MEMORANDUM OF AGREEMENT: Earned Paid Leave (26 M.R.S.A. §637) ..................72
ARTICLE 1: RECOGNITION

A. The Portland Education Association, the Board of Education of the City of Portland, and the Superintendent of the Portland School System recognize that they have a common responsibility beyond their collective bargaining relationship and wish to state their mutual intent to continue to work toward the achievement of common goals. The parties are dedicated to undertake the purposeful change necessary to renew schools. A commitment to change means a willingness to reconsider and alter, as necessary, traditional relationships, organizational structures, and supports, and allocations of personnel, resources, time and space to advance student achievement and enhance the life of the school as a center of learning and productivity.

B. The Board recognizes the Association for purposes of collective negotiation as the exclusive representative of a unit consisting of all social workers employed by the Board and all certificated employees including soft money employees of the Portland School System, excluding certificated, non-represented administrative personnel, and other non-represented personnel, and any other employee holding a position in another bargaining unit.

C. Unless otherwise expressly provided or clearly indicated by the context, the word "educators" when used in this Agreement shall mean all certificated employees represented by the Association in the negotiating unit described above. However, the word "educators" shall not include (l) evening school personnel while acting as such, (2) summer school personnel while acting as such, and (3) personnel employed in a capacity or in any program which is not usually or typically associated with the regular school year program or after school "extra-curricular" programs, while acting as such. But such excluded personnel will have the right to request assistance from the Association in cases affecting their employment as regular educators.

D. Despite reference in this Agreement to the Board or the Association as such, each reserves the right to act hereunder by committee, which committee will not exceed nine (9) in number, individual member, or designated representative, whether or not a member. Each party will provide to the other, upon request, a written statement indicating the person or persons authorized to act in its behalf at any particular point in time.

E. During the term of this Agreement, if an issue arises pertaining to bargaining unit placement that the Association and the Board cannot agree upon, then either party may petition the Maine Labor Relations Board in accordance with its rules and procedures to determine whether the position should be included or excluded from this bargaining unit.

ARTICLE 2: DEFINITIONS

Except when the context in which the following words are used clearly requires another meaning, and except when otherwise specifically indicated, the following words shall have meanings indicated below wherever used in the Agreement:

A. BOARD

The Board of Education of the City of Portland. Said Board may act through its Chairperson, any committee thereof, its Superintendent or any other representative authorized to act for it in any particular situation or class of situations.
B. ASSOCIATION

The Portland Education Association. Said Association may act through its President or any committee thereof or any other representative authorized to act for it in any particular situation or class of situations.

C. SUPERINTENDENT

The Superintendent of the Portland School System, a Director or any other person whom the Superintendent specifically designates to act for her/him in any particular situation or class of situations.

D. PRINCIPAL

A Principal of an Elementary, Middle, or High School, including the Directors of the Breathe Program, PATHS, and Adult Education.

E. ASSISTANT PRINCIPAL

An Assistant Principal of an Elementary, Middle, or High School including the Assistant Director of PATHS.

F. EDUCATOR

A certified employee or Social Worker of the Portland School System represented in the bargaining unit in Article 1, Section B defined and as described in Article 1, Section C.

G. DAYS

All days shall be considered educator work days unless otherwise specified.

H. BENEFIT ELIGIBILITY

Any educator offered a contract for any portion of a school year shall be eligible for fringe benefits as contained in this contract, provided, however, that benefits for part-time educators shall be prorated, based upon the percentage of full-time equivalency as set forth in the educators’ individual teaching contract. Educators commencing employment after August 31, 1998 who are employed less than half time shall not be eligible for benefits.

ARTICLE 3: MANAGEMENT RIGHTS

Except as otherwise specifically provided in this Agreement, or otherwise specifically agreed to in writing between the parties, the determination of educational policy, the operation and management of the schools and the control, supervision and direction of the educators are vested exclusively in the Board.

ARTICLE 4: EDUCATOR RIGHTS

Preamble

Portland Public Schools and the Portland Education Association are committed to effective and clear communication between administrators and educators in a safe and respectful work environment. If, in the course of a meeting between an educator and an administrator, it becomes apparent that
there may be performance concerns with the educator, the meeting will be rescheduled and a formal
process as outlined in Section D below will be followed.

A. All educators employed by the Board shall have the right to become members of the Association or to
refrain from doing so. No educator shall be favored or discriminated against by either the Board or the
Association because of her/his membership or non-membership in the Association or for engaging in
Association activities not barred by this agreement or by law.

B. The Board and the Association agree that neither shall discriminate against any educator, whether or
not a member of the Association, on the basis of race, creed, color, national origin, age, sex, disability,
sexual orientation, gender identity, or marital status. A complaint as to such bias on the part of the
Board may be processed under the grievance procedure set forth in Article 9 or may be taken to the
Affirmative Action Officer under the Affirmative Action plan currently in force.

C. No educator shall be disciplined, reprimanded, or reduced in rank or compensation without just cause,
and no educator on continuing contract shall be dismissed, or deprived of any professional advantage
or have their contract non-renewed without just cause.

The Board may dismiss or non-renew an educator who, although possessed of the requisite certificate,
proves unfit to teach or whose services the Board deems unprofitable to the school system within the
meaning of 20-A M.R.S.A. §13202. Dismissals and non-renewals of continuing contract educators
shall be governed by the procedure set forth in Section E of this Article and the pertinent provisions of
Article 9. Disciplinary actions shall be subject to the Grievance Procedure as set forth in Article 9.

D. When there is a potential disciplinary issue that needs to be discussed with an educator, the following
procedures will be followed:

1. The Administrator will give the educator written notice that they need to meet unless the
matter is of an urgent/emergency nature i.e., a criminal matter, an ethical issue, an allegation
of misconduct involving a student or another employee, an allegation that the educator is
under the influence of drugs or alcohol, a safety issue, etc.

2. The notice will state the purpose of the meeting to the extent possible without revealing any
sensitive and/or confidential information.

3. The notice will inform the educator that this meeting is an investigatory interview and that
the educator may request union representation if the educator reasonably believes that the
meeting might result in disciplinary action and, unless mutually waived or extended, will
allow up to 48 hours for the educator to get representation. The administrator is responsible
for ensuring receipt of the written notice.

4. At the outset of such meeting, the Administrator will provide the educator with a clear and
detailed statement of the issues to be addressed with some supporting evidence.

5. It is understood that an educator may not always be able to immediately respond to the issues
that were raised during the meeting. Follow-up meetings may be scheduled as appropriate
to the particular circumstances.

6. It is understood between the parties that nothing in Paragraph D precludes an administrator
from meeting with an educator for the purpose of placing him/her on paid leave while a
matter is investigated.

7. The Board shall make available a glossary of disciplinary terms and progressive levels of discipline.

8. Educators who have an anonymous report filed against them pursuant to policy ACAA-R Student Discrimination and Harassment Complaint Procedures, will not be subject to Article 4D protocols unless and until the Superintendent/designee has made a determination that further investigation is warranted. Upon such determination, the anonymous report will be shared with the educator in a timely fashion and the educator will be given an opportunity to respond.

E. Article 4D protocols shall not be required when a building administrator/supervisor meets with the educator for purposes of providing constructive guidance and/or counseling and disciplinary action is not reasonably contemplated.

F. DISMISSAL AND NON-RENEWAL PROCEDURE

1. Dismissals

If an educator on continuing contract is subject to possible dismissal by the Board, the Superintendent shall notify the educator of the pending charges in writing. The Superintendent may meet with the educator prior to any hearing on the dismissal to discuss the reasons for the pending dismissal. The educator shall be entitled to have a representative of the Association present during such a meeting.

Within five days of notice of a pending dismissal hearing, the educator shall notify the Superintendent in writing whether she/he intends to elect the arbitration procedure under Section E, Subsection 4, and Article 9 or other review of the Board’s decision, should any further review be sought. An election by the educator not to pursue arbitration shall be signed by the educator and shall be binding upon the educator and the Association.

If arbitration is elected and if the Association subsequently decides not to proceed to arbitration or withdraws from arbitration, the Board shall be held harmless from any claim arising there from, unless legal fraud or collusion between the Board and Association is proved.

Any effort by the educator or the Association to invoke judicial or statutory review of a dismissal decision at any time after arbitration has been invoked shall result in the Association's bearing the full expense of said arbitration.

The dismissal of a probationary educator shall not be governed by this agreement, but by the provisions of applicable law, and is not subject to grievance or arbitration.

In the case of a suspension without pay pending dismissal of a continuing contract educator, the dismissal hearing shall be held no later than fourteen (14) days after the commencement of such suspension, except in instances when a reasonable extension is requested by the educator, the Superintendent or the Board, or when criminal proceedings pertaining to the matter giving rise to the suspensions are pending or imminent. If an educator is dismissed, she/he shall not be entitled to receive any salary for time not actually worked. If the educator is not dismissed, she/he shall be entitled to receive her/his regular salary for the
period of suspension, except as it may be reduced as a disciplinary measure relating to the charges.

2. Non-Renewals

If the continuing contract of an educator of that status is recommended by the Superintendent for non-renewal, the educator shall be notified in writing prior to March 1, or as may otherwise be provided by law. Within 15 calendar days, the educator may request written reasons for the non-renewal recommendation and/or a hearing before the Board. At the same time, the educator must notify the Superintendent in writing whether she/he elects the arbitration procedure under Section E, Subsection 4, and Article 9 or other review available to her/him should any review be sought of the Board’s non-renewal decision. An election not to pursue arbitration shall be signed by the educator and shall be binding upon the educator and the Association. If arbitration is elected and if the Association subsequently decides not to proceed to arbitration or withdraws from arbitration, the Board shall be held harmless from any claim arising there from unless legal fraud or collusion between the Board and the Association is proved.

Any effort by the educator or the Association to invoke judicial or other statutory review of a non-renewal decision at any time after arbitration has been invoked will result in the Association's bearing the full expense of said arbitration. The failure to reappoint a probationary educator shall not be governed by this agreement but by the provisions of applicable law and is not subject to grievance or arbitration.

3. Hearing Procedures

In any hearing before the Board on a dismissal or non-renewal the educator shall have the right to be represented by a representative of the Association and/or by counsel. The Board and the Association shall share equally the costs of any transcript of a hearing before the Board, if the educator has elected to proceed to arbitration.

4. Arbitration on Dismissals and Non-Renewals

In any arbitration properly invoked on a dismissal or non-renewal the arbitrator shall determine whether the Board based its decision upon substantial evidence. She/he shall not substitute her/his judgment for the Board if she/he finds that, on the evidence presented, a reasonable person in the prudent conduct of her/his affairs could have come to the decision reached by the Board and if no proof of disparate or discriminatory action is made. The arbitrator shall have the authority to revoke or modify the decision of the Board on dismissals or non-renewals only if she/he finds that the decision was not based on the evidence before it and/or was arbitrary, capricious or discriminatory. "Discriminatory" treatment shall be proved if persons in provable and demonstrated similar positions were treated differently for provable and demonstrated similar actions or omissions.

G. REDUCTION IN FORCE

1. Seniority Determination

Prior to December 15 of each school year, the Superintendent or his/her designee shall provide
to the Association a list of all educators in the bargaining unit. The educators shall be listed in
their appropriate impact areas according to seniority. Seniority shall be calculated by computing
the length of continuous employment in the bargaining unit. When two or more educators have
the same length of continuous employment, the educator or educators with the greater or
greatest total length of employment in the bargaining unit shall be deemed to have the greater
or greatest seniority. When two or more educators have the same length of total employment in
the bargaining unit, the educator or educators with the greater or greatest total teaching
experience shall be deemed to have the greater or greatest seniority. Leaves of absence taken
pursuant to the Agreement shall not be considered a break in continuous employment.
However, the period of time spent on unpaid leave of absence shall not be counted in the
computation of seniority. The period of time spent on layoff and subject to recall shall be
counted in the computation of seniority.

The Board has the right to establish and add a new impact area for any new program, which does not fit into an existing area (e.g. a new trade area or a new interdisciplinary area).

3. Procedure – Notice

a) If the Board is contemplating the elimination of any bargaining unit positions, it (or its designee) will notify the Association. The Board (or its designee) will meet and consult with the Association prior to a decision to eliminate any bargaining unit positions.

b) Not later than 10 days after the Board determines that a reduction in the bargaining unit positions shall occur, it shall send to the Association a list of the affected impact areas and the positions to be eliminated.

c) The Board shall also give the Association a similar 10 days' notice of the elimination of both extra-curricular and stipend/differential positions. Before terminating a specific educator under this Paragraph, representatives of the Association will be given an opportunity to meet with the Superintendent or his representative to consult with and make recommendations concerning individual terminations.

4. Layoff

a) The least senior educator in an impact area shall be laid off except as subsequently modified hereafter:

The least senior educator in an impact area may be retained and a more senior educator laid off when:

(i) The least senior educator has more qualifications and more ability than a more senior educator relative to the programs to be offered. Such comparison shall be made in the inverse order of seniority. In such instance, the first educator who has fewer qualifications and abilities than the least senior educator shall be the educator laid off or

(ii) The least senior educator holds a differential or extracurricular position that no educator in the impact area is both qualified and willing to fill.

b) Qualifications and abilities referred to in (i) above shall be determined by teacher effectiveness ratings, certification, training (non-degree study in courses, workshops, etc.) which meets the program need in the impact area, advanced degrees in the program need area, and experience (within or outside the system) in the positions to be filled.

c) Qualifications and abilities referred to in (ii) above shall be determined by any of the following: experience, skills, training, management ability, supervisory ability,
interpersonal skills, motivational skills, organization, knowledge of the activity, and judgment.

d) The application of abilities and qualifications referred to in c above shall be determined by the Board and shall not be subject to review except for arbitrary or capricious action.

5. Recall

Any continuing contract educator laid off shall retain the right to recall to the first available position(s) within the educator's impact area at the time of layoff, prior to the employment of outside candidates. Recall rights shall terminate at the end of 15 months after the educator goes off the payroll, or ten days after the educator receives notice of an available position, whichever occurs first. Recall shall be by registered letter to the educator's last known mailing address. The educator shall respond to such notice by registered mail within 10 days of receipt. It shall be the employee's responsibility to notify the Superintendent's Office by registered mail of her/his current mailing address. Failure to respond in a timely fashion shall be considered forfeiture of the offer. Recall shall be in the inverse order of layoff.

