Benefits Guide
The Wellness Crusaders and their Adventures for Health
Superintendent’s Message

Dear District Employees,

Welcome to a new school year! Osceola School District is committed to enriching the lives of our employees while fostering an environment of unlimited potential. We’re excited to share with you the benefit plans for 2014-2015 and our new wellness initiatives. Like all employers, the School District is coping with changes in the federal health insurance regulations as well as the increasing costs of healthcare. We have worked diligently to come up with solutions, not only to manage your costs, but also to provide you with opportunities to improve your health. These new options allow you to access richer benefits by participating in a free confidential wellness screening. We will also be offering an exciting incentive based wellness program that rewards employees for living better, healthier lives. As a District, we must take steps to reduce rising medical costs and ensure we are becoming educated healthcare consumers.

Please take time to review this guide for the comprehensive benefit package the Osceola School District provides. Plan changes were required to ensure we continue to provide an exceptional benefits package. Three new medical plan options will be offered to replace the current plans. These include the Local Plus, the Wellness Local Plus and the Wellness Open Access Plus plan administered by Cigna.

Dental, Vision and Disability benefits will remain the same. The Life insurance company has changed to MetLife -- they bring many new added services with this benefit so, be sure to read up about all of them on page 23. We will also be offering two additional voluntary benefits this year that include a Universal Life with Long-term Care Insurance and an Accident Insurance plan. Due to these broad changes, the district is providing one-on-one enrollment counselors at district locations. We are asking that each of you meet with an enrollment counselor to understand your coverage choices, address any questions and receive a confirmation notice to ensure your elections are correct. Please keep in mind that you will not be able to make any changes during the year unless you have a qualifying event.

As a District employee for over 25 years, I know how important our benefit package is to you and your family. It is vital for your health but also a major component of the compensation you receive from the district. For that reason, I encourage you to join me and our Wellness Crusaders on this new adventure for health.

This guide is a summary of the benefit programs offered through the School District of Osceola County for the plan year October 1, 2014 through September 30, 2015. The contents summarize the key features of each plan. Complete details are provided in plan documents, policy guidelines, and insurance contracts that legally govern the operation of each plan. If there is a discrepancy between this guide and the official plan documents, the plan documents will prevail.

Medical Benefits
The Insurance Committee, made up of union and district representatives, is tasked every year with designing a benefits package that not only takes care of our employees and their families but also remains financially stable. Meeting at least once a month, the committee discussed insurance benefits and expenses noticing that expenses far exceeded projections for the 2013-2014 year. In previous years, we were able to contain costs for our employees but unfortunately a plan change is required in order for us to continue to provide a great healthcare plan and combat the projected shortfall for the 2014-2015 school year.

Without a plan design and premium change we would be looking at an $11.3 million shortfall.
The committee worked tirelessly to develop health plans that provide a high level of healthcare while working to contain escalating healthcare costs. It's important to note that the first draft presented to staff had a $5,000 deductible for everyone; we've come a long way (nine drafts later) to this final recommendation.

As such, we are very excited to be able to introduce plans that focus on our employees’ and dependents’ health with our new integration with wellness. Keep in mind that this current plan design change is a patch as we are still projecting a $3.4 million shortfall for the 2014-2015 school year.

Three new medical plan options will now be offered: the LocalPlus plan, the Wellness LocalPlus plan and the Wellness Open Access Plus plan. All plans offer comprehensive medical coverage, however, each plan provides coverage in a different way. (See page 9.)

A new change to comply with Health Care Reform is that all copays, coinsurance, and deductibles accumulate to the maximum out-of-pocket. Previously, any copays (mainly prescriptions) would not accumulate so you would be spending more than the maximum.

Thoroughly read through this Benefits Guide as it highlights your choices and provides instructions for enrolling beginning on page 35. Take the time to consider your choices carefully, just as you would for any other major household purchase.

Life Insurance
MetLife is now our Life Insurance carrier bringing many added value benefits to the plan. See page 22-23 for details.

Accident Insurance and LifeEvents
The District has partnered with Trustmark Insurance Company to provide you voluntary benefits offering added protection that you and your family may need. Trustmark Universal LifeEvents insurance offers a combination of permanent life insurance plus Living Benefits for long-term care, so you’re covered for both in one affordable and portable plan. Trustmark Accident insurance helps you offset the cost of unexpected bills related to accidents that occur every day. (See page 30-32.)

All other benefits
All other benefits remain the same for the 2014-2015 plan year. However, if you want to contribute to an FSA, you will have to log on and elect your contribution amount for the new plan year. Flexible Spending Accounts do not roll over per IRS guidelines.

If I have questions, whom do I talk to?
Don’t fret, we have some exciting news. For this upcoming year, the District has partnered with Worksite Communications to provide one-on-one benefit counseling to all of our employees. The counselor will meet with each employee on an individual basis to discuss the plans and enroll in benefits. Schedule your 30-minute appointment online at www.myenrollmentschedule.com/osceola or by calling 866-998-2915.

Who needs to enroll?
All employees must meet with a Benefits Counselor to complete their benefits enrollment and to receive a printed confirmation form. This will assure compliance with the new requirements and selection process. Scheduling your appointment in advance will enhance your enrollment experience and minimize time required to complete your enrollment. Be sure to make your 30-minute appointment with Worksite Communications online at www.myenrollmentschedule.com/osceola or by calling 866-998-2915 to ensure you do not miss your opportunity to enroll.

Wellness Screening
Wellness Screenings will be at all worksite locations beginning in August for all District employees. You must schedule your appointment at: www.solutionsforyourwellness.com/osceola Appointments are required.

Note that all times and locations will not be available for spouses to ensure security at our work locations. Spouses will have specially designated events and times that they may be screened.
Captain Pep and the Wellness Crusaders

Captain Pep and the Wellness Crusaders are here to help guide everyone through an adventure for better health. Your journey starts now! Teaming up with 4theHealthofit!, the Wellness Crusaders are your superheroes in wellness. Their goal is to encourage employees and dependents to seek preventive health care, participate in health screenings, and make moderate improvements in health habits. The team understands that wellness is more than just fitness, weight-loss, or disease management; rather it is an individual’s overall wellbeing. When individuals feel their best, they perform their best. Health improvement doesn’t have to be difficult or time consuming and, it can be very fun. The district is committed to helping employees and their dependents make informed decisions around their health while offering rewards unlike any other.

Whenever you see one of the superheroes, pay attention! They are dedicated to better health, educating employees, great rewards, and a stronger, more productive staff. It all starts right now with Captain Pep and the Wellness Crusaders!

PS: We’ll be making appearances on your First Class email and Benefits Corner so don’t forget to check those!

Effective Dates for New Employees

All benefited staff — Your benefits are effective the first of the month after your date of hire.

Note: If your potential effective date has passed, you have not yet enrolled and are still within your enrollment period, insurance is effective the day of enrollment.

Take Action to Avoid Default Coverage

If you do not enroll in benefits by the appropriate deadline, you will automatically be enrolled in the LocalPlus Plan (employee-only) and Board-paid Term Life Insurance. You will not be able to re-enroll until the next Open Enrollment unless you experience an IRS qualified change-in-status event (see page 8).

New Employee Enrollment Process

1. **Learn and Plan:** Read this Guide and use the resources and tools available to you.
2. **Enroll:** As soon as you are cleared for employment,* log onto the benefits enrollment system and enroll for your benefits. Refer to the Enroll section of this Guide for detailed instructions (See page 35).

You have two weeks to enroll in benefits from the date you are cleared.*

* Your facility secretary will notify you as soon as you are cleared for employment.

Open Enrollment Effective Date

All changes made during Open Enrollment are effective from October 1, 2014 through September 30, 2015.
Dependent Eligibility

You can enroll your dependents in plans that offer dependent coverage. Proof of dependent status (legal guardianship or adoption, for example) is required to enroll eligible dependent children.

Eligible dependents are defined as:

- your legal spouse as defined under Federal law (Marriage Certificate required)
- eligible dependent children include:
  - your own children
  - legally adopted children
  - stepchildren
  - a child for whom you have been appointed legal guardian
  - a child for whom the court has issued a Qualified Medical Child Support Order requiring you or your spouse to provide coverage
  - a dependent of a currently enrolled dependent (e.g., your grandchild) may be enrolled in a health plan for a period of 18 months from birth

Covering Dependent Children

The following criteria do not apply to adult dependent children who are mentally or physically incapable of supporting themselves. These children may qualify for coverage at any age by virtue of their incapacitation, as long as they became incapacitated prior to age 26 or 30.

Medical Plan Coverage

Through Age 26

Under the Patient Protection and Affordable Care Act (PPACA), you may cover your eligible adult dependent children up to age 26, regardless of marital, financial, or student status (this does not include spouses of adult children).

Age 26 Through 30

Florida law allows employees enrolled in a District-sponsored medical plan to cover their adult dependent children, age 26 through age 30 (benefits terminate on their birthday). To qualify for this extended coverage, your adult dependent child must meet all of the following eligibility criteria. Your adult dependent child must:

- Be unmarried and have no dependent children of his or her own,
- Be a resident of the state of Florida or a full-time or part-time student, and
- Have no medical insurance as a named subscriber, insured enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan; or not be entitled to benefits under Title XVII of the Social Security Act.

Other Plans Offering Dependent Coverage (Dental, Vision, and Life Insurance)

Dependent eligibility varies by plan. Please refer to the summary plan descriptions for specific information on each plan.

- **Dental and Vision.** Coverage will cease at the end of the year in which your enrolled dependent children or domestic partner children reach age 26. Florida over age dependent law does not apply.
- **Accident:** Unmarried and dependent children can be covered up to age 26
- **Universal LifeEvents:** Children can be covered up to age 18, (full-time student/dependent up to age 24)

Do Not Enroll Ineligible Dependents

Enrolling a dependent who is not eligible for coverage or failing to remove a dependent who has become ineligible for any District benefit plan in a timely manner is a violation of District policy and will lead to disciplinary action, including possible termination.

If you violate District policy, the District may seek reimbursement from you (even if you no longer work for the District) for any and all benefits paid under the plan on behalf of the ineligible dependent, plus any costs and attorney fees associated with obtaining reimbursement.

Special Enrollment Rights

If you decline coverage for yourself and any eligible dependents, including your spouse, because you and/or your dependents are covered under another major medical plan, you may be able to enroll yourself and/or your dependents in a District medical plan if you lose eligibility under the other plan. An individual policy is not considered a major medical plan. For more information, please see page 8 for Section 125 and Benefit Changes or contact the Benefits Specialist assigned to your facility at 407-870-4899.
It is the policy of the School District to offer benefits to domestic partners and their dependent children. Domestic partners are defined to be two individuals of the same or opposite gender who reside together with the intent of a committed relationship that meet the criteria listed below to qualify for Domestic partnership Benefits. This declaration does not affect Federal or State laws, and is subordinate to such laws concerning common law marriages, real and personal property rights, wills and estates, child custody, taxes, etc.

The following criteria must be met to be considered for domestic partnership benefits. The partners must declare:

A. The employee and his/her partner are each other’s sole and exclusive domestic partner and they mutually intend to remain so indefinitely.

B. The employee and his/ her partner reside together in a common residence and at the time of the declaration, must have previously resided together on a continuous basis for the preceding twelve (12) months and intend to continue that arrangement.

C. Both the employee and his/ her partner are at least 18 years of age and mentally competent to consent to a contract.

D. The employee and his/ her partner shall have the responsibility for a significant measure of each other’s common welfare and financial obligations.

E. The employee and his/ her partner are not married to or domestic partners as defined herein, with anyone else and have not been so during the preceding twelve (12) months prior to the declaration.

F. The employee and his/ her partner are not related by blood to a degree of closeness that would prohibit legal marriage in the State of Florida (i.e. siblings or first cousins).

