Lewisville ISD Staff,

Welcome to the 22-23 school year! I am so excited to begin my first full school year as superintendent of the greatest school district in the state of Texas. And I'm excited to be on this journey with YOU! I want to start by sharing my gratitude for our Human Resources team for creating this handbook, and for each of you for adhering to the important practices in place that help ensure legal and local policies are followed throughout our district.

If you followed my #RappontheRoad adventures last spring, you know I had the wonderful opportunity to visit every single campus in our district where I got to meet many new faces, reconnect with familiar ones, and collect feedback from all of you. Let me say, I thank each and every one of you who took the opportunity to provide input, as I see it as one of the most valuable and important assets to the leadership of this district.

One common thread that stood out to me amongst the staff and communities in LISD is a feeling of disconnect, an understandable emotion given our most recent school years. We have faced circumstances that can be difficult to overcome, but I couldn't be more confident that the LISD community is up for the challenge of reconnecting and engaging with one another.

In LISD, our vision is built on what we call our Four Cornerstones - the guiding principles that outline our commitment to providing thriving, productive lives for our students, in a future *they* create. Of those Four Cornerstones, this year you will hear me talk frequently about Community Engagement, a critical element to the success of our district. And now more than ever, it is crucial our community, students, families and staff feel engaged with one another.

As we turn our focus to revitalizing the engagement throughout our communities, there will be an important emphasis on what I call the Three C's of Community Engagement: Communication, Culture and Connection. A proactive and purposeful approach to communicating with all of our stakeholders, while creating a positive and celebratory culture within the district modeled by our incredible staff, instills a strong connection within our community which serves as a foundation for our students' success.

While engagement will be an important focus for myself and your district leaders, I will work hard to ensure you have the tools you need to connect in meaningful ways with your peers and your student's families. Our district is large and diverse, and I look forward to contributing to a culture with you where we use those qualities to our advantage.

The 26 years I have spent in LISD have been the most rewarding of my life, and I'm beyond thrilled to see what we can build together as we move forward in this exciting new direction. We are 50,000 students, 6,500 staff members, 127 square-miles, 13 municipalities, 5 feeder patterns. And we are ONE Lewisville ISD working together to make each day a great day for kids!

Lori Rapp, Ed.D.  
Superintendent of Schools

# Introduction

The purpose of this handbook is to provide information that will help with LISD employment-related questions and pave the way for a successful year. Suggestions for additions and improvements to this handbook are welcome and may be sent to the LISD Department of Human Resources.

This handbook is neither a contract nor a substitute for the official District policy manual, nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of District policies and procedures relating to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. Not all District policies and procedures are included. Those that are, have been summarized. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate District office. District policies can be accessed online by going to <http://pol.tasb.org/Home/Index/384>.

## Board of Trustees

*Policies BA, BB, BD and BE series*

Texas law grants the Board of Trustees the power to govern and oversee the management of the District's schools. The Board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, annual budget, employment of the Superintendent and other professional staff, and facilities. The Board has complete and final control over school matters within limits established by state and federal law and regulations.

The Board of Trustees is elected by the citizens of the District to represent the community's commitment to a strong educational program for the District's children. Board members are elected early in May and serve three-year terms. Board members serve without compensation, must be qualified voters, and must reside in the District.

**President      Vice President      Secretary      Trustee      Trustee      Trustee      Trustee**

**Tracy Scott Miller   Allison Lassahn   Katherine Sells   Dr. Buddy Bonner   Kristi Hassett   Jenny Proznik   Sheila P. Taylor**

The board meets regularly at 6:00 P.M. at the Lewisville ISD Administrative Center, 1565 W. Main Street (NW corner of Main Street and Garden Ridge Blvd.), Lewisville 75067. In the event that large attendance is anticipated, the Board may meet at another published location. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted at the Administration Building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the Board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

# Employment

## Equal Employment Opportunity

*Policy DAA, DIA*

In its efforts to promote nondiscrimination and as required by law, Lewisville ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment should contact: Shelia Smith, Chief Human Resource Officer, 1565 W. Main Street, Lewisville, TX, 75067, [smithshelia@lisd.net](mailto:smithshelia@lisd.net), 469.948.8005 or Jeffrey Kajs, Chief Student Services Officer, 1565 W. Main Street, Lewisville, TX, 75067, [kajsj@lisd.net](mailto:kajsj@lisd.net), 469.948.8225. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Shelia Smith, Chief Human Resource Officer, 1565 W. Main Street, Lewisville, TX, 75067, [smithshelia@lisd.net](mailto:smithshelia@lisd.net), 469.948.8005.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

## Job Vacancy Announcements

*Policy DC*

Announcements of job vacancies by position and location are posted on a regular basis to the District's Web site ([www.lisd.net](http://www.lisd.net)).

## Employment After Retirement

*Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling 800-223-8778 Or 512-542-6400. Information is also available on the TRS Web Site: ([www.trs.texas.gov](http://www.trs.texas.gov)).

## **Contract and Noncontract Employment**

### *Policy DC series*

State law requires the District to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

### **Probationary contracts**

Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year. However, pursuant to the District's District of Innovation Plan adopted by the Board, the District may employ a teacher who has been employed as a teacher in public education for at least five of the eight years preceding employment with the District for a second probationary year when needed to benefit the teacher and students served. This action requires principal recommendation, in consultation with the appropriate Employee Services administrator, and consideration and approval by the Superintendent.

For those with less experience, the probationary period will be three full school years (i.e. three one-year contracts) with an optional fourth school year if the Board determines it is doubtful whether a term continuing contract should be given.

### **Term contracts**

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the employee's contract and the District's employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online at [www.lisd.net](http://www.lisd.net) or copies will be provided upon request.

### **Noncertified Professional and Administrative Employees**

Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

### **Paraprofessional and Auxiliary employees**

All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the District.

## **Certification and Licenses**

### *Policies DBA, DF*

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources in a timely manner.

Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Shelia Smith, Chief Human Resource Officer, when there is action against, revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

## **Recertification of Employment Authorization**

*Policy DC*

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization. Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Human Resources if you have any questions regarding reverification of employment authorization.

