7 areas affecting terms or conditions of employment. Such consultation shall be initiated by
8 a written request to the Superintendent. A proposed agenda shall be submitted by the
9 Association at the time of the request. The meeting shall be set at a time that will not
10 require employment of a substitute.

11 **2.13- COPIES OF AGREEMENT:** Within 30 days of approval of the final draft of this

13 the Association's use.

2 for each collective bargaining session shall be as agreed upon by the Superintendent and
3 the Association's designated representative.

4 **3.02 - TENTATIVE AGREEMENTS:** Articles tentatively agreed upon at the table shall
5 be signed by both parties.

6 **3.03 - SUCCESSOR AGREEMENT:** The length of this contract is three (3) years
7 (FY14-FY16) with annual re-openers during the FY15 and FY16 contract years. Re-
8 openers are restricted to two (2) articles per party in addition to the provisions on
9 Compensation (Article 15) and Benefits (Article 14). The parties agree to commence
10 negotiations for a successor agreement no later than March 1, 2014. The parties agree to
11 use the Interest Based process. The Labor/Management Committee shall meet in
12 February 2014 to determine the design, training and schedule for bargaining. Bargaining
13 Unit team members shall receive temporary duty leave as required for these purposes.

14 **3.04 - RATIFICATION:** No final agreement between the parties may be executed
15 without ratification by a majority of the Board and by a majority of those voting from the
16 bargaining unit. Within fifteen (15) days following tentative agreement between the
17 negotiating teams, the Association shall submit the full agreement to the members of the
18 bargaining unit for ratification or rejection. The Superintendent shall promptly submit the
19 full agreement to the Board for consideration and ratification or rejection.

20 **3.05 - PROCEDURE IN CASE OF NONRATIFICATION:** Should either the
21 bargaining unit or Board membership not ratify the tentative agreement, meetings
22 between the negotiating teams must be convened within twenty (20) days. This section
23 shall not apply if impasse is invoked.

24 **3.06 - IMPASSE:** Impasse may occur only as provided for in Chapter 447, Florida
25 Statutes.

ARTICLE 4

GRIEVANCE PROCEDURE

1 **4.01 - DEFINITION:** A grievance is defined as a claim by a teacher, by name, or a
2 group of teachers, by name, that there has been a violation, misinterpretation or
3 misapplication of any provision of this Agreement. A grievance shall be processed as
4 hereinafter provided.

5 **4.02 - REPRESENTATION:** All members within the bargaining unit may have the right
6 to be represented by the Association in the determination of a grievance. Nothing herein
7 shall be construed to mandate Association representation of a bargaining unit member
8 who is not also a member of the Association. However, nothing in this part shall be
9 construed to prevent any member of the bargaining unit from presenting his/her own
10 grievance in person or by legal counsel and having such grievance adjusted without the
11 intervention of the bargaining agent if the adjustment is not inconsistent with the terms of
12 this Agreement, and if the Association has been given the opportunity to be present at any
13 meeting called for the resolution of such grievances.

14 **4.03 - DEFINITION (Immediate Supervisor):** For the purpose of administering the
15 grievance procedure, the term immediate supervisor is defined as follows:

16 **4.031:** In any school, the immediate supervisor is deemed to be the building principal or
17 acting principal in his/her absence.

18 **4.032:** In the case of a teacher serving more than one school, the immediate supervisor
19 shall be deemed to be the principal(s) with whom the grievance has been filed.

20 **4.033:** In the case of a member of the bargaining unit not assigned to an individual
21 school, the immediate supervisor is deemed to be the coordinator or the director by whom
22 the teacher is evaluated.

23 **4.04 - WITHDRAWAL OF GRIEVANCE:** A grievance may be withdrawn by the
24 grievant at any time and at any step of this procedure provided; however, that same
25 grievance may not be filed a second time by the same party.

26 **4.05 - WORKING DAYS:** For the purpose of this grievance procedure, working days
27 are defined as those days, Monday through Friday, exclusive of holidays as provided by
28 the instructional personnel and county staff calendars of The School Board of Lee
29 County.

30 **4.06 - DATE OF DISPOSITION:** The date of disposition shall be the date on which the
31 supervisor delivers the disposition to the grievant or the date of postmark in those
32 instances where delivery is by U.S. Mail.

33 **4.07 - INFORMAL GRIEVANCE PROCEDURE:** In the event that a teacher believes
34 that there is a basis for a grievance, he/she shall, within ten (10) working days of the
35 alleged violation, or within ten (10) working days of the date of the teacher's proven

1 knowledge of such violation, first discuss it in an informal manner with his/her
2 immediate supervisor, either personally or accompanied by an Association representative,
3 if the grievant so chooses. In the event that the grievant chooses to have an Association
4 representative present, the grievant shall give the immediate supervisor at least three (3)
5 working days' notice of the grievant's request for a meeting, the intended presence of an
6 Association representative, and the nature of the grievance. If the resolution of the
7 grievance is not satisfactory to the grievant or if no disposition has been made within five
8 (5) working days following the informal discussion with his/her immediate supervisor,
9 the grievant may, within fifteen (15) working days, file a formal grievance with his/her
10 immediate supervisor on the form set forth in (see Appendix), and the steps of the formal
11 grievance as provided in this Agreement shall be evoked.

12 **4.08 - FORMAL GRIEVANCE PROCEDURES:**

13 **Step I:**

14 A copy of the grievance shall be forwarded by the grievant to the Superintendent and to
15 the Association at the same time the grievance is filed with the immediate supervisor.
16 The immediate supervisor shall meet with the grievant and his/her legal counsel or
17 Association representative if the grievant so chooses, and attempt to resolve the
18 grievance. Such meeting will require at least three (3) working days' notice and shall be
19 held within ten (10) working days of the date of filing of the formal grievance. The
20 immediate supervisor shall indicate the disposition of the grievance in writing within
21 seven (7) working days of such meeting and shall furnish a copy thereof to the grievant,
22 the Superintendent, and to the Association. If the grievant is not satisfied with the
23 disposition of the grievance, or if no disposition has been made within the time limits as
24 provided in Step I, the grievant may submit his/her grievance, as filed in Step I, to the
25 Superintendent within ten (10) working days of the date of disposition or the expiration
26 of time limits for a disposition.

27 **Step II:**

28 The Superintendent shall meet with the grievant and his/her legal counsel or Association
29 representative if the grievant so chooses, within ten (10) working days of the date of
30 filing, and attempt to resolve the grievance. The Superintendent shall indicate his/her
31 disposition of the grievance in writing within seven (7) working days of such meeting and
32 shall furnish a copy thereof to the grievant, the immediate supervisor, and to the
33 Association. In the event the grievant is not satisfied with the disposition of the grievance
34 at Step II, or if no disposition has been made within the time limits as provided in Step II,
35 the grievant, with the approval from and representation by the Association, may submit
36 the grievance to arbitration or voluntary mediation in accordance with the rules of the
37 American Arbitration Association.

38 **Voluntary Mediation:** The parties agree to submit, when all parties to the grievance
39 agree, any unresolved issues following Step II to voluntary mediation pursuant to the
40 American Arbitration Association's (AAA) Grievance Mediation Procedures prior to
41 initiating Step III of the grievance process as set forth below. When the parties submit a
42 grievance to mediation the timelines are waived so long as the agreement to submit the

1 grievance to mediation occurs prior to the timelines spelled out in Step III below. No
2 decisions reached during mediation are binding on the parties unless the agreement is
3 reduced to writing and signed by both parties. In the event that mediation is not
4 successful in resolving the dispute, the matter may proceed to Step III.

5 **Step III:**

6 Submission of a grievance to arbitration shall be initiated by the grievant, his/her legal
7 counsel or by his/her designated Association representative, by filing a written request
8 with the American Arbitration Association and with the Superintendent within ten (10)
9 working days of the date of the Step II disposition of the grievance or the expiration of
10 time limits for a disposition or the close of any unsuccessful voluntary mediation. The
11 disposition of the grievance made by the arbitrator shall be binding on both parties;
12 providing that the arbitrator shall have no power to add to or subtract from, modify or
13 otherwise alter the terms of the collective bargaining agreement. The Board and the
14 Association will share any information relative to the disposition of the grievance prior to
15 or during arbitration. Once the grievant withdraws a grievance and/or arbitration request,
16 the matter shall be considered closed and final. A written record of the withdrawal of the
17 grievance and/or arbitration request shall be maintained in the grievance file.

18 **4.09 - EXPENSES:** Each party shall bear its own expenses in connection with arbitration
19 and mediation; provided, however, the Association shall share equally with the Board
20 only those fees and expenses of the arbitrator and witnesses called by the arbitrator.

21 **4.10 - EXTENSION OF TIME LIMITS:** The time limits provided in this article may
22 be extended by written agreement between the grievant, the Association, and the Board.
23 Whenever illness or any other incapacity of the grievant prevents attendance at any
24 grievance meeting, the time limits shall be extended to such time that the grievant can be
25 present.

26 **4.11 - MISCELLANEOUS:**

27 **4.111 – GRIEVANCE ADJUSTMENTS:** Adjustment of any grievance described
28 herein shall not be inconsistent with the provisions of this Agreement.

29 **4.112 – RIGHTS GUARANTEED BY LAW:** Nothing contained in the grievance
30 procedure shall be construed to deny the Board, the Superintendent, the Association or
31 any teacher the rights guaranteed to them under the laws of the State of Florida or the
32 United States of America.

33 **4.113 – MEETINGS-PRIVACY:** All meetings and hearings under the grievance
34 procedure shall be held in private and shall include only such parties with an interest,
35 their representatives, and witnesses as necessary.

36 **4.114 – RELEASE FROM WORK:** All grievances shall be processed during times
37 which do not interfere with or cause interruption of a grievant’s work responsibilities,
38 provided, however, release time without loss of pay may be granted to teachers whose
39 attendance is required when grievance meetings are held during work hours.

1 **4.115 – RESPONSIBILITIES DURING GRIEVANCE PROCESSING:** The filing of
2 a grievance shall in no way interfere with the right of the Board to proceed to carry out its
3 management responsibilities, subject to the final resolution of the grievance. The teacher
4 shall abide by the management decision involved in any grievance, prior to and during
5 the time the grievance has been filed and shall not discontinue his/her duties prior to and
6 during the time a grievance is being processed.

7 **4.116 – GRIEVANCE RECORDS:** All official records of the processing of a grievance
8 shall be confidential and be filed separately from the personnel file of grievant.

9 **4.117 – TIME LIMITS:** Failure of the grievant to proceed with a grievance within the
10 time limit herein provided shall bar the grievant from any further right to pursue that
11 grievance.

12 **4.118 – JURISDICTION:** Should a grievance arise as the result of an alleged violation
13 of an Association right as identified in Article 2, Provisions 3, 4, 5, 6, 7, 8 and 9, and the
14 grievant and the principal agree that the principal is without the authority necessary to
15 resolve the issue, the grievant may file the grievance with the Superintendent and proceed
16 through the grievance procedure from Step II forward.

17 **4.119 – GRIEVANCE FORMS:** Standard forms (see Appendix) shall be made available
18 to members of the bargaining unit and representatives of the Association upon request.

