A subsequent designation may be made in the event an employee a professional educator transfers by applying for a posted position or resigns, but in no event will the number exceed that specified in each classification in this paragraph. The positions so designated must be only at the highest level of a given extended responsibility category and are those typically found at District high schools. “Highest level” is defined as the following extended responsibility positions:

Any contract or third-year probationary teacher professional educator may apply for a posted position in the internal transfer process. First year and second year probationary professional educators who are unassigned may also apply for a posted position in
the internal transfer process. External applicants and temporary professional educators (except as provided in C6) may not apply for positions in the internal transfer process. Any Child Development Specialist, Student Services Specialist, Social Worker, or Audiologist in at least their third year of employment may also apply for a posted position providing they meet the qualifications for the position. However, a Child Development Specialist, School Psychologist, Social Worker, Student Services Specialist, or Audiologist applying for a posted position must have previously been employed by the District as a third-year probationary or contract teacher professional educator. (Moved from E4 above.) (D6 in district proposal, and not deleted.)

When filling positions from voluntary transfers and outside applicants, any of the following criteria may be used: (Moved from D3 above.) (C5 in PPS mediation proposal.)

5. Following the initial posting of vacancies for the subsequent school year internal transfer process Round I), any unit members professional educator may apply for any posted vacancy except a professional educator who has accepted a voluntary transfer under the provisions of 10.E.2 – 10.E.3. (E4 in PPS proposal.) After Round 1 Following the internal transfer process a vacancy may also be posted externally unless there is an unassigned unit member professional educator who is properly licensed and competent for such position. (Second D6 in District proposal.)

6. If a unit member professional educator has been administratively transferred under the provisions of 10.E.2, 10.F.2 and a position for which the unit member professional educator is qualified at his or her original school or program becomes available, the unit member professional educator may be returned to that school under the provisions of 10.E.1, 10.F.2 If such a position occurs while the unit member professional educator is unassigned, the unit member professional educator shall be returned to that school or program. (At the end of E2 list in PPS supposal.)

7. After the initial posting (Round I) unit members professional educators including unassigned unit members professional educators and members returning from a leave of absence may apply for any posted positions. A position may be posted externally unless there is an unassigned unit member professional educator who is properly licensed for such position. (This repeats information in F5.)

7. In the event of a merger of classes or programs from two (2) or more schools, the follow-the-student concept shall prevail. A merger causes a school to be comprised of at least forty percent (40%) of its students from the original school if two (2) schools are involved or thirty-three percent (33%) if three (3) schools are involved. In this case, unit members professional educators from merged schools or programs will be compared equally using the criteria described in F.1 above in filling all the positions in the school. (E3 in PPS supposal.)

8. When classes or programs from two (2) or more schools are combined in one school, unit members professional educators who have their program or school closed shall be placed in the school where their program or class is transferred provided there are sufficient positions available. If there are insufficient positions, the criteria of F.1 shall apply. (After E3 in PPS supposal.)

9. On occasion, the District may consider the transfer of a unit member professional educator for reasons other than those set forth in paragraph 10.E.2, 10.F.1 above. (PPS E5) The following procedures shall apply when the reason for transfer is due to unresolvable
irresolvable differences between the unit member professional educator and the supervisor:

a. The supervisor shall hold a conference with the unit member professional educator for the purpose of discussing all the reasons for the perceived need for the transfer. This conference shall be for the purpose of information-sharing and problem-solving and shall not be used as a litigation preparation meeting. The unit member professional educator may respond by making suggestions for addressing the concerns if the unit member professional educator opposes a transfer. If a unit member professional educator objects to the transfer, the unit member professional educator and the supervisor will discuss options to resolve the issue including possible alternative placements.

b. The Director of Student Achievement Chief Human Resources Officer will get involved if it appears the transfer may not be agreed to or if there is need for his/her help in finding a placement. At a minimum, if the issue is not resolved between the supervisor and the unit member professional educator, the unit member professional educator is entitled to a meeting with the Chief Human Resources Officer.

