Minimum Salary Schedule — Educators

A district shall pay each classroom teacher, full-time librarian, full-time school counselor, or full-time nurse not less than the minimum monthly salary, based on the employee’s level of experience, specified in Education Code 21.402 and 19 Administrative Code 153.1021.

Definitions

“Classroom Teacher”

“Classroom teacher” means an educator who teaches an average of at least four hours per day in an academic or career and technology instructional setting, focusing on the delivery of the Texas Essential Knowledge and Skills, and who holds the relevant certificate from the State Board for Educator Certification (SBEC). Although noninstructional duties do not qualify as teaching, necessary functions related to the educator’s instructional assignment, such as instructional planning and transition between instructional periods, should be applied to creditable classroom time.

“Librarian”

“Librarian” means an educator who provides full-time library services and holds the relevant certificate from SBEC.

“Counselor”

“Counselor” means an educator who provides full-time counseling and guidance services and holds the relevant certificate from SBEC.

“Nurse”

“Nurse” means an educator employed to provide full-time nursing and health-care services and who meets all the requirements to practice as a registered nurse (RN) pursuant to the Nursing Practice Act and the rules and regulations relating to professional nurse education, licensure, and practice and has been issued a license to practice professional nursing in Texas.

“Full-Time”

“Full-time” means contracted employment for at least ten months (187 days) for 100 percent of the school day, in accordance with the definitions of school day in Education Code 25.082, employment contract in Education Code 21.002, and school year in Education Code 25.081.

19 TAC 153.1022(a)

Placement on Salary Schedule

The Commissioner’s rules determine the experience for which a teacher, librarian, school counselor, or nurse is to be given credit in placing the teacher, librarian, school counselor, or nurse on the minimum salary schedule. A district shall credit the teacher, librarian, school counselor, or nurse for each year of experience, whether or not the years are consecutive. Education Code 21.402(a), .403(c); 19 TAC 153.1022

Employees Formerly on Career Ladder

A teacher or librarian who received a career ladder supplement on August 31, 1993, is entitled to at least the same gross monthly salary the teacher or librarian received for the 1994–95 school year as long as the teacher or librarian is employed by the same district.
In addition, a teacher or librarian who was on level two or three of the career ladder is entitled, as long as he or she is employed by the same district, to placement on the minimum salary schedule according to the guidelines at Education Code 21.403(d). *Education Code 21.402(f), 21.403(d)*

**Pay Increases**

A district shall not grant any extra compensation, fee, or allowance to a public officer, agent, servant, or contractor after service has been rendered or a contract entered into and performed in whole or in part. *Tex. Const. Art. III, Sec. 53*

**Public Hearing—Contract Employees**

A district may not pay an employee or former employee more than an amount owed under a contract with the employee unless the district holds at least one public hearing. Notice of the hearing must be given in accordance with notice of a public meeting under the Texas Open Meetings Act [see BE].

The board must state the following at the public hearing:

1. The source and exact amount of the payment;
2. The reason the payment is being offered including the public purpose that will be served by making the payment; and
3. The terms for distribution of the payment that effect and maintain the public purpose.

*Loc. Gov't Code 180.007*

**Salary Advances and Loans**

A district shall not lend its credit or gratuitously grant public money or things of value in aid of any individual, association, or corporation. *Tex. Const. Art. III, Sec. 52; Brazoria County v. Perry, 537 S.W.2d 89 (Tex. Civ. App.—Houston [1st Dist.] 1976, no writ)*

**Designation of Compensation for Benefits**

An employee who is covered by a cafeteria plan or who is eligible to pay health-care premiums through a premium conversion plan may elect to designate a portion of the employee’s compensation to be used as health-care supplementation. The amount designated may not exceed the amount permitted under federal law. *Education Code 22.103*

An employee may use the compensation designated for health-care supplementation for any employee benefit, including depositing the designated amount into a cafeteria plan in which the employee is enrolled or using the designated amount for health-care premiums through a premium conversion plan. *Education Code 22.106*

**Use**

**Annual Election**

Each school year, an active employee must elect in writing whether to designate a portion of the employee’s compensation to be used as health-care supplementation. The election must be made at the
same time that the employee elects to participate in a cafeteria plan, if applicable. *Education Code 22.105*

**Definition**

For purposes of the designation of compensation as health-care supplementation, “employee” means an active, contributing member of the Teacher Retirement System (TRS) who:

1. Is employed by a district;
2. Is not a retiree eligible for coverage under Insurance Code Chapter 1575 (retiree group health benefits);
3. Is not eligible for coverage by a group insurance plan under Insurance Code Chapter 1551 (state employee health insurance) or Chapter 1601 (state university employee health insurance); and
4. Is not an individual performing personal services for the district as an independent contractor.

*Education Code 22.101(2)*

**TRS Contributions for New Hires**

During each fiscal year, a district shall pay an amount equal to the state contribution rate, as established by the General Appropriations Act for the fiscal year, applied to the aggregate compensation of new members of the retirement system, during their first 90 days of employment.

“New member” means a person first employed on or after September 1, 2005, including a former member who withdrew retirement contributions under Government Code 822.003 and is reemployed on or after September 1, 2005.

On a monthly basis, a district shall:

1. Certify to TRS the total amount of salary paid during the first 90 days of employment of a new member and the total amount of employer payments under this section for the payroll periods; and
2. Retain information, as determined by TRS, sufficient to allow administration of this section, including information for each employee showing the applicable salary as well as aggregate compensation for the first 90 days of employment for new employees.

A district must remit the amount required under this section to TRS at the same time the district remits the member’s contribution. In computing the amount required to be remitted, a district shall include compensation paid to an employee for the entire pay period that contains the 90th calendar day of new employment.

