Benefits Update

Healthcare Coverage

The School Board of Miami-Dade County, Florida, is committed to providing you and your eligible dependents with the highest quality of benefit selections available. The following healthcare plans are being offered for the 2011 Plan Year:

- **CIGNA Open Access Plus (OAP) 10** – This is an open access plan that does not require you to choose a primary care physician. You may choose the physician of your choice. However, to receive your maximum benefit, you should select a doctor from the list of participating Open Access Plus providers.
  - There is a cost to you for this plan. This per pay check amount will be based on your base salary. NOTE: The deductions are not changing from 2010, unless your benefit salary has changed.
  - OAP 10 offers an in and out of network option at the time of service.
  - OAP 10 does not have an In-Network deductible.
  - OAP 10 has a co-insurance that applies for all services that do not have set co-pays.

- **CIGNA Open Access Plus (OAP) 20** – This is an open access plan that does not require you to choose a primary care physician. You may choose the physician of your choice. However, to receive your maximum benefit, you should select a doctor from the list of participating Open Access Plus providers.
  - Your School Board is contributing to your employee only coverage and there is no cost to you.
  - OAP 20 offers an in and out of network option at the time of service.
  - OAP 20 has a deductible.
  - OAP 20 has a co-insurance that applies for all services that do not have set co-pays.

**Dependent Coverage for 2011**

- The School Board will continue to offset the cost of your dependent coverage significantly for 2011.
- Dependent Social Security numbers are required during Open Enrollment. If your dependent’s Social Security number is not provided, coverage for the dependent cannot be processed via the on-line enrollment. For additional information, call 1-800-342-8017.
- Documentation of your dependent’s eligibility must be provided. Eligibility Documentation requirements can be found on pages 22-24.
- Children can include natural born children, stepchildren, adopted children and children for whom you have been appointed legal guardian. Your unmarried children are eligible from birth until the end of the year in which the child reaches age 26, if the child is: (1) dependent on you for support; or (2) lives in your household; or (3) is enrolled full time or part time in an accredited school, college or university. See also Adult Child on Page 25.
- Children of your Domestic Partner are eligible for coverage only if the Domestic Partner is also included in the coverage. 

- Dependent healthcare premiums will be taken on a post tax basis. Additionally, you must pay the tax liability on the monthly contribution (dependent subsidy) that the Board pays on your behalf.

**Flexible Benefits**

- Short-Term Disability coverage continues to be provided at no cost to you. In addition, the upgrades and LTD is also being offered.
- Miami-Dade County Public Schools will continue to offer a broad range of high-quality, elective benefits at very competitive prices, including:
  - Dental provider MetLife dental is offering MetLife SafeGuard DHMO, a comprehensive DHMO plan. You will need to choose your dental provider at the time you enroll. Your selected general dentist will refer you directly to a contracted specialty care provider; no additional referral or pre-authorization from SafeGuard, a MetLife Company, is required.
  - MetLife Indemnity Dental Plans continue to be offered.
  - Vision provider: UnitedHealthcare offers access to both private practice and retail chain providers that provide quality eye care and materials.
  - Choose from two Legal plans: The ARAG legal plan and the US Legal plan
  - Identity Theft Protection. ID Watchdog offers identity theft protection by verification of your identity, monitoring, detection and resolution of fraud.
  - Hospital Indemnity coverage
  - Short-Term Disability upgrades
  - Long-Term Disability
  - MetLife Term Voluntary Life insurance
  - MetLife Accidental Death and Dismemberment coverage.
  - Flexible Spending Accounts
The Patient Protection and Affordable Care Act (PPACA) Healthcare Reform approved by congress and signed into law by President Obama changes the way some Over-the-Counter (OTC) items qualify for Flexible Spending Account (FSA) reimbursement. Beginning January 1, 2011, certain OTC drugs and medicines will no longer be eligible for reimbursement without a prescription from your attending provider. FBMC will continue to provide updates and post an updated OTC category list on this site as information becomes available. It’s important to remember that you can still use your FSA funds for other eligible medical expenses and prescription purchases at pharmacies. Unaffected OTC items will still be reimbursable, as well as affected OTC items with a doctor’s prescription. Please visit www.myFBMC.com for more information. If you have any questions regarding this new legislation, please contact FBMC Customer Care.

Evidence of Insurability (EOI)

If you are a current employee who chose not to enroll previously in Long-Term Disability or one of the Short-Term Disability buy up plans, you must now complete an Evidence of Insurability (EOI) form before you are considered for coverage. Existing employees currently enrolled in one of the Short-term buy up plans or Long-term plans and not making changes during this enrollment will continue with their current coverage. New hires do not need to provide EOI. Current employees electing this benefit during the 2011 Open Enrollment must complete an EOI form which will be verified by The Hartford. If your buy up or LTD EOI is approved, the effective date of this benefit will be the first of the month following your first payroll deduction.

NOTE: Your online confirmation notice will reflect a $0.00 deduction for this benefit which will change if your EOI is approved. The deduction will be taken on the last paycheck of the month after your approval, which makes your benefit effective the first of the following month after your first payroll deduction.

EOI forms will be distributed by The Hartford. For any questions, you may call a Hartford Representative at 1-800-741-4306.

Who Is Eligible for Coverage*

**Who is an eligible dependent?** An eligible dependent is defined as:

**SPOUSE:** Your spouse is considered your eligible dependent for as long as you are lawfully married.

**DOMESTIC PARTNER:** Your Domestic Partner is eligible for coverage as long as he/she:
- is of the same or opposite sex
- shares your permanent residence
- has resided with you for no less than one year
- is no less than 18 years of age and is not related to you by blood in a manner that would bar marriage under applicable state laws
- is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements:
  - joint mortgage or lease for a residence
  - joint ownership of a motor vehicle
  - joint bank or investment account, joint credit card or other evidence of joint financial responsibility
  - a will and/or life insurance policies which designates the other as primary beneficiary, beneficiary for retirement benefits, assignment of durable power of attorney or health care proxy.

To add a Domestic Partner, an employee must register, under applicable state or municipal laws or provide a duly sworn Affidavit of Domestic Partnership confirming the eligibility above. In addition, the definition of domestic partner will be met as long as neither partner:
- Has signed a domestic partner affidavit or declaration with any other person within 12 months before designating each other as domestic partner
- Is not legally married to another person, or
- Does not have any other Domestic Partner, spouse or spouse equivalent of the same or opposite sex.

**NOTE:** A Domestic Partner and the child(ren) of a Domestic Partner are eligible. They do not qualify for IRS Section 125. All employee-paid benefits will be on a post-tax basis. Additionally, you must pay the tax liability on the monthly contribution (dependent subsidy) that the Board pays on your behalf. Domestic Partners or their child(ren) who do not meet the eligibility criteria, will have benefit(s) coverage terminated and any claims incurred will not be paid. All other selected employee-paid benefits will continue for the remainder of the plan year on a post-tax basis. The Domestic Partner must also be included in that coverage. Domestic Partners and/or their children do not qualify as eligible dependents for FSA Reimbursement.

**CHILDREN:** Children can include natural born children, stepchildren, adopted children and children for whom you have been appointed legal guardian. Children of your Domestic Partner are eligible for coverage only if the Domestic Partner is also included in the coverage.

- For Healthcare, Dental and Vision benefits: your dependent is eligible for coverage through the end of the year that they turn 26. Coverage applies whether they are/are not married or is/is not a student. For the full definition of an eligible child, view the FSA FAQs at [www.myFBMC.com](http://www.myFBMC.com).
- For all other benefits, your unmarried children are eligible from birth until the end of the year in which the child reaches age 25, if the child is: (1) dependent on you for support; or (2) lives in your household; or (3) is enrolled full time or part time in an accredited school, college or university.

**NEWBORN CHILDREN:** A natural born child, adopted child, the child of your Domestic Partner, or a child for whom you have been appointed legal guardian who is born or becomes eligible while a policy is in effect will be covered from date of birth/event. However, coverage is not automatic. You must request a Change In Status Election form within 30 days of the event and add your newborn child(ren)’s information.

**NOTE:** Your newborn will be covered free of charge for the first 31 days. However, You must call and request a Change in Status (CIS) form within the 30 days for coverage to become active.

- If you request your dependent’s coverage be terminated within the first 31 days, the termination is effective the day you request it, but or no later than the 31st day, You will have to submit your cancellation in writing.
- If you do not submit your dependent’s termination of coverage in writing, your dependent will remain actively enrolled and you will be billed from the 32nd day. You will pay the daily newborn rate till the day prior to the next available payroll, then you will pay the full prepay deduction.
- If you add your dependent after the 31st day but within 60 days from birth/event, your dependent will be effective retroactive to the day of birth and the you will be charged the full prepay deduction.

**DISABLED CHILDREN:** Coverage may be kept in force beyond the age limit for any child who becomes totally disabled while covered under any of the plans. However, if coverage is terminated, it cannot be reinstated even during Open Enrollment. Proof of disability (Social Security disability papers) must be provided to FBMC - 1501 NE 2nd Avenue, Suite 335, Miami, FL 33132.

**GRANDCHILDREN:** A newborn child of a covered dependent is eligible from birth until the end of the month in which the child reaches 18 months of age. However, if the parent becomes ineligible during the grandchild’s 18 months eligibility period, coverage for both the parent and the child will terminate.

**NOTE:** Hospital Indemnity Plan Coverage offered by LINA does not cover grandchildren.
ADULT CHILD: Rules governing dependent coverage have changed. A provision in the new Patient Protection and Affordable Care Act (PPACA) Healthcare Reform allows for an employee’s dependent to be covered under the employee’s healthcare plan until they reach age 26. However, the School Board will continue to provide coverage for regular dependents until the end of the calendar year in which they reach the age of 26. The dependent will be deemed an Adult Child the following calendar year. For the full definition of an eligible child, view the FSA FAQs at www.myFBMC.com. Under Florida law, a dependent adult child ages 26 – 30 may be considered an eligible dependent for the purpose of “health” insurance.

For medical coverage offered under the M-DCPS plan, you may add or continue to cover your dependent until the end of the calendar year in which the child reaches the age of 26-30, if the adult child:
- Is dependent upon you for support;
- Is not provided coverage as a named subscriber, insured, enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.

In addition, the following dependent eligibility documents must be submitted with your completed enrollment form prior to the adult child dependent being added to your healthcare coverage:
- Affidavit of Eligibility (enclosed in this package)
- Birth certificate or court documents of adoption/guardianship/legal custody
- Social Security Number
- Driver License

NOTE: A currently covered adult child will not automatically remain covered for next year, they must be re-enrolled.
**Flexible Spending Accounts**

**Whose medical expenses can I include in my Medical Expense FSA?** You can include medical expenses you paid for your spouse or dependent. A person generally qualifies as your dependent for purposes of the medical expense deduction if:

1. That person lived with you for the entire year as a member of your household or is related to you.
2. That person was a U.S. citizen or resident, or a resident of Canada or Mexico for some part of the calendar year in which your tax year began, and
3. You provided over half of that person’s total support for the calendar year. You can include the medical expenses of any person who is your dependent, even if you cannot claim an exemption for him or her on your return.

Domestic Partners and their children are ineligible.

**NOTE:** The Patient Protection and Affordable Care Act (PPACA) Healthcare Reform approved by congress and signed into law by President Obama changes the way some Over-the-Counter (OTC) items qualify for Flexible Spending Account (FSA) reimbursement. Beginning Jan. 1, 2011, certain OTC drugs and medicines will no longer be eligible for reimbursement without a prescription from your attending provider. FBMC will continue to provide updates and post an updated OTC category list on this site as information becomes available.

It’s important to remember that you can still use your FSA funds for other eligible medical expenses and prescription purchases at pharmacies. Unaffected OTC items will still be reimbursable, as well as affected OTC items with a doctor’s prescription or Letter of Medical Need. Please visit [www.myFBMC.com](http://www.myFBMC.com) for more information. If you have any questions regarding this new legislation, please contact FBMC Customer Care.

**Whose dependent care expense can I include in my Dependent Care FSA?** Your child and dependent care expenses must be for the care of a qualifying person.

A qualifying person is:

1. Your dependent child who is 12 years of age or younger when the care was provided and for whom you can claim an exemption,
2. Your spouse who was physically or mentally not able to care for himself or herself, or
3. Your dependent who was physically or mentally not able to care for himself or herself and for whom you can claim an exemption. See the Dependent Care FSA section of this guide for more details.

