Welcome from the Superintendent

Welcome to Winston Salem/Forsyth County Schools, where we have a commitment to excellence.

Making that goal a reality – achieving excellence at every level – depends on each one of us. Every employee has a responsibility and a role to play in making Winston Salem/Forsyth County Schools a district of excellence.

We want our schools to be places where every student can learn and does learn. We want our employees to feel valued at the schools and departments where they work. We want students and staff alike to feel safe, welcome and engaged at their schools. Such an environment is essential to student learning.

Every employee in our district is an educator in some way. Together, we must ensure that every student graduates from high school with a meaningful diploma, ready for the next step. Each of us, as we serve students in our individual schools and classrooms and workplaces, is part of the larger whole that is Winston Salem/Forsyth County Schools. We all must work together in support of the WS/FCS goals to:

- Gain 90% of 3rd-grade students reading on or above grade level by 2020.
- Increase our graduation rate to 90% by 2018.
- Close the achievement gap between subgroups by 10 percentage points while increasing the performance of all subgroups by 2018.

In order to reach our district goals priorities have been placed on:

- Providing all schools and departments the differentiated support they need to reach the full potential of the Continuous Improvement Process to maximize student outcomes.
- Training and supporting individuals to be strong instructional leaders and hold them accountable for achieving district goals.
- Equipping staff to support struggling students.
- Intentionally engaging our parent and community partners in understanding, supporting and advocating for our district goals in service of students.

Our district is privileged to serve so many students and their families. Thank you for your dedication to education and for choosing our district as a place to work. I wish you the best as you begin your new job with Winston Salem/Forsyth County Schools.

Sincerely,

Beverly R. Emory
Superintendent
The History of WS/FCS
Welcome to Winston-Salem/Forsyth County Schools. Winston-Salem/Forsyth County Schools formed in 1963 with the merger of the Winston-Salem and Forsyth County school systems. It is the fourth-largest system in North Carolina and the 78th largest in the nation.

Winston-Salem/Forsyth County Schools serves about 54,000 students with the goal of providing a quality education for each child. The school system has 43 elementary schools, 14 middle schools and 15 high schools. Nine special schools bring the system-wide total to 81.

Organization
The Board of Education is composed of nine members who serve four year terms of office. The board designates a superintendent to oversee the day-to-day operations of the school system. Superintendent Beverly Emory began her tenure in 2013 and manages more than 7,000 employees.

Calendar
Based on North Carolina Legislation, school start dates must be no earlier than the Monday closest to August 26 and end date no later than the Friday closest to June 11 (unless a weather related calendar waiver has been approved, year-round school, charter school or cooperative innovative high school.) If waiver is approved, the start date can be no earlier than the Monday closest to August 19.

Curriculum
Elementary students are generally taught in self-contained classes. Reading interventionists, guidance counselors, media coordinators, curriculum coordinators and specialists in art, music and physical education add to regular instruction.

Middle schools provide a gradual transition to departmentalized teaching. In addition to continuing to build basic skills, students explore special interests in music, art, languages, life skills, technology and computers.

All high schools offer a comprehensive curriculum at regular, honors and Advanced Placement levels. Career Center offers about 30 vocational programs and more than 30 Advanced Placement (college-level) courses. Advanced Placement and college-level courses also are offered at high schools and through dual enrollment with Forsyth Technical Community College and other local colleges. Parkland High School offers the International Baccalaureate Programme, a worldwide curriculum that students can use to earn college credit.

Schools provide programs for academically gifted students. Students identified as highly academically gifted can attend Brunson Elementary, Southwest Elementary and Hanes Magnet.
Exceptional Children
The school system provides programs and services for students with special needs. Identified exceptional children are served through resource teachers or specially designed classes in their regular schools or at several locations throughout the school system. Services are available for students identified as intellectually disabled, physically disabled, visually impaired, hearing impaired/deaf, emotionally disabled, speech/language impaired, autistic, learning disabled, homebound/hospitalized, multi-handicapped, severely/profoundly disabled, other health-impaired, and traumatic brain-injured. Younger children with special needs may also receive preschool services.

Staff
WS/FCS employs more than 7,000 people, including about 4,000 classroom and part-time teachers. Students are also served by about 360 bus drivers, 520 food-service workers, 260 custodians, and a network of administrators, principals, guidance counselors, psychologists, social workers and other staff.