*Gov’t Code 825.4041*
TRS Surcharge for Rehired Retirees

TRS Fund Contributions

During each payroll period for which a retiree is reported, a district shall contribute to the retirement system for each retiree reported an amount based on the retiree’s salary equal to the sum of:

1. The current contribution amount that would be contributed by the retiree if the retiree were an active, contributing member; and

2. The current contribution amount authorized by the General Appropriations Act that the state would contribute for that retiree if the retiree were an active, contributing member.

Gov’t Code 825.4092(b)

Health Insurance Contributions

In addition, each payroll period and for each rehired retiree who is enrolled in TRS Care (retiree group health insurance), a district shall contribute to the TRS Care trust fund an amount established by TRS. In determining the amount to be contributed by the district, TRS shall consider the amount a retiree is required to pay for the retiree and any enrolled dependents to participate in the group program and the full cost of the retiree’s and enrolled dependents’ participation in the group program. If more than one employer reports the retiree to TRS during a month, the amount of the required payment shall be prorated among employers.

A district is not required to contribute these amounts for a retiree who retired from the retirement system before September 1, 2005.

Gov’t Code 825.4092(c), (e); Insurance Code 1575.204(b)

Exception

Notice Regarding Earned Income Tax Credit

Not later than March 1 of each year, a district shall provide employees with information regarding general eligibility requirements for the federal earned income tax credit by one of the following means:

1. In person;

2. Electronically at the employee’s last known e-mail address;

3. Through a flyer included, in writing or electronically, as a payroll stuffer; or

4. By first class mail to the employee’s last known address.

A district may not satisfy this requirement solely by posting information in the workplace.

In addition, a district may provide employees with IRS publications and forms, or information prepared by the comptroller, relating to the earned income tax credit.

Labor Code 104.001–.003
Decreasing Pay

The Commissioner has held that a district may reduce educator compensation if it gives sufficient warning of a possible reduction in pay when educators can still unilaterally resign from their contracts. A sufficient warning must be both formal enough and specific enough to give educators a meaningful opportunity to decide whether to continue employment with a district. *Brajenovich v. Alief Indep. Sch. Dist.*, Tex. Comm’r of Educ. Decision No. 021-R10-1106 (2009)

Widespread Salary Reductions

The following provisions apply only to a widespread reduction in the amount of annual salaries paid to classroom teachers in a district based primarily on district financial conditions rather than on teacher performance.

For any school year in which a district has reduced the amount of the annual salaries paid to classroom teachers from the amount paid for the preceding school year, the district shall reduce the amount of the annual salary paid to each district administrator or other professional employee by a percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

*Education Code 21.4032*

A board may not reduce salaries until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Furlough Program

In accordance with district policy [see DFFA], a board may implement a furlough program and reduce the number of days of service otherwise required under Education Code 21.401 [see DC] by not more than six days of service during a school year if the Commissioner certifies that the district will be provided with less state and local funding for that year than was provided to the district for the 2010–11 school year. *Education Code 21.4021(a)*

A board may not implement a furlough program until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Funding Levels

Not later than July 1 of each year, the Commissioner shall determine for each district whether the estimated amount of state and local funding per student in weighted average daily attendance to be provided to the district under the Foundation School Program for maintenance and operations for the following school year is less than the amount provided to the district for the 2010–11 school year. If the amount estimated to be provided is less, the
Salaries

Notwithstanding Education Code 21.402 (minimum salary schedule), a board may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced. Any reduction in the amount of the annual salary must be equally distributed over the course of the employee’s current contract with the district.

Furlough Days

A furlough program must subject all contract personnel to the same number of furlough days. An educator may not be furloughed on a day that is included in the number of days of instruction required under Education Code 25.081 [see EB]. Implementation of a furlough program may not result in an increase in the number of required teacher workdays. An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.

Contract Resignation

If a board adopts a furlough program after the date by which a teacher must give notice of resignation from a probationary, term, or continuing contract [see DFE], an employee who subsequently resigns is not subject to sanctions imposed by SBEC.

No Appeal

A decision by a board to implement a furlough program is final and may not be appealed and does not create a cause of action or require collective bargaining.

Education Code 21.4021

Salary Reduction / Furlough Process

A board may not implement a furlough program under Education Code 21.4021 or reduce salaries until the district has complied with the requirements below.

Employee Involvement

A district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

1. Includes the involvement of the district’s professional staff; and

2. Provides district employees with the opportunity to express opinions regarding the furlough program or salary reduction proposal, as applicable, at the public meeting described below.

Public Meeting

A board must hold a public meeting at which the board and district administration present:

1. Information regarding the options considered for managing the district’s available resources, including consideration of a tax rate increase and use of the district’s available fund balance;
2. An explanation of how the district intends, through implementation of a furlough program or salary reductions, as applicable, to limit the number of district employees who will be discharged or whose contracts will not be renewed. Any explanation of a furlough program must state the specific number of furlough days proposed to be required; and

3. Information regarding the local option residence homestead exemption.

The public and district employees must be provided with an opportunity to comment at the public meeting.

*Education Code 21.4022*
The Superintendent shall recommend an annual compensation plan for all District employees. The compensation plan will include wage and salary structures, stipends, benefits, and incentives. [See also DEAA] The recommended plan shall support District goals for hiring and retaining highly qualified employees. The Board shall review and approve the compensation plan to be used by the District. The Board shall also determine the total compensation package for the Superintendent. [See BJ series]

**Pay Administration**
The Superintendent shall implement the compensation plan and establish procedures for plan administration consistent with the budget. The Superintendent or designee shall classify each job title within the compensation plan based on the qualifications, duties, and market value of the position.

**Annualized Salary**
The District shall pay all salaried employees over 12 months in equal monthly or bimonthly installments, regardless of the number of months employed during the school year. Salaried employees hired during the school year shall be paid in accordance with administrative regulations.

**Pay Increases**
The Superintendent shall recommend to the Board an amount for employee pay increases as part of the annual budget. The Superintendent or designee shall determine pay adjustments for individual employees, within the approved budget following established procedures.