19 **4.12 – WAIVER OF STEPS:** By mutual agreement, the parties may waive Step I and
20 Step II.

ARTICLE 5

TEACHING CONDITIONS

1 **5.01 - WORK DAY:** The basic work day for teachers shall be seven and one-half (7-1/2)
2 hours on all days when students are in attendance.

3 On a pilot basis, for the 2013-14 school year, school-based instructional staff may work
4 collaboratively with school administrators to develop a flexible work schedule to
5 accommodate additional time needed on certain days to conduct professional learning
6 communities (PLCs). Flexible schedules must still be the equivalent of a 37.5 hour work
7 week and/or average the basic teacher work day of seven and one-half (7 ½) hours.

8

9 On all professional duty days and inservice days, the basic work day for teachers shall be
10 seven (7) hours. The work day for teachers shall include:

11 (a) A lunch time each day equivalent to the student lunch time, but not less
12 than twenty-five (25) minutes. Except in the case of an emergency or
13 special circumstance the teacher’s lunch period shall be duty-free.

14 (b) The length of the instructional period each day will be determined by the
15 individual school’s master schedule. When a teacher and the District mutually
16 agree that the teacher will teach through the teacher’s planning period, the
17 teacher’s work day will be extended by an amount equal to the instructional
18 period. The teacher will be compensated at the teacher’s regular hourly rate.
19 The District shall advertise such extra time/extra pay opportunities and shall
20 report such arrangements to TALC. Teachers shall have planning/conference
21 time totaling not less than sixty (60) minutes per day or the equivalent on a
22 weekly basis to include a minimum of forty (40) continuous minutes per
23 teacher per day except in those cases as referenced in 5.01(d) and 5.03. Such
24 time shall be used for lesson preparation and for meeting other job description
25 responsibilities; therefore, the scheduling of administratively mandated
26 meetings and other similar functions shall be limited to two per month. A
27 faculty meeting is an example of an administratively mandated meeting. An
28 IEP meeting is a non-example of an administratively mandated meeting.
29 Meetings for the purpose of curriculum planning, with the involvement of
30 administration, are acceptable so long as the number of meetings is reasonable.
31 TALC Labor Management shall review situations where the number of
32 meetings is of concern.

33 The parties will develop a process for monitoring compliance with planning
34 guidelines by each school as well as a recommended course of action when a
35 school or work site is not in compliance.

36 In the event a teacher is not provided planning time during the student day the
37 school administrator shall implement a process to provide a break to the
38 teacher, if necessary. A break shall be defined as an interruption in the teaching
39 activity of the teacher for the purpose of using the restroom or for other

- 1 personal reasons. Such breaks shall be reasonable in length and not distract
2 from student learning.
- 3 (c) In case where a work site/school is unable to comply with or requests a change
4 in language pertaining to the teacher daily planning time, the work site/school
5 staff will develop a plan to insure teachers receive the three hundred (300)
6 minute weekly minimum based on a regular five day work week. This plan
7 must be submitted as a waiver and reviewed and approved by the waiver review
8 committee per Article 16.06.
- 9 (d) Fulfillment of performance responsibilities as defined by the Board's job
10 description for teachers shall be made available upon request to the individual
11 supervisor.
- 12 (e) The Board and the Association recognize that schools provide many learning
13 activities other than in individual classrooms. Such activities as state or district
14 testing programs, field days, field trips, theme days, or other similar activities
15 are included within this provision. When participation in such activities is
16 found to be necessary and will have the affect of temporarily changing a
17 teacher's schedule, if volunteers are not available, assignments shall be on a
18 rotating basis in a manner to ensure an equitable distribution of additional
19 responsibilities.
- 20 (f) The parties agree that teachers are professionals and have responsibilities,
21 which may require the teacher's attendance and/or participation beyond the
22 normal work day. Prior to the beginning of each semester, a school calendar
23 will be jointly developed by school administrators and teacher representatives
24 to include but not limited to the TALC representative. Activities such as faculty
25 meetings or other official school-related events are examples of such
26 responsibilities. When attendance at such meetings or activities is required, the
27 principal will notify in writing the affected teachers of the schedule and any
28 alterations necessary to the teacher's work schedule. Every reasonable effort
29 will be made by school administrators to minimize required attendance by
30 teachers beyond the regular work day. Parent/teacher conferences scheduled
31 outside of the regular work day shall be scheduled with the teacher.
- 32 (g) Each building principal shall determine the arrival and leaving time of teachers
33 assigned to each school. Teachers shall indicate their presence for duty upon
34 arrival each day by personally signing the school's teacher duty roster and may
35 leave their school or other scheduled duty area during the work day only with
36 the approval of their principal or other immediate supervisor. If volunteers are
37 not available, when teacher participation in extracurricular activities is required
38 and there is no supplement assigned to that activity, assignments will be made
39 on a rotating basis in a manner to ensure equitable distribution of additional
40 responsibilities. Upon approval by the principal, teachers may be given access
41 to the building to voluntarily perform job-related duties.

1 **5.02 - TEACHER PREPARATION:** For purposes of this section, the following
2 definitions shall apply:

- 3 (a) Lesson Plans - Detailed daily description of instructional activities for students.
- 4 (b) Disclosure Documents - A general statement of course requirements, materials
5 and objectives.
- 6 (c) Course Outline - A sketchy description of how the performance standards will
7 be met over a 6-15 week period of instructional time.
- 8 (d) Course - That body of instructional information identified by each specific
9 course code directory number.

10 Each teacher shall prepare a lesson plan covering the full calendar week no later than the
11 next to last day of the preceding school week. Upon request to the teacher, lesson plans
12 are subject to review by the principal or other immediate supervisor. There shall be no

16 or other unusual circumstances, as determined by the principal or other immediate
17 supervisor, a teacher's daily work schedule may be temporarily changed. When such a
18 schedule change necessitates the loss of a teacher's planning/conference period, and no
19 volunteers are available, the loss of planning/conference period shall be on a rotating
20 basis.

21 **5.04 - PHYSICAL FACILITIES:** The Board shall involve teachers in the preparation of

10 of an unsafe working condition shall immediately report the situation to his/her
11 supervisor. A safety deficiency form shall be provided to employees either by electronic
12 file or by hardcopy for reporting purposes. The supervisor shall investigate and initiate
13 whatever corrective action he/she deems appropriate with consultation and notice given
14 to the department responsible for Safety. If the employee believes that the condition has
15 not been corrected, he/she may report it to the Safety Committee in writing on the Safety
16 Deficiency Form. All hard copies of the Safety Deficiency Form shall be directed to the
17 department responsible for Safety.

18 **5.044 – DISTRICT SAFETY COMMITTEE:** The joint committee shall consist of
19 sixteen (16) members, eight (8) of whom shall be appointed by the Superintendent,
20 including the Chairman, and eight (8) of whom shall be appointed by the Associations,
21 representing all affected bargaining units. The District Safety Committee shall meet on a

26 **5.05 - GRADES:** Each teacher is responsible for assigning grades for his/her students
27 and turning them in to his/her principal. No grade will be altered or cause to be altered
28 without consultation, where possible, with the teacher who assigned the grade. Such
29 consultation shall be for the purpose of reviewing the teacher’s justification of the
30 assigned grade. In each case, the decision of the principal shall, upon appeal by the
31 teacher, be reviewed by the Superintendent and his/her decision shall be final. If a change
32 is made, the record will reflect that the change was made by the Superintendent, principal
33 or designee.

34 **5.06 - GRADE-LEVEL AND DEPARTMENT CHAIRPERSON:** Each opening for the
35 position of grade level, department chairpersons or team leader shall be
36 announced prior to filling the position. Teachers within the department, team or grade
37 level shall make recommendations to the principal on persons to serve as grade level,
38 department chairpersons or team leader. First consideration shall be given to persons who
39 are recommended by their department, grade level or team. The principal shall make the
40 final determination in filling such vacancies and shall notify all applicants of his/her
41 decision prior to the end of the student school year. No department head, grade level
42 chairperson or team leader shall be required to evaluate, in writing, other bargaining unit

19 not be considered an admission of guilt nor shall such notice be admissible for any
20 purpose in any proceeding, civil or criminal, administrative or judicial, investigatory or
21 adjudicatory. In addition, teachers shall self-report any conviction, finding of guilt,
22 withholding of adjudication, commitment to a pretrial diversion program, or entering of a

ARTICLE 6

TEACHER AUTHORITY AND PROTECTION

1 **6.01** - The teacher's responsibility for the control and direction of students shall be
2 exercised throughout the campus of each school and is not limited to a specific group of
3 children or classroom. When in the judgment of the teacher a student requires the
4 attention of the principal or other school or District staff specialist, the teacher shall so
5 inform the principal or his/her designee on the appropriate school form. When
6 administrative assistance is provided, the teacher shall receive a written statement of the
7 specific action taken within five (5) days. Individual records of student discipline, where
8 available, will be accessible to teachers as an aid for determining disciplinary
9 recommendations concerning particular students.

10 **6.02 - TEACHER PROTECTION:** The Board assures teachers of its support when
11 teachers have followed the laws and regulations of the State pursuant to Section 1003.32
12 (j), Florida Statutes and the policies of the Board in carrying out their responsibility for
13 maintaining good discipline. A teacher shall impose classroom discipline in accordance
14 with Board policy and administrative direction and when necessary to protect himself or
15 herself or others from injury.

16 **6.021** - Any case of assault upon a teacher which occurs in the line of duty shall promptly
17 be reported to the principal. The Board shall provide legal advice to the teacher
18 concerning his/her rights and obligations with respect to such assault, and its legal
19 assistance to the teacher in connection with handling of the incident by law enforcement
20 and judicial authorities. In such event, the following shall apply:

- 21 (a) Time for appearance before a judicial body or legal authority shall result in no
22 loss of salary or reduction of accumulated leave.
- 23 (b) Where a teacher is found guilty of a criminal charge related to the incident by a
24 court of competent jurisdiction, the Board shall be immediately released from
25 further responsibility to the teacher.
- 26 (c) In the case of injury occurring under such circumstances, the teacher shall
27 provide a written statement from a licensed medical physician regarding the
28 extent and nature of injuries sustained. A teacher shall be entitled to Illness or
29 Injury In-Line-Of-Duty Leave as provided by 1012.63, F.S., and
30 Provision 11.0202 of this Agreement. After ten (10) work days, the teacher
31 shall receive the salary difference between Workers' Compensation and regular
32 salary under emergency sick leave status, for such term and under such
33 conditions as the Board shall deem appropriate after medical consultation.

34 **6.022** - Should a complaint be made by a parent/guardian, student or other individual
35 which may result in disciplinary action against a teacher, the teacher shall be notified of
36 the complaint in writing, and given an opportunity to be heard by an appropriate
37 administrator prior to the taking of such action. Such notice shall include a copy of any
38 written complaint(s) and/or the summary of incidents surrounding the complaint

1 including the name of the person or persons making the complaint and the nature of the
2 complaint. During this period, there shall be no record of said complaint placed in the
3 teacher's personnel file. Prior notice is waived where evidence available to the
4 Superintendent indicates that the presence of the teacher may be detrimental to the well-
5 being of students or the learning process. Upon request to the principal or other
6 immediate supervisor, a teacher shall have the right of representation during investigatory
7 meetings, conferences, and/or interviews which may lead to disciplinary action. Nothing
8 herein is intended to preclude the administrator's right to conduct a thorough and
9 impartial investigation.

