ARTICLE I

Agreement

A. PARTIES TO THE AGREEMENT: The articles and provisions contained herein constitute a bilateral and binding agreement ("Agreement") by and between the Board of Education of the Long Beach Unified School District ("District") and the Teachers Association of Long Beach/California Teachers Association/National Education Association ("Association"), an employee organization.

B. ACCORDING TO "ACT": This Agreement is entered into pursuant to Chapter 10.7., Sections 3540-3549 of the Government Code ("Act"), the Educational Employment Relations Act.
ARTICLE II

Recognition of Exclusive Representative

A. ASSOCIATION RECOGNIZED. The District recognizes the Association as the sole and exclusive bargaining agent for the certificated employees as certified by the Educational Employment Relations Board (EERB) (LA-R-47, LA-R-113) on December 19, 1977, and occupying classes listed below.

B. CERTIFICATED K-12 EMPLOYEES UNIT SHALL INCLUDE: All regular certificated employees under contract including classroom, JROTC, CTE, specialist teachers, Speech Language Pathologist, Special Day Class Preschool teachers, Transitional Kindergarten teachers, and program facilitators, nurses, librarians, school and guidance counselors, psychologists, and retired teachers who continue to receive State Teachers Retirement System benefits and who return to classroom service under selected Education Code provisions.

C. CERTIFICATED K-12 EMPLOYEES UNIT SHALL EXCLUDE: All Head counselors, Head Psychologists, Child Development Center teachers, Head Start teachers, substitute teachers, part-time hourly teachers, and management, supervisory, and confidential employees.

D. TEACHER DEFINED. “Teacher” refers to any certificated employee who is included in the appropriate unit as defined in Section A. above and therefore covered by the terms and provisions of this Agreement.

E. BOARD OF EDUCATION RECOGNIZED. The Association, in turn, recognizes the Board of Education of the Long Beach Unified School District as the duly elected representatives of the people and agrees to negotiate exclusively with the District's representatives through the provisions of the Educational Employment Relations Act.

F. TEMPORARY CONTRACT EMPLOYEES. It is the intent of the District that temporary contract employees with satisfactory performance evaluations be offered regular contracts as soon as possible. Factors contributing to the District’s decision to offer a regular contract to a temporary contract employee shall include but not be limited to: temporary funding sources; projected enrollment growth or decline; projected numbers of leaves of absence; credential status; complete employment file; permanent residency status; first-aid requirements; recommendation of immediate supervisor.
ARTICLE III

Reserved Rights of the District

A. The intention of this Article is to provide that the District retains all rights, powers, authority, duties and responsibilities to direct, manage, and control conferred upon and vested in it by the Laws and Constitution of the United States and the State of California. In delineating the reserved rights of the District, it is not the intention of the parties to detract from or diminish in any way the statutory right of the Association to represent unit members under the Act.

B. It is agreed that all matters which are beyond the scope of negotiations as provided in Government Code, Section 3543.2 and also all rights, powers, and authority which are not limited by the terms of this Agreement are reserved to the District. Such reserved rights shall include, but are not limited to, the exclusive right to:

1. Determine its organization; determine the kinds and levels of services to be provided and the methods and means of providing them;

2. Maintain the efficiency of District operations; build, move, or modify facilities; establish budget procedures and determine budgetary allocations; determine methods of raising revenue; contract out work;

3. Determine the times and hours of operation; determine staffing patterns and the number and kinds of personnel required; direct the work of employees; hire, classify, assign, evaluate, promote, discipline (pursuant to Education Code, Section 44944), and terminate employees;

4. Establish educational policies, goals and objectives; determine the curriculum; ensure the rights and educational opportunities of students.

C. The exercise of the foregoing rights, powers, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific express terms of this Agreement, by statutory rights of unit members and/or the Association, and then only to the extent such specific and express terms are in conformance with law. If there is a direct conflict between the aforementioned reserved rights of management and the specific and express provisions of other articles of this Agreement, the language of the latter shall prevail.

D. The District retains its right to amend, modify, or rescind policies and practices referred to in this Agreement for the duration of an emergency. An emergency shall be defined as those unforeseen circumstances which substantially interrupt or threaten to interrupt the normal District operation: natural disasters, epidemics, riots, police actions, national emergencies, local exigencies.
ARTICLE IV

Association Rights

A. ASSOCIATION USE OF DISTRICT FACILITIES: The Association and its members may utilize District school buildings and facilities.

1. Outside of operation hours, facilities and audiovisual equipment may be used for meeting purposes subject to the provisions of the Civic Center Act, except that under Section II, Article 7, of District Regulations for Use of School Facilities, the Association will not be subject to charge for meeting of their membership at which no admission is collected. However, if such meetings require the assignment of additional District personnel, the Association will be charged for such services.

2. During operation hours the District agrees, upon twenty-four (24) hour advance request and approval of the site manager verifying that there will be no conflict created in the use of the facility on the date and at the time requested, to grant to the Association access to lounges, faculty dining rooms, or other designated locations for the transaction of Association business with employees on non-duty time as provided in Section C.

3. The District agrees that upon advance request the immediate manager of a school or office may grant TALB the occasional use of District computers, copiers, and other communication or media equipment under the following conditions:

a. Use of equipment occurs on non-duty time of the employee who must also be qualified to use the equipment;

b. Use does not interrupt or interfere with the normal student educational program or work production of District employees who need to use the equipment;

c. On or before June 30 of each year, TALB agrees to remit to the District $1,000 (K-12 and CDC/Head Start inclusive) as reimbursement for the occasional use of District equipment. It is understood that site copy machines may be used only for communications specific to individual school sites;

d. TALB requests shall be made through building representatives or officers to the site manager;

e. TALB acknowledges that site managers may refuse the use of equipment defined above if use by the Association interferes with the educational program or violates other provisions of this Agreement.
4. **Use of School Telephones and Cell Phones:**

   a. During those times when the employee is not responsible for the instruction and/or supervision of students or other assigned duties and provided no pay phone or personal cell phone is available, the school telephone may be used for calls concerning matters of serious and compelling personal importance that cannot be made before or after the workday.

   b. In addition to 4.a., designated site representatives, when not responsible for the instruction and/or supervision of students or other assigned duties, will have reasonable use of a school telephone for local calls involving representation matters. The conduct of Association business will not interfere with the business of the District.

   c. The use of the District phone to conduct personal enterprise is prohibited. Toll calls shall be charged to the employee’s home phone bill by the employee.

B. **ASSOCIATION COMMUNICATIONS:**

1. **Bulletin Boards.** The District authorizes the Association to use without charge one site bulletin board designated for employee association information. The location of such bulletin board, designation of space, and resolution of disputes about use of space shall be determined by the site manager. The Association agrees monthly to remove out-of-date materials.

2. **Restrictions.** Any literature distributed or posted by the Association must meet professional and ethical standards, be dated, identify the person(s) and/or organization responsible for its promulgation, and conform to election/campaign laws then in effect.

3. **Faculty/Staff Mailboxes.** The District authorizes the Association to use faculty/staff mailboxes and email subject to Appendix G. Distribution of communications shall be by employees on non-duty time or by non-site representatives of the Association.

C. **ASSOCIATION BUSINESS.** The Association agrees that its authorized staff and building representatives shall not conduct Association business with employees during regular working hours. It is agreed that non-duty times are as follows: before and after the scheduled workday of each employee, the nutrition break, and lunch period. Under no circumstances shall any representative or unit member interrupt or interfere in any way with normal work. Any exceptions must be approved by the appropriate assistant/deputy superintendent.
RELEASED TIME FOR NEGOTIATIONS:

1. The Association will exclusively receive released time from duties for its representatives to meet and negotiate with District representatives.

2. Association members shall receive released time for negotiation sessions. Any number in excess of five (5) shall be mutually agreed to by the District and the Association.

3. The Association shall submit in writing to Employee Relations Services the names of the employees who are authorized to represent the Association in negotiations.

4. Released time shall be arranged with the site manager twenty-four (24) hours prior to release from duties.

ORGANIZATIONAL SECURITY:

1. **Membership Dues Deduction.** Any unit member who is a member of the Teachers Association of Long Beach, CTA-NEA, or who has applied for membership, may pay a lump sum cash payment to the Association or sign and deliver to the District an assignment authorizing deduction of unified membership dues, initiation fees and general assessments in the Association. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary warrant of the unit member each pay period for ten (10) pay periods. Unit members who sign such authorization after the commencement of the school year shall have deducted one-tenth (1/10) the total amount of unified dues for each of the remaining ten (10) pay periods.

2. **Remittance of Dues.** With respect to all sums deducted by the District, for membership dues, the District agrees promptly within fifteen (15) days to remit such monies to the Association accompanied by the alphabetical list of unit members for whom deductions have been made, categorizing them as to membership in the Association, and indicating any changes in personnel from the list previously furnished.

3. **Provision of Information.** The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

4. **Indemnification.** The Association shall indemnify, defend and hold harmless the District against any administrative action before the Public Employment Relations Board and/or any court action challenging the legality or constitutionality of Article IV, Section E. of this Agreement or its implementation.
The Association shall have the exclusive right to decide and determine whether any such action or proceedings referred in the above paragraph shall or shall not be compromised, resisted, defended, tried, or appealed.

F. **DISTRICT DIRECTORY.** The District agrees to provide the Association with a digital copy of a District directory (names, addresses, phone numbers) when such a directory is published. The Association agrees to use such information for internal organization purposes only and not to disclose it to any third parties. Additional support service staff schedules and budget publications shall be made available to the Association.

TALB agrees to provide Employee Relations Services with the names of designated site representatives and to update the list as changes occur. The District agrees to provide the Association public documents distributed to school board members and the press in preparation for meetings of the Board of Education.

G. **NEW UNIT MEMBER INFORMATION**

Except for unit members who have submitted written requests pursuant to Government Code section 6254.3 (c) prohibiting the disclosure of their home address, home telephone number, personal cellular telephone number, personal email address, or date of birth, the District shall provide TALB with unit member information on the new teacher hires.

H. NEW TEACHER ORIENTATION

a) “New employee orientation” means the onboarding process of a newly hired public employee.

Reimbursement by the employee organization shall be made within ten (10) days after its receipt of the District’s certification of compensation and sick leave. Upon return from leave to conduct Association business, the Association president shall be assigned to his/her previous classroom position at, the site assigned prior to the commencement of the leave.

J. ASSOCIATION LEAVE:

1. The District will grant to the bargaining unit as a whole a total of two hundred fifty (250) days per fiscal year (July 1-June 30) of released time for unit members to attend workshops, conferences, or other activities sponsored by the Association as identified by H.a and H.b. 2. The District will grant to each member of the TALB Board of Directors released time per fiscal year to allow all members to participate in regularly scheduled meetings of the Board of Directors. The TALB president or his/her designee shall provide to Employee Relations Services the names of members of the Board of Directors and the schedule of meeting dates.

The Association agrees to reimburse the District for any substitute pay expended in relation to Sections 1. and 2. above.

K. The District agrees to make reasonable effort to provide the Association with the opportunity to review newly developed and/or revised forms related to the implementation of this contract.

L. The District agrees to make reasonable effort to provide the Association with a copy of notices to employees which relate to the negotiated agreement and which require the authorization of the Superintendent, the Deputy Superintendent, or the Chief Business and Financial Officer.

M. TALB will have representation on committees as mutually agreed to by the District and the Teachers Association. The parties mutually agree to TALB representation on the Transfer and Assignment Committees.
ARTICLE V

Days and Hours of Employment

A. WORKDAY:

1. It is agreed that the professional duties of employees require both on-site and off-site hours of work, that the varying nature of such professional duties may not lend itself to a total maximum daily work time of definite or uniform length, and that such duties are normally expected to involve no fewer than eight (8) hours of total effort each workday for both classroom and non-classroom employees.

   It is further agreed that employees will be available to meet with students and parents at reasonable times before and after the instructional day. A schedule shall be posted prominently and maintained at each school site and posted on the school’s website and the District approved learning management system teacher’s page indicating times when teachers are available to meet with parents and/or students. Copies of the schedule shall be sent home to parents twice a year.

2. In the elementary schools, teachers shall report for duty and check their mailboxes and email not later than fifteen (15) minutes before the opening of class except when assigned before school duties. Teachers shall remain until after the close of the last scheduled class of the day for Grades 4 and 5, unless they have an after school duty, are excused earlier or are requested to remain by the principal. On Fridays, teachers may leave the building immediately upon the close of the regular school day for pupils except that if District meetings are scheduled on Friday another "early day" may be designated. Teachers of kindergarten (“Kindergarten” includes transitional kindergarten, as defined in Education Code Section 48000) and the first three grades remain on duty as long as teachers of the fourth and fifth grades, unless excused earlier by the principal.

   Beginning the 2022-23 school year, TALB and the District agree to convene a joint committee to meet quarterly to review program, support, professional development, analyze data and provide recommendations for improvement. This committee will continue through the length of this contract 2024-2025.

   Teachers assigned to elementary school libraries work a seven-hour day, except on Friday when they may leave fifteen (15) minutes prior to the end of their regularly assigned workday.

3. In the middle and senior high schools teachers shall, unless assigned to before school duty, report for duty at least fifteen (15) minutes before the opening of the first assigned class, conference period, or homeroom/advisory and shall check their mailboxes daily before the instructional day begins. Teachers shall be present on site for an additional sixty (60) minutes weekly as selected at the professional discretion of the teacher.
Historically, the secondary teacher workday is comprised of six periods (one of which is a conference period). Block Schedules and 7-period day schedules are alternate schedule options for secondary school sites. Administration and the Site Based Decision Making (SDM) will mutually agree upon the schedule format. In the absence of SDM, the Instructional Leadership Team (ILT) made up of a majority of teachers, may serve this role. Schedule formats must include a daily conference and may not exceed maximum student contacts. Approval of the schedule will be based on a majority of (50% plus 1) vote of those Bargaining Unit Members voting. The voting process will only occur to change a schedule. Approved schedules must remain intact for two (2) years. In the event of a fiscal emergency and/or changes in law impacting schedules, this process may be revisited by the District prior to the expiration of the two-year term after consultation with TALB. If a teacher volunteers to teach an additional class during his/her conference period his/her instructional day is extended approximately one hour before or after the regular instructional day to provide the employee with the conference period allowed for in this Agreement.

