# **General Information**

# INTRODUCTION

This handbook addresses the resource needs of employees for up-to-date information on issues that affect their employment with the school district. References to numerous Guilford County Board of Education policies and procedures are included throughout the Personnel Handbook as part of this resource process, but are not intended to cover those policies and procedures in detail.

All employees of the Guilford County Board of Education have a duty to understand and comply with applicable laws, policies and procedures. Copies of our operating policies and procedures are available at each school, other work sites and on the school district's website. These resources may be easily accessed for the detailed information that is often needed by employees.

Please note that each school may assist its employees by way of site-based guidelines not contained in this handbook or official Board documents. Additionally, district-wide divisions and departments other than Human Resources may have published procedures, which affect employees (Payroll Department, for example).

The Guilford County Schools policies and procedures, whether or not contained in this handbook, are not an employment contract nor are they terms of an employment contract. The school district's employees (other than employees in positions covered by North Carolina General Statute 115C-325, or employees who have specific employment contracts) are all employees at will. This means the employee or the school district has the right to terminate the relationship at any time, with or without reason. Nothing in this handbook is intended to create an employment contract.

Each employee is required to sign the Guilford County Schools Confirmation of Receipt of Personnel Handbook Notification acknowledging access of the handbook on the Guilford County Schools Website and the associated duty to familiarize himself/herself with district policies and procedures. Revisions to the handbook will be made as necessary. We believe the information contained in this handbook to be accurate at the time of publication. All employees should be alert to changes in policies and/or procedures implemented during the year. Proposed policies are available for public comment before adoption. Changed policies and/or procedures are placed on the website when adopted/approved. Because we always seek to improve the usefulness of this handbook, employees are encouraged to send written suggestions or ideas regarding its content.

Please accept our best wishes for a great year and we appreciate your dedication to the students of the Guilford County Schools.

Dr. Peggy Thompson  
Chief Human Resources Officer

# **CODE OF ETHICS FOR NORTH CAROLINA EDUCATORS**

## **PREAMBLE**

**The purpose of this Code of Ethics is to define standards of professional conduct.**

The responsibility to teach and the freedom to learn, and the guarantee of equal opportunity for all are essential to the achievement of these principles. The professional educator acknowledges the worth and dignity of every person and demonstrates the pursuit of truth and devotion to excellence, acquires knowledge, and nurtures democratic citizenship. The educator strives to maintain the respect and confidence of colleagues, students, parents and legal guardians, and the community, and to serve as an appropriate role model. The educator exemplifies a commitment to the teaching and learning processes with accountability to the students, maintains professional growth, exercises professional judgment, and personifies integrity.

To uphold these commitments, the educator:

### **I. COMMITMENT TO THE STUDENT**

- A. Protects students from conditions within the educator's control that circumvent learning or are detrimental to the health and safety of students.
- B. Maintains an appropriate relationship with students in all settings; does not encourage, solicit, or engage in a sexual or romantic relationship with students, nor touch a student in an inappropriate way for personal gratification, with intent to harm, or out of anger.
- C. Evaluates students and assigns grades based upon the students' demonstrated competencies and performance.
- D. Disciplines students justly and fairly and does not deliberately embarrass or humiliate them.
- E. Holds in confidence information learned in professional practice except for professional reasons or in compliance with pertinent regulations or statutes.
- F. Refuses to accept significant gifts, favors, or additional compensation that might influence or appear to influence professional decisions or actions.

### **II. COMMITMENT TO THE SCHOOL AND SCHOOL SYSTEM**

- A. Utilizes available resources to provide a classroom climate conducive to learning and to promote learning to the maximum possible extent.
- B. Acknowledges the diverse views of students, parents and legal guardians, and colleagues as they work collaboratively to shape educational goals, policies, and decisions; does not proselytize for personal viewpoints that are outside the scope of professional practice.
- C. Signs a contract in good faith and does not abandon contracted professional duties without a substantive reason.
- D. Participates actively in professional decision-making process and supports the expression of professional opinions and judgments by colleagues in decision-making processes or due process proceedings.

- E. When acting in an administrative capacity:
  - 1. Acts fairly, consistently, and prudently in the exercise of authority with colleagues, subordinates, students, and parents and legal guardians.
  - 2. Evaluates the work of other educators using appropriate procedures and established statutes and regulations.
  - 3. Protects the rights of others in the educational setting, and does not retaliate, coerce, or intentionally intimidate others in the exercise of rights protected by law.
  - 4. Recommends persons for employment, promotion, or transfer according to their professional qualifications, the needs and policies of the LEA, and according to the law.

### **III. COMMITMENT TO THE PROFESSION**

- A. Provides accurate credentials and information regarding licensure or employment and does not knowingly assist others in providing untruthful information.
- B. Takes action to remedy an observed violation of the Code of Ethics for North Carolina Educators and promotes understanding of the principles of professional ethics.
- C. Pursues growth and development in the practice of the profession and uses that knowledge in improving the educational opportunities, experiences, and performance of students and colleagues.

## **CODE OF PROFESSIONAL PRACTICE AND CONDUCT FOR NORTH CAROLINA EDUCATORS**

The North Carolina State Board of Education (SBE) has adopted rules to establish uniform standards of professional conduct for licensed professional educators throughout the state. These rules have been incorporated into Title 16 of the North Carolina Administrative Code and have the effect of law. These rules shall be the basis for State Board of Education review of performance of professional educators and are binding on every person licensed by the State Board of Education. Violation of the standards shall subject an educator to investigation and possible disciplinary action by the State Board of Education or local school district. The full text of these standards is provided on page 68 of this handbook.

### **COMMUNICABLE DISEASES - EMPLOYEE SAFETY**

The Guilford County Schools will attempt to provide a secure environment for all students and employees. All efforts will be made to protect students' and employees' rights and to control communicable diseases. All decisions regarding the employment status of employees with communicable diseases shall be made on a case-by-case basis.

(Reference: Board of Education Policy GBRAB)

### **CONFLICT OF INTEREST**

The Guilford County Board of Education recognizes that all business transactions in which the school system engages, not only must be within the law, but also must respect generally accepted fair trade practices. The Board further recognizes the need for all employees to refrain from engaging in inappropriate business-related behavior. Employees of the school system shall not:

- ◆ engage in selling goods or services to the Board.
- ◆ engage in or have a financial interest in any activity that conflicts or raises a reasonable question of conflict with duties or responsibilities in the school system.
- ◆ engage in any type of private business during the employee's school day or at school site.
- ◆ engage in work of any type where the source of information for a customer, client, or employer originates from school system data.
- ◆ accept gifts from any person or groups desiring or doing business with the school system, except for nominally valued instructional products or advertising items, which are widely distributed.
- ◆ provide employee directories to anyone who wishes to use them for pecuniary purposes.

(Reference: Board of Education Policy GAG)

### **CORPORAL PUNISHMENT AND FORCE**

The Board believes that a well-disciplined school system can be maintained without the use of corporal punishment and force. Therefore, Administrative policy (Student Discipline JD) prohibits the use of corporal punishment by principals, assistant principals, teachers, substitute teachers, any other school system personnel, student teachers or volunteers. While the district prohibits the use of corporal punishment as a means of discipline, school personnel may use reasonable force to control behavior or to remove a person from the scene in the following situations:

- to quell a disturbance threatening injury to others;
- to obtain possession of weapons or other dangerous objects on the person or within the control of a student;
- for self defense; or

- for the protection of persons or property.
- to maintain order on school property, in the classroom, or at a school-related activity on or off school property.

(Reference: G.S. 115C-390; Administrative Policy JD)

### **CRIMINAL RECORDS CHECK (EMPLOYEES and SUBSTITUTES)**

Board Policy GBDC requires a criminal records check on newly hired employees including substitutes. A criminal records check will also be conducted on a random or rotating basis on all annually rehired and current employees including substitutes. (Reference: Board of Education Policy GBDC; Administrative Procedure GBDC-P)

### **CRIMINAL RECORDS CHECK (VOLUNTEERS)**

Reasonable background inquiries and checks are required for any volunteers (to include interns, student teachers, tutors or similar roles) who have unsupervised contact with students. Prior to the usage of any volunteer in a role which may allow unsupervised contact with students, the school principal, besides checking appropriate references, shall also submit to the Human Resources Office form GBDC, signed by the prospective volunteer. The signed form must include appropriate personal information to allow the district to complete an in-state criminal record check, and sufficiently detailed information to enable the district to investigate any out-of-state or federal arrests or convictions. New or updated forms and rechecks will be required annually for each successive fiscal/ school year.

(Reference: Administrative Policy GBDC)

### **DISPOSAL OF BOARD PROPERTY**

Individual employees are not authorized to give away, sell or otherwise dispose of school district property. Such disposals shall be handled by appropriate staff in accordance with state statutory requirements and local policy governance limitations.

(Reference: G.S. 160-A-266(C); Board of Education Policy DO)

### **DRUG AND ALCOHOL FREE WORKPLACE**

Due to the commitment to a drug and alcohol free workplace, it is the policy of the Guilford County Schools that the work environment shall be free of the presence of alcoholic beverages or unlawful controlled substances and that employees shall perform their job assignments safely, efficiently, and without the adverse influence of alcohol or controlled substances. Therefore, the school system prohibits all employees from possessing, using, manufacturing, dispensing, selling, distributing, or being under the influence of illegal drugs and from the use, sale, distribution or possession of drug paraphernalia. All employees are prohibited from unlawfully possessing, using, manufacturing, dispensing, selling, distributing, or being under the influence of alcohol. Consideration will be given as to whether rehabilitation will be offered to employees who have difficulty with drugs or alcohol, so that they may live up to standards set by this policy. A summary of this policy will be given to each employee.

This policy shall govern each employee (1) during school hours, (2) while on any property owned or leased by the Board, (3) at any time during which the employee is acting in the course and scope of his/her employment with the Board, and/or (4) at any other time that the employee's violation of this policy has a direct and adverse effect upon the performance of his/her job.

It is a condition of continued employment that each individual shall comply with this policy and shall notify his/her supervisor of any charge, conviction (or plea of guilty, no contest, or "nolo contendere") of any criminal drug or alcohol statute no later than the next business day after any

such charge, conviction or plea. Similarly any employee whose duty it is to drive a vehicle or repair equipment or vehicles shall comply with the policy and shall notify his/her supervisor of his/her arrest or charge of violation of any criminal drug statute or any motor vehicle violation involving the use of alcohol or controlled substances at any time and shall notify his/her supervisor of any charges for those offenses no later than the next business day after being charged.

Violation of this policy shall subject an individual to personnel action including, but not limited to, termination of employment or the requirement that the employee participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by the Administration, or suspension, with or without pay, or conditional continuation of employment, or any combination of these enumerated actions. The acts prohibited by this policy do not include the lawful and proper use of drugs prescribed by a doctor or over-the-counter medications. However, no employee shall report to work or engage in normal duties, if he/she is visibly and/or knowingly impaired by drugs prescribed by a doctor or over-the-counter medications. Such conduct is considered improper and may result in further disciplinary action up to and including dismissal.

The school system reserves the right to test employees whose duty it is to drive a vehicle, repair vehicles or equipment, provide armed security and other persons in similar safety positions anytime prior to or during employment. The system reserves the right to test any employee upon reasonable suspicion of drug or alcohol use.

Any employee who refuses to submit to any diagnostic test to detect alcohol and/or drug use or refuses to submit to search procedures after reasonable suspicion is established may be suspended immediately pending consideration of a decision to terminate employment.

(Reference: Administrative Policy GA)

### **EMERGENCY CLOSINGS**

In case of school cancellation, delayed opening and/or early dismissal of school due to emergency and/or hazardous conditions, the following procedure shall govern all employees. The official closing notice will be delivered via the CONNECT ED telephone message system, placed on our public access television channel and posted on the district's website. Television and radio stations will be notified, when necessary, early on the mornings(s) of hazardous conditions. When school is canceled for the day(s), due to hazardous conditions, the canceled day(s) will be rescheduled in the school calendar by the calendar coordinator at the direction of the Superintendent.