All employees wishing to claim domestic partnership benefits must execute a written declaration, acknowledging the above listed criteria and submit the necessary and appropriate paperwork as requested by the School District to substantiate their eligibility. Proof of eligibility shall require a minimum of two (2) documents/instruments showing joint residency and joint financial responsibility. Subsequent declarations with a different partner are not eligible for consideration until at least twelve (12) months have elapsed since the previous declaration has been terminated by the School District. If, after the initial declaration, the criteria changes for domestic partnership benefits, the employee shall promptly submit any new documentation necessary to comply with the new policy.

A qualified domestic partner and dependent children may be eligible for group insurance coverage for Medical, Dental, Vision and Universal Life Insurance.

All employees who qualify for this benefit recognize and acknowledge that IRS regulation does not recognize domestic partners as the equivalent of spouses. As such, payroll deductions cannot be made on a pretax basis and those employees shall have to pay income tax on the imputed value of the domestic partnership benefit. Employees are encouraged to seek tax advice from a qualified tax accountant.

If an employee terminates his/her employment with the School District, the domestic partner and dependent children are eligible for COBRA coverage for Medical, Dental and Vision coverage.

A domestic partnership shall be considered automatically terminated in the event that one of the domestic partners, marries, remarries, dies or enters into a domestic partnership with another. In those instances where a domestic partnership dissolves, the date of termination shall be the date of the event the eligibility is lost, not the date of notice to the School District. Within 30 days of that date, the employee is required to complete and file with the School District’s Risk & Benefits Management Department a Notice of Termination of Declaration of Domestic Partnership.

Domestic partners have the obligation to and shall within thirty (30) days of the date of which the domestic partnership no longer meets the eligibility criteria file with the School District’s Risk & Benefits Management Department a Notice of Termination of Domestic Partnership. Failure to timely report and file the Notice of Termination of Domestic Partnership is a violation of District policy and will lead to disciplinary action, including possible termination.

If the employee fails to comply with the policies of the domestic partnership benefits, the District may seek reimbursement from the employee (even if the employee no longer works for the District) for any and all benefits paid under the plan on behalf of the ineligible dependent, plus any costs and attorney fees associated with obtaining reimbursement.

If at any time State or Federal law is enacted to treat a union between same-sex couples, under either or both State or Federal law, as a marriage, then the School District will treat such relationships as such to the fullest extent allowed by law, and will afford such couples all associated benefits.
Domestic Partners and their dependents

Medical Coverage Taxation Examples

If your domestic partner does not qualify as your tax dependent, the IRS requires that the “fair market value” of your domestic partner’s health coverage, minus any post-tax contributions made by you, be included in your gross income and subject to federal tax as well as being reported as taxable earnings on your W-2 Form. This “taxable imputed income” is the amount that the School Board pays towards the Domestic Partner’s coverage.

1. Employee + Domestic Partner
   The employee adds a Domestic Partner on the Local Plus plan.

   | Domestic Partner Fair Market Value | $7,240.32 |
   | Domestic Partner After Tax Premium  | -$ 5,500.00 |
   | Taxable Imputed income              | $1,740.32 |

   Since the District is paying $1,740.32 per year for medical coverage for the Domestic Partner, this amount must be reported as imputed income on the employee’s W-2 and the employee will pay taxes on this amount. It will be added to the employee’s taxable wages.

2. Employee + Employee’s Child(ren) + Domestic Partner
   The employee adds a Domestic Partner on the Local Plus plan.

   | Domestic Partner Fair Market Value | $7,240.32 |
   | Domestic Partner After Tax Premium  | -$ 5,500.00 |
   | Taxable Imputed income              | $1,740.32 |

   Since the District is paying $1,740.32 per year for medical coverage for the Domestic Partner, this amount must be reported as imputed income on the employee’s W-2 and the employee will pay taxes on this amount. It will be added to the employee’s taxable wages. The employee pays for their child(ren)’s premium as pre-tax.

3. Employee + Domestic Partner + Domestic Partner’s Child(ren)
   The employee adds a Domestic Partner and Domestic Partner’s Child(ren) on the Local Plus plan.

   | Domestic Partner and Child(ren) Fair Market Value | $10,257.12 |
   | Domestic Partner +DM Child(ren) After Tax Premium  | -$ 8,040.00 |
   | Taxable Imputed income              | $2,217.12 |

   Since the District is paying $2,217.12 per year for medical coverage for the Domestic Partner and the Domestic Partner’s child(ren), this amount must be reported as imputed income on the employee’s W-2 and the employee will pay taxes on this amount. It will be added to the employee’s taxable wages.

4. Employee + Employee’s Child(ren) + Domestic Partner + Domestic Partner’s Child(ren)
   The employee adds a Domestic Partner and Domestic Partner’s Child(ren) on the Local Plus plan.

   | Domestic Partner and Child(ren) Fair Market Value | $8,748.72 |
   | Domestic Partner +DM Child(ren) After Tax Premium  | -$ 6,770.00 |
   | Taxable Imputed income              | $1,978.72 |

   Since the District is paying $1,978.72 per year for medical coverage for the Domestic Partner and the Domestic Partner’s child(ren), this amount must be reported as imputed income on the employee’s W-2 and the employee will pay taxes on this amount. It will be added to the employee’s taxable wages. The employee pays for their child(ren)’s premium as pre-tax. Note that in this situation the child premium is split equally.

Note: The example above uses the LocalPlus default plan. Each of the medical plans will have it’s own imputed income computation.
Under Section 125 of the Internal Revenue Service (IRS) code, you are allowed to pay for certain group insurance premiums using pretax dollars. This means your premium deductions are taken before federal income and Social Security taxes are calculated. Depending on your tax bracket, your savings could be significant.

However, you must make your benefit elections carefully, including the choice to waive coverage, because IRS regulations state that your pretax elections will remain in effect until the next annual open enrollment period, unless you experience an IRS-approved qualifying change in status. Qualifying change-in-status events include, but are not limited to:

- Marriage, divorce, or legal separation*
- Death of spouse or other dependent
- Birth or adoption of a child
- A spouse’s employment begins or ends (must have coverage from previous employer)
- A dependent’s eligibility status changes due to age, student status, marital status, or employment
- You or your spouse experience a change in work hours that affect benefits eligibility
- You relocate into or outside of your plan’s service area
- Voluntary or involuntary loss of other qualifying coverage or gaining other group coverage
- Your eligible child(ren) lose coverage under a federal or state-sponsored health program like Florida KidCare

* Legal separation is not recognized in Florida.

Please note that your qualified status change must be consistent with the event. For example, if you get married, you can add your spouse to your current medical coverage, but you cannot switch medical plans. You must notify Risk and Benefits Management within 30 days of your qualified status change.

**Effective Date Following a Qualifying Event**

Your benefits effective date following a qualified status change is the first month after paperwork is received and online enrollment is completed. Birth or adoption of a child will be effective the date of birth or date of placement for adoption.

**Adding Newborn(s) or Adopted Child(ren)**

In accordance with Florida Statute 627.6575 Coverage for newborn children, children added on after birth or adoption will have 30-days coverage without an additional premium. However, the plan co-insurance and deductibles still apply.

If a child is not enrolled within thirty-one (31) days from the date of birth, but is enrolled within 60 days from the date of birth by written notification, coverage for the newborn child will become effective from the date of birth. Any premiums due must be paid retroactive to the date of birth for coverage to be effective.
Medical Benefits

We are very excited to be able to introduce plans that focus on our employees’ and dependents’ health with our new integration with wellness.

You can choose between three new medical plan options: the LocalPlus plan, the Wellness LocalPlus plan and the Wellness Open Access Plus plan. All plans offer comprehensive medical coverage, however, each plan provides coverage in a different way. Be sure to review the Medical Benefits Plan Comparison Chart on page 12-13 to help you decide which plan is right for you.

1. LocalPlus Plan

No Premiums for Employee-Only Coverage!

The LocalPlus plan is one of the two “free” plans. If you elect employee-only coverage, you will have no payroll deductions for medical insurance. This is also the plan that you will default into (employee-only coverage) if you do not actively enroll, so it is recommended that you review the plans carefully and make an informed decision.

The LocalPlus plan gives you the flexibility to visit any provider (doctor or facility) within Cigna’s LocalPlus network, including specialists, without the need for a referral.

With this plan, you must meet a deductible first then pay a 30% co-insurance of the discounted network charges for all doctors and procedures. Also, the pharmacy deductible is waived when you are purchasing generic medication.

Keep in mind that there is no out-of-network coverage under this plan except in the case of a true emergency; you will pay the full amount if you use out-of-network providers.

* Please read page 15 to understand your prescription drug coverage under the LocalPlus Plan.

2. Wellness LocalPlus Plan

No Premiums for Employee-Only Coverage!

The Wellness LocalPlus plan is the second of the two “free” plans. If you elect employee-only coverage, you will have no payroll deductions for medical insurance. In order to qualify for this plan, you (and your spouse if electing to cover your spouse) must participate in a Wellness Screening.

The Wellness LocalPlus plan gives you the flexibility to visit any provider (doctor or facility) within Cigna’s LocalPlus network, including specialists, without the need for a referral.

Copays are back! With this plan, you DO NOT need to meet a deductible unless you’re having a procedure/visit outside your doctor’s office. Co-pays for your primary care physician are $30 per visit and specialists are $35 per visit. Also, the pharmacy deductible is waived when you are purchasing generic medication.

Although dependent premiums for the Wellness LocalPlus plan are slightly higher than the LocalPlus plan, the coverage is better. The deductibles and the maximum out-of-pocket is the lowest when comparing all three plans.

* Please read page 15 to understand your prescription drug coverage under the Wellness LocalPlus.
3. Wellness Open Access Plus Plan

Buy-up plan - $45 a pay for Employee Only Coverage

The Wellness Open Access Plus plan is the buy-up plan. If you elect employee-only coverage, you will have a $45 payroll deduction for medical insurance ($45 per pay, 20 times a year). You’re paying an employee premium because of the choice of a bigger network and out of network coverage. In order to qualify for this plan, you (and your spouse if electing to cover your spouse) must participate in a Wellness Screening.

The Wellness Open Access Plus plan gives you the flexibility to visit any provider (doctor or facility) within Cigna’s Open Access Plus network, including specialists, without the need for a referral. With the Wellness Open Access Plus plan, you can also use out-of-network providers although this coverage is not as good.

Copays are back! With this plan, you DO NOT need to meet a deductible unless you’re having a procedure/visit outside your doctor’s office. Co-pays for your primary care physician are $35 per visit and specialists are $50 per visit. Also, the pharmacy deductible is waived when you are purchasing generic medication.

Since this plan has a larger network and offers out-of-network coverage, premiums are the highest for both the employee and dependents.

* Please read page 15 to understand your prescription drug coverage under the Wellness Open Access Plus Plan.

What is the LocalPlus Network?

The LocalPlus network is a narrower network made up of high quality physicians and facilities in our area. Visit www.cigna.com and search for providers in the “LocalPlus” network. You may access the LocalPlus network in any area of the country where it exists. In service areas where the LocalPlus Network is not available, you can access doctors and hospitals in our national Away From Home (Open Access Plus) Network and receive coverage at the in-network level. Emergency care is always covered as in-network. Your doctor must specifically be listed under Cigna’s LocalPlus network, not just take Cigna insurance.

But wait, I have a child going to school in another state where there is no LocalPlus network.

What do I do?

We have you covered. A dependent who does not live in the LocalPlus service area can use an Open Access Plus provider while out of the LocalPlus area. When they return, say while home for the summer, they will need to use LocalPlus health care professionals. Feel free to call Cigna at 1-800-244-6224 if you have any concerns or questions about where LocalPlus is available.

What is the Open Access Plus Network?

The Open Access Plus network is the current network. It is a nationwide network of doctors, facilities and hospitals.

Half-Family Status
If you and your spouse work for SDOC, are both eligible for benefits and have children, your status is considered “Half-Family.” If you choose family coverage under one of the medical plans, only one spouse will have a payroll deduction for medical insurance. The spouse who is designated as “Primary” (for insurance purposes) will have the premiums deducted from his or her pay; the employee designated as “Secondary” will be covered under the Primary’s medical plan. Note that this feature does not apply to employees with spouses in other school districts or government offices.

