22. **Speech Language Pathologist:** A trained professional who evaluates and treats students with communication disabilities. The speech-language pathologist is licensed by the State of Kansas Department of Health & Environment and holds a certificate from the Kansas State Board of Education.

**ARTICLE II: GENERAL**

**Section A: Recognition**

**Paragraph 1:** The Board of Education recognizes the United Teachers of Wichita for the purposes of
professional negotiations under K.S.A. 72-5413 et seq. as the exclusive representative for the teachers unit of the professional employees.

**Paragraph 2:** The bargaining unit shall be defined as those contract employees of the Board of Education in positions which require a certificate/license issued by the state Board of Education or employed in a professional, educational or instructional capacity by the Board of Education, including nurses, social workers and High School Junior Reserve Officer Training Corps (JROTC) instructors, but shall not mean any such person who is an administrative employee or administrative intern.

**Paragraph 3:** The Board and the UTW acknowledge that the agreement herein set forth has been adopted following a good faith effort by both parties to reach agreement between representatives of the UTW and the Board as provided in K.S.A. 72-5413 et seq.

**Section B: Management Rights**

**Paragraph 1:** The UTW acknowledges that the Board and the Superintendent have certain exclusive statutory rights and responsibilities.

**Section C: Savings Clause**

**Paragraph 1:** Any paragraph of this agreement or any action pursuant thereof which is contrary to law shall be null and void, but the remainder of the agreement or contract shall remain in full force and effect.

**Paragraph 2:** Any previously adopted policies, practices, procedures, customs, rules, regulations or writings of the Board which are in conflict with this agreement shall be superseded by the terms set forth herein. The Board shall not amend this agreement, nor make nor execute decisions or policies which violate this agreement.

**Section D: Nondiscrimination**

**Paragraph 1:** In all hiring and assigning of employees and in all compensation, benefits and other terms and conditions of employment, the school district shall comply with all applicable federal and state laws with regard to nondiscrimination on account of race, color, religion, sex, age, handicap, national origin or ancestry. Insofar as is reasonably possible, the Superintendent shall strive to maintain an equitable balance in each category of employment with regard to race, age and sex.

**Section E: Closure Clause**

**Paragraph 1:** Both the Board and the UTW acknowledge that all mandatory subjects of
negotiations which either party proposed to negotiate have been negotiated and neither party has any right to negotiate further on these or any other subjects during the term of this agreement except by mutual consent.

**Paragraph 2:** This agreement may be amended at any time by mutual consent. However, no amendment to this agreement shall be binding unless executed in writing and ratified by both the Board and the UTW.

**Paragraph 3:** Due to the waiver from No Child Left Behind requirements granted to the State of Kansas, the enforcement of a provision of this agreement may be waived under the following circumstances and subject to the following conditions:

(a) The Superintendent may contact the President of UTW in situations where the Superintendent has been notified that the District is out of compliance with a state or federal mandate, failure to comply with the mandate will cause the District to lose state or federal funding and when compliance with the mandates would violate a provision of this agreement. For example, the District has been awarded federal grant monies that are administered by the Kansas State Department of Education for Curtis Middle School and Pleasant Valley Middle School. The KSDE, as administrator of the grant, notifies the District that the District will lose its federal funding unless the District evaluates Curtis Middle School teachers and Pleasant Valley Middle School teachers using a state-mandated evaluation system. The evaluation of teachers using the state evaluation system would violate a provision of this agreement.

(b) When the Superintendent contacts the UTW President, the Superintendent and the President of UTW shall meet for the purpose of mutually drafting a waiver clause to the provision of this agreement. A waiver clause shall be drafted in a manner that as narrowly as possible addresses the waiver of a provision of this Agreement in a manner that allows the District to be in compliance with a state or federal mandate.

(c) When the Superintendent and President of UTW agree to a waiver clause, the waiver clause shall be presented to the Board of Education and to the UTW Executive Board for approval. The waiver clause shall be effective upon approval by the Board of Education and the UTW Executive Board.

**Section F: Waiver Clause**

**Paragraph 1:** The UTW recognizes that it has the right to negotiate any and all terms and conditions of professional services as set forth in K.S.A. 72-5413(1) and judicial interpretations thereof. Regardless of that right, the UTW hereby waives its right to negotiate any such term or condition
which has not been noticed, negotiated, agreed, set forth herein, and ratified by both parties. The UTW expressly agrees that the Board and administration have the exclusive right to control and change such terms and conditions which have not been negotiated by policy, rule, procedure, regulation or decision during the term of this agreement.

Section G: New Bargaining Unit Members

Paragraph 1: Upon reemployment in or transfer to the teachers bargaining unit, teachers will be subject to decisions by the Human Resources Division concerning temporary leave, longevity payments and other terms and conditions of employment. Such decisions shall be based on relevant provisions of applicable policies, procedures and employment agreements in addition to the past practices of the District, maintenance of equity among employees and the intent of the applicable language involved.

ARTICLE III: PROFESSIONAL YEAR

Section A: Professional Year for Teachers

Paragraph 1: Contract Days
(a) The base contract days for teachers for each contract year, exclusive of those in supplemental or contract addendums, shall be 190 days, consisting of teaching and non-teaching professional days as determined by the Board. Daily rate of pay for the 2012-2013 school year shall be calculated based on 190 days.

(b) The base contract for High School Junior Reserve Officer Training Corp (JROTC) instructors shall be for twelve (12) months a year. High School JROTC instructors shall observe as nonworking days the days on the calendar as set forth in Appendix A that are identified as holidays and recess days. Additional nonworking days, to a maximum of 20 days, shall be arranged with and approved by the base principal and shall normally be scheduled outside the school year. High School JROTC instructors shall be entitled to such additional nonworking days commencing August 1 the second year of their employment. If a High School JROTC instructor starts work after August 1 of a year, then commencing the upcoming August 1, the instructor shall be entitled to a prorated number of nonworking days based on the time period worked. Those nonworking days not used by August 1 of each year shall be lost as of each August 1.

(c) The Superintendent and the UTW President will review all requests submitted to extend the school year prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a
secret ballot election conducted by the UTW. Staff members who do not support the extended year concept shall have the right to transfer. Such contract days shall be scheduled on weekdays, Monday through Friday, between the first and last workday of each contract year. In the event that schools are closed for one or two days due to inclement weather, the number of base contract days shall be reduced by such one or two days.

