Article 8 - AFFIRMATIVE ACTION

8.1 General

8.1.1 The Employer shall seek racial, ethnic, and gender identity or expression, and individuals with disabilities balance in each Oakland public school consistent with the racial, ethnic, and gender identity or expression, and individuals with disabilities composition of the community, consistent with state and federal law.

8.1.2 All statistical data gathered or printed by the Employer relative to affirmative action shall be made immediately available to the Association.

8.1.3 The Employer shall provide to the Association an annual report for each job classification, the number of applicants designated by ethnicity and gender. The Employer shall provide to the Association a site by site breakdown of the number of bargaining unit members by ethnic code and gender.

8.1.4 The Association and Employer shall implement a joint “Equal Opportunity Committee” to meet quarterly to review District certificated employment demographic data and make recommendations to improve hiring practices.

8.2 Affirmative Action Committee

8.2.1 The Employer’s Affirmative Action Committee, composed of bargaining unit members, administrators and the community, shall continue to advise, recommend and monitor the Employer’s Affirmative Action Program. The Association shall appoint the bargaining unit members on the Committee. The Committee will monitor the Employer’s Affirmative Action Program as defined in section 44101(a)(4) of the
Education Code, in its current version as set forth below and as it may be modified in the future below:

"Affirmative action employment program" means planned activities designed to seek, hire, and promote persons who are underrepresented in the work force compared to their numbers in the population, including individuals with disabilities, women, and persons of minority racial and ethnic backgrounds. It is a conscious, deliberate step taken by a hiring authority to assure equal employment opportunity for all staff, both certificated and classified. These programs require the employer to make additional efforts to recruit, employ, and promote members of groups formerly excluded at the various levels of responsibility who are qualified or may become qualified through appropriate training or experience within a reasonable length of time. These programs should be designed to remedy the exclusion, whatever its cause.

(2) Affirmative action requires imaginative, energetic, and sustained action by each employer to devise recruiting, training, and career advancement opportunities that will result in an equitable representation of women and minorities in relation to all employees of the employer.

(b) "Goals and timetables" means projected new levels of employment of women and minority racial and ethnic groups to be attained on an annual schedule, given the expected turnover in the workforce and the availability of persons who are qualified or may become qualified through appropriate training or experience within a reasonable length of time. Goals are not quotas or rigid proportions. They should relate both to the qualitative and quantitative needs of the employer.

The District shall develop recruitment pipelines to support Affirmative Action Goals and Timetables by enlisting classified personnel, substitutes, and community members with relevant life and career experiences in District-paid credential programs. As employees enter the teaching pipeline, concerted efforts shall be made to recruit from the community in replenishing the ranks of classified and substitute personnel.

8.2.2 The District agrees to pursue the following strategies insofar as they are consistent with Education Code section 44101(a)(4) cited above:
- Development of recruitment pipelines to support affirmative action goals and timetables by enlisting classified personnel, substitutes and community members with relevant life and career experiences in District-paid credential programs.
- Recruitment from the community to replenish classified and substitute personnel as those employees enter the teaching pipeline.

10.1.3.3 Unit members shall be permitted to request specific non-teaching days. Said written request must be submitted to the Site Administrator no later than April 1 of the year prior to the program year.

Additional time may be granted by the current site administrator if the move within the same site has not been completed in one day. 10.5 Preparation Periods for Elementary Teachers

10.5.1 For the duration of this contract, the Employer shall provide each elementary teacher with two (2) 50-minute preparation periods per week during which time the elementary teacher shall not have classroom teaching responsibilities of which one (1) preparation period will be scheduled for common preparation and one (1) preparation will be staffed to provide intervention and enhancement opportunities as provided herein. The District shall continue to implement interventions and enhancement under the Educational Enhancement/Intervention Program (EEIP) and ensure it’s alignment with the Multi-Year Academic Acceleration Plan (MAAP).

10.5.4 The OEA/OUSD Educational Enhancement/Intervention Program (EEIP)

10.5.4.1 The OEA and OUSD mutually recognize the critical importance of a working collaboration between teachers, administrators, school site staff and the community to ensure effective interventions and sound educational enrichment programming for elementary students that goes above and beyond the core program provided by the District. The parties also recognize that all District resources should be maximized, including categorical resources and Measure G E, to provide intervention and enrichment programs.

10.5.4.2 The objectives of the EEIP are to:

10.5.4.2.1 Provide educational enhancement opportunities for all elementary students in the District. These enrichment/intervention opportunities shall include but not be limited to art, physical education, music, technology and science.

10.5.4.2.2 Establish and maintain an authentic School Site Council (SSC) process at all schools that ensures teacher participation and representation in addressing and identifying the academic needs of students in accordance with the OUSD Board adopted School Governance Policy and Administrative Regulations.

10.5.4.2.3 Establish and maintain a comprehensive approach to implementing effective intervention and enhancement strategies particularly at elementary schools to meet the identified needs of District students and to provide a well-rounded educational experience for elementary students as a building block to future success at the secondary level in the District and beyond.

10.6 General Provisions

Lesson preparation, study, student evaluation, conferences, etc., are to be conducted during those periods of time so scheduled. Teachers shall have the flexibility as to location at the site to perform such functions, provided that such performances do not interfere with their regularly assigned duties and that of others at the site. IEP Conferences will be scheduled during the regular working day, whenever possible. Up to 2 hours of substitute coverage will be provided for general education and special education teachers for each such meeting during the duty day. In the event that such meeting must be scheduled outside of the duty day in order to accommodate parents or guardians, unit members shall be compensated at their per diem rate.

10.6.1 Since double sessions and year-round schools affect the normal duty days, the Employer and Association agree to meet and consult at least one time prior to a Board decision to modify other school sites into either double sessions or year-round schools.

10.6.2 If it is determined by either party during consultation that additional year-round schools or double sessions may require negotiations in the areas of wages, hours or working conditions, the parties shall meet and negotiate over the issues prior to the implementation of double sessions or year-round schools.

10.6.3 The Employer will provide a daily conference period for all teachers and counselors assigned to secondary schools. The length of the conference period will be the length of the class period.

10.6.6.1 Each Special Education teacher shall be assigned to a classroom/adequate work area with appropriate privacy and furniture for students, classified and certificated.