10 **6.023** - The contractual status of a teacher who was initially employed in the District
11 prior to July 1, 1984, and a teacher on continuing contract as of July 1, 1984, shall be
12 covered by Florida Statutes 1012.33 as it existed prior to July 1, 1984, and the provisions
13 of the Agreement. Such teacher's rights shall neither be enhanced nor diminished by the
14 revisions of Florida Statutes 1012.33 which became effective July 1, 1984. The
15 contractual status of a teacher whose initial employment in the District begins on or after
16 July 1, 1984, shall be governed by the revisions of Florida Statutes 1012.33 which
17 became effective July 1, 1984, and the provisions of this Agreement.

18 **6.0231** - When a teacher on an Annual Contract has not been recommended for
19 reappointment and the teacher's most recent evaluation, at the time of the principal's
20 recommendation, is Effective or Highly Effective the following steps shall apply:

21 (a) The principal shall notify the Superintendent or designee of his or her decision
22 to not recommend reappointment.

23 (b) The Superintendent or designee and the Executive Director of Personnel
24 Services will determine the appropriateness of the decision not to recommend
25 reappointment. The Superintendent or designee and the Executive Director of
26 Personnel Services, upon written request, shall meet with the affected teacher
27 and his/her representative. The final determination regarding reappointment
28 shall then be at the sole discretion of the Superintendent or designee and the
29 Executive Director of Personnel Services and shall not require just cause.
30 There shall be no appeal from or challenge to the recommendation, nor shall it
31 constitute the basis for a grievance.

32 (c) If the decision of the principal is determined to be appropriate, the teacher
33 shall be notified of his or her non reappointment.

34 (d) If the decision of the principal is determined to be inappropriate, Personnel
35 Services may direct that the teacher remain at the assigned school or may find
36 an alternative placement.

37 **6.024** - Any discipline of a teacher including reprimand, disciplinary suspension, or
38 demotion while under a teaching contract or supplemental contract shall be only for just

1 cause. Terminations and suspension for the purpose of investigation of charges which
2 might lead to termination shall be only for just cause as defined in Florida
3 Statutes 1012.33 and shall not be subject to the grievance procedure. The process for
4 suspension without pay or termination shall be governed by School Board Policy 1.16.
5 The decision of the District not to renew an annual contract employee shall not be subject
6 to this section.

7 **6.025** - The Board shall reimburse each teacher if either of the following occurs while the
8 teacher is discharging his/her duties in accordance with his/her job description:

- 9 (a) Loss or damage to items of clothing and related personal property worn or
10 carried about the person which is damaged or destroyed as a result of an
11 assault, less any amount paid by insurance.
- 12 (b) Loss or damage of personal property as a result of negligence by the building
13 administrator or his/her designee as determined by the appropriate admin-
14 istrator of the Property/Casualty Loss Program within the guidelines of the
15 current Property/Casualty liability guidelines. The total liability of the Board
16 under this section, per teacher occurrence, shall not exceed six hundred dollars
17 (\$600) less any amount reimbursed by insurance. A proof of loss statement,
18 including verified replacement value, shall be provided by the teacher.

ARTICLE 7

NONDISCRIMINATION

1 **7.01 - NONDISCRIMINATION:** The Board and the Association agree that the
2 provisions of this Agreement shall be applied to all teachers without discrimination on
3 the basis of religion, age, sex, sexual orientation, marital status, disability if otherwise
4 qualified, race, color, creed, national or ethnic origin or any other unlawful factor.

ARTICLE 8

SENIORITY

1 **8.01** - Seniority is the total number of good years (one day more than half) of
2 instructional experience in Lee County School District while on probationary, annual,
3 continuing or professional service contract. However, continuing or professional service
4 contract teachers are considered to have seniority over any annual contract teacher
5 regardless of the total years of service in the District. Authorized leave of absence, open-
6 end or substitute teaching experience does not count toward seniority. Administrative
7 experience in the District shall count toward seniority provided said experience occurred
8 after the teacher attained three years seniority in the bargaining unit, and said teacher
9 returned to the bargaining unit prior to July 1, 1991. Any tie in seniority between teachers
10 shall be broken by counting the days of experience on open-end, temporary or interim
11 contract rather than years. If a tie still exists, the tie shall be broken by drawing lots.
12 Members of the association may be present to observe the lottery process.

13 Teachers lose their seniority as a result of the following:

- 14 (a) termination;
- 15 (b) retirement;
- 16 (c) resignation;
- 17 (d) layoff exceeding two (2) years or exceeding the individual's length of service,
18 whichever is less.

19 **8.02** - The District shall develop and maintain a seniority list based on the continuous
20 years of service to the District while on probationary, annual, continuing or professional
21 service contract. The list shall include the hire date which shall be the first day of duty
22 under annual, continuing or professional service contract, all areas of certification and
23 racial data. A copy of the list shall be available at each work site and provided to the
24 Association by March 1 of each year. Teachers shall have access to the seniority list upon
25 request to the principal or immediate supervisor.

ARTICLE 9

GENERAL EMPLOYMENT PRACTICES

1 9.01 - VOLUNTARY TRANSFER TO ANOTHER SCHOOL:

2 (a) A transfer is a change from one school or work site to another. A reassignment
3 at the same school or site is not a transfer.

4 (b) All transfer applicants for a specific position shall be notified in writing as to
5 disposition of each transfer request.

6 (c) Three weeks prior to the first teacher work-day of the 196-day calendar will be
7 the normal cutoff date for voluntary transfer. After the normal cutoff date,
8 voluntary transfers will be allowed under one or more of the following
9 conditions:

10 1) The principals from the sending and receiving schools agree to the
11 transfer.

12 2) If the principals do not agree to a voluntary transfer the principals may
13 appeal to the Superintendent, or designee, for a final decision regarding
14 the transfer disposition. At this time, the teacher may also submit a letter
15 of explanation for requesting the transfer, to be reviewed by the
16 Superintendent or designee.

17 3) The teacher is transferring from a position in which the teacher is out-of-
18 field to a position that the teacher would be considered in-field.

19 4) The teacher is transferring from a position to which the teacher was
20 involuntarily transferred. A teacher may transfer from an involuntary
21 transfer assignment within a period of twenty-four (24) months from the
22 start of the involuntary transfer assignment.

23 5) To avoid an involuntary transfer.

24 (d) Appropriate certification coverage shall be considered in the approval of
25 transfer requests.

26 9.02 - INVOLUNTARY TRANSFER TO ANOTHER SCHOOL:

27 (a) Transfers shall be made on a voluntary basis, whenever possible; however,
28 correct and proper operation of the School District may require that involuntary
29 transfers be made.

30 (b) Teacher qualification requirements as defined by state and federal law shall be
31 considered in all involuntary transfer decisions. No involuntary transfer that
32 would result in a violation of state or federal law will be approved.

33 (c) Involuntary transfers may be made in the event of a school closing,
34 reconstituted schools, state mandated restructuring, new schools, or magnet
35 schools.

- 1 (d) The criteria for involuntary transfers will be developed by the Labor
2 Management Committee prior to involuntary transfers being decided pursuant
3 to (b) above.
- 4 (e) Involuntary transfers may be made to achieve a reduction in the number of
5 teachers assigned to a school or program. Teachers selected for involuntary
6 transfer shall be those with the least District seniority at the work site who hold
7 certification in the reduced area and are assigned to teach at least 50% of the
8 work day in the program being reduced.
- 9
10 (f) When surplus occurs, employees shall be given an opportunity to volunteer,
11 prior to determining involuntary transfers.
- 12 (g) A list of teachers to be involuntarily transferred will be compiled by the
13 Personnel Department. Vacancy information shall be provided to these
14 employees. Thereafter, employees shall indicate the positions, in order of
15 preference, such as location/subject which they desire.
- 16 (h) If there is no vacancy in the teacher's area of certification, the teacher shall be
17 placed in the position of the least senior teacher with the appropriate area of
18 certification and teaching assignment. In no event shall an involuntary transfer
19 teacher replace a teacher who has greater seniority. The teacher of second
20 seniority ranking in a certification area shall be placed next, and so on until the
21 teacher is placed.
- 22 (i) Every effort will be made to apply the principles of involuntary transfer to
23 magnet schools and new schools; however, due to the special circumstances of
24 these schools, final decisions shall be made on the basis of instructional
25 requirements and student needs as determined by the Labor/Management
26 Committee.
- 27 (j) The parties of this agreement are committed to the goal of improving racial
28 balance in the staffing of the schools of the District. Every reasonable effort
29 will be made through hiring and attrition to improve the racial balance prior to
30 any involuntary transfer.
- 31 (k) Upon appeal, the Labor/Management Committee may reverse an
32 involuntary transfer decision.

33 **9.03 - EXCEPTIONS TO THE INVOLUNTARY TRANSFER PROVISION:** The
34 Provisions in 9.02 and 9.05 shall be implemented as described herein unless an
35 instructional or student need is identified. The Superintendent (and only the
36 Superintendent) shall determine if a decision contrary to these provisions is in the best
37 interest of the District. If a Reduction In Force occurs, the TALC President will review
38 exceptions to Provisions 9.02 and 9.05 with the Superintendent prior to this
39 determination. A copy of the Principal's or Supervisor's recommendation to the
40 Superintendent for exemptions from Provisions 9.02 and 9.05 shall be provided to any
41 affected teachers and the Association at the time the recommendation is submitted to the

1 Superintendent. The Superintendent shall notify all teachers affected by the determination
2 in writing in accordance with the Instructional Staffing Calendar and Guidelines. The
3 District will make a good faith effort to place a Professional Service Contract or
4 Continuing Contract teacher who has been impacted by an exception to the involuntary
5 transfer provision.

6 **9.031 - Involuntary Transfer Exemption for Lead TALC Building Representatives –**
7 Elected Lead TALC Building Representatives shall be exempt from surplus or
8 involuntary transfers unless required by law or the Superintendent or designee determines
9 that the transfer is in the best interests of the District. The exemption is to provide a
10 continuity of representation to the bargaining unit.

11 TALC will maintain a current list of Lead Building Representatives and provide the list
12 to the District’s Personnel and Labor Relations Departments upon request and at certain
13 agreed upon dates during the school year. In addition, each Principal will be provided the
14 name of the current Lead Building Representative in their school.

15
16 **9.04 - REDUCTION IN FORCE:** In the event that a reduction in force becomes
17 necessary due to declines in enrollment, budgetary restrictions, reorganization, or other
18 causes as determined by the Board, the following provisions shall apply:

19 **9.041 -** The Board shall determine the specific work locations and/or special programs
20 and areas of certification within which positions are to be eliminated. Once the specific
21 areas of certification and/or positions have been determined, reductions shall be made on
22 a countywide basis and shall be in accordance with Florida Statute 1012.33(5) and
23 certification as further defined in this section.

24 **9.042 -** For the purpose of reduction in force at the elementary level there shall be
25 considered to be two areas of certification: early childhood to include pre-
26 kindergarten/kindergarten and elementary (grades 1-5).