6. Any educator who is notified that they are to be laid off shall be granted up to two (2) days' leave with pay, upon request to and approval by the Superintendent/designee, for the purpose of seeking alternative employment.

H. ACADEMIC FREEDOM

Educators may discuss material on which a clear consensus of opinion does not exist, provided that (1) the material is directly related to the curriculum content and (2) a conscientious effort is made to present the many sides of an issue. Recognizing that events and controversial issues, particularly ones related to social justice, occur and are impactful on students’ lives, educators may need to conduct guided conversations that encourage civic participation and foster global competency. The district and Association will work collaboratively to coordinate resources with the goal of providing age-appropriate resources and guidance for communications with students and families with necessary efficiency to meet the moment.

I. Nothing contained herein shall be construed to deny or restrict any rights an educator may have under the statutes of the State of Maine. Nor shall anything contained herein be construed to deny or restrict rights granted to the Board under the statutes of the State of Maine or the Charter of the City of Portland.

ARTICLE 5: SAVINGS CLAUSE

If any provision of this Agreement or any application thereof to any educator or group of educators is found contrary to law, then such provision or application will be valid and subsisting only to the extent permitted by law, but all other provisions or applications will continue in full force and effect. The parties will meet not later than ten (10) days after any such holding for the purpose of renegotiating the provision or provisions affected.

ARTICLE 6: ASSOCIATION RIGHTS AND PRIVILEGES

A. ASSOCIATION RELEASE TIME

1. The President of the Association shall be entitled to a full-time leave of absence for the duration of the President’s term without loss of benefits, salary step or scale. The President will be
2. The President of the Association shall be permitted access to school buildings to conduct Association business.

3. The Association shall reimburse the Board for one-half (1/2) the cost of the President’s salary.

4. The Association shall reimburse the Board for additional release time for Association Leadership.

5. If legislation is enacted that impacts the current method of determining the employer's retirement contribution paid by the Maine State Retirement System pertaining to an educator who is on a leave of absence pursuant to this Section, then the Board agrees to reopen this Section A to negotiate the impact of said legislative change.

B. The Board agrees to furnish to the President of the Association electronic copies of the following:

1. The annual school department final budget and audit within a reasonable period of time after their availability.

2. The agendas with supporting information and minutes of all official public Board meetings.

3. Any reports of the Superintendent or others to the Board, if such reports are officially released to the public news media by either the Superintendent or the Board.

C. The Board agrees to furnish to the President of the Association at her/his written request:

1. School census data, when available.

2. Any other readily available non-confidential data to assist the Association in the fulfillment of its professional responsibilities.

3. The Board agrees to prepare and make available in each building an annual register of School Department personnel. The Board will provide electronic copies to the Association. Educators on an as-needed basis may request a copy from the Human Resources Department.

4. The Board agrees to furnish the Association with electronic copies of all Board policies and administrative or accounting bulletins within a reasonable period of time after their availability.

D. Whenever any representative of the Association or any educator is scheduled by the Board, or approved by the Superintendent, to participate during working hours in negotiations, grievance proceedings, conferences, or meetings, she/he shall suffer no loss in pay.

E. Except as provided in Section D above, no educator shall engage in any Association activity during the time she/he is assigned to teaching or any other duty provided that representatives of the Association, the Maine Education Association and the National Education Association shall be permitted to confer with educators on school property at all times, when this does not interfere with or interrupt normal school operation and after informing the appropriate principal of her/his intention to confer.

F. The Association and its representatives shall have the right to use school buildings at all reasonable
hours for meetings. Upon reasonable advance notice of the time and place of such meetings, the
principal shall permit the holding of such meetings except in cases when previously scheduled for
another event. The Association shall reimburse the Board for any extra labor costs required for such
meetings.

G. The Association shall have the right to make reasonable use of school equipment, such as typewriters,
computers, duplicating equipment, calculating machines, and audio-visual equipment at reasonable
times and when such equipment is not otherwise in use. The Association shall reimburse the Board for
the reasonable cost of all materials and supplies incident to such use.

H. The Board shall permit the use of faculty lounge bulletin boards by the Association for the posting of
notices relating to Association business.

I. The Association will be involved in designing and implementing orientation programs for new
educators.

J. The Association may make recommendations for the school calendar each year. The Board or its
designee shall meet and consult with the Association for the purpose of providing meaningful input
from educators into the development of the subsequent year calendar.

K. If at any time during the term of this contract the Board shall contract or subcontract out any services
performed by the educators hereunder, the Board agrees that any educator whose duties may thereby
be reduced or terminated shall be considered for employment by such contractor or subcontractor
provided that such contractor or subcontractor agrees in such contract or subcontract to permit such
consideration. Upon the completion or termination of the contract or subcontract, the Board agrees that
any such educator who has been in the continuous employment of such contractor during the entire term
of such contract or subcontract shall be reinstated in a teaching position and, for the purpose of
determining seniority, recognized as having been continuously employed by the Board while she/he
was working for said contractor or subcontractor. Whenever contract conditions permit or should the
Board develop its own contract, the Association will have an opportunity to bid to provide services as
outlined under the conditions of said contract specifications.

L. The Association may use the inter-school mail and delivery system provided that the Association agrees
to hold the Board harmless pertaining to the Association's obligation to comply with the U.S. Postal
Service rules and regulations concerning such use. The Association may use the e-mail system to the
extent that it does not interfere with school business and consistent with the Board’s policy and rules
on employee computer and internet uses (GCSA and GCSA-R).

**ARTICLE 7: STRIKES AND SANCTIONS**

During the term of this Agreement, the Association, its officers, agents and members will not cause, sponsor,
support, encourage or engage in any strikes, slow-downs, sanctions, professional alerts (so-called), or any other
activity that might interfere with the normal operation of schools by the Board, and will not cause, sponsor,
encourage or request the imposition by others of sanctions, professional alerts (so-called), or any other activities
that might interfere with the normal operation of schools by the Board. If sanctions, professional alerts, or any
other activities that might interfere with the normal operation of schools are imposed by other parties, the
Association will promptly and publicly request such other parties to cease such conduct immediately. There
shall be no lockouts for the duration of this Agreement.
ARTICLE 8: FLEXIBLE BENEFITS PLAN

Educators will receive "Benefit Dollars" in an amount determined in accordance with the provisions of Section A. Under the Flexible Benefits Plan adopted by the Board, Benefit Dollars may be used as set forth in the "Benefit Options" described in Section B. Domestic partners of employees will receive the same health and fringe benefits as spouses of employees as provided in City of Portland Ordinances, Chapter 13.6 and PPS policies.

A. BENEFIT DOLLARS

The Benefit Dollars available to an Educator will equal the total of (1) the cost of single subscriber, Delta Dental Plan, and (2) the amount toward Anthem Blue Cross/Blue Shield Health Insurance, Choice Plus Plan or Standard Plan, determined under the following provisions:

1. Single Coverage

100% of the prior year’s Choice Plus Single premium rate plus the cost of any annual Single premium rate increase up to 3%.

2. Adult with Child(ren), Two Person, and Full Family Coverage

100% of the prior year’s Choice Plus Adult with Child premium rate plus the cost of any annual Adult with Child premium rate increase up to 3%.

3. Educators, other than those described in Subsection 6 below, who elect not to receive medical insurance and can show proof of insurance elsewhere will not receive Benefit Dollars based on medical insurance. Educators will, however, receive Benefit Dollars in an amount equal to the cost of single subscriber Delta Dental Plan, which Benefit Dollars may be used toward dental insurance, medical reimbursement accounts, or dependent care reimbursement accounts, or received as taxable income. This cash-in-lieu benefit is not available to employees receiving health insurance through Medicare or an ACA-sponsored health insurance plan.

4. In order to receive Benefit Dollars based on Two Person or Family status under the above, the employee must provide evidence to the Board that his/her spouse/domestic partner is not eligible to receive insurance through his/her employment and must notify the Board of any changes to the spouse’s/domestic partner’s eligibility. The form of such evidence shall be determined by the Board. Any allocation or payment of benefit dollars found to have been improperly made shall be deducted from the employee’s pay according to a mutually agreed schedule that does not extend beyond the end of the contract year.

A spouse/domestic partner who is eligible for health insurance benefits through his or her own employer but chooses through a cafeteria plan to apply dollars to other than health insurance benefits is considered eligible for health insurance through his/her employer.

An employee whose spouse/domestic partner is self-employed who in turn employs other employees who are entitled to health insurance but has declined for him or herself is considered eligible for health insurance through his/her employer. An employee whose spouse/domestic partner is self-employed and may access insurance through a group insurance provider or trade association is considered eligible for it through his/her employer.
5. Educators who were participating in the Board’s medical insurance program prior to September 1, 1993, and who subsequently elected under the flexible benefits plan to reduce coverage in exchange for a payment equal to one-half (½) of the amount saved by the Board, will receive Benefits Dollars equal to one-half (½) of the amount for which they otherwise would be eligible under the Standard Plan, as set out above.

6. Benefit Dollars shall be prorated for part-time Educators. Educators whose workdays are reduced involuntarily shall continue to receive Benefit Dollars at the full-time level.

7. In the event that the MEABT changes health insurance plans, Board contributions will be based on the insurance plan closest to the current Choice Plus plan (in terms of premium cost, deductibles/co-insurance and benefit coverage.) The parties agree that they will share in the increase/decrease in the premium costs resulting from the MEABT plan change equally but in no event shall Board costs increase more than 5% in any one year during the contract term. The current 3% cap on increases over prior year shall remain.

B. BENEFIT OPTIONS

Educators are eligible to participate in, and may apply Benefit Dollars towards the cost of, any of the benefit options described below. Benefit elections must be made annually during a period selected by the Board (the "Election Period"). During the Election Period, Educators may add, drop or change the level of medical or dental insurance, change medical insurance plans, and change the amount of contributions to medical and dependent care reimbursement accounts. Other than during the Election Period, benefit elections may not be changed unless the employee has a change of family status or other event, which permits an election change under the Internal Revenue Code.

1. Health Insurance

   Educators may enroll in the MEA Benefits Trust Blue Cross/Blue Shield Standard Plan or Choice Plus Plan. Premiums will be deducted from Benefit Dollars, to the extent available. Any premiums not paid out of Benefit Dollars will be deducted from the Educator's pay on a pre-tax basis, unless the Educator elects to have such amounts deducted on an after-tax basis.

2. Dental Insurance

   Educators are eligible to receive dental insurance coverage. Educators may elect to receive dependent coverage, single coverage or no coverage. Premiums will be deducted from Benefit Dollars, to the extent available. Any premiums not paid out of Benefit Dollars will be deducted from the Educator's pay on a pre-tax basis, unless the Educator elects to have such amounts deducted on an after-tax basis.

3. Medical Reimbursement Accounts

   Educators may elect to establish and make semi-monthly contributions to medical reimbursement accounts. Such semi-monthly contributions may be no less than $10.83 ($260 annually) and may not exceed $104.17 ($2,500 annually). Contributions will be deducted from Benefit Dollars, to the extent available. Any contributions not made out of Benefit Dollars will be deducted from the Educator's pay on a pre-tax basis. Medical reimbursement accounts will
be managed by Maine School Management Association. Reimbursements from medical reimbursement accounts will be governed by the Internal Revenue Code and the Portland School Department Medical Care Reimbursement Plan.

4. **Dependent Care Reimbursement Account**

   Educators may elect to establish and make semi-monthly contributions to dependent care reimbursement accounts. Such semi-monthly contributions may be no less than $30 ($720 annually) and no more than $208.33 ($4,999.92 annually). Contributions will be deducted from Benefit Dollars, to the extent available. Any contributions not made out of Benefit Dollars will be deducted from the Educator's pay on a pre-tax basis. Dependent care reimbursement accounts will be managed by Group Choice of Maine. Reimbursements from dependent care reimbursement accounts will be governed by the Internal Revenue Code and the Portland School Department Dependent Care Assistance Plan.

5. **Taxable Income**

   Any Benefit Dollars not applied to one of the benefit options described above will be paid to the Educator as taxable income.

C. The Board’s participation in the Flexible Benefit Plan, as described in this Article, will be continued for the ensuing policy summer quarter for an Educator resigning at the end of the school year.

D. Notwithstanding anything contained to the contrary herein, the Board reserves the right to institute a new program of insurance providing benefits substantially equal or superior to those described above.

**ARTICLE 9: GRIEVANCE PROCEDURE**

A. “Grievance” as used in this Agreement, means a claim by an educator or group of educators that there is a disagreement or dispute as to the interpretation, meaning or application of any provision of this Agreement, except provisions expressly excluded from the grievance procedure contained in this Agreement.

B. **INFORMAL LEVEL**

   The Board and the Association encourage problem solving between an educator and his/her supervisor. Any educator who believes he/she has a grievance involving an interpretation or application of this agreement is thus encouraged to try to resolve the matter informally with his/her supervisor before initiating the following formal grievance procedure. The Association shall have the right to be present.

C. **FORMAL LEVEL**

   If the educator is unable to resolve the grievance informally, the educator may process a grievance as follows:

   **Level One – Principal/Supervisor**

   The educator shall submit the details of such grievance to the appropriate Principal or Supervisor in writing on the form attached hereto as Appendix I with a copy to Human Resources. Within ten (10)
working days thereafter, the appropriate administrator shall meet with the grievant and representatives
of the Association for the purpose of resolving the grievance. The appropriate administrator shall render
his/her decision in writing to grievant and the Association within ten (10) days after the meeting.

**Level Two – Superintendent**

1. If such grievance is not resolved to the satisfaction of the grievant as a result of the procedure
   at the Principal/Supervisor Level, the grievant may present such grievance in writing to the
   Superintendent within ten (10) days after receipt of the Principal/Supervisor’s decision.

2. In the case of a grievance of a general nature and not related to a particular educator or a
   particular school, the grievance shall be presented by the Association directly in writing to the
   Superintendent, without the necessity of processing the grievance pursuant to the procedures at
   the lower level.

3. Within ten (10) days after the Superintendent receives the grievance, the Superintendent shall
   meet with the grievant and the Association for the purpose of resolving such grievance. The
   Superintendent shall render the decision in writing to grievant and Association within ten (10)
   days after the meeting.