10.6.6.2 This classroom shall include adequate ventilation and secure storage for instructional materials and records.

10.6.6.3 Whenever a Special Day Class (SDC) is placed on a District campus, which includes general education classes, preference shall be given to locating the SDC class in close proximity to age-appropriate general education classes.
This provision shall not be construed in such a way as to result in increased facility costs or to require that classes be placed in rooms which jeopardize the ability to implement and support the IEP’s and programs for disabled students.

10.6.4 Special Education teachers shall be treated as part of the faculty and shall have the same rights and responsibilities of regular classroom teachers.

10.6.5 Special Education teachers shall have, on an equal basis with teachers at the site, access to all school site equipment and instructional material designated for general use by regular classroom teachers.

10.7 **Teacher Commitment Program**

The “Teacher Commitment Program” shall include special efforts to reach parents/caregivers of most vulnerable students considered to be at risk of “falling through the cracks” in the school system.

10.7.3 The Employer shall enable each teacher to fulfill the following expectations:

10.7.3.1 Each elementary teacher shall contact all parents/caregivers of each “at risk” student by letter or telephone and arrange a conference with the parent/caregiver and child.

10.7.3.2 Each secondary “homeroom” “advisory” teacher shall contact parents/caregivers of “at risk” homeroom student by telephone or letter to:

- Alert the parent of problems in the “at risk” “advisory” “homeroom” and other classes;
- Encourage the parents/caregivers to call the appropriate teachers to set up conferences; and,
- Provide extension numbers and conference periods of the teacher(s) to facilitate contact.

10.7.3.3 If a secondary school does not have a “advisory” “homeroom” in the regular day program, the school shall facilitate a system whereby parent(s)/guardians are contacted.
10.7.4 The schools shall aggressively publicize Back-to-School Night at the beginning of the School Year in order to inform parents/caregivers in a more timely fashion of the curriculum, student expectations, school, and teacher contact information and report card periods.

10.8 **Extended Day Kindergarten**

10.8.1 Under the auspices of the OEA/OUSD Joint Committee on Extended Day Kindergarten, OEA and the District representatives shall evaluate the Extended Day Kindergarten program annually no later than March 1 to determine the success of the program, as well as adherence to this collective bargaining agreement between OEA and OUSD. Kindergarten teachers shall be afforded the same terms and conditions as other classroom teachers.

10.9.3 Collaboration activities shall be determined at the site level in collaboration with the Faculty Council and may consist of a variety of activities, including but not limited to, planning efforts to improve academic performance of students, supporting teachers with implementing academic course standards, articulation with Programs for Exceptional Children, department and grade level lesson planning, project planning and professional development.

10.9.4 Provisions shall be made to include unit members who are not normally included in minimum day plans.

10.9.5 It is the express intent of the parties that this time be integrated as part of a larger block of teacher-driven collaboration time occurring on these minimum days but shall not be used to extend the work day on those days beyond thirty (30) minutes. This section shall be implemented commencing with the 2016-2017 school year. The second semester of the 2015-2016 school year shall be used to plan for the implementation of this section, however, no unit member shall be required to work any additional time during that semester.

Unit members absent because of illness or accident not incurred on duty shall receive full salary during such illness for a period of 10, 11 or 12 days per year. Depending upon the regular 10, 11 or 12-month assignment and in the use of sick leave, the full pay shall become available at the beginning of each school year of service.

Unused sick days shall be cumulative without limit during employment by the District, except that days for sick leave shall neither accrue nor accumulate during a year when the unit member is on unpaid leave of absence. The Employer may require an additional verification from a primary physician and/or appropriate specialist or require clearance by an Employer-designated physician, before allowing the unit member to return to active work status. Any required examination by an Employer-designated physician shall be at the Employer's expense. It is the responsibility of the unit member to attend all scheduled appointments. Failure to do so shall result in loss of paid leave status.

If the District requires clearance by a district-designated physician, it shall obtain such clearance within fifteen (15) days of notifying the employee it intends to seek the opinion of a District-designated physician. Failure to meet this timeline shall result in the employee either being returned to work on the 16th day, or be placed on paid administrative leave pending completion of the District-designated physician's medical evaluation.

11.3.7 Absences paid under the occupational leave policy, including those due to certain childhood communicable diseases deemed to be work-connected and which cause doctor imposed quarantine, are not charged to the unit member's sick leave benefits. However, the underlying medical condition must be verified by a doctor's certificate and the occupational leave must be in compliance with provisions of the Workers' Compensation Program.

11.3.8 The Employer shall provide each unit member with a monthly statement of the amount of sick leave accrued.

11.3.9 The Superintendent may require a unit member to verify the claimed reason for
absence by submission of a physician's statement or other verification when it is believed that no valid grounds exist for the unit member's claim for absence. For implementation refer to "Agreement" in Appendix 7.

11.4 Family Sick Leave

Unit members shall be entitled to use up to a maximum of one-half of their annual entitlement to sick leave to attend to an illness of a child, child of a domestic partner, parent, spouse or domestic partner of the unit member. 11.5 Extended Sick Leave

Extended sick leave is authorized absence, with partial pay, but with no loss of benefits, resulting from an illness, accident, or other disabling physical condition which prevents a unit member from performing his/her normal duties after regular sick leave has been exhausted.

11.5.1 Unit members may use their accumulated sick leave for any illness. When a unit member has used all his/her accumulated sick leave, and remains absent, the unit member is entitled to one hundred (100) days of Extended Sick Leave per year.

11.5.1.2 Substitute costs shall be deducted based on the lowest daily or long-term rate only as applicable.

11.5.2 Extended Sick Leave shall be appropriately prorated for part-time unit members.

11.5.3 A unit member who has exhausted all Sick Leave and Extended Sick Leave for which he/she is eligible, and is unable to fully perform his/her contractual duties, shall be entitled to remain on unpaid leave for the rest of that school year. Or, the unit member may apply for the STRS Disability Allowance, the OUSD Disability Plan, or Catastrophic Leave where eligible and applicable.

11.5.4 Return to duty is dependent upon the physician's statement of recovery and clearance by an Employer-designated physician. (See Section 11.3.6)

11.6 Catastrophic Leave

A bargaining unit member who is eligible for Extended Sick Leave may apply for and receive Catastrophic Leave if he/she previously donated sick leave credit to the Bank. Such use shall be pursuant to the following provisions:

11.6.1 The unit member shall have suffered a severe incapacitating illness or injury which is expected to be for an extended period of time, as certified by the attending physician, and which prevents the unit member from properly performing his/her District duties.