c. If after these discussions the District continues to feel that an involuntary transfer is necessary, and the unit member professional educator continues to refuse, a neutral third party professional, such as Cascade Centers, Inc., or other professional mutually acceptable by the District and Association, will be contracted by the District to meet with the parties with the goal of resolving the conflict, if possible. The neutral professional will assess whether or not the situation is correctable. The assessment shall not be placed in the personnel file of the unit member professional educator, shall not be used for any personnel decision other than the administrative decision, and will be treated confidentially. If the assessment is that the situation is not correctable with reasonable certainty in a reasonable period of time, the transfer proceeds. If the assessment is that the situation is correctable, the neutral professional will provide a statement of how the supervisor and the unit member professional educator can make correction. With cooperation of the unit member professional educator, the supervisor will make a good faith effort to work out the problem including following the plan provided by the neutral professional. The District shall pay the expense of the neutral professional for up to six (6) hours. If the District and the Association mutually determine it would be necessary, additional hours will be made available.

d. By agreeing to participate in this counseling process, the unit member also agrees not to contest the decision through the use of the grievance process.

3. In other types of involuntary administrative transfers under paragraph 10.E.1., a unit member can appeal an unconsented to administrative transfer to review by the Director of Student Achievement. The unit member will also be given opportunity to present his/her position to the Director of Chief Human Resources Officer who would have to approve the unconsented to transfer before it can occur.

(Moved from Section 1 above.)

10. No unit member professional educator will be transferred for reasons that are arbitrary or capricious. An illustration of an arbitrary and capricious transfer would be one based on union activity. An illustration of an involuntary transfer decision which would not be arbitrary and capricious is a transfer due to a long-standing irresolvable conflict between a unit member professional educator and supervisor. The involuntary transfer could not occur for performance deficiencies that would be dealt with in an
evaluation or Program of Assistance for Improvement or for any other reason that would violate any provision(s) of this Agreement contract.

G. Except for meetings with a mutual third party professional, Professional educators are entitled to have an Association representative present during any meeting with an administrator concerning this process. The professional educator shall be given twenty-four (24) hours advance notice of any such meeting.

H. If a decision to transfer a unit member professional educator is reversed by an arbitrator, the unit member professional educator shall be reinstated to the building no later than the beginning of the next semester after the arbitration decision.

I. Job Sharing/Part-Time Work

Two (2) unit members professional educators in the District, if both are full-time, can request consideration to transfer to an assignment on a job-sharing basis. Establishing or discontinuing job-sharing assignments shall be at the discretion of the building administrator or supervisor. A job-sharing assignment, if established, will continue for that school year unless one of the unit members professional educators resigns. If one unit member professional educator in a job-sharing assignment resigns from the District or transfers, the remaining unit member professional educator shall have the right to be considered for assignment to the position on a full-time basis.

K. A contract unit member professional educator teacher, Social Worker, Child Development Specialist, Student Services Specialist, or Audiologist shall not remain unassigned longer than one (1) semester. He or she shall have the right to replace the least senior assigned unit member professional educator in the same classification provided the senior unit member’s professional educator’s licensure, training and experience are comparable to those of the least senior unit member professional educator. (Moved to Article 11.)

If the layoff is to become effective the subsequent year, the District will notify the Association as soon as the layoff decision is made.

2. Along with the notification, the District will provide the Association with all relevant data, including but not limited to a seniority listing of unit members professional educators in the areas of licensure or classification in which the layoff is required. The District shall schedule at least one (1) meeting annually with the Association to review the staffing process.

3. The District shall first determine the program(s) or area(s) scheduled for reduction or elimination.

   a. The District will provide an announcement to unit members professional educators in those areas in which the layoff must occur, offering the opportunity for unit members professional educators who would not otherwise be laid off, to voluntarily apply for one (1) year unpaid leaves of absence. A unit member professional educator who volunteers for such leave and has ten (10) years of service with the District shall continue to receive District paid medical/dental benefits for up to one (1) year. Upon written request, such leave may be extended for an additional year providing the layoff condition remains in effect. Such unit members professional educators shall have the same rights to return to the District as unit members professional educators returning from leaves of absence.

   b. The provisions of ORS 342.934(2) (a) and (b) relating to transferring professional educators and combining positions to avoid layoff shall apply.

4. Technology

(Moved here from original Section I.)