Paragraph 2: New Teacher Orientation
Prior to the teachers report day, the administration may schedule up to three (3) days for the purpose of orienting newly employed teachers. Such days shall be used for staff development, diversity training and other orientation activities designed by the administration. One of the days will have a general session for all new teachers which will include presentations by the Superintendent or designee, Board President or designee, and the UTW President or designee, along with any other presentations deemed necessary by the district. At least one hour will be given to the UTW during the other two days for the UTW to present items of mutual interest. The UTW shall also be given the opportunity to present items of mutual interest on one day to extended school year teachers that do not participate in the regular new teacher orientation. New teacher orientation for extended year teachers may be shortened to two days by mutual agreement between the administration and the UTW. The UTW shall participate with the administration as to preparing and designing the new teacher orientation program. Any teacher who is required to attend shall receive his/her daily rate for attendance on the General Session day and shall receive $14.50 per hour for attendance on the other two days. Payment shall be paid within thirty (30) days of the second day of orientation unless Labor Day falls within that period, in which case payment shall be made the first working day after Labor Day or thirty (30) calendar days after the second orientation day, whichever comes last. Partial days shall be prorated. Compensation shall be paid in accordance with regular payroll procedures. Teachers shall select a fringe benefit option. The teacher shall have up to three succeeding days (Monday-Friday) to change the selection.

Paragraph 3: Workshop Inservice Training Day
During each contract year, attendance centers shall be guaranteed at least one day between October 1 and March 15 on any Monday through Friday for the purpose of a workshop or inservice training. The Superintendent shall schedule the time to be taken.

Paragraph 4: Each teacher shall have three uninterrupted days in his/her classroom during the pre-school teacher report days. In order to accommodate other building/district inservice
requirements, it may be necessary to divide these days into six one-half day segments.

**Paragraph 5:** Teachers shall be provided one full day of uninterrupted time at the end of each grading period. Reporting of grades shall not be required earlier than the end of the work day of uninterrupted time at the end of the first quarter and the third quarter. A teacher may leave work at the end of one half-day when reporting of grades is required, provided that the teacher has completed and turned in the reporting of grades before the end of one half-day on the day they leave work. Teachers shall not be required to print their own report cards.

**Paragraph 6:** Special Education teachers who have case manager responsibility for Individual Education Plans (IEP) and who have Special Education students assigned to them in a classroom environment shall be provided one (1) professional day per school year to work on IEPs at their building. The professional day shall be scheduled by agreement between the building principal and teacher and may be taken in half-day increments.

**Section B: School Calendar**

**Paragraph 1:** The school calendar adopted by the Board is set forth herein as Appendix A.

**ARTICLE IV: PROFESSIONAL DAY**

**Section A: Elements of the Day, All Teachers**

**Paragraph 1:**
(a) The ending time of the school day in each building shall be seven (7) hours and ten (10) minutes after the beginning time. The Superintendent and the UTW President will review all requests submitted to extend the school day prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff members who do not support the extended day concept shall have the right to transfer. Teachers shall be present during those hours when they have an assigned responsibility. Teachers must notify the building principal or designee when they will be out of the building while school is in session.

(b) A building principal, with the approval of the Superintendent, shall have the authority to adjust beginning and ending times of the school day of individual teachers in a manner that does not exceed 7 hours and 10 minutes from the beginning time for the individual teacher, subject to the individual teacher’s agreement with such change.
Paragraph 2: The teacher work day will be increased by forty (40) minutes one day per week for seventeen (17) weeks of the school year for PLC. The days PLC will be held during the 2012-2013 school year will be set by the District. A Professional Learning Community (PLC) is a framework or structure that allows a school to function as a learning organization in regard to the collaborative application of the district’s elements of curriculum, instruction and assessment. Each building’s PLC time shall take place the same day each week throughout the school year as determined by the administration. PLC shall not meet during the first five (5) school days after school starts or during the first five (5) non-teaching professional days and school days combined after teachers return from winter recess. In addition, PLC shall not meet during two of the weeks of Parent/Teacher Conferences as determined by the administration.

Paragraph 3: Teachers shall attend individual conferences with administrators at reasonable times but in no case later than the teacher’s next conference/preparation period.

Paragraph 4: Teachers shall attend necessary staff meetings at the direction of the base school principal or district office program administrators. Normally, teachers shall be given at least 48 hour notice of such meetings. Normally, not more than one (1) total building staff meeting shall be held per calendar month and teachers shall not be required to attend longer than 60 minutes per meeting. However, at the principal’s discretion, two additional staff meetings may be held during the school year, but no more than one per semester.

Paragraph 5: Teachers shall attend pupil and parent conferences when necessary including reasonable requests from a pupil or parent.

Paragraph 6: Teachers shall be present in and around the building for a minimum of ten (10) minutes before and after the school day. This time shall be used for the purpose of preparations, conferences, and supervision of pupils as directed by the principal but will not be considered part of a teacher’s conference/preparation time.

Paragraph 7: Teachers shall make complete and adequate preparation to fulfill their responsibility to pupils.

Paragraph 8: Teachers shall accomplish necessary administrative work directly related to their assignments.

Paragraph 9: Teachers may be required to collect and transmit money. Teachers shall exercise reasonable care to assure that money collected will not be lost. Reasonable effort will be made to keep money
collection by teachers to a minimum and to expedite the collection process. Each teacher who collects monies shall be provided building and district policies concerning the collection of money.

**Paragraph 10:** Teachers shall not be required to transport pupils to or from activities which take place away from the school building except where such transportation would be a normal responsibility of a particular position and/or condition of employment under a supplemental contract. However, a teacher may do so voluntarily with the advance approval of the building principal.

**Paragraph 11:** On nonteaching professional days, teachers shall be present for seven and one-half (7-1/2) hours including the lunch period. An authorized administrator may reduce such time requirement.

**Paragraph 12:** Teachers shall attend up to three (3) evening activities designated as mandatory by the base school principal. Open House will be one of the mandatory evening meetings. The remaining two evening meetings shall be scheduled with prior written notice. Such meetings shall be of useful purpose and teachers shall not be required to attend longer than two (2) hours per meeting. Additional mandatory evening activities may be designated upon a majority affirmative vote conducted by secret ballot of the teachers.

