This handbook is periodically updated. You will find the most recent version on the Milwaukee Public Schools website at www.milwaukee.k12.wi.us

Updated October 8, 2014
October 8, 2014

Dear District Employee:

The Employee Handbook is written to provide information about important District policies, procedures, and guidelines that directly impact you. The handbook is updated annually to continually meet the operational needs of the District in supporting all of its employees; to establish more effective and efficient operations with consistency across job classes, work groups, and trades; and to reframe the attention of each employee in supporting the schools and all the students of the Milwaukee Public Schools.

This handbook will provide you a quick reference to practices that are necessary for every employee to know as they pursue a career with the Milwaukee Public Schools. The handbook will not cover all administrative policies and procedures. Information on employee benefits is published in a separate document available on the portal. Work rules are not contained in this document, but rather will be available from the specific Office of the Chiefs for whom the employee works.

Every employee, no matter what your position, must be dedicated to improving student achievement and contributing to excellence in this organization. Everything our District does must converge to result in continually improving our student learning to succeed and prepare them for life after graduation.

Please read and become familiar with this information. Do not hesitate to request clarification on any district policy or procedure references in this handbook. You may direct these questions to Employment Relations at 475-8280. Any comments that will improve the handbook are welcome. The handbook will be updated as needed to reflect changes in procedures, legislation, or board policy. You may contact your supervisor or other appropriate administrator on matters of work rules.

The Office of Human Capital has been organized in anticipation of questions from all employees whether or not represented.

VISION

The Milwaukee Public Schools (District) will be among the highest-performing urban public school districts in the country, providing rigorous, high-quality learning opportunities for students. Schools will enable lifelong learning among students, families, educators, and other staff focused on continuous improvement. Teaching will be child-centered, based on research-proven methods, and aligned to high academic standards; it will meet the learning needs of individual students. The District, its schools, and its employees will be accountable for measurable gains in student achievement.

Schools will be safe centers of community activity that are welcoming, well maintained, and accessible. The District is governed by a nine-member elected Board of School Directors. One member is elected at large and eight members are elected from numbered districts (§ 119.08, Wis. Stats.). The Board holds monthly public meetings. Members serve four-year terms.

The District’s administrative leadership team is led by the Superintendent of Schools.

All employees are expected to support this culture through overall customer service with a strong emphasis on the following three areas:

- **Environment** – Creating a clean, safe and inviting environment in all district facilities.

PURPOSE OF THE EMPLOYEE HANDBOOK

This Handbook is not intended as a complete description of all policies, procedures, work rules, or best practices. None of the statements, policies, procedures, rules, best practices, or regulations contained herein constitutes a guarantee of any rights or benefits or a contract of employment, expressed or implied. The provisions set forth in this Handbook and any related policies, procedures, work rules, or best practices may be altered, modified, changed, or eliminated at any time by the District with or without notice. This Handbook is subject to administrative policies and procedures and state, federal, and local law, and it is not intended and should not be construed to create rights that exceed or modify terms and conditions as set forth in or mandated by these other sources. In the case of a conflict between this Handbook and the policies or procedures of the District, the Handbook shall control.

EQUAL OPPORTUNITY STATEMENT

The District is committed to equal employment opportunity and non-discrimination as required by the law for all individuals in the District workplace regardless of race, color, ancestry, religion, gender, sex, national origin, disability, age, creed, sexual orientation, marital status, veteran status, or any other legally protected characteristic. The District complies with employment discrimination laws, including the Wisconsin Fair Employment Law; Title VI and Title VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination in Employment Act of 1967, as amended; Title II of the Genetic Information Nondiscrimination Act of 2008; Title I of the Americans with Disabilities Act of 1990, as amended; Section 504 of the Rehabilitation Act of 1973, as amended; and Title 34 C.F.R. § 104.01, et. seq. For additional information, contact the Office of Human Capital, Employee Rights Administration Department, at 414-773-9927.

COMMUNICATION WITH UNION AND REPRESENTATIVES

The Milwaukee Public Schools and the Board of School Directors value communication and collaboration with our employees and designated bargaining representatives. We will work together to solve problems and to increase our capacity to make a greater impact on student achievement.

To promote and preserve a productive relationship between employee and employer, there will be regular communication between the employee’s certified bargaining representative and the appropriate Milwaukee Public Schools Office. To that end, and when deemed appropriate, the District will establish labor/management committees to discuss matters of urgency or concern.

Building Committees

The purpose of the building committee is to provide a means to address building-wide concerns. A building committee is empowered to and responsible for, through the District’s core values, enriching the school community’s environment by continuously improving the workplace
morale, safety, general organization, and overall climate for learning and student achievement. The building committee must consist of a minimum of three school based representative members of the bargaining units at the school, if those units wish to participate. Each school is strongly encouraged to establish a building committee.

