The goal of a good Substitute is to Move Education forward one Academic Day at a time.

*AESOP QUICK START GUIDE (back of handbook) 1-9*

This handbook supersedes all prior editions of the Garland ISD Substitute Handbook
GENERAL INFORMATION

Qualifications of a Substitute
The District seeks to employ persons holding valid teaching certificates to serve as substitute teachers. However, when additional substitute teachers are needed, applicants with a four-year college degree will be considered for substitute teaching. In emergency conditions, campuses may use a non-degreed emergency substitute teacher that is already in our Aesop System in single day instances with written notification to the Substitute Office. Paraprofessionals (aides) must have at least a high school diploma or equivalent.

Pre-Employment Requirements
Before a substitute teacher or aide can be placed on our Aesop System, the following requirements must be met:

1. **On-line application** completed.
2. If applying as a teacher, a **copy of college transcripts** showing degree(s) conferred (including teacher certification if applicable), or if applying as an aide, a **copy of high school diploma** or equivalent.
3. **Form I-9** - Section 1 completed and signed with 3 attached copies of documents satisfying this form. Most applicants choose to attach 3 copies of driver's license and Social Security Card.
4. **Substitute Employment Agreement** signed and dated.
5. **Issues of Confidentiality Form** initialed, signed and dated.
6. **W-4 Form** completed.
7. **Direct Deposit Form** (with voided check) or Cash Pay Enrollment Form.
8. **Fingerprinting**. Based on Texas Senate Bill 9 (SB9), all substitutes will be required to be fingerprinted as a condition of substitute employment. **Uncertified** applicants will be provided a FastPass form and instructions at the Orientation regarding this process. **Certified** applicants will be required to go online to SBEC, update their profile and their FastPass will be sent to their email address. Additional information will be given at the Orientation regarding this process as well. **All potential subs should be advised that the cost of $52.50 for the fingerprinting process will be their responsibility.**
9. Additional paperwork distributed prior to orientation
10. **Attendance at Orientation** for new substitutes.

Calling Information
The most efficient way to accept job assignments is to go online to [www.aesopeducation.com](http://www.aesopeducation.com). But for the daily unfilled jobs, a computerized central calling system (Aesop) supplies substitutes to each school. When your services are needed, a computer will call you. Each time you accept an assignment, you will be given a confirmation number. You must enter this confirmation number on the sign-in sheet provided at each school. Only persons on the district approved substitute list will be eligible to serve as substitutes. The computer call out times are:

**School days**
- Morning - 5:30 a.m. to 11:45 a.m. - assignments for that day only.
- Evening - 6:00 p.m. to 10:00 p.m. - calls for future assignments.

**Weekend/Holidays**
- Evening Only - 6:00 p.m. to 10:00 p.m. – calls for future assignments.
The phone number to call the Aesop System is 1-800-942-3767. The system is operational 24 hours a day. Substitutes may call this number to accept an assignment if they are on a preferred list at a school, have been requested for a specific assignment, or to find available assignments. Substitutes may also call this number to review an assignment previously accepted.

The phone number for the help desk is 972/487-3067.

Notification should be given to the help desk if you wish to be removed from the calling list permanently. You can “block yourself” from getting calls temporarily yourself. See instructions. You must also notify the help desk of any change in address or telephone number.

Canceling Assignments

If you must cancel an assignment, please do so as early as possible in order for the system to locate another substitute for this assignment. Only in extreme emergencies should an assignment be canceled the day of the assignment. If you must cancel an assignment on the day of an assignment, please notify the school as well.

Commitment

By your request to be placed on the Aesop System, you accept a commitment to teach when you are called. Substitutes who repeatedly turn down assignments, who are repeatedly unavailable for calls, or who frequently cancel assigned positions will be reviewed and may be suspended from the substitute calling system or dismissed.

Reviewing Assignments / Retrieving Confirmation numbers

It is essential to have a confirmation number each day that you work. It is the responsibility of the substitute to review the system to retrieve the confirmation number and the times for the assignment.