27 **9.043 -** In the middle and high schools, areas of certification shall be deemed to be the
28 areas for which the employee holds certification. No teacher assignment that would
29 result in a violation of state or federal law will be approved.

30 **9.044 -** In Exceptional Student Education, consideration will also be given to experience
31 in working with students with significant cognitive and behavioral disabilities.

32 **9.045 -** Once specific positions and/or areas of certification and levels have been
33 identified by the Board, a reduction in force shall be made on a countywide basis as
34 follows:

35 (a) Employees holding temporary and/or provisional certification will be the first
36 reduced.

37 (b) Annual contract employees who hold a professional teaching certificate will be
38 the next reduced.

- 1 (c) Continuing/professional service contract employees will be the last reduced.
- 2 (d) With each of items sub a-c, reduction shall be made such that the person in
3 those areas with the lowest performance evaluation is the first to be released
4 and reductions shall continue in the like manner until the needed number of
5 reductions has occurred.
- 6 (e) In the event of equivalent performance evaluations, seniority will be a
7 consideration.
- 8 (f) Any employee whose job is to be eliminated by a countywide reduction in force
9 shall be notified of such by certified mail.
- 10 (g) Before any reduction in force takes place, the Association shall be provided
11 with a district-wide seniority list of all employees and the notification, the areas
12 of certification, levels, work sites, and positions to be reduced.
- 13 (h) Once a reduction in force has taken place on a countywide basis, the appro-
14 priate reorganization of all available positions within all work sites shall be
15 implemented according to any appropriate provisions in this Agreement and
16 School Board policy. In every case where reorganization must take place,
17 current employees shall be given the opportunity to volunteer to transfer prior
18 to any involuntary transfer taking place.

19 **9.046** – Teacher assignments that result from a reduction in force shall comply with the
20 teacher qualification requirements as defined in state and federal law. No teacher
21 assignments that would result in a violation of state or federal law will be approved.

22 **9.05 - RECALL FOLLOWING REDUCTION IN FORCE:**

- 23 (a) Employees in layoff status will retain recall rights for the length of their
24 seniority not to exceed two (2) years and shall have preference to work over
25 new hires. It is understood that seniority rights do not exceed the individual's
26 length of service to the District while under annual or continuing/professional
27 service contracts.
- 28 (b) Continuing/Professional Service Contract teachers with the greatest seniority
29 shall be recalled first provided they are certified to fill the vacant position.
30 Thereafter, annual contract teachers shall be recalled.
- 31 (c) Notification of recall will be made by certified mail to the last address in the
32 employee's records.
- 33 (d) If a teacher fails to accept an offer of reemployment within ten (10) working
34 days from receipt of notification, it shall constitute a resignation.

1 (e) A laid-off employee, when offered recall, who is temporarily unable to return
2 due to medical reasons certified by a licensed medical provider, may request an
3 extension of recall.

4 **9.06 - TENTATIVE ASSIGNMENTS AND CHANGES IN TENTATIVE**
5 **ASSIGNMENTS:** Each teacher shall be given a tentative teaching assignment in writing
6 for the next school year prior to the last day of duty for the current year. This shall consist
7 of the school and grade level for elementary; school, grade level and department for
8 middle school; and school and department for high school to which the teacher is
9 assigned. Every effort will be made to include course code number(s) and course title(s)
10 for middle and high school teachers. In any event, middle and high school teachers will
11 be notified in writing as soon as possible and not later than August 1 of their assignment
12 by course number(s) and course title(s). Any teacher who desires a change in grade level
13 and/or subject assignment shall file a written statement of this desire with the principal.
14 No changes in the tentative assignment shall be made without attempts to arrange a prior
15 conference with the teacher to provide rationale for the change and to address concerns of
16 the teacher regarding the change. If a conference is not possible, the rationale for the
17 change shall be submitted in writing to the teacher as soon as practicable prior to
18 implementation of the change.

19 **9.061 – REQUEST FOR SUPPORT AND ASSISTANCE FOR NEW**
20 **ASSIGNMENTS:** Any teacher assigned to a new grade level or course may request in
21 writing support and assistance deemed by the teacher to be necessary for success in the
22 new assignment. The principal or designee shall consider the request and shall provide
23 written recommendations relating to the request.

24 **9.062- REASSIGNMENTS:** If a teacher is to be reassigned to a position which is a
25 different subject area or grade level than their current assignment (or from their
26 assignment in the previous school year) or a position permitting any area of certification,
27 the teacher must be afforded a conference with the Principal or designee to discuss the
28 new assignment. The teacher may bring a representative with them to the conference.

29 If a Principal proposes to assign a teacher during the school year to a newly created
30 position resulting from student needs or program changes, the position will be posted first
31 for internal school applicants.

32 **9.07 - ADVERTISING AND FILLING VACANCIES:** Teacher vacancies will be
33 posted on the District website weekly by the Personnel Services Department. A vacancy
34 shall exist when a person is sought to fill a full-time position which has been identified by
35 the Personnel Department. The notice of vacancies shall list the position, location, and
36 qualifications including certification coverage for those positions, and deadline date for
37 application. The notice of vacancies shall be sent to the Association.

38 **9.071 – EVENING SCHOOL:** Vacancies anticipated for evening high school diploma
39 and vocational programs, and academic programs in the community school programs,
40 shall be posted on the District website prior to the beginning of each semester or summer
41 term.

1 **9.072 – SUPPLEMENTAL ACADEMIC, NON-ACADEMIC, AND/OR CREDIT**
2 **COURSE ASSIGNMENTS:** In the selection and assignment of teachers to the District
3 academic, non-academic, and/or credit course programs and activities which occur
4 beyond the normal 196 day teacher work year and/or the normal 7-1/2 hour work day the
5 following procedures will apply:

6 (a) A listing of anticipated openings with instructions for submitting applications
7 for such openings, including any pertinent information regarding the positions,
8 shall be posted at each school site at which openings are expected to occur
9 unless all teachers at a particular school have already been assigned to work
10 beyond the normal 196 day work year and/or the normal 7-1/2 hour work day.

11 (b) Any position which is not filled by a teacher at the school having the openings
12 shall be posted on the District website along with any pertinent information
13 regarding the position(s).

14 (c) Teachers submitting applications will be notified of the disposition of the
15 teacher's application as soon as the final determination is made as to
16 assignments and/or selection.

17 (d) Teachers selected for Supplemental Academic and/or Credit Course
18 Assignments shall be paid at the teacher's hourly rate as reflected on the then
19 current salary schedule.

20 (e) Teachers selected for non-fee based Supplemental Non-Academic assignments
21 shall be paid at the rate of \$20 per hour.

22 (f) The principal advertising the position shall determine whether or not the
23 program or activity is academic or non-academic, and shall make such
24 determination within the following guidelines:

25 1) Non-fee-based supplemental programs or activities are considered
26 academic in nature when the program or activity is directly in support of
27 the goals of adopted School Improvement Plan; directly related to assisting
28 students enrolled in credit courses within or outside of the school day;
29 intended to demonstrate improvement towards student mastery of those
30 Sunshine State Standards measured on the Florida Comprehensive
31 Assessment Test; or specifically required by individual education plans or
32 academic improvement plans.

33 2) All other non-fee-based supplemental programs or activities not specified
34 in Provision 9.073 or (see Appendix) of this agreement are considered
35 non-academic in nature.

36 (g) Teachers assigned to non-fee based supplemental academic, non-academic,
37 and/or credit course assignments may continue in those positions through the
38 end of the school year or until the advertised end of the position assignment, so
39 long as performance is satisfactory. In the event that a program ends prior to the
40 end of the school year teachers may be assigned to another program only if a
41 vacancy exists.

12 (d) Filling positions for extended school year/summer school must be in
13 accordance with provision 9.076. When filling positions the following
14 guidelines are also recommended:

15 1) Any continuing contract/professional service contract teacher holding the
16 appropriate certification shall be given first consideration. The official
17 certification and contract status for each teacher will be found on the
18 district-wide seniority list.

19 2) After considering contract status, staff normally assigned from the
20 extended school year/summer school center or a feeder school for that
21 extended school year/summer school site shall be given priority due to
22 familiarity with the student population.

23 3) Seniority.

24 (e) Summer School and Extended Year is a continuation of the previous year,
25 therefore, Summer School and Extended Year staff will be paid the same pay
26 step they earned during the preceding school year.

27 (f) Teachers must have ESOL endorsement, ESOL K-12 certification or Board
28 approval to teach ESOL out-of-field if they are the primary deliverer of
29 language arts instruction to LEP students.

36 supplement which cannot be filled by a faculty member of the team’s school shall be
37 advertised in the District newsletter. The deadline for applications shall be ten (10)
38 working days after the date of publication. Each principal shall post a list of supplemental
39 positions allocated to that school for the subsequent school year until all positions have

1 been filled. Supplements will not be paid until ratification of the contract covering the
2 school year during which the supplement is provided, or September 30, whichever is

10 band instructor and athletic director shall be initiated when the contract year begins and
11 shall be prorated for the remainder of the school year.

12 Employees who receive seasonal athletic supplements including cheerleading and middle
13 school intramural sports, have three options for receiving payment of the supplement.

- 14 1. Lump Sum (To be paid at the completion of the assignment)
- 15 2. Pay during the season only (Pay will be spread over the checks paid during the
16 season that is being coached)
- 17 3. Beginning of season to end of year (Pay will begin at the beginning of the season
18 and be spread over the checks for the remainder of the end of the school year)

19 **9.075 – ADMINISTRATIVE POSITION OPPORTUNITIES:** Opportunities for
20 Administrative positions shall be posted at least twice annually in the notice of vacancies.

21 **9.076 – FILLING POSITION:** Any application for a posted vacancy received by the
22 Personnel Department from a Lee County teacher shall be reviewed by the appropriate
23 principal or supervisor prior to recommending an applicant to fill the position. Except in
24 such circumstances as approved by the Superintendent, a vacancy will not be filled with
25 other than an interim appointee for at least five (5) working days after the posting date on
26 the District website listing the vacancy. Any continuing contract/professional service
27 contract teacher holding the appropriate certification shall be given first consideration in
28 the staffing of teaching vacancies. Teacher applicants in the District assigned to a grade
29 level or subject area outside the scope of their teaching certification shall be given first
30 consideration for openings within the subject or field of their certification.

31 **9.077 - NOTIFICATION:** Teachers who have made written application to fill a posted
32 advertised vacancy, including a summer or evening school, shall be notified in writing
33 of the action of the Board in filling such vacancy.

34 **9.08 - PHYSICAL EXAMINATIONS:** This Article is intended to comply with the
35 Americans with Disabilities Act (ADA). All newly hired teachers must undergo a
36 physical examination by a licensed medical doctor. The results of this examination shall
37 be stated on a form provided by the Board. The form must be received by the Board
38 before employment can begin. Additional medical examination may be required in order
39 to determine whether matters reported in the initial examination would present a direct
40 threat to the health or safety of the applicant or of any other person.