Job Share
Employees classified as Job-Share pay half the Board contribution ($152.70) plus the premium listed based on your choice.

**After You Enroll in a Cigna Medical Plan**

**Cigna ID Card**

Once you enroll in a medical plan, you will automatically receive an ID card from Cigna. Carry it with you at all times and present it whenever you visit a medical provider or pharmacy. This will help ensure that your claim is handled properly. To order a new ID card, contact Cigna Member Services at 1-800-244-6224 (1-800-Cigna24) or online at mycigna.com.

**Cigna Member Services**

1-800-244-6224

For answers to plan questions, members and their physicians should contact Cigna Member Services at 1-800-244-6224 (1-800-Cigna24) available 24/7 365 days per year. Please have your Cigna ID Card handy when you call.

**Register at mycigna.com**

Once you enroll in a medical plan, be sure to register at mycigna.com. You and your covered dependents can have individualized log-ins. (See page 16 for details)
Wellness Screening

What’s a Wellness Screening?
It is a simple finger stick that will make you aware of your cholesterol and blood glucose. Then, your blood pressure and body mass index will be taken. A nurse will be performing the test, and will meet with you individually on your results. The results will not disqualify you for coverage nor will a higher premium be assessed. The purpose of the Wellness Screening is to make you aware of the results as studies show a high percentage of people are not aware of their results. It is important to note that all of this information is private. The District will not be receiving individual results but will receive aggregate data to better design wellness programs for you and your family.

How do I get a Wellness Screening?
Wellness Screenings will be at all worksite locations beginning in August for all District employees. You may schedule your appointment at:
www.solutionsforyourwellness.com/osceola.aspx

Appointments are required. Note that all times and locations will not be available for spouses to ensure security at our work locations. Spouses will have specially designated events and times that they may be screened.

Who needs to have a Wellness Screening?
In order to be eligible for either the Wellness LocalPlus or the Wellness Open Access Plus plans, the employee must have a Wellness Screening. Also, your spouse will have to have a Wellness Screening if you would like your spouse covered under either of these plans. Children will not need to have a screening.

Pep Talk!
All information collected from the Wellness Screening is private. It’s designed to make you aware of the results as studies show a high percentage of people are not aware of their results. The District will only receive aggregate data to better design wellness programs for you and your family.
When you enroll in any of the Cigna medical plans you receive prescription benefits through the Cigna Pharmacy Network Prescription Drug Plan. There are no out-of-network prescription benefits, so be sure to use one of the pharmacy providers listed on this page, or use Cigna's home-delivery pharmacy for maintenance (ongoing) prescriptions.

How the Prescription Drug Plan Works

- You are automatically enrolled in the prescription drug plan when you enroll in any of the Cigna medical plans.
- The prescription drug plan has a deductible. However, it is waived if you are filling generic medications.
- When you have prescriptions filled at a network pharmacy, you pay a preset copay for generic and preferred drugs.
- If you use non-preferred or specialty drugs, you will pay a percentage of the negotiated rate (see chart below), up to the per-prescription cap.

Because you always pay less for the generic version of a drug, ask your doctor to write your prescription for the generic (if available).

- If you are enrolled in any of the Cigna medical plans:
  - Any copays and coinsurance you pay for non-preferred and specialty drugs is applied toward your plan’s out-of-pocket maximum.

Cigna Pharmacy Network

The following chain pharmacies are included in the Cigna pharmacy network:

- Publix
- Albertsons
- K-Mart
- Target
- Medicine Shoppe
- Walgreens
- CVS Pharmacy
- Sam’s Club
- Walmart
- Winn Dixie

Visit www.mycigna.com for a more in-depth pharmacy provider directory.

Home-Delivery Prescriptions

Cigna Home Delivery Pharmacy is part of your prescription benefits. Cigna Home Delivery Pharmacy provides a cost-effective way for you to obtain maintenance drugs (prescription medication you and/or your covered dependents take on an ongoing basis).

Benefits of Home Delivery

- FDA-approved medications
- Verification of every order by a licensed pharmacist
- Standard delivery to your home or other preferred address at no additional cost
- 90-day supply reduces out-of-pocket expenses and trips to a retail pharmacy
- Refill reminders so you don’t forget to reorder

To learn more about Cigna’s home-delivery program, call 1-800-835-3784 toll-free or visit www.mycigna.com. To switch your current prescription, call Cigna Home Delivery Pharmacy toll-free at 1-800-285-4812, Option 1, and an associate will contact your prescriber to request a new prescription under Cigna Home Delivery.

Medical Insurance Opt-Out Credit

“Opting out” means you may choose to decline medical coverage for yourself and your family. Only employees who are covered under another medical plan, either as a dependent or through individually acquired coverage, can select this option. For example, you might consider opting out of medical insurance if your spouse has elected family medical coverage through his or her employer, or if you are covered under another medical plan.

You may opt out only when: enrolling for the first time as a new employee; as a current employee during Open Enrollment for the next plan year, or when you have an approved qualifying change in status. Your opt-out election will remain in effect through September 30, 2015 unless you or a qualified dependent experience an approved qualifying change in status event.

The Benefits of “Opting Out”

When you opt out, you will receive up to a $750 annual credit which you may apply toward voluntary pretax benefits, such as dental employee-only coverage, vision employee-only coverage, a Flexible Spending (FSA), and disability insurance. (This is not a cash payout and can be used only for eligible expenses. Although you cannot use credit dollars to pay for dental and vision coverage for your dependents, you can elect dependent coverage and pay for it through your own pretax payroll deductions.)

If you do not purchase voluntary pretax benefits or have a remaining balance after choosing voluntary pretax benefits using your credit, the money will automatically be deposited into a Health Care FSA that the District sets up for you. You can be reimbursed from your Health Care FSA for eligible expenses not covered by a health plan. Please see page 26 for more information about the Health Care FSA.

Eye See!

Did you know you can save money on prescriptions by visiting your favorite store? Publix, Winn Dixie, Walmart and Target all offer discounts on certain medications for as low as $4 for a 30-day supply or $10 for a 90-day supply. Publix even offers free antibiotics. You can't get any better than free!

Visit your local pharmacists and see if your prescription is discounted on their list.
Dental Benefits

The SDOC offers District employees a choice of the three MetLife dental plans described in this Guide. MetLife Dental Care covers most preventive and restorative procedures. Orthodontia is also covered, but varies by plan. See the Dental Plan Comparison Chart on the next page to determine which plan best fits your and your family's needs. Keep in mind that the dental plan year is calendar based - January 1 - December 31. That means deductibles and maximums are recalculated every year.

MetLife/SafeGuard DHMO

When you enroll in the MetLife/SafeGuard DHMO, you and your covered family members can access the dental care you need through MetLife's network of quality dentists. Each covered family member can choose their own general dentist from the network. You will need a referral from your general dentist to see any specialist, such as an endodontist, oral surgeon, pediatric dentist, or orthodontist.

DHMO Features and Benefits

• No deductible. No dollar maximums. No claim forms to file. No waiting periods for coverage.
• Reduced rates on all covered services.
• Coverage for most preventive services at no charge.
• Up to four cleanings per year: two at no charge; two additional at low cost for adults and children.
• Discounts on complex procedures.
• Specialty care provided at the same fee as general care with an approved referral.
• Orthodontic benefits for adults and children.
• Teeth whitening covered.

MetLife PPO

When you enroll in the MetLife PPO, you and your covered family members can access the dental care you need through MetLife's network of quality dentists. You can visit any dentist, both in- and out-of-network, but you will pay less when you use an in-network provider. You do not need a referral to see a specialist.

MetLife PPO High Option and Low Option

You can choose either the High Option or Low Option PPO. Your premiums are higher in the High Option plan, but services are generally covered at a higher percentage.

PPO Features and Benefits

• Visit any dentist, in or out of MetLife’s preferred provider network.
• No referral required to see a specialist.
• Visit a network dentist for maximum savings.
• In network or not, you’ll be reimbursed for all or part of your costs for covered procedures, up to your annual $1,500 maximum, after meeting your deductible or satisfying any waiting periods.
• Orthodontic benefits for children ages 19 or younger.
• Implants covered at 50%.

The benefits for each plan will be determined by the contract. For a complete listing of benefits plus limitations and exclusions, please reference your certificate of coverage.

1-800-880-1800 for the DHMO • 1-800-942-0854 for the PPO
Does the DPPO offer any discounts on non-covered services?

Yes. MetLife’s negotiated fees with DPPO (in-network) dentists extend to services not covered under your plan and services received after your plan maximum has been met. If you receive services from a DPPO dentist that are not covered under your plan, you are only responsible for the DPPO (in-network) fee.

Can I find out what my out-of-pocket expenses will be before receiving a service?

Yes. With pre-treatment estimates, you never have to wonder what your out-of-pocket expense will be. MetLife recommends that you request a pre-treatment estimate for services in excess of $300 (This often applies to services such as crowns, bridges, inlays, and periodontics.) To receive a benefit estimate, simply have your dentist submit a request for pre-treatment estimate online at www.metdental.com or call 1-877-MET-DDS9 (1-877-638-3379). You and your dentist will receive a benefit estimate (online or by fax) for most procedures while you’re still in the office, so you can discuss treatment and payment options, and have the procedure scheduled on the spot. Actual payments may vary depending upon plan maximums, deductibles, frequency limits, and other conditions at time of payment.

Find a Provider

As you consider enrolling in one of the new MetLife dental options, consider if your current provider is in the MetLife network or locate a provider near you.

For the Dental HMO (DHMO):
- Go to www.metlife.com
- On the right side menu, select “Find a Dentist”
- Then select Dental HMO and enter your ZIP code
- To continue, select SGX185A

For the Dental PPO:
- Go to www.metlife.com/mybenefits
- Enter School District of Osceola County under Company Name and click Submit (no password required)

MetLife.com/MyBenefits

MyBenefits provides you with a personalized, integrated, and secure view of your MetLife-delivered benefits. You can take advantage of a number of self-service capabilities as well as a wealth of easy to access information including planning tools and oral health awareness material.

- View, manage, and understand your benefits from work or home
- Quick and easy registration to use MyBenefits — it’s safe & secured
- A homepage with access to personalized information and easy-to-read summaries of your dental benefits selection
- E-mail notifications that will keep you informed of claims and
  - important updates to your dental benefits information
- Provider lookup
- ID card download function

www.metlife.com/mybenefits
Vision Benefits

The SDOC offers you the option of purchasing vision insurance through Humana Specialty Benefits. When you enroll, you will choose a provider from the Humana Specialty Benefits network at www.humanavisioncare.com, present your ID card you will be receiving once enrolled to your provider at the time of service to receive the negotiated rates.

Features and Benefits

- Eye health examinations, frames, glasses, or contacts based on the service frequency shown in the chart.
- LASIK surgery discount.
- Preferred member pricing for other frame and lens options.
- If you purchase eyeglasses or contact lenses from a Humana Specialty Benefits network eye doctor during the same year you had an eye exam, you will receive:

Life Insurance

Term Life and Accidental Death and Dismemberment (AD&D) Insurance
The District provides employees with basic group term life and AD&D insurance in the amount of one times your annual salary at no cost to you. An additional one times your annual salary in Board-paid life insurance is provided to employees whose pay is based on 10+ years experience.

Note that Professional Support employees earning less than $20,000 per year receive benefits based on the previously negotiated contract — see chart below.

Optional (Supplemental) Life Insurance
You can elect an additional one or two times annual salary in term life and AD&D insurance as a new employee without having to provide evidence of insurability (EOI). If you decide to increase your Optional Life Insurance during Open Enrollment you must submit an EOI form. MetLife will send you a pre-filled form once Open Enrollment ends for you to answer and return. MetLife will inform you if your increase has been approved.