## **Searches and Alcohol and Drug Testing**

*Policy CQ, DHE*

The District may conduct searches in the workplace, including but not limited to accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes. *Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places.* In addition, the district reserves the right to conduct searches on District property or at a school-sponsored event when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected work-related violation relates to drug or alcohol use. The district may search the employee, the employee's personal items and work areas, including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

### **Employees required to have a commercial driver's license**

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact their supervisor or Human Resources.

## **Health Safety Training**

*Policy DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in: first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), evaluation, treatment, and oversight of concussions, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Human Resources.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

## **Reassignments and Transfers**

*Policy DK*

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. In exercising their authority to approve assignments and reassignments, principals shall work cooperatively with the central office staff to ensure the efficient operation of the District as a whole. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and District policy DGBA (LOCAL).

An employee with the required qualifications for a position may request a transfer to another campus or department after serving three years in the current assignment. Voluntary transfers to another campus shall be for a minimum period of three (3) years on the new campus. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. In addition, transfers during the school year may be permitted in the case of promotion by salary or instructional stipend increase or increase in number of contract days. All transfer requests will be coordinated by the Department of Human Resources and must be approved by both the sending and receiving supervisor. Any exceptions must be approved by the Chief Human Resource Officer.

## **Elementary District-Initiated Transfer Guidelines**

District initiated transfers are those required by reductions in numbers of campus employees and by the needs of the District. When a reduction is necessary, all district-initiated transfers will be placed prior to internal LISD transfer and/or new hires.

District initiated transfers shall be made first from volunteers from the campus facing reduction, based on certification, experience, and evaluation. Staff members who are not in good standing shall not be eligible for transfer. Human Resources will ultimately determine district-initiated personnel when there is not a volunteer.

The following criteria must be considered when determining all transfers:

Proper certification for the grade level, subject, or assignment, including emergency permits and endorsements for specific subjects, programs, or positions.

Academic or technical preparation needed for a position, supported by transcripts.

STEM Academies may not receive district-initiated transfers unless the staff member is coming from another STEM Academy.

Priority considerations:

When determining reductions at any STEM Academy, priority shall be given to STEM certified teachers when a transfer needs to occur, and non-certified staff will be considered first for transfer.

When determining reductions at any elementary level, priority shall be given to teachers who have completed the Reading Academy and those who have not completed it will be considered first for transfer.

If the employee identified as meeting the requirements to be transferred has been subject to a district-initiated transfer three times in the last five years, then they are exempt from being a district-initiated transfer.

If vacancies occur prior to the 45th day before the 1st day of instruction of the following school year on a campus where employees have been reduced, any employee who was identified as a district-initiated transfer may request to return to their original campus. Placement decisions shall be made upon experience and proper certification. After the 45th day before the 1st day of instruction of the upcoming school year, no further employee requests to transfer shall be processed, with the exception of special circumstances as approved by the Chief Human Resource Officer.

In the event that the below criteria do not accomplish the identification of employees being transferred to achieve the reduction, experience in other districts in the particular grade, level, subject area, or field of assignment affected by the reduction will be considered.

District-initiated transfers shall be made based upon the following rank order criteria:

Prior to First Workday of School Year	After First Workday of School Year
Elementary Teachers and Professionals: <ol style="list-style-type: none"> <li>1. Volunteers</li> <li>2. Total Campus experience</li> <li>3. Total District experience</li> </ol>	Elementary Teachers and Professionals: <ol style="list-style-type: none"> <li>1. Volunteers (only at affected grade level)</li> <li>2. Total campus experience at the affected grade level</li> <li>3. Total district experience at the affected grade level</li> </ol>
Paraprofessionals (at any time during the year): <ol style="list-style-type: none"> <li>1. Volunteers</li> <li>2. Total Campus experience at the affected paygrade</li> <li>3. Total District experience at the affected pay grade</li> </ol>	

## Secondary District-Initiated Transfer Guidelines

District initiated transfers are those required by reductions in numbers of campus employees and by the needs of the District. When a reduction is necessary, all district-initiated transfers will be placed prior to voluntary transfers.

District initiated transfers shall be made first from volunteers from the campus facing reduction, based on certification, experience, and evaluation. **Staff members who are not in good standing shall not be eligible for transfer.** Human Resources will ultimately determine district-initiated personnel when there is not a volunteer.

**The following criteria must be considered when determining all transfers:**

Proper certification for the grade level, subject, or assignment, including emergency permits and endorsements for specific subjects, programs, or positions.

Academic or technical preparation needed for a position, supported by transcripts.

**Priority considerations:**

When determining reductions at any STEM Academy, priority shall be given to STEM certified teachers when a transfer needs to occur, and non-certified staff will be considered first for transfer.

If the employee identified as meeting the requirements to be transferred has been subject to a district-initiated transfer three times in the last five years, then they are exempt from being a district-initiated transfer.

If vacancies occur prior to the 45th day before the 1st day of instruction of the following school year on a campus where employees have been reduced, any employee who was identified as a district-initiated transfer may request to return to their original campus. Placement decisions shall be made upon experience and proper certification. After the 45th day before the 1st day of instruction of the upcoming school year, no further employee requests to transfer shall be processed, except for special circumstances as approved by the Chief Human Resource Officer.

In the event that the below criteria do not accomplish the identification of employees being transferred to achieve the reduction, experience in other districts in the particular grade, level, subject area, or field of assignment affected by the reduction will be considered.

***District- initiated transfers shall be made based upon the following rank order criteria:***

Secondary Teachers and Professionals:

Campus experience in the specific subject area or field of assignment affected by the reduction, or in teaching fields such as special education, experience in the particular field of assignment.

District experience in the specific subject area or field of assignment affected by the reduction.

Other district teaching experience.

Paraprofessionals (at any time during the year):

Volunteers

Total Campus experience at the affected paygrade

Total District experience at the affected pay grade

## **Workload and Work Schedules**

*Policy DEAB, DK, DL*

The employee shall perform the duties of his or her position as prescribed by state law and as may be assigned by the District.