Budget
In 2015-16, the school system’s total budget was $544 million, including capital projects and child nutrition. Typically, about 56 percent of the budget comes from the state; about 27 percent from Forsyth County; and the rest from federal and other sources.

Achievement
- WS/FCS implemented the Common Core State Standards in 2012-13, and test results reflect the use of more rigorous standards in reading, math and science. In 2015, WS/FCS met 66 percent of its state and federal testing goals. About 65 percent of schools met or exceeded their state growth goals. Across the district, 52 percent of students in grades 3-8 were proficient in reading; 49 percent were proficient in math; and 64 percent were proficient in science. In high school, 49 percent of students were proficient in Biology; 56 percent were proficient in English II; and 61 percent were proficient in Math I.
- The 2014-15 graduation rate increased 1.9 percentage points to 85.4 percent, the highest percentage since the state began calculating the rate in 2006. Generous support from the United Way of Forsyth County, the Winston-Salem Chamber of Commerce, Graduate. It Pays. Big Brothers Big Sisters, Communities in Schools and Forsyth Promise has helped the school system increase the rate.
- The average SAT score for seniors in 2015 in math and reading was 993, which is slightly below the NC average.
- About 3,600 students graduated in 2016.
- Eight students were named National Merit Semifinalists in 2015.

Winston Salem/Forsyth County Schools believes that comprehensive, continuous professional learning is essential to employee growth and development and continuous improvement. We believe that when employees engage in continuous learning, our organization improves and students achieve.

To that end, the Professional and Talent Development Office promotes a variety of professional growth opportunities to build the knowledge and skills of all staff. When all employees are an active part of the WS/FCS learning community, positive change results in organizational effectiveness and student success.

The Training and Development Office organizes and manages professional development for all employees through My Learning Plan, an online professional development system.

The Professional and Talent Development office supports the STAY (Supporting Teachers All Year Long) program. This program provides training and support for 1st year and lateral entry teachers via an orientation and ongoing professional learning opportunities. New teachers are provided with a STAY coach to support them with issues specific to being a new teacher. 1st, 2nd, 3rd year and lateral entry teachers are all provided mentors.

For additional information about professional or talent development contact 336-748-4079 or email Donna Cannon (HR Director for Professional and Talent Development) at Dcannon@wsfcs.k12.nc.us or Cydney Conger (Program Manager for STAY, Mentors, Recruitment/Training) at CConger@wsfcs.k12.nc.us.
New employee email begins once your pre-employment processing is complete. Once your email is established, it will take additional time (at least a day or two-sometimes longer) to upload your information into the My Learning Plansystem once you are listed in the Intranet Directory.

My Learning Plan (MLP) is an online Professional Development Management tool being deployed in 2015-16 that includes employee professional development evaluations, professional development registration, coaching/mentoring, licensure/certification, and career development/exploration systems all located with an integrated login. This system is available to all WS/FCS employees. If you are a substitute, you will not have access to MLP at this time.

Employee Assistance Program: What does it mean?
It’s tough balancing the demands of a full time job and a full time personal life. Sometimes it’s hard to know where to turn. Your employer understands and provides an Employee Assistance Program (EAP). It is designed to help you deal with personal problems, and it is also available to your family members at no cost to you.

How can your EAP help?
You and your immediate family members can contact an experienced EAP counselor who is ready to listen and talk with you. This no-cost counseling service helps you address stress, relationship and personal issues you and your family face. You need not be alone in coping with issues such as personal issues:

- Relationship problems at home
- An aging parent or troubled teen
- Work related stress or conflict
- Financial issues
- Drug or alcohol problems
- Anxiety, fear or depression
- Grief and loss

What about confidentiality?
It is your decision to take advantage of this service, although sometimes your supervisor may suggest you call. Either way, all EAP records and services are treated with the utmost confidentiality. Your employer has selected our service because we are independent and available 365 days per year. No one will know you have used our services unless you inform them.

Together, WS/FCS and Comp Psych provide you with the best available EAP services. Your job is important and your job performance can ultimately be affected by ongoing personal problems.

Through the Employee Assistance Program, you will gain appropriate tools to resolve problems. Regardless of where you live, you are eligible for Employee Assistance Program Services.

How do I access EAP?
Call our EAP provider at Comp Psych to schedule an appointment. You or your family member can be scheduled for a telephone counseling session. Involved or complex situations will be referred to a medical provider affiliated with your health insurance. Convenient appointment times are always available to accommodate your schedule.