**Mid-Year Pay Increases**

- **Contract Employees**
  A contract employee’s pay may be increased after performance on the contract has begun only if authorized by the compensation plan of the District or there is a change in the employee’s job assignment or duties during the term of the contract that warrants additional compensation. Any such changes in pay that do not conform with the compensation plan shall require Board approval. [See DEA(LEGAL) for provisions on pay increases and public hearing requirements]

- **Noncontract Employees**
The Superintendent may grant a pay increase to a noncontract employee after duties have begun because of a change in the employee’s job assignment or to address pay equity.

**Pay During Closing**
During an emergency closure, all employees shall continue to be paid for their regular duty schedule unless otherwise provided by Board action. Following an emergency closure, the Board shall adopt a resolution or take other Board action establishing the purpose and parameters for such payments. [See EB for the authority to close schools]
Premium Pay During Disasters

Nonexempt employees who are required to work during an emergency closing for a disaster, as declared by a federal, state, or local official or the Board, shall be paid at the rate of one and one-half times their regular rate of pay for all hours worked up to 40 hours per week. Overtime for time worked over 40 hours in a week shall be calculated and paid according to law. [See DEAB] The Superintendent or designee shall approve payments and ensure that accurate time records are kept of actual hours worked during emergency closings.
Incentive Grants—Contract Provision

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee’s salary. Education Code 21.415

Educator Excellence Innovation Program

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. TEA will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the Commissioner;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the Commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the Commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The Commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and submit a plan and grant application may not be appealed to the Commissioner.
A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district’s local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see MENTOR TEACHERS, below];

2. Implementation of a teacher evaluation system using multiple measures that include:
   a. The results of classroom observation, which may include student comments;
   b. The degree of student educational growth and learning; and
   c. The results of teacher self-evaluation;

3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];

4. Establishment of an alternative teacher compensation or retention system; and

5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the Commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and

4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the Commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district’s local educator excellence innovation plan.

*Education Code Ch. 21, Subch. O; 19 TAC 102.1073*

**Mentor Teachers**

A district may assign a mentor teacher to each classroom teacher who has less than two years of teaching experience in the subject or grade level to which the teacher is assigned. A teacher assigned as a mentor must:

1. To the extent practicable, teach in the same school;

2. To the extent practicable, teach the same subject or grade level, as applicable; and

3. Meet the qualifications prescribed by Commissioner’s rules.

The Commissioner’s rules must require that a mentor teacher:

1. Complete a research-based mentor and induction training program approved by the Commissioner;

2. Complete a training program provided by the district; and

3. Have at least three complete years of teaching experience with a superior record of assisting students, as a whole, in achieving improvement in student performance.

A district may apply to the Commissioner for funds for a mentor teacher program. A district may use the funds only for providing:

1. Mentor teacher stipends;

2. Scheduled release time for mentor teachers and the classroom teachers to whom they are assigned for meeting and engaging in mentoring activities; and

3. Mentoring support through providers of mentor training.

It is not necessary that an employee be permitted to leave the premises if the employee is otherwise completely freed from duties during the meal period. 29 C.F.R. 785.19

**Compensatory Time Accrual**

Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time.

An employee may accrue not more than 240 hours of compensatory time. If the employee’s overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.

**Payment for Accrued Time**

Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time of payment. An employee who has accrued compensatory time off shall be paid for any unused compensatory time upon separation from employment at the rates set forth at 29 U.S.C. 207(o)(4).

**Use**

An employee who has requested the use of compensatory time shall be permitted to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the district.
The Fair Labor Standards Act (FLSA) does not prohibit a district from compelling the use of accrued compensatory time.

29 U.S.C. 207(o); Christensen v. Harris County, 529 U.S. 576 (2000); Houston Police Officers’ Union v. City of Houston, 330 F.3d 298 (5th Cir. 2003)

Exempt Employees

The minimum wage and overtime provisions do not apply to any employee employed in a bona fide executive, administrative, or professional capacity. 29 U.S.C. 213(a)(1)

Academic Administrators

The term “employee employed in a bona fide administrative capacity” includes an employee:

1. Compensated for services on a salary or fee basis at a rate of not less than $455 per week exclusive of board, lodging, or other facilities, or on a salary basis that is at least equal to the entrance salary for teachers in the district by which employed; and

2. Whose primary duty is performing administrative functions directly related to academic instruction or training in a district or department or subdivision thereof.

“Performing administrative functions directly related to academic instruction or training” means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;

2. The principal and any vice principals responsible for the operation of an elementary or secondary school;

3. Academic counselors who perform work such as administering school testing programs, assisting students with academic problems and advising students concerning degree requirements; and

4. Other employees with similar responsibilities.
Jobs relating to building management and maintenance, jobs relating to the health of the students, and academic staff such as social workers, psychologists, lunchroom managers, or dietitians do not perform academic administrative functions, although such employees may qualify for another exemption.

29 C.F.R. 541.204

**Salary Basis**

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. 29 C.F.R. 541.600, .602(a), .603

**Partial-Day Deductions**

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee’s pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee’s pay is accordingly reduced.

29 C.F.R. 541.710

**Safe Harbor Policy**

If a district has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the district will not lose
the exemption unless the district willfully violates the policy by continuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district’s intranet.

29 C.F.R. 541.603(d)

**Teachers**

The term “employee employed in a bona fide professional capacity” includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools’ responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher’s certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for
exemption, provided that such individual is employed as a teacher by the employing school or school system.

CLASSIFICATION OF POSITIONS

The Superintendent or designee shall determine the classification of positions or employees as “exempt” or “nonexempt” for purposes of payment of overtime in compliance with the Fair Labor Standards Act (FLSA).

EXEMPT

The District shall pay employees who are exempt from the overtime pay requirements of the FLSA on a salary basis. The salaries of these employees are intended to cover all hours worked, and the District shall not make deductions that are prohibited under the FLSA.