11.6.2 The time off work must create a financial hardship for the unit member because he
or she has exhausted all personal sick leave, personal leave, extended sick leave, and any other paid time.

11.6.3 If the unit member’s status with the Employer is such that the unit member is not eligible for Extended Sick Leave, then the Employer shall not accept a donation and the unit member shall not be eligible to become a participant in the Catastrophic Leave Program.

11.6.4 To join the Catastrophic Leave Program, unit members must have at least twenty (20) days of accrued sick leave remaining after donating to the Bank.

11.6.5 Catastrophic Leave may not be used for an illness or disability, which qualifies the unit member for Workers’ Compensation benefits.

11.6.6 A Joint Association Employer committee comprised of two representatives and an alternate of each party must determine and certify that the unit member is eligible for Catastrophic Leave in accordance with 11.6.1 and is unable to work due to the severity of that personal illness, and only after adequate proof of illness has been provided in accordance with Education Code Section 44043.5, and pertinent rules and regulations of the Employer. The Association representatives shall be participants in the Catastrophic Leave Bank.

11.6.7 The Joint Committee shall have the responsibility of maintaining the records of the Catastrophic Leave Bank (Reserve), verifying the validity of requests, approving or denying the requests, and communicating its decision, in writing, to the participants and the Employer.

11.6.8 Catastrophic Leave credits may be used only for the remainder of the school year in which the extended sick leave is exhausted, plus the remainder of the following school year but in no event longer than twelve (12) consecutive calendar months following the start of the catastrophic leave.

11.6.9 No unit member may utilize any Catastrophic Sick Leave benefit unless he/she has previously donated sick leave credit to the Reserve. There shall be a 45 calendar day waiting period between a unit member’s donation of sick leave credit(s), and his/her utilization of Catastrophic Leave credits. Sick leave and extended sick leave must be exhausted before said utilization.

11.6.10 All procedures for requesting Catastrophic Leave, and donating said leave credits shall be established by the Joint Committee provided for in Section 11.6.6 above. The Joint committee shall make recommendations for continuation or termination of the Catastrophic Leave Bank to the Employer and the Association based on number of credits donated in a year, use of benefits by unit members and credits remaining in the Bank.

11.6.11 Catastrophic Leave may begin upon the exhaustion of the statutory period of earned and accumulated sick leave and extended sick leave benefits, depending on the unit member’s request and the Joint Committee’s decision. The Employer shall continue all fringe benefit contributions.

11.6.12 The annual period for donating sick leave credits shall be September 1, through October 31, of each school year.

11.6.13 Transfers of eligible leave credits are irrevocable, and shall be donated and
utilized in not less than half-day increments.

11.6.14 A unit member on Catastrophic Leave shall not accrue any other Employer-paid leave.

11.6.15 The Employer and the Association shall instruct their appointees to the Joint Committee to make a good faith effort to maintain confidentiality regarding donations and utilization of the sick leave credits contemplated herein. However, there shall be no liability or recourse if said confidentiality is not maintained.

11.6.16 The receipt of a donated sick leave credit through Catastrophic Leave as defined herein, when combined with other District income, shall not provide the recipient with a greater daily District income/monthly fringe benefit contribution than he/she received immediately prior to the receipt of Catastrophic Leave.

11.6.17 The Catastrophic Leave recipient, because he/she remains in paid District status, shall continue to receive District fringe benefit contributions for the duration of said leave.

11.6.18 The approval or denial of Catastrophic Leave requests by the Joint Committee shall not be subject to the provisions of Article 14 - Grievance Policy of this Agreement.

11.6.19 If and when this Catastrophic Leave provision is terminated by mutual agreement between the Employee and the Association, any unused sick leave credits in the Catastrophic Leave Bank shall be returned on a proportionate basis to enrollees currently employed by the District who did not utilize Catastrophic Leave benefits.

11.7 Occupational Leave

11.7.1 Unit members, who are absent from duty because of illness or injury resulting from an accident or condition deemed to be work related under the Workers' Compensation Program, shall be granted occupational leave. A work-connected injury or illness shall be so considered when properly certified as compensable for Workers' Compensation benefits. Absences not verified shall be charged against unit members' sick leave or other leave as appropriate.

11.7.2 Eligible unit members shall be granted Occupational Leave subject to the following conditions:

11.7.2.1 Allowable Occupational Leave shall not exceed sixty (60) working days for the same accident.

11.7.2.2 Allowable leave shall not be cumulative from year to year.

11.7.2.3 Occupational Leave shall commence on the first day of absence and continue for a period certified by the physician that the unit member is disabled because of the work-related injury or illness, or for a maximum of sixty (60) working days, whichever occurs first.

11.7.2.4 Payment for wages lost on any day shall not, when added to a benefit granted the unit member under the Workers' Compensation Program, exceed the normal wage of the day.
Occupational Leave shall be reduced by one day for each day of absence, regardless of compensation award made under the Workers' Compensation Program.

11.7.2.6 When an industrial accident or illness occurs at a time when the full 60 days overlap into the next fiscal year, the unit member shall be entitled, for the same illness or injury, only the amount remaining at the end of the fiscal year in which the injury or illness occurred.

11.7.2.7 When entitlement to Occupational Leave has been exhausted, entitlement to other sick leave will be used. However, if the unit member is receiving Workers' Compensation, he/she shall be entitled to use only so much of the accumulated
or available sick leave, vacation, or other available leave which, when added to the Workers' Compensation award, provides a full day's wage or salary.

11.7.2.8 Periods of absence for Occupational Leave shall not be considered a discontinuation in service of the unit member.

11.7.2.9 Unit members on Occupational Leave shall endorse to the Employer any wage loss benefit checks received under Workers' Compensation Program. The Employer, in turn, shall issue the unit member appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions.

11.7.2.10 Absences paid under the Occupational Leave policy including certain childhood communicable diseases deemed to be work connected, and which causes doctor imposed quarantine, are not charged to a unit member's sick leave benefits; if verified by a doctor's certificate and in compliance with provisions in the Workers' Compensation Program.

11.8 Other Absences Chargeable to Sick Leave

Unit members may use their accumulated sick leave balance in a school year for one or more of the following reasons of personal necessity:

11.8.1 Death of a member of a unit member's immediate family when additional leave is required beyond that provided in funeral leave.

11.8.2 An accident involving a unit member's person or property or the person or property of a member of the immediate family.