A partial list of eligible dependent care expenses, include:

- babysitting fees
- day care services
- elder care services
- summer day camps

Additional information is found on Page 61.
**Effective Date of Coverage**

1. **When are benefits for the new plan year effective and for how long?** Current employee benefits become effective on January 1, 2011 of this plan year and continue through December 31, 2011 as long as full-time employment is continued. Should employment terminate, coverage will cease at the end of the calendar month in which employment terminates. Benefits will remain in effect through August 31 for 10-month employees who terminate employment during the last month of the school year.

**NOTICE:** An individual who loses coverage under the plan becomes entitled to elect COBRA. The individual has the right to continue his or her medical, dental and vision coverage under COBRA law for a period of 18 months and/or Medical Expense FSA deposits until the end of the plan year following termination of employment. The individual must notify the COBRA Specialist at the Office of Risk and Benefits Management.

**COBRA**

2. **When should I drop my dependent child who reaches age 26?** If your dependent child reaches age 26 in the 2011 Plan Year (born in 1985), coverage for the ineligible dependent will be terminated at the end of the plan year.

Claims will not be paid nor will premiums be automatically refunded for ineligible dependents:

However, you may continue to cover your adult child until the end of the calendar year in which the child reaches the age of 30, if the child:

- Does not have a dependent of his or her own
- Is a resident of Florida, and
- Is not provided coverage as a named subscriber, insured, enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.

- In addition, currently covered adult children who are turning age 30 in 2011 are eligible for COBRA and a package will be sent. If your currently covered adult child is still eligible, you must re-submit your adult child’s documentation. Your adult child may enroll for 2011.
- Currently covered adult children will also receive a COBRA enrollment package.

**DISABLED CHILDREN:** Coverage may be kept in force beyond the age limit for any child who becomes totally disabled while covered under any of the plans. However, if coverage is terminated, it could never again be reinstated. Proof of disability must be provided to FBMC - 1501 NE 2nd Avenue, Suite 335, Miami, FL 33132.

3. **How can my qualified dependent continue coverage under medical, dental or vision plans?** Within 30 days from the date of loss of eligibility, your qualified dependent must notify the COBRA Representative in the Office of Risk and Benefits Management at (305) 995-1285, (305) 995-7137 or (305) 995-1738. A qualifying event notice and an application will be forwarded to the qualified dependent within 30 calendar days.

4. **How long does the qualified dependent have to make his/her COBRA elections?** The qualified dependent has a 60-day period to elect whether to continue coverage. Once a qualified dependent has elected COBRA, he/she has 45 days to pay for the coverage. COBRA is retroactive if elected and paid for by the qualified dependent.

5. **What are the periods of coverage for COBRA qualifying events?** If the qualifying event is the employee’s termination of employment, the employee, spouse, and dependent child are eligible for COBRA for up to 18 months; if the event is a divorce or death of a covered employee, the spouse and dependent child are eligible for coverage for up to 36 months; and if the event is loss of a “dependent child” status, the dependent child is eligible for 36 months.

You may elect to continue your Medical Expense FSA and continue to receive reimbursements through the end of the plan year. To continue your Medical Expense FSA, contact a COBRA Representative at (305) 995-7169, (305) 995-1738 or (305) 995-7137.

**Board-Approved Leave of Absence**

6. **If I take a Board-approved leave of absence, whom do I contact about my benefits?** Once your leave is approved and the Office of Risk and Benefits Management receives notification, you will be eligible for applicable benefits according to your Bargaining Unit and type of leave. You will be billed for any employee-paid benefits.

Miami-Dade County Public Schools implements the Family and Medical Leave Act of 1993 (FMLA) through provisions contained in the School Board Rules and collective bargaining agreement.

For questions regarding your benefits while on leave, please call 305-995-7129 and ask to speak with a leave billing specialist.

7. **What if I am unable to pay premiums while on leave?** The benefits for which you have been billed will be cancelled if payment is not received by the due date and any claims incurred will not be paid unless otherwise provided by law.

Employer-paid benefits will be automatically reinstated upon your return to work. However, in order to reinstate any employee-paid benefits cancelled due to non-payment while on leave, you must request a Change in Status Election form. See the Changes in Status event information on Page 27 for further details.
Benefits at Retirement

8. If I retire, whom do I contact for benefits information? When you complete your retirement papers, the Retirement Office will notify the Office of Risk and Benefits Management and a package will be mailed to your home containing the information you need to continue your Healthcare coverage, life insurance benefits and flexible benefits plans after you retire. You will have 30 days to select your benefits. Only those dependents which were covered under your medical and flexible benefits plan at the time of your retirement will be eligible to continue coverage. You may add or drop dependents during the annual Open Enrollment for retirees. You may only continue life insurance and accidental death and dismemberment at the same level in effect at your retirement. If you retire while on a leave of absence and have no active healthcare and/or flexible benefits at retirement, you will not be eligible to enroll in any benefits not in effect. You may contact the Office of Risk and Benefits Management at 305-995-7129 for questions.

Termination of Employment

9. Does my insurance coverage end when I terminate my employment? Benefits for you and your dependents continue to the end of the calendar month in which you terminate employment. However, benefits for 10-month employees who terminate at the end of the school year remain in effect through August 31, provided they work during the last month of the school year.

10. Can I continue my own and my dependents’ medical, dental and vision coverage if I terminate employment? Yes. According to federal and state law, you can continue your own and/or your dependents’ coverage for a period of 18 months following a termination of employment by applying for COBRA. You will be notified of these rights when you terminate; or you can call the Office of Risk and Benefits Management at (305) 995-1285, (305) 995-7137 or (305) 995-7169. and speak to a COBRA Representative to inquire further on what benefits will be available to you.

11. Can I continue my Board Life insurance if I terminate? You may apply for a conversion policy for all or any portion of your or your dependents’ life insurance in effect at termination. You must complete a conversion application, which is available from Metropolitan Life Insurance Company by calling (305)-995-7029 within 31 days of termination.

12. What happens to my FSA contributions if I terminate employment or retire? If you terminate employment or retire, your FSA contributions will stop with the pay period preceding your last day of employment and use of your Payment Card will be suspended. You cannot continue to submit expenses incurred after your benefits end date for reimbursement from your Medical Expense FSA unless you continue to make post-tax contributions to your account through COBRA. Eligible Dependent Care expenses incurred after termination of employment are reimbursable until funds in your account are exhausted.

Remember, you have until April 15, 2012, to submit a request for reimbursement for expenses incurred before your benefits end date. See the Flexible Spending Accounts section of this guide for more details.

Claims and Claim Forms

13. What claim form must I complete for my dental and vision benefits? Claim forms are available at the Office of Risk and Benefits Management or online at www.dadeschools.net., and click on Employee Benefits, then on the Claim Form link.

14. When do I request a claim form for my Short-Term and Long-Term Disability? The Hartford must receive notification no later than 90 days after your elimination period. You must notify The Hartford at 1-800-741-4306.

How does the Flexible Benefits Plan affect other benefits?

15. Your Retirement Benefits
Your contributions to the FlexPlan do not reduce your future Florida Retirement System (FRS) benefits or current contributions to FRS.

Tax Sheltered Annuity
Participating in the FlexPlan does not affect your Tax Sheltered Annuity (TSA) contribution. That is, FlexPlan contributions do not reduce includable compensation* from which the maximum deferrable amount is computed under the 403(b) plan.

*Includable compensation is the gross income shown on your W-2 form.

Social Security
Social Security consists of two tax components: the FICA or OASDI component (the tax for old-age, survivors’, and disability insurance) and the Medicare component. A separate maximum wage to which the tax is assessed applies to both tax components. There is no maximum taxable annual wage for Medicare. If your annual salary after salary reduction is below the maximum wage cap for FICA, you are reducing the amount of taxes you pay and your Social Security benefits may be reduced at retirement.

However, the tax savings realized through the Flexible Benefits Plan generally outweigh the Social Security reduction. Call the FBMC Customer Care Center at 1-800-342-8017 for an approximation.

Itemized Deductions
The portion of your salary set aside for benefit premiums and FSAs through the FlexPlan will not be included in the taxable salary reported to the IRS on your W-2 form. However, your contributions to your Dependent Care FSA will appear on your W-2 form for informational purposes only. You will not have to claim these payments as deductions at the end of the year. Your pre-tax FlexPlan reductions cannot be used as itemized deductions for income tax purposes at the end of the year.
Pre-tax/Post-tax
Employees who wish to have their 2011 premiums deducted POST-TAX may do so by indicating so during their enrollment. If a selection is not made, applicable deductions and employer contributions will continue on a pre-tax basis. Regardless of your selection, Flexible Spending Accounts are always PRE-TAX. Your Legal Plan, SeniorAdvocate Plan, and Long-Term Disability (LTD) are always POST-TAX.

When an employee elects pre-tax deductions, all employee-paid premiums will be taken prior to federal withholding tax. All benefits are subject to pre-tax deductions except those that are not exempt from taxation — Legal Coverage, LTD and the SeniorAdvocate Program. When an employee elects post-tax deductions, all employee-paid premiums will be taken after federal withholding tax has been taken. All benefits are subject to post-tax deductions except those that are exempt from taxation.

If you elect to upgrade your Board-Paid Standard Short-Term Disability plan, your premiums will be deducted on a PRE-TAX basis and you will receive a W-2 form for the calendar year in which benefits were paid. However, if your premiums were paid on a POST-TAX basis, benefits paid to you will not be taxed. The premiums paid by the School Board for the Standard Short-Term Disability plan will be on a PRE-TAX basis.

Employees who elect coverage for Domestic Partners and their dependents will automatically have post-tax deductions on all employee-paid benefits except those that are exempt from taxation. Additionally, you must pay the tax liability on the monthly contribution (dependent subsidy) that the Board pays on your behalf. Should the Domestic Partner coverage be denied, all benefits will continue on a post-tax basis except those that are exempt from taxation.

** Please see each product page for specific dependent eligibility information. Eligibility for healthcare, dental, and vision will be verified by the contract administrator, Fringe Benefits Management Company. For a list of required documentation, see Page 22. If proof is not submitted by 12/31/10, the dependent coverage will be terminated and claims will not be paid. If dependent coverage is terminated and premiums were deducted, refunds will not be automatically issued. To request a refund, if applicable, contact Payroll Deduction Control at 305-995-1655. All other benefits will be verified by the individual insurance company at the

Adult Child Notice

Important Notice!!!

In order to continue coverage of your currently enrolled Adult Child, you must re-enroll and re-submit the dependent eligibility documentation by the November 23, 2010 enrollment deadline.

Rules governing dependent coverage have changed. A provision in the new Patient Protection and Affordable Care Act (PPACA) Healthcare Reform allows for an employee's dependent to be covered under the employee's healthcare plan until they reach age 26. However, the School Board will continue to provide coverage for these dependents until the end of the calendar year in which they reach the age of 26. The dependent will be deemed an Adult Child the following calendar year. For the full definition of an eligible child, view the FSA FAQs at www.myFBMC.com. Under Florida law, a dependent adult child ages 26 – 30 may be considered an eligible dependent for the purpose of “health” insurance.

For medical coverage offered under the M-DCPS plan, you may add or continue to cover your Adult Child until the end of the calendar year in which the adult child reaches the age of 26-30, if the adult child:
- Is dependent upon you for support;
- Is not provided coverage as a named subscriber, insured, enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.

In addition, the following dependent eligibility documents must be submitted with your completed enrollment form prior to the adult child dependent being added to your healthcare coverage:
- Affidavit of Eligibility
- Birth certificate or court documents of adoption/guardianship/legal custody
- Social Security Number
- Driver License

NOTE: To continue to cover your adult child dependent, you must re-enroll and re-submit dependent eligibility documentation with your enrollment form. If dependent eligibility is not received, your current covered adult child will be cancelled December 31, 2010.

NOTE: If you are covering other children, your adult child must be covered under the same healthcare plan, and the adult dependent premium is in addition to the under age 26 children rate.

To request an Adult Dependent enrollment package, call FBMC at 800-342-8017, M-F, 7 AM to 10 PM. An enrollment form and Affidavit of Eligibility will be mailed to your home address the following business day. Your completed form, affidavit, and dependent eligibility documentation must be received by the due date noted on the form.
Can I add or delete dependent coverage and make changes in my benefit elections during the year?

A participant is permitted to make changes to his or her elections mid-plan year only for a legitimate Change in Status (CIS). Meaning, “on account of and corresponding with a Change in Status that affects eligibility for coverage.” If you experience a qualifying CIS Event, the election changes must be requested within 30 days from the qualifying event and the change must be consistent with the type of event. However, you cannot change your medical or dental plan insurance provider. You may add dependents to your existing coverage or delete your dependents. Please refer to the Change in Status events information on Page 27 of this guide.

