1. AGREEMENT/RECOGNITION

1.1 The Articles and provisions contained herein constitute a bilateral and binding agreement, hereafter called the Agreement, by and between the Board of Education of the Stockton Unified School District, hereafter called the District, a public school employer, and the Stockton Teachers Association, California Teachers Association, and the National Education Association, hereafter called the Association, an employee organization, pursuant to Chapter 10.7, Sections 3540-3549.3 of the Government Code, hereafter called the Act.

1.2 The District recognizes the Association as the exclusive representative designated for the purposes of the Act for all certificated employees of the District as identified in the certification of the appropriate unit by the Public Employment Relations Board (PERB) on December 31, 1980 as it appears in Appendices A(1), A(2), A(3), and as modified by any subsequent certification by PERB.
2. CLASS SIZE

2.1 Application

2.1.1 The District average is calculated by dividing the number of students enrolled District-wide in any given life level/subject area by the number of actual General Fund Classroom Teachers at that life level/subject area. This definition excludes such support personnel as preparation period teachers, specialists, librarians, music teachers, and substitute teachers. The District average shall be applied at each site.

2.1.2 Classes shall be maintained at or below the maximums stated below.

2.2 In the areas of Science, Industrial Arts, Drafting, Vocational Shops and Homemaking, the number of work stations available shall be the maximum if that number is less than the District class maximums as listed.

2.3 Averages and Maximums

The Local Control Funding Formula (“LCFF”) establishes Class Size Grade Span Adjustment (“GSA”). Pursuant to the LCFF, the parties agree to establish a collectively bargained alternative class size ratio. Accordingly, for the 2013-2014, and 2014-2015 school years only, class sizes in kindergarten (including Transitional Kindergarten) and grades one (1) through three (3) will be adjusted as follows:

For the 2013-2014 school year only, the maximum student-teacher ratio in Kindergarten shall remain at 20:1 and the student to teacher ratio in grades one (1) through three (3), shall remain at 32:1.

For the 2014-2015 school year only, the maximum student-teacher ratio in Kindergarten shall remain at 24:1 and the student to teacher ratio in grades one (1) through three (3), shall remain at 32:1.

For the 2015-2016 school year only, school sites shall maintain the negotiated maximum to a student-teacher ratio in Kindergarten of 24:1 and shall decrease the student-teacher ratio in grades one (1) through three (3) by one (1) student to 31:1.

For the 2016-2017 school year only, school sites shall maintain the negotiated maximum to a student-teacher ratio in Kindergarten of 24:1 and shall decrease the student-teacher ratio in grades one (1) through three (3) by two (2) students to 29:1.

The intent of the parties is that this agreement addresses any and all obligations of the parties to have a collectively bargained alternative ratio. The parties’ agreement on these issues is required to preserve the additional Class Size Reduction adjustment grant, as currently in the LCFF provisions, including Education Code section 42238.02. SUSD and STA agree to continue to work together for the purpose of reducing class size with the goal of making progress towards the GSA established by LCFF. To assist with obtaining this goal, the District and STA agree to establish a GSA committee with equal numbers of members from STA and the District. The committee will be comprised of two individuals selected by STA and two individuals selected by the District. The committee will look at District programs and departments to make recommendations to the District and STA bargaining teams regarding where re-purposing could assist the District to achieve the target class sizes established by LCFF.

*Middle School General shall apply if no specific titled class, area or department exists.

2.3.1 The maximum class size at secondary (grades 7-12) alternative schools shall be 25 students.

2.4 Payment for Exceeding Limits (Overages)

If the enrollment exceeds the maximum, the teacher shall be compensated for each additional student at a three and one-half percent (3-1/2%) factor of that teacher's salary as specified below:
2.4.1 At the beginning of the school year, the District will have thirteen (13) instructional days to make adjustments without paying any overage payments. Beginning with the fourteenth (14th) day, overages will be paid to the instructor retroactive to the first day of the overage.

2.4.2 At the beginning of any other semester, at the high school level, the District has ten (10) instructional days to make adjustments without paying any overage payments. Beginning on the eleventh (11th) day, overages will be paid to the instructor retroactive to the first day of the overage.

2.4.3 At any other times of the year, overage payments will be begin on the eighth (8th) instructional day of the overage, retroactive to the first day of the overage.

2.4.4 High School teachers, including but not limited to those working a block schedule, will be paid the correct proportional rate of 3.5% of the teacher’s per diem rate, per student, per day for overages.

2.5 Special Education - Individuals with Exceptional Needs

2.5.1 For every two (2) pupils identified as an IWEN (Individuals with Exceptional Needs), who are either enrolled at the secondary level or assigned at the elementary level to a regular classroom for at least 20% of the day, the limits in Section 2.3 shall be reduced by one (1). This provision does apply to assignment of all special day students to the regular classroom teacher, and to students designated as “watch and consult.” This provision does not apply to “DIS” (designated instruction and services) students.

2.5.2 The number of IWENs in any regular teacher's class shall not exceed twenty five percent (25%) of the "Maximum Class Size" listed in Section 2.3 herein. If the 25% limit is exceeded, the payment provisions of 2.4 shall apply to any overage.

2.5.3 Special Day Classes shall average no more than twelve (12) pupils, and shall have a maximum of fourteen (14) pupils. Resource Specialist Programs shall have a maximum of twenty-eight (28).
3. EVALUATION

3.1 Evaluation Procedures

3.1.1 The purpose of an effective teacher development and evaluation system is to inform, instruct, and improve teaching and learning, as well as provide educators with meaningful feedback on both areas of strength and needed improvement. The evaluation of teachers shall be conducted in accordance with the procedures in this Article using the forms in Appendix E.

3.1.2 Grievances regarding evaluations (see Article 5) shall be utilized for disputes arising over the evaluation procedures only. Content of the evaluation shall not be subject to the grievance procedure except where the final overall evaluation score is “Unsatisfactory,” in which case, the teacher may elect to appeal to the Evaluation Advisory Mediation Committee (see section 3.4.2.5). Where a question of content versus procedure is involved, such question shall be determined by the grievance procedure. The arbitrator shall have the authority to rule on other issues related to evaluation by mutual agreement of the parties.

3.1.3 By written agreement between the permanent teacher and the evaluator, the timelines, observations, forms, records and conferences may be waived or reduced. Provisions of Article 3 shall not be waived or altered for probationary or temporary teachers.

3.1.4 Evaluation and assessment made pursuant to this Article shall be in writing and a copy will be provided to the teacher. The teacher shall receive a final evaluation of ‘Commendable’, ‘Satisfactory’, ‘Needs Improvement’, or ‘Unsatisfactory’. The evaluation shall include commendations, and/or recommendations, as appropriate, as to areas of improvement in the performance of the teacher. This evaluation, as well as all documents associated with it, shall be treated as a confidential personnel record.

3.1.5 The District shall evaluate and assess teachers as provided in the Education Code and as is reasonably related to the California Standards for the Teaching Profession (CSTP).

3.1.5.1 California Standards for the Teaching Profession

1. Engaging and Supporting All Students in Learning
2. Creating and Maintaining Effective Environments for Student Learning
3. Understanding and Organizing Subject Matter for Student Learning
4. Planning Instruction and Designing Learning Experiences for All Students
5. Assessing Student Learning
6. Developing as a Professional Educator

3.1.6 The following areas shall be evaluated through examples and comments by the District:

3.1.6.1 Developing as a professional educator

3.1.6.2 The performance of other duties adjunct to the teacher’s assignment.
3.1.7 The District shall provide teachers with a copy of the “California Standards for the Teaching Profession, Resources for Professional Practices.” Teachers will be notified in a timely manner of any and all updates to the CSTP.

In-service training shall be made available for teachers during the school year.

3.1.8 For non-instructional-unit members, such evaluation and assessment shall be based upon the fulfillment of established job responsibilities that are based on actual observation of the job-related activities. The non-instructional teacher evaluation form (Appendix E) shall be used.

3.2 Frequency

3.2.1 Evaluation and assessment of the performance of each certificated employee shall be made on a continuing basis, as follows:

(1) Once each school year for temporary/probationary personnel
(2) Every other year for personnel with permanent status not meeting the criteria below.
(3) Every five years for permanent personnel who have been employed at least ten (10) years with the district, are highly qualified as designated by No Child Left Behind 2001 (NCLB), and whose most recent previous evaluation rated the employee as ‘Satisfactory’ or ‘Commendable’. The certificated employee or the evaluator may withdraw consent at any time.

When any permanent, certificated employee has received a final evaluation of ‘Unsatisfactory’, the District shall evaluate the employee in the subsequent year, subject to the remaining provisions of this Article.

3.3 Timelines

3.3.1 As part of a regularly-scheduled faculty or orientation meeting, the evaluator shall meet, within the first twenty (20) working days of the school year, with the teacher(s) to be evaluated. In the event of a late hire or change of assignment, the meeting may be specially scheduled and shall occur within twenty (20) working days after the date of the late hire or change of assignment.

At the meeting, the evaluator and the teacher(s) will review the evaluation criteria (3.4 Evaluation Measures), the California Standards for the Teaching Profession on the Pre-Observation Conference Form, the facilitating support requirements to be provided by the evaluator, and the plans for monitoring the teacher’s performance status. The evaluator may ask for lesson or unit plans based on curricular goals or objectives no more than once per semester, unless there is evidence of poor planning pursuant to Section 3.9 of this Article.

3.3.2 For the announced observation, a pre-observation conference shall be held with the evaluator and the teacher within the first forty-five (45) working days of the school year and at least (2) working days prior to the observation.

The evaluator shall provide a copy of the Pre-Observation Conference Form to the teacher at least five (5) working days prior to the conference. The teacher shall bring the completed
form to the pre-observation conference. At the pre-observation conference, the teacher and evaluator shall review and complete the rest of the Pre-Observation Conference Form. The teacher shall select one (1) element from each of the six CSTP on the evaluation form as evaluation criteria. The evaluator shall select one (1) additional element from each of the six (6) CSTP on the evaluation form as additional evaluation criteria. Nothing herein shall exclude the right of the evaluator to comment upon and discuss, but not reduce to writing, observations concerning other indicators of performance. The teacher and the evaluator shall review and discuss lesson or unit plans at the pre-observation conference.

3.3.3 A post-observation conference shall occur within three (3) working days after each observation. At the post-observation conference, the evaluator will present the completed Post-Observation Conference Form and Observation/Conference Checklist to the teacher. The teacher shall have the right to attach a written response to the Observation/Conference Checklist and the Post-Observation Conference Form within five (5) working days of the post observation conference.

The Final Evaluation form shall be completed and filed with the Human Resources Office no later than thirty (30) calendar days prior to the end of the teacher’s school year. An evaluation conference shall be held between the evaluator and the teacher no later than five (5) working days before the final evaluation report is due to be filed.

3.4 Evaluation Measures

3.4.1 Teachers will be evaluated in accordance with Education Code section 44662 regarding the four evaluation criteria: 1) The progress of students toward the grade level standards; 2) The instructional techniques and strategies; 3) The employee’s adherence to curricular objectives; and 4) The establishment and maintenance of a suitable learning environment.