During any school month, certificated staff may be required to attend on-site meetings not to exceed a total of four (4) hours beyond the instructional day or duty day for counselors and psychologists. Two (2) additional hourly monthly meetings may be added at the discretion of the bargaining unit and principal. The necessity for conducting the two (2) hourly meetings shall be determined monthly at each site by either a simple majority secret ballot vote of the bargaining unit employees who actually vote on the proposal and principal or by the site shared decision-making body. The determination of which process will be used shall be by an annual majority secret ballot vote of the bargaining unit and principal.

Attendance is required at only those meetings authorized by the principal. Such meetings may be held before or after school and should be approximately one hour or less in length. Site meetings beyond the instructional day in a typical school month would include two (2) faculty meetings and two (2) other meetings; (e.g., grade level, department, program review and/or in-service). In the event of a school or District emergency, or urgent school business, principals may call additional meetings with the approval of the appropriate assistant/deputy superintendent.

Special education teachers may be required to attend one off-site in-service meeting per month as authorized by the Assistant Superintendent, Special Education. Such off-site meetings beyond the instructional day should be approximately one hour or less in length and will be included in the monthly computation.

During the term of this Agreement, the District shall maintain its practice of treating IEP meetings as mandatory; bargaining unit members attending such meetings beyond the duty day and in excess of four hours per month shall be paid therefore at their regular hourly rate provided they submit the Documentation of Mandatory Meeting Form to the Office of School Support Services.
5. The on-site workday for other unit members shall be as follows:
On-site work hours for secondary school librarians and program facilitators shall be eight (8) hours per day exclusive of lunch, except Friday when they may leave twenty (20) minutes prior to the end of their regularly assigned workday.

On-site work hours for nurses shall be seven and one-half (7.5) hours per day exclusive of lunch, except Friday when they may leave twenty (20) minutes prior to the end of their regularly assigned workday. If the principal or his/her designee determines it is necessary for the employee to remain on-site to perform the assigned duties of the position or to fulfill his/her professional obligations appropriate to his/her assignment, the principal or his/her designee shall direct the employee to remain on-site up to a maximum of eight (8) hours a day.

The on-site workday for counselors and psychologist shall be eight (8) hours per day exclusive of lunch.

Modifications of the on-site work hours and the "early day" may be mutually agreed to by the employee and the site manager to accommodate a variety of job responsibilities that may be accomplished at a location other than the school site and/or outside of normal working hours. Driving time between District sites shall be included as part of the normal working day exclusive of the duty-free lunch period.

6. Modification in the students' schedule shall have no effect on the unit member's workday as described above, except for Back-to-School Night in the fall and Open House in the spring. Additional exceptions may be approved by the appropriate assistant/deputy superintendent.

7. It is recognized that in carrying out job responsibilities, each employee shall perform many duties and adjunct responsibilities which occur outside of the scheduled on-site duty day. Such duties may involve activities such as supervision of pupils, sponsorship of student activities, and participation in school, districtwide, and parent-community committees and/or functions. It is intended that such adjunct duties will be assumed equitably by all unit members. Volunteers will be sought and a site shared decision-making process may be used to distribute adjunct duties; however, if there are insufficient volunteers, the manager retains the right to assign unit members to meet the needs of the school. The maximum expectancy for any secondary school teacher shall be twenty (20) hours per semester or forty (40) per year, exclusive of faculty/department meetings.

Psychologists and counselors will not be subject to adjunct duty as described for teachers. However, Psychologists and counselors are responsible for coordination with outside agencies such as , but not limited to, Department of Family Services response, working with psychiatric response teams and School Based Mental Health.

8. All unit members shall be entitled to the statutory minimum duty-free lunch period of thirty (30) minutes. This entitlement also refers to alternate lunch schedules adopted.
because of inclement weather. Normally, teachers can expect to have the same length of lunch period as students except that the site manager may assign employees to supervisory duties during the passing periods and/or to meet the occasional needs of the school lunch period situation.

9. The scheduled preparation period at the secondary level is defined as paid working time for the specific purposes of preparing materials; conferring with students, parents, support staff, and administrators; and other duties subject to assignment by the principal. It may also, if deemed necessary by the immediate site manager, be used for providing replacement services (class coverage) for a temporarily absent unit member.

Replacement service may be required when another teacher is absent, no substitute is immediately available and, in the judgment of the administrator, no other certificated employee is available. Over the course of the school year the site manager shall distribute these occasional replacement assignments as equitably as possible among all available non-classroom certificated personnel and unit members. A record of equitable assignments shall be accessible to employees. When a unit member is assigned to provide such replacement service, the first two (2) hours, cumulative, per school year of such service shall be deducted from the employee's maximum expectancy (twenty [20] hours per semester or forty (40) per year) for adjunct duties. When a unit member is assigned to provide replacement service in excess of two (2) hours, cumulative, the unit member shall be paid for such excess service at the substitute hourly rate, Schedule P, and shall be required to remain on-site after his/her duty day for an equivalent number of minutes of preparation.

Efforts will be made to assign non-bargaining unit employees to provide replacement service. If a bargaining unit member who has been asked to provide replacement service is relieved by such an employee within the first twenty (20) minutes of service, the bargaining unit member will be credited with thirty (30) minutes of coverage. If the coverage time is in excess of thirty (30) minutes, the employee shall be provided with one (1) hour of credit for replacement service.

10. **Elementary Preparation:**

   a. In the elementary school, limited preparation time may be arranged at individual school sites through staffing patterns that (1) are educationally justifiable; (2) do not reduce total instruction time for students; (3) are developed jointly by the affected teaching staff and the site manager; and (4) are approved by the appropriate assistant/deputy superintendent.

   b. At the elementary teacher's discretion, library time may be used as a preparation period when a credentialed librarian is scheduled to work with the entire class.
c. A school is not precluded from identifying additional opportunities for preparation time, especially for teachers of grades four and five, if the school's regularly scheduled, general funded, certificated staffing permits.

d. Teachers in Grades 1-5 shall receive a designated preparation time of 40 minutes on dates identified by the District. Thursday shall be the scheduled preparation day which shall remain the same for all affected schools within the District. The dates shall be identified prior to the start of the new school year. The instructional minutes for Grades 1 through 5 must be consistent with the instructional minutes identified by the District for the particular grade level. Preparation periods shall normally be scheduled 35 times a year; but may be less in some years due to the placement of school holidays on the approved calendar. Scheduled preparation days shall not be changed due to conflicts on the calendar, such as Back-to-School Night, Open House and Parent Conferences.

e. Except in cases of emergencies, no meetings shall be scheduled by the site administrator during the scheduled preparation period. However, this does not preclude a teacher from scheduling and participating in meetings of their choice during this time.

f. No waivers shall be accepted or approved to modify the 40-minute preparation period for teachers.

g. The designated 40-minute preparation period is part of the teachers’ regular workday.

11. Employees who request and are granted a part-time assignment shall have a minimum on-site responsibility exclusive of any duty-free lunch period proportionate to their contract assignment. Elementary part-time teachers who teach half of the normal instructional time shall have a workday that is one-half (1/2) the workday of a full-time teacher. Secondary part-time teachers who are assigned to three (3) instructional periods shall have a workday that is one-half (1/2) the workday of a full-time teacher; other workdays shall be based upon the principle that exclusive of the lunch period, six (6) periods plus required time before and after classes constitute a full-time assignment. Teachers who work less than full-time shall not be scheduled for a preparation period as part of the workday. Employees who work half-time or less shall be exempt from all extra-duty responsibilities except for faculty meetings which are contiguous with the employee’s workday and annual open house activities.

12. At Alternative Education Sites not operating on a traditional on-site workday, it is agreed that the professional duties of employees require both on-site and off-site hours of work, that the varying nature of such professional duties may not lend itself to a total maximum daily work time of definite or uniform length, and that such duties are normally expected to involve no fewer than six (6) hours at the site except on staff
minimum days and no fewer than eight (8) hours of total effort each workday for both classroom and non-classroom employees.

13. **Instructional Day.**

The hours of employment defined in Sections A.1., A.2., and A.3. above shall include at least the required number of instructional minutes to qualify for incentive funding provided in Education Code, Section 46201. The designation of instructional time shall conform to the law. Subject to the foregoing, the minimum number of instructional minutes shall be:

- Kindergarten: 36,000
- Grades 1, 2, and 3: 50,400
- Grades 4 and 5: 54,000
- Grades 6, 7, and 8: 64,800
- Grades 9, 10, 11, and 12: 64,800

except that:

a. Schools with an organizational pattern of Grades K-8 shall provide a minimum of 54,000 instructional minutes for Grades 7 and 8.

b. Schools which exceed the above required minimum number of instructional minutes for specified grade levels shall make no adjustment to reduce the number of instructional minutes at these grade levels without the express written consent of the appropriate assistant/deputy superintendent.

14. **Electronic Grading and Communication System**

At the secondary level, an online gradebook shall be maintained and updated by the unit member at least each month, or more frequently as determined by the Site Shared Decision Making Committee. Grades shall be submitted electronically by the unit members at all grade levels at the designated reporting periods. Grading guidelines and reporting period dates shall be provided at the beginning of the school year by the site administrator or designee. Grade reporting periods shall align with state mandates. Any technology failure shall be reported immediately by the affected unit member to the site administrator and/or designated support personnel (e.g. help desk).

15. **Job Sharing:**

a. The Job Sharing Program is one in which two (2) permanent employees share the full responsibilities and the contract of employment of one (1) identifiable full-time position. The shared teaching assignment shall be (1) fifty-fifty (50-50) percent or (2) sixty-forty (60-40) percent. The sharing shall be on a proportional division of the school day or of the school week.
b. Applicants must be willing to provide a written commitment to serve a minimum of one (1) year in the shared position. If, because of extenuating circumstances, one of the participants cannot continue in a part-time assignment during the year, the District is under no obligation to return the individual to a full-time assignment until the following year; but the District may consider an earlier return if a position is available.

c. Job sharing assignments shall be filled only by teachers who have jointly requested to work together. A listing of teachers interested in job sharing will be maintained by both the Certificated Personnel Office and the Teachers Association.

d. Applicants shall submit a joint written application to the affected site manager(s) showing the names of the participants, positions affected, the proposed sharing schedule, division of adjunct duties, and the potential benefit to students. Mutual agreement between the two (2) employees, the principal, the appropriate assistant/deputy superintendent, and the Assistant Superintendent, Human Resource Services, is required before the job sharing assignment can be implemented. Applications shall be submitted on or before March 1.

e. Individual job sharing assignments will normally be evaluated prior to March 1. A decision with respect to continuance of each program will be made on or before April 15.

f. Salary will be the prorated share of the amount an employee would have earned had the employee not elected to exercise the option to participate in job sharing. The contribution to STRS/PERS will be based upon the amount of salary actually earned by the participant.

g. Job sharers will receive full District health and welfare benefits. The District will contribute premiums on a prorated basis and participants will pay the remainder of the required premiums. Employees not opting for District health coverage shall provide evidence of health insurance from another source.

h. The employee in a shared assignment will receive all contractual leaves on a prorated basis.

i. If an employee on shared assignment is absent, the other party, whenever possible and with the approval of the site manager, will trade days with his/her partner or will agree to substitute for his/her partner in a regular substitute status at the regular substitute rate.

j. The employee on a shared contract will be expected to participate in professional responsibilities such as, but not limited to, the following:
participation in school, district-wide, and parent-community committees; faculty meetings; Back-to-School Night activities; parent/teacher conferences; report card preparation. Details of shared responsibilities are defined in the application.

k. If, because of extenuating circumstances, one partner cannot continue in the shared assignment, one of the following shall occur:

(1) The remaining participant fills the previously shared position on a full-time basis;

(2) A new partner, mutually agreeable to parties, replaces the non-continuing partner;

(3) The remaining participant applies for a leave for which he/she is eligible.

(4) The remaining participant submits his or her resignation.

l. Continuation of any job sharing partnership is contingent upon the annual mutual agreement of all parties.

m. Prior to approval of any job sharing agreement the two teachers involved shall agree which of them shall remain at the site should the partnership be dissolved and both desire full-time assignment at that site but only one opening exists. In any circumstance, participants would have access to the District's voluntary transfer procedure.

16. **Parent/Teacher Conferences.** K-5 classroom teachers in a K-5 or K-8 school shall have six (6) minimum days in the fall and two (2) minimum days in the spring for parent/teacher conferences.

For seven (7) days in the fall and five (5) days in the spring kindergarten teachers shall be exempt from the provision in Article V.A.2. These hours shall be available instead for parent/teacher conferences.

17. **Library Media Teachers.**

a. A library media teacher who maintains the library media center open for at least fifteen (15) minutes before school and fifteen (15) minutes after school will not be assigned bus and recess/nutrition duty.

b. Secondary classroom teachers shall stay with their classes when bringing them to the library media center; elementary teachers shall escort their classes to and from the library media center.
c. For classes brought to the library media center, contractual staffing ratios (including LMT and aides) shall be observed, except during Testing Periods or for special, occasional activities as determined by Site Based Decision Making.

d. Library Media Centers will close during the final week of school to allow LMTs time to close the library, conduct inventory, and complete other oversight tasks that are essential to running an effective library media program. The standard period for closing a library media center shall equal the number of days it is scheduled to be open during a regular week during the school year; the LMT in consultation with the site administrator may recommend a lesser or greater period depending upon the size of the center.

e. At the secondary level, the LMT at his/her discretion may continue to utilize a flexible schedule in order to service the entire school. At the elementary level, the LMTs may utilize flexible scheduling for 20% of their scheduled work week at that particular site in order to permit collaborations with classroom teachers and their students for in-depth learning and research.

18. **Speech Language Pathologists**

It is agreed that the professional duties of employees require both on-site and off-site hours of work, that the varying nature of such professional duties may not lend itself to a total maximum daily work time of definite or uniform length, and that such duties are normally expected to involve no fewer than eight (8) hours of total effort each workday for both classroom and non-classroom employees.

The Preschool SLP caseload shall be as stipulated in Education Code 56441.7. The District and the Association will review caseloads four (4) times per school year.