Special Computation for Bus Drivers: There is a special computation for bus drivers based on actual time worked during the previous two pay periods, plus credit for extended routes. For example, your salary for a five-hour guarantee route bid is $15,000. If you win a bid for an extended route/field trip that pays an additional $15,000, your life insurance will be based on a $30,000 annual salary.

Designating a Beneficiary
You must designate a beneficiary when you first become eligible for life insurance coverage. You should review and update your beneficiary elections during each year’s Open Enrollment. Your beneficiary designation for basic and optional life insurance may be changed at any time, either through the Online Enrollment System or by contacting R&BM for a form.

Note: If you designate a trust or a trustee, you must have a written trust agreement. If you designate a minor (a person who is not of legal age), it may be necessary to have a guardian or a legal representative appointed before any death benefit can be paid. This means there will be a legal expense for the beneficiary and a delay in payment. Please take this into consideration when naming your beneficiary.

Bright Idea!
Looking for a Life Insurance Policy and a Long Term Care policy? Available to all employees this year is a new option to purchase both together -- Trustmark Universal LifeEvents Insurance. Get the peace of mind of a life insurance policy with a long term care rider. See page 30 for more details. Then, talk with your Benefits Counselor for specific premiums.
MetLife Advantages™

MetLife Advantages™ is a comprehensive suite of valuable services that offers easy access to resources that can make a difference in your life. Whether you are faced with personal challenges or need planning support, you will find the assistance you need to get back on your feet and plan ahead.

Comfort and Guidance for Challenging Times

- **Grief Counseling** provides you, your dependents and your beneficiaries with up to 5 confidential counseling sessions per event to help cope with a loss — no matter the circumstances — whether it’s a death, an illness, a divorce, losing a pet or even a child leaving home.

- **Delivering the Promise** provides valuable support and assistance at the time of a claim. Specialists help beneficiaries and their families identify eligible benefits, file insurance claims, and identify local resources, including grief counseling services and government agencies.

- **Total Control Account** helps your beneficiaries manage life insurance proceeds through a life settlement option that provides easy and immediate access to their funds.
  - Death claim proceeds are paid via an interest-bearing account with draft-writing privileges.
  - Relieves beneficiaries of the need to make immediate decisions about what to do with a lump-sum check, while giving them the flexibility to access funds as needed and earn interest on the proceeds as they assess their financial situation.

Professional and In-person Resources When It Matters

- **Face-to-Face Will Preparation** gives you or your spouse/domestic partner access to MetLife’s face-to-face legal services to prepare a Will, Living Will, or Power of Attorney. In addition, you may access an attorney as many times as you need to make updates to these documents. Reimbursement is also available for out-of-network attorneys with set fees. (*Participation in Optional Life Required*)

- **Face-to-Face Estate Resolution Services** provides your beneficiaries and executors/administrators access to face-to-face legal representation for probating your and your spouse’s/domestic partner’s estates.

- **WillsCenter.com** helps you or your spouse/domestic partner prepare a Will, Living Will, Power of Attorney and HIPAA Authorization form on your own, at your own pace, 24 hours a day, 7 days a week.

- **Special Needs Planning**, offers services and guidance to help navigate the maze of legal and financial complexities when planning for the future financial well-being of your dependent with special needs.

- **Funeral Planning Guide** acts as a useful guide for your final wishes by documenting important financial information and decisions now so that your loved ones and beneficiaries have them later.

- **retirewise®** is a four-part workshop series that offers you comprehensive retirement education with the option to meet with a local financial professional to discuss your specific circumstances and individual goals.

Range of Solutions for Continuing Workplace Coverage

- **Coverage for active and retired employees**

- **Services for workplace transitions**
  - **Portability** provides the option to “port” or take your coverage with you if you become separated from or leave your company — a valuable feature in today’s ever changing world.

  - **Transition Solutions** offers insurance and other financial products and services to help you and your family better prepare for your future in response to benefit changing events.

Disability Insurance

Have you ever thought about how your family would manage if an accident or major illness kept you from working for an extended period? Most people would have a hard time getting by without a regular paycheck. Disability insurance replaces a portion of your income if you are unable to work due to illness or injury. SDOC offers optional disability insurance through Aetna Educator Disability Plans. You can choose from two options: Platinum or Gold. Your premiums will be based on the level of protection you select available on the Benefits Enrollment System.

Eligibility
All benefited employees are eligible for this plan. If you are absent from work due to injury, illness, temporary layoff or leave of absence on your effective date of coverage, coverage will begin on the date you return to active employment.

Underwriting Guidelines
New Hires. First of the month coincident with or next following date of enrollment, if done within 30 days of your date of hire to sign up for coverage without having to provide Evidence of Insurability (answers to health questions). However, the full amount of coverage you select is subject to the 3/12 pre-existing condition limitation.

Currently Insured Employees. You can increase your level of coverage during Open Enrollment. Evidence of Insurability (answers to health questions) is not required. However, the additional coverage you select is subject to the 3/12 pre-existing condition limitation.

Late Entrants. Employees who do not sign up for coverage during their new hire period or the most recent Open Enrollment must wait until the next Open Enrollment to elect coverage. Evidence of Insurability (answers to health questions) is not required at the time you elect coverage. However, the full amount of coverage you select is subject to the 3/12 pre-existing condition limitation.

3/12 Pre-existing Condition Limitation
The plan will not cover any disability that begins in the first 12 months after your effective date of coverage that is caused by, contributed to by, or resulting from a pre-existing condition.

A pre-existing condition is a condition for which you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the three (3) months just prior to your effective date of coverage; and the disability begins in the first 12 months after your effective date of coverage.

Benefit Amount
You can purchase a monthly benefit in $100 units, starting at a minimum of $200, up to 66 2/3 percent of your monthly earnings, with a maximum monthly benefit of $7,500.

Elimination Period
The elimination period is the length of time of continuous disability due to sickness or injury that you must wait before you are eligible to receive benefits. You choose an elimination period. The elimination period options are 14, 30, 60, 90 or 180 days.

If you select an elimination period of 30 days or less and are admitted to a hospital as a result of your disability, benefits will begin immediately and the remainder of the elimination period will be waived.

Waiver of Premium
Once you have received disability payments for 90 consecutive days, you do not have to continue paying disability premiums for as long as you are receiving disability payments under the plan.

Medical Treatment Benefit
A Medical Treatment Benefit will be paid when you receive treatment by a doctor as a result of sickness or injury, provided no other benefits are payable under the plan as a result of the condition for which the treatment was rendered.

The Medical Treatment Benefit will be the doctor’s actual charge for services rendered, up to a maximum benefit of $50 for sickness or $100 for injury.

No benefit will be paid unless you are personally seen and treated by a doctor and the treatment is not for routine medical examinations or dental work.

No more than one benefit will be paid for the same or related condition unless your treatment dates are separated by 14 consecutive days. This benefit will not be paid more than four times per calendar year.
Monthly Hospital Indemnity Benefit
A Monthly Hospital Indemnity Benefit equal to two times the gross disability payment will be paid beginning on the first day of inpatient hospital confinement if you:

- are receiving or are entitled to receive disability payments under the plan; or
- have not completed the elimination period but would be entitled to receive disability payments under the plan upon completion of the elimination period.

The maximum Hospital Indemnity Benefit is 90 days. This benefit is paid instead of the disability monthly payment and it counts toward the maximum period of disability payment.

Survivor Benefit
Your eligible survivor will be paid a lump sum benefit equal to three times the gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is no estate. In this case, no payment will be made.

Accelerated Survivor Benefit
Under certain conditions, an Accelerated Survivor Benefit may be paid to you if you are terminally ill. It is payable in a lump sum equal to three times the gross disability payment. An election to receive the Accelerated Survivor Benefit will result in the Survivor Benefit not being paid when you die.

Accidental Death and Dismemberment
An Accidental Death and Dismemberment payment will be made according to the Covered Losses and Benefit Amounts listed below if:

- death occurs within 90 days from the date of the accident; or
- the accidental bodily injury(ies) results in one or more covered losses within 90 days from the date of the accident

Flexible Spending Accounts (FSAs)

Keep more of what you earn. The **Health Care FSA** and **Dependent Care FSA**, allow you to pay for certain eligible health and/or dependent care expenses using pretax dollars. This means that you will pay less in taxes and have more money to spend and save.

When you enroll in a flexible spending account, you specify the dollar amount you’d like to direct into your account from each paycheck, up to the annual maximum. You make deposits to your account through tax-free payroll deductions. You then use the money in the account to pay for your eligible health or dependent day care expenses. Cigna administers SDOC’s flexible spending accounts.

Be sure to carefully estimate your FSA contribution amount. Any unused dollars in your account(s) at the end of the plan year will be forfeited.

### Annual FSA Contribution Amounts Limits

<table>
<thead>
<tr>
<th>Type of FSA Account</th>
<th>Limits</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Health Care FSA</strong> (eligible health care expenses)</td>
<td>$240 minimum up to $2,500 maximum</td>
</tr>
<tr>
<td><strong>Dependent Care FSA</strong> (eligible day care and adult or elder care)</td>
<td>Up to $5,000 if single or married filing a joint tax return Up to $2,500 if married filing an individual tax return</td>
</tr>
</tbody>
</table>

* You may be required to file Form 2441 with your annual income tax return. This form provides information about the person or organization providing the dependent care services.

**You cannot transfer money between accounts.** You’ll need to carefully calculate the amount you plan to contribute to your FSA(s). Any unused dollars in your account(s) at the end of the plan year will be forfeited.

### Health Care Flexible Spending Account

Health Care FSA reimburses you for eligible medical, dental, or vision expenses for you, your spouse, or your eligible dependents. You can use it to pay for certain medical expenses not covered by another insurance plan for anyone you claim as a dependent on your tax return.

When you enroll in a Health Care FSA, your account is prefunded up to the amount you elect to contribute for the entire year. So even if you incur eligible expenses before the account is fully-funded, you can “spend” up to your total plan-year election before the funds are actually deducted from your paycheck and deposited into your account. Your Health Care FSA contributions will continue to be deducted from your paycheck throughout the year.

#### Accessing the Money In Your Health Care FSA

You will receive a Cigna HealthCare Visa Flexible Spending Account debit card when you enroll in a Health Care FSA. You can use your debit card to pay for eligible health care goods and services at the point of purchase. Funds will automatically be deducted from your Health Care FSA, reducing your account balance. The debit card eliminates your need to submit reimbursement requests.

Use your FSA debit card at all providers who accept Visa, including physicians, dentists, vision providers, hospitals, and pharmacies. Note that there is no Personal Identification Number (PIN) associated with the debit card. Always select “credit” when doing a transaction.
Flexible Spending Accounts (FSAs)  (continued)

Cigna medical plan participants do not need to submit receipts for:

- Medical coinsurance at doctor’s offices
- Medical coinsurance at a hospital or outpatient facility
- Pharmacy copays and coinsurance (if purchasing multiple prescriptions, have each prescription run as a separate transaction)

Cigna will mail a notice to your home address requesting documentation for expenses that cannot be substantiated electronically. If you do not provide necessary documentation after three notices, your debit card will be suspended until you provide the requested documentation.

Reimbursements

If you have an FSA debit card and use it, you do not need to submit reimbursement requests. If you don’t have an FSA debit card or if you have one and do not use it, you must submit a reimbursement claim form (available on www.mycigna.com) and attach all itemized receipts from the service provider. Receipts must include:

- Name of employee or dependent.
- Dates of service.
- Charges incurred.
- Explanation of Benefits (EOB).
- Note that canceled checks, bank card receipts, credit card receipts, and credit card statements are not acceptable forms of documentation.

Submit your claim form and all supporting documentation via mail or a dedicated claims fax line (which ensures confidentiality) to the address or fax number on your claim form.

Direct Deposit of Reimbursement Checks

You can choose to have your reimbursement checks direct deposited into your personal checking account. Log into your mycigna.com account and follow the instructions on screen. You will need your bank routing number and account number. Plan ahead, it takes 20 days to verify the account information before deposits can begin.