1. Members Professional educators will be laid off according to length of continuous service with the District provided that those members professional educators who are retained are both competent or will qualify as competent, and hold necessary licensure from TSPC or necessary certification or licensure under other professional disciplines. Length of service (seniority) shall be based on the first day of actual service with the School District. Leaves shall not be considered as interruptions of continuous service. If two or more members professional educators have the same first date of actual service, seniority shall be determined by predetermined lot (done prior to the effective notice of layoff). Unit members
Professional educators of less than half-time shall not be used to supplant unit members who are half-time or more.

K. A contract unit member professional educator teacher, Social Worker, Child Development Specialist, Student Services Specialist, or Audiologist shall not remain unassigned longer than one (1) semester. Competence shall be defined as the ability to teach an “area of endorsement” a subject or grade level based on recent teaching experience related to that “area of endorsement” subject, as further defined by Appendix X, or grade level within the last five years, or educational obtainments, or both, but not based solely on being licensed to teach. The District shall consider a professional educator’s willingness to undergo additional training or pursue additional education in deciding upon questions of competence. For the purpose of the articles on layoff and transfer this Article, Behavior Management Specialists, Student Services Specialists, Child Development Specialists, Social Workers, School Psychologists, Audiologists, Special Education, English as a Second Language, and Bilingual Programs will shall be considered as “areas of endorsement subjects.” For the purpose of the articles on layoff and transfer this Article, a Bilingual Program is defined as a program where 50% or more of student instruction is in a language other than English.

3. Members Professional educators who do not have recent experience in the subject areas of endorsement” or grade level where they seek to be retained may nevertheless qualify as competent if they have completed recent (within the most recent five years) training that is agreed upon by both the district and the unit member professional educator as adequate preparation for the assignment or are willing to complete training applicable to that subject area of endorsement” or grade level.

If the member professional educator asserts a right to be retained in a position(s) where he/she has not had recent training or experience as defined above, the District and member professional educator shall review the member’s professional educator’s training and experience to that date and determine the course of training to be completed. The District will shall reimburse the member professional educator for tuition according to Article 15(B)(4) for any credit hours required by the District in this retraining plan. Members Professional educators may use their 12 hours of tuition reimbursement for a two-year period without limit in any one year for coursework required by the retraining plan. Such training will not exceed twelve (12) credit hours or District in-service credits within two (2) years from the date of notice. If the District and unit member professional educator mutually agree, mentoring or other educational opportunities may be substituted for all or part of the college or District in-service credit required. Consultation with officials from appropriate university and college training programs and the TSPC may be sought to resolve any disagreements. The District will shall provide final notification of the training or additional education requirements to be required and the timeline required, and the member professional educator will shall either accept the training as a condition of accepting the position or will shall decline and thus be laid off.

5. Following the implementation of a layoff, the District may administratively transfer unit members professional educators in accordance with Article 10 who remain as necessary to meet staffing needs.
6. If a professional member is to be/is fully or partially laid off and a portion of an assignment becomes available for which the professional educator is licensed and competent, the District shall assign the FTE to the professional educator or offer to recall the professional educator to that portion of the assignment. Professional educators who are partially laid off (have reduced FTE) shall have recall right to the portion of their position that was reduced. However, the District may reduce and/or increase FTE between .5 and .66, .67 and .74, and/or .75 and .99 without this resulting in a layoff.

7. No member bargaining unit position in the District shall be considered “vacant” for purposes of ORS 342.845(5) if filling the position with a non-extended administrator would cause another unit member professional educator to be laid off, or if there is a unit member professional educator on the recall list who would otherwise be entitled to be recalled to that position. (Moved from Original Section G.)

C. Layoff Benefits

1. The District will continue providing medical benefits to unit members professional educators who are laid off for a period of three (3) months following the month in which their coverage would otherwise end. A member on lay-off who accepts a lower FTE job offer, shall remain on the recall list for their original FTE position.

5. The District’s obligation to recall a unit member professional educator shall terminate following three (3) years of layoff status or upon two (2) refusals by a unit member professional educator to accept a position offered by the District or if the unit member professional educator resigns.
6. If a unit member professional educator is recalled, the unit member professional educator must indicate his or her acceptance within five (5) days following receipt of the notice of recall. 2. Rate of pay for teachers of inservice classes shall be Three Hundred Seventy-Five Dollars ($375) per credit hour. (Moved to Article 20.)

3. Rate of pay for all unit members on special professional assignment by the appropriate administrator shall be prorated on their annual salary. (Moved to Article 20.)