The committee will meet in an organized manner, and engage in building-level, collaborative and respectful problem solving and planning. The school’s administration shall recognize the committee and shall meet with the committee and any other persons deemed appropriate by either the committee or school administration. All school staff shall have the ability to raise concerns to the committee.

Building committees should meet at least once per month, but no less than twice per semester, with the school’s administration or as deemed appropriate by the committee and school administration to jointly problem solve and plan for the improvement of the school. Concerns should be raised with suggested solutions. The concerns shall be provided to each party previous to the meeting.

The existence of a building committee does not prohibit any individual employee from bringing matters of concern directly to the principal or School Administration.

**Solving Persistent School Problems**

In the event that solutions to matters involving workplace morale, safety, general organization, and overall climate cannot be identified or rectified with the building committee and school administration, the building committee shall work with representatives from their unions and with the regional superintendents or their designee to resolve the remaining problems. In the event problems are still unable to be resolved, the regional superintendent and the union staff shall work directly with top level administration to intervene.

**RESPONSIBILITIES TO EMPLOYEES**

Neither the Board nor the Administration will act in an arbitrary or capricious manner, or violate any state, federal, or local law.

**PART I**

**REFERENCE TO DISTRICT POLICIES**

The employment policies and administrative procedures discussed in this Handbook are not intended to be an exhaustive list of all employment expectations. Please note that all District employees are subject to the rules, policies, and procedures set forth in the District’s Administrative Policies and Procedures Manual, which is accessible online from the homepage of the Milwaukee Board of School Directors website under “District’s Policy Manual.” Some, but not all, of these rules, policies, and procedures are included or referenced in this Handbook. Upon adoption of the Handbook, the Rules and Governance Policies and the Administrative Policies and Procedures of the Milwaukee Board of School Directors shall be reviewed and

No employee who makes a good-faith report under this policy (or who cooperates in inquiries or investigations) shall suffer harassment, retaliation, or adverse employment

PART II

PROFESSIONAL RESPONSIBILITIES AND EXPECTATIONS

A. ATTENDANCE

Applicable Group(s) A, B, C, D, F, G, H, I, J:

Punctual and regular attendance is expected of all District employees. Each department shall establish attendance procedures. Employees who are unable to report to work on a scheduled workday must follow the established reporting procedures. Tardiness, unless excused by the supervisor or other appropriate administrator, is not permitted. The District will monitor attendance, tardiness, and absence patterns. Excessive absenteeism or tardiness may result in disciplinary action, up to and including termination.

Failure to report for work, without authorization, at the time and place designated by the immediate supervisor is considered an unexcused absence that will be designated as an absence without leave (AWOL). Employees absent without approved leave in excess of three consecutive workdays shall be deemed to have committed job abandonment. AWOL absences may result in disciplinary action, up to and including termination.

B. DISCIPLINE

Applicable Group(s) A, B, C, D, E, I:

Generally, discipline is progressive in nature and requires communication with employees and/or their representatives. Disciplinary action may include: written warning, suspension, demotion, or termination of employment. Specific disciplinary actions will depend on the behavior and frequency of occurrences. Non-probationary employees shall only be disciplined or discharged for just cause, except those employees who otherwise serve at the pleasure of the Board or Superintendent. The District may discipline an employee when the employee violates a policy or rule. Any particular concern related to an employee’s conduct may be settled by informal discussion with the immediate supervisor. The employee may have a representative of his/her own choosing present for the discussion which may lead to discipline.

The District may initiate an administrative investigation when an allegation(s) of misconduct is made. Upon completion of the investigation, if evidence substantiates the allegation(s), the District shall specify the allegation(s) against the employee. The District shall then hold a conference at which the District presents evidence substantiating the allegation(s). The employee and/or his or her representative may respond to the allegations at the conference.
If the District finds just cause, the District may assess and implement appropriate discipline. All disciplinary actions will undergo administrative review before implementation occurs.

The District reserves the right to place the employee on immediate suspension during the investigation without loss of pay for the first three workdays. If the charges are ultimately dropped, the employee will be compensated in full for all lost salary during the time of suspension, minus any interim earnings or wage loss benefits. For employees in Group D that are in long term assignments, the immediate suspension pending investigation will be unpaid. If the charges are dropped the employee will be reimbursed for the suspension days served. The provisions in this final paragraph do not apply to employees in Group E.

C. EMPLOYEE RULES OF CONDUCT

This process is not intended to limit or prevent individuals from seeking resolution or counseling from other sources.