If I experience a CIS event, how and when must I request the CIS form in order for the change to be approved?

You must call Fringe Benefits Management Company at 1-800-342-8017 within 30 days from the date of the valid event and request a Change In Status Election Form.

Documentation supporting the Change in Status must be submitted with the form. Requests made after the 30th day from the valid event date and forms and documentation received after the due date, will not be granted. You will have to wait until the following annual Open Enrollment period to make any changes to your benefits.

When I add dependents through a CIS event, when do their benefits become effective?

Coverage for your dependents becomes effective on the 1st of the month following your first payroll deduction, except for newborns** and adopted dependents. Your newborn dependents are covered from their date of birth; adopted dependents are covered effective the date of placement. Documents validating the CIS event and dependent’s eligibility are required at time of request.

** Your newborn will be covered free of charge for the first 31 days. Your newborn child is not automatically enrolled by your employer or group health plan.

You must add your newborn dependent within 30 days, even if your current coverage includes employee and children, or employee and family coverage or employee and Domestic Partner and their child(ren). Don’t forget to include the proper documentation when adding a dependent. See Page 16 through 27 of this guide for more details.

- If you request your dependent’s coverage to be terminated within the first 31 days, the termination is effective the day you request it, or no later than the 31st day.
- If you do not request to terminate your dependent, your dependent will remain actively enrolled and you will be billed from the 32nd day. You will pay the daily newborn rate till the day prior to the commencement of the next available payroll, then you will pay the full premium.

- If you add your dependent after the 31st day but within 60 days from birth, coverage will be effective retroactive to the day of birth and you will be charged the full premium.

When I delete a dependent through a Change In Status, when does their coverage terminate?

Coverage for your dependent(s) is terminated effective the last day of the month after receipt of a completed Change in Status Form and supporting documentation.

NOTE: Any 10-month employee submitting a Change in Status Form after the end of the school year will have the form processed with a benefits termination date of August 31.

If I decline School Board Healthcare coverage, but I lose my other coverage, can I re-enroll under a School Board plan mid-year?

You may only enroll in a School Board Healthcare plan mid-year if you have lost other group insurance coverage. Supporting documentation will be required.

Domestic Partners and their Child(ren)

The Internal Revenue Service (IRS) Section 125 “Change In Status: Rules and Guidelines” does not apply. An employee may terminate their Domestic Partners and/or child(ren) at any time of the year, but may not reinstate their coverage until the following Open Enrollment period (effective January 1 of the following plan year) as long as all of the eligibility criteria has been met again. An employee may add their Domestic Partner if eligibility requirements are met during the plan year or due to loss of other group coverage.

An employee and their Domestic Partner must sign an Affidavit of Domestic Partnership which states that the employee and domestic partner are:

- Each eighteen years of age or older and mentally competent
- Have a close and committed personal relationship, and are each other’s sole domestic partner not married to or partnered with any other spouse, spouse equivalent or domestic partner
- Have provided true and accurate required documentation of their relationship, and
- Each understands and agrees that in the event any of the statements set forth on the affidavit are not true, the insurance or health care coverage for which the Affidavit is being submitted may be rescinded and/or each shall jointly and severally be liable for any expense incurred by the employer, insurer or health care entity.
- Employee-paid benefits will be taken on a post-tax basis.
- Employee must pay tax liability on the monthly contribution (dependent subsidy) that the Board pays toward dependent coverage.

PLEASE REFER TO PAGE 27 OF THIS GUIDE FOR CHANGE IN STATUS EVENTS.
**Mid-Year Benefit Changes In Status (CIS)**
Forms must be requested within 30 days from the date of the event listed below. You must contact FBMC at 1-800-342-8017 for a CIS election form. Appropriate documentation supporting the Change in Status Event is required when returning the form.

**Marital Status**
A change in marital status includes marriage, death, divorce or annulment (legal separation is not recognized in the State of Florida).

**Change in Number of Eligible Dependents**
A change in number of dependents includes the following: birth, death, adoption and placement for adoption and change in marital status. Existing eligible dependents can also be added whenever a dependent gains eligibility as a result of a valid CIS event.

**Change in Status of Employment Affecting Coverage Eligibility**
Change in employment status of the employee, or a spouse or dependent of the employee that affects the individual’s eligibility under an employer’s plan; such as commencement or termination of employment.

**Gain or Loss of Dependents’ Eligibility Status**
An event that causes an employee’s dependent to satisfy or cease to satisfy coverage requirements under an employer’s plan due to: attainment of age; student status; marital status; employment status.

**Change in Residence**
A change in the place of residence of the employee, spouse or dependent that affects eligibility to be covered under an employer’s plan, such as moving out of the network service area (except for Medical Expense FSAs).

**Open Enrollment Under Other Employer’s Plan**
You may make an election change when your spouse or dependent makes an Open Enrollment Change in coverage under their employer’s plan if*:
- their employer’s plan year is different from your employer’s plan year,
- they participate in their employer’s plan, and
- their employer’s plan permits mid-plan year election changes under this event.

**Judgement/Decree/Order**
If a judgement, decree or order from a divorce, annulment or change in legal custody requires that you provide accident or health coverage for your dependent child (including a grandchild who is your dependent), you may change your election* to provide coverage for the dependent child. If the Order requires that another individual (including your spouse and former spouse) cover the dependent child and provide coverage under that individual’s plan, you may change your election to revoke coverage only for that dependent child and only if the other individual actually provides the coverage.

*Does not apply to Dependent Care FSA.

**Medicare/Medicaid/Kidcare**
Gain or loss of Medicare/Medicaid eligibility and enrollment may trigger a permitted election change. Documentation indicating effective date of event and affected dependents must be presented with CIS form.

**HIPAA**
If your employer’s group health plan(s) are subject to HIPAA’s special enrollment provision, the IRS regulations regarding HIPAA’s special enrollment rights provide that an IRC Sec. 125 cafeteria plan may permit you to change a salary reduction election to pay for the extra cost for group health coverage, on a pre-tax basis, effective retroactive to the date of the CIS event, if you enroll your new dependent within 30 days of one of the following CIS events: birth, adoption or placement for adoption. Note that a Medical Expense FSA is not subject to HIPAA’s special enrollment provisions if it is funded solely by employee contributions.

**Other Election Changes**
Domestic Partner and their children: The Internal Revenue Service (IRS) Section 125 “Change in Status” rules and guidelines do not apply. An employee may terminate coverage for their Domestic Partner and/or their child(ren) at any time of the year, but may not reinstate their coverage until the following Open Enrollment Period (effective January 1 of the following plan year) as long as all of the eligibility criteria has been met once again. You may add a dependent if eligibility requirements are met during the plan year or due to loss of alternative group coverage.

* Does not apply to a Medical Expense FSA.

Dollars & Sense – Easy ways to decrease your out-of-pocket healthcare expenses

If it’s not an emergency... or even urgent
In this case, it’s best to go to your own primary care physician’s office for medical care. Your doctor knows you and your health history, and has access to your medical records. You also pay the least amount when you receive care in a doctor’s office. In addition, experienced Care24 nurses are always available to provide immediate answers to your and your family’s health questions, 24 hours a day, every day of the year by calling 1-800-806-3052.

Convenience Care Centers
Sometimes, Convenience Care Centers can be a great alternative to seeing your regular physician for simple health care services. “Convenience Care Center” earned their nickname because they are located in some retail stores (selected MinuteClinic at CVS and Take Care Health Clinics at Walgreens) for convenient access. They are open 7 days a week, and weeknights too. Visits don’t require an appointment, and the cost is consistent with your Primary Care Physician co-pay. Staffed by nurse practitioners and physician assistants, these centers offer an alternative to scheduling a doctor’s office appointment for a range of simple services to patients 18 months and older. These may include common infections like bronchitis, bladder, ear, pink eye, or strep throat – and skin conditions like athlete’s foot, cold sores, minor sunburn or poison ivy.

I can’t wait for my regular doctor... Urgent care
Sometimes, you need more than simple medical care fast, but the emergency room may not be necessary. A great alternative is an urgent care center, where you can get treated for many minor problems faster than at an emergency room and pay less than an Emergency Room visit.

Emergency Room
If you believe you or your loved one may be experiencing an emergent medical condition, you should go to the nearest emergency room or call for emergency assistance (such as 911). Examples of emergent medical conditions may include (but are not limited to): fractures, heavy bleeding, large open wounds, sudden change in vision, chest pain, sudden weakness or trouble walking, major burns, spinal or severe head injuries or difficulty breathing. This is not an exhaustive list and you should not hesitate to access emergency services and care if you believe you or your loved one may be experiencing an emergent medical condition.

Use the CIGNA Network
Using doctors, hospitals and facilities that participate in the CIGNA network can save you a lot of money. “In-network” services apply to all health care services, including doctors and hospitals, as well as outpatient testing, treatment and surgery centers that are participating in the CIGNA network. Additionally, the CIGNA Care Network, a special group of designated in-network doctors and facilities who have met stringent quality and cost criteria, may offer additional value and savings. To verify that a doctor or facility is in CIGNA’s network and the CIGNA Care Network, check our provider directory on myCIGNA.com or CIGNA.com, or call the number on the back of your CIGNA ID card.

Laboratory and Pathology Tests
Two of the nation’s largest laboratories, Quest Diagnostics, Inc. (Quest) and Laboratory Corporation of America (LabCorp), participate in the CIGNA network. Services at these labs can cost 70-75% less than the same services provided by hospital-based facilities and other laboratories. When you need lab services, discuss these options with your doctor. To find the nearest Quest and LabCorp locations, check our provider directory on myCIGNA.com or CIGNA.com. You can also contact Quest or LabCorp directly by phone or visit their websites:

- Quest: 800-377-7220 / web: www.questdiagnostics.com
- LabCorp: 888-522-2677 / web: www.labcorp.com

http://www.labcorp.com

http://www.minuteclinic.com
**Radiology Services (MRI or CT Scan)** If you need to have an MRI or CT scan, you can save hundreds of dollars by considering an independent radiology center (stand alone) instead of a hospital setting. While CIGNA contracts with all type of facilities, including hospitals and outpatient radiology centers, cost can vary greatly depending on where you have your MRI or CT scan (contact CIGNA for precertification requirements). Discuss the options with your doctor. For help locating the most appropriate facility to have your MRI or CT scan, you can use our cost comparison tools on myCIGNA.com or call the customer service number on the back of your CIGNA ID card.

**Selecting Where to Go for a Colonoscopy, Endoscopy or Arthroscopy.** When your doctor recommends a colonoscopy, GI endoscopy or arthroscopy, make sure you know your options. Using an independent outpatient surgery center for these procedures instead of a hospital can often save hundreds of dollars. Talk with your doctor.
Pre-certification

What is it?
1. It allows you to know in advance whether a procedure, treatment or service will be covered under your plan.
2. It helps ensure that you receive the appropriate level of care in the appropriate setting.
3. It enables CIGNA to identify situations that may allow you to receive additional attention (e.g., referrals to disease or case management programs) based on the type of service requested.

When do I need it?
This list does not include all services requiring pre-certification. These are only examples based on common procedures, treatments, and services.

- All inpatient admissions and non-obstetric observation stays, including those for:
  - Skilled nursing facilities
  - Rehabilitation facilities
  - Long-term acute care facilities
  - Hospice care
  - Transfers between in-patient facilities
- Potentially experimental and investigational procedures
- Potentially cosmetic procedures
- Maternity stays longer than 48 hours (vaginal delivery) or 96 hours (cesarean section)
- Back surgery
- Certain outpatient procedures (see examples on following pages)
- Requests for in-network coverage of services from out-of-network health care professional (if your plan only covers services from participating health care professionals).

Questions?
Please visit myCIGNA.com or contact Customer Service at the toll-free number on your CIGNA ID card.
What outpatient services require pre-certification?

This list does not include all services requiring pre-certification. These are only examples based on common procedures, treatments and services.

- Please see your plan materials or check with your plan administrator for any exceptions.
- If you do not obtain pre-certification when required, your coverage may be reduced or denied.

Guide to Your Explanation of Benefits

See how your benefits are working for you with this easy-to-understand document that shows you the costs associated with the medical care you’ve received.

When a claim is filed under your CIGNA benefits plan, you get an Explanation of Benefits (EOB). Because we know health care expenses can be confusing, we’ve simplified the language and summarized the most important information about the claim.

The Summary page gives an overview of how your benefits are working for you – quickly see what was submitted, what’s been paid, and what you owe.

Date of service and health care professional are both listed for easier reference.