11.8.3 Appearance in court or before an administrative tribunal as a litigant, party, or witness, under subpoena or any order made with jurisdiction.

11.8.4 Appearance in court or before an administrative tribunal as an interested party with direct involvement.

11.8.5 An emergency caused by an illness of a member of the unit member's immediate family that requires the unit member's absence from work.

11.8.6 Emergency delay in travel.

11.9 Leaves Related to Maternity, Paternity and Adoption

11.9.1 Pregnancy Disability Leave. Procedures to be followed when applying for a pregnancy disability are:

11.9.1.1 A letter from the unit member's physician verifying pregnancy and approximate delivery date shall be filed in the Human Resources Services and Support Office.

11.9.1.2 The unit member shall have her physician verify the period of time he/she is disabled and cannot perform the functions of his/her assignment. During the period of pregnancy disability leave, the District shall use/deduct the employee's accumulated sick leave (section 11.3.2) and, if necessary, the 100 days of extended sick Leave (section 11.5) or vacation (non-scheduled days) where applicable. When accumulated or
extended sick leave is used for the purpose of pregnancy disability, it is a separate entitlement from the twelve (12) weeks of Child Bonding Leave (section 11.9.2) or leave under the Family Medical Leave Act/California Family Rights Act (section 11.9.3). A unit member may use sick leave, or when exhausted, Extended Sick Leave or vacation (non-scheduled days) where applicable, during the period stated.

11.9.1.3 The use of sick leave for pregnancy disability shall be treated the same as any other disability for which sick leave is granted.

11.9.1.4 At any time a unit member is absent as a result of her physical disability arising out of her pregnancy, the Employer at its expense may request a doctor's verification of her inability to render service to the Employer.

11.9.1.5 In order to use sick leave for pregnancy disability, the unit member must have been actually rendering paid service to the Employer and not on unpaid leave immediately preceding the disability.

11.9.1.6 A unit member temporarily disabled as a result of pregnancy, termination of pregnancy, or childbirth may return to duty when she is physically able to render full and complete service to the Employer.

11.9.1.7 Upon returning to duty, the unit member shall provide a doctor's verification that she is physically able to render full and complete service to the Employer.

11.9.1.8 During this period of leave, the Employer's contributions to cover fringe benefits for health, dental, vision care, and life insurance shall continue for unit members.

11.9.1.9 In addition to the above, a unit member may use up to six days of his/her accumulated sick leave balance in connection with the birth or adoption of a child (also see 11.2.2):

11.9.2 Child Bonding Leave

11.9.2.1 Child Bonding Leave: Unit members may elect to utilize up to 12 weeks of child bonding leave occasioned by the birth of the employee's child, or the placement of a child with the employee in connection with the employee's adoption or foster care of the child as provided by the California Family Rights Act (CFRA). If both parents of a child who are entitled to family care leave under section 11.9 of this contract are employees of the District, each is entitled to take the full amount of leave specified in 11.9.2.1

11.9.2.2 For birthing mothers, the 12 week child bonding leave shall commence (but need not immediately follow) the completion of any pregnancy disability leave on a date designated by the unit member and must be completed within the one year of the birth, adoption or foster care placement of a child.

11.9.2.3 For non-birthing parents, the 12 week child bonding leave shall commence on the first day of such leave.

11.9.2.4 Pursuant to Education Code section 44977.5, if an employee exhausts his/her accumulated sick leave (section 11.3.2) prior to expiration of the 12 week child
bonding leave, s/he shall be entitled to differential pay as defined in section 11.5.1 for the balance of the 12 week period. The school district shall make every reasonable effort to secure the services of a substitute employee.

11.9.2.5 Pursuant to the CFRA, child bonding leave must be completed within one year of the birth, adoption, or foster care placement of a child. The balance of any unused child bonding leave shall rollover into the subsequent school year and is usable provided the leave is taken within one year of the birth, adoption, or foster care placement of a child.

11.9.2.6 The District must be provided with at least thirty (30) days prior notice of intent to take child bonding leave if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, except in the case of emergency. In all other cases, notice shall be given as soon as practicable.

11.9.2.7 Pursuant to Education Code section 44977.5, in order to qualify for child bonding leave, employees must have completed one year (twelve months of service for the District, but are not required to have at least 1,250 hours of service during the previous one year (twelve months) period.

11.9.2.8 Leave in this section may be taken non-consecutively. The minimum duration of the leave shall be two weeks, except that employers must grant a request for a leave of less than two weeks’ duration on any two occasions and may grant requests for additional occasions of leave lasting less than two weeks.

11.9.3 Family Leave: Family Medical Leave Act (FMLA) and California Family Rights Act (CFRA)

11.9.3.1 Employees who have completed one year (twelve months) of service for the District, and at least 1,250 hours of service during the previous one year (twelve months) period, have the right to an unpaid leave of absence for up to 12 workweeks within a rolling 12-month period for the purpose of the employee’s own serious health condition, caring for a new baby, a newly adopted baby, or a newly placed foster child or for a child, spouse, or parent with a serious health condition.

11.9.3.2 Family leave under this section shall be unpaid unless it is taken pursuant to section 11.9.1 (pregnancy disability), 11.9.2 (child bonding if the employee elects to exhaust his/her sick leave), above or is taken due to the employee’s own serious health condition.

11.9.3.3 The employee’s accumulated sick leave (section 11.3.2) and the 100 days of extended sick leave (section 11.5) shall run concurrently with FMLA or CFRA leave when it is used for purposes of the employee’s own serious health condition, other than pregnancy disability.

11.9.3.4 When this extended sick leave is used for the purpose of pregnancy
disability, it is a separate entitlement from CFRA leave.

11.9.3.5 There is no carry-over of unused leave from one 12-month period to the next 12-month period.

11.9.3.6 "Parent" means a biological, foster or adoptive parent, a step-parent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. "Child" means a biological, adopted or foster child, step-child, a legal ward, or a child of a person standing in loco parentis who is either under 18 years of age or an adult dependent child who is incapable of self-care because of a mental or physical disability.

11.9.3.7 If both parents of a child who are entitled to family care leave under section 11.9.3.1 of this contract are employees of the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents family care leave totaling more than the amount specified in section 11.9.3.1. However, the parent not taking the leave shall have the right to request from the Board at the conclusion of the first parent’s leave, an unpaid leave of absence pursuant to section 11.9.4.

