OVERVIEW

The substitute’s role in the educational process of Loudoun County Public Schools is very important. **Providing continuity in the classroom instructional program is essential to a sound education.** Occasional absences from classes are unavoidable. However, the continuity of the program can and should be maintained by substitutes who are well versed in the policies, procedures and expectations of the school and classroom. Through professional training and experience, substitutes provide students with instruction to minimize negative effects in student achievement that may result from absences of employees.

A substitute teacher should expect the needs and intentions of a classroom teacher to be communicated prior to taking charge of the class. Conversely, a classroom teacher should expect the plans and assignments which he/she has left to be carried out by the substitute teacher assigned to his/her classroom. Each substitute has an important role to play in the educational process. This handbook is intended to establish communication and expectation levels between the employee and the substitute.

The quality substitute teacher assistant, secretary, health clinic specialist, or school nurse also ensures that the students’ needs are met by fulfilling their roles with the high standards students are accustomed to receiving.

Any questions about assignments or problems in substituting at a school should be addressed with the school administrator first. Concerns or issues about your availability for substituting or your enrollment on the substitute list should be addressed with Sub-Central staff.
DEFINING THE ROLE OF A SUBSTITUTE

As a substitute you fill in for permanent teachers, teacher assistants, secretaries, nurses, health clinic specialists, and other classifications, as the need arises. Your temporary assignment may range from as short as a couple of hours to a single day or a long-term assignment of an extended duration, based on the needs during the employee’s absence. Your primary tasks as a substitute teacher include adhering to lesson plans designed by the absent teacher and providing supervision for students, following the guidelines of the teacher you are subbing for and following school procedures for all positions.

As you monitor students, you may give out assignments, correct student work, update attendance records and answer questions. Job assignment schedules at schools may change on short notice, so you need to be flexible to meet the needs of the school. You may teach a variety of subjects to different grade levels, and you are expected to be comfortable with maintaining discipline in a classroom atmosphere at all grade levels.

Teacher Assistants will perform duties under the direction of a lead teacher. Secretaries, health clinic staff, and other positions are generally supervised by a school administrator.

The employment status of a substitute employee is considered part-time temporary and may be discontinued at any time, for any reason. Substitute positions are at-will and on-call. There is no guarantee of daily employment. There are many factors to consider, including the absence rate of permanent employees and the number of subs available for assignments.
STANDARDS OF PROFESSIONAL CONDUCT

Our school community encompasses a wide variety of races, ethnicities, cultures and religions. Loudoun County Public Schools employees strive to treat each student and staff member with respect. School personnel perform on two equal levels: as professionals dealing with clients and as adult role models shaping young lives.

Tobacco Use
The use of tobacco products on school property, including all schools and school athletic facilities, parking lots and grounds, support facilities and vehicles including school buses, is strictly prohibited.

Alcohol, Drugs and Narcotics
On School Board Property - It is the policy of the LCPS to prohibit employees from being under the influence of and to prohibit the use, sale, dispensing, possession, or manufacture of illegal drugs and narcotics or alcoholic beverages on its premises, on or in school buses or vehicles. This prohibition also covers all legal or prescription drugs which impair an employee’s ability to perform his/her job safely or properly.

Off School Board Property – The use, sale, dispensing, possession, being under the influence or manufacture of illegal drugs and narcotics or alcoholic beverages off School Board property which affects an employee’s ability to perform his/her duties, or which generates publicity or circumstances which adversely affect the school division or its employees, shall be grounds for discipline, including possible suspension or termination.

Corporal Punishment
No employee of LCPS shall subject a student to corporal punishment. “Corporal punishment” means the infliction of, or causing the infliction of, physical pain on a student as a means of discipline.

Confidentiality
During your employment within an LCPS facility there may be times when you will have access to or become aware of information concerning students, their families, and even staff. As an LCPS employee you are expected to understand the confidential nature of the information and treat it accordingly. This also includes the school work, grades, and classroom behavior of a student.

Social Relationships
Employees of LCPS are prohibited from dating or engaging in any intimate social relationship with a student.

Electronic Media/Social Networking
Use of cell phones, personal laptops and other personal electronic media is prohibited during your substitute assignment. Under no circumstances can subs take photos of students or staff or allow themselves to be photographed. Nothing regarding your employment as a sub should appear on social network pages such as Facebook, Twitter, or YouTube. Do not share your personal information with students or receive e-mail addresses or phone numbers from them. Use of social networks to interact with students is prohibited. Keep in mind that your social network pages are public and accessible to parents, students, and other members of the community.

School Computers
Use of LCPS computers is only with the authorization of the school administrator for purposes directly related to LCPS mission, goals, and the substitute’s assigned tasks. Please refer to the LCPS Employee Handbook (sub4loudoun.com) for additional information regarding the policy.

