<i>Job ID</i>	950558598	<i>Job type</i>	Part Time

Make a Difference as a Substitute Teacher

Substitute teachers play a vital role in providing quality education for our children. From Kindergarten through 12th grade, the average student will spend an entire school year with a substitute teacher leading their education. Penmac Education Staffing is currently hiring substitute teachers for the Springfield R-VII School District.

Requirements:

An unexpired Missouri Department of Education Substitute Certificate or Teaching License is required for Teacher and Paraprofessional positions. Requirements to obtain a Substitute Certificate are a minimum of 60 college credit hours. A Missouri Highway Patrol fingerprint background check and passing a drug screen are required for all positions. Contact our office before completing these as you will need specific information for the fingerprinting.

Benefits:

- Ability to choose what kind of position(s) you want to work in (Teacher, Aide, Paraprofessional, Speech Language Pathologist, etc.)
- Flexible Schedule - Substitutes have the flexibility of choosing their own assignments, buildings, districts (currently support Clever, Republic, Willard, Springfield, and Rogersville in the Springfield Area), and entering days when you're not available to substitute. This is great if you're a college student, have a part-time job, or other commitments.
- Paid Professional Development training for substitutes. Throughout the year, Penmac will provide training to substitutes over various topics, which have included Technology, Classroom Management, Effective Lesson Plans, Autism Training, and more.
- Retired teachers have ability to continue giving back to Education by working as a substitute. Penmac will monitor hours worked as required by the Public School Retirement System (PSRS/PEERS).
- Penmac offers health and retirement benefit options to full-time substitutes!
- Substitutes are paid weekly via direct deposit.