Information About Weight-Loss and Smoking Cessation Programs

The IRS now allows prescribed smoking cessation programs to be reimbursable under a Health Care FSA, even if there is no specific illness.

Expenses incurred for weight-loss programs and special foods may only be reimbursable if the treatment is prescribed by a physician as medically necessary to prevent, treat, mitigate, or alleviate a specific, objectively diagnosable medical defect or illness (i.e., hypertension, arteriosclerosis, or diabetes). If the special food is a substitute for the patient’s normal diet, it is reimbursable only to the extent that the cost exceeds the cost of a normal diet.

Grace Period for Health Care FSA Claims

The IRS allows a grace period for Health Care FSAs that gives you an additional 2½ months after the end of the plan year to spend any unused money in your account. You must submit claims by December 31, 2015 to be reimbursed for expenses incurred between October 1, 2014 and December 15, 2015.

Dependent Care Flexible Spending Account

When you enroll in a Dependent Care FSA, you can set aside money to pay for eligible non-medical dependent day care expenses for your children and/or elderly parents so you and your spouse can go to work. Examples of eligible expenses include a child care or adult care center, a nursery school, summer day camp, or a caregiver for an elderly or incapacitated dependent.

Eligible Expenses

Under IRS rules, dependent care must be provided by a person with a Social Security number or by a dependent care facility with a Taxpayer Identification number. Dependent care provided by any sitter who you or your spouse claim as a dependent on your tax return cannot be reimbursed through your Dependent Care FSA. This includes dependent care services provided by your children or stepchildren under age 19.

When estimating your dependent care expenses, do not include vacation time or sick time during which you or your spouse will not be at work or at school – even if you must pay your day care provider to hold your dependent’s space. This is not an eligible expense under IRS regulations.
Flexible Spending Accounts (FSAs) (continued)

How it Works
When you enroll in the Dependent Care FSA, you will need to submit reimbursement claims to Cigna. Unlike a Health Care FSA, your Dependent Care FSA is not prefunded. This means that you will be reimbursed only up to the balance in your account at the time you submit your claim. If your claim amounts to more than your account balance, the unreimbursed portion of your claim will be tracked by Cigna. You will automatically be reimbursed as additional deductions are deposited into your account, until your entire claim is paid out.

Note: Because of the way the District payroll deductions are taken and the fact that you must pay the day care provider before receiving reimbursement, you will experience a negative cash flow during the first month of the plan year. In subsequent months, the reimbursement from the previous month’s deduction can be used to pay the day care provider for the current month.

Reimbursements
To obtain reimbursement from your dependent care FSA, complete a claim form (available at www.mycigna.com) and attach itemized receipts that include:

- The dependent’s name(s).
- The period during which the services were rendered.
- The name, address, and Taxpayer ID or Social Security number of the individual or organization providing services.

• Alternatively, if the above information is documented on the reimbursement form, you can have the provider sign the reimbursement form in place of a receipt.
• Note that canceled checks, bank card receipts, credit card receipts, and credit card statements are not acceptable forms of documentation.

Submit your claim form and all supporting documentation via mail or the dedicated claims fax line (which ensures confidentiality) to the address or fax number on your claim form.

Direct Deposit of Reimbursement Checks
You can choose to have your reimbursement checks direct deposited into your personal checking account. Log into your mycigna.com account and follow the instructions on screen. You will need your bank routing number and account number. Plan ahead, it takes 20 days to verify the account information before deposits can begin.

How Much Can I Save?
The actual amount you save will vary by the amount you contribute, how much you earn, and your tax-filing status and exemptions. In the following examples, Maria, Lisa, and Alex are all in the same tax bracket, but each contributes different amounts to their FSA(s).

Maria Saved $280

**SDOC Board Approved Tax Sheltered Annuity Companies**

SDOC offers employees the opportunity to contribute to a 403(b) Tax Sheltered Annuity. Tax Sheltered Annuities are a type of retirement plan that is available to public education employees. These tax-free plans enable you to save money for retirement. This plan is optional and is offered in addition to your Florida Retirement System retirement benefits.

Following are examples of the types of investment vehicles to which you can contribute:

- **Fixed-Interest and Variable Annuities.** Annuities are sold only by life insurance companies. Fixed interest annuities usually provide protection of principal and a current interest crediting rate. Variable annuities usually offer a fixed interest account along with separate accounts that are invested in bond and/or equity markets.

- **Service-Based Mutual Funds and Custodial Accounts.** These products are offered by investment management companies and brokerage firms. Investment portfolios can include funds from a single fund family or a custodial platform that spans several fund families on a single statement.

- **No-Load/Low-Fee Mutual Funds.** No-load funds are described as investments with no sales fees on the market-based mutual funds offered. Ongoing investment management fees are charged to the funds selected. The no-sales fee/low-asset management fee offerings are good for those individuals who do not want to work with an investment advisor.

Select a Board-Approved Company & Agent

Visit [http://www.osceola.k12.fl.us/depts/Benefits/TaxShelteredAnnuities.asp](http://www.osceola.k12.fl.us/depts/Benefits/TaxShelteredAnnuities.asp) for an up-to-date listing of agents who can assist you in selecting the product that helps you reach your financial goals. You must contact an approved company and agent to enroll in or change your Tax-Sheltered Annuity.

Once you have reviewed all your options with an agent and you are ready to enroll, the agent will send your Salary Reduction Form to Risk and Benefits Management. There are a few investment companies that do not require you to work with agents, so the Salary Reduction Form is also available on Benefits Corner.

Canceling Your Contribution

**You must complete a Salary Reduction Form and submit it to Risk and Benefits Management prior to the payroll in which you want your contributions to end.** Your agent can help you complete this form or you can download and print one from Benefits Corner or the Risk and Benefits Management website.

**Eye See!**

**Advantages of participating in an TSA:**
- Immediate income tax savings**
- You are taxed only on the amount distributed to you in that tax year; the funds remaining in your account continue to be tax-deferred
- High annual contribution limits
- Flexible loan provisions
- Account portability
- Beneficiary provisions
- Lifetime income options

Trustmark Accident Insurance and Universal LifeEvents

The District has partnered with Trustmark Insurance Company to bring you two new voluntary benefits that can build on the benefits already provided by the District, giving you added protection that you and your family may need. You can use Trustmark voluntary benefits as planning tools to help you make educated choices for your financial future.

Accident Insurance
In the absence of a major illness, accidents can create your biggest exposure to out-of-pocket costs before your deductible is met -- especially if you have active children.

Trustmark Accident insurance helps you offset the cost of unexpected bills related to accidents that occur every day - on the playground, in the home, even on the job. Benefits for initial care, injuries and follow-up care are paid directly to you.

Life Insurance and Long-term Care
Trustmark Universal LifeEvents insurance helps provide financial protection for your family if something happens to you. It offers a combination of permanent life insurance plus Living Benefits for long-term care, so you're covered for both in one affordable and portable plan. Life insurance builds cash value over time that you can borrow against later. Family coverage is also available.

Trustmark Accident Insurance
Trustmark Accident insurance is designed to cover unexpected expenses that result from all kinds of accidents on or off the job, even sports related and household ones. It provides cash benefits to cover things your health insurance doesn't. Benefits are paid directly to you without any restrictions on how you can use them, in addition to any other coverage you have.

- **Guaranteed Issue** – no medical questions to answer, but your spouse must answer a disability question to qualify for the plan.
- **Guaranteed Renewable** – as long as premiums are paid.
- Rates don’t increase and benefits don’t decrease because of age.
- **Family Coverage** – apply for your spouse, children and dependent grandchildren.
- **Portability** – take your coverage with you at the same premium even if you change jobs or retire.
- **Convenient Payroll Deduction** – no bills to watch for, no checks to mail. A direct bill option is available when you change jobs or retire.

How does LifeEvents work?

LifeEvents combines two important benefits into one affordable product. With LifeEvents, your benefits may be paid under the Accelerated Death Benefit Insurance Rider, under the Long-Term Care Insurance Rider, or as a combination of both. Let’s take a closer look.

Accelerated Death Benefit Insurance Rider
Most people buy life insurance for the financial security of the death benefit. And it’s easy to see why. A death benefit puts money in your family's hands quickly when they need it most. It’s money they may use any way they want to help cover short- and long-term expenses like these:

- Funeral costs
- Rent or mortgage payments
- College tuition for children or grandchildren
- Debt
- Retirement and more

Long-Term Care Insurance Rider¹
This benefit makes it easy to accelerate the death benefit to help pay for home healthcare, assisted living, nursing care and adult day care services when you are chronically ill, should you or your covered spouse ever need them.

It pays a monthly benefit equal to 4 percent of your death benefit for up to 25 months.

Benefit Restoration Insurance Rider
Restores the death benefit that is reduced by the Long-Term Care Insurance Rider, so your family receives the full death benefit amount when they need it most.

Features you’ll appreciate
Lifelong protection – Provides coverage that will last your lifetime.
Family coverage – Apply for your spouse even if you choose not to participate. Dependent children and grandchildren may be covered under a Universal Life certificate.
Accelerated Death Benefit Insurance Rider – Accelerates up to 75 percent of your death benefit if your doctor determines your life expectancy is 24 months or less.
Guaranteed renewable – Guaranteed coverage, as long as your premiums are paid. Your premium may change if the premium for all certificates in your class changes.

The LifeEvents Advantage
LifeEvents is unique. It’s designed to match your needs throughout your lifetime, so you have the benefits you need, when you need them most. See for yourself:

Working years
LifeEvents pays a higher death benefit during working years when expenses are high and your family needs maximum protection. Then at age 70, when expenses typically reduce, LifeEvents reduces the death benefit amount to better fit your needs; however, your benefits for the Long-Term Care Insurance Rider never reduce.¹

Throughout retirement
LifeEvents pays a consistent level of benefits during retirement, which is when you may be susceptible to becoming chronically ill and may need long-term care services.

Let’s see LifeEvents in action
(Example: 35-year-old, $8/week premium, $75,000 benefit)

*Death benefit reduces to one-third at the latter of age 70 or the 15th policy anniversary. Issue age is 64 and under.

Separately priced benefits:
Children’s term life insurance rider – Covers newborns through age 23.

EZ Value – Automatically raises your benefits to keep pace with your increasing needs, without additional underwriting.

¹The Long-Term Care (LTC) Insurance Accelerated Death Benefit Rider is an acceleration of the death benefit and is not Long-Term Care Insurance. It begins to pay after 90 days of confinement or services, and to qualify for benefits you must be chronically ill. Pre-existing condition limitation may apply. Please consult your certificate for complete details.
Enrollment for Newly Hired Employees

You must use the Benefits Enrollment System to enroll in your benefits. To help you navigate the system, enrollment instructions begin on page 35.

New Employee Enrollment

After attending your Benefits Orientation, you will receive a call from your school or facility secretary clearing you for employment and letting you know you are now able to enroll in benefits using the Benefits Enrollment System. Emails will also be sent to your District email address reminding you to enroll. It is vital that you check your email for updates from Risk & Benefits Management. Contact your supervisor if you do not receive your First Class log-in and password within a week after you are cleared for employment.

If you do not log on and enroll in benefits by your deadline, you will automatically be enrolled in the following plans.

- **Medical Insurance**: LocalPlus Plan, employee-only coverage.
- **Life Insurance**: Board-Paid Term Life Insurance.

All elections (active and default) are final and cannot be changed until the next Open Enrollment unless you experience an IRS qualifying event (see page 8).

Enrollment Deadline and Effective Dates

Enrollment Deadline

Your enrollment deadline is two weeks from the date you are cleared for employment. Your school or facility secretary will notify you when you are cleared.

Effective Dates

- **All benefited staff** — Your benefits are effective the first of the month after your date of hire.

*Note:* If your potential effective date has passed, you have not yet enrolled and are still within your enrollment period, insurance is effective the day of enrollment.
Open Enrollment for Current Employees

August 28, 2014 to September 18, 2014
For the Plan Year October 1, 2014 – September 30, 2015

You must make your benefit elections for the new plan year during Open Enrollment. Your elections will be effective from October 1, 2014 to September 30, 2015. You cannot change your benefits during the year unless you experience an IRS qualifying event (see page 8).

