**WELLNESS REWARDS**
- Plan requirements remain the same for 2014. Visit www.palmbeachschools.org/riskmgmt/wellness2 for official rules.
- Plan requirements will change beginning in 2015. More information will be provided in the future.
Prepare now and save $50 per month in medical premiums in 2015
You can save $50 per month in medical premiums beginning January 1, 2015, if you do the following between January 1 and July 31, 2014. If you cannot get all of the steps completed until December 31, 2014, you can still receive $50 per month partial Wellness Rewards beginning with the first eligible premium deduction on or after June 1, 2015.

The program has been expanded to give you and your covered spouse/partner more flexibility to meet the preventive service requirement as well as partial credit. The deadline for completing these actions is December 2014.

1. Complete the confidential online health assessment accessible through www.myuhc.com (you must log in).

2. Complete biometric screenings, which must be processed through Lab Corporation of America (LabCorp) measuring your fasting blood sugar and cholesterol levels (fasting HDL & LDL results).

3. Complete ONE of the following doctor recommended preventive actions:
   a) Preventive physical or
   b) Mammogram (age/gender specific) or
   c) Colonoscopy (age specific) or
   d) Cervical cancer screening/PAP (age/gender specific or
   e) Participate in online or telephonic health coaching (programs may take up to nine weeks to complete) such as:
      i) Healthy pregnancy
      ii) Stress management
      iii) Weight loss
      iv) Asthma
      v) Heart healthy lifestyle
      vi) Diabetes
      vii) Blood pressure

Your covered spouse/partner will also need to complete the Wellness Reward steps in order for the $50 per month discount to apply in 2015.

A $50 per month tobacco surcharge will be added to the medical premium for employees who use tobacco products.*

Log in to: www.palmbeachschools.org/riskmgmt/wellness2 for available resources to help you be tobacco free and save in 2015.

* Based upon self reported information
* Tobacco surcharge applies to tobacco users or employees who fail to provide their tobacco status by the program deadline.

Make sure we have your most current address information in our records. Use the Self Service tool to confirm or update your address information.

Be sure to get familiar with the new look and feel of the Health & Wellness page on www.myuhc.com.

For online Open Enrollment, visit www.palmbeachschools.org.
Click on the Employees tab and Self Service link on the right; then click on Self Service/Benefits/Benefits Enrollment to make your selections.
Important Information

- Benefit elections are irrevocable during the plan year, unless you experience a valid Change in Status (see page 19) and provide written documentation of the event. Approved pre-tax deductions will be made prospectively on the first day of the month after the benefits change form and supporting documentation showing that your request is consistent with, and on account of, the event.

  * Waiving medical coverage requires that an election be made. Otherwise, default enrollment in the Low Option HMO single coverage will be processed.
  * Waiving medical coverage is only an option for those who have medical coverage provided by another employer or an individual plan.

- Flexible Spending Accounts (FSAs) DO NOT continue from one year to the next. You need to make an election each year to have an FSA in the new plan year. Please consult a tax expert for assistance with determining household maximums for FSA accounts.

- The FSA health account has an annual minimum of $300 and an annual maximum of $2,500.

- The FSA dependent care account has an annual minimum of $300 and an annual maximum of $5,000.

- Review eligibility requirements (see page 13).

- Review employee responsibilities (see page 9). Newborns WILL NOT automatically be added to your plan. To enroll a newborn, you will need to make a written request by completing a benefits change form and providing an original birth certification within 60 days of birth.

- Review dependent audit requirements.

- You are responsible for reviewing your paycheck (available online) to make sure the proper plans and charges are reflected.

- Review your personal data such as mailing address and dates of birth for you and your covered dependents. You can update your personal information using the PeopleSoft Self Service tool.

- Verify that complete and accurate information is properly reflected for your dependents.

- Review your plan election information, including any dependents you may have attached to a benefits plan to ensure accurate enrollment.

- Enrollment appeals are granted under very limited circumstances and generally are not permitted in the case of accidentally enrolling in a plan or adding/deleting a dependent in error. It is important that you confirm your elections and entries prior to the end of your enrollment period. Please see page 32 for further information.
Enrollment Information and Deadlines

Wellness Rewards - Know if You Are Receiving the Premium Discount.
The name of our medical plan holds the key to this important information. If you are receiving the Wellness Rewards discount, the medical plan name will end in “Wellness.”

If you are not receiving the discount, only the medical plan name will be displayed.

Paperless Enrollment
This is a paperless enrollment, and you will enroll and confirm your benefits online. It is important for you to carefully review your elections prior to the close of your election period. Once you submit your elections and the enrollment period closes, your choices are irrevocable. We will process all submitted elections.

Log onto www.palmbeacheschools.org and click on the Employees tab. Click on Self Service under Services on the right of the web page. Select Benefits/Benefits Summary.
The system automatically defaults to the day you view the information. To see future benefit effective periods, such as new plan year information elected during Open Enrollment, change the date to 1/1/2014. New hire benefits become effective on the first day of the month after 30 days of employment. Therefore, new employees should enter the 1st day of the month in which benefits become effective.

Appeals
FBMC reviews and makes the final determination for all enrollment appeals based upon established guidelines. All appeal determinations made by FBMC are deemed final.

You are provided an enrollment period to make your elections and during that same period you are expected to confirm that your elections are correct. You have until the last day of your election period to make any updates or corrections to your coverage, including adding or dropping dependents. After the last day of your election period, the coverage you have elected will remain in place throughout the plan year unless you have a valid change in status.

Appeals are granted under very narrow circumstances and generally are not permitted due to accidentally selecting a plan or adding or deleting a dependent.

With that understanding, you may submit written enrollment appeals within 30 days of your enrollment period close date to:
Fringe Benefits Management Company (FBMC)
P.O. Box 1878
Tallahassee, FL 32302-1878

Important Dates to Remember
Your Open Enrollment period of election dates are:
November 4, 2013 - November 22, 2013

Your period of coverage dates are:
January 1, 2014 - December 31, 2014

WageWorks, the FSA administrator, reviews and makes the final determination for a denied Health Care FSA or Dependent Care FSA claim. You will need to provide a written letter that explains why you believe the claim should be approved.
New employees must also declare their tobacco status online through the Self Service/Benefits/Wellness Rewards and Surcharge page.

Newly eligible employees must enroll online within 30 calendar days of their hire or rehire date. Medical plan options are limited to electing coverage in the Low Option HMO plan for a minimum of 12 months OR to waiving medical plan coverage.

If elections are not made within 30 calendar days, enrollment will default to the Low Option HMO single medical plan and basic life insurance. All other coverage options will be waived. These defaulted elections will remain in place for the plan year unless you notify us of a qualified Change in Status event.

Online Enrollment

This is a paperless enrollment.
Prior to the last day of the election period be sure to confirm that your benefit choices are correct and accurate.

Navigate from the Employees tab found on the district’s main web page to the Benefits Summary found at: Self Service/Benefits/BenefitSummary.

Enter 1/1/2014 to view your 2014 benefit elections.

We will process the choices you have made. Anytime you want to view your confirmed elections, be sure to enter 1/1/2014 to view your 2014 benefit elections.

Elections made during the Open Enrollment period are irrevocable and should be reviewed carefully prior to the close of the election period. This is your one opportunity to make the election choices.

While viewing your enrollment choices, please double-check each plan including the coverage level and payroll deduction.

- Plan type: Which medical plan did you choose: High Option HMO, Low Option HMO or CDHP? Which dental plan did you choose: Managed Care or PPO?

- Coverage level: Did you choose coverage for yourself only or did you include your dependent spouse and/or children?

- Dependent section: Are all of the dependents you wish to cover listed? You should confirm that the date of birth and Social Security information has been entered and is correct.

Flexible Spending Accounts (FSAs): Verify which reimbursement FSA you are enrolled in. You cannot transfer funds between FSAs or switch from the Health Care FSA to the Dependent Care FSA.

- Health Care FSA: Medical, dental and vision items for you and your eligible dependents (annual maximum: $2,500).

- Dependent Care FSA: Child day care and elder day care expenses that enable you to work. You cannot use this FSA for your spouse or child’s medical expenses.

- Payroll deduction: In January check to make sure that the payroll deduction matches the plan and coverage level.
Payroll contributions will begin in the effective month of coverage.

Employee Responsibilities

- You are responsible for participating in and completing the online web enrollment process.
- You may do this on your own. Please carefully review your data to make sure that the information in the system is what you have elected.
- You are responsible for thoroughly reviewing your choices during the online enrollment and prior to submitting your elections.
- You are responsible for entering your enrollment data, including your dependents, your dependents’ dates of birth and their Social Security information within the established enrollment time frames.
- You are responsible for maintaining your personal information such as your address.
- You are responsible for providing required documentation to satisfy the eligibility criteria for all enrolled dependents. Otherwise, dependent coverage will be canceled.
- You are responsible for reviewing your paycheck stub when your benefits become effective in order to verify your enrollment and the payroll contributions for the benefits you selected.
- You are responsible for notifying Risk & Benefits Management immediately (within 30 calendar days of the effective date of your benefits) if payroll deductions are taken for elections you have not made or if required contributions are not deducted from your pay.
- You are responsible for participating in the Open Enrollment process.
- You are responsible for notifying Risk & Benefits Management immediately (no later than within 60 calendar days) when a covered dependent no longer meets the eligibility requirements as defined on page 15.
- You are responsible for providing your tobacco status.

The text in this Benefits Reference Guide provides general information and does not contain all of the applicable terms and conditions of the various benefit plans referenced. Refer to the specific plan document for detailed plan benefits, exclusions and limitations. All updates and changes will be made to the online document as deemed necessary. Find the most current information by logging on to www.palmbeachschools.org/riskmgmt/EnrollmentQuickLinks2013.asp and selecting the Flexible Benefits Reference Guide link.
Employee Payroll Contributions
Your portion of the benefits cost will be deducted through payroll deductions over 22 or 24 pay periods, depending on your paycheck schedule. Changes to your paycheck schedule will impact your contribution amounts accordingly. Some plan premiums are based upon your age and/or earnings. Premiums for these plans are also subject to change.

Enrollment of any child(ren) and a domestic partner will be the equivalent of the family rate. The deductions will be reflected as the employee-only pre-tax rate and the balance of the deduction will be taken on an after-tax basis. Domestic partners must be covered in order for their children to be covered.

IMPORTANT NOTE: Employees who receive 26 paychecks will have deductions taken only twice during the months when three checks are issued. Plan costs displayed in this guide may vary slightly from your actual payroll deductions due to rounding.

Coverage Levels
You will be able to purchase medical, dental and vision benefits at the following levels:
1. Employee only
2. Employee + child(ren)
3. Employee + spouse
4. Employee + family
5. Employee + domestic partner
6. Employee + domestic partner + children (partner’s child(ren) and/or employee’s child(ren))*

This provides you with maximum flexibility to custom-build your benefits plan. You may select medical, dental and vision coverage separately. For example, you may need medical coverage for just you but dental coverage for you and your family.

401(a) Dollars
When an eligible employee waives medical coverage, the district will make a deposit of these 401(a) Dollars into a 401(a) Special Retirement Plan in your name.

If you have medical coverage other than a district plan (i.e., under another employer’s plan), you may waive the school district’s medical coverage and receive 401(a) Dollars valued at $100 per month ($50 per month if you are a part time eligible employee). However, once you become eligible for medical insurance as an employee, you are not eligible to be covered as a dependent on a district medical plan by another district employee or to waive medical coverage. Please refer to page 86 for more detailed information and complete the required form.

Enrollment Process

Open Enrollment

During Open Enrollment you may enroll online independently.

You may enroll in or change any benefit(s) during the Open Enrollment period. Thereafter, changes during the year are only allowed if you experience a valid change-in-status event (see page 19 of this guide for more information on permitted mid-plan year election changes). Change-in-status events will be made effective on a prospective (future) basis only. This means when you make a timely request, the effective date will be the first day of the month after we have received all required documents to approve your eligible status change. The only exception to the prospective change rule will be in the event of changes made due to birth or adoption. The effective date will be the actual date of birth or placement/adoption as long as all required documents have been submitted within 60 days of the birth or placement/adoption.

The Enrollment Process

New Hires/Newly Eligible

We are excited to provide our new hires and newly eligible employees with an online process to complete their benefits enrollment. Medical plan enrollment is limited to electing Low Option HMO plan coverage or waiving medical benefits. Enrollment in the Low Option HMO plan requires a minimum of 12 months enrollment.

Online Benefits Enrollment – secure, private and no appointment necessary! Visit www.palmbeachschools.org. Click on the Employees tab; under Services, click on the Self-Service link (you will need your user ID and password in order to enroll).

- Secure, encrypted information
- Convenient – enroll 24/7
- Allows your spouse to participate with you
- Link to FAQs and providers
- Allows online benefits election verification

How to Obtain Your User ID and Password for the PeopleSoft E-Benefits Enrollment System

(NOTE: If you already access PeopleSoft or district email, you can use your current user ID and password to access the PeopleSoft benefits enrollment system).

- Go to the district’s homepage at: www.palmbeachschools.org.
- Click on the password reset information link on the right-hand side of the homepage under Services.
- Complete the requested information. You will be provided your user ID (for new employees, this is also your employee ID) and a temporary password.
- You will be asked to choose another password the first time you log in to PeopleSoft. Be sure you have a pen and paper available to record it for future reference.

To access the online employee Self Service system:

- Click on Benefits
- Then click on Benefits Enrollment

Flexible Spending Account Enrollment
You must re-enroll in flexible spending accounts (FSAs) annually. FSA deductions begin the month in which the FSA becomes effective. If you do not complete the enrollment process, your FSA benefits will not continue for the 2014 plan year.

Returning from Leave of Absence
Returning to work can be exciting and stressful. Within 30 days of your return from a leave of absence, it is critical that you contact Risk & Benefits Management to make elections. You will need to complete a paper enrollment form. At this time, elections due to a return from leave cannot be processed online.

If you fail to complete a benefits change form within 30 calendar days of your return from leave, you will be enrolled in the default Low Option HMO medical plan with employee only coverage. (For additional information regarding your benefits while on leave, please refer to page 24 of this guide).

Employee Eligibility Requirements

Enrollment Eligibility Requirements
We are excited to provide you with online access to complete your initial enrollment, which must be completed within 30 calendar days from your eligibility date. You are provided this time to review your benefits material. Instructions for accessing the online enrollment system can be found on page 8.

Carefully review your enrollment materials and make selections which best meet your insurance needs. Keep in mind that you will be making choices that will remain in effect until the end of the plan year. Elections are considered to be irrevocable and are subject to Internal Revenue Code (IRC) Section 125.

Who Is Eligible?
As an employee of the district you may enroll in the dental and vision programs as an employee OR as an eligible dependent of another employee. You may not enroll in any program as both an employee and a dependent. If you and another family member both work for the district, each of you cannot cover the other family member as a dependent under the medical or life insurance plans. 401(a) Dollars are contributed to a special retirement plan for any employee who waives medical coverage. In order to waive the district medical coverage, your medical coverage cannot be a district-provided plan.

If you and your spouse/domestic partner both work for the district, only one of you may cover your eligible dependent children. District employees cannot be covered as a dependent in another district employee’s medical plan. Each family member is required to enroll independently for the medical plan.

An eligible regular, full-time employee is defined as an employee who is in a paid status and works six or more hours per day (7.5 hours per day for those in the CTA bargaining group). Upon certain qualifying events, a covered employee, spouse and dependents may be eligible for group health plan continuation coverage under COBRA law. Refer to the COBRA section beginning on page 118.

An eligible regular, part time employee is defined as an employee in a paid status and covered by the CTA Bargaining unit working 3.75 hours per day; or, an employee who is in a paid status hired prior to December 31, 2011, and who remains in an active paid part time status working four but less than six hours per day. Any non-CTA employee is ineligible for benefits if hired or rehired into a part time position or transfers from a full-time position into a part time position or life insurance plans.

If you are a newly-hired or rehired employee, your period of coverage begins on the first day of the month following 30 calendar days of continuous employment. Your medical plan election will be limited to the Low Option HMO/Waive option for a minimum of 12 months.

Dependent Eligibility
Dependent Audit Verification
All employees adding any dependent to coverage in the medical, dental and/or vision plans must provide documentation of their dependent’s eligibility. (See page 15 for appropriate documentation.)

• During Open Enrollment you should submit an original government certified document (sufficient to verify eligibility) to a benefits technician in Risk & Benefits Management. Office hours are Monday through Friday, 8:00 a.m. until 4:30 p.m. The document(s) will be reviewed and immediately returned. (Don’t forget to actually enroll your dependent.)

New hires: Use the online enrollment system to make your selections. Mail or bring in original required documents within 30 calendar days of your hire date to be eligible for dependent coverage.

Dependent verification is required to complete your request to add eligible dependents to a plan. You will be required to provide written documentation supporting your relationship and showing that your dependent(s) satisfy the dependent eligibility criteria as outlined below. The supporting documentation will need to be mailed or brought to Risk & Benefits Management within 30 calendar days of your initial eligibility date.

Default Plan Enrollment
Newly eligible employees who fail to make enrollment choices will be automatically processed as being enrolled with employee-only coverage in the Low Option HMO Medical plan and basic term life insurance. All other plan options will be waived for that plan year.

Subject to dependent verification, you may enroll eligible dependents in most plans that you elect to enroll in. However, if you and your eligible dependent are both employed and eligible for benefits through the district, keep in mind that you may only be enrolled in any given product as either an employee or a dependent; but not both. Domestic partner enrollment is limited to medical, dental and vision plans.*

* You may only enroll your registered domestic partner in medical, dental and vision plans - not term life insurance.

District employees are not allowed to cover another district employee as a dependent on the medical or life insurance plans.
Dependent Eligibility
Subject to dependent verification documentation, an eligible dependent includes your legal spouse, domestic partner (subject to additional eligibility criteria) or a dependent child. The term “child” is defined as:

• a child born to or legally adopted by you.
• a stepchild.
• a child of a covered domestic partner.
• a child placed in your home pending adoption.
• a grandchild added as a newborn up to a maximum of 18 months of age. Coverage continuation beyond 18 months of age is not available to grandchildren.

NOTE: If the grandchild’s parent (your child) becomes ineligible, coverage for the grandchild and the grandchild’s parent will terminate at the end of the month in which the eligibility criteria is not met.

The definition of eligible “child” is subject to the following conditions and limitations:

• Dependent child under the age of 26.
• Supporting documentation, such as a birth certificate, will be required for dependent verification.

Coverage for Over Aged Adult Children
(Unmarried 26 - 30 years of age)
A separate enrollment and contribution are required to enroll an unmarried, over aged adult child in the same medical plan you are enrolled in. The eligibility criteria is that the over aged adult child is:

• unmarried and has no dependents of his/her own.
• does not otherwise have other major medical health insurance available (cannot have another option of coverage available).
• lives in Florida or is a student in another state (proof required of residency or student status).
• has continuously been insured (certificate of creditable coverage required).

The application for this type of coverage is available at www.palmbeachschools.org/riskmgmt/Benefits/BenefitForms.asp.

Coverage for Unmarried Handicapped Children
Coverage for an unmarried enrolled dependent child who is incapable of self-sustaining employment because of mental retardation or physical handicap will be covered beyond the specified limiting age, provided that the child was incapacitated prior to attainment of the limiting age and the child is primarily dependent upon you for support and maintenance. We require that you provide documentation from the Social Security Administration indicating that your child has been deemed disabled. Proof must be provided 30 calendar days prior to when your child would no longer meet the eligibility age definition or at the initial time of enrollment.

Benefits technicians are available at the district office in A-103 to verify dependents you are adding to your plans. You - not the benefits technicians - are responsible for your enrollment data.

Be sure to enroll your eligible dependent using the online system and add him or her to each plan. You will need to enter the following required information:

- Dependent’s legal name
- Date of birth
- Social Security number

*Sometimes the documentation required to prove a dependent’s eligibility for coverage can get complicated. EXAMPLE: Usually an original birth certificate is the only documentation needed for a biological child of an employee. This requirement applies when the employee is the biological mother and her maiden name at the time of the child's birth was Mary Jones and that is the name on the birth certificate. But if her name is now Mary Jackson because she changed it when she married Sam Jackson, we would need to see the child's original birth certificate to establish the relationship AND the employee's original marriage certificate to prove she is Mary Jones, the same person listed on the birth certificate.*

Domestic Partnership Benefits
The guidelines for the domestic partnership benefit can be found on this page and are posted on the Risk & Benefits Management page at www.palmbeachschools.org/riskmgmt.

• This is a post-tax benefit.
• Elections may only be made/changed during an Open Enrollment period.
• Residents of Palm Beach, Broward or Miami-Dade County are required to submit a completed domestic partner affidavit and proof of registration and recording as domestic partners through the county they reside in. At the time of publication of this guide, information on how to register could be found at www.pbccountyclerk.com/courtservices/circuitcivil/domesticpartner.htm.
• Non-residents of the tri-county area are required to submit a completed domestic partner affidavit and supporting proof as outlined in the non-resident section of the affidavit.
• All documents must be sent to Risk & Benefits Management.

Open Enrollment: The domestic partner affidavit and any other required documents must be sent by the close of enrollment.