### **Professional employees**

Professional employees and academic administrators are exempt employees under the Fair Labor Standards Act and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, parent teacher conferences, evaluation of student work and planning. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

General hours for campus professional and office staff are as follows:

- Elementary School Professional Hours      7:15 a.m. to 3:45 p.m.
- Middle School Professional Hours            8:00 a.m. to 4:30 p.m.
- High School Professional Hours               7:30 a.m. to 4:00 p.m.

Principals may amend employee times without lengthening the workday based on campus needs. Professional school personnel shall occasionally be required to work additional duty hours outside those stated above to complete those tasks associated with their positions included but not limited to campus staff meetings, student ARD meetings, open house, and other activities, events, or meetings.

### **Paraprofessional and Auxiliary employees**

Paraprofessional and Auxiliary employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Support employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. Paraprofessional and Auxiliary employees are not allowed to work from home. See Overtime Compensation on page 21 for additional information

## **Breaks for Expression of Breast Milk**

*Policies DEAB, DG*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

## **Notification to Parents Regarding Qualifications**

*Policies DBA, DK*

In schools receiving Title I funds, the District is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned to or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Human Resources.

## **Outside Employment and Tutoring**

*Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Potential conflicts of interest may include paid tutoring of District students, and such should be disclosed. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

The District expects all instructional staff to make tutorials available to students and parents to ensure academic growth and success. Student tutorials should begin whenever need for remedial learning is necessary and beneficial. Tutorials may be held before school, within the school day, or after school. Students attending tutorial sessions should be those students who are failing a particular subject, or students who need review of a concept or extra help and support. Teachers will document the need for tutorials and attendance at tutorial sessions in their grade book. Parents must be notified at the end of the third week of each nine weeks grading period if their child is failing or danger of failing.

## **Performance Evaluation**

*Policy DN Series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Performance concerns regarding nurses need to be directed to the Director of Health Services. Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

- Second appraisers will be determined by Human Resources from the pool of LEAD appraisers trained by the District.
- The second appraiser will make observations according to the teacher-appraiser Classroom Observation Agreement document not to exceed 60 minutes and as necessary and appropriate to complete observation feedback forms.

## **Employee Involvement**

*Policies BQA, BQB*

At both the campus and District levels, Lewisville ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the District's planning and decision-making process, employees are elected to serve on District- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from Curriculum, Instruction and Assessment Services.

## **Professional Learning**

*Policy DMA*

Professional learning activities are organized to meet the needs of employees and the District. Professional learning for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus- level advisory committee. Professional learning for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

## **Administrative and Counseling Internships**

Any administrative or professional internships or hours of observation sought by District employees as part of their completion of an advanced degree must be approved in advance by the Chief Human Resource Officer.

# Compensation and Benefits

## Salaries, Wages, and Stipends

*Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The District's pay plans are reviewed by the administration each year and adjusted as needed. All District positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt, paid monthly salaries, and not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*)

Salaries and wages are reviewed annually and adjusted according to the budgeted amounts approved by the Board. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the District's extra-duty pay schedule.

Employees should contact Payroll at 972-350-4736 for more information about the District's pay calendars or Human Resources at 469-948-8032 regarding their own pay. Questions regarding an employee's own pay may also be directed to [HRCompensation@lisd.net](mailto:HRCompensation@lisd.net)

## Timekeeping

Accurately recording time worked is the responsibility of every hourly employee. Federal and state laws require the District to keep an accurate record of time worked in order to calculate employee pay and benefits. Kronos is the official timekeeping software used by the District to track and document work time. Each employee has the responsibility to clock themselves in and out for accurate timekeeping. Any measure that prohibits the employee from clocking in or out, such as a mechanical failure of Kronos or other computer managed failure, shall be reported to the employee's supervisor immediately.

## Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid semi-monthly. An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. Questions about your payroll statement should be directed to the Payroll Department at 972-350-4736.

## Automatic Payroll Deposit

Lewisville ISD now deposits all compensation directly into employee accounts. Contact the Payroll office at 972-350-4736 for more information about the automatic payroll deposit service.

To enroll or make changes to an employee's automatic payroll deposit, the employee must complete a Direct Deposit form and send it to the Payroll Department. In order to process, the form must be received at least 10 days before the Employee's actual pay date.

For employees who do not provide the Payroll Department with that information at least 10 days before their pay date, an actual check will be generated and will need to be picked up in the Payroll department. The employee must provide a new Direct Deposit Form when they pick up their check.

## **Payroll Deductions**

### *Policy CFEA*

The district is **required** to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS), which includes TRS Care.
- Federal income tax
- Medicare tax (applicable only to employees hired in this district after March 31, 1986)
- 457(b) FICA Alternative for substitutes & temporary employees
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable
- IRS levies & Chapter 13 garnishments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; higher education savings plans or prepaid tuition programs; and savings deposits. Employees also may request payroll deduction for payment of membership dues to professional organizations. Payments to the following may also be elected as a payroll deduction: Lewisville Education Foundation, Alternative Certification Programs, Lewisville ISD Preschool Program, Extended School Day Program. Salary deductions are automatically made for unauthorized or unpaid leave.

## **Wage offset or withholding**

The District may withhold the paycheck or offset wages in the following situations:

- Lewisville ISD may withhold a payroll check until all district issued items have been returned to the District. Such items include, but are not limited to, keys, badges, laptops and other District property assigned to an employee during the term of their employment.
- Lewisville ISD has the right to offset wages for overpayment by withholding wages from a payroll check or payments from other monies due an employee while employed, or at the time of their separation from the District.
- Lewisville ISD may withhold from an employee's payroll check for any monies due to the district.

## **Voluntary Retirement Plans – 403(b) and 457(b)**

A 403(b) and 457(b) is a tax-deferred investment and savings program for employees of certain tax-exempt employers. It allows employees of non-profit hospitals, educational institutions, and other nonprofit organizations to save and invest for their own retirement.

The 403(b) and 457(b) Plans were established by the federal government to encourage workers to establish retirement savings programs. The name refers to the relevant section in the Internal Revenue Code. These accounts are similar to both 401(k) plans and Individual Retirement Accounts (IRAs). The contribution limits and distribution rules are similar to 401(k) plans. The control of the account remains with the participant, similar to IRAs. This creates dual responsibility between the employer and the participant for compliance of 403(b) and 457(b) accounts with federal tax rules.