If the assignment on the system reflects a half-day, the substitute will be paid for a half day. If the assignment turns out to be a full day, the school must make this change on the system. If this change has not been made on the system when the assignment is reviewed, report the change to the appropriate school office as soon as possible.

If a substitute is called personally by a teacher or principal, a confirmation number must be obtained. Review the system the morning of the absence to verify that the absence has been assigned to you. If you do not hear the confirmation number, the assignment is not yours.

If you work more than one day on the same assignment, you may or may not have the same confirmation number for each day, but you must have a confirmation number on the system each day that you work.

Substitute Sign-In Sheets

A Substitute Sign-In Sheet will be provided in the office at each school. Please print the date, time of arrival, your name, and confirmation number. If you are to travel to two schools, you must sign in and check 1/2 day at each school. The sign-in sheets are used for verification. Payroll is taken from...
the data on the Aesop System; therefore, it is imperative that the computer accurately reflect your working hours and days which you can verify by reviewing your assignments.

**Appropriate Dress**

All employees shall observe neatness and modesty in clothing and personal appearance. Substitutes are professionals and should dress accordingly. An employee is not appropriately dressed if the employee is a disturbing influence in the classroom. Appropriate dress is determined by the Campus Administrator.

**Retired Teachers and Paraprofessionals**

Retired teachers and paraprofessionals who receive an annuity from the Teacher Retirement System of Texas no longer have any limitation on the number of days which may be worked as a substitute employee. However, because of state mandates, a retiree should never take an assignment for a “Vacancy,” “Elementary Reassignment Room,” or “Extra Teacher.”

**Teacher Retirement Eligibility for Non-retirees**

If you are not a retired teacher, have previously participated in the Teacher Retirement System of Texas, or become an active member of TRS, and substitute at least ninety (90) days during the current school year or any district or combination of districts, you are eligible to buy one year of credit toward retirement. You should contact the Teacher Retirement System to make arrangements:

Teacher Retirement System of Texas, 1000 Red River St., Austin, TX 78701, 1-800-223-8778

**Creditable Service – Non-retirees**

Beginning in the 1998-99 school year, experience as a substitute teacher has been recognized as creditable service for determining salary placement, as long as the person (substitute) held a valid Texas teaching certificate at the time the service was rendered. All prior year service as a substitute teacher can be claimed for creditable service (salary placement), as long as the requirements for the minimum number of days worked and the certification were met.

**School Hours**

Because of bus scheduling, Garland ISD has a staggered start time for schools. Please try to arrange your schedule to arrive at the schools at least 15 minutes prior to the school start time.

- **Elementary School***  7:50 a.m. – 3:20 p.m.
- **Middle School**  8:30 a.m. – 4:00 p.m.
- **High School***  7:15 a.m. – 2:45 p.m.

  * Hours for the Classical Center at Vial Elementary are 8:30 a.m. – 4:00 p.m.
  ** Hours for Jackson Middle School Technology Center for Math & Science are 7:15 a.m. – 2:45 p.m.
  *** Hours for North Garland High School are 7:05 a.m. – 2:35 p.m.

**Substitute Aide Assignment Titles:**

- **Instructional Aide**--Goal: To provide assistance to the teacher in the classroom.
- **Special Education Aide**--Goal: To help provide the enrichment of a learning environment and to meet the individual needs of the handicapped child requiring specialized teaching techniques.
- **Elementary Physical Education Aide**--Goal: To provide opportunities for elementary students to develop desirable behavioral characteristics, physical skills, and improve their level of physical fitness.
- **Library Aide**--Goal: To assist in providing a well-organized and smoothly functioning library.
- **Office Aide**--Goal: To assist the principal(s) with maintaining an organized and efficient office. This position might be a secretary, data or attendance clerk, clerical teacher aide, or counselor’s aide.
Fire and Emergency Drills

Fire and emergency exits are posted near the doorway of each classroom. Familiarize yourself with the exit procedure before classes begin.

Bad Weather Days

If the weather requires schools to close, an announcement will be made on all major radio and television stations by 6:30 a.m. It is the substitute's responsibility to listen for school closings or delays. If school will be closed, the assignment assigned for that day would be considered canceled.