Remember that the Comp Psych phone line is open 24 hours a day. Contact Comp Psych at: www.ComPsych.com or call (800) 272-7255. Use EAP code: COM589.

What is the best way to prepare for an appointment?
Begin by thinking about your reason for asking for help. Your counselor will be interested in knowing about you as a person, your family situation, your support system and any special interests you may have. Your counselor will help you:

- Identify the problem
- Sort through you feelings
- Look at the options
- Make a plan for action
- Move toward a workable solution

Seeking help is a courageous step in the right direction to supporting your well-being.
WS/FCS provides a highly competitive benefits program to its employees. We recognize your health care and financial objectives may change over time. As such, a broad array of plans are available from which you can choose. These include:

**Health Plans**
- Three medical/prescription plan options
- Ameritas dental plan
- Supplemental insurance options (Specified Disease with Optional Cancer Insurance and Hospital Confinement—Sign up in Fall)

**Financial Programs**
- One type of life insurance (term life policy) and disability plans (short-term and long-term)
- Accident insurance
- Retirement savings plans [401(k), 403(b), 457, etc.]

**Other**
- Flexible Spending Accounts (health care and dependent care)
- Legal plan
- Discounted home and auto insurance
- Discount purchasing program

Health, dental, and term life insurances are available at no charge to permanent, full-time employees. Family coverage is available for purchase. Permanent part-time employees may purchase health and dental coverage for themselves or their family members. Insurance benefits are not available to employees working less than 20 hours per week.

You have thirty (30) calendar days from your hire date (the day you begin work) to enroll in your health, dental and life benefits. As a new employee, you will receive 1 email reminder prior to the end of your eligibility period for enrolling in your health, dental and/or life insurance. For additional information, visit our WS/FCS Intranet site at wsfcs.k12.nc.us/newemployee.
Status Changes

Employees in permanent full-time or part-time positions are benefits eligible. **Benefits are not automatically changed (i.e. canceled or enrolled) when an employee experiences a status change.** It is the employee’s responsibility to make any changes to his/her benefits within 30 days of his/her status change.

If an employee experiences a status change from full-time to part-time employment, he/she will be contacted by a Benefits Specialist regarding the resultant increase in premium costs for health and dental. At this time you will be given the opportunity to cancel coverage to avoid the higher premiums. Cancellation must occur within 30 days of the status change. All health coverage changes should be made via the State Health Plan website at: [https://wsfcs.hrintouch.com](https://wsfcs.hrintouch.com)

Employees who change from benefits eligible status to one where they are no longer eligible for benefits will have their benefits canceled automatically the last day of the month that their status changes to “benefits ineligible”. For example, an employee who becomes a sub on November 16th would have all benefits canceled effective November 30—no action is required by the employee. Employees will receive a COBRA notice from the benefits provider on canceled coverage and may elect COBRA coverage as directed.

Employees who become newly eligible for benefits will be contacted by Human Resources or a Benefits Specialist to set up a benefits appointment. All enrollment must be completed within 30 days of the status change. Benefits become effective on the 1st day of the following calendar month.

Terminated Employees

Terminated employees generally have health and dental benefits cancelled the last day of the month of their termination. The only exceptions would apply to Health coverage for the following:

Retirees

Health coverage ends the last day of the month of the retirement effective date. For example, if the retirement is effective 1/1/2016, WS/FCS health and dental coverage ends 1/31/2016.

Terminations Transferring to Another NC LEA or NC State Agency

The State Health Plan coverage will extend over the summer through August 31 for employees that finish the school year, if you are transferring to another NC LEA or NC state agency. If you become employed by another state agency, you will need to re-enroll in health and dental coverage with the new agency.

For employees that resign and complete the end of a school year, and do not transfer to another NC LEA or NC state agency, the benefits will terminate at the end of the employment term.

For employees that do not complete the school year, life insurance cancels your last day of employment.

During open enrollment for health, you must complete all enhancement for the upcoming year of coverage.
Paid Time Off Policies

Holidays
Permanent employees, employed for less than twelve (12) months a year are granted eleven (11) holidays yearly. Permanent employees employed for twelve (12) months a year are granted twelve (12) holidays yearly. The employee calendar should be referenced annually to determine the dates chosen by the WS/FCS Board of Education as holidays.

Annual Leave
Annual leave is earned monthly by permanent employees who are working on or paid leave for half of the workdays in a month or more. The number of days earned each month increases as years of State service increase. The chart below shows how annual leave is earned monthly.