New hires: The domestic partner affidavit and any other required documents must be sent within 30 calendar days of your date of hire.

Domestic Partnership Eligibility
All regular employees who are otherwise eligible for medical benefits are eligible to enroll their domestic partner in the medical, dental and/or vision plans. You may enroll as a new hire or during Open Enrollment only.

Employees and their domestic partners must meet the following requirements in order to enroll in a medical plan:
• Must both be 18 years of age and mentally competent.
• Must not be related by blood in a manner that would bar marriage under the law of the State of Florida.
• Must be considered each other’s sole domestic partner and not married to or partnered with any other spouse, spouse equivalent or domestic partner.
• Must have shared the same regular and permanent residence in a committed relationship for at least one year and intend to do so indefinitely.
• Both parties agree to be jointly responsible for each other’s basic food, shelter and common necessities of life and welfare.
• Neither partner can have had another domestic partner at any time during the 12 months preceding this enrollment.

A signed affidavit attesting to the above will be required by both partners as well as proof that both are financially interdependent and living together. (See page 17 for the required documents.)

Imputed Income
The district subsidizes the actual plan costs, so you only pay the amounts listed on page 38. However, due to IRS regulations, the amount paid by the district will be imputed income and you will be taxed on that amount.

How to Enroll Online for Domestic Partner Benefits
You should enroll in employee only coverage under medical, dental and/or vision, then scroll down to the domestic partner medical, dental and/or vision section to enroll your domestic partner and any children in the after tax plans.

Remember to provide required documents to Risk & Benefits Management to finalize your elections.

Enrollment of any children and a domestic partner will be the equivalent of the family level. The deductions will be reflected as the employee only pre-tax rate. The balance of the deduction will be taken on an after-tax basis.

It is mandatory to provide supporting documentation for enrolled dependents who are being added to the medical, dental and/or vision plans.

Failure to provide documentation will result in no coverage for those dependents.
PALM BEACH COUNTY SCHOOL DISTRICT DOMESTIC PARTNERSHIP ENROLLMENT GUIDELINES

For employees who are residents of Palm Beach, Broward or Miami-Dade County
In order to enroll your domestic partner and your domestic partner’s eligible children in the health, dental and/or vision plans, you must provide the documents from Item 1 and Item 2 below to Risk & Benefits Management at 3370 Forest Hill Blvd., A-103, West Palm Beach, Florida 33406. For the forms and requirements of registration and recording, visit the Palm Beach County Government website at www.pbcountyclerk.com/courtservices/circuitcivil/domesticpartner.htm. (This was correct at the time of publication).

Item 1. Complete, sign and have notarized a domestic partner affidavit that may be downloaded from the benefits forms web page.

Item 2. Provide proof of registration and recording as domestic partners through the county in which you reside.

For employees who reside outside of Palm Beach, Broward or Miami-Dade County
In order to enroll your domestic partner and your domestic partner’s eligible children in the health, dental and/or vision plans, you must complete and send items 1 and 2 plus the additional requirements for group insurance benefits to Risk & Benefits Management at 3370 Forest Hill Blvd., A-103, West Palm Beach, FL 33406.

Item 1. Complete and sign a domestic partner affidavit in the presence of a notary. Non tri-county residents must also provide required proof as outlined in the non-resident portion of this affidavit.

Item 2. Provide proof that you and your domestic partner live together and are financially interdependent by submitting a copy of at least one item from each of the lists below.

Changing Your Coverage

IN THIS SECTION...

- Proactive elections required for pre-tax changes
- Can you make a change?
- How to make a change
- Periods of coverage
- IRS Special Consistency Rules
- Allowable CIS events

Am I Permitted to Make Mid-Plan Year Election Changes?

Under some circumstances, the district’s plan(s) and the IRS may permit you to make a mid-plan year election change on a prospective (future) basis, or vary a salary reduction amount, depending on the qualifying event and requested change. Making a change on a prospective basis means that the district will process all approved mid-year changes on the first day of the month after you have completed a benefits change form and all required documentation supporting your request.

How Do I Make A Change?

Partial lists of permitted and not permitted qualifying events under the district’s plan(s) appear on the following pages. Election changes must be consistent with and on account of the event. The district will, in its sole discretion, review on a uniform and consistent basis the facts and circumstances of each properly completed and timely submitted mid-plan year election change form.

To make a change: Within 60 calendar days of an event that is consistent with one of the events on the following pages, you must complete and submit a benefits change form to Risk & Benefits Management.

You may download the benefits change form directly at www.palmbeachschools.org/riskmgmt. Documentation supporting your election change request is required. Once your request has been reviewed, approved and processed, your existing elections and contribution amount will change (as appropriate). Approved changes will become effective on the first of the month following receipt of the benefits change form and all required documentation. A full premium payment will be due for the period including that date. If your FSA election change request is denied, you will have 30 calendar days from the date you receive the denial to file a written appeal with FBMC. For more information, refer to the “Appeals Process” section on page 31.

What Is My Period of Coverage?

Your period of coverage for incurring expenses is your full plan year, unless you make a permitted mid-plan year election change.

For a Health Care FSA, a mid-plan year election change will result in split periods of coverage, creating more than one period of coverage within a plan year with expenses reimbursed from the appropriate period of coverage. Money from a previous period of coverage can be combined with amounts after a permitted mid-plan year election change.

However, expenses incurred before the permitted election change can only be reimbursed from the amount of the balance present in the Health Care FSA prior to the change. Mid-plan year election changes are approved only if the extenuating circumstances and supporting documentation are within your employer’s Health Care FSA plan and the IRS regulations governing the plan.

Split periods of coverage do not apply to the Dependent Care FSA.

Mid-Plan Year Change Example

An employee is married on September 17 and notifies us on November 10. The notice falls within the 60 day guideline. The effective date of the change and pre-tax deduction for this change would begin on December 1 (the first day of the month following written notification and receipt of required documentation).

Generally, mid-plan year, pre-tax election changes including flexible spending accounts (FSAs) can only be made prospectively, the first day of the month after your election change request has been received by Risk & Benefits Management, unless otherwise provided by law. Retroactive pre-tax deductions are permitted for births and adoptions when the change and documentation are received within 60 days. Best practice is to notify Risk & Benefits Management, in writing, as soon as possible.
What Are the IRS Special Consistency Rules Governing Changes in Status?

1. **Loss of Dependent Eligibility** – If a change in your marital or employment status involves a decrease or cessation of your spouse’s or dependent’s eligibility requirements for coverage due to your divorce, annulment from your spouse, your spouse’s or dependent’s death or a dependent ceasing to satisfy eligibility requirements, you may decrease or cancel coverage only for the individual involved. You cannot decrease or cancel any other individual’s coverage under these circumstances. In most cases a change in plans is not allowed (e.g., HMO to CDHP).

2. **Gain of Coverage Eligibility Under Another Employer’s Plan** – If you, your spouse or your dependent gains eligibility for coverage under another employer’s plan as a result of a change in marital or employment status, you may cease or decrease that individual’s coverage if that individual gains coverage or has coverage increased under the other employer’s plan.

3. **Dependent Care Expenses** – You may change or terminate your Dependent Care FSA election when a Change in Status (CIS) event affects (i) eligibility for coverage under an employer’s plan, or (ii) eligibility of dependent care expenses for the tax exclusion available under IRC § 129.

4. **Group-Term Life Insurance** – For any valid CIS event, you may elect either to increase or decrease these types of coverage, as long as the request is consistent with the qualifying event (i.e., adding spouse life if the event is a marriage).

Benefits While on Leave of Absence

IN THIS SECTION...

• How a leave of absence affects your benefits
• Re-enrollment rules when you return
• When you should initiate a leave of absence request

When Should You Apply for a Leave of Absence

To protect your benefits you should apply for a leave of absence whenever you will be in an unpaid status. While you are using sick and/or vacation time, you do not need to apply for a leave of absence since you are still receiving pay from the district. However, if you miss work as a result of a work-related injury/illness, you should apply for a leave of absence even if you receive workers’ compensation. Keep in mind that your benefits eligibility requires that you work the majority of your duty days. Therefore, anytime you are in an unpaid status, applying for a leave preserves your access to benefits. It’s important for you to notify and keep your supervisor informed of all absences. Failure to report to work for the majority of your duty days could lead to a loss of benefits as well as job abandonment processing.

Employees on leave

Your period of active coverage will end the last day of the month in which:

a) you are physically at work,
b) you are in a paid status using sick or annual days,
c) your approved FMLA leave expires.
d) payments are applied.

However, in most cases, your term life insurance ceases at the end of the month in which you stop being actively at work. Refer to your policy for detailed coverage rules, conversion rights and application deadlines. If you do not pay required contributions while on leave, your coverage will end and you will be required to re-satisfy eligibility requirements when you return to active status, except as otherwise provided by law. If you are on leave for other than your personal illness or maternity, you may not continue income protection.

Within 30 calendar days of beginning an approved unpaid leave of absence, contact:

• Risk & Benefits Management to obtain and submit a benefits change form to make a change to your existing pre-tax elections (except your Health Care FSA), and to arrange to continue certain benefits by paying your contribution amount on an after-tax basis.

Approved medical leave (FMLA) – You may continue your benefits while on approved FMLA status. The district will make its contribution on your behalf for district paid benefits. You will be responsible for your regular contributions. Contact us at 561-434-7478 or 561-434-8668 if you do not receive a monthly billing statement. Coverage will be terminated for non-payment if premium payments are not received within 30 days of the due date.

Non-FMLA leave – In order for your benefits to continue uninterrupted, you must physically return to work in a benefited position and have paid all required contributions prior to the last work day of the month in which your FMLA leave ends.

COBRA continuation would be extended once your FMLA status has been exhausted or once your benefits have been terminated due to being in an unpaid status for any reason including unpaid leave or in an unpaid status for more than 10 working days. You would be eligible to continue your medical, dental and/or vision benefits by electing and paying COBRA premiums. In some cases, you may also be eligible to continue your flexible spending health account through COBRA as well. Please contact WageWorks directly for more information if your FSA is terminated.

Non-CTA part time employees will not be eligible for benefits upon return from leave.

Please also refer to the special rules concerning continuation of term life and/or income protection plans as it relates to leave status. Please refer to page 25 for more information.

You should contact human resources when you need to take time sporadically. You may be eligible for an intermittent FMLA leave.
Benefits While on Leave of Absence

Life/income protection for personal illness – Employees who are enrolled in short-term and/or long-term disability plans and are on a leave of absence due to their own personal illness or maternity will be billed for those plans from the first day of the leave through the date that the disability benefits are expected to begin. The elimination period for these plans are outlined in the disability section of this guide. Failure to pay premiums may result in disability claims being denied. Employees on leave of absence other than for their own illness or maternity are not eligible to continue the short-term or long-term disability plans once they are no longer receiving an income from the district. Premiums for these plans should not appear on any billing statements received.

The reason for your leave also impacts your life insurance coverage. If you were actively at work immediately before your leave of absence, your life benefits will continue through the last day of your approved FMLA leave as long as required premium payments are made.

If you are totally and permanently disabled, you may continue paying premiums for a maximum of 12 weeks from the date you were in a paid status. After 12 weeks, you must either convert to an individual policy or apply for the waiver of premium directly with the life insurance provider. You must apply for a waiver of premium within nine months of the date of disability. During the waiver premium process, no premium payments will be due. You will be given the right to convert your policy if your waiver of premium request is denied. You will have 31 days from the waiver of premium denial date to convert to an individual policy.

Flexible Spending Accounts (FSAs) while on leave
Reimbursement for FSAs are only considered if expenses are incurred during the period you have made contributions. No reimbursement will be made for expenses during an unpaid leave if you fail to continue to make contributions. You may contact WageWorks customer service at 1-855-426-0446 to arrange for the continuation of payment for your Health Care FSA account. You should continue your monthly contribution if you wish to request reimbursement for the period that you are on leave.

Dependent FSA contributions cannot be made while on an unpaid leave of absence.

Other leaves – ineligible to continue life and income protection plans – Unfortunately, employees on leave for reasons other than personal illness or maternity are not eligible to continue group life plans beyond an approved FMLA leave. Coverage for these types of plans will end the later of the last day of the month you are actively at work or the last day of the month of an approved FMLA. Charges for life insurance, short-term and/or long-term disability should not be paid or appear or your billing statements.

Approved non-paid leave – You can continue to receive coverage for certain benefits for the duration of your leave if you choose to elect COBRA continuation. Certain benefits, including short-term and long-term disability, life products and dependent care FSAs cannot be continued while you are on an unpaid leave of absence. Life and disability benefits may only continue if the reason for your unpaid leave is due to your own illness/injury/maternity. You may contact Risk & Benefits Management representatives regarding premiums due for these benefits.

Other benefits impacted by an unpaid leave – We encourage you to contact the insurance providers/administrators if you are enrolled in any group life plans: CIGNA plans, Trustmark plans, and/or a flexible spending health account. They will be able to assist you with understanding how your leave of absence will impact your coverage in these plans. Please contact:
• Trustmark directly at 1-866-636-5525 for information regarding payment of premiums if you had a Trustmark Universal Life, Cancer Protector or Critical Illness policy.
• WageWorks Customer Service at 1-855-426-0446 to apply for continuation of your Health Care FSA on an after-tax basis.
• NEBCO at 1-800-423-1282 for life insurance conversion and/or waiver of premium information and applications.
FSA Leave of Absence (LOA)

Frequently Asked Questions

Q. Can I continue my Health Care FSA while on leave of absence (LOA)?
A. You may keep your account active or you may revoke your election while you are on leave. If you choose to keep your account active, you may continue to pay into your Health Care FSA (HFSA) on a post-tax basis while on LOA. Although you lose the benefit of tax savings, this approach will keep your HFSA period of coverage active and any eligible expenses you incur while on leave may be submitted and reimbursed while you are still on leave.

You may also keep your account active by making arrangements with your employer to adjust your contribution upon your return. Payroll will take the balance of your FSA pledge for the calendar year and divide it by your remaining pay dates, spreading the balance over the rest of your paychecks for the year. Again, any eligible expenses you incur while on leave will be paid. This approach gives you full tax advantage, but you must wait until you return from leave and your employer notifies Fringe Benefits Management Company, a division of WageWorks, that you are active again before you can be reimbursed for expenses incurred.

Q. What happens if I revoke my Health Care FSA while on leave?
A. If you choose to revoke your election while on leave, you will have a break in coverage. Expenses incurred while on leave are not eligible for reimbursement. When you return from leave your account will be reactivated using the same per-payroll contribution amount as prior to taking leave, and your annual pledge will be reduced by the missed payrolls.

Q. How do I continue my Health Care FSA while on LOA?
A. Participants should contact WageWorks customer service at 1-855-426-0446 to set up a personal payment plan for their HFSA. Once you go on leave, make your Health Care FSA contribution payments payable to “The School District of Palm Beach County” and mail to:

WageWorks

CLAIMS ADMINISTRATOR-FBWW
P.O. Box 14326
Lexington, KY 40512
TOLL FREE Fax: 1-855-291-0625
(Please do not send cash.)

Q. What if I don’t want to continue my medical expense FSA when I return from LOA?
A. Because your FSA election is for the entire year, the district will resume taking payroll reductions until the end of the calendar year, unless you have a valid Change in Status event. However, you can always opt out of re-enrolling in a FSA during the next Open Enrollment period.

Q. Can I continue my Dependent Care FSA while on LOA?
A. No. The Dependent Care FSA is used to reimburse participants for work-related child and elder care expenses that enable them to work, look for work or attend school. While you are on leave, you are considered “not actively at work,” and are thus ineligible to participate.

Q. When will my Dependent Care FSA terminate if I go on LOA?
A. It will terminate on the last day of the month in which your leave begins. Employees may re-enroll in the Dependent Care FSA within 30 days of returning from leave.
Ineligible for district-paid benefits – You are not eligible for district-paid benefits when you are in an unpaid status. You should apply for an approved leave of absence in order to continue your benefits. Once you are unpaid for the majority of your duty days in any given month (even if you are not on leave) you are no longer eligible for benefits. If you do not make sufficient payments to continue benefits, coverage will terminate at the end of the month in which you were eligible. District-paid benefits will begin again the first of the month after 30 calendar days of eligible paid employment.

Unpaid status, no approved leave – If you are not in a paid status, your benefits will end at the end of the month in which the unpaid status began. Should you fail to have payroll deductions taken for any period, coverage would be retroactively terminated at the end of the month for which premium payments were last received.

Re-Enrollment Upon Return from Leave
Employees on approved leave during our Open Enrollment period may make changes to their medical, dental or vision plans and flexible spending accounts when they return to active duty. Remember, 401(a) Dollars are not available until the first day of the month after you return to a paid status plus any applicable waiting periods if you did not continue your benefits while on leave. Changes to any other benefits or continuation or reinstatement of any benefits may be made within 30 calendar days of your return to work. If you do not contact Risk & Benefits Management to complete a benefits change form within 30 calendar days of your return to work, you will be enrolled in the default medical plan and other voluntary benefits may be dropped. Benefits that were canceled while on leave (short-term disability, long term disability) will not automatically be reinstated. Please complete a benefits change form within 30 calendar days of your return to re-elect these types of plans.

Non-CTA part time employees who have a break in coverage are not eligible to re-enroll in benefits upon return to active status.

Open Enrollment will only be processed for actively working employees. If you completed enrollment but are not actively at work on the first working day of 2014, your election will not be processed. Contact Risk & Benefits Management at 561-434-7478 or 561-434-8668 within 30 calendar days of your return to work.

If you fail to contact Risk & Benefits Management upon your return from leave, you will be limited to the Low Option HMO employee only medical plan and basic life insurance.

• When to apply for leave of absence?
• The different types of leave and their requirements?
All employees, other than 12-month employees or 216(R), must be in a paid status or on approved FMLA leave for the majority of their duty days in May and June to be eligible for the normal school district contributions toward their June and July insurance benefits. Therefore, if your contract’s last workday is **June 6, 2014**, you must be in a paid or FMLA status through **May 20, 2014** (14 work days).

If you are not in an FMLA and/or paid status for the majority of your duty days in May and June, you will not receive district-paid insurance benefits until October 1 (provided that you return to work on the first duty day in a benefited position in August). The waiting period will apply and your benefits are reinstated the first of the month following 30 days of active employment.

Twelve month employees are required to pay the full premium for any month in which they are not in a paid or FMLA status on the first of that month. If you have any questions, please feel free to contact Risk & Benefits Management at 561-434-8668 (PX 48668) or 561-434-7478 (PX 47478).

Coverage Termination

IN THIS SECTION...

• How termination affects benefits
• Your responsibilities when terminated

Employee Coverage
During the plan year, except as otherwise provided by law and in accordance with your employer’s plan(s), terminating employees are covered as follows:

1. Through the last day of the month:
    a. in which employment ends (all interim positions and 12 month employees are in this category).
    b. in which a leave of absence without pay begins (refer to page 24 under the employees on leave section for more details).
    c. in which suspension without pay begins.
    d. in which you cease being in a benefits eligible position.
    e. for which required employee contributions are made.
    f. in which you do not work the majority of your duty days.
    g. in which you are in an unpaid status without an approved leave.

2. Exceptions:
    a. You qualify for the Family and Medical Leave Act (FMLA). In that case, coverage will end the last day of the month in which eligibility for FMLA ends, as long as required employee contributions are made.
    b. You are a regular, but less than a 12-month employee, and you are in paid status through the last day of your contract period. In this case, coverage ends the last day of the month for which the required employee contributions are made. Exception: Term Life and/or income protection coverage may end as early as June 30 but will not continue beyond the period for which contributions are made.

Change in Status Termination Requests
You are permitted to make changes to your pre-tax benefit elections during the plan year only for legitimate Change in Status (CIS) events. The request may be granted if the life event is “on account of and corresponding with a valid CIS that affects eligibility for coverage.” If you experience a qualifying CIS event, the election changes must be requested and submitted with proper documentation within 60 calendar days of the qualifying event and the change must be consistent with the type of event.

Termination Due to Change in Status
Requests to terminate coverage for you and/or a dependent based upon an approved Change in Status (CIS) event will be terminated effective the last day of the month after receipt of a completed Change in Status form and supporting documents have been received.

NOTE: Change forms received during the summer months will be processed with an effective date of August 31.

Retirement: Your benefits as an active employee end on the last day of the month in which you retire. However, for all employees (with the exception of 12-month employees) who retire at the end of a school year and work through their contract period, -- coverage will end on July 31 of that year. As a retiree of the School District of Palm Beach County, you are eligible to continue your health, dental and vision coverage if you pay the monthly premium in full.

Please Note: Your retirement date must be in a month in which you are covered under the district’s benefits plan in order to continue benefits as a retiree. It you are eligible for Medicare upon retirement, Medicare will become the primary payer on the first month following your retirement date, regardless of your coverage through the district. In order to be eligible to continue the health insurance benefits you have to be retired and receiving monthly payments from FRS. Enrollment in the FRS investment plan may limit your eligibility to continue health benefits upon retirement. Please refer to School Board Policy 6Gx503.79 for more information.
WITHIN 30 DAYS OF YOUR TERMINATION OF EMPLOYMENT, CONTACT:

- Risk & Benefits Management if you have not received information regarding COBRA options or retiree benefits, or to apply for a conversion policy for optional term life coverage.