An employee who believes deductions have been made from his or her salary in violation of this policy should bring the matter to the District’s attention, through the District’s complaint policy. [See DGBA] If improper deductions are confirmed, the District will reimburse the employee and take steps to ensure future compliance with the FLSA.

NONEXEMPT

Nonexempt employees may be compensated on an hourly basis or on a salary basis. Employees who are paid on an hourly basis shall be compensated for all hours worked. Employees who are paid on a salary basis are paid for up to and including a 40-hour workweek.

A nonexempt employee shall have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to discipline but shall be compensated in accordance with the FLSA.

WORKWEEK DEFINED

For purposes of FLSA compliance, the workweek for District employees shall begin at 12:00 a.m. Monday and end at 11:59 p.m. Sunday.

COMPENSATORY TIME

At the District’s option, nonexempt employees may receive compensatory time off, rather than overtime pay, for overtime work. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay.

ACCURUAL

Compensatory time earned by nonexempt employees may not accrue beyond a maximum of 60 hours for employees whose duty calendar is less than 226 days per year and may not accrue beyond a maximum of 200 hours for employees whose duty calendar is 226 days or more per year.

If an employee whose duty calendar is less than 226 days per year has a balance of more than 60 hours of overtime, the employee shall be required to use compensatory time or, at the District’s option, shall receive overtime pay. If an employee whose duty calendar is 226 days or more per year has a balance of more than 200 hours of overtime, the employee shall be required to use compensatory time, or at the District’s option, shall receive overtime pay.
Use

An employee whose duty calendar is less than 226 days per year shall use compensatory time within the duty year in which it is earned. If an employee has any unused compensatory time remaining at the end of a fiscal year, the employee shall receive overtime pay.

An employee whose duty calendar is 226 days or more per year shall use compensatory time at any time with the approval of the employee’s immediate supervisor. If an employee has any unused compensatory time remaining at the time the employee separates from employment with the District, the employee shall receive overtime pay.

Compensatory time may be used at either the employee’s or the District’s option. An employee may use compensatory time in accordance with the District’s leave policies and if such use does not unduly disrupt the operations of the District. [See DEC(LOCAL)] The District may require an employee to use compensatory time when in the best interest of the District.
### Duty Weapon and Badge

On the death of a peace officer employed by the District, the District shall provide, at no cost, the officer’s duty weapon, if any, and badge to the officer’s designated beneficiary or, if there is no designated beneficiary, to the officer’s estate. The District shall provide peace officers with a form on which they may designate their beneficiaries for this purpose. If a District peace officer dies and is to be buried in the person’s uniform, the District shall provide the uniform at no cost. *Gov’t Code 615.102–.103*

### Survivor Benefits

The following provisions apply to a person employed by the District as a peace officer or in another position listed at Government Code 615.001 and who dies as a result of a personal injury, as defined at Government Code 615.021 and 615.072, sustained in the line of duty.

### Notice to ERS

The surviving spouse and children of the deceased employee may be eligible for benefits under Government Code Chapter 615, Subchapter B. As soon as practicable after the death of a peace officer or other covered employee, the District shall furnish proof of death to the Employees Retirement System. *Gov’t Code 615.041*

### Continuation of Health Insurance

The surviving spouse and any dependents of the deceased employee may be entitled to purchase or continue health insurance benefits through the District under Government Code Chapter 615, Subchapter D. The District shall provide written notice to an eligible survivor of the survivor’s rights not later than the tenth day after the date of the employee’s death. Not later than the 150th day after the employee’s death, the District shall send a subsequent written notice by certified mail to any eligible survivor who has not already elected to purchase or continue coverage on or before that date.

If an eligible survivor is a minor child, the District shall also provide notice, at the same time, to the child’s parent or guardian unless, after reasonable effort, the parent or guardian cannot be located. *Gov’t Code 615.075*
### State Leave

#### State Personal Leave

A district shall provide employees with five days per year of state personal leave, with no limit on accumulation and no restrictions on transfer among districts. A district may provide additional personal leave beyond this minimum.

A board may adopt a policy governing an employee’s use of state personal leave, except that the policy may not restrict the purposes for which the leave may be used.

*Education Code 22.003(a)*

#### State Sick Leave (Accumulated Prior to 1995)

District employees retain any sick leave accumulated as state minimum sick leave under former Section 13.904(a) of the Education Code. Accumulated state sick leave shall be used only for the following:

1. Illness of the employee.
2. Illness of a member of the employee’s immediate family.
3. Family emergency.
4. Death in the employee’s immediate family.
5. During military leave [see Use During Military Leave, below].

*Acts of the 74th Legislative Session, Senate Bill 1, Sec. 66*

#### Former Education Service Center Employees

A district shall accept the sick leave accrued by an employee who was formerly employed by a regional education service center (ESC), not to exceed five days per year for each year of employment. *Education Code 8.007*

#### Order of Use

A board’s policy governing an employee’s use of state personal leave may not restrict the order in which an employee may use state personal leave and any additional personal leave provided by the school district.

An employee who retains any state sick leave is entitled to use the state sick leave, state personal leave, or local personal leave in any order to the extent that the leave the employee uses is appropriate to the purpose of the leave.

*Education Code 22.003(a), (f)*
Use During Military Leave

An employee with available personal leave is entitled to use the leave for compensation during a term of active military service. “Personal leave” includes personal or sick leave available under former law or provided by local policy. Education Code 22.003(d), (e) [See DECB]

Temporary Disability

Each full-time educator shall be given a leave of absence for temporary disability at any time the educator’s condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated while the educator is on a leave of absence for temporary disability. For purposes of temporary disability leave, pregnancy is considered a temporary disability.

At Employee’s Request

A request for a leave of absence for temporary disability must be made to a superintendent. The request must:

1. Be accompanied by a physician’s statement confirming inability to work;
2. State the date requested by the educator for the leave to begin; and
3. State the probable date of return as certified by the physician.