41 Once employed, physical examinations may be required only when the employee's
42 behavior gives reason to suspect that a medical or psychiatric condition may impair the

1 employee's ability to perform his/her duties, or when the employee has been injured or ill
2 and an examination is needed in order to determine whether an employee can return to
3 work safely or to determine whether the employee has a disability for which a reasonable
4 accommodation can be made.

5 **9.09 - LIMITED DUTY ASSIGNMENTS:** Employees who have experienced a
6 worker's compensation injury and who have been evaluated and released by an approved
7 physician as physically able to return to work with specific limitations, will return to their
8 job site upon written authorization by the Department of Compensation, Benefits and
9 Insurance. Specific work limitation will be forwarded to the employee's supervisor from
10 the treating physician. The employee will remain in his/her job site, performing
11 appropriate duties as identified by his/her supervisor for a period of time agreed to by the
12 employee and the work site supervisor. The employee will be evaluated by the physician
13 as necessary based on the course of treatment and, if not released for full duty, will be
14 returned for limited duty for a work period agreed to by the employee and the work site
15 supervisor. At the completion of the second work period, if the employee is not able to
16 return to a full duty status, he will be evaluated by the physician, principal/supervisor and
17 the Department of Compensation, Benefits and Insurance to determine the employee's
18 status. Alternatives such as returning to worker's compensation off-duty status,
19 continuation of limited duty assignments, alternate duty assignments, and/or other
20 assignments will be reviewed with the employee. If a period of limited duty exceeds six
21 months, the District will notify the Association of the identity of the employee.

22 **9.10 – ALTERNATE DUTY TRAINING:**

23 (a) Employees will be placed in an Alternate Duty training position based upon
24 their physical abilities (as determined by their treating workers' compensation
25 physician) and their vocational aptitudes (as determined by vocational testing,
26 educational certifications, etc.).

27 (b) The total maximum time an employee may remain in an Alternate Duty
28 "training status" is one year. The maximum time may be extended to two years
29 under extenuating circumstances. (Example: illness, language barrier, etc.)

30 (c) Employees will be deemed "trained" when they have successfully acquired the
31 minimum skills necessary to qualify for the position for which they are training,
32 as acknowledged by their supervisor and the Compensation, Benefits &
33 Insurance Department.

34 (d) Employees who fail to achieve "trained" status within one year (or two years
35 for employees with extenuating circumstances) will lose their employment with
36 the District.

37 (e) Employees who are unsuccessful in their initial training position, may make
38 one change of training assignment within the one-year period (two-year period
39 for employees with extenuating circumstances); however, a change of training
40 position will not extend their training timeline.

- 1 (f) Once employees are deemed “trained” by the Compensation, Benefits &
2 Insurance Department, they are required to apply for all positions, for which
3 they have received training, within a reasonable commute.
- 4 (g) For employees who are unsuccessful in finding a regular position within 60
5 working days of achieving “trained” status, Personnel Services will begin
6 procedures to place those employees in regular positions.
- 7 (h) If an employee refuses to be tested for Alternate Duty placement or to
8 participate in his/her assigned Alternate Duty training program, this shall be
9 deemed voluntary resignation of employment.
- 10 (i) Employees who worked less than a 12-month schedule at the time of their
11 work-related accident will not be guaranteed summer employment while
12 participating in the Alternate Duty Program.
- 13 (j) The provisions of this section also apply to employees currently enrolled in the
14 Alternate Duty Program at the date of this Agreement.
- 15 (k) The provisions of this section apply to all Alternate Duty employees.
- 16 **9.101 - WAGES:** Employees selected for alternate duty assignments will be paid in
17 accordance with the appropriate salary schedule, but in no case shall the employee
18 receive less than the amount received prior to the injury

ARTICLE 10

1 **10.01** - Within the first sixty (60) days of the teacher's contract year and prior to
2 preparing the formal written report of a teacher evaluation required by law, each teacher
3 shall be informed of the criteria and the procedures to be used in his/her formal
4 observations and evaluation. Each teacher shall be assessed utilizing the Final
5 Performance Evaluation form found on the District's Web site, (www.leeschools.net).

6 **10.011** – A Performance Evaluation must be conducted twice (mid-year and final) for a
7 newly hired teacher in the first year of teaching in the school district. For the purposes

14 principal. Each school principal will counsel with each teacher and direct the teacher to
15 the appropriate level of professional growth. Such options may include an individual
16 professional development plan, professional development within the professional
17 learning community (PLC) or such alternatives agreed on between the parties.
18 Employees who hold a Continuing or Professional Service Contract may be observed by

21 psychologists, Prep/Curriculum specialists, and teachers-on-assignment, will be evaluated
22 by an appropriate administrator.

23 **10.013** - All formal observations shall be reduced to writing or provided in electronic
24 format and shall be discussed with the teacher within ten (10) days of the observation. No
25 later than five (5) days following the discussion, the teacher shall receive a copy, written
26 or electronic, of the formal observation report after signing to indicate that the report has
27 been discussed with the teacher. If deficiencies are noted during the observation, the
28 administrator conducting the observation shall provide the teacher with written
29 recommendations for improvement. The administrator shall thereafter confer with the
30 teacher and make recommendations as to specific areas of unsatisfactory performance
31 and provide assistance in helping to correct such deficiencies within a prescribed period
32 of time.

33 **10.014** - Observations of a teacher's performance of duties and responsibilities shall be
34 conducted openly with no intent to conceal such from the knowledge of the teacher.

35 **10.015** - Each teacher's Final Performance Evaluation form shall be discussed with
36 him/her by the administrator responsible for preparing the report. Any documentation
37 related to a teacher's Final Performance Evaluation shall be given to the teacher within
38 ten (10) days of the observation or incident giving rise to the documentation. All

- 1 documentation used to support the Final Performance Evaluation shall be given to the
2 teacher following the administrator's completion of the Final Performance Evaluation.
- 3 **10.016** - After discussion of the Final Performance Evaluation, the teacher shall
4 acknowledge the report.
- 5 **10.017** - If a teacher disagrees with the Final Performance Evaluation, he/she may
6 provide written comments which shall, become part of the Board's file copy of his/her
7 evaluation report.
- 8 **10.018** - All probationary and annual contract teachers shall be notified of their
9 reappointment recommendation by the principal/supervisor by May 10.

12 renewal is given.
- 13 **10.020** - Comments relating to the observation or evaluation of a teacher's performance
14 of duties and responsibilities shall be made in private.
- 15 **10.021** - For the purpose of this evaluation procedure, the Board's evaluation document
16 shall include the assessment criteria in F.S. 1012.34(2).
- 17 **10.022 - COLLEGIAL COACH:** Upon receipt of written notice of unsatisfactory
18 evaluation from the Superintendent during the school year, a continuing
19 contract/professional services contract teacher may select a collegial coach for the
20 purpose of providing professional support and feedback. The individual designated as the
21 collegial coach shall be decided upon mutual agreement between the principal, teacher
22 and collegial coach. The collegial coach will not participate in the formal evaluation of
23 the teacher. The teacher may request an opportunity to be considered for a transfer to
24 another school upon written request to the Superintendent.
- 25 **10.023** - Each teacher shall have the right to review the contents of his/her personnel file.
26 Each teacher has the right to have another person accompany him/her in the review of
27 his/her personnel file, if he/she so chooses. Such review shall be made in the presence of
28 the person responsible for the safekeeping of the personnel files of the Board.
- 29 **10.024** - Upon request from a teacher, the Board will provide, within five (5) working
30 days, a copy of such contents and records of the teacher's personnel file as is requested in

8 not on their peer teaching activities.
- 9 **10.14 -** Peer teacher supplements shall be paid for a minimum of one semester.

ARTICLE 11

PROVISIONS FOR LEAVES

1 **11.01 - GENERAL CONDITIONS FOR LEAVES OF ABSENCE:** The Board and the
2 Association agree that there is no substitute who can replace the regular teacher in
3 meeting the needs of the students served by the District. Therefore, the Board encourages
4 regular attendance and limited use of leave of absence. Leave should be requested only
5 when necessary and under the provisions of law, state board regulations and terms of this
6 Agreement. The Board and the Association believe that there is a direct and positive
7 relationship between attendance and successful performance of job functions.

8 **11.011 – ABSENCE WITHOUT LEAVE:** Any absence from duty without leave
9 constitutes a violation of a teacher’s contract and shall subject the teacher’s contract to
10 cancellation by the Board.

11 **11.012 – ABSENCE WITHOUT PAY:** The deduction for each day of absence shall be
12 determined by dividing the base salary plus designated supplements by the total number
13 of hours in the teacher’s contract year to determine the hourly rate, then multiplying that
14 rate by the number of hours absent. Designated supplements are defined as those
15 supplements that are attached to all positions of a specific title such as guidance
16 counselors, school psychologists, etc.

17 **11.013 – NOTICE OF ABSENCE:** Any teacher who will be absent from duty for any
18 cause except for leave duly authorized and granted in advance shall report such absence
19 utilizing the District’s electronic absence reporting system as soon as possible prior to
20 his/her absence. A teacher may be required to notify both the electronic system and a
21 designated supervisor in cases of suspected leave abuse.

22 **11.014 – LEAVE APPLICATION:** Any application for leave except sick or emergency
23 leave shall be in writing and on the form provided by the Board and submitted when
24 feasible at least five (5) days in advance. Such application for leave shall be submitted to
25 the principal or other immediate supervisor of the teacher for consideration of a
26 recommendation to the Superintendent for approval or disapproval. Leave granted for a
27 school year or for the remaining part thereof will expire at the end of the contract year of
28 the teacher for which such leave is granted.

29 **11.015 – NOTICE OF RETURN FROM LEAVE:** A teacher having been granted leave
30 for the school year or for the remaining part thereof, who desires to return to duty the
31 next school year, shall so notify the Superintendent in writing by April 1. Upon the
32 return of the employee on leave, the replacement employee shall be placed in a similar or
33 comparable position with the District.

34 **11.016 – APPROVAL OF LEAVE:** All requests for leave shall be submitted on the
35 proper form and shall be subject to approval or disapproval by the Superintendent.

36 **11.017 – LEAVE DISPOSITION:** All teachers making an application for leave shall be
37 notified in writing of the disposition of such leave on the form provided by the Board.

1 Reasonable effort will be made to ensure notification of the employee regarding the
2 disposition of the leave prior to the date for which leave is requested.

3 **11.02 - TYPES OF LEAVE:**

4 **11.0201 – SICK LEAVE:** Any teacher on a full-time basis shall be entitled to four days
5 of sick leave as of the first day of employment during each contract year and thereafter
6 shall accrue one (1) day of sick leave credit for each month of employment. Any
7 determination of days or months shall be pursuant to the Gregorian calendar. A month is
8 defined as half of the calendar days in a month plus one day. Teachers hired during the
9 last four months of the school year will not be eligible for the four-day advanced sick
10 leave time. Sick leave shall be credited to the teacher at the end of the month and may
11 not be used prior to the time it is earned and credited, provided that no teacher may earn
12 more than one (1) day of sick leave times the number of months of employment during
13 the school year. Such leave shall be cumulative (actual number of hours earned) from
14 year to year without limit to the number of hours that may be accrued. Any leave charged
15 against accrued sick leave shall be with full compensation. As stated above, the teacher
16 receives four (4) sick days at the end of the first day of the contract year, but does not
17 actually earn those four (4) days until he/she has worked four (4) months of the contract
18 year. Therefore, if termination occurs when the employee has used more sick days than
19 he/she has earned that contract year, and if he/she has no sick leave accumulated from
20 prior years, the School Board will withhold the amount of the teacher’s daily rate of pay
21 for each sick day used that has not been earned. Also, if an employee who is eligible for
22 terminal sick pay benefits terminates before completion of his/her contract year, the
23 number of sick leave days for which he/she receives benefit shall not exceed the number
24 of sick leave days accumulated prior to the beginning of that contract year plus one (1)
25 sick leave day for each month of actual employment in the contract year during which
26 termination occurs.