You must use the Benefits Enrollment System to enroll by 4:30 p.m. on September 18, 2014. After that time, you will be locked out of the system.

If you were hired after June 30, 2014 the elections you made as a new hire will remain in effect through September 30, 2015. You will not be able to log onto the enrollment system during Open Enrollment or change your elections unless you experience a qualifying event (see page 8).

How to Enroll -- Benefits Counselor

We are pleased to introduce enhancements designed to make benefits enrollment easier this year. All locations will have Benefit Counselors on site for in person individually scheduled meetings. During your 30 minute scheduled appointment, the Benefits Counselor will:

- Help you understand your new benefit options and the Wellness Incentive
- Review your enrollment information
- Confirm your benefit elections through the Enrollment System
- Introduce the new Guaranteed Issue Trustmark Voluntary Benefits - Accident Insurance and Universal Life Insurance with Long Term Care (see pages 30-32)

All employees must meet with a Benefits Counselor to complete their benefits enrollment and to receive a printed confirmation form. This will assure compliance with the new requirements and selection process. Schedule your appointment in advance! Making your appointment in advance will enhance your enrollment experience and minimize time required to complete the enrollment process.

Schedule an Appointment

Schedule your appointment online at www.myenrollmentschedule.com/osceola or by calling 866-998-2915. You will receive a reminder email the day before your appointment.

Please make sure that you make an appointment to meet with an onsite Benefits Counselor to ensure enrollment is properly completed. The Benefits Counselor will also enter you into the Wellness Promotions where you can win prizes and gift cards! If you have questions about the enrollment process or scheduling please call 866-998-2915.
Benefits Enrollment System Step-by-Step Instructions

On the following pages are step-by-step enrollment instructions, along with screen shots to help you become familiar with the system.

### New Employee Enrollment

**Go to [http://benefits.osceola.k12.fl.us](http://benefits.osceola.k12.fl.us).**

1. Your User ID is your 9-digit Social Security number without dashes (e.g., 123456789).
2. Your password will be your date of birth in CCYYMMDD format (for example, if your date of birth is December 3, 1967, you would enter: 19671203).
3. Be sure to make your benefits decisions before you log into the system. Once you confirm your elections, you will be locked out from making further changes.
4. Make sure you complete your enrollment by the deadline noted in your initial email, or you will default into the Plus In-Network Plan and Board-Paid Term Life Insurance, which may or may not be the best plans for you. Go to [http://benefits.osceola.k12.fl.us](http://benefits.osceola.k12.fl.us).

### Open Enrollment

**Go to [http://benefits.osceola.k12.fl.us](http://benefits.osceola.k12.fl.us).**

1. Your User ID is your 9-digit Social Security number without dashes (e.g., 123456789).
2. Your password will be your date of birth in CCYYMMDD format (for example, if your date of birth is December 3, 1967, you would enter: 19671203).

### Enrollment Instructions

1. Visit [http://benefits.osceola.k12.fl.us](http://benefits.osceola.k12.fl.us) from any computer that has Internet access.
2. Once in the system, click on the *Begin Open Enrollment* button. You will be directed to view each benefit option, one-by-one. Click on the *Save* and *Back* arrows to move from step to step. **(Caution! Do not use your browser’s Back and Forward buttons. This will cause your data to become corrupt.)**
3. Make your selections.
4. Review your selections and make sure they are correct before you confirm your choices. Once you reach the last step and confirm your choices, your choices are final and you will be locked out from making any changes.
5. Confirm your elections and print a copy for your records. It is important to keep a copy of this verification as proof of your elections. (Set your printer settings to “landscape” to ensure all data gets printed.)

**Right Direction!**

The Employee Portal is a website that gives you access to your personal information, including pay stubs and leave of absence history.

To access the site, visit [https://employees.osceola.k12.fl.us](https://employees.osceola.k12.fl.us) from any computer that has Internet access.

Once on the site, register as a new user and create your portal account. You will need to provide your email ID, your date of birth and your Social Security number when you register.

All elections are final and cannot be changed until the next Open Enrollment for the next plan year unless you experience an IRS qualifying event (see page 8).
Enrollment Instructions (continued)

ENROLL TIP: Review each step carefully and make all necessary changes. If you need to stop at any time, you can use the SAVE FOR LATER button located at the bottom of each screen and continue later.

Benefits Enrollment Instructions

Log-In

• Visit http://benefits.osceola.k12.fl.us

• Your Social Security number is your User ID (no dashes). Example: An employee with a Social Security number of 123-45-6789 would enter the number as 123456789.

• Your date of birth is your password (CCYYMMDD). Example: An employee with a birth date of October 28, 1963 would enter 19631028.

Welcome Screen

• When you first enter the system, you will see a welcome screen. During Open Enrollment or as a new hire, you’ll see a Begin Open Enrollment arrow in the middle of the screen. Click this to begin making your changes.

• Review each screen and make your elections. If you need to log out and come back at a later time, you can save your changes by using the Save for Later button at the bottom of the screen.

Profile

• The Profile screen allows you to view your current address, telephone number and email address. To change your home address, contact your facility secretary or Human Resources for the appropriate form.

• Update your email address in the space provided.

  TIP: Your District email address is secure. Enter this email address instead of one outside the network.

• Click the Save arrow to continue to the next step.
Benefits Enrollment Instructions

Dependents

- You can add, but not delete, those eligible dependents you want to cover under the plans that offer dependent coverage. Click the Add New button to add a new eligible dependent. Click the “Change” link located to the left of a dependent’s name to change his/her information. You only need to enter dependent information one time. Then, select whether you would like to cover each dependent under Health, Dental and Vision insurance.

  **TIP:** You are not allowed to delete dependents from this screen. If you entered information by mistake, contact Risk & Benefits Management to correct the mistake.

- Enter or edit your dependents’ demographic information

- Use the Save arrow to advance to the next step. You will be able to select the specific plans on the following steps.

  **TIP:** You are required to enter your dependents’ Social Security numbers and dates of birth for the plans under which they are being covered. Collect this information before you begin the process.

- To cover or drop a dependent under each option click the Yes/No link to the right of the dependent’s relationship.

- To cover a dependent, click the “Check for Covered” box you will need to repeat this step for each plan.

- To drop a dependent, uncheck the “Check for Covered” box.

- Click the Save arrow to continue to the next step.

CAUTION! Do not use your browser’s Back and Forward buttons. This will cause data to become corrupt.

### Health Insurance and Opt-Out Credit

- Choose your Health Insurance plan or Opt-Out Credit here. You will only see the plans and premiums you qualify for based on your selections in Step 2. For example, if you did not add your spouse on the Dependents screen, you will not have the option of choosing coverage for your spouse. To make the dependent coverage option available, return to the Dependents screen and add your spouse (or other eligible dependents) to your list.

  **TIP:** Half-Family option is available only when the spouse's information you entered on the Dependent step matches another SDOC benefits-eligible employee.

- Before you hit Save, select whether you want your deductions taken **Before Tax** or **After Tax**. Before Tax means you would like your deductions taken out before your income and Social Security taxes are calculated and deducted, reducing the amount of income taxes you pay. **After Tax** means you want your deductions taken out after your income and Social Security taxes have been deducted. For more information, speak with your personal accountant or tax attorney.

  **TIP:** Be sure to scroll down to see all your options.

- If you enroll in the Opt-Out Credit you will be directed to an added step in which you must provide information about your primary insurance coverage (coverage you have through a spouse's employer or other source not connected with the District). If you enter a District group number, the page will display an error until you adjust your information.

- If you select dependent coverage for a plan, your dependent list will display to confirm your earlier choices. If you make any changes on this step, you will be redirected back to Step 2. Otherwise, you will click Save to move on to the Dental step.

- The Covered column shows the dependents you are covering. “Y” for Yes displays in black text; “N” for No displays in red text.
Enrollment Instructions (continued)

**CAUTION!** Do not use your browser’s Back and Forward buttons. This will cause data to become corrupt.

### Screen Shots

**Benefits Enrollment Instructions**

#### Dental Insurance

- The **Dental Insurance** screen lets you choose which dental insurance, if any, you would like to select or drop.

- You will only see plans and premiums you qualify for based on your selection in Step 2. So, if you did not add a spouse under your *Dependents* step, for example, you will not have the option of choosing this coverage for a spouse. (To make the options available, return to the *Dependents* step and add that dependent to your list.)

**TIP: Before or After-Tax option.** Dental premiums are always deducted before taxes. That is why there is no Before or After-Tax option.

#### Vision Insurance

- The **Vision Insurance** screen lets you choose which vision insurance, if any, you would like to select or drop.

- You will only see plans and premiums you qualify for based on your selection in Step 2. So, if you did not add a spouse under your *Dependents* step, for example, you will not have the option of choosing this coverage for a spouse. To make the options available, return to the *Dependents* step and add that dependent to your list.

**TIP: Before or After-Tax option.** Vision premiums are always deducted before taxes. That is why there is no Before or After-Tax option.
ENROLL TIP: Review each step carefully and make all necessary changes. If you need to stop at any time, you can use the SAVE FOR LATER button located at the bottom of each screen and continue later.

### Life Insurance

- The **Life Insurance** screen lets you choose how much **Term Life Insurance** you want to purchase, if any, and designate your beneficiary for both Board-Paid and any **Supplemental (Optional) Life Insurance** you purchase.

  - Use the radio buttons to make your selection.

  - Once you make your selections, the total Life Insurance benefit will be displayed. As a new hire, the amount is automatically approved. When increasing coverage during Open Enrollment your selection is not automatically approved until you complete an Evidence of Insurability form. Once open enrollment ends, expect the form for your completion in the mail from MetLife. Your change will not become effective until R&B&M receives approval from the insurance carrier. You must acknowledge you are aware of this by clicking the check box before proceeding.

- After clicking the Save arrow, you will be directed to the Designate Your Beneficiary step. All District employees must designate a Board-Paid beneficiary. You will also need to designate a beneficiary for Supplemental (Optional) Life Insurance if you elect this coverage.

  - To add a beneficiary, click the **Add New** button, then enter the information in the fields provided, as well as the percentage of life insurance you would like to direct to that beneficiary. You can designate as many beneficiaries as you’d like for each category; make sure each column adds up to 100%.

  - To change a beneficiary, click the “Change” text to the left of the beneficiary’s name, then edit necessary fields and assign a percentage of the life insurance benefit to that beneficiary.

  - To remove a beneficiary, click **Delete** to the far right of the beneficiary’s name.

  - Click the Save arrow to continue to the next step.

**TIP:** A Contingent Beneficiary is a person(s) you name to receive the life insurance benefit in the event that your primary beneficiary(ies) is (are) no longer alive. Example: You name your spouse as your primary beneficiary and your children as the contingents. If you and your spouse both die, the children would receive the life insurance benefit. If your spouse is still alive, he/she will be the one receiving the benefit. Naming a contingent beneficiary is not required, but is recommended.
Benefits Enrollment Instructions

**Disability Insurance**

- The **Disability Insurance** screen lets you choose how much disability insurance you want to purchase.
  - You must enter your birth place and height and weight.
  - Then select the monthly benefit you want to purchase (the amount of money you would receive each month if you were disabled). The menu only shows the maximums you are eligible for.
  - Then select the elimination period (the number of days you have to wait for benefits to begin once disabled) for the plan you want (Platinum or Gold — you cannot enroll in both).
  - Finally, you must select whether you want your disability premiums deducted from your paycheck before or after taxes are calculated and deducted from your paycheck.
    
    **TIP:** Remember, if you select before tax and you are disabled, your disability benefit will be taxed. Most likely, the tax savings on your premium will be significantly less than the taxes you would pay on a disability benefit.