**Level Three – Board**

If such grievance is not resolved to the satisfaction of the grievant at the Superintendent level, the
grievant may present such grievance in writing to the Board within ten (10) days after receipt of
Superintendent’s decision. Within ten (10) days after the receipt of the grievance or at the next regularly
scheduled Board meeting, whichever is later, the Board shall meet with the grievant and representatives
of the Association for the purpose of resolving the grievance. The Board shall, within ten (10) days
after such meeting, render its decision in writing to the grievant with a copy to the Association.

**Level Four – Arbitration**

If such grievance is not resolved to the satisfaction of the Association at the Board level, the Association
may request arbitration of the grievance within ten (10) days after receipt of the written decision of the
Board. Within ten (10) days after such request, the Association and the Board shall select an arbitrator,
but if they are unable to agree on a selection, the Association shall file within ten (10) days a demand
for arbitration with the American Arbitration Association or any other mutually agreed upon arbitration
organization. The arbitrator shall be selected through the American Arbitration Association or
alternative arbitration organization in accordance with the rules and procedures of the applicable
arbitration organization. The arbitrator shall fix a time and a place at Portland, Maine for a hearing upon
reasonable notice to each party. After such hearing, the arbitrator shall promptly render a decision,
which shall be binding upon both parties subject to judicial review as permitted by law, but the arbitrator
shall have no power to render a decision which adds to, subtracts from, or modifies this agreement; the
decision shall be confined to the meaning of the contract provision which gave rise to the dispute. The
arbitration proceeding will be conducted in accordance with the rules and procedures of the American
Arbitration Association. The cost for the services of the arbitrator, including his/her per diem expenses,
if any, and his/her actual and necessary travel and subsistence expenses, and the costs of a hearing room
and transcript, if any, will be shared equally by the Board and the Association. All other costs will be
paid by the party incurring them. If either party requests a transcript for its own use, then that party
requesting the transcript shall pay the costs of same.
D. MISCELLANEOUS PROVISIONS

1. The time limits for processing of grievances may be extended by written agreement of the parties.

2. A grievance must be commenced at Level One not later than Forty-Five (45) days after whichever of the following first occurs:
   a) Knowledge by the Association of the event giving rise to the grievance.
   b) Effective September 1, 2015, knowledge by the educator concerned of the event giving rise to the grievance.

3. In the event that a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school work year and, if irreparable harm shall result to a party in interest if it is left unresolved until the beginning of the following school work year, then the parties shall make all reasonable efforts to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school work year or as soon thereafter as practicable.

4. Without the consent of the Board and the Association, two or more grievances shall not be submitted to the arbitrator at the same time.

5. The Superintendent, the Board, and the Association may designate representative(s) to act in their place.

6. As herein used “days” shall mean educator workdays during the school year.

7. Grievance proceedings shall not be open to the public.

ARTICLE 10: WORK YEAR AND WORK DAY

A. Except as otherwise provided in Section B, the K-12 and adult educator work year shall consist of not more than one hundred eighty-three (183) days. The School Counselor work year shall be one hundred ninety-three (193) days. Two of the non-student days will not be placed in the school calendar and will be used for parent conferencing outside the normal work day. One (1) of the first four (4) workdays and the last workday for educators will be for educator preparation.

B. Any educator required to work in addition to the regular work year set forth in Section A above and in excess of the educator work year shall be paid at a salary rate computed by dividing the individual's regular annual salary, excluding differential payment, by 183 days divided by seven and one-half (7.5) hours times the number of hours worked for educators covered by this contract.

C. Educators shall be permitted to leave the building during any scheduled duty-free lunch period, provided that they first sign out with the school office. Educators shall have similar rights under the same conditions with respect to so-called planning periods but only in the event of emergency personal business or necessary school related business.

D. The individual educator's classroom day will not be "staggered" (e.g. 8 a.m. to 12 p.m. and 3 p.m. to 5 p.m.) except when essential for curriculum scheduling.
E. 1. Educators will report to school 15 minutes before the start of the student instructional day as stated on the District calendar and remain ten (10) minutes after the end of the instructional day. Time before and after the instructional day can be adjusted in five minute increments to serve the needs of individual schools but collectively total time shall remain 25 minutes and cannot be allocated entirely before or after the day. Administrators shall meet and consult with their leadership team to determine this schedule.

2. Sixty minutes will be required every Wednesday to begin 10 minutes after the end of the student instructional day; on early release days, the 60 minutes will begin at the same time as if there had not been an early release. The 60 minutes will be used for district or school directed professional development, committee meetings, monthly faculty and department meetings, etc.

3. The Board and the Association recognize that there is a collective responsibility for the success of the Schools and that the teaching profession carries with it many demands that cannot be met during the student instructional day, and thus, educators are expected to work for a period of time beyond the regularly scheduled student instructional day. These responsibilities could include, but are not limited to, collaboration with colleagues, student support, family engagement (e.g. communication, home visits), 504 and IEP meetings, self-directed professional learning etc. Because educators must ensure that their many obligations are met, they shall have the flexibility as professionals to allocate this time as appropriate to meet the needs of students, the school, and the district.

4. Due to the necessity for collaboration in education, common times for individual school, department, or District-directed meetings are recognized as necessary for maintaining best practices in teaching and learning. As such, educators may be scheduled to attend up to two (2) meetings per month, not to exceed sixty (60) minutes each and not to be scheduled with fewer than seven (7) days’ notice. Administrators who create this schedule will provide the opportunity for educators to request times based on childcare needs, coaching, and student activities they are supervising. These meetings will generally start 10 minutes after the student instructional day unless agreed otherwise.

F. The issue of scheduling the student day is understood by both parties to be a matter of educational policy, subject to change at the discretion of the Board although subject to a meet and consult requirement. Any district proposals for a differentiated calendar will be subject to a meet and consult requirement. The Association reserves the right to bargain the impact of any change. This Paragraph does not constitute a contractual obligation on the part of the Board and shall not be subject to the grievance procedure contained in this contract.

G. The intent of this section is for educators to have a non-supervisory lunch period in the middle hours of the instructional day, as outlined below.

1. Elementary school educators will have a one-half (½) hour duty free lunch period each day.

2. Except in emergencies, secondary school educators will have a non-supervisory lunch period. It is understood that the established practice at Portland High, Deering High, and PATHS satisfies this provision. In order to implement this provision at Casco Bay High, King Middle, Lincoln Middle and Moore Middle schools, a non-supervisory lunch period is defined as follows:
a. There is no expectation of supervision by the educator, and
b. The educator has a minimum of 20 consecutive minutes, and
c. The lunch period occurs during the middle 2.5 hours of the instructional day.
d. An educator may be assigned lunch duty, provided they also have a non-supervisory lunch
   period as defined in (a, b, c) above.
e. When scheduling constraints require, the lunch period may occur during an educator’s
   planning period. Schedules shall be rotated at least annually to ensure that this does not
   occur more than one year at a time.

H. Conferences requested by parents will be scheduled at the professional discretion of the educator. If the
   educator does not fulfill this responsibility, such conferences shall be arranged by the principal and the
   principal shall inform the educator of the time of such conferences.

I. In the event the Board extends the length of the educators’ total in-school workday at any school, the
   Board agrees to negotiate with the Association concerning the effect of such extension on the wages,
   hours, and working conditions of the educators at such school.

J. Any educator who participates in a school-sponsored overnight with students and is not otherwise
   compensated will receive compensatory time off in the amount of one (1) work day for one (1)
   overnight, to be scheduled with the approval of their supervising administrator.

K. Non-classroom educators, such as nurses, therapists, counselors, social workers, school psychologists
   and coaches, shall have the flexibly in their professional discretion to reasonably schedule enough non-
   direct service time to meet their overall professional obligations.

L. Educators assigned to case management and/or evaluations for special education services such as
   special educators, ELL educators, therapists, school psychologists who are required to perform
   substantial compliance-related paperwork will receive two days of paid release time per year that may
   be taken in half-day increments and scheduled with the approval of their supervisor to complete these
   responsibilities.

**ARTICLE 11: NON-EDUCATOR DUTIES**

A. During the term of this Agreement, educators shall not be required to perform the following duties:

1. Student banking
2. Charitable solicitations from students
3. Charitable solicitations from certificated personnel
4. The collection of money.
5. Custodial Functions

B. During the term of this Agreement, whenever feasible in the judgment of the Board, after consideration
   of the availability of funds and of suitable replacement personnel, educators shall not be required to
   perform the following duties: Bus loading and unloading.
C. Notwithstanding the provisions of Section A, Subsection 2, and Section A, Subsection 3, educators may participate in solicitations for charitable drives consented to by both the Association and the Board as they relate to educators only.

D. Activities which, in the judgment of the Board, have no educational objectives shall be barred from classrooms.

**ARTICLE 12: SALARIES**

Preamble

The PPS and PEA believe it is important to maintain a professional learning system which leads to improvement in student learning and educator practice. The Professional Learning Based Salary System (PLBSS) recognizes professional learning which promotes significant contributions to student learning and educator practice, and is equally accessible to all members of the bargaining unit. The PLBSS encourages educators to remain career-long learners in order to increase student learning, to enhance and update educator skills, and to have educators be visible models as learners to their students. Therefore, this system encourages salary contact hour proposals which may use evidence of educators’ updated skills and measures of student performance for documentation of successful proposals.

A. The salaries of all educators covered by this Agreement are set forth in Appendix A which is attached hereto and made a part hereof.

B. In order to advance a step on the professional learning-based salary scale, an educator must work at least one (1) day more than the one half (1/2) of the annual educator work year. Part-time educators’ total work time must be equivalent to one half (1/2) of the fulltime educators’ work year. All paid time away from the job, e.g. paid sick leave, personal leave, sabbatical leave, bereavement leave, shall be counted as workdays. All unpaid time away from the job, e.g. unpaid sick and personal leave days used in excess of those granted by the Collective Bargaining Agreement, shall not be counted as workdays. Payments in an unrelated job classification shall not be counted as workdays. For part-time educators, only those days worked within one school year will be counted in the calculation to determine step movement.

C. **ADVANCING ONE SALARY LANE ON THE PROFESSIONAL LEARNING BASED SALARY SCALE**

1. To advance one salary lane on the Professional Learning Based Salary Scale, educators must accumulate approved salary contact hours defined as follows:

   a) Advancing from Lane 1 to Lane 2 requires 3 years and 180 SCH
      Advancing from Lane 2 to Land 3 requires 3 years and 180 SCH
      Advancing from Lane 3 to Lane 4 requires 4 years and 225 SCH
      Advancing from Lane 4 to Lane 5 requires 4 years and 225 SCH

   b) University /College credits (one credit equals 15 SCH).
      Continuing Education Units (CEU) (one unit equals 10 SCH).
      PPS and PEA designed and approved contact hours.
      Individual proposed and approved contact hours.
c) Eligible university/college credits and CEUs are those that are related to student learning and educator practice.

d) See Appendix B for examples of the types of learning projects that could be considered for salary contact hours.

2. Educators may accrue salary contact hours from their date of hire forward, but are not eligible to change lanes for a period of 3 years between Lanes 1 and 3 and three years must pass before a lane change from Lane 2 to 3 and four years between Lanes 3 and 5. Once a lane change has been made, a minimum of four years must pass before the next lane change between Lanes 3 and 5.

3. The maximum number of salary contact hours granted for any one proposal is 60, except for National Board Teacher Certification (225), PPS and PEA designed and offered courses of study, and college courses.

4. The following process applies to submission of salary contact hour proposals:

   a) Proposals to earn salary contact hours will be submitted to the Superintendent or designee on the appropriate form.

   b) The Superintendent or designee will refer the proposal to the PLBSS Proposal Review Team. The Team will be composed of 3 educator appointments made by the President of the Association and 2 administrative appointments made by the Superintendent. The PLBSS Proposal Review Team will review proposals for rigor and applicability to student learning and educator practice. PRT decisions require consensus and will be referred to the Superintendent or designee for approval or denial.

   c) If a proposal is denied, the educator may revise the proposal and resubmit as a new proposal or the educator may appeal the denial to the Proposal Appeal Panel. The Panel will be composed of 3 educator appointments by the President of the Association and 3 administrative appointments by the Superintendent, none of whom are members of the PLBSS Proposal Review Team. The Proposal Appeal Panel will review proposals and submit a recommendation for approval or denial to the Superintendent or designee whose decision will be final and is not subject to grievance or arbitration.

   d) Lane changes may be made only on September 1st of each year. In order to change lanes, the educator, in the year prior to the lane change, must submit proposals for any salary contact hours to be used toward the lane change by October 1st and document all hours to be used toward the lane change by January 10th. These deadlines are established to align lane change determination with district budget development.

5. Agreements between the PPS and the PEA have been and will continue to be made regarding Salary Contact Hour proposals and Lane Changes (maximum number of hours for certain types of proposals, repeat proposals, activities not eligible because they are considered professional responsibility or paid work, etc.).
a) A list of these agreements is attached hereto in Appendix B and is also available in the office of the Superintendent/designee.

b) Any changes to these agreements will be made by the Living Contract Committee.

c) Because of the unique needs of the PPS student population, the district administration has an interest in directing some of the professional learning of educators. Therefore, any educator requesting to make a Lane Change on September 1, 2013 or thereafter must provide documentation of the successful completion of one 3 credit university/college course OR one PPS and PEA course designed by the District Professional Learning Committee (see Article 19) OR other PPS approved trainings in ONE of the following areas of need: English as a Second Language, poverty, adolescent literacy, early childhood education, special education, race/bias/equity, technology, project-based learning, or trauma-informed approach. The course must have been taken within FIVE years of the lane change date. This course will not be eligible for SCH unless it was proposed and submitted to the PLBSS according to the guidelines. This list of eligible courses may be revised through mutual agreement.

d) The fee paid to educators for planning and instructing PPS/PEA 45 SCH courses will be $2,500 per course $1,250 to each educator if co-teaching a course.

