees on jury duty must verify their service by submitting documentation of the service to the payroll office (copy of the jury summons or subpoena) and will be allowed to retain any compensation received.

Service on a grand jury is considered voluntary and must be approved in advance by the immediate supervisor. This service, if approved, shall be deducted from the employee’s accrued leave (restricted to personal state leave or vacation) or taken as leave without pay, at the option of the employee.

**Family and Medical Leave**

Employees who work in a District that employs at least 50 employees within a 75 mile radius, have been employed by the District for at least 12 months, and have worked at least 1,250 hours
during that time are eligible for up to 12 weeks of unpaid family and medical leave each fiscal school year (Sept. 1st – Aug. 31st) for the following reasons:

- The birth, adoption, or foster placement of a child;
- To care for a spouse with a serious health condition,
- To care for a parent with a serious health condition (the term parent does not include “in-law”),
- To care for a child with a serious health condition (the term child does not include children over the age of 18 unless they are incapable of self-care due to a physical or mental disability) or;
- Because of the employee’s serious health condition.

In some circumstances, with approval, family and medical leave may be taken intermittently in blocks of time or by reducing an employee’s normal weekly or daily work schedule.

A husband and wife who are both employed by the District are subject to limits in the amount of leave that they can take to care for a parent or child with a serious health condition or for the birth, adoption, or foster placement of a child.

Eligible employees are entitled to continue their health care benefits under the same terms and conditions as when they were on the job and are entitled to return to their previous job at the end of their leave. Under some circumstances, teachers who are able to return to work at or near the conclusion of a semester may be required to continue their leave until the end of the semester.

Family medical leave runs concurrently with all paid or unpaid medically related leaves. The District requires the use of paid leave days, if available.

When the need for family and medical leave is foreseeable, employees must provide a 30-day advance notice; when the need for leave is an emergency, employees must contact the Employee Relations Division at 817-871-2227 as soon as possible to process their request. Employees requesting leave may be required to do the following:

- Provide medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member:
  - Spouse,
  - Child (the term child does not include children over the age of 18 unless they are incapable of self-care due to a physical or mental disability), or
  - Parent (the term parent does not include “in-law”).
- Provide second or third medical opinions and periodic re-certification of the need for leave
- Provide periodic reports during the leave regarding the status and intent to return to work
- Provide medical certification from a qualified health care provider of the employee’s ability to return to work at the conclusion of the leave

Employees requiring family and medical leave should contact the Employee Relations Department at 817-871-2227 for details on eligibility, requirements, and limitations and, if eligible, must come in person to the Employee Relations section of Human Resources to fill out a Form 100 prior to going out on a Family Medical Leave.
Maternity Leave

All District employees (except substitute or temporary) are granted up to six (6) consecutive calendar weeks of maternity leave. Compensation is without pay except to the extent the employee has vacation, state personal leave, and/or District sick leave available. After one year of service to the District, if the employee does not have a sufficient number of leave days available to cover the absence, the employee is eligible for sub-dock pay granted at the employee’s daily rate less the cost of appropriate substitute pay for up to four consecutive calendar weeks. The employee must have exhausted all accumulated available leave days before being eligible for sub-dock pay. The combination of state personal leave, vacation, and District sick leave days and those days subsidized at loss of appropriate substitute pay shall not exceed six (6) consecutive calendar weeks. The employee shall report all leave taken to the automated absence reporting system. The employee shall also notify his/her principal or immediate supervisor or appropriate designee and contact the Employee Relations Division in the Human Resources Department for the application procedure. Employees requesting Maternity Leave must come in person to the Employee Relations section of Human Resources to fill out a Form 100 prior to going out on Maternity Leave.

Under the Family Medical Leave Act, eligible employees may take up to 12 work weeks off during the District’s fiscal year. FMLA is without pay, except to the extent that an employee has leave days available. Maternity leave runs concurrent with FMLA. For more information on maternity leave, please contact Employee Relations at 817-871-2227.