11.9.3.7 The provisions of Article 11.2.4 shall not apply to family care leave other than for purposes of child bonding.

11.9.3.8 The employee shall provide reasonable advance notice to the District of the need for family care leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) days prior to the date a leave is to begin, the employee must provide at least thirty (30) days written advance notice.

11.9.3.9 If verification is required by the District to verify the serious illness of the child, spouse or parent, the DISTRICT upon District request, the employee will provide acceptable medical verification by the treating health professional.

11.9.3.10 Health insurance coverage shall be maintained during family care leave and paid for by the District for the duration of the leave not to exceed 12 workweeks in a 12-month period. The District may recover the premium paid for the employee during the leave if the employee fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave or other circumstances beyond the control of the employee.

11.9.4 Additional Unpaid Leave. In addition to the above, a unit member may request unpaid leave prior to and following pregnancy leave or childbirth for a period of one year. A unit member whose spouse or partner is pregnant or involved in adopting a child may request an unpaid leave for a period of one year. Leaves may be extended for a one-year period upon request and approval by the Employer for a maximum total of three years. Unit members on a non-paid
maternity leave shall have the same fringe benefits as stated in Pregnancy Leave for that period of time the physician certifies they are disabled.

11.10 Military Leave

The Employer shall abide by the provisions of Education Code Section 44800, Military and Veteran's Code Section 389, 394, 395, 395.01 through 395.08, 395.1 through 395.9, and all other applicable state and federal laws.

11.10.1.2 Following the first 30 calendar days, any unit member in the service of the Employer at least one year prior to the date on which s/he is called to active duty, shall be entitled to an additional five (5) calendar months of partial salary representing the difference between the employee's regular District salary and the employee's military salary. The employee is required to submit proof of the military salary s/he received for each month claimed.

11.10.2 Military Training Duty:

11.10.2.1 Any unit member in the service of the Employer for at least one year who is ordered to participate in military training duty (temporary military duty) shall be granted military leave with pay for the first 30 calendar days of such training duty. Any unit member in the service of the Employer for less than one year who is ordered to participate in military training duty shall be granted an unpaid leave of absence for the duration of the ordered-military training period. A unit member requesting leave (paid or unpaid) for military training shall submit official verification requiring the training duty.

11.10.2.2 A unit member working less than a twelve-month schedule is requested to arrange for military training duty to be scheduled during school vacation periods whenever possible. A claim of extenuating circumstances necessitating training duty during other periods shall be referred to the Superintendent or the Superintendent's designee for a decision.

11.10.2.3 Military Leave with pay as stated above shall only be provided during the work year as defined in the Agreement. An employee is not entitled to Military Leave with pay during periods outside the work year when the employee would not otherwise be compensated by the Employer.

11.10.2.4 Following the receipt of Military Leave with pay under this article, and during any period outside the work year, the employee is entitled to Military Leave

11.11 Funeral Leave

11.11.1 For each death which occurs in the immediate family of the unit member, the unit member upon request shall be granted a funeral leave not to exceed three working days with pay up to a maximum of five workdays with pay should out-of-state travel be required.

An emergency is defined as an unforeseeable or unanticipated circumstance requiring immediate action.

11.14 Sabbatical Leave

The Board of Education may grant a sabbatical leave to a permanent unit member who has rendered at least seven full-time consecutive years of satisfactory service immediately preceding the sabbatical leave. Adult Education and ECE unit members with less than full-time contracts would be eligible for sabbatical leave after seven consecutive years of satisfactory service.

11.14.1 The grant shall be on condition that the unit member agrees in writing to render a period of service to the Employer following return from the leave that equals twice the period of the leave.

11.14.2 The leave of absence may be taken as a continuous leave not to exceed one year, or in separate six-month periods, provided the leave is begun and completed within a three-year period.

11.14.3 A permanent unit member may be granted one sabbatical leave in each seven-year period.

salary. All fringe benefits shall remain in full force and effect. At least one of these

13.1.2.3 Assessment of other duties normally required to be performed by certificated employees as an adjunct to their regular assignments.

13.1.2.4 Procedures and techniques for ascertaining that the certificated employee is maintaining proper control, and is preserving a suitable learning environment. Such procedures and techniques shall include:

- Implementation of the Core Curriculum.
- Increased student achievement as measured by various assessment measures, such as test scores.
- The use of curriculum embedded assessment.
- Increased student attendance.
- Reduced student discipline (such as suspensions and expulsions).
- Increased parent/caregiver contacts by letter, telephone or conference.

13.1.3 Definitions
13.1.3.1 The Evaluator may be the unit administrator or management employee on the administrative/supervisory salary schedule designated by and working under the direct supervision of the unit administrator.

13.1.3.2 Evaluatee is defined as the certificated employee who is to be evaluated. The evaluatee shall be apprised of his/her evaluator at the beginning of the evaluation cycle, or upon change of the evaluator.

Coverage for a newly employed, eligible unit member begins on the first day of the month following the month in which employed. When a new unit member or one who has moved from an ineligible to an eligible position does not exercise the option to select a health plan within the prescribed time limit, the employee is required to wait until the annual open enrollment period, which shall be May 15 through June 16 for FY 2005/2006, and each May thereafter. Those desiring to change from one health plan to another will be processed only during the annual open enrollment period.

Effective July 1, 2006 and until June 30, 2008, the implementation of a payment for health benefits equivalent to 0.5% (.005 times salary, only) of salary only, not to exceed in any year an annual amount of $500 for any unit member in any medical plan year. This contribution will be part of an IRS 125 plan.

IRS 125 Plan

Effective July 1, 2006 and each school year thereafter, the District shall set up and maintain an IRS 125 plan. Unit members may elect to participate in this plan to make pre-tax contributions for payments of medical co-pays, deductibles and any other legally allowable purpose.

Measure E Contributions To Medical Benefits

Effective July 1, 2006, the District shall commit from Measure E, $1.8 million or 9.7%, whichever is greater, collected in the 2006-2007 school year for
medical benefit insurance premiums. Deposits are to be made monthly after July 1, 2006.

24.7.2.7.2 Effective July 1, 2007, the District shall commit from Measure E, $1.8 million or 10%, whichever is greater, collected in the 2007-2008 school year for medical benefit insurance premiums. Deposits are to be made monthly after July 1, 2007.