6. Effective the 2022-23 contract year, new educators coming into the District who have been enrolled in a matriculated, advanced-degree program (Masters, Doctorate), for at least 6 months prior to hire, and have earned course credits towards professional certification from a conditional certification, or National Board Certification Program in the 2 years preceding employment with the District, shall elect to either:

a) Be credited with SCH credits for work completed towards an advanced degree/certification,

b) Have their placement on the salary scale recalculated in accordance with their new degree or NBTC status. Any resulting salary adjustment will take effect at the start of the contract year following completion of their advanced degree/certification. Confirmation of completion must be submitted to Human Resources no later than May 31 in order to take effect at the start of the new contract year.

To be eligible, advanced degree/professional certification must be in the field relevant to educator’s profession and/or otherwise comply with the PLBSS requirements contained within this Agreement.

Educators will be required to provide the same advance notice as required for Lane changes.

Options offered under this Article are available only for the first two years after the employee’s original date of hire into the unit. Course credits/SCH awarded for a new placement on the salary scale cannot be used towards a future lane change.
D. **EXPERIENCE CREDIT FOR TEACHING**

Educators entering employment of the Board for the first time and educators returning to the employment of the Board shall receive full experience credit for full-time teaching experiences up to the maximum step of the Experience Based Salary Schedule before being placed on the appropriate salary level on the Professional Learning Based Salary Schedule. Effective the beginning of the 2016-17 school year, incoming educators shall receive a half-year experience credit for part-time teaching experience that is equal to or greater than half-time. Half years will be rounded to the next lowest whole year. In addition, educators holding current National Board Teacher Certification when hired will receive one additional year of experience credit. Effective the beginning of the 2019-20 school year, incoming educators shall receive one year of experience credit for every two years of full-time Educational Technician III experience. Human Resources may recognize equivalent paraprofessional experience for purposes of placement on the salary scale.

E. **EXPERIENCE CREDIT FOR OUTSIDE TEACHING SERVICE**

1. An educator with immediately prior teaching experience in the Portland School System, upon her/his immediate return to the system, shall receive one (1) full experience credit up to a maximum of two (2) years for appropriate teaching service, in the Peace Corps, VISTA, or National Educators Training Corps work and also for time spent on a Fulbright Scholarship and two (2) full experience credits up to a maximum of four (4) years for time spent as a result of being drafted under the Selective Service system, call up of reserves, or as a call of enlistment in any of the Armed Services in time of national emergency. Previously accumulated, unused sick leave days will be restored upon return to regular employment with the Board.

2. To be eligible for benefits provided under this Section E, educators must indicate in writing to the Superintendent their intention to apply for the Peace Corps, VISTA, National Educators Training Corps, or Fulbright Scholarship no later than November 1 of the school year preceding taking up such service, and must make such application no later than February 1 and shall also complete said school year and shall also notify the Office of the Superintendent prior to April 1 of the school year whether her/his application has been accepted and whether she/he will leave at the end of the school year.

3. To be eligible for the benefits conferred by this Section E, a draftee or enlistee must give the Office of the Superintendent prompt notice of all changes in her/his draft status and also prompt notice of calls for physical examinations and of the time set for her/his induction and/or notice of her/his intention to enlist as soon as she/he reaches such a decision.

4. The Superintendent may waive any of the aforementioned time limits.

F. **NON-TEACHING WORK EXPERIENCE**

The Superintendent may use work experience in conjunction with teaching experience in establishing the appropriate step on the salary scale when such work experience is relevant to the subject being taught and can contribute to career information to students. Effective the beginning of the 2016-2017 school year, for incoming educators, the Superintendent/designee may credit prior work experience for purposes of initial placement on the salary scale when such non-teaching work experience is directly and substantially related to the educator’s initial assignment. Examples of when credit may be
appropriate include, but are not limited to, engineering experience for a STEM assignment, journalism experience for an English Language Arts assignment, or relevant trade experience for a PATHS assignment. The Board and Association recognize that the assessment of such work experience requires a degree of judgment and, therefore, the Superintendent/designee’s decision shall be final unless arbitrary and capricious. Incoming educators shall be provided a work experience questionnaire (see Appendix M) at the time of hire, which shall be returned to Human Resources. Any grievance arising under this clause may only be filed by the incoming educator or by the Association on behalf of the incoming educator and must be filed within 45 days after the educator becomes a public employee within the meaning of Title 26, section 962(6).

G. NEWLY HIRED EDUCATORS

1. The parties agree to maintain an Experienced Based Salary Schedule to be used as the basis for determining entry-level salaries.

2. A two-step process will be used to place educators on the Professional Learning Based Salary Schedule.

   a) Each educator will first be placed on the Experience Based Salary Schedule for that contract year in accordance with the requirements in Paragraph B above. In order to advance on the experience scale of the salary schedule, an educator must work at least one (1) day more than one half (1/2) of the annual educator work year -- (part-time employees' total work time must be equivalent to one half (1/2) of the full-time educators' work year). All paid time away from the job, e.g. paid sick leave, personal leave, sabbatical leave, funeral leave, shall be counted as workdays. All unpaid time away from the job, e.g. unpaid personal and sick leave days used in excess of those granted by the Collective Bargaining Agreement, shall not be counted as work days. Payments in an unrelated job classification shall not be counted as workdays. For part-time employees, only those days worked within one school year will be counted in the calculation to determine step movement.

   b) Each educator will then be placed on the Professional Learning Salary Schedule on the lane and step with the salary identical/or next highest to the salary he/she would have made on the Experience Based Salary Schedule. If that salary lane would place an educator at step 6 or lower, that is the step and salary. If that placement is above step 6, the educator moves to the step with the next highest salary in the lane immediately to the right.

   c) Any educator formerly employed by Portland Public Schools as an educator who is rehired will be placed on the same lane and step they were on when they left employment if they resigned at or prior to the conclusion of the first semester, or on the next step if they resigned after the conclusion of the first semester, provided that the contract awarded a step increase for completing that year, unless placement according to the two-step process described in (a) and (b) is higher.

   d) Vocational Educator

      (i) The following requirements shall apply to those educators who are required to hold a valid Vocational Certificate.
(ii) Educators of Vocational-Technical courses shall have a minimum of three years of occupational experience in the occupational area concerned.

(iii) Vocational educators shall be placed on the Experience Based Scale for initial salary determination based on the following:

- Vocational Certification – paid on the Bachelors scale
- Bachelor’s Degree – paid on the Masters scale
- Master’s Degree – paid on the Masters Intermediate scale

e) Placement on Master’s Intermediate Scale for Initial Salary Determination

(i) Placement on the Master’s Intermediate scale shall be only through an approved planned program;

(ii) Leading to a doctoral degree with a minimum of thirty (30) hours completed;

(iii) Certificate of Advanced Study or approved equivalent;

(iv) Second Master’s degree which is in another discipline or which provides another area of certification;

(v) Thirty (30) credit hours of coursework directly related to the educator’s teaching practice and aligned with district priorities.

H. The annual salaries of educators will be paid in twenty-six (26) installments, as follows: Beginning in September each installment shall be one-twenty-sixth (1/26) of the annual salary (minus deductions for absences and other authorized deductions). The twenty-six (26) installments are due every other Friday or on other approximate dates approved by the Board. If a payday falls on a legal holiday when the School District is closed, checks/direct deposit receipts will be available the preceding workday. If a payday falls on Friday during school vacation, checks/direct deposit receipts will be distributed to the respective schools on that day except during the summer vacation period when the checks/direct deposit receipts will be mailed if the educator does not call at the office for them. In a year where there is a three (3) week pay gap in August, the Board will meet and consult with the Association regarding the payroll schedule.

I. DIRECT DEPOSIT

All educators must enroll in direct deposit.

J. DIFFERENTIALS

1. Assignments

Differential positions will be open and posted for applications each year, and will be filled by annual one (1) year appointment. An educator's appointment or reappointment to a differential position will require advanced approval of the Superintendent. The Superintendent may decide not to appoint or reappoint an educator, and such decisions will not be arbitrable; provided, however, that after reappointment for three (3) successive years to the same differential position the Superintendent's decision not to reappoint to the same differential position for the next
successive year (and for successive years thereafter) will be arbitrable, and will stand unless the non-reappointment is arbitrary and/or capricious. It is further agreed that an educator will not be removed from a differential position during the one (1) year term of appointment or reappointment. Every effort will be made to provide notification of his/her appointment by the Superintendent at least thirty (30) calendar days but in no event not less than ten (10) calendar days prior to the commencement of the activity. The provisions of this Section apply only to differential holders otherwise covered by this agreement.

2. Review

Differential positions listed in Appendix C shall be reviewed on an as-needed basis by the Differential Review Committee as described below. All Elementary Float positions will be defined annually by the date the differentials are posted. The purpose of the Differential Review Committee is to evaluate any change during the term of this Agreement to an existing differential that substantially changes the position or to recommend the differential amount for a newly created differential. Any individual seeking to initiate a review of an existing differential that has been substantially changed during the term of this Agreement shall propose an adjustment to the differential to the Differential Review Committee. The Committee shall meet on a periodic basis to evaluate such proposals. Members of the Differential Review Committee shall include: Superintendent or designee, Association President or designee, Appropriate Building Principal/designee, and Athletic Director/designee. The recommendations of the Committee shall be made to the Board for consideration.

1. If a differential position is not filled for a given year, the building administrator may, with approval of the Superintendent, use the dollar amount assigned to that differential to pay a coach/advisor for an activity not listed in Appendix C for that term. When an academic activity/differential is not filled, preference will be given to another academic activity.

2. If there are insufficient numbers of students to constitute a team/activity, the building administrator may, with approval of the Superintendent/designee, recommend that a coach of a related sport/activity be allowed to coach both groups and be compensated at 100% for the first sport/activity and 50% for the second sport/activity.

K. EDUCATOR LEADERSHIP POSITIONS

As we continually strive to do our work differently for the complex teaching and learning needs of the twenty first century, there is a compelling need for educator leadership to support and enhance this work.

As a District, much work has gone into the notion of the shift in our culture with an eye towards building and sustaining professional learning communities where structures are in place for all staff to continually examine their practice. Educator leaders can be (and are) at the core of this work.

This provision outlines the process for establishing leadership stipends by the administration and shall include both District-wide and building-level work.

1. 2022-23 – Transition Year

The 2022-23 school year shall be designated as a transition year to allow for the implementation of preliminary leadership teams at the elementary and middle schools and provide time to
appropriately assess Category A stipends at the high schools, PATHS and District Level.

Each elementary and middle school shall have a functioning Leadership Team as described in Section II below, with the following modifications for the 2022-23 transition year:

Each school will be allocated bundles of $1,500 at a ratio of one (1) leadership team members per ten (10) bargaining unit members per school, with a minimum of three educators. This ratio and minimums will not apply to the Island schools because of their small size and/or Reiche because of its unique leadership structure.

During the 2022-23 school year, a committee made up of Association and Board/administration representatives shall review current Category A stipends to make recommendations to the Superintendent/designee for appropriate integration into the Leadership process described in Section II below, as well as the suggested length of such an assignment. The review of the Category A stipends does not guarantee that these leadership activities will be continued and/or, if converted, may be modified and/or discontinued as may be appropriate.

II. 2023-24 – Full Implementation of Leadership Structure

1. District-level leadership stipends shall be subject to consultation with the PEA President, with final approval by the Superintendent/designee. District-level leadership stipends associated with specific positions may be multi-year.

2. Building-level leadership stipends shall be subject to consultation with the School Leadership Team and the building PEA representative(s), with final approval of the Superintendent/designee. Except as provided below, building-level positions shall be one-year appointments. In order to ensure educator input in the establishment of building level leadership stipends, at least 50% of a building’s leadership team must be made up of educators.

3. It is the goal of the parties that each school must employ a functioning School Leadership Team whose focus is to advance the principles of teaching and learning by supporting educators in meeting district and building based goals and working to maintain and promote a cycle of continuous improvement in each learning environment.

4. The parties believe it is optimal that each school will have a Leadership Team with a minimum number of educators of at least five members. Due to their small staffing size, this minimum numbers does not apply to the Island schools.

5. The district shall provide bundles in the amount of $1,500 each to each school in an amount proportional to the staffing ratio of one (1) bundle per eight (8) educators in that school.

6. At least 50% of each school’s Leadership Team should be made up of educators covered by the collective bargaining unit covered in this Agreement. A minimum of fifty (50) % of each school’s Leadership Team must be elected by the faculty to serve.

7. Composing a building Leadership Team with diverse representation in terms of grade levels, educator roles, and personal identities, must be a priority and guided by recommendations included but not limited to the 2021 Educators of Color Insights Report
(e.g. Appendix C) and district protocols around diverse hiring practices.

8. In an effort to ensure multiple educators have access to serving on the school Leadership Team, the position will be a two-year assignment, with the opportunity to re-apply. No more than 50% of educators on the team will roll-off each year in order to ensure consistency and momentum.

9. Leadership Stipends shall be in $1,500 increments and may be bundled depending upon the scope of work anticipated. Variables may include additional time and/or additional responsibilities.

10. Documentation for consideration and approval of a Leadership Stipend shall include the following:
   a) Role title
   b) Role description (expectations)
   c) Stipend amount (in $1,500 increments)
   d) Stipend justification (explain why X units)

11. The parties recognize that there may be some leadership positions, such as mentors and BSC positions, that warrant annual compensation at less than the $1,500 stipend role. The Superintendent/designee and the Association will consult to develop a list of these positions.

12. The funding for Leadership Stipends is contingent on local conditions and therefore may be discontinued and/or modified by the Board for program or financial reasons. If the Board cannot fund Leadership Stipends as prescribed herein, it shall notify the PEA.

D. Educators who are authorized and required by the Office of the Superintendent to travel shall be reimbursed for all necessary travel in their personal automobiles at the IRS rate effective as of July 1st immediately preceding the school year in question.

E. In addition to the travel reimbursement set forth in Section D above, in the event an educator is required to transport students in his or her personal automobile and an increase in the educator's personal automobile insurance premiums results, the Board will reimburse the educator up to two hundred dollars ($200.00) per year for said coverage.

ARTICLE 14: JOB VACANCIES

A. The Board agrees that notices of vacancies shall be posted on the district’s website at least ten (10) calendar days before the application deadline, except in July and August when vacancies shall be posted at least five (5) calendar days before the application deadline.

B. Within fifteen (15) days after filling the vacancy, the Superintendent shall give written notice thereof to all educators who shall have made written application for said position. Such conferences shall be scheduled as soon as practicable.