**Paragraph 13:** All teachers shall be guaranteed at least one 40-minute, duty-free lunch period per day.

**Section B: Elements of the Day, Classroom Teachers**

**Paragraph 1:** (a) Each full-time classroom teacher and special education teacher shall have a schedule which normally provides at least 220 minutes per five day week for conferences and preparations. Provided, however, teachers in grades 6 through 12 in buildings with block schedules shall have a schedule which normally provides at least 440 minutes per two consecutive five-day weeks for conferences and preparation, but no less than 180 minutes per week.

(b) In grades one through five and full-time kindergartens, this time shall occur in not less than 30-minute periods. In half-day kindergartens and pre-kindergartens, this time shall occur in not less than 20-minute periods.

(c) Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.
Paragraph 2: The teacher shall make his/her lesson plans and any other material which the teacher is using available to the principal upon request. Lesson plans shall be based upon standards but are required only in sufficient detail to provide guidance to the teacher.

Paragraph 3: When any class assigned to the teacher does not meet for any reason, the teacher may be assigned other professional duties during the class time.

Paragraph 4: When a teacher is absent, the teacher shall have available for the substitute lesson plans in sufficient detail to provide adequate guidance to the substitute, class lists and seating charts where appropriate. In the event an absence exceeds three (3) days, the teacher shall make the grade book available to the substitute upon request.

Paragraph 5: Special education teachers who manage IEPs shall not be required to perform light duty.

Section C: Elements of the Day, All Teachers Except Classroom Teachers

Paragraph 1: The base school principal shall determine the teacher’s daily time schedule after giving consideration to any schedule which the teacher may have suggested and to the teacher’s need for conference/preparation time. Teachers shall also be present during those additional hours required to perform their particular assignments. Teachers who in one day serve multiple buildings with different starting times shall not be required to have a permanent schedule which would exceed the normal workday for non-classroom teachers.

Paragraph 2: Teachers shall attend evening activities related to their particular assignments as designated by the base school principal.

Paragraph 3: Each full-time elementary music teacher, elementary physical education teacher, elementary library media specialist and elementary art teacher shall have a schedule which normally provides approximately 220 minutes per five day week for conferences and preparations. This time shall occur in not less than 20 minute periods. Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.

Paragraph 4: Library media specialists will not be required to supervise study halls while carrying out their regular assignments as library media specialists.

Paragraph 5: Except for an emergency situation or implementation of the building emergency plan, teachers for which a personnel shortage requires a portion of those services to be contracted out, shall
Paragraph 6: The school nurse shall be afforded up to forty (40) minutes per week for the nurse to complete required medical documentation, provided that the time schedule is established in advance with the building principal and will be adjusted if a conflict arises.

Section D: Extra Duties

Paragraph 1: While participation in extra activities including in-service and committee activities beyond the professional day may be encouraged by the Board or administration, the same will be voluntary in nature unless required by the responsibilities as set forth in Sections A, B, or C above, or unless required by the Supplemental Salary Section of the Teacher Compensation Article.

Paragraph 2: Regular duties assigned in addition to the responsibilities set forth should be compensated and set forth in a Supplemental Salary Schedule, and once compensation is so set, accepted and added to a Supplemental Salary Schedule as set forth in the Teacher Compensation Article, such duties shall be fully performed in a professional manner.

Section E: Time Schedules

Paragraph 1: Teachers shall work in accordance with established time schedules. Such schedules shall include the lunch time(s) and, in some buildings, the number of and times for teaching periods.

Paragraph 2: Permanent changes in a school’s normal time schedule may be proposed by the principal or the School Building Committee. Under normal circumstances, changes should be proposed no later than April 1 for the following school year. Such proposed changes shall be submitted to the School Building Committee which shall be responsible for determining the degree of acceptance by teachers who would be affected. The findings of the committee shall be reported to the principal in a timely manner. The principal shall give consideration to such findings prior to making his/her decision and the School Building Committee shall be notified in writing of that decision. If the School Building Committee does not give written notice of its disagreement with the principal’s decision within five (5) contract days, the principal’s decision shall be implemented.

Paragraph 3: If the School Building Committee notifies the principal within five (5) contract days of its disagreement with his/her decision, the
elementary or secondary District Schedule Committee, each composed of three (3) members appointed by the UTW and three (3) members appointed by the Superintendent, shall meet and permit the School Building Committee, the principal, and other interested parties an opportunity to be heard regarding the proposed school changes. The District Schedule Committee shall make a timely recommendation to the Superintendent. The Superintendent shall give consideration to the recommendation of the District Schedule Committee prior to making his/her decision. The Superintendent’s decision shall be implemented.

Section F: Supervision of Student Teachers

Paragraph 1: Supervision of a student teacher shall be voluntary. Teachers shall normally be notified of a student teacher assigned at least two (2) weeks prior to the student teacher’s introduction to the classroom. The school system shall provide the cooperating teacher with whatever materials it deems appropriate. The cooperating teacher shall be responsible for being knowledgeable of the contents of any such materials provided.

Section G: Appeal

Paragraph 1: In the event an administrative decision is made concerning the professional day, such decision shall remain in effect pending determination under the grievance procedure.

ARTICLE V: TEACHER COMPENSATION

Section A: Definition and Placement

Paragraph 1: Each teacher employed by the Board shall be compensated for the professional services which he/she renders during the professional days for the term of a contract year. This compensation shall be termed salary and the amount of such salary each teacher receives for a contract year shall be determined by his/her placement on the Teachers Salary Schedule (Section B, Paragraph 1 of this Article).

(a) A fractional part of a year’s service shall be paid on the basis that the number of contract days worked bears to the total number of contract days in the contract year.

(b) The base contract salary shall be prorated for any teacher who teaches less than full time.