Pay Schedule

Absences requiring a substitute four hours or more are considered a full day and the full daily rate listed will be paid. Absences requiring a substitute for less than four hours are considered half-day assignments and one-half of the listed daily rate will be paid. The Board of Trustees approves the rates of pay as a part of the annual budget process.

All substitutes are paid on a cash pay card unless you have signed up for direct deposit. Substitutes will be paid bi-weekly according to the following schedule:

Be sure to keep track of your days worked and know your current rate of pay. The printed rate of pay on the paychecks will reflect your beginning rate only. The Longevity rates and number of days worked are never printed on the checks. You must check your gross pay against your own records to confirm whether or not it is correct.

SUBSTITUTE PAY RATES

TEACHERS - Basic Daily Rate

- Degreed, certified teacher - $80.00 / day
- Degreed, non-certified - $75.00 / day
- Non-degreed (emergency) - $67.50 / day (Individually recommended by principal)

PARAPROFESSIONALS (Aides, Secretaries, Clerks) - Basic Daily Rate

- All Paraprofessionals - $57.50 / day

LONG-TERM ASSIGNMENTS

Beginning on the sixth (6th) consecutive day of continuous employment in a single assignment for the same absentee, $5.00 / day will be added to the basic daily rate of pay for both substitute teachers and paraprofessionals for the balance of the long-term assignment. (Long-Term)

If the substitute misses a day during the long-term assignment, pay will revert back to the basic daily rate and the consecutive day counter will start again.

The additional pay is given because of the expectation that the substitute will be working additional time each day and will be fulfilling additional responsibilities above those of a “day-to-day” assignment such as grading, tutoring, duty assignments, team meetings, etc.

LONGEVITY PAY INCENTIVE (Teachers Only)

In order to encourage substitute teachers to work for Garland ISD on a more frequent and regular basis, the following will be paid over and above the Long-Term Pay Rate listed above.

a. After working in GISD as a substitute teacher for a total of 30 days in any assignment, the substitute will be paid an additional $10.00 / day for the next 30 days worked subsequently in any assignment. (Longevity I)

b. After working in GISD as a substitute teacher for a total of 60 days in any assignment, the substitute will be paid another $10.00 / day for all days worked afterward in any assignment. (Longevity II)

This Longevity Pay Rate is separate from the Long-Term Assignment Pay Rate. The calculation of number of days worked will continue from one year to the next and will not start over each school year. For example, after the first 30 days of work in any teaching assignment the substitute would get $10.00 / day above the Basic Daily Pay Rate for the next 30 days of work, and after a total of 60 days of work in any teaching assignment the substitute would get $20.00 / day above the Basic Daily Pay Rate. IMPORTANT: Any break in service on your part invalidates your status and pay rate under these longevity guidelines. A break in service for this purpose is defined as failure to return renewal paperwork within the specified timeline or to return as a substitute at the beginning of the next school year.

There will be no longevity pay for paraprofessional substitutes.

RESPONSIBILITIES OF THE SUBSTITUTE TEACHER

Substitute teachers are considered professionals and are expected to observe the same ethical codes as the regular teacher. It is important that a professional attitude toward your work be maintained. Complaints should be directed only to the building principal or the Director of Professional Personnel. Your attitude will contribute greatly to your acceptance by the faculty and students.

1. Arrive at least 15 minutes before the start of school if at all possible. If you receive a call late in the morning and will be unable to arrive before school starts, telephone the school and advise them of your time of arrival.

2. A substitute teacher is expected to remain on duty the number of hours the students are scheduled. Substitute teachers, aides and office aides may leave when the students leave for the day. The substitute is paid for 7.5 hours of work if working a full day. A building administrator may assign other duties or another class during conference periods or unscheduled times. There are no guaranteed conference periods for substitutes! Many days you may be asked to work in another area during that time.

3. Upon arrival, report to the office and fill out the substitute sign-in sheet. If you cannot find the sign-in sheet, ask the secretary for assistance. Payroll is verified from the sign-in sheet, so it is extremely important that it be filled in completely and correctly.