Military leave

- Paid leave for military service. Any employee who is a member of the Texas National Guard, Texas State Guard, or reserves component of the armed forces will be granted a paid leave of absence without loss of any accumulated leave for authorized training or duty orders. Military leave will not exceed 15 days per year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

- Reemployment after military leave. Employees who leave the District to enter into the United States uniformed services or are ordered to active military service may return to employment if they are honorably discharged and released within five years.

Employees who wish to return to the District will be reemployed in the same position they previously held or reassigned to a position of similar seniority, status, and pay, provided they are qualified to perform the required duties of the position. Application for reemployment and evidence of honorable discharge or release must be submitted to the Human Resources Department within 90 days of discharge or release.

Employees who serve in the uniformed services may continue their health plan coverage at their own cost for a period not to exceed 18 months. Employees may contact the Employee Benefits Department for details on eligibility, requirements, and limitations.

Regular Leave of Absence

All District employees (not substitute or temporary) after completion of three years of service may request a leave of absence, not to exceed one year. The Superintendent or designee may give consideration to a leave of absence request to employees who have completed less than three years. Criteria for Regular Leave of Absence:
• Serious illness of the employee;
• Serious illness of the employee’s immediate family;
• Child care;
• Personal hardship (facts justifying the request shall be submitted);
• Study in an institution of higher learning (verification of acceptance required);
• Extensive travel that may be considered of equal educational value to training or research in an institution of higher learning;
• Special service related to education at an approved college or university, Texas Education Agency, governmental agencies, exchange teaching, recognized professional organizations, Peace Corps, Job Corps, or elective office.

Applications for a Regular Leave of Absence for the beginning of the following school year must be made in writing to Human Resources by May 1st. Exceptions to the May 1st deadline in case of emergencies or extenuating circumstances may be requested in writing to the Human Resources Department. Employees wishing to return to regular employment must notify the Human Resources Department in writing not later than the 45th day prior to the first day of instruction for the following school year. Notice of intent to return does not guarantee employment. The employee shall be assigned or reassigned subject to availability of a position for which the employee is qualified. Failure to provide the notice of intent to return to work by the 45th day may result in a recommendation for termination or non-renewal of employment in accordance with appropriate board policies.

Regular Leaves of Absence may only be granted once in a seven year span. Exceptions to this timeframe can be approved solely by the Superintendent. One approved, a Regular Leave of Absence extends for one full school year, or the remainder of one school year.

**Reporting Leaves and Absences**

Employees must follow District and department/campus procedures to report/request any leave and when appropriate complete the leave request Form 100. Employees must report all leaves and absences on the automated absence reporting system. Please don’t automatically request a substitute, rather check with your supervisor to see if a substitute is required for your position. In addition to calling the automated absence reporting system, you must also notify your immediate supervisor of the absence by 9:00 a.m. the day of the absence. Absences can also be reported on the internet by going to the Web Center at: http://sub.fortworthisd.net/index.jsp.

**Sick/Personal Leave**

**Sick Leave**: Full-time employees receive five to seven days of local sick leave per year, depending on the number of days worked. These days may be accumulated each year. For most employees, leave is accrued from the first day worked at the rate of one day per month worked in the year and given to employees at the beginning of the year. Eligible hourly employees accrue one day of sick leave per full-time month worked and may be used only after accrual. A doctor’s note is required upon an employee’s return to work if he/she is out more than two consecutive days on personal sick leave or family emergency leave due to illness. Previously accumulated state sick and state personal leave is available for use and may be transferred to other Texas School Districts. Sick leave can be used only in half or whole day increments. Employees who
use more sick leave than they have earned, will have the cost of unearned sick leave deducted from their next paycheck.

Sick leave may be used for the following reasons only: Employee illness, illness in their immediate family, family emergency (i.e. natural disasters or life-threatening situations), death in the immediate family, and active military service. Additional sick leave is available for full-time employees through a program that allows employees to receive sick days for catastrophic illnesses or accidents. Booklets with an explanation of this benefit and the forms for applying are available upon request at your work site or by calling the District's Health Services Department.

**Personal Leave:** State law requires that full-time employees receive up to five days of paid personal leave a year. A day of earned personal leave is equivalent to an assigned workday. There is no limit on accumulation of state personal leave. It is transferred to all Texas school districts and is generally transferable to education service centers.