If your health accounts paid part of your expenses, you’ll see what’s been paid and remaining balances.

The amount you owe does not reflect any amount you may have already paid.

This reflects the total value of your plan – the amount you saved by visiting an in-network health care professional or facility, and the amount paid by your plan.

Summary of a claim for services on March 10, 2010 for services provided by DR. JOHN WELLBEING

Amount billed $230.00
Discount $41.35
What my CIGNA plan paid $188.65
What I owe $0.00
You saved $230.00 (or 100%) off the total amount billed. This is a total of your discount and what your CIGNA plan paid.

To maximize your savings, visit www.myCIGNA.com or call customer service to estimate treatment costs, or to compare cost and quality of in-network health care professionals and facilities.

Total: $230.00 - $41.35 = $188.65

Notes
- A. Thank you for using the CIGNA HealthCare preferred provider organization (PPO) network. This represents your savings, so you are not required to pay for this amount. This provider is prohibited from billing the patient for the difference. If you have already paid the amount in full, please request reimbursement from your provider. IN. or CA. health care professionals, for information regarding the contractual source of your discounted rate, please contact CIGNA customer service at 1.800.88-cigna (882.4462)
As a CIGNA HealthCare member, you’ll have access to the CIGNA LIFESOURCE Transplant Network®, a network of participating organ and tissue transplant centers. Developed by a team of CIGNA HealthCare clinical professionals, the Transplant Network includes respected hospitals and medical centers throughout the country.

Each transplant facility is evaluated for favorable rates of patient outcomes, support services and “patient friendly” environments, before it is included in the CIGNA LIFESOURCE Transplant Network.

CIGNA LIFESOURCE participants are managed by the Comprehensive Transplant Case Management Unit. This unit consists of Registered Nurses with clinical experience in transplant, hematology/oncology, home health care, dialysis, critical care and/or community care. They are specially trained to manage complex transplant cases.

Benefits from the Comprehensive Transplant Case Management Unit include:
- Clinical partnership with providers
- Consistency in service and benefit administration
- Dedicated resources for complex areas of medicine
- Advocacy
- Administrative efficiency

In some instances a travel reimbursement is offered as a feature of the program. Please be aware that most of these expenses are considered taxable income.

As a CIGNA HealthCare member, you can have access to these services when they are coordinated through your physician and your CIGNA HealthCare plan Medical Director.

You may not receive the in-network level of benefits for all types of transplants at all facilities. In addition, our network of facilities changes frequently. For the most current listings with the programs covered at the in-network benefit level, please visit www.cigna.com/lifesource or call CIGNA LIFESOURCE Member Services at 800.668.9682.

Not all CIGNA LIFESOURCE Transplant Network facilities are available to members in all plans. Please call Member Services at 800.668.9682 for more information. If you are already in transplant case management, please call your case manager directly.
Spend less on prescription medications

As consumers, we often price shop to get the best value for our dollar. But you may not realize that you can also compare prices for prescription medications. There are often many medications that treat a particular illness. The medications may be equally effective, but their costs can vary greatly. Here are some tips on how to save money on prescription medications by choosing medications that offer better health value and cost less.

Know Your Pharmacy Benefit
Each prescription medication has a copay, which is the amount that you pay for that medication under your pharmacy benefit. The copay amount depends on which “tier” the medication is in on your Prescription Drug List (PDL). Medications in Tier 1 have the lowest copay, and they are your most affordable options. Medications in Tier 3 have the highest copay. Knowing which medications are in Tier 1 and Tier 2 will help you understand where you can save money.

- Go to myCIGNA.com after January 1, 2011 or www.CIGNA.com and click on “Drug Lists” to price medications and make note of your lowest cost options. Ask your doctor if they are appropriate for your treatment.
- Ask your doctor or pharmacist if a less expensive alternative is available.
- Call the customer service number on your ID card and ask the representative to check for lower cost options.

Consider Pharmacies That Offer Discounts on Generics
Some retail pharmacies offer very low prices on select generic drugs—often less than your usual copay—and include commonly prescribed generic medications for several conditions such as asthma, anxiety, high blood pressure and infection (antibiotics).

- Ask your doctor if there is a generic alternative that is appropriate for your treatment.
- Refer to the list on the back to see generic medications that are often included in retail generic discount programs.
- Check with your local pharmacy to see if it offers a discount on generic medications.
- Be sure to give the pharmacist your ID card so the claim can be processed under your pharmacy benefit. You should only have to pay the pharmacy’s discounted cost.

Ask About Over-the-Counter (OTC) Alternatives
Several popular brand-name medications have been approved for OTC sales in recent years. Prescription strength formulas are available without a prescription for conditions such as allergies, heartburn and acid reflux.

- Ask your doctor or pharmacist if there is an OTC alternative available that is right for you.
- Use your Flexible Spending Account dollars on eligible products.
- Check product and manufacturer Web sites for money saving coupons.

Declination of Healthcare Coverage Affidavit

I hereby certify that:
1. I have been given an opportunity to fully participate in the group medical plans provided through Miami-Dade County Public Schools (M-DCPS).
2. The benefits of the plans have been thoroughly explained to me, and I decline to participate.
3. I have other medical coverage currently in effect (not a School Board-sponsored plan).
4. I understand that if I desire to apply for medical insurance at a later date, I may enroll only during an annual enrollment period determined by M-DCPS or during a "special enrollment period" (Change in Status) following an IRS acceptable change in status event. For example, you may in the future be able to enroll yourself or your dependents in a group medical plan through the School Board if you or your dependents lose coverage under an existing employer provided medical plan, provided that you request enrollment within 30 days after your other group product coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption (or placement for adoption), you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the event. In case of COBRA continuation coverage, you may be eligible for a special enrollment period if the COBRA coverage is exhausted. A special enrollment period is not available if coverage under your prior plan or COBRA coverage was terminated for cause or as a result of failure to pay any contributions toward the cost of coverage on a timely basis.

**NOTE**: Internal Revenue Service (IRS) guidelines state that the loss of insurance through an individual Healthcare plan does not constitute a valid Change in Status event.
5. I understand that I will not be enrolled in a Board-Paid medical plan. I will receive Board-Paid Standard Short-Term Disability and will receive $100 per month paid through the payroll system. (This may be subject to withholdings and FICA.)
6. I understand that I must provide proof of other group healthcare coverage. Otherwise, I understand that I will be auto-assigned CIGNA OAP 20 (employee only) coverage.

**I have read, understand and agree to comply with the requirements stated above.**

What is Florida KidCare?
Your child may be eligible for health insurance through Florida KidCare even if one or both parents are working. Getting health insurance for your children before they get sick is very important. Through Florida KidCare, the state of Florida offers health insurance for children from birth through age 18. It includes four different parts. When you apply for the insurance, Florida KidCare will check which part your child may qualify for based on age and family income.

What services are covered:
Florida KidCARE covers everything from transplants and everything else in-between. Here are some of the services Florida KidKare covers: Doctor Visits, Shots, Surgery, Vision, Check-ups, Prescriptions, Emergencies, Hospital, and Hearing.

Eligibility Requirements
Florida KidCare is for children, not adults. To qualify for premium assistance, a child must:
• Be Age 5 - 18
• Be uninsured
• Meet income eligibility requirements
• Be a U.S. citizen or qualified non-citizen
• Not be eligible for Medicaid or Children's Medical Services Network
• Not be the dependent of a state employee eligible for health insurance
• Not be in a public institution.

Why all the fuss about health insurance?
Children with health insurance are more likely to:
• Get the help they need when sick or hurt.
• Get the shots they need.
• Miss fewer days of school.
• See their own doctor and nurse who know them.
Children need to have regular check-ups to make sure they are growing strong and healthy. Healthy children do their best at school and play.

Costs
There is no charge for Medicaid for children (KidCare Medicaid). For other Florida KidCare programs, monthly premiums depend on your household's size and income. Most families pay $15 or $20 a month. If you need to pay more, Florida KidCare will let you know. You may have to pay small charges or co-payments for some serves. A child who is a member of a federally recognized American Indian or Alaskan Native tribe may qualify for no-cost Florida KidCare.

Is an FSA right for me?

- You decide the amount you want deposited.

- You save income and Social Security taxes each time you receive wages.
- Determine your potential savings with a Tax Savings Analysis by visiting the "Tax Calculators" link at www.myFBMC.com.

What types of FSAs are available?
Your employer offers you a Medical Expense FSA as well as a Dependent Care FSA. If you incur both types of expenses during your plan year, you can establish both types of FSAs.

Medical Expense FSAs
Medical expenses not covered by your insurance plan may be eligible for reimbursement using your Medical Expense FSA, including:
- birth control pills
- eyeglasses
- orthodontia and
- Over-the-Counter items.

Dependent Care FSAs
Dependent care expenses, whether for a child or an elder, include any expense that allows you to work, such as:
- day care services
- in-home care
- nursery and preschool
- summer day camps.

Refer to the Medical Expense FSA and Dependent Care FSA sections of the online Open Enrollment Guide for specifics on each type of FSA.

How do I request reimbursement?
For Medical Expense FSA:
Requesting reimbursement from your Medical Expense FSA is easy. Simply mail or fax a correctly completed FSA Reimbursement Request Form, which you may download at www.myFBMC.com, along with the following:
- a receipt, invoice or bill from your health care provider listing the date you received the service, the cost of the service, the specific type of service and the person for whom the service was provided and
- an Explanation of Benefits (EOB)* from your health insurance provider that shows the specific type of service you received, the date and cost of the service and any uninsured portion of the cost and
- a written statement from your health care provider indicating the service was medically necessary if those services could be deemed cosmetic in nature, accompanied by the receipt, invoice or bill for the service.

For Dependent Care FSA:
Requesting reimbursement from your Dependent Care FSA is easy. Simply mail or fax a correctly completed FSA Reimbursement Request Form along with receipts showing the following:
- the name, age and grade of the dependent receiving the service
- the cost of the service
- the name and address of the provider and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your Dependent Care FSA. This information is required with each request for reimbursement.

What is a Medical Expense FSA?
A Medical Expense FSA is an IRS tax-favored account you can use to pay for your eligible medical expenses not covered by your insurance or any other plan. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on this page.

Whose expenses are eligible?
Your Medical Expense FSA may be used to reimburse eligible expenses incurred by:
- yourself
- your spouse and
- your qualifying child or qualifying relative

An individual is a qualifying child if the child is not someone else’s qualifying child and:
- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- has a specified family-type relationship to you
- lives in your household for more than half of the taxable year
- is 18 years old or younger (23 years, if a full-time student) at the end of the taxable year
- has not provided more than one-half of their own support during the taxable year.

An individual is a qualifying relative if the relative is a U.S. citizen, national or a resident of the U.S., Mexico or Canada and:
- has a specified family-type relationship to you, is not someone else’s qualifying child and receives more than one-half of their support from you during the taxable year or
- if no specified family-type relationship to you exists, is a member of and lives in your household (without violating local law) for the entire taxable year and receive more than one-half of their support from you during the taxable year.

NOTE: There is no age requirement for a qualifying child if they are physically and/or mentally incapable of self care. An eligible child of divorced parents is treated as a dependent of both, so either parent or both parents can establish a Medical Expense FSA.

Visit www.myFBMC.com for a list of frequently asked questions.
You must keep your documentation for a minimum of one year and submit to FBMC upon request.

Minimum Annual Deposit: $200
Maximum Annual Deposit: $5,000
NOTE: Employees hired mid-year must calculate minimum/maximum amounts based on remaining payroll deductions.

Can travel expenses for medical care be reimbursed?
Travel expenses primarily for, and essential to, receiving medical care, including health care provider and pharmacy visits, may be reimbursable through your Medical Expense FSA. With proper substantiation, eligible expenses can include:
- actual round-trip mileage
- parking fees
- tolls and
- transportation to another city.

When are my funds available?
Once you sign up for a Medical Expense FSA and contributions commence, the maximum annual amount of reimbursement for eligible health care expenses will be available throughout your period of coverage.

Since you don’t have to wait for the cash to accumulate in your account, you can use it to pay for your eligible health care expenses at the start of your deductions.

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year. Certain other substantiation requirements and restrictions may apply, and will be supplied to you following enrollment.
Are prescriptions eligible for reimbursement?
Yes, most filled prescriptions are eligible for Medical Expense FSA reimbursement, as long as you properly substantiate the expense. Proper submission of the reimbursement request is needed to ensure that the drug is eligible for reimbursement. The IRS requires that the complete name of all medicines and drugs be obtained and documented on pharmacy receipts. This information must be included when submitting your request to FBMC for reimbursement.