#### Ten-Month Employees:

If school is canceled for the day, 10-month employees, all teachers and School Food Service Managers shall report to work at the normal starting time or select one of the following options:

1. take unscheduled vacation, if available,
2. arrange to make up time with principal/supervisor
3. take personal leave (licensed instructional personnel only), or
4. take leave without pay.

If one of the stated options is selected, the principal/supervisor must be called and informed of the employee's intentions.

If school is canceled for the day on a mandated or optional teacher workday, employees who are scheduled to work (teachers and affected 10-month employees only) should report at the normal starting time or select one of the following options:

1. take unscheduled vacation, if available,
2. arrange to make up time with principal/supervisor,
3. take personal leave (licensed instructional personnel only), or
4. take leave without pay.

Eleven and Twelve-Month Employees:

If school is canceled for the day, 11-month and 12-month employees (including central office personnel) shall report to work at the normal starting time or select one of the following options:

1. take unscheduled vacation, if available,
2. arrange to make up time with principal/supervisor,
3. take leave without pay.

If one of the options is selected, the principal/supervisor must be called and informed of the employee's intentions.

Any changes in the time for the employees to report to work will be announced by the Superintendent at the time of the school cancellation announcement.

If school opening is delayed for students, school-based non-administrative instructional employees are expected to report at least fifteen (15) minutes before the time designated for students to arrive; this time (delayed opening) will not have to be made up. All other employees are expected to report at the regular work time except for bus drivers and child nutrition employees whose schedule, under such conditions, is to be set in advance by the supervisor. If for some reason the above appropriate timeline is not possible, the employee will contact the principal/supervisor about the arrival problem and the issue of taking leave or making up the time missed.

If school is dismissed early, teachers and other school-based employees will be dismissed fifteen (15) minutes after all students have departed. This time will not have to be made up. A principal or his/her designated representative must remain at the school until notified by the director of transportation or his/her representative that all of their students who ride school buses assigned to their schools have been delivered to their afternoon destination. Central office personnel will be dismissed at the discretion of the Superintendent. However, when schedules are modified due to excessive heat, all staff members are expected to work the normal work schedule.

\*This procedure excludes strict calendar make-up provisions for year-round schools. Following the loss of a day(s) by year-round schools, the principal will submit a proposed make-up plan to his/her executive director and the calendar coordinator for review and approval.

(Reference: North Carolina G.S. 115-C-316(2); Administrative Procedure AFC-P)

**EMPLOYEE ABSENCES**

**When absent from duty for whatever reason, an employee must notify the appropriate supervisor of his/her inability to report to work by the time designated by the supervisor. If the employee**

**fails to notify the appropriate supervisor (or designee) of his/her absence, a deduction will be made from his/her salary for the time lost.**

**Unexplained absences or leaving the job site without authorization will not be tolerated and will be considered sufficient cause for discharge.**

**The appropriate supervisor or the Human Resources Department may require, at any time, a statement from a medical doctor or other acceptable proof that the employee was unable to work. Such documentation is required for absences of more than five (5) consecutive days.**

The Guilford County Schools has installed an automated Substitute Employee Management System (SEMS) to track the reporting of employee absences and to call substitute employees when appropriate.

**All classroom personnel are expected to report each absence to this system by telephone regardless of whether a substitute is required or obtained.** The system telephone number for reporting absences is 370-9772 from Greensboro and/or 885-0299 from High Point. Employees will receive training at their respective work sites to properly access SEMS and report absences. **The requirement to report absences to SEMS does not relieve employees of any additional absence reporting required by their principal or supervisor.**

### **EQUAL OPPORTUNITY EMPLOYMENT**

The Guilford County Board of Education believes in the dignity of all individuals and in the worth of their labors. To this end, the Board will ensure that all applicants for employment and all employees are employed, assigned, supervised, promoted, compensated, and terminated in full compliance with state and federal equal opportunity statutes. No applicant for employment or current employee will experience discrimination based on race, creed, color, religion, national origin, sex, age, marital status, physical handicap, sexual orientation or disability.

The policy does not extend any rights beyond those granted by state and federal law.

Concerns in this area should be discussed with one's supervisor or with the supervisor's supervisor.

If concerns remain, employees should contact the Federal Complaints Officer in the Educational Program Services Division, or the Executive Director or Chief Human Resources Officer responsible for personnel. (Reference: Administrative Policy GAAA Legal Reference: Title VII, Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; American Disabilities Act, 1991)

### **GRIEVANCES - EMPLOYEES**

The Guilford County Board of Education encourages the administration to actively attempt to resolve differences and to reduce the potential sources of conflict between employees and administrators. Open, effective channels of communication among all employees, administrators and the Board shall be established and maintained. **Any employee who has a grievance against the school district or against another employee within the district shall have the opportunity for an orderly presentation and impartial review of the grievance. The grievant will be permitted representation at any formal step in the grievance process.**

It is usually more effective for an employee and his/her immediate supervisor to resolve potential conflicts through open and informal communication. In addition, the policy and its accompanying administrative procedure address formal and informal grievances, the right to representation, procedures and timelines, confidentiality, bypassing rights and release time.

(Reference: Administrative Policy GAE; Administrative Procedure GAE-P)

## **HEALTH EXAMINATION CERTIFICATES**

All public school employees upon initial employment, and those who have been separated from public school employment more than one school year, shall file a completed Guilford County Schools/North Carolina Public Schools "Health Examination Certificate" certifying their freedom from any communicable disease, including tuberculosis or any disease, physical or mental, which would impair the person's ability to perform his/her job duties prior to reporting to work. The "Health Examination Certificate" must be on a form supplied by the school district and can be signed by a physician, physician's assistant, or nurse practitioner licensed to practice in North Carolina. Additionally, individuals in these same categories with unrestricted licenses in other states can complete the Health Examination Certificate. Health Certificates are available on the Guilford County Schools website.

The local Board or the Superintendent or his/her designee may require any employee to take a physical examination whenever deemed necessary.

(Reference: G.S. 115C-323)

## **IDENTIFICATION BADGES**

**All permanent or interim employees are expected to visibly display, attached to their person, the approved Guilford County Schools photo identification badge while on any property owned or leased by the Board, during school hours or at any time the employee is acting in the course and scope of his/her employment with the Board.** Identification badges will be provided by the school district upon employment and remain the property of the Guilford County Schools. Persons who leave employment with the Guilford County Schools are required to turn in their ID badge to their immediate supervisor. **Replacement of lost badges shall be made at the employee's expense, and can be obtained by calling the Benefits Office at 370-8304.**

The Guilford County Schools currently extends the **courtesy** of free admission to most middle and high school athletic events upon presentation of the identification badge. This admission is for the **employee only** and does not admit anyone else accompanying the employee. Employees may be required to present other picture identification as well for admission. Identification badges are not good for admission to state play-off contests. Admission to these contests is controlled by the North Carolina High School Athletic Association.

## **OVERTIME**

It is the policy of the Guilford County Schools to abide by all applicable sections of the Fair Labor Standards Act (FLSA) and its later amendments. This overtime policy is applicable to all employees of the Guilford County Schools who are covered under the provisions of the Fair Labor Standards Act. The school district's intention is to assure good faith compliance with FLSA to the extent applicable to the Guilford County Schools.

1. **Exempt** - All employees classified as "Exempt" from the overtime provisions of the Fair Labor Standards Act are paid for the accomplishment of assigned accountabilities rather than being paid for the number of hours worked in a work week. For example, a full-time exempt employee would be expected to work a \*40-hour week at a minimum. Hours, in excess of the minimum, by an exempt employee performing work that is usual and customary are considered "accomplishment of assigned accountabilities" for which there is no additional compensation whether in time off or pay. **The category of "exempt" employees includes but is not limited to teachers, administrators, and certain supervisory staff.**

2. **Non-Exempt** - All employees classified as "Non-Exempt" from the overtime provisions of the Fair Labor Standards Act must be paid for overtime hours worked or given compensatory time off. Overtime is paid or **compensatory time** given to non-exempt employees for hours in excess of 40 hours actually worked in a work week. However, work schedules can be reduced within a week to offset extra hours worked earlier in the week so as not to exceed 40 and thereby avoid an "overtime" situation.

\* A full-time exempt teacher is expected to work a 37 ½ hour week at a minimum.

The work week begins Saturday at 12:01 a.m. and ends the following Friday at 12:00 midnight.

**The category of “non-exempt” employees includes but is not limited to teacher assistants, custodians, school food service workers and certain office support employees.**

3. **Approval to Work Overtime** - No overtime hours will be worked by non-exempt employees unless approved in advance by the employee's Department Head and, when for overtime pay, the overtime must be approved by the divisional Chief Human Resources Officer who is responsible to budget for such expenses. Work by a non-exempt employee which has not been requested by management but is nonetheless endured or permitted is still considered work time by FLSA. Therefore, no non-exempt employee will work, without the appropriate approval, prior to or after regularly scheduled hours, because such time would be considered overtime when in excess of 40 hours in the work week, even though the work had not been specifically authorized.

Supervisors/Department Heads are responsible for ensuring that overtime hours are authorized, recorded, and properly documented for compensatory time off or overtime pay in accordance with the established record-keeping forms and instructions. Non-exempt employees working beyond the normal workweek without specific approval, and supervisors who permit this, will be subject to disciplinary action.

(Reference: Fair Labor Standards Act; Guilford County Schools Auxiliary Services Procedures Manual)

## **PROFESSIONAL DEVELOPMENT**

***The Guilford County School System encourages each employee to use all available opportunities for professional development. Specialized training sessions, in addition to renewal credit opportunities, are made available to employees.***

## **GCS-SPONSORED ACTIVITIES**

Individual schools or various divisions within the Guilford County Schools often desire to conduct staff development activities which award CEU's to employees who participate in these courses. In such cases, the Office of Professional Development must approve the workshop, before renewal credit can be offered. Requests should be made 4 (four) weeks prior to the start date of the workshop.

Workshops must meet the following state standards:

- a minimum of ten (10) clock hours of direct training by an instructor;
- workshop meeting times must be a minimum of two (2) hours at a time. CEU's are only granted for up to 6 hours of staff development per day.
- for all-day workshops, a one-hour lunch break must be provided to all participants. It

is not acceptable to cut the lunch break short in order to release participants early from the workshop.

- for each 10 hours in a course, only one (1) of the 10 hours can be an outside assignment. Two (2) hours of homework assignments must be given to earn one hour of instructional credit.
- content and instructional activities designed in a sequential manner to develop specified competencies of a specific population;
- must be led by qualified personnel and directly supervised by the sponsoring school unit;
- credit is granted on the basis of program completion and achievement of specified individual performance, which is determined by individual evaluation of specified competencies.
- no partial credit can be given to any workshop participant. Participants who miss more than 30 cumulative minutes of any workshop are not eligible for credit.
- **participants must register for approved GCS / site-based courses. Participants who attend, but do not register before the last day, will not receive CEU credit.**
- enrollment is limited to assure accountability of credit granted.

The Professional Development contact designated by the school's principal must create the online course description and session information and request approval from the Office of Professional Development. Course approval submissions should be completed four (4) weeks prior to the start date of the workshop.

The SS-3 "Application for Reading Course Approval" form should be submitted with the online request for course approval if requesting Reading credit. Fill out the form and submit electronically to Rick Cobb, Director of Professional Development.

Upon approval, the workshop will be posted on the Professional Development website. Participants should register for the approved GCS workshop prior to the start date of the workshop. Instructors are responsible for printing the attendance sheet, signing the workshop roster and delivering it to the Office of Professional Development with three (3) working days after the workshop has been completed. Once the signed roster is received, attendance will be marked and CEU credit will be posted for the participants.