**B. WORK YEAR:**

1. **Teachers** (including nurses, teachers on special assignment, and librarians):

   a. **Traditional Schedule.** The assigned work year shall be from the first day of the fall semester to the last day of the spring semester, inclusive. The school year encompasses (10.5) pay periods totaling two hundred and four (204) assigned days (one hundred eighty-two [182] actual duty days), dates which are specified in the calendars (see Appendix A). It is further agreed that in the middle and senior high schools two shortened days for pupils will be scheduled at times to be approved by the appropriate assistant/deputy superintendent.
The first and last days of the work year for all bargaining unit employees shall be pupil free. All bargaining unit employees will have no fewer than four (4) hours on each of these days to prepare for the starting and closing of school.

2. **Program Facilitators:**

   a. **Traditional Schedule.** The assigned work year shall encompass two hundred twelve (212) assigned days (one hundred eighty-eight [188] actual days), dates for which are specified in the calendars (see Appendix A).

   b. Based on identified program needs and the availability of sufficient special project funds at individual school sites, program facilitators may request election for additional service either before or after the regularly assigned work year, or during designated non-work periods at year-round schools.

3. **Counselors and School Psychologists:**

   a. Traditional Schedule. The assigned work year shall encompass two hundred twenty (220) assigned days (one hundred ninety-three [193] actual days), and dates for which are specified in calendars (see Appendix A).

4. **Split Assignments.** In cases of split assignments, employees so affected shall work each assigned day a number of hours which reflects the employee’s assignments. A split assignment refers to a full-time employee whose contract assignment includes two job classifications (Example: teacher/program facilitator).

5. **Emergency.** In the event of an emergency or other event resulting in less than the scheduled number of workdays, the District agrees to consult with the Association before determining the number and dates of specific days to be rescheduled to ensure the total contract workdays for all unit employees.

6. **Holidays.** The District agrees to grant all employees those non-paid, legal and Board-designated holidays which occur during their specified traditional or year-round calendars.

   b. In addition, the District agrees to grant two (2) holidays to be designated by the Board of Education. One of these holidays shall be the Friday following Thanksgiving Day.

   c. When a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday. When a legal holiday falls on Sunday, the following Monday shall be observed as a holiday.
Consistent with the above provisions, the date of each holiday shall be set forth in the calendar (see Appendix A).

7. **Summer School and Intersession Programs.** Teachers elected to provide additional service during summer school on traditional calendar or intersession programs on year-round calendars will be compensated per Salary Schedule P.

Note: Any changes in leave provisions or other benefits as a result of the collective bargaining process will apply equally to summer school and intersession program teachers.

All eligible employees will have an opportunity to apply to teach during intersession or summer school. All employees whose most recent final evaluation is effective in all areas directly related to classroom instruction and student achievement are eligible for selection for summer school and intersession employment. Applicants will be selected based upon (a) the needs of the program to be offered and (b) when applicable, a system of rotation after having served three consecutive intersessions or summer school assignments if there are other qualified applicants. When the above considerations are substantially comparable, decisions shall be based upon length of service in the District.

8. **Traveling Teachers in Secondary Schools.** Except in the most extraordinary circumstances, secondary teachers serving in their initial year in the profession will not be scheduled as traveling teachers.
ARTICLE VI

Compensation

A. SALARIES:

1. **Salary Schedules and Regulations:** The regular rate of pay for each employee in the bargaining unit shall be in accordance with the Salary Schedules available at work sites and Provisions for Administration of Salary Schedules incorporated in Appendix B of this Agreement.

2. **Biweekly Salary Advance:** Upon submission of a timely request, an employee may be advanced not more than one-half of his/her net pay after deductions every two (2) weeks.

3. **Payroll Errors:** Proper salary class and step placement is a joint responsibility of the employee and the District. All employees are encouraged to review their salary placement annually and should they believe that they are improperly placed on the salary schedule, they should immediately bring this information to the attention of the District. In the event that an incorrect salary placement results in an underpayment, the District will issue a warrant for approximately ninety (90) percent of the net underpayment from the revolving fund within ten (10) working days from the day the error has been verified and Payroll receives written notification. Full adjustment will be reflected in the employee's next regular pay warrant. Should the incorrect salary placement result in an overpayment, the employee will reimburse the District the full amount of such overpayment on a repayment schedule developed by the District and the employee. In the event of an error favoring the employee or the District, the error shall be corrected retroactively for a period of up to three (3) years dating from the discovery of the error. "Discovery of the error" is defined as the date the District or the employee first receives written notification.

   a. When an employee requests an audit of payroll records beyond the immediately preceding thirty-six (36) months, the employee will be charged for this service at the rate of $20 per hour. The service fee will be waived if the audit reveals an actual error. The employee may request an estimate of the time involved in the audit prior to authorizing Payroll to proceed.

   b. Within two years of receipt of the annual service credit statement from the State Teachers Retirement System (STRS)/Public Employees Retirement System (PERS), employees may request review of a perceived discrepancy in annual service as reported in that statement.

4. **Pay Warrant Adjustments:**
a. (Education Code, Section 45051) Contract employees hired after the beginning of the contract year shall be notified at the time of employment that they will receive a pay adjustment in their first warrant. Contract employees who resign, retire, go on unpaid leave, or are terminated prior to the end of their work year may have their last pay warrant adjusted.

b. The annual salary of any employee who is employed after the beginning of the school year, or who resigns, retires, is terminated, or goes on unpaid leave prior to the end of the school year shall be computed by comparing the number of days actually worked by the employee (including absence days in paid status) to the total number of working days in the school year.

5. **Additional Assignments:** Bargaining unit employees qualified for additional teaching assignments in School for Adults and/or summer school shall be given priority consideration. Employees selected by the District to fill positions in the Additional Assignments Schedule shall be paid at the rates and in the manner described in that schedule.

6. **Occasional Projects:** Employees elected by the governing board to work additional days on projects related to their primary job responsibilities shall be paid at District hourly rates as described in the Additional Assignments Schedule.

7. **Catalina Island Employees:**

   a. Full-time employees who actually work and reside on Catalina Island shall receive a salary addition as provided in the Certificated Non-Management Salary Schedule. In addition, effective the first school day each year, Catalina Island employees shall receive a travel expense allowance. For 2021-2022, the allowance is $1153.78. Each year thereafter, the allowance will be adjusted by the same percentage as the salaries of K-12 unit members. Employees working less than full time shall receive a share of the travel expense allowance proportionate to the time worked.

   b. Upon employee request, the District shall provide costs not to exceed $500 for moving possessions and an automobile to Catalina Island.

   c. The District shall pay employee costs of routine transportation to and from in-service training meetings required by the District.

8. **Mileage.** Employees who are authorized by the Board of Education to receive reimbursement for mileage will be reimbursed at the rate per mile established by the Internal Revenue Service for business mileage.

9. **403(b) and 457 Plans.** Unit members may participate in the District approved tax sheltered annuity plans, including the 403(b) and 457 plans, through voluntary
payroll deduction. The District shall pay the fees, if any, of a third party administrator who will be responsible for plan administration and compliance. The District shall consult with TALB when considering a change in the 403(b) or 457 third party administrator.

B. HEALTH AND WELFARE BENEFITS:

1. **Employee Eligibility.** Bargaining unit employees working fifty (50) percent or more of a full-time assignment as defined in Article V, Section A.11., (exclusive of job sharing, Article V, Section A.14.) are eligible for health, dental, vision, and life insurance benefits as provided in this Article. Effective 2010-11, the employer contribution shall be pro-rated for less-than-full-time unit members.

   a. All coverage is effective the first day of paid service or first paid day upon return from unpaid leave of absence.

   b. Any employee in unpaid leave status for a period in excess of thirty (30) calendar days may continue health and welfare benefit coverage as provided in this Article by personally paying the premiums. The percent of the annual premiums to be paid shall be the same as the percent of the contract year during which the employee is in unpaid leave status. (For example, a one hundred eight-two [182] workday teacher on unpaid leave for one [1] semester, i.e., ninety-one [91] days, is responsible for fifty (50) percent of the annual benefit premiums.)

   c. Effective 9/1/06, an employee who fails to enroll during open enrollment or within thirty (30) days of initial eligibility will be automatically enrolled in the PPO, Delta Premier, Vision, and Life.

   d. Dependents of employees who, pursuant to paragraph c. above, are defaulted into the designated District group medical plans are not eligible to be enrolled except as follows:

      (1) During the next open enrollment period; and/or

      (2) Within thirty (30) days of becoming eligible by virtue of such qualifying events as birth, adoption, marriage or registering of a California Domestic Partnership.

2. The 2013 District annual maximum contribution toward individual unit member insurance premiums for District medical plans for full time employees, employee plus one and family coverage shall be based on the 2013 District PPO rates as adjusted by the cost containment changes. The District’s annual maximum contribution excludes District dental and vision insurance.
Beginning the 2014 insurance year (January 1, 2014), and each year thereafter, the District shall increase the prior year’s District annual maximum contribution toward individual unit member insurance premiums for District medical plans for full-time employees, employee plus one and family coverage by 3.5%. In the event the elected coverage in a District insurance program exceeds the above stated District maximum annual contribution, the cost difference shall be paid by the unit member through payroll deduction. The Health Benefits committee shall actively work to limit increases greater than 3.5%, through plan design modifications, vendor selection, wellness programs, and member education. In the event that the combination of the annual PPO rate increase and/or cost containment results in premiums below the District maximum annual contribution described above, that difference will mitigate future rate increases.

Effective January 1, 2016, change the health and welfare plan year from the current calendar year (January 1 to December 31) to match the District’s fiscal year (July 1 to June 30). The change shall be managed in the following manner:

a. Effective July 1, 2016 the new plan year shall be based on the fiscal year (12 months).
   i. Open enrollment shall take place in May of each year with all plan changes being effective on July 1.

b. Flexible Spending Accounts will remain on the calendar year and will continue to have their open enrollment in November.

c. In the initial transition year, the deductibles and out-of-pocket maximums that have accrued during the “short” plan year shall carry over for the first plan year based on the fiscal calendar. The accrued deductible and out-of-pocket maximum then shall reset back to zero on July 1, 2017.

d. The District Annual Maximum (DAM) shall be converted to the fiscal year by taking the arithmetic average of the DAM for 2016 and 2017 calendar years.
   Example: 
   \[ 2016-2017 \text{ DAM} = \frac{(2016 \text{ DAM}) + (2017 \text{ DAM})}{2} \]
   Effective July 1, 2017 the DAM will increase each July 1 by 3.5%.

3. The lowest cost District HMO medical plan offered unit members in any given insurance year shall not be subject to the District annual maximum contribution described in Section 2 above. In the event that the District anticipates that the premiums for the lowest cost District medical HMO plan may exceed the District annual maximum contribution as described in Section 2 above in the succeeding year, negotiations will automatically be initiated to address the excess cost during the next round of negotiations.

4. All eligible unit members retiring from the District after August 31, 2013 shall receive the same District annual maximum contribution for District medical plans provided to active unit members. Eligible unit members who retire on or before the
above date shall not be subject to the District’s annual maximum contributions as described in Section 2 above.

5. The District shall apply any health benefit cost containment changes, including plan design changes, implemented for active employees to retirees.

6. **Health Insurance.** Employees may choose coverage for themselves and their eligible dependents or same gender domestic partners for whom a Declaration of Domestic Partnership is currently on file in the office of the Secretary of State for the State of California. A choice shall be made from any one of the approved plans described below during the enrollment period announced by the Risk Management Branch.

The District agrees to offer employees medical health benefits that include at least one PPO and two HMO options. Specific providers, plans and plan designs shall be provided to employees annually prior to open enrollment. Modifications to providers, plans, and plan designs shall be subject to recommendations by the Health Benefit Committee (HBC) and shall be subject to negotiations by the parties. Specific providers and plan designs will not be outlined in the Agreement although they will be subject to negotiations, and the contractual grievance procedures. (Supersedes Article VI, Section B.2a, b, and c except the first sentence of Section Article VI, B.2).

The Medical Eye Services plan provides one (1) comprehensive examination every twelve (12) consecutive months; two (2) pairs of lenses in any twenty-four (24) consecutive months. Employee is responsible for paying a ten dollar ($10) deductible per calendar year. Prior enrollment in the plan is required.

10. **Mental Health Care Service.** Employees and eligible dependents shall be provided outpatient mental health care service through the same Health provider in which the
unit member is enrolled through the District (i.e. If medical is provided by the PPO, the mental health care is provided through the PPO.)

11. **125 Plan- Flexible Spending Accounts.** Upon securing the appropriate government approval, the District will provide employees the opportunity to participate in a 125 Plan at no administrative cost to the employee. Attendance at informational meetings shall be voluntary.

C. **DURATION OF BENEFITS:**

1. **Retiring Employees After Seventeen Years of Service.** Employees shall be eligible for District-paid premiums for health insurance provided that (a) the employee is age fifty-five (55) or older upon retirement and has seventeen (17) or more service years in the District or (b) the employee has at least thirty (30) years of service credit with STRS or PERS and seventeen (17) or more service years with the District. This benefit shall end when the retiree reaches age sixty-seven (67) on the condition that the retiree, if eligible, applies for coverage under Medicare Part A and B coverage at age sixty-five (65). Eligible employees who fail to apply for such coverage will not receive District-paid premiums for health insurance from age sixty-five (65) to age sixty-seven (67). The retiree, or un-remarried spouse of deceased retiree, may remain in the District plan by paying personally the insurance premiums without any limit on age.

Medicare coverage will be primary for those employees who are eligible; the District's plan will provide secondary or umbrella coverage over Medicare payments. Additional information is available from the Risk Management Branch. (For health insurance benefits, unit member employees compensated for fifty [50] percent or more of a full-time assignment will receive one [1] year of credit toward the required seventeen [17] years of service.)

2. **Resigning/Retiring Employees.** Employees who do not qualify under Section 1. above and who resign as of the last day of the traditional school year and after having served a complete contract year immediately prior thereto shall be eligible for District-paid health, dental, vision, and life insurance benefits through September 30 following the school year of service.

Resigning/retiring employees (regular or temporary contract) who complete a full year of service and who were originally employed in the District on a year-round calendar with salary prorated over two hundred sixty (260) days will have benefits provided through September 30 following the school year of service. Retirees age fifty-five (55) or older may remain in a District plan by paying personally the insurance premiums beginning the first of the month after the employee's retirement date. There is no limit on age. Medicare coverage will be primary for those employees who are eligible; the District's plan will provide secondary or umbrella
coverage over Medicare payments. Additional information is available from the Risk Management Branch.