4. Central Staff Professional Librarians are employed on a twelve-calendar-month basis with one (1) month vacation pay. (Moved to Article 20.)

5. A teacher appointed to substitute in an administrative or supervisory position shall be paid his/her teaching salary plus Thirty-One Dollars and Sixty-One Cents ($31.61) per working day for a short-term emergency period. When the teacher assumes full responsibility for the position for an extended period of time, s/he shall receive the pay of the regular appointment. Such teacher who serves in such position while the principal is in the city, but out of the building for one-half (1/2) day or more, shall receive such pay. If a principal is out of the city or incapacitated, a substitute for the teacher shall also be provided. (Moved to Article 20.)

6. Coordinators in horticultural instruction shall receive 16% of base in addition to regularly established salary. (Moved to Appendix C.)

7. Teachers of Outdoor School shall receive an additional Hundred Twenty Dollars ($120) per day. (Moved to Article 20.)

8. Head High School/Middle School Librarians shall be placed by the District on a work year of 200 days. Up to ten (10) additional days will be available when warranted by workload. Any other librarians may be placed by the District on a work year of up to 210 days. Counselors shall be placed by the District on a work year of 200 days and may be extended to 210 days. 10. Rates of pay for summer school teachers shall be Six Hundred Two Dollars and Eighty-One Cents ($602.81) for one-half (1/2) day session. (Moved to Article 20.)

With respect to 2012-2013 the above rates in paragraphs 1, 5, and 10 will be increased at the same percentage as that applied to the base salary step on the salary schedule. (Moved to Article 20.)
1. Extended responsibility pay is for activities and responsibilities performed, primarily, outside the standard workday. It is understood that, except for those that are extensions of the classrooms or job assignment, extra extended responsibility pay positions are voluntary. (Moved from Appendix C, Section 8.) Extended responsibilities that are an extension of the assignment are indicated on Appendix C by *. Such extended responsibilities shall be required and shall be automatically calculated in the professional educator’s salary. If the school does not have a regular classroom assignment (e.g. no newspaper class), the extended responsibility would not be included under this section. In such cases, the extended responsibility would be voluntary.

2. Extended responsibility pay shall only be paid as provided in this contract at the rates indicated without variation. (Moved from 9 below.)

3. The extended responsibility base rate shall be the base salary rate in Appendix A (Step 1 on the BA + 0 column). This is the figure against which all extended responsibility percentages are factored for the duration of this Agreement. These are the amounts to be used for figuring extended responsibility pay:

APPENDIX D
MEMORANDUM OF AGREEMENT
21ST-CENTURY SCHOOLS ACT

The Joint Contract Administration Committee will function as the District Site Committee in matters related to the 21st-Century Schools Act. The Joint Contract Administration Committee will be solely responsible for establishing its own procedures for compliance with this Act. If the District decides to participate in building site committees, then Contract Administration will be responsible for determining the procedures by which the site committees would function. Any such procedures would be in compliance with the Agreement between School District No. 1 and the Portland Association of Teachers.

(Any further discussion will be incorporated into Article 17.)
This Memorandum of Understanding sets forth the basis for a Mentor Teacher Program within the Portland Public Schools pursuant to the 21st Century Schools Act.

A. Job descriptions for the mentor teachers and relevant procedures will be developed by a joint committee under the auspices of the contract administration committee.

B. No teacher shall be designated as a mentor without the consent of the teacher.

C. A teacher must have contract status in Portland Public Schools to be eligible to be designated as a mentor.

D. At least ninety (90) hours of direct contact between the mentor and the beginning teacher shall occur during the course of the school year.

E. The mentor teacher shall not participate in the evaluation of the beginning teacher. Observations made by the mentor shall be solely for the purpose of providing assistance to the beginning teacher and shall not be used in the evaluation of the beginning teacher or shared with any person.

F. The mentor program shall not be used as a part of a program of assistance for any teacher.

G. Teachers released from their regular duties for participation in approved activities related to the Mentor Teacher Program shall continue to receive their regular compensation and shall not be charged leave.

H. A mentor teacher shall receive extended responsibility pay of One Thousand One Hundred Twenty-seven Dollars and Forty-six Cents ($1127.46) per school year. This amount will be increased by the base salary increases in the 2012–2013 school year.