The process begins with a written complaint and initial interview of the complainant. The written complaint may be filed with either the complainant’s supervisor or with the District’s EEO Compliance Officer, who can be reached at 414-773-9927 in the Office of Human Capital (OHC), Employee Rights Administration Department (ERAD). The appeal must be filed with the Office of Human Capital, Employment Relations Department, within ten workdays after the receipt of the designated administrator’s disposition.

a. **SELECTION OF AN IMPARTIAL HEARING OFFICER (IHO):** The Office of Accountability and Efficiency shall maintain a list of qualified IHO’s following consultation with labor unions, which may not include present or former District or union employees. Qualified IHO’s may include, but are not limited to, those individuals available to be impartial hearing officers through the Wisconsin Employment Relations Commission or the Wisconsin Association of School Boards. The District will apply any standards developed by the State of Wisconsin for qualifying IHO’s. IHO’s for appealed matters shall be assigned at random from the list of qualified IHO’s by the Chief Accountability and Efficiency Officer.

Within ten calendar days of the receipt of the first step appeal, the Office of Human Capital, Employment Relations Department, shall contact the Office of Accountability and Efficiency to request the selection of an IHO. Employment Relations will copy the employee or the employee’s representative in the request for
the IHO. Once an IHO has been selected by the Office of Accountability and Efficiency, the employee or the employee’s representative and Employment Relations will schedule a date for the hearing.

The IHO shall be compensated at his/her established regular rate for the hearing and time spent composing the decision, if such rate is charged. Any charges will be split evenly between the Administration and the party appealing the termination, disciplinary action, or workplace safety concern.

b. MEDIATION: The IHO shall offer the parties an opportunity to mediate the dispute immediately prior to holding a hearing on the matter. During such mediation, the parties shall present their positions to the IHO, but no evidence shall be taken. If no resolution is achieved, the IHO shall immediately commence the hearing.

c. HEARING BEFORE THE IHO: The IHO shall take testimony and evidence, and be responsible for the fair and orderly conduct of the hearing and preservation of the record. All testimony shall be taken and recorded under the supervision of the IHO.

The parties shall provide all exhibits to each other at least ten workdays in advance of the hearing.

For disciplinary or termination hearings, the Administration shall have the burden of proof to show just cause for the action taken.

For hearings related to workplace safety, the employee has the burden of proof to show the action is necessary. The Administration shall have the burden of proof to justify the reasonableness of the action taken.

The IHO shall sustain, modify, or overturn the determination of the designated administrator based upon his or her review of the facts as presented.

The IHO shall submit a written decision to the Office of Human Capital, Employment Relations Department, within ten workdays of the receipt of the hearing transcript, including the reasons for the decision. The Office of Human Capital shall communicate the decision to the parties through electronic means or U.S. mail.

THIRD STEP - The employee may appeal the decision of the IHO to the Board. The Administration may appeal the decision of the IHO to the Board only with the concurrence of the appropriate executive officer. The appeal must be filed within ten workdays of receipt of the IHO’s decision. An appeal to the Board is permitted only in matters involving an employee termination, disciplinary demotion, a disciplinary suspension in excess of five workdays without pay, or workplace safety issues.

Any appeal to the Board shall be on written record (paper review). The Board procedures governing such reviews, including the circumstances in which a hearing may be
conducted, will be located in the Appendices to the Board Rules. The appealing party shall supply a copy of the written record to the other party without charge.

This entire grievance procedure shall not be construed to create and is not intended to establish or give rise to any contractual rights between the Milwaukee Board of School Directors and any of its employees and is at all times subject to modification or elimination by the Board at its sole discretion.

5. **PROCEDURE FOR EMPLOYEE GROUP D (SUBSTITUTE TEACHERS)**

   **Applicable Groups(s) D:**

   Any substitute teacher may file a written grievance with the Office of Human Capital, Employment Relations Department, within ten workdays of his or her termination, or receipt of discipline, or an inability to satisfactorily resolve a workplace safety issue with his or her immediate supervisor.

   Upon receipt of a written grievance, an appropriate administrator will be designated to hear the grievance. The employee or his/her representative will be notified of the administrator assigned to the grievance and asked to contact the administrator to schedule the hearing. The designee shall meet with the parties within 15 workdays of receipt of the grievance or as soon as practicable to discuss the grievance and attempt to resolve it. If the employee or employee representative does not contact the administrator to schedule the hearing within 60 calendar days of filing, the grievance will be considered withdrawn. The designee shall review documentation provided by both parties in support of the employee’s position, may allow the parties to present brief overviews of their positions if this is deemed helpful, and may direct pertinent questions to the parties. If the matter is resolved, then the resolution will be reduced to writing and distributed to the parties. If the matter is not resolved, the designee shall advise the parties in writing of his/her disposition of the grievance within ten workdays after the meeting.

   The designee’s disposition shall be final and binding.