27 (a) **Claims:** Sick leave claims may be submitted by the teacher for his/her own
28 personal illness as well as illness or death of father, mother, brother, sister,
29 husband, wife, child or other close relative, or member of his/her own house-
30 hold.

31 (b) **Record of Accrued Sick Leave:** The Board shall provide all employees with a
32 cumulative record of accrued sick leave hours on each pay statement.

33 (c) **Use of Sick Leave in Summer School:** Regular employees who are employed
34 for the exclusive purpose of working during the summer school session, shall
35 earn one day (actual number of hours worked per day in summer session) of
36 sick leave for each three (3)-week term employed during summer school if such
37 employment meets the requirements of law for earning sick leave. However, no
38 more than two (2) days’ sick leave with pay may be used during summer school
39 in any one summer.

40 (d) **Application for Sick Leave:** Teachers shall notify the appropriate admin-
41 istrator, with as much advance notice as possible, when the use of sick leave is
42 necessary. A claim for sick leave on the proper form shall be signed by the

1 teacher and filed with the principal or other immediate supervisor by the end of
2 the fifth working day following the employee's return to work.

3 (e) **Conditions for Sick Leave:**

- 4 1) Sick leave may be claimed for a minimum of one-half (1/2) day. One-half
5 (1/2) day shall be defined as one-half the number of hours defined as the
6 teacher's regular work day.
- 7 2) Any teacher who has used all accrued sick leave but who is otherwise
8 entitled to sick leave shall be granted sick leave without pay. The claim for
9 such sick leave shall clearly state that the leave is without compensation.
- 10 3) In the case where sick leave abuse is suspected, the Superintendent may
11 require a doctor's statement of verification of illness. A verification of
12 claim may be initiated by the principal or supervisor.
- 13 4) A false claim for sick leave shall be deemed cause for employee discipline
14 up to and including discharge. Where there is any doubt as to the validity
15 of a sick leave claim, the Superintendent may require the employee to file
16 supporting evidence where personal illness is not involved.
- 17 5) An application for sick leave due to an extended illness (not fewer than
18 twenty (20) days) shall have attached to it a statement from a practicing
19 physician certifying that such leave is essential and indicating the probable
20 duration of the illness and needed leave.
- 21 6) If leave is granted for an extended illness, teachers must notify their
22 principal or supervisor (in writing) no later than the work day before the
23 last day of the leave of their intent to:
 - 24 a) Return to work
 - 25 b) File a request to extend their leave, or
 - 26 c) Resign.

27 (f) **Transfer of Sick Leave:** Any teacher shall be entitled to transfer sick leave
28 credit from other Florida school districts with the restriction that at least one-
29 half (1/2) of the valid accrued leave shall be established in The School District
30 of Lee County, Florida.

31 (g) **Reinstating Accrued Sick Leave:** When a teacher of the Lee County School
32 District interrupts service through termination and subsequently returns to
33 employment in the District without having used his/her Lee County accrued
34 sick leave credit in another Florida school district, such accrued sick leave
35 credit shall become valid on the first day of contractual service.

36 (h) **Terminal Sick Leave Pay:** When a teacher receives terminal pay benefits
37 based on unused sick leave, all unused sick leave credit shall become invalid.

38 **11.0202 - Illness or Injury In-Line-Of-Duty Leave:** Any full-time regular employee
39 shall be entitled to illness- or injury-in-line-of-duty leave with pay, less any Workers'
40 Compensation payments, for a period not to exceed ten (10) work days per fiscal year
41 regardless of the number of illnesses or injuries, nor to exceed ten (10) days per any
42 single illness or injury when that illness or injury continues or recurs from one fiscal year
43 to succeeding fiscal years, except as provided in this Agreement, when he/she has to be

1 absent from work because of personal injury received in the discharge of his/her duties.
2 Illness-in-line-of-duty leave is intended to deal with the illnesses normally known as
3 childhood diseases such as, but not limited to, mumps, measles and chicken pox. This
4 leave does not include normal adult illnesses such as colds and influenza. This leave is
5 non-accumulative. In addition to the conditions listed below, for both illness- and injury-
6 in-line-of-duty, the Board reserves the right to request a second concurring medical
7 opinion from a physician designated by the Board. Any additional expense incurred as a
8 result of this requirement will be paid by the Board.

9 (a) In order to be considered for injury-in-line-of-duty leave, the following
10 conditions must be met:

- 11 1) The teacher must provide written testimony, in addition to his/her
12 testimony, that his/her injury was received in the line of duty.
- 13 2) The teacher must file a written claim as outlined below, in addition to the
14 injury report claim.
- 15 3) The teacher must utilize the medical provider selected by the employer.
16 The teacher may make a written request to change the medical provider
17 after initial consultation.

18 (b) In order to be considered for illness-in-line-of-duty leave, the following
19 conditions must be met:

- 20 1) The teacher must supply a letter from a medical doctor, who treated the
21 patient, stating that in his/her opinion, there is a strong probability that the
22 illness was contracted at school.
- 23 2) Any employee who has claim for compensation while absent because of
24 injury or illness incurred as prescribed herein, shall file a claim on the
25 standard form provided by the Board with his/her principal or other
26 immediate supervisor by the end of the fifth working day following the
27 teacher's return to duty after the leave or illness-in-line-of-duty.

28 **11.0203 – PERSONAL LEAVE:** Any teacher desiring personal leave shall make written
29 application for such leave. The teacher shall not be entitled to compensation while on
30 personal leave except as provided herein. The Board and the Association agree that the
31 purpose of personal leave is to allow the employee to attend to personal business or
32 matters which cannot be attended to outside of the employee's regular workday.
33 Examples of personal business include but are not limited to, legal and judicial
34 proceedings, family weddings or graduation, civic functions, etc. Employees who are
35 found to be in violation of this section through misuse of personal leave may be subject to
36 disciplinary action.

37 (1) **Invalid Use:** Personal leave, whether requested without pay or charge to sick
38 leave, may not be approved for use at the following times, except with the
39 specific written permission of the Superintendent.

- 40 a) Personal leave may not be used on the day immediately prior to or
41 following a holiday or vacation.
- 42 b) Personal leave may not be used during the first or last week (five school
43 days) of the students' school year.

1 (2) **Personal Leave Charged to Sick Leave:**

2 a) Up to five (5) days personal leave with pay may be allowed but deducted
3 from accumulated sick leave for each teacher during each fiscal year. Any
4 employee desiring personal leave shall make written application for same
5 on the standard leave form provided by the Board at least five (5) days in
6 advance when feasible and not fewer than 24 hours in advance except in
7 cases of emergency. If the reason for absence is an emergency and prior
8 written request is not possible, the teacher will notify the principal or
9 immediate supervisor as soon as possible prior to the absence.

10 b) The use of personal leave charged to sick leave shall be subject to the
11 following conditions:

- 12 1) Personal leave may not be cumulative.
13 2) Personal leave is subject to approval and may not be approved if the
14 Superintendent determines that the granting of this leave will create a
15 disruption of the instructional setting or of the normal work setting.
16 3) Personal leave charged to sick leave may only be used in increments
17 of a minimum of one-half (1/2) of the teacher's regular work day.

18 c) The following procedure will be used when a teacher requests personal
19 leave charged to sick leave:

- 20 1) Under no circumstances will teachers be required to provide the
21 supervisor with the reason for the personal leave request.
22 2) If the supervisor feels that approval of this request will in any way
23 disrupt the instructional setting or work setting, the teacher will be
24 given two options:
25 (a) accept disapproval of the personal leave request, or
26 (b) provide the supervisor verbally with a reason for the request so
27 that the supervisor may try to accommodate the needs of the
28 teacher when the request, based on the reasons given, is a
29 situation that cannot be controlled by the employee or postponed
30 to another time. (Some examples of this would be: family
31 weddings, court appearances, etc.) The reported reason will not
32 be recorded on the leave request form and will be held in
33 confidence.
34 (c) When a situation arises that necessitates disapproval of requests
35 for personal leave, the principal or supervisor will give
36 consideration to those requests in the order in which they are
37 received as determined by the filing date of the requests.

38 (3) **Personal Leave (Without Pay):** Personal leave without pay will not be
39 approved except in those instances where the teacher has no appropriate paid
40 leave available. It is understood that a teacher's willingness to undertake leave
41 without pay does not impose a requirement on the principal or the supervisor to
42 approve the request for leave. The request is subject to approval or disapproval
43 by the Superintendent based on the extent to which the teacher's absence will
44 impact the instructional setting or the work setting.

- 1 a) **Extended Personal Leave Without Pay:** Personal leave without pay not
2 to exceed thirty (30) days may be granted at the discretion of the
3 Superintendent. Personal leave in excess of thirty (30) days shall be
4 subject to approval by the Board.
- 5 b) **Personal Leave Without Pay for Adoption of a Child:** A teacher
6 adopting a child may request personal leave without pay to become
7 effective at any time during the first year after receiving defacto custody of
8 a child, or prior to receiving such custody if necessary, and only to the
9 extent required, to fulfill the requirements for adoption. The conditions
10 and procedures for adoption leave shall be outlined under the applicable
11 section of maternity leave in this article. Only one adoption leave per
12 household will be granted at any given time.
- 13 c) **Personal Leave Without Pay for Paternity Leave:** Teachers may be
14 eligible to apply for paternity leave pursuant to law, subject to the
15 applicable conditions as outlined in the section on maternity leave in this
16 article, except that only one leave of either type will be approved per
17 household at any given time. In addition, paternity leave will only be
18 granted for a period of time following the birth of the child.
- 19 d) **Notice of Return from Extended Leave of 30 days or less:** Employees
20 on approved leave of 30 days or less must notify their principal or
21 supervisor in writing no later than the work day prior to the last day of the
22 extended leave of their intent to:
23 1) return to work,
24 2) file a request to extend the leave or
25 3) resign
- 26 e) **Notice of Return from Board Approved Extended Leave Without Pay:**
27 Employees on Board approved leave without pay of more than 30 days
28 must notify their principal or supervisor in writing no later than twenty
29 (20) work days prior to the last day of the extended leave of their intent to:
30 1) return to work,
31 2) file a request to extend the leave, or
32 3) resign
- 33 f) **Job Restoration:** Upon return from an extended leave, an employee shall
34 be restored to the same or an equivalent position. An equivalent position
35 must be at the same pay, benefits, and working conditions, include the
36 same privileges, prerequisites and status, and involve the same or
37 substantially similar duties and responsibilities. The equivalent position
38 must be located at the same or geographically proximate work site unless
39 the employee's request for transfer has been accepted.