4. You should have a Substitute Folder which will include lesson plans, attendance rolls, and a schedule for the day. If you cannot locate these items in the room, check with the school office or department head for assistance. It is of the utmost importance that you follow the lesson plans provided by the teacher. You are not there just to “babysit.”

5. Acquaint yourself with fire and safety drill regulations as well as assigned exits. These should be in the Substitute Folder and/or posted on the classroom wall. Avoid changing the seating arrangement or any other parts of the room organization except for temporary grouping of pupils for instruction or committee work.

6. In the classroom, circulate and supervise! Organize and grade all assigned work if you are instructed to do so by the regular teacher.

7. Under no circumstances should students be placed in an unsupervised situation. The substitute is to remain with her classes during all designated class times during group travel in the hallway, during class time, and at all assemblies, etc. You must remain with your students when they attend Computer Lab.

8. The substitute has the same responsibility for students, equipment and materials as the regular teacher for whom he/she is substituting. Supervision of halls and corridors is a responsibility of all teachers especially when pupils are coming into the building or leaving the building at bell time as well as class passing period. Substitutes should maintain a supervisory position at their doorway during class passing periods.

9. Substitute teachers and/or aides are expected to keep confidential any information about the school (pupils, parents, and principal) which might be gained while substituting. Concerns growing
out of the substitute experience should be addressed through the proper administrative channels.

10. If a child becomes ill or has an accident while at school, the child should be sent to the office. In case of serious injury, send for the school nurse or administrator immediately. Under no circumstances should a substitute teacher administer medication of any kind to a student.

11. Any outsider who comes to the classroom for information about a child or who comes to the classroom asking that a child be released from school must be directed to the principal’s office. NO student should be released from the classroom without official notice from the school office.

12. Every reasonable effort should be made by the substitute to solve problems before they are referred to the principal/office. Occasionally, something may occur which warrants the exclusion of a pupil from the classroom.

13. At the close of the day, it is a good idea to check with the school secretary to determine if the person for whom you are substituting will return the following day or whether your services will be needed again. Leave a brief summary of the work completed, or not completed, as well as any other information that would be helpful to the classroom teacher (bulletins, parental notes, assignments, and problems. If a serious problem should arise during the day, notify someone in the school office before you leave for the day. This is good protection for you, the school, and the district.

14. Return materials and/or equipment to its proper place and leave the room in order. Leave the regular teacher a note about behavior, both positive and negative.

15. Do not bring a personal laptop computer to work with you and only use cell phones in a dire emergency.

RESPONSIBILITIES OF THE REGULAR TEACHER

1. The teacher's lesson plans, class rolls, seating charts, fire and emergency procedures and any special instructions should be accessible and in a designated place.

2. Keys to the desk and cabinets should be available.

3. The teacher should be willing to give needed information to the substitute teacher by telephone or personal conference unless the nature of the absence makes this impossible. There is the ability to leave detailed information for the substitute on the computer system.

RESPONSIBILITIES OF THE PRINCIPAL

1. It is the responsibility of the principal to create an attitude of helpfulness, understanding, and respect toward the substitute teacher. The substitute employee should be recognized as an essential part of the educational program.

2. Principals will be requested to file a report with the Substitute Office when a substitute’s performance is unsatisfactory after notifying the substitute of the nature of the problem.
3. It is the responsibility of the principal and/or secretary at each school to review all absences reported to the system each morning. Any prearranged assignments, or any corrections to the reported absences, need to be made before 12:00 noon the day of the absence.

CLASSROOM MANAGEMENT

The following suggestions may be helpful to the substitute regarding classroom management.

1. Look for disciplinary procedures posted in the classroom. Most classes have their procedures outlined and clearly visible. Should discipline problems occur, follow these procedures.

2. \textbf{NEVER} administer corporal punishment or make physical contact of any kind with the students.

3. If there are no disciplinary procedures posted in the classroom, check with team leader or department head. Be ready to post your own rules if none are posted in the classroom.