The California Standards for the Teaching Profession shall be used as the tool for teacher evaluation. Unit member performance shall be evaluated and assessed as it reasonably relates to:

1. Engaging and Supporting All Students in Learning
2. Creating and Maintaining Effective Environments for Student Learning
3. Understanding and Organizing Subject Matter for Student Learning
4. Planning Instruction and Designing Learning Experiences for All Students

3.4.2 Student growth results shall be included solely as part of a teacher’s formative planning for evaluation.

3.4.2.1 Student achievement shall be based on mutually agreed upon growth models that contain multiple measures and are currently used in the teacher’s classroom. Up to two growth models shall be selected by the evaluator and up to two growth models shall be selected by the teacher. At least one growth model shall be selected. The following is the list of possible measures currently agreed upon:
- Teacher-designed assessment

- Interim benchmark tests
- Narratives
- District fall to spring test scores
- Student artifacts
- Teacher set objectives/goals

3.4.2.2 The pre-observation conference referenced in section 3.3.2 will be used to identify the data sources and the strategies used to drive instruction.

3.4.2.3 As other valid assessments are developed, the District and STA will negotiate adding them to the list of approved data sources.

3.4.2.4 STA members in non-instructional assignments will not be subject to this section.

3.4.2.5 An Evaluation Advisory Mediation Committee shall be established. The purpose of the committee is to reduce conflict regarding evaluations. Each party shall appoint two members to serve upon the committee.

This Committee is an advisory body, which has the ability to make confidential recommendations to its appointing entity. The Committee is not intended to replace or replicate the work of the PAR Panel. The Committee’s primary roles will be to review conflicts and make recommendations.

3.4.2.6 The District will provide annual training for administrators on evaluation techniques and applications.

3.5 Observations

3.5.1 Two (2) formal observations, at least thirty (30) minutes in length, shall be scheduled during the evaluation period for all certificated personnel. The time and date of the first observation shall be announced to the teacher at least two (2) working days in advance of the observation. The teacher has the right to initiate the time and date of this first announced observation. Additional classroom observations, with or without notice, may be conducted at the discretion of the evaluator or at the request of the teacher. When any observations are reduced to writing, the teacher shall receive a copy of the Observation/Conference Checklist and the Evaluator’s Notes of Observation; a conference shall follow, and the teacher shall have the right to attach a written response.

3.5.2 For unannounced observations, the evaluation criteria shall be the same as indicated by the teacher and evaluator for the announced observation. The same Post-Observation Conference Form as for the announced observation shall be completed.

3.5.3 The format, location, and timing of development of the teachers written evidence of planning is the professional prerogative of the teacher, except as provided in this Article.
Access to the written evidence of planning shall be at the discretion of the teacher, except as provided in this Article. If the evaluator finds that evidence of planning is unsatisfactory, and so indicates on the Observation/Conference Checklist form, then the evaluator can request that written evidence for planning (with the format to be determined by the teacher) be reviewed by the evaluator with the teacher during the teacher’s regular working day on a weekly basis. Such review shall be terminated when the subsequent observation indicates that planning is now satisfactorily in evidence, or by mutual agreement of the evaluator and the teacher, whichever occurs first.

3.6 Final Evaluation

3.6.1 The Final Evaluation form shall be completed based on the completed observations (at least two). The Final Evaluation shall be presented to the teacher and the teacher shall sign the evaluation, indicating that he/she received the Final Evaluation. The teacher’s signature on the Final Evaluation form shall not be construed as agreement to the Final Evaluation score.

The teacher shall be provided a copy of the written evaluation and all other documentation upon which the evaluation is based. The teacher shall have the right to initiate a written response to the evaluation. Such response shall become a permanent attachment to the evaluation for placement within the teacher’s personnel file. The teacher shall have three (3) working days to attach the response.

3.6.2 Permanent Teachers’ Participation in PAR

If a permanent teacher’s final evaluation contains unsatisfactory scores in two or more of the California Standards for Teaching Profession (3.1.5.1 1-5); the teacher shall be referred to the Peer Assistance and Review Program (PAR). The permanent teacher shall be required to participate in PAR as outlined in Article 26. Additionally, the permanent teacher’s evaluator shall complete a specific plan for improvement, consistent with the PAR Program, that will assist the teacher in correcting the unsatisfactory performance.

3.7 Right To Second Evaluation

3.7.1 If any permanent teacher receives an unsatisfactory final evaluation, the teacher shall have the absolute right to request, in writing, one (1) additional observation, conference and written evaluation. Such second observation, conference, and written evaluation shall be conducted by a different evaluator who is at a level comparable to or above the level of the first evaluator. Such second evaluator shall be selected by the Assistant Superintendent of Educational Services. Such second evaluation will also be included in the personnel file.

3.7.2 The request must be made by the teacher within five (5) working days after receipt of the final evaluation. The request shall be made to the Assistant Superintendent for Educational Services, who shall appoint a second evaluator within five (5) working days from receipt of the request by the teacher. The second evaluator must complete an observation, conference, and written evaluation at least five (5) working days prior to the teacher's last working day. The request for a second evaluation shall be made on the appropriate form (see Appendix E).
3.8 **Teacher’s Access to Documentation**

3.8.1 During an observation, the evaluator shall make contemporaneous notes on the form Evaluator's Notes of Observation attached as Appendix E. A completed copy of the Evaluator's Notes of Observation shall be provided to the teacher being evaluated within three (3) working days. The evaluator has the option to re-write the notes of observation but retain all notes’ versions or copies which shall also be provided to the teacher upon request. Copies of any other documentation on which the evaluation is based will also be provided to the teacher. The teacher shall have the right to initiate a written response to any written observation. Such response shall become a permanent attachment to the written observation.

3.9 **Planning**

3.9.1 It is the professional responsibility of each teacher to make appropriate lesson and unit plans for instruction of students. The administrator and/or the evaluator may review lesson or unit plans during the following instances:

a) Up to four (4) times per year during the year when a teacher is being evaluated;

b) When evidence of planning is a concern to the administrator during the non-evaluation year, and the administrator concludes, in writing, based on two (2) classroom observations of at least twenty (20) minutes each, that evidence of planning is lacking;

c) During the implementation year of District-wide curricular changes, to assist the teacher to adhere to curriculum standards, the administrator may review a unit plan up to two (2) times.

It is the professional responsibility of the administrator to review and provide specific written or oral feedback to the teacher on lesson or unit plans. The teacher and the evaluator shall review and discuss lesson or unit plans at the pre-observation conference.

A detailed plan suitable for the use of a substitute teacher shall be kept on file in the school office or in a specific place in the classroom accessible to the site administrator and the substitute.

The amount of the "buy up" will be set prior to the beginning of each fiscal year and may increase over the amount for the prior fiscal year.

Each eligible teacher who selects the more costly HMO or PPO medical plan shall be required to complete a payroll deduction authorization form so that the differential amount for the more expensive plan may be deducted. Failure to execute a payroll deduction form will result in cancellation of insurance for the spouse and/or the employee (as applicable) for non-payment of premiums.

4.1.1 Effective January 1, 2019, the District shall provide the health benefit contribution of $1,665 per month ($19,980 annually). This fully covers the CalPERS Kaiser HMO plan (including medical, dental, vision, and chiropractic) at 2019’s rates.

4.1.2 Commencing with the 2020 health plan year, the District’s health benefit contribution shall be annually adjusted toward the cost of CalPERS Kaiser HMO plan (including medical, dental, vision, and chiropractic) as a coverage target, whether by increasing or decreasing, by no more than $100 a month ($1,200 annually) as compared to the previous year’s health benefit contribution amount.

The purpose of this illustration is only to provide context to article 4, section 4.1. This illustration (and its contents) are therefore not grievable.
4.1.3 Any difference between an employee’s plan cost and the District’s health benefit contribution shall be deducted by payroll.

4.2 **Health Insurance**

4.2.1 Unless otherwise agreed, the District will offer each eligible teacher HMO and PPO plans throughout the term of the Agreement as offered through CalPERS.

4.2.2 Teachers who are absent on account of illness and who have exhausted their accumulated paid leaves have the option to purchase full insurance coverage for that period of illness not to exceed thirty-six (36) months following exhaustion of said leave.

4.2.3 Teachers on District-approved unpaid leaves of absence shall have the option to purchase health insurance coverage for the period of the leaves, not to exceed thirty-six (36) months.

4.2.4 The District shall provide retiring teachers the option to purchase health insurance coverage if retiring after reaching the fifty-fifth (55th) birthday, provided said teacher has served ten (10) years in the District prior to retirement. For Early Retiree Fringe Benefits, see Article 10.5.

4.2.5 For bargaining unit members hired before July 1, 2015, the District shall provide a medical rebate of (50%) of the lowest medical plan rate for eligible, current employees.

For bargaining unit members hired on or after July 1, 2015, the District shall provide a medical rebate of $283 per month for eligible employees.

4.3 **Dental Insurance**

The District will offer each eligible teacher a dental plan substantially equivalent with no reductions to current dental plan, with orthodontic. The plan will be subject to the health benefit allowance. Each covered individual will receive coverage up to $1,500.00.

4.4 **Mental Health/Chemical Dependency Program**

The District will offer each eligible teacher a managed mental health/chemical dependency program as a part of the current health care plans provided. The plan will be subject to the health benefit allowance.

4.5 **Vision Care**

The District will offer each eligible member a vision plan. The plan will be subject to the health benefit allowance.

4.6 **Plan Contracts**

4.7 **Tax Sheltered Annuities**

District-approved tax sheltered annuities in which employees participate shall be eligible for payroll deductions. Effective immediately, only those tax sheltered annuities with twenty (20) or more unit member participants shall be eligible for payroll deduction. The TSA’s currently in effect will not be subject to this provision.

4.8 **Temporary Teachers**

The fringe benefits for teachers with non-tenured/non-probationary contracts shall be provided in the same manner as fringe benefits for tenured/probationary unit members.

4.9 **Bereavement Period**

The District shall provide a ninety (90)-day bereavement period to allow the spouse and/or dependent(s) of a deceased teacher to be covered by the District-paid fringe benefits.

4.10 **Medicare**

4.11 **Internal Revenue Code Section 125 Plan**

The District agrees to implement an IRC Section 125 Plan effective no later than January 1, 2001, for each employee who, in writing, enrolls in the Section 125 Plan.
5. GRIEVANCE PROCEDURE

5.1 Definitions

5.1.1 A "grievance" is a dispute between the District and an aggrieved person or class or Association, as provided below, involving a violation, interpretation or application of a provision of this Agreement.

5.1.2 A grievance may also be initiated by the Association as a "class grievance" whenever the allegations involve the same or similar facts involving more than one teacher.

A class action grievance shall be filed at Level I if the allegations involve only aggrieved persons under the supervision of the Level I supervisor. If the allegations involve more than one Level I supervisor, or if the matter relates to a District-wide action, the grievance may be filed at Level II. The District may refuse to hear the grievance as a class action, but the timeliness requirements of Section 5.2.2.1 will be tolled from the time of filing of the class action grievance until the District's refusal to accept the grievance.