3. **Temporary Contract Employees.** Persons with temporary contracts on traditional calendar who receive a letter of assurance for future employment shall have continuous health, dental, vision, and life insurance benefits through the months of July, August, and September following receipt of the letter of assurance.

4. **Employees on STRS/PERS Disability.** Employees who otherwise qualify and who are disabled and begin drawing STRS/PERS disability payments after June 1, 1979, shall be eligible for District-paid health insurance for the term of the disability but not more than thirty-nine (39) months from the dates of approval of the disability allowance.

5. **Health Insurance Extension.** For employees who do not qualify for benefits as described in Sections C.1. or C.2. above, District-paid health, dental, vision, and life insurance coverage shall be extended to the end of the calendar month in which employment is terminated.

6. **Dental Insurance Extension.** Employees who retire from the District may remain in a District plan by paying personally the insurance premiums as provided for in Education Code, Section 7000. Employees who terminate employment with the District may extend their dental insurance at employee expense as provided in the Consolidated Omnibus Budget Reconciliation Act (COBRA). Information should be requested from the Risk Management Branch.

D. **TUBERCULOSIS EXAMINATION.** Required examinations for tuberculosis shall be provided by the District at no cost to employees only if District-designated service providers are utilized. The TB testing procedures has added a TB risk assessment questionnaire and, if risk factors are identified, the District shall require TB testing and examination to determine the unit member is free of infectious tuberculosis. The examination shall consist of an approved intradermal tuberculin test (Mantoux), which, if positive, shall be followed by an x-ray of the lungs.

E. **CONSULTATION MEETINGS.** The Association shall be invited on an annual basis to consultation meetings with the District and other employee groups for the purpose of exchanging information on the implementation of health, dental, and vision plans. The District also shall provide the Association the following documents without cost: provider service agreements, financial reports, cost containment reports, and claims information summaries.

F. **HEALTH AND WELFARE BENEFITS COMMITTEE.** The Association and District agree to form a joint committee to meet on an as needed basis to address the current and projected increases in health care costs. All recommendations will be submitted for
consideration to the respective collective bargaining teams for negotiating. The specific duties of the subcommittee shall include:

a. Actively considering health and benefit cost containment measures relating to District PPO, HMO, vision and dental insurance plans for recommendation to the parties. This includes, but is not limited to, co-payments and plan design modifications, active rate bidding by health care vendors/providers and alternative plans. It is the intent that the subcommittee shall use every reasonable effort to maintain the premiums for the lowest cost District HMO medical plan below the District annual maximum contribution described in Section B.2 above.

b. Membership education intended to fully maximize health benefits in a manner that encourages cost containment and quality health care (e.g., use of emergency room for non-emergency matters, use of generics, etc.).

c. Ongoing data sharing regarding comparable costs and health plans with similar districts.

d. Timelines for meetings consistent with making necessary recommendations for ongoing negotiations and health benefit renewal dates.

e. Identifying an additional $800,000 in cost containment and plan changes for TALB unit members for implementation no later than January 1, 2014. These cost containment changes will reduce the premiums for the affected plans beginning January 1, 2014 and are intended to mitigate individual unit member premium contributions as described in Section B.2.

Committee representation shall be limited to a maximum of four representatives from each party. The parties shall utilize consultants and/or facilitators as mutually agreeable. Team members shall agree to joint training on labor-management facilitation, health benefit design and how to assess benefit plans and look for cost savings while maintaining quality health care.

Subject to state or federal regulations, the parties agree that all data and communications regarding health and welfare benefit programs shall be shared openly between the parties, including discussions regarding bidding and renewals.
ARTICLE VII

Leaves of Absence

A. LEAVES OF ABSENCE (GENERAL):

1. All provisions of this Section are controlling for the specific leaves of absence identified in Sections B. and C. of this Article.

2. Except for illness or other equally grave emergency as defined in this Article, a leave of absence will be granted only if it has been determined by the District that a competent substitute is available.

3. Discretionary leaves of absence, including personal leaves, will not normally be granted during the first and last week of the employee’s work year, nor during elementary school parent conference and/or report card periods. In addition, leaves shall not be granted to employees in middle schools and senior high schools on the traditional school year calendar during the last week of the first semester nor during the first week of the second semester. Exceptions shall be made for approved leaves for illness, grave emergency, or religious observance.

Any leaves which might be granted during periods described above will be on a case-by-case basis and will not be precedent in future cases.

4. When approved, leaves of absence without pay for personal business, vacation or recreation shall be limited to a maximum of five (5) consecutive workdays.

5. The District shall determine procedures on employee responsibilities for application, notification, and verification regarding use of all authorized leaves of absence. Employees shall be advised of such procedures. The District shall consult with the Association prior to modification of such procedures. Upon request, the District shall annually provide to the Association a copy of all forms, procedures and Board of Education-adopted policies related to this Article.

6. Return From Leave of Absence:

a. Any employee returning within the same work year from sick leave, bereavement leave, statutory leave, judicial leave, personal necessity leave, or Family and Medical Leave Act (FMLA) or California Family Rights Act (CFRA) shall return to the same position assigned previous to the commencement of the leave.

b. Any employee on leave as described in 6.a., for no more than one school year, who notifies the District in writing by the last duty day of that school year of his/her intent to return, and who actually returns to work on the first duty day
of the next school year, shall return to the same site assigned prior to the
commencement of leave.

c. Any employee returning from a leave of absence other than as described in
6.a. and b., shall be assigned to a position where an opening exists and within
the credential area and division/special service area assigned previous to the
commencement of the leave. Notification of intent to return to service must
be submitted on or before the first day of March by the employee who plans
to return at the beginning of the first semester of the following school year,
or ninety (90) days before the expiration of the leave if an employee is
returning at another time during the year. Priority consideration for
assignment will be given to those meeting the March 1 deadline.

B. LEAVES OF ABSENCE WITHOUT PAY:

1. Leaves of absence without pay may be granted to employees for the following
purposes and when granted shall be governed by the conditions specified:

a. **Advanced Professional and Academic Training.** Leave shall be for no
more than twelve (12) consecutive months nor more than one such leave in a
seven (7) year period and this period must be coterminous with an
intersession, a semester, or year.

b. **Service** as a member of the Peace Corps, the Job Corps, or the Domestic
Peace Corps (Volunteers in Service to America). Not more than twenty-four
(24) consecutive months.

c. **Teaching in a Foreign Country.** Leave shall be for no more than twenty-
four (24) consecutive months nor more than one such leave in a seven (7)
year period and this period must be coterminous with an intersession, a
semester, or year.

d. **Travel in Foreign Country.** Leave shall be granted for a period of no longer
than twelve (12) consecutive months nor more than one such leave in a seven
(7) year period and this period must be coterminous with an intersession, a
semester, or year.

e. **Rest and Recuperation.** Requires doctor's statement. No more than twenty-
four (24) consecutive months.

f. **Rest and Recreation.** No more than twelve (12) consecutive months.

g. **Child Care.** May be granted to either or both parents immediately
following paid parental leave for child bonding/child care under Section
C.10 of this Article, for a period coterminous with a semester, a school year,
or the conclusion of an intersession, provided the employee notifies
Certificated Personnel at least three weeks prior to the beginning date of the
leave. A second consecutive year of unpaid childcare leave may be granted by the District upon the request of the employee.

h. **Military Service.** As provided in the Education Code and the Military and Veterans Code.

i. **Work Experience.** No more than twelve (12) consecutive months. The work experience must be directly related to the employee's job responsibilities.

j. **Disability.** Granted to an employee who has been approved by the State Teachers Retirement System/Public Employees Retirement System to receive a disability allowance. The period of such leave will be the term of the disability but not more than thirty-nine (39) months from the date of approval of the disability allowance.

k. **Position Leave.** Granted to an employee assigned to serve in a specially funded program.

l. **Teach in Another School District** No more than (24) twenty-four consecutive months nor more than one such leave in a seven (7) year period.

m. **Family Medical Leave Act (FMLA)/California Family Rights Act (CFRA).** As provided for in statute; for example, to care for him/herself, a child, parent, or spouse with a serious health condition. Health care provider certification may be required. See employee notification at work site for additional information.

   Eligible employees are entitled to twelve (12) workweeks of FMLA/CFRA leave in a rolling year beginning on the first date leave is taken and counting forward from that date.

n. **Other reasons which are deemed sufficient by the Board of Education.**

2. Probationary, and special contract employees are eligible for only the following unpaid leaves: rest and recuperation; child care; military service; disability; FMLA/CFRA leave (if employed at least twelve months, which need not be consecutive); and in the most extraordinary circumstances, leaves for other reasons deemed sufficient by the Board of Education.

3. Current STRS/PERS regulations state that employees who are on unpaid leave of absence do not earn retirement credit. Use of reduced pay or unpaid leave of absence reduces the employee's STRS/PERS service credit for that year. STRS/PERS service is credited in proportion to the amount an employee actually receives in compensation compared to the amount that employee would have received had he/she been compensated for the full year (earned divided by the total earnable).
C. LEAVES OF ABSENCE WITH PAY:

1. **Bereavement Leave.** Employees are entitled to leaves of absence, not to exceed three (3) days (five [5] days if a funeral is attended out of state or more than two-hundred [200] miles one way is traveled) as a result of the death of any member of the immediate family. Bereavement leave is non-cumulative and shall be taken only sequentially and immediately following the death of a member of the immediate family. No deduction shall be made from the salary of the employee, nor shall the leave be deducted from leave granted in other sections of this Article. Members of the immediate family include mother, step-mother, father, step-father, grandmother, grandfather, or grandchild of the employee or of the spouse of the employee or registered domestic partner; and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law, of the employee or of the spouse of the employee; or any person having a principal place of residence in the immediate household of the employee. Employees who take bereavement leave shall be responsible for following all notification procedures as per Section A.5. of this Article.

2. **Imminent Death Leave.** Certificated employees under contract are entitled to two (2) days (non-cumulative) imminent death leave at full pay during each fiscal year. This type of leave may be authorized in case of accident or critical illness of a member of the immediate family (as defined in paragraph 1. of this Section) when death of the family member is imminent.

3. **Sick Leave:**

   a. Sick leave entitlement shall be deducted using the following procedures. Absent from work for the entire school day will be charged for eight (8) hours of leave. Absent for part of a school day will be charged in half-hour increments only for the time, within their duty day, that they are off site.

   For payroll computation:

   \[
   \begin{align*}
   .5 \text{ day} & = 4 \text{ hours leave} \\
   1.0 \text{ day} & = 8 \text{ hours leave}
   \end{align*}
   \]

   b. For each school year of service every employee employed five (5) days a week (1.00 FTE) shall be entitled to the following leave of absence with full pay for illness or injury:

   182 work day employees: 10.2 days (81.60 hours)

   Sick leave may be deducted in one-half (1/2) hour increments.
c. An employee in less than a full-time assignment and/or employed for less than a full contract year shall receive and have sick leave deducted in direct proportion to the percentage of the assignment; e.g., an employee with a fifty (50) percent assignment shall earn fifty (50) percent of what a one hundred (100) percent assignment shall earn.

d. Kin Care Leave (Labor Code § 233): Full time unit members shall be entitled to use six (6) days of accrued and available sick leave each school year to attend to an illness of or take to a doctor for preventive care a child, parent, parent in law, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. This leave shall be prorated for part-time unit members. The District may require a statement of verification from a physician or a recognized practitioner verifying the illness of the employee’s family member.

e. Sick leave accrues at a rate of .056044 for each hour an employee has worked in an hourly assignment, including summer school and intersession assignments. Accumulated hourly sick leave may be used for absences in any hourly assignment, except that during the first and last week of summer school leave for compelling personal reasons will not be granted and teachers should expect to be required to provide doctor's verification of illness absences. Contract sick leave may not be used for absences in an hourly assignment. If an employee serving in a contract assignment has exhausted his/her contract sick leave, accumulated hourly sick leave may be used prior to statutory sick leave.

f. An employee who claims sick leave may be required to execute a certificate or declaration to the effect that he/she was actually ill or injured on that day(s) before such sick leave may be paid.

Sick leave shall not normally be taken for minor elective or cosmetic surgery. Exceptions may be approved by the district physician.

g. When the District determines that an employee's health condition may be impairing job performance, Human Resource Services shall have authority to direct the employee to have a medical examination by the district physician, by a District-appointed physician at District expense, or by an employee-selected physician approved by the district physician and to be paid by the employee.

h. If a certificated employee under contract does not take the full amount of sick leave allowed in any school year, the amount not used is accumulated from year to year, and accrued sick leave is credited toward time served for retirement purposes.
i. An employee's sick leave record is open to the employee's inspection upon request to the site payroll clerk. Sick leave accumulation shall be reported on each period.

j. Any bargaining unit member suffering from a catastrophic illness or injury who has exhausted all accrued sick leave may request sick leave donations under the Sick Leave Donation Program. A request to participate is submitted to the employee’s principal/site administrator. Procedures for both the receipt and distribution of donated sick leave are provided as part of the Sick Leave Donation Program, which is Appendix F in this contract.

4. **Personal Necessity Leave:** (Use of Sick Leave for personal necessity.)

a. Every employee shall be permitted to use not more than seven (7) days of sick leave per fiscal year for personal necessity (Education Code, Section 44981) consisting of the reasons listed in (1) through (7) below.

(1) Death of a member of the immediate family as defined in Section C.1. above. (This is in addition to normal bereavement leave.)

(2) Accident involving the employee's person or property, or the person or property of a member of the immediate family, as defined in Section C.1. above. Such accident must a) be serious in nature, b) involve circumstances the employee cannot be expected to disregard, and c) require the attention of the employee during assigned hours of work.

(3) Appearance in court as a litigant. (The employee must return to work in cases in which it is not necessary to be absent more than half of the regular workday.)

(4) Appearance as witness under an official order for which salary is not allowed. Each date of necessary attendance under such an order, other than the date specified in a subpoena, shall be certified by the clerk or other authorized officer of the court or governmental jurisdiction. In any case in which a witness fee is payable, such fee shall be collected by the employee and remitted to Financial Services. (The employee must return to work in cases where it is not necessary to be absent more than half the regular workday.)

(5) Illness in the immediate family of the employee as defined in Section C.1. above.