Employees of Lewisville ISD are eligible to participate in both the 403(b) and 457(b) Plans sponsored by Lewisville ISD. Participation is voluntary and no matching of funds is available. For information about the investment options available through the 403(b) or 457(b), please contact the Benefits Office

## **Overtime Compensation**

*Policy DEAB / DEC*

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. All employees are classified as exempt or nonexempt for purposes of overtime compensation. Professional and administrative employees are ineligible for overtime compensation. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined by the federal Fair Labor Standards Act as all hours worked in excess of 40 hours in a work week and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours in a work week will be compensated in straight time pay. Employees must work more than 40 total hours in a work week to earn overtime compensation. For the purpose of calculating overtime, a work week begins at 12:01 a.m. Monday and ends at midnight Sunday.

Employees will be compensated with direct pay for overtime at time-and-a-half rate, with approval by supervisor.

Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

## **Travel Expense Reimbursement**

*Policy DEE*

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the District and the Internal Revenue Service. Employees must submit receipts to be reimbursed for allowable expenses other than mileage and the approved food allowance.

## **Health, Dental, and Life Insurance**

*Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public-school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week (not eligible for the District Contribution)

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees via the Benefits website. Employees should contact the LISD Benefits Office for more information at 469-948-8104.

## **Employee Assistance Program through UnumProvident's LifeBalance Program**

UnumProvident's LifeBalance® program is a comprehensive information resource for employees, which provides assistance in managing workplace stress and dealing with personal and family issues ranging from severe to everyday problems. Available to employees and their family members, LifeBalance provides 24-hour access to professional advice. LifeBalance provides information on a wide range of topics/issues, including legal and financial issues, older adult and parenting resources, personal and work-related problems, and all the little things that demand attention each and every day. Services are also provided in Spanish or through simultaneous translation in more than 140 other languages. TTY access is also available. When an employee needs help with work, home, and personal and family issues, UnumProvident's LifeBalance Program is there. And best of all, there is no charge to the employee to use it. One toll-free call to LifeBalance can help employees find or develop solutions to problems. Every call is answered by an experienced, master's-level consultant who can help in a variety of ways. If needed, the telephone consultants can arrange up to three in-person sessions with a counselor at no cost. The phone number is 1-800-854-1446.

## **Supplemental Insurance Benefits**

*Policy CRG*

At their own expense, employees can enroll in supplemental insurance programs for dental, vision, disability, life or legal insurance. Premiums for these programs are paid by payroll deduction. Employees should contact the Benefits Office for more information at 469-948-8104.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pre-tax basis.

## **Termination of Health and Supplemental Insurance Benefits**

All insurance benefits (health insurance and supplemental insurance benefits) are terminated at the end of the month in which an employee resigns, retires or is terminated, or for which premiums are not paid by the end of the month. However, if an employee works through the end of the school year, then insurance benefits are terminated at the end of the month in which the employee receives his or her last paycheck, except for health insurance, which may be continued through August 31.

## **Workers' Compensation Insurance**

*Policy CRE*

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related injury or illness. Benefits pay for medical treatment and make up for part of the income lost while

recovering. Specific benefits are prescribed by law depending on the circumstances of each case. All work-related injuries must be reported immediately to the LISD Benefits Office.

Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities pursuant to Texas law.

Lewisville ISD has adopted the offset provision allowed by state law. This allows an employee to use a portion of their accrued sick leave benefits (state sick leave, state personal leave, vacation, and local personal leave) to supplement workers' compensation wage benefits up to the employee's regular pre-injury wage. As a result, employees will use any of these leave benefits to make up the difference between their normal weekly wage and the wage paid by workers compensation, including the initial seven days of lost time (state law does not provide for payment of lost wages for the first seven days an employee is unable to work) unless they elect not to use leave benefits.

## **Unemployment Compensation Insurance**

### *Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits under the Texas Unemployment Compensation Act. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Benefits Office.

## **Texas Teacher Retirement System**

Employment that makes a staff member eligible for membership in the Texas Teacher Retirement System (TRS) is:

- regular employment with a single public, state-supported education institution in Texas that is expected to last for a period of 4 ½ months or more,
- for one-half or more of the full-time workload, and
- with compensation paid at a rate comparable to the rate of compensation for other persons employed in similar positions.

TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify Human Resources and the Payroll Department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701, or call 800-223-8778. TRS information is also available on the Web ([www.trs.texas.gov](http://www.trs.texas.gov)). See *Employment after Retirement* in *Employment* section of Employee Handbook for information on restrictions of employment of retirees in Texas public schools.

## **Compensation for Unused State Sick Leave and State and Local Personal Leave**

### *Policy DEC*

All retiring personnel meeting state eligibility requirements for retirement shall be compensated for their accrued sick leave based on the schedule below. The district will only reimburse employees for unused state leave earned during employment with the District. Employees hired prior to the 2003-2004 school year are exempt from this requirement and will be paid for all unused leave.

- Those employees who have 75% or more of their eligible sick leave days remaining shall be compensated for unused sick leave at a rate of 50% of their average daily salary.
- Those employees who have 50-74% of their eligible sick leave days remaining shall be compensated for unused sick leave at a rate of 35% of their average daily salary.
- Those employees who have less than 50% of their eligible sick leave days remaining shall be compensated at the rate of \$40 per day.

All retiring personnel meeting state eligibility requirements for retirement shall be compensated for their accrued local personal leave based on the following schedule:

- Employees who have 75 percent or more of their local personal leave remaining shall receive \$55 per local personal leave day.
- Employees who have 50 to 74 percent of their local personal leave remaining shall receive \$50 per local personal leave day.
- Employees who have less than 50 percent of their local personal leave remaining shall receive \$40 per local personal leave day.

### **403(b) Accumulated Leave Plan**

Lewisville ISD has a 403(b) Accumulated Leave Plan which requires the District to contribute the amount of compensation for unused State and Local Leave in excess of \$45,000 to the plan on behalf of the employee as an employer paid benefit. Please contact the Benefits Office for more information about how this plan works.