Continued
STANDARDS OF PROFESSIONAL CONDUCT

Sexual Harassment
The LCPS Sexual Harassment Policy states: *Loudoun County Public Schools maintain a working and learning environment for its employees and students which provides for fair and equitable treatment, including freedom from sexual discrimination and sexual harassment. No employee or student, male or female, shall discriminate on the basis of sex or harass another employee or student by making unwelcome sexual advances or requests for sexual favors, or engaging in other verbal or physical conduct of a sexual nature.* Please refer to the LCPS Employee Handbook for the full policy.

Substitute Deletions
Substitutes not meeting the expectations of a school administrator may be removed from the school substitute roster. Depending on the nature and severity of the incident reported, the Director of Personnel Services may determine the need to permanently remove a substitute from the system and terminate their employment.

Attendance
Punctual and regular attendance is an essential responsibility of each sub. Tardiness or absence causes problems for students and administrators and disrupts the education process. If you accept an assignment, you are expected to show up on time. Consistent patterns of excessive cancellations, “no shows”, or tardiness may result in removal from the sub roster.
WHAT A SUBSTITUTE SHOULD EXPECT

1. A substitute may be contacted for work **as early as 5:30 a.m. the day of an assignment or as late as 10:00 p.m. for future assignments.** The automatic calling system can contact a substitute up to thirty (30) days in advance. We strongly recommend that substitutes keep calendars to reference jobs they accept. This will avoid forgetting that you have already accepted an assignment.

2. A substitute should expect to be provided, from the school where they are reporting for the substitute assignment, a student roster and, if applicable, a seating chart for each class.

3. A substitute should expect to be provided from the school complete lesson plans that are easy to read and designed to cover the time allotted for each subject.

4. A substitute should receive information on students with medical and/or special education needs.

**School Guidelines**

Each school has been encouraged to inform substitutes of guidelines that will make the substitute’s day comfortable and rewarding. Ask your school’s administrative office for a copy of their guidelines.

The guidelines should include some of the following:

- Work hours
- Intercom system use
- Classroom management or office procedures
- Parking information
- Daily schedules (activity bell, lunch, recess, etc.)
- Layout of building for emergency exits
- Introduction to an employee within the building that a substitute could contact if a problem arises
- Explanation of forms, if needed, such as pupil attendance, tardy, discipline referral, clinic pass
- Explanation of the form a substitute would sign upon arrival and prior to departing the building
YOUR RESPONSIBILITIES AS A CLASSROOM SUB

Arrive early. Arrive at school with sufficient time to organize your materials and familiarize yourself with school rules, bell times and procedures. “Early is on time, on time is late, and late is out of a job.”

Dress for authority. The wrong clothes can influence a student’s perception of you. Dress in a professional manner. Do not assume that jeans are acceptable attire or that a school has “casual Friday.” As a substitute, you need to establish yourself as a role model. Avoid dressing like the students. For women, be sure your clothing covers you while bending, kneeling, reaching, sitting, etc. Substitutes working with preschoolers and special education students are advised to wear comfortable clothing. P.E. teachers can wear appropriate athletic clothing and shoes.

Report to the school’s main office. Sign-in and pick up your sub badge. Take advantage of available resources, starting with the main administrative office at the school or facility. Check with administrators, counselors, and secretaries to get any general information you will need to know that day. All LCPS classroom doors are pre-locked and will be secured upon closure so keys are not needed. Collect class rolls, schedule, and lesson plans from the office. Ask about special assemblies or events scheduled for that day. If questions arise during the day, determine whom you should ask. Check the employee’s mailbox. Do you have additional duties today (bus duty, lunchroom supervision)? Is the school discipline plan included in your materials? Whom do you contact in case of an emergency and how do you reach them? How should you handle accidents? Do you have any students with special needs?

Secure your personal belongings. Be sure to secure all personal belongings while on school property. Ask the school office where personal belongings (purses, briefcases, cell phones, etc.) should be securely stored during the school day. LCPS is not responsible for lost, stolen, or damaged personal property.

Introduce yourself. Write your name, today’s date, and the day’s lesson on the board. Introduce yourself to the teacher next door or across the hall.

Greet students warmly as they arrive. Have an opening activity for students to complete as they enter the classroom. This will assure that the students sit down and become focused for the beginning of instruction.

Locate seating chart. Make sure to locate class seating chart(s) as soon as possible. Be on top of the roll call situation. If you are not sure how to pronounce a name, spell the child’s name and ask the student to pronounce it. Use the seating chart to call on students. Take roll and follow the school’s attendance reporting procedures.

Implement lesson plans. While you should typically find a well-planned lesson available for use, always have supplemental plans handy in case the teacher’s plan does not cover the time allotted for class. Your plans should be generic and deal with appropriate subject material. Follow all lesson plans to the best of your ability.

Supervise the students at all times. Students assigned to the regular classroom teacher must be supervised at all times. Never leave students alone.

Report to the school administration. Immediately report to the school administration any incidents involving student injuries, misconduct, suspected drug or alcohol use, suspicion of possession of weapons or other banned or illegal items, or suspicion of child abuse or neglect.