I. The District may expand or discontinue the Mentor Teacher Program at its discretion.

J. This Memorandum of Understanding shall become part of the Agreement and shall remain in effect through June 30, 2013.

K. Mentors and new teachers who are asked and volunteer to work up to five (5) days outside of the school year will be compensated at their per diem rate of pay. The PAT/PPS mentor committee will make recommendations to the Superintendent regarding this program by June 1, 2013.

(Original MOU language incorporated into Article 15.)
MEMORANDUM OF UNDERSTANDING

WORKLOAD

The Association acknowledges that in 2011 through June 30, 2013, workload changes may occur if the District seeks savings by taking reasonable advantage of FTE attrition or as a result of layoff.

Such topic will be a subject at regular contract administration meetings commencing no later than November, 2011.

(This language is incorporated into Article 20.)
A “domestic partnership” is defined as one in which two (2) persons:

1. Share the same permanent residence for at least six (6) months immediately preceding the signing of an Affidavit and intended to continue indefinitely;
2. Have a close personal relationship with each other;
3. Are not legally married to anyone;
4. Are not related to each other by blood in a degree of kinship closer than would bar marriage in the State of Oregon;
5. Are each eighteen (18) years of age or older;
6. Were mentally competent to consent to contract when the domestic partnership began;
7. Are each other’s sole domestic partner; and
8. Are jointly responsible for each other’s common welfare including “basic living expenses.”
During the 1999-2000 school year, a task force consisting of four (4) representatives appointed by the Association President and four (4) representatives appointed by the Superintendent shall develop and recommend to the Board a District Continuing Professional Development Plan (CPD). Such plan will include an appeal process for any individual whose verification of completion is denied.

(Language is incorporated into Article 16.)
Portland Public Schools and the Portland Association of Teachers agreed to form a committee to update the Teacher Evaluation Process Handbook. The committee was comprised of five (5) representatives appointed by each party. The committee made recommendations to the superintendent by the end of the 2010-2011 school year. The recommended changes to the Handbook were mutually agreed upon by the District and the Association.

The work group will continue to meet in the 2011-2012 school year to continue its work on the evaluation process.

(Further discussion of this language is incorporated into Article 8A.)
During the course of negotiations in 2010, the parties agreed to delete student day language in sections (A)(3) and (A)(4) of Article 20. The intent of the parties is to maximize individual student’s instructional opportunities. By making such changes, it is not the intent of the parties to increase the teacher workday, workweek, or workload for any teacher, and it is not the intent of the parties to add or forecast classes for the general student body. If an administrator requests in writing that a unit member provide instruction (e.g., tutoring, small group instruction, or teaching a class) outside of the member’s workday, and the unit member volunteers to do so, such member will be compensated at their per diem hourly rate of pay.

(Incorporated to Article 20 and partially to Article 21.)

Notwithstanding the above, working together in a labor-management committee, representatives of the District and representatives of the Association shall review any issues related to Article 20 of this agreement. Any changes to Article 20 shall be mutually agreed upon by the District and the Association by May 1, 2013. Such changes will be memorialized in a jointly executed memorandum of understanding and implemented whenever feasible before the expiration of this contract.

(Further discussion of this language is incorporated into Articles 20 and 21.)
The District and Association will request that the Health and Welfare Trust submit benefit plans to OEBB upon ratification of the Agreement but not later than March 31, 2010.

If a comparable plan exists at less cost, then the Association reserves the right to propose benefit adjustments and request that the Trust resubmit the amended plans to OEBB.

If mandated by law to participate in OEBB, the plans will be those most comparable to the existing Association plans offered by the Trust immediately prior to enrollment in OEBB. If participating in OEBB, as of the enrollment date in the OEBB, the District will submit to the OEBB the amount of the premium for health and welfare benefits for bargaining unit members on a ninety-three percent (93%) District and seven percent (7%) bargaining unit member contribution basis. The premium percentage contribution levels set forth herein above shall be adjusted for part-time and retired employees as set forth elsewhere in this agreement.

The District and Association will request that the Trust determine the Trust’s composite rate based on the OEBB rates.

The District will contribute to the Trust the “savings differential” from its participation in the OEBB for the 12-month OEBB benefit year commencing on the initial enrollment date. The “savings differential” for such year shall be calculated by deducting the District contribution sent to OEBB allocable to PAT participants from the amount the District would have contributed to the Trust for the same employees, utilizing for the 12-month period the Trust rates of the February preceding the enrollment date. These savings will be applied to offset any increases in OEBB beginning with the second year of participation.