3. Any educator intending to resign must provide to the Director of Human Resources at least thirty (30) calendar days' advance written notice of his/her resignation. Notice may be waived by the Superintendent/designee when appropriate.

The provisions of this Section D shall not be construed so as to limit the scope of the Superintendent's discretion as to who shall be appointed to an acting position, and any decision thereon shall be final.

ARTICLE 15: TRANSFERS AND INVOLUNTARY REASSIGNMENTS

In light of the Association’s and the Board’s intent to work together to advance student achievement and promote a collaborative organizational structure, it is recognized that when it may be necessary to reallocate personnel due to program changes or building openings/closures, the Association and Board will work together under the provisions of Article 28, The Living Contract Committee. Any educator interested in being considered for a transfer may notify the district of that interest.

A. Prior to the notice of a reassignment not requested by an educator which is outside the educator's impact area and/or to another school, the immediate supervisor and the appropriate Central Office administrator shall meet with the educator to discuss the possibility of an involuntary reassignment. The educator may, at his/her discretion have an Association representative present at any such meeting. The notice of a reassignment not requested by the educator shall be forwarded to the educator as soon as practicable (normally, except in cases of extreme emergency at least thirty (30) days before the date of such reassignment) by the Superintendent and/or the immediate supervisor under whom the educator was assigned prior to the new assignment. The reasons for reassignment will be put in writing and will specify the reasons for selection of the affected educator. The President of the Association will also receive a copy of the reasons for reassignment.

B. Within ten (10) days after receipt of such notification, the educator may request in writing a meeting with the Superintendent to discuss reasons for the new assignment. A representative of the Association shall attend such meeting. Such meeting shall be held within ten (10) days of receipt of the written request.
C. If the foregoing procedures have been followed, the decision of the Superintendent as to whether the
educator shall be reassigned shall be final.

D. It is understood that the needs of the system may require reassignments of educators between schools
and grade levels from time to time, and that no school or grade level shall be considered to be preferable
to another.

E. The issue of educator assignments is understood by both parties to be a matter of educational policy,
subject to change at the discretion of the Board although subject to a meet and consult requirement.
The Association reserves the right to bargain the impact of any change. This Article does not constitute
a contractual obligation on the part of the Board and shall not be subject to the grievance procedure
contained in this contract.

**ARTICLE 16: EDUCATOR PERSONNEL RECORDS**

A. Educators shall have the right under reasonable conditions established by the Superintendent to examine
their individual Central Office personnel file or any personnel file which may be established by the
immediate supervisor containing materials such as a letter of reprimand. No material added after
original employment shall be placed in an educator's personnel file unless the educator has had an
opportunity to review the material. The educator may submit a statement regarding any material which
shall be added thereto. Material relating to Association activities shall not be included in the personnel
file.

B. Complaints made against an educator by parents, students, or others if used in the educator's evaluation,
shall be reduced to writing, and promptly called to the attention of the educator. In the event further
disciplinary action is taken, the source or sources of the complaints shall be identified.

C. No new reports relating to teaching performance shall be placed in the educator's file after her/his
severance from the school system. This shall not apply to letters of recommendation.

D. It is understood that observations and evaluation reports are professional appraisals of a educator's
professional performance by the evaluator and not subject to the grievance procedure unless such
reports are used to discipline, dismiss or non-renew the educator's contract.

E. A violation of any procedure set forth in this Article shall not extend the contract or employment of any
probationary educator.

**ARTICLE 17: EDUCATOR FACILITIES**

A. Currently existing faculty lounges shall be maintained. Faculty members shall exercise reasonable care
in maintaining the appearance and cleanliness of the lounges; however, they shall be regularly cleaned
by the school custodial staff.

2. If available, educators shall be allowed to work in their school building on remote work days.
3. The administration shall endeavor to provide at least 24 hours’ advance notice of the need to shift to remote learning.
4. Educators shall not be penalized with the use of contractually provided leave time when inclement weather or other unforeseen circumstance disrupts internet service and prevents the educator from teaching remotely.

ARTICLE 18: LIAISON BETWEEN ASSOCIATION AND PRINCIPALS

The Association members in each building shall select a School Liaison Committee comprised of PEA members for the purpose of meeting with the Principal to review and discuss problems, policies, practices and procedures in the particular school and to make every attempt to solve identified problems. The School Liaison Committee shall be formed and submit membership and meeting schedule to the Superintendent by October 1 of each year. The Portland Public Schools and Association are committed to the successful and effective functioning of this committee. The Association shall submit agenda items at least five (5) working days prior to the meeting unless the submission deadline is changed by mutual agreement with the building principal. A copy of the agenda shall be forwarded to the Superintendent, and the President of the Association. Any minutes of the meeting shall be forwarded to the Superintendent, and the President of the Association.

ARTICLE 19: PROFESSIONAL COLLABORATION

A. EDUCATOR VOICE

Educators and Administrators will work together in the spirit of collaboration to create and maintain a culture that models ongoing communication in order to improve student learning as well as to promote ongoing professional inquiry into educator practice. Constructive supervision, coaching, feedback loops, open dialogues, and honesty in a supportive work environment will give evidence of and advance collaboration. Educators should be involved collaboratively with administrators to clarify decision-making at the building and district level.

Educators will participate in the collaborative process of developing and implementing the curriculum framework used in the Portland Public Schools which will align with the mission, vision, and beliefs of the Portland Public Schools. Any district-wide committee established under this article shall have two members appointed by the PEA.

Educators will participate in the collaborative process of interviewing candidates for administrative and educator vacancies. The Association shall appoint two educators to serve on interview committees for administrative vacancies. Immediate supervisors will provide an opportunity for educators, preferably from the grade level or impact area, to serve on interview committees for educator vacancies. In addition, the Association shall appoint two educators to serve on interview committees for educator vacancies.

B. CULTURE AND CLIMATE

Because the Board and the Association believe that a collaborative culture and climate in the district and in the schools create the conditions necessary to improve student learning, a PPS and PEA designed culture and climate survey will be distributed to educators once per year to inform this ongoing conversation. The results of the survey will be shared with educators in a timely manner.
in order to develop and implement district and building plans to improve collaboration at both levels. The issues in this Section are understood by both parties to be matters of educational policy subject to change at the discretion of the Board and are not subject to the grievance procedure, but are subject to a meet and consult requirement.

C. **PROFESSIONAL LEARNING**

The Board and the Association are committed to ongoing professional learning, which shall align with the mission, vision, and beliefs of the Portland Public Schools. The Professional Learning Committee shall have a broad representation of educators to design professional learning offerings that will improve student learning and educator practice. The Committee will be composed of educator appointments by the President of the PEA and administrative appointments by the Superintendent. The Superintendent/designee and President of PEA, or their designees, will co-chair the committee.

**ARTICLE 20: SICK LEAVE**

A. Under this contract, educators are granted fifteen (15) sick days per school year, at the end of the school year unused sick leave for that year will be added to the total number of accumulated sick leave to a maximum of one hundred eighty-three (183) days. Educators shall be notified of the total number of unused sick leave days with their biweekly paycheck at the beginning of each school year.

B. In the event an educator retires with fifteen (15) or more years of service in the Portland School System, and is immediately eligible for retirement benefits pursuant to the Maine Public Employees Retirement System, the educator's accumulated, unused sick leave, up to a maximum of one hundred days (100), shall be paid to the educator at the per diem rate for each day of such sick leave provided that for each day's per diem the educator has at least two (2) days unused sick leave. Such payment shall not exceed forty-five (45) days. No benefits shall be payable under this Section to an educator who retires after, or as a result of, episodes or incidents involving unprofessional or dishonorable conduct on her/his part, or at the time when dismissal charges against her/him are pending or indicated. The application of this clause is subject to the grievance and arbitration procedure.

C. In the event that an educator, while employed by the Board, dies during the term of this agreement, a sum equal to that which would have been paid had the educator been eligible for retirement pursuant to Section B above, shall be paid to the educator's surviving spouse, if any, or to the beneficiary designated by the educator for Maine Public Employees Retirement System purposes or, if none, to the educator's estate.

D. Any educator who is unable to work because of illness or injury and who has no accumulated sick leave shall lose per diem pay for each day of absence. Per diem pay for any educator covered by this Agreement shall be ascertained by dividing her/his annual salary by the work year as defined in Article 10, Section A.

E. In the event an educator is absent for illness or injury and irrespective of whether such absence is charged to any accumulated sick leave, if the Superintendent suspects that the educator may not be physically or psychologically able to resume teaching duties, the Superintendent may require the educator to provide her/him with a physician’s certificate verifying that the educator is capable of resuming employment.
F. The Superintendent, may, if he/she believes that there may have been an abuse of sick leave, irrespective
of whether accumulated sick leave days are involved, require an examination by a physician selected
by the Superintendent for future illnesses.

1. In any instance where there is disagreement between the educator’s own physician and the
physician selected by the Superintendent in Section F, arrangements for a third medical opinion
shall be made as soon as scheduling allows. The third opinion shall be given by a physician
chosen by the educator from a list of five (5) physicians chosen by the Superintendent. The
determination of the third opinion shall be binding on the parties with respect to the educator’s
eligibility for sick leave. The Board shall not require any educator to take a psychological or
medical examination, unless based upon the educator’s performance, there is sufficient cause
to believe a psychological/medical problem exists. The educator shall be notified in writing of
the sufficient cause which warrants a psychological/medical examination.

2. In such cases, the educator shall select the physician in accordance with the above and the Board
shall pay expenses for the examination and all other related expenses.

3. The only reports to the Portland Public Schools from the physician will relate to whether the
educator is fit for service relating to the specifically stated concern or whether the School
Department must make accommodations for reasons of disability, work environment or
working conditions.

4. The examinations referred to in Subsections 1, 2, and 3 above shall to the extent not reimbursed
by insurance be at the expense of the Board.

5. Failure to provide a physician’s certificate upon request covering sick leave days in question
will result in the loss of per diem pay for those days.

G. A reasonable effort will be made to obtain a substitute educator for an educator who is absent on account
of illness, provided the educator to be absent gives sufficient advance notice to her/his principal. The
use of regular educators as substitutes shall be avoided, except as a last resort in an unforeseen or
unplanned circumstance.

H. Substitutes shall be obtained for any elementary art, music, or physical education educator who is
absent.

I. An educator may use up to fifteen (15) days of accumulated sick leave per year to care for a member of
the educator’s immediate family whose illness requires the presence of the educator. Immediate family
is defined to include parents, parents-in-law, husband, wife, domestic partner, child, brother, or sister,
or any relative residing within the household. Step relationships are included in the definition of family.

J. The Association and the Board believe in the importance of the health and wellness of educators. The
Association and the Board agree to the following:

1. An educator from each grade level and a school nurse shall be appointed by the Association to
serve on any district Health and Safety Committee. Educator members shall be compensated
according to Article 12 – Section L, Subsection 3, for all work performed and approved beyond
the normal educator workday.

2. The Health and Safety Committee shall assess the needs of the District regarding health risks of
educators and recommend a wellness program to address those needs and promote positive health practices among educators.

3. Up to four (4) educators shall be included in any team attending the Maine Department of Education's annual Wellness Conference.

K. A Sick Bank is hereby established whereby a member of the Bargaining Unit faced with a personal or immediate family serious health condition, as defined by the Family and Medical Leave Act, may borrow sick days not accumulated. The Sick Bank Program is to be administered by a committee equally represented by the Association and the Portland Public Schools. A majority vote shall be required for any days to be granted. The fifteen (15) day limit in Section I of this Article does not apply to Section K. See Appendices J and K for Sick Bank forms.

There is an affirmative duty for educators who may qualify for disability benefits under MainePERS to apply for such benefits as soon as possible.

ARTICLE 21: TEMPORARY LEAVE OF ABSENCE

A. Recognizing that personal or family matters may justify absence from school from time to time without the necessity for disclosure of the reason, each educator shall be entitled to use three (3) days of accumulated sick leave for personal leave at the educator's discretion. Provided, however, that

1. Such leaves are not intended to create paid vacation days or be used for recreation-like or money-making purposes.

2. The matter requiring the leave cannot be handled outside of work time, and the leave is primarily for matters involving important legal, business, household, or family matters.

3. It is agreed by the parties that pre-planned travel on days before or after a holiday or vacation clearly is not a legitimate use of a personal day, but that required changes in travel plans due to causes completely beyond the educator's control (such as cancellation of a return airplane flight, etc.) will be considered a legitimate use of a personal day.

4. In the event that an educator desires to use any personal leave on a day before or after a holiday or vacation, or during the months of May or June, the educator shall provide the immediate supervisor with a written explanation of the reason requiring the request at least seven (7) days in advance of the day requested or, if this is not possible, as soon thereafter as is possible. Any educator denied leave under this article may request a review by the Superintendent.

5. Absent an emergency, application shall be made seven (7) calendar days prior to the day requested.

6. No application for the use of a personal leave day may be submitted more than thirty (30) calendar days in advance of the day required except in cases of emergency, in which case the educator shall, with the application, provide the office of the immediate supervisor with a written explanation of the emergency requiring the request. All requests for personal leave shall be responded to within seven (7) days after their receipt.

7. Not more than four percent (4%) of the educators or one (1) educator in any one (1) building, whichever is greater, may elect personal/discretionary personal day leave under this Section at
the same time. This limitation does not include persons on sick or temporary leave under other
Sections of this article, and may be lifted in case of emergency or unusual circumstances at the
discretion of the principal.

B. Educators shall be granted time off with pay for the purpose of visiting other schools or attending
meetings or conferences of an educational nature provided: (1) the Superintendent determines that the
funds are readily available for the hiring of a substitute educator; and (2) the Superintendent determines
that such visit or meeting or conference would be worthwhile for the particular educator; and (3) the
educator granted such permission furnishes the Office of the Superintendent with a written report of
such school visit, meeting or conference; and (4) under no circumstances shall the educator be entitled
to receive more than her/his regular per diem pay; and (5) the educator shall be required to credit against
her/his regular per diem pay all sums received by her/him from other sources for attendance at or
participation in such functions.

C. In order to promote a healthy workforce and control substitute educator costs by reducing the number
of sick days used, the following incentive program is established.