4. Be friendly, but firm and consistent.

5. Be sure students understand what is expected of them.

6. Show respect for each student. Sarcastic or belittling remarks are not acceptable.

7. Show enthusiasm and confidence. Students are quick to notice these characteristics and this often sets the mood for student behavior.

8. If you have a question, ask a responsible student for help. A neighboring teacher can also help with procedural questions.

9. Learn as many students' names as quickly as possible. A seating chart may be available for your use.

10. Organize little details so that movement is minimal, (e.g. Have students pass papers to front of each row. Ask students to place homework or test papers on corner of their desks and pick them up. Do not permit wandering, pencil sharpening, et c.) Procedures for routine activities are essential to a well-managed classroom.

11. Leave the teacher a note about student behavior, positive and negative.

Performance Problems

All substitutes should be aware that if the Substitute Office receives, in writing, three complaints about the performance of a substitute, she/he may be suspended from service until a conference is held with a Director of Human Resources. The Director may suspend or dismiss a substitute employee without three written complaints, if such action is warranted and in the best interest of the students or the district.

Employment
Substitute employment is "at will", temporary, and intermittent employment. Non-contractual employees have no property right in their employment and may be dismissed at will at any time for no reason or for any reason not prohibited by law. Non-contractual employees may resign at any time for any reason or no reason. Neither this handbook, nor any communication by any Garland ISD employee, oral or written, nor any conduct of any kind between substitute employees and Garland ISD representatives is intended in any way to create an employment contract binding on either Garland ISD or any substitute employee.

**Summer School**

*There is NO substitute work available during the summer.*

**Conclusion**

Being a substitute is not easy. It requires the ability to spontaneously walk into any classroom setting and carry out the daily activities as much as possible as would the regularly assigned teacher. In addition to being ready on a moment's notice, substitute teachers are also required to demonstrate quality in their teaching and professionalism in the way they relate to students, parents, and district employees. We hope the suggestions and ideas presented in this handbook will help you in this challenge. We also hope that you will realize you are an integral part of Garland ISD. We appreciate you and your commitment to the students of our district.

*Here are some "Tried and True"*

**BASIC SURVIVAL TIPS**
Arrive at school as early as possible and wear comfortable shoes.

Be sure to bring along your own "creature comforts" whatever they may be.

Don't depend on beverages, cups, etc. being available or on necessarily being able to find them.

Scout your new territory. Immediately locate or identify:
- Seating chart
- Plan book
- Class list
- Fire and safety drill procedures and exits
- Equipment and materials available for your use.
- School floor plan showing: student bathrooms, library, cafeteria, faculty lounge and other critical "landmarks"

Take advantage of any early arrivals. These "natives" are an excellent source of information.

Take a few seconds to learn several names from the class list so that you will be able to enlist these people by name to do small chores. The children will be pleased to discover that you "know" their names. This helps to establish good rapport immediately.

Name tags, desk markers, get-acquainted activities, or any other system which personalizes your relationship with the students and which holds an individual accountable in terms of behavior is to your immediate advantage.

Providing you are comfortable in so doing, share parts of yourself with the class. It helps them to recognize you as a person in your own right—not "just a sub".

Let the class begin the day as they normally would (pledge, attendance, sharing, etc.) to create a "business as usual" climate. During this ritual you may gain considerable insight about group dynamics as well as potential resources and hazards.

Initiate your part of the day with an interesting activity of your own creation. Such action is often a very useful technique for generating enthusiasm for the rest of the day.

A rough outline of what is planned for the day written on the chalkboard will give the group (including you) a sense of direction. Special classes, lunch and dismissal times, as well as options and consequences, should be included in the outline.

Keep explanations short and sweet.

Bring along your own "survival kit" to compensate for poor "trail markers" incomplete, inadequate, or even invisible lesson plans! The majority of this book is devoted to suggestions for designing your own personal "survival kit."

When appropriate, let the children correct their own work. It can be a learning process in itself and also provides valuable assistance to the "sub" whose time is usually very limited.