# Leaves and Absences

*Policies DEC, DECA, DECB, DED*

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who have personal needs that will require long leaves of absence should call the Benefits Office for counseling about leave options, continuation of benefits, and communicating with the District.

Leave must be used in half day increments. If an employee is taking intermittent family and medical leave, time off shall be recorded in one-hour increments.

The following steps must be taken to request leave:

- Complete a Request for Leave of Absence form and attach appropriate medical documentation.
- Return the completed form to the Benefits office. If a substitute will be required during your period of leave, that can be arranged with the substitute desk while you are in Human Resources.

Employees on leave of absence may continue their insurance benefits at their own expense. They are eligible to receive the district contribution toward medical in the following circumstances:

- As long as a paycheck is issued
- If time is worked during that particular month
- During the Family Medical Leave Act (FMLA) approved 12-week time period
- If on FMLA leave at the end of the school year, eligibility continues during the summer months
- If at work on last contract day, eligibility continues during the summer months
- If not working and receiving Workers Compensation benefits

Leave shall be recorded as follows:

- Leave shall be recorded in half-day increments for all employees.
- If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.
- If the employee chooses to offset leave against workers' compensation benefits, leave shall be recorded in the amount used.

Order of use: Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

- Local leave.
- State sick leave accumulated before the 1995-96 school year.
- State personal leave.

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Any unapproved absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

**Medical Certification.** Any employee who is absent more than three days because of a personal or family illness or injury must submit a medical certification from a qualified health care provider confirming the specific dates of the

illness or injury, the reason for the illness or injury, and in the case of personal illness or injury, the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests FMLA leave for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

State and local personal leave is earned on a prorated basis. If an employee leaves the District before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

## **Summer Leave**

For employees working all year, summer weeks are compressed into four, ten-hour workdays. For Kronos timekeeping, all work time is measured in hours. Any absence during this time accounts for ten hours of leave. Absences for each day of summer leave taken by year-round staff will be recorded in increments of 1.25 days such that 4 summer leave days equals 5 days of the week during the regular term. During the summer months, the Payroll department will post absences for year-round employees according to the following chart:

One half day of leave in a four-day week	.625 days
One day of leave in a four-day week	1.25 days
Two days of leave in a four-day week	2.5 days
Three days of leave in a four-day week	3.75 days
Four days of leave in a four-day week	5.0 days

## **Availability of Leave at the Beginning of the School Year**

### *Policy DEC*

The District shall make paid leave for the current year available for use at the beginning of the school year.

The District shall not approve paid leave for more workdays than have been accumulated in prior years plus those to be earned during the current year. Any absences beyond available paid leave shall result in deductions from the employee's pay.

## **Absence Reporting Requirements**

All employees must report absences from duty through the District's Automated Substitute System and must follow absence reporting requirements of their supervisor. Employees are required to complete the Request for Planned Absence form and submit the form to their supervisor for approval or denial. Absences can be reported to the Automated Substitute System either by telephone (1-800-942-3767) or online ([lewisville.aesoponline.com](http://lewisville.aesoponline.com)).

## Continuation of Health Insurance

Employees on an approved leave of absence other than Family and Medical Leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than Family Medical Leave. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

## Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of earned personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

### Nondiscretionary.

Leave taken for personal or family illness, emergency, a death in the family, or active military service is considered nondiscretionary leave. This type of leave allows very little, if any, advance planning and will be granted to employees in the same manner as personal state or personal local leave.

### Discretionary

Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave and will be administered under the following guidelines:

- An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor in advance of the anticipated absence.
- No more than three (3) personal leave days may be taken consecutively without the prior written approval of the building principal/supervisor.
- Discretionary personal leave will be granted on a first-come, first-served basis.
- The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor in determining whether to grant discretionary leave.
- The District will not approve end-of-service use of discretionary personal state or local leave when an employee resigns his or her employment with the District.
- Compensation for personal state and local leave upon retirement will be provided per guidelines found within Board policy DEC (LOCAL).
- Employees taking discretionary leave without approval may be subject to disciplinary action and/or salary deductions.

**For all campus staff:** Discretionary personal state and/or local leave may not be taken during the following times:

- First week of instruction (August 10 - August 12, 2022);
- Last week of instruction (May 22 – May 26, 2023);
- State testing days;
- A day before or after a school holiday or unused bad weather day; or

- Professional Learning Days / Teacher Workdays.

All nurses and special education itinerate staff such as speech therapists, occupational therapists, physical therapists, diagnosticians, etc. must present their request for discretionary leave of 3 or more days through the health services director and the special education director respectively.

### **Leave Proration**

If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

### **Sick Leave (State Sick Leave Awarded Prior to 1995-1996)**

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas.

Sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

### **Local Leave**

All full-time employees (6 or more hours per day) shall earn three equivalent workdays of local personal leave per school year, concurrently with state personal leave. Unused local personal leave will accumulate (maximum of 50 days) and shall be taken with no loss of pay. All local leave is available at the beginning of the school year. Employees taking discretionary local personal leave without approval will be subject to disciplinary action and salary deductions (see "Discretionary" above)

Local days can be donated from one employee to another. The employee receiving the donated days must have exhausted all of their fully paid leave. Employees wishing to donate a local day to another employee must submit a request form to the Benefits Department. The form can be found on the benefits website. [LISD.net/benefits](http://LISD.net/benefits)

### **COVID Leave**

The need for COVID leave for staff will be reviewed prior to the start of each school year on an annual basis.

#### COVID Reporting Requirements:

- Staff members who test positive and are symptomatic may return to work if at least 5 days have passed since the onset of symptoms, are fever free for 24 hours (without the use of fever suppressing medications) and other symptoms have improved. Masking is strongly recommended through day 10.
- Staff members who test positive and do not have any symptoms may return to work at least 5 days after the day they tested positive. Masking is strongly recommended through day 10.

## **Bereavement Leave**

All full-time employees may be eligible for 5 bereavement days to be used for consecutive absences due to the death of an immediate family member as defined below.