- Trustmark directly for information regarding payment of premiums if you had a Trustmark Universal Life, Cancer Protector or Critical Illness policy.

- WageWorks customer service at 1-855-426-0446 to apply for COBRA continuation on an after-tax basis of your Health Care FSA.

Termination or change to non-benefited position – If you terminate employment or have a change in your employment status that results in you becoming ineligible for benefits, your coverage will remain in effect until the last day of that month in which the termination or Change in Status occurred.

Termination followed by re-hire within 30 days – If you terminate employment and are re-hired within 30 days or less after termination, we will by default re-enroll you into the benefit plans that were in place prior to the termination (including your Health Care FSA), unless otherwise provided by law. You will have access to the Health Care FSA balance up to the full annual limit for expenses incurred after you return (reduced by prior reimbursement). You may experience a break in coverage and will be subject to new waiting periods.

Termination followed by re-hire after 30 days – If you terminate and are re-hired 30 days or more after termination, you will be permitted to make a new election or enroll into the benefit plan(s) you had prior to termination, except that you will be limited to the low option HMO medical plan. You will experience a break in coverage and will be subject to new waiting periods.

Dependent Coverage
Your dependent's coverage will terminate on:

1) the last day of the month in which they meet the definition of eligible dependent. Maximum age for dependent coverage is 25 years of age. Coverage terminates on the last day of the calendar month in which they turn 26 years old.
2) the date you, the employee, lose coverage.
3) the date they are enrolled in coverage as a district employee.

Exceptions - If your child is disabled and you have provided documentation prior to termination of benefits or you have applied for coverage under the over-aged adult child provision, or COBRA continuation is elected and premium payments are made.

Trustmark Cancer Protector and PremierSelect Critical Illness will cease at the end of the calendar year in which they turn 19 (or age 23) if a full-time student in an accredited school, college or university, and provided they are unmarried and dependent on the participant for support.

Benefits When You Leave the District

IN THIS SECTION...

• How being eligible for Medicare Part B affects you
• How retiring affects benefits
• Your responsibilities when retiring
• How enrolling in COBRA may affect you
• Check out all of your options

Leaving the district can occur for many reasons, such as finding a new job, relocating to a different state, losing a position, reducing hours or deciding to retire. In any case, you will be offered a way to continue the district’s benefits.

Keep in mind that you may have to make decisions regarding what is best for your individual needs as they relate to health insurance.

The cost of continuing coverage will definitely increase and some choices may be affected by your eligibility and enrollment in other types of plans, such as Medicare Part B, or your enrollment for benefits as part of your COBRA rights.

Just be aware that once you leave the district, payment of claims may be affected by coordination rules. We suggest that before you make decisions on how you will continue to be insured, you check out all of your options.

Being eligible for Medicare may significantly change how claims are reimbursed by this plan.

In the same manner, claim payments under this plan may be different if you are eligible for Medicare and elect to continue coverage through COBRA.

We suggest that before you decide to continue the district medical plans, you take the time to read the Medicare information on “Who Pays First” and the specific coordination of benefits section of the medical plan document.

For your convenience, you can find out important Medicare information at www.medicare.gov. Your medical plan documents can be found on the Risk & Benefits web page under employee benefits.

If you are eligible for Medicare upon retirement, Medicare will become the primary payer on the first of the month following your retirement date, regardless of your coverage through the district.

Retiring Employees

Some plans are portable, which means you can continue the same plan at the same premium rates. Other plans may be converted to an individual policy, which may result in plan design changes and an increase in premium rates. Your benefits as an active employee end on the last day of the month in which you retire. However, for all employees (with the exception of 12-month employees) who retire at the end of a school year and work through their contract period — coverage will end on July 31 of that year.

As a retiree of the School District of Palm Beach County, you are eligible to continue your health, dental and vision coverage if you pay the full monthly cost. You should make an appointment to meet with the retiree benefits technician by calling 561-434-8673 to review your options and obtain premium information about one month prior to retirement.

PLEASE NOTE: Your retirement date must be in a month in which you are covered under the district’s benefits plan in order to continue benefits as a retiree. For example, for 12-month employees, benefits are provided for active employees until the end of the month in which you retire, provided you have actually worked during that month. For less than 12-month employees, the same rules apply with the exception that at the end of the school year, if you complete your contract, most benefits will remain in place through the end of July. If you do not physically return to work in August, your benefits ended in July, so your retirement date must be in July. Continuing with this example, if you choose an August retirement date, you will not be eligible to continue benefits as a retiree.

For more information regarding your retiree benefit options, visit www.palmbeachschools.org/riskmgmt/benefits/retireebenefits2012.asp.

Please refer to the Coverage Termination section for further information.

Appeals

Appeals Process Information & Deadlines
It is our goal to process your elections correctly. We need your help to make sure we do so. That is why we ask that you pay careful attention to plan details and dependent information as you enroll.

You have until the close of business on November 22, 2013, to review and confirm your benefit elections online and make any adjustments that may be needed. You should pay close attention and confirm that you are enrolled in the correct plans and that the correct dependents, if applicable, are attached to those benefits.

Enrollment Appeals
After the start of the plan year, Enrollment Appeals are granted under very narrow circumstances as provided by IRS guidance and consistent with district and insurer practices. It is important to note that failure to provide dependent verification information during enrollment, or accidentally electing or dropping a plan, adding or deleting a dependent in error are not errors that will be considered as an appeal and if submitted will be returned to you unprocessed.

If you experience one of the following types of enrollment errors FBMC will review and consider your request:

• Enrolling in a Dependent Flexible Spending Account and you do not have dependents who attend daycare/eldercare.

• Electing dependent coverage but you do not have eligible dependents (i.e. electing employee and spouse coverage, but you are not legally married).

• Other extenuating circumstances related to the enrollment process that would otherwise be deemed outside of your control by the plan or the IRS.

To assure your appeal is handled promptly and with due consideration:

• Include the School District of Palm Beach County as your employer. Include your District Employee I.D. and your email address

• Provide a detailed description of the reason for the appeal

• Include any additional supporting documents, information or comments you think may have a bearing on your appeal

• Submit your appeal as soon as the discrepancy is known to you as many decisions are based upon the number of days that have elapsed since the start of the plan year.

Generally, within 30 business days, FBMC will notify you if additional information is needed and will provide the final determination.

All enrollment appeal decisions are final.

FSA Appeals
To Appeal a Denied Medical FSA or Dependent Care FSA Claim
If you feel your claim was denied in error, you have the right to file an appeal by writing a letter that explains why you believe the claim should be approved. Your appeal may be submitted in writing and mailed to:

WageWorks Claims Appeal Board
P.O. Box 991
Mequon, WI 53092-0991
Fax Number: 1-877-220-3248

• Your appeal must be received within 180 days of the date you receive notice that your claim was denied.

Your ID Card - Your Key to Accessing Care When You Need It
Your benefit plan is an important part of your daily life, even if you don’t need services every day. It protects you and helps you better manage your health. Right now is the perfect time to find out all you can about your coverage before you need it, especially how it works and where to go for care.

Always carry your ID card
Your ID card has key information about you and your coverage. Put your card in your wallet or your pocketbook so you won’t forget it. When you’re at doctors’ offices, drugstores and hospitals, show it to make sure you are not billed unnecessarily. You may also be asked to show a picture ID, such as your driver’s license or another government ID card with a picture on it, so be sure to bring this with you, too.
What Does that Word Mean?

- **Copay**: this is the fixed dollar amount that you will be asked to pay directly to the provider at the time of service for a doctors visit, prescription fill, urgent care trip, etc. For example, the contract for a certain network of doctors may require that patients pay a $30 copay.

- **Deductible**: the amount you need to pay each year before your insurance begins paying coinsurance. Certain benefit design options make you responsible for a percentage of your medical costs after you've reached your “deductible” for the year.

- **Coinsurance**: A percentage of the eligible expenses you are required to pay out-of-pocket (the remaining percentage of eligible expenses are paid by the medical plan).

- **Out-of-pocket Maximum (OOPM)**: the maximum dollar amount on the portion of covered medical expense that you must pay during a benefit period (often a calendar year). When the out-of-pocket maximum is met, you will not have to pay further deductibles, copayments or coinsurance for that plan year.

- **In-network**: coverage for treatment obtained from a contracted or network doctor or hospital and typically provides discounted charges for services.

- **Out-of-network**: coverage for treatment obtained from a non-contracted doctor or hospital and typically requires higher payments.

Understanding the Deductible...

The deductible is the amount you need to pay each year before your insurance begins paying coinsurance. Certain benefit design options make you responsible for a percentage of your medical costs after you've reached your “deductible” for the year.

Remember:

- Some network benefits have an office visit co-pay while other benefits will be subject to the deductible. If there is a copay, meeting the deductible is not required.

- The deductible will apply to all major services such as inpatient hospitalization, outpatient surgery, outpatient diagnostic therapeutic services, ambulance (Please refer to the next slides for more details)

- The in-network and out-of-network deductible and coinsurance are completely separate.

- Deductible and coinsurance accumulate separately by calendar year from January 1st to December 31st

Here's How the Deductible Works...

The in-network deductible is $500, co-insurance is 20% and the out-of-pocket maximum (OOPM) is $6,000.

How they work together:

- Inpatient Hospitalization (network facility): $25,000
- Patient deductible: $500, = balance of $24,500
- Co-insurance of 20% billed until OOPM of $6,000

20% X $24,500 = $4,900; however, OOPM = $6,000 therefore member responsibility = $4,900 + (ded.)

- Plan pays 80% of the bill until the out-of-pocket max is met, then 100%

#### Benefits-at-a-Glance

The Consumer Driven Health Plan (CDHP) with a Health Savings Account puts you in control of your medical spending and gives you the ability to save money in your HSA for future health care needs. The School District of Palm Beach County will fund monthly the following amounts into your HSA account: $60 for Employee Only, $90 for Employee + Children, $90 for Employee + Spouse, and $120 for Employee + Family. This plan gives you the freedom to see any doctor or other health professional from our national network, including specialists, without a referral. With this plan, you will receive the highest level of benefits when you seek care from a network doctor, facility or other health care professional. You may also choose to seek care outside the network without a referral. However, you should know that care received from a non-network doctor, facility or other health care professional means a higher deductible and co-payment.

Start a Savings Plan for Your Health

Congratulations. By enrolling in your company’s high-deductible health plan you may be eligible to open and save in a health savings account (HSA) from Optum BankSM, Member FDIC. Here is some information about how an HSA works and directions for getting started.

What Is an HSA?

Think of an HSA as a savings plan for health care you’ll need today, tomorrow and into the future. It works like a regular bank account, but you don’t pay federal income tax on the money you deposit. When you use your HSA money to pay for qualified medical expenses, you won’t pay income taxes on the money, either. You even build your savings into a nest egg for retirement. Unlike a flexible spending account (FSA), your savings grow from year to year. There’s no “use it or lose it” rule. The money is there when you need it. And it’s yours to keep.

Why Have an HSA?

An HSA simply helps you plan, save and pay for health care.

You own it.
The money belongs to you, even deposits made by others, such as an employer or family member. You keep it, even if you change jobs or health plans.

It has triple tax benefits.

• Money deposited is federal income tax-free.
• Savings grow tax-free.
• Withdrawals made for qualified expenses are also income tax-free.

Anyone can contribute.

You, your employer or a loved one. There are no restrictions on who can put money into your account.

It’s not just for doctor visits.

You can use your HSA to pay for medical needs such as eyeglasses, hearing aids and qualified prescriptions. You can even use your savings to pay for other kinds of health insurance, such as COBRA, long-term care and any health plan coverage you have while receiving unemployment compensation. When you turn 65, you can use HSA savings to pay for any tax-deductible health insurance (except for Medicare supplemental insurance).

You can invest it.

Once your balance reaches the investment threshold, you can begin investing in mutual funds. If you earn money on your investments, you don’t pay income tax on that money, either.

You can save for the future.

By saving in an HSA, you can be ready for expenses due to illness or accident. And, after you turn 65 or become entitled to Medicare benefits, you may withdraw money from your HSA for expenses that are not qualified medical expenses which are subject to standard income taxes, without penalty. Save as much as you can now, and you could possibly have a nest egg when you retire.

With an HSA you can:

Deposit
Deposit your health care dollars.

Grow
Grow your savings.

Save
Save on taxes.

Pay
Pay for health care now or later.

Investments are not FDIC insured, not guaranteed by Optum BankSM and may lose value.
What Else Do You Need to Know About an HSA?

Eligibility rules apply.
To deposit money into an HSA, you must be enrolled in an HSA-eligible health plan. You are eligible if:

- You are covered under an eligible high-deductible health plan (HDHP), such as the District’s Consumer Driven Health Plan (CDHP).
- You are covered by no other health coverage, unless it is permissible coverage like vision or dental.
- You are not enrolled in Medicare. (Any Medicare Enrollment makes you ineligible.)
- You cannot be claimed as a dependent on someone else’s tax return
- You are ineligible to enroll in an FSA plan with the District.

Some other restrictions apply. Please consult your tax, benefits or financial advisor.

If you switch to a health plan that makes you ineligible to continue depositing money in an HSA, you may continue to use the money in your account for qualified medical expenses, but you can no longer make deposits.

Contribution limits are determined every year by the IRS.

For 2014, the maximum deposit limit (employer and employee) is $3,300 if you have individual coverage and $6,550 if you have a family policy. The IRS also allows you to make an extra catch-up deposit of $1,000 in 201 if you are 55 or older.

You can make contributions all the way up to the tax-filing deadline (usually April 15) and still get tax credit for the previous year.

It’s different from a flexible spending account (FSA).

You may have had a health care FSA in the past. With an FSA, all the money you chose to contribute was available to help pay for eligible expenses on the first day of your plan year.

An HSA works differently. Money grows in your HSA as you (and maybe your employer) deposit money into it. You can use your debit card or online bill pay for qualified expenses only if you have enough money in the account to cover the cost.

While you are growing your HSA savings, you may pay for a qualified medical expense out of your pocket. You can reimburse yourself from your HSA later, after you have enough money in your account. Remember, though, that you can only reimburse yourself for qualified expenses you had after you establish your HSA.

Keep your receipts.

Save all your receipts for qualified medical expenses! If the IRS asks, you must be able to prove that you used your HSA money only to pay or reimburse yourself for qualified medical expenses.

Paying with your HSA is easy.

- Use your debit card to pay at the pharmacy, doctor’s office or elsewhere. You can also order extra cards for covered family members.
- Pay your bills for qualified medical expenses online at myuhc.com.
- Pay out of pocket and reimburse yourself. You can do that online or by withdrawing money with your debit card from any ATM with the MasterCard® logo.
- Order Optum Bank checks ($10 for 25).
Getting Started

1. Enroll online.
Sign up through your employer or enroll at welcometouhc.com or myuhc.com®. Check with your supervisor or benefits specialist to learn about your company’s application process.

2. Start saving.
There are several ways to contribute to your account.

   • Payroll deduction: If your employer allows, pre-tax dollars are taken out of your paycheck and deposited into your HSA. It’s the easiest way to build your savings.
   • Electronic deposits: Log in to your account and make a deposit by transferring money from another bank account.
   • Check: Mail a check along with a contribution form, available online.
   • Transfer or roll over funds: If you already have an HSA, you can roll over or transfer funds from that account into your Optum Bank account. Some restrictions apply. Find more information and a rollover/transfer form on our website.

3. Be on the lookout.
If you enroll online you may be able to choose to receive your welcome kit electronically. If you sign up through your employer you will receive your welcome kit in the mail. Within seven to 10 days your HSA Debit MasterCard® and your debit card personal identification number (PIN) will arrive by mail in separate unmarked envelopes for your safety and security.

Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates. Administrative services provided by United HealthCare Services, Inc., or their affiliates.
UnitedHealthcare’s Health4Me mobile app was selected as the Appy Award winner for 2013 in the Healthcare and Fitness category.

The UnitedHealthcare Health4Me™ mobile app makes it easier for members to take greater control of their health by providing millions of UnitedHealthcare members with 24/7 access to a registered nurse and their personal health benefits information, as well as the ability to locate a nearby physician, hospital or other medical facility that participates in the UnitedHealthcare care provider network.

Within the app, members can access myHealthcare Cost Estimator to comparison shop for the most common treatments and procedures based on both quality and cost. The estimates are based on the actual contracted rates with physicians, hospitals, clinics and other health care providers to provide estimated pricing.

Key features include*

- Search for physicians or facilities by location or specialty
- Store favorite physicians and facilities
- View claims
- Have an Easy Connect representative contact you to answer any questions
- View and share health plan ID card information
- Access and update your Personal Health Record
- Check status of deductible and out-of-pocket spending
- Locate nearby convenience clinics, urgent care facilities and emergency rooms
- Complete confidentiality
- Personalize with notes and reminders

*Some features may not be available for all employer plans.

All UnitedHealthcare members can access a cost estimator online tool at myuhc.com. Depending on your specific benefit plan and the ZIP code that is entered, either the myHealthcare Cost Estimator or the Treatment Cost Estimator will be available. A mobile version of myHealthcare Cost Estimator is available in the Health4Me mobile app, and additional ZIP codes and procedures will be added soon. This tool is not intended to be a guarantee of your costs or benefits. Your actual costs and/or benefits may vary. When accessing the tool, please refer to the Terms and Conditions of Use and Why Your Costs May Vary sections for further information regarding cost estimates. Refer to your health plan coverage document for information regarding your specific benefits.

Tips to Make Your Doctor’s Visit Worthwhile

Before your appointment:
1. Make a list of all questions you have for your doctor, nurse or pharmacist.
2. Write down medications you are currently taking, including prescriptions, over-the-counter medicines and herbal supplements.
3. Plan to bring a family member or friend to your visit if you have a hard time remembering what your doctor tells you.

During your appointment:
1. Tell your doctor if a family member has been diagnosed with a serious disease or condition. Also mention if you have or will be traveling outside the country.
2. Ask your doctor at every visit to send any laboratory test to a network facility.
3. Before you leave, make sure you can read and/or understand your doctor’s or pharmacist’s instructions. If you don’t understand, it’s okay to ask them to explain until you understand.

| Doctor’s Office    | You need routine care or treatment for a current health issue. Your primary doctor knows you and your health history. Your doctor can access your medical records, provide preventive and routine care, manage your medications and refer you to a specialist, if necessary.                             | • Routine checkups  
  • Immunizations  
  • Preventive services  
  • Manage your general health                                                                                     | Requires a co-payment.  
  Normally requires an appointment.  
  Little wait time with scheduled appointment.                                                                           |
| Convenience Care Clinic | You can’t get to your doctor’s office, but your condition is not urgent or an emergency. Convenience care clinics are often located in malls or retail stores offering services for minor health conditions. Staffed by nurse practitioners and physician assistants. | • Common infections (e.g., strep throat)  
  • Minor skin conditions (e.g., poison ivy)  
  • Flu shots  
  • Pregnancy tests  
  • Minor cuts  
  • Earaches                                                                                                                       | Requires a co-payment similar to office visit.  
  Walk-in patients welcome with no appointments necessary, but wait times can vary.                                         |
| Urgent Care Center | You may need care quickly, but it is not an emergency, and your primary physician may not be available. Urgent care centers offer treatment for non-life threatening injuries or illnesses. Staffed by qualified doctors.                      | • Sprains  
  • Strains  
  • Minor broken bones (e.g., finger)  
  • Minor infections  
  • High fever  
  • Minor burns                                                                                                                | Requires a co-payment higher than an office visit.  
  Walk in patients welcome, but waiting periods may be longer as patients with more urgent needs will be treated first.       |
| Emergency Room     | You need immediate treatment of a very serious or critical condition. The ER is for the treatment of life-threatening or very serious conditions that require immediate medical attention. Do not ignore an emergency. If a situation seems life threatening, take action. Call 911 or your local emergency number right away. | • Heavy bleeding  
  • Large open wounds  
  • Sudden change in vision  
  • Chest pain  
  • Sudden weakness or trouble talking  
  • Major burns  
  • Spinal injuries  
  • Severe head injury  
  • Difficulty breathing  
  • Major broken bones                                                                                                      | Often requires a much higher co-payment.  
  Open 24/7, but waiting periods may be longer because patients with life-threatening emergencies will be treated first.   |

Know the 4 Ps

1. **Know your procedure.**
   Become educated on your procedure and learn about alternative treatment options that may be more cost-effective.

2. **Know your provider.**
   Where available, select a quality provider through our UnitedHealth Premium® program, which rates doctors based on national industry quality standards and local market cost-efficiency benchmarks.

3. **Know your price.**
   Access personalized resources to easily estimate out-of-pocket costs for your procedure based on your specific health plan.

4. **Know the place.**
   Find a provider based on your geographic search criteria, view maps and print directions.

Take charge of your care with a Care Path.

A *Care Path* is a planned treatment program that may consist of one or more health services that may span any length of time depending on the health condition being treated. Once you establish a *Care Path* on myHealthcare Cost Estimator, you can track your progress from the first consult to the last follow-up.

The choice is yours.

We provide the cost and, where available, quality information on physicians in the specialty you need. But ultimately the choice is yours when it comes to selecting the provider and procedure you think will deliver the quality of care you demand.