By Board Authority

A board may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board’s judgment in consultation with a physician who has performed a thorough medical examination of the educator, the educator’s condition interferes with the performance of regular duties. The educator shall have the right to present to the board testimony or other information relevant to the educator’s fitness to continue in the performance of regular duties. [See DBB]

Return to Active Duty

The educator shall notify the superintendent of a desire to return to active duty no later than the 30th day before the expected date of return. The notice must be accompanied by a physician’s statement indicating the educator’s physical fitness for the resumption of regular duties.

Notice

Placement

An educator returning to active duty after a leave of absence for temporary disability is entitled to an assignment at the school where the educator formerly taught, subject to the availability of an appropriate teaching position. In any event, the educator shall be placed on active duty no later than the beginning of the next school year. A principal at another campus voluntarily may approve the appointment of an employee who wishes to return from leave of absence. However, if no other principal approves the assignment by the beginning of the next school year, a district must place the
employee at the school at which the employee formerly taught or was assigned.

**Length of Absence**

A superintendent shall grant the length of leave of absence for temporary disability as required by the individual educator. A board may establish a maximum length for a leave of absence for temporary disability, but the maximum length may not be less than 180 calendar days.

**Sick Leave Different from Temporary Disability Leave**

An employee’s entitlement to sick leave is unaffected by any concurrent eligibility for a leave of absence for temporary disability. The two types of leave are different, and each must be granted by its own terms. *Atty. Gen. Op. H-352 (1974)*

**Assault Leave**

In addition to all other days of leave, a district employee who is physically assaulted during the performance of regular duties is entitled to the number of days of leave necessary to recuperate from physical injuries sustained as a result of the assault. The leave shall be paid as set forth below at Coordination with Workers’ Compensation Benefits.

A district employee is physically assaulted if the person engaging in the conduct causing injury to the employee:

1. Could be prosecuted for assault; or
2. Could not be prosecuted for assault only because the person’s age or mental capacity makes the person a nonresponsible person for purposes of criminal liability.

**Notice of Rights**

Any informational handbook a district provides to employees in an electronic or paper form or makes available by posting on the district’s website must include notification of an employee’s rights regarding assault leave, in the relevant section of the handbook. Any form used by a district through which an employee may request personal leave must include assault leave as an option.

**Assignment to Assault Leave**

At the request of an employee, a district must immediately assign the employee to assault leave. Days of assault leave may not be deducted from accrued personal leave. Assault leave may not extend more than two years beyond the date of the assault. Following an investigation of the claim, a district may change the assault leave status and charge the leave against the employee’s accrued personal leave or against the employee’s pay if insufficient accrued personal leave is available.
Coordination with Workers’ Compensation Benefits

Notwithstanding any other law, assault leave benefits due to an employee shall be coordinated with temporary income benefits due from workers’ compensation so the employee’s total compensation from temporary income benefits and assault leave benefits will equal 100 percent of the employee’s weekly rate of pay.

*Education Code 22.003(b)–(c-1)*

Religious Observances

A district shall reasonably accommodate an employee’s request to be absent from duty in order to participate in religious observances and practices, so long as it does not cause undue hardship on the conduct of district business. Such absence shall be without pay unless applicable paid leave is available. *42 U.S.C. 2000e(j), 2000e-2(a); Ansonia Bd. of Educ. v. Philbrook, 479 U.S. 60, (1986); Pinsker v. Joint Dist. No. 28J of Adams and Arapahoe Counties, 735 F.2d 388 (10th Cir. 1984)*

Compliance with a Subpoena

An employer may not discharge, discipline, or penalize in any manner an employee because the employee complies with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. *Labor Code 52.051(a)*

**Note:** A Texas federal court held that by omitting any reference to governmental entities from Labor Code 52.051, the state legislature intended to exclude governmental entities from the definition of “employer” contained within that section. Therefore, the statute did not waive a county’s governmental immunity from liability for claims of retaliatory discharge of an employee for complying with a subpoena. *Alcala v. Texas Webb County*, 620 F. Supp. 2d 795 (S.D. Tex. 2009)

Jury Duty

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against an employee because of the employee’s compliance with a summons to appear as a juror. For each regularly scheduled workday on which a nonsalaried employee serves in any phase of jury service, a district shall pay the employee the employee’s normal daily compensation. An employee’s accumulated personal leave may not be reduced because of the employee’s service in compliance with a summons to appear as a juror. *Education Code 22.006*

Attendance at Truancy Hearing

A district may not terminate the employment of a permanent employee because the employee is required under Family Code 65.062(b) to attend a truancy court hearing. *Family Code 65.063*

Developmental Leaves of Absence

A board may grant a developmental leave of absence for study, research, travel, or other suitable purpose to an employee working in
a position requiring a permanent teaching certificate who has served in a district at least five consecutive school years.

A developmental leave of absence may be granted for one school year at one-half salary or for one-half of a school year at full salary paid to the employee in the same manner, on the same schedule, and with the same deductions as if the employee were on full-time duty.

An employee on developmental leave shall continue to be a member of the Teacher Retirement System of Texas and shall be an employee of a district for purposes of participating in programs, holding memberships, and receiving benefits afforded by employment in a district.

*Education Code 21.452*

**Leave for Sick Foster Child**

An employer commits an unlawful employment practice under Labor Code, Chapter 21 if:

1. The employer administers a leave policy under which an employee is entitled to personal leave to care for or otherwise assist the employee’s sick child; and

2. The leave policy does not treat in the same manner as an employee’s biological or adopted minor child any foster child of the employee who:
   
   a. Resides in the same household as the employee; and
   
   b. Is under the conservatorship of the Texas Department of Family and Protective Services.