## **REQUESTING PRIOR APPROVAL FOR NON-GCS COURSES**

All events that are not provided by GCS must receive prior approval. To request prior approval to earn renewal credits for attending a **NON-GCS** course, workshop, seminar, conference, etc. the employee should request approval via the GCS Professional Development website before they attend an event for which they wish to receive CEU credit. Failure to do so, may disallow CEU credit. Requests should be made 3 (three) weeks prior to the start date of an event. **CEU credit cannot be awarded for any course with less than 10 hours of instruction.**

## **SEXUAL HARASSMENT OF STAFF**

The Guilford County Board of Education believes that all employees are entitled to work in school-related environments that are free of sexual harassment. The policy addressing sexual harassment includes definitions of sexual harassment.

Any employee who believes he/she has been the victim of sexual harassment at the worksite or as a result of district employment by any person is encouraged to report the alleged acts, including the specific facts of the incident(s) and the name(s) of the individual(s) to his/her immediate supervisor in a timely manner. If the immediate supervisor is the harasser or if the employee is more comfortable, the employee should report such acts to the Chief Human Resources Officer or the Executive Director for Human Resources. Where members of the Board, the Superintendent, or any senior staff members are involved, the employee should report such acts to the Board attorney. An immediate investigation of the claims will take place and upon evidence of sexual harassment, appropriate disciplinary action will be taken.

## **SEXUAL HARASSMENT OF STUDENTS**

The employees in the Guilford County Schools are expected to provide learning environments for students which are free of sexual harassment. Any student who believes that he/she has been subjected to sexual harassment by any employee (s) of the Guilford County Schools and any student or employee who has knowledge of sexual harassment or inappropriate staff-student relations should report the facts of the incident (s) and the name (s) of all the individual (s) involved in any material way immediately to

the student's principal or to the supervisor of the person reporting the incident. There will be an immediate investigation of the incident.

It is a Class I felony for teachers, school administrators, student teachers or coaches at any age and other school personnel at least four years older than a student to take indecent liberties with that student during or after the time both were present together in the same school but before the student ceases to be a student at that school. School personnel who are not teachers, school administrators, student teachers or coaches and who are less than four years older than the student who take indecent liberties with a student victim are guilty of a Class A1 misdemeanor. The use of tobacco products on or in any school property, or at any school-sponsored activity or event (regardless of location), is prohibited.

The Board of Education recognizes the importance of using a variety of instructional materials, in addition to adopted textbooks, to meet the instructional needs of students. Final decision on a purchase will rest with the Superintendent or designee.

### **USE OF COPYRIGHTED MATERIALS**

The Guilford County Schools requires that all employees be knowledgeable of and adhere to all provisions of current Federal copyright law, *Title 17* of US Code, and Congressional "fair use" guidelines. The district recognizes and supports the limitations on unauthorized duplication and use of copyrighted materials in all formats, as well as contractual and licensing agreements pertaining to the instructional use of all formats, including electronically transmitted materials. Willful or serious violations are considered to be in violation of expected standards of behavior for employees, students, and school visitors and may result in disciplinary action in accordance with board policy. The legal and insurance protection of the district will not be extended to employees who unlawfully copy or unlawfully use copyrighted materials.

(Reference: *Title 17* of US Code; Congressional "Fair Use" Guidelines)

## **USE OF ELECTRONIC TRANSMISSION CAPABILITIES**

The Guilford County Board of Education recognizes that technology and the Internet offer staff members the resources from thousands of computers and millions of individual people all over the world. Staff members may have access to e-mail, information and news, advertisements, discussion groups, and university and government libraries around the world.

Guilford County's e-mail and Internet capabilities have been established to enable staff members to more efficiently perform their duties, to support research and education, and to extend the resources of the Guilford County Schools. To that end, all uses of electronic transmission capabilities must support the goals and educational philosophy of the school district.

Employees should be aware that there is no reasonable expectation of privacy with regard to their use of, and transmission of information over, district-owned computers and computer networks. The school district reserves the right to monitor such use and transmission and to take appropriate disciplinary action if it can be reasonably determined that an employee has violated acceptable use standards.

# **Licensure Information**

## **INDUCTION AND PROFESSIONAL SUPPORT**

The Guilford County Schools recognizes that first-year teachers face many challenges as they make the transition from college student to classroom teacher. To ensure that our new professionals have the support they need to become the best teachers possible, Guilford County Schools provides a comprehensive induction program called "Right Start" to help them reach that goal.

"Right Start" consists of three (3) to four (4) days of pre-service workshops which provide an introduction to the Guilford County Schools, its culture, expectations, resources, policies and procedures. First year-teachers are also provided opportunities to work one-on-one with a mentor teacher. The initial workshops are followed by a series of monthly seminars in which a wide variety of timely topics are presented and discussed in detail.

"Right Start" is administered by the Organization Development Division. Beginning teachers needing help should call 370-8098 to request assistance.

## **BEGINNING TEACHERS' PROGRAM**

The Beginning Teachers Program (BT), mandated by the State Board of Education effective January 1, 1985 and amended in 1997, is a three-year program that extends professional education preparation and offers the assessment and support necessary for an individual's professional growth.

Teachers who did not receive a continuing license prior to January 1, 1998 and have fewer than three years of appropriate service (normally considered to be public school service) in their area of initial licensure are required to participate in an ILP.

Out-of-state applicants are not subject to ILP requirements if their North Carolina Licensure is based on reciprocity (not all states have reciprocity with NC) or completion of a National Council for Accreditation of Teacher Education (NCATE)-approved education program (not all out-of-state colleges/universities are NCATE-approved) and they have three or more years of appropriate experience. Out-of-state applicants, with less than three years experience, will participate in BT.

Individuals who renew expired licenses do not have to participate in an ILP if they have three or more years of appropriate experience at the time of license renewal. If they do not have such experience, they are subject to ILP requirements.

Year I, Year II and Year III beginning teachers (BTs) in the Guilford County Schools are assigned a Mentor/Support Team consisting of their principal/supervisor (or designee) and a career status "mentor" usually from their same subject area or grade level. A minimum of six successive months of participation is required per school year for the "year" to count toward fulfillment of the ILP requirement.

All initially licensed teachers are required by the state to show "continuous professional growth" as determined by each individual school district. Guilford County Schools requires that beginning teachers document their continuous professional growth on their professional development transcript logs. Workshops and courses must be approved through the Professional Development Website and must be taken within the fiscal year of July 1 to June 30. It is strongly recommended that teachers complete a minimum of two (2) continuing education units (CEU's) each BT year.

**Year I, Year II and Year III beginning teachers** will focus on teaching, working with a mentor, preparing an Individual Growth Plan (IGP), learning about the INTASC Standards,

practicing reflective writing, and carrying out all requirements of the state of North Carolina.

**Continuing Professional Licensure** (Standard Professional II License) will be granted when the BT has successfully completed licensure requirements; has completed the required professional growth as prescribed by the LEA; has completed three years of teaching; and the designated local official has notified DPI that there is no reason due to character or conduct that the BT should not receive licensure to teach in North Carolina.

Completion of BT requirements in one teaching area satisfies the BT requirement for all other teaching areas. Once continuing licensure has been earned in one teaching area, additional teaching areas do not require an BT experience.

Initially licensed teachers who are assigned to subject areas in which they hold a provisional license may not earn a continuing license until the specific license provisions have been satisfied.

Initial licensure becomes null and void after three years of unsuccessful experience and is not extended. The individual can return to an approved education program to correct deficiencies and earn a new initial license that allows him or her another opportunity to meet the performance requirements.

Initially licensed teachers who believe they may need additional assistance other than that provided by the assigned mentor should contact the Right Start Office at 370-8098.

## **LICENSE GUIDELINES**

State law requires all employees in "licensed" positions to hold appropriate licensure for their subject, grade level or professional assignment. "Appropriate" can mean a regular 5-year license or a "provisional" license or endorsement good for just the school year in question. The maintenance of a valid license in the area of assignment is the individual responsibility of the employee. Personnel who hold licenses which expire during a particular year must furnish documentation to the Staffing Operations Office that the required renewal credits, Praxis Test scores, semester hours of coursework, etc. have been completed.

Effective with 5-year licenses expiring June 30, 1994, the holder of the expiring license must provide information on whether or not he/she has been convicted of a felony or crime other than a minor traffic offense since his/her first N.C. license was issued. The state mandated form providing this information must be completed and on file for the license extension to be valid.

Licensed employees with a continuing license must document 15 or more units of renewal credit during each five-year cycle to renew or extend their license. One unit of credit is awarded for each year of full-time licensed employment during the five-year cycle, and the remaining units must be earned by completing approved staff development activities that are relevant to the assignment and/or license area (completion of an on-line "Prior Approval Form" assures that relevance). Credit may be earned for attending locally sponsored workshops, college/university/community college offerings, activities offered by various outside entities, and locally approved "independent study" activities. **PRIOR APPROVAL** is **REQUIRED** to earn renewal credit for all activities which are offered by any entity other than the Guilford County Schools, including colleges, State Department of Public Instruction, universities, technical schools and community colleges. "Prior Approval" means that an employee desiring renewal credit for a particular activity must request approval before the beginning date of the activity.

**Effective July 1, 2004, a minimum of three (3) Continuing Education Units (CEU's) in technology competencies will no longer be required.**

**For “individuals teaching Kindergarten through eighth grade whose licenses expire on or after June 30, 2004, a minimum of three (3) Continuing Education Units (CEU’s) must be earned during each five year cycle by completing activities which address State Board of Education policy on reading methods.”**

**School Administrators renewing their licenses on or after July 1, 2007 must complete five (5) Continuing Education Units during each renewal cycle focused on the Principal’s role in teacher effectiveness, teacher evaluations, teacher support programs, teacher leadership, teacher empowerment, and teacher retention.**

# **Employment, Compensation And Evaluation**

### **ASSIGNMENT AND TRANSFER - CLASSIFIED**

The reassignment and transfer of classified personnel may be necessary under certain conditions. Transfers may be self-initiated (at the request of the employee) or administration-initiated (employer directed based on administrative determination). The salary impact of the transfer of a classified employee will depend on whether the move is a promotion, a demotion or lateral transfer.

**Approved self-initiated transfers for classified employees may occur at any time during the year. Employees are not required to submit any paperwork to the Human Resources Office in order to transfer and may make direct contact with principals or other administrators regarding openings.** The actual date of transfer must be agreed upon by the losing and gaining administrators, but the date should not extend beyond 60 days after the transfer has been approved by the Chief Human Resources Officer or designee. If the transfer is a promotion, then the move will take place within fourteen (14) calendar days.

(Reference: Administrative Policy GCM)

### **ASSIGNMENT AND TRANSFER - LICENSED**

The reassignment and transfer of licensed personnel may be necessary under certain conditions. Transfers may be self-initiated (at the request of the employee) or administration-initiated (employer directed based on administrative determination). As a rule, self-initiated transfers of licensed employees will not occur during the school year, except under limited conditions as outlined in Administrative Policy GBM. This procedure addresses information related to the criteria, the exemptions, and the notice for transfer. **Self-initiated transfers will not occur after the third Monday in April for the following school year. As a general rule, non-career status teachers in Year 2 of BT and Year 3 of Probationary contract status are not eligible to transfer. However, the Human Resources Office may make exceptions for documented hardship cases.**

**The transfer period is open from approximately February first through the end of the day of the third Monday in April. Employees eligible for transfer do not have to be on the transfer list during the transfer period.**

(Reference: Administrative Policy GBM)

### **CLASSIFIED EMPLOYMENT**

Classified personnel are issued letters of appointment upon their employment with the Guilford County Schools. Listed below are the types of letters of appointment given to classified employees.

**Continuing letters of appointment:** Continuing letters of appointment are issued to full-time and part-time classified employees in continuing positions.