Educators who limit usage of sick days may convert personal leave days as defined in this Article, to
discretionary leave days.

1. A discretionary leave day is identical to a personal leave day but is not subject to Section A,
   Subsections 1, 2, 3, 4, and 6.

2. An educator who uses zero (0) sick days, defined as sick or family illness, in a school year may
   convert his/her three (3) personal days to discretionary leave during the following year.

3. An educator who uses one (1) sick day may convert two (2) of his/her three (3) personal days.

4. An educator who uses two (2) sick days may convert one (1) of his/her three (3) personal days.

D. Bereavement

In case of the death of a husband, wife, domestic partner, or child of any educator, such educator shall
be excused, without loss of pay, for an absence not to exceed ten (10) days either immediately following
the death or at such other time during the course of that school year as may be necessary to handle estate
related matters. In the case of the death of parents, grandparents, parents-in-law, grandchildren, brother,
sister, or any relative residing in the household, such educator shall be excused without loss of pay for
an absence not to exceed five (5) days. In the case of death of nieces, nephews, aunts, uncles, cousins,
sisters-in-law or brothers-in-law, such educator shall be excused without loss of pay, for a period not to
exceed three (3) days. Step relationships are included in the definition of family. Such a three (3) day
leave shall apply in situations where a unique relationship exists between an employee and some other
person over a period of time and which evinces a state of responsibility or closeness.

In extenuating circumstances, at the discretion of the Superintendent, the days set forth above may be
extended without loss of pay.

E. Time off with pay shall be granted to any educator when necessary for appearance in any legal
proceeding arising out of the educator's employment provided said proceeding does not involve
unprofessional or dishonorable conduct of the educator, dismissal of the educator, or involve any breach
of this Agreement by either the educator or the Association.
F. The Board shall make up the difference in pay, if any, lost by any educator as a result of being called for jury duty.

G. MILITARY LEAVE

Educators who are members of the National Guard or other authorized state military or naval forces, and those educators who are members of the Army, Air Force, Marine, Coast Guard or Naval Reserve shall be entitled to leave of absence from their respective duties, without net loss of income during periods of annual training not to exceed seventeen (17) calendar days in any calendar year specified under the National Defense Act or Armed Forces Reserve Act of 1952, provided that such educators shall have made every reasonable effort to perform such annual training during the period when school is not in session.

H. Leaves of absence with or without pay may be granted by the Board to any educator for any other reasons which in the sole judgment of the Board are profitable to the Portland School System or essential to the well-being of the educator.

I. A reasonable effort will be made to obtain a substitute educator for an educator who is absent on personal leave under this Article, provided the educator who is absent gives sufficient advance notice to her/his principal. The use of regular educators as substitutes shall be avoided, except as a last resort in an unforeseen or unplanned circumstance.

J. Each educator requesting leave under this Article shall so inform her/his principal or other supervisor and shall make application on the appropriate form to the Office of the Superintendent as soon as the educator knows of the date or dates she/he will require such leave. Application shall be made at least seven (7) calendar days prior to leave, except in cases of emergency.

K. Leave allowable under this Article shall not be accumulated beyond each school year.

L. FAMILY EDUCATIONAL LEAVE

Each educator shall be granted one (1) day per year for a family educational event.

M. GRADUATION LEAVE

Any educator who graduates or whose spouse, son, daughter or sibling is graduating from a twelfth grade level or higher will be eligible for up to one (1) day’s graduation leave with pay. To be eligible, leave must be requested and approved in advance. Additional days may be requested. If approved, these days will be unpaid.

ARTICLE 22: PROFESSIONAL LEARNING and EDUCATIONAL IMPROVEMENT/LICENSURE

A. The Board agrees to pay the full cost of tuition and other reasonable expenses incurred in connection with any courses, workshops, seminars, and conferences, which an educator, after consultation with the Superintendent, is required to take or attend by the Superintendent by a notice in writing.

Specialists in special services may attend specialized seminars, workshops, and conferences in lieu of course reimbursement upon approval by their supervising administrator, whose decision shall be
B. An educator shall be compensated for all time spent in actual attendance at such required college courses, if full day, at her/his per diem rate of pay, and if part day on days when her/his school is not in session at her/his pro-rated per diem rate of pay.

C. Any certified continuing contract educator who successfully, with a grade of B or better, completes, within any one (1) year period, up to one (1) course to a maximum of four (4) credit hours of additional professional work in courses expressly approved in advance by the Superintendent, be reimbursed for the cost of tuition and fees up to, but no more than, the University of Southern Maine graduate tuition rate for such a course (see Appendix H for Course Approval Form). Upon reaching lane 5, a member’s course reimbursement eligibility becomes two (2) courses, for a maximum of eight (8) credits or equivalent within any one (1) year period following the above criteria. Payment will be made directly to the educator upon written agreement with the educator and presentation of the bill for the course. Exceptions to this Article can be made at the discretion of the Superintendent. Any certified probationary educator may be reimbursed for one three credit course in one of the areas of identified district need set forth in Article 12(C)(5)(d) according to the above requirements.

D. LICENSURE COST

The Portland Public Schools will pay the costs of continuing education units and any licenses required by the Board, which exceed the licenses required by Maine State Law.

E. The Board and the Association recognize the value of attaining National Board Teacher Certification in increasing student achievement. Therefore, any certified continuing contract educator who pursues National Board Teacher Certification will have the entire NBTC fee plus the cost of each component paid in lieu of course reimbursement. As requested, educators will be eligible for advance payment of this fee. If the educator drops the certification program after the NBTC refund deadline, the educator will reimburse PPS for all costs it paid. In extenuating circumstances, reimbursement by the educator may be waived at the discretion of the Superintendent. The district will pay for up to one retake of each component that has to be retaken in lieu of course reimbursement. The district has the right to require candidates to apply for available NBTC fee subsidies. Up to four paid professional leave days will be granted for the portfolio preparation that is required to complete the certification program. Educators who are granted NBTC will be granted 225 salary contact hours toward a lane change in accordance with Article 12. Educators who achieve a minimum score of 2.75 in a component but do not achieve NBTC will be awarded 45 salary contact hours per component. If the candidate later achieved NBTC, they will receive the 225 SCH minus any already warded per component. The district will support a cohort of 5 educators, each of whom will be provided with a paid NBTC mentor, if available, for support during his/her first year of the NBTC process. NBTC educators will receive an annual certification stipend of $2,000 for the duration of the 5 year certification. Any state or federal funds made available to NBTC educators either directly or through the district will offset these stipends. The district will pay the cost and fee for the Maintenance of Certification process for continuing contract educators in lieu of course reimbursement and educators will receive 35 salary contact hours upon successful renewal of their NB certificate. Educators receiving payment for NBTC exam or renewal application fees are expected to continue employment with the district for the following year or will be required to reimburse the district for those fees.

The district will pay the exam fee and the renewal fee for any continuing contract educator specialist who pursues/maintains a national board specialist certification that is above and beyond the certification exam(s) required for their area of practice or required for employment in lieu of course reimbursement.
ARTICLE 23: PROTECTION OF EDUCATORS, STUDENTS AND PROPERTY

A. The Association Building Representative shall report in writing to the Office of the appropriate Principal with a copy to the President of the PEA and the Director of Human Resources any working conditions in any school building considered unsafe or hazardous. The Principal or her/his designated representative will investigate said report and the Principal shall furnish within ten (10) days a written report to the PEA President, Association Representative, and the Office of Human Resources describing the results of the investigation, and of any action taken or proposed to correct the condition.

B. The Portland Education Association and the Board are committed to the health and safety of all employees. Unsafe conditions and acts must be treated seriously and resolved with a sense of urgency. In order to address broad issues of concern regarding health and safety, the Superintendent will meet and consult with the Association and other groups at his/her discretion as necessary, but at least annually, to review relevant policies and procedures regarding health, safety, vandalism, student discipline, and protocols involving immediate threat assessments, together with appropriate annual training regarding the same. Educators shall immediately report on the safety report form to the appropriate Principal and the Principal shall immediately report to the supervising Central Office administrator any instances of threat, assault or injury suffered by the educator or caused by the educator in the course of his/her employment. Within twenty-four (24) hours the Principal will notify the educator of actions taken and planning for next steps. Educators will be notified of final resolution.

C. If either civil or criminal litigation is indicated or threatened against any educator for actions arising out of and during the course of her/his employment, the educator shall immediately notify the Superintendent, who shall, if she/he believes the educator has acted in a proper professional manner, comply with any reasonable request from the educator for information in her/his possession which relates to the incident.

D. Employees who are eligible for worker's compensation for service-connected injury may elect to take accumulated sick leave in addition to compensation to the extent that it provides full regular pay, and to the extent of the accumulated sick leave credit. Full regular pay means the employee's normal take-home pay after deduction of federal and state income tax withholding.

E. When in the judgment of the Superintendent, a educator's prudent discharge of her/his responsibilities results in personal injury and disability as a result of an assault, no deduction shall be made from accumulated sick leave during the period of disability occurring within the first sixty (60) days following such assault, unless the educator, under extenuating circumstances, incurs periods of disability subsequent to the first 60 days. Under no circumstance shall the educator receive more than sixty (60) days. Payments payable to the educator under the Worker's Compensation Act shall be deducted from amounts payable to the educator hereunder.

ARTICLE 24: ASSOCIATION DUES AND OTHER DEDUCTIONS FROM SALARY

A. The Board agrees to deduct from educators' salary dues in specified amounts for local, state, and/or national professional associations when requested in writing by the educators. Said dues shall be remitted to the Portland Education Association at reasonable intervals, all subject to the following:

1. No change in the specified rate of such dues deductions shall be made after August 30, of any school year.
2. The total of such dues for the school year shall be deducted in equal amounts from twenty-six (26) paychecks of the educator, commencing with the first paycheck of the school year.

3. No deductions need be made by the Board if they are at any time beyond the normal capacity of automatic data processing equipment of the Portland Public Schools to handle in the same manner as other payroll deductions, and no more than 10 separate rates shall be used for dues deduction purposes.

4. Dues deductions shall continue automatically from year to year unless cancelled in writing by the educator to the President of the Association by August 15 preceding the school year in which the cancellation becomes effective.

5. The Association shall indemnify and save the Board harmless against all claims and suits, which may arise by reason of making any such deductions, the cancellation of the same, and remitting the same to apparently authorized officials of the Maine Education Association. The Portland Education Association shall be accountable to the Maine Education Association for the allocation and payment of each educator's dues to the respective professional associations, as authorized on the respective dues deduction forms.

B. Educators may, in writing, authorize such additional deductions for local United Fund Campaigns, Maineshare, and such other purposes as are approved by both the Board and the Association, again subject to the normal capacity of automatic data processing equipment of the Portland Public Schools to handle the same, and subject to such reasonable regulations as the Board and/or the Superintendent may prescribe. If practicable, and subject to the normal capacity of automatic data processing equipment of the Portland Public Schools to handle the same, and subject to such reasonable regulations as the Board and/or the Superintendent may prescribe, educators may, in writing, authorize additional deductions for tax-sheltered annuities (e.g. 403b retirement investment plans). The Superintendent will meet and consult with the Association regarding the schedule of tax-sheltered annuity remittances.

ARTICLE 25: EXTENDED LEAVE OF ABSENCE

A. Leave of absence without pay for a maximum of two (2) years may be granted to any educator who joins the Peace Corps, VISTA, National Educators Corps or who serves as an exchange educator or overseas educator or who accepts and participates in a Fulbright Scholarship, or who serves as an elected officer of the National Education Association or the Maine Education Association. Leaves granted under this Section shall count as time in service up to a maximum of two (2) years for purposes of applications for sabbatical leave.

B. A leave of absence without pay shall be granted to any educator for military service if said educator meets the criteria set forth in Article 12, Section E (Experience Credit for Outside Teaching Service), Subsection 3.

C. All or any portion of a leave taken by an educator because of medical disability connected with or resulting from her pregnancy may, at the educator's option, be charged to her available sick leave. A leave of absence without pay shall be granted to an educator for the purpose of childbearing and/or childrearing as follows:

1. An educator who is pregnant shall be entitled, upon request, to a leave to begin at any time during her pregnancy and to last up to one (1) year after a child is born. Should that year's leave end in mid-semester, the leave shall run until the end of that semester. Said educator shall notify
the Superintendent in writing of her desire to take such leave, and if she plans to take
childrearing leave after the birth of the child, shall notify her/him of the date she will return to
work if she is able. Except in case of emergency, the educator shall give such notice at least
thirty (30) days prior to the date on which her leave is to begin. She shall include with such
notice a physician's statement certifying her pregnancy. An educator who is pregnant may
continue in active employment as late into her pregnancy as she desires provided she is able to
perform properly her required functions. Notwithstanding the above, the affected educator and
his/her immediate supervisor may mutually agree to modify the above time requirements.
Absent mutual agreement, the educator may appeal to the Superintendent for a waiver of the
above time requirements. The decision of the Superintendent shall be final.

2. Any male educator upon request shall be entitled to a childrearing leave in accordance with the
provisions of Section C, Subsection 1. Sick Leave provisions shall not apply.

3. Any educator who is the primary caregiver may use up to twenty (20) days of accumulated sick
leave for the purpose of adoption.

4. Any educator adopting a child may receive similar leave as in Subsection 1 above which shall
commence two (2) weeks prior to receiving de facto custody of said child.

5. Educators shall be granted five (5) days leave to be deducted from sick leave upon the
birth/adoption of a child to the educator’s spouse, or the educator’s partner to be used within the
first month of the birth/adoption.

6. An educator on childrearing leave may have the educator's name placed on a list to serve as a
substitute in the Portland School System in the area of her/his certification or competence at the
then prevailing rate of pay for substitute educators.

D. A leave of absence without pay for a maximum period of one (1) year may, in the sole discretion of the
Board, be granted an educator for the purpose of caring for a sick member of her/his immediate family,
provided she/he gives the Board as much advance notice as practicable, but in no event less than thirty
(30) days, except in cases of emergency involving critical illnesses. Insurance benefits will be continued
for the educator at her/his own expense if she/he so requests and if she/he meets eligibility requirements.