YOUR RESPONSIBILITIES AS A CLASSROOM SUB

Familiarize yourself with school emergency procedures. The Safety in Schools section in this guide gives general guidelines but individual schools will provide you with information for their specific location.

Maintain good classroom discipline. Students are masters at detecting when people are insecure and they sometimes take advantage of the situation. Immediately contact the school administrator regarding major discipline issues.

Do not leave school premises. As a substitute, once you arrive at school you are not permitted to leave until your assignment is completed and you have signed out at the office.

Be flexible. The needs of the schools can change quickly before and during an assignment. It is important for subs to be flexible and willing to perform tasks in the school that they may not have originally signed up to do.

Report any concerns you have to the school administrator. You are encouraged to speak with the school administrator (principal and assistant principal) about any problems or concerns. Develop a working relationship with the administrators.

Maintain a professional relationship with administrators, staff, parents, and students. Be respectful of everyone you come in contact with in the course of your sub assignment.

Make sure the classroom is clean at the end of the day. Ask the students to take a few minutes to straighten up the classroom, return learning materials to their proper location, and put desks back in order the way that the regular teacher would leave them.

Leave a note for the teacher. Communicate, in writing, about the day’s events. Make it as easy as possible for the teacher to return to work. Try to provide specific, positive feedback about how the class day went. Be sure to include work covered as specified in the plan book, any change in the lesson plans and the reason, misconduct of students, and communication received from parents and students who were helpful and well behaved.
CLASSROOM MANAGEMENT TIPS

The following tips, if practiced routinely, may help eliminate classroom problems before they begin.

Take control early and let students know that rules will be enforced. Explain how you intend to manage the classroom through the instructional period/day lesson. Help students understand your intentions with a lesson. Making lessons interesting will help you keep students’ interested.

Students are familiar with discipline plans left by their teacher; please try to follow them.

TIPS TO REMEMBER

*Ignore behaviors at first.* Students may just be asking a neighbor a simple question. If problems persist, then start with a positive reminder. Making eye contact can sometimes be a reminder to students that you have an idea they are causing a problem.

*Proximity is a good strategy.* Moving to students who are causing problems will sometimes get them to stop acting inappropriately.

*Relocate students who are disruptive.* This should only be done if other requests to stop the undesired action have failed. Asking students to change seat locations may be disruptive and challenging.

*Private conferences are a good option for disruptive students.* Never degrade or intimidate students when disciplining. Always stick to the rules. Remember, being fair and consistent is an important feature of working with students.

*Exercise self-control by always being in control.* As the adult in the classroom the substitute is expected to be the authority figure. Treat all students with respect. Avoid discussions that contain controversial topics, personal qualities, decisions, opinions or judgments.

*Gifts or food treats are not to be given to students.* Leave a note for the teacher and she can decide on appropriate rewards.

*Project a good attitude and a feeling of self-confidence.* If you have a cheerful, confident, enthusiastic feeling about substituting, you can provide a rewarding experience for yourself and for the students involved.

*Be honest.* Don’t be afraid to admit to a student that you do not know the answer to a question, but say that you will try to find an answer for the student.

*Be positive.* Ensure that you start a class by being positive and convey that you will leave the students something of value. Positive interactions with students far outweigh negative interactions

*Build good relationships.* Building a good student/teacher relationship will increase your ability to manage the classroom.

*Move around the room as you teach.* Avoid sitting in the teacher’s chair or standing behind a podium.

*Expect the unexpected.* Be ready for contingent action. Stay in control. Be flexible and demonstrate a sense of humor.
YOUR RESPONSIBILITIES AS A NON-CLASSROOM SUB

**Arrive early.** Arrive at the location with sufficient time to organize your materials and familiarize yourself with rules and procedures. “Early is on time, on time is late, and late is out of a job.”

**Dress for authority.** The wrong clothes can influence a student’s or administrator’s perception of you. Dress in a professional manner. Do not assume that jeans are acceptable attire or that a location has “casual Friday.” As a substitute, you need to establish yourself as a role model. For women, be sure your clothing covers you while bending, kneeling, reaching, sitting, etc.

**Report to the location’s main office.** Sign-in and pick up your sub badge. Take advantage of available resources, starting with the main administrative office at the school or facility. Check with administrators and secretaries to get any general information you will need to know that day. What are your specific duties? Who will supervise you during the day? Do you have additional duties today (bus duty, lunchroom supervision)?

**Secure your personal belongings.** Be sure to secure all personal belongings while on school property. Ask the school office where personal belongings (purses, briefcases, cell phones, etc.) should be securely stored during the school day. LCPS is not responsible for lost, stolen, or damaged personal property.

**Familiarize yourself with location emergency procedures.** The Safety in Schools section in this guide gives general guidelines but individual schools and facilities will provide you with information for their specific location.

**Do not leave school premises if you are assigned to a school.** As a substitute, once you arrive at school you are not permitted to leave until your assignment is completed and you have signed out at the office. Non-school facilities do not have this rule.