**Interim letters of appointment:** Interim letters of appointment are issued to classified employees who fill positions which (1) are temporarily vacant, (2) work with a single student (interpreters only), (3) are specially funded for a specific period of time. All classified employees are considered "at will" employees. The "at will" status is a category wherein the employee can be legally dismissed from employment at the discretion of the school district.

## **EMPLOYMENT OF SUBSTITUTES**

Only those persons whose names appear on the Guilford County Schools Approved Substitute List may be employed in a substitute capacity.

Teacher and Teacher Assistant substitutes must have 48 semester hours of coursework or an Associate Degree with a cumulative GPA of 2.0 to qualify as a substitute.

Approved substitutes can be employed only in the categories for which they have been approved. For example: A person approved to substitute for a teacher assistant cannot substitute for a teacher unless that person has also been approved to be a substitute teacher.

Current non-exempt employees who are also approved to substitute may not exceed the 40-hour work week provisions of the Fair Labor Standards Act.

**Licensed:** Substitutes are required for licensed personnel absences if they deliver direct instructional services to students. The principal must request a substitute in writing to the Chief Human Resources Officer (c/o the Director of Staffing Operations) in order to employ substitutes for school counselors and media specialists. Teacher Assistants may be employed as substitutes in accordance with specified procedures.  
(Reference: Administrative Procedure GBRJA-P; North Carolina Public Schools Financial Procedures Manual)

**Classified:** Substitutes for all classified personnel may be employed on the recommendation of principal/supervisor and with the approval of the Chief Human Resources Officer (c/o the Director of Staffing Operations) or through approved procedures following their absences for a specified period of time.  
(Reference: Administrative Procedure GBRJB-P)

Contact the Substitute Office at 378-8820 or 370-8382, for additional information.

## **EVALUATION - CLASSIFIED PERSONNEL**

The Guilford County Board of Education places a high priority on both engaging the most competent personnel available and on assisting them to develop throughout their term of employment. Classified employees, who are at-will employees, should be evaluated no less frequently than once each fiscal year. **However, if any employee receives ratings which are all at or above "satisfactory" levels, the formal evaluation may take place every two years as long as the employee's service continues to meet at least "satisfactory" levels. The Supervisor must document the satisfactory performance during alternate years by completing the "Certification of Classified Employee Performance" form. Additional appraisals may be conducted at any time deemed necessary by the evaluator. The evaluator and the employee must sign to indicate that the employee has read the completed evaluation form.**

(Reference: Board of Education Policy GCI)

## **EVALUATION - LICENSED PERSONNEL**

The Guilford County Board of Education attaches a high priority to securing the most competent personnel available and, once they are employed, in assisting them in their professional growth and development throughout their careers. The evaluation is a timely process in which judgments are made about the employee's work. The performance evaluation is a continuing process for the purpose of identifying strengths and weaknesses of the individual and improving the quality of work.

Specific procedures which comply and are consistent with North Carolina laws and State Board of Education regulations regarding the evaluation of licensed personnel may be found in Administrative Policy GBI.

(Reference: Administrative Policy GBI; Board of Education Policy GBDB; G. S. 115C-333;)

### **EXIT INTERVIEWS**

It is not a requirement that personnel ending employment with the Guilford County Schools go through a formal exit interview with Human Resources Department staff. Any employee desiring to have such an opportunity for feedback to the school district will be granted an exit interview, just as the district reserves the right to request the interview of selected personnel upon separation from employment. Employees desiring an exit interview should contact the Staffing Operations Director. Resignation forms are available from your supervisor or from the Human Resources Department.

### **JOB SHARING FOR SCHOOL EMPLOYEES**

If the local board of education wishes to employ job-sharing staff, it must designate one or more positions as job-sharing positions.

#### **Eligibility**

An employee in a job-sharing position is a person who:

- (1) Is employed by a local board of education less than-full- time, **and**
- (2) Is sharing a position with one other employee of the same job classification.

These job-sharing provisions apply to both certified personnel and non-certified personnel.

#### **Reemployed Retirees**

Because the benefits for staff employed in job-sharing positions include retirement, retirees can only be employed in temporary job-sharing positions. Retirees employed in temporary job-sharing positions do not earn leave benefits.

#### **Salary**

Employees in job-sharing position will be paid pro-rata based on the salary schedule for the position. Experience for certified personnel will be credited at the rate prescribed in Licensure Policy. For non-certified employees, experience credited for salary purposes will follow local policy.

**Note:** The legislation states, "Service rendered by a school employee in a job-sharing position shall be credited at the rate of one-half year for each regular school year of employment".

#### **Benefits**

An employee in a permanent job-sharing position who works at least 20 hours per week shall receive paid legal holidays, annual vacation leave, sick leave, and personal leave on a pro-rata basis. Such an employee also receives service credit under the Teachers' and State Employees' Retirement System as provided in G.S.135-4(b) and insurance benefits as provided in G.S. 135-40.2. Retirement is earned at a rate of one-half year of retirement credit for each regular school year of employment. Participation in the State Health Plan is an optional benefit. If the employee elects to participate in the State Health Plan the employing school unit pays 50% of the Plan's total non-contributory premiums and the employee pays the balance.

### **LICENSED EMPLOYMENT (TEACHERS AND OTHERS)**

Eligible instructional licensed personnel are issued contracts upon their employment with the Guilford County Schools. Listed below are the types of contracts given to licensed employees.

**Probationary Contracts:** New licensed instructional employees who hold clear Standard Professional I or II North Carolina licenses are eligible for probationary contracts which carry probationary status for a maximum of four (4) consecutive years. Licensed employees who come to the Guilford County Schools holding career status from another North Carolina school unit are given probationary contracts which carry probationary status for a maximum of one (1) year. Licensed employees who come to the Guilford County Schools from out-of-state school units and are eligible to hold clear North Carolina licenses are given probationary contracts which carry probationary status for a maximum of four (4) consecutive years. Licensed employees who formerly held career contracts with the Guilford County Schools and who are re-employed in the school system are given probationary contracts which carry probationary status for one (1) year.

A probationary year consists of a minimum of one hundred and twenty (120) working days during a fiscal year (actual days at work excluding sick leave, annual leave and holidays) for teachers. If a probationary teacher does not work 120 workdays as a full-time, permanent teacher during the fiscal year because the teacher is on sick leave, disability leave or both, that year shall not be deemed to constitute:

1. A consecutive year of service for the teacher, or
2. A break in the continuity in consecutive years of service for the teacher.

**Career Contracts:** Career contracts and **career status (tenure)** are given to licensed employees who have met the requirements established under the probationary contracts and who have received approval by the Guilford County Board of Education. Upon notification of the affected employee, career contracts become effective immediately.

**Interim Contracts:** Interim contracts are issued to licensed personnel who fill positions which are:

1. temporarily vacant;
2. short-term for a specific period of time, not to exceed one school year;
3. less than full-time, not to exceed one school year.

Interim contracts are also given to licensed employees who do not hold valid and clear North Carolina licenses in at least one area. Interim employees are not eligible to be placed in the tenure track until they hold a valid and clear license in at least one subject area.

**Administrative Contracts:** Principals and Assistant Principals, and certain Directors and Supervisors who have not attained career status under the provisions of G.S. 115C-325 will be issued initial two-year contracts and are eligible for extensions of four (4) years according to the provisions of G.S. 115C-287.1.

**Note:** If any licensed employee believes that he/she has not been issued the correct contract or the correct number of years of probationary status, it is the employee's responsibility to advise the Director of Staffing Operations, so that any discrepancy can be reviewed and appropriately resolved.

(Reference: G.S. 115C-325 and G.S. 115C-287.1)

## **PERFORMANCE IMPROVEMENT PLANS**

### **Licensed Employees:**

A Performance Improvement Plan refers to any written strategy designed to help an employee improve or gain even greater competence. This includes Individual Growth Plans (IGPs) and Action Plans. North Carolina General Statute 115C-333 and Board of Education Policy GBIA require an action plan for any licensed employee who receives a rating of below standard or unsatisfactory on any function of the employee's performance evaluation, unless the Superintendent recommends dismissal, demotion or non-renewal of the employee. Under state law, teachers are required to enter into the Superintendent's plan for professional development.

(Reference: G.S. 115C-307 (e); G.S. 115C-333; Administrative Policy GBIA)

An IGP shall be developed or reviewed at least once annually near the beginning of the year. For first-year beginning teachers and first year probationary teachers, IGPs shall be developed after the first observation. Any Performance Improvement Plan, including IGPs and Action Plans, may be appealed to the principal and to the Chief Human Resources Officer if the employee is not satisfied with the decision of the principal.

(Reference: Administrative Policy GBIA)

### **Classified Employees:**

Any classified employee who receives an overall performance rating below a "satisfactory" level on his/her performance evaluation must participate in a performance improvement plan designed to improve the employee's performance in the deficient area(s). Any performance improvement plan may be appealed to the immediate Supervisor or to the Director of Staffing Operations if the employee is not satisfied with the decision of the immediate Supervisor.

### **RESIGNATION - CLASSIFIED EMPLOYEES**

**Classified employees are required to submit their written resignation notice at least fourteen (14) calendar days prior to the effective date.** Failure to provide sufficient notice will be made part of the employment record, does not reflect positively, and will harm future reemployment possibilities; even with proper notice, employees who resign during the school year are generally not reemployed within the next twelve months. Resignations which occur during the summer months must provide a notice of at least fourteen (14) days prior to start date for employees for the next school year.

Once a resignation is accepted by the Superintendent or his/her designee, it may not be withdrawn by the employee.

(Reference: Board of Education Policy GCO)

### **RESIGNATION - LICENSED EMPLOYEES**

When an employee resigns and is not immediately rehired in another North Carolina school system, the sick leave and personal leave are kept in a “bank” for five (5) years and payment is made for annual leave days. If the employee returns, as an eligible permanent full or part-time employee, to a North Carolina school system within five (5) years, the sick leave and personal leave are returned. If the employee does not return within five (5) years, the sick leave and personal leave are lost.

## **SALARY ADMINISTRATION**

### **Pay Plan Administration**

Besides the State Teacher's Salary Schedule, locally adopted salary schedules exist for positions employed by the Board of Education. Our pay plan recognizes experience as the basis for pay increases within the established pay range. Rules and procedures on salary progression are available for review at school / department offices, at the Staffing Operations Office and on the district's website.

### **Hiring Rate/Starting Salary/Salary Adjustments**

- (a) Teachers and others paid on the teacher and/or state salary schedules are placed on the schedule and step certified by the North Carolina Department of Public Instruction based on years of experience and degree held. GCS provides a local supplement to these salaries.
- (b) New employees assigned to the Master Salary Schedule that sufficiently verify previous work experience may receive credit for experience in accordance with the provisions set forth for experience criteria.  
New employees assigned to the Bus Driver Salary Schedule who sufficiently verify previous work experience may receive credit up to the maximum of the Bus Drivers' Salary Schedule in accordance with the provisions set forth for experience criteria.
- (c) Employees are encouraged to monitor their pay vouchers to assure proper placement on the appropriate salary schedule. Errors in salary placement (underpayments and overpayments) will be corrected upon discovery. Salary adjustments will be effective, retroactively, to the date the error occurred. However, under no circumstances will a retroactive salary adjustment be made for more than twelve (12) months prior to July 1 of the current fiscal year.

### **Progression Through the Salary Range**

In accordance with State law and regulations, for licensed personnel assigned to a state schedule plus a supplement (e.g. teachers), experience step increments are granted annually, unless frozen by legislative action. Generally, for all others on the Master Salary Schedule or bus driver salary schedule, assuming the state-granted salary increase is greater than the percentage between steps, employees will advance one step on the assigned salary grade for completion of each year of satisfactory service until he/she reaches the maximum of the salary range.

### **Pay for Part-Time Work**

Compensation of any employee appointed for less than full-time service shall be computed on a pro-rated basis for hours worked. These employees will be covered by Workers' Compensation and Social Security and will receive other fringe benefits as determined by the Board of Education and state law.