40 **11.0204 MATERNITY LEAVE:** All full-time teachers shall be eligible for maternity
41 leave. The teacher shall submit a written request for maternity leave to the
42 Superintendent. The leave request shall include the date leave is to commence as
43 determined by the teacher in consultation with her licensed provider. Except in the case
44 of an emergency, a request for maternity leave shall be made at least thirty (30) calendar
45 days prior to the date on which the leave is to begin. Maternity leave shall be without pay
46 except that the teacher must file a claim to use accrued sick leave during that period of
47 the leave for which a medical disability exists. The teacher must submit a licensed

1 provider's statement indicating the number of days a medical disability exists. Approval
2 of a claim for maternity leave shall be contingent upon certification of pregnancy by a
3 licensed medical provider. In the event that the leave request does not specify a return
4 date, the teacher shall notify the Superintendent at least twenty (20) working days prior to
5 her intended return date. Such notice shall be given no later than April 1 in order for the
6 teacher to be considered for return to duty that school year. The teacher may return to
7 duty on the date requested upon receipt by the Superintendent of certification from a
8 licensed provider stating that she is physically capable of performing her job. In the event
9 that leave is approved by the Board effective on or after the first day of the fourth quarter
10 of a school year, a request for the next fiscal year shall not extend beyond the end of the
11 first semester.

12 **11.0205 – MILITARY LEAVE:** Military leave shall be granted in accordance with
13 applicable state and federal law. Employees in the National Guard or Reserve shall be
14 granted up to seventeen (17) scheduled paid days leave of absence per school year
15 without loss of pay. Leave for longer periods shall be granted when the employee is
16 assigned to duty functions of military character. Such extended leave shall be without
17 loss of seniority but is not paid leave. An employee shall be granted leave to participate
18 when called for active federal military service. The first thirty (30) scheduled paid days
19 of leave is with full pay and the remainder is without pay. Such leave terminates thirty
20 (30) scheduled paid days after release or discharge from active military service. Such
21 leave shall be without loss of seniority and shall be credited to the employee for
22 experience credit on the salary schedule. Nothing herein shall be construed to expand
23 any military leave privileges other than those provided by applicable state and federal
24 law.

25 **11.0206 – JURY DUTY LEAVE:** Any regular teacher, including those employed
26 expressly for summer school, who is summoned as a member of a jury panel shall be
27 granted temporary duty leave with pay. The Board shall not reimburse the teacher for
28 meals, lodging and travel expenses incurred while serving as a juror. Jury fees paid by the
29 court for such purpose may be retained by the teacher.

30 **11.0207 – WITNESS DUTY LEAVE:** When a teacher is subpoenaed, he/she may be
31 granted temporary duty leave. In no case shall temporary duty with pay be granted for
32 court attendance when an employee is engaged as a party to the litigation. The teacher
33 may retain any fees received from the court. In the event no fees are received from the
34 court and the teacher is representing the Board as a witness or a defendant, he/she will be
35 eligible to be paid per diem and travel expenses, where applicable, upon filing an official
36 request for reimbursement.

37 **11.0208 – EXTENDED PROFESSIONAL LEAVE:**

38 (a) By December 1 each school year, the Superintendent will publish a list of
39 certification areas in which a shortage of employees exist. Priority will be given
40 to employees who apply for study in these areas.

- 1 (b) Applications will be screened by a committee of six (6) members. Three (3)
2 members of the committee will be appointed by the President of TALC and
3 three (3) members will be appointed by the Superintendent.
- 4 (c) An applicant must agree to pursue a plan approved by the committee which
5 leads to certification in a shortage area identified by the Superintendent unless
6 otherwise approved.
- 7 (d) The applicant must provide a written recommendation from his supervisor.
- 8 (e) The applicant must possess a valid Florida teaching certificate and must have
9 been continuously employed in the District for five (5) years. Military leave,
10 extended illness, or maternity leave shall not be considered an interruption of
11 service.
- 12 (f) An application for leave shall be submitted to the Superintendent not later than
13 January 15 preceding the school year for which the leave is requested. If the
14 committee requests clarification of an application, the committee will inform
15 the applicant of the time limit for supplying the information.
- 16 (g) The Superintendent will give written notice by April 10 of the disposition of
17 each leave request.
- 18 (h) An employee granted a leave shall notify the Superintendent in writing of
19 his/her acceptance not later than fifteen (15) days after the applicant has
20 received notice of approval for leave.
- 21 (i) Employees granted extended professional leave shall receive fifty (50%)
22 percent of their base salary while on said leave.
- 23 (j) Employees who are granted this leave shall agree in writing to return to
24 employment in the District for three (3) years after returning from said leave.
- 25 (k) In the event the employee should not return to the District for the three (3)
26 years, he/she shall reimburse the Board for salary as follows:
27 (1) zero (0) years of return service the full amount of the leave pay,
28 (2) one (1) year of return service--two-thirds (2/3) of the amount of the leave
29 pay,
30 (3) two (2) years of return service--one-third (1/3) of the amount of the leave
31 pay.
- 32 (l) During the period of said leave, the employee shall be entitled to all benefits
33 that are provided by contract, policy or law, including retirement, seniority,
34 insurance and sick leave.
- 35 (m) Approval of extended professional leave is a discretionary decision of the
36 Board and is not subject to the grievance procedure.

1 **11.0209 – TEMPORARY DUTY:** Upon the approval of the Superintendent, a teacher
2 may be assigned to be temporarily away from his/her regular duties and/or place of
3 employment for the purpose of performing other educational services, including but not
4 limited to participation in surveys, professional meetings, study courses, workshops,
5 professional organizational meetings, and similar services of direct and long-term benefit
6 to the educational program. Such assignment may be initiated by the principal or other
7 immediate supervisor, the Superintendent or by the individual who desires the temporary
8 duty. Temporary duty, when approved by the Superintendent, shall be with full
9 compensation of salary. Each request for temporary duty shall be filed with the teacher's
10 principal or other immediate supervisor as early as possible but at least one (1) week in
11 advance of the effective date of the temporary duty. In the event that temporary duty
12 leave is denied, the administrator denying the leave shall provide the reasons for the
13 denial in writing to the teacher at the time of denial.

14 **11.0210 – TEMPORARY DUTY LEAVE FOR SUMMER COURSEWORK:**
15 Employees enrolled in a degree-seeking program may be eligible to apply for temporary
16 duty leave of up to a total of five (5) days during pre- or post-school planning as needed
17 to attend summer school classes for completion of the degree. Application for this leave
18 must be submitted at least twenty (20) days prior to the close of the teacher's work year
19 and will be subject to review and approval by the professional leave committee as defined
20 in Provisions 11.0208.

21 **11.0211 – FAMILY AND MEDICAL LEAVE:** All provisions of this section shall be
22 effective for School Board employees July 1, 1994, and shall be interpreted so as to
23 comply with the requirements, including definitions, of the Family and Medical Leave
24 Act of 1993, and any applicable implementing regulations. No provision in this section
25 shall operate to limit or reduce leaves provided under other contract terms.

26 (a) **Employee Eligibility:** Any employee who has worked for the Lee County
27 School District for at least twelve (12) months and for at least 724 hours during
28 the year preceding the start of the leave is eligible.

29 (b) **Reasons for Leave:** Eligible employees shall be granted FMLA leave: 1) to
30 care for the employee's child after birth, or following placement for adoption or
31 foster care; 2) to care for the employee's spouse, son or daughter or parent, who
32 has a serious health condition; or 3) because of a serious health condition that
33 makes the employee unable to perform the functions of the employee's job; (4)
34 to use for any qualifying exigency arising out of the fact that a covered military
35 member (member of the National Guard and Reserves) is on active duty or
36 called to active duty status in support of a contingency operation. A qualifying
37 exigency is defined as follows: a. Short-notice deployment; b. Military events
38 and related activities; c. Childcare and school activities; d. Financial and legal
39 arrangements; e. Counseling; f. Rest and recuperation; g. Post-deployment
40 activities; h. Additional activities not encompassed in the other categories, but
41 agreed to by the Board and employee; or (5) to care for a covered service
42 member with a serious illness or injury incurred in the line of duty while on
43 active duty. Such eligible employees shall be permitted to take up to 26 work
44 weeks of leave in a 12-month period.

- 1 (c) **Leave Entitlement:** An eligible employee is entitled to take up to a total of
2 twelve (12) work weeks of FMLA leave in a 12-month period, to be measured
3 backwards from the commencement date the employee uses FMLA leave. An
4 eligible employee taking leave under paragraph b.(5) shall be permitted to take
5 up to 26 work weeks of leave in a 12-month period.
- 6 (d) **Intermittent Leave for Planned Medical Treatment:** FMLA leave may be
7 taken intermittently whenever it is medically necessary to take care of a
8 seriously ill spouse, child or parent of the employee, or because of the
9 employee's own serious health condition making the employee unable to work.
10 Intermittent leave may be taken in increments of one or more days or partial
11 days. Certification of the need for intermittent leave, and the leave schedule,
12 shall be provided by the health care provider. Employees needing intermittent
13 FMLA leave must attempt to schedule their leave so as to minimize disruption
14 to the District's operations. The District may assign an employee to an
15 alternative position on a temporary basis with equivalent pay and benefits that
16 better accommodates the employee's intermittent leave schedule. Intermittent
17 FMLA leave must be requested by the employee in writing at least thirty (30)
18 days in advance, or as soon as is practicable.
- 19 (e) **Maintenance of Group Medical Insurance:** The Board shall maintain an
20 employee's medical insurance coverage during FMLA leave to the same extent
21 coverage was provided to the employee prior to taking FMLA leave, for a
22 period not to exceed twelve (12) weeks during the applicable twelve (12)
23 month period and for 26 weeks during the applicable twelve (12) month period
24 if eligible for leave under paragraph b.(5) of this provision. Medical insurance
25 premiums which had been paid by the employee prior to FMLA leave for any
26 dependent coverage must continue to be paid by the employee during the
27 FMLA leave period. If such payments are not made by the employee, the
28 dependent's insurance coverage will lapse and no benefits will be paid for
29 claims incurred while the policy has lapsed. When the employee is reinstated,
30 and payroll deduction of dependent's premiums resumes, the dependent's
31 insurance will be reinstated with the same coverage as prior to the lapse.
- 32 (f) **Notice:** Employees must request FMLA leave in writing, directed to the
33 Personnel Department, at least thirty (30) calendar days in advance, or as early
34 as is practicable. The time for the start of the leave may be delayed for up to
35 thirty (30) days for failure to provide timely notice. An employee needing
36 FMLA leave must follow the work site's usual and customary call-in
37 procedures for reporting an absence, absent unusual circumstances.
- 38 (g) **Job Restoration:** Upon return from FMLA leave, an employee shall be
39 restored to the same or an equivalent position. An equivalent position must be
40 at the same pay, benefits, and working conditions, include the same privileges,
41 prerequisites and status, and involve the same or substantially similar duties
42 and responsibilities. The equivalent position must be located at the same or
43 geographically proximate work site unless the employee's request for transfer
44 has been accepted.