**PART VI**

**COMPLAINT PROCEDURE**

   **Applicable Group(s) A, B, C, D, E, F, G, H, I:**

   The purpose of this complaint procedure is to provide a method for prompt and full discussion and consideration of matters of concern that do not fall under the category of harassment, discrimination, or bullying and which cannot be processed through the grievance procedure.
Any employee may file a written complaint with the Office of Human Capital, Employment Relations Department, within ten workdays of his/her inability to resolve the concern with his/her immediate supervisor or the employee has knowledge of the concern.

Upon receipt of a written complaint, the Chief Human Capital Officer will designate an appropriate designee to hear the complaint. The designee shall meet with the employee within 15 workdays of receipt of the complaint or as soon as possible to discuss the complaint. The designee shall review documentation provided in support of the employee’s position and will further investigate the matter. The designee shall advise the employee in writing of his/her disposition of the complaint within ten workdays after the meeting. If the employee or employee representative does not contact the administrator to schedule the hearing within 60 calendar days of filing, the complaint will be considered withdrawn.

The designee’s disposition shall be the final resolution of the complaint.

PART VII
LEAVES AND ABSENCES

A. ADMINISTRATIVE LEAVE

Applicable Group(s) A, B, C, D, E, F, G, H, I:

The District, through the Office of Human Capital, may place an employee on Administrative Leave if the employee is disrupting operations or if the District has reason to believe that the employee may be: 1) potentially injurious to self or others; or 2) medically unfit to perform the core duties of the job, notwithstanding reasonable accommodations. The employee may elect to use accrued sick leave while on Administrative Leave; otherwise, Administrative Leave is unpaid. If an employee is placed on Administrative Leave, the District will within a reasonable period of time provide a process to assess the employee’s suitability for returning to work. Placement on Administrative Leave does not preclude disciplinary action based on the same conduct. Placement on Administrative Leave will be confirmed in writing and may be appealed to the Chief Human Capital Officer.

B. FAMILY MEDICAL LEAVE ACT (FMLA)

Applicable Group(s) A, B, C, D, E, F, G, H, I:

The provisions below describe employee rights and obligations under the Federal and State Family and Medical Leave Act (FMLA) and explain the consequences of a failure to meet these obligations.
1. LEAVE ENTITLEMENT

a. STATE LEAVE. The actual amount of time an employee spends on leave under the Wisconsin FMLA will be subtracted from his/her entitlements under Wisconsin law:

- Two workweeks for the employee’s serious health condition
- Two workweeks for the serious health condition of a child, spouse, domestic partner, or parent(s) (including the employee’s parents-in-law or the parents of a domestic partner)
- Six workweeks for the birth or adoption of a child by the employee.

b. FEDERAL LEAVE. The actual amount of time an employee spends on leave under the Federal FMLA will also be subtracted from his/her entitlement to leave under Federal FMLA for any of the following purposes:

Twelve workweeks of leave in any 12-month period for:

- Birth and care of the employee's child, within one year of birth. If both spouses are employed by the District, they will be entitled to a combined total of 12 workweeks of family leave
- Placement with the employee of a child for adoption or foster care, within one year of the placement. If both spouses are employed by the District, they will be entitled to a combined total of 12 workweeks of family leave
- Care of an immediate family member (spouse, child, parent) who has a serious health condition
- For the employee's own serious health condition that makes the employee unable to perform the essential functions of his or her job
- Any qualifying extenuating circumstances arising out of the fact that the employee’s spouse, son, daughter, or parent is on active duty or has been notified of an impending call or order to active duty in the U.S. National Guard or Reserves in support of a contingency operation

Under Federal FMLA the employee has an additional entitlement to 26 workweeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the service member (Military Caregiver Leave).

2. CONCURRENT LEAVES OF ABSENCE

These leave rights will run concurrently to the extent permissible under law. Wisconsin FMLA leave rights are administered on a calendar year basis; Federal FMLA leave rights are administered on a rolling year basis. To be eligible for leave, the employee must request leave not fewer than 30 calendar days before his/her leave is to begin, unless due to the circumstances, a shorter notice is necessary. However, the notice must be given not later than two workdays after a leave begins. Leave may be taken on an intermittent or reduced leave schedule basis for a serious health condition, after attempting to
coordinate the period of absence with the District. In the event of a birth, adoption or foster care placement, intermittent leave will be permitted only during the 16-week period before and after the birth or placement, and the last segment of intermittent leave must begin within 16 weeks of the date of birth or placement.

3. **ELIGIBILITY**

The employee will be eligible for Federal FMLA leave if he/she has worked for at least 1,250 hours in the 12 months prior to the beginning of his/her leave and has been employed with the District for 12 months over the past seven years. For Wisconsin FMLA purposes, the employee must have been employed for 52 consecutive weeks and been paid for 1,000 hours of work in the 12 months preceding the commencement of his/her leave.