### **Extra Duty/Extended Employment**

Only employees who have been classified as "Exempt" from the overtime provisions of the Fair Labor Standards Act (FLSA) are eligible to be employed for Extra-Duty/Extended Employment such as coaching or extra-curricular activities. An "Agreement for Extended Employment" must be completed for each activity.

### **Paydays**

Employees are paid either monthly on the 15th of the month or the last day of the month or semi-monthly on the 15th and last day of the month. Each paycheck will include earnings for all work performed through the end of the previous payroll period. **Contact the Payroll Department at 370-8370 for additional information on pay dates.**

In the event that a regularly scheduled payday falls on a weekend or bank holiday, employees' bank accounts will be credited on the revised pay date.

### **Direct Deposit**

All employees are required to enroll in the Direct Deposit Program or the Payroll Card Program administered by Wachovia Bank. An employee must complete either the Direct Deposit Authorization Agreement for Automatic Deposits (Form FIN-F002) or the Payroll Card Enrollment Form (FIN-F041). After the Direct Deposit Authorization Agreement or the Payroll Card Enrollment Form is received and processed, a trial transaction must be run between the Guilford County Schools bank and the employee's bank; therefore, it may take 6 to 8 weeks before deposits will be made directly to the employee's account. **Any questions or requests for the Direct Deposit Authorization Agreement or the Payroll Card Enrollment Form should be directed to the Payroll Office at 370-8367.**

### **Payroll Deductions**

Federal and State income taxes, Social Security tax, and retirement contributions, tax liens and the like shall be payroll deducted as required by law and the Board of Education. No other payroll deductions from employee's pay for contributions to charitable or other organizations will be made without the request of the employee, prior approval, and in accordance with locally established procedures.

### **Twelve-month Salary Option:**

Teachers and other eligible ten-month salaried employees may request to receive their annual salary in twelve monthly installments in accordance with General Statue 115C-302.1. However, the following conditions apply to those employees who request the twelve-month payment option:

**Questions regarding the twelve-month payment option should be directed to the Payroll Office.**

## **Workers' Compensation Insurance**

Provisions of the Workers' Compensation Act are applicable to all paid school employees. Workers' Compensation provides medical benefits and a weekly compensation benefit equal to 66 2/3% of the employee's average weekly earnings for the year prior to the injury, up to a maximum established by the Industrial Commission each year.

When an employee is injured on the job, he/she must ensure that the immediate supervisor has knowledge of the injury **immediately** following the accident. The employer's Report of Injury to Employee (Form 19) **must** be completed and signed by the employee's supervisor and forwarded to the Benefits Office within five (5) days. The completed Employee Statement (Statement B) **must** accompany the Form 19. Forms are available at the schools and departments. Eligible employees receive the Workers' Compensation weekly benefit, after the required waiting period of seven (7) calendar days, (including Saturday and Sunday), effective on the 8th day of the disability. During the seven-day waiting period, the employee may choose to use available sick leave, annual leave, or bonus leave in this order. The employee can also take leave without pay for the seven (7) day waiting period.

If the injury results in disability of more than 21 calendar days, the Workers' Compensation weekly benefit is allowed from the date of disability. While on Workers' Compensation leave, an eligible employee continues to accumulate vacation and sick leave if the employee earned such leave while working. Leave days earned while on Workers' Compensation leave will be added to the employee's leave account upon return to work. Absences for Workers' Compensation shall count as part of the employee's Family and Medical Leave Act (FMLA) entitlement for that year.

The employee is responsible for facilitating correct and timely processing of medical/prescription services by informing all concerned parties of the status of the claim and notifying same to contact/bill the appropriate carrier adjuster. Transportation costs may be eligible for reimbursement.

Any employee absent for more than ten (10) days due to workers' compensation compensable injuries must also complete a "Request for Leave of Absence" form.

**Workers' Compensation claims must never be filed with a health insurance carrier. All treatment, tests, equipment, or prescriptions must have prior authorization before the appropriate carrier can pay them. Failure to follow Industrial Commission guidelines could jeopardize eligibility for Workers' Compensation benefits.**

(Reference: The Provisions of the Workers' Compensation Act (G. S. 115c-337))

### **EPISODE OF VIOLENCE**

Any permanent full-time employee who suffers an injury and is disabled while engaged in the course of his or her employment shall receive full salary if the injury or disability arose from an episode of violence and the employee did not participate in or provoke the violence.

The salary shall continue for one year, the continuation of the disability, or the time during which the employee is unable to engage in his or her employment because of the injury, whichever period is shortest.

While receiving regular salary under this provision, the employee is not eligible to receive weekly salary benefits under Workers' Compensation. However, the employee may receive medical, hospital, drug and related expense payments from Workers' Compensation if applicable.

The employee is not required to use any paid leave (sick, annual, personal, etc.) if the approved absence is due to an episode of violence.

**An employee experiencing an episode of violence must complete the same forms as in a Workers' Compensation claim. Refer to the Workers' Compensation section.**

### **LONGEVITY**

All qualified permanent full-time and part-time employees (20 hours or more a week) are eligible for yearly longevity payments after completing ten years of State of North Carolina service. Longevity payment is calculated according to a scale based upon annual state salary and years of qualifying service:

<u>Years Completed</u>	<u>Non-Teachers</u>	<u>Teachers</u>
10 but less than 15	1.50%	1.50%
15 but less than 20	2.25%	2.25%
20 but less than 25	3.25%	3.25%
25 or more years	4.50%	4.50%

Longevity payment is made the last working day of the employee's anniversary month.

### **MISCELLANEOUS BENEFITS**

#### **Employee Assistance Program**

**All full-time employees and part-time employees working four (4) or more hours per day are eligible to receive a cumulative total of five free visits per fiscal year for confidential short-term counseling services for help in resolving personal and family problems. Immediate family members can be included in the five free visits per fiscal year. All visits are confidential.** Employees need only to call the provider, Cornerstone Psychological Services at (336) 540-9400 in Greensboro to schedule an appointment. Please identify yourself as an employee of Guilford County Schools. A child of an employee is eligible for services only until the child's nineteenth birthday or up to age 26 if the child is a full-time student.

Employees who retire or are terminated are eligible for the Employee Assistance Program Services for a period of six (6) months or to the end of the contract year during which they are separated, whichever is longer.

### **Social Security**

All employees participate in the social security system. Contributions are made by both the employee and employer. Benefits may include retirement, pensions, disability payments, and survivor's insurance. The tax rate for contributions is determined annually.

### **Savings Bonds**

All permanent employees are eligible to purchase United States Government Savings Bonds through after-taxed payroll deductions. Contact the Benefits Office for information and enrollment forms.

(Reference: [www.savingsbonds.gov](http://www.savingsbonds.gov))

### **Annuities**

All employees are eligible to participate in a 403(b) Tax-Deferred Annuity (TDA) program through a pre-tax monthly payroll deduction. The Board of Education maintains a list of approved TDA companies from which employees may select. Employees should act carefully to assure that both the sign-up and the amount are in compliance with the law. Interested employees should complete and submit salary reduction agreements to the Executive Director for Financial Services/CFO by the first day of the month in which the deduction is to become effective. A list of approved TDA companies may be obtained from the Executive Director for Financial Services/CFO, the Benefits Office, and from the Guilford County Schools website under Human Resources and Benefits.

### **401(k)**

All qualifying employees are eligible to participate in the 401(k) program administered by the State of North Carolina through Prudential Retirement. Contact the Benefits Office for information and enrollment forms. Information may also be obtained from the Prudential Retirement website at [www.prudential.com/ncplans](http://www.prudential.com/ncplans) or call 1-866-627-5267 or 624-0151.

### **457 Deferred Compensation Plan**

All permanent employees are eligible to participate in the State of North Carolina 457 Deferred Compensation Plan administered by Great-West Life/BenefitsCorp. A 457 plan is similar to a 403(b) plan where contributions are made through payroll reduction, occur on a pre-tax basis and accumulate tax-deferred until withdrawn. The minimum monthly contribution is \$20. Investment options include stock funds, bond funds and short-term investment funds. Participants may defer the lesser of 100% of compensation or \$11,000. The deferral dollar limit will be adjusted for inflation in \$500 increments. During each of the three years prior to retirement, there is a special catch-up limit that is generally twice the deferral limit. In addition, there is an age 50+ catch-up provision which allows employees to contribute an additional \$2,000 into the plan. For example, the maximum contribution for someone at least 50 years of age in 2003 is \$14,000. The standard 457 catch-up and the age 50+ catch-up cannot be used in the same year with the 457 plan. The 457 plan maximum deferral limit is not reduced by deferral made to another type of retirement plan such as 401(k) or 403(b). Therefore, a participant covered by a 457 plan and a 401(k) plan could defer the maximum into each plan.

Reasons why you might participate in a 457 plan even if you already have a 403(b) plan are threefold:

- you have reached the annual elective deferral limit in the 403(b) plan and want to make additional pre-tax contributions;
- there is no 10% penalty on distributions taken prior to age 59 1/2; and
- there is no recurring administrative charge or surrender charge on withdrawals taken due to death, disability, separation from service or an unforeseen emergency.

Interested employees should contact Benefits Corp., Inc. at (888) 600-2763 extension 125.

### **State Employees' Credit Union**

All employees, except individuals employed through contracted services, may join the North Carolina State Employees' Credit Union. Upon obtaining membership, the employee's spouse, children, and parents may become members. In addition, substitutes paid by Guilford County Schools are eligible to obtain membership in the credit union. Information is available from the credit union locations in Greensboro, High Point and from the Benefits Office.

### **Theme Park Programs**

Employees may request information from the Benefits Office on discount tickets for Kings Dominion and Six Flags over Georgia.

## **RETIREMENT SYSTEM**

### **Pension**

All permanent full-time employees are required to join the Teachers' and State Employees' Retirement System. Eligible employees contribute 6% of their gross salary (pre-tax) to the Retirement System. The Guilford County Schools may make a contribution as established by the North Carolina General Assembly for each permanent full-time employee. Monthly benefits at retirement are based upon the employee's four (4) highest consecutive years of salary, years of state service, and/or age at retirement. **After five (5) years of creditable service an employee is considered "vested" and may be eligible for benefits from the retirement system.** Full, unreduced retirement benefits may be received at age 65 with 5 years of service; age 60 with 25 years of service, or at any age with 30 years of service. Reduced benefits may be received at age 50 with 20 years of service or age 60 with 5 years of service. **If an employee meets the age and service requirements for full or reduced retirement, the employee will be eligible for free health insurance. For employees first hired on and after October 1, 2006:**

- Full coverage as retired employees requires 20 or more years of retirement service credit
- Employees with 10 but less than 20 years of retirement service credit shall be eligible for coverage under the Plan on a partially contributory basis (50/50)
- Retired teachers, State employees, and members of the General Assembly with less than 10 years of retirement service credit are eligible for coverage under the Plan, on a fully contributory basis if first hired on or after Oct 1, 2006.

All retirements are effective the first day of the month. Licensed employees are asked to sign a resignation form and to give a 30 calendar day notice, so as to provide a smooth transition. Classified employees are asked to sign a resignation form and to give a 14 calendar day notice. Principals and Administrators are asked to sign a resignation form and to give a 60 calendar day notice.

**Change of retirement beneficiaries is possible at any time prior to retirement and under certain option provisions after retirement. If an employee terminates employment with the State, the employee may request a refund of contributions (penalty assessed) or a rollover of contributions**

into an IRA (no penalty assessed) as an alternative to a monthly pension. The refund normally takes a minimum of sixty to ninety (60 to 90) days. Interim employees may not withdraw their funds during the months of June, July, August, or September. Interim employees may apply for withdrawal of funds after October 1.