5.1.3 The Association may file a grievance on its own behalf whenever the allegations relate to a right in the Agreement held by the Association itself.

5.2 Procedure

5.2.1 Informal Resolution: An aggrieved person may first discuss the grievance with the appropriate principal or immediate supervisor with the objective of resolving the matter informally. Either party may elect to waive this step.

5.2.2 Level One: Immediate Supervisor Hearing

5.2.2.1 The grievance shall be filed in writing no later than fifteen (15) work days after the aggrieved person knew or should have known about the occurrence giving rise to the grievance, simultaneously with the President of the Association, the immediate supervisor and the Assistant Superintendent for Human Resources. The written grievance shall specify the teacher(s) involved or an identifiable class, and the Article(s) and Section(s) allegedly violated.

5.2.2.2 Within five (5) work days after receipt of the written grievance, the supervisor will meet with the aggrieved person and a representative of the Association, if any, in an effort to resolve the grievance. A proposed resolution will be communicated to the Association immediately after the hearing whenever the aggrieved person proceeds without Association representation and the Association will have two (2) work days to file a response.

5.2.2.3 Within five (5) work days of the hearing above, a decision shall be rendered in writing setting forth the decision and the reasons therefore, and will be transmitted promptly to the aggrieved person and to the President of the Association. Time limits for appeal shall begin the day following receipt of the written decision by the aggrieved person.
5.2.3 **Level Two: Superintendent/Designee Hearing**

5.2.3.1 Within ten (10) work days after receipt of the Level One decision, or if no written decision has been rendered within five (5) days after the hearing with the immediate supervisor, the aggrieved person, if not satisfied with the disposition of the grievance at Level One, shall file the grievance in writing simultaneously with the President of the Association and the Superintendent. The Association may file an organizational grievance, or class grievance, at this level within fifteen (15) work days after the Association knows or should have known of an occurrence giving rise to the grievance.

5.2.3.2 Within five (5) work days after the receipt of the written grievance, the Superintendent, or a designee, will meet with the aggrieved person and a representative of the Association, if any, in an effort to resolve the grievance. Immediately after the hearing and prior to decision, the Association will be informed of any proposed resolution and allowed two (2) work days to file a response if not representing the aggrieved person.

5.2.3.3 A decision within ten (10) work days of the hearing above shall be rendered setting forth the decision and the reasons therefore, and will be transmitted promptly to the aggrieved parties and to the President of the Association.

5.2.4 **Level Three: Conciliation**

If the aggrieved person is not satisfied with the Level Two decision, or if no decision is rendered within the specified time limits, (s)he may request the Association to seek conciliation pursuant to this section. Such request must be made within twenty (20) work days, or the Level Two decision will be final. By mutual agreement, the conciliation step may be waived and the Association shall have twenty (20) work days to request arbitration.

5.2.4.1 The Association, if concurring with the grievant's request to seek conciliation, will request the California Mediation and Conciliation Service to provide a conciliator to assist the Association and the District to resolve the grievance. Copies of the written request to the Conciliation Service will be sent to the Superintendent and the grievant when the request is made.

5.2.4.2 The California Mediation and Conciliation Service will appoint a mediator (who shall be mutually acceptable to the District and Association) within ten (10) work days of receipt of letter, who shall attempt to resolve the grievance. If for any reason the California Mediation and Conciliation Service fails to or refuses to act as provided herein, the Parties shall meet and seek alternative conciliation methods.

5.2.4.3 The mediator shall not make written or public recommendations relative to the grievance.
5.2.5 **Level Four: Arbitration**

If the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if the conciliation process is not concluded within fifteen (15) work days, or if the mediator releases the Parties prior to the conclusion of the fifteen (15) work days’ time period for conciliation, or if the California Mediation and Conciliation Service fails or refuses to act within the prescribed timeline, the aggrieved person may request, in writing, that the Association submit the grievance to arbitration. The Association, by written notice to the Superintendent within fifteen (15) work days after Level Three, or if the grievance is unresolved after the time limit provided in Level Three, may submit the grievance to arbitration. Any question arising as to the arbitrability of the grievance shall be ruled upon by the arbitrator.

In any event, if the conciliation process does not resolve the grievance within sixty (60) calendar days of the District's response at Level Two, the Association must either withdraw the grievance or file for arbitration. If the conciliation process does not resolve the grievance and the conciliator releases the Parties, the Association must file at Level Four (arbitration) within twenty (20) working days.

5.2.5.1 The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, either party may request that the State Mediation and Conciliation Service supply a panel of five names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot. Both Parties agree to move expeditiously to arbitration. No later than two (2) weeks prior to the scheduled arbitration, representatives will meet in person or by telephone to attempt to agree on a submission statement of issues.

5.2.5.2 The arbitrator's decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which is in violation of the terms of this Agreement. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies as are judged to be proper. The decision of the arbitrator will be submitted to the Superintendent and the President of the Association and will be final and binding upon the parties.

5.2.5.3 By mutual agreement, the parties may request an expedited arbitration process, according to the American Arbitrators Association (AAA) Expedited Labor Arbitration Rules.

5.2.5.4 All costs for the services of the arbitrator, including, but not limited to, per diem expenses, travel and subsistence expenses and the cost of any hearing room, will be borne equally by the District and the Association. All other costs will be borne by the party incurring them. Ordinarily, transcripts shall not be required. If requested, the party making the request shall bear the cost.
5.3 Rights of Teachers to Representation

5.3.1 An aggrieved person may be represented by the Association at any step or may proceed without representation through Level Two. If an aggrieved person is not represented by the Association, the Association shall have the right to be present at any hearing and at the adjustment.

5.3.2 No reprisals of any kind will be taken by the District or the Association against any aggrieved person or other participant in the grievance procedure by reason of such participation.

5.4 General Provisions

5.4.1 The Association may process a grievance when it is selected as representative through all levels of the grievance procedure even though the grievant does not wish to do so. Failure on the part of any aggrieved person(s) to process or pursue a grievance shall not serve to establish a precedent.

5.4.2 When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during the day, she/he will, upon notice to his/her principal or immediate supervisor by the President of the Association, be released for a reasonable period of time without loss of pay in order to permit participation in the foregoing activities. Any aggrieved person who is required to appear in such investigations, meetings, or hearings as a witness will be accorded the same right.

5.4.3 All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

5.4.4 Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents will be prepared jointly by the District and the Association so as to facilitate operation of the grievance procedure. The cost of preparing such forms shall be borne by the District.

5.4.5 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise. These proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

5.4.6 Nothing contained herein will be construed as limiting the right of any aggrieved person having a grievance to initiate a discussion of the matter informally with an appropriate member of the administration and to have the grievance adjusted without intervention by the Association, provided that the adjustment is consistent with the terms of this Agreement and that the Association has been given an opportunity to be present at such adjustment and to state its views.

5.4.7 The time limits specified at each level shall be considered to be maximums and every effort shall be made to expedite the process. The time limits may be extended by mutual agreement of the aggrieved person and the Superintendent or designee.
Though time limits are tolled during the summer, except for grievances filed during the summer session, the procedure shall continue so long as all parties and witnesses are available.

5.4.8 At any stage of the procedure, Association representation may be limited to one (1) person who may be on release time.

5.4.9 The date of receipt of each writing required pursuant to this procedure shall be determined as follows:

5.4.9.1 The day such writing is personally delivered to the recipient or the day after such writing is deposited in the United States certified mail, addressed to the recipient at the last known home address.

5.4.9.2 For purposes of this procedure, the term “writing” shall include the grievance, the grievance appeal, the answer to the aggrieved person or grievance appeal or any other required writing.

5.4.10 The presence of advisors may be requested at any stage of the procedure by either of the parties.

5.4.11 Any request for necessary and relevant information should normally be made at Level One. Only related matters may be subsequently introduced.

5.4.12 Either party, through appropriate representatives, shall have the right to written discovery from the aggrieved person or the other party.

5.4.13 Disposition of grievances shall not be reflected in any way in the evaluation of aggrieved persons.

5.4.14 Information pertaining to the filing and resolution of a grievance shall not become part of an aggrieved person's official personnel file.

7.15.5.5 Applicants will be notified of approval or disapproval of the applications not later than February 1.

7.15.5.6 Acceptance of the sabbatical leave must be made in writing by February 10.

7.15.5.7 Alternates will be designated. Alternates will be notified in designated order, according to the provisions of the policy, if any sabbatical leaves are not accepted.

7.15.5.8 If an accepted applicant wishes to become an alternate, the first alternate will be given the sabbatical leave and the accepted applicant will be placed on the alternate list.

7.15.5.9 The teacher must agree to return to service in the District for a two (2) year period after the completion of the sabbatical leave.

7.15.5.10 Placement in the same school and position upon return from sabbatical leave shall be guaranteed in writing, contingent upon the provisions of the Transfer Policy.

7.15.6 **Indemnity Bond**

If the teacher chooses to be paid during the time he/she is on leave, he/she shall post a suitable bond, before beginning sabbatical leave, indemnifying the District for any salary paid him/her during the period of sabbatical leave in the event he/she fails to complete his/her proposed program of study and/or travel or fails to return to the District to teach for at least two (2) years immediately following his/her sabbatical leave.
Failure of a teacher to return to teach in the District for at least two (2) years immediately following his/her sabbatical leave or failure to complete satisfactorily his/her scheduled program of study and/or travel shall not result in forfeiture of his/her bond, provided such failure is due to his/her death or physical or mental disability certified by a licensed physician.

7.15.7 Report of Leave

A written report must be submitted to the Superintendent within sixty (60) days after the teacher returns. This report should contain the names of the areas visited, the courses completed, the material such as slides, pictures, or other things which could be exhibited, and other contributions he/she can make to the District as a result of his/her leave.

7.15.8 Short-Term Sabbatical Leaves

In addition, the District may grant short-term sabbatical leaves.

7.15.8.1 Such leaves will be for the same purposes as listed above.

7.15.8.2 A total of twenty (20) weeks during the school year will be provided.

7.15.8.3 A teacher granted a short-term sabbatical leave shall receive fifty (50) percent of his/her scheduled salary for this period.

7.15.8.4 No individual leave shall be granted for less than two weeks (2) nor more than four (4) weeks.

7.15.8.5 A teacher must have completed seven (7) consecutive years of full-time service in the District before becoming eligible for a short-term sabbatical. No more than one (1) short-term sabbatical shall be granted a teacher during a seven (7)-year period.

7.15.8.6 This will not preclude a teacher from participating in the full-year sabbatical leave program described in 7.15.1 through 7.15.7.

7.16 Other Leaves

7.16.1 Upon request of the teacher, the District may grant a paid or unpaid leave of absence to any teacher for a purpose other than those listed above. This leave is granted on a year-to-year basis, not to extend beyond three (3) years, except in cases of leave for educational renewal which may be extended to five (5) years. The District shall annually request in writing that teachers on leave declare their intent to return. This request may be made as early as January 1 of each year. Unit members must respond within forty (40) calendar days of the written notice from the District.