4. **MEDICAL CERTIFICATION**

If the employee’s leave request is based on his/her own serious health condition or the serious health condition of his/her child, spouse, domestic partner or parent, he/she must provide the District with a medical certification prepared by the treating health care provider. The medical certification must be provided to the District within 15 calendar days of notice to the employee of the need to provide such information, unless the District agrees to an extension of time. If the information in the certification is incomplete or insufficient, the District may request a clarification and/or authentication of the certification from the treating health care provider. This document must be completed and returned to the District within seven calendar days unless the District agrees to extend the response time. In the event questions continue to exist, the treating health care provider may be contacted for clarification of the request. If the employee fails to provide a timely certification, his/her leave request or his/her continuation of leave may be denied. If the employee’s leave request is denied, his/her absences will be classified under the District’s attendance policy. However, the District reserves the right to require the employee to use FMLA leave concurrently with sick leave.

5. **ADDITIONAL MEDICAL CERTIFICATION**

If the District has any questions about the accuracy of the employee’s initial medical certification, he/she must submit to another examination, at the District’s expense, by a health care provider selected by the District. If the second opinion differs from the initial certification, a third opinion, from a mutually agreed upon health care provider, may be required. The third opinion is final and binding.

6. **MEDICAL RECERTIFICATION**

The employee must provide the District, to the extent required by law, with recertification on a periodic basis that his/her serious health condition prevents him/her from performing his/her job functions or that he/she is needed to care for a family member with a serious health condition.
7. RETURN TO WORK

If the employee is on FMLA leave because of his/her own serious health condition, he/she may be required to provide the District with a return-to-work release, signed by his/her treating health care provider, which addresses his/her ability to perform the essential duties of his/her job, before he/she can return to work. If he/she fails to provide the District with a return-to-work release, his/her reinstatement may be denied until the required certification is provided.

8. SUBSTITUTION (FMLA PAY STATUS)

The employee may have the option, depending on his/her situation, of using certain types of paid leave (i.e., sick, vacation, miscellaneous leave, or compensatory time) for unpaid FMLA leave pursuant to this FMLA Policy. When using leave under the Wisconsin FMLA act, the employee has the right to substitute any accrued paid leave for FMLA leave. The employee has similar rights to substitute accrued paid leave under the Federal FMLA; however, under the Federal FMLA, the employee may NOT substitute accrued paid leave unless the employee independently meets the applicable requirements for the use of the accrued leave as specified in other provisions of the Employee Handbook. Under Federal FMLA, the District may require the substitution of any accrued paid leave for periods of unpaid FMLA leave. When accrued paid leave is substituted during the employee’s unpaid leave period, the paid leave will not be available to the employee later. These leaves will run concurrently, provided the employee meets the applicable requirements of this leave policy. If the employee does not meet the requirements for taking paid leave, the employee remains entitled to take unpaid FMLA leave. If the employee is injured in the course of employment with the District and receives wage continuation benefits or statutory wage benefits for absences attributable by the District to the work injury, this form of paid leave will be automatically counted against any FMLA entitlement to the extent permitted by law.

9. MAINTENANCE OF HEALTH AND DENTAL INSURANCE COVERAGE AND PAYMENT OF EMPLOYEE CONTRIBUTION

The employee’s health/vision and dental coverage will continue in effect during his/her FMLA leave entitlement and he/she will continue to be responsible for paying any required employee health/vision and dental contributions during the employee’s leave. In the event of an unpaid FMLA leave, the employee will continue to be responsible for payment of employee contributions that accrue during his/her unpaid leave and such contributions will be deducted in full from his/her first paycheck or billed to him/her in full if he/she does not return to work at the District at the end of his/her unpaid FMLA leave.
10. EMPLOYMENT PROTECTION

Upon returning to work from the employee’s FMLA leave, the employee will be reinstated to the position he/she held prior to his/her leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment, unless his/her employment would have otherwise ceased. He/she will have no greater right to employment with the District at the end of his/her leave. If his/her leave extends beyond his/her 12-week FMLA entitlement, the District may fill his/her position.

11. DESIGNATION OF LEAVE

Once the District receives any requested information, the District will inform the employee whether his/her leave will be designated as FMLA leave. If the employee does not provide the District with the required information within the time specified, the employee’s absences will ordinarily be classified as other than FMLA leave and will be subject to the District’s attendance policy. However, the District reserves the right to require the employee to use FMLA leave concurrently with sick leave.

Questions regarding FMLA may be directed to the MPS Leave Administrator in the Office of Human Capital, Employee Rights Administration Department at (414) 475-8210.

C. WORKER’S COMPENSATION

Applicable Group(s) A, B, C, F, G, H, I:

An employee who is injured in the course of employment must file an accident report (Form EB-49) and Employee’s Statement of Injury form with the employee’s immediate supervisor within 24 hours after the occurrence of the injury (or as soon thereafter as possible).