*Labor Code 21.0595*

**Absence Control**

Uniform enforcement of a reasonable absence-control rule is not retaliatory discharge. For example, a district that terminates an employee for violating a reasonable absence-control provision cannot be liable for retaliatory discharge as long as the rule is uniformly enforced. *Howell v. Standard Motor Prods., Inc.*, 2001 U.S. Dist LEXIS 12332 (N. D. Tex. 2001) (Family and Medical Leave Act case); *Specialty Retailers v. DeMoranville*, 933 S.W.2d 490 (Tex. 1996) (age discrimination case); *Continental Coffee Products Co. v. Cazarez*, 937 S.W.2d 444 (Tex. 1996) (workers’ compensation claim); *Gonzalez v. El Paso Natural Gas Co.*, 40 F.E.P. Cases (BNA) 353 (Tex. App.—El Paso 1986, no pet.) (sex discrimination case)

[Some employees may have protected status even after the expiration of all other leave. See DAA.]
Definitions

Family

The term “immediate family” is defined as:

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
3. Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

Availability

The District shall make state personal leave for the current year available for use at the beginning of the school year. Local leave shall be made available as earned.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee’s pay.
Leave Proration

*Employed for Less Than Full Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee’s final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees.

2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.

2. State sick leave accumulated before the 1995–96 school year.

Use of extended sick leave or sick leave bank days shall be permitted only after all available state and local leave has been exhausted.

Concurrent Use of Leave

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers’ compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questiona-
ble pattern of absences or when deemed necessary by the
supervisor or Superintendent;

3. The employee requests FMLA leave for the employee’s seri-
ous health condition or that of a spouse, parent, or child; or

4. The employee requests FMLA leave for military caregiver pur-
poses.

In each case, medical certification shall be made by a health-care
provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during
leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which
state personal leave is used:

Non-Discretionary
Use

1. Non-discretionary use of leave shall be for the same reasons
and in the same manner as state sick leave accumulated be-
fore May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or
placement of a child and taken within the first year after the
child’s birth, adoption, or foster placement.

Discretionary Use

2. Discretionary use of leave is at the individual employee’s dis-
cretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for discretionary
use of state personal leave to the immediate supervisor or de-
signee in advance in accordance with administrative regula-
tions. In deciding whether to approve or deny state personal
leave, the supervisor or designee shall not seek or consider
the reasons for which an employee requests to use leave.
The supervisor or designee shall, however, consider the effect
of the employee’s absence on the educational program or
District operations, as well as the availability of substitutes.

Duration of
Leave

Discretionary use of state personal leave shall not exceed five
consecutive workdays.

Local Leave

Employees in positions normally requiring ten, 11, or 12 months of
service shall earn five, six, or seven paid local leave days per
school year, respectively, in accordance with administrative regu-
lations.

Local leave shall accumulate without limit.
Local leave shall be used according to the terms and conditions of state personal leave. [See STATE PERSONAL LEAVE, above]

**Extended Sick Leave**

After all available state and local leave days have been exhausted, an employee shall be granted extended sick leave days based on the employee’s minimum sick leave balance as of the first duty date of the school year in which leave is requested. Extended sick leave shall be used for the employee’s personal illness or injury, including pregnancy-related illness or injury, or for absences related to the illness or injury of a member of the employee’s immediate family.

Any approved leave of absence shall be counted toward consecutive years of experience.

A written request for extended sick leave shall be submitted to the employee’s immediate supervisor and sent through the chain of command to the Superintendent for approval. The request shall include a certification of need for the leave from a physician each time extended sick leave is requested.
Potentially Disabling Conditions

When an employee becomes aware of a medical condition that may become disabling and could result in the employee being absent from his or her assignment for more than five consecutive workdays during the current employment year, a statement from a medical doctor shall be provided to the immediate supervisor periodically, but no less than monthly. The doctor’s statement must indicate if there are any restrictions or limitations to the employee’s performance of daily duties. If the doctor imposes any constraints, the Superintendent, in consultation with appropriate District staff members, shall determine the appropriate course of administrative actions.

If sick leave or a leave of absence begins as a result of the above, the employee shall present a written statement from his or her medical doctor stating the date when he or she will be physically able to resume employment without any duty limitations.

Any employee’s written request for the approval of a job duty or job description modification due to a temporary disability shall be forwarded through the appropriate administrative channels to the Superintendent for final approval.

Catastrophic Sick Leave Bank

The Catastrophic Sick Leave Bank (CSLB) is created through an annual gift or grant from the Board based on the value of local leave remaining in leave accounts of employees who retire or resign from the District. Days not used in a school year shall be carried forward to the following year.

Eligibility

Any full-time, regular employee shall be eligible for membership in the CSLB on September 1 after the completion of 12 months of employment. A regular employee is defined as an individual who is eligible to receive District health-care benefits; i.e., two paychecks per month on a regular basis for a minimum of ten months annually. To apply for days from the CSLB, an employee shall have exhausted all paid leave benefits.

Limitations

Use of the CSLB shall be limited to the number of days available in the CSLB and the number of equivalent days added to the CSLB each year as part of the annual budget adoption process.

An individual staff member may be granted days by the Insurance Advisory Committee (IAC) only once during a school year; however, the IAC may consider extenuating circumstances and grant additional days.

An employee receiving days from the CSLB shall not earn local sick leave. An employee shall not be granted extended sick leave and days from the CSLB in the same school year.
The number of days granted to an individual staff member shall not exceed the number of remaining duty days the CSLB member is scheduled to work in that school year according to the District calendar for the employee's position. A grant of days from the CSLB shall never cause a member to receive more than his or her annual salary or wage or to extend the number of days the employee is scheduled to work.

**Granting Days**

Grants of days from the CSLB shall be in units of not more than 30 consecutive workdays. At the end of 30 days, the staff member may apply for an extension by submitting an updated statement from a physician on the appropriate form. Payment received by an employee for use of days from the CSLB is taxable income.

If a member returns to work and has not used all days granted, the unused days shall be returned to the CSLB.

Any decision of the IAC regarding granting or denying of days or the number of days is final.

**Application for Days**

All forms for participation in the CSLB shall be available in the office of the principal or department head or from the department of human resources. Applications shall be submitted to the IAC through the office of the associate superintendent for human resources.