7.16.2 A teacher shall be entitled to leave to serve as a witness under subpoena other than as a litigant and not brought through the connivance or misconduct of the unit member.
7.16.3 A teacher shall be entitled to one (1) day of paid leave to care for his/her dependent(s).

7.17 **Catastrophic Leave Program**

Provided that not less than 500 days are contributed to the Catastrophic Leave Bank during the initial enrollment period described in Section 7.17.7, a catastrophic leave program shall be established to provide additional sick leave benefits for enrolled members as follows:

7.17.1 A teacher who is entitled to paid sick leave and who is experiencing catastrophic illness or injury is entitled to the benefits of this program if the teacher has exhausted all of his/her sick leave.

7.17.1.1 The teacher must provide verification of catastrophic illness or injury in a manner acceptable to the District and must request the leave in writing.

7.17.1.2 The teacher must have previously become a member of the Catastrophic Leave Program pursuant to Section 7.17.5.

7.17.1.3 The benefits of this program are limited to one (1) occurrence per fiscal year.

7.17.2 "Catastrophic illness" or injury means an illness or injury that is expected to incapacitate the teacher for an extended period of time, and the taking of extended time off work creates a financial hardship for the teacher because he/she has exhausted all sick leave.

7.17.3 "Eligible leave" credits means sick leave accrued to the donating employee.

7.17.4 In order to be eligible for this program, the teacher must be eligible for benefits under the salary protection insurance policy. The maximum allocation from the Catastrophic Leave Bank shall be no more than the difference between the number of personal sick leave credits the employee has accumulated at the beginning of the absence, and the thirty (30) calendar days’ waiting period for the income protection plan benefits to commence.

7.17.5 A teacher may become a member of the Catastrophic Leave Program, and thereby become eligible for receipt of benefits under the program, by filing with the Human Resources Office an irrevocable donation of one (1) sick leave credit per school year unless the assessment is suspended pursuant to Section 7.17.6. All donations must be in full-day increments and are non-refundable. Donations beyond one (1) day per fiscal year must be approved by the District.

7.17.6 A committee comprised of three (3) representatives from the Association shall be established. The committee shall meet with a representative from the Human Resources Office to review and approve all applications for leaves to be charged to the Catastrophic Leave Bank. In future years, this committee may determine that an assessment for that year is unnecessary. The committee shall make such determination and notify the District not later than August 1st of each school year if the deduction of one day (1) sick leave credit is to be suspended for that year.
7.17.7 The initial enrollment period shall be January 2 through January 31, 1992. The effective date of coverage shall be February 1, 1992.

7.17.8 Newly hired teachers shall have thirty (30) calendar days from the date of employment to enroll in the Catastrophic Leave Program and the effective date of coverage shall be first day of the month following enrollment. Newly hired teachers who enroll during the spring semester shall be exempt from assessment for the following school year.

7.17.9 To discontinue membership in the Catastrophic Leave Program, the member must provide written notice of the intent to withdraw during the period of June 15 to June 30 of each fiscal year, to be effective for the following fiscal year.

7.18 Miscellaneous

7.18.1 Absence for any purpose not enumerated shall be deemed to be an unauthorized leave. No teacher shall receive compensation for unauthorized leave.

7.18.2 A teacher's notification to the District that (s)he intends to resign shall remain revocable until such time as the District officially takes action on such notification.

7.18.3 Deductions from the pay of teachers for substitutes shall be made at the rate of pay actually paid to the substitute.

7.18.4 Prior to a teacher being docked pay for any reason, the District shall conduct an audit of the teacher's leave entitlement and inform the teacher of his/her entitlement and the proposed docking.

7.19 Family Care and Medical Leave

Any employee who has more than 12 months’ service with the District, and who has provided at least 1,250 hours of service during the preceding twelve (12) month period is eligible for family care leave.

The District may deny family care leave to a salaried employee who is among the highest-paid ten percent of district employees where the refusal is necessary because restoration of the employee to his or her position following the leave will result in substantial and grievous economic injury to the operations of the District. Prior to the leave, such an employee will be notified of his or her status as a key employee and the District’s determination that it will refuse to reinstate the employee after the leave due to the above-described substantial and grievous economic injury which will result to the District.

In any case in which both parents entitled to family care leave are employed by the District, the District shall not grant leave in connection with the birth, adoption or placement for foster care of a child that would allow the parents aggregate family care leaving totaling more than the twelve (12) weeks authorized by Board policy (see Board Policy AR 4161.8/4261.8/4361.8 for additional information).
8. LIAISON COMMITTEE

8.1 As soon as possible after the execution of this Agreement, the teachers of each school shall select a Liaison Committee for each school building or support group from Association members at that school, which shall meet with the principal or that group's immediate supervisor at least once a month during that regular school year to consult regarding the local school programs.

8.2 The Liaison Committee together with the principal or that group’s immediate supervisor may develop the focus areas for staff development consistent with the school’s need to improve as evidenced by student outcomes.

8.3 School program consultations may include, but are not limited to:

a. Curriculum content and philosophy
b. Teacher personnel policies
c. In-service training and faculty meetings
d. Pupil personnel/student supervision policies
e. Local budget allocations and priorities
f. Selection of materials for media centers/libraries
g. Scheduling, including minimum days and parent conference days
h. Planning and implementation of categorical programs
i. School safety issues

8.4 The Liaison Committee shall be composed of one (1) member for every ten (10) teachers in the school building or support group, but will not have less than two (2) nor more than seven (7) members. The number of teachers may exceed this ratio with mutual agreement of the Superintendent and the President of the Association.

8.5 The Liaison Committee, at its advance written request, shall be allotted a period of time at faculty meetings which shall not exceed five (5) minutes to present information concerning consultations of the Liaison Committee as specified in this Article.

8.6 Nothing in this Article shall supersede the right of the Association to consult as provided for in the Act.
9. MISCELLANEOUS

9.1 Professional Growth

9.1.1 Those employees who, as of September 1, 1985, do not hold a clear multiple or single subject teaching credential, shall develop an individual program of professional growth which consists of a minimum of 150 clock hours of participation in activities which contribute to competence, performance, or effectiveness in the profession of education. Employees who do not have a clear part-time Designated Subjects Adult Education Teaching Credential shall develop a program consisting of a minimum of 50 hours. Employees who do not have a clear part-time Designated Subjects Vocational Education Teaching Credential shall develop a program consisting of a minimum of seventy-five (75) hours. This program is to be completed within each five (5) year period. The initial five (5) year period begins September 1, 1985, or on the date that a credential takes effect after September 1, 1985.

9.1.2 If there is any change, delay, or repeal in the Education Code and/or California Code of Regulations sections within the scope of negotiations relating to professional growth requirements, either party may reopen negotiations on such changes within sixty (60) days of such changes.

9.1.3 Prior to beginning an activity which could accumulate clock hours, the teacher shall submit the proposed plan to his/her professional growth advisor. Within five (5) working days, the professional growth advisor shall review the proposed plan. If the proposed plan is not in conformance, then the reasons for non-conformance shall be placed in writing by the professional growth advisor. If the teacher desires to amend an already-approved activity for accumulation of clock hours, the same process shall be followed.

9.1.4 Clock hour is determined by the actual time spent in the pre-approved professional growth plan activities, with the following exception: for courses taken from an accredited college or university, each semester unit shall equal fifteen (15) clock hours and each quarter unit shall equal ten (10) clock hours.

9.1.4.1 For each hour that an employee spends directly involved in an activity that is identified in a signed professional growth plan, the employee shall record one (1) clock hour of time on the professional growth record.

9.1.4.2 In a professional growth record, an employee shall not record any time spent traveling to or from a professional growth activity, or any time spent completing routine out-of-class assignments such as reading assignments or preparing for tests for an approved course, workshop, teacher center program, staff development program or professional conference that the employee attends. An employee may record time spent on out-of-town assignments if the employee and the professional growth advisor agree that the assignments qualify as professional growth domain(s) and activities in the categories defined in Section 80558(b) and (c) of Title 5, California Code of Regulations, attached hereto as Appendix F.
Time spent preparing to make formal presentations in professional conferences, or as the instructor of a course, workshop, teacher center program or staff development program for teachers may be recorded. The professional growth advisor may require the employee to explain how an activity satisfies or is likely to satisfy one or more of the domains and activities defined in Section 80558(b) and (c), above.

9.1.5 The District shall prepare a list of professional growth advisors. The list shall include all site principals. Each advisee shall select an advisor from the list of professional growth advisors. Professional growth advisors will work with teachers on a first come, first served basis.

9.1.6 The professional growth advisor shall approve or disapprove of proposed plans independently of any evaluation that may affect the employee's employment status.

9.1.7 Upon completion of the activity, the teacher shall submit to his/her professional growth advisor a form which contains the following information:

- Type of activity engaged in
- Dates of the activity
- The number of clock hours spent in the activity

The professional growth advisor shall sign the form and retain a copy. Upon completion of the required clock hours, the teacher shall submit all signed forms to the credentials clerk in the Human Resources Office for official verification. It is the teacher’s responsibility to notify the appropriate State Agency of the verification. Upon the teacher's request, the Human Resources Office shall forward the verification to the State Agency.

9.1.8 A professional growth plan and record shall not include any portion of an activity which occurred prior to the time the employee applied for the professional clear credential, or the most recent renewal of such credential.

9.1.9 No professional growth advisor or other Stockton Unified School District representative shall compel an employee to pay any fee or provide any service in exchange for professional growth advice or for approval of a professional growth plan or record.

9.1.10 The District shall retain the initial copy of the employee's growth plan at the Human Resources Department. Any further changes to the plan shall be retained both by the advisor and employee. The records of the advisor on a given employee shall be retained and a copy turned over to any succeeding advisor.

9.1.11 By December 1 of each year, the District shall provide the Association with a list of any employees whose assignments and credentials make them subject to these professional growth requirements. Failure to provide this list or the failure to include all names subject to these requirements shall not absolve any employee of his/her responsibility to comply with the State's requirements to maintain credentials.
9.1.12 All approved professional growth college or university units or approved in-district units that meet the District's salary schedule advancement requirements shall be given credit for salary schedule advancement according to Section 18.5.

9.1.13 The employee may appeal an adverse action of any representative of the District to the Commission on Teacher Credentialing, which shall rule in favor of the appeal if it finds any of the following claims by the appellant to be true:

1. That the professional growth advisor has refused to agree to a planned individual program or to professional growth that satisfies the requirements of Education Code Section 44277, or to a proposed modification in such a program. Such a finding by the Commission shall be grounds for the designated agency to agree to the planned program or to the proposed modified program.

2. That a professional growth advisor has refused to verify completion of an agreed program of professional growth that satisfies the requirements of Education Code Section 44277. Such a finding by the Commission shall be grounds for the Commission to maintain the validity of the clear teaching credential.