(6) Home protection in the event of a natural catastrophe, such as flood or fire.
Compelling Personal Reasons. Maximum of five (5) days per fiscal year upon twenty-four (24) hours prior notice of the absence to the appropriate manager; for business or other activity of serious and compelling personal importance that cannot be conducted before or after the workday. Such absences will not be approved on days immediately before or immediately after a District calendared holiday unless the employee notifies the appropriate manager at least forty-eight (48) hours in advance and provides the job number and the name of the person who has been confirmed to substitute for them.

b. Where possible, and with the exception of (7) above, employees shall notify the site manager not later than 2:00 p.m. on the day prior to the workday when leave is to be taken.

5. **Statutory Sick Leave.** If all regular and cumulative sick leave has been exhausted and a certificated employee under contract continues to be absent on account of illness or accident, the employee shall be entitled to an additional period of five (5) school months (one hundred [100] days) per each illness or accident. Compensation to the employee for each of these one hundred (100) days shall be at a rate of one-half (1/2) of the employee's daily rate. An employee shall not be provided more than one (1) five (5) month period per illness or accident. However, if a school year terminates before the five (5) month period for the same illness is exhausted, the employee may take the balance of the five (5) month period during the subsequent school year. If an employee, having exhausted all available sick leave, continues to be absent on account of illness or accident beyond the five (5) month period and the employee is not medically able to resume the duties of his or her position, the employee, if not placed in another position shall be placed on a reemployment list for a period of twenty-four (24) months if the employee is on probationary status or for a period of thirty-nine (39) months if the employee is on permanent status. The twenty-four (24) month or thirty-nine (39) month period shall commence at the expiration of the five (5) month period. When the employee is medically able during the twenty-four (24) month or thirty-nine (39) month period, the employee shall be returned to employment in a position for which he or she is credentialed and qualified.

The District may require an employee to be examined by an independent licensed physician selected by the District to determine whether the illness or injury is related to the same illness or injury previously claimed by the employee for the statutory sick leave.

6. **Holidays and Student Vacation Periods:** A schedule of non-paid holidays and student vacation periods shall be as set forth in the school calendar.
7. **Industrial Injury and Illness Leave:**

a. Certificated employees who are absent from duty because of industrial injury or illness and who qualify under the provisions of the workers' compensation insurance law are allowed, for each injury or illness, full salary from the first day of absence to and including the last day of absence for the illness or injury, except that not more than sixty (60) working days of leave are allowed for any one injury or illness. Allowable leave under this Section may not be accumulated from year to year.

b. Payment on any day during industrial injury or illness, when added to compensation granted an employee under the workers' compensation laws of California, shall not exceed the normal wages for the day's primary assignment.

c. If an employee is still receiving workers' compensation insurance benefits after entitlement to industrial injury or illness leave is exhausted, he/she shall be placed on regular sick leave, vacation leave, or statutory leave.

d. Industrial injury or illness leave is reduced by one (1) day for each day of authorized absence, regardless of any compensation paid under workers' compensation.

e. If the employee is no longer receiving workers' compensation insurance benefits, but is still unable to return to work as determined by the district physician, he/she is then placed on regular sick leave or other leave, as provided by this Agreement.

When the employee goes on one of these types of leave while receiving workers' compensation insurance benefits, he/she is entitled to only such payment as will provide full pay for the primary assignment when added to workers' compensation insurance benefits.

f. Before salary payments are made to an employee absent because of industrial injury or illness, a report of the illness or injury must be filed in the office of Risk Management.

g. After expiration of paid leave, an employee who is unable to return to work as determined by the district physician may be granted additional leave without pay for one (1) year. Such leave may be extended for one (1) additional year for sufficient cause.

h. Periods of leave under this regulation, either paid or unpaid, shall not be considered to be a break in the service of the employee, except that days of absence may cause a break in progress toward tenure.
During all paid leaves of absence the employee must endorse benefit checks received under state workers' compensation laws to the District. The District will issue to the employee appropriate warrants and payments of wages or salary and shall deduct normal retirement and other authorized deductions. If combined payments under this regulation total less than the normal full salary, as in the case of an employee on statutory leave, the employee is not required to endorse to the District benefit checks received under workers' compensation laws. For income tax purposes, the District will notify employees of the amount of disability income paid to the employee for the year.

Pregnancy-Related Disability Leave. A leave of absence for pregnancy-related disability shall be granted for the period of time that the employee is unable to perform the duties required of her position as certified by her personal physician due to pregnancy, childbirth, or related medical conditions. Pregnancy-related disability leave is charged to sick leave balances; if current, accumulated, and statutory sick leave benefits are exhausted within the period of disability, the remaining time that the employee continues on pregnancy-related disability leave shall be in a leave-without-pay status. Additional leave without pay may be granted prior to or following the period of disability.

The employee shall notify the appropriate manager of her pregnancy and furnish a doctor's statement which indicates the estimated date of leave commencement, at least thirty (30) days in advance of the due date. In the event that the District has a reasonable belief that the employee may be unable to continue to perform all duties related to her regular assignment at any time prior to the defined period of disability, the immediate manager may require the employee to provide a certification from her physician of her ability to perform her duties and any work-related restrictions.

The usual period of leave following the birth of a child is considered to be six (6) weeks. If the employee's condition varies from the usual in that she is able to resume performance of all duties related to her regular assignment at an earlier date (or if it is necessary to extend the leave beyond six (6) weeks), the employee shall present the appropriate manager with a statement from her attending physician which either releases her to return to work or certifies her continued inability to work and anticipated duration of the leave. The employee must obtain and furnish appropriate forms from her physician, and deliver them completed by the physician, to her principal or other manager. Prior to returning to work, the employee shall provide a release from her physician, identifying work-related restrictions, if any.

Parental Leave for Child Bonding/Child Care

a. Pursuant to Education Code Section 44977.5, unit members may use parental leave as set forth in this section.

b. For the purposes of this section, “parental leave” means child-bonding leave...
within the first 12 months after the birth of the unit member’s child or the placement of a child with the unit member for adoption or foster care.

c. Unit members are entitled to use current and accumulated sick leave for parental leave, for up to 12 workweeks. If a school year terminates before the 12-week period is exhausted, the employee may take the balance of the 12-week period in the subsequent school year.

d. When a unit member has exhausted all current and accumulated sick leave and continues to be absent on account of parental leave under the California Family Rights Act (Government code § 12945.2), he/she shall be entitled to statutory half pay for the remainder of the 12-workweek period. Such half pay shall be paid as set for in Section VII.C.5, but shall not count against the leave entitlement set for in that section. In order to use statutory half pay during parental leave, the unit member must be eligible for leave under the California Family Rights Act, except that he/she is not required to have worked 1,250 hours in the 12 months immediately preceding the leave.

e. Parental leave taken under this section counts against any entitlement to child bonding leave under the California Family Rights Act and the aggregate amount of leave taken under this section and CFRA shall not exceed 12 workweeks in any 12-month period.

f. A unit member shall not be entitled to more than one 12-week period for parental leave in any 12-month period.

g. Leave under this section includes any leave taken under Section VII.C.9 for the adoption of a child.

h. Leave under this section shall be in addition to any leave taken for pregnancy or childbirth-related disability.

i. Parental Leave must be taken in increments of at least two weeks’ duration except on up to two occasion of shorter period of leave.

j. When the need for parental leave is foreseeable, the unit member shall give the District at least 30 days’ advance written notice of his or her intention to use parental leave and the anticipated dates of the leave. In all other cases, the unit member must give the District as much advance notice of the need for parental leave as practicable under the circumstances.

11. **Judicial Leave.** A paid leave of absence shall be granted to an employee required to render jury service. If an employee is summoned to appear for jury duty during his/her work year, the employee shall, upon verification of service, be compensated. Employees who receive compensation from the court for jury service performed during a regular duty day, shall reimburse the district that exact amount.
In the interests of supporting continuity of instruction, both the Association and the District encourage employees to postpone jury duty during non-work days. If an employee receives such a postponement, the District, upon receipt of verification, shall compensate the employee at a rate of $75 per day for jury duty served during non-work days.

Paid leave shall be granted to an employee required to appear as a witness in a court in a manner prescribed by law, except when required to appear as a litigant, for reasons brought about through connivance or misconduct of the employee, or as a result of current employment outside the Long Beach Unified School District.

The employee shall submit a written request for an approved leave of absence as soon as practical after her/his knowledge of such required service.

Employees who are subpoenaed to represent the District or required to be deposed on behalf of the District shall be released during the school day or be provided their hourly rate after their duty day.

Employees who are released from appearance in court as witnesses, jurors, or following appearance to explain financial hardship shall report for the balance of the workday, allowing for reasonable travel time.

12. **Educational Meeting Leave.** Upon application and approval by the appropriate manager, an employee may be granted leave of absence with pay to attend a meeting directly related to the employee's job responsibilities.

13. **Sabbatical Leave.** The District shall provide for granting sabbatical leaves of absence to a limited number of full-time employees who have satisfactorily served seven (7) consecutive years and otherwise qualify. An employee eligible for sabbatical leave pursuant to Education Code, Section 44967, may make application to the Office of the Assistant Superintendent, Human Resource Services.

   a. The applicant who requests sabbatical leave for study must submit a program of study which includes a full academic load as defined by the institution of residence but not less than nine (9) graduate semester units or twelve (12) undergraduate semester units. Within sixty (60) days after returning to duty, the employee must submit a transcript of work completed and grades earned.

   b. The applicant who requests a sabbatical leave to travel must submit a detailed statement of a proposed itinerary in one or more foreign countries or travel within the United States. Travel must be related to the school work of the employee on sabbatical leave who shall submit a brief summary of his/her experience.

   c. An applicant who requests sabbatical leave shall agree in writing to render a period of service in the employ of the governing board of the District
following his/her return from the leave of absence which is equal to twice the period of the leave.

d. Compensation shall be paid to an employee while he or she is on sabbatical leave upon the furnishing by the employee of a suitable bond indemnifying the governing board of the District against loss in the event the employee fails to render the agreed upon service following the return of the employee.

e. No sabbatical leave shall be granted until the Assistant Superintendent, Human Resource Services, is satisfied that a suitable provision can be made for carrying on the applicant's work during his/her absence.

f. The District shall provide for sabbatical leaves not to exceed one-quarter (1/4) of one (1) percent of the total number of bargaining unit members per year. The District may provide for sabbatical leaves not to exceed one-half (1/2) of one (1) percent of the total number of bargaining unit members per year.

g. Compensation for teachers on leave shall be one-half (50%) of the salary the person would have received had he/she remained in active service.

h. The District shall pay fifty (50) percent of the employee's health and benefit premiums for the one (1) semester or one (1) year period the employee is on leave.

   (e) Skills, experience, certification, and/or training; and
   (f) Recommendation of site interview team.

2. When the District determines that the above factors are substantially comparable, seniority in the District as a certificated employee will determine transfers; except that, in cases of equivalent seniority in the District, additional consideration will be given to the employee's length of service at the present school site. A final tie-breaker will be determined by the higher last four digits of the employees’ randomly generated identification number allowing that employee to stay at the site.

3. The superintendent of a school district may not transfer a teacher who requests to be transferred to a school offering kindergarten or any grades 1 to 12, inclusive, that is ranked in deciles 1 to 3, inclusive, on the Academic Performance Index if the principal of the school refuses to accept the transfer pursuant to Education Code, Section 35036.

to the site administrator. The site administrator shall make the final recommendations for consideration to the District Transfer Committee(s) in accordance with A.5 above.

Before any student is assigned to a class in excess of the maximum class size, a manager shall review the assignment with the affected teacher. At the request of the teacher, when class enrollment has exceeded the contractual maximum for ten (10) or more school days, the manager and teacher will meet to review the status of the over maximum situation. The teacher may request TALB representation at the above described meetings.

D. In implementing these procedures, the principal will equitably assign pupils in excess of the maximum and will upon request, explain the basis for the assignment.

E. If a teacher consents or requests to teach more than the contract maximum number of students, the District shall not be obligated to reduce the enrollment for that teacher’s class.

F. The special education special day class annual cumulative average for the District will be a maximum of fourteen (14). No special day class shall exceed a per class maximum of eighteen (18) pupils. On or about the 15th day of October, December, February and April, the Assistant Superintendent, Office of School Support Services, shall meet with the Association to review the special day class average and maximums.

G. The following provisions shall apply in determining staffing ratios of counselors, psychologists, nurses and librarians.

1. The District shall determine the level of counselor, psychologist nurse and librarian service at each school/program site.

2. Counselor, psychologist, nurse and librarian time provided with categorical program funds shall be in addition to the District-provided general allocation.

3. When the levels of service and numbers of counselors, psychologists nurses and librarians have been determined, the manager in charge of each service shall develop the schedule for providing service to schools/programs.
4. Factors to be used in determining the scheduling and staffing ratios shall be as follows:

a. Number of staff budgeted and available for service;
b. Number of staff days available for District-funded service;
c. Number of schools/students to be served;

e. Number of elementary and secondary schools to be served by an individual;
f. Other factors deemed pertinent by the manager.

The Association shall be advised of the meeting date with the counselor/psychologist/nurse/librarian group and shall have the right to have an Association representative present at the meeting. The scheduling decisions of the manager shall be final.

6. Problems relating to employee's abilities to achieve expected levels of service shall be referred by the individual employee to the appropriate site or District level manager. Where necessary, reassessment of job description priorities may be in order so that optimum service can be provided.

7. The District will allocate to Special Education an amount equal to one-third (1/3) of the Medi-Cal reimbursement received by the District during the previous fiscal year. Such allocation will be used exclusively to provide additional clerical assistance for school nurses. The distribution of such assistance will be determined through a process similar to that described in Section G.5. above.

H. The District shall provide nurses with written information concerning automobile and insurance factors related to their job descriptions.

I. The maximum class size for Library Service classes in high schools shall be five (5) students per class period and in middle schools three (3) students per class period, unless exceptions are mutually agreed upon by the librarian and site manager.

state which are fewer than twenty-five (25) are exempted from this minimum. If enrollment in these classes falls below ninety (90) percent of this state mandated enrollment, the class may be dissolved and the teacher on special contract shall be released from this assignment.

Evaluation Procedure

A. FREQUENCY. Evaluation and assessment of the performance of employees shall be made on a continuing basis at least once each school year for temporary and probationary personnel and at least once every other year for employees with permanent status. Employees will complete their evaluation forms online. Annually the district and TALB will assess the online evaluation ease of use, security, adequacy and effectiveness.