For employees who work less than 100% of a workday, annual leave is paid according to the percentage of employment. State regulations, along with regulations established by Winston Salem/Forsyth County Schools, govern when annual leave may be taken. Use of annual leave requires supervisory approval.

Annual leave may be accumulated without any applicable maximum until June 30 of each year. Employees with more than thirty (30) accumulated annual leave days as of June 30 each year, shall have the excess leave converted to sick leave so that only thirty (30) annual leave days are carried forward on July 1. Upon retirement, resignation or termination, an employee will be paid for a maximum of thirty (30) annual leave days. Annual leave may be transferred when an employee transfers between local educational agencies. Annual leave may be transferred to a State agency if the agency is willing to accept the leave; otherwise, the employee leaving WS/FCS will be paid for up to thirty (30) days accumulated leave.

If an active employee has a negative annual leave balance at the end of the academic year, a deduction in the appropriate amount will be made to his/her May paycheck, or a subsequent check.

If you are a less than twelve (12) month employee in a position that follows the teacher calendar and also hired after August 16, you will not accrue the ten (10) annual leave days that are mandatory. Therefore, you may be in a negative balance at the end of the academic year and a deduction will be taken in your May check or a subsequent check.

Sick Leave
Employees working or on paid leave for half of the workdays in a month or more earn sick leave computed at the rate of one day per month. Sick leave may be granted for: (1) periods of temporary disability caused by or contributed by any personal illness, injury or other temporary disability, which prevents an employee from performing his or her usual duties; (2) illness in the employee’s immediate family and medical appointments that necessitate the employee’s attendance; (3) death in the immediate family; (4) medical appointment.

Sick leave can be accumulated indefinitely and may be transferred between school systems, between a school system and a State agency, and between a school system and a community college or a technical institute if the receiving agency is willing to accept the sick leave. Sick leave accumulated up to the time of separation from employment may be reinstated provided re-employment occurs in a permanent position within sixty (60) calendar months from the date of separation. For employees retiring, sick leave adds additional service credit. For every twenty (20) days or remainder of twenty (20) days sick leave accrued, the retirement system gives another month toward service years for retirement.

Email Sign-on/Password

To get to Email type https://wsfcs.k12.nc.us/ in your address bar.

Logging on to the WS/FCS Network
Before anyone logs into email, he/she must first log onto a school system computer. Upon logging in for the first time, the default password will be 12345678. Once you log in, the system will prompt you to change your password. It is strongly encouraged that you make your password at least 8 characters – with at least 1 capital letter and 1 number.

Username and Email Address
Your username is created from the information you gave Human Resources. It is a combination of your first name, middle initial and last name. Example: you gave HR your name as Mary Sue Jones, so your username could possibly be MSJones. Sometimes the username and initial combination is already taken. If MSJones is unavailable, you could be MSJones2, MSJones3, MSJones4, etc. If you are unsure of your username after an initial attempt, do not continue to try with this username series as you may lock out the original user (MSJones) simply because you were not aware your username has a (2, 3, 4, etc.) on the end. Please be sure to work with the technology helpdesk at 336-727-8300 to confirm your username.

2. Double click on the Staff Email icon on your desktop after logging in.

Your email address will be (username)@wsfcs.k12.nc.us. You will need to make sure you are logged into the computer in order to log into your email. On the first screen, you will not need to enter a password, only your email address. If a second pop-up asks for your username and password, you will need to enter your username or email (either one will work) and your password. The password will be the same password you set when you previously logged into the system. You will not be able to log into the email system until you have updated your password.
Employee Self-Service (ESS) is now available for all users. You may access ESS while at work. ESS is not available outside the WS/FCS internet network.

To access ESS while at work, log into http://intranet.wsfcs.k12.nc.us/EmpNot.nsf/EmpChgPrompt?OpenForm. Select the Employee link> Personnel> Employee Self-Service.

Your Employee Self-Service username and password are the same as your E-MAIL account.

This online service will give you access to your personal information in the Human Resources & Payroll system. You will be able to view e-docs (check leave balances, tax withholdings, etc). You can also change your address/phone number, or add an emergency contact information.

Please note:
Safeguard your password in order to protect your personal information. It is recommended that passwords be eight (8) characters or more in length. Your password should contain both letters and numbers.

Questions regarding Employee Self-Service may be directed to SReich@wsfcs.k12.nc.us or your Human Resources Specialist.