3. That bias, fraud, unfair discrimination, or arbitrary action by a professional growth advisor prevented the appellant from fulfilling the terms of an agreed program of professional growth. Such a finding by the Commission shall cause the Commission to grant the appellant additional time, not to exceed five (5) years, for the appellant to fulfill the terms of the agreed program, subject to verification by the Commission.

9.1.14 The Education Code and the California Code of Regulations related to professional growth, including but not limited to Professional Growth Requirements Rules and Regulations, Title 5, California Code of Regulations Section 80550 through 80565 (Appendix F) are hereby incorporated by reference.

9.2 Continuing Employment After Age 70

9.2.1 Each year prior to December 15, the District shall notify unit members who will reach or are beyond the age of 70 during that year, of the requirement to declare a desire to continue in active employment into the succeeding school year.

9.2.2 The notified teachers shall declare their intention prior to the succeeding February 1.

9.2.3 The District shall not be arbitrary, capricious, or discriminatory in the application of the law that provides the opportunity for continuing employment.

9.3 Employer/Employee Relations Committee

9.3.1 There shall be a committee established consisting of three (3) members appointed by Stockton Teachers Association and three (3) members appointed by the District.
9.3.2 The committee will meet on a monthly basis. Scheduled meetings may be canceled by mutual agreement, and additional meetings may be scheduled by mutual agreement. Reasonable release time will be provided when necessary.

9.3.3 The committee shall establish a monthly agenda and shall maintain appropriate records of scheduled committee meetings.

9.3.4 The sole purpose of the committee is to maintain a channel of communication between the District and Stockton Teachers Association and thus provide a forum for discussion between the parties on areas pertinent to employer-employee relations.

9.3.5 It is not the intent of this article to supersede the meet and negotiate process, the Liaison Committee, or the consultative process.

9.4 San Joaquin County Outdoor Education Program

9.4.1 Teacher participation in the San Joaquin County Outdoor Education Program (Science Camp) will be voluntary.

9.4.2 If more teacher volunteers exist than are justified by the number of students attending Science Camp, then the Science Camp participation shall be rotated among the teacher volunteers with preference going to:

   a. the teacher(s) of the students attending Science Camp;
   b. the teacher who has the larger number of students attending Science Camp;
   c. the teacher with the greater District seniority.

9.4.3 Teachers who volunteer to accompany pupils to Science Camp shall be provided with meals, lodging and transportation to and from the site.

9.4.4 Class Size: Students who do not attend Science Camp shall be counted in the receiving teacher's class on a one-for-one basis as a class size overage to be paid immediately for the entire period of Science Camp using the salary formula in Section 2.4. An overage occurs when a receiving teacher (one who does not send students to Science Camp) receives additional students. For teachers who are sending students to Science Camp, an overage will not occur until the teacher receives more students than he/she sends.

9.4.5 Teachers will not be evaluated on the basis of their desire not to participate in Science Camp, nor will they be evaluated on the basis of their instructional performance at the camp.

9.5 Job Sharing

With the approval of the site principal and the Assistant Superintendent of Human Resources, two (2) permanent teachers may volunteer to share a classroom teaching assignment. Approval of such job sharing would be based upon educationally sound principles and assurance that the students involved will not be adversely affected by such an assignment.
In those instances where job sharing is approved, the assignment will be for one (1) year at a time. Extension of such an assignment will be based upon an evaluation of the successful completion of the educational goals and objectives set forth at the beginning of the assignment.

It is understood that the equivalent of one (1) fringe benefit package will be paid.
10. PART-TIME EMPLOYMENT/EARLY RETIREMENT

10.1 Part-time Employment

10.1.1 Upon mutual agreement between the parties, the District shall provide a voluntary part-time employment plan for teachers between the ages of 55 and 65, in accordance with the provisions of Education Code Section 44922.

10.1.2 A teacher may not participate in part-time employment under this section after age 65. Teachers in the program who reach age 65 during the school year may continue through the remainder of the school year.

10.1.3 Part-time teachers shall perform such services which shall be mutually agreed upon by the parties and which meet the needs of the District.

10.2 Early Retirement Options

The District shall provide a voluntary Early Retirement Plan for teachers between the ages of 55 and 65.

10.2.1 To be eligible for consideration for the Early Retirement Plan, the teacher must:
   a. have a minimum of ten (10) years of continuous service in the District in a position requiring certification;
   b. be between the ages of fifty-five (55) and sixty-five (65);
   c. have proposed the contract retirement voluntarily.

10.2.2 The retiree shall serve forty-five (45) days per school year and receive the same salary percentage increase as regular teachers. Retirees serving 45 days shall receive $10,565. This figure shall not exceed the STRS (State Teachers’ Retirement System) maximum allowable earnings. The schedule of payment shall be as requested by the retiree within the constraints of the law.

10.2.3 The retiree shall perform such services as may be mutually agreed upon by the parties and which meet the needs of the District.

10.2.4 The District shall provide not fewer than forty-two (42) slots (positions). Teachers entering this program will be provided the option of serving for two (2) years. When slots are vacant and there is District approval, retirees who have served a minimum of two (2) years may be granted additional yearly contracts.

10.2.5 Working Hours for forty-five (45) -Day Retirees

Hours for forty-five (45) -day retirees who are working at a school site shall be the same as teachers’ at that school site. If a 45-day retiree travels from one site to another site, the travel time shall be counted as part of his/her work day. Forty five day retirees who work in the District offices, Instructional Media Center, Special Education Office, or other support services buildings will have the same work hours as the staffs in those particular buildings.
Non-site hours for forty-five (45) -day retirees will be eight (8) hours per day inclusive of lunch.

10.2.6 Forty-five (45) - day retirees who wish to modify the daily work schedule must submit a request in writing and obtain approval from the Assistant Superintendent of Human Resources or designee.

10.3 Accumulated Sick Leave

At the teacher's election, the teacher shall be granted retirement credit for accumulated sick leave. The formula for additional retirement credit shall be:

Number of days of accumulated sick leave divided by the number of days in the school year.

The proportionate yearly increase shall be credited to the teacher's retirement.

10.4 Retirement Notice Incentive

For those teachers who, prior to February 1, make a definite and irrevocable commitment of their intent to retire, the District shall, based on the request of the teacher, pay for up to fifteen (15) days of accumulated sick leave using the daily rate of the teacher for payment.

10.5 Fringe Benefits for Early Retirees and Dependents Other Than Spouses

10.5.1 Teachers Hired Prior to July 1, 2003

Any qualifying teacher participating in the Early Retirement Plan shall receive from the District the full cost of the least expensive medical plan. Any qualified teacher will have the same right as current employees to select a more costly HMO or POS medical plan and will be obligated to pay the full difference above the least expensive medical plan. This benefit will last for ten (10) years or until the qualifying teacher is eligible for MediCal/Medicare or until age 65, whichever comes first.

10.5.2 Teachers Hired After July 1, 2003

Any qualifying teacher participating in the Early Retirement Plan shall receive from the District the same medical plan options as current teachers. Any qualifying teacher participating in the Early Retirement Plan shall be required to make a proportional payment for the medical plan. STA and the District reserve the right to mutually amend or modify this benefit in the future for current or future teachers. This benefit will last for ten (10) years or until the qualifying teacher is eligible for MediCal/Medicare or until age 65, whichever comes first.
11. ORGANIZATIONAL SECURITY
Professional Dues/Fees & Payroll Deductions

11.1 Dues Deductions

11.1.1 Any teacher who is a member of the Association, or who has applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues, initiation fees and general assessments in the Association. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the teacher each month for ten (10) months. Deductions for teachers who sign such authorization after the commencement of the school year shall be appropriately pro-rated to complete payments by the end of the school year.

11.1.2 Changes in the amount of dues to be deducted shall be certified by the Association thirty (30) days before the effective date of the change. Authorization cards for payroll deductions on file with the District need not be re-solicited. If the payroll deduction of any teacher is interrupted due to an unpaid leave or for any other valid reason, that payroll deduction shall automatically be resumed when the teacher returns to service with the District. The payroll deduction of any teacher shall continue during a paid leave.

11.1.3 The District shall be obligated to put into effect any new or changed deductions as follows:

   If received by the tenth (10th) of the month, it shall be deducted beginning with the next pay period, or

   If received after the tenth (10th) of the month, it shall be deducted beginning with the next pay period.

11.1.4 With respect to all sums deducted by the District pursuant to authorization of the employee, whether for membership dues or equivalent fee, the District agrees to promptly remit such monies to the Association accompanied by an alphabetical list of teachers for whom such deductions have been made, categorizing them as to membership or non-membership in the Association and indicating any changes in personnel from the list previously furnished.

11.1.5 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

11.1.6 Upon appropriate written authorization from the teacher, the District shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, savings bonds, charitable donations and/or any other plans or programs jointly approved by the Association and the District.

11.2 Employee Rights

11.2.1 The District and the Association recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations as specified by
the Educational Employment Relations Act. Neither party shall exert pressure upon nor discriminate against an employee in the exercise of these alternative rights.

11.2.2 Accordingly, membership in the Association shall not be compulsory. A teacher has the right to choose: to become a member of the Association; or, to pay the Association a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section 11.6 below.

11.3 Unit Members' Obligations to Exclusive Representation

11.3.1 A teacher who does not fall within one of the exempted categories as set forth in Section 11.6 below, and who has not voluntarily made application for membership in the Association within the thirtieth (30th) day following the date upon which said employee has commenced duties in the District as a bargaining unit member, must, as a condition of employment in the District, pay annually to the Association a representation fee as defined in Section 11.4 below.

11.3.2 In the event that a teacher has not paid such fee directly to the Association in one (1) lump sum cash payment within the thirtieth (30th) day following the date upon which said employee has commenced duties in the District as a teacher, the District shall begin automatic payroll deduction as provided in Education Code Section 45061 and in the same manner as set forth in Section 11.1 of this Article. There shall be no charge to the Association for such mandatory agency fee deductions.

11.3.3 Prior to beginning such payroll deductions, the Association will certify to the District in writing that the teacher whose pay is to be affected by the deduction has: 1) refused to join the Association; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) does not qualify for an exemption under 11.6 herein.

11.4 Definition of Representation Fee

11.4.1 The representation fee to be collected from non-Association teachers shall be the amount authorized by Section 3540.1(i) (2) of the California Government Code.

11.4.2 Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section 11.7 herein.

11.4.3 Exceptions

11.4.3.1 Full-time, non-exempt teachers hired during the school year shall pay a pro-rated representation fee. Such pro-rata share shall be based upon the number of days of actual employment for a school year as compared with the number of days available for full-time employment in the school year.

11.4.3.2 Part-time, non-exempt teachers and teachers on leave without pay shall pay a partial representation fee based on the categories for part-time and on-leave membership dues established by the Association.
The representation fee obligation of teachers on leave without pay shall be enforced by the Association through civil suit, and no payroll deductions shall be made to cover those fees.

11.5 **Annual Verification of Representation Fee by Association**

11.5.1 At least twenty (20) working days prior to any requested enforcement of a representation fee from any teacher pursuant to Section 11.3 herein, the Association shall submit a written certification to the District verifying that the total amount of its representation fee conforms to this Article.