**Be flexible.** The needs of the schools and other assignment locations can change quickly before and during an assignment. It is important for subs to be flexible and willing to perform tasks that they may not have originally signed up to do.

**Report any concerns you may have to the school or location administrator.** You are encouraged to speak with the administrator or assigned supervisor about any problems or concerns. Develop a working relationship with the administrators.

**Maintain a professional relationship with administrators, staff, parents, and students.** Be respectful of everyone you come in contact with in the course of your sub assignment.
ARE YOU AN ORGANIZED SUBSTITUTE?

You must be well organized to keep track of your assignments.

Keep a personal calendar with you both at home and when you are on an assignment. You may be asked to book a future date by the administrator of the school in which you are working. In order to give an accurate answer to a request, you must know your commitments.

Confirm all dates with the administrator. Employees may request specific substitutes, but the administrator, not the employee, secures a substitute.

When you report to each assignment, make sure you complete any paperwork the school requires. You may have forms to complete both before and after the school day. As you complete the paperwork, make sure your name is spelled correctly and that your PID number is correct.

Your personal calendar is also critical for keeping track of the days you worked and of the days you have been paid. Your paycheck may not arrive until several days or weeks after your assignment. You need to take the initiative in making certain that you are paid correctly. Your calendar on Smart Find Express™ will help you track your jobs.

FREQUENTLY ASKED QUESTIONS

Q: Do I always have to have the job number when I report to a school?
A: Yes. If you do not have the job number and another substitute reports with a job number, the sub with the job number will secure the assignment and be paid for the day.

Q: If I get to a school and I’m told that the job has been cancelled, what should I do?
A: If the school does not have another open assignment to place you in, have the school call Sub-Central before you leave the premises and we will try to locate another assignment for you. If you do not accept an assignment that you are offered, you will not be paid.

Q: How can I get my pay stub?
A: You can view your pay stubs on the E-Pay system. A link can be found at sub4loudoun.com.

Q: My paycheck does not reflect all the hours that I worked. What should I do?
A: After reviewing your assignments in SmartFind Express, contact the school where you worked (with the job number) to verify that the correct dates were submitted to payroll. If so, then contact payroll at 571-252-1260. Payroll pays substitutes from the assignment report submitted by the school.

Q: How do I stop SmartFind Express from calling me if I am doing a long-term assignment?
A: Sub-Central will enter the long-term assignment into SmartFind Express when approved. This will keep you from receiving calls for that time period. However, you may still receive calls for future assignments for dates after your long-term assignment is scheduled to end.

Q: Do substitutes get ID badges?
A: Substitutes do not get picture badges. Each school will provide you with a badge that is unique to their school when you arrive for your assignment. You must return the badge at the end of each day.

Q: How do I change my home address, phone number and/or e-mail address?
A: You will need to complete a Substitute Information Form and fax it to Sub-Central at 571-252-1662. This form can be downloaded from sub4loudoun.com under Current Substitutes.

Q: How do I change my name in the system?
A: You will need to complete a Substitute Information Form and present it with your new Social Security Card to the Sub-Central office. Our office is located on the third floor of the Loudoun County Public Schools Administration Building in Ashburn. The form is available at sub4loudoun.com.

Q: If school is cancelled because of inclement weather such as a snow day, will I still be paid?
A: If school is cancelled, subs are not paid for the day and the job is cancelled from the system by the Sub-Central staff. If school is delayed or there is early dismissal due to inclement weather, substitutes will observe the same delay/early dismissal schedule as staff. Subs will be paid for the time they were originally scheduled to work, as reported by the school.

Q: I am subbing at a school for one day and the teacher has a planning period. What should I do during this time?
A: If you are prepared for all of the classes, ask the office staff or another teacher for an assignment to do during the planning time.
Q: Are substitutes eligible for benefits?
A: No benefits are offered to substitutes at this time.

Q: If I see a job in SmartFind Express and it is in callout, how can I pick up the job?
A: Call Sub-Central to be assigned to the job.

Q: Can I search for assignments while I'm working at a school?
A: Substitutes should not be searching for assignments during an assigned job. If you are prepared for all the classes, speak to the office or another teacher for work to do during your planning time. Your main focus should always be the students.

Q: How do I get the current school locator book that includes the new schools?
A: The most current locator book will be posted on sub4loudoun.com before school starts.

INSTRUCTIONAL PROGRAMS

Elementary School, Grades K-5
Beginning with half-day kindergarten, the elementary program emphasizes strong basic skills in reading, language arts, mathematics, social studies, and science and includes art, music, and health and physical education.

Middle School, Grades 6-8
Middle school offers opportunities for expanding knowledge while providing a transition from the self-contained elementary classroom to the departmentalized high school. Each middle school is divided into sub-schools called “houses.” Each “house” is headed by a dean and has full-time guidance counseling services. Curriculum focuses on academic areas and introduces a unified arts program of art, music, life management skills, technology education, and foreign language instruction.