**For more detailed information; refer to the Teachers' and State Employees' Retirement System's website: [www.treasurer.state.nc.us](http://www.treasurer.state.nc.us).**

### **Death Benefit**

A death benefit between \$25,000 and \$50,000 is payable to a designated beneficiary after an employee has completed one year (365 days) as a contributing member of the Teachers' and State Employees' Retirement System. The amount paid is determined by employee's annual salary. Employee retirement contributions are also paid to the designated beneficiary. The death benefit remains in place for 180 days following an employee's resignation.

### **Employee Disability**

A comprehensive short-term and long-term disability income plan is provided at the employer's expense for permanent full-time employees who are members of the Teachers' and State Employees' Retirement System and meet certain state service requirements. **Please note: donated leave may not be used beyond the 60<sup>th</sup> day of disability.**

**The short-term disability plan is available to disabled employees with at least one year (365 days) of contributory retirement service within the last 36 months. It begins on the 61st day of disability and provides monthly income equal to 50% of one-twelfth of the annual base salary, local supplement (if applicable), and longevity for up to 365 calendar days, with a maximum of \$3,000 per month. The State Disability Income Plan does not allow outside earnings during the sixty- (60) days waiting period. Short-term disability benefits may be extended for as many as 365 days beyond the original short-term period if approved by the State Medical Board.**

**The long-term disability income plan begins after the short-term plan ends for the totally and permanently disabled permanent full-time employee with five years of contributory retirement service. The five years of service must be within the previous eight years. The long-term disability plan provides monthly income equal to 65% of one twelfth of the annual base salary, local supplement (if applicable), and longevity, up to \$3,900 per month until the employee qualifies for unreduced retirement benefits. Long-term benefits, however, are coordinated with Social Security disability payments and Workers' Compensation benefits.**

**A permanently disabled employee may choose to apply for Faulkenbury Disability if eligibility requirements are met. Contact the Benefits Office for details.**

## **LEAVE BENEFITS**

Guilford County Schools employees are encouraged to utilize available leave benefits options when necessary. However, employees should carefully consider the impact that their absence(s) will have on the overall instructional program and upon the achievement of students. Even the best substitute employee cannot provide the high level of service provided by the regular employee. Every employee absence diminishes the overall quality of the instructional program.

**In addition, unused accumulated sick leave and/or annual vacation leave can significantly enhance an employee's financial entitlements at retirement or upon separation from employment with the school district.**

More detailed information is contained in the publication, "Guilford County Schools Employee Guide: Leaves and Absences," available on the Guilford County Schools website.

### **Short-Term Leaves of Absence**

A leave of absence for a period of up to ten (10) workdays shall be considered a short-term leave of absence. A short-term leave of absence may be with or without pay.

- \* Short-term leave of absence with pay - The appropriate supervisor has authority to approve a leave of absence with pay for a period of up to ten (10) days for appropriate reasons. Paid leave (annual leave, miscellaneous bonus leave, sick leave, personal leave and extended sick leave) shall be used in accordance with state regulations and may be advanced up to the amount that will be earned within the current fiscal year with the approval of the employee's supervisor.
  
- \* Short-term leave of absence without pay - The appropriate supervisor has authority to approve up to five (5) days of leave without pay for appropriate reasons. The appropriate supervisor's superior has authority to approve up to an additional five (5) days of leave without pay for appropriate reasons. A full day's salary reduction shall be made for each day the employee is absent. Multiple short-term leaves of absence without pay shall not be approved for more than ten (10) cumulative workdays per fiscal year (July 1- June 30). If additional leave is requested, the employee should follow the procedures for requesting long-term leaves of absence.

### **Long-Term Leaves of Absence**

A leave of absence for a period exceeding ten (10) workdays shall be considered a long-term leave of absence. A long-term leave of absence may be with or without pay. **Guilford County Schools requires the employee to use available paid leave before going on leave without pay.** Sick leave, annual leave and personal leave may not be advanced when an employee is requesting a long-term leave of absence without pay. Only leave which is earned until such time as the employee goes off the payroll may be used.

- Long-term leave of absence with pay – The Benefits Office has authority to approve a leave of absence with pay for a period exceeding ten (10) workdays for the allowable reasons listed below. Paid leave (annual leave, miscellaneous bonus leave, sick leave, personal leave, and extended sick leave) shall be used in accordance with state regulations. During the period of paid leave, employees continue to earn full benefits and are responsible for the guidance and direction of their programs (such as lesson planning, grades, reports etc.)

- Long-term leave of absence without pay – The Benefits Office has authority to approve a leave of absence without pay for a period exceeding ten (10) workdays for the allowable reasons listed below.

Allowable reasons for which long-term leave of absence may be requested are:

1. Military leave;
2. Parental leave, for the birth or adoption of a child or placement of a foster child for a period of up to twelve (12) calendar months;
3. Medical leave, for personal illness or temporary disability that prevents an employee from performing his or her usual duties, for a period up to twelve (12) calendar months in excess of sick leave provisions;
4. Family Medical leave, in order to provide care for an immediate family member who is critically ill, for a period up to twelve (12) calendar months;
5. Educational leave, if the employee is enrolled in a full-time program at an accredited community college, technical school, college or university, in accordance with Administrative Procedure GBRL-P, for a period up to twelve (12) calendar months; and
6. Leave available under the Family and Medical Leave Act.

### **Exceptions to the Period Exceeding Ten Days**

A request for a leave of absence form must be completed and submitted to the Benefits Office, if the absence is for more than 10 days. The exceptions to this procedure are: military leave, the use of extended sick leave, and the use of voluntary shared leave. The “Request for Leave of Absence” form must be completed for each of these exceptions even if the absence is 10 days or less. The appropriate documentation for the type of leave requested must also be submitted to the Benefits Office for approval.

### **Death in Family**

Employees may use sick leave for death in immediate family.

### **Leave Without Pay**

**Guilford County Schools requires the employee to use available paid leave before going on leave without pay.** An employee may be granted a leave of absence without pay for periods as granted in the discretion of the Superintendent and in accordance with the rules and regulations adopted by the School Board. Extended leaves of absence may be granted in accordance with local rules and regulations. Whenever possible, employees shall give advance notice of requests for leave of absence as documented in the "Employees' Guide: Leaves and Absences" available on the Guilford County Schools website under Human Resources/Benefits. The local board may determine when the leave will begin or end, based on a consideration of the welfare of the students and the need for continuity of instruction.

(Reference: North Carolina Benefits and Employment Policy Manual, Section 9)

### **Other Employment While on Leave**

Except for specific authorization found in the state disability plan, it is not the practice of the school district to authorize a leave and allow employees to accept other employment. Any exceptions to this practice should be requested by the employee at the time leave approval is sought. Any employee on an approved leave of absence should request approval from the Benefits Office prior to accepting other employment. The request will be reviewed and a letter of notification will be mailed to the employee.

If an employee is receiving short-term disability and working at another job, name of employer, gross and net earnings and date of payment must be reported to the benefits office.

### **Return From Long-Term Leave of Absence**

When an employee returns to work from an approved long-term leave of absence without pay, the school district will attempt to place that employee in his/her original position if possible. However, in such cases when this is not possible, the employee will be placed in an equivalent position at another location within the school district. **An employee returning to work after an absence of one year or more must submit a new North Carolina Health Certificate to the Benefits Office. If insurance benefits were cancelled while on leave of absence, it is the employee's responsibility to re-enroll. An employee can call the Benefits Office for more information and assistance in enrolling in insurance benefits.**

### **Sick Leave**

Sick leave is earned by all permanent employees at the rate of one (1) day for each monthly pay period they are working or on paid leave for one-half or more of the work days in the pay period (pro-rated for part-time - 50% or more). **This leave may be used for personal illness, injury, temporary disability, illness or death in the immediate family, or employee medical appointments.** For periods of ten (10) working days or less, employees must complete a "Leave Request" (form FIN-FO17) available in the school/department office to request/document the absence. The immediate site supervisor is authorized to approve requests from employees for use of accumulated sick leave for up to ten (10) consecutive days. **Requests for more than five (5) consecutive days must be accompanied by a doctor's statement. The appropriate supervisor or the Human Resources Department may require, at any time, a statement from a medical or other acceptable proof that the employee was unable to work.** For periods of more than ten (10) working days, employees must complete a "Request for Leave of Absence" (form HUM-F001) also available in the school/department office. The Benefits Office has authority to approve requests from employees for use of accumulated sick leave for a period exceeding ten (10) workdays.

Sick leave must be charged in half-day minimums and taken only within existing guidelines for personal illness, or an illness or death in the immediate family as defined by the State Board of Education. Unused sick leave can be added to length of service for pension computation at retirement. (Reference: NC Benefits and Employment Policy Manual; Guilford County Schools Employee Guide: Leaves and Absences)

### **Extended Sick Leave**

Permanent full-time or part-time classroom teachers and media specialists, who are absent due to their **own personal illness or injury** in excess of their accumulated sick leave shall be allowed extended sick leave of up to twenty (20) workdays throughout the regular term of employment. **Employees on extended sick leave receive full salary less the required substitute deduction. This deduction is mandatory whether or not a substitute is employed. The standard deduction is \$50.00 a day.** In order for a new employee to be eligible, he/she must have reported to work. **If the absence is 10 days or less, the employee must complete the "Request for Leave of Absence" form; (HUM-F001) available in the school/department office. If the absence is for more than 10 days, a Request for Leave of Absences form must be completed. Both forms require medical documentation. This information must be submitted to the Benefits Office for approval. Requests to use extended sick leave should be made no later than five (5) days after the extended sick leave begins. If this is not possible, employee must provide written justification to the Director of Benefits.**

## **Voluntary Shared Leave**

The purpose of voluntary shared leave is to provide economic relief for employees who are likely to suffer financial hardship because of a **prolonged absence or frequent short-term absences, caused by a serious medical condition**. The serious medical condition must be documented by a medical doctor, and follow the definition and guidelines as set forth in the Family Medical Leave Act of 1993.

**Only permanent full-time or part-time employees who have exhausted all accumulated paid leave (sick leave, annual leave, miscellaneous bonus leave if applicable) are eligible to receive donated leave. An employee need not exhaust personal leave and the 20 days of extended sick leave to be eligible for voluntary shared leave.**

An employee who is eligible to receive benefits from the State of North Carolina Disability Income Plan and/or a private supplemental disability insurance policy is not eligible to receive donated leave. Voluntary shared leave may be used during the required sixty (60) day waiting period for the Disability Income Plan or any applicable waiting period under a private policy.

The following two (2) conditions must be met before an eligible employee can request Voluntary Share Leave:

1. Must be absent for more than five (5) consecutive days or a series of more than five (5) days over a period of six (6) months **due to the same medical reason**.
2. Must be absent due to a serious medical condition (as defined by the Family Medical Leave Act of 1993) of self or immediate family member.

Employees may apply for donated leave by completing three forms:

- (1) "Application for Voluntary Shared Leave" (form HUM-F021)
- (2) "Request for a Leave of Absence" (form HUM-F001)
- (3) "U.S. Department of Labor" (form WH-380).

Forms are located in school/department office. The "Request for a Leave of Absence" form is used to verify a serious medical condition. Submit forms to the Benefits Office.

Application may also be made by a third person acting on the employee's behalf if the employee is unable to make application. The application must include a doctor's statement, and an authorization for release of medical information signed by the person who is suffering the medical condition (or parent or guardian of a minor). This release may also be signed by any legally authorized party.

**Any eligible employee in the school system may donate annual vacation leave to any approved employee in the same school system. Family members may donate annual vacation leave, miscellaneous bonus leave or sick leave to immediate family members in the same school system, another N. C. school system, community college or state agency as defined by the State Board of Education.**

**Employees of a school system may donate annual vacation leave to the immediate family of a co-worker if the co-worker's immediate family member is eligible for donated leave and works in another school system, state agency or community college.**

**In order to donate leave an employee must complete a "Authorization to Donate Leave" (form HUM-F020) and submit it to the Benefits Office.**

Requests to use voluntary shared leave and requests to donate leave must be received in the Benefits Office before the leave begins or before the employee returns to work. If this is not possible, employee must provide written justification to the Director of Benefits.