Effective with the 2008-09 school year, unit members with permanent status shall be evaluated at least every five (5) years if they have been employed by the district for ten (10) years or more and if the evaluator and the unit member consent to such timeline. Upon completing the final evaluation, the administrator will indicate if the unit member is recommended for the 5-year cycle. In order to be eligible for the five year cycle a unit member must be deemed to be “highly qualified” as defined in the No Child Left Behind Act (20 U.S.C. 7801) and his/her most recent evaluation must contain an overall rating of at least Satisfactory or Effective. For eligible unit members who do not teach in “core academic” subjects, qualification requirements shall be the same as for teachers of “core academic” subjects. For eligible unit members who are not classroom teachers the District and Association shall review and agree on appropriate comparable criteria.

Either the evaluator or the unit member may withdraw from this cycle at any time and such withdrawal shall not be subject to the grievance procedure. Upon request the evaluator will meet with the unit member to explain the reasons for withdrawal.

B. EVALUATOR. The evaluator shall be the employee's immediate manager and/or another administrator designated by the manager, by the Superintendent, or by his designee.

C. DEADLINES. It is agreed that deadlines specified in this Article, except for the date of the final evaluation, may be extended by the number of days the evaluatee or the evaluator is absent from the work site during the identified time periods. Any change in specified deadlines will be noted in writing by the evaluator along with reasons for the change in deadline.

D. NOTIFICATION OF EMPLOYEES. Employees to be evaluated shall receive a copy of the evaluation procedures within four (4) weeks after the beginning of their school session work year, traditional or year-round calendar. Those employees will be advised of the evaluation policy, procedures, standards, and expectations by their evaluator no later than the end of the fifth school week. Except in extenuating circumstances, District and site goals will be provided to teachers one week prior to the teacher’s goals deadline.

Standardized test norms shall not be used for teacher evaluation. Personnel shall be judged on the District-adopted evaluation objectives and performance standards. Such objectives and standards shall be in writing and made available to the evaluatee prior to any period in which he/she is evaluated.
E. **SETTING OF OBJECTIVES/ACTION PLAN.** By the end of the sixth school week each evaluatee shall be responsible for proposing in writing to the evaluator specific action plans and standards to be achieved within areas of performance. The evaluator may propose and/or require additional components in the action plan and standards for each evaluatee in accordance with the position and assignment. Employees will be advised if there is to be a specific area(s) of concentration.

Within the maximum of seven (7) weeks of the first working day of an assignment all action plans and performance standards shall be finalized, reduced to writing, and signed by the evaluator and evaluatee.

F. **CONSTRAINTS.** When the total length of teaching experience, the length of duty at one site, the length of time in the assignment, or other factor is considered to be a constraint by the evaluator or the evaluatee, it may be so noted on the appropriate form. Employees, who due to the room utilization patterns on a year-round school schedule are limited in their ability to prepare the classroom prior to the arrival of students, are deemed to be working within constraints related to room environment and classroom management for a brief period of time at the beginning of each on-track assignment.

G. **OBSERVATIONS.** Observations shall be both formal and informal. The number of formal observations shall routinely be three (3). With agreement of both evaluatee and evaluator the number may be reduced to two (2) or one (1) in cases of obviously satisfactory performance by permanent employees. Additional observations shall be conducted when deemed necessary by either the evaluatee or evaluator.

1. An observation shall be based upon one (1) or more of the following components: District goals and objectives, individual school/office goals and action plans, individual employee goals and action plans and performance assessment criteria.

2. Each formal observation will be followed by a conference which will take place within five (5) working days.

3. Formal observations will be summarized on an observation form with a copy given to the evaluatee within ten (10) working days after the observation.

4. Except by mutual agreement, formal observations shall not begin until after goals and action plans have been agreed upon. In the event that goals and action plans have not been agreed to, formal observations may begin following the seventh week of the school year.

5. In the event of an unsatisfactory observation lesson analysis, the evaluatee may request an additional formal observation conducted jointly by the evaluator and another manager selected by the evaluatee from a list of up to five (5) managers selected by the District. The second manager will be credentialed/certified in the credential/subject/special services area of the evaluatee’s assignment. In the event
there are no managers with a similar credential available, the evaluatee shall select
from a list of Long Beach Unified School District administrators who currently
supervise teachers with the same credential or teaching assignment. The subsequent
course and lesson analysis shall be conducted/developed by both managers.

H. EVALUATION. An evaluation shall be reduced to writing and transmitted to the employee
no later than thirty (30) calendar days prior to the last school day for K-12 students as
identified on the appropriate traditional or year-round school calendar. The evaluator will
hold a conference to review the written evaluation with the employee at the time of the
transmittal of the written evaluation. The evaluatee shall sign the evaluation form signifying
that he/she has read the form and shall be provided the opportunity to prepare a written
response which shall become a part of the employee's permanent record. There shall be only
one (1) final evaluation form per year which shall become part of an employee's permanent
file. This form may be supported by documentation deemed appropriate by the site manager.

A joint committee consisting of five (5) unit members appointed by TALB and five (5)
administrators shall be convened to develop revisions to evaluation forms for non-classroom
based unit members (e.g. nurses, teacher librarians, teachers on Special Assignment), review
and revise final evaluation forms to consider an overall rating, use of electronic
forms/system, use of resource material, and develop an evaluation rating rubric. The forms,
if amended, shall be submitted to the bargaining teams for final negotiation. If meetings are
scheduled during the work day the unit members shall be provided released time; if the
meetings are scheduled for times after the work day the unit members shall be paid their
regular hourly rate.

I. IMPROVEMENT OF LESS THAN EFFECTIVE PERFORMANCE. No assessment
of "unsatisfactory" or “developing” shall be introduced on an evaluatee's evaluation form
which has not been first formally called to his/her attention in a written report. Time shall
be allowed, when practicable, from the date of the written report where the deficiency is first
noted and the date of the next evaluation when the deficiency is formally cited to allow for
correction of said deficiencies. Upon formally citing a condition(s) of less-than-effective
performance, the evaluator shall thereafter confer with the evaluatee and during the
conference make specific recommendations as to areas of improvement in the evaluatee's
performance. In the case of instructional deficiencies, the evaluator will offer direct
assistance and/or additional resources as the evaluator deems appropriate to implement the
specific recommendations.

Nothing in this Section shall be interpreted as limiting the ability of the District to take
immediate action in the case of an extremely serious or egregious circumstance as identified
in Education Code, Section 44932.

J. PERSONNEL FILE. Each employee shall have the right, by appointment, to review the
contents of his/her personnel file. Such appointment will normally be scheduled within five
(5) working days of the request, except that during unusually concentrated work periods, it
may be postponed with the approval of the Assistant Superintendent, Human Resource
Services. Unit members may obtain copies of materials in their personnel files and be
charged the same rate per page as the District charges the general public. Such materials shall not include those excluded from disclosure under Education Code Section 44031; normally such materials will be provided within ten (10) working days of the request. A representative of the Association at the teacher's request may accompany the teacher in this review. Such review by the employee shall be permitted twice per year before or at the end of the duty day when instructional duties have been completed.

Negative or derogatory materials will be processed in accordance with Education Code, Section 44031, which states that information of a derogatory nature shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment thereon. An employee shall have the right to enter, and have attached to any such derogatory statement, his own comments thereon.

K. GRIEVABILITY. Any grievance arising out of the foregoing procedures shall be limited to a claim that the procedure has been violated.

L. PARENT/GUARDIAN COMPLAINT. When a parent or guardian complaint regarding an employee filed pursuant to Education Code, Section 35160.5 is terminated at any level or is not sustained by the Board of Education, the Board shall direct that all written documentation relating to the complaint be destroyed pursuant to procedures provided for in Title V of the California Administrative Code.

M. COUNSELOR EVALUATION (new section)
The counselor evaluation process is tended to be a cycle of continuous improvement as represented in the figure below, counselors playing a more active engaged role in their own professional growth and development. The process begins with assessments through data analysis and self-reflection. A goal setting conference sets the stage for implementing a goal-driven plan for the year. Throughout the school year, the plan is implemented and evidence is collected. The cycle continues with a mid-year progress check and consultation, followed by continued implementation. The latter part of the process offers counselors the chance to review interim data and reflect on review the existing process and prepare for regular implementation in 2022-2023.

N. PSYCHOLOGIST EVALUATION (new section)
The Evaluation Committee with review the current draft model to prepare for pilot implementation during 2022-2023 school-year. Full scale rollout will take place during the 2023-2021 school year.
ARTICLE XIII

Grievance Procedure

A. DEFINITION:

1. A "grievance" is a claim by a grievant that he/she has been adversely affected by an interpretation, application, or violation of the specific provisions of this Agreement. Informally, a grievance may be presented verbally; formally, it shall be presented in writing.

2. A "grievant" may be any employee in the bargaining unit covered by the terms of this contract. The District and TALB reserve the right to combine multiple like grievances upon mutual agreement. The Association may file grievances that relate to the explicit language contained in Article IV, Association Rights, of this contract.

3. A "day" is any day on which the grievant and the appropriate manager as part of their regular contract assignments are scheduled to be on duty.

4. The "immediate manager" is the lowest level manager who has authority to remedy the grievance.

B. INFORMAL LEVEL:

1. Within twenty (20) days after the alleged violation (except for payroll errors) and before filing a formal written grievance, the grievant shall attempt to resolve his/her claim by an informal conference with his/her immediate manager. If the employee requests, an Association representative may participate with the employee in the informal conference. It shall be the grievant's responsibility to inform the immediate manager that the conference is for the purpose of seeking to resolve the grievance at the informal level.

2. The immediate manager shall provide a response within five (5) days of the informal conference.

C. FORMAL LEVEL – STEP 1:

Within ten (10) days of the informal conference, should the grievance not be resolved, the grievant shall present his/her grievance in writing on the District Certificated Unit Grievance Form to his/her immediate manager.

1. The statement of the grievance shall be a clear, concise statement of the circumstances giving rise to the grievance, shall include the specific article, section, and paragraph of the contract allegedly misapplied, misinterpreted, or violated, and shall specify the remedy sought.
2. The immediate manager shall communicate the decision to the employee in writing within ten (10) days after receiving the grievance or within five (5) days following a conference.

D. FORMAL LEVEL – STEP 2:

Upon receipt of the Step 1 response, and if the decision of the immediate manager is not satisfactory, the grievant, within ten (10) days of receipt of the response may file an appeal with Employee Relations Services which shall transmit it to the Superintendent or to another district-level manager designated by the Superintendent.

1. The statement of the grievance shall be a clear, concise statement of the circumstances giving rise to the grievance, shall include the specific article, section, and paragraph of the contract allegedly misapplied, misinterpreted, or violated, and shall specify the remedy sought.

2. The grievant or the respondent (Superintendent or designee) may request a personal conference regarding the grievance. The respondent shall communicate his/her decision in writing to the grievant within fifteen (15) days of receipt of the appeal or within five (5) days following a conference.

E. FORMAL LEVEL – STEP 3:

If the grievant is not satisfied with the decision at Step 2, he/she may within ten (10) days after receipt of the decision at Step 2, submit to Employee Relations Services a written request for mediation of the grievance. Employee Relations Services shall within five (5) days after receipt of the written request submit to the California State Conciliation Service a request for the immediate services of a mediator.

The parties agree that Step 3 of this Grievance Procedure may be waived by mutual agreement of the grievant and the District.

1. The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.

2. If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement of resolution to that effect, and thus waive the right of either party to further appeal the grievance.

F. FORMAL LEVEL – STEP 4, BINDING ARBITRATION:

If resolution of the grievance is not achieved as a result of mediation (Step 3) or if Step 3 has been waived, the grievant may request the Association to submit the grievance to arbitration.

If the Association proceeds to arbitration, the statement of grievance shall be filed with Employee Relations Services on the appropriate Step 4 form within ten (10) days
following the conclusion of mediation. The form shall include the same information as cited in D.1. above and the response at Step 2 as well as the exclusive representative's endorsement of filing.

1. **Selection of Arbitrator:**

   a. Within ten (10) days of receipt of the Step 4 grievance form, Employee Relations Services and Association staff shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve.

   b. In the event that the parties cannot agree upon an arbitrator, within the specified period, a list of seven (7) arbitrators experienced in hearing grievances in public schools shall be requested from the State Conciliation Service or the American Arbitration Association. The parties shall select an arbitrator from this list by alternately striking names. The order of striking shall be determined by flipping a coin.

2. **Powers of the Arbitrator:**

   a. The arbitrator shall have no authority to hear evidence and/or rule on any sections of this Agreement which were not present in the original grievance, Formal Level - Step 1.

   b. The parties shall attempt to agree upon a statement of the issue(s) to be submitted to arbitration. If the parties cannot agree, the arbitrator shall determine the issue(s) by referring to the written grievance documents.

   c. After a hearing and after both parties have had an opportunity to present written arguments, the arbitrator shall submit a decision within thirty (30) days.

   d. The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions on the issue(s) submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which changes or is violative of the terms of this Agreement. Subject to the limitations specified in Article VI, Section C., it is agreed that the remedy of the arbitrator may include such financial reimbursement as may be necessary to make the grievant whole for any monetary loss resulting from a violation, misapplication, or misinterpretation of the specific provisions of this Agreement.

   e. The decision of the arbitrator shall be submitted to the Association and the Director of Employee Relations Services, and shall be binding upon the parties.
f. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after he/she has had an opportunity to hear the merits of the grievance.

3. **Areas of Exclusion:**

The arbitrator shall have no power to recommend or resolve:

a. Any issue arising out of the exercise by the Board or the Administration of its responsibilities under Article III, Reserved Rights of the District, except as modified by specific provisions of this Agreement.

b. Issues involving evaluation other than procedures specifically identified in Article XIII, Evaluation Procedures.

4. **Cost of Arbitration:**

a. All costs of the services of the arbitrator, including but not limited to, per diem expenses, travel and travel time, and the cost of any hearing room which is not the property of the school district shall be borne equally by the District and the Association.

b. Either party may request that the hearing be recorded. The costs of a certified court reporter shall be paid by the party requesting the reporter and only the party paying for the reporter shall receive a transcript of the hearing. Alternately, both parties may mutually agree to share equally the costs of the reporter, in which case both parties shall receive a copy of the transcript.

c. The grievant and required employee witnesses will be granted released time as necessary to participate in any hearing required by the arbitration process. The release of employee witnesses will be scheduled to minimize classroom disruption.

d. Each party shall bear the expense of the preparation and presentation of its own case.