Paragraph 2: The final judgment concerning the placement of any teacher on the salary schedule shall be determined by the Human Resources Division. Such judgments are not to be inconsistent with this Section.
Paragraph 3: General Provisions

(a) Each teacher shall be eligible for and shall receive the highest salary to which his/her academic preparation and experience entitle him/her. All salary placements are subject to verification of experience and training and shall be adjusted in any direction for each school year to the level for which the teacher proves his/her entitlement on or before September 10 of each year. Experienced teachers beginning their employment after September 10 of a school year shall be placed on the track and step for which they qualified as of September 10 of that school year. Inexperienced teachers beginning their employment after September 10 of a school year shall be placed on Step 2 of the BA Track or on Step 2 of the track for which they qualified as of September 10 of that school year, whichever is higher. Teachers employed full time for one full semester of a school year shall be given credit for one year of experience; however, one full semester of full-time teaching experience obtained in each of two different years or school systems shall be combined and counted as one year of experience with adjustment in step placement made accordingly. Notwithstanding anything to the contrary herein, teachers will advance one step placement from their current step placement for the 2012-2013 school year.

(b) Subject to (a) above, the teacher qualifies for one (1) higher step for each full year of teaching experience under a contract with Unified School District 259, and for each year of extended or sabbatical leave when such leave is expressly to be so counted in the Leaves Article. However, any teacher who completes the previous school year on a Plan of Assistance and continues on that plan in the next school year will not qualify to advance to a higher step. Notwithstanding any other provisions of this agreement, upon successful completion of a Plan of Assistance, the teacher shall immediately move to the next step. The phrase “full year” as used in this subparagraph shall mean being under a base contract for 170 or more days within one contract year. No teacher will move more than one step in any year.

(c) At the time of reemployment, a teacher who has been employed previously as a teacher under a contract with Unified School District 259 shall be placed in accordance with the salary provisions of the current Teachers Employment Agreement. However, no such teacher shall be placed on a lower numbered step than he/she was on at the time of the last day in base contract pay status of the most recent prior employment. Furthermore, if at that time the teacher was eligible for the next higher step in the subsequent contract year, the teacher shall be placed on that next higher step on the appropriate track at the time of employment. This step placement shall be adjusted as necessary.
to account for changes in salary placement procedures which may have occurred in the interim.

(d) Any former teacher who is reemployed within twelve (12) months of the date of termination will have his/her temporary leave days that were accrued at the time of separation reinstated for up to a maximum of five (5) years for temporary leave that was accrued after March 31, 1999, unless severance compensation has been paid for such leave.

Paragraph 4: Placement on Teachers Salary Schedule

(a) Track

On the Teachers Salary Schedule (Section B, Paragraph 1 of this Article) each track (vertical column) represents an earned degree from an accredited institution of higher learning or additional earned graduate credit semester hours not already counted in an earned degree. Credit for salary purposes shall be given for only those graduate degrees and/or graduate hours as recognized and supervised by the graduate school of an accredited institution, unless otherwise expressly provided by this Section. Such institutions must have been accredited at the time the degree and/or hours were earned. The accreditation agency must be an agency approved by the Human Resources Division. To be eligible for a degree track, the teacher must have earned the degree that track specifies. His/her placement on an intermediate track higher than the degree track to which he/she is entitled is contingent upon his/her having earned the additional number of graduate semester hours which that track specifies for their equivalent in quarter hours or third hours. Such additional graduate hours may have been earned prior to the date of the teacher’s latest degree, but must not have been used to satisfy degree hour requirements.

(b) Step

At the time of employment, each teacher shall be placed on the highest numbered step for which he/she qualifies in accordance with the column of the Teacher Salary Schedule entitled “Initial Placement”. Step placement advancement for teachers employed prior to the 2007-2008 school year shall be made in accordance with the teacher’s placement as of the 2006-07 school year; provided, however, an eligible teacher in the 2007-2008 school year, if eligible for step advancement, shall be moved one (1) additional step beyond the placement where the teacher would otherwise be placed in the 2007-2008 school year. “Eligible Teacher” shall mean eligible teachers as that term is defined in that certain Settlement Agreement dated the 11th day of June, 2007 that is filed of record with the Clerk of the Board. Credit will be given for teaching experience obtained in an
accredited school system for placement of teachers in the 2007-2008 school year and thereafter. Other relevant teaching experience may result in higher initial step placement as determined by the Assistant Superintendent of Human Resources.

(c) Social Workers
At the time of employment and subject to (b) above, full credit for specialized social work in a school program shall be given. Full credit for clinical social work experience may be given, subject to approval by the Human Resources Division. For purposes of advancing to a higher track, graduate work undertaken must be approved by the appropriate supervisor and the Human Resources Division. Such approval will not be withheld arbitrarily. Credit for a master’s degree shall be given only in the field of social work.

(d) Health Services
At the time of employment and subject to (b) above, full credit for registered professional nursing experience in a school program shall be given. Full credit for registered professional nursing experience may be given, subject to approval by the Human Resources Division. Non-degree nurses shall be placed on the BA Track of the Teachers Salary Schedule and shall be ineligible for movement to any other track.

(e) School Psychologists
At the time of employment and subject to (b) above, full credit for specialized work as a psychologist in a school program shall be given. Full credit for other clinic experience may be given, subject to approval by the Human Resources Division.

(f) Speech-Language Pathologists
At the time of employment and subject to (b) above, full credit for speech-language services in a school program shall be given. Full credit for clinical experience as a speech-language pathologist may be given, subject to approval by the Human Resources Division.

(g) Sixty Hour Master Degrees
Teachers who earn master degrees which required a minimum of sixty (60) graduate semester hours (or their equivalent in quarter hours or third hours) in their area of assigned responsibility shall qualify for placement on the MA+30 Track of the Teachers Salary Schedule.

(h) High School Junior Reserve Officer Training Corps (JROTC) Instructors
The salary for High School JROTC instructors shall be the amount set forth in Section B, Teachers Salary Schedule, in accordance with the salary provisions for other teachers multiplied by 221 times the daily rate of pay or the amount set as the minimum pay for High School JROTC
instructors by the Federal government in accordance with the Junior Reserve Officer Training Corps Act plus 3.545% of said amount, whichever amount is greater. High School JROTC instructors without a degree shall be placed on the BA Track of the Teachers Salary Schedule.

CLASS SIZE REVIEW PROCEDURE

Section A: Procedure

Paragraph 1: The Board and the UTW recognize the desirability of achieving optimum teaching/learning conditions. When a teacher believes the size of his/her class to be educationally unsound, the teacher will confer with the building principal regarding the problem. The building principal shall have one week to effect an acceptable solution.

Paragraph 2: If no acceptable solution has been effected within one week, the teacher may refer the matter to the School Building Committee. The School Building Committee may consider the matter or appoint a faculty committee to study and report on the matter. Such committee shall confer with the principal and study all facets of the matter and shall make a written report to the teacher and
the principal on the merits of the problem and possible solutions.