Anyone who would like more information should contact the Benefits Office.  
(Reference: NC Benefits and Employment Policy Manual, Guilford County Schools Employee Guide: Leaves and Absences)

### **Personal Leave**

Personal leave is earned only by permanent full-time or part-time classroom teachers and media specialists. All such full-time instructional personnel earn personal leave at the rate of .20 days for each full month of employment not to exceed two (2) days per year. Part-time personnel earn at a pro rata share of the rate for full-time employees.

Personal leave may be accumulated for a maximum of five (5) days. Thereafter earnings will cease to be accumulated until the leave balance is reduced below five (5) days by employee use.

**All personal leave must be authorized by the immediate supervisor.** It shall not normally be granted on the first day teachers are required to report for the school year, required teacher workdays, the last working day before or the next working day after holidays or vacation day scheduled in the calendar. The immediate supervisor may make exceptions to these days when necessary. A teacher who requests personal leave at least five (5) days in advance shall not be required to provide a reason.

Personal leave must be used in one-half or whole-day units. **Employees using personal leave receive full salary less the required substitute deduction. The deduction is mandatory whether or not a substitute is employed.** The employee must complete a "Leave Request" (form FIN-FO17) available in the school/department office to request/document the absence.

(Reference: NC Benefits and Employment Policy Manual; Guilford County Schools Employee Guide: Leaves and Absences)

### **Annual Vacation Leave**

The purpose of paid annual vacation leave is to allow and encourage all employees to renew their physical and mental capabilities and to remain fully productive. G.S. 115C-316 requires that the first ten (10) days of annual leave earned by ten or 11-month employees during any fiscal year shall be scheduled to be used in the school calendar adopted by the local Board of Education. Employees are eligible to request additional available annual vacation leave during each year in order to achieve the stated purpose. State and local regulations determine when annual leave may be taken. Annual leave must be authorized by the immediate supervisor and the employee must complete a "Leave Request" (form FIN-F017) available in the school/department office to request/document the absence.

Bus drivers and instructional personnel who require a substitute normally may not take annual vacation leave at any time that students are scheduled to be in attendance.

All full- and part-time permanent employees who work or are on paid leave (including paid holidays and when on Worker's Compensation) for one-half or more of the work days in a monthly pay period, earn annual vacation leave based on the length of total State of North Carolina service. Annual vacation leave for a part-time permanent employee shall be computed on a pro rata basis.

Annual vacation leave shall be earned as follows:

<b><u>Years of State Service Employment</u></b>	<b><u>Days of Leave Earned per Month of</u></b>
Less than 2 years	1.00
2 but less than 5 years	1.15
5 but less than 10 years	1.40
10 but less than 15 years	1.65
15 but less than 20 years	1.90
20 years or more	2.15

Bus drivers who work less than 20 hours per week and who are not otherwise entitled to earn vacation as described above are entitled to earn one day per year (equal in length to one regular workday for each driver) if

- (a) they are employed to drive a regular daily route (i.e., they are not substitute drivers) and
- (b) they were employed as regular drivers the entire previous school year.

The Guilford County Schools requires annual vacation leave to be used in one-half or whole day units.

Annual vacation leave may be accumulated without any applicable maximum until June 30 of each calendar year. On June 30 accumulated annual vacation leave in excess of 30 days will be converted to sick leave so that only 30 workdays of annual vacation leave are carried forward to July 1 of each year. An employee with more than 30 days of annual vacation leave who separates from employment prior to June 30 is not eligible for this conversion and will be paid for a maximum of 30 days or 240 hours.

**Bonus Vacation Leave**

Bonus vacation leave was received in two special distributions during the 2002-2003 school year and the 2003-2004 school year. In each of the two special distributions, eligible employees in permanent full-time - 12 month positions received 10 days of bonus vacation leave. The leave was received pro-rata if employed less than full-time and/or less than 12 months.

The bonus vacation leave balance is tracked separately and carries forward each year until used or paid out at retirement or separation. It is not included in the 30-day limit of the annual vacation leave which can be carried forward on June 30<sup>th</sup> each year and does not roll into sick leave.

Bonus vacation leave can be used under the same circumstances and provisions as annual vacation leave.

An employee who transfers between local administrative units or to or from a state agency must have all unused bonus vacation leave transfer to the new school system or state agency.

Upon separation from employment, any unused bonus vacation leave balance will be paid out at the daily rate at the time of separation. The payment is in addition to the annual vacation leave balance (up to 30 days) that is paid at separation.

Bonus vacation leave can be donated under the same rules and provisions as annual vacation leave

is donated.

### **Holidays**

Holidays are determined by the State Board of Education. The local board of education determines when holidays are scheduled in the school calendar. The Guilford County Schools develops and adopts employment calendars for ten-month and twelve-month employees each year that include the appropriate holidays.

Paid holidays are granted only to employees who are in the position on the day on which the holiday is scheduled or in pay status for one-half or more of the workdays of the month. Temporary employees are not entitled to paid holidays.

Absence from work for bona fide religious holidays may be allowed for a maximum of two days within any one school year with prior approval from the Superintendent or his/her designee. Bona fide religious holidays generally are considered to be those holidays that appear on the National Conference of Community and Justice "Interfaith Calendar." Any other request will require appropriate documentation. Written requests should be submitted to the Chief Human Resources Officer at least two (2) weeks in advance of the proposed absence. Absence for these religious holidays will be with full pay; however, the employee must agree to make up the amount of time for which his or her absence has been excused. The time must be made up at a time agreed upon by the employee and his or her immediate supervisor.

Absences will not be granted for bona fide religious holidays which fall on days that the school system is not in operation.

### **Family and Medical Leave Act**

The Family and Medical Leave Act (FMLA) allows eligible employees to take unpaid leave for up to twelve (12) weeks during each twelve-month FMLA leave year. **GUILFORD COUNTY SCHOOLS REQUIRES THE EMPLOYEE TO USE AVAILABLE PAID LEAVE BEFORE GOING ON LEAVE WITHOUT PAY.** Family and Medical Leave may be taken for the following reasons:

- (1) the birth of a child of the employee and in order to care for the child;
- (2) the placement of a child with the employee for adoption or foster care;
- (3) taking care of the employee's spouse, child, or parent who has a serious health condition; or
- (4) a serious health condition of the employee that makes the employee unable to perform the functions of the employee's position.

An employee is eligible for FMLA leave if both of the following conditions are met:

- (1) the employee has worked for the Guilford County Schools for at least twelve (12) months, which need not be consecutive; and

- (2) the employee has worked at least 1,250 hours for the Guilford County Schools during the twelve (12) month period immediately preceding the beginning of the FMLA leave.

**The Guilford County Schools must maintain any employer-paid health benefits while the employee is on FMLA leave.**

The FMLA leave year is a rolling twelve - month period measured forward from the date the employee first takes FMLA leave after completion of any previous FMLA leave year.

The full text of the Guilford County Schools FMLA policy is contained in the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website under Human Resources/Benefits.

### **Parental Leave**

All full-time permanent or part-time permanent employees may take a leave of absence without pay for up to twelve (12) calendar months to care for a newborn child, a newly adopted child or a child placed in foster care. **GUILFORD COUNTY SCHOOLS REQUIRES THE EMPLOYEE TO USE AVAILABLE PAID LEAVE BEFORE GOING ON LEAVE WITHOUT PAY.**

Use of appropriate earned leave during the time of the leave (annual vacation leave, miscellaneous bonus leave, sick leave, extended sick leave, personal leave and voluntary shared leave) will not extend the 12-month period of parental leave to which the employee is entitled. However, the Board of Education may determine when the leave will begin or end, based on a consideration of the welfare of the students and the need for continuity of service.

Benefits under the Family and Medical Leave Act are available to eligible employees requesting Parental Leave.

**Please refer to the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website for more detailed information with respect to requesting a Parental Leave.**

### **Military Leave**

The granting of military leave to full-time or part-time permanent employees is an obligation of the State to the defense effort of the nation and to the protection of the State itself. Generally, employees may be granted up to fifteen (15) days of leave with pay during the federal fiscal year for military training. An employee called to active duty will take a leave without pay unless he/she chooses to use available annual leave. **Important Note: The "Request for a Leave of Absence" (form HUM-F001) must be submitted to the Benefits Office for any amount of time away from the job due to military duties such as annual training, annual physical or active duty.**

Public school employees, including charter school employees, on leave of absence for state or federal military duty under honorable service status, for required training, or for special emergency management service shall be paid the difference in military base pay and public school salary, including non-performance based bonuses, when the military pay is less than the public school salary. **The employee must request differential pay within 12 months from the date of separation or discharge.**

(Reference: Guilford County Schools Employee's "Guide to Leave and Absences"; G. S. 115-C-302.1)

All military leaves of absence will be administered in accordance with federal and state laws.

**Please refer to the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website for more detailed information with respect to requesting a Military Leave.**

#### **Medical Leave\***

All full-time permanent or part-time permanent employees may take a leave of absence without pay for up to twelve (12) calendar months in excess of sick leave provisions for personal illness or temporary disability that prevents an employee from performing his or her usual duties. **Guilford County Schools requires an employee to use appropriate earned leave during the time of the leave (annual vacation leave, miscellaneous bonus leave, sick leave, extended sick leave, personal leave, and voluntary shared leave).** However, the Board of Education may determine when the leave will begin or end, based on a consideration of the welfare of the students and the need for continuity of service. Benefits under the Family and Medical Leave Act are available to eligible employees requesting Medical Leave.

**Please refer to the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website for more detailed information with respect to requesting a Medical Leave.**

#### **Family Medical Leave\***

All full-time permanent or part-time permanent employees may take a leave of absence without pay for up to twelve (12) calendar months to care for the employee's immediate family member with a serious health condition. **Guilford County Schools requires an employee to use appropriate earned leave during the time of the leave (sick leave, annual vacation leave, miscellaneous bonus leave, personal leave and voluntary shared leave).** However, the Board of Education may also determine when the leave will begin or end, based on a consideration of the welfare of the students and the need for continuity of service.

Benefits under the Family and Medical Leave Act are available to eligible employees requesting Family Medical Leave.

**\*Employees who work less than four (4) hours per day are not considered part-time and are, therefore, ineligible for a medical leave. They must resign their position if they cannot work due to their own illness or that of a family member. However, employees who resign under these circumstances will be given consideration for rehire.**

**Please refer to the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website for more detailed information with respect to requesting a Family Medical Leave.**

#### **Educational Leave**

Employees of the Guilford County Schools who are enrolled as students at a college or university should make every effort to schedule their classes in so far as possible after their regular duty hours. If the employee has exhausted all measures and must schedule a class before the end of the work day the following options are available:

- A. In lieu of taking any professional days, a total of eighty (80) hours of release time may be taken for educational purposes. The employee should make a written request, including the class schedule, to his/her supervisor.

- B. If the employee must be absent for more than one hour any given day, a substitute is required. The cost of a one-half day substitute will be deducted from the employee's wages.
- C. Twelve-month employees enrolled in full-time summer school may use vacation time to account for the day(s) absent.
- D. Employees enrolled in internships will:
  1. request placement in writing for fall semester by June 1 and placement for second semester by November 15 in conjunction with the college/university placement request.
  2. be governed by the number of hours to be served in the internship by the sponsoring college or university.
  3. present a proposal or plan, approved by the college or university, to the Director of Recruitment for review. If the proposed plan cannot be accommodated during the school year in terms of before, during or after school hours, then the employee must secure a leave of absence from his/her position (full-time) to fulfill the internship requirement or request the Director of Recruitment for placement in Guilford County Schools year-round summer programs, if appropriate placement is available.
  4. Receive approval and be assigned to their current school/department or assigned to a different school/department by the Director of Recruitment, after consulting with the principal/supervisor and the appropriate Executive Director.
- E. Any approved request and schedule will be forwarded to the employee's personnel file.