E. The Board shall grant any regularly employed certified educator a leave of absence without pay and
without forfeiture of continuing contract status and other accumulated benefits to fulfill the duties of a
State Legislator provided written notice of intent to become a candidate for the Legislature is given to
the Superintendent at the time educator contracts are issued.

F. All requests for leaves, extensions and renewals thereof shall be applied for in writing to the Office of
the Superintendent and shall be answered in writing.

1. In order for educators to be eligible for benefits provided under Section A above, they (a) must
indicate in writing to the Superintendent their intention to apply for the Peace Corps, VISTA,
National Educators Training Corps or a Fulbright Scholarship, whichever is applicable, no later
than November l of the school year preceding taking up such service and (b) shall complete said
school year and (c) shall also notify in writing the Office of the Superintendent prior to April l
of the school year whether her/his application has been accepted and whether she/he will leave
at the end of the school year.
2. No person shall be eligible for a return to the Portland School System following leave granted for any reason under this Article unless she/he gives the Human Resources Director notice by January 31 preceding the ensuing school year that she/he will return to the system for the ensuing school year, (unless waived by the Human Resources Director). Failure to provide timely notice of intent to return may be deemed a resignation by the employee at the discretion of the Human Resources Director.

3. Upon return to the system, an educator granted a leave of absence will be returned whenever practicable, to her/his former employment position or classification.

**ARTICLE 26: SABBATICAL LEAVE**

A. Sabbatical leave may be granted to an educator for study related to her/his teaching field, or for travel, related to her/his teaching field, or for other reasons of value to the school system, all subject to the approval of the Board and all subject to the following conditions:

1. Sabbatical leave shall be limited to no more than two (2) FTE positions in any combination at any one time.

2. Notice of intent to apply for sabbatical leave must be received by the Office of the Superintendent in writing no later than November 15th of the school year preceding the year of such leave. The educator must make application no later than January 1 and shall also complete said school year. An applicant may request a meeting with the Superintendent/designee before February 1 to discuss the sabbatical leave proposal process before submission of the sabbatical application. The Superintendent/designee will review the application for purposes of rubric scoring, then meet with applicant and provide a written decision with the reasons for approval or denial by March 1. Applications that the Superintendent/designee recommends for approval will be submitted to the Board by March 10. The Board will take action no later than April 1 of the school year preceding the school year for which the sabbatical leave is requested. See Appendix L for Sabbatical application, process, rubric and agreement.

3. Within ten (10) days from the Board’s decision, written notification shall be sent to the applicant. Reasons shall be provided to the applicant in writing if the sabbatical leave request is denied.

4. The educator requesting sabbatical leave has completed at least seven consecutive full-time school years of service in the Portland School System since her/his last prior sabbatical leave, if any.

5. An educator on sabbatical leave for a full school year shall be paid by the Board at fifty percent (50%) of the salary rate which she/he would have received if she/he had remained actively employed by the Board. An educator on sabbatical leave for one half (1/2) of a school year shall be paid by the Board at seventy-five percent (75%) of the salary rate she/he would have received if she/he had remained actively employed by the Board.

6. Health and Dental Insurance will continue to be paid during the period of leave at the rate that would have been paid if the educator had remained actively employed by the Board.

7. Upon return from sabbatical leave, an educator shall be placed on the salary schedule at the level which she/he would have attained had she/he remained actively employed in the system.
during the period of her/his absence.

8. Before receiving sabbatical leave under the provision of this Article, the educator shall agree in writing with the Board that she/he will return to the Portland School System for a period of not less than two (2) years for a full time sabbatical and not less than one (1) year for a half time sabbatical, and also that, in the event of breach of such agreement, she/he will repay the Board all sums advanced for her/his Sabbatical leave, in proportion to the fulfillment of her/his two (2) year reemployment commitment.

**ARTICLE 27: LIVING CONTRACT COMMITTEE**

A. The Portland Education Association and the Board are committed to on-going, meaningful communication; joint, open problem solving; and building trusting relationships in order to create and maintain a quality working environment and healthy employee relations. Therefore, the Association and the Board agree to establish a committee to provide for regular, on-going discussions and decision-making on matters germane to improved union-management relations and more effective overall school district operation. The Living Contract Committee shall be co-chaired by the Superintendent and the President of the Association.

B. This Board shall be authorized to discuss any issue of mutual interest or concern and to reach tentative agreements on issues in a timely manner without delaying action until the expiration and renegotiation of the collective bargaining Agreement. This Committee shall also have the power to amend this agreement, provided that any substantive amendments shall be subject to internal ratification and approval procedures of the Association and Board.

C. The Association and the Superintendent shall each identify at least three (3) representatives and no more than six (6) representatives as committee members who shall serve for the duration of the contract. The Association members shall be appointed by the Association President and the management members shall be appointed by the Superintendent. Appointments shall be made by September 15. Substitute educators will be provided for Association members if necessary, to attend Committee meetings.

D. The overall charge to this committee shall include, but is not limited to, the following:

1. To administer and implement the contractual Agreement;

2. To resolve disputes or problems in the interpretation and application of the Agreement as they arise;

3. To meet in September for review and understanding of the charge, powers and duties put forth to this committee in Article 27, to set norms and meeting calendar, and establish agenda if any at that time, and then to meet at least quarterly thereafter, at times and locations mutually agreed upon, according to a schedule determined and published by this Committee at the September meeting. Either the Superintendent or the Association President may call a special meeting of this committee to deal with a specific issue on the basis of urgent need; and

4. To establish a process for decision-making and communication.

E. This Committee shall have the following powers and duties:

1. To establish temporary sub-committees to address particular issues which shall report with
recommendation in writing to this committee by specific deadlines; and to establish the
membership and operating procedures of such subcommittees;

2. To revise the provisions of this Agreement in order to clarify language and meaning, correct
contradictions or inconsistencies, remove outdated language, and organize and streamline this
Agreement; and to appoint one PEA member to attend and provide input at the Board of
Education’s Policy Subcommittee meetings, which member shall report to the Living Contract
Committee.

F. Nothing herein shall be deemed:

1. To preclude the Superintendent from consulting informally with the Association or the Board
   of Education;

2. To impair the authority of the Superintendent.

ARTICLE 28: MISCELLANEOUS PROVISIONS

A. Whenever any notice is required to be given by either of the parties to this Agreement to the other,
pursuant to the provisions of this Agreement, it shall be given as follows:

1. If by Association, to the Board in care of the Office of the Superintendent, 353 Cumberland
   Avenue, Portland, Maine 04101.

2. If by the Board, to the Association in care of the President of the Association at the time at the
   PEA Office, 29 Christopher Toppi Drive, South Portland, Maine 04106.

B. This Agreement shall be posted on the district website. Fifty paper copies of this Agreement shall be
printed at the expense of the Board within thirty (30) days after the Agreement is signed and presented
to the Association for distribution to its building representatives.

ARTICLE 29: PROCEDURE FOR NEGOTIATION OF SUCCESSOR AGREEMENT

A. During negotiations, the Board and the Association will present relevant data, exchange points of
view and make proposals and counter-proposals except that the Association will submit to the Board
all of its requests on Negotiable Subjects not later than January 31st of the year of expiration unless
both parties agree to interest based bargaining which shall supersede the above process. The Board
will make available to the Association for inspection relevant but non-confidential cost and statistical
data which the Association may need in order to develop, analyze and/or evaluate proposals and/or
counter-proposals concerning negotiable subjects but there will be no obligation on the part of the
Board to prepare any records or summaries not already in existence. The Association's request for
inspection will not be unreasonable. Either party may, if it so desires, utilize the service of outside
consultants and may call upon professional and lay representatives to assist it either at or outside of
the negotiation sessions. At the conclusion of negotiations, all agreements reached during
negotiations will be reduced to writing and signed by the Board and the Association.

B. Despite reference in this Article to the Board or the Association, as such, each shall have the right
to act hereunder by Board (which Board will not exceed nine (9) in number), individual member, or
designated representative, whether or not a member. Each party will provide to the other, upon
request, a written statement indicating the person or persons so authorized to act in its behalf at any
particular point in time. The person or persons so authorized to act will be authorized to act in regard
to all aspects of negotiation, it being the mutual intention that neither will be required to negotiate
with respect to different subjects with different persons representing this other party.

C. All written notices to the Association or Board respectively will be deemed to have been properly given
if delivered to the President of the Association and to the Superintendent of Schools, respectively.

D. Nothing herein contained will be deemed to affect or authorize negotiations or requests for changes in
the provisions of the Agreement of which this Article is a part.

**ARTICLE 30: TERM OF AGREEMENT**

This agreement shall govern the rights of the parties from August 26, 2022, through August 31, 2025.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the day and year
written below.

APPENDIX B: Professional Learning Based Salary System

Professional Learning Activities and PLBSS Process

Significant Contribution vs. Professional Responsibility

Proposals will be reviewed to determine whether a proposed professional learning activity is part of the regularly expected professional work of an educator carrying out his/her assignment versus that work rising above the expectation of that regular professional assignment. This question often arises when a proposal involves the creation of materials, the design of instruction, or the execution of an activity that is integrated in the offering of the course. The necessary determination is whether a re-working of a component or the creation of a new one, is a normal freshening of the program or a significant addition to the overall program.

While not an exhaustive list, the following demonstrates the type of learning projects that could be considered for educators to earn contact hours:

- Classroom Action Research
- National Board Certification
- New Class Curriculum Developed and Implemented
- Conference/Workshop/Course Presenter
- Professional Learning Collaborations
- Professional Book Groups
- Curriculum Institutes
- Creating a website to promote student learning

PROCESS

Initial Placement on the PLBSS

When the PLBSS was adopted, the PPS and PEA agreed to continue to maintain a “traditional” Experience Based Salary Schedule (EBSS) with the format of the 2007-08 EBSS, including 4 degree-based lanes and 31 experience-based steps.

When the district hires new staff with advanced degrees and/or experience, it will make the initial placement on the PLBSS as follows: The district will assess the new hire’s degree status and determine his/her eligible years of experience, per provision of the contract, as has been done in the past. This will allow the placement of the individual on the “shadow” EBSS and the determination of the starting salary that scale would dictate. That salary would then be used to place the new hire, again in accordance with contract provisions, on the Lane and Step in the PLBSS identical or next highest to that salary, but at a step no higher than 6 in any lane. If the next highest salary would place the person at a step higher than 6, the person would be placed in the next lane to the right on the step with the next highest salary in comparison to the EBSS placement.

Registering for Using the PLBSS Website

When you enter the Professional Learning Based Salary System (PLBSS) website at www.plbss.org, the first screen that you reach is the “Login.” At this screen you can register for access, which will create your SCH account and individual homepage in the salary system database. On the “Login” screen, you should see the link “Register for Access,” below the box that allows registered users to enter their Employee ID # and their password. Click on this “Register for Access” link, and it will take you to the next screen, which is “Registration.” It requests that you enter your last name and your Employee ID #. Remember that your Employee ID # is a six (6) digit number, even though your ID badge may show eight (8)
digits. The number is the first six digits from the left. Once you enter your last name and your Employee ID #, click on the “Submit.”

This will bring you to a screen that asks you to enter your Portland Public Schools email address, and to create a password. The password must be at least six (6) characters long, and at least one of the characters must be something other than a letter. When you have entered your email address and created your password, click on the “Submit” button. You will receive a message that tells you that you have successfully registered. It will include a link that allows you to be taken directly to your new individual homepage. From your homepage, you will be able to submit proposals, work on submitted proposals still pending pre-approval, and attach documentation to completed proposals. You can also view your overall SCH account for the status of all your proposals.

**Proposal Submission Process**

Every request for Salary Contact Hours (SCH) must be submitted using the PLBSS website ([www.plbss.org](http://www.plbss.org)) and your homepage. You will find links to the PLBSS website at the PEA website or at the PPS website under the Staff section, and the subsection for PEA Contract Information and the PLBSS.

At your home page, in order to “Submit New Proposal for Pre-Approval,” you will find links to three types of proposal submission forms. Select the form which best describes the type of activity you will propose: “Course Credit/CEUs” (which includes university and college offered courses); “District Offered Professional Learning” (which also includes pre-authorized district sponsored work); and “All Other SCH Proposals” (which includes non-university/college courses and individually designed learning activities). All proposals for SCH (including District Offered Professional Learning) must use the appropriate form for submission.

Building level group activity proposals must first be submitted in advance of the activity on the appropriate form (available from the office of the Superintendent/designee) to the Superintendent/designee and approved by the Superintendent/designee. This is done in order for the activity to become a district offering for which a PPS certificate will be issued as documentation. It also insures that the granting of SCH will be consistent among participants. Once approved by the Superintendent/designee, individual participants must then submit the activity on the “District Offered Professional Learning” form on the PLBSS.

All proposals must also meet the October 1 submission and January 10 documentation of successful completion deadlines for the awarded SCH to count toward a Lane Change for the following September.

**Course Credit/CEU Proposal Form**

The Course Credit/CEU form requires the educator to identify the university/college or other provider who is authorized to grant credits or nationally certified CEUs for this activity. If the activity is a course, the course number must be provided. Use the drop-down calendar feature to provide the start and finish dates for the activity. Also, the number of credits or CEUs offered must be provided. Please remember that CEUs are very specific units that are only able to be offered by nationally certified providers (most often colleges and universities or national professional organizations).

Finally, the educator must respond fully and in detail to the questions regarding how this activity will contribute to the educator’s skills, knowledge, and practice, as well as to students learning.

After this information is provided, click on the submit button, and you should find that this proposal is now listed under the “Work on Proposals Pending Pre-Approval” category on your homepage. It will have a status of “Pending Review.”

Remember that submitting a request for course reimbursement and submission for SCH award are two
separate processes. If both are sought, each must be submitted following the appropriate procedures.

**District Offered Professional Learning Proposal Form**

If the activity is an offering from the Community of Learners, the COL listing will provide the workshop title, the start and finish dates, the number of SCH offered, and a description that must be included in the proposal. Also, the educator must **respond fully and in detail** to the questions regarding how this activity will contribute to the educator’s skills, knowledge, and practice, as well as to student learning.

After this information is provided, click on the submit button, and you will find that this proposal is now listed under the “Work on Proposals Pending Pre-Approval” category on your homepage. It will have a status of “Pending Review.”

