### [BTSA Induction](#)

BTSA, an acronym for "Beginning Teacher Support and Assessment", is a state-funded program, co-sponsored by the California Department of Education (CDE) and the Commission on Teacher Credentialing (CTC). It is designed to support the professional development of newly-credentialed, beginning teachers and fulfill the requirements for the California Clear Multiple and Single Subjects Credential. BTSA programs are locally designed and implemented to provide formative assessment, individualized support, and advanced content for newly-credentialed, beginning teachers in accordance with the Standards for Quality and Effectiveness for Professional Teacher Induction Programs. Programs are accredited by the CTC to recommend candidates for the 2042 Clear MS or SS Credential.