**Paragraph 3:** If recommendations requiring action are included in the report, the principal shall respond to the committee within one week. Such response shall set forth those proposed or already implemented steps designed to meet the recommendations of the committee. If any or all of the recommendations of the committee are not deemed feasible, the response shall include reasons why those recommendations will not be implemented.

**Paragraph 4:** If the response of the principal is not acceptable or if no response is made within one week, the School Building Committee and the teacher concerned may submit the problem to the appropriate assistant superintendent or designee, documenting the conditions and making recommendations regarding possible solutions.

**Paragraph 5:** The assistant superintendent or designee shall respond within two weeks in writing to the teacher with copies to the principal and School Building Committee chairperson. The decision of the assistant superintendent or designee shall be final and binding on the parties in the specific case involved.

**Paragraph 6:** The inclusion of this Article in this agreement shall not be construed as the Board having negotiated on the subject of class size.

**Paragraph 3:** Only the Superintendent or designee is authorized to suspend a teacher without pay. A suspension without pay for more than five (5) contract days may be made only after official Board action. The principal is authorized to suspend a teacher from a supplemental position for up to five (5) contract days without pay. The UTW President shall be given a list of suspensions.
without pay, quarterly, denoting only whether elementary, middle school, high school or postsecondary. Upon request of the UTW President, a meeting shall be scheduled on a quarterly basis with the Superintendent, Assistant Superintendent of Human Resources, the UTW President, and UTW Vice-President to review the number of cases of suspensions without pay.

**Paragraph 4:** No disciplinary action shall be taken against any teacher, nor shall any student be transferred from that teacher’s class, on the basis of a complaint by a parent or student before a conference is held between the teacher, parent, student, and the supervisor contemplating the action. Any such complaint shall be disclosed to the teacher, and the teacher may waive the conference. This Paragraph 4 does not apply in situations involving sexual abuse or battery of a student; provided, however, in situations involving complaints by a parent or student of alleged sexual abuse or battery, a discussion of the allegations will take place between the teacher and supervisor prior to a disciplinary conference.

Section A: Temporary Leave

Paragraph 1: Chargeable Temporary Leaves
(a) Each teacher who is under a full-time contract for a full professional year shall be granted twelve (12) temporary leave days on the first day that the teacher reports for work in that professional year. Each teacher at extended day/extended year schools on a 210-day, full time contract for a full professional year shall be granted thirteen and a half (13.5) temporary leave days. Temporary leave days shall be prorated for any teacher who is contracted for less than full time but at least half time or who begins his/her employment after the beginning of the professional year. However, teachers in less than half-time positions who were hired before August 1, 1999, shall receive prorated temporary leave days. Temporary leave days granted shall be added immediately to the teacher’s accumulation. A teacher under an addendum contract shall be granted one (1) temporary leave day for each fifteen (15) days of paid addendum computed to the nearest half day. Such additional days shall be added to the teacher’s accumulation upon completion of the addendum contract.
(b) Unused temporary leave days shall be cumulative without limit.

(c) Accumulated temporary leave days may be used for:
   (1) Personal illness, injury, or incapacitation up to the maximum number of days the teacher has accumulated, except that accumulated leave days may not be used during addendum contracts of twenty (20) or fewer days. However, no teacher may use temporary leave days for any single such disability beyond 180 calendar days from the first day of disability. On or before the end of thirty (30) calendar days from the beginning date of the disability and on or before the end of every thirty (30) calendar days thereafter, the teacher and his/her physician shall furnish a statement verifying the disability. For the recurrence of a disability to be considered a new disability, the teacher must have returned to work for a continuous period equal in length to the period of absence or for thirty (30) consecutive contract days if the period of absence exceeded thirty (30) contract days. However, if such time period is interrupted by the end of the school year, a teacher who fails to complete such time period upon the start of the next school year may file an appeal with the Assistant Superintendent of Human Resources who may waive the remaining days. Short absences for reasons not related to the disability shall not be counted towards fulfillment of this requirement, but will not be considered an interruption thereof. Temporary leave for maternity will be granted to teachers during the period of actual incapacitation from performing their duties. Pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery shall be treated as any other temporary disability for job-related purposes, including commencement, duration and extensions of leave, payment of disability income, reinstatement and any other fringe benefit offered to employees by virtue of employment.

   (2) Illness, injury or death of the teacher’s spouse, child or parent up to a maximum of fourteen (14) days per contract year. Up to eight (8) of these days may be used for illness, injury or death of the teacher’s in-law, grandchild, grandparent, sibling, aunt, uncle, niece, nephew, any person having been regularly living in the teacher’s household, or in-law of the teacher’s spouse, child, or parent.

   (3) The number of personal leave days which may be taken is based upon the length of employment with the Board. Teachers with twenty-five (25) or more years may take up to five (5) personal leave days, teachers with
twenty to twenty-four (20 to 24) years may take up to four (4) personal leave days, and all other teachers may take up to three (3) personal leave days. Personal leave may be taken at the teacher’s discretion. However, teachers shall properly file a form of notification twenty-four (24) hours in advance of a personal leave. Teachers shall not take temporary personal leave:
(a) during nonteaching professional days
(b) during the first five and last five days of the school year
(c) during addendum contracts of twenty (20) or fewer days
(d) to extend those non-working days or conference release days as identified by the school calendar.
In cases of emergency, the principal may waive the preceding restrictions other than the numerical limit. In addition, the restrictions above shall not apply to a teacher desiring to use personal leave to attend a graduation of the teacher’s child.

(4) Temporary active duty up to a maximum of fourteen (14) days per contract year. Leave for temporary active duty is provided the teacher who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.

(5) Paternity leave up to a maximum of three (3) days per contract year. Paternity leave is provided for the father to attend the birth of his child.

(6) Adoptive leave up to a maximum of fourteen (14) days per contract year.