5. **Expedited Arbitration.** The parties may mutually agree that arbitration may proceed under the expedited Rules of the American Arbitration Association.

G. **MISCELLANEOUS PROVISIONS:**

1. **Right to Representation.** The District and the Association recognize the right of the employee to present grievances without involvement of the Association and the right of the Association to represent the employee who so requests it. Both the grievant and the respondent reserve the right to have representation at each of the steps.
2. **Time Limits.** The District and the Association agree that time limits in this Article may be extended by mutual consent. If the respondent at any step fails to meet the deadline for a response, the grievance may be appealed to the next higher step. Failure of the grievant to request an extension or to meet time limits shall render the grievance null and void.

3. **Conferences.** Upon request of either a grievant or a respondent, a conference shall be arranged for discussion of a grievance.

4. **Released Time:**
   
a. An employee with a grievance shall be granted reasonable released time to process the grievance.

b. The Association may, upon request of the grievant, have released time for an authorized representative to participate in a grievance conference.

c. The Association shall designate in writing to Employee Relations Services the names of unit members who are authorized as grievance representatives prior to the District's approval of released time.

d. Except for the informal conference, an employee must request approval from the site manager at least twenty-four (24) hours prior to being released from duties to participate as a grievant or representative in a grievance conference.

e. Released time shall be limited to one Association representative per grievance conference.

f. Released time for processing grievances at the site level shall be at times that do not disrupt direct service to students.

5. **Bypass to Appropriate District-Level Manager.** If the Association and Employee Relations Services agree, and where the site manager would not be the appropriate respondent, Level 1 of the grievance procedure may be bypassed and the grievance brought directly to the appropriate District-level manager.

6. **Group Grievance.** If more than one employee shares in the same allegation, only one grievance may be filed in their behalf upon mutual agreement of the Association and the District manager named in the grievance.

7. **Filing of Materials.** All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
8. **Grievance Withdrawal.** A grievance may be withdrawn at any level without establishing precedent.

9. As per Government Code, Section 3543.5, the District shall not impose or threaten to impose reprisals, to discriminate or threaten to discriminate against employees, or otherwise to interfere with, restrain, or coerce employees because of their participation in the grievance procedure.

10. Issues properly addressed through the grievance procedure may not subsequently be considered through the District complaint procedure.
ARTICLE XIV

E. The District agrees that there will be no lockout of teachers during the term of this Agreement.
ARTICLE XV

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over current and past District practices and procedures and over state laws to the extent permitted by State law, and that in the absence of specific provisions in the Agreement or in the law such practices and procedures are discretionary with the District.

B. It is agreed that, with the mutual consent of the parties, any provision of this Agreement may be waived if such waiver will support the educational mission of the school district. The process and structure for obtaining such a waiver will be known as Educational Mission: Innovation Advancement.

1. Educational Mission: Innovation Advancement Committee:
   a. The purpose of the committee is to consider contract waiver requests which may be submitted from any school site. This committee also will consider CDC/Head Start waiver requests.

PROVISIONS FOR ADMINISTRATION OF SALARY SCHEDULES

A. REQUIREMENTS RELATIVE TO INITIAL PLACEMENT ON SALARY SCHEDULES:

1. Teaching Experience:

   a. As authorized by Education Code, Section 45028, teachers are allowed credit for previous satisfactory K-12 credentialed teaching experience up to the maximum step on the appropriate column on the salary schedule,
excluding career increments. For purposes of this Section, a total school year is defined as a period from the first day of the professional assignment through the final day of the regular professional assignment. If a teacher has served under contract for fifty (50) percent or more of the total school year or a full semester; has worked as a substitute teacher for one hundred thirty-five (135) days in one (1) school year; or has a combined service of one hundred thirty-five (135) days in one (1) school year under contract as a substitute or hourly teacher, credit will be given for one (1) year of experience.

b. **Adjustment for Previous Experience.** Official Verification of satisfactory K-12 credentialed teaching experience must be provided within the first three years of employment with the District. If an employee is hired by September 1 of the first year of employment, verification must be received in Human Resource Services by November 1 and salary schedule placement adjustment is retroactive to the beginning of that duty year. If verification is received after November 1, salary schedule placement adjustment will be effective the following pay period.

If an employee is hired after September 1 of the first year of employment, verification must be received in Human Resource Services within sixty (60) calendar days of initial date of employment and salary placement adjustment is retroactive to the initial date of employment.

c. **Career Increments.** An employee who has not previously been employed by the District in a certificated assignment who has five or more years of previous teaching experience as defined in this Appendix will be granted exactly five years of credit toward attainment of the twenty, twenty-five, and thirty-year career increments. The maximum of five years of credit will be granted regardless of which step the new employee has attained on the salary schedule. In addition to the maximum credit, an employee who has been previously employed by the District and who returns to a certificated assignment in the District shall be granted credit toward attainment of career increments only for those years of service served previously in the employ of the District.

2. **Experience Other Than Teaching:**

a. In evaluating an applicant’s experience other than teaching, the District may allow a maximum of four (4) steps on the salary schedule when this experience will contribute directly to the effectiveness of the employees major assignment for which the applicant is being considered. Two (2) years of experience under this provision are evaluated as equal to one (1) step on the salary schedule. This experience cannot be concurrent with credit for teaching experience, but part-time work experience might be combined with part-time teaching. Verification of not less than eleven (11) months of
consecutive work of not less than twenty (20) hours per week may be computed as the equivalent of one (1) year toward the two-for-one requirement for work experience credit. In computing work experience on more than one (1) job, any interruption of service beyond one (1) month shall break the consecutive requirement, unless the prospective employee returns to the same position, with the same employer, within six (6) months without having been gainfully employed by another employer during that time. Partial years of credit are not additive.

b. Nurses and school librarians are given one (1) year of credit for one (1) year of full-time work experience in a non-school setting as a nurse or as a librarian.

c. In addition to the current rules for salary schedule placement purposes, for purposes of initial placement on the salary schedule, qualified speech/language/pathologists/specialists hired on or after July 1, 2006 to work in speech and language positions shall be allowed one step on the salary schedule for each year of verified work experience as a speech/language/pathologist/specialist in a non-school setting.

d. Military Service. Military Service is credited as prior teaching experience only if the applicant actually taught while in the service in the field for which he/she is to be employed.

e. Adjustment for previous experience official verification of service described in A.2.b. and A.2.c. of the Appendix must be provided within the first three years of employment with the District. If an employee is hired by September 1 of the first year of employment, verification must be received in Human Resource Services by November 1 and salary schedule placement adjustment is retroactive to the beginning of that fiscal year. If verification is received after November 1, salary schedule placement adjustment will be effective the following pay period.

If an employee is hired after September 1 of the first year of employment, verification must be received in Human Resource Services within sixty (60) calendar days of initial date of employment and salary schedule placement adjustment is retroactive to the initial date of employment.

3. Tentative Salary Placement. Applicants who are considered favorably are asked to sign a statement relative to initial/tentative salary placement that is mutually agreeable at the time of employment. Signing the “Tentative Salary Placement” form indicates that the initial/tentative salary stated thereon is mutually agreeable.

4. Salary Schedule Placement:
a. Certificated employees who are given a contract are placed initially on the salary schedule in accordance with training completed at an accredited college or university before the first day of their contract year.

Additional official, verified salary information presented by November 1 or sixty (60) calendar days after the initial date of employment which might indicate a need for change will be considered. If a salary change is warranted, the adjustment will be retroactive to the first day of paid service in the school year in which the official, verified information is received.

b. A teacher employed by the Long Beach Unified School District is placed on a step of the salary schedule in accordance with his/her experience. A teacher is advanced year by year, until reaching the maximum step on the schedule, provided he/she is under contract a sufficient number of days each year and qualifies for advancement.

c. **Beginning Teacher Salary Incentive Program.**

Since 1999 the District has participated in the Beginning Teacher Salary Incentive Program. District participation is contingent on the continuation of special State funding to support this program. As a result of continuing District participation, K-12 teachers holding a valid California credential and assigned to specific schedules, columns, and steps listed below shall be compensated at an annual rate of pay greater than that provided to new employees who do not hold a valid California credential.

In order to qualify for the increment following a leave of absence for advanced professional and academic training, an employee shall verify that he/she undertook a full load as defined by the institution attended. A transcript of work taken and grades earned shall be filed within sixty (60) calendar days of returning to duty. If verification is received after sixty (60) calendar days, salary schedule placement adjustment will be effective the following pay period.

4. A certificated employee who is granted a military leave is entitled to such increment as would have been received had the employee remained in active service with the school district.

2. **During Vacation Time.** Teachers serving as curriculum planners and writers will be employed for a maximum of six hours per day and paid per hour at their regular contract daily salary rates divided by eight (8).

3. **Individual Writing Projects.** When an individual is able and willing to prepare a curriculum guide on one’s own time during off-duty hours, that person may be
elected to receive a lump sum honorarium or extra compensation for additional duties. Such extra compensation will vary with the magnitude of the projects.

**F. OCCASIONAL PROJECTS – IN-SERVICE:**

1. When a stipend is paid for participation in an in-service activity, the hourly rate shall be in accordance with salary schedule NO80A.

   The only exception to this standard rate will be a specified in-service participation rate which is mandated by an agency other than the LBUSD as part of an approved grant or other specially funded program.

2. When a stipend is paid for serving as a presenter outside of the workday at an in-service activity, the hourly presenter rate or the regular hourly rate, whichever is higher.    The only exception to this standard rate will be a specified presenter rate which is mandated by an agency other than the LBUSD as part of an approved grant or other specially funded program.

   The hourly presenter rate will be adjusted by the same percentage as the average negotiated salary increase.

3. There is no obligation to offer a stipend for participation in or presentation of an in-service activity.

4. A stipend cannot be provided to participants or presenters for an in-service activity held during the regular duty day as described in Article V, Section A. of the K-12 Teachers Contract.

5. Except as specified in Article XIV of the K-12 Teachers Contract, participants cannot receive both a stipend and salary credit for the same in-service activity. (See Appendix B., Section B.12. and 13.)

**G. REGULATIONS GOVERNING PAYMENT FOR ADDITIONAL ASSIGNMENTS:**

1. Compensation for extracurricular assignments is based on the level of responsibility involved and the time commitment the employee must make to assure the successful participation of students. Compensation is provided in the form of a stipend paid on a quarterly basis during and occasionally subsequent to the conclusion of the activity for which the employee is providing instruction, direction, and/or coaching. Specific stipend amounts are provided in Salary Schedule S which is distributed under separate cover.
2. In those sports where the team or individual team members advance to championship post-season CIF competition, all employees providing instruction, direction, and/or coaching shall be paid at a daily rate set up to and including the last day of student participation. In certain sports, post-season competition may require the continued participation of students under the direction/supervision of the band director and/or the drill team and pepster advisors. Daily rates for employees providing instruction, direction, and/or coaching during periods of CIF post-season competition are also provided in Schedule S.

3. The newspaper sponsor shall be paid .10 of the annual stipend listed in Schedule S per issue not to exceed the total amount of that annual stipend.

4. When a certificated employee accepts an additional compensation assignment, it is not intended that the assignment should be a bar to accepting from the school district additional hourly employment. Earnings from the employment in excess of his/her contract must not be greater than he/she would have received at the maximum hourly rate for the year at the maximum number of hours permitted (six [6] hours per week); further, the additional employment must not interfere with regular contract duties and must bear the approval of the principal. (School district work on Saturdays and on vacation days is excluded.)

5. Payment of compensation is to be made on a quarterly basis during or subsequent to the period in which the activity is in progress.

6. In cases of absences for a few days only, the work for which additional compensation is being paid will await the return of the regular teacher, except for the middle school playground program. In cases of lengthy absences, where it becomes necessary for a replacement service employee to carry on those duties for which additional compensation is allowed, the replacement service employee shall be paid an amount which bears the same ratio to the total amount allowed for the activity as the number of school days the replacement service employee worked bears to the total number of days listed to do the job.

The following formula shall be used in computing the pay for a replacement service employee who has performed those duties for which the regular teacher would have received additional compensation:

\[
\text{Number of days worked as a replacement service employee} \div \text{Number of additional assignment days for which regular employee is compensated} \times \text{Total compensation for the specific additional assignment} = \text{Pay for this assignment to replacement service employee}
\]
Whenever the replacement service employee has earned this additional pay, it shall be included in the monthly payroll, rather than being allowed to accumulate. At the end of each activity, the amount paid the substitute shall be deducted from the amount set up for that activity.
APPENDIX C

APPENDIX F

Sick Leave Donation Program

The District and the Teachers Association of Long Beach agree to the implementation of the following Sick Leave Donation Program. This program shall be available to all members of the bargaining unit. The District and the Association further agree to review and evaluate the effectiveness of this plan after a full year has elapsed following the ratification of this contract by both the Association and the Board of Education. The purpose of the Sick Leave Donation Program is to provide assistance to bargaining unit members suffering from a catastrophic physical illness or injury. The Sick Leave Donation Program provides employees with an opportunity to be restored to health so they can return to work.

Definitions

As used herein the following definitions are agreed to in reference to the Sick Leave Donation Program.

Work Day: A work day, for the purposes of this Article, is a day when designated parties to the approval process are at work for all or part of the day.

Donation Day: A donation day is defined as eight (8) hours for all employees.

Pay: Pay is defined as the employee’s regular daily rate excluding compensation for additional hourly assignments.

Sick Leave: Sick leave available for donation is defined as the employee’s accrued monthly sick leave pursuant to Article VII of the Agreement. Accrued hourly sick leave is excluded from any donations to the program.

Extended Sick Leave: These are additional days of sick leave which have been donated by other District employees, both bargaining unit members and employees who are not members of the bargaining unit, from their own accrued monthly sick leave balances. These days of additional leave may be used to extend the recipient’s sick leave and this leave may be taken on either consecutive or non-consecutive dates. The extended absence of the recipient must be due to the same illness or injury, conforming to the requirements for use of statutory sick leave. Illness or injury which qualifies as Workers’ Compensation Leave is excluded from this program.

Catastrophic Illness or Injury: Catastrophic illness or injury is defined as an illness or injury that has been concisely identified as such by the treating physician; the medical prognosis is the employee will be incapacitated for an extended period of time; and the employee’s absence exceeds the individual’s accrued paid leave.