24.7.2.8 Effective upon the ratification of this agreement the Association and the District shall establish a Medical Benefits Reserve Fund (Fund). The sole purpose of the Fund shall be to pay OEA unit members’ and dependents’/domestic partners’ medical benefit premium costs, as determined and outlined below. Deposits into the Fund shall be held in a County of Alameda pooled interest investment account. All investment earnings calculated as of June 30th shall be transferred to the Fund.

24.7.2.9 Effective July 1, 2005 and until June 30, 2008, District increased costs during the term of this Agreement (if any), for medical insurance of the OEA unit shall have the Measure E contribution applied, then the contributions from OEA unit members for 2006/2007 and 2007/2008. If the total contributions from these two sources exceeds the cumulative increased costs of medical benefit premiums, the excess shall be placed in the Medical Benefits Reserve Fund on a monthly basis. These excess funds shall be used to pay for future medical benefit premiums.

24.7.2.10 No later than May 30 of each school year and thereafter, the District and the Association shall meet to determine the increased cost of medical benefits for the ensuing year and the estimated allocation of Measure E and member contributions, in accordance with these provisions. Final accounting of Measure E and member contributions will be made after the finalization of the District’s annual audit for the prior year.

24.7.2.11 Effective June 30, 2008 and thereafter, the District will pay 86% of the costs of medical benefit premiums, Measure E shall contribute 10% of medical benefit premiums, and OEA unit members shall pay 4% of medical benefit premiums in any school year. The individual unit member share shall be determined by identifying the total dollar amount generated by the 4%. This amount shall be used to determine the percent of salary for the unit members necessary to generate that total dollar amount. Each unit member’s maximum dollar contribution shall not exceed $700 per year. This contribution will be part of a premium-only IRS 125 plan and to be considered as part of the premium for payment of health insurance.

24.7.3 Employer’s contribution to the cost of a health plan for a part-time unit member is prorated as follows:

- Full payment for unit members working three-fourths time or more.
- Three-fourths payment for unit members working half-time to three-fourths time.
• One-half payment for unit members working one-fourth to one-half time.
• One-fourth payment for unit members working less than one-fourth time.

Part-time unit members pay the difference between the Employer contribution and the full cost of the plan by payroll deductions made for the part-time unit member's share, according to the authorization signed upon enrollment in a plan.

24.7.4 Coverage for a newly employed, eligible unit member begins on the first day of the month following the month in which employed. When a new unit member or one who has moved from an ineligible to an eligible position does not exercise the option to select a health plan within the prescribed time limit, the employee is required to wait until the annual Open Enrollment period. Those desiring to change from one health plan to another will be processed only during the annual enrollment.

24.8 Health and Insurance Revisions 2003-2004

The following changes shall be effective September 1, 2003:

24.8.1 The Kaiser Health Plan shall be provided under the Kaiser III Plan.
24.8.2 The Health Net Health Plan shall be provided under the Health Net V Plan.

24.9 Dental Plan

All eligible full-time unit members and their eligible dependents shall be eligible for coverage under an Employer-paid group dental insurance plan. Coverage under the Dental Plan begins six months from the first day of the month in which employed.

24.9.1 Where a unit member and spouse are each employed by the District in an eligible capacity, each may subscribe individually to the same plan, but each party may not be enrolled as dependents of both.

In such cases, each dependent child may be enrolled in one plan or the other, but not in both. A new unit member who does not exercise the option of entering the dental plan within the prescribed time limit will be required to wait until the annual open enrollment during September of each year.

24.9.2 Dental plan maximum per enrollee $1,500 annually.

24.10 Long-Term Disability Insurance

24.10.1 Each unit member in an eligible capacity is automatically covered in a disability income plan six months from the first day of the month in which work begins in the eligible capacity, at no cost to the unit member. The benefit will be paid starting at the end of the qualifying disability period of sixty calendar days or beyond expiration of all paid leaves, including vacation, should the accrued sick leave and vacation extend beyond sixty days. Monthly benefit is two-thirds of the first $1,200 of basic pay, plus one-third of additional basic pay to a maximum of $1,200 per month total benefit.

24.10.2 An amendment rider has been added to the Employer's long-term disability contract with the insurance carrier which provides that certificated unit member with five or more years of credited STRS (State Teachers' Retirement System) employment shall be covered by the Employer's policy for a maximum of one year, thereafter to be covered by STRS; and that
certificated unit members with less than five (5) years of service credited by the STRS shall be covered by the District policy to age 65.

24.11 **Life Insurance**

24.11.1 Each unit member in an eligible capacity is automatically covered at no cost to the unit member at the time of employment to the limit of $10,000 for death from natural causes, plus an additional $10,000 if cause is accidental.

24.11.2 Enrollment is not required for this benefit, but each unit member should complete a beneficiary designation card at the time of employment or when a change is desired. Conversion option on group life insurance is available without evidence of insurability.

24.12 **Liability Insurance**

24.12.1 A unit member, during the normal performance of duty, is protected against claims. Since the determination of individual responsibility is often difficult to establish and often dependent upon court findings, it is recommended that unit members assure themselves of coverage, especially when transporting students to school-sponsored events, by carrying the minimum insurance required to meet state financial responsibility laws. Unit members are protected in case of injury during the performance of normal duty to the extent defined in the Workers' Compensation provisions of the Labor Code.

24.13 **Vision Care**

24.13.1 Upon implementation of the Health Net HMO medical insurance plan, the current vision insurance program available to unit members shall be replaced for all unit members by the Vision Services Plan. In addition, the Employer shall provide supplemental insurance against lost or damaged glasses; upon reasonable proof or appropriate employee certification, said lost/damaged glasses shall be replaced annually.

24.13.2 Kaiser Optical Services shall be available for unit members enrolled in the Kaiser Health Plan.

24.14 **Annuity Program**

24.14.1 During the 1992/1993 school year, 1991/1992 annuity dollar contributions were paid only for those unit members who were eligible for the annuity as of June 30, 1992. The Annuity Plan was continued as then constituted through the 1991/1992 school year and for eligible plan participants accounts have been maintained by the annuity plan administrator.

24.14.2 Effective July 1, 1993, no further annuity contributions were made, and the 7.5% annuity contribution was added to the three OEA salary schedules, at all steps and columns for temporary, probationary and permanent unit members.