- This leave can be used at the employee's discretion for any purpose, including personal or family illness, family emergency, or bereavement leave.
- A notice of request shall be submitted to the principal/supervisor or designee three days in advance of the anticipated absence. Use of the leave shall be considered granted unless the employee receives notification to the contrary within 24 hours of the requested absence.
- The employee must report the leave to the automated absence reporting system.
- This leave may not be taken for more than two consecutive workdays, except with the approval of the department head/designee, or principal/designee.
- If absent more than two consecutive days for personal illness or for family illness, employees shall submit an original statement/release from the health care provider. The statement shall contain specific dates of illness and date able to return to work.
- Use of state personal leave is not permitted on the day before or after a school holiday, inclusive of fall, winter, spring, and summer breaks; days scheduled for end of semester or end of year exams; days during the first or last week schools are in session, or days scheduled for TAKS tests, except for personal or family illness, family emergency, or bereavement leave. (Appropriate documentation will be required.)

**Temporary Disability**

The purpose of temporary disability leave is to provide job protection to all District employees (not substitute or temporary) who can't work for an extended period of time because of a temporary mental or physical disability. Pregnancy and related conditions are treated the same as temporary disability. Employees can go on temporary disability voluntarily or involuntarily. Employees placed on involuntary temporary disability leave have the right to request a hearing before the Board of Education. The employee may protest the action and present evidence of fitness to work.

Employees requesting approval for temporary disability leave must do so through the Employee Relations Department. The leave request must be accompanied by a physician's statement confirming the employee’s inability to work and estimating a return date. If the leave is approved, the duration can be up to 180 calendar days; if not approved, the employee must return to work or be subject to termination procedures.
For Temporary Disability leaves of more than 10 days, employees must come in person to the Employee Relations Department of Human Resources to fill out a Form 100. Additionally, the employee, before returning to work, must report to the Districtʼs Health Services Department with a written notice from their health care provider confirming the employeeʼs ability to do the job.

Employees must notify Employee Relations at least 30 days in advance prior to returning to work. Upon return to duty, the employee shall be assigned subject to availability of a position for which he/she is qualified. For Chapter 21 employees: if a position is not available before the end of the school year, the employee will be reinstated at the beginning of the following school year in compliance with the Texas Education Code. Workerʼs Compensation: Please see Compensation and Benefits.

General Procedures

Personnel Records - Legal and/or Local Policy – GBA

Most District and personnel records are public information and must be released upon request. A limited amount of personal information may be withheld.

Certain personal employee information is received by the District from the Employee Information Change Form 101 available on the Human Resources page of the Districtʼs website.

Part I: Name and address changes and authorization of release of information as noted on the form. When a name change is sent, a copy of a social security card in the new name must accompany the form.

Part II. Employee authorization to release noted material at his/her illness or death

Part III. Employee authorization to withhold or release personal information per The Texas Public Information Act.

NOTE: It is important that all employee Form 101 information remain current.

TRS members are asked to complete the name change process at the Employee Benefits window at the Administration Building. If a name change is not involved, changed forms may be mailed or delivered to Employee Records.

Non-TRS members may complete the Form 101 in person at the Human Resourcesʼ reception desk or mail the completed form to Employee Records.

W-4 changes: Handled in person only at the Human Resources' reception desk. A government or school-issued ID must be presented.

Change in Status: Certain events in an employeeʼs life such as death of a spouse, marriage, divorce, childbirth, etc. may require changes in status. If an employee needs to change his or her name, add a spouse/child to insurance, or change a beneficiary, the employee must go to the Employee Benefits Department with proof of the “qualifying event.” Note: Changes to insurance must be made within 30 days of the qualifying “event”.

**Purchasing Procedures - Legal and Local Policy – CH**

Requests for purchases must be submitted electronically to the Purchasing Department with the appropriate approvals. Purchases, charges, or commitments to buy goods or services for the District cannot be made without a PO number. The District will not reimburse or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the District’s business office. Contact the Purchasing Department at 817-871-2156 for additional information on purchasing procedures.