11.5.2 The Parties agree that such certification is a condition precedent to enforcement of the fee by the District as a condition of employment.

11.6 **Teachers Exempted from Obligation to Pay**

11.6.1 Any teacher may be exempted from payment of any fees to the Association if that teacher is a member of a religious body whose traditional tenets or teaching include objections to joining or financially supporting an "employee organization" as defined in Section 3540.1(d) of the Government Code.

11.6.2 Such exempt teacher shall, as an alternative to payment of a representation fee to the Association, pay an amount equivalent to such representation fee, in one (1) lump sum cash payment, within the thirtieth (30th) day following the date upon which said teacher has commenced duties in the District as a teacher, to:

   a. The United Way, or
   b. The American Cancer Society, or
   c. Any other non-religious, non-labor charitable fund mutually agreed upon by the District and the Association.

11.6.3 The District, upon written request from the Association, may require such exempt teacher to submit a written affidavit to the Association verifying the existence and nature of the allowable objection to payment of a representation fee and, in addition, shall require such exempt teacher to submit proof of payment of an amount equivalent to such representation fee to one of the alternative funds or organizations listed above. Such proof of payment shall be in the form of receipts and/or canceled checks indicating the amount paid, date of payment and to whom the payment has been made. Such proof shall be presented within the time limits described in 11.6.2 above.

11.7 **Procedure for Teachers Who Contest the Amount of Fee**

11.7.1 The Parties agree that, in order to provide a uniform definition of the amount of the representation fee, any such disputes involving the amount of such fee shall first be deferred to the Public Employment Relations Board (PERB) for determination, provided that the Parties have first complied with the other provisions of this Section.
11.7.2 After the District receives the written notification referred to in 11.3.3, the District will notify the affected teacher in writing that such deductions will commence. A copy of the Association's written verification will be attached to the District's notice. Thereafter, the District will begin the deductions.

11.7.3 If, at any time, the Public Employment Relations Board determines that some or all of the fees deducted shall be held in escrow pending a determination of the correct amount of the fee, the District will deposit such amount in an escrow account. The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the PERB.

11.8 Hold Harmless and Indemnity Provision

This reimbursement rate applies to in-District travel and out-of-District travel; however, if air travel is less expensive than driving, teachers are required to travel by the most economical means, absent specific advance approval.

16.2 Upon receipt of advance written approval, teachers who use their personal cars for authorized field trips or approved district business shall receive the authorized benefits listed in section 16.1 above.

16.3 Payment for travel between schools, buildings, or other locations shall be for the shortest possible route.

16.6 Claims for reimbursement shall be filed with the Business Office no later than the second calendar day of any month in order to receive payment in that month.

16.7 The District will consider every factor before assigning a teacher to engage in interschool travel during the day. Teachers may be assigned to interschool travel when there is a job-related need and there is no efficient or practical alternative. Interschool travel should be minimized. Special consideration for exemption shall be granted to teachers who are unable to drive and do not have ready access to a system of public transportation.

16.8 Schedules of secondary teachers who are assigned to more than one (1) school shall be arranged so that no such teacher should teach a fractional period. A teacher assigned to two (2) schools shall have a schedule that reflects a reduction of one period in the normal teacher assignment. Such teacher shall be notified of any changes in schedule as soon as practical.

In cases in which student enrollment and teacher qualification make it unavoidable, subject to the judgment of the appropriate Central Office administrator, a teacher assigned to three (3) schools shall have a schedule that reflects a reduction of two (2) periods in the normal teaching assignment.

16.9 A teacher may request a reimbursement for meals, excluding alcoholic beverages, when authorized to attend as a District representative. Prior approval must be granted by the Superintendent or designated agent.

16.10 Out-of-District travel shall be governed in accordance with Board Policy, providing the Policy is consistent with the terms of this Article.

The committee may meet during the work day with District paid release time.

17.2 Definitions

17.2.1 A transfer is the movement of a teacher from one school to another.

e. Intermediate (grades 4-8 non-departmentalized settings);

f. Secondary within the same department (departmentalized settings).

17.2.6 A special position means a position required for the staffing of particular programs or projects. “Life level” / “departmental” teaching positions, as those listed in 17.2.5, shall not qualify as special positions. Only the following shall be considered special positions (unless otherwise agreed as specified below):

- promotional positions (such as instructional coaches and program specialists)

Positions may be additionally included in the above list as “special positions” by sustained mutual agreement of the Association and the Assistant Superintendent of Human Resources (or designee).

An administrator has the discretion to apply the following criteria, as defined below, to pass over a teacher and instead designate the next teacher for transfer:

17.3.1 Special Programs

Any person who, by reason of particular credential or special training, and whose transfer would impair, disrupt or minimize the effectiveness of the special program, shall not be subject to transfer. Special program assignments shall be determined and submitted in writing to the Assistant Superintendent of Human Resources and the Association by the site administrator when such designations are necessary. Approval in writing by the Assistant Superintendent of Human Resources shall be evidence of special program assignments referred to herein and shall be on file with the Association.

17.4 Voluntary Transfers

17.4.1 Eligible Teachers

Probationary and permanent teachers may apply for a voluntary transfer using the procedures in this article.

17.4.2 Ineligible Teachers

Any teacher receiving one (1) final unsatisfactory performance evaluation shall be denied the voluntary transfer provision as outlined in this Agreement absent special circumstances as determined by the Assistant Superintendent of Human Resources after consultation with STA and teacher in the subsequent year. Temporary and substitute teachers are not eligible to participate in the voluntary transfer provision as outlined in this Agreement.

Once a teacher secures a position through any form of voluntary transfer, that teacher shall be ineligible to apply for any other positions until the subsequent school year has begun.

17.4.3 Notice

Notices of all vacancies shall be initially posted in January, beginning within two (2) weeks following the conclusion of winter break. A request for transfer does not require the endorsement of the principal with whom the teacher is working. If a teacher is not selected for a vacancy, (s)he shall, upon written request, receive a written explanation.

Notices of vacancies shall be posted on the District website, EdJoin, or both (with posting practices applied consistently across all posted vacancies for the year).
After the initial January posting, notices shall be posted as soon as the District determines that a vacancy exists.

Vacancies for voluntary transfer and for new candidates shall be advertised concurrently. To apply for any posted position, eligible teachers must email the posting’s designee. Internal candidates who email the posting’s designee within the first two (2) business days after the posting and interview at a site-offered time shall be decided upon before out-of-Districts are interviewed. For interviews occurring during the applicant’s work day, the District shall provide the teacher with release time to attend the interview. However, for the initial January posting, the above period shall be five (5) business days, rather than two (2).

17.4.4 Selection

For each interview and select position, selection shall be made by a site committee consisting of two (2) teachers, two (2) parents, and the site administrator. One (1) teacher shall be selected by the site bargaining unit. The other teacher shall be selected by the site administrator.

The committee has the right to reject all applicants. A written justification shall be provided to the Human Resources Office if any applicant is rejected. In the event that the site committee does not select a voluntary transfer, the position shall remain posted until filled.

Participation in an interview and select process shall constitute acceptance of the position, if offered. If an applicant declines to interview for a position, the applicant shall forfeit the right to interview for that position (at that site) for the remainder of the school year.

17.4.5 A teacher may challenge the District’s application of good and sufficient reason by recourse to the grievance procedure in this Agreement.

17.4.6 Voluntary Seniority Transfer

17.4.6.1 Timing and Notifications

During the week before the first contracted teacher work day of each school year, there shall be a voluntary seniority transfer event. The week of this event shall not be altered except to comply with law, or by mutual consent of the District and the Association.

No later than fourteen (14) calendar days before the last contracted teacher work day of that school year, the time and intended location of this event shall be distributed to the Association and all unit members along with how and when to register for the event.
As soon as mutually practicable each school year (and also upon ratification of this Agreement), the seniority transfer event of the next upcoming summer shall be explained in a joint Association-District communique sent through District email to all bargaining unit members.

17.4.6.2 Eligibility and Selection

The seniority transfer event shall only be open to teachers who were eligible for voluntary transfer during the current year but did not transfer.

Each teacher attending shall have the right to choose from the current list of vacancies for which the teacher is qualified. The order of teachers making selections shall be:

- District seniority (highest first)
- Ties (above) shall be resolved by years of acknowledged teaching experience as per placement on the salary schedule (highest first)
- Remaining ties resolved by the drawing of lots.

All bargaining unit vacancies shall be incorporated into the seniority transfer except for the following:

- special positions (per 17.2.6)
- dependent charter school positions involving special hiring protocols (in accordance with past practice)
- positions (mutually pre-identified by the District and Association) that include special programmatic expectations

During the event, vacancies created through teacher selection (excluding the exceptions listed above) may be added to the list of vacancies from which subsequent teachers can select. Such additions shall be at District discretion.

Any teacher attending this event shall only be allowed to make one transfer selection during the event, and any such selection is irrevocable. Registered teachers who decline selection or attendance shall retain their current position.

17.5 Involuntary Transfers (Rebalancing)

A teacher may be involuntarily transferred for good and sufficient reason. The District shall request a volunteer prior to imposing an involuntary transfer. The teacher of the lowest District seniority within the same life level shall be designated for the involuntary transfer, unless the least senior teacher is protected by application of the transfer criteria by the site administrator (see Section 17.3). In such case, the next least senior teacher shall be designated. When the transferred teacher is placed at another site, the pass-over criteria in Section 17.3 shall not be applied to the teacher at that new site.
17.5.1 Teachers being involuntarily transferred for the subsequent school year shall be notified by
the end of the current school year, or as soon thereafter as possible.
Involuntary transfer shall take place only after a meeting between the teacher and the
principal, if such meeting is requested by the teacher. The teacher shall have the right to
representation at the meeting and be notified of the reason for the transfer.

17.5.2 The teacher being transferred shall have the right to choose from the current list of known
vacancies for which the teacher is qualified. Teachers transferred after the beginning of the
school year shall be given ten (10) working days notice before the actual transfer occurs to
the extent feasible. Transfers should be scheduled to minimize the disruption of the
educational process. A teacher transferred after the school year begins shall be granted two
(2) day’s-release time to make the transfer, if the transfer occurs when school is in session.

17.5.3 Order of Selection

The order of teachers making selections shall be:
- District seniority (highest first)
- Ties (above) shall be resolved by years of acknowledged teaching experience as
  per placement on the salary schedule (highest first)
- Remaining ties resolved by the drawing of lots.

17.5.4 Any teacher involuntarily transferred shall not be involuntarily transferred again in the
subsequent twenty-four (24) month period.

17.5.5 If a transfer of a teacher in a department or location is required and there are no qualified
volunteers, the responsible administrator shall determine which department/teacher shall be
reduced/transferred based on the transfer criteria in Section 17.3.

17.5.5.1 Membership in a secondary department shall be determined by the majority of
assignments within the past two (2) years and/or if this is not conclusive, within
the past three (3) years. District seniority among those teachers in the department
at the location being reduced shall prevail unless the school department
conditions listed in Section 17.3 are adversely affected by such transfer.