24.14.3 The Association and the Employer agreed to restructure the Board of the Supplemental Annuity Plan for certificated employees, as follows:

- 1 Representative appointed by the Employer
- 1 Representative appointed by the UAOS
- 5 Representatives shall be appointed by the Association

24.14.4 The parties agree that the above changes were fully implemented during prior contract and further agree that no changes or modifications are required in the current contract.
24.15 Health Benefits Improvement Committee (See Side Letter Agreement in Appendix 14)

24.15.1 The Association and Employer understand and agree to the necessity of health care cost containment. The parties will work with all employees to ensure health care costs are contained or reduced without sacrificing the quality of health care. The Association agrees to continue to participate in the Health Benefits Improvement Committee (HBIC). The parties also recognize the need to reauthorize Measure E to help offset the costs of health care premiums for all employees.

24.16 General Information on Employer-Paid Insurance Plans

24.16.1 Unit members on paid leave will continue to have Employer contributions according to the work assignment that existed at the beginning of the leave.

24.16.2 Unit members on non-paid leave for a full calendar month or longer have no Employer contribution to insurance plans. Except for those unit members on maternity leave, for whom the Employer will pay the fringe benefit premiums for health, dental, life insurance and vision care for that period of time during which job performance is not feasible for physical/medical reasons, as certified by a physician.

24.16.3 Unit members who receive long-term disability benefits, or who have been granted leave beyond paid leave for illness, maternity, child adoption, disability, or advanced study or any other leave approved by the Employer, may continue their insurance and health benefits for one year by paying the full cost. Except that those who receive long-term disability benefits may continue coverage at their own expense for as long as the disability continues, or to retirement. Unit members granted leave on some other basis should make their own arrangement for health or dental insurance.

24.16.4 Employer contributions toward costs of health, dental, disability income and group life insurance for ten-and eleven-month unit members will be made for twelve months, from July 1 through June 30.

24.16.5 The Employer has made voluntary tax-sheltered annuities available for unit members who wish them. A tax-sheltered annuity is a plan for diverting a portion of earnings for cash payment to the purchase of an annuity, the Employer making the purchase for the unit member under an agreement. Provided that all legal provisions are met, such earnings are not taxable until withdrawn later in the employee's life under conditions of the specific plans. Theoretically, this will result in a lesser tax liability than if tax had been paid at the time of earnings.

The Board is in no position to recommend that a unit member either participate or not participate in such a plan. Each unit member must make the choice, as a unit member does not have similar tax positions and financial goals. Unit members who choose to participate in the plan may apply on forms available at the Insurance Programs Office.

24.16.6 If a National Health Plan is passed by the Congress (or statewide California equivalent) during the term of this Agreement, which provides for Employer contributions, the Association and Employer may meet to discuss the plan upon request.
24.16.7 The Employer will provide health plan benefits to unit members when they retire until age 65 at the retiree's option and expense.

24.16.8 Benefits as provided in this article shall be continued for the duration of the contract.
24.17  **Transportation Reimbursement**

24.17.1  Unit Members who are required by the Employer to use their privately owned automobiles as part of their assignment shall be reimbursed for such use.

Eligibility will be determined in accordance with the appropriate Administrative Bulletin currently in effect. All procedures and instructions contained in that Bulletin are pertinent; however, the following rates shall be effective for unit members during the term of this contract.

24.17.2  Flat Rate Reimbursement

Regular flat rate reimbursement is based on the number of months of the duty assignment. The annual rates are:

Variable cost reimbursement for those whose annual mileage rate is one thousand (1,000) miles or more will be paid at the maximum allowable per mile rate provided for in the Internal Revenue Code.

24.17.3  Special Flat Rate Reimbursement for High Mileage and Weekend Assignments

For Unit members who are required to provide a car continuously for weekend business use and for high mileage positions (over 5,000 miles annually) the fixed cost reimbursement will be $911.00.

24.17.4  Excess Mileage Reimbursement

Unit members receiving regular or special flat rate reimbursement who may be eligible for excess mileage reimbursement over 1,000 miles should record all mileage performed. When their mileage exceeds the established rate, they should submit excess mileage claims monthly if possible, but in no case less than once each semester.

24.17.5  Mileage Reimbursement

Unit members who are occasionally required to use their privately owned automobiles in performing their duties but do not qualify for flat rate reimbursement will be reimbursed at the maximum per mile rate allowed for in the Internal Revenue Code.

24.18  **Miscellaneous**

24.18.1  Student Teaching

Cooperating unit members shall receive recognition for the teacher education responsibility undertaken in working with student teachers. Such recognition shall include the contract amount paid by the teacher training institution.
24.19 Programs for Personal Growth

24.19.1 Any unit member receiving his/her first clear multi or single subject teaching credential must take 150 clock hours of professional growth each five (5) years to keep the credential valid.

24.19.2 Any unit member receiving credit for equivalency units as stated in Article 24, can apply those units to the 150-hour requirement of professional growth and vice versa.

24.19.3 Each unit of credit granted shall equal 15 hours toward the 150 of professional growth requirement. Thirty (30) equivalency units are the maximum allowed between Column I, and the Doctoral equivalent.

24.19.4 An individual program of professional growth shall consist of a minimum of 150 clock hours of participation in activities that contribute to competence, performance, or effectiveness in the profession of education. Acceptable activities shall be defined to include, among other acceptable activities, the completion of courses offered by regionally accredited colleges and universities; participation in professional conferences, workshops, teacher center programs, or staff development programs; service as a mentor teacher pursuant to Section 44496; participation in school curriculum development projects; participation in systematic programs of observation and analysis of teaching; service in a leadership role in a professional organization; and participation in educational research or innovation efforts.

24.19.5 In order for the units of credit to count towards the 150 hours of professional growth, the teacher must submit, for approval, his/her initial plan to the Director of Human Resources or his/her designee by October 1 for the Fall Semester and by February 1 for the Spring Semester. (Forms are to be provided by the Employer.)

24.19.6 Upon completion of the units of work, the unit member shall be responsible for having the appropriate person in charge sign a "Professional Growth form". Once the form is completed, the teacher must submit it to the Human Resource Services and Support.

24.19.7 The unit member must submit verification of 150 clock hours of professional growth at five (5) year intervals to the State Commission on Teacher Credentialing in order for his/her credential to be deemed to remain valid.

24.20 Domestic Partner Benefit

24.20.1 The Employer shall provide health insurance for unmarried domestic partners of eligible unit members as provided in this Article. “Domestic partner” is defined as a single member with an unmarried, unrelated individual who has lived with the unit member for not less than 12 months. To enroll, the unit member must complete an application form during the open enrollment period, accompanied by a notarized affidavit (see Appendix 15 (F2)24.21.1)" \s "F2" \c 8 ).