Get started in three easy steps.

Start using myHealthcare Cost Estimator today. It’s currently available in over 45 markets, featuring in-depth information on over 100 procedures. More cities and procedures will be added soon. After all, when you take charge, you’ll know more about how to make the most of your health plan.

Make informed decisions

**UnitedHealthcare Prescription Drug List (PDL)**

The PDL includes most brand and generic prescription medications approved by the FDA. Medications are placed on different “tiers” based on our evaluation about their overall value. Tier 1 is the lowest-cost tier option. When selecting a medication, you and your doctor should consult the PDL.

**Specialty medications**

Specialty medications for most plans are managed through our specialty pharmacy program. Take advantage of personalized support designed to help you get the most out of your treatment plan. Our specialty pharmacy program also offers on-call pharmacists available 24 hours a day, information about lower-cost medication options and additional resources. Call the OptumRx Specialty Pharmacy at 888-739-5820 to learn more.

**Want to learn more about specific medications?**

- Log on to myuhc.com and click “Pharmacies and Prescriptions” or “Manage My Prescriptions” to access drug information.

**Save money**

**Look for potential lower-cost alternatives**

Log on to myuhc.com to look for your lowest-cost options. Ask your doctor if a lower-cost alternative medication may be right for you.

**Generic options**

Approximately 75% of brand medications have generic equivalents available. Generics contain the same active ingredients (the chemicals that make a medication work) as brand medications. Generic medications must meet the same FDA brand medication standards.
Using Pharmacy Benefits

Try the OptumRx™ Mail Service Pharmacy – you may save money, and it’s convenient

With the OptumRx Mail Service Pharmacy you’ll get:

**The opportunity to save money and time**

- Depending on your benefit plan, you may save money by having your doctor prescribe a 3-month supply of medication. Your medications are mailed to you with standard shipping at no cost to you.

**Advanced quality checks**

- Your prescription claim history on file is reviewed by a pharmacist to look for drug combinations that may not be appropriate to be taken together.

**24/7 access to pharmacists**

- Call 1-800-788-4863 and speak with a pharmacist

---

**Follow these simple steps**

**Step 1 – Talk to your doctor**

Get the right prescription

Request up to a 3-month supply, with refills for up to one year (if appropriate).

**Step 2 – Pass your information to the mail service pharmacy**

**By fax or electronically:**

- Your doctor can call 1-800-788-4863 for instructions to fax prescription(s) directly to OptumRx Mail Service Pharmacy (NOTE: Faxed prescriptions can only be accepted from your doctor’s office)
- Ask your doctor to send immediately by using ePrescribe

**Online:**

- Log on to myuhc.com
- Click on “Manage my Prescriptions”
- Select “Transfer Prescriptions” and select the medications you would like to transfer to mail service.

**By mail:**

- Ask your doctor for a new prescription for up to a 3-month supply, plus refills for up to one year (if appropriate)
- Go to myuhc.com and download an order form
- Mail the new prescription and order form2 to the address provided.

Note: Most prescriptions arrive within 7 days from the date your completed order is received. If you need your medication right away, ask your doctor to write a prescription for a 1-month supply that can be immediately filled at a participating retail pharmacy.

---

2. The information you supply on the order form is kept confidential in accordance with applicable laws, and the health and allergy information you provide helps the pharmacist check for possible problems with some medications.

We encourage you to obtain preventive care services and health screenings, as appropriate for your age, to help maintain or improve your health and achieve your health and wellness goals. Regular preventive care visits and health screenings may help to identify potential health risks for early diagnosis and treatment, helping you live a healthier life.

UnitedHealthcare plans typically cover preventive services, as specified in the health care reform law, at 100% without charging a copayment, coinsurance or deductible, as long as they are received in the health plan’s network. UnitedHealthcare also covers other routine services, which may require a copayment, coinsurance or deductible. Always refer to your plan documents for your specific coverage.

**Talk to your doctor**
Consult your doctor for your specific preventive health recommendations, as he or she is your most important source of information about your health.

**Summary of preventive care services benefit**
UnitedHealthcare is committed to advancing prevention and early detection of disease. The following is a high-level summary of the services covered under the preventive care services benefit shown by age/gender groups:

**All members**
- Preventive medicine for adults; all standard immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (CDC).

**All members at an appropriate age and/or risk status**
**Screening for:**
- Obesity
- Cholesterol level and lipids
- Colorectal cancer for ages 50+
- Certain sexually transmitted diseases including HIV
- Cardiovascular Disease aspirin use counseling for ages 45+
- High blood pressure
- Diabetes for certain populations
- Tobacco use
- Diet and nutrition
- Alcohol abuse
- Depression

**Women’s health services effective as of 9-23-2010:**
- Screening mammography (film and digital) for all adult women
- Cervical cancer screening including Pap smears
- Genetic counseling for the BRCA breast cancer gene
- Counseling for cancer prevention strategies for women at high risk for breast cancer
- Screening for certain sexually transmitted diseases including HIV for certain populations
- Osteoporosis for certain populations
Women’s health  continued

- Pregnant women for:
  - Iron-deficiency anemia
  - Bacteria in urine
  - Hepatitis B virus
  - Rh incompatibility
  - Counseling to promote and aid with breast feeding

The follow guidelines reflect the expanded Women’s preventive health care services provided under the health reform law.

- Yearly well-women visits
- Sexually transmitted infections counseling
- Contraception methods and counseling
- Domestic violence screening
- Gestational diabetes screening
- HIV screening and counseling
- Human papillomavirus testing (beginning at age 30, and for every 3 years thereafter)
- Breast-feeding support, supplies, including renting or purchase of specified breast feeding equipment from an approved vendor and counseling

Men’s health

Screening:
- Human Papillomavirus for males age 9-26 years
- Abdominal aortic aneurysm for men 65 – 75 years old who have ever smoked

Children:

Services at each of these preventive visits will vary based on age, but will include some of the following:

- Measurement of your child’s head size
- Measurement of length/height and weight
- Screening blood tests, if appropriate
- Providing age appropriate immunizations
- Vision screening
- Hearing screening
- Counseling on oral health
- Psychological and behavioral development assessment
- Counseling on the harmful effects of smoking and illicit use of drugs (for older children and adolescents)
- Counseling for children and their parents on nutrition and exercise
- Screening certain children at high risk for high cholesterol, sexually transmitted diseases, lead poisoning, tuberculosis and more.

As outlined above, many women’s preventive health care services, including mammograms, screenings for cervical cancer, and immunizations, are covered with no cost sharing by UnitedHealthcare for certain health plans.

Please talk with your doctor and make the health care decisions that may be right for you in managing your own health today.

Note that the above screenings are provided with no cost sharing. Medications prescribed to treat a condition are not covered without cost-share under the preventive services benefit.1

To learn more about the preventive care services that may be right for you visit www.uhcpreventivecare.com.

---

1 Preventive services that are covered with no cost share are those services described in the United States Preventive Services Task Force A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) of the CDC, and HRSA Guidelines for women, as well as children, including the American Academy of Pediatrics Bright Futures periodicity guidelines.

2 Certain preventive care services are not currently required to be covered by the health reform law; however, various additional services are covered under UnitedHealthcare’s preventive care services benefit.

The content provided is for informational purposes only, and does not constitute medical advice. Always consult your doctor before making any decisions about medical care. Certain procedures may not be fully covered under some benefit plans. Always refer to your plan documents for specific benefit coverage and limitations or call the toll-free member phone number on the back of your health plan ID card.

UnitedHealthcare Dental®
We’ve given you a reason to smile with a selection of dental plans with exciting new enhancements. UnitedHealthcare Dental is a leading dental provider in Florida, and we are proud to have been selected as your dental carrier. We offer four flexible dental plans, paid through a voluntary, pre-tax benefit. With all of these options, we are sure you will find a plan that meets your dental needs.

You may select UnitedHealthcare dental coverage separately from your medical plan.

Prenatal Dental Care Program
Taking care of your teeth and gums during pregnancy is an important part of a woman’s and her unborn child’s overall good health and well-being. Experts say that disease related to the gums and tooth-support structures (periodontal disease) during pregnancy is linked to an increased risk of pre-term delivery.

That’s why we’ve created a dental program which provides additional in-network preventive dental care coverage for expectant mothers. If you are in your second or third trimester of pregnancy, you are eligible for this program’s benefits as part of your benefit plan.

On your next visit, tell your dentist that you are pregnant. Provide the stage of your pregnancy and due date, and also make sure the dentist notes your attending doctor’s or obstetrician’s name (this must be included on the claim form). All fees and expenses for cleanings, deep scaling (cleaning the teeth deeper down the tooth), debridement (removing dead or infected tissues) and periodontal maintenance will be waived, if your dentist determines you require these procedures.

The Four Options Offered Are:

Managed Care Plans

Option 1 (Plan S500PB) is a pre-paid plan. This plan offers a savings of 30% to 60% on all basic and major dental services. What you will pay the dentist on your visit is listed in your schedule of benefits. With this plan there are no hidden charges. Additionally, you will receive the following features:

- No waiting periods.
- No claim forms to submit.
- No primary dentist selection required.
- Self-referral to specialist dentist for a 25% discount.
- Defined costs on 293 procedure codes.
- Cosmetic procedures (teeth whitening, bonding, and veneers) are included.
- Implant rider coverage.
- 25% discount on all procedure codes not listed.

Option 2 (Plan S700PB) is a pre-paid plan. This plan offers a guaranteed savings of 25% to 50% on basic and major dental services. What you will pay the dentist on your visit is listed in your schedule of benefits. With this plan there are no hidden charges. Additionally, you will receive the following features:

- No waiting periods.
- No claim forms to submit.
- No primary dentist selection required.
- Self-referral to specialist dentist for a 25% discount.
- Defined costs on 293 procedure codes.
- Cosmetic procedures (teeth whitening, bonding, and veneers) are included.
- Implant rider coverage.
- 25% discount on all procedure codes not listed.
Specialty Services for Managed Care Plan (S500PB and S700PB)

- The fees within this overview of services apply when such services are performed by a participating general dentist, unless otherwise authorized by UnitedHealthcare Dental.*
- If services are not listed within the schedule of benefits and are performed by a participating general dentist, fees will be charged at the dentist's usual and customary fee less 25%.
- The participating general dentist you select may not perform all outlined procedures. The co-payments shown apply to general dentists who perform these procedures. Therefore, you are encouraged to secure availability of the scheduled services with your participating general dentist.
- Should the services of a specialist (oral surgeon, endodontist, orthodontist, periodontist, prosthodontist or pedodontist) be necessary, you may receive this care in one of two ways: (1) you may go directly to a participating specialist with no referral and receive a 25% reduction off the provider’s usual and customary fee; or (2) you may obtain prior written authorization by UnitedHealthcare Dental* and receive specialty treatment by an approved participating specialist at the listed co-payments. Please refer to the specialty care referral policy in your member ID packet.

* UnitedHealthcare Dental plans are administered by Dental Benefit Providers, Inc.

Managed Care Plans (S500PB and S700PB) Features:

About fillings
The aforementioned UnitedHealthcare Dental Managed Care programs provide coverage for the following fillings benefits:

- **Amalgam** (silver fillings) (S500PB and S700PB)
  - No co-payments - covered 100%
  - Verify that your treating dentist provides amalgam fillings. If your dentist does not offer amalgam fillings, you will receive a resin (white filling).

- **Composite resin** (white fillings)
  - **S500PB**
    - Anterior Teeth – No co-payment
    - Posterior Teeth – No co-payment
  - **S700PB**
    - Anterior Teeth – No co-payment
    - Posterior Teeth – No co-payment

Please discuss your treatment plan with your dentist prior to the initiation of treatment. If the dentist you selected does not cover the treatment you desire, please check with another dentist within our network. With this plan, you have the ability to select any dentist within the network at any time.

**** Up to three per calendar year -- thereafter discounted rates apply.
Using a Pedodontist
With both Managed Care Plans, Options 1 and 2, you have the choice to select the participating dentist that best satisfies the needs of each individual. Pedodontists are available to children age 16 and under. Pedodontists only treat children, so, you have the option to select a pedodontist for your child or you may choose to have your child see a general dentist. The choice is yours, and UnitedHealthcare Dental allows you to make the best choice for you and your family.

Orthodontics
Both the above managed care plans-S700PB and S500PB-cover orthodontia. These managed care plans allow coverage for both adults and children. Co-payments under S700PB are set at $2,200 for children, $2,250 for adolescents and $2,350 for adults. Co-payments under S500PB are set at $1,600 for children and adolescents; $1,950 for adults. These prices are based on 24 months of orthodontic treatment. Cases that require more than 24 months are subject to additional charges.

PPO Plans
Option 3 (PPO Plan P5215) is a High Option PPO plan that allows you and each covered family member to use the provider of your choice; however, you’ll receive a higher level of coverage when you choose a participating network provider. There is a deductible of $50 per person ($150 per family). There is no deductible for preventive and diagnostic services. This plan has an annual maximum benefit of $1,000 and covers orthodontia for children up to the age of 19. The lifetime orthodontic maximum benefit is $2,000. There is a 12-month waiting period for major services and orthodontic services for new members.**

**Waiting periods will apply for new enrolling members and late entrants.

Option 4 (PPO Plan P5105) is a Low Option PPO plan that allows you and each covered family member to use the provider of your choice; however, you’ll receive a higher level of coverage when you choose a participating network provider. There is a deductible of $50 per person ($150 per family). There is no deductible for preventive and diagnostic services. This plan has an annual maximum benefit of $1,000 but DOES NOT cover orthodontic services. There is a 12-month waiting period for major services for new members.**

**Waiting periods will apply for new enrolling members and late entrants.

Oral Cancer Screening
Coverage for light contrast technology, the latest in oral cancer detection, is available on all our insured PPO plans. Should light contrast detect abnormalities, we also cover the next line of defense, brush biopsy.

Consumer MaxMultiplierSM
Consumer MaxMultiplier is a feature included in your UnitedHealthcare Dental PPO plan* that puts dental care decisions and potential additional funding for claims that exceed the plan maximum in the form of an award balance directly in your hands.

How awards are earned:
• Consumer MaxMultiplier is administered at the member level. This means each member is eligible to earn his or her own awards.
• Members must use their dental benefit at least once per year.
• If the total of all submitted claims paid for a particular member does not exceed the established $500 threshold amount, an award balance** is established.
• Members may qualify for an additional $100 bonus award, if all claims during the year are paid to network providers.
• An award balance is the amount accumulated throughout the benefit period, tracked electronically and correlated with the member’s record.

* (P5215 & P5105)

Using your awards:
The award balance can be used to fund additional claims for dental services when the member exceeds the original benefit period maximum.** Once a new benefit period maximum begins, the award account balance, if any, is carried over to the new benefit period and available for use should the member exceed the plan maximum.

• Award balances cannot be used for orthodontic services.
• Claims for services to be covered or partially covered by an award balance should be submitted as any other dental claim.
• The award balance may be used for non-network claims.

**Funds are not physical. They cannot be accessed or withdrawn by the member. Funds are automatically distributed by UnitedHealthcare Dental when the member utilizes the plan and exceeds the benefit period plan maximum.

Plan Provider: EyeMed Vision Care

An eye examination means more than getting a prescription; it evaluates your eye health and is critical in the early detection of several vision and health-related conditions, including:

- glaucoma
- diabetes
- cataracts
- hypertension

Since early detection is key for treatment, periodic eye examinations play a vital role in ensuring the health of your eyes.

This is why EyeMed providers are dedicated to preserving your vision by making it convenient for you to receive quality eye care.

Eye examinations are also important for the health and safety of children. The American Optometric Association recommends that children receive their first eye examination from an eye care professional as early as six months of age. Afterward, your provider will advise you when to schedule your child's next eye examination.

EyeMed's thousands of provider locations allow you to begin receiving substantial savings on your eye care and eyewear needs at one of many locations nationwide.

Plan Features:

You may choose independent ophthalmologists, optometrists, opticians or the convenience of a retail facility including LensCrafters®, Pearle Vision, Sears Optical and Target Optical locations in your area or throughout the country for:

- eye examinations
- contact lenses
- glasses
- Rx sunglasses
- lens options and accessories or
- LASIK and PRK laser vision correction discounts.

EyeMed Savings vs. Other Vision Care Plans

You will find that your vision care plan delivers greater savings at more provider locations than a coupon or special offer. You may also use your benefit when it's convenient to you, without having to worry about coupon expiration dates or limited time offers.

PLEASE NOTE: Your benefit cannot be combined with any other discounts or promotional offers.

Claim Forms

You do not need to obtain a claim form for the in-network services. Simply inform your provider that you are an EyeMed member when you make your appointment or visit a participating provider location. If you receive an EyeMed Vision Care ID card, you should present this card to identify yourself as an EyeMed member.

Today, with EyeMed, your explanation of benefits (EOB) is provided online. To access your EOB, visit www.eyemedvisioncare.com. If you prefer to continue to receive a paper copy of your EOB, simply log in to the member web to set up your preferences. You may also call the customer care center to update your preferences.

EyeMed Vision Care has many unique online capabilities, including the following:

- Locate the provider nearest you by going to eyemedvisioncare.com and click on “Select” network.
- View your benefits, including service eligibility and the next date of service.
- Printable replacement ID cards.
- Online claims status.
- Ability to “go paperless” and receive explanation of benefits electronically.
- Learn more about the importance of vision care through Vision Wellness content.
- Access the mobile website to locate a provider, view ID cards, benefits and contact EyeMed.

* Standard contact lens fitting - spherical clear contact lenses in conventional wear and planned replacement (Examples include but not limited to disposable, frequent replacement, etc.)
** Premium contact lens fitting - all lens designs, materials and specialty fittings other than standard contact lenses (Examples include: toric, multifocal, etc.)
† LASIK and PRK correction procedures are provided by the U.S. laser network, owned by LCA-Vision. You must first call 1-877-5LASEDR for the nearest facility and to receive authorization for the discount.

Lens Options

You can choose from many different lenses and lens options for your frames at participating EyeMed provider locations. Here are just a few of the lens options you may find at participating provider locations:

- Ultra Violet (UV) protection – UV rays can be generated from the sun or other light sources. With enough exposure to these light rays, there could be an increased risk of cataracts and macular degeneration. UV protection helps to prevent these rays from harming the eye.
- Anti-reflective (AR) coating – This coating reduces the amount of light that reflects off the lenses. These lenses can be particularly helpful for driving at night, when reflections on your lenses may be greater than daylight driving conditions. AR coating also enables people to see your eyes more clearly as opposed to seeing the reflection off your lenses.
- Scratch-resistant coating – When scratches are present on your lenses, they may distort or interfere with your vision. This protective coating is added to the lens surface to protect it from normal scratches as a result of everyday mishaps. It’s a great way to extend the life of your eyewear.
Additional Purchases and Out-of-Pocket Discount

You will receive a 20 percent discount on items not covered by the plan at participating providers, which may not be combined with any other discounts or promotional offer; additionally, the discount does not apply to EyeMed’s providers’ professional services or disposable contact lenses.

Benefits are not provided for services or materials arising from: orthoptic or vision training; subnormal vision aids and any associated supplemental testing; aniseikonic lenses; medical and/or surgical treatment of the eyes; corrective eyewear required by an employer as a condition of employment, and safety eyewear; services provided as a result of workers’ compensation law; plano non-prescription lenses and non-prescription sunglasses (except for the 20 percent EyeMed discount); two pairs of glasses in lieu of bifocals; services or materials provided by any other group benefit providing for vision care. Benefit allowances provide no remaining balance for future use within the same benefit period. Lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next benefit period.

Continued eyewear savings - Your EyeMed benefit also provides for continued savings through our continued eyewear savings plan. After your initial benefits have been utilized, you may receive ongoing discounts on additional eyewear purchases at EyeMed provider locations, which result in discounts up to 40 percent off the retail price of complete pair eyeglass purchases, 20 percent off partial pair purchases, and 15 percent off conventional contact lenses. See your EyeMed provider for details.

To Locate an EyeMed Provider Near You:
Visit the EyeMed website at www.eyemedvisioncare.com and choose “Select” network and enter your zip code to find a provider.

Enrollment of any children and a domestic partner will be the equivalent of the above rates. The deductions will be reflected as the employee-only pre-tax rate and the balance of the deduction will be taken on an after-tax basis.

Customer service representatives are available to answer your questions seven days a week, including evenings. EyeMed offers easy-to-use benefits, with no claim forms to complete for in-network services.

Call EyeMed customer call center at 1-866-723-0514 and choose the “provider locator” automated option or speak to a customer service representative during normal operating hours (Monday-Friday, 7:30 a.m. - 11 p.m.; Sunday, 11 a.m. - 8 p.m. EST).
Replacement Contact Lens by Mail Service

EyeMed

How Does the Program Work?

Three easy steps
EyeMed Vision Care offers replacement contact lenses by mail. This service option is available to all EyeMed Vision Care members!

All EyeMed members have the option to purchase replacement contact lenses for great prices over the Internet, and have them mailed directly to your home!

If you are in need of replacement contact lenses and wish to utilize the convenience of having the lenses mailed to your home, it’s as easy as 1,2,3 . . .