17.5.5.2 Reassignment to vacancies within the school for which the teacher is qualified
by credentialing and/or major or minor shall be considered before the teacher is
transferred.

17.5.5.3 If the teacher to be transferred has taught in two (2) departments, that teacher's
District seniority in the minority department should be considered for the
purpose of reassignment to a vacancy in his/her major/minor area at the school
site before the transfer is made.

17.5.6 Involuntary Transfer Pass-Over Provision

The site administrator may pass over the least senior teacher based on the transfer criteria in
Section 17.3. The second least senior teacher then is selected for involuntary transfer. This
option may be exercised by the administrator for good and sufficient reason.
When this option is exercised, the least senior teacher may inquire as to the reasons for the use of the option, which shall be provided in writing. The teacher may challenge the showing of good and sufficient reasons by recourse of the grievance process.

17.5.7 Exclusions

Any teacher who is involuntarily transferred shall have a priority right to return to the former work site and position, if it becomes available, for a period of twelve (12) months from the date of involuntary transfer.

17.6 Special Positions (Historically Specially Funded Positions)

Special positions are positions required for the staffing of particular programs or projects (see 17.2.6) and which, during periods of categorical funding, were not typically funded from the general fund. Special positions terminate upon the expiration of the funding and/or the program or project. Any teacher may volunteer to serve in a special program or project for which the teacher is qualified. Selection of a teacher for a special position is at the sole discretion of the District. Placement in such position shall be assigned on a year-to-year basis, or as determined by the District, with such time basis included in the position’s posting.

17.6.1 A teacher who accepts an assignment in a special position will be replaced in his/her general fund allocation vacancy by a temporary contract teacher for the remainder of the school year.

17.6.2 A teacher accepting assignment in a specially funded position shall, after the end of the first school year of the assignment and upon termination of the specially funded assignment, be considered for return to his/her former work placement location unless:

a. No vacancy exists at the location and/or no temporary contract teachers are employed at that location.

b. The teacher requests and is qualified to accept another assignment. A reasonable effort shall be made to place the teacher in an assignment for which he/she is qualified by training and experience and which is similar to the former assignment.

17.7 Assignments

17.7.1 Each teacher shall receive his/her assignment in writing from the site administrator no later than the last teacher contracted work day. A change in assignment after the last school day shall only be made for good and sufficient reason. The teacher shall have the right to request and shall receive written reasons when a change of assignment is made.

17.7.2 In the event a change in assignment is contemplated after the last teacher contracted work day of the school year, the teacher shall be notified and a meeting with the Assistant Superintendent of Human Resources or designee held, if requested by the teacher, before the change in assignment becomes final. The District is required to make a good-faith effort to find other solutions if the teacher objects to the contemplated change.
17.7.3 The assignment for each secondary teacher should consist of no more than three (3) different subjects. Each secondary teacher should be required to make no more than three (3) room changes per day.

17.8 Temporary Teachers/New Teachers

17.8.1 Temporary teachers will be given re-employment rights in accordance with the Education Code.

17.8.2 The number of temporary teachers shall not exceed the number of unit members on leave of absence, except as permitted by the Education Code. The District shall identify and provide the Association with the rationale for hiring and designating a teacher as "temporary" for more than one (1) year in succession.

17.8.3 Each newly hired elementary teacher shall be assigned to the same site at the same grade level for the first three (3) years of employment with Stockton Unified School District, absent special circumstances as determined by the Assistant Superintendent of Human Resources after consultation with Stockton Teachers Association and the teacher.

Article 17.9.3 (newly hired teachers) does not supersede contract provisions concerning rebalancing and/or Involuntary Transfer/Reduction in Force (see Article 17.5).

17.9 New Schools

17.9.1 All teaching positions at a new school site shall be filled initially by utilizing the interview and select procedures of the voluntary transfer process in 17.4; with the modification that the two (2) teachers shall be selected by the Association and be from surrounding schools of the same grade levels as the new school. For new high schools, the District has the option to also, add a student representative.

17.10 Movement Between Adult, Preschool, and TK-12 Programs

17.10.1 A full-time or half-time adult education teacher (i.e., one working 20 or more hours per five-day week) may move to the regular program if a vacancy exists and if the teacher is credentialed in the subject area of the vacancy. A TK-12 teacher may move to the adult education program if a vacancy exists and if the teacher is credentialed in the subject area of the vacancy. The above shall likewise be practice for teachers moving from preschool to (or from) adult education or TK-12.

17.10.2 A teacher moving between programs under paragraph 17.11.1 shall be credited with experience gained in either the TK-12, preschool, or the adult education program in making the appropriate placement on the salary schedule of the program to which he/she is moving.

17.10.3 The date of first paid service for teachers moving between TK-12, preschool, and Adult Education Program shall be defined as provided by Education Code.
17.11 Transfer Request for Probationary Teacher

A first-year probationary teacher may request a transfer during the school year for the remainder of that school year. The Assistant Superintendent of Human Resources, or designee, a representative of the Association, and the teacher shall meet to consider whether a transfer may be appropriate. A transfer for this purpose shall only be by mutual agreement of the District and the Association. In addition, the Association and the District must make a determination that an acceptable position is available and that the transfer shall not adversely affect the pupils at either site. If retained, the teacher may remain in that position for the subsequent school year if the position is available. This is a voluntary procedure and is not a condition to any subsequent personnel action.

17.12 Mutual Agreement Transfer

17.12.1 Defined

A “Mutual Agreement Transfer” is defined as a transfer authorized simultaneously by a teacher, Human Resources, and the Association.

17.12.2 Process

Any of the three parties above may email the other two parties to consider meeting to consult about using this provision. Human Resources shall present vacancy options for the teacher to select from.

This form of transfer may move the teacher at either of two times:
A. Effective immediately or at any time before the end of the school year. Between assignments, the teacher shall have two (2) school days released from assigned duty by the District.
B. Effective as of the next school year. If this option is chosen, the release days described in (A) shall not apply.

Such transfer shall be finalized only if all three parties have agreed, in writing, upon both the teacher’s new position and upon timing options (A) or (B).

If transferred using this section’s provision, a teacher shall be ineligible, for the remainder of the school year of teaching in their new position, for any form of transfer. The teacher also shall not be permitted any form of transfer back to their initial site for at least two (2) school years unless the Association and Human Resources agree that the circumstances necessitating the original use of this provision have ceased or become irrelevant.
17.13 Exchange Transfers

17.13.1 Defined

An exchange transfer is defined as two or more unit members and their respective supervisors agreeing, in writing, to an exchange of the unit members' respective positions. Arrangements may be undertaken at any time, but shall not take effect until the start of the next school year.

17.13.2 Timelines and Authorization

Unit members may approach one another directly to explore potential exchange transfers. When unit members discover a potential exchange match, they shall each contact each of the immediate supervisors to indicate their intentions.

The exchange’s positions shall be agreed to in advance, in writing, by all unit members involved and their current supervisors. Any subsequent impact to either position shall occur as though each unit member already fully occupies the new position.

Once mutually agreed in writing, an Exchange Transfer Agreement may only be nullified by mutual agreement among all participating teachers and supervisors.

All course work for salary schedule advancement must be completed prior to the first day of the employee's work year, in order to move over on the salary schedule for the current school year.

18.6 Upper division and graduate courses may be taken for salary advancement without prior approval. A teacher may receive credit for more than fifteen (15) such units taken in one (1) year only with the prior approval of the District.

18.7 Vertical advancement on the salary schedule for a part-time teacher occurs only after accumulation of experience equal to a full year of teaching. For purposes of this section, the percentage of part-time service to be credited shall be based upon a five-period teaching day at the secondary school level, or the normal daily assignment by grade at the elementary level. Part-time teachers shall get credit for advancement on the salary schedule equal to that percentage of the teaching load they carry. They shall, nonetheless, receive their percentage credit if they work at least 75 percent of the schedule.

18.8 Unit Conversion

Quarter units are converted to semester units by multiplying the quarter units by 2/3. If this multiplication results in a fraction that, when added to the other semester units, is within 1/2 unit from the required units for qualifying for the next column, then the fraction shall be rounded up to the next whole number; and the teacher shall be placed on the next column.

18.9 The District shall provide each teacher a statement once per year of the number of units that the District has on file for him/her. The teacher must make a written request for such statement.

18.11.2 Official transcripts must be on file in the Human Resources Office on or before November 1 to be considered for salary purposes for the current school year. Course work must have been completed prior to the first day of the employee's work year. The November 1 deadline is only for providing transcripts for verification of completion of units, prior to the first day of the employee's work year. It is the responsibility of the teacher to obtain transcripts for the Human Resources Office before this deadline. Transcripts received after this deadline shall not be considered for change in salary until the succeeding year.

19. WALTON SPECIAL CENTER

19.1 All teachers shall be covered by the Agreement with the specific exceptions that follow.

19.2 **Salary**

Permit teachers' salary schedule shall be in accordance with Appendix G.

19.3 **Work Year**

By May 15th of each year, the District will establish a work year of either 223 or 182 work days for each position according to the needs of the Program. (In the 1988/89 school year, all the positions but one [1] are designated as 223 work-day positions.) The 182-day positions will be filled within the program area (e.g., Early Intervention) first by volunteers and then by inverse seniority.

Prior to February 1 of each year, persons who wish to work a 182-day year will notify the Human Resources Office of their desire. Once the 182- and 223-day positions have been identified and assignments made in accordance with the paragraph above, an additional two (2) persons assigned to 223-day positions who have applied by February 1, will be granted a summer leave of absence without pay but with fringe benefits. The selection of the two (2) will be first on the basis of seniority; however, the leaves will be rotated from year to year so that senior persons will not be given an additional leave until others with less seniority have had the opportunity. If a person who gets the leave decides not to take the leave prior to the leave date, the opportunity will be offered to the next in line.

The substitute to fill the position must be acceptable to the teacher and the program administrator. Leaves for the summer beyond the two (2) granted above may be granted without fringe benefits at the discretion of the District.

Teachers assigned to work and working a work year of 223 days shall receive twelve (12) days of sick leave.

19.4 **Hours** (the following changes are effective the beginning of the 2004/05 school year):

19.4.1 Changes in hours and assignments shall be made according to the needs of the program and legal requirements. Employees shall be notified of any such change 30 days prior to the effective date.

19.4.2 Any teacher employed in a program that is less than six (6) hours shall be paid in proportion to the six (6) hour day.

19.4.3 The teaching schedule for teachers shall be established under the direction of the principal, subject to the input of the staff and the needs described in the IEP (Individualized Education Program)/IFSP (Individual Family Service Plan).
19.4.4 Teaching staff shall be engaged in work-related duties, either on site or on home visits, for six (6) hours per day including a duty-free lunch period of at least 30 minutes, which may be scheduled at the beginning or the end of the work period at the discretion of the site administrator.

19.4.5 The time on site of pupils shall be established by the District in accordance with State standards. Time remaining in the teacher’s work day is for professional duties including, but not limited to, home visits, IEP (Individualized Education Program)/IFSP (Individual Family Service Plan) development, staff meetings, parent meetings, professional preparation, etc.