Over-the-Counter Expenses
Your Over-the-Counter (OTC) medicines and drugs may be reimbursable through your Medical Expense FSA. Save valuable tax dollars on certain categories of OTC medicines and drugs, such as: allergy treatments, antacids, cold remedies and pain relievers. For a more comprehensive list of eligible OTC items, please visit www.myFBMC.com.

You may be reimbursed for OTCs through your Medical Expense FSA if:
• the medicine or drug was used for a specific medical condition for you, your spouse and/or your dependent(s)
• the submitted receipt clearly states the purchase date and name of the medicine or drug
• the reimbursement request is for an expense allowed by your employer’s Medical Expense FSA plan and IRS regulations and
• you submit your reimbursement request in a timely and complete manner already described in your benefits enrollment information.

NOTE: OTC medicines and drugs, including bulk purchases, must be used in the same plan year in which you claim reimbursement for their cost. The list of eligible OTC categories will be updated on a quarterly basis by FBMC. It is your responsibility to remain informed of updates to this listing, which can be found at www.myFBMC.com. As soon as an OTC item, medicine or drug becomes eligible, it will be reimbursable retroactively to the start of the then current plan year.

Newly eligible OTC medicines and drugs are not considered a valid change in status event that would allow you to change your annual Medical Expense FSA election or salary reduction amount. Be sure to maintain sufficient documentation to submit receipts for reimbursement. You may resubmit a copy of your receipt from your records if a rejected OTC expense becomes eligible for reimbursement later in the same plan year.

The Patient Protection and Affordable Care Act (PPACA) Healthcare Reform, approved by congress and signed into law by President Obama changes the way some Over-the-Counter (OTC) items qualify for Flexible Spending Account (FSA) reimbursement. Beginning January 1, 2011, certain OTC drugs and medicines will no longer be eligible for reimbursement without an order, directive or prescription from your attending provider. FBMC will continue to provide updates and post an updated OTC category list on this site as information becomes available.

It's important to remember that you can still use your FSA funds for other eligible medical expenses and prescription purchases at pharmacies. Unaffected OTC items will still be reimbursable, as well as affected OTC items with a doctor’s prescription or Letter of Medical Need. Please visit www.myFBMC.com for more information. If you have any questions regarding this new legislation, please contact FBMC Customer Care.

Is orthodontic treatment reimbursable?
Orthodontic treatment designed to treat a specific medical condition is reimbursable if the proper documentation is attached to the initial FSA Reimbursement Request Form each plan year:
• a written statement, bill or invoice from the treating dentist/orthodontist showing the type and date the service incurred, the name of the eligible individual receiving the service and the cost for the service
• a copy of the patient’s contract with the dentist/orthodontist for the orthodontia treatment.

Reimbursement of the full or initial payment amount may only occur during the plan year in which the braces are first installed. For reimbursement options available under your employer’s plan, including care that extends beyond one or more plan years, refer to the information provided following your enrollment, or call the FBMC Customer Care Center at 1-800-342-8017.

Should I claim my expenses on IRS Form 1040?
With a Medical Expense FSA, the money you set aside for health care expenses is deducted from your salary before taxes. It is always tax free, regardless of the amount. By enrolling in a Medical Expense FSA, you guarantee your savings.

Itemizing your health care expenses on your IRS Form 1040 may give you a different tax advantage, depending on the percentage of your adjusted gross income. You should consult a tax professional to determine which avenue is right for you.

Are some expenses ineligible?
Expenses not eligible for reimbursement through your Medical Expense FSA include:
• insurance premiums
• vision warranties and service contracts and
• cosmetic surgery not deemed medically necessary to alleviate, mitigate or prevent a medical condition.

When do I request reimbursement?
You may use your Medical Expense FSA to reimburse eligible expenses after you have sought (and exhausted) all means of reimbursement provided by your employer and any other appropriate resource. Also keep in mind that some eligible expenses are reimbursable on the date available, not the date ordered.

Dependent Care FSA

**What is a Dependent Care FSA?**
A Dependent Care FSA is an IRS tax-favored account you can use to pay for your eligible dependent care expenses to ensure your dependents (child or elder) are taken care of while you and your spouse (if married) are working. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on this page.

**Whose expenses are eligible?**
You may use your Dependent Care FSA to receive reimbursement for eligible dependent care expenses for qualifying individuals.

A qualifying individual includes a **qualifying child**, if the child:
- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- has a specified family-type relationship to you
- lives in your household for more than half of the taxable year
- is 12 years old or younger and
- has not provided more than one-half of their own support during the taxable year.

A qualifying individual includes your **spouse**, if the spouse is:
- is physically and/or mentally incapable of self care
- lives in your household for more than half of the taxable year and
- spend at least eight hours per day in your home.

A qualifying individual includes your **qualifying relative**, if the relative:
- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- is physically and/or mentally incapable of self care
- is not someone else’s qualifying child
- lives in your household for more than half of the taxable year
- spend at least eight hours per day in your home and
- receive more than one-half of their support from you during the taxable year.

**NOTE:** Only the custodial parent of divorced or legally-separated parents can be reimbursed using the Dependent Care FSA.

**Minimum Annual Deposit:** $250  
**Maximum Annual Deposit:** The maximum contribution depends on your tax filing status as the list on this page indicates.

**Partial List of Eligible Dependent Care Expenses**
- After school care
- Baby-sitting fees
- Daycare services
- Elder Care Services
- Deposits
- In-home care/au pair services
- Nursery and preschool
- Registrations
- Summer day camps

**NOTE:** Budget conservatively. No reimbursement or refund of Dependent Care FSA funds is available for services that do not occur within your plan year.

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year. Certain other substantiation requirements and restrictions may apply, and will be supplied to you following enrollment.

**What is my maximum annual deposit?**
- If you are married and filing separately, your maximum annual deposit is $2,500.
- If you are single and head of household, your maximum annual deposit is $5,000.
- If you are married and filing jointly, your maximum annual deposit is $5,000.
- If either you or your spouse earn less than $5,000 a year, your maximum annual deposit is equal to the lower of the two incomes.
- If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is $3,000 a year for one dependent and $5,000 a year for two or more dependents.

**When are my funds available?**
Once you sign up for a Dependent Care FSA and decide how much to contribute, the funds available to you depend on the actual funds in your account. Unlike a Medical Expense FSA, the entire maximum annual amount is not available during the plan year, but rather after your payroll deductions are received.

**Should I claim tax credits or exclusions?**
Since money set aside in your Dependent Care FSA is always tax-free, you guarantee savings by paying for your eligible expenses through your IRS tax-favored account. Depending on the amount of income taxes you are required to pay, participation in a Dependent Care FSA may produce a greater tax benefit than claiming tax credits or exclusions alone.

Remember, you cannot use the dependent care tax credit if you are married and filing separately. Further, any dependent care expenses reimbursed through your Dependent Care FSA cannot be filed for the dependent care tax credit, and vice versa.
To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax advisor and/or the IRS for additional information. You may also visit www.myFBMC.com to complete a Tax Savings Analysis.

Are some expenses ineligible?
Expenses not eligible for reimbursement through your Dependent Care FSA include:
- books and supplies
- child support payments or child care if you are a non-custodial parent
- health care or educational tuition costs and
- services provided by your dependent, your spouse’s dependent or your child who is under age 19.

Will I need to keep any additional documentation?
To claim the income exclusion for dependent care expenses on IRS Form 2441 (Child and Dependent Care Expenses), you must be able to identify your dependent care provider. If your dependent care is provided by an individual, you will need their Social Security number for identification, unless he or she is a resident or non-resident alien who does not have a Social Security number. If your dependent care is provided by an establishment, you will need its Taxpayer Identification number.

If you are unable to obtain a dependent care provider’s information, you must compose a written statement that explains the circumstances and states that you made a serious and earnest effort to get the information. This statement must accompany your IRS Form 2441.

When do I request reimbursement?
You can request reimbursement from your Dependent Care FSA as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Also, remember that for timely processing of your reimbursement, your payroll contributions must be current.

If I experience a Change in Status, can I start, stop or change the level of contribution to my Dependent Care FSA?
In determining your annual contribution during the enrollment period, consider any time that you will not incur eligible expenses during the plan year (i.e., vacation, child starting kindergarten, etc.), as some events do not constitute a permitted mid-plan year election change and changes to your contribution amount will not be allowed.

How do I request reimbursement?
Requesting reimbursement from your Dependent Care FSA is easy. Simply mail or fax a correctly completed FSA Reimbursement Request Form along with receipts showing the following:
- the name, age and grade of the dependent receiving the service
- the cost of the service
- the name and address of the provider and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your Dependent Care FSA. This information is required with each request for reimbursement.

Mail to: Contract Administrator
Fringe Benefits Management Company
P.O. Box 1800
Tallahassee, FL 32302-1800

Fax Toll-Free to: 1-888-800-5217

NOTE: If you elect to participate in the Dependent Care FSA, or if you file for the Dependent Care Tax Credit, you must attach IRS Form 2441, reflecting the information above, to your 1040 income tax return. Failure to do this may result in the IRS denying your pre-tax exclusion.
FSA Guidelines:
1. The IRS does not allow you to pay your medical or other insurance premiums through either type of FSA.
2. You cannot transfer money between FSAs or pay a dependent care expense from your Medical Expense FSA or vice versa.
3. You have a three-month and 15-day run-out period (until April 15) at the end of the plan year for reimbursement of eligible Medical Expense FSA expenses incurred during your period of coverage and any applicable grace period within the Plan Year.
4. You may not receive insurance benefits or any other compensation for expenses which are reimbursed through your FSAs.
5. You cannot deduct reimbursed expenses for income tax purposes.
6. You may not be reimbursed for a service which you have not yet received.
7. Be conservative when estimating your medical and/or dependent care expenses for the 2011 Plan Year. IRS regulations state that any unused funds which remain in your FSA after the run-out period ends and all reimbursable requests have been submitted and processed cannot be returned to you nor carried forward to the next plan year. Use the FSA Calculation Worksheet on Page 60 to determine your annual contribution estimate.
8. When enrolling in either or both FSAs, written notice of agreement with the following will be required.
   - I will only use my FSA to pay for IRS-qualified expenses eligible under my employer’s plan, and only for me and my IRS-eligible dependents
   - I will exhaust all other sources of reimbursement, including those provided under my employer’s plan(s) before seeking reimbursement from my FSA
   - I will not seek reimbursement through any additional source and
   - I will collect and maintain sufficient documentation to validate the foregoing.
   - I agree to a salary deduction for the amount of any outstanding myFBMC Card® transactions (as permitted by law) if I do not send in documentation for an unverified myFBMC Card® expense. See Page 64 for details on the card.

What documentation of expenses do I need to keep?
The IRS requires FSA customers to maintain complete documentation, including keeping copies of receipts for reimbursed expenses, for a minimum of one year.

How do I get the forms I need?
To obtain forms after enrolling in either a Medical Expense or Dependent Care FSA, such as an FSA Reimbursement Request Form, Letter of Medical Need or Direct Deposit Form, visit FBMC’s Web site, www.myFBMC.com or call the FBMC Customer Care Center at 1-800-342-8017.

Will contributions affect my income taxes?
Salary reductions made under a cafeteria plan, including contributions to one or both FSAs, will lower your taxable income and taxes. These reductions are one of the money-saving aspects of an FSA. Depending on the state, additional state income tax savings or credits may also be available. Your salary reductions will reduce earned income for purposes of the federal Earned Income Tax Credit (EITC).

To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax advisor and/or the IRS for additional information.

FSA Grace Period
IRS Revenue Notice permits a “grace period” of two months and 15 days following the end of your 2011 Plan Year (December 31, 2011) for a Medical Expense FSA. This grace period ends on March 15, 2012. During the grace period, you may incur expenses and submit claims for these expenses. Funds will be automatically deducted from any remaining dollars in your 2011 Medical Expense FSA.

You should not confuse the grace period with the plan’s “run-out period.” The run-out period extends until April 15, 2012. This is a period for filing claims incurred anytime during the 2011 Plan Year, as well as claims incurred during the grace period mentioned above.

Your Dependent Care FSA also has a “run-out period” that extends until March 31, 2012. However, the “grace period” mentioned above does not apply to this account. You may not submit reimbursement requests for expenses that occur after December 31, 2011 against the 2011 Plan Year.