High School, Grades 9-12
More than half of a high school student’s subjects are determined by state requirements for graduation. For details regarding the Academic Program of Studies for 2014-2015 and graduation requirements, you can go to www.lcps.org and select the “Students” tab in the upper-right corner.

Differentiated instruction is provided to gifted students in grades K-5; the SEARCH classroom resource program is part of the K-3 gifted curriculum; a county-wide, center-based, FUTURA program serves certain gifted students in grades 4 and 5; the middle school enrichment program is SPECTRUM, and high schools conduct special enrichment programs through SPECTRUM and SIGNET.
INSTRUCTIONAL PROGRAMS

Vocational Education
Vocational Education offers a variety of programs to help equip students with career and life skills. Students in grades 6-8 participate in exploratory programs. Students in grades 9-12 explore and develop career opportunities. Monroe Technology Center is a program accessed by all high schools. There are a variety of occupational and technical programs offered. Monroe Technology Center is a school located in Leesburg, Virginia, serving as an extension of all county high schools.

English Language Learner (ELL)
The ELL program helps non-English speakers acquire language skills so they can be successful in their studies. Some elementary ELL classes are pull-out programs where the teacher works with students for a specific time each day in a resource room. Other ELL services may be delivered in a regular education classroom. Middle and high school ELL students attend classes taught by ELL teachers two to four periods a day, depending on their language proficiency. These classes include English, social studies, math concepts, science, and reading.

STEP (Starting Towards Excellence in Preschool)
STEP is a state (Virginia Preschool Initiative Grant-VPI) and locally funded program that serves 4 year old children who reside in families with income levels within the guidelines for free and reduced lunch prices. In addition, students with minimal special needs or English Language Learners (ELL), who reside with families over the income parameters, may be enrolled in STEP. The curriculum focuses on early literacy and early math instruction, as well as developmentally appropriate social and behavioral expectations.

LONG-TERM SUBSTITUTE ASSIGNMENTS

1. Long-Term Assignments are assignments that are 11 or more consecutive days in a teaching or administrative position for the same employee. This does not include holidays, overlap days or workdays.

2. Subs must hold at minimum a bachelor’s degree to be eligible for long-term assignments. The school’s goal is to fill the position with a currently licensed teacher certified in the subject area.

3. The 2015-2016 pay rates for long-term positions are indicated below. No benefits are included.:

   Teacher - $154.00 per day for 7 hour day
   Guidance Counselor - $154.00 per day for 7.5 hour day
   Nurse - $184.50 per day for 7.5 hour day

   Payment for time worked less than a full day will be pro-rated.

4. Long-term substitute assignments may include extra duties such as: planning, assessing, parent conferences, bus duty, lunch duty, detention supervision, or additional classroom supervision or other duties as requested by a school administrator. Long-term substitutes are required to fulfill these duties and any other duties, as assigned.

5. When a substitute has secured a long-term assignment, this information is entered into the automated substitute system by Sub-Central so the substitute will not receive other assignment calls that conflict with the long-term assignment.

6. Long-Term Substitutes are not paid if they do not work. This includes holidays, days when schools are closed due to emergency situations and inclement weather, and days when the sub is out due to illness or other personal reasons.

7. Up to two overlap days with a permanent employee are available to the substitute at the discretion of the school administrator.

8. Long-term substitutes in a vacant position cannot work more than 90 consecutive instructional days in the same position. Any substitute teacher working as a long-term substitute must follow the Virginia 90-Day Rule established by the Code of Virginia. It states that no substitute teacher may work in one classroom for more than 90 consecutive school days. This excludes teacher workdays and holidays. Therefore, the assignment will terminate at the end of the 90th day.

9. Long-term assignments can be terminated at any time for any reason based on the needs of the school.
SAFETY IN LOUDOUN COUNTY PUBLIC SCHOOLS

Loudoun County Public Schools has implemented several programs and procedures in order to ensure the safety of our students and staff. Our practices are continuously reviewed and revised to increase their effectiveness. Remember that being alert to activities around you leads to prevention. Always report any suspicious activity to a building administrator.

Facility Safety
The following safety procedures are in place in all Loudoun County Public Schools:

• All exterior doors will remain locked while school is in session.
• All interior classroom doors will have the lock mechanism engaged. The door may be left open and in the event a “lockdown” is called, it can be shut quickly without the necessity of finding a key. Classroom keys are no longer necessary for a lockdown.
• Subs are to share any information that may represent a security concern to the school administrator immediately.

Preparedness for Emergencies
A Division Emergency Response Plan has been formed with a central office team trained to assist in the event of a local school emergency. The Emergency Response Plan establishes the organizational base for emergency operations and defines the various roles to be carried out by local school and central office staff.