1. Log on to www.eyemedcontacts.com to order replacement lenses. You must have a valid contact lens prescription to order lenses from the site.
2. Enter the name of your vision care provider, type and quantity of lenses you wish to purchase, as well as the requested billing and shipping information. As this service is not part of your core benefit, expenses from the service are not a covered benefit and are not reimbursable.
3. Eyemedcontacts.com will request the specific prescription from your eye care provider. Upon approval from your provider, your lenses will be mailed directly to your home.

Because quality of care is our first priority, this program is for replacement lenses only.

If you have a contact lens allowance with your core benefit, it is not applicable to the replacement lens service. You should always receive a comprehensive contact lens exam and your initial pair of lenses from your EyeMed professional provider to ensure proper fit and follow-up care.

Once you have enrolled in the vision plan, for more details about the program, please visit eyemedvisioncare.com or call our customer care center at 1-866-723-0514.

Can I Submit Expenses from this Service as an Out-of-Network Claim?

Yes. For instance, if you are new to the plan, already have a valid and current contact lens prescription and have an out-of-network contact lens benefit, it may be applied to this service. The member should follow the normal out-of-network claim process to be reimbursed.

Employee Wellness

The School District of Palm Beach County is committed to helping employees adopt a healthy lifestyle and improve their quality of life.

It has been proven that people who are healthy are more productive, more motivated and more satisfied at home and at work. While our focus is to promote the health and well-being of school district staff through education, behavior modification, guidance and support, Employee Wellness also produces good role models for students while supporting high student achievement.

The Employee Wellness Program seeks to establish a workplace that encourages and supports a healthy lifestyle by integrating health promotion activities and resources that help to enhance health & wellbeing.

Our goal is to keep people healthy, reduce the risk factors among at-risk members and improve the health of those who already have chronic conditions by encouraging them to make lifestyle changes. To do this we give employees easy access to the resources needed to make well-informed decisions about their health and health care.

Key Components of Employee Wellness:
Our health promotion efforts are comprised of awareness, educational activities, behavior or lifestyle change programs, and the creation of supportive environments. The following highlight is some of our numerous efforts to give employees the opportunities and information they need to be proactive and address their health & wellness:

- Wellness newsletter & tip sheets
- Health & wellness seminars
- On site health screenings, mammography & immunizations
- Disease & care management
- Online health information & resources
- Healthy Pregnancy Program
- Health & fitness discounts
- Confidential health assessments
- Online & telephonic health coaching
- On site Weight Management & Smoking Cessation Programs
- Employee Assistance Program
- Preventive care campaigns
- Clinical program engagement
- HealthyLiving-Lessons for Life Nurseline
- Wellness Champion Program
- Wellness Rewards
- Stress management strategies
- Community fitness events
- Accessible physical activity & healthy eating options

WELLNESS REWARDS UnitedHealthcare Health Rewards sponsored by the School District of Palm Beach County is an innovative incentive program designed to help you adopt healthy behaviors as a way of life. This reward is a discount on your premium that will be paid by the district and applies only while you are actively working for the district and enrolled in a district medical plan. An employee with single coverage will need to earn 300 points by July 31, 2014, to earn the full $600 dollar discount for the plan year 2015.

The Wellness Rewards program allows you to track your points and progress at www.myuhc.com. You’ll be able to know where you stand and what steps still need to be taken to reap Wellness Rewards for 2015. It’s as easy as 1-2-3! If you and/or a covered spouse/partner complete all three requirements between January 1, 2014 and December 31, 2014, you will save maximum premium dollars in 2015! Completing the program by December 31, 2014 results in discounts beginning June 1, 2015.

The Key to Wellness is You!
We firmly believe that any significant reduction in healthcare costs will depend ultimately on a commitment by our members to make healthier, more educated lifestyle choices, manage their illnesses better and become more knowledgeable about which healthcare services most cost-effectively serve their individual needs. By implementing our Employee Wellness Program, the school district is taking steps to ensure that resources are maximized to provide a strong, healthy and productive workforce. By encouraging staff members to pursue a healthy lifestyle, this, in turn contributes to improved health status, improved morale, and a greater personal commitment to a healthier school environment. To view some of the numerous efforts to give employees the opportunities and information they need to be proactive and to address their health and wellness needs, please visit the employee wellness website at www.palmbeachschools.org/riskmgmt/wellness2/.

Wellness Rewards
Wellness Rewards allows employees and spouses/domestic partners the option to select which health actions they would like to take in order to achieve your 300 points. It's really pretty simple.

Beginning January 1, 2014, the entire calendar year will be the window for employees and their covered spouses/domestic partners to complete the wellness rewards point requirements for the discount ($50 off the monthly contribution) to apply at a specified point in calendar year 2015.

- If the 300/600 points are met by July 31, 2014, the discount will start with the payroll deduction effective on or after January 1, 2015.
- If the 300/600 points are met by December 31, 2014, the discount will start with the payroll deduction effective on or after June 1, 2015.

It’s that simple. You have an entire year to take action and either save a little or save a lot!

Take Action Early
To participate in the Wellness Rewards program, the following CONFIDENTIAL activities must be completed by July 31, 2014 to receive a full year of discounts in 2015. If you complete the activities by December 31, 2014, then you will receive the discount for half of the 2015 plan year.

Your participation will remain confidential and reviewed only by healthcare professionals. The school district will be notified only that you have completed the following steps:

- Online health assessment (at www.myuhc.com)
- Biometric health screenings (at LabCorp)
- Doctor recommended Wellness Action of your choice (select one)
  - Preventive physical (i.e. well woman exam, annual wellness physical)
  - Mammogram (age specific)
  - Colonoscopy (age specific)
  - Cervical cancer screening or PAP smear
  - Participate in one of the 6-9 week online health coaching or telephonic wellness coaching program

Health Assessment
The Health Assessment is an online interactive tool that allows you to assess your lifestyle habits that are directly linked to health status and health care costs. These lifestyle habits include: activity/exercise, alcohol use, back care, driving, eating, exams, self-care, smoking, stress, weight control, and well-being. The results and recommendations from the health assessment provide immediate feedback to help you improve or maintain your health.

It also assesses your risk for some key diseases like heart attack, diabetes, and cancer. Most importantly, your results are completely confidential and created especially for you, based on your answers to basic questions about your health habits. Once you receive the results of your assessment and set personalized wellness goals, you can begin achieving those goals. You’ll feel better about yourself and enjoy the reward of making healthy choices.

How to Complete a Health Assessment
To complete the health assessment, go to www.myuhc.com.

Log in (if not registered click “register now” and enter requested information to create your username and password). Click on “health & wellness.” Click on “take the health assessment.”
Biometric Health Screenings

One of the first steps toward better health is to know your key measures. Biometric screenings include: BMI (Body Mass Index or Height/Weight), fasting total, HDL and LDL cholesterol, fasting blood sugar/glucose, and blood pressure. By knowing your key numbers you can assess your current health status and determine if you are at risk for health problems like heart disease and diabetes. Reviewing results with your doctor can provide personalized follow-up with recommended treatment and wellness tools to improve your health. Please keep in mind that your doctor may request that other recommended tests be done. These tests will be subject to plan level co-pay and deductibles.

How to Complete a Biometric Screening

As part of an annual wellness visit at your doctor’s office, the doctor will measure your height/weight and blood pressure and will send you to a lab for blood work if not taken in their office. Your biometric screening is part of your preventive care benefits, which are covered at 100%. All blood work must be done through a Lab Corporation of America (LabCorp) in order to count toward the Wellness Rewards program.

If you do not have a primary care doctor, go to www.myuhc.com. Click on “find physician, laboratory or facility.” Select “UnitedHealthcare Choice” for providers accepting the High Option HMO and/or Low Option HMO plans. Select “UnitedHealthcare Choice Plus” for the DCHP plan.

Wellness Action (select one)

- **Mammogram** – annually for women starting at age 40, or recommendation
- **Colonoscopy** – every 10 years starting at age 50, recommendation
- **Annual physical/preventive care exam** – includes height, weight, blood pressure
- **Cervical Cancer Screening** – annually for women who are 18 year of age or older
- **Participate in one of the 6-9 week online health coaching or telephonic wellness coaching programs**

For more information about preventive care services that might be right for you visit www.uhpreventivecare.com.

Annual Physical/Preventive Wellness Exam

Seeing your doctor each year to have a wellness check up makes good sense. This is also a requirement to satisfy the requirements of Wellness Rewards. An annual physical/preventive wellness exam also includes an annual well woman exam.

How to Complete the Annual Physical

Schedule an appointment with an in-network doctor. You can find an in-network doctor by visiting www.myuhc.com and logging in with your UHC user name and password. This is not your district log in. A basic annual check up is all that is required at this time. Again, preventive service should be at no co-payment.

Tobacco Use Comes with a Surcharge - Quit to Save Your Health, and $ave Dollars in the Future

Avoid premium surcharges!
You know that tobacco is bad for you. So, why not quit? It's hurting your health, draining your wallet and leaving you behind in a world that’s becoming tobacco-free. We encourage you to take steps to quit and save on premium dollars in the future. Also, think of the added saving you will have when you no longer spend money to buy tobacco products. The potential savings are waiting for you.

How Does it Work?
The School District of Palm Beach County asked that each employee provide us with their tobacco status as of October 1, 2014. The status provided at that time will be used to determine if a surcharge will apply for the entire 2015 plan year. The tobacco status will remain on file. Only those who have a Change in Status will need to update their status throughout the year. Every calendar year you’ll be able to update your tobacco status. Tobacco users (or those who fail to indicate their tobacco status) will have a $50 per month surcharge added to their medical premium. We encourage you to take steps to quit and save in the future. If you are not a tobacco user, you will not have monthly tobacco charges added to your insurance premium payroll deduction. If you start using tobacco products, you must notify Risk & Benefits Management for a classification change.

Flexible Spending Accounts

What is a Flexible Spending Account (FSA)?
An FSA is an IRS tax-favored account that helps you to stretch your health care and dependent care dollars.

FSAs feature:
• IRS-approved reimbursement of eligible expenses tax-free
• Per-pay-period deposits from your pre-tax salary
• Savings on income and Social Security taxes and
• Security of paying anticipated expenses with your FSA.

Is an FSA Right for Me?
If you spend any money on recurring eligible expenses during your plan year, you may save money by paying for them with an FSA. A portion of your salary is deposited into your FSA each pay period.

• You decide the amount you want deposited.
• You are reimbursed for eligible expenses before income and Social Security taxes are deducted.
• You save income and Social Security taxes each time you receive wages.
• Determine your potential savings with a tax savings analysis by visiting the “tax calculators” link at www.wageworks.com/myhcfisa and www.wageworks.com/mydcfsa.

What Types of FSAs Are Available?
Your employer offers you a Health Care FSA as well as a Dependent Care FSA. If you incur both types of expenses during a plan year, you can establish both types of FSAs.

Health Care FSAs
Medical expenses not covered by your insurance plan may be eligible for reimbursement using your Health Care FSA, including:
• breast pumps
• eyeglasses
• orthodontia

Dependent Care FSAs (day care/elder care)
Dependent care expenses, whether for a child or an elder, include any expense that allows you to work, such as:
• Day care services
• In-home care
• Nursery and preschool
• Summer day camps

Refer to the Health Care FSA and Dependent Care FSA sections of this reference guide for specifics on each type of FSA.

FSA Grace Period
An IRS Revenue Notice permits a “grace period” of two months and 15 days following the end of your 2014 plan year (December 31, 2014) for an FSA. This grace period ends on March 15, 2015.

During the grace period, you may incur expenses and submit claims for these expenses. Funds will be automatically deducted from any remaining dollars in your 2014 health care or Dependent Care FSA.

You should not confuse the grace period with the plan’s “run-out period”. The run-out period extends until March 31, 2015. This is a period for filing claims incurred anytime during the 2015 plan year, as well as claims incurred during the grace period mentioned above.

Claims will be processed in the order in which they are received, and your accounts will be debited accordingly. This is true for both paper claims and WageWorks® Health Care Card transactions. If you have funds remaining in an account for the prior plan year, these funds will be used first until exhausted. Then subsequent claims will be debited from your new plan year account balance.

Receiving Reimbursement
Your reimbursement will be processed within five business days from the time your properly completed and signed claim form is received. To avoid delays, follow the instructions for submitting your requests located in the FSA materials you will receive following enrollment.

Direct Deposit
Enroll in direct deposit to expedite the time of your reimbursement.

• FSA reimbursement funds are automatically deposited into your checking or savings account within 48 hours of your claim approval.
• There is no fee for this service.
• You don’t have to wait for postal service delivery of your reimbursement (however, you will receive notification that the claim has been processed).

To apply, visit www.wageworks.com or call WageWorks Customer Service, Mon - Fri, 8 a.m. - 8 p.m. ET at 1-855-428-0446. Please note that processing your FSA direct deposit enrollment may take between four and six weeks.
Where Can I Get Information About FSAs?

• or Call WageWorks

Please note that your account information will not be discussed with others without your verbal or written authorization.

FSA Guidelines:
1. The IRS does not allow you to pay your medical or other insurance premiums through either type of FSA.
2. You cannot transfer money between FSAs or pay a dependent care expense from your healthcare FSA or vice versa.
3. You have a 90-day run-out period (until March 31, 2015) at the end of the plan year for reimbursement of eligible FSA expenses incurred during your period of coverage and any applicable grace period within the 2014 plan year.
4. You may not receive insurance benefits or any other compensation for expenses that are reimbursed through your FSAs.
5. You cannot deduct reimbursed expenses for income tax purposes.
6. You may not be reimbursed for a service that you have not yet received.
7. You may only be reimbursed for expenses incurred while you are actively enrolled and making contributions.
8. Be conservative when estimating your medical and/or dependent care expenses for the 2014 plan year. IRS regulations state that any unused funds that remain in your FSA after a plan year and any applicable grace period ends, and all reimbursable requests have been submitted and processed, cannot be returned to you or carried forward to the next plan year.
9. When enrolling in either or both FSAs, written notice of agreement with the following will be required:
   • I will only use my FSA to pay for IRS-qualified expenses eligible under my employer’s plan, and only for my IRS-eligible dependents and myself.
   • I will exhaust all other sources of reimbursement, including those provided under my employer’s plan(s) before seeking reimbursement from my FSA.
   • I will not seek reimbursement through any additional source.
   • And, I will collect and maintain sufficient documentation to validate the foregoing.

By using an FSA to pay for anticipated recurring expenses, you convert the money you save in taxes to additional spendable income. That’s a potential annual savings of $566.25!

* Based upon a 22.65% tax rate (15% federal and 6.2% Social Security and 1.45% Medicare) calculated on a calendar year.
What Documentation of Expenses Do I Need to Keep?
The IRS requires FSA customers to maintain complete documentation, including keeping copies of statements, invoices or bills for reimbursed expenses, for a minimum of one year. This also applies to WageWorks® Health Care Card transactions as well.

How Do I Get the Forms I Need?
Log on to www.wageworks.com to obtain:

• Claim forms
• A letter of medical need
• Direct deposit form

For more information, refer to the getting answers section of this Reference Guide or call WageWorks Customer Service at -855-426-0446 for further assistance.

Will Contributions Affect My Income Taxes?
Salary reductions made under a cafeteria plan, including contributions to one or both FSAs, will lower your taxable income and taxes. These reductions are one of the money-saving aspects of starting an FSA. Depending on the state, additional state income tax savings or credits may also be available. Your salary reductions will reduce earned income for purposes of the federal Earned Income Tax Credit (EITC).

To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax adviser and/or the IRS for additional information.

What is a Health Care FSA?
A Health Care FSA is an IRS tax-favored account you can use to pay for your eligible medical expenses not covered by your insurance or any other plan. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on the next page.

Whose expenses are eligible?
Your Health Care FSA may be used to reimburse eligible expenses incurred by:
• Yourself
• Your spouse
• Your qualifying child
• Your qualifying relative

An individual is a qualifying child if he or she is not someone else’s qualifying child and:
• is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
• has a specified family-type relationship to you
• lives in your household for more than half of the taxable year
• is 18 years old or younger (25 years, if a full-time student) at the end of the taxable year and
• has not provided more than one-half of their own support during the taxable year.

An individual is a qualifying relative if he or she is a U.S. citizen, national or a resident of the U.S., Mexico or Canada and:
• has a specified family-type relationship to you, is not someone else’s qualifying child and receives more than one-half of his or her support from you during the taxable year; or,
• if no specified family-type relationship to you exists, is a member of and lives in your household (without violating local law) for the entire taxable year and receives more than one-half of his or her support from you during the taxable year.

NOTE: There is no age requirement for a qualifying child if he or she is physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish a healthcare FSA.

Minimum annual deposit: $300
Maximum annual deposit: $2,500*

Visit www.wageworks.com for a list of frequently asked questions (FAQs).
You must keep your documentation for a minimum of one year and submit it upon request.
Can Travel Expenses for Medical Care Be Reimbursed?
Travel expenses primarily for, and essential to, receiving medical care, including health care provider and pharmacy visits, may be reimbursable through your Health Care FSA. With proper substantiation, eligible expenses can include:

• actual round-trip mileage
• parking fees
• tolls
• transportation to another city

Are Prescriptions Eligible for Reimbursement?
Yes, most filled prescriptions are eligible for Health Care FSA reimbursement, as long as you properly substantiate the expense. Proper submission of the reimbursement request is needed to ensure that the drug is eligible for reimbursement. The IRS requires that the complete name of all medicines and drugs be obtained and documented on pharmacy invoices (including prescription number, date(s) of service and total dollar amount). This information must be included when submitting your request for reimbursement.

Over-the-Counter Reimbursement Rules
Under the Patient Protection and Affordable Care Act (PPACA) Over-the-Counter (OTC) drugs and medicines require a prescription from a doctor to qualify for reimbursement. For example, this includes such items as digestive aids, allergy and sinus drugs, pain relief, cold medicines, cough medicines, laxatives, motion sickness and stomach remedies, sleep aids, cold sore, anti-diarrheal and anti-gas meds, anti-itch items, baby rash creams, insect bite treatments, respiratory treatments and anti-infective medications.

Be sure to review your enrollment materials carefully and check www.wageworks.com regularly for updates.

Partial List of Medically Necessary Eligible Expenses*

- Acupuncture
- Ambulance service
- Birth control pills and devices
- Breast pumps
- Chiropractic care
- Contact lenses (corrective)
- Dental fees
- Diagnostic tests/health screening
- Doctor fees
- Drug addiction/alcoholism treatment
- Drugs
- Experimental medical treatment
- Eyeglasses
- Guide dogs
- Hearing aids and exams
- In vitro fertilization
- Injections and vaccinations
- Nursing services
- Optometrist fees
- Orthodontic treatment
- Prescription drugs to alleviate nicotine withdrawal symptoms
- Smoking cessation programs/treatments
- Surgery
- Transportation for medical care
- Weight-loss programs/meetings
- Wheelchairs
- X-rays

NOTE: Budget conservatively. No reimbursement or refund of Health Care FSA funds is available for services that do not occur within your plan year and grace period.

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year. Certain other substantiation requirements and restrictions may apply and will be supplied to you following enrollment.
Is Orthodontic Treatment Reimbursable?
Orthodontic treatment designed to treat a specific medical condition is reimbursable through your Health Care FSA if the proper documentation is provided:

- a written statement, bill or invoice from the treating dentist/orthodontist showing the type and date the service was incurred, the name of the eligible individual receiving the service, the cost for the service and
- a copy of the patient’s contract with the dentist/orthodontist for the orthodontia treatment (only required if a participant requests reimbursement for the total program cost spread over a period of time).

Reimbursement of the full or initial payment amount may only occur during the plan year in which the braces are first installed. For reimbursement options available under your employer’s plan, including care that extends beyond one or more plan years, refer to the information provided following your enrollment, or call WageWorks customer service at 1-855-426-0446.

When Are My Funds Available?
Once you sign up for a Health Care FSA and decide how much to contribute, the maximum annual amount of reimbursement for eligible health care expenses will be available throughout your period of coverage.

Since you don’t have to wait for the cash to accumulate in your account, you can use it to pay for your eligible health care expenses at the start of your deductions.

Should I Claim My Expenses on IRS Form 1040?
With a Health Care FSA, the money you set aside for health care expenses is deducted from your salary before taxes. It is always tax-free, regardless of the amount. By enrolling in a Health Care FSA, you guarantee your savings.

Itemizing your health care expenses on your IRS form 1040 may give you a different tax advantage, depending on their percentage of your adjusted gross income. You should consult a tax professional to determine the avenue that is right for you.

Are Some Expenses Ineligible?
Expenses not eligible for reimbursement through your Health Care FSA include:

- insurance premiums
- vision warranties and service contracts and
- cosmetic surgery not deemed medically necessary to alleviate, mitigate or prevent a medical condition. Limitation and exclusions apply for over-the-counter medications.

When Do I Request Reimbursement?
You may use your Health Care FSA to reimburse eligible expenses after you have sought (and exhausted) all means of reimbursement provided by your employer and any other appropriate resource. Also keep in mind that some eligible expenses are reimbursable on the date available, not the date ordered.