Claims will be processed in the order in which they are received by FBMC, and your accounts will be debited accordingly. This is true for both paper claims and myFBMC Card® transactions. If you have funds remaining in an account for the prior plan year, these funds will be used first until exhausted. Then, subsequent claims will be debited from your new plan year account balance.
What is the myFBMC Card®?
The myFBMC Card® is a stored-value card. It is a convenient Medical Expense FSA reimbursement option that allows FBMC to electronically reimburse eligible expenses under your employer’s plan and IRS guidelines. Your annual Medical Expense FSA contribution is available to you at the beginning of your plan year. When you use your myFBMC Card® to pay for eligible expenses, funds are electronically deducted from your Medical Expense FSA.

What are the myFBMC Card® advantages?
You can use your myFBMC Card® for your eligible Over-the-Counter (OTC) expenses! Other advantages include:

- instant reimbursements for health care expenses, including prescriptions, co-payments and mail-order prescription services
- instant substantiation of some medical, prescription, vision and dental expenses
- no out-of-pocket expense and
- easy access to your Medical Spending Account funds.

You cannot use your myFBMC Card® for cosmetic dental expenses or eyeglass warranties.

How do I get a myFBMC Card®?
When you start a Medical Expense FSA, you will automatically receive the myFBMC Card®. Two cards will be sent to you in the mail; one for you, and one for your spouse or eligible dependent. You should retain your cards for use each plan year until their expiration date.

How do I use the myFBMC Card®?
For eligible expenses, simply swipe your myFBMC Card® like you would with any other credit card. Whether at your health care provider or at your drugstore, the amount of your eligible expenses will be automatically deducted from your Medical Expense FSA. For Over-the-Counter and prescription purchases, the card will only be accepted at IIAS merchants. For all other qualified expenses, such as medical co-payments, the myFBMC Card® will be used normally. To find out if a pharmacy or drugstore near you accepts the card, please refer to the IIAS Store List at www.myFBMC.com.

When do I send in documentation for an myFBMC Card® expense?
You may need to send in documentation for certain myFBMC Card® transactions, such as those that are not a known office visit or prescription co-payment (as outlined in your health plan’s Schedule of Benefits). When requested, you must send in documentation for these transactions. Documentation for an myFBMC Card® expense is a statement or bill showing:

- name of the patient
- name of the service provider
- date of service
- type of service (including prescription name) and
- total amount of service.

NOTE: This documentation must be sent with a FSA Claim Form and cannot be processed without it. Like all other FSA documentation, you must keep your myFBMC Card® expense documentation for a minimum of one year, and submit it to FBMC when requested.

As an FSA participant, you should go to www.myFBMC.com to see your account information and check for any outstanding Card transactions. If an outstanding transaction appears in red on the Web site or in blue in the Outstanding Card Transactions Requiring Documentation section of your monthly statement, you must submit the proper expense documentation to FBMC prior to the end of your run out period.

If you fail to send in the requested documentation for an myFBMC Card® expense, you will be subject to:

- withholding of payment for an eligible paper claim to offset any outstanding myFBMC Card® transaction
- suspension of your myFBMC Card® privileges
- the reporting of any outstanding myFBMC Card® transaction amounts as income on your W-2 at the end of the tax year.

What agreement am I making when I use the myFBMC Card®?
By using the myFBMC Card®, you are agreeing to the “FSA Guidelines” portion of the online reference guide.

What happens if I have money left in my account at the end of the plan year?
These funds will be used first until exhausted — through March 15, 2012, which is the grace period allowed by the IRS. Then, subsequent claims will be debited from your new plan year account balance. For more information on the grace period, see Page 63.

† South Florida (Area 3) consists of zip codes that begin with the digits 330, 331, 333, 334, 339, 340, 349, 320-329, 335-338, 341-348. If you do not reside in a zip code that begins with these digits, please contact MetLife at 1-800-942-0854 for a more accurate in-network schedule of benefits and fees.

* In-Network: Member pays balance of PDP fees, after plan pays.

** Out-of-Network: Member pays balance of PDP fees, in addition to the remaining balance of claim. Balance equals the difference between total claim and PDP fee. For information on PDP fees in your area, contact MetLife directly at 1-800-942-0854.

*** The co-payment amount for a full course of treatment is $3600 minus your plan’s lifetime orthodontic benefit maximum of $1500 ($3600 - $1500 = $2100).

$ Any co-payment or out-of-pocket cost may be reimbursed through your Medical Expense FSA.

See Page 58 for a partial list of eligible expenses or visit FBMC’s Web site at www.myFBMC.com for the full version of eligible expenses.
This Schedule of Benefits lists the services available to you under your SafeGuard plan, as well as the co-payments associated with each procedure. There are other factors that impact how your plan works and those are included here in the Exclusions and Limitations. SafeGuard is an affiliate of MetLife.

During the course of treatment, your SafeGuard selected general dentist may recommend the services of a dental specialist. Your SafeGuard selected general dentist will refer you directly to a contracted SafeGuard specialty care provider; no additional referral or pre-authorization from SafeGuard is required. However, you cannot go to a specialist without a referral/recommendation from the general dentist.

In addition, all non-listed services are available with your SafeGuard selected general dentist or specialty care dentist at 75% of their usual and customary fees.

Missed Appointments: If you need to cancel or reschedule an appointment, you should notify the dental office as far in advance as possible. This will allow the dental office to accommodate another person in need of attention. There could be up to a $25 charge for missed appointments.

Plan Provider: SafeGuard, a Metropolitan Life Insurance Company.
This Schedule of Benefits lists the services available to you under your SafeGuard plan, as well as the co-payments associated with each procedure. There are other factors that impact how your plan works and those are included here in the Exclusions and Limitations. SafeGuard is an affiliate of MetLife.

During the course of treatment, your SafeGuard selected general dentist may recommend the services of a dental specialist. Your SafeGuard selected general dentist will refer you directly to a contracted SafeGuard specialty care provider; no additional referral or pre-authorization from SafeGuard is required. However, you cannot go to a specialist without a referral/recommendation from the general dentist.

In addition, all non-listed services are available with your SafeGuard selected general dentist or specialty care dentist at 75% of their usual and customary fees.

Missed Appointments: If you need to cancel or reschedule an appointment, you should notify the dental office as far in advance as possible. This will allow the dental office to accommodate another person in need of attention. There could be up to a $25 charge for missed appointments.

What if I need the services of a Specialist?
During the course of treatment, your selected General Dentist may recommend the services of a dental specialist. Your selected general dentist will refer you directly to a contracted SafeGuard specialty care provider; no additional referral or pre-authorization from SafeGuard is required. The High Plan is designed for those individuals who have more extensive dental needs. This plan provides a reimbursement of either 100 percent, 80 percent or 50 percent of the plans Preferred Dental Program fees, depending on the service provided, after you have satisfied the plan deductible. MetLife offers quality dental care at affordable prices with their Preferred Dental Program (PDP). This program includes a nationwide network of dentists who have agreed to reduce their fees below the average reasonable and customary charge for their services. You are free to choose an in-network or out-of-network dentist at the time you make your appointment. However, when using an out-of-network dentist, the level of coverage is reduced and your out-of-pocket expenses will increase.

How to select the MetLife Dental Plans

Employee-Paid Benefits:
1. You may cover yourself by selecting the “Employee Only” benefit.
2. You may cover yourself and your eligible dependent(s) by selecting the “Employee and Family” benefit.

NOTE: If you choose dependent dental coverage, your dependents must be covered by the same dental plan and level of coverage (Standard or High) which you selected for yourself.

About the MetLife Dental Plans

Pre-determination of benefits:
Pre-determination of benefits should be requested for a program of treatment which the dentist estimates will be more than $200. This provision does not apply to charges for emergency treatment.

How does the MetLife Preferred Dentist Program (PDP) work?
Dentists who participate in MetLife’s Preferred Dentist Program (PDP) have agreed to accept a schedule of maximum fees for services rendered. These scheduled fees are below the average Reasonable & Customary charge. Additionally, dentists agree not to charge for the oral examination during periodic checkups other than the initial exam under the program. At the point of service, you decide whether to use a dentist in the PDP or any other dentist. Your out-of-pocket costs are less when services are rendered by a participating dentist.

How do I know if a dentist is in the MetLife Preferred Dentist Program (PDP)?
Visit www.metlife.com/mybenefits for a PDP listing of the participating dentists in the South Florida area. To find a participating dentist in your area, call 1-800-474-PDP1 (7371), Monday-Friday, 6 a.m-11 p.m. (ET), and Saturday, 7 a.m. – 4 p.m. (ET). Input the information as requested and a customized PDP directory will be mailed to you.

How can I make an appointment with my dentist?
You may schedule appointments by calling a dentist with MetLife’s Preferred Dentist Program (PDP) or any other licensed dentist you choose on or after your effective date of coverage. When you arrive at your dental office, notify them that you have insurance benefits through Metropolitan Life Insurance Company. It will be necessary to use claim forms in order to receive reimbursement.

Plan Provider: Metropolitan Life Insurance Company.
The UnitedHealthcare Vision Plan provides access to both private practice and retail chain providers that provide quality eye care and materials. This plan is designed to provide regular eye examinations and benefits toward vision care expenses including glasses or contact lenses.

The Plan offers in-network and out-of-network benefits. When using a participating network provider, you pay a modest co-payment for exam and materials as shown in the Schedule of Benefits. The out-of-network benefit allows you to select any licensed non-network provider. As the plan participant, when visiting a non-network provider, you pay the full fee to the provider and UnitedHealthcare Vision will reimburse you for services rendered up to the maximum allowance. There are no co-pays or deductibles when using an out-of-network provider.

As part of your package you are entitled to receive frames. Frames are covered in full if services are rendered in-network after paying a $10 co-payment and if selecting frames with a $50 wholesale price or less. For out-of-network, we will reimburse up to $45. The in-network contact lens benefit is covered in full after paying a $10 co-payment which includes the fitting/evaluation feeds and up to two follow up visits for covered contacts. For non-covered contacts, there is a $105 allowance applied toward the fitting/evaluation fees and purchase of the contacts. Under the out-of-network contact lens benefit, we will reimburse up to $105 less any fitting/evaluation fee.

Can you explain the UnitedHealthcare Vision Plan frame benefits?
UnitedHealthcare Vision's generous in-network frame benefit applies to virtually all of the frames on the market today and most of those are covered in-full when visiting a participating network provider, with no additional cost to you other than applicable co-pays. The in-network benefit for both private practice and retail chains are as follows:

Private Practice providers - With UnitedHealthcare Vision's network frame benefit, all frames with a $50 wholesale cost or less are covered in-full (after applicable co-apy). For any frame with wholesale cost greater than $50, you only pay the difference between the wholesale cost of the frame and the $50 allowance.

Retail Chain providers - You receive a $130 retail frame allowance at network retail chain locations. You can expect to receive an equivalent value to what you enjoy at private practice providers. Plus, again for any frame with a retail cost greater than $130, the member only pays the difference between the retail cost of the frame and the $130 allowance.

For out-of-network we reimburse up to $45.

What services and materials does the plan exclude?
• Cosmetic contact lenses.
• Medical or surgical treatment of the eyes.
• Services and materials for orthoptics or vision training, subnormal vision aids, aniseikonic lenses, two pair of glasses in lieu of bifocals, and nonprescription glasses.
• Lost or broken lens replacement or repair, unless it is time for your annual exam.
• Any services and material that Workers' Compensation, another plan or a government agency provides.
• Any employer-required exam as a condition for employment.

Identity Theft Plan

Eighty percent of identity theft has nothing to do with credit. Enlist the comprehensive services of ID Watchdog and you’ll be covered from every angle.

What is identity theft?
Identity theft, also known as “identity fraud” is generally defined as the fraudulent use of someone else’s information without permission. This means that a victim of identity theft is left with the consequences of his or her imposter’s actions, whether he or she is aware of it or not. These crimes can threaten everything from your finances and personal reputation, to your livelihood and physical health.

How We Protect You
Most identity monitoring companies only monitor your information for credit card fraud, but ID Watchdog provides protection for your entire identity. We constantly monitor thousands of databases, watching for suspicious changes in our customers’ information, and promise 100% resolution if there is ever a problem on our watch.

Monitoring
When you sign up for ID Watchdog Plus, we will verify your identity and create an Identity Profile Report for you. Each month thereafter, we’ll send you an update that highlights any changes or gives you an “all clear” notice.

Step 1 - Verification
Before we unleash our search engines to retrieve your personal information, we utilize an identity verification system that generates personalized questions about you, to ensure that we are providing services to the correct individual.

Verification is the first step in making sure your identity is safe under our watch, and that your information is not being provided to anyone but you.

Step 2 - Identity Profile Report Page
After enrolling in ID Watchdog’s services, we’ll compile an “Identity Profile Report,” containing all of your personal data. This will include all of the addresses and names associated with your identity. Although there may be variances in spelling and data entry errors, we’ll have you look for red flags such as completely different addresses or entirely new names, which may be a sign that criminals may be taking advantage of your identity.