Applications may be submitted at any time an eligible employee has 15 or fewer days of paid leave remaining. Any request for days must be made within 30 days of the staff member’s use of his or her last accumulated paid leave day.

All requests shall be accompanied by a physician’s statement on a form provided by the IAC confirming the cause of illness or confinement and certifying the member’s inability to perform assigned duties. The form must be personally signed by the physician. The IAC shall not honor any physician’s statement unless it is on the official form provided by the IAC.

The IAC may require a member, at the member’s expense, to obtain a second opinion; this physician’s report shall be sent directly to the associate superintendent of human resources before the IAC may act upon the request for days.

Each separate application for a grant of days from the CSLB shall include a new physician’s statement.

If the illness of a CSLB member prevents the member from personally applying for days, the application may be submitted to the IAC by the member’s authorized agent or a member of the employee’s family. An applicant may submit a request for an extension of a
CSLB leave grant before the original grant expires by using the appropriate request form accompanied by a new signed physician's statement.

**Terminating Membership**

A member of the bank shall lose the right to use CSLB days if the employee:

1. Terminates employment with the District;
2. Is suspended without pay;
3. Abuses or misuses the CSLB;
4. Becomes ineligible (not full-time); or
5. Is on an approved leave of absence.

**Governing Committee**

The CSLB shall be governed by the District IAC, which shall be responsible for the operation of the program and the granting or denying of requests for days to staff members who suffer a catastrophic personal illness.

Members of the IAC shall be chosen by the associate superintendent of human resources from the following groups by a random stratified procedure from a master list of employees:

- Teachers/librarians/nurses/counselors 5
- Paraprofessionals 2
- Plant operations/maintenance/warehouse 1
- Food service/bus drivers 1
- Administration 1
- Associate superintendent of human resources (chair) 1

Service on the IAC shall be voluntary. Members of the IAC shall serve staggered two-year terms with one-half being selected on alternate years. Committee members shall have no authority unless they are in attendance at an official meeting as called by the associate superintendent of human resources.

**Duties of the Committee**

The IAC shall receive requests for use of the CSLB, verify validity of requests, approve or deny requests, and communicate decisions to the requesting employee through the associate superintendent of human resources.

The chair shall gather data, inform the committee of pertinent information, maintain records, call and conduct meetings, and perform other duties required for administration of the program. The chair shall be a voting ex officio member who serves as an advisor and
resource to the committee with exclusive authority to convene meetings.

A quorum of seven members must be present at any meeting where a decision is made to award or deny days from the CSLB. A simple majority shall be required for any decision. All decisions of the IAC are final.

**Maintaining Records**

The department of human resources shall maintain all records pertaining to the CSLB. The department of human resources shall provide information to the IAC upon request for any data maintained in the files with regard to an applicant’s use of the CSLB.

All requests shall be marked for approval or denial by the IAC. The forms shall then be returned to the CSLB member through the office of the associate superintendent of human resources.

**Changes / Amendments**

The Superintendent is authorized to modify the CSLB program or any documents required for its implementation for purposes of legality, clarity, or operational efficiency. Substantive changes shall be submitted to the Board for approval.

**Appeals**

Decisions made by the IAC regarding granting or denial of days from the CSLB are final.

**Cancellation of Program**

The Board reserves the right to discontinue the CSLB at any time; days granted to an employee prior to the date the program is discontinued shall not be affected.

Former employees shall have no claim to any days that may have been contributed from unused local sick leave days.

**Leaves of Absence**

In addition to leaves of absence provided by law (such as family and medical leave), a leave of absence without pay for a period of one school year may be granted by the Superintendent for the following reasons:

1. Temporary disability, as verified in writing by a medical doctor.

2. Study as a full-time student in an approved college or university.

3. Travel, as approved in advance.

4. Special assignment to teach or be an administrator in a school in a foreign country.

5. To accept related employment on a temporary basis, provided such employment will, in the opinion of the Board and administration, enhance the employee’s value to the District.

6. Care for an employee’s preschool child or kindergarten student.
Upon request by the employee and approval of the Superintendent, these leaves may be renewed for up to two additional years.

### Leave Balance
During an approved leave of absence for any of the above reasons, any unused accumulation of local sick leave shall remain in the employee’s leave account.

### Insurance Premiums
When approved for a leave of absence for one of the above reasons, the employee may elect to continue participation in the District’s group life and hospitalization insurance program in accordance with the District’s insurance policy, which may limit or preclude participation based on unpaid leave status by paying the full premium by the first day of each month during the period of leave. Insurance coverage shall be canceled when a payment is 30 days delinquent.

### Intent to Return
The employee shall notify the human resources office of a desire to return to active duty at least 30 days prior to the expected date of return and shall be eligible to apply for any position for which the employee is qualified. The returning employee is entitled to an assignment within the District comparable to the assignment vacated, subject to the availability of an appropriate position. If an assignment is not available, the employee shall be granted a contract or employment on an assignment beginning with the next school term, provided that the leave of absence was due to a temporary disability as defined in Education Code 21.409, to begin when the employee’s condition interferes with the performance of regular duties. Temporary disability in this section includes the condition of pregnancy. However, if a position becomes available, in the interim, it will be offered to the employee.

### Docked Days
If an employee has exhausted all paid leave benefits and is docked for additional absences, the employee may request reimbursement for the docked days at any time during the annual duty calendar when the employee has earned additional leave days equal to the number of docked days.

### Reinstatement of Days
If an employee resigns from the District but is reemployed within 90 calendar days of the effective date of the resignation, the employee shall be credited any unused local leave, as long as the person has not been employed full-time by another employer.

### Family and Medical Leave
For purposes of an employee’s entitlement to FMLA leave, the 12-month period shall be measured backward from the date an employee uses FMLA leave.

**Twelve-Month Period**

**Combined Leave for Spouses**
If both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to
care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks. [See DECA(LEGAL)]

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee eligible for workers’ compensation income benefits, and not on assault leave, may elect in writing to use paid leave.