How Do I Request Reimbursement?
Requesting reimbursement from your Health Care FSA is easy. Simply fax or mail a correctly completed claim form along with the following:

- an invoice or bill from your health care provider listing the date you received the service, the cost of the service, the specific type of service and the person for whom the service was provided or
- an explanation of benefits (EOB)* from your health insurance provider that shows the specific type of service you received, the date and cost of the service and any uninsured portion of the cost; and
- a written statement from your health care provider indicating the service was medically necessary if those services could be deemed cosmetic in nature, accompanied by the invoice or bill for the service.

Please note that canceled checks or credit card receipts (or copies) listing the cost of eligible expenses are not valid documentation for Health Care FSA reimbursement.

Fax TOLL-FREE to: 1-855-291-0625
Mail to: WageWorks
Claims Administrator-FBWW
P.O. Box 14326

- How to request reimbursement?
What Is the WageWorks® Health Care Card?
The WageWorks® Health Care Card is a stored-value card. It is a convenient medical expense FSA reimbursement option that allows electronic reimbursement of eligible expenses under your employer's plan and IRS guidelines. Your annual Health Care FSA contribution is available to you at the beginning of your plan year.

When you use the WageWorks® Health Care Card to pay for eligible expenses, funds are electronically deducted from your Health Care FSA. The WageWorks® Health Care Card is a convenient way to access your Health Care FSA funds; however, the IRS still requires substantiation of service. Please keep this in mind as you seek services and use the WageWorks® Health Care Card. Always request that your service provider give you a detailed statement of service. You will be notified of any reimbursement requiring that you submit a claim and documentation to satisfy the IRS requirement.

When Do I Send in Documentation for a WageWorks® Health Care Card Expense?
You must send in documentation for certain WageWorks® Health Care Card transactions, such as those that are not a known office visit or prescription co-payments (as outlined in your health plan's schedule of benefits). When requested, you must send in documentation for these transactions. Documentation for an WageWorks® Health Care Card expense is a statement or bill showing:

- name of the patient
- name of the service provider
- date of service
- type of service (including prescription name) and
- total amount of service.

NOTE: This documentation must be sent with a properly completed claim form and cannot be processed without it. Like all other FSA documentation, you must keep the WageWorks® Health Care Card expense documentation for a minimum of one year and submit it when requested.

What Agreement Am I Making When I Use the WageWorks® Health Care Card?
By using the WageWorks® Health Care Card, you are agreeing to the “FSA Guidelines” portion of this Reference Guide on page 71.

What Are the WageWorks® Health Care Card Advantages?
- instant reimbursements for health care expenses, including prescriptions, co-payments and mail-order prescription services
- instant approval of some medical, vision and dental expenses (others require documentation)
- no out-of-pocket expense and
- easy access to your Health Care FSA funds.

NOTE: You cannot use the WageWorks® Health Care Card for cosmetic dental expenses or eyeglass warranties.

How Do I Get a WageWorks® Health Care Card?
You will automatically receive the WageWorks® Health Care Card. Two cards will be sent to you in the mail: one for you, and one for your spouse or eligible dependent. You should keep your cards to use each plan year until their expiration date. You will have to activate your card. There are no fees for using the card!

How Do I Use the WageWorks® Health Care Card?
For eligible expenses, simply swipe the WageWorks® Health Care Card like you would with any other credit card at your health care provider or at an IIAS certified merchant. Whether at your health care provider or drugstore, the amount of your eligible expenses will be automatically deducted from your Health Care FSA. To locate an IIAS certified merchant near you, see the IIAS FAQs at www.wageworks.com.

What Happens If I Have Money Left in My Account at the End of the Plan Year?
As long as you submit a paper claim form, the funds left in your account from the prior plan year will be used first until the account has been exhausted — through March 15, 2015, which is the grace period allowed by the IRS. Then subsequent claims will be debited from your new plan year account balance. For more information on the grace period, see page 71.
I Used the WageWorks® Health Care Card at the Doctor’s Office. Now What?

No documentation is required if you only paid an established copayment. For all other expenses, be prepared to submit legible copy of a statement, bill or invoice must be included with your online claim with the following information:

1. the date service(s) was received
2. the name of the person(s) for whom the service(s) was provided
3. the type of service(s) rendered
4. the name and address of the provider and
5. the cost of the service(s).

We’ve made it easy for you to send in confirmation for your WageWorks® Health Care Card purchases. Simply complete the online claim form at www.wageworks.com with your detailed invoice. You can check the status of your WageWorks® Health Care Card transactions online.

• Example of an eligible payment card expense that does not require documentation: $25 co-pay for medical office visit.
• Example of an eligible payment card expense that does require documentation: purchase eyeglasses from Lens Crafters.

Example of eligible reimbursable expense: 10% co-insurance for outpatient surgery.
Dependent Care FSA

• How to request reimbursement

What Is a Dependent Care FSA?
A Dependent Care FSA is an IRS tax-favored account you can use to pay for your eligible dependent day care expenses to ensure your dependents (child or elder) are taken care of while you and your spouse (if married) are working. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on the next page.

Whose Expenses Are Eligible?
You may use your Dependent Care FSA to receive reimbursement for eligible dependent day care expenses for qualifying individuals.

A qualifying individual includes a qualifying child, if he or she:
• is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
• has a specified family-type relationship to you
• lives in your household for more than half of the taxable year.
• is 12 years old or younger and
• has not provided more than one-half of his or her own support during the taxable year.

A qualifying individual includes your spouse, if he or she:
• is physically and/or mentally incapable of self-care
• lives in your household for more than half of the taxable year and
• spends at least eight hours per day in your home.

A qualifying individual includes your qualifying relative, if he or she:
• is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
• is physically and/or mentally incapable of self-care
• is not someone else’s qualifying child
• lives in your household for more than half of the taxable year
• spends at least eight hours per day in your home and
• receives more than one-half of his or her support from you during the taxable year.

NOTE: Only the custodial parent of divorced or legally-separated parents can be reimbursed using the Dependent Care FSA.

What Is My Maximum Annual Deposit?
• If you are married and filing separately, your maximum annual deposit is $2,500.
• If you are single and head of household, your maximum annual deposit is $5,000.
• If you are married and filing jointly, your maximum annual deposit is $5,000.
• If either you or your spouse earn less than $5,000 a year, your maximum annual deposit is equal to the lower of the two incomes.
• If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is $3,000 a year for one dependent and $5,000 a year for two or more dependents.

MINIMUM ANNUAL DEPOSIT:
$300
MAXIMUM ANNUAL DEPOSIT:
The maximum contribution depends on your tax filing status as the list on this page indicates.
Dependent Care FSA

Partial List of Eligible Expenses*
- Before/after school care
- Baby-sitting fees
- Day care services (childcare/elder care)
- Elder care services
- In-home care/au pair services
- Nursery and preschool
- Summer day camps

* Budget conservatively. No reimbursement or refund of Dependent Care FSA funds is available for services that do not occur within your plan year. IRS-qualified expenses are subject to federal regulatory change at any time during a tax year. Certain other substantiation requirements and restrictions may apply and will be supplied to you following enrollment.

When Are My Funds Available?
Once you sign up for a Dependent Care FSA and decide how much to contribute, the funds available to you depend on the actual funds in your account. Unlike a Health Care FSA, the entire maximum annual amount is not available during the plan year, but rather after your payroll deductions are received.

Should I Claim Tax Credits or Exclusions?
Since money set aside in your Dependent Care FSA is always tax-free, you guarantee savings by paying for your eligible expenses through your IRS tax-favored account. Depending on the amount of income taxes you are required to pay, participation in a Dependent Care FSA may produce a greater tax benefit than claiming tax credits or exclusions alone.

Remember, you cannot use the dependent care tax credit if you are married and filing separately. Further, any dependent care expenses reimbursed through your Dependent Care FSA cannot be filed for the dependent care tax credit, and vice versa.

To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax adviser and/or the IRS for additional information. You may also visit www.myFBMC.com to complete a tax savings analysis.

Are Some Expenses Ineligible?
Expenses not eligible for reimbursement through your Dependent Care FSA include:
- books and supplies
- child support payments or child care if you are a non-custodial parent
- health care or educational tuition costs and
- services provided by your dependent, your spouse’s dependent or your child who is under age 19.

Will I Need to Keep Any Additional Documentation?
To claim the income exclusion for dependent care expenses on IRS form 2441 (child and dependent care expenses), you must be able to identify your dependent care provider. If your dependent care is provided by an individual, you will need their Social Security number for identification, unless he or she is a resident or non-resident alien who does not have a Social Security number. If your dependent care is provided by an establishment, you will need its Taxpayer Identification Number (TIN).

If you are unable to obtain a dependent care provider’s information, you must compose a written statement that explains the circumstances and states that you made a serious and earnest effort to get the information. This statement must accompany your IRS form 2441.

When Do I Request Reimbursement?
You can request reimbursement from your Dependent Care FSA as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Also, remember that for timely processing of your reimbursement, your payroll contributions must be current.

Be certain you obtain and submit all needed information when requesting reimbursement from your Dependent Care FSA. This information is required with each request for reimbursement.
A properly completed request will help speed along the process of your reimbursement, allowing you to receive your check or direct deposit promptly.
How Do I Request Reimbursement?

Requesting reimbursement from your Dependent Care FSA is easy. Simply fax or mail a correctly completed claim form along with documentation showing the following:

- the name, age and grade of the dependent receiving the service;
- the cost of the service
- the name and address of the provider and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your Dependent Care FSA. This information is required with each request for reimbursement. Canceled checks or credit card receipts (or copies) listing the cost of eligible expenses are not valid documentation for Dependent Care FSA reimbursement.

NOTE: If you elect to participate in the Dependent Care FSA or if you file for the Dependent Care Tax Credit, you must attach IRS form 2441, reflecting the information above, to your 1040 income tax return. Failure to do this may result in the IRS denying your pre-tax exclusion.

DID YOU READ ABOUT...

- Whose expenses are eligible?
- The maximum annual deposit?
- How to request reimbursement?
To figure out how much to deposit in your FSA, refer to the following worksheets. Calculate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed established IRS and plan limits. (Refer to the individual FSA descriptions in this Reference Guide for limits.)

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you or carried forward to the next plan year.

Special Retirement Plan

What Is the Special Retirement Plan?
This special retirement plan is for those employees who are eligible for medical insurance through the district, but because they have other medical insurance, waive their medical coverage. Instead these employees receive 401(a) dollars which are deposited into the Bencor special retirement plan. This plan is a tax-deferred retirement plan, in which you may direct where funds are deposited by choosing from investment options.

The BENCOR 401(a) Special Retirement Plan is tax-qualified under Internal Revenue Code Section 401(a). BENCOR Administrative Services provides a full range of administrative services to the BENCOR 401(a) Special Retirement Plan and its participants.

Plan Provider: BENCOR
A 401(a) special retirement plan is a benefit option you have as you create your benefits package. Only 401(a) Dollars can be deposited into this account. See page 10 for information on 401(a) Dollars.

How Does It Work?
If you elected to participate in this tax-advantaged plan, the district will make monthly contributions on your behalf. All contributions to the BENCOR Plan are made on a pre-tax basis. You will never pay Social Security or Medicare taxes on plan contributions. Income taxes are deferred until withdrawals are made.

Contributions are allocated to an individual account in your name and initially deposited in a guaranteed or fixed account. You will be able to direct how the money is invested from a menu of 17 different funds with a wide range of investment objectives. You also have the ability to change the investment choices. You may change your investment options online at www.bencorplans.com.

When you retire or otherwise terminate employment with the district, your accumulated account balance may remain in the plan or be distributed to you in a lump sum cash payment or transferred to an IRA or another retirement plan. You pay income taxes only when you receive a cash distribution. No taxes are imposed when the contributions are made or until earnings are actually paid to you. Thus, the BENCOR Plan offers you an excellent tax deferral opportunity.

How Much Money Can I Contribute?
The district will contribute 100 percent of the value of your 401(a) Dollars into this plan. Unfortunately, no other dollars can be used to fund this 401(a) special retirement plan.

Am I Eligible for 401(a) Dollars and Medical Coverage as a Dependent?
If you have medical coverage other than a district plan (i.e. under another employer’s plan or a retirement plan), you may waive the school district’s coverage and receive $100 401(a) Dollars per month ($50 per month if you are a part time eligible employee). However, you are not eligible for the 401(a) Dollars if you are covered as a dependent by another district employee.
Special Retirement Plan

How Do I Access My Account?
Go to www.benecorplans.com, click on Participant Log On, then select the Get Started box and follow the prompts to create your personalized user ID and password.

Be sure to designate your beneficiary and select your investment options online at www.benecorplans.com

When Do I Receive Statements?
Statements are sent semi-annually. You may enroll in e-statements online to save time, paper and ink.

Plan Provider: Hartford Life and Accident Insurance Company

Your greatest asset is your ability to earn a living. What if you lost your ability to work? You may be eligible to replace a portion of your income if you become disabled due to a covered accident or illness.

You may select the Short-Term Disability plan (STD) or Long-Term Disability plan (LTD), or both. These benefits work in conjunction with and not in addition to sick leave. Premiums are based on your age and salary and will be updated as your salary changes.

Eligibility

The Voluntary Disability Program is available to employees who:
- are actively at work
- work full time or at least 40 hours per week for all regular employees or 18.75 hours per week for those in the CTA bargaining group
- meet the eligibility requirements of the school district.

You may elect this coverage during the Open Enrollment period or within the first 30 days of your employment date.

Earning/Salary Definition

For the purpose of disability premiums and benefit determinations, earnings or salary includes most year-round supplements such as:
- Degree supplements
- Complexity level supplements
- Shift differentials
- Supervisory supplements and certifications
- Other salary included in the district’s multiple components of pay

Please refer to the disability plan document for further information.

Provisions Affecting Both Plans

Elimination Period – The time between the start of the disability and the date the benefit payments begin. This will vary for each person in the short-term income protection plan based on the plan that you choose.

Waiver of Premium – You do not pay premiums while benefits are payable. Premiums are waived beginning with the next premium due date following the completion of the elimination period (or when you are notified by Hartford Life and Accident Insurance Company’s Claims Department).

Maternity Benefits – Disability caused by pregnancy is covered as any other sickness, and as with other sicknesses, is subject to both the pre-existing exclusion clause as well as the 7-day, 14-day, or 60-day elimination period during which no benefits are payable (Short-Term Disability only).

Integration – The benefits will be reduced by other sources of income the employee receives. Examples of other sources of income include: retirement benefits, Social Security and workers compensation. A more detailed explanation is available in the certificate issued to all participants.

Benefits for mental illness, alcoholism, or drug abuse – Benefits are payable for a limited period. See your certificate(s) of coverage for details.

About the Plan Provider

Hartford Life and Accident Insurance Company underwrites the Short-Term and Long-Term Disability plans. If you have any questions regarding these plans, please call Hartford Life and Accident Insurance Company at 1-800-741-4306 between 8:00 am and 8:00 pm ET, Monday through Friday.

A certificate of coverage for your Disability Income Protection Plan is available at [www.palmbeachschools.org/riskmgmt](http://www.palmbeachschools.org/riskmgmt).
Short-Term Disability Plan

The Short-Term Disability Plan is designed to offer temporary income protection. You have three options from which to choose. Each plan provides coverage for up to 26 weeks (unless otherwise stated in your policy). Commencement of benefit and benefit amount depends on which option you choose. Refer to the chart in this section to determine which option best fits your needs. The maximum benefit under this plan is $2,500 per week per employee. An employee cannot collect sick pay and short-term disability benefits at the same time.

What's Not Covered

The policy does not cover and no benefit will be paid for any disability:

- unless you are under the regular care of a doctor
- that is caused or contributed to by war or act of war, whether declared or not
- caused by your commission of or attempt to commit a felony
- caused or contributed to by an intentionally self-inflicted injury
- for which workers’ compensation benefits are paid or may be paid if claimed
- sustained as a result of doing any work for pay or profit for another employer or
- if you are receiving or are eligible for benefits for a disability under a prior disability plan that was sponsored by your employer and was terminated before the effective date of the policy.

When Coverage Ends

Coverage ends on the earliest of:

- The last day of the month during which the policy terminates
- The last day of the month during which the policy no longer insures your class
- The last day of the month during which the premium payment is due but not paid
- The last day of the period for which you make any required premium payment
- The last day of the month during which your employer terminates your employment
- The last day of the month during which you cease to be an active employee in an eligible class for any reason unless continued in accordance with any of the continuation provisions.

Important: Your premium and any benefit will be based on your salary, which includes: (1) degree supplements; (2) other supplements; (3) complexity level supplements, etc. Your salary is annualized then divided by 52 to determine your weekly salary.

Pre-existing Limitation – The Short-Term Disability Plan contains a pre-existing condition limitation which will pay benefits for any disability that results from or is caused or contributed to by a pre-existing condition for four weeks, unless at the time you became disabled:

- You have not received medical care for the condition for 6 months while insured under the policy or
- You have been continuously insured under the policy for 12 months.

Pre-existing condition means any injury, sickness, mental illness, pregnancy or episode of substance abuse for which you received medical care including consultation, medical advice, recommendation or prescriptions or treatment during the 6 month period prior to your effective date of coverage or change in coverage.

When to Submit a Short-Term Disability Claim
You should file your claim with The Hartford if you anticipate being disabled or are disabled and will be unable to work for a period of time that exceeds the elimination period you selected during enrollment.

How to Submit a Short-Term Disability Claim
You may initiate your claim by calling The Hartford’s toll-free telephonic claim intake number at 1-800-741-4306 and report your claim. You will not need to submit a paper claim form as The Hartford clinical intake specialist will take your information by phone. However, it will be your responsibility to provide an authorization form to your physician to be signed/dated and faxed or mailed to The Hartford. This allows The Hartford to access your medical information in order to process your claim.

Long-Term Disability Plan
The Long-Term Disability Plan is designed to offer financial security for you and your family. Features include:

• a benefit amount of up to 60 percent of your pre-disability monthly salary
• a 180-day elimination period
• a minimum monthly benefit of the greater of $100 or 10% of the benefit based on monthly income loss before the deduction of other income benefits and
• a maximum monthly benefit amount of $12,500.

What is the Definition of Disability?
Disability or Disabled means you are prevented from performing one or more of the essential duties of your occupation during the elimination period and your occupation for the 5 year period following the elimination period, and as a result, your current monthly earnings are less than 80% of your indexed pre-disability earnings. After the 5 year period, disability means you are prevented from performing one or more of the essential duties of any occupation for which you are qualified by education, training or experience and that has an earnings potential greater than the lesser of the product of your indexed pre-disability earnings and the benefit percentage or the maximum monthly benefit.

If at the end of your elimination period, you are prevented from performing one or more of the essential duties of your occupation, but your current monthly earnings are greater than 80% of your pre-disability earnings, your elimination period will be extended for a total period of 12 months from the original date of disability, or until such time as your current monthly earnings are less than 80% of your pre-disability earnings, whichever occurs first.

What’s Not Covered
The policy does not cover and no benefit will be paid for any disability:

• unless you are under the regular care of a physician
• that is caused or contributed to by war or act of war, whether declared or not
• caused by your commission of or attempt to commit a felony
• caused or contributed to by your being engaged in an illegal occupation
• caused or contributed to by an intentionally self inflicted injury or
• if you are receiving or are eligible for benefits for a disability under a prior disability plan that was sponsored by your employer and was terminated before the effective date of the policy.

When Coverage Ends
Coverage ends on the earliest of:

• The last day of the month during which the policy terminates
• The last day of the month during which the policy no longer insures your class
• The last day of the month during which the premium payment is due but not paid
• The last day of the period for which you make any required premium payment
• The last day of the month during which your employer terminates your employment
• The last day of the month during which you cease to be an active employee in an eligible class for any reason unless continued in accordance with any of the continuation provisions.

Pre-existing condition – The Long-Term Disability Plan contains a pre-existing disability condition limitation which will not pay benefits, or any increase in benefits, for any disability that results from, or is caused or contributed to by, a pre-existing condition, unless at the time you became disabled:

• you have not received medical care for the condition for 6 months while insured under the policy or
• you have been continuously insured under the policy for 12 months.
Disability Income Protection

Pre-existing condition means any injury, sickness, mental illness, pregnancy or episode of substance abuse for which you received medical care including consultation, medical advice, recommendation or prescriptions or treatment during the 6 month period prior to your effective date of coverage or change in coverage.

Recurrent Disability – A recurrent disability is a disability that is related to, or due to, the same cause or causes of a prior disability for which a monthly benefit was paid. A recurrent disability will be treated as part of the prior disability and you will not have to complete another elimination period if, after receiving disability benefits under the plan, an employee returns to work on a full-time basis for less than six months and performs all of the duties of the employee’s own occupation. Benefit payments will be subject to the terms of the plan for the prior disability.

When to Submit a Long-Term Disability Claim
If you have enrolled for short-term disability, the transition process to long-term disability is automated – you do not need to file a separate long-term disability claim form.

If you have not enrolled in the short-term disability plan and have enrolled in the long-term disability plan only, you should file your claim with The Hartford halfway through your LTD elimination period.

How to Submit a Long-Term Disability Claim
If you have enrolled for short-term disability, the transition process to long-term disability is automated by The Hartford’s claim system. A separate long-term disability claim form is not needed. However, a claimant questionnaire is sent to you that requests information about other income/offset information, past work experience/education and medical providers. The Hartford may also obtain additional information from the employer.