If all is recognized and approved by you, we will use this report to check against any new or changed data on a monthly basis, and alert you to any changes. If anything suspicious turns up in your Identity Profile, we’ll proceed with an ID SnapShot to start rectifying the problem.

Step 3 - Monthly Monitoring
After your recognized profile has been established, we will comb our thousands of databases for your identity information each month. If there are no new or changed data points, we’ll notify you that your records are clean. However, if we find new data points, we will notify you of the changes for you to review. More often than not, the new information will have resulted from a new account you opened. In that case, you can approve the data, and we’ll add it to your identity profile.

In the case that the new data is unfamiliar and suspicious, we ask that you let us know. We will initiate extensive reporting that will tell us more about activities on your records through our ID SnapShot, and then proceed with our ID Rehab resolution services, if necessary, until the problem is resolved.

Detection
If there is a reason to believe that your identity has been compromised, be it an unrecognized record in your Identity Profile Report or a suspicious change found through your monthly search, we’ll compile an ID SnapShot. The SnapShot is extensive report that will allow us to pinpoint any fraudulent data. The ID SnapShot pulls information associated with your identity, including addresses, phone numbers, property deeds, driving records, banking accounts, credit history and more. Short-Term Disability (STD)

The Miami-Dade County School Board provides all eligible, full-time employees with Standard Short-Term Disability (STD). This Standard STD plan provides a benefit of 60 percent of your earnings up to a maximum of $500 per week. Benefits under this plan are paid up to 22 weeks after a 30 calendar day elimination period. You may elect to upgrade this plan by purchasing one of the upgrade plans available.

What is Short-Term Disability?
STD provides weekly benefits for short periods of disability due to injury or illness, as defined in the policy.

What are my levels of coverage?
You may elect to purchase the High Plan on a voluntary basis.

Standard Upgrade: This plan upgrades your Standard STD plan by paying benefits up to 24 weeks after a 15 calendar day elimination period. It continues to provide 60 percent of your earnings up to a maximum of $500 week.

High: This plan is designed for employees with salaries in excess of $43,000 annually. It provides the same 22 week benefit period after a 30 calendar day elimination period, while providing a benefit of 60 percent of your earnings up to a maximum of $1,000 week.

High Upgrade: This plan is also designed for employees with salaries in excess of $43,000 annually. It provides a 24 week benefit period after a 15 calendar day elimination period, while providing a benefit of 60 percent of your earnings up to a maximum of $1,000 week.

When can I begin collecting benefits?
There are two levels of coverage.

Standard and High Plans - Benefits are paid up to 22 weeks after a 30 calendar day elimination period.

Standard Upgrade and High Upgrade Plans - Benefits are paid up to 24 weeks after a 15 calendar day elimination period.

Am I eligible for disability benefits after childbirth?
Yes, if you have a Cesarean section, you will be considered disabled for a minimum period of eight weeks beginning on the date of your Cesarean section, unless you return to work prior to the end of the eight weeks. If you have vaginal birth, you will be considered disabled for a minimum of six weeks beginning on the date of your vaginal delivery, unless you return to work prior to the end of the six weeks.

Example: You have a standard STD and have a C-section on January 29, 2011. Your waiting period is from January 29, 2011, through February 23, 2011. Your standard STD benefit begins on February 24, 2011, for four weeks.

What services does this benefit include?
STD replaces 60 percent of your earnings, up to a maximum of $500 per week. This benefit covers maternity as well as other short-term disabling illnesses or injuries. The Hartford recognizes that an employee may have additional sources of income available following a disability. To prevent over insurance, The Hartford will subtract from your gross disability payment other sources of income (see your certificate for a definition of other sources of income, if any). You do not have to use up your sick days to receive benefits. However, if you do choose to use your sick days, The Hartford will NOT subtract from the gross disability payment income you receive from salary continuation or sick leave plan.

When should I submit a claim?
Your claim should be submitted within 30 days after the date of your disability begins or as soon as possible. However, The Hartford must receive written proof of your claim no later than 90 days after your elimination period. If this is not possible, proof must be given no later than one year after the time proof is required except in the absence of legal capacity.

How do I submit a claim?
You must initiate your claim by calling The Hartford’s toll-free telephonic claim intake number at 1-800-741-4306 and report your claim. You will not need to submit a paper claim form as the The Hartford intake specialist will take your information by phone. However, it will be your responsibility to provide an authorization form to your physician to be signed/dated and faxed or mailed to The Hartford. This allows The Hartford to access your medical records in order to process your claim.

Is there a survivor benefit?
No. There is no survivor benefit included with this Short-Term Disability plan.

What is the minimum weekly benefit?
The minimum weekly benefit is $25.

Is Coverage guaranteed during this enrollment?
New Hires: Yes. You have the opportunity to enroll in Short-Term Disability during this enrollment period without submitting Evidence of Insurability. If you are currently eligible for coverage, but choose not to upgrade during this enrollment, future enrollments will require that you complete Evidence of Insurability and your coverage will not be guaranteed.

Current Employees: No. If you are a current employee who chose not to enroll previously in Long-Term Disability or one of the Short-Term Disability buy up plans, you must now complete an Evidence of Insurability (EOI) form before you are considered for coverage. Existing employees currently enrolled in one of the Short-term buy up plans or Long-term plans and not making changes during this enrollment will continue with their current coverage. New hires do not need to provide EOI. Current employees electing this benefit during the 2011 Open Enrollment must complete an EOI form which will be verified by The Hartford. If your buy up or LTD EOI is approved, the effective date of this benefit will be the first of the month following your first payroll deduction.

NOTE: Your online confirmation notice will reflect a $0.00 deduction for this benefit which will change if your EOI is approved. The deduction will be taken on the last paycheck of the month after your approval, which makes your benefit effective the first of the following month after your first payroll deduction.

EOI forms will be distributed by The Hartford. For any questions, you may call a Hartford Representative at 1-800-741-4306.

Click on Employee Benefits, then click on “Employee Benefits.” Your Certificate(s) of Coverage will be located under your tab (i.e., M-DCPS Employees, Retirees, Part-Time Food Service or COBRA). If you prefer to have a hard copy mailed to your home address, please contact the appropriate insurance company directly. Their phone numbers are listed on the M-DCPS Web site under “Important Phone Numbers.”
The Long-Term Disability Plan will provide you with 60 percent of your income if you are totally disabled and qualify for benefits. Total disability is the inability to perform one or more essential duties of your regular occupation and you have a 20 percent or more loss in your monthly earnings. After 24 months of payments, you are disabled when The Hartford determines that you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

Am I eligible for benefits under this plan if I am absent from work on the plan effective date?
No. If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to active employment.

What are the amounts of Long-Term Disability benefits available?
You can choose the level of coverage that best suits your needs. They are as follows:

- **Level 1**: 60 percent of monthly earnings, not to exceed a maximum monthly benefit of $1,800
- **Level 2**: 60 percent of monthly earnings, not to exceed a maximum monthly benefit of $3,000
- **Level 3**: 60 percent of monthly earnings, not to exceed a maximum monthly benefit of $5,000
- **Level 4**: 60 percent of monthly earnings, not to exceed a maximum monthly benefit of $7,500

Benefits are reduced by any group disability benefits received from other sources, as defined on Page 105. A person currently disabled will not be eligible to increase their benefit.

How to Select Your Level of Coverage
You should consider your annual salary when selecting a level of coverage to provide you and your family the most protection.

- If your annual salary is less than $36,000, you should select Level 1 Coverage.
- If your annual salary is $36,000 - $60,000, you should select Level 2 Coverage.
- If your annual salary is $60,000 - $100,000, you should select Level 3 Coverage.
- If your annual salary is greater than $100,000, you should select Level 4 Coverage.

What is the minimum benefit?
The minimum monthly benefit is $100, or 10 percent of your gross disability benefit, whichever is greater.

How long must I be totally disabled before I receive benefits?
There is an elimination period (benefit waiting period), during which time you must be continuously disabled and for which no benefit is payable. The elimination period begins on the first day of disability. You can satisfy your elimination period if you are working, as long as you meet the definition of disability. Your disability will be treated as continuous as long as you do not exceed 90 return-to-work days during the elimination period.

When are benefits payable?
LTD benefits begin to accrue after you meet the definition of disability as defined in the policy to satisfy a benefit waiting period of 180 days or the expiration of accrued sick leave, whichever is greater.

How long are benefits payable?
If you are disabled prior to age 62, your benefits will cover you to age 67. If you are disabled at age 62 or after, benefits will be paid according to a decreasing maximum benefit period as indicated below:

Is coverage guaranteed during this enrollment?
**New Hires**: Yes. You have the opportunity to enroll in Long-Term Disability during this enrollment period without submitting Evidence of Insurability. If you are currently eligible for coverage, but choose not to enroll during this enrollment, future enrollments will require that you complete Evidence of Insurability and your coverage will not be guaranteed.

**Current Employees**: No. If you chose not to enroll during previous enrollments, you must now complete an Evidence of Insurability (EOI) form before you are considered for coverage. The effective date of increased amount will be the first of the month following approval and first deduction. Your current premium will continue until the upgrades are applied for the new plan year. Your Long-Term Disability will not become effective until the first of the month following approval by The Hartford.

The monthly benefit payments for disabilities due to sickness or injury, which are due to mental illness, will not exceed 24 months. However, any period of time that you are confined in a hospital or other facility licensed to provide medical care for mental illness, alcoholism and substance abuse does not count toward the 24 months.

**What benefits are included in Long-Term Disability?**

If you become disabled, the following benefits can help until you get back to full-time work.

**Work Incentive Benefit** - This benefit offers an effective incentive if you are disabled and return to work. You may receive your full disability benefit during the first 12 months after returning, as long as your benefit and earnings are not more than 100 percent of pre-disability earnings.

**What is a recurrent disability?**

A recurrent disability is a disability that is related to, or due to the same cause or causes of a prior disability for which a monthly benefit was paid. A recurrent disability will be treated as part of the prior disability and you will not have to complete another elimination period if, after receiving disability benefits under the plan, an employee returns to work on a full-time basis for less than six months and performs all of the duties of the employee’s own occupation. Benefit payments will be subject to the terms of the plan for the prior disability.
What are the limitations?
The policy will not cover any disability due to:
• War or act of war (declared or not)
• The commission of, or attempt to commit a felony
• An intentionally self-inflicted injury
• Any case where your being engaged in an illegal occupation was a contributing cause to your disability
• Military service for any country engaged in war or other armed conflict

Are benefits taxable?
Because your premiums are paid on a post-tax basis, disability benefits paid to you will not be taxed.

When should I submit a claim?
Your claim should be submitted within 30 days after the date of your disability begins or as soon as possible. However, The Hartford must receive written proof of your claim no later than 90 days after your elimination period. If this is not possible, proof must be given no later than one year after the time proof is required except in the absence of legal capacity.

How do I submit a claim?
The transition process from Short Term Disability to Long Term Disability claim is automated by our claim system. A claimant questionnaire is sent to the employee that requests information about other income/offset information, past work experience/education and medical providers. We may also obtain additional information from the employer. A separate claim form is not required.

What if I receive benefits from another group disability plan or other source?
Disability benefit payments will be reduced by other income you receive or are eligible to receive due to your disability, such as:
• Social Security Disability Insurance
• Workers’ Compensation
• Other employer-based insurance coverage you may have
• Unemployment benefits
• Settlements or judgments for income loss
• Retirement benefits that your employer fully or partially pays for (such as a pension plan)

Disability benefit payments will not be reduced by certain kinds of other income, such as:
• Retirement benefits if you were already receiving them before you became disabled
• Retirement benefits that are funded by your after-tax contributions
• The portion of your Long Term Disability payment that you place in an IRS-approved account to fund your future retirement.
• Your personal savings, investments, IRAs or Keoghs
• Profit-sharing
• Most personal disability policies
• Social Security increases

Is there a survivor benefit?
Yes, if you die after your disability had continued for 180 or more consecutive days; and you were receiving or were entitled to receive payments under the plan, The Hartford will pay your eligible survivor a lump sum benefit equal to three months of your gross disability payment.

Your rates are listed below. All premiums are on a post-tax basis.