(d) When a teacher is absent from his/her assignment for any of the above reasons, such absence shall be a chargeable absence and the number of days of such chargeable absence shall be subtracted from his/her accumulated temporary leave days. Absences for one-half (1/2) day or less shall be chargeable as one-half (1/2) day. Absences for less than a day but more than one-half (1/2) day shall be chargeable as one (1) day. A teacher’s salary shall be reduced by the amount of his/her daily rate of pay for each day of chargeable absence in excess of the limits specified by subparagraph (c) above. However, the numerical limits specified by subparagraph (c)(2), (c)(4) and (c)(6) above may be extended by the Superintendent upon written request by the teacher if the teacher has accumulated sufficient days.

(e) When the administration has doubt of the authenticity of the reason given by the teacher for any absence other than personal leave, the administration reserves the right to require evidence of authenticity. After five consecutive days of absence, the administration may require the teacher to furnish evidence of authenticity of the reason given by the teacher. Such evidence shall
be subject to review and appropriate action by the Human Resources Division.

(f) If, in the judgment of the building principal, the total number of absences on a given day by teachers based at the building will impair or is impairing the educational program, then the principal may request that teachers not take personal leave.

Paragraph 2: Nonchargeable Temporary Leave
Subject to administrative approval, a teacher may be granted temporary leave for the following purposes, subject to the following provisions. Such temporary leave shall not be chargeable to cumulative temporary leave days, and the teacher shall receive his/her full pay.

(a) Court Duty or Jury Duty
A teacher may be granted temporary leave to appear in court to answer a jury summons, or for reasons other than personal neglect, violation of law, or matters in which the teacher has a vested interest. Paragraph 5: All School Building Committee meetings shall be open to teachers of the building.

Paragraph 6: No provision of this Article is to be interpreted in a fashion that would abridge the rights of any individual as established in this agreement or the statutory rights or responsibilities of the Superintendent or the Board.

Paragraph 7: The principal shall provide reports to the School Building Committee upon request regarding the activities of any committee which is in part or wholly composed of teachers that is appointed by the principal and which does not deal with confidential matters.

Section E: Teacher Governance Model

Paragraph 1: The Board and UTW agree that the Teacher Governance Model which existed during the 2001-02 school year and first established in the 1992-93 school year may be an acceptable method of delivery of educational services upon meeting certain agreed upon criteria. This criteria would be similar to the criteria which existed during the 2001-02 school year. This criteria shall be determined no later than September 15 of each school year should there be a recommendation by either party to have a Teacher Governance school for the following school year.

Paragraph 2: The Board and the UTW agree to meet no later than October 15 of each year to determine the number of Teacher Governance schools for the following year.
Paragraph 3: Once established, a Teacher Governance Model school will be discontinued only in such circumstances that would cause a principal to be removed from that school or upon mutual agreement of the Board and UTW.

ARTICLE XVII: UTW RIGHTS

Section A: Exclusive Rights

Paragraph 1: Exclusive Recognition
The Board recognizes the UTW for the purposes of negotiations as the exclusive representative of the teachers bargaining unit.

Paragraph 2: Exclusive Representation
The UTW shall participate in negotiations with the Board as the exclusive representative of all teachers in the teachers bargaining unit.

Paragraph 3: Exclusive Use of Temporary Leave for Negotiation Activities
Only teachers designated by the UTW shall be granted the use of temporary leave for the purpose of engaging in negotiations with the Board. Such leave shall be granted in accordance with the policy of the Board.

Section B: Non-Exclusive Rights

Paragraph 1: Non-Exclusive
Nothing in this Section shall be construed to limit the Board from granting the same or similar rights to others.

Paragraph 2: Use of Facilities
UTW shall have the rights afforded to teachers in Article XI, Section A, Paragraph 1, and Section C, Paragraph 1, subject to the procedures set forth in Section D. UTW shall have the rights afforded teachers in Article XI, Section E subject to the conditions set forth in said Section.

Paragraph 3: Use of Cablevision Channel
UTW, subject to the following, shall have the right to use the Board’s cable television channels. Such use shall be limited to presenting material of an educational nature and purpose and such use shall be approved, arranged, or denied through the Division Director of Marketing and Communications or designee. The decision to approve or deny material presented for broadcasting shall rest with the Division Director or designee at the Division Director’s or designee’s sole discretion. The Division Director or designee shall have the right to place time limits on material that is approved and to schedule the time such material is to be broadcasted. In no event will material be approved for broadcasting which, in the opinion of the Division Director or designee, would be damaging to the labor/management relationship. Decisions rendered by the Division
Director or designee pursuant to this paragraph are not subject to the grievance procedure.

**Paragraph 4: Open Records**
Upon written request from UTW, the Board shall provide UTW public information that is required to be disclosed under the Kansas Open Records Act. Such information shall be furnished or made available within a reasonable time only in the form available. UTW shall not use such public information obtained from the Board for commercial purposes.

**Paragraph 5: UTW Access to Board Meetings**
A place shall be reserved on the agenda of each regular meeting of the Board of Education for matters that the UTW wishes to present to the Board of Education.

**Paragraph 6: Temporary Leave**
Teachers who are members of UTW, at the request of UTW, shall be granted leave to participate in certain UTW activities subject to and in accordance with policies of the Board and administrative guidelines.

**Paragraph 7: Meetings**
Meetings to exchange ideas, offer suggestions, discuss policies and other subjects of mutual interest between Board representatives and UTW and/or its representatives will be held at mutually agreeable times and places at the request of any of the above-named parties.

**Paragraph 8: E-mail**
The UTW president shall be provided the same access that teachers have away from school to Outlook or whatever other communications system the district may then be using, subject to the UTW president signing the same consent that teachers sign including signing any update thereto and subject to the President complying with all district rules and policies regarding use of the district communications system.

**ARTICLE XVIII: REDUCTION AND RECALL**

**Section A: General**

**Paragraph 1:** The teaching staff may be reduced by layoff at the discretion of the Board.

**Paragraph 2:** The greatest possible reduction in teaching staff shall be accomplished through attrition.

**Paragraph 3:** The reduction may be applied to all teachers or to only some group or groups thereof. The reduction shall be applied to the largest group or groups of teachers which may be reasonably considered. The Superintendent, subject to Board approval and after consultation with the UTW
President, shall determine the group or groups of teachers from which the reduction shall be made.

Section B: Selection

Paragraph 1: Within each specified group, teachers shall be selected by the Human Resources Division for layoff in the following order:
(a) Teachers whose positions have been eliminated and who are not qualified to fill any vacant teaching position.
(b) Probationary teachers.
(c) Nonprobationary teachers who are on a disciplinary Plan of Assistance.

