I. ADMINISTRATIVE POLICY/PROCEDURE
Personnel employed to fill positions paid from the Non-Teaching Salary Schedule (Executive (B) or Principal/Assistant Principal (C) Salary Scales) shall be selected according to provisions of Board Administrative Procedure GBD/GBB – “Professional – Positions/Hiring”. Personnel employed to fill positions paid from the Non-Teaching Salary Schedule (Professional (A) Scale) shall be selected according to provisions of Board Administrative Procedure GCD – “Classified Hiring”. The Superintendent is provided some discretion regarding salary placements. All guidelines are subject to annual review.

II. DEFINITIONS
Promotion – employee is moved to a vacant position that is classified as a higher grade level than the position the employee currently holds
Transfer – employee remains in the same position but transfers to a different department/location, e.g., PAlI School-Based to PAlI Central Office or employee is moved to a different position but in the same grade, e.g., Specialist II to School Technology Specialist; Annual salary may increase or decrease due to an increase or decrease in number of days worked, not due to a change in grade of position
Reclassification – employee remains in the same position; however, the position has been evaluated by Compensation and has been reclassified to a different grade level, either up or down or employee is being placed in a different position due to elimination of current position, for example, employee is reassigned to a different position due to a RIF. A reclassification would also occur when the classification of an existing position is changed based on the needs of the department. Annual salary may increase or decrease depending on new grade level and/or new workday calendar
Demotion – employee is moved into a position that is classified as a lower grade level than the position the employee currently holds due to an administrative decision or a voluntary decision

III. PLACEMENT AND ADVANCEMENT
Initial placement on the applicable Salary Scale shall be determined within the following guidelines. Exceptions may be approved by the Superintendent in accordance with the needs of the District.

A. PLACEMENT – NEW EMPLOYEES AND REHIRED EMPLOYEES

Non-Teaching Salary Schedule
Employees new to or rehired by Fulton County School System, assuming a position paid from the Non-Teaching Salary Schedule, will be placed in the appropriate Grade on Steps one (1) through eight (8), based on verified experience in a position with comparable duties and responsibilities as defined in the job description. Outside experience verification must be submitted within one (1) year of hire date to be considered for salary placement credit.

Military experience does not apply to Non-Teaching Employees; however, if verifiable experience was performed in the military, comparable experience credit will be awarded.
**Teacher Salary Schedule**

Employees new to or rehired by Fulton County School System, assuming a position paid from the Teacher Salary Schedule (Regular 190-Day Classroom Teacher Scale, or Teacher Support Salary Scale) will be given full experience credit for experience earned in other school districts. For experience credit calculation purposes, a full year equals 120 or more days of service. No partial years of experience are considered for credit purposes. In addition, step credit for active military service will be granted giving one-half year of step credit for each year of service. A maximum of 3 years of step credit may be granted for military service.

Examples: 3 years of active service = 1.5 years of step credit (rounded to 2 steps)
6 years of active service = 3 years of step credit
7 or more years of active service = 3 years of step credit

**B. PLACEMENT - CURRENT EMPLOYEES**

**For Promotion - All Non-Teaching Positions**

Step placement for current employees will be determined based on the amount of prior credit experience (maximum step 8), or by using the promotional increase amount of 5.6% (*equivalent of 2 steps*), whichever is the greater salary amount.

**Step 1:**

a. Determine number of years of like experience
b. Determine appropriate step/salary in the new grade based on experience credit up to a maximum step eight (8)

**Step 2:**

c. Apply 5.6% increase to current annual salary for new base annual salary
d. Determine base daily rate using new base annual salary from (c) and current number of work days
e. Determine new target annual salary using daily rate and number of work days in new position
f. Find equivalent salary amount in the new grade at the step that is closest to, but not less than the new target annual salary

**Step 3:**

g. Determine the higher annual salary amount between step 1 and step 2
h. This is the assigned step placement in the new grade

**For Transfer or Reclassification - All Non-Teaching Positions**

1. If employee is remaining in the same position (title and grade), e.g., PA II school-based to PA II Central Office but moving to a different department/location:
   a. Employee will retain current step
   b. Place employee on current step on the new salary scale

2. If employee is moving to a different position at the same pay grade e.g., Specialist II to School Technology Specialist:
   a. Employee will retain current step or be placed per experience credit (maximum step 8), if he/she has prior experience specifically related to the new position
   b. Determine whether retaining current step or placing per experience credit results in the greater salary
   c. Place employee on appropriate step on the new salary scale
3. If position is being changed to a different level position due to the
department’s need, e.g., department currently has only a PAII position;
however, has the need for a PAIII position instead of the PAII position, the
position is reclassified:
   a. Employee will retain current step
   b. Place employee on current step on the new salary scale

Note: If the position works a greater number of days in the new department/ location, the employee may see an increase in salary due to working more days; likewise, if the position works less number of days in the new location, the employee may see a decrease in salary due to working less days

Demotion – Voluntary and/ or Administrative – All Non-Teaching Positions
Step placement for current employees will be determined based on the amount of
prior credit experience (maximum step 8) or placed at the same step on the new
salary scale, whichever is the greater amount

Step 1
   a. Determine current step and annual salary
   b. Determine salary for same step placement on the new salary scale

Step 2
   c. Determine number of years of like experience
   d. Determine appropriate step/salary in the new grade based on experience
credit up to a maximum step eight (8)

Step 3
   e. Determine the higher annual salary amount between step 1 and step 2
   f. This is the assigned step placement in the new grade

C. PLACEMENT – PRE-K EMPLOYEES
Pre-K employees (both teachers and paraprofessionals) will be paid based on the state
funded salary level. Certified teachers who were employed with Fulton County Schools
as a Pre-K teacher for school year 2010-11 will retain their FY11. This salary will remain
the same, adjusted for applicable work days, from July 1, 2011 forward, unless changes
are made by the State. Newly hired Pre-K teachers will be paid a flat salary as
determined by the Pre-K state grant guidelines based on 4-year degree and certified/non-
certified criteria. All Pre-K paraprofessionals will be paid a flat salary as determined by
the Pre-K state grant guidelines plus an additional supplement of $3,000 for FY13.

D. ADVANCEMENT – CURRENT EMPLOYEES
1. Employees paid from the Non-Teaching Salary Schedule will be given a year of
   experience credit at the completion of the current school year, if they were employed
   on or before January 1 of the current school year.
2. Employees paid from the Teaching Salary Schedule will be given a year of experience
   credit at the completion of the current school year, if they completed 120 days of
   service. Employees completing greater than 90 days but less than 120 days of
   service will be granted ½ year of experience credit.
3. Step Advancement: For fiscal year 2013, FCSS employees did not receive a pay
   increase. Experience steps were given on the employees’ respective salary schedules
for FY13 as indicated above, but the salary associated with that new step placement will not have an increase in annual salary.

**Note:** To accomplish this provision, all salary amounts were “shifted” for FY13 to the right one step from the FY12 step amount creating an additional step at the top of the Non-Teaching Schedules.

**IV. DEGREE CREDIT**
