Board Vice President

Nolan Marshall, Jr. District 7

## NOLA Public Schools Salary Manual

The NOLA Public Schools Salary Manual is intended to facilitate compensation communications within the district and to serve as a guide for administering salaries and wages for NOLA Public Schools employees.

The provisions and information set forth in this document are informational. Thus, its contents are not intended and shall not be construed to constitute a contract between the NOLA Public Schools and any employee; perspective employee; agency of the local, state, or federal government; or any other person or legal entity of any nature whatsoever.

All salaries are effective for July 1, 2019. Neither past nor future salaries may be accurately calculated or predicted from information contained in this compensation manual. There are no salary increases given automatically. The superintendent (or his designee: talent and culture), shall determine final determination of salaries.

The NOLA Public Schools is an equal opportunity employer and does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity, gender expression, genetic information, or any other basis prohibited by law.

The District is required by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, The Americans with Disabilities Act, and the Age Discrimination Act of 1975, as amended, as well as board policy not to discriminate in such a manner (not all prohibited bases apply to all programs).

For further clarification or information, please contact the NOLA-PS Talent and Culture department at humanresources@nolapublicschools.com.

## Salary Administration Guidelines

## Our Compensation Philosophy

While being responsible stewards of resources for education, the NOLA Public Schools (NOLA-PS) is committed to compensating staff in a manner that is fair, consistent, reflective of the external market, and providing recognition for the achievement of individual goals, performance objectives and professional competencies.

Specifically, our compensation philosophy aims to:

- Attract, retain, and motivate a highly qualified staff that can serve all students and families;
- Provide transparent, internal and external equity amongstaff;
- Build increased performance and productivity capabilities;
- Ensure administrative efficiency and fairness.

Unification principle:
Continued progress: We cannot be comfortable with the gains of the last 10 years; we must continually raise expectations, expand what is working, and cultivate new leaders and new ideas.

## Lead/match the market

NOLA-PS compensation strategy is a combination of leading and matching salaries for those in the existing marketplace. By matching or at time, leading the pay rates of our competitors, the NOLA-PS ensures its compensation structure remains competitive, therefore improving its ability to attract and retain top talent.

The new unified school system will require an effective workforce to deliver its strategic vision and goals. As stated in the unification plan, the NOLA-PS cannot be comfortable with the gains of the last 10 years; we must continually raise expectations, expand what is working, and cultivate new leaders and new ideas.

## Responsibility for Administration

The ongoing maintenance and administration of the compensation program is facilitated by the use of specific guidelines. These guidelines will be followed to assure consistency in compensation program management, salary practices and salary decisions.

The Talent and Culture Department will assume responsibility for administration of the compensation program, including matters such as new hire starting salaries, salary grade placements for new positions and revised positions, annual employee salary increase considerations, promotional salary increases and maintaining appropriately competitive salary ranges

## Pay Grades and Position Classification

The Talent and Culture Department determines the compensatory value of a position by conducting comparisons of positions to evaluate relative internal and external value. The position is then assigned an associated pay grade. Pay grades are used to group positions that have approximately the same relative internal value based on compensatory factors (job descriptions, market data, internal equity, divisional consistency, and administrative input are all considered when assigning a position to a pay grade).

All positions will be classified as exempt or nonexempt in accordance with Fair Labor Standards Act (FLSA) requirements.

## Classification Of Exempt Or Nonexempt Employees (OPSB Policy GBAA)

The Fair Labor Standards Act (FLSA) classifies employees into two (2) groups, as follows:
Exempt - Employees who are not eligible to receive overtime compensation. These employees are generally salaried employees whose primary duties are directly related to the management or administrative and business functions within the school system. Learned professionals, such as teachers, are also classified as exempt. Other exempt employees may include, but not be limited to, the Superintendent, directors, level 1 and level 2 supervisors, principals, assistant principals, and degreed professionals.

Nonexempt - Employees who are eligible to receive overtime compensation. These employees perform work involving repetitive manual operations, such as maintenance employees, food service employees, janitors and custodians, bus operators, and security personnel. Nonexempt employees may also include office employees who perform non-manual labor, such as secretaries, paraprofessionals, nurses, data-processing operators and technicians, cafeteria managers and staff, bus operators, maintenance staff, accounting and payroll staff.

## Job Descriptions (OPSB Policy GBB)

Job descriptions are an essential function in the administration of a compensation system.

Accurate and complete job descriptions will be collected and maintained by the Talent and Culture Department. This includes complete and up to date job descriptions that address job qualifications, primary purpose, major duties and responsibilities, and working conditions.

Job titles will be assigned by the Talent and Culture team and will reflect a logical job titling scheme to consistently describe the level and nature of work.

## New Positions

As new positions are created, the grade placement and corresponding salary range of the new position will be determined based upon:

1) The position's qualification requirements and job responsibilities in relation to existing positions;
(2) The market value of the position which may require conducting a market analysis/survey of other school
 districts/charter management organizations.

The Talent and Culture team will prepare a salary grade placement recommendation, in cooperation with the supervisor of the new position. The Superintendent will review the recommendation and approve the final salary grade placement recommendation.

## Position Reclassifications

A job reclassification occurs when a position is moved to a higher or lower pay range. Jobs may be reclassified as a result of a significant and sustained change in job duties assigned, a need to improve internal pay equity, or change in the competitive job market. The immediate supervisor will be responsible for initiating and submitting a request for a position reclassification to the Talent and Culture Department.

As a guide, reclassification can only take place when $30 \%$ or more of the duties change. The incumbent's immediate supervisor may be asked to further explain or document in writing the position's duties and responsibilities. The Talent and Culture Department will review the request and associated information and submit a recommendation to the Superintendent for review and approval.

Should an existing position be reclassified to a higher salary grade, the employee's current salary will not be less than the new grade salary range minimum. When an employee's job is reclassified to a lower salary grade, the employee will be placed in the salary schedule appropriate to the new position.