**Court Appearances**

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee’s pay or leave balance.

**New Leave Reimbursement Plan**

Upon retirement from the District, an “eligible employee,” as defined in this section, shall be entitled to reimbursement for an unlimited amount of unused state personal and sick leave days or local leave days, as set forth herein.

As used in this section, “eligible employee” shall mean an employee who:

1. Has a minimum of ten years of consecutive service in the District immediately preceding retirement; and

2. Is eligible for retirement and begins receiving benefits under the Texas Teacher Retirement System (TRS) on an unreduced pension/annuity immediately upon separation from the District.

The rate of reimbursement shall be based on the daily rate of substitute pay effective at the time of the employee’s retirement (pursuant to the then current Staff Compensation Plan approved by the Board) as follows:

1. Eligible employees who are classified as exempt under the Fair Labor Standards Act (FLSA) [see DEA(LOCAL)] shall receive one-half of long-term certified substitute teacher daily rate of pay (e.g., in 2014–15, rate under this section would be $80 per day as substitute pay was $160 per day).

2. Eligible employees who are classified as nonexempt under the FLSA [see DEA(LOCAL)] shall receive one-half of nondegree substitute teacher daily rate of pay (e.g., in 2014–15, rate under this section would be $40 per day as substitute pay was $80 per day).

Any reimbursement payment due under this policy shall be made as a contribution to the employee’s account under the District’s 401(a) plan.

Employees employed on or before September 3, 1974, who qualify under the “Original Reimbursement at Retirement Plan” set forth
below, shall have the option to choose that plan or the instant plan at the time of retirement, but not both.

Original Reimbursement at Retirement

This provision applies only to persons continuously employed in the District from September 3, 1974. Beginning September 1, 2002, the District shall, under Internal Revenue Service rules, pay into a 457(b) or a 401(a) retirement plan an amount for accumulated unused local sick leave up to 30 days.

Under Age 55

An employee under age 55 shall receive a contribution to a 457(b) plan; if the amount of the reimbursement exceeds the federal contribution limit applicable to the plan, the excess shall be paid in cash.

Age 55 or Older

An employee age 55 or older shall receive a contribution to a 457(b) plan. If the amount of the reimbursement exceeds the federal contribution limit applicable to the 457(b) plan, the excess shall be contributed to the District’s 401(a) plan. If the amount of the reimbursement exceeds the federal contribution limit applicable to the 401(a) plan, the amount in excess of the limit shall be paid in cash.

Neutral Absence Control

When an employee has exhausted all leave benefits, including vacation and nonduty days, the employee shall be retained on the personnel roster for a period not to exceed 30 consecutive days. In order to remain on active status as a District employee, the employee shall request a leave of absence prior to the end of the 30-day period. An employee who fails to request a leave of absence shall be terminated in accordance with District policies [see DCD and DF series].

An employee may not choose to be docked in lieu of use of available leave.

An employee who is absent from duty for three consecutive days without notifying the immediate supervisor of his or her status and the anticipated date of return shall be dismissed from employment in accordance with Board policy [see DCD and DF series].

Application of Policy

This policy applies only to employees who are considered exempt employees as defined by Board policy DEA(LEGAL) and federal law.

Nonduty Days

If a new employee in a position normally requiring 12 months of service begins service on a day other than the standard beginning date for employees of a similar assignment, the employee, subject to the advance approval of the immediate supervisor shall be granted a period of no less than five nonduty days within the initial 120 days of employment.

Scheduling Nonduty Days

Nonteaching employees may request use of a nonduty day or days during any month of the year. Such requests shall be honored and days will be scheduled by the supervising administrator to the extent that the appropriate number of staff members will be on duty at all times.

Accumulation of Nonduty Days

Nonteaching employees are not permitted to work more than their annual duty-day requirement. However, with advance written approval from the appropriate associate superintendent (or, for an associate superintendent, the advance written approval from the Superintendent), an employee may accumulate up to a maximum of 25 days in excess of the days in the usual duty calendar. These accumulated days may be taken on a schedule acceptable to the immediate administrative supervisor.

### Superintendent’s Authority

All personnel are employed subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the District. Reassignment shall be defined as a transfer to another position, department, or facility that does not necessitate a change in the employment contract of a contract employee. Any change in an employee’s contract shall be in accordance with policy DC. Any reassignment of a teacher within a campus that necessitates a change in salary may be initiated by the principal but shall be approved by the Superintendent.

Transfers of all administrative personnel and promotion of professional staff shall be in accordance with DC(LOCAL).

Any employee may request reassignment within the District to another position for which he or she is qualified, subject to administrative regulations approved by the Superintendent or designee.

The Superintendent reserves the right to approve the assignment of relatives as prohibited above until such time as the condition is alleviated or when there are job market shortages.

The principal’s criteria for approval of campus assignments and reassignments shall be consistent with District policy regarding equal opportunity employment, and with staffing patterns approved in the District and campus plans. [See BQ series] In exercising their authority to approve assignments and reassignments, principals shall work cooperatively with the central office staff to ensure the efficient operation of the District as a whole.

As approved by the office of instruction and student services, appropriate personnel shall be designated to coordinate curriculum, teaching, and related activities in designated departments at the elementary and secondary schools.

Supplemental Duties

Noncontractual supplemental duties for which supplemental pay is received may be discontinued by either party at any time. An employee who wishes to relinquish a paid supplemental duty may do so by notifying the Superintendent or designee in writing. Paid supplemental duties are not part of the District’s contractual obligation to the employee, and an employee shall hold no expectation of continuing assignment to any paid supplemental duty.

Work Calendars and Schedules

Subject to the Board-adopted budget and compensation plan and in harmony with employment contracts, the Superintendent or designee shall determine required work calendars for all employees. [See DC, EB]

Daily time schedules for all employees shall be determined by the Superintendent or designee and principals.