For 11-MONTH (24 Deductions), use this formula: Annual Salary\(^*\) $ \frac{\text{Annual Salary}\times .95}{24} = \$_______

For 12-MONTH (26 Deductions), use this formula: Annual Salary\(^*\) $ \frac{\text{Annual Salary}\times .95}{26} = \$_______

\(^*\) If your salary exceeds $150,000, enter $150,000 here.
Is there a pre-existing condition clause?
Yes. Your insurance limits the benefits you can receive for pre-existing conditions. In general, if you were diagnosed or received care for a condition before the effective date of your policy, you will be covered for a disability due to that condition only if:

- You have not received treatment for your condition for three months before the effective date of your insurance, or
- You have been insured under this coverage for twelve months prior to your disability commencing, so you can receive benefits even if you’re receiving treatment, or
- You have already satisfied the pre-existing condition requirement of your previous insurer.

What insurance company makes this plan available?
The Long-Term Disability benefit is offered through Hartford Life and Accident Insurance Company. The Hartford is rated "A (Excellent)" (rating effective 2010) by A.M. Best’s Reports, which compares and rates the financial strength and performance of insurance companies.

NOTE: This product description does not constitute an insurance certificate or policy. The information provided is intended only to assist in the selection of benefits. Final determination of benefits, exact terms and exclusion of coverage for each benefit plan are contained in certificates of insurance issued by the participating insurance companies.

Certificate(s) of Coverage for your insurance benefits are available to you online throughout the year. A hard copy of these certificates will not be mailed to you automatically. Your Certificate(s) of Coverage are document(s) issued by the insurance company for benefits registered with the State of Florida. These documents are available for the benefits you selected during Open Enrollment or as a new employee. To view or print a copy of a Certificate of Coverage for any benefit, log on to www.dadeschools.net. Click on Employee Benefits, then click on "Employee Benefits." Your Certificate(s) of Coverage will be located under your tab (i.e., M-DCPS Employees, Retirees, Part-Time Food Service or COBRA). If you prefer to have a hard copy mailed to your home address, please contact the appropriate insurance company directly. Their phone numbers are listed on the M-DCPS Web site under “Important Phone Numbers.”
Hospital Indemnity Coverage provides benefits if you or your insured dependents are confined in a hospital as an inpatient. The levels of daily coverage are $50, $100 or $150. The Employee-Paid daily benefit levels combined cannot exceed $150. You must be enrolled for coverage in order to enroll your dependent(s). Coverage for your dependents cannot exceed your own.

If a child is born to anyone under this policy while family coverage is in force, the child shall automatically become a covered dependent from the moment of birth. However, you must still contact FBMC at 1-800-342-8017 and request a Change in Status form. This includes coverage for sickness or injury, and the necessary care and treatment of medically diagnosed congenital defects, birth abnormalities and premature birth. Routine care for the child is not covered under this policy.

You and your dependents may select different levels of coverage as long as (a) your amount does not exceed $150 and (b) your dependent’s level of coverage does not exceed your own.

Who is an eligible dependent for this coverage? Eligible dependents covered under this plan include:
- Legal Spouse/Domestic Partner
- Unmarried children who are under age 25 provided:
  - the child is dependent upon the insured for support
  - the child is living in the insured’s household, or
  - the child is a full-time or part-time student.

NOTE: ‘Child’ includes stepchild, legally adopted child, a child pending finalization of adoption proceedings, natural child, and children of a Domestic Partner (provided the Domestic Partner is also covered). Dependent eligibility will be determined at the time of claim.

When will my benefit payments start? You are eligible for benefits on the first day of a covered hospitalization.

How long will the benefits continue? These benefits are payable for each day you are confined as an inpatient in a covered hospital (see exclusions) for any period from one to 365 days. Successive periods of hospital confinement, due to the same or related causes, not separated by 60 days shall be considered as one period of hospital confinement.

Must I still pay my premiums if I am hospitalized or disabled and unable to work? If you are confined in a hospital before your 60th birthday, coverage will be continued without further payment of premiums:
- a) after you have received benefits for 60 consecutive days during which premiums are paid, and
- b) while you remain in the hospital as an inpatient for the same or related injury or sickness and benefits continue to be paid to a maximum of 365 days.

If you become disabled before your 60th birthday, coverage will be continued without further payment of premiums after you have been disabled for nine (9) straight months during which premiums were paid. Premiums will continue to be waived as long as you remain hospitalized or disabled provided you are eligible to continue receiving benefits, but no more than 365 days.

Waiver of Premium applies only to you; however, coverage for your covered dependents will also be continued without further payments while premiums are waived.

When are benefits payable? Benefits are payable for each day of a necessary hospital confinement when the insured is confined in a hospital as an inpatient as recommended by a doctor for care that is reasonably and medically necessary.

How do I obtain claim forms? To obtain claim forms, call the FBMC Customer Care Center at 1-800-342-8017, Monday - Friday, 7 a.m. - 10 p.m. (ET).

Are benefits taxable? The IRS may require you to pay taxes on payments you receive from the Hospital Indemnity Coverage plan under current law. For further information, consult your personal tax advisor.

* Disability is defined as the inability to perform all the essential duties of any occupation for which you may reasonably become qualified based on training, education or experience.

Must I still pay my premiums if I’m disabled and unable to work?
If you become totally disabled prior to age 60 and that disability lasts for nine consecutive months, during which time premiums are paid, the insurance company will continue your life insurance in force without further payment of premiums if proof of such disability is provided and waiver is approved.

Is there any situation that would exclude my benefits?
If you commit suicide while you are sane or insane within two years of the effective date of coverage, benefits will not be paid; however, your beneficiary will receive a refund of the premiums you have paid for this insurance.

Also, if coverage was elected while you were on a leave of absence due to a disability and you did not return to work, benefits will not be paid. However, your beneficiary will receive a refund of the premiums you have paid for this insurance.

Does the plan pay any benefits if I am terminally ill?
The plan will pay a lump sum—50 percent of the life insurance benefit amount in force to a maximum of $50,000 if you are terminally ill and your life expectancy is six months or less. Your benefits paid to you will reduce the death benefit. This benefit is payable only once in your lifetime.

Is there any situation that would reduce my benefit amount?
All benefits are subject to reduction after age 64 as follows:
- At age 65, to 65 percent of the original face value of coverage in force
- At age 70, to 45 percent of the original face value of coverage amount in force
- At age 75, to 30 percent of the original face value of coverage amount in force
- At age 80, to 20 percent of the original face value of coverage amount in force

Can I convert my Employee-Paid life insurance if I terminate employment?
Yes. You may apply for a conversion policy for all or any portion of life insurance in effect at termination, if you make a request. You must complete a conversion application within 31 days of termination. To request a conversion application, contact the MetLife onsite representative at 305-995-7029.
Can I continue my Employee-Paid life insurance if I retire?
Yes. Upon retirement, employees may continue their coverage at their current level of coverage subject to the maximum of their class. You may not add or increase your existing coverage. If at any time of your retirement you do NOT elect to continue this coverage, you will no longer be eligible for coverage under this plan and your group life coverage will be terminated. The maximum for actives is $100,000. The maximum for retirees is $100,000.

Accidental Death and Dismemberment (AD&D), provides benefits for you or your insured dependents in the event of a covered accident—on or off the job—which results in loss of life, limbs, use of limbs, eyesight, hearing or speech. You may select $25,000 to $500,000 (in 25,000 increments) of coverage.

You must be enrolled for coverage in order to cover your dependents. Your dependent’s coverage is a percentage of your selected benefit amount. They are as follows:

Spouse - The spouse’s benefit amount will be 40 percent of the employee’s, or 50 percent if the employee has no dependent children. This amount cannot exceed $250,000.

Children - Each covered child’s benefit amount will be 10 percent of the employee’s, or 15 percent if the employee has no spouse. The maximum children’s benefit is $25,000.

What accidents are not covered?
Benefits will not be paid for a loss caused by or resulting from:

- Sickness, physical or mental illness or infirmity, or the diagnosis or treatment of such illness or infirmity;
- Infection, other than infection occurring in an external accidental wound;
- Suicide or attempted suicide; intentionally self-inflicted injury;
- Service in the armed forces of any country or international authority, except the United States National Guard;
- Any incident related to:
  1) travel in an aircraft as a pilot, crew member, flight student or while acting in any capacity other than as a passenger;
  2) travel in an aircraft for the purpose of parachuting or otherwise exiting from such aircraft while it is in flight;
  3) parachuting or otherwise exiting from an aircraft while such aircraft is in flight except for self preservation;
  4) travel in an aircraft or device used for testing or experimental purposes; by or for any military authority; or for travel or designed for travel beyond the earth’s atmosphere;
- Committing or attempting to commit a felony;
- The voluntary intake or use by any means of:
  1) any drug, medication or sedative, unless it is: taken or used as prescribed by a Physician, or an “over the counter” drug, medication or sedative, taken as directed;
  2) alcohol in combination with any drug, medication, or sedative; or
  3) poison, gas, or fumes; or war, whether declared or undeclared; or any act of war, insurrection, rebellion, or riot; or driving a vehicle or other device while intoxicated as defined by the laws of the jurisdiction in which the vehicle or other device was being operated.

What injuries are covered and for how much?
Accidental Death and Dismemberment (AD&D) will pay the following percentage of the amount of coverage you purchase (from $25,000 up to $500,000 for employee coverage) if, within 365 days of an eligible accident, bodily injuries result in:

- Loss of life 100%
- Total paralysis of arms and legs 100%
- Loss of any combination of two: hands, feet or eyesight 100%
- Loss of speech and hearing in both ears 100%
- Total paralysis of both legs 50%
- Total paralysis of arm and leg on one side of the body 50%
- Loss of one hand, foot or sight in one eye 50%
- Loss of speech or hearing in both ears 50%
- Loss of thumb and index finger on the same hand 25%

For example, if you purchase $200,000 in coverage for yourself and you are in an accident that results in your death, the benefit would pay $200,000.

If the accident results in total paralysis of both your legs, the benefit would pay $100,000. If the accident results in loss of your thumb and index finger on the same hand, the benefit would pay $50,000.

If you or a dependent sustain more than one covered loss due to an accidental injury, the amount we will pay will not exceed the full amount.

Benefits will be reduced based upon the age of you or your spouse:

- If you are age 65 to 69, your benefit will be reduced to 70 percent of the amount of coverage
- If you are age 70 to 74, benefits will be reduced to 45 percent of the amount of coverage.
- If you are age 75 to 79, benefits will be reduced to 30 percent of the amount of coverage.

Taxable Benefits and the IRS
Certain benefits may be taxed if you become disabled, depending on how the premiums were paid during the year of the disabling event. Payments, such as disability, from coverages purchased with pre-tax premium and/or nontaxable employer credits, will be subject to federal income and employment (FICA) tax. If premiums were paid with a combination of pre-tax and after-tax dollars, then any payments received under the plan will be taxed on a pro rata basis. If premiums were paid on a post-tax basis, you will not be taxed on the money you receive from the plan. You can elect to have federal income tax withheld by the provider just as it is withheld from your wages. Consult your personal tax adviser for additional information.

In addition, FICA and Medicare taxes will be withheld from any disability payments paid through six calendar months following the last calendar month in which you worked prior to becoming disabled. Therefore, no FICA or Medicare tax will be withheld.

You will be required by the IRS to pay FICA, Medicare, and federal income taxes on certain other benefit payments, such as those from Hospital Indemnity Insurance, Personal Cancer Expense Insurance and Hospital Intensive Care Insurance, that exceed the actual medical expenses you incur, if these premiums were paid with pre-tax dollars and/or nontaxable employer credits. If you have questions, consult your personal tax adviser.

**Newborn and Mothers Health Protection Act**

The Newborn and Mothers Health Protection Act has set rules for group health plans and insurance issuers regarding restrictions to coverage for hospital stays in connection with childbirth.

**The length of stay may not be limited to less than:**
- 48 hours following a vaginal delivery; OR
- 96 hours following a cesarean section

**Determination of when the hospital stay begins is based on the following:**
- For an in the hospital delivery:
  - The stay begins at the time of the delivery. For multiple births, the stay begins at the time of the last delivery.
- For a delivery outside the hospital (i.e. birthing center):
  - The stay begins at the time of admission to the hospital.
- Requiring authorization for the stay is prohibited. If the attending provider and mother are both in agreement, then an early discharge is permitted.

**Group Health Plans may not:**
- Deny eligibility or continued eligibility to enroll or renew coverage to avoid these requirements.
- Try to encourage the mother to take less by providing payments or rebates.
- Penalize a provider or provide incentives to a provider in an attempt to induce them to furnish care that is not consistent with these rules.
- These rules do not mandate hospital stay benefits on a plan that does not provide that coverage.
- The group plan is not prohibited from imposing deductibles, coinsurance, or other cost-sharing related to the benefits.