19.4.6 The Reporting Time in Section 6.6 applies to Walton teachers.

26.7.2 Participating teachers have the right to be represented throughout these proceedings by the Association representative of his/her choice.
27. CONTRACT WAIVER

27.1 Purpose

The purpose of the site-based decision making contract waiver is to provide an opportunity for school employees (management, certificated and classified) and the school community to jointly shape decisions regarding governance, curriculum and organization at the school level in order to improve the teaching-learning process. Proposals originating from this problem solving process can range from one that is limited in scope and affects a small segment of the school to one that is broad enough to affect the entire school. Proposals that make changes that previously would have been discretionary to the school and within the authority of the principal need not be subjected to this process. The purpose of this process is to set forth the steps that originators of educational change proposals based upon concepts of participatory management must take to get approval for the change.

27.2 Process

The School Site Council, as constituted by Education Code Section 52800 et. seq., shall be the site authority for contract waiver and for recommending action to the Board of Education. Any subcommittee of the School Site Council addressing potential waivers of the SUSD/STA collective bargaining agreement shall be constituted with a majority of teachers.

The District and Association recognize the need for all participants to have accurate information concerning the operation and procedures of the School Site Council. In an effort to keep all participants informed, the District and Association will jointly produce the "School Site Councils: Their Composition, Role, and Responsibilities." This manual will be made available to school site staff. The District and Association will work jointly to make suggestions on how the School Site Council can be as effective as possible.

27.2.1 Change originators develop a specific change proposal. The proposal should identify the educational purpose, the methods to be used, the process by which the proposal is to be evaluated and fiscal impacts, and may include additional descriptive materials. Proposal originators shall also be required to show definite proof of substantial support by all staff that will be affected by the proposal.

27.2.2 The contract waiver will be reviewed by the School Site Council. In addition to judging the educational value of the proposal, the School Site Council will assure that the plan is in conformance with the school plan. In reviewing the proposal, the School Site Council should work closely with the originators and others to consider or redefine the proposal and include timelines for implementation. Contract exceptions are granted for one (1) year at a time. In some cases, it may be necessary to implement the proposal for more than one (1) year. In no case shall a proposed contract exception exceed two (2) years without an additional vote. Also, the School Site Council is responsible, along with the originators, to identify any conflicts the proposal may have with collective bargaining agreements, District regulations and State law. In making these identifications, the Council shall consult with STA and the District. The Council shall carefully consider ramifications and alternatives before determining a need for any contract exception, Board
Policy waiver or State law waiver. (Conflicts with Federal law must be resolved prior to submission to the Assistant Superintendent of Human Resources.)

Once the proposal is fully developed, the school site council shall forward the proposal, along with its recommendation(s), to the Assistant Superintendent of Human Resources.

27.2.3 The proposal is sent to: 1) Director of Elementary or Secondary Education, 2) Stockton Teachers Association President and Executive Director, and 3) Assistant Superintendent of Human Resources. The Directors of Elementary and Secondary Education are responsible for legal and educational review. If any party requests a meeting to discuss the proposal, a meeting will be convened prior to the proposal being presented to the Board. The meeting will be for review purposes only.

The proposal is then sent to the Superintendent for placement on the Board of Education agenda for its consideration. The requesting school will present its proposal to the Board of Education. The Superintendent may make recommendations to the Board, but approval of the proposal rests with the Board. If the Board approves the proposal and there is a need for changes or exceptions to Board Policy or State law waivers, the Board will direct that those activities be undertaken prior to the implementation of the proposal. If there are conflicts with other collective bargaining agreements, the Board will direct the administration to work with those units to seek waivers.

27.2.4 If the plan requires an exception to the SUSD/STA contract, the process shall be as follows:

27.2.4.1 Exceptions shall be limited to the following articles:

   Article 2.  Class Size
   Article 6.  Teaching Hours
   Article 8.  Liaison Committee
   Article 9.  Miscellaneous
   Article 12.  Preschool Programs
   Article 19.  Walton Special Center
   Article 20.  Adult Education Teachers
   Article 27.  Year Round Elementary Schools

27.2.4.2 A Contract Waiver Request Form, Demand to Bargain Contract Change, shall be prepared by the school site and sent to the Director of Labor Relations in the Human Resources Office and the STA Executive Director for review. All members of the School Site Council who are present for the vote must sign this form (see Appendix H).

27.2.4.3 The District and STA will meet within ten (10) working days to review the request and begin the necessary steps to draft appropriate contract waiver language. The language agreed to shall be returned to the principal and the site faculty representative(s) for a vote.
27.2.4.4 Ballots will be prepared by the principal and the faculty representative(s) and contain the wording sent by the District and STA.

27.2.4.5 The proposed contract waiver language will be distributed at least three (3) working days prior to the vote. The vote will be by secret ballot and conducted at a regular faculty meeting. A ballot will be mailed to off-season faculty at year-round schools.

27.2.4.6 The votes will be tallied by the principal and the faculty representative(s) and reported on the Final Exception Form (Appendix H).

27.2.4.7 At least two-thirds (2/3) of the teachers voting must vote in the affirmative to deviate from the contract (Appendix H).

27.2.4.8 The faculty will be notified of the results of the vote no later than twenty-four (24) hours after the vote.

27.2.4.9 The Final Exception Form will be completed and sent to the SUSD Human Resources Office and the STA Office.

27.2.4.10 To continue the exception, it must be voted on against the end of the timeline specified in the proposal.

27.2.4.11 It is permissible to vote on an exception at the end of one year to affect the next school year.

27.2.4.12 If the majority of the teachers determine that the agreed-upon exception is not solving the identified problem, the principal and faculty representative(s) should contact the SUSD Human Resources Office and the STA Office to request a modification or discontinuance of the exception.
28. DISTRICT-ASSOCIATION EDUCATIONAL REFORM PARTNERSHIP
   Educational Policies and Professional Practices Committee

The Association and the District agree to establish the Educational Policies and Professional Practices Committee. The committee shall have three (3) areas of responsibility:

   a. Administering the school reform substitute bank;
   b. Joint training and development on site-based decision making and principled decision making;

This agreement concludes 2018-2019 Re-Opener negotiations between Stockton Unified School District and Stockton Teachers Association (STA). The parties hereby agree to the following terms subject to the ratification of STA and the Board of Education for Stockton Unified School District. All remaining provisions in the current collective bargaining agreement shall remain unchanged and said negotiations will be deemed concluded for the 2018-2019 school year.

  Note: For any months in which the new health benefit contribution are not provided to affected bargaining unit members, the District shall give a $450 stipend to affected bargaining unit members, this being the difference between the $1,215 and the $1,665 (i.e. $450 per month).

- **4.1.2** Commencing with the 2020 health plan year, the District’s health benefit contribution shall be annually adjusted toward the cost of the CalPERS Kaiser HMO plan (including medical, dental, vision, and chiropractic) as a coverage target, whether by increasing or decreasing, by no more than $100 a month ($1,200 annually) as compared to the previous year’s health benefit contribution amount.

2005-06

District salary schedules will be increased by 3% to include 45 day consultants, the teacher hourly salary schedule (except 2005 summer school); extra pay for department chairpersons, long term substitutes and those percentage stipends paid off the stipend base salary. There shall be no increase to the Masters stipend and Ph.D. stipend. Salary increases shall be effective July 1, 2005.

The health benefit allowance of $662 per month shall remain in place for 2005-2006.

2006-2007

Effective July 1, 2006, the District shall pay the premium of the HealthNet Plan B, less one hundred dollars ($100), which shall be paid by the employee through payroll deduction; i.e. the district monthly contribution (health benefit allowance) shall be $855.67 and the employee contribution shall be $100 for this specific plan. "Buy-up" provisions for the other health plans shall remain in effect.

District salary schedules will be increased by 3% to include 45 day consultants, the teacher hourly salary schedule (except 2006 summer school); extra pay for department chairpersons, long term substitutes and those percentage stipends paid off the stipend base salary. There shall be no increase to the Masters stipend and Ph.D. stipend. Salary increases shall be effective July 1, 2006.

In order to implement the option for employees' enrolling in a new benefit, the district shall provide an open enrollment period as determined by the benefit carrier with Plan B to be effective September 1, 2006.

Effective July 1, 2006, the district may terminate the income protection plan at such time as the district deems appropriate; provided, however, that the district shall give STA a thirty-day (30 day) notice of the effective date after it has been determined.

2007-2008

The parties are committed to the concept of "total compensation" and recognize that an employee's compensation increase is the total of the salary and any funded increase in benefits.

The "proportionate funded revenue limit" for Stockton Unified, as defined below, shall be used first to increase the district's $855.67 contribution to HealthNet Plan B to fully fund cost increases to Plan B for 2007-08.

Any remaining amount of the "proportionate funded revenue limit" not already allocated above shall be applied to the salary schedule.
If the "proportionate funded revenue limit" is less than the increase for Plan B, then the district’s contribution will only be increased by the amount of the "proportionate funded revenue limit." Any additional increase in Plan B shall be paid by the employee.

Increases to the salary schedule, shall be effective July 1 of each fiscal year. Increases to health benefit costs will be effective for the beginning of the plan year.

**Definition of proportionate funded revenue limit:** For purposes of this article, the proportionate funded revenue limit is defined as that percentage of the district budget that was expended for STA bargaining unit salaries and benefits as a percentage of the entire district budget (percentage of total outgo) shown on the district’s prior year “Unaudited Actuals.” As an example, if the total prior year expenditures for STA bargaining unit salaries and benefits were 50% of total outgo, the proportionate funded revenue limit shall be 50% of the increase in the district revenue limit for the current year.

**Example using 2004-05 data**

Total outgo = Expenditures + transfers out + uses
Total outgo = $296,663,125

Teacher Salaries = object code 1100 + 1900
Teacher Salaries = $125,598,781

Teacher Benefits = proportionate percent of teacher salaries to all salaries x object code 3000-3999
Teacher Benefits = $40,560,739

Teacher Salaries + Benefits = $166,159,520

Teacher percent of the budget = 56%

**Definition of revenue limit increase:** The increase in the district revenue limit shall be defined as the ongoing, funded increase in the district’s revenue limit for cost-of-living as defined by education code section 42238.1 and equalization aid, if any.

It is the intent of the parties to continue use of this total compensation formula as the basis for negotiations in subsequent years in order to maintain labor peace and focus on student achievement.
2. CLASS SIZE

2.1 Application

2.1.1 The District average is calculated by dividing the number of students enrolled District-wide in any given grade level/subject area by the number of actual General Fund Classroom Teachers at that grade level/subject area. This definition excludes such support personnel as preparation period teachers, specialists, librarians, music teachers, and substitute teachers. The District average shall be applied at each site.

2.1.2 Classes shall be maintained at or below the maximums stated below.

2.2 In the areas of Science, Industrial Arts, Drafting, Vocational Shops and Homemaking, the number of work stations available shall be the maximum if that number is less than the District class maximums as listed.