Prepare a class list to be used for recording student participation throughout the day. If blank forms are always kept in your "survival kit" an individual student could fill in the blanks for you from a class roster. Another method would be for the form to be circulated around the room allowing each student to "sign in".

Focusing in on the positive aspects of supportive cooperation from students seems to insure best results. Instead of marking down the names of troublesome students, make it clear you are looking for and reporting the names of helpful, cooperative, hard working students. Potential troublesome students should quickly be enlisted as helpers so as to convert them toward a successful day.

It also seems important to make students aware that since you are an individual in your own right, who is temporarily acting in their regular teacher's place, the day may be a little different from usual but not necessarily less productive or less pleasant.

If it is emphasized to the students that the responsibility for the day's success is shared by both them
as students and you as the substitute teacher, it puts you all on the same team.

Make your expectations for classroom behavior clear from the very start.

Like wild animals, many students will regard you as an intruder but will not attack if approached in a firm, warm, positive manner. Being too defensive or authoritarian seems to bring out the worst in a new group.

Make the class also aware that the group has options for which there are related consequences. If students opt to be responsible and cooperative this behavior will result in being able to easily complete required work allowing time for more creative and rewarding activities.

"Baiting the trap", so to speak, is often necessary for survival in the “wilderness” and such a technique for substitute teachers will often result in students who “eat out of your hand.” A special indoor or outdoor recess (simple) or a special art activity (more preparation but still not too difficult) are examples of "bait" which are likely to motivate expedient execution of mandatory business. Such rewards can be dispensed to individuals as they complete requirements and have free time or can be given to the total class when all class members have met their individual requirements. Without such a "lure", routine tasks can be an all day affair and a source of great frustration for all involved. Don't forget to check the teacher's mailbox at mid-day in case there are notices which need to be sent home with the students that day.

Employ student help to maintain and enhance your "survival kit".

"Be on the lookout" for new ideas to add to your "survival kit." Inclusion of such new ideas will also assist to maintain and enhance your degree of enthusiasm.

Keep a small notebook for the purpose of recording the classrooms in which you have substituted. Such a record may include notations pertinent to future work with the class and will also serve as some verification of your subbing experience as it relates to teacher certification requirements in your particular state.

Leave the classroom in good order. Whenever possible, involve students in that process. The end-of-the-day clean up chaos can often take its toll on a substitute teacher-- the final blow! A "Assignment Card" system can enable you to avoid many clean-up time pitfalls!

Number a set of index cards from 1-35. On each card list on basic clean up task which would be appropriate in any classroom.

Once you have exhausted these possibilities, create some open-index cards which would also be appropriate in any classroom.

One student should receive a "Person-in-Charge" card indicating his or her responsibility to do the initial check up on completed tasks.

The higher the number on the card, the lower the priority of the task.

This arrangement allows for classes with less than 36 students.

Illustrations on each card make them more attractive and assist the non-reader.

The Assignment Cards are distributed to class members about 15 minutes prior to dismissal.

The children are instructed to do the task, get their coats, and then return to their desks. When everyone is quietly in their seats, the substitute begins to call numbers for 1-35. When the number is called, the child brings up the card and may line up for dismissal. As the children line up, the substitute and student person-in-charge can quickly check to see that the assigned task has been completed to their satisfaction. Not only do students depart in an orderly fashion--the substitute does not have to spend his or her limited time on custodial matters. Such advantages are why Assignment Cards are a permanent part of many a substitute's "basic survival kit".

Rules and Consequences
A Good Rule:

1. Is clear and specific
2. Is behavioral
3. Makes sense to those who make them, enforce them, and follow them
4. Is stated positively when possible
5. Is clear and succinct and parsimonious

A rule is what you will enforce each time it is broken!