The term "immediate family" is defined as:

1. Spouse
2. Son or daughter, including a biological, adopted, or foster child, a son-or-daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
3. Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time.

The employee must provide the Benefits Office with a death certificate, funeral notice, or an obituary to establish relationship. Requests for bereavement leave must be made within 60 days from the immediate family member's death and the awarded bereavement days must be used within 60 days from the immediate family members death.

## **Hardship Leave**

Full-time employees who have exhausted all available leave may request hardship leave. The approved hardship leave shall not exceed 10 equivalent workdays.

The employee may qualify for hardship leave under the following conditions:

- The employee has an illness or disability requiring treatment by a certified health care provider (including pregnancy related disability) that results in the employee's incapacity to perform his or her duty function. Hardship leave is not to be used for individual employee or immediate family members doctor's appointments unless the appointment is for treatment of an ongoing serious health condition.
- To care for the employee's spouse, child or parent if the spouse, child or parent has a serious health condition. The maximum number of hardship days available to care for a spouse, child or parent is ten (10) equivalent workdays per school year. Any hardship days granted to an employee for the care of a spouse, child or parent will be deducted from the maximum available per school year.
- For bereavement leave due to the death of a child, spouse, or parent. The maximum number of hardship days available for bereavement due to the death of a child, spouse or parent is five (5) equivalent workdays per school year. Any hardship days granted to an employee for bereavement leave due to the death of a spouse, child or parent will be deducted from the maximum available per school year.

The employee shall be required to provide documentation of the health condition. The documentation shall accompany the request for hardship leave to the Benefits Department and shall identify the beginning leave date and return date. Approval for hardship leave must be granted by the Benefits Department before an employee may access such leave.

When the need for hardship leave is not foreseeable, the employee shall notify the Benefits Department as soon as possible. Under ordinary circumstances, an employee shall provide notice within three working days after learning of the need for hardship leave. Notice may be provided either in person, by telephone, fax, e-mail, or other electronic means. Hardship leave shall be taken with 50% of daily rate of pay deducted for each day used, whether or not a substitute is employed. Hardship leave shall not be used for any monetary gain, personal travel, or recreational purposes.

Hardship Leave must be requested within 60 days from the first eligible absence pertaining to the request.

An employee must work a minimum of 18 days during the school year before hardship days will be awarded and have been employed at least 90 days to access hardship leave.

### **Paid Vacation**

Each full-time employee who serves in a position normally requiring 12 months of service (minimum of 240 workdays) shall earn ten paid vacation days per work year, in accordance with administrative regulations.

Beginning on July 1, 2013, each full-time employee who serves in a position normally requiring 12 months of service (minimum of 240 workdays) and who has been continuously employed by the District for at least 15 years shall earn 15 paid vacation days per work year, in accordance with administrative regulations.

An employee shall not earn vacation days when in an unpaid status. An employee using full or proportionate paid leave or vacation days shall be considered to be in a paid status.

No more than 20 vacation days shall carry forward from one work year to the next. Any vacation days earned above the maximum accumulation of 20 and not used within the work year in which they are earned shall be forfeited at the end of the work year.

The District shall make vacation days for the current work year available at the beginning of the work year.

The District shall not approve use of vacation days for more vacation days than have been accumulated in prior years plus those to be earned during the current work year; therefore, no employee shall have more than 30 vacation days (or 35 vacation days, as applicable) available for use at any time.

Use of vacation days shall be scheduled in advance with approval from the employee's immediate supervisor.

If an employee uses more vacation days than he or she has earned, the District shall deduct the cost of the unearned vacation days from the employee's final paycheck for the work year or from the last paycheck if the employee ceases to be employed by the District during the work year.

The District shall pay no compensation for unused vacation days upon any separation from employment.

### **Sick Leave Bank**

Full-time employees who have exhausted all available leave and are a member of the Sick Leave Bank, may request Sick Leave Bank leave. The approved Sick Leave Bank leave shall not exceed a maximum of 25 days per year with a lifetime maximum of 100 days.

- To care for the employee's spouse, child or parent if the spouse, child or parent has a serious health condition.
- The maximum number of days available bereavement due to the death of a child, spouse, sibling or parent is five (5) consecutive days per school year. The maximum days granted to an employee for bereavement leave due to the health of a grandparent, in-law or grandchild is 3 consecutive days.

## **Local Procedures for Implementing Family and Medical Leave (FML) – General Provisions**

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

### **Leave Entitlements**

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness. An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule. Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

### **Benefits and Protections**

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions. An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

### **Eligibility Requirements**

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;\* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

\*Special hours of service eligibility requirements apply to airline flight crew employees.

## **Requesting Leave**

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures. Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified. Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

## **Employer Responsibilities**

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility. Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

## **Enforcement**

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer. The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

## **Local Procedures for Implementing Family and Medical Leave Provisions**

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

## **Combined Leave for Spouses**

Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

## **Use of Paid Leave**

FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

## **Intermittent Leave**

When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a

newborn child or for adoption or placement of a child with the employee.

### **Fitness for Duty**

An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

### **Reinstatement**

An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

### **Failure to Return**

If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

### **District Contact**

Employees that require FML or have questions should contact the Benefits Office Leave Coordinator at 469- 948-8103 for details on eligibility, requirements, and limitations.

### **Military Family Leave Entitlements**

An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active-duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period.

A covered servicemember is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness\*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.\*

**\*The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are distinct from the FMLA definition of “serious health condition.”**

### **Definition of Serious Health Condition**

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

## **Temporary Disability**

### **Certified employees**

Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. *All other classifications of employees are not eligible for temporary disability leave.* The purpose of temporary disability leave is to provide job protection to full time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employee must request approval for temporary disability leave. An employee’s notification of need for extended absence due to the employee’s own medical condition shall be accepted as a request for temporary disability leave. The leave request must be accompanied by a physician’s statement confirming the employee’s inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days, including holidays and weekends.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the employee’s supervisor and Benefits Department should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician’s statement confirming that the full-time employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated at the beginning of the following school year. If a full-time educator is on an extended leave that results in the full-time educator receiving a pay-off, the full-time educator will be placed on the payroll schedule for payment on the 20th of each month when they return from leave and begin receiving salary.