Paragraph 2: Within each subparagraph above, if two or more teachers are otherwise equally eligible for selection, teachers with shorter lengths of current employment will be selected before those with longer lengths. If two or more teachers remain equally eligible for selection, the order of selection of those teachers shall be decided through applying unbiased procedures developed and directed by the Human Resources Division.

Paragraph 3: Length of current employment shall be based on the date of employment specified by the personnel database.

Paragraph 4: Only those assessments forwarded to the Human Resources Division prior to an earlier date specified by the Superintendent will be considered in the implementation of this Article.

Paragraph 5: Any individual(s) within a specified group who is on or has requested an extended leave or sabbatical shall be eligible for selection for layoff under the conditions set forth herein.

Paragraph 6: As teachers are selected for layoff, their names shall be placed on a list in the order of their selection. A copy of the list shall be given to the UTW in a timely manner. If the UTW does not object in writing to the order of selection within five (5) days of receipt of the list, the list shall be final. If the UTW objects in writing to the order of selection within five (5) days of receipt of the list, said objection shall be in the form of a grievance initially filed at Level Two of the Grievance Procedure and shall be processed accordingly.

Section C: Notice

Paragraph 1: Any teacher who is to be recommended for layoff shall be notified in writing at least thirty (30) days prior to the proposed effective date of such layoff and a copy of the notice shall be given to the UTW. Such notice shall include:
(a) The basis for the initial decision for teaching staff reduction;
(b) The reason(s) for the selection of the individual teacher;
Section D: Rights

Paragraph 1: After implementing such a reduction procedure, the list of names of laid off teachers shall be maintained for two (2) years.

Paragraph 2: Any teacher who has been so laid off shall no longer be considered an employee and shall have no employee rights or benefits other than those required by law or by this agreement.

Paragraph 3: Any teacher who has been so laid off may retain membership in the Board-provided health coverage plan. However, the Board shall make no contribution and the teacher must make advance arrangements for payment of premiums with the Business/Financial Services Division.

Paragraph 4: It is the responsibility of the listed laid off teachers to keep the Human Resources Division informed of their current address and any changes in teaching qualifications.

Paragraph 5: If a teacher vacancy occurs within two (2) years for which any teacher named on the list qualifies, the position shall be offered to the teacher whose name was most recently placed on the list and who meets the qualifications of the position as stated on the job description prior to the occurrence of the vacancy. However, the Board is not obligated to offer any teacher a position of greater full-time equivalency than that teacher had when he/she was laid off. The usual employment procedures will be followed in determining fitness for recall.

Paragraph 6: If any teacher named on the list waives recall rights in writing, fails to accept recall to a position for which the teacher is qualified, fails to respond within ten (10) days to a recall notice sent to the latest address which the teacher has furnished to the Human Resources Division, or fails to report for duty in the accepted position, the name of such teacher shall be removed from the list and such teacher shall have no further recall rights.

Paragraph 7: Any teacher who is recalled shall regain all employment benefits to which he/she was entitled at the time of layoff. However, no benefits may be accrued during the period of unemployment and the teacher shall be subject to all changes in employment conditions which have been made in the interim.

Paragraph 8: Any teacher who has been so laid off may apply for assignment as a substitute teacher.
Paragraph 9: No layoff covered under this Article shall be considered a termination or nonrenewal under K.S.A. 1979 Supp. 72-5436 et seq. or K.S.A. 72-5411. However, application of this Article shall be subject to the grievance procedure.

ARTICLE XIX: GRIEVANCE PROCEDURE

Section A: Purpose and Definitions

Paragraph 1: The purpose of this grievance procedure shall be to resolve good faith differences of opinion regarding the interpretation or application of this agreement.

Paragraph 2: Grievance: any alleged violation or misapplication of this agreement or Board Policy 5112 including Administrative Implemental Procedures.

Paragraph 3: Grievant: a teacher who has filed a grievance or, in the case of a group grievance, the UTW.

Section B: Time Limitations

Paragraph 1: The time limitations specified at each level may be extended by mutual agreement between the grievant or his/her representative and the Superintendent or designee.

Paragraph 2: When the term “days” is used herein, unless otherwise specified, it shall mean contract days during the school year and calendar days between school years.

Section C: Informal Level

Paragraph 1: Prior to filing a grievance in writing and within fourteen (14) days after the occurrence of the event upon which it is based, the grievant and his/her representative, if any, shall attempt to resolve the matter informally by requesting a meeting with the immediate supervisor. Such a meeting shall be held within seven (7) days after the request is made.

Paragraph 2: Lack of adherence to informal level remedy shall retain grievance status.

Section D: Level One

Paragraph 1: If the matter is not resolved informally to the satisfaction of the grievant, the grievance must be filed in writing with the grievant’s immediate supervisor within seven (7) days after the first informal meeting and a copy of such grievance shall be forwarded to the UTW President or designee and the Superintendent or designee.
Paragraph 2: Within seven (7) days after receiving the Level One grievance, the immediate supervisor may, at his/her option, hold a discussion meeting with the grievant and his/her representative, if any. Within seven (7) days after the discussion meeting, if one is held, or within seven (7) days after the grievance is filed in writing, the immediate supervisor shall make a decision in writing, together with the supporting reasons. Copies shall be forwarded to the grievant, the grievant’s representative, if any, the UTW President or designee and the Superintendent or designee.

Paragraph 3:
(a) UTW, as an alternative to the informal level and to a teacher(s) filing a Level One grievance, may file with the Superintendent an alternative Level One grievance in circumstances where the otherwise grievant(s) has a genuine concern that the filing of a grievance might result in retaliation being taken by the grievant’s immediate supervisor. The President of UTW shall verify to the Superintendent that the person who would otherwise file the grievance has a genuine concern that the filing of a grievance might result in retaliation being taken by the otherwise grievant’s immediate supervisor. It is understood by UTW that the Board does not tolerate retaliation by supervisors against persons who file grievances and UTW agrees that it will cooperate with the Superintendent regarding the addressing and eliminating of situations where retaliation may be occurring.