Termination of Employment

**Dismissal or Non-Renewal of Contract Employees**

*Legal and/or Local Policies – DFAA, DFAB, DFBA, DFBB, DFCA, DFD, DFF*

Employees on probationary, term, and continuing contracts can be dismissed during the school year or non-renewed at the end of the year according to the procedures outlined in District policies. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. Time lines/procedures to be followed when a suspension, termination, or non-renewal occurs will be provided with the written notice given to the employee. Information on time lines and procedures can be found in Board Policy DF and DFBB. Reduction in force (RIF) procedures can be found in Board Policy DFF Local.

**Dismissal/Termination of At-Will Employees - Legal and/or Local Policy – DCD**

FWISD adheres to the common-law doctrine of at-will employment. In this vein, employees may be dismissed with or without notice and with or without cause. However, the District is committed to dealing with its employees fairly and ethically while maintaining efficiency and productivity. Further, it is unlawful for the District to dismiss any employee for reasons based on race, religion, national origin, disability, sex, military status, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights.

At-will employees suspended without pay, demoted, or dismissed from employment with the District are entitled to request a review of the action taken. The timelines and procedures to be followed by the employee in requesting a review are found in Local Policy DCD or can be requested through the Human Resources’ division of Employee Relations.

At-Will employees who are absent from the workplace for four consecutive workdays, without authorized leave or proof of incapacity, shall thereby be deemed to have effectively abandoned his or her position with the District and will be terminated. Once documented, accepted and processed, the termination may not be withdrawn without consent of the Board of Trustees or its designee. The employee and the employee’s supervisor will be notified by the Assistant Superintendent of Human Resources or designee of the termination by conduct and its effective date.

**Exit Interviews and Procedures - Legal and/or Local Policy – DC**

An exit interview questionnaire that provides the District with feedback on the employment experience will be provided to all employees leaving the District. Information on the continuation of benefits and records request(s) will be provided at this time. Employees leaving the District are asked to provide a forwarding address and phone number. All District keys, books, property, and equipment must be returned upon separation from employment. The District reserves the right to withhold the cost of any unreturned items from the final paycheck.
Reports to the Commissioner - Legal and/or Local Policy – DF

The Superintendent will report the dismissal or resignation of a certified employee to the Texas Commissioner of Education by if there is reasonable evidence that the employee’s conduct involves any of the following:

- Any form of sexual/physical abuse of a minor or any other illegal conduct with a student or a minor.
- The possession, transfer, sale, or distribution of a controlled substance.
- The illegal transfer, appropriation, or expenditure of school property or funds.
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle the individual to a professional position or to receive additional compensation associated with a position.
- Committing a crime on school property or at a school-sponsored event.

Resignations - Legal and/or Local Policies – DF, DFE

Employees may resign at any time convenient to the District and as set forth below:

- Contract Employees
  Teachers may resign their position without penalty at the end of any school year if written notice is received 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the Human Resources Department. Contract employees may resign at any other time with the approval of the Board of Trustees. Resignation without the consent of the Board may result in disciplinary action by the State Board for Educator Certification. Non-teaching contract employees should give a 15 working day notice during term of contract.

- At-Will Employees
  At-will employees may resign their positions at any time. A written notice of resignation should be submitted to the Human Resources Department with a copy to the supervisor. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so. Additionally, while at-will employees are not required to give notice, the District would appreciate a two-week notice if possible.

Retirements - Legal and/or Local Policy – DEG

All personnel employed on a regular basis for at least one-half of the normal work schedule are members of the Texas Teacher Retirement System (TRS). Substitutes and part-time employees who work at least 90 days a year are eligible for TRS membership and to purchase a year of creditable service for each year worked. TRS provides members with an annual statement of their account showing all deposits and total account balance for the year ending August 31, as well as an estimate of their retirement benefits. Please see Service Records and Credit, page 15, for further details on the purchase of Service Credit for Certified Substitute Teaching and Part-Time Service.

Employees planning to retire under TRS should notify the Employee Relations Division at 817-871-2227 as soon as possible to obtain the application procedures. Additional inquiries may be addressed to: Teacher Retirement System of Texas (TRS), 1000 Red River Street, Austin, TX 78701-2698, or call 1-800-223-8778 or 512-542-6400.