**All Other SCH Proposals Form**

The “All Other SCH Proposals” form requires more input from the educator because it is most often used for submitting activities for which the offering entity is less well known or not accredited, or for submitting original, educator-designed activities.

A title and a detailed description of the activity must be provided. If the activity is being offered by an educational organization, then its description of the offering may suffice. If the activity is self-designed, the description should give a good overall view, as well as enough detail to make the scope/goals/impact of the activity clear to the review team.

Please write a full explanation of the activity detailing how the activity makes a “significant contribution” to student learning and/or educator practice. In order to successfully support “significant contribution” to student learning, the educator must describe fully the student outcomes hoped to be met, how student work will be assessed, and what specific documentation will be provided to show the student learning achieved. A successful proposal for “significant contribution” to educator practice, will describe how the proposed activity will specifically change the educator’s practice, will detail the specific documentation to be provided to show the changed approach, and will describe how the outcome of this change will be evaluated.

**Proposing and Documenting Significant Contributions to Student Learning and Teacher Practice**

In order to support significant contribution to student learning, a proposal must be specific about what students would learn, and then provide student work to document that learning. In order to support significant contribution to educator practice, a proposal must detail specific examples of strengthening or expanding teaching methods and then give evidence of the application of those skills.

Often, non-approval of a proposal does not question that students learned or that educator practice was enhanced, but that the educator did not specifically state those goals and did not detail the evidence to be provided that would demonstrate that the goals were achieved. SCH will not be awarded based on the assumption that learning has happened or that practice has been enhanced.

This proposal and documentation process are designed to demonstrate that the work recognized under the salary system aligns with the philosophy that strong, educator-directed professional development leads to increased student learning.

**Lane and Step Placement with a Lane Change**

When a staff member receives a Lane Change (LC) for the beginning of a contract year the steps in determining the new placement are:

- Find the salary scale for the new contract year and for the appropriate number of contract days
• Find last year’s Lane and Step and move up one step to determine what the salary would have been in
the new contract year without a LC
• Now move one Lane to the right and find the identical or next highest salary in your new Lane.
• This will be your new Lane/Step placement from which the educator will make Step increases in the
following years.

Remember that movement from Lane to Lane in the PLBSS in not directly lateral. For example, a LC for
an educator previously on Lane 3/Step 4, you will move to Lane 4/Step 1 for the new contract year. The
educator would not move to Lane 4/Step 5.

Also remember that once an educator takes their experience step on the previous Lane, if the educator will
now move from Step 8, 9, or 10, the educator will move to a step in the next lane that has the identical or
next higher salary that the educator would have earned in the previous Lane at the new step. The new
Step will not be Step 1 in the new lane, because that salary will be lower than what would have been
earned in the previous Lane. For example, if an educator moved from Lane 2/Step 8 to Lane 3, the Step
Placement would be 2. If an educator moved from Step 9, the Step placement in the new Lane would be
Step 3; and if an educator moved from Step 10, the new placement would be Step 4.

APPENDIX D: Teacher Leadership Schedule 2022-23

The above teacher leader scales have been created to support a new approach to strengthening the teacher role in leadership in the Portland Public Schools. The creation of new positions or the conversion of existing positions will be looked at with an intent to reward staff for stepping forward to accept and fulfill the full responsibilities for a job assignment rather than a stipend based on a specified number of hours or days.

Review Article 12, paragraph K for contract language on Teacher Leadership.

Annual Teacher Leadership Stipend - $1,500 per approved unit.
APPENDIX E: Class Size

The parties recognize the desirability of reducing educator-pupil ratio and class sizes in certain areas of instruction and further recognize that, for many learning experiences, the following educator-pupil ranges may be desirable and should not be exceeded.

</tbody>
</table>

*Excluding physical education, team teaching, large group instruction, experimental programs, and special education classes.

The Association and Committee agree to study and discuss these areas in depth in an attempt to arrive at optimum educator-pupil ratios for various learning experiences and teaching situations.

The issue of class size is understood by both parties to be a matter of educational policy, subject to change at the discretion of the Committee although subject to a meet and consult requirement. This Appendix does not constitute a contractual obligation on the part of the Committee and shall not be subject to the grievance procedure contained in this contract.
APPENDIX F: Educator Evaluation

The purpose of educator evaluation is for professional growth and performance evaluation.

1. Educators shall be evaluated periodically by principals or persons designated by the Superintendent or designee.

   The evaluation system will include professional goal setting, a collection of evidence and written feedback, and the assignment of a summative effectiveness rating.

   The system of observations and review of evidence and feedback used in an evaluation cycle will involve communications between the evaluator and educator, be documented, and be evidence-based.

2. Summative effectiveness ratings of educators shall be determined at the end of the professional growth cycle and will be documented in writing. Ratings will be based on evidence gathered during the evaluation cycle. Whenever an educator receives an unsatisfactory rating, the educator will be placed on an improvement plan. Such improvement plan shall be in writing; be developed with input from the educator; set forth clear, measurable objectives and deadlines; and be focused on improvement in specific areas identified as needing improvement. More specific information can be found in the Performance Evaluation and Professional Growth System Guidebook.

3. Probationary educators are included in Portland Public School’s induction program and will receive summative effectiveness ratings in each of their probationary years.

4. The issue of educator evaluation is understood by both parties to be a matter of educational policy, subject to change at the discretion of the Committee although subject to a meet and consult requirement. This Appendix does not constitute a contractual obligation on the part of the Committee and shall not be subject to the grievance procedure contained in this contract.
The Committee and the Association are committed to provide individual and common planning time for educators, and therefore:

1. As of September 1, 1994, a total of one hundred and fifty (150) minutes shall be provided for elementary educators for planning time free of teaching responsibilities. Time that educators are relieved from their teaching responsibilities due to Art, Music, Physical Education or swimming instruction shall be in addition to the one hundred and fifty (150) minutes. Except for Pre-K educators, the one hundred and twenty (120) minutes per week of said planning time shall be attached to the educator's lunch period. Thirty (30) additional minutes per week of said planning time shall be mutually scheduled between the school's principal and the affected educator. In the event the planning time cannot be mutually scheduled, the issue shall be forwarded to the Superintendent or designee for a final determination.

2. The Association and the Committee agree that educators and administrators in each elementary school will work collaboratively throughout the school year to problem solve issues and concerns in order to assure successful elementary planning time. Building administrators are responsible for the administration of planning time and will submit the plan for the building to the Superintendent or designee and the President of the Portland Education Association no later than the end of the second week of school. Each elementary school will submit a proposal for providing 150 minutes of planning time, excluding art, music, physical education and swimming, in blocks of not less than one hour, and shall include the resources needed to implement it. These proposals shall be submitted to the Living Contract Committee for review and recommendation to the Superintendent. Alternatives when approved shall replace Subsection 1 above.

3. Pre-K educators shall also be allocated 150 minutes of planning time per week. The School Principal/Administrator and Pre-K educators will work collaboratively to schedule planning time in a manner that reasonable accommodates program and educator needs. Consideration will include the feasibly of scheduling planning time contiguous with the educator’s lunch on a regular or intermittent basis. In the event that planning time cannot be mutually scheduled, the issue shall be forwarded to the Superintendent or designee for a final determination.

4. The issue of planning period is understood by both parties to be a matter of educational policy and shall not be subject to the grievance procedure contained in this Agreement unless the grievance alleges that the immediate supervisor's and/or the Superintendent or designee's decision was arbitrary and capricious, such as a reduction in the minutes as provided above.

Sabbatical Review Process

Context

In the collective bargaining agreement between the Board of Education and the Portland Education Association, sabbatical leave is defined in Article 26. The Article states that:

Sabbatical leave may be granted to an educator for study related to her/his teaching field, or for travel, related to her/his teaching field, or for other reasons of value to the school system, all subject to the approval of the Board and all subject to the following conditions:

1. Sabbatical leave shall be limited to no more than two (2) FTE positions in any combination at any one time.
2. Notice of intent to apply for sabbatical leave must be received by the Office of the Superintendent in writing no later than November 15th of the school year preceding the year of such leave. The educator must make application no later than January 1 and shall also complete said school year. The applicant may request a meeting with the Superintendent/designee before February 1 to discuss the sabbatical leave proposal process before submission of the sabbatical application. The Superintendent/designee will review the application for purposes of rubric scoring, then meet with applicant and provide a written decision with the reasons for approval or denial by March 1. Applications that the Superintendent/designee recommends for approval will be submitted to the Board by March 10. The Board shall take action no later than April 1 of the school year preceding the school year for which the sabbatical leave is requested.
3. Within ten (10) days from the Board’s decision, written notification shall be sent to the applicant. Reasons shall be provided to the applicant in writing if the sabbatical leave request is denied.
4. The educator requesting sabbatical leave has completed at least seven consecutive full-time school years of service in the Portland School System since her/his last prior sabbatical leave, if any.
5. An educator on sabbatical leave for a full school year shall be paid by the Board at fifty percent (50%) of the salary rate which she/he would have received if she/he had remained actively employed by the Board. An educator on sabbatical leave for one half (1/2) of a school year shall be paid by the Board at seventy-five percent (75%) of the salary rate she/he would have received if she/he had remained actively employed by the Board.
6. Health and Dental Insurance will continue to be paid during the period of leave at the rate that would have been paid if the educator had remained actively employed by the Board.
7. Upon return from sabbatical leave, an educator shall be placed on the salary schedule at the level which she/he would have attained had she/he remained actively employed in the system during the period of her/his absence.
8. Before receiving sabbatical leave under the provision of this Article, the educator shall agree in writing with the Board that she/he will return to the Portland School System for a period of not less than two (2) years for a full time sabbatical and not less than one (1) year for a half time sabbatical, and also that, in the event of breach of such agreement, she/he will repay the Board all sums advanced for her/his Sabbatical leave, in proportion to the fulfillment of her/his two (2) year reemployment commitment.

Sabbatical Leave Agreement

This AGREEMENT made this (day) day of (month), by and between the Portland Board of Public Education of Portland, Maine, hereinafter referred to as the “The Board”, and (employee name), of (employee address), hereinafter referred to as the “Educator”.

WHEREAS, the Educator has applied for and the Board has granted the Educator a (full year/half year) Sabbatical Leave for the period (Sabbatical dates), hereinafter referred to as the “Sabbatical Period”, for the following purpose(s):

(Sabbatical description)

and,

WHEREAS, the provisions of state law and the terms of the applicable collective bargaining agreement provide that such leaves may be granted under certain conditions, assumed by the Educator;

NOW THEREFORE, the parties agree as follows:

1. **Salary and Health & Dental Insurance.** The Board will pay the Educator during the Sabbatical Period the approximate amount of $(amount), which equals fifty (50%) percent of the Educator’s per diem pay for the number of Educator days in the Sabbatical Period for a full-time Sabbatical Leave or seventy-five (75%) of the Educator’s per diem pay in the event of a half-time leave. Further, the Board will retain the Educator on its employment rolls for the purpose of health & dental insurance coverage.

2. **Return to Employment.** At the end of said Sabbatical Period, the educator shall agree in writing with the Board that she/he will return to the Portland School System for a period of not less than two (2) years for a full time sabbatical and not less than one (1) year for a half time sabbatical. Experience credit for sabbatical will be granted as per PEA collective bargaining agreement.

3. **Repayment of Salary.** In the event the Educator fails to comply with the provisions of Section 2 above, or fails to use the Sabbatical Year for the purpose(s) approved by the Board and stated herein, or otherwise breaches this Agreement, the Educator will repay to the Board on demand an amount equal to the total of the salary payments and health & dental insurance premiums paid to or on behalf of the Educator during said Sabbatical Period. Provided, however, that if the Educator is in breach of his/her contractual requirement to remain employed for the period specified in Section 2 and partially fulfills said reemployment requirement, the Educator will pay to the Board on demand the same proportion of said total payments as the Educator’s period of reemployment bears to the required reemployment period.

4. **Interest and Cost of Collection.** In the event that a repayment plan for the payments described in Section 3 cannot be mutually agreed upon, the district will demand full payment from the Educator. If payment is not made in full within ten days of demand, the Educator agrees that any such sum shall thereafter bear interest at the rate of ten percent (10%) per annum until paid, and that the Educator shall pay all costs of collection, including reasonable attorney fees.

5. **General Supervision.** Teacher will remain an employee of the district and function within district policy, procedure and collective bargaining agreements. Employees shall provide evidence of sabbatical work upon request, including transcripts. To this end, the Educator agrees that the Board and the Superintendent shall have access to any projects, products, or writings produced by the Educator during the Sabbatical Leave.

6. **Board Presentation.** Upon return from the Sabbatical, the educator will make a presentation to the School Board during a regularly scheduled meeting, which will include the experiences, findings and outcomes learned during the sabbatical.

7. **Entire Agreement.** This Agreement contains the entire agreement of the parties and there are no promises, understandings, conditions, or obligations other than those stated herein. This Agreement may not be changed except by written agreement signed by the parties hereto.

EXECUTED at Portland, Maine the day and year first written above.

MEMORANDUM OF AGREEMENT: Earned Paid Leave (26 M.R.S.A. §637)

Under Maine’s new Earned Paid Leave statute (26 M.R.S.A. §637), employees accrue one (1) hour of Earned Paid Leave for each forty (40) hours actually worked, up to a maximum of forty (40) hours per contract year, and are permitted to use up to forty (40) hours of accrued Earned Paid Leave time in any one year. Earned Paid Leave time is not additional leave over and above any paid leave time available to employees under this Agreement. Any paid leave time (sick and/or personal/discretionary) taken under this Agreement shall concurrently be designated as Earned Paid Leave time for purposes of §637. To comply with §637, the first forty (40) hours of any paid leave under this contract may be used in one-hour increments and shall also be designated concurrently as Earned Paid Leave. In addition, educators may use personal leave for any non-medical reason, and the limitations contained in Section A(1) shall not apply. Thereafter, the contractual terms for each leave shall control. If the Superintendent/designee determines that a request for non-emergency leave would cause an undue hardship, the Superintendent may deny the leave request.

The Superintendent may grant additional paid leave under the contract on a case-by-case basis if the Superintendent determines that the contractual leave benefits are insufficient under §637, and said days shall be deducted from the employee’s sick leave accrual.

There will be no payout of unused earned time upon an employee’s separation of employment.