A Good Consequence:

1. Is clear and specific
2. Has a range of alternatives
3. Is not a punishment
4. Is natural and/or logical
5. Protects and maintains the dignity of the student
6. Is internally focused

Types of Consequences:

1. Natural and/or logical
   Related to the rule in a direct manner
2. Conventional
   Already existing consequences modified to fit in a discipline
3. Generic
   Apply to all rules
4. Instructional
   Designed to teach students how to follow rules
Effective Consequence Implementation

1. Always implement a consequence.

2. Select the most appropriate consequence from your pre-established list.

3. State the rule and consequence to the student. You do not need to say more.

4. Use proximity. Be as physically close to the student as is appropriate.

5. Make direct eye contact (watch for cultural exceptions).

6. Be private. Use a soft, calm voice. Only the student(s) involved should hear.

7. Do not embarrass the student.

8. Be firm, clear and committed. Strength comes from a commitment that you are doing the right thing, not from the use of force.

9. Be flexible about consequences. Your goal is for the student to improve his/her behavior, not for the student to experience a specific consequence.

10. Do not think in terms of winning and losing. You and your students are both on the same term.

11. Control anger. Expressing genuine anger shows you are human, but a chronically angry teacher is not effective.

12. Do not accept excuses.

13. Sometimes it is best to let the student choose the consequence.

14. Avoid traps; diffuse power struggles.

15. Avoid behaviors that mark you a victim. Excessive passive or aggressive behavior tells students you are out of control.

16. Alter conditions to reach your highest goals. Change discipline and classroom structures to support students acting responsibly.

17. Take a professional stance. Do not interpret student behavior personally.

18. Communication is better than force.

5. Keep all communication as private as possible.
6. Never embarrass a student in front of his peers.
7. If a student refuses to accept a consequence, use the insubordination rule.
8. Clear with principal.

The Omnibus Budget Reconciliation Act of 1990 (OBRA 90), mandates that employees of public agencies, including school districts who are not members of the employer's existing retirement system as of January 1, 1992 be covered under Social Security or a qualifying alternate plan. The Garland Independent School District 457(b) FICA Alternative Plan satisfies federal requirements and provides substantial cost savings compared to Social Security.

**Eligibility:** An employee is eligible to participate in the FICA Alternative Plan if they meet one of the eligibility requirements listed below.

- Part-time (20 hours or less per week)
- Temporary (contract of 2 years or less in duration)
- Seasonal (five months or less per year)
- Not covered by TRS

**Enrollment:** Enrollment is automatic for eligible employees.

**Contributions:** Social Security requires that the equivalent of 12.4% of an employee's salary be contributed each month (6.2% employee, 6.2% employer). However, the FICA Alternative Plan requires only a 7.5% contribution split between the employee and the employer to a retirement account. You will contribute 6.2% of your salary and the District will contribute 1.3% on your behalf. The deferrals are made on a "pre-tax" basis, unlike Social Security which are made on an "after-tax" basis.

**Distributions:** The employee or their beneficiary will receive the ACA Alternative Plan account balance when an employee becomes eligible for a distribution for any of the following reasons:

- Retirement
- Permanent and Total Disability
- Termination of Employment
- Death

**Investments:** The portfolio is managed by TCG Investment Advisory Services LP and an Investment Advisory Committee (IAC) composed of representatives from each participating school district and is composed of high quality no-load and load-waived mutual funds.

**Taxation:** When the employee begins to receive benefits, the funds received become taxable income. If the taxable portion of the account balance exceeds $200, the employee can avoid immediate taxation by directing the account balance to:

- A traditional IRA
- An eligible employer plan that accepts the rollover (i.e. TRS, 403(b), 457, etc.)

**Designating a Beneficiary:** If the employee dies while a participant, the account balance will be distributed to the employee's beneficiary. If the employee is married at the time of death, the spouse is automatically the beneficiary. If the employee wishes to designate someone other than the spouse as beneficiary, the employee must do so in writing and the spouse must sign a spousal consent form. If the employee is unmarried at the time of death, the account balance will be paid to the employee's estate unless another beneficiary has been designated.

**Company Offering Services:** The company chosen to provide the 457(b) FICA Alternative Plan is PARS, a company with many years of proven expertise in administering retirement plans to public sector employees. The Trustee is Union Bank of California. PARS administers over 700 retirement plans for over 380 public agencies covering over 250,000 participants, with plan assets of over $430 million.