An employee who is absent because of an injury or disease or assault compensable by the District under the Wisconsin Worker’s Compensation Act is eligible for up to 40 days wage continuation during his/her active employment for that injury/disease/assault at approximately 2/3 of the pre-injury gross base salary normally received by the employee. Wage continuation for any and all injuries/diseases/assaults shall not exceed 40 days in any fiscal year and is intended only for the healing period. If the absence extends beyond one of the 40-day limits, the employee has the option of electing sick leave accumulation in accordance with District requirements or statutory workers compensation benefits. In order to be eligible for wage continuation or worker’s compensation benefits, proper medical verification/documentation is necessary and wage loss replacement for the absence must be found by the City of Milwaukee to be required under the Wisconsin Worker’s Compensation Act. (Note: Employees without a standard, regular work schedule are not eligible for wage continuation benefits. No wage continuation benefits are provided for jobs which did not give rise to the injury.)
All employees shall cooperate with the District’s light duty and return to work arrangements where medically advisable and feasible. For additional information regarding worker’s compensation benefits, please visit the portal at www.milwaukee.k12.wi.us or contact Office of Human Capital Services, Benefits and Compensation Services Department, at (414) 475-8555.

E. INCLEMENT WEATHER

Reference: Emergency Closing Procedure
Applicable Group(s) A, B, C, F, G, H, I:

On occasion, due to weather conditions, Milwaukee Public Schools may need to partially or
fully close. The type and extent of a district closure will vary based on the severity of the weather.

Partial Closing (Schools Only)

For the safety of our students, severe weather may necessitate the closing of schools. When travel is not impacted by roadway conditions all non-school based employees are expected to report for work. Any employee not able to report to work is expected to call in their absence in accordance with departmental work rules. Failure of an employee to report the absence will result in the individual not being paid for the day and may result in disciplinary action, up to and including termination.

Inclement weather days are non-paid, non-workdays for substitute teachers and hourly employees.

Full Closing (Central Office, Schools and All Other Sites)

Central Services may need to close when inclement weather seriously impedes travel and safety. Employees involved in snow/ice removal and building maintenance activities will be expected to report to work as determined by the Chief Operations Officer. The Superintendent may designate additional Central Services staff to report.

If a designated employee is unable to work that day, he or she is expected to call in the absence in accordance with departmental work rules. Failure of a designated employee to report the absence will result in the individual not being paid for the day and may result in disciplinary action, up to and including termination.

All closings will be identified on the MPS Portal and in the local media.

F. JURY DUTY

Applicable Group(s) A, B, C, F, G, H, I:

Full-time employees of the District will be released to fulfill citizenship obligations of jury duty. When an employee is summoned for jury service, he/she must notify his/her immediate supervisor. Employees shall receive full pay during the period of absence provided he/she remits to the District an amount equal to the compensation paid to him/her for such jury service and attaches the summons.

G. MILITARY LEAVE

Applicable Group(s) A, B, C, D, E, F, G, H, I:

It is the District’s policy that employees will be granted all military leave rights available under the Uniformed Services Employment and Re-employment Rights Act (USERRA). Upon notification of the need for military leave, employees shall request leave through the
Office of Human Capital and notify their supervisor. For further information regarding rights under USERRA, employees may contact the Office of Human Capital, Leave Administrator at (414) 475-8210.

H. SICK LEAVE

Applicable Group(s) A, B, C, F, G, H, I:

1. ACCRUAL. All employees, except as otherwise provided, are eligible for 0.067 hour for every hour paid, exclusive of overtime or additional hours.

   a. Twelve-month employees can accrue up to a maximum of 120 hours per fiscal year. No employee working on a 12-month basis may accrue more than 1,200 hours of sick leave at any point in time during their employment with the District at full pay. Thereafter, sick leave accumulation is unlimited at half-pay.

   b. Ten-month employees can accrue up to a maximum of 100 hours per fiscal year. No employee working on a 10-month basis may accrue more than 1,160 hours of sick leave at any point in time during their employment with the District at full pay. Thereafter, sick leave accumulation is unlimited, at half-pay.

Note: Substitute teachers and part-time recreation employees are not eligible to earn sick leave.

2. USE OF SICK LEAVE (PERSONAL ILLNESS). Sick leave is a benefit to be used for illness only, unless otherwise provided.

Sick leave taken because of a serious health condition may be governed by FMLA procedures. Questions regarding the application of FMLA procedures should be directed to the MPS Leave Administrator at 414-475-8210 in the Office of Human Capital. Supervisors and employees are encouraged to promptly notify the MPS Leave Administrator of any serious health conditions.