(b) Upon the filing of an alternative Level One grievance, UTW shall file a written statement that sets out the alleged violation or misapplication of this Agreement or Board Policy 5112 including Administrative Implemental Procedures. If the matter is not informally resolved between the Superintendent and UTW to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the UTW President and the Superintendent to decide whether there was a violation or misapplication of this agreement or Board Policy 5112, including Administrative Implemental Procedures. The decision of the panel shall be final.

Section E: Level Two

Paragraph 1: Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the grievant’s representative, if any, the
Paragraph 2: Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or representative of the UTW and all parties of interest in an effort to resolve the grievance.

Paragraph 3: Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the grievant’s representative if any, the UTW President or designee and the Superintendent or designee.

Section F: Level Three

Paragraph 1: Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to arbitration. The grievant shall forward copies of the request for arbitration to the grievant’s representative, if any, the UTW President or designee and the Superintendent or designee.

Paragraph 2: Arbitrations will be heard by a three (3) member panel. Within ten (10) days after the receipt of the request for arbitration, the Superintendent or designee and the UTW President or designee shall each appoint an arbitration panelist. Within twenty (20) days after the two appointments, the two appointed panelists shall agree on a third panelist. If the two appointed panelists are unable to agree upon and obtain an agreement from a third party to serve on the panel, then the Sedgwick County Administrative Judge will be contacted and asked to appoint the third panelist. The panel shall be notified by a joint letter from the grievant and the district, requesting that a time and place be set for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the arbitration panel. In the event that the parties are unable to agree on the issue by stipulation after a good faith effort, the letter shall state the proposed issue of each party.

Paragraph 3: The arbitration panel shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. They shall consider and decide only the stipulated issue presented to them in writing by the district and the grievant, and their decision and award shall be based solely on their interpretation of the application of the terms of the agreement to the issue stipulated. If the parties were unable to stipulate the issue, the panel shall first determine the issue to be decided as presented by one party or the other without alteration. If the matter presented
to the panel does not involve interpretation of the terms or provisions of this agreement, the panel shall so rule in their award and shall make no other decision on the issue. The panel shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the panel shall be final and binding upon the Board, the UTW, and the grievant involved.

**Paragraph 4:** The arbitration panel so selected shall fix the time and place for the arbitration and notify the parties thereof. In any disciplinary grievance, the panel shall have no authority to alter or amend any discipline imposed by the district if the panel finds either that the district’s actions did not violate the agreement, or that there was just cause for the action.

**Paragraph 5:** No arbitration decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the UTW and the Board. The force and effect of arbitration decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

**Paragraph 6:** No decision of the arbitration panel in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the panel, unless the UTW and the district mutually agree otherwise in writing.

**Paragraph 7:** The fees and expenses of the arbitration panel shall be borne by the party which appointed the panelist. The expenses of the third member of the panel are to be paid jointly by the district and UTW. Each party shall be responsible for its own arbitration expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

**Section G: Rights of Representation**

**Paragraph 1:** At any level of the grievance procedure, at the grievant’s option the grievant shall be represented by the UTW, himself/herself, legal counsel or another person selected by the grievant. Provided, however, if an attorney is going to be present at a Level Two hearing for either the administration or UTW, the other side will be notified at least three (3) days prior to the hearing.
Paragraph 2: If a grievant is not represented by the UTW, the UTW shall have the right to be present and to state its views of all levels of the grievance procedure.

Section H: General Provisions

Paragraph 1: If a grievance affects a group or a class of teachers, and at least one affected teacher so desires, the UTW may initiate and submit such grievance in writing to the Superintendent directly and the processing of such grievance will commence at Level Two.

Paragraph 2: If a grievance arises because of an act of commission or omission on the part of a member of the administration at a level above the grievant’s immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent and the processing of such grievance will commence at Level Two.

Paragraph 3: Forms for filing and appealing grievances will be prepared and distributed jointly by the Superintendent and the UTW. The costs of preparing such forms shall be borne by the Board.

Paragraph 4: A grievance must be filed on an official form. In filing a grievance, the grievant shall make every reasonable effort to state specifically what was done, who did it, when it was done, the language which was violated, how it was violated, and the remedy requested. If the form is not completed in accordance with this paragraph, the grievance may be returned to the grievant for completion together with a notice regarding the incomplete parts. If the form is then completed and filed within five (5) days, the grievance shall be considered to be no less timely than it was when previously submitted. For purposes of processing the grievance, the filing date shall be the date the completed form is filed.

Paragraph 5: The confidentiality of the proceedings will be respected by all parties to the degree that it is consistent with the procedure described. The grievant’s right to continued processing of a grievance filed by him/her shall be conditioned upon there being no deliberate violation of this confidentiality by him/her. The publicizing of the general issues involved in a grievance which does not permit identification of the participants shall not be construed as a breach of this confidentiality.

Paragraph 6: Nothing contained herein is to be construed as limiting the right of a teacher having a grievance or an involved administrator to discuss the matter informally with any appropriate person in an effort to have the matter adjusted in a mutually satisfactory manner, provided that such adjustment is not inconsistent with the terms of this agreement.
Paragraph 7: A decision at any level of the procedure in favor of the grievant may recommend appropriate restitution or other remedy for the period during which the grievance was suffered but no restitution or remedy shall be retroactive beyond the date that the grievance was filed.

Paragraph 8: Any decision rendered at any level of the procedure which is contrary to this agreement or law shall be null and void.

Paragraph 9: If any teacher is required to attend a meeting or hearing called by the Board or the central administrative staff, the teacher’s immediate supervisor shall be notified that the teacher is to be released without loss of pay for such time as attendance is required for the meeting or hearing.

Paragraph 10: Grievances, grievance appeals, grievance communications and grievance findings will not be filed in the personnel file of any teacher. If such a grievance file is maintained, it shall be open for inspection by the grievant upon request.

Paragraph 11: Every effort shall be made by all parties to avoid the involvement of pupils in any phase of the grievance procedure.

Paragraph 12: No teacher shall be subject to reprisal or discrimination by reason of participation or non-participation in the grievance procedure.

Paragraph 13: If a teacher pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

Paragraph 14: With the consent of the grievants involved and the Superintendent or designee, similar grievances may be consolidated and processed together as a single grievance. Such consolidation shall not be construed as preventing any grievant from appealing a decision to the next level. Once consolidated, a grievance may be separated only with the consent of the Superintendent or designee. However, consolidated grievances shall not be presented to arbitration without the mutual consent of the parties involved.