The District and Association will request that the Trust Administrative committee develop a process of which reserves, proportional to PAT membership, and in excess of that required to maintain the Trust entity, will be utilized, together with the savings generated pursuant to the preceding paragraph, to reduce OEBB premium increases. This will occur in accordance with the following: All increases will be paid from this reserves/savings pool on a 93% District, 7% employee basis, not to exceed 15% of the total reserves/savings pool at the beginning of the second year of participation.

(No longer needed because of changes in regulations/law about needing to provide comparability data with OEBB.)
TENTATIVE AGREEMENT

Appendix X (new)

Definition of Subject

2. For purposes of determining competence under this Agreement “subject” shall be defined as an area of study roughly equivalent to a traditional department at the secondary level. It shall include, but not be limited to: Math, Social Studies, Language Arts, Science, Health, Art, Special Education, and World Languages. For certain areas of study, including PE, Music, and CTE, “subject” is more narrowly defined to specific types of courses as indicated in the table below.

3. Since professional educators must also be properly licensed for their assignments, assignment notices shall typically include endorsement areas such as Spanish, Chemistry or Advanced Math.

4. Subjects under CTE are Programs of Study (POS) for students. High school elective courses with similar titles to CTE programs of study are not included in the definition of “subject” for CTE areas of study.

5. CTE teachers are vetted through an Instructor Appraisal Process. Applicants, with assistance from the CTE Regional Coordinator, assemble an Instructor Appraisal Committee (IAC). If approved, the IAC recommends a Professional Development Plan and NCES codes/courses that the instructor is allowed to teach.

6. Either party may bring additional areas of study/subjects to contract administration to be considered for inclusion in the chart above. Such additions must be mutually agreed upon. Additions to the chart may not take effect during the traditional staffing period in the spring/summer.
Article 14 - Insurance Protection. Section 3 provides for the maintenance of the benefits over the term of this Agreement. The benefits to be maintained shall be amended to allow the School District No. 1 Health and Welfare Trust to choose Regence Blue Cross/Blue Shield as the third-party medical claims payer for the self-funded health plans only as specifically described below:

a. Effective February 1, 2014 the benefit levels for Level 3 (out of network) claims under the Trust’s self-insured medical plans are modified to conform with Regence’s operational practices, specifically as follows:
   (1.) Direct payment shall not be required to out-of–network providers, and
   (2.) Regence’s definition of “usual and customary” rates shall apply.
   All other plan benefits shall continue as described in the Trust’s plan documents.

b. This agreement is not intended to bind the School District No. 1 Health and Welfare Trust from changing medical claims payers at any time. Should the Trust choose to replace Regence as a third-party claims payer, the new claims payer shall use definitions (usual and customary, medical necessity, and durable medical supplies, etc.) in the same manner that they were defined by the third-party claims payer in place immediately prior to Regence.
Portland Public Schools (the District) and the Portland Association of Teachers (the Association) are committed to working together to improve educational outcomes for students. In recognition of the need to continue informed discussions regarding workload, the need for the workload committee to conduct its work transitioning into the next bargaining cycle, the efforts that professional educators make to meet student needs, and the various elements that make up workload for professional educators, and financial realities, the parties agree as follows:

1. The District shall designate one hundred percent (100%) of its pro rata share of the additional $100 million appropriated to the State School Fund by the Oregon State Legislature in October 2013, which the District currently anticipates will be $7,800,000, to hiring professional educators in schools for the 2014-15 school year.

2. Including, but not limited to, the funds so designated, the District shall provide for the addition of not less than one hundred fifty (150) FTE balanced across all professional educator positions and allocated as follows: fifty (50) FTE to high schools staffing, seventy (70) FTE to elementary/middle/PK-8 school setting, and thirty (30) FTE to Special Education staffing. The District shall provide verification that there has been a net increase in professional educator positions as allocated.

3. Should the District maintain an eight (8) period day (six (6) of eight (8) schedule) at District high schools, the District shall have until the 2016-17 school year to re-establish student load levels at the 2010-11 levels required by Article 20 Section D, provided progress is made each year toward achieving such student loads.