To take an unpaid educational leave, an employee **at least sixty (60) days in advance** must: complete the "Request for Leave of Absence" form (HUM-F001), attach appropriate documentation, indicating a full-time registered student, and submit all documents to the Benefits Office. Once received the employee will be contacted for an appointment with the appropriate Benefits' Specialist.

Educational leave may be granted for full-time study as defined by an accredited college or university. The maximum length of an educational leave is one calendar year, except for employees participating in the North Carolina Principal Fellows' Program.  
(Reference: Administrative Policy GBRL)

**Failure to request, in writing, an educational leave sixty (60) days in advance could result in denial of the leave.**

**Please refer to the "Employees' Guide to Leaves and Absences" available on the Guilford County Schools website for more detailed information with respect to requesting an Educational Leave.**

### **Leave of Absence and Tenured/Probationary Teachers and Support Staff**

Tenured employees approved for a leave of absence retain tenured status upon return from the authorized leave.

Probationary teachers and support staff must begin an entirely new probationary period (4 consecutive years) if a leave of absence, paid or unpaid, prevents the employee from completing four (4) **consecutive** years of 120 workdays (days actually at work) each.

An exception to this is if a probationary teacher or support staff in a full-time, permanent position does not work for at least 120 workdays in a school year because the employee is on sick leave, disability or both, that school year shall not be deemed to constitute:

1. A consecutive year of service for the teacher, or
2. A break in the continuity in consecutive years of service for the teacher.

Upon return to work, the employee would retain the same probationary contract status (P1, P2, etc.) as before the leave. The employee would not have to start a new probationary period.

### **Professional Leave with Deduction**

All full-time or part-time permanent employees are eligible for professional leave. Permanent public school employees who have professional responsibilities, or who need to attend meetings of professional associations, may be absent with pay minus a salary deduction for substitute teachers. The deduction is mandatory whether or not a substitute is employed. Such absences must be approved by the Superintendent or his/her designee (usually the Principal at a school or designated administrative supervisor at other sites) and will be allowed for a period not exceeding three (3) successive days for in-state meetings and five (5) successive days for out-of-state meetings. Absences for this purpose may not exceed ten (10) days for the school year. The limitation shall not apply to a person who is a local or district president or president-elect, state or national officer of a professional education, or a person selected as the National Teacher of the Year. The Office of the Deputy State Superintendent shall upon request determine the eligibility of the professional association.

### **Professional Leave Without Deduction**

Permanent public school employees attending meetings or performing duties as a member of the State Board of Education, the State Textbook Commission, the Board of Governors of the Governor's Schools or required attendance at a case manager's hearing shall receive full salary. Permanent public school employees completing assignments for, or serving on a commission or committee appointed by the Governor, the State Superintendent, the State Board of Education, or the General Assembly shall receive full salary. Substitutes for these persons will be paid from the same source of funds as the employee being replaced.

### **Officers of Professional Organization**

Upon the recommendation of the local superintendent, local boards of education may grant leave with pay for elected officers of professional organizations, provided the organization pays the full salary and all benefit costs for the employee on leave. During such leave with pay, the employee will earn sick, personal, and annual vacation leave and receive paid holidays. Employees will be eligible to use leave as they would when in active status with the school system.

### **Community Responsibility**

Upon approval of his or her supervisor, full-time or part-time public school employees may be granted leave to represent the school or administrative unit at community functions such as the funeral of a school child or his parent. Employees absent for these reasons shall retain full salary during the days absent.

Proper provisions shall be made for the continuation of the employee's regular work by making satisfactory arrangements within the system or by employment of a substitute. Substitutes employed for these absences shall not be paid from state funds.

### **Jury Duty**

Full-time or part-time public school employees will retain full salary when absent from work to serve on a jury. The employee is entitled to regular compensation in addition to payment for jury duty.

### **Court Attendance**

- (a) **Attendance by duty or subpoena:** Full-time or part-time public school employees retain full salary for absences from school due to court attendance related to their official duty. The employee also will receive full salary when subpoenaed, except as noted in section (b). Out-of-state subpoenas are not binding on North Carolina residents, unless that state and North Carolina have an interstate subpoena agreement.

Any fees except travel reimbursement received by a school employee serving in an official capacity as a witness shall be returned to the employing school administrative unit to be credited to the same fund from which the employee is paid.

Substitutes employed for these absences shall be paid from the same source of funds as the employee's salary (local, federal, or state).

- (b) **Attendance for personal reasons:** Full-time or part-time public school employees who are absent for appearance in court as plaintiffs, defendants or witnesses for personal matters, even if subpoenaed, shall not be entitled to receive any salary payment for those days, unless they are using appropriate earned leave. (Note: School personnel who are responding to subpoenas for civic responsibilities such as a witness to a crime, are eligible for paid court attendance leave).

### **Elected Officials**

Full-time or part-time public school employees serving as elected government officials may, with their supervisor's approval, choose to use appropriate earned leave to attend to the responsibilities of their elected office.

### **Parental Involvement in Schools Leave**

### **Eligibility and Rate of Earning**

In accordance with G.S. 95-28.3, any employee who is a parent, guardian or person in loco parentis may take up to four hours per fiscal year to attend or otherwise be involved at his or her child's school.

There is no requirement that the employer pay an employee while taking this leave. However, the local school district may allow the employee to use eligible accrued leave in lieu of non-paid parental involvement leave.

### **Conditions for Leave**

Leave granted for this purpose is subject to the following conditions:

- (a) The leave shall be at a mutually agreed upon time between employer and employee,
- (b) The employer may require an employee to provide a written request at least 48 hours before the time desired for the leave, and
- (c) The employer may require that the employee furnish written verification from the child's school that the employee attended or was otherwise involved at the school during the time of leave.

### **Definition of School**

For the purpose of this policy, "school" is defined as any:

- (a) Public
- (b) Private church school, church of religious charter, or nonpublic school that regularly provides a course of instruction,
- (c) Preschool, or
- (d) Child day care facility.

## **SECTION .0600 – CODE OF PROFESSIONAL PRACTICE AND CONDUCT FOR NORTH CAROLINA EDUCATORS**

### **16 NCAC6C.0601 – THE PURPOSE AND APPLICABILITY OF THE RULES OF PROFESSIONAL CONDUCT FOR EDUCATORS**

The purpose of these rules is to establish and uphold uniform standards of professional conduct for licensed professional educators throughout the State. These rules shall be binding on every person licensed by the SBE, hereinafter referred to as “educator” or “professional educator,” and the possible consequences of any willful breach shall include license suspension or revocation. The prohibition of certain conduct in these rules shall not be interpreted as approval of conduct not specifically cited.

*History Note: Authority G.S. 115C-295.3;  
Eff. April 1, 1998.*

### **16 NCAC6C.0602 – THE STANDARDS OF PROFESSIONAL CONDUCT FOR NC EDUCATORS**

(a) The standards listed in this Section shall be generally accepted for the education profession and shall be the basis for State Board review of performance of professional educators. These standards shall establish mandatory prohibitions and requirements for educators. Violation of these standards shall subject an educator to investigation and disciplinary action by the SBE or LEA.

(b) Professional educators shall adhere to the standards of professional conduct contained in this Rule. Any intentional act or omission that violates these standards is prohibited.

- (1) Generally recognized professional standards. The educator shall practice the professional standards of federal, state, and local governing bodies.
- (2) Personal conduct. The educator shall serve as a positive role model for students, parents, and the community. Because the educator is entrusted with the care and education of small children and adolescents, the educator shall demonstrate a high standard of personal character and conduct.
- (3) Honesty. The educator shall not engage in conduct involving dishonesty, fraud, deceit, or misrepresentation in the performance of professional duties including the following:
  - (A) statement of professional qualifications;
  - (B) application or recommendation for professional employment, promotion, or licensure;
  - (C) application or recommendation for college or university admission, scholarship, grant, academic award, or similar benefit;
  - (D) representation of completion of college or staff development credit;
  - (E) evaluation or grading of students or personnel;
  - (F) submission of financial or program compliance reports submitted to state, federal, or other governmental agencies;
  - (G) submission of information in the course of an official inquiry by the employing LEA or the SBE related to facts of unprofessional conduct, provided however,

- that an educator shall be given adequate notice of the allegations and may be represented by legal counsel; and
- (H) submission of information in the course of an investigation by a law enforcement agency, child protective services, or any other agency with the right to investigate regarding school-related criminal activity; provided, however, that an educator shall be entitled to decline to give evidence to law enforcement if such evidence may tend to incriminate the educator as that term is defined by the Fifth Amendment of the U.S. Constitution.
- (4) Proper remunerative conduct. The educator shall not solicit current students or parents of students to purchase equipment, supplies, or services from the educator in a private remunerative capacity. An educator shall not tutor for remuneration students currently assigned to the educator's classes, unless approved by the local superintendent. An educator shall not accept any compensation, benefit, or thing of value other than the educator's regular compensation for the performance of any service that the educator is required to render in the course and scope of the educator's employment. This Rule shall not restrict performance of any overtime or supplemental services at the request of the LEA; nor shall it apply to or restrict the acceptance of gifts or tokens of minimal value offered and accepted openly from students, parents, or other persons in recognition or appreciation of service.
- (5) Conduct with students. The educator shall treat all students with respect. The educator shall not commit any abusive act or sexual exploitation with, to, or in the presence of a student, whether or not that student is or has been under the care or supervision of that educator, as defined below:
- (A) any use of language that is considered profane, vulgar, or demeaning;
- (B) any sexual act;
- (C) any solicitation of a sexual act, whether written, verbal, or physical;
- (D) any act of child abuse, as defined by law;
- (E) any act of sexual harassment, as defined by law; and
- (F) any intentional solicitation, encouragement, or consummation of a romantic or physical relationship with a student, or any sexual contact with a student. The term "romantic relationship" shall include dating any student.
- (6) Confidential information. The educator shall keep in confidence personally identifiable information regarding students or their family members that has been obtained in the course of professional service, unless disclosure is required or permitted by law or professional standards, or is necessary for the personal safety of the student or others.
- (7) Rights of others. The educator shall not willfully or maliciously violate the constitutional or civil rights of a student, parent/legal guardian, or colleague.
- (8) Required reports. The educator shall make all reports required by Chapter 115C of the North Carolina General Statutes.
- (9) Alcohol or controlled substance abuse. The educator shall not:
- (A) be under the influence of, possess, use, or consume on school premises or at a school-sponsored activity a controlled substance as defined by N.C. Gen. Stat. § 90-95, the Controlled Substances Act, without a prescription authorizing such use;
- (B) be under the influence of, possess, use, or consume an alcoholic beverage or a controlled substance on school premises or at a school-sponsored activity involving students; or

- (C) furnish alcohol or a controlled substance to any student except as indicated in the professional duties of administering legally prescribed medications.
- (10) Compliance with criminal laws. The educator shall not commit any act referred to in G.S. 115C-332 and any felony under the laws of the United States or of any state.
- (11) Public funds and property. The educator shall not misuse public funds or property, funds of a school-related organization, or colleague's funds. The educator shall account for funds collected from students, colleagues, or parents/legal guardians. The educator shall not submit fraudulent requests for reimbursement, expenses, or pay.
- (12) Scope of professional practice. The educator shall not perform any act as an employee in a position for which licensure is required by the rules of the SBE or by Chapter 115C or the North Carolina General Statutes during any period in which the educator's license has been suspended or revoked.
- (13) Conduct related to ethical violations. The educator shall not directly or indirectly use or threaten to use any official authority or influence in any manner that tends to discourage, restrain, interfere with, coerce, or discriminate against any subordinate or any licensee who in good faith reports, discloses, divulges, or otherwise brings to the attention of an LEA, the SBE, or any other public agency authorized to take remedial action, any facts or information relative to actual or suspected violation of any law regulating the duties of persons serving in the public school system, including but not limited to these Rules.