- When you elect disability coverage, you automatically receive Accidental Death and Disability coverage. This coverage requires you to designate a beneficiary (for the accidental death benefit), so you will be navigated to the **Designate Your Beneficiary** step.
  - To add a beneficiary, click the **Add New** button, then enter all information in the fields provided, along with the percentage of your benefit you would like to direct to that beneficiary. You can designate as many beneficiaries as you'd like for each category; make sure each column adds up to 100%.
  - To change a beneficiary, click the “Change” text to the left of the beneficiary’s name. Then edit the necessary fields and assign the percentage of your benefit you would like to direct to that beneficiary.
  - To remove a beneficiary, click the “Delete” text to the far right of the beneficiary’s name. If you are enrolled in the Opt-Out Credit, amounts highlighted in Pink will be at no cost to you but will be deducted from the $750 available in the fund. Those highlighted in White, you will have to pay the full cost of the premiums.
**Flexible Spending Accounts**

- The **Flexible Spending Accounts** screen lets you enter the amount you would like to contribute from each paycheck to your Health Care FSA and/or your Dependent Care (Day Care) FSA.

- Enter the per-pay amount you would like directed into either of the two plans.

- Your annual amount will be calculated based on the number of pays you have already elected. If you are enrolled in the Opt-Out Credit, any remaining balance applied to your Health Care FSA will display on the screen.

- If you do not want an FSA, click **Save** to skip this step.

- Click the **Save** arrow to continue to the next step.

**TIP:** Be sure you enroll in the right FSA. If you want only the Health Care FSA, do not enter an amount under the Dependent Care FSA as this premium cannot be reimbursed.

---

**Tax Sheltered Annuity**

- Employees who currently have a TSA can increase or decrease their current deduction. To suspend a current deduction a Salary Reduction Form must be submitted, see Page 29 for instructions. Employees who do not have a TSA must contact an approved agent or company to open a TSA, see Page 29.

- Enter your contribution amount in the appropriate field.

- Click the **Save** arrow to continue to the next step.

Enrollment Complete

- The Enrollment Complete step shows the deductions you chose, the amount of life insurance you elected, your covered dependents (if any), and your beneficiaries.
- Use the Back arrow if you need to make any changes.
- Confirm your elections and print a copy for your records. It is important to keep a copy of this verification as proof of your elections. Set your printer settings to “Landscape” to ensure all data gets printed.
- You can enter the Enrollment System multiple times during Open Enrollment. Your elections become final when the System closes on September 13, 2013 at 4:30 p.m.
- Click the Save arrow to complete the process.

At the close of Open Enrollment, your elections are final and cannot be changed until the next Open Enrollment period unless you experience an IRS qualifying event (see page 8).

Employee’s Responsibilities

You are responsible for:

1. Reading this benefits guide thoroughly and prior to enrolling in benefits.
2. Making informed decisions when you enroll or decline enrollment.
3. Reviewing your paycheck stub when your benefits become effective and verifying that your deductions are for the benefits you elected.
4. Notifying the Risk & Benefits Management department within 60 days of your benefits effective date if the premiums for benefits you elected are not being deducted from your paycheck, or the deduction amounts are not correct.
5. Enrolling only eligible dependents, as described in the “Dependent Eligibility” section on page 5.
6. Notifying the Risk & Benefits Management department within 30 days of the date a covered dependent no longer meets dependent eligibility requirements.

Smart Thinking!

Log into the Employee Portal to Check Your Pay Stub. Check your first pay stub after Open Enrollment to verify that the appropriate premiums are being deducted. If you find a discrepancy, contact Risk & Benefits Management immediately. Remember that the IRS does not allow changes during a plan year, except in the case of a qualifying event (page 8).
Your health and wellness is very important to the School District of Osceola County. The District’s worksite wellness program, called 4 the Health of It!, is designed to help you make small, but meaningful lifestyle changes that add up to big health rewards.

The program’s activities are intended to help you enhance your health and wellness, reduce your risk for certain chronic diseases, and have fun in the process. By applying these 4 simple steps, you can lead a healthier lifestyle and help to prevent chronic diseases.

Recognized by the American Heart Association as a Fit-Friendly Worksite, 4theHealthofit! continues to add programs every year. The following pages highlight many educational and fitness programs as well as on-site testing available to employees throughout the school year. We hope you come join us on your adventure to health!

On-site Flu Shot Clinics

Prevent seasonal flu and get vaccinated! The flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. Some of the most common signs and symptoms of flu include but are not limited to headaches, runny or stuffy nose, fever, muscle or body aches, cough and sore throat. It's important to note that not everyone with flu will have a fever.

The single best way to prevent the flu is to get a flu vaccine each season. That is why 4theHealthofIt! wants to take a proactive approach to help improve its employees’ health by offering every year onsite flu shot clinics.

This year's flu vaccination will begin soon after the flu vaccine is available. However, getting vaccinated even later can be protective, as long as flu viruses are circulating.

Stay tuned to the announcement for our 2014-2015 onsite flu shot clinics schedule.

Health Kiosks

High blood pressure usually has no warning signs or symptoms, so many of us don’t realize we have it. A way to know your blood pressure numbers is to regularly measure it by utilizing the school district health kiosks.

Be proactive with your health and take control over it! Measuring your blood pressure is quick and painless and can help you identify other health problems or one on the horizon.

There are twelve health kiosks located throughout the School District, one at each high school, the District Administration Center, Ross Jeffries Service Center, and all three Transportation Centers. These interactive bilingual health kiosks can help you manage most vital statistics. The kiosks are fully automatic and can measure blood pressure, heart rate, body weight, and body mass index (BMI), in just minutes. You can also upload your glucose and pedometer readings.

Another convenient feature is the ability to use the barcode from your employee badge to record readings and to create a personal and confidential health record with an account at Lifeclinic.com. You can log-on Lifeclinic.com and generate reports to share with physician.

Yoga Wednesdays

Join 4theHealthofIt! for YOGA starting back again on September 10th, 2014! There is no cost for the class, however donations are accepted for the instructor.

This 50-minute class is designed for those new to yoga or those that are interested in a foundational class. Classes include entering, warm-ups, asana/yoga pose practice, relaxation and breathing techniques.

Some of the benefits include but are not limited to strengthening and toning of your body, increase in vitality and flexibility and the creation of a calming effect to help you release stress.

You will be required to transition up and down from the floor and need to bring to class a yoga mat or large towel, water, and comfortable clothing. It is recommended that you don't eat a heavy meal at least two hours before the class.

Where: ALCO Bldg. #4 2320 New Beginnings Road
Time: 4:45 pm To 5:45 pm
Onsite Mammograms

4theHealthofIt! recognized that today's woman is a multitasker. With that in mind, we've partnered with Florida Hospital to make it easier for the women of the District to improve their health by bringing onsite mammograms right to their worksite.

- Screening mammograms will be read by a breast imaging sub-specialized radiologist within two to ten days after your exam.
- If you brought your physician prescription, the report will be delivered to your doctor within two to ten days.
- Whether you brought a prescription or not, you will receive a letter within 30 days of your exam with the results in clear and simple language.
- All reports are available at any Florida Hospital or FRi location after ten days of your exam.
- If a follow-up appointment is needed, please call 407.303.7500, or go online to FloridaHospitalFRi.com, unless instructed differently.

Below you will find the mammogram schedule for the 2014-2015 school year. The Digital Mammogram Mobile will be at each location from 8:00 am to 5:00 pm.

4 the Health of It! Wellness Programs (continued)
& the Employee Assistance Program

Colorectal Cancer Campaign
Did you know that colorectal cancer is the third most common type of cancer in the United States? However, according to the Centers for Disease Control and Prevention (CDC) 60% of colorectal cancer deaths could be prevented if all men and women ages 50 years and older were screened routinely.

In an effort to prevent colorectal cancer, 4theHealthofit! in partnership with Cigna provides a colon cancer screening program for the school district employees that are covered under the school medical benefit plan. Employees ages 50-64, who have not had or are overdue for a colorectal cancer screening, will be offered during the month of March the option to request an at-home screening test called the InSure® Fecal Immunochemical Test (FIT). The InSure® FIT™ is an easy to complete colorectal cancer screening test recommended by the American Cancer Society (ACS).

What are your risks?
- Age – 90% of colorectal cancer cases occur in people ages 50 or older
- Family history of polyps or colon cancer
- A personal history of colon polyps, chronic inflammatory bowel disease or colon cancer
- Lifestyle issues such as tobacco use, obesity and physical inactivity

Don’t take a chance on your health or your life. Getting tested is the most important step you can take to help prevent colorectal cancer.

“Don’t have symptoms.”
**Fact:** Colorectal cancer doesn’t always cause symptoms, especially early on.

“ It doesn’t run in my family.”
**Fact:** Most colorectal cancers occur in people with no family history.

Employee Assistance Program
The SDOC offers you an Employee Assistance Program (EAP) through Aetna Resources for Living. The EAP is a free, confidential service that helps you and your eligible household members balance your personal and professional life. Experienced professionals are ready to provide confidential counseling for a variety of life’s problems, including:
- stress management
- marital and relationship issues
- alcohol and drug abuse
- grief
- eldercare
- financial and legal issues

Your EAP is an important part of your health benefits. Telephone and face-to-face counseling are accessible 24 hours a day by calling 1-800-272-7252. You can also visit Aetna Resources for Living at www.mylifevalues.com.

Going on a leave of absence? You can keep your District benefits while on a District-approved leave.

Paying Premiums
Employees who are granted a Leave of Absence (LOA) may elect to continue coverage through the District. Employees will be responsible for paying the full cost of premiums. This includes Board-Paid Health and Life Insurance, medical dependent coverage, supplemental life insurance, dental, vision, disability insurance, flexible spending account contributions, Accident Insurance and LifeEvents.

An employee on leave must pay their benefit premiums directly to the Risk and Benefits Management office. Premiums are due by the first of every month (with a 10-day grace period). Failure to pay premiums by the end of the grace period will result in termination of benefits.

A Leave at the End of the School Year
Employees who are granted a Leave at the end of the school year will continue to have Board-Paid benefits until September 1st. If an employee has optional benefits (family coverage, dental, vision, disability, life insurance, accident, LifeEvents and Flexible Spending Accounts), August 31st payroll premiums are due in order to continue benefits until September 1st. Employees can either contact your assigned Benefits Specialist to arrange to have the premiums deducted through payroll deduction before the end of the year, or pay the premiums directly to the Risk & Benefits Management office.

A Leave During the School Year
Employees who are granted a Leave during the school year will be responsible for paying all premiums, including the Board-Paid portion, from the date the Leave begins.

Core Facts!
When you skip breakfast, you skip out on nutrients your body needs to fire up your morning. You’re also more likely to overeat at lunch and reach for sugary snacks midmorning. A balanced breakfast can set you up for success. It improves productivity and concentration. And it may even help with weight control.

Fiber and protein together fuel your body so you feel satisfied longer.
Family Medical Leave Act (FMLA)

Eligibility
FMLA requires SDOC to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for certain family and medical reasons. Employees are eligible if they have worked for the District for at least one year, and have worked for 1,250 hours over the previous 12 months. The FMLA permits employees to take leave on an intermittent basis or to work a reduced schedule under certain circumstances.

Your Rights Under FMLA
- 12 weeks maximum duration
- Job protection
- Continuation of Board-Paid benefits. (Employee is responsible for optional benefits including dependent coverage, life insurance, dental, vision, disability insurance and flexible spending account contributions.)

FMLA Approved Circumstances
- Birth of a child
- Adopting a child or becoming a foster parent
- To care for the employee's seriously ill spouse, child or parent
- An employee's serious health condition
- To care for a covered service member who is recovering from a serious illness or injury sustained in the line of active duty.
- Any "qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.

An eligible employee may also take up to 26 workweeks of leave during a “single 12-month period” to care for a covered servicemember with a serious injury or illness, when the employee is the spouse, son, daughter, parent, or next of kin of the servicemember. The “single 12-month period” for military caregiver leave is different from the 12-month period used for other FMLA leave reasons. See Fact Sheets 28F: Qualifying Reasons under the FMLA and 28M: The Military Family Leave Provisions under the FMLA.