## **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

Lewisville ISD has adopted the offset provision allowed by state law. This allows an employee to use a portion of their accrued sick leave benefits (state sick leave, state personal leave, vacation, and local personal leave) to supplement workers' compensation wage benefits up to the employee's regular pre-injury wage. As a result, employees will use any of these leave benefits to make up the difference between their normal weekly wage and the wage paid by workers compensation, including the initial seven days of lost time (state law does not provide for payment of lost wages for the seven days an employee is unable to work) unless they elect not to use leave benefits.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the Benefits Department at 469-948-8104.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation temporary income benefits. Upon investigation the District may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Jury Duty**

*Policies DEC, DG*

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave. SB 370 and HB 504 of the 86th Regular Session of the Texas Legislature, effective September 1, 2019, expanded jury service protection to service on a grand jury. Policy DG (LEGAL) states statutory protections for an employee who serves as a juror or grand juror. An employee may be required to report

back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

## **Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Other absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

## **Truancy Court Appearances**

An employee who is a parent, guardian of a child, or court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

## **Religious Observance**

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Reasonable accommodations such as changes to work schedules or approving a day of absence will generally be approved unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence for this purpose.

## **Military Leave**

### **Paid Leave for Military Service**

Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty ordered by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

### **Reemployment after Military Leave**

Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Human Resources. In most cases, the length of federal military service cannot exceed five years.

### **Continuation of Health Insurance**

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months.

Employees should contact Human Resources for details on eligibility, requirements, and limitations.

An FAQ on military leave is available on the TASB Legal Services Web Site <https://tasb.org/services/legal-services/tasb-school-law-esource/personnel/documents/military-leave-and-sch-dist-employment.pdf>

## **Other Requests for Leave**

The District does not offer any other type of leave except those detailed in policy and in the Employee Handbook; all other types of leaves of absence for any reason are discouraged. Professional employees are contracted for days of service as specified in their contracts. Any request for leave not detailed in policy or in the Employee Handbook must be granted by the Superintendent.

## **Request for Workplace Accommodations**

Any request for a workplace accommodation must be submitted to the Leave Coordinator in the Benefits Office. The request must be accompanied by medical documentation which specifies, at a minimum, the following items:

- Detailed description of the accommodation(s) requested
- Length of time accommodation(s) are needed

The Benefits Office will work with the employee and the employee's supervisor in an effort to provide the accommodations(s) requested. The request for workplace accommodation(s) must be reasonable and cause no undue hardship to the District in order to be considered.

## **Absent Without Pay**

An employee absent from work must use available paid leave benefits (state, local, hardship, sick leave bank, or vacation) before the employee may be absent without pay. Deductions may occur for unpaid administrative leave or unauthorized discretionary leave.

## **Requests to Change Type of Leave Used**

No changes in reason for absence can be made on absences older than 60 days (for example, to change an absence from a local day used to a state personal day used or vice versa).

# Complaints and Grievances

## Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring grievances to the Board of Trustees.

Any employee who reports a grievance may make an audio-recording of any meeting or proceeding at which the substance of a grievance is investigated or discussed. Any such employee recording may not result in a delay of any timeline provided by the grievance policy and does not require the district to provide equipment for the employee to make the recording.

For ease of reference, the link to the District's policy concerning the process of bringing complaints and grievances is as follows:

[DGBA \(LOCAL\)](#) or <https://pol.tasb.org/Policy/Code/384?filter=DGBA&filter=DGBA>

Employee Complaint Forms Lewisville ISD has adopted a grievance process for the purpose of resolving employee, student/parent, and public concerns as expediently and efficiently as possible.

*Before filing a grievance, and pursuant to LISD Board Policy, the District strongly encourages each individual to attempt to resolve his or her concerns with the applicable campus or department administrator or employee. The District believes it is typically in the best interest of everyone involved to informally resolve concerns if at all possible. Please keep in mind that any applicable timelines for filing a grievance are not affected by an attempt at informal resolution.*

However, if an informal resolution is unsuccessful or not appropriate in a particular circumstance, the following is a link to the process by which an individual may file a grievance in LISD:

## **Discrimination, Harassment, and Retaliation**

*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage

in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate District official. If the campus principal, supervisor or District official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the Superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The link to the District's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is below:

[DIA \(LOCAL\)](#) or <https://pol.tasb.org/Policy/Code/384?filter=DIA&filter=DIA>

## **Harassment of Students**

*Policies DH, DHB, FFG, FFH, FFI*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

DIA (Local) All allegations of prohibited harassment or abuse of a student by an employee, adult, or student will be reported to the appropriate legal authorities as required by state law. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse* and *Bullying* for additional information.

## **Reporting Suspected Child Abuse**

*Policy DG, DHB, FFG, GRA*

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a local or state law enforcement agency, Child Protective Services (CPS), or the state agency that

operates, licenses, certifies, or registers the facility in which the alleged abuse or neglect occurred not later than the 48th hour after the employee first suspects that the child has been or may be abused or neglected. Such a report *must* be made to CPS, and not only law enforcement, if the alleged or suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child. *State law makes clear that an employee may not delegate to or rely on another person or administrator to make the report.*

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report. Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

In addition to a report to DFPS, law enforcement, or an appropriate state agency, employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are *not* required to report their concern to the principal *before* making a report to DFPS, law enforcement, or the appropriate state agency.

Employees must cooperate with investigators of child abuse and neglect. ## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at [http://bit.ly/lisd\\_abuse](http://bit.ly/lisd_abuse). Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described about in *Reporting Suspected Child Abuse*.

## **Reporting Crime**

### *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Scope and Sequence**

### *Policy DG*

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence. The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

### *Policy CQ*

The district's technology resources, including its networks, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Has no adverse effect on the employee's job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Contract employees may resign their position without penalty at the end of any school year if the online Resignation Form <https://docunavweb.lisd.net/Forms/IB0CI> is submitted at least 45 days before the first day of instruction of the following school year.