Ordinarily, an employee may be off work for up to three continuous days for personal illness without a need to furnish the employer with medical documentation. All continuous absences in excess of three days for personal illness do require medical documentation substantiating the absence by a health care professional licensed to treat the condition at issue. Medical documentation shall be submitted to the supervisor within seven calendar days of the first day of absence. Such documentation should indicate the duration or expected duration of the restrictions or incapacity. Updated medical reports should be submitted by the employee within seven calendar days after the employee’s work capacity is no longer described or substantiated by medical documentation previously submitted.

The District may require an employee who has been absent due to personal illness to submit medical documentation demonstrating that he or she is fit for duty and/or does not
pose a direct threat to the health or safety of him/herself or others due to the medical condition. Fitness for duty documentation should be submitted routinely for absences in excess of three consecutive workdays, and such documentation may be required for shorter periods if warranted by special circumstances. The employee should be given reasonable advance notice if documentation will be required for shorter periods.

For any period of sick leave that exceeds 20 continuous workdays, the employee must: (1) give advance notification to the employee’s supervisor; and (2) request and obtain approval for a formal leave of absence from the MPS Leave Administrator at 414-475-8210 in the Office of Human Capital. If approved, the formal leave of absence may be applied retroactively to include all sick leave taken from the first date of absence.

3. **USE OF SICK LEAVE (FAMILY ILLNESS).** Employees may use up to ten days per fiscal year of sick leave for illness of an immediate family member. “Immediate family member” is defined as husband or wife, child, stepchild, brother, sister, half-brother or sister, stepbrother or sister, parent, parent-in-law, stepparent, or domestic partner, wherever they may reside, or other relative living in the same household. All continuous absences in excess of two days for family illness require submission of medical documentation of the reason. Family Illness Leave is not intended for employees who do not have sufficient sick leave in their accrued accounts to cover their requested absence(s).

4. **REPORTING OF SICK LEAVE USE.** The employee must notify his/her immediate supervisor before the beginning of the scheduled workday that he/she is going to be off sick in accordance with departmental work rules. Such notice shall be provided to the employee’s immediate supervisor in a manner designated in the departmental work rules. Absent emergency circumstances, the failure to provide the required advance notice will result in the absence being considered absent without approved leave (AWOL) under Part II.

5. **MISUSE OR ABUSE OF SICK LEAVE.** Any time the District has reason to believe an employee may be abusing or misusing the sick leave benefit, it may require the employee to submit medical documentation of the reason for the absence. Misuse or abuse of sick leave may result in loss of pay and/or disciplinary action, up to and including termination.

6. **PLACEMENT ON SICK LEAVE CERTIFICATION REQUIREMENT.** A supervisor may prospectively place an employee on a special sick leave certification requirement (i.e., a requirement to submit medical documentation substantiating each absence, regardless of duration) if the supervisor determines in his or her discretion that the employee’s absences have been excessive. Sick leave certification requirements should not be in place for more than one year, but they may be extended as needed. An employee’s FMLA-approved absences are not subject to a supervisor’s sick leave certification requirement.
I. MISCELLANEOUS LEAVE

Applicable Group(s) A, B, C, F, G, H, I:

A total of not more than 32 hours per year, prorated based upon the number of hours worked weekly, deductible from sick leave may be taken for any reason. Employees must obtain prior written approval from their supervisor before use of sick leave under this provision.

Miscellaneous Leave is not intended for employees who do not have sufficient sick leave in their accrued accounts to cover their requested absence(s).

J. BEREAVEMENT/FUNERAL LEAVE

Applicable Group(s) A, B, C, F, G, H, I:

Funeral leaves listed below shall be permitted without loss in pay or deduction from sick leave, within the parameters specified below.

1. Funeral leaves must be commenced within seven calendar days of death.

2. An employee shall be permitted up to three full workdays, taken consecutively, due to the death of husband or wife, child, stepchild, brother, sister, half-brother or sister, stepbrother or sister, parent, parent-in-law, stepparent, or domestic partner, wherever they may reside, or other relative living in the same household.

3. An employee shall be permitted to take one workday, used within the calendar week (any seven consecutive days), due to the death of a grandparent, grandchild, brother-in-law, sister-in-law, son-in-law, daughter-in-law, uncle, aunt, nephew, niece, or first cousin.

4. The employee must give his/her supervisor advanced notice of the leave. Upon request from the supervisor, the employee must provide documentation substantiating the reason for the absence after returning from the leave.

K. SABBATICAL

Applicable Group(s) B (certificated only), C, I:

Upon recommendation of the Superintendent and approval by the Board, employees who have rendered at least seven years of satisfactory service in the District may be granted a leave of absence for study, research, or to work on a thesis or dissertation, for either one semester or one year, subject to the following provisions.