Eligibility Requirements for Leave Recipients:

1. A bargaining unit member is eligible for extended sick leave if
a. he/she has exhausted all of his/her accrued paid leave, which includes but is not limited to sick leave;

b. he/she is suffering from a catastrophic illness or injury that is expected to incapacitate him/her for an extended period of time;

c. the incapacity suffered by the employee requires him/her to take time off from work beyond the number of days covered by the employee’s accrued paid leave, and a financial hardship would result for the bargaining unit member.

2. The maximum number of days which a recipient may receive for the same illness shall be no more than the total number of duty days in the employee’s work year.

3. Sick leave accrued by the recipient during the time he/she is on extended sick leave shall be credited against the employee’s days of absence. These days are in addition to the maximum number of days of extended sick leave which the recipient is entitled to receive.

4. Unit members receiving remuneration under worker’s compensation provisions shall not be eligible to draw extended sick leave.

5. Employees who may be eligible for disability payments under the State Teachers Retirement System (STRS) or the Public Employees Retirement System (PERS) shall apply for benefits at the earliest opportunity. Upon approval for receipt of STRS or PERS disability payments, the unit member’s eligibility to continue to draw extended sick leave shall cease.

Guidelines for Donor Participants:

1. Any member of the bargaining unit who has available monthly sick leave balances may donate to an employee who is in need of extended sick leave. The required minimum donation shall be one day (eight hours).

2. If an employee wishes to contribute more than one day, he/she may donate up to a total of five (5) days per year to a specific employee who has been authorized for extended sick leave. Employees donating more than one (1) day must have a balance of twenty (20) days of accrued monthly sick leave at the time of donation.

4. Donating employees must acknowledge in writing the donation is voluntary, irrevocable, and confidential and this written acknowledgement must be submitted to the Director of Payroll. Leave donated within the provisions of this program shall be deducted from the employee’s accrued monthly sick leave days only.

Application and Approval Process for Extended Sick Leave:

1. In the event a bargaining unit employee suffers a catastrophic illness or injury, he/she shall notify his/her immediate supervisor or the payroll clerk at his/her work site as to the reason
for his/her absence and identify said reason as a catastrophic illness or injury. A catastrophic illness or injury is defined as an imminent or potentially life-threatening illness or injury. A Request to Participate in Sick Leave Donation Program, shall be submitted by the affected employee to his/her principal/site administrator or his/her designee before paid sick leave is exhausted. Medical verification of the catastrophic illness or injury shall be provided by the requesting employee at the time the Request to Participate in Sick Leave Donation Program form is submitted.

In the event the unit member is personally unable to request this extension of sick leave, the unit member’s designee may make the request on behalf of the applicant.

2. The principal/site administrator, or his/her designee, shall, within three (3) working days of receipt of the Request to Participate in Sick Leave Donation Program form and medical verification, review and fax and/or electronic mail both, to Physician Services in the Human Resources Department for review and final approval/denial of the employees request who shall be responsible for the final decision. Final approval or denial will be made and faxed to the principal/site administrator or his/her designee within three (3) working days following receipt in the office of Physician Services in the Human Resource Services Department.

3. The principal/site administrator or his/her designee shall, within three (3) working days following notification of final approval, circulate by means of fax and/or electronic mail the Donation of Sick Leave Hours form to all schools and offices with a request to employees to donate sick leave days to the employee in need. The name of the employee shall be included in that request.

4. In the event the principal/site administrator or his/her designee receives notification the Request to Participate in Sick Leave Donation Program form has been denied by the Human Resources Department, the principal/site administrator or his/her designee shall within three (3) working days notify the requesting employee or his/her designee of this decision. The employee may revise the request to add pertinent medical information and resubmit application.

5. Upon being informed of a need for a sick leave donation and having decided to make a donation, donor employees shall submit the Donation of Sick Leave Hours form directly to the Director of Payroll.

6. Upon receipt of the Donation of Sick Leave Hours forms from the donor employee, the Director of Payroll shall be responsible for processing these forms. This task shall include:

a. Verifying that prospective donors have sufficient sick leave balances to allow for the donation indicated by the employee.

b. Crediting the receiving employee with donated sick leave. Donated sick leave will be provided in increments of no more than forty (40) total work days at any one time.
c. Maintaining a record of the names of donors, the number of days each employee has donated, and the dates the Donation of Sick Leave Hours have been received.

d. Monitoring receiving employees’ extended sick leave balance to ensure that donated leave transferred does not exceed the total number of days in the receiving employees’ regular work year.

e. Notifying payroll clerks and employees at those work sites/schools to which donors are assigned that donations have occurred and that donor employee sick leave balances need to be adjusted accordingly on records at the work site/school.

f. Notifying the payroll clerk at the work site/school to which the receiving employee is assigned that the employee has received an initial extended sick leave increment of up to forty (40) days. In the event that additional increments are provided, a similar notification shall be communicated to the payroll clerk.

Donated sick leave days will be distributed to the recipient by the Payroll Department in increments of 40 days (320 hours) assuming that the number of days donated total forty (40) or more. If less, the final increment shall reflect the balance of those days donated.

If the requesting recipient exhausts all paid sick leave before final approval is secured and is placed on statutory leave before the sick leave donation is approved, statutory leave charged to the employee shall be restored upon determination of approval and days previously charged to statutory leave shall be charged to the sick leave donation program.

If the total number of days which are donated to a specific employee is not used by that employee, the balance of unused days shall be transferred to a designated sick leave depository. Depository records will be maintained by the Director of Payroll, and these records shall be available for review by TALB upon request. Days carried over will be available to recipients whose requests are approved at a later date.

Receipt of extended sick leave benefits under this program shall delay the beginning of the period of eligibility for statutory leave. The employee will become eligible for statutory leave after all extended sick leave has been exhausted.

The maximum number of days which may be designated for an employee’s use at one time shall be forty (40). If the recipient needs additional days or if the number of days initially donated is less than forty (40), the principal/site administrator shall renew the appeal for additional days immediately prior to the depletion of the original donation.

**Grievance Proceedings**

1. This provision shall supersede any obligation of the District under Education Code Section 44043.5.
2. If any part of this provision is held to be unlawful, the entire provision shall be null and void. TALB and the District shall meet as soon as possible to review and revise the provisions.

3. The provisions of this Section and the final decisions regarding approval or disapproval shall be subject to the Grievance Procedure under Article XV of the Agreement.

**Evaluation of the Program**

This program will be reviewed and re-evaluated by the Office of Employee Relations Services and the Teachers Association of Long Beach (TALB) at the conclusion of one year of implementation. The parties may agree to modifications in the program. Any major revision or adoption of new language shall be discussed within the context of successor salary negotiations between the District and the Association.

District Technology Guidelines and Procedures for Represented Certificated Staff

All access to the Internet is routed through a “technology protection measure” designed to filter out material that is in violation of the District’s Internet policies. This filter will block most objectionable material. Users should be aware that some objectionable material may be missed by the filter and users, upon discovering the presence of such material, shall report offending sites to the Technology and Information Services Branch Help Desk at extension 8411. Review processes are in place to block sites with objectionable material and to request the removal of blocks to sites that users believe contain material that has educational benefit. Finally, an adult filter is available if the user submits a request and receives approval from the appropriate Assistant Superintendent and the Executive Director of Information Services.

Represented certificated employees are responsible for following generally accepted social standards for use of a publicly owned and operated communication tool which includes various technology systems such as the Internet. Represented certificated staff will maintain high standards of ethical conduct while using all District technology systems. Examples of unethical, unacceptable use of District technology equipment include the following:

- Sending, displaying, or accessing pornographic, abusive, obscene, or other objectionable language, graphics, or other media
- Unauthorized disclosure, use, and dissemination of personal information about students or employees
- “Hacking” or otherwise engaging in unlawful computer or technology-oriented activities
- Using obscene language
- Harassing, insulting, or attacking others
- Intentionally damaging computers, computer systems, data, files, information or computer networks
- Violating copyright laws
- Using or distributing another’s password
- Trespassing in another’s digital folders, or files
- Intentionally wasting limited resources
- Employing the network for outside business or commercial purposes
- Sending or requesting of unethical, illegal, immoral, inappropriate, or unacceptable information of any type
- Engaging in activities that cause disruption to District technology systems
- Attempting to bypass District technology security measures
- Reposting or forwarding without the permission of the sender a message sent to you privately which is of a confidential nature or one clearly designed to be read by a limited number of selected recipients
- Posting chain letters or engaging in “spamming” – i.e., sending an annoying or otherwise unnecessary message to a large number of people
District technology is provided for represented certificated staff to conduct research, to communicate with others on academic topics, and to engage in legitimate District business. Individual users of the District technology are responsible for their behavior and communications on those networks. Users shall comply with District standards and will abide by the policies specified herein. Violations of the District policy described may result in access privileges being suspended or revoked, as well as other disciplinary action as warranted. Any commercial, political, or unauthorized use of District technology systems or services, in any form, is forbidden. All copyright laws must be observed.

Members of the certificated teachers bargaining unit may engage in teacher association business on the District computer networks. Such teacher association business shall be conducted during non-duty hours which are defined in Article IV, Section C of this Agreement. Association use of District e-mails shall be limited to the following: authorized Association representatives may use District e-mails to provide notice of meetings, agendas for meetings, minutes of meetings, confirmation of a meeting with a District representative, or a limited distribution communique between an authorized Chapter officer and a District representative; the Association will not use e-mail to denigrate the District or its personnel and will observe the prohibitions of Education Code, Section 7054.

The Long Beach Unified School District respects the privacy of all certificated teacher users. System administrators and their staff may not log on to a user’s account or view a user’s files without explicit permission from the user. Exceptions arise when the user’s account is suspected either of disrupting or endangering the security or integrity of any District technology system or service or of violations of applicable school district policies, federal or state law. Even then, the system administrator must normally obtain prior approval of the Executive Director of Information Services or the Deputy Superintendent of Education Services unless grave danger to the continued operation of the District’s technology systems requires emergency action.

This does not preclude Technology and Information Services staff from maintaining and monitoring system logs of user activity which access District technology systems. Moreover, automated searches for activities that endanger system security or integrity are preformed regularly to protect all users. Technology and Information Services administrators may take appropriate action in response to detection of such activity (typically removal of infected files and possibly suspension of the user’s accounts until the matter can be resolved).

Use of District technology systems may be revoked at any time for inappropriate use. The Technology and Information Services Branch, in collaboration with school administration, will be the sole determiners of what constitutes inappropriate behavior according to local, state, and federal law. The violation of any item contained in this policy may result in the loss of access and/or to District technology systems other disciplinary action, as well as possible punitive action as provided for by local, state, and federal law.

The security of any information system is a high priority, especially any system that has many users and/or Internet access. Represented certificated staff members shall not let others use his or her account or password as he or she has a reasonable responsibility for all actions related to his or her account. Certificated staff must notify school administrators immediately if their password...
is lost or stolen or if they think someone has access to their account. Represented certificated employees are to use only the network directories and resources that have been assigned for their use. Unauthorized access to any other level of the system, or other system resources, is strictly prohibited. Users will make no attempt to bypass the District anti-virus software, firewall, filtering and safeguards. When finished with a computer represented certificated employees are expected to logout where appropriate.

Represented certificated employees are not allowed to install software or applications onto computers, the computer network, or any District technology systems without a valid purchase order or other proof of District or personal ownership. Legal software and/or data stored on District technology devices are subject to removal with prior notification and consent of the represented certificated staff member. Long Beach Unified School District shall take reasonable precautions to ensure the security, integrity, or longevity of data and/or programs stored on District technology systems.

Represented certificated staff acknowledge that they share responsibility for any and all use of the District’s technology systems and that misuse could lead to liability and/or consequences that extend beyond the District’s authority. The Long Beach Unified School District and its represented certificated staff members shall be held harmless from any use or misuse of District technology systems by students. Long Beach Unified School District makes no warranty of any kind, whether expressed or implied, for the service that it is providing. Long Beach Unified School District will not be responsible for any damage users may suffer including, but not limited to, loss of data or interruptions of service as a consequence of equipment failure, either on or off District property. Long Beach Unified School District and its represented certificated employees are not responsible for the accuracy or quality of the information obtained through or stored on the system.

APPENDIX H

Shared Decision Making

A. Unit members may apply for available grade level, teacher council representative, department head, or SLC lead teacher positions at their school site. Openings and the requirements of the positions will be posted by the site administrator on the designated staff bulletin board and emailed to all school faculty. To qualify for consideration, applicants must have received at least an effective rating in their most recent evaluation and meet the job description requirements.

The site administrator will identify the three top qualified candidates for each posted position based on the posting requirements. Thereafter, an election will be conducted at the site by unit members to determine which candidate will be selected. Selection will be based on a majority vote by affected bargaining unit members for a one-year term.

In the event that a teacher serving in one of these leadership positions is not meeting the leadership job requirements, administration will meet with the leader in a timely manner to address areas of growth. Areas of growth must be identified in objectives terms such as missing required meetings, failure to hold department/pathway/grade level meetings, or failure to respond to administrator or teacher email. A plan will be developed to ensure improvement. A follow-up meeting shall occur to evaluate growth. If improvement has still not occurred, the leader will be notified that he/she is ineligible to run for a leadership position in the coming school year.

B. A joint Shared Decision Making Committee (SDMC) will be established during the 2013-2014 school year to collect evidence of current practices of site decision making and leadership teams from all school sites, and other external practices, to develop recommendations for the establishment of a best practice prototype. The prototype would be flexible enough to comport with current models that are working successfully but have different approaches in implementation. The Committee will be comprised of five (5) TALB-appointed members and five (5) District-appointed members. The recommendation of the Committee shall be submitted to the District and TALB on or before March 28, 2014.

C. A joint District-TALB Common Core Committee will collaborate on District and school-site issues relating to the implementation of the Common Core State Standards (CCSS), including providing recommendations on the expenditure of CCSS Implementation Funds, consistent with the District-adopted general plan for CCSS implementation.

The committee will include six (6) TALB-appointed members and six (6) District-appointed members. Meetings will occur as needed during the workday unless otherwise determined by the committee. Each party will appoint one member to jointly work on creating the agenda for committee meetings.
CCSS Implementation Fund spending decisions at the school site level will be made by the site administrator in collaboration with an existing site leadership team and an elected TALB site representative.