The Emergency Response Plan includes preparations for responding to:

• Acts of violence    Medical emergencies
• Fires or explosions    Severe weather – including tornadoes
• Hazardous materials incidents    Structure or utility failures
• School bus emergencies    Earthquakes

Ongoing Safety and Security Measures
Each secondary school serves as a base site for a School Resource Officer (uniformed police officer), who may also be dispatched to elementary or middle schools in the cluster. A Security Specialist is on staff at each of the high schools, in addition to the School Resource Officer.

Each classroom in the school system has an emergency call button or the availability of two-way communication. All schools have the use of two-way radios for administrators and other key personnel. In the middle and high schools there are hand-held metal detectors and alcohol detection devices. A toll-free Tip Line is available for reporting incidents (1-877-4-SAFE-VA). Conflict mediation and peer counseling programs are also available in Loudoun County Public Schools.

Substitute Teacher Responsibilities During Emergency Situations

Substitute teachers are responsible for implementing appropriate procedures to protect students. Be sure to know the emergency procedures for the school you are substituting in and how to contact the main office in the event of an emergency. Locate fire drill and tornado drill maps in the classroom and be familiar with evacuation procedures.

These responsibilities include:
1. Following procedures for evacuation.
2. Supervising evacuation of students to a designated safe area.
3. Verifying the location and status of every student and staff member assigned to his/her class during this instructional period. Take Emergency Bag/clipboard with you in an emergency. It is usually located by the classroom entry/exit door.
4. Completing the "Student Accounting Form" to be obtained from a member of the Student Accounting Team. Copies of the form are also kept in the Emergency Bag.
5. Maintaining order during the emergency and alleviating the fears of students by employing strategies to create a calming atmosphere during their supervision.
6. Remaining with students throughout the duration of the emergency until every student has been released through the official “student release process.”
7. With the principal, establishing a “teacher buddy” system to pair teachers and classes so that some teachers can carry out their duties on the Local School Emergency Team.

SAFETY IN LOUDOUN COUNTY PUBLIC SCHOOLS

Summary of Universal Precautions - Bloodborne Pathogens

Universal Precautions are the steps taken to reduce the spread of bloodborne diseases from one person to another. It is very important that these steps be fulfilled within the school to protect children, staff members, vendors, visitors, and others who have contact with the facility.

1. It is a requirement to wear vinyl or latex gloves when touching body fluids.
2. Wash hands before and after all emergency procedures. If skin comes in contact with body fluids, wash the affected area immediately with soap and water.
3. If your skin comes in contact with body fluids, report the incident at once to a school administrator or immediate supervisor. Not all reported situations will automatically be considered “exposure incidents.” Each situation will be handled on an individual basis, including the determination by OSHA standards whether or not the Hepatitis B vaccine will be offered.

The Exposure Control Manual is located in the main office of the building in which you will be substituting. If you have questions about the prevention of the spread of bloodborne pathogens, speak with a school administrator.
PROCEDURE FOR SUBSTITUTE NURSES and HEALTH CLINIC SPECIALISTS

Clinic substitutes are required to complete the clinic training prior to substituting as a School Nurse or Health Clinic Specialist. For dates and times of the clinic training, contact Student Health Services at 571-252-1017. Clinic Substitutes will also need to be in the clinic to work for 2-3 hours of “observation,” which is conducted by a member of the Student Health Services staff.

**Administrative:**
1. Know the principal's and assistant principal's name.

2. Be certain you know how to dial out on the school telephone; also know the school phone and fax numbers.

3. Wear the substitute badge.

4. Locate the Student Health Services Substitute blue accordion folder.

5. Remember that all health information is confidential. Be sensitive to the fact that others are listening, including your elementary students.

6. Familiarize yourself with the major health concerns of the school. These are listed in the front of the Medication Log/Physician Orders binder.

7. Find out when and where you are to eat lunch and who will cover while you are at lunch.

**Medication:**
1. Before you can administer medication, you must be a licensed RN, LPN, or have attended the Training and Orientation for Substitute Nurses/Health Clinic Specialists. Inform an administrator if you have not been trained in medication administration. Someone else will have to administer medication.

2. Obtain the keys to the medicine cabinets and remember that the cabinets must stay locked when you are administering medicine. The exception is the inhaler and EpiPen cabinet which is left unlocked during the day for easy access in an emergency. Keys must be kept on your person at all times and stored in a school-designated secured place at the end of the day.

3. Keep in mind the **6 Rights** when administering any medication:
   a) **Right** person
   b) **Right** medication
   c) **Right** time
   d) **Right** amount
   e) **Right** route
   f) **Right** documentation

4. Ascertain the school’s policy about administering acetaminophen (Tylenol). This varies by grade level: elementary, middle or high school.

Continued
PROCEDURE FOR SUBSTITUTE NURSES AND HEALTH CLINIC SPECIALISTS

5. Parent/guardian permission must be checked on the emergency card in order for acetaminophen to be given at school. At the elementary level, check with the parent to see if the student has had acetaminophen at home before administering at school. Notify the parent or after-school caregiver if acetaminophen was given after lunch. This is to prevent the parent/caregiver from administering acetaminophen too soon. Acetaminophen must be given according to manufacturer's directions.