If you did not enroll in the Short-Term Disability plan and have enrolled in the Long-Term Disability plan only, a paper claim will need to be filed with The Hartford for consideration for LTD benefits. You can obtain the application for long-term disability income benefits form via your employer’s website. The application gives instructions on the submission process.

What Benefits Are Included in Long-Term Disability?
If you become disabled, the following benefits can help until you get back to full-time work.

Work Incentive Benefit – This benefit offers an effective incentive if you are disabled and return to work. You may receive your full disability benefit during the first 12 months after returning, as long as your benefit and earnings are not more than 100 percent of pre-disability earnings.

Rehabilitation and Return to Work Assistance – The Hartford vocational rehabilitation experts provide qualified employees with formalized assessment and planning as well as financial support to help you return to productive, independent lifestyles.

Worksite Modification Benefit – The Hartford helps your employer make the worksite accommodations necessary to enable employees to return to work. This benefit reimburses your employer up to the amount equal to the amount of the maximum monthly benefit for worksite modifications for each employee.

Family Care Credit Benefit – When you are disabled and incurring child care expenses for your dependent child(ren) and participating continuously in the Rehabilitation and Return to Work Assistance program, The Hartford will, for the purpose of calculating your benefit, deduct the cost of family care from earnings received from work as part of a program of rehabilitation, subject to limitations. The reimbursement payment will begin immediately after you start the Rehabilitation and Return to Work Program. The child must be under 13 years of age or incapable of providing their own care on a daily basis due to their own physical handicap or mental retardation.

Survivor Income Benefit – If you were receiving a monthly disability benefit at the time of your death, The Hartford will pay your eligible survivor a lump sum benefit equal to three months of your gross disability payment.

Ability Assist – Ability Assist helps you deal with life’s challenges after a disability. The services available include:

- Easy access to professionals – toll-free, 24/7
- Up to five face-to-face sessions per year
- Financial and legal consultation
- Trusted online resources and tools

The Hartford offers the professional support of Ability Assist to you at no additional cost if you have enrolled in the Long-Term Disability Plan. You and your family, including spouse and dependents, can use these services for up to two years after The Hartford has approved your LTD claim. You will be notified how to access these services at the time your LTD claim is approved.
Additional Benefits Included with the LTD Plan

Employee Travel Assistance Program – Just one phone call gives employees and their families 24-hour access to a network of emergency medical and legal resources any time they travel more than 100 miles from home. The toll-free number to access these services is 1-800-243-6108.

The Hartford’s Travel Assistance Program is provided by Europe Assistance, the world’s leading assistance network. The program provides three kinds of services for your business or vacation travel: Pre Trip Information, Emergency Medical Assistance, and Emergency Personal Services subject to terms and conditions of the policy. All the travel services are easy to take advantage of from start to finish.

Pre-trip planning includes:

- Visa, passport, inoculation and immunization requirements
- International “hot spots”
- Travel advisories
- Foreign exchange rates
- Embassy and consular referrals

Emergency medical assistance includes:

- Medical referrals, medical monitoring, and medical evacuation
- Repatriation
- Traveling companion and dependent children assistance
- Emergency medical payments
- Return of mortal remains
- Replacement of medication and eyeglasses

Emergency personal services include:

- Sending and receiving emergency messages
- Emergency travel arrangements
- Emergency cash
- Locating lost items
- Legal assistance
- Bail advancement
- Translation

NOTE: These product descriptions do not constitute an insurance certificate or policy. The information provided is intended only to assist in the selection of benefits. Final determination of benefits, exact terms and exclusion of coverage for each benefit plan are contained in certificates of insurance issued by the participating insurance companies.

Certificate(s) of coverage for your insurance benefits are available to you online throughout the year. A hard copy of these certificates will not be mailed to you automatically. Your Certificate(s) of coverage are document(s) issued by the insurance company for benefits registered with the state of Florida. These documents are available for the benefits you selected during Open Enrollment or as a new employee.

- How the plan works?
- Coverage levels?
- Short and long-term options?
Basic Life Insurance
Protecting your family’s future is no doubt one of your highest priorities. One way to help achieve this goal is through life insurance. Your employer provides you with a valuable Basic Life Insurance Plan at no cost to you.

What Are My Basic Life Insurance Benefits?
Your employer provides you with Basic Life Insurance coverage in the amount of $20,000 for full-time employees, and $10,000 for part-time employees. This benefit is provided at no cost to you.

What Are the Basic Life Insurance Features?
• Conversion
• Accelerated benefits
• Waiver of premium
• Extension of benefit

For more information regarding these features, please refer to the product features section.

Exclusion - This plan will not pay benefits if loss of life is the result of suicide that occurs within the first two years of coverage.

Dependent Children
Coverage available: life insurance only
Amount of coverage available: For dependent child(ren) from age 6 months to 19 years, or 25 years of age if a student who is primarily financially supported by employee.

Personal Accident Insurance Coverage
The Life Insurance Company of North America insurance products are designed to provide full-time protection against accidental death or injuries – 24 hours a day, 365 days a year.

What benefits are available?
When enrolled in Basic Life Insurance coverage, you automatically receive Personal Accident Insurance in an amount equal to your Basic Life Insurance coverage. Provided alongside your Basic Life Insurance, this coverage is designed to help safeguard you and your family from a financial loss due to an unexpected accidental death or injury.

The Life Insurance Company of North America and School District of Palm Beach County know that you are the best judge of your life insurance needs.
Two Options Are Available:

Life insurance only

**Option One** $5,000* at a **monthly** rate of $.30 for all children

**Option Two** $10,000* at a **monthly** rate of $.60 for all children

* For dependent child(ren) from live birth to 6 months, the benefit is $1,500. There is no matching amount of accident coverage for children.

Optional Insurance

What benefits are available?
In addition to your Basic Life Benefits, your employer is offering the opportunity to purchase additional term life insurance protection through the Life Insurance Company of North America’s Optional Life Insurance program. This benefit is designed to help provide financial security for you and your family. Since this coverage is an employee-paid benefit, premiums will be conveniently deducted from your paycheck post-tax. The monthly cost of both Optional Life and Personal Accident Insurance is only $3.28 per $20,000 of coverage.

What are my options? What are the maximum amounts I can apply for?
After carefully considering your lifestyle and utilizing the tools provided, you can decide just how much life insurance protection is right for you.

Guaranteed Issue: New Hires
At the time of hire and during the benefit selection process, a new hire employee may select up to five (5) times their basic annual salary in $20,000 increments, not to exceed $500,000, with a minimum selection amount of $20,000. A statement of health form is required for coverage exceeding $100,000.

For optional **spouse life**, an employee may select optional spouse coverage in $10,000 increments, not to exceed 50 percent of the employee-optional coverage, with a minimum amount of $10,000 and a maximum amount of $250,000. A statement of health form for the spouse is required for coverage exceeding $50,000.

For optional **child life**, an employee may select optional child coverage in $5,000 increments with a minimum amount of $5,000 and a maximum amount of $10,000. A statement of health form is NOT required for either election as both elections are guaranteed issue. The following age limit payout and eligibility applies:

- Live birth to six months: $1,500
- Six months to 19 years (25 if full time student): $5,000 or $10,000

During Open Enrollment
You may enroll for an additional $20,000 of optional term life for yourself without providing a statement of good health, as long as you are currently enrolled for optional term life and carry less than five times your annual salary or $100,000 (whichever is less) of coverage.

For other optional coverage on yourself, your spouse or dependent child(ren), you may also apply at Open Enrollment.

What are the Optional Life insurance features?

- Conversion
- Accelerated benefits
- Will preparation services
- Waiver of premium

For more information regarding these features, please refer to the product features section.

Optional Life coverage is provided under group insurance policy FLX-980074, issued in Florida to your employer by the Life Insurance Company of North America. Optional Life coverage under your employer’s plan terminates when you are no longer eligible, your employment ceases, when your optional life contributions cease or upon termination of the group contract by your employer upon prior written notice to the Life Insurance Company of North America. Optional Life insurance does not provide payment of benefits for death caused by suicide within the first two years (one year in North Dakota) of the effective date of the certificate, or payment of increased benefits for death caused by suicide within two years (one year in North Dakota) of an increase in coverage. (This exclusion does not apply in Missouri and Washington). This coverage may also be discontinued by the Life Insurance Company of North America for non-payment of premium or if participation requirements are not met.

Personal Accident Insurance
Provided alongside your Optional Life Insurance, Personal Accident Insurance offers a matching amount of Personal Accident Insurance benefits in addition to the Personal Accident Insurance coverage that your employer has made available to you.

**NOTE:** If you are covered as an employee, you cannot also be covered as a spouse or dependent child. No person may be eligible for insurance under this policy as both an employee and a spouse at the same time.

Your dependent child(ren) may be enrolled for Optional Dependent Child(ren) Life Insurance under one insured employee’s plan of benefits. You may either be enrolled as an employee or a dependent but not covered and enrolled under both classifications.
Group Term Life

Post-tax Benefits

What Benefits Are Available?
When you enroll in Optional Life Insurance, you are automatically enrolled in Personal Accident Insurance. The benefit amount for Personal Accident Insurance is equal to the benefit amount for Optional Life. Since this coverage is an employee-paid coverage, post-tax premiums will be conveniently deducted from your paycheck.

What Are the Personal Accident Insurance Features?
- **For Wearing a Seat Belt and Protection by an Airbag** - Death benefits will be increased by 10%, but not by more than $25,000, if the insured person dies as a direct result of injuries in a covered automobile accident while wearing a properly fastened seat belt. We will increase the death benefit by an additional 5%, but not more than $10,000, if the insured person was in a seat protected by a properly functioning and deployed airbag.
- **For Child Care Expense** - We will pay a benefit for a surviving child under 13 who is enrolled in a licensed child care center at the time of the accident or within 90 days afterward. This benefit is 3% of the benefit amount, to a maximum of $3,000 a year for 4 straight years or until the child turns 13, whichever occurs first.
- **For Home Alteration and Vehicle Modification** - If you or your insured spouse requires home alteration or vehicle modification within one year of a covered accident, we will pay 10% of your benefit amount, to a maximum of $25,000, for alterations or modifications that are physician-certified as necessary for an independent lifestyle.
- **For Rehabilitation** - If you or your insured spouse incurs rehabilitative expenses within two years of a covered loss, we will pay an additional 5% of the benefit amount, up to $10,000, for each covered accident.
- **For Furthering Education** - If you die in a covered accident, we will pay an extra benefit for each insured child who is enrolled in a school of higher learning or in the 12th grade and enrolls within one year of the accident. We will increase your benefit amount by 3%, up to $3,000, for each qualifying child. This benefit is payable each year for four consecutive years as long as your children continue their education. If there is no qualifying child, we will pay an additional $1,000 to your beneficiary.
- **For Training for Your Spouse** - If you die in a covered accident and your insured spouse enrolls, within three years of your death, in an accredited school to gain skills needed for employment, we will pay the actual cost of this education or training program, up to 3% of your benefit amount, not to exceed $3,000.

Your Children – You may need to request changes to your existing coverage if, in the future, you no longer have dependents who qualify for coverage. We will refund premium if you do not notify us of this and it is determined at the time of a claim that premium has been overpaid.

You may need to request changes to your existing coverage if, in the future, you no longer have dependents who qualify for coverage. We will refund premium if you do not notify us of this and it is determined at the time of a claim that premium has been overpaid.

(This does not include bacterial infection that is the natural and foreseeable result of an accidental external cut or wound, or accidental food poisoning).
7. voluntarily using any drug, narcotic, poison, gas or fumes, except one prescribed by a licensed physician and taken as prescribed
8. while operating any type of vehicle while under the influence of alcohol or any drug, narcotic or other intoxicant, including any prescribed drug for which the covered person has been provided a written warning against operating a vehicle while taking it;
9. while the covered person is engaged in the activities of active duty service in the military, navy or air force of any country or international organization (this does not include Reserve or National Guard training, unless it extends beyond 31 days)
10. traveling in an aircraft that is owned, leased or controlled by the sponsoring organization, or any of its subsidiaries or affiliates

How Much Coverage Can I Buy?
**You** – You will automatically receive an amount equal to your voluntary life insurance benefit in effect under Policy Number FLX-980074, underwritten by Life Insurance Company of North America.

**Your Spouse** – an amount equal to your voluntary life insurance benefit in effect under Policy Number FLX-980074, underwritten by Life Insurance Company of North America.

What Are the Dependent Life Insurance Features?

Conversion
Dependent Life Insurance coverage is provided under a group insurance policy (Group Policy Number 980074, on policy form TL-004700, issued in Florida) issued to your employer by the Life Insurance Company of North America.

Dependent Life coverage terminates when Dependent Life contributions cease, upon the death of the employee, when a dependent no longer qualifies as a dependent, or upon termination of the group contract by your employer upon prior written notice to the Life Insurance Company of North America.

This coverage may also be discontinued by the Life Insurance Company of North America for non-payment of premium or if participation requirements are not met. Dependent Life insurance does not provide payment of benefits for death caused by suicide within the first two years (one year in North Dakota) of the effective date of the certificate, or payment of increased benefits for death caused by suicide within the first two years (one year in North Dakota) of an increase in coverage (except in Missouri, Washington, and Massachusetts).

Product Features

• Accelerated Death Benefit – Terminal Illness – Up to 50% of the death benefit (not to exceed $250,000) may be advanced to the insured who is diagnosed with a terminal illness (life expectancy of 12 months or less) by two unaffiliated physicians. This benefit is payable only once in the insured’s lifetime, and will reduce the life insurance death benefit.

• Will Preparation Services – Online interactive tool helps covered employees and their spouses create a will and other legal documents. The site also provides access to other valuable financial educational materials.

• Conversion – If your coverage is reduced or ends due to age, disability or termination of employment, you can obtain an individual whole life policy, without proof of good health. To convert coverage, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends. Eligible family members may convert their coverage as well. Converted policies are subject to additional restrictions if you convert because of termination or amendment of the group policy.

• Conversion Provisions - If you retire, terminate employment, or cease being an actively at-work employee (regardless of pay status):
  1. You and your dependents may be eligible to convert your optional coverage to an individual permanent policy.
  2. If you are retiring, you may be eligible to continue up to $50,000 of your employee-only optional coverage on an age-rated premium basis. Premiums are paid on an annual basis.

• Voluntary Term Life Coverage Reduction - At age 70, providing you are still employed, your coverage will decrease to 65% of the benefit amount. It will decrease to 45% at age 75, and to 30% at age 80. Premiums and coverage for your spouse will end at age 70; at that time your spouse may choose to convert this coverage to a permanent life insurance policy.
Group Term Life

Post-tax Benefits

You must submit your application to continue coverage within 31 days of termination and pay your premium. See your certificate of coverage booklet from the carrier for more details. It is the sole responsibility of the employee to apply for this benefit.

- **Waiver of Premium (if you become totally disabled)** - To make sure you can keep the life insurance protection you need during a difficult period of your life, this plan provides a waiver of premium feature. If you are totally disabled prior to age 60 and can’t work for at least 12 months, your coverage will continue and you won’t need to pay premiums for your coverage while you are disabled, provided the insurance company approves you for this benefit. You must continue to pay premiums until the insurance company approves you for this benefit. You are considered totally disabled when you are completely unable to engage in any occupation for wage or profit because of injury or sickness. This benefit will remain in force until age 65, subject to proof of continuing disability each year. If you qualify for this benefit and have insured your spouse or children, the premium for their coverage is also waived.

- **Coverage Reduction for Optional Life plans** – At age 70, your coverage amount reduces to 65 percent. At age 75, your coverage reduces to 45 percent, and at age 80, coverage is reduced to 30 percent. When your coverage reduces, any dependent insurance you’ve purchased will reduce by the same percentage.

- **Online Plan Description** – you will be able to review any of these benefits and their provisions in more detail through the School District of Palm Beach County’s website at www.palmbeachschools.org/riskmgmt.

This summary provides an overview of your plan’s benefits. These benefits are subject to the terms and conditions of the contract between the Life Insurance Company of North America and the School District of Palm Beach County. Specific details regarding these provisions can be found in the certificate of coverage booklet. If you have additional questions regarding the Life Insurance Program underwritten by the Life Insurance Company of North America, please contact your benefits administrator.

CIGNA makes it easy for you to take charge of those difficult life and health legal decisions. There are no more reasons to hesitate planning for the future with our online will preparation services. Available to individuals who have CIGNA’s Group life, accident, or disability coverage.

Think you don’t need a will or living will?
If you’re like most people, you don’t like thinking about planning for your death. However, there are many good reasons why it’s very important to have a will no matter what your personal circumstances might be. For example, to have a say in your healthcare treatment if you’re not able to speak for yourself, to assign guardianship for minor children, and to secure your assets.

Think you don’t have enough assets to need a will?
Nearly one in four (24%) of American adults say their biggest reason for not having a will is a lack of sufficient assets[1]. Not having a will puts your family in the position of having to guess about how to manage your personal and financial assets after your death.

Think you can’t afford to create a will?
Now you can! CIGNA’s Will Center allows you to easily complete essential life and health legal documents online at no cost to you.

Not sure how to develop your will?
Don’t worry. CIGNA’s Will Center is secure, easy to use, and available to you and your covered spouse seven days a week, 365 days a year. And, if you have any questions, phone representatives are available to assist you via a toll-free number[2]. Once registered on the site, you will have direct access to a Personal Estate Planning web page, where you can:
- create and maintain your personalized legal documents
- follow an intuitive, interactive question and answer process to create state-specific legal documents tailored to your situation
- preview, edit, download and print your legal documents for execution

It’s easy! Go to CIGNAWillCenter.com
To access your Personal Estate Planning web page, simply complete the online form and register as a new user. When prompted for a registration code, provide your date of birth plus the last four digits of your Social Security number. Once this is completed you can immediately start building your will and other legal documents.

[2] No legal advice is provided.

Now is the time to get started. Visit CIGNAWillCenter.com to create your own personalized:
- Last Will & Testament – specifies what is to be done with your property when you die, names the executor of your estate and allows you to name a guardian for your minor children.
- Living Will – contains your wishes regarding the use of extraordinary life support or other life-sustaining medical treatment.
- Healthcare Power of Attorney – allows you to grant someone permission to make medical decisions if you are unable to make them yourself.
- Financial Power of Attorney – allows you to grant someone permission to make financial decisions on your behalf if you are unable to make them yourself.

Plus, find information on:
- Estate Planning
- Identity Theft Information Kit
- CIGNA’s Life and Disability Planning Kits – access insurance calculators to determine whether you and your family have sufficient coverage for the future.

It’s time to feel better.

CIGNA Identity Theft Program

IN THIS SECTION...

- Identity theft protection
- How to protect your identity

You've heard about it in the news—you may even know someone who has been a victim. Identity theft is America's fastest growing crime, victimizing almost 11 million people a year. It's a serious crime that occurs when an unauthorized person uses your personal information—your name, Social Security number, bank or credit account number(s), or driver's license number—for fraudulent use. It's also a silent crime—often taking a year or more to be discovered, and leaving victims with a cumbersome, time-intensive process to restore their credit records and good name. CIGNA's Identity Theft Program is available to individuals who have CIGNA's Group life, accident or disability coverage. This program provides resolution services to help you work through critical identity theft issues you may encounter.

Valuable Help When You Need It Most

Our identity theft program provides:

- A review of credit information to determine if an identity theft has occurred
- An identity theft resolution kit and an identity theft affidavit for credit bureaus and creditors
- Help with reporting an identity theft to credit reporting agencies
- Assistance with placing a fraud alert on credit reports, and cancellation and replacement of lost or stolen credit cards
- Assistance with replacement of lost or stolen documents
- Access to free credit reports
- Education on how to identify and avoid identity theft
- $1,000 cash advance to cover financial shortages if needed
- Emergency message relay
- Help with emergency travel arrangements and translation services

Services for Every Situation

No matter where or when you come under the attack of identity theft, CIGNA's services are there for you.

We assist with credit card fraud, and financial or medical identity theft.

We provide real-time, one-on-one assistance—24 hours a day, 365 days a year—in every country in the world.

You'll have unlimited access to our personal case managers until your problem is resolved.

Our website offers helpful information to reduce your risk of identity theft before it happens.

If you suspect you might be a victim of identity theft, call us now at 1.888.226.4567. Our personal case managers are standing by to help you. Please indicate that you are a member of CIGNA's Identity Theft Program and Group #57.
Safeguard Yourself Against Identity Theft
Here are some important tips to help you manage your personal information and minimize your risk of identity theft.

Your wallet
- Carry only one or two credit cards in your wallet.
- Carry only the identification information that you actually need.
- Do not carry your Social Security card in your wallet; leave it in a secure place.
- If your purse or wallet is stolen, immediately report it to the police.

Your bank statement
- Review your bank and credit card statements monthly for signs of suspicious activity.
- If your statement is late by more than a couple of days, call your credit card company or bank to confirm your billing address and account balances.

Your credit report
- Check your credit reports from the three major credit bureaus—Equifax®, Experian® and TransUnion®—annually and correct any inaccuracies. You can do this at www.annualcreditreport.com.