1 (h) **Failure to Return:** At the start of any FMLA leave, the employee must state
2 whether he/she intends to return at the end of the leave. If the employee does
3 not intend to return, the employee will be deemed to have resigned voluntarily,
4 and no FMLA benefits will be provided. If the employee states that he/she
5 intends to return, and then fails to return, for reasons other than 1) the
6 continuation of a serious health condition of the employee or a covered family
7 member or 2) circumstances beyond the employee's control (certification
8 required within 30 days of failure to return for either reason), the employee
9 must promptly reimburse the Board for the cost of insurance provided by the
10 Board during the leave. If the employee fails to do so, the Board may take
11 action to recover the premiums paid.

12 (i) **Application of Paid Leave:** Employees are required to use paid accrued sick
13 leave before any FMLA leave is taken as a result of a serious health condition.
14 Employees are required to use any paid accrued vacation before any FMLA
15 leave is taken. Any such paid accrued leave taken will be counted toward the
16 allowable twelve (12) weeks of FMLA leave.

17 (j) **Medical Certification:** Employees requesting FMLA leave due to a serious
18 health condition of the employee, or of the employee's spouse, child or parent,
19 are required to submit a certification from a health care provider, verifying that
20 the leave is medically necessary. If the Board deems a medical certification
21 incomplete or insufficient, the Board must specify in writing what information
22 is lacking, and give the employee 14 calendar days to cure the deficiency.
23 Form WH-380 shall be used. The Board may require an employee to obtain a
24 second medical certification, at the Board's expense. The second health care
25 provider may not be employed on a regular basis by the District. If the opinions
26 of the first and second health care provider differ, the Board may require a third
27 medical certification, again at the Board's expense, from a health care provider
28 selected by the employee from a mutually agreed upon list maintained by the
29 Director of Insurance and Benefits Management. The third opinion shall be
30 final and binding. In all cases the Board may request a recertification of an on-
31 going condition every six months in conjunction with an absence.

32 (k) **Fitness-for-Duty Certification:** As a condition of restoration of an employee
33 who has taken FMLA leave due to the employee's serious health condition, the
34 employee is required to provide certification from the employee's health care
35 provider that the employee is able to resume work, i.e. is fit for duty and has the
36 ability to perform the essential functions of the employee's job. If an employee
37 is taking intermittent leave and reasonable job safety concerns exist, the Board
38 may require a fitness for duty certification before the employee may return to
39 work.

40 **11.0212 – INSURANCE COVERAGE:** The insurance coverage of any employee who
41 is granted a leave terminates on the first scheduled pay day that the employee does not
42 receive a paycheck, except as otherwise provided by law or this agreement. To continue
43 insurance coverage during the leave period, the employee must remit all premiums due
44 thereafter when permitted.

1 **11.03 - TERMINAL PAY BENEFITS:** A regular full-time teacher, upon application,
2 after ten years of creditable service in a retirement plan established by the Florida
3 Legislature, shall be entitled to terminal pay at the time of:

- 4 (a) normal retirement or early retirement;
- 5 (b) disability retirement;
- 6 (c) termination.

7 However, if termination is by death of the teacher, the ten (10) years of creditable service
8 in a retirement plan established by the Florida Legislature will not be required and
9 payment will be made to the teacher's beneficiary.

10
11 **11.031:** Terminal pay shall be paid after ten (10) years of creditable service in a
12 retirement plan established by the Florida Legislature and shall be based on the total
13 number of accrued and valid sick leave days credit to the teacher at the daily rate of pay
14 of the teacher at the time of termination. The amount of terminal pay shall be computed
15 as follows:

- 16 (a) during the years of service one through three (1-3) in the District, thirty-five
17 (35) percent of the hours of accumulated sick leave shall be multiplied times
18 the hourly rate of pay
- 19 (b) during the years of service four through six (4-6) in the District, forty (40)
20 percent of the hours of accumulated sick leave shall be multiplied times the
21 hourly rate of pay
- 22 (c) during the years of service seven through nine (7-9) in the District, forty-five
23 (45) percent of the hours of accumulated sick leave shall be multiplied times
24 the number of days of accumulated sick leave; or
- 25 (d) during the years of service ten through twelve (10-12) in the District, fifty (50)
26 percent of the hours of accumulated sick leave shall be multiplied times the
27 hourly rate of pay
- 28 (e) during and after the thirteenth (13th) year of service in the District, one hundred
29 (100) percent of the hours of accumulated sick leave shall be multiplied times
30 the hourly rate of pay

31 **11.032:** Any teacher entitled to terminal pay benefits shall have been under contract to
32 render services for the period immediately preceding termination of employment and
33 shall not be under suspension from duty except for reasons pertaining to health, or have
34 any charges pending which could result in dismissal from employment.

35 **11.033 SPECIAL PAY PLAN:** Teachers shall participate in the Special Pay Plan upon
36 retirement, participation in the Florida Retirement System DROP program or upon
37 termination from District employment. Teachers who have \$1,000 or more of terminal
38 pay for unused accumulated sick leave and/or payments for unused annual leave shall

1 have all eligible funds placed in the Special Pay Plan subject to the specific provisions of
2 the plan.

3 **11.03301 MANDATORY PARTICIPATION:** Participation in the Special Pay Plan is
4 mandatory for all eligible teachers.

5 **11.03302 TERMINATION OF PLAN PARTICIPATION:** Bargaining Unit
6 Participation in the Plan may be terminated with the approval of the Association and the
7 District.

8 **11.03303 DROP PARTICIPATION HOLDBACK:** Teachers enrolled in the DROP
9 program shall be required to retain 30 days of accumulated sick leave that shall not be
10 eligible for the Special Pay Plan until termination in DROP.

11 **11.03304 HOLD HARMLESS:** Plan participants who separate from employment before
12 the calendar year in which they turn age 55 and who elect to withdraw funds prior to age
13 59 ½ are subject to a 10% early withdrawal penalty by the IRS. The District will hold
14 harmless (make whole) teachers who fall within this category if they request all of their
15 funds from the Plan Administrator within 60 days of actual retirement or termination of
16 employment with the District.

17 **11.04 - SICK LEAVE BANK:** The purpose of the Sick Leave Bank (SLB) is to provide
18 a pool of emergency sick leave days from which contributors may draw after their own
19 accumulated sick leave has been exhausted. Nothing in this section shall be interpreted to
20 change any of the provisions in other sections of this Article except as it provides for
21 additional days of sick leave with pay for members of the SLB. The District has several
22 Sick Leave Banks. When a Sick Leave Bank member changes positions which would
23 require a change to a new Sick Leave Bank, that person shall be treated as a new member
24 and must give up one sick day for membership in the new bank. However, if the member
25 has donated a day within the same fiscal year, that day may be transferred to the new
26 bank.

27 **11.041 – MEMBERSHIP:** Any full-time employee may enroll in the Sick Leave Bank
28 between August 15 and September 30 provided the following three requirements are met:

- 29 (a) Continuous employment for at least one (1) year.
- 30 (b) Accrual of six (6) sick leave days by September 1.
- 31 (c) Donation of a seventh or subsequent sick leave day by October 15.

32 Application forms for membership shall be provided to teachers at their school centers
33 during preschool planning days. Sick leave days donated to the bank will not be returned
34 except as hereafter provided.

35 **11.042 - CONTRIBUTION:** In the event the number of days in the SLB balance falls
36 below thirty percent (30%) of the number of SLB members, each member of the SLB
37 shall be required to contribute one (1) day, from their own accumulated sick leave to the
38 SLB. In the event an SLB member cannot contribute an additional day due to leave
39 exhaustion, and he/she is not currently drawing from the SLB, the additional day
40 automatically shall be the next accrued sick leave day.

1 **11.043 - DURATION:** If membership in the bank and the number of days in the bank
2 should fall below three hundred (300), the bank shall be discontinued and days remaining
3 in the bank shall be distributed as provided elsewhere in this section.

4 **11.044 – ADMINISTRATION:**

5 (a) The SLB will be administered by the Personnel Department. Forms may be
6 obtained by participating teachers from the Personnel Office or work site.

7 (b) An Overview Committee consisting of two (2) representatives appointed by the
8 Superintendent and two (2) representatives appointed by the Association shall
9 be formed to review the administration of the bank, investigate alleged abuses,
10 and determine eligibility as set forth in 11.041 of this section. Committee
11 members shall be provided a quarterly report showing the number of SLB
12 members, balance of days, and number of applications for withdrawals.

13 **11.045 - BENEFITS:** The SLB shall be used only by the SLB member for his/her own
14 personal illness or disability and may not be used because of the illness, disability or
15 death of any other person.

16 (a) In the event of a continuing or catastrophic illness of a participating teacher,
17 causing the teacher to be absent from work for an extended period of time, the
18 teacher may receive paid leave as follows:

19 1) All accumulated sick leave and all other forms of paid leave available to
20 the teacher must first be expended, followed by an unpaid leave of ten (10)
21 continuous work days.

22 2) Application must be made to the SLB, submitting medical certification
23 and justification of the number of days required for the leave.

24 3) A maximum of one hundred (100) continuous paid work days may be
25 received by a teacher in a school year or a total of one hundred (100) days
26 for any one illness or disability. Having used one hundred (100) days for
27 any one illness or disability and having returned to work, the teacher shall
28 again become eligible to draw days for the same illness or disability after a
29 three (3) year waiting period which shall begin with the date of returning
30 to work.

31 (b) In the event of a continuing or second catastrophic illness of a participating
32 employee which occurs within one calendar year of the date the employee
33 returned to work after utilizing the Sick Leave Bank and the employee is
34 approved for sick leave benefits, the ten (10) days of unpaid leave shall be
35 waived.

36 (c) Questions raised by the Personnel Department concerning the eligibility of an
37 employee to receive benefits will be reviewed by the Overview Committee
38 which will make the final determination as to eligibility for benefits. In cases
39 denied, the Overview Committee shall provide, in writing, reason(s) for such
40 denial. The applicant may appeal his/her request to the committee for
41 reconsideration within ten (10) days from receipt of denial. The Overview

1 Committee's determination is not subject to the grievance procedure and
2 arbitration.

3 **11.046 - ABUSE:** Alleged abuse of the SLB shall be investigated by the Superintendent.
4 Upon a finding of such abuse, the teacher shall be required to repay all of the sick leave
5 credits drawn from the SLB and shall be subject to such other disciplinary action as
6 determined by the School Board to be appropriate.

7 **11.047 - DISCONTINUANCE:** If it should become necessary to discontinue the SLB,
8 unused sick leave in the bank will be distributed in the following manner:

9 (a) If the number of unused sick leave days in the bank exceeds the number of
10 members in the bank, each member will receive one (1) of the unused days to
11 be credited to his/her personal accumulated sick leave account. Those days
12 exceeding the number of members in the bank will be dispensed of at the sole
13 discretion of the Board whose decision will be final and not subject to the
14 grievance procedure and arbitration.

15 (b) If the number of unused sick leave days in the bank is equal to the number of
16 members in the bank, each member will receive one (1) of the unused days to
17 be credited to his/her personal accumulated sick leave account.

18 (c) If the number of unused sick leave days in the bank is more than one-half (1/2)
19 but less than or equal to the number of members in the bank, each member will