6. Check the medication log to see which medications are to be given on a regular basis and locate the student if he/she does not report to the clinic. If a child routinely receives medicine, it is essential for his/her functioning in the school setting and must be administered on time each day.

7. Remember that you **MUST** have written physician orders to administer any prescription medicine: **NO exceptions**. If this problem occurs, call the Student Health Services office at 571-252-1017 or call one of the Resource Nurses for advice.

8. Remember that you must have **written** instructions from the parent/guardian to administer any over-the-counter medication. The medication can only be given according to the directions on the label. If a parent wants a larger dose to be given than is instructed on the label, a physician’s order must be provided.

9. All medications should be in their original containers. No medication in baggies, etc., can be given. New medications and refills should be counted and recorded on the medication sheet. Controlled medication (Ritalin, Dexedrine, Adderall, etc.) must be counted at the beginning and end of the clinic substitute coverage with another person. Both people counting the medication must record their initials and signature on the Controlled Medication Count form.

10. Find out if any field trips are planned for the day or the next day, as medication may need to be prepared. If you are unsure of what needs to be done to prepare for the field trip or what is to be sent with the teachers, call one of the Resource Nurses.

Continued
CLINIC PROCEDURES

1. Identify the first-aid bag and CPR mask. Know the location of the AED (Automatic External Defibrillator). The names of staff trained in CPR/AED are located on the Medical Training list posted in the clinic.

2. For injuries and illness, refer to the First Aid Guide to School Emergencies flipchart.

3. Ask an administrator or secretary if issues other than health-related ones need to be identified (example: custody issues).

4. If you are not a RN, a staff member trained in the Virginia-Mandated Diabetes Training must take care of students with diabetes.

5. All emergencies are seen first.

6. Students may lie down for 20-30 minutes. After that time, they must either return to class or, with parent's permission, go home.

7. At the elementary level if you send a student home, a parent/guardian or emergency contact must sign the student out in the office. At the secondary level, check with a secretary or administrator as to the policy for students over 18.

If you call 911, be sure that the principal and the parent are notified. In addition, notify:

- the Risk Management Supervisor (571-252-1280)
- the School Dispatch Office (703-779-8833)
- the Student Health Services Supervisor (571-252-1017)
- if it is an elementary school, the Resource Nurse for that school.

8. For all bumps on the head/head injuries:

- Student should be observed for at least 20 minutes in the clinic.
- The parent/guardian must be notified.
- A Head Injury Form must be sent home.
- An Injury/Incident Form must be completed.
- All students need to return to the clinic after two hours for rechecking. All elementary students should take the "Head Injury Alert" (bright red card) back to the classroom teacher as a reminder.

9. Keep health notes on each student who comes to the clinic on the form "LCPS Health Office Visit Record". This form includes places to document medication administered, diabetes care provided, procedures performed, and other documentation that is required about each visit. You must sign your name on each student’s visit record.

10. If you have questions or concerns, call the Resource Nurse assigned to the school or the Student Health Services Office (571-252-1017).

*Moveable Student Holiday

*NOTE: Parents with childcare or other weekday scheduling concerns - The date of the Moveable Planning/Records/Conference Day between the first and second semesters may change if the school calendar must be changed due to school closings for inclement weather or other emergencies.*
SCHOOL CANCELLATION or DELAYED OPENING

When conditions require school closings, delays, or early dismissal of students, announcements will be made to the following radio and TV stations:

- **WTOP – 103.5 FM/103.9 FM**
- **WINC - 92.5 FM**
- **WTOP - 1500 AM**
- **WMAL - 630 AM**
- **WRC TV 4**
- **WTTG TV 5**
- **WJLA TV 7**
- **WUSA TV 9**
- **News Channel 8**
- **LCPS-TV/Channel 18-Comcast, Channel 43 Verizon FIOS, Channel 42 Open Band**

Check the LCPS website at www.lcps.org for calendar or schedule changes. Substitutes should not call school officials or radio stations to find out if schools are being closed. Telephone lines must be kept open to enable schools and radio stations to receive notifications of school closing.

You may also wish to receive Loudoun County emergency, weather, and school closing text and e-mail notifications. Log onto https://alert.loudoun.gov to register your phone numbers and e-mail addresses.

In the event of a delayed opening, please stay tuned to the radio/television station for at least one hour in case some change in the weather causes schools to be closed for the day.

If it becomes necessary to open schools late or close schools early due to inclement weather conditions, subs will observe the same arrival/dismissal schedule as students or until dismissed by the administrator of your building. If schools open late, subs are paid for the original time of the assignment for jobs picked up prior to the official LCPS announcement of a school delayed opening. Subs are not paid for assignments on days of school closings.

When schools are cancelled before the start of school, substitutes are not expected to report to their assignment and will not be paid for the assignment time.