Your credit cards
- Do not hand over your debit or credit cards to anyone.
- Cancel all unused credit card accounts.

Your Social Security number
- Give your Social Security number only when absolutely necessary, and before providing, ask to use other types of identifiers.
- Remove your Social Security number from any identification you carry in your wallet.

Your mail
- Deposit your outgoing mail in post office collection boxes or at your local post office, rather than in an unsecured mailbox.
- Promptly remove mail from your mailbox.

Your trash
- Tear or shred your charge receipts, copies of credit applications, insurance forms, physician statements, checks and bank statements, expired charge cards that you're discarding and credit offers you get in the mail.

Your workplace
- Secure personal information in your workplace.
- Keep your purse or wallet in a safe place at work; do the same with sensitive personal information such as your paycheck.

Your home
- Secure personal information in your home, especially if you have roommates, employ outside help or are having work done in your home.

Your computer
- Do not keep computers online when not in use. Either shut them off or physically disconnect them from an internet connection.
- Use antivirus software and a firewall.
- Be cautious about opening any attachment or downloading any files from e-mails you receive.

Your car
- Do not leave any personal information in your car.
- If your car is broken into report it to the police immediately.

For additional tips to reduce your risk and for guidance on what you should do if you become a victim, visit our website at www.cigna.com/idtheft.

Traditional Pre-Tax
The School District of Palm Beach County provides the opportunity for eligible employees to make tax-sheltered investments through payroll deductions in accordance with Internal Revenue Code 403(b) & 403(b)(7). You will not have to pay federal income tax on the money you invest until the money is withdrawn. This is a smart way to save money for retirement.

Roth Post-Tax
Roth plans allow you to invest funds from your salary on a post-tax basis. Your investments will grow tax-free and you will not have to pay any income tax on the investments or profits when the funds are withdrawn after you retire or otherwise qualify. Most of the vendors on this page also administer the Roth plans.

Please visit: https://www.tsacg.com/employee_site/districts/florida/palm_beach.htm for a complete listing of what program each vendor offers.

Contact the Agent/Broker of Record for the company of your choice listed to the right for investment options and to schedule an appointment with a company representative.

All employees receiving a W-2 each year are eligible to participate in any of the 403(b) annuity or mutual funds.

See our website, for a copy of the plan document for 403(b) plans.

Visit www.palmbeachschools.org/riskmgmt. Click Benefits then TSA/403(b)

Coming Soon:
In the near future employees will be able to use the “Self Service” section of PeopleSoft to enroll in these benefits. An account must first be established with a participating vendor before payroll deductions can begin.

Presently, “Self Service” can be used to increase or decrease your existing contributions by simply logging in through Self Service/ Benefits/Benefit Summary and then clicking on the “EDIT” button of your existing savings plan.

What Is Continuation Coverage?
Federal law requires that most group health plans, including Health Care Flexible Spending Accounts (FSAs), give employees and their families the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer's plan. “Qualified beneficiaries” can include the employee covered under the group health plan, a covered employee's spouse and dependent children of the covered employee.

Each qualified beneficiary who elects continuation coverage will have the same rights under the plan as other participants or beneficiaries covered under the plan, including special enrollment rights. Specific information describing continuation coverage can be found in the summary plan description (SPD), which can be downloaded from www.palmbeachschools.org/riskmgmt/

How Long Will Continuation Coverage Last?
In the case of a loss of coverage due to end of employment or reduction in hours of employment, coverage may be continued for up to 18 months. In the case of losses of coverage due to an employee's death, divorce or legal separation, the employee's enrollment in Medicare or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to 36 months.

Continuation coverage will be terminated before the end of the maximum period if any required premium is not paid on time, if a qualified beneficiary becomes covered under another group health plan that does not impose any pre-existing condition exclusion for the qualified beneficiary, if a covered employee enrolls in Medicare, or if the employer ceases to provide any group health plan for its employees. Continuation coverage may also be terminated for any reason the plan would terminate coverage of a participant or beneficiary not receiving continuation coverage (such as fraud).

You may continue your Health Care FSA (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs, if you have not already received, as reimbursement, the maximum benefit available under the Health Care FSA for the year. For example, if you elected a Health Care FSA benefit of $1,000 for the plan year and have received only $200 in reimbursement, you may continue your Health Care FSA for the remainder of the plan year or until such time that you receive the maximum Health Care FSA benefit of $1,000.

If you have questions about your Health Care FSA, you should call WageWorks Customer Service at 1-855-428-0446.

A notice form is provided for your use and can be found on the District’s website at www.palmbeachschools.org. You may also obtain the notice form by writing to Benefit Outsource, Inc. (BOI), 5599 S. University Drive, Suite 201, Davie, FL 33328 or by calling 1-888-877-2780.

Continuation coverage will be terminated before the end of the maximum period if:

a. any required premium is not paid on time, or
b. a qualified beneficiary becomes covered under another group health plan that does not impose any pre-existing condition exclusion for the pre-existing condition of the qualified beneficiary, or
c. if a covered employee enrolls in Medicare, or
d. if the employer ceases to provide any group health plan for its employees.

Keep Your Plan Informed of Address Changes
In order to protect your family's rights, you should keep the School District of Palm Beach County informed of any changes in your address or in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the School District of Palm Beach County. Address changes should be sent to:

Benefit Outsource, Inc. (BOI)
5599 S. University Drive, Suite 201
Davie, FL 33328

How Can You Extend the Length of Continuation Coverage?
For Group Health Plans (Except Health Care FSAs):
If you elect continuation coverage, an extension of the maximum period of 18 months of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify BOI of a disability or a second qualifying event in order to extend the period of continuation coverage. Failure to provide notice of a disability or second qualifying event may affect the right to extend the period of continuation coverage.

Disability
An 11-month extension of coverage may be available if any of the qualified beneficiaries are disabled. The Social Security Administration (SSA) must determine that the qualified beneficiary was disabled at some time during the first 60 days of continuation coverage, and you must notify BOI of that fact within 60 days of the SSA's determination and before the end of the first 18 months of continuation coverage. All qualified beneficiaries who have elected continuation coverage and qualify will be entitled to the 11-month disability extension. If the qualified beneficiary is determined by SSA to no longer be disabled, you must notify BOI of that fact within 30 days of SSA's determination.

Second Qualifying Event
An 18-month extension of coverage will be available to spouses and dependent children who elect continuation coverage if a second qualifying event occurs during the first 18 months of continuation coverage, resulting in a maximum amount of continuation coverage of 36 months. Such second qualifying events include the death of a covered employee, divorce or separation from the covered employee or a dependent child's ceasing to be eligible for coverage as a dependent under the plan. You must notify BOI within 60 days after a second qualifying event occurs.
How Can You Elect Continuation Coverage?
Each qualified beneficiary has an independent right to elect continuation coverage. For example, both the employee and the employee’s spouse, or only one of them, may elect continuation coverage. Parents may elect to continue coverage on behalf of their dependent children only. A qualified beneficiary must elect coverage by the date specified on the COBRA Election form. Failure to do so will result in loss of the right to elect continuation coverage under the plan. A qualified beneficiary may change a prior rejection of continuation coverage any time until that date.

You should take into account that a failure to continue your group health coverage will affect your future rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied to you by other group health plans if you have more than a 63-day gap in health coverage, and election of continuation coverage may help you not have such a gap. Second, you will lose the guaranteed right to purchase individual health insurance policies that do not impose such pre-existing condition exclusions if you do not get continuation coverage for the maximum time available to you. Finally, you should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse’s employer) within 30 days after your group health coverage ends because of the qualifying event listed above. You will also have the same special enrollment right at the end of continuation coverage if you get continuation coverage for the maximum time available to you.

The Health Insurance Marketplace is an available alternative health care coverage option for you and your dependent(s).
Beginning with open enrollment in 2013, for an effective date of January 1, 2014, you will be able to buy coverage through the Health Insurance Marketplace. In the Marketplace, you could be eligible for a new kind of tax credit that right away lowers your monthly premiums. As well, you can see what the premium, deductibles and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, if you request enrollment within 30 days, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouses’ plan), even if the plan generally does not accept late enrollees.

How Much Does Continuation Coverage Cost?
Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. This amount may not exceed 102 percent of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage (or, in the case of an extension of continuation coverage due to a disability, 150 percent). For Health Care FSAs, the cost for continuation of coverage is a monthly amount calculated and based on the amount you were paying via pre-tax salary reductions before the qualifying event.

When and How Must Payments for Continuation Coverage Be Made?

First Payment for Continuation Coverage
If you elect continuation coverage, you do not have to send any payment for continuation coverage with the COBRA election form. However, you must make your first payment for continuation coverage within 45 days after the date of your election. (This is the date the election notice is postmarked, if mailed). If you do not make your first payment for continuation coverage within that 45 days, you will lose all continuation coverage rights under the plan.

Your first payment must cover the cost of continuation coverage from the time your coverage under the plan would have otherwise terminated up to the time you make the first payment. You are responsible for making sure that the amount of your first payment is enough to cover this entire period. You may contact BOI to confirm the correct amount of your first payment.

Your first payment for continuation coverage should be sent to:
Benefit Outsource, Inc. (BOI)
5599 S. University Drive, Suite 201
Davie, FL 33328

Periodic Payments for Continuation Coverage
After you make your first payment for continuation coverage, you will be required to pay for continuation coverage for each subsequent month of coverage. Under the plan, these periodic payments for continuation coverage are due on the first day of each month. Instructions for sending your periodic payments for continuation coverage will be shown on your COBRA election notice form. BOI will send coupons for use in making periodic payments.

Periodic payments for continuation coverage should be sent to:
Benefit Outsource, Inc. (BOI)
5599 S. University Drive, Suite 201
Davie, FL 33328
Grace Periods for Periodic Payments

Although periodic payments are due on the first day of the month, you will be given a grace period of 30 days to make each periodic payment. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. If you pay a periodic payment later than its due date but during its grace period, your coverage under the plan will be suspended as of the due date and then retroactively reinstated (going back to the due date) when the periodic payment is made. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a periodic payment before the end of the grace period for that payment, you will lose all rights to continuation coverage under the plan.

COBRA Continuation Coverage

COBRA continuation coverage is a continuation of plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and dependent children of employees may be qualified beneficiaries. Under the plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the plan because either one of the following qualifying events happens:

1. Your hours of employment are reduced, or
2. Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the plan because any of the following qualifying events happens:

1. Your spouse dies;
2. Your spouse’s hours of employment are reduced;
3. Your spouse’s employment ends for any reason other than his or her gross misconduct;
4. Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
5. You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they will lose coverage under the plan because any of the following qualifying events happens:

1. The parent-employee dies;
2. The parent-employee’s hours of employment are reduced;
3. The parent-employee’s employment ends for any reason other than his or her gross misconduct;
4. The parent-employee becomes enrolled in Medicare (Part A, Part B, or both); or
5. The parents become divorced or legally separated; or
6. The child stops being eligible for coverage under the plan as a “dependent child.”

General Notice of COBRA Continuation Coverage Rights

Introduction

You are receiving this notice because you have recently become covered under a group health plan sponsored by the School District of Palm Beach County (the plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the plan when you would otherwise lose your group health coverage.

This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. This notice gives only a summary of your COBRA continuation coverage rights. For more information about your rights and obligations under the plan and under federal law, you should either review the plan’s summary plan description or get a copy of the plan document from the School District of Palm Beach County (Risk & Benefits Management).
COBRA Notification

Important Continuation Coverage Information

Sometimes filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the School District of Palm Beach County, and that bankruptcy results in the loss of coverage of any retired employee covered under the plan, the retired employee is a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the plan.

The plan will offer COBRA continuation coverage to qualified beneficiaries only after BOI has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer or enrollment of the employee in Medicare (Part A, Part B, or both), BOI will offer COBRA continuation coverage to each qualified beneficiary.

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify BOI. The plan requires you to notify BOI within 60 days by completing the required notice form, which is available on the District's website (see page 19) after the qualifying event occurs. Benefit Outsource, Inc. (BOI), 5599 S. University Drive, Suite 201, Davie, FL 33328.

Once BOI receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that plan coverage would otherwise have been lost.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee in Medicare (Part A, Part B, or both), your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage lasts for up to 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension of 18-Month Period of Continuation Coverage
If you or anyone in your family covered under the plan is determined by the Social Security Administration (SSA) to be disabled at any time during the first 60 days of COBRA continuation coverage and you notify BOI in a timely fashion, you and your entire family can receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. You must make sure that BOI is notified of the Social Security Administration's determination within 60 days of the date of the determination and before the end of the 18-month period of COBRA continuation coverage. This notice should be sent to:

Benefit Outsource, Inc. (BOI)
5599 S. University Drive, Suite 201
Davie, FL 33328

You must attach a copy of the SSA Determination Letter to the notice.

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage
If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, enrolls in Medicare (Part A, Part B, or both), or gets divorced or legally separated. The extension is also available to a dependent child when that child stops being eligible under the plan as a dependent child. In all of these cases, you must make sure that BOI is notified of the second qualifying event within 60 days of the second qualifying event. This notice must be sent to:

Benefit Outsource, Inc. (BOI)
5599 S. University Drive, Suite 201
Davie, FL 33328

You must attach a copy of the applicable supporting documentation to the notice (i.e. the divorce decree, death certificate).

Retiree Q&A - What Should I Do When I Retire?
During the 90 days prior to your anticipated retirement date, contact Risk & Benefits Management, Retiree Technician, at 561-434-8673 to schedule an appointment for retirement and continuation of group health/life plans and flexible benefits.

Special Consideration for Term Life Insurance:
Refer to the Conversion Provision on the Group Term Life pages as well as your policy certificate for timelines and application requirements.

When I Retire, to Whom Do I Send Payments?
Retirees continuing their eligible group health, dental, vision and/or term life ($1,000) insurance may elect to pay their full premium payments through deductions from the Florida Retirement System or provide authorization for the District to take automatic deductions (ACH) from your bank account. Until FRS or ACH deductions begin, payment by personal check or money order is required.

QUESTIONS
If you have questions about your COBRA continuation coverage, you should contact BOI at 1-888-877-2780 or you may contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website at www.dol.gov/ebsa.
Beyond Your Benefits

Social Security

Social Security consists of two tax components: the FICA or OASDI component (the tax for old-age, survivors’ and disability insurance) and the Medicare component. A separate maximum wage to which the tax is assessed applies to both tax components. There is no maximum taxable annual wage for Medicare. The maximum taxable annual wage for FICA is subject to federal regulatory change. If your annual salary after salary reduction is below the maximum wage cap for FICA, you are reducing the amount of taxes you pay and your Social Security benefits may be reduced at retirement time.

However, the tax savings realized through the Flexible Benefits Plan generally outweighs the Social Security reduction. Call FBMC Customer Care at 1-855-5MYFBMC (1-855-569-3262) for an approximation.

Itemized Deductions

The portion of your salary set aside for before-tax benefit premiums and flexible spending accounts through your employer’s plans will not be included in the taxable salary or reported to the IRS on your W-2 form. However, your annualized Dependent Care FSA contributions will appear on your W-2 form as a non-taxable item. You will not have to claim these payments as deductions at the end of the calendar year. Your before-tax deductions cannot be used as itemized deductions for income tax purposes at the end of the calendar year.

Special Enrollment Rights Pertaining to Medical Benefits

If you are declining enrollment for yourself or your dependent (including your spouse) because of other health plan insurance coverage, you may in the future be able to enroll yourself or your dependent in your employer’s plan provided that you request enrollment within 60 days after the other coverage ends.

Disclaimer - Health Insurance Benefits Provided Under Health Insurance Plan(s)

Health insurance benefits will be provided, not by your Employer’s Flexible Benefits Plan, but by the Health Insurance Plan(s) Certificates of Coverage. The types and amounts of health insurance benefits available under the Health Insurance Plan(s), and the other terms and conditions of coverage and benefits of the Health Insurance Plan(s) are set forth from time to time in the Health Insurance Plan(s) Certificates of Coverage. All claims to receive benefits under the Health Insurance Plan(s) shall be subject to and governed by the terms and conditions of the Health Insurance Plan(s) Certificates of Coverage.

Notice of Administrator’s Capacity

PLEASE READ: This notice advises insured persons of the identity and relationship among the contract administrator, the policyholder and the insurer:

1. FBMC has been authorized by your employer to provide administrative services for your employer’s insurance plans offered herein. In some instances, FBMC may also be authorized by one or more of the insurance companies underwriting the benefits offered herein to provide certain services, including (but not limited to) marketing, underwriting, billing and collection of premiums, processing claims payments, and other services. FBMC is not the insurance company or the policyholder.

2. The policyholder is the entity to whom the insurance policy has been issued. The policyholder is identified on either the face page or schedule page of the policy or certificate.

3. The insurance companies noted herein have been selected by your employer, and are liable for the funds to pay your insurance claims.

If FBMC is authorized to process claims for the insurance company, we will do so promptly. In the event there are delays in claims processing, you will have no greater rights to interest or other remedies against FBMC than would otherwise be afforded to you by law. FBMC is not an insurance company.

FBMC Privacy Statement

As a provider of products and services that involve compiling personal—and sometimes, sensitive—information, protecting the confidentiality of that information has been, and will continue to be, a top priority of FBMC. We collect only the customer information necessary to deliver responsive services consistently. FBMC collects information that helps serve your needs, provide high standards of customer care and fulfill legal and regulatory requirements. The sources and types of information collected generally varies depending on the products or services you request and may include:

- Information provided on enrollment and related forms - for example, name, age, address, Social Security number, email address, annual income, health history, marital status and spousal and beneficiary information.

- Responses from you and others such as information relating to your employment and insurance coverage.

- Information about your relationships with us, such as products and services purchased, transaction history, claims history and premiums.

- Information from hospitals, doctors, laboratories and other companies about your health condition, used to process claims and prevent fraud.

We maintain safeguards to ensure information security and are committed to preventing unauthorized access to personal information.

We limit how, and with whom, we share customer information. We do not sell lists of our customers, and under no circumstances do we share personal health information for marketing purposes. With the following exceptions, we will not disclose your personal information without your written authorization. We may share your personal information with insurance companies with whom you are applying for coverage, or to whom you are submitting a claim. We may also disclose personal information as permitted or required by law or regulation. For example, we may disclose information to comply with an inquiry by a government agency or regulator in response to a subpoena or to prevent fraud.

Note this Privacy Statement is not meant to be a Privacy Notice as defined by the Health Insurance Portability and Accountability Act (HIPAA). You may receive a Privacy Notice from your employer or from the providers of various health plans in which you enroll. You should read these statements carefully to assure you understand your rights under HIPAA.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The School District of Palm Beach County has determined that the prescription drug coverage offered by UnitedHealthcare is, on average, no less as good as Medicare’s prescription drug coverage, or if this coverage changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage:
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug plans:
- Visit www.medicare.gov
- Call your state health insurance assistance program for personalized help (see your copy of the Medicare & You handbook for their telephone number).
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov or by phone at 1-800-772-1213 (TTY 1-800-325-0778).

REMEMBER: Keep this notice. If you enroll in one of the new plans approved by Medicare that offer prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you are not required to pay a higher premium amount.

Employee Self Service

Keeping your data updated and close at hand just got a lot easier.

**Employee Self Service** provides you with 24/7 access to your personal data. By taking advantage of the employee Self Service feature of the District's system, you can:

- view your personal data, including your benefit enrollment and dependent information and
- modify beneficiary information at your convenience.

**Q:** What am I able to view or change using the Self-Service module of PeopleSoft?

**A:** You can:
- update your address and emergency contact information.
- view your paycheck and W-2 information.
- update/change your life insurance beneficiary information; including the percentage.
- view which plans you and your dependents are enrolled in.
- verify your payroll deductions.
- increase/decrease your 403(b) contribution amount
- view/update your Tobacco status
- view your benefit enrollment information

**Q:** I can not seem to log in to PeopleSoft to complete my benefits enrollment, who should I contact?

**A:** Make sure you have reviewed the instructions on how to obtain or reset your password. If you still need help, contact the IT Help Desk at PX 44100 or 561-242-4100 for further assistance. Remember your enrollment is time sensitive, so do not delay completing your enrollment by the enrollment deadline.

**Q:** Will more time be granted to me if there is a holiday, system outage or if I have problems with my password?

**A:** In most cases, no additional time will be granted. Since you have 30 days to complete your enrollment, it is expected that you will act promptly and resolve any unexpected issues well before the final date to enroll.

**Q:** When should I be able to access the online enrollment system?

**A:** Within 48 to 72 hours of your start date, you should be able to create a password and then have immediate access to complete your enrollment.

**Q:** How do I create a password?

**A:** Follow the step-by-step enrollment instructions which explains how to create a password. It also includes information on how to get help if you have forgotten your password.

**Q:** How much time do I have to complete my online enrollment?

**A:** You have up to 30 calendar days from your employment start date to complete your online benefits enrollment and tobacco affidavit.
Your Paycheck Explained

In our continued efforts to keep you informed, here is a sample paycheck explained. The key fields on the pay stub are described below.

**Employee ID**
Your Employee ID is listed here, as well as your Department, Location, Job Title, and Pay Rate.

**Employee Information**
This block contains your name and mailing address.