Supervisors who have not been designated by the board to accept resignations shall instruct the employee to submit the online Resignation Form <https://docunavweb.lisd.net/Forms/IB0CI>.

Contract employees may resign at any other time only with the approval of the Superintendent, Chief Human Resource Officer, or Board of Trustees. Resignation without the consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

### **Noncontract employees.**

Noncontract employees may resign their positions at any time. A written notice of resignation should be submitted to Human Resources at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

## Dismissal or Nonrenewal of Contract Employees

*Policy DF Series, DHB*

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in District policies. The Board of Trustees may nonrenew or terminate employees' probationary or term contracts at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when written notice is given to an employee. The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency on page 58. The Superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or

maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series of Board policy that is provided to employees or online in electronic format at [www.lisd.net](http://www.lisd.net).

## **Dismissal of Noncontract Employees**

*Policies DCD, DP*

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the District to dismiss any employee for reasons of race, ethnicity, color, religion, sex, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the District process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

## **Discharge of Convicted Employees**

*Policy DF*

### **Discharge of Convicted Employees Policy DF.**

The district shall discharge any employee who has been convicted of or placed on deferred adjudication community supervision for an offense requiring the registration as a sex offender or convicted of a felony under Title 5 Penal Code if the victim was a minor. TEC §22.085 lists the reasons an employee must be discharged. If the offense is more than 30 years before the date the person's employment began or the person satisfied all terms of the court order entered on conviction the requirement to discharge does not apply.

## **Exit Procedures**

All employees leaving the District must complete an electronic Resignation Form prior to separating from the District. For information on the continuation of benefits, release of information, and procedures for requesting references, contact the Human Resources or Benefits Department. Separating employees are asked to provide the District with a forwarding address and phone number and may be asked to complete a questionnaire that provides the District with feedback on his or her employment experience.

All District keys, books, property, including intellectual property, and equipment must be returned upon separation from employment. The District may withhold the cost of any unreturned items from the final paycheck.

## **Reports to Texas Education Agency**

*Policies DF, DHB, DHC*

### **Certified Employees.**

The resignation or termination of a certified employee must be reported to the Division of Investigations at TEA if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on district property or at a school-sponsored event

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

### **Noncertified Employees.**

The voluntary or involuntary separation of a noncertified employee from the District must be reported to the Division of Investigations at TEA by the superintendent if there is evidence the employee abused or otherwise committed an unlawful act with a student or minor, was involved in a romantic relationship with a student or minor, or solicited or engaged in sexual contact with a student or minor. TEC §22.093 requires superintendents to notify TEA upon resignation or termination of a noncertified employee if there is evidence of misconduct.

## **Reports Concerning Court-Ordered Withholding**

The district is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance. Notice of the following must be sent to the support recipient and the court or, in the case of child support, the Texas Attorney General Child Support Division:

- Termination of employment not later than the seventh day after the date of termination
- Employee's last known address
- Name and address of the employee's new employer, if known

## **Use of Electronic Signatures**

The District utilizes electronic signatures for many of its forms and other documents, including evaluation documents such as a teacher's summative annual appraisal. An electronic signature signifies the employee's consent to sign the form or document in the same manner as a handwritten signature. Prior to submitting some forms or documents, the employee may be required to provide additional personal identifiers in an effort to further authenticate the identity of the employee submitting the electronic signature.

# **Student Issues**

## **Equal Educational Opportunities**

*Policy FB, FFH*

In an effort to promote nondiscrimination and as required by law, Lewisville ISD does not discriminate on the basis of race, ethnicity, color, religion, national origin, sex, or disability in providing education services, activities, and programs, including Career and Technical Education (CTE) programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination against students based on sex, including sexual harassment should be directed to Jeffrey Kajs, Chief Executive Director Student Support Services, the district Title IX coordinator for students. Questions or concerns about discrimination on the basis of a disability should be directed to Dr. Kathy Talbert, Chief Executive Director of Special Education, the district ADA/Section 504 coordinator for students.

## **Student Records**

*Policy FL*

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records.

The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced parents have rights to their student's records unless parental rights have been terminated by court order and the school has been given a copy of the court order terminating parental rights.
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests as defined by the Family Educational Rights and Privacy Act (FERPA) and implementing regulations.

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

## **Parent and Student Complaints**

*Policy FNG*

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the Board has adopted orderly processes for handling complaints on different issues. Any campus office or the Superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved should be directed to the campus principal. The

formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

## **Administering Medication to Students**

*Policy FFAC*

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

## **Dietary Supplements**

*Policy DH, FFAC*

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school District duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

## **Psychotropic Drugs**

*Policy FFAC*

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

## **Student Conduct and Discipline**

*Policies in the FN series and FO series*

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management procedures that have been adopted by the District. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

## **Student Grading**

Students should have a reasonable opportunity to know their accurate average in their class/course/subject within a timeframe that allows for following the re-teach/re-test policy and an opportunity to recover learning. This means that

teachers should record grades in a timely manner. Generally, this means that teachers should enter grades for a given assignment no later than a week after the assignment's due date. Teachers should ensure that all grades they wish to include in a given grading period are entered prior to the period's grade submission deadline.

[Elementary Grading Guidelines](#)

## **Student Attendance**

*Policy FEB*

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

## **Bullying**

*Policy FFI*

Bullying is defined by Texas Education Code § 37.0832. All employees are required to report student complaints of bullying, including cyberbullying, to the campus principal. The link to the District's policy that includes definitions and procedures for reporting and investigating bullying of students is below:

## **Hazing**

*Policy FNCC*

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

## **Surveys and Data Collection**

Lewisville ISD values input from students. When you determine to survey students as a faculty member in Lewisville ISD, please consider the following:

1. Does the information requested have the potential to increase student learning and/or improve my instructional practice?
2. Have I designed the survey such that student rights to privacy and protection from harm have been ensured?
3. Have I considered the sensitivity of the information being sought to ensure it is developmentally appropriate?
4. Have I discussed the survey with or gained approval from campus and/or administration?

Please review the enumerated items when considering any survey of student interests or information. In the event you have any questions, please contact your campus or departmental supervisor.