Assignments will be cancelled or times updated in SmartFind Express as soon as possible by Sub-Central or the school.
Preparing for your assignment:
- Dress neatly and appropriately for the assignment.
- If possible, arrive at least 20 minutes prior to the beginning of school.
- Be sure to take along your sense of humor and your Super-Sub Pack.

Prior to entering the class:
- Report to the main office to sign-in.
- Pick up a Substitute Identification Badge.
- Ask about student passes, playground rules, bus duty, and lunch procedures.
- Ask if there will be any special duties associated with the regular employee’s assignment.
- Find out how to refer a student to the office.
- Look for fire alarm and know drill directions.
- Check on location of gloves for exposure incidents and/or additional protective devices.
- See if any child has medical concerns.
- Find out how to report absences and tardiness.
- Find the location of restrooms, employees’ lounge, and health clinic.
- Ask the names of the teachers on both sides of your classroom and, if possible, introduce yourself to them.

In the classroom:
- Enter the classroom with confidence. The first impression can take you a long way.
- Check for the exit map located by the door and for the emergency call button.
- Locate sub plans. If you cannot find them, check with another teacher or the office staff.
- Write your name on the board and introduce yourself.
- Review lesson plans and follow as closely as possible.
- If audio or visual equipment is needed, make sure it is in the classroom and working properly.
- If money is to be collected, record the amount, the name of the pupil, and the purpose for the collection on a sheet to be turned in to the office at the end of the school day.
- Check to see if all the books, handouts, and paper are close at hand or in the classroom.
- Check the seating chart.

End of day:
- Remind students of homework. Have students clean their desks and the area around their desks.
- Leave desk, books, and room in good order.
- Be sure to leave a note for the teacher giving details for the day. You can find a form to use on sub4loudoun.com.
- Return identification badge, teacher materials, and any other pertinent items to the school secretary.
- Turn in any money collected. Fill out paperwork for payment and turn in with other materials.

Continued
There will be situations when the teacher will leave lesson plans that are difficult to decipher or too short for the time available. These situations leave you with the task of having to fill that time with manageable and worthwhile activities on your own. Every good substitute should have some tried and true activities. The following items listed below can help you create your own "SUPER SUB PACK."

- **The Substitute Teacher Handbook (STEDI)**
- A package of colored markers or pencils
- Several ball-point pens (red, blue, black)
- Pencils
- A roll of tape
- A pair of scissors
- A needle and small spools of dark and light thread, plus a safety pin or two
- A coffee cup and perhaps a tea bag or hot chocolate packet or two
- A few favorite picture books
- A number cube for games
- Several post-it notes
- Name tags
- 5 x 8 cards
- Non-food item rewards such as unscented stickers

**SUGGESTED ACTIVITIES FOR USE BY SUBSTITUTE TEACHERS**

A substitute teacher may use learning activities when regular classroom plans change.

Planning for these activities should allow for various levels of difficulty according to the needs of the students. As a substitute, you can use your creativity and imagination to meet the student’s program requirements.

**Writing Activities:**

Choose a word, name of the school, a month, names in the news, a day, or a season and see how many words students can make from that word.

Choose an item (a seashell, a pencil, a football, a flower, etc.) and ask the students to write:

- A paragraph describing the item
- Directions for the use of the item
- Directions where the item is hidden in the room
- Fantasy stories from the item’s point of view

SMARTFIND EXPRESS

OVERVIEW

LCPS utilizes the SmartFind Express (SFE) program from eSchool Solutions. SFE is an automated sub management system that can be accessed by substitutes online or by phone.

- Substitutes can change their availability/unavailability and locations and classifications at any time.

**Please Note:** New Procedure for Accessing the Substitute Profile Sheet

To create and/or update your profile, please go to SmartFind Home page or [www.sub4loudoun.com](http://www.sub4loudoun.com) for specific directions.

- Substitutes have the option of searching for assignments in several ways: 1) accessing SFE by computer, 2) accessing SFE by phone, 3) contacting Sub-Central to see if an assignment is available or requesting placement in an assignment they have seen in available jobs.

- Substitutes can only search for same day assignments until 12:00 noon each day. After 12:00 noon you can search for future assignments.

- When contacted through the callout system, substitutes can decline up to 3 assignments in a single day, after which no further attempts will be made by the system to offer assignments.

- You will receive a job number for each assignment that you accept.

- If you find that you need to cancel an assignment the morning of the job, cancel the assignment in SFE (up to 1 hour before the start of the assignment), and then call the school to advise them of the cancellation. You will not be able to pick up another assignment for that day.

- Please refer to your SmartFind calendar for daily assignments and time changes or cancellations. It is your responsibility to check your calendar just before leaving for your assignment to confirm the details of your assignment. Schools can make adjustments to the assignment at any time. E-mail notifications are not sent for changes or cancellations. You must have a job number for your assignment. No job number, no job.

Quick reference instructions are included in this section of the guide and are also available at [www.sub4loudoun.com](http://www.sub4loudoun.com).