Under some circumstances, employees may take FMLA leave on an intermittent or reduced schedule basis. That means an employee may take leave in separate blocks of time or by reducing the time he or she works each day or week for a single qualifying reason. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer’s operations. If FMLA leave is for the birth, adoption, or foster placement of a child, use of intermittent or reduced schedule leave requires the employer’s approval.

Requesting FMLA Leave
An employee should contact their facility secretary or Benefits Specialist when foreseeable within 30 days in advance to obtain an FMLA application. Physician-documented proof (medical certification form) of birth or illness is required for all FMLA-designated leaves. Once FMLA is approved, a letter detailing your rights and responsibilities will be mailed to the employee.

Please note, FMLA is a federally mandated leave. If an employee is absent for three consecutive days due to an eligible FMLA circumstance and meets the criteria for the FMLA, they will be notified in writing by a Benefits Specialist. An application and physician certification will be sent to the employee to complete and return to Risk & Benefits Management.
Important Information About FMLA

- FMLA is an unpaid leave. Employees can choose to use accrued paid vacation or personal leave, which will run concurrent with the FMLA leave.
- FMLA may run concurrent with a worker’s compensation absence when the injury is one that meets the FMLA criteria for a “serious health condition.”
- An eligible employee is entitled to take up to 12 weeks for FMLA leave in a “rolling” calendar year. So, when an employee requests FMLA leave, leave eligibility is determined by counting back 12 months from the date the leave is requested. If you have incurred a leave during the 12 months, your FMLA will be reduced by the time previously used.
- If an employee is receiving a paycheck during the FMLA, their benefit premiums will be deducted from their checks. If the employee does not make the premium payment within 30 days of the missed pay period, the District will terminate the optional benefits. However, an employee can arrange to pay their premiums when they return to work by contacting their Benefits Specialist.
- The District may recover premiums for Board-paid insurance if the employee fails to return to work for 30 days and terminates his/her employment except due to: his/her own serious health condition, circumstances beyond his/her control, denial of restoration due to key employee status.
- If both husband and wife work for the District, FMLA limits the Leave that may be taken to a combined total of 12 workweeks during any 12-month period if the Leave is taken for birth or placement for adoption or foster care. This limitation does not apply to Leave taken:
  - to care for the other spouse who is seriously ill and unable to work.
  - to care for a child with a serious health condition.
  - for his or her own serious illness.
- For Leaves due to serious health conditions, a periodic status report will be required.
- Upon return to work, the employee who was on FMLA due to a personal illness will be required to provide a fitness-for-duty notice from his/her physician. If the fitness-for-duty documentation is not provided, the employee may not return to work.
- Employees on FMLA for maternity may extend the Leave beyond six weeks to the full 12 FMLA weeks.

For questions about FMLA, contact Risk and Benefits Management at 407-870-4899.
COBRA Continuation of Coverage

An employee’s insurance coverage ceases on the last day worked for the School District of Osceola County. The District’s COBRA administrator will mail a written notice to each terminated employee describing the employee’s rights and obligations under COBRA.

Through federal legislation known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), you may choose to continue coverage by paying the full monthly premium cost plus an administrative charge of 2%. Each individual who is covered by an SDOC plan immediately preceding the employee's COBRA event has independent election rights to continue his or her health, dental, and/or vision coverage.

The right to continuation of coverage ends at the earliest when:
• You, your spouse, or dependents become covered under another group health plan; or, you become entitled to Medicare
• You fail to pay the cost of coverage
• Your COBRA Continuation Period expires

Who Can Continue Coverage?
COBRA continuation coverage must be offered to each person who is a “Qualified Beneficiary.” Depending on the type of qualifying event, a qualified beneficiary can be a covered employee, a covered employee’s spouse and/or a covered employee’s dependents who were covered by one of the SDOC Health Plans the day before a qualifying event.

Definition of Qualified Beneficiaries
The following individuals can become qualified beneficiaries under COBRA:
• an employee
• a former employee
• the spouse of any of the above
• the dependent child(ren) of any of the above

COBRA Participants With FSAs
COBRA participants who have a Health Care FSA can elect to continue their FSA, only if their annual contributions exceed the amount that has been reimbursed to them (there is still money in their FSA) at the time they terminate. If there is still money in the account, the COBRA participant would be able to continue their FSA through the end of the calendar year. Contributions would be paid by the FSA participant directly to the FSA administrator. If you do not elect COBRA for your FSA, you may only be reimbursed for expenses incurred prior to your termination date up to the amount you contributed within 60-days of date of termination.

Life Insurance Portability
MetLife’s Group Term Life insurance provides an option to port your coverage after termination or retirement.

What happens to your coverage if you leave your job or retire? You can continue your coverage, at group rates, when the coverage would otherwise end.
• Your coverage maximum amount is generally limited to the amount you had at the time group benefits terminated and may vary, depending on the type of coverage you had.
• The combination of all your MetLife group life insurance and accidental death and dismemberment (AD&D) plans cannot exceed $800,000.
• You can apply for more coverage than you already have if you wish to complete evidence of insurability, which includes a medical history form or a physical exam. This can be ported up to $2,000,000 if the employee chooses to do, with evidence of insurability.

How do you port? At the time of separation you will automatically receive information in the mail from MetLife with your options.

Keep Your Address Current
It’s important to keep the plan administrator and SDOC informed of yours and your qualified beneficiary’s address since all notices are mailed to a home address.

End-of-School-Year Insurance End Dates

The following scenarios explain how benefits are affected when an employee terminates employment at the end of their current contract.

**You will not lose your benefits at the end of the current contract if:**

1. You resign at the end of the current contract. If you would have been reappointed for the coming year, but you know you will not be returning for the new contract year, you can resign your position now and have insurance benefits available to you over the summer. **Nine and Ten Month employees’ benefits will terminate the day before the start of the new contract year.**

2. You would have been reappointed; however, a position is not available due to a reduction in force. **Nine and Ten Month employees’ benefits will terminate the day before the start of the new contract year.**

3. You are granted a Leave of Absence (LOA) for the coming year. Your benefits continue until September 1, 2015. Employees on LOAs then have the option of keeping their benefits during the leave. A letter detailing insurance options will be sent to the LOA employee automatically. Insurance premiums that would have been collected on August 31st will be due from all new Leave of Absence employees who have optional benefits (Spouse, Children or Family coverage on health insurance, any dental, vision, and supplemental life or disability premiums). If you would like to make arrangements to have these premiums taken out of your paycheck before you begin your leave, contact the appropriate Benefit Specialist for your facility by calling 407-870-4899.

4. You retire at the end of your current contract. Your benefits will remain in effect until September 30, 2015; retirees then have the option of keeping their benefits. A letter detailing insurance options will be sent to the retiree automatically. Insurance premiums for August 31st, September 15th and September 30th will be due from all new retirees who have optional benefits (Spouse, Children or Family coverage on health insurance, and dental, vision and supplemental life). If you would like to make arrangements to have these premiums taken out of your paycheck before you retire, contact the appropriate Benefit Specialist for your facility by calling 407-870-4899. Disability insurance ends the last day of work (retirement day).

**Your benefits will terminate immediately if:**

1. You resign your position before the end of your current contract. Your insurance benefits will terminate on your last day.

2. Your employment is terminated by the District (except for RIF employees as noted in 2 above) at the end of your current contract. Your insurance benefits will terminate the day your contract ends as follows:
   - 187 & 188 DAY EMPLOYEES – JUNE 4, 2015
   - 196 & 197 DAY EMPLOYEES – JUNE 5, 2015
   - 217 DAY – JUNE 26, 2015
   - 230 DAY EMPLOYEES – JUNE 22, 2015
   - 11 MONTH “A” EMPLOYEES – JUNE 15, 2015
   - 11 MONTH “B” EMPLOYEES – JUNE 26, 2015
   - 12 MONTH EMPLOYEES – JUNE 30, 2015

If an Action Form is submitted terminating your employment and you later secure a position for the coming year, you are considered a new hire and may be required to work a probationary period in your new position. Your school/worksite will inform you of your employment status. Insurance benefits will remain in effect for all other employees.

- Hospitalization primarily for X-ray, laboratory, diagnostic study, physical therapy, hydrotherapy, medical observation, convalescent or rest cure, or any other medical examination or test not connected with an actual illness or injury.
Annual Notices

This section contains important information about your benefits and rights. Please read the following pages carefully and contact Risk and Benefits Management with any questions you have.

HIPAA Special Enrollment Rights
If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In additional, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, a special enrollment period provision is added to comply with the requirements of the Children's Health Insurance Program Reauthorization Act (CHIPRA) of 2009. If you or a dependent is covered under a Medicaid or CHIP plan and coverage is terminated as a result of the loss of eligibility for Medicaid or CHIP coverage, you may be able to enroll yourself and/or your dependent(s). However, you must enroll within 60 days after the date eligibility is lost. If you or a dependent becomes eligible for premium assistance under an applicable State Medicaid or CHIP plan to purchase coverage under the group health plan, you may be able to enroll yourself and/or your dependent(s). However, you must enroll within 60 days after you or your dependent is determined to be eligible for State premium assistance. Please note that premium assistance is not available in all states.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)
If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askbsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

Women’s Health and Cancer Rights Act of 1998
If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses; and treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.
Section 111 Secondary
Effective January 1, 2009 Group Health Plans are required by the Federal government to comply with Section 111 of the Medicare, Medicaid, and SCHIP Extension of 2007’s new Medicare Secondary Payer regulations. This mandate is designed to assist in establishing financial liability of claim assignments. In other words, it will help to establish who pays first. The mandate requires Group Health Plans to collect additional information such as social security numbers for all enrollees, including dependents aged six months or older. Please be prepared to provide this information during enrollment in the Benefits Enrollment system.

Patient Protection
If the Group Health Plan generally requires the designation of a primary care provider, you have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from the carrier or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For a list of participating health care professionals who specialize in obstetrics or gynecology, or for information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Plan Administrator or refer to the carrier website.

It is your responsibility to ensure that the information provided on your application for coverage is accurate and complete. Any omissions or incorrect statements made by you on your application may invalidate your coverage. The carrier has the right to rescind coverage on the basis of fraud or misrepresentation.

HIPAA Privacy Act Legislation
SDOC and your health insurance carrier(s) are obligated to protect your confidential protected health information that identifies you or could be used to identify you and relates to a physical or mental health condition or the payment of your health care expenses. SDOC and your health insurance carrier(s) are required to notify you and your beneficiaries about our policies and practices to protect the confidentiality of your protected health information. A copy of SDOC privacy policy can be found on http://www.osceola.k12.fl.us/depts/Benefits/Index.aspx, or you may request a copy from Risk & Benefit Management.

Newborn’s Act
Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice to Enrollees in a Self-Funded Nonfederal Governmental Group Health Plan
Group health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. The School Board of Osceola County Health and Life Trust Fund has elected to exempt all medical plans administered by Cigna from the following requirement:

Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution.

The exemption from these Federal requirements will be in effect for the 2014-2015 plan year beginning October 1, 2014 and ending September 30, 2015. The election may be renewed for subsequent plan years.

Questions about this Notice should be directed to the Risk and Benefits Management Department, The School District of Osceola County, FL 817 Bill Beck Blvd., Kissimmee, FL 34744, or by telephone at 407.870.4899.

**Half-Family Status** -- If you and your spouse work for SDOC, are both eligible for benefits and have children, your status is considered “Half-Family.” So, if you choose family coverage under one of the medical plans, only one spouse will have a payroll deduction for medical insurance. Note that this feature does not apply to employees with spouses in other school districts or government offices.

**Job Share** -- Employees classified as Job-Share pay half the Board contribution ($152.70) plus the premium listed based on your choice.

Medical Insurance Opt Out Credit Plan -- If you decline medical coverage, you will receive an annual credit that can be applied towards dependent dental or vision coverage. See premiums outlined below.