1. Up to 20 sabbatical leaves may be granted as requested each school year.

2. Sabbaticals shall be granted based upon the probable advantage to the District.
3. Those granted a sabbatical under this provision shall be paid at the rate of 50 percent of their current salary as of the date such leave starts. The salary is subject to the fulfillment of the requirements governing study or research leave established by the Superintendent. In the event an employee fails to get an acceptable grade in one of the courses being taken or drops one course being taken, where such course does not exceed three credits, he/she shall be paid a percentage equal to the credits earned with an acceptable grade, divided by the nine semester credits required, multiplied by 50 percent of the current salary. Any employee who voluntarily leaves the District’s employment within 36 months of his/her return from or completion of a sabbatical must repay 100 percent of the salary cost of such sabbatical.

Only one sabbatical leave is permitted to be taken by a District employee during the course of their employment by/with the District. This limitation is applicable no matter how many times an individual may be hired by, and work for, the District in any capacity.

L. UNPAID (PERSONAL, NON-FMLA) LEAVE OF ABSENCE

Applicable Group(s) A, B, C, F, G, H, I:

In order for the District to position itself to consider and deal with the long-term absence of an employee, employees who request time off for a personal, unpaid, non-FMLA leave must submit their request to the MPS Leave Administrator, Employee Rights Administration Department (ERAD), Office of Human Capital, at least 60 days prior to the requested start date of the leave or as soon as they become aware of the need to request leave.

At the Office of Human Capital’s discretion, unpaid, personal, non-FMLA leaves of absence may be granted for periods of time not to exceed one calendar year.

Because each leave is considered on its own merits and is dependent to some extent on operations of the District, it must be understood that one leave does not establish a precedent for another.

Employees may continue insurances while on unpaid leave of absence at his/her own expense. If the premium is not received by the first of the month, the employee’s insurance coverage shall be terminated. During the unpaid leave of absence, the employee will retain accumulated paid leave, but will not accrue any additional paid leave.

Within five days prior to the end of an employee’s approved leave, the employee shall contact the MPS Employee Rights and Administration Department Leave Administrator to give notice of whether the employee intends to return to work. If the employee will continue to be absent, he or she should submit a written request for leave extension to the ERAD Leave Administrator on or before the end of the approved leave. Leave requests based on a medical condition should be accompanied by medical documentation substantiating that the employee is unable to perform his/her regular job duties for the period of time at issue.
Leave requests for the purpose of study should designate the intended field of study and/or expected degree.

Employees may continue insurances while on unpaid leave of absence at their own expense. If the premium is not received by the first of the month, the employee’s insurance coverage shall be terminated. If the employee exercises this self-pay option, any such period of self-paid coverage will be deemed to be an election to exercise COBRA continuation coverage and will count against the employee’s applicable period of COBRA continuation coverage.

M. DURATION OF LEAVES

Applicable Group(s) A, B, C, F, G, H, I:

All leaves must be for a definite period in time. No leave of absence shall continue in force beyond one year. Leaves and leave extensions may be approved at the OHC’s discretion for a duration determined appropriate by OHC. The total time allowed for leaves of absence shall not exceed three years in the aggregate within any seven-year period, except as required by law. Any leaves of absence totaling 36 work days or more of a semester or half work-year shall be considered as a half-year for the purpose of determining leave durations. For seasonal laborers, any absence totaling 36 work days during the season will be counted as a year for purposes of determining leave durations.

Each leave is considered on its own merits and is dependent to some extent on operations of the District. It must be understood that one leave does not establish a precedent for another.

N. OUTSIDE EMPLOYMENT DURING LEAVE

Reference: Administrative Policy 6.04(3)
Applicable Group(s) A, B, C, F, G, H, I:

Employees are prohibited from engaging in outside employment when they are on a leave (except for miscellaneous leave). The rules regarding outside employment are specified in Part I of the Employee Handbook.

O. VACATION

1. ACCRUAL

Twelve-month employees shall receive an annual vacation on an accrual basis.

Applicable Group(s) A (except for Building Trades), C, and clericals in G and H:

a. Employees with less than nine years of service shall accrue 0.057693 hours of vacation for each hour paid excluding overtime hours. These employees may accumulate a total vacation balance which may not exceed 240 hours (six weeks) in any pay period.
b. On the first full pay period following completion of nine years of service and thereafter, the employee shall accrue 0.076924 hours of vacation for each hour paid excluding overtime hours. This employee may accumulate a total vacation balance which may not exceed 320 hours (eight weeks) at the end of any pay period.

c. On the first full pay period following completion of 19 years of service and thereafter, the employee shall accrue 0.096154 hours of vacation for each hour paid excluding overtime hours. This employee may accumulate a total vacation balance which may not exceed 400 hours (ten weeks) at the end of any pay period.

**Applicable Group(s) B, F, and administrative staff in G and H:**

a. Employees with less than 19 years of service shall accrue 0.076924 hours of vacation for each hour paid excluding overtime hours. This employee may accumulate a total vacation balance which may not exceed 320 hours (eight weeks) at the end of any pay period.