The unit member will be taxed on the cash value of the Domestic Partner premiums, in compliance with IRS regulations.

COBRA provisions do not apply for Domestic Partner coverage.

Article 25 - Peer Assistance and Review

25.1 General
25.1.1 The Association and the Employer are continuously striving to provide the highest possible quality of education. In order for all students to succeed in learning, all unit members must succeed in teaching. The Association and the Employer believe that all unit members should focus on continuous improvement in professional practice and that unit members having difficulties can benefit from the assistance and review of colleagues. Therefore the Association and the Employer hereby establish a unit member Peer Assistance and Review Program (PAR) for K-12 classroom unit members. PAR shall use the standards in the evaluation article of the Collective Bargaining Agreement. (Article 13 - Performance Evaluation)
25.1.1.1 Peer assistance may be provided to a beginning unit member or a volunteer permanent teacher and must be provided to a permanent unit member who has received an overall unsatisfactory evaluation in the areas of teaching strategies and instruction as provided for in the evaluation article in this agreement. The Peer Assistance shall be provided through Consulting Teachers as described in detail in Section 25.5. This assistance shall not involve the participation in or the conducting of the annual evaluation of unit members, except for making available to the evaluator the results of the referred unit members’ participation in the program.

25.2 Definitions
25.2.1 Joint Committee
The PAR Program shall be governed by the Joint Committee composed of five (5) Association members and four (4) Employer members. One of the Association members, the Association President, and one Employer member, designated by the Superintendent, shall be ex-officio, non-voting, non-stipend members.
25.2.2 Consulting Teacher (CT)
A consulting teacher is a permanent teacher selected by the Joint Committee to provide assistance and to review the progress of the teachers participating in the program.
25.2.3 Participating Teachers: The three types of participating teachers are Volunteer, referred, and beginning.
25.2.3.1 Volunteer Teacher (VT): A permanent teacher who wishes to participate in the program.
25.2.3.2 Referred Teacher (RT): A permanent teacher who is referred to the program because of an unsatisfactory evaluation.
25.2.3.3 Beginning Teacher (BT): A non-permanent, California preliminary or clear-credentialed teacher;

One of the Association members, the Association President, and one Employer member, designated by the Superintendent, shall be ex-officio, non-voting, non-stipend members.
The Association and the Employer shall individually determine the method for selection, the qualifications, and the term of its appointees, being mindful of the purpose of PAR and the value of continuity in administering PAR. To promote continuity, the terms shall be the staggered so that no party’s appointees are all new in any one school year. The initial terms shall be for two and three years.
The Joint Committee may call on additional resources as appropriate. The Joint Committee shall establish its operational procedures, including the method for selection of a chairperson.

25.3.2 Meeting and Composition
The Joint Committee shall establish its meeting schedule. Adequate notice will be provided for any additional meetings. To hold meetings a majority of the members, with a minimum of two teachers and one administrator, must be present. Meetings may be held during the school day, with a grant of release time to teachers, or during non-school time.
Association appointees to the Joint Committee shall receive a stipend of $4,000 paid on a pro-rata basis for each year of service on the JC.

25.3.3 Decision Making
The Joint Committee shall make decisions by consensus of the entire body. If no consensus can be reached, the decision shall be made by a majority vote of seven voting members. For any decision to be made at a JC meeting, a majority of the JC members present shall be teacher members of the committee. A JC member shall recuse themselves from discussion or vote on any matter regarding:

1. An RT for whom they are the current evaluator or the evaluator who initiated the current PAR referral.
2. A participating teacher from their site or department.

In the case of such recusal, the Employer’s ex-officio Committee member may vote on matters regarding the member RT. A recused JC member shall have the same opportunity to provide
input to the PAR process as any other administrator of an RT, for example, written statements or interviews with the JC.

25.3.4 Responsibilities
Joint Committee shall be responsible for the following:

25.3.4.1 Joint Committee Training
25.3.4.2 Development of Rules of Procedure
25.3.4.3 Consulting Teachers (CT)
   Selection of CTs.

   Evaluating the CTs.

25.3.4.4 Permanent Teachers
The Joint Committee shall provide participating permanent teachers, Volunteer or referred, with a list of available CTs. The permanent teacher may indicate the CT that he/she prefers, but the Joint Committee shall not be bound by the preference. The Board shall consider the requests promptly, normally in accord with a previously published calendar on budget review and position authorization.

25.3.4.8.5 At the conclusion of the fiscal year, if the revenue for the PAR Program exceeds expenditures for the PAR Program, the Joint Committee shall determine the allocation of the surplus in a manner that facilitates the professional development activities of the District within the intent of this Article.

25.3.4.9 Special Support Schools

25.4.2 Referred Teachers (RT)
Permanent unit members who have received unsatisfactory evaluation shall be referred to the Joint Committee and required to participate in the PAR program as an intervention.

25.4.2.1 Unsatisfactory Evaluation
25.4.2.1.1 PAR Participation shall not be required unless the procedures provided for in Article 13 (Evaluation) have been fully followed.
25.4.2.1.2 An unsatisfactory evaluation shall require participation in PAR when a unit member receives a summative evaluation on Form A of two (2) or more “unsatisfactory” ratings out of these five (5) evaluation categories:

25.4.2.2 Referral
The administrator who authored the unsatisfactory evaluation shall refer the RT to the Joint Committee. The administrator shall provide the Joint Committee a copy of the unsatisfactory evaluation, together with appropriate documentation. A copy of the referral packet shall be sent to the RT.

To participate in the program, the unit member may volunteer at any time, must volunteer by May 1 of the school year preceding participation in the program. 25.4.3.1 The CT shall maintain a log of assistance, which shall not include any evaluative comments. A copy of this log shall be provided to the Joint Committee and the volunteer. It shall not be placed in the volunteer’s personnel file unless the volunteer so requests.

25.4.3.2 All communications between the VT and the CT shall be confidential and shall not be shared with others, including the Principal/Site Leader, evaluator, or Joint Committee, without the written consent of the VT and CT. The CT shall not without the written consent of the VT, be called by the Association or Employer to testify, produce documents, or to participate in any way in any proceeding involving the teaching performance of the VT if the subject of the inquiry is the teaching performance of VT during the period the CT assisted the VT as a Volunteer participant in PAR.
